Pee Wee, All-Star Games Slated Friday

The regularly scheduled Little League games for Friday night have been cancelled, and in their place will be a Pee Wee League game at 7:00 p.m. followed by a Little League All-Star Game at 8:30 p.m.

Benefits Being Paid To 382 Residents

A total of \$25,249 a month in social security benefits were being paid to 382 residents of Briscoe County at the close of 1966.

This is an increase of 6% over the previous year, according to Travis C. Briggs, district manager of the Amarillo social security office.

While the majority of the payments went to older persons, Briggs pointed out that substantial payments were also made to young widows, children and disabled workers.

Nearly every young family in Briscoe County has survivors protection under social security that can be worth \$75,000 or more, and equally valuable insurance in case they become disabled.

"The average worker," Briggs said, "can expect to collect more than the value of his own social security contribution just in benefits payable to him and his family in retirement. If he should die or become disabled before retirement, his family stands to collect for more than the contribution he has paid."

Monthly payments to the family of a worker who dies leaving two or more children can range from \$66 to \$368 a month, depending on the worker's average earnings under social security. Benefits to a mother and children continue until the youngest child becomes 18. Further, if a child is disabled or a full-time student his benefits may be continued beyond age 18.

Briggs recommended that all persons having a question about social security contact Curtis Watts, a representative of his office, who is at the courthouse in Silvertown twice a month.

Awards Presented To Lions Club Members

During the regular noonday meeting of the Silvertown Lions Club at the City Cafe Thursday, Zone Chairman Glen Lindsey presented awards for 100% attendance during the past year to Jimmie House, Robert Ledbetter, Charles Sarchet, J. L. Self, Jack Strange, George Seaney and Cliff Allard.

Lion Boss Seaney presented a framed certificate to Jimmie House, in recognition of his service to the club as president during the past year.

Lion Secretary - Treasurer Sarchet reported that the sale of fireworks during the Fourth of July holiday brought the club \$480, with some fireworks still to be returned and a bill to be paid.

A directors' meeting was held following the meeting for the purpose of planning the coming year's work.

Twenty-three members and six guests attended the meeting.

R. A. Edwards was in Plainview for medical examination last week.

Gold Sox, the second- and third-place teams.

Pictures will be made of each game at the Little League teams Friday night.

LEAGUE STANDINGS

The Little League season ended with the Indians, coached by Fred Strange, in first place with nine wins and two losses. Their losses were to the White Sox (6-3 and Gold Sox (7-3). The Indians also won two games from the Vigo Park Little Leaguers.

Leading scorers for the Indians were Larry Vines, Mark Hutsell, Mikel Grady, Herbert Polley, David Self, Barry Francis, Scott Hutsell and G. W. Perkins.

Sharing pitching honors for the Indians were David Self and Herbert Polley.

The White Sox won six games and lost five during the season.

Joe W. Alexander Buried Wednesday

Funeral services for Joe Wheeler Alexander, 70, 2143 Avenue Q, Lancaster, California, were conducted at 10:00 a.m. Wednesday in the First Methodist Church in Silvertown, with the pastor, Rev. E. Hardy Cole, officiating.

Members of Silvertown Lodge No. 754 A.F.&A.M., R. A. (Jim) Baird, Joe B. Mercer, Dee McWilliams, Carver Monroe, Glen R. Lindsey and O. M. Dudley, were active pallbearers. Interment was in the Silvertown Cemetery with arrangements under the direction of the Silvertown Funeral Home.

Mr. Alexander died Friday in the Antelope Valley Hospital at Lancaster after undergoing surgery. He had been a salesman for the Salinas Valley Appliance and Household Supply Company in Lancaster.

Born August 23, 1897, in Memphis, Texas, he was the son of the late Mr. and Mrs. Samuel G. Alexander. He married the former Gladys Clary in Silvertown, and they moved to California 31 years ago.

He was a member of Silvertown Lodge No. 754 A.F.&A.M. and was a veteran of World War I.

Survivors include his wife, Gladys; a daughter, Nancy, of the home; a son, Worth, of Oakland, California; two brothers, Marion of California and Gordon of Silvertown; five sisters, Mrs. Earl Berry of San Bernardino, California, Mrs. O. O. Michel of Eastland, Mrs. C. A. Winford of Wichita Falls, Mrs. Bland Burson of Chaning and Mrs. Tess Totter of Ruidosa, New Mexico; and eight grandchildren.

To Observe 76th Anniversary

The seventy-sixth year of Methodism in Briscoe County will be celebrated in the Silvertown Methodist Church Sunday, July 23.

Bishop O. Eugene Slater has confirmed his intention to be with the local church at that time, preaching in the morning worship service and otherwise participating in the celebration.

The District Superintendent, Rev. W. A. Appling, will also be present for the day.

Lunch will be served in Fellowship Hall at 1:00 p.m. and members are asked to take basket lunches for themselves and guests.

Members of the committee supervising the anniversary celebration are Mrs. Lem Weaver, George Seaney, Mrs. Joe Mercer, Mrs. Arnold Turner and Mrs. J. V. Self.

Their losses were to the Indians (13-2, 7-6, 9-1), Gold Sox (12-8), and Blue Sox (6-5). Coached by Bob Stafford, Mike Tate, Leland H. Wood and Ronnie Sharp, the White Sox finished in second place.

The winning pitchers for the White Sox have been Ken Wood and Kelly Bomar. Sharing the scoring honors have been Harloyd Vaughn, Joe Waters, Ken Wood, Kelly Bomar, John Sharp, Kent Mercer and Ken Sarchet.

The Gold Sox finished in third place with five wins and five losses. The losses were to the Indians (19-7, 13-12) and to the White Sox (14-3, 17-6, 7-5). The team was coached by Larry Comer, Buddy Comer and Danny Vaughn.

Leading pitchers for the Gold Sox were Carl Dean Gallington and Rex Clayton. Sharing the scoring honors were Quinn Montague, Danny Meason, Cris Gill, Carl Dean Gallington, Mike Montague, Gary Storie, Mike Griffin and Rex Clayton.

The Blue Sox finished with one win (6-5 from the White Sox) and nine losses, having had to forfeit

games due to an absence of players. The Blue Sox have lost several close games (Gold Sox, 13-11; White Sox 13-12, 9-8; Indians 11-8, 8-7). Coaches Roy Dale Wood and Paul Ray McWilliams had one Blue Sox game called because of rain.

THIS WEEK'S GAMES

In Friday night's action, the Indians defeated the White Sox 13-1, with Herbert Polley as the winning pitcher. Kelly Bomar was the losing pitcher with Harloyd Vaughn as his relief hurler.

The Blue Sox forfeited the game to the Gold Sox Friday night, with the Gold Sox credited with a 1-0 win on the League books. In Little League play, the nine- and ten-year-old players can also substitute on another team if that team does not have enough players. However, the substituting players must play in the outfield, regardless of their usual positions on their own teams.

The Blue Sox, needing a pitcher, were not able to borrow a player to fill this position.

In Tuesday night's play, the Blue Sox forfeited to the Indians, and the Indians were credited with a 1-0 win.

The White Sox defeated the Gold Sox to move back into second place on the 17-6 win. Kelly Bomar was the winning pitcher, going all the way without relief. Carl Dean Gallington was the losing pitcher.

Revival Planned By Methodist Church

The Silvertown Methodist Church has announced revival services beginning Sunday, July 16. The special services will be led by Rev. Hardy Cole, pastor, and will continue through July 21.

The services on Sunday, July 16 will be at the usual time, 11:00 a.m. and 7:00 p.m. Weekday services are planned to begin at 8:30 p.m.

Mrs. Bill Edwards will be in charge of the music.

Services Conducted For Mrs. Phelps

Funeral services were held this week in Quitaque for Mrs. Rhoda May Phelps, 79, who died Saturday morning in Lockney General Hospital.

Widow of James T. Phelps, she had been a Briscoe County resident for 34 years.

Survivors included five sons, Delbert Phelps of Quitaque, Bud Phelps of Dallas, Bill Phelps of Golden, Colorado, Namon Phelps of Farmington, New Mexico, and Charles Phelps of Leadville, Colorado; three daughters, Mrs. Frank Yearo of Silvertown, Mrs. O. L. Truelock of Silver City, New Mexico and Mrs. O. L. Harrison of Ropesville; two sisters, two brothers, 27 grandchildren, 54 great-grandchildren and six great-great-grandchildren.

Dorcas Class Has Regular Meeting

The Dorcas Sunday School Class met June 23 at the First Baptist Church. Mrs. Jennie Fisher led with the opening prayer, and the opening song was by Mrs. Leavie Criswell.

Mrs. R. C. Hutsell brought the devotional on "Strength to Endure Suffering," and Mrs. E. C. Newman brought the Bible Quiz on Paul.

Mrs. Newman and Mrs. Stella McJimsey were hostesses. Members present were Mrs. Criswell, Mrs. Georgia Allard, Mrs. C. G. Harrison, Mrs. Dee Garvin, Mrs. Eunice Bishop, Mrs. W. J. Hyatt, Mrs. Hutsell and three visitors, Mrs. Fisher, Mrs. Clyde Lightsey and Mrs. Belle Olive, also attend-

Swisher County Celebrating Birthday

Three big nights of rodeo, a 50-mile bicycle race, and three parades will highlight Swisher County's 77th Birthday Celebration in Tulia this week. The Silvertown Riding Club has been invited to join riding clubs from throughout the area in a parade through downtown Tulia at 6:00 p.m. Thursday. Following the parade, the clubs will be served free barbecue. At 9:00 p.m. the group will participate in the grand entry to start this year's rodeo. There will be seven contests each night. Friday will be kids day in Tulia (merchants will move merchandise to the sidewalks and create a carnival atmosphere. At 6:00 p.m. Friday all youth are invited to enter the parade with their pets or bicycles and tricycles. A street dance will follow with music by "Outter Side Band."

One of the new events at Swisher County's birthday celebration this year is a 50-mile bicycle race which will start at 8:00 a.m. Saturday. Saturday will be pioneer day, with a luncheon for the old timers at the American Legion Hall at 12:00 noon.

Miss Susan Logan, 1966 Miss Texas, will lead the Pioneer Day Parade which starts at 3:00 p.m. This will be one of the last appearances of Miss Logan as Miss Texas before she crowns her successor on July 29. This year's celebration will feature a poor boy's art show, in which artists of the area are offering originals for sale at prices not to exceed \$25.00.

Members of L. O. A. Junior Study Club are asked to meet at 3:30 p.m. Tuesday in the home of Mrs. Charles Sarchet.

Mrs. Randall Eddleman, club president, is calling the special meeting for a discussion of summer projects.

Caprock Round-Up Planned July 20-22

The annual Caprock Roundup is slated July 20-21-22, at Claude. Sponsored jointly by the American Legion, Claude Lions Club and other Armstrong County organizations, it offers three full days for old timers, visitors and friends. Amateur rodeo performances will be held at 8:00 p.m. each day in Legion Park followed by dances in Legion Hall.

The big day of the three days will be Friday, July 21. Old timers will register at 9:00 a.m. in the courthouse. A street parade at 10:00 a.m. will feature floats from clubs, businesses and riding clubs from over the Panhandle. It will also feature the Model A Club of Amarillo.

The annual Farm Bureau Queen contest follows the street parade and will be held on the east side of the courthouse square. A free barbecue, with all the trimmings, will be served at noon Friday on the east side of the courthouse. Friday afternoon the Claude Junior Chamber of Commerce will open their carnival for everyone to enjoy.

Survivors include a son, Leroy Parrish of Liberty, Missouri; four daughters, Mrs. Leroy Conner and Mrs. Dock Switzer of Amarillo, Mrs. Raymond McJimsey of Silvertown, and Mrs. Sid Waller of Floydada; two brothers, three sisters, 14 grandchildren and four great-grandchildren.

Helping Hand Club Has Meeting

Mrs. J. D. Nance entertained members of the Helping Hand Club Thursday.

Mrs. Garland Francis presided over the short business meeting. Mrs. Lowell Callaway called the role and dues were paid.

After an enjoyable afternoon of visiting, refreshments were served to Mrs. John Lee Francis, Mrs. Lenton Lanham, Mrs. Wade Steele, Mrs. Aubrey Rowell, Mrs. Frank Mercer, Mrs. Garland Francis and Jace, Mrs. Lowell Callaway and the hostess, Mrs. Nance.

The next meeting will be held at 3:00 p.m. July 20, in the home of Mrs. Wade Steele.

Plant Insect And Disease Clinic To Be Held Here Friday

Are your cotton or garden plants being eaten? How about the wife's lawn—does it need spraying for insects? Are your fruit trees dying back from some disease?

These are all problems we have in our area each summer.

On Friday, July 14, from 9:00 a.m. until 12:00 noon, there will be a Plant and Insect Disease Clinic at the First State Bank in Silvertown for anyone who has any kind of plant, insect or disease problem.

Dr. Robert Barry, Plant Pathologist, and Don Rummell, Entomologist, from the South Plains Research Extension Center in Lubbock, will be on hand to identify problems and answer any questions one may have.

Anyone may bring in samples of diseased or insect damaged plants for identification and control measures.

Pee Wee League Organized Here

Two teams have been organized here in the Pee Wee League, and call themselves the White Sox and Tigers. The teams played Tuesday evening, and the Tigers won with an 8-7 score.

David Strange and Jacky Vaughn were the winning pitchers for the Tigers. Wes Fleming and Donnell Polley pitched for the White Sox.

It has been suggested that the two teams may be further divided into a third team, for more individual attention to each player's development.

Members of the Pee Wee White Sox are James Mercer, Bill Reid, David Hall, Jace Francis, Wes Fleming, Kirk Durham, Kyle Bean, James Alan Patton, Bruce Clayton, Donnell Polley, Chris Robertson, Steve Maples and Billy Perkins.

On the Tigers team are Douglas McJimsey, David Strange, Shawn Hall, Mike Martin, Kelly Satterfield, Timmy Roberts, Brent Bean, Clayton Fowler, Earl Jarrett, Brent Brannon, Mitchell Simpson, Jacky Vaughn, and Bryan Burson.

Among those assisting the teams Tuesday were Jim Smith, Joe Brannon, Ted Strange, Harvey McJimsey, John Mercer, J. C. Fowler, Walter Bean, Joe Roberts, Carl Satterfield, Winston Hall and Jack Robertson.

The Pee Wee League, for boys 6-8, will have games on Tuesdays and Fridays at 7:00 p.m. at the local ball park. The concession stand will be open for all the games.

Revival Continuing

A revival is in progress at the Assembly of God here, with meetings at 8:00 p.m. daily.

The visiting evangelist is Don Martin of Lubbock. Special music and singing is planned each night. The public is invited to attend.

There have been several inquiries concerning starting a 4-H Horse Project Program in Briscoe County. Thus a meeting has been planned for July 18, 1967, in the P. C. A. building. All interested 4-H members, adults and prospective 4-H members are invited to attend.

Requirements: be in a 4-H Club; be at least 9 years old; be interested in learning to care for, manage, and practice safety on horses; learn how and what to feed horses. You do not have to own a horse. You must carry a horse project record book.

These are some of the more important things concerning 4-H horse projects and activities.

If you are interested, come to the meeting and learn about the 4-H Horse Program.

Edwin Davis was returned to Northwest Texas Hospital in Amarillo Sunday afternoon for treatment.

From The County Agent's Desk

Many ornamental plants, particularly roses, in Briscoe County are heavily infested with aphids, County Agent Ken Cook reports.

Cook adds that large numbers of aphids are feeding on a plant, its beauty is greatly marred—it becomes divitized, and may die.

Aphids, commonly known as plant lice, are small, soft-bodied, pear-shaped insects. Cornicles, a pair of small tubes projecting from the back of the body, provide positive identification. Aphids are usually 1/25 to 1/8 of

an inch long and vary in color from light yellow to green or black.

The plant lice are destructive in that they insert their short, stout beaks into the plant and suck up vital plant juices. When large numbers are present, the plants are greatly divitized, and the leaves become curled, cupped or distorted.

When the flower buds of roses fail to develop properly, the aphids are feeding on the growing tip and flower buds of the plant.

Aphids can be controlled by treating the affected plants with Sevin, diazinon, Cygon, lindane, malathion, nicotine sulfate, or

with a new granular systemic, disulfoton. Disulfoton is being marketed under various trade names.

In using any insecticide, be sure to read the label carefully and follow directions, Cook warns.

For further information, the bulletin, "Texas Guide for Controlling Insects on Ornamental Plants," L-199, is available in your County Agricultural Agent's office.

When you read or hear that the Consumer Price Index has fluctuated, do you often wonder exactly what "Consumer Price Index" means? If this question has puzzled you, an understanding of the term will help you be a better informed shopper, says Gwendolyn Clyatt, consumer marketing specialist with Texas A&M University.

Consumer Price Index is a measure in prices of approximately 300 goods and services that a family uses—food, rent, clothing, transportation, medical services, and many other topics that are surveyed in 46 cities each month. They are computed and published by the Bureau of Labor Statistics in Washington, D. C. This index tells you what has happened to the average cost of living.

Prices on goods and services are important in family living. Some of the 80 food items that go into the cost of living index are round steak, hamburger, bacon, frying chicken, fresh milk, eggs, apples, bananas, potatoes, head lettuce, canned tomatoes, frozen orange juice, coffee and sugar. Also considered are restaurant meals away from home.

Instead of publishing actual dollar and cents changes in the price of foods, the Bureau makes up a price "index." This index measures the percentage of change from a previous period. The base period, which is the average for the years 1957-1959, is always equal to 100. Therefore, if the index was 114.8, as in February, this signifies that prices were 14.8 percent higher than they were in the average 1957-59 period.

Study Club Members To Be Honored

Members of L. O. A. Junior Study Club will be among those honored by Caprock District, Texas Federation of Womens Clubs, at a seated Victory Tea in Plainview August 20. The tea will honor all clubs who won awards at the state convention last May. The Plainview Woman's Clubhouse, 6th and Joliet, will be the scene of the 3:00 p.m. tea, and the program will be announced later.

Mrs. Louis Cummings, Caprock District president, is notifying the award winners so that plans for the tea can be completed.

L. O. A. Junior Study Club was first place winner in its division of both the yearbook and press-book awards. Serving on the yearbook committee were Mrs. Randall Eddleman, Mrs. J. E. Patton and Mrs. James Ross Alexander. Mrs. Bill Durham was the press-book chairman, and was assisted by Mrs. Leo Fleming.

Each federated club in Caprock District is also asked to report its 1967-68 officers to the state headquarters, 2312 San Gabriel, Austin, now. Each club president's name and address should also be reported to Mrs. Louis Cummings, district president, for correspondence purposes.

Dates to Remember

Dates important to Caprock District federated clubwomen in addition to the Caprock District Victory Tea in Plainview on August 20, are: General Federation Board Meeting, September 12-14, Washington, D. C.; State Board Meeting, October 3-4, Austin; Caprock District Fall Board Meeting,

GUESTS IN ZIEGLER HOME

Sunday dinner guests in the home of Mr. and Mrs. J. A. Ziegler were Mrs. June George, Sharla and Willa of Alliance, Nebraska; Bill Williams of Denver, Colorado; Mr. and Mrs. B. A. Thomas and Tony, Mr. and Mrs. Roy Vaughn and children, Cindy Crawford, all of Tullia; Mr. and Mrs. Jimmie Pointer, Quitaque; Mr. and Mrs. Delvin Bybee and daughter of Plainview; Mr. and Mrs. Riley Ziegler and children, Mr. and Mrs. John Mercer and children.

Guests who called in the afternoon were Mr. and Mrs. Van Crawford of Tullia; Mr. and Mrs. L. A. McCain and Timmy of Lockney, and Johnnie Pointer of Quitaque.

BIRTHDAY DINNER

Mr. and Mrs. G. W. Seaney honored his niece, Mrs. Mattie Ruth Brown of Haywood, California, with a birthday dinner July 5. Those present to help celebrate the birthday anniversary were Mrs. Darwin Johnson of Erick, Oklahoma; Ross Brown of Hayward, California; John Kirkpatrick of Tulsa, Oklahoma; Mr. and Mrs. James Roy Brown of Post; Mr. and Mrs. Pascal Garrison, Mr. and Mrs. Gordon Lowery and Angela, Mr. and Mrs. Arnold Brown and Rita. Mr. Seaney and Mrs. Johnson visited their sister, Mrs. Steve Duncan, in Tullia in the afternoon.

Visitors with Mr. and Mrs. J. T. Gilkeyson have been her uncle and aunt, Mr. and Mrs. Phil Holcomb of Streeter, Illinois; her mother, Mrs. Zena Thomas of Santa Anna, California; and her brother, Mr. and Mrs. Donald W. Thomas, their daughter and twin sons of El Toro, California.

Mrs. Bill Durham and Kirk were in Plainview Wednesday for his checkup and lab work prior to his having a tonsillectomy Friday morning. If his tests and checkup were good, he expected to enter the Plainview Hospital this afternoon.

October 14, Littlefield; Caprock District Spring Convention, March 22-23, Lamesa; State Convention, May 7-9, Austin; General Federation Convention, June 9-14, Boston, Massachusetts.

What Youth Wants... 4-H HAS!

WHY is 4-H unique? Because Mary and Sue, Bill and Jim and all the other 2½ million 4-H'ers do things. In fact, the 4-H way is "learn-by-doing." And what do they do? They work on projects. They have well over 50 projects and activities to choose from. Among them are garden, electric, horse, livestock, crops, dog, poultry, photography, entomology, automotive and home economics. With few exceptions, boys and girls participate in all projects with equal skill and success. For more than a half century, publicly supported 4-H has served the needs of youth through programs set up by the Cooperative Extension Service of the state land-grant universities. Since the first 4-H Clubs were organized to teach boys how to farm better and girls how to preserve foods better, private industry and community-minded citizens have backed 4-H. Industry provides incentive awards, recognition, educational aids and technical assistance. Collaboration between private interests in support of this youth program open to all is probably without parallel. Success of the "partnership" is evident in the long tenure of business donors. Today nearly 400,000 men and women serve as volunteer leaders, using their special skills to guide the youngsters. Many of them are parents of 4-H'ers. Through the National 4-H Service Committee of Chicago, nearly 60 business firms and foundations annually contribute large sums as sponsors of national and regional 4-H award programs approved by the Extension Service. In addition they host some 1,600 of the nation's finest teenagers at the National 4-H Club Congress. The 1967 congress, tabbed "the showcase of 4-H," will mark its 46th straight year. Among the 4-H sponsors are: Eli Lilly and Company; General Motors; General Foods Corporation; Kerr Glass Manufacturing Corporation; Coats & Clark Inc.; Chicago Board of Trade; Allis-Chalmers; Westinghouse Electric Corporation; Merck & Co., Inc.; Wilson & Co., Inc.; Moorman Mfg. Co.; Oliver Corporation; E. I. du Pont de Nemours & Company; Amchem Products, Inc.; Ralston Purina Company; Heisdorf & Nelson Farms, Inc. and Eastman Kodak Company. Others include: Hercules Incorporated; The Firestone Tire & Rubber Company; Montgomery Ward; Armour and Company; Carnation Company; American Oil Foundation; Humble Oil & Refining Company; Standard Oil Company (Kentucky) and The Standard Oil Company (Ohio).

Mr. and Mrs. Gaston Owens of Quitaque have been recent visitors with her brother, Eural Vaughan, and with her sister, Mr. and Mrs. Bud McMinn, in the Vaughan home.

Mr. and Mrs. Mike Baird and Russell of El Paso have been visiting Mr. and Mrs. John D. Baird and other relatives. They returned home his sister, Linda, who had been visiting in El Paso.

Linda Sissney Describes Her Visit In California

I just returned home from a visit with my uncle and aunt, Mr. and Mrs. Sherman Fields, who live

in Azusa, California. During my three weeks stay, I visited many of the high spots in L. A. county. I went to Disneyland, where I visited Tomorrowland, Fantasyland, Adventureland, Frontierland and the Main Street U. S. A. Of all the rides, I enjoyed these two most: the bob-sled ride through the Disneyland Matterhorn and

the tour of Pirate Cove.

At Knotts Berry Farm and Ghost Town, we saw people actually pan for gold nuggets with the help of old prospectors, the Blacksmith Shop, Wing Lee Laundry, and the general store with all the old things in it.

Movieland Wax Museum and Palace of Living Art is a tribute to the motion picture industry. It contains wax images of stars,

past and present, stopped in action and posed in surroundings of their best-known roles. These included "PT 109," Cliff Robertson; "Gone With the Wind," Clark Gable and Vivien Leigh. A gold-finished Rolls-Royce stands on the driveway at the entrance, used to chauffeur visiting stars to and from the museum. In front of the Movieland Wax Museum are Royal Swans, a gift to Movieland by the city of Stratford-on-Avon in favor of Her Majesty Queen Elizabeth II of England, received by Olivia De Havilland.

I visited the world's largest oceanarium—Marineland of the Pacific, with its unique three-ring sea circus. The Oceanarium building has two huge tanks, each four stories deep, holding a total of more than a million gallons of sea water. In one tank are Bimbo, Bubbles, and several other whales. In the other tank are big sharks, ancient turtles, barracuda, giant sea bass and thousands of other fish.

It was my aunt's idea to go to the Huntington Estate, and I thought it would be a drag, but I enjoyed it very much. Huntington Library, Art Gallery and Botanical Gardens were at San Marino. The Henry E. Huntington Library and Art Gallery was founded by Henry Huntington and a board of trustees in 1919, and was dedicated to the public as a free art gallery, museum and botanical garden and as a free research library for the use of all persons. The entire grounds con-

tain 200 acres. In the gardens are rare evergreens and shrubs and trees from every continent. The North Vista has seventeenth century stone figures from Padua against a background of camellias; the Shakespeare Garden contains plants named in the poet's work; there is a rose garden and a herb garden; the Japanese Garden is in a small canyon which has been transformed into a landscaped

garden with Japanese shrubs and stone. The camellia collection has 1,200 varieties covering a five-acre hillside. The Desert Garden has ten acres containing the largest collection in the world, with over 25,000 plants. The Palm Garden has 200 specimens from both hemispheres. The library was just great! Some of the items on display were the Gutenberg Bible (Mainz, about 1450-55), the ear-

liest book produced in Europe with moveable types and the first printed Bible; first book printed in English, "The Recuyell of the Histories of Troye," (Bruges, Caxton and Mansion, 1475); first collected edition of Shakespeare's plays, printed in 1623 and known as the "First Folio;" Benjamin Franklin's Autobiography in his own hand, 1771-89; George Washington's genealogy in his own hand, 1792.

The Arabella D. Huntington Memorial Art Collection, established by Mr. Huntington as a memorial to his wife, contains a group of fifteenth- and sixteenth-century Italian and French paintings, a fine collection of eighteenth-century French sculpture, and French furniture, tapestries and porcelains of the same century. From 1914 until the founder's

death in 1927, the building which is now the art gallery was the Huntington family home. Some of the paintings were by Gainsborough, Reynolds, Romney, Lawrence, Turner and Constable. The most popular are "Sarah Siddons as the Tragic Muse," by Sir Joshua Reynolds; "Pinkie," by Sir Thomas Lawrence; and "The Blue Boy," by Thomas Gainsborough.

And, like everyone else who goes to California, I had to visit Hollywood, Beverly Hills, the beach, Sunset Boulevard where the Chinese Theatre is, and the Whiskey A-Go-Go, where all the hippies hang out. I had a wonderful time visiting with my relatives and seeing all the places and riding the airplane, thanks to my parents, but I WAS READY TO COME HOME.

SUCCESSFUL SEWMANSHIP

Professional Tips for Sewing With Bonded Fabrics

BEAUTIFUL SHAPING: That's what this Spring's fashions call for. And that's what bonded fabrics offer the home-sewer.

A bonded fabric is really two fabrics. The outer surface (face) can be almost anything: jersey, knit, lace, tweed, or acetate and rayon crepe. The backing, which is permanently bonded to the face, is usually acetate tricot or a loosely woven cotton.

A double-faced fabric is two face fabrics bonded together back-to-back. For example, a worsted gabardine may be bonded to lightweight wool flannel, so that the fabric is completely reversible.

of stretching diagonally for straightening. Merely square off the end with a ruler, and cut. Follow the lengthwise grain of the fabric for the lengthwise fold.

When cutting a pattern out of bonded fabrics, pin the pattern to the fabric with plenty of sharp, fine pins, and use sharp shears. Tailor's tacks or a chalk pencil are best for transferring pattern markings to the fabric.

How to Sew Them

To sew bonded fabrics by machine, sewing experts at The Singer Company suggest these steps:

(1) Thread the machine with silk, mercerized or synthetic thread of matching color. Use a size 14 needle. Set the stitch length selector at 12, and pressure regulator at medium.

(2) Test-stitch a seam about 12 inches long on two layers of fabric, right sides together. If the seam ends do not come out almost even, decrease the pressure, and test again.

(3) Inspect the seam for appearance and balanced tensions. Stitching should look the same on the bottom as on the top. If in doubt, make the "break test" (see diagram A). With a quick pull, break the stitching line. When tensions are balanced, both threads will break simultaneously. If tensions are not balanced, adjust the upper tension.

Construction Details

To eliminate bulk, darts should be slashed and pressed open. Seams inside collars, facings and similar constructions should be blended (cut to uneven widths) to eliminate bulkiness (see diagram B).

Bonding keeps seam edges from raveling so they don't need special finishing. Exceptions might be a bulky tweed or a lacy fabric which should

be finished with a zig-zag stitch.

The lengthwise grain of almost all bonded fabrics is very stable, so needs no special treatment. Crosswise or nearly

Seam edges are blended unevenly. Facing edge is always narrower than garment edge.

crosswise seams in bonded knits need stay stitching to hold them in shape during assembly. Also, they often need staying with woven seam binding stitched into the permanent seam.

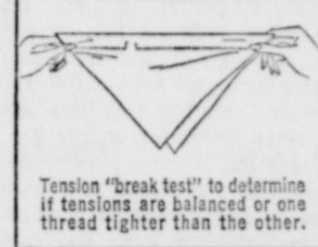

The crosswise seams in bonded woven fabrics have a stable crosswise grain and need no special treatment.

Finishing Touches

Buttonholes may be made on a zig-zag machine or with a buttonhole attachment, but a woven fabric should be used between the garment and the facing.

Suit collars and lapels should be interfaced with lightweight hair canvas. Dresses should be interfaced with lightweight fabric. High rounded necklines may be faced with color-coordinated taffeta instead of self-fabric to reduce bulkiness.

A French hem is most suitable for bonded fabric. To make one, pink the free edge of the hem. Stitch close to the pinked edge with stitch length set at 20. For tweeds or lacy fabrics, stitch bias seam binding to hem edge. Hem by hand with a catch-stitch below the hem edge, between the hem and the skirt.

Tension "break test" to determine if tensions are balanced or one thread tighter than the other.

Bonding two fabrics together can change the hand of the face fabric, stabilize an open weave, reinforce a stretchy or pliable base, or pre-line a garment. Bonded fabrics are easy to handle, and hold their shape, wearing after wearing.

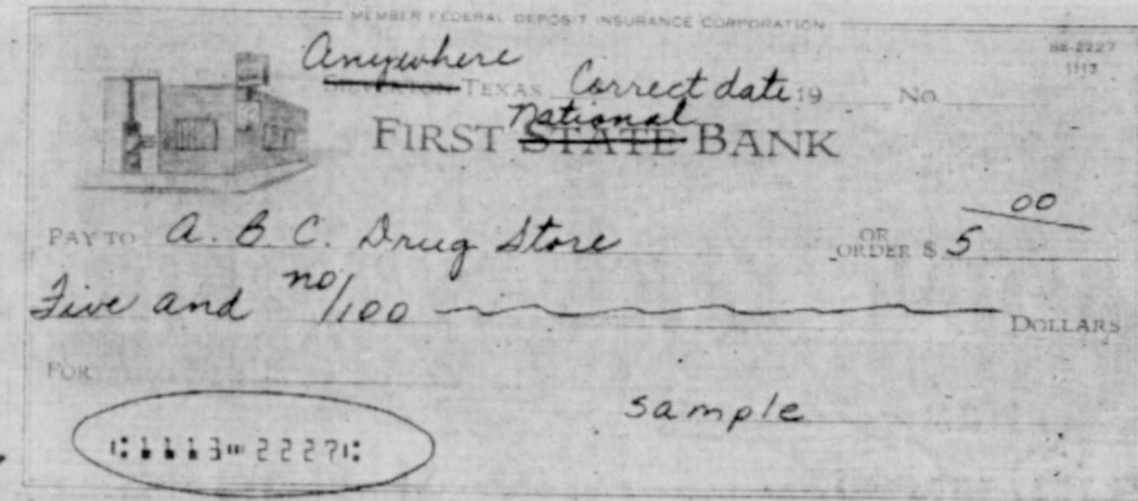

What to Look For

When buying bonded fabrics, look for evenly bonded lengthwise edges and firm bonding throughout the piece. The face fabric should be on-grain with the backing, although, if the acetate backing is slightly off-grain, don't worry.

When choosing a pattern to make up in a bonded fabric, look for simple styling. Avoid patterns that call for soft draping or gathered fullness.

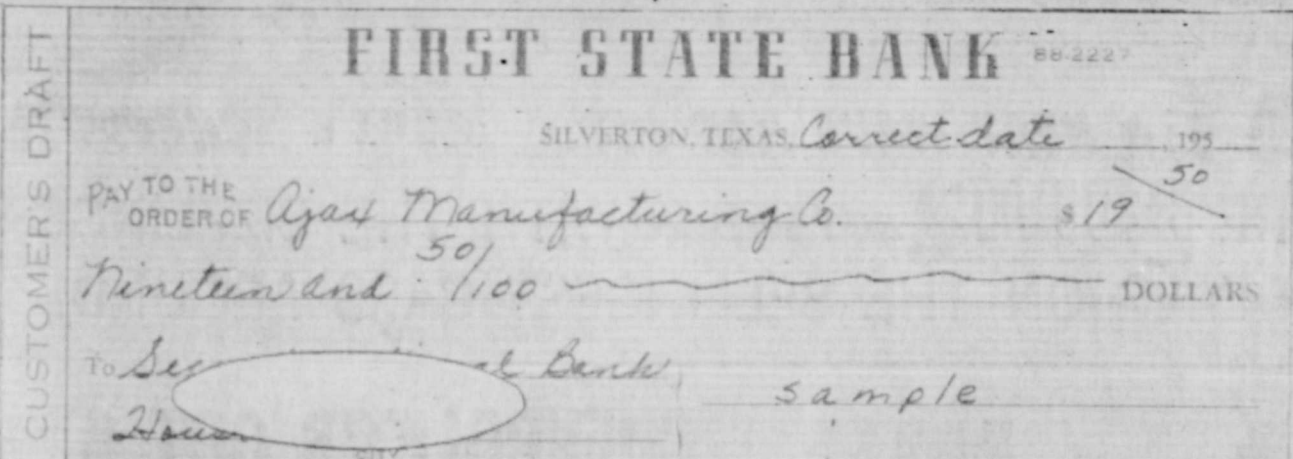

How to Handle Them

Bonded fabrics do not respond to the usual procedure

CORRECT

*Your bank's special magnetically encoded characters

HERE'S WHY:

- Somewhere in the check collection process, your check will probably be handled by a machine that can only read the special characters in the lower left-hand corner that are printed in magnetic ink. A "changed" check will have the wrong number and a customer's draft will have no number.
- The machine will probably route the "changed" check to the wrong bank (if the number is not punched out) and the customer's draft will be rejected by the machine for special handling because it has no number. The special handling required of these checks results in additional expense which may ultimately be passed on to you.
- Beginning September 1, 1967 the Federal Reserve Banks will require these *special magnetically encoded characters on all checks if they are to be handled through the usual check collection channels.

If it is not convenient to carry your checkbook with you, keep a few blank checks in your pocket, billfold, or purse. Personalized checks printed with correct routing-transit numbers are available from your bank.

Home Demonstration Agent

The 4-H expansion training meeting for the Extension Agents in District 2 was effectively handled by Dr. Edward Schutt, associate State 4-H club leader and the district agents, Billy C. Gunter and Mrs. Aubrey W. Russell. The agents were urged to set goals with the coordinated planning of agents and adult leaders, that are realistic but challenging for our county. It is our sincere desire to furnish the initiative and leadership necessary to make 4-H the dynamic learning experience that it can be if we reach our potential, the hope to challenge leaders, parents, youth, with the reminder that 4-H is learning—not merely an organization.

The women from Silverton making the tour of the greenhouse in Canyon expressed their enjoy-

ment of the event. Thank you, Merlene Stephens, for arranging and accompanying us on this educational activity. We were pleased to have Mrs. W. E. Schott, sr. as a guest.

Mrs. Claude Allison, president of the Progressive Home Demonstration Club, and the following members attended the tour: Mrs. H. P. Rampley, Mrs. J. K. Bean, Mrs. Stella Davis, Mrs. Glenn Smith, Mrs. Virgil Crow and Mrs. R. L. O. Riddell.

Mrs. Allen Kellum, president of Southwestern Home Demonstration Club, and the following of her club members were present to tour the Erwin Greenhouse Friday morning: Mrs. Garland Francis, Mrs. Carroll Garrison, Mrs. Rex Holt and Mrs. J. L. Self.

We appreciate Mrs. Self, Mrs. Bean and Mrs. Riddell taking their cars. It was a great deal more pleasant as well as practical for groups to ride together.

Members of the 4-H Adult Leaders' Association and their families had a social Monday evening at

the Fire Hall to become better acquainted with Ken Cook, the new County Agent.

Do you have vegetables, flowers or shrubs that are diseased or insect infested? Bring a specimen to the First State Bank in Silverton in the morning, Friday, July 14, from 9:00 until 12:00 o'clock or to the Quitaque First National Bank from 1:00 until 4:00 p.m. to have Dr. Robert Berry, Area Plant Pathologist, and Don Rummel, Area Entomologist, to diagnose the trouble and recommend the best procedure for correction.

Summer weather calls for something refreshing at mealtime. Why not try cool, tasty melons?

Supplies of cantaloupes are good, the watermelon season is moving into full swing and honeydews are also available.

For a refreshing starter on a summer morning, wedges of lime, generous spoonfuls of chilled canned fruit cocktail or fresh fruits and cantaloupe half-shell for a delightful breakfast treat are suggested. Put the assorted fruits in chilled cantaloupe and squeeze lime juice over all.

Fresh peaches are more plentiful and flavor is improved. Oranges and grapefruit are still available as are fresh strawberries. A wider variety of soft fruits are now available including grapes, plums, cherries and nectarines, but quality and price vary considerably. Pineapples, bananas and avocados are also suggested as worthy of consideration.

As a result of the weather, vegetable prices vary and quality is not always up to standard. Among the best choices are eggplant, blackeye, purple hull and crowder peas, okra, bell peppers, squash, corn, tomatoes, carrots, cucumbers, collards, mustard and turnip tops. Head lettuce quality is some better but prices are relatively high.

Frying chickens are wearing reasonable price tags and in addition, chicken hens and turkeys represent good values. Turkey rolls and roasts in foil pans are gaining favor as tempting convenience items. Eggs are a bargain.

Fabric softeners, one of the newer laundry products, have proved to be a valuable washday aid. When added to the final rinse, fabric softeners impart a delightfully soft touch to clothing and household articles, reduce static electricity, and make ironing easier.

If you keep your hats in boxes on

The Lem Weaver family and Wayne Nance were at Dozier July 4, to visit Mr. and Mrs. Doug Coleman and children. All attended a ballgame in the evening to see Doug, Jr., play baseball. Cindy returned home with her grandparents, Mr. and Mrs. Weaver, for a visit.

Bob Plummer of Henderson visited his aunt, Mrs. J. K. Bean, Saturday. Bob, an auctioneer now, spent a summer with the Bean family when he was a boy. He was enroute home after having taken a racehorse to Raton, New Mexico.

Mrs. Lula Bellinger spent Saturday night in Amarillo with her cousin, Mrs. Guy Bateman, whose husband died recently.

Mr. and Mrs. Kenneth Tate,

Mike Gayla and Terry spent Tuesday of last week with Mr. and Mrs. Doyce Smalley in Floydada. Terry remained for a longer visit with her grandparents.

Mr. and Mrs. Willis Denham of Skelleytown were holiday visitors with Mr. and Mrs. Wood Hardcastle.

Strong Claims backed by facts

Our local business firms are in good shape to back up strong claims of giving you **MORE VALUE FOR YOUR MONEY.**

Because . . . it's a simple fact of economic life that home merchants have about a 30% head start on their out-of-town competitors in the run for our money.

This is true because near 30% of every dollar spent at retail goes to support and to build up the prosperity of the community in which it is spent . . . and you benefit from the work done by that part of your money **ONLY** when you live and do business in that community.

Where goods, service and price offered by home stores and by the out-of-town stores are otherwise equal . . . the **HOME DEAL** is still close to one-third better . . . and may be many times better for you . . . as bigger trade volume at home pros-

LEGAL NOTICE

NOTICE OF HEARING TO APPROPRIATE PUBLIC WATERS OF THE STATE OF TEXAS

No. 2528
Notice is given that MACKENZIE MUNICIPAL WATER AUTHORITY, P. O. BOX 606, FLOYDADA, TEXAS, applicant, seeks a permit from the Texas Water Rights Commission to construct a forty-six thousand four hundred and fifty (46,450) acre-foot capacity reservoir on Tule Creek, tributary of Prairie Dog Town Fork Red River, tributary of Red River, Red River Basin, and the diversion and use therefrom of four thousand (4,000) acre-feet of water per annum for municipal use and one thousand two hundred (1200) acre-feet of water per annum for industrial use, and to use the impounded water for recreation in Briscoe County, Texas. Centerline of the dam is nine (9) miles NW of Silvertown, Texas, all being more fully set forth in said application.

Application No. 2528 was accepted for filing by the Texas Water Rights Commission on June 26, 1967, and a hearing thereon will be held by the Commission in its office at Austin, Texas, on Wednesday, September 13, 1967, at 10:00 o'clock a.m. Those opposing the granting of said application should file written protests with the Commission and the applicant at least five days prior

CARDS OF THANKS

Dear Friends,
We would like to thank everyone for everything they have done for us since my accident. So many nice things have been done and we do appreciate everything more than we can say.

We would like to thank Louis Grabbe for getting me loose from the electric current, even though it was a great risk to his own life. We appreciated all the visits, cards, letters, flowers, food, the work done to keep the yard and garden alive, and all the words of encouragement.

We are especially thankful for all the prayers offered, the blood donated and for all of those who drove so far to sit up with me in the hospital, and also for those who have kept my business going while I have been unable to carry it on myself.

L. E. Davis and family

This is to thank everyone that has helped to comfort us in any way with cards, in word or with flowers in the time of our bereavement.

The H. H. McPherson family Henry, Robert and Gale
to hearing date, giving their reasons therefor and such other information as is required by Commission Rule 305.2.
Joe D. Carter, Chairman
TEXAS WATER RIGHTS COMMISSION
Date: June 26, 1967

I wish to express my appreciation to the Silvertown community for aiding me in making a safe landing on the Silvertown Airport runway the evening of June 28.
R. L. Slagle

My sincere thanks to all who were so thoughtful and kind to help the time pass more pleasantly for me.

May God help me to be thoughtful of others, as you have been of me.
May God's blessings be yours.
Nelle Bryant

Mrs. Earl Wilbur of Dalhart came Sunday and took her mother, Mrs. A. P. Dickenson, home with her via the scenic canyon route. Mrs. Wilbur and D'Ruth brought Mrs. Dickenson home on Monday afternoon.

Mr. and Mrs. H. F. Sarchet of Tulia and Mr. and Mrs. Charles Sarchet and Ken visited Mrs. Bill Malone Sunday afternoon.

Mr. and Mrs. W. H. Fitzgerald recently returned home from a trip to the state of Washington, and points of interest between here and there.

Mrs. Bill Malone was in Tulia Sunday afternoon to visit her brother, Den Renfro, in Swisher Memorial Hospital.

Mr. and Mrs. Dwain Henderson and Sonya have been recent supper guests in the home of Mr. and Mrs. Gaston Owens and Eddie in Quitaque. They had returned

from a visit with her parents, Rev. and Mrs. Malcolm Prince at Salem, New Mexico, and a trip into Old Mexico.

Mrs. Lula Bellinger hosted the Supper Club Tuesday evening of last week. A cookout supper was enjoyed by Mmes. Bertha Pavlycek, Nannie Bomar, Lois Posey, Susie Bean, Mildred Reid, Gladys Arnold and Ivah Strange.

MADE HONORARY CAPTAIN

Corky Garner, son of Mr. and Mrs. John Garner, recently wrote an interesting letter to the editors of the Quitaque Tribune. He is with Continental Air Services, Inc., in Saigon, South Vietnam.

He said, "I've been made Honorary Captain of the 'White Horse Division' of the Republic of Korean Forces in Vietnam. I was assigned to Lt. General Hahn Byung

Lun, Commander of all Korean Marines and to Major General Lee So Dong, Commander of the White Horse Division, to be personal pilot for two days. And in taking them into areas they couldn't ordinarily get to, was made an Honorary Captain in a brief ceremony at the Korean Embassy in Saigon.

They also invited me to come to Seoul, Korea, to be guest of General Lun. I couldn't accept the trip, but it was nice of them to offer.

"Rains from two to five times a day in Saigon. Company got in a new plane from the States and I got it."
