Attention Hunters and Fishermen
Dove season is here. Why not buy a license now and avoid the rush?

The 1967 hunting and fishing licenses are on sale now at the County Clerk's Office in the Courthouse in Silverton. The hunting license is \$3.15 and the fishing license \$2.15.

Also you can pick up a guide at the Clerk's Office or come by and I will be happy to furnish you one.

There are indications of both excellent hunting for doves and quail this year as well as for increased catches of fish in Briscoe County lakes. Wildlife management has been good this past season thus many a hunter or fisherman will take his limit.

High School Enrollment At An All-Time High

Silverton Public Schools opened Monday morning and a total of 538 students were enrolled and attending classes Wednesday morning. The high school enrollment was at an all-time high.

The total school enrollment is less, so far, than in 1966, when 565 students were enrolled or in 1965, when there were 552.

Superintendent J. S. Hinds reported 156 students attending Silverton High School this fall, as compared with 155 in 1966, 145 in 1965 and 136 in 1964.

Grade School Principal Bill Verden reported a total enrollment of 382 this week, as com-

pared with 410 in 1966 and 407 in 1965. There are 59 first grade pupils now, down from the 69 last year and the 62 enrolled in 1965.

There are 34 members of the Silverton School faculty now, having increased from the 31 employed in 1965.

Principal Verden has announced re-organization of the curriculum to include a penmanship class for grades five through eight in a seven-period school day instead of the six-period day until now.

"We are trying to improve the penmanship of every student, not only in the penmanship class, but also in the spelling and English classes," Mr. Verden said. "The teachers will be grading the penmanship of the students in all three of these classes. We hope this program will be successful and that we can send each student into high school with better penmanship."

Superintendent Hinds is proud of the special education class that has been added in the school system. "We have had applications from 12 students who want to be in this class," he stated. "It is

recommended that a special education teacher have only 8 students, but we recognize the needs of these pupils, and will do our best to provide each with the special training he or she needs."

The school is also making progress with the special reading improvement class which was added to the curriculum last year.

Commissioners Vote Not To Hire New Home Agent

Mrs. Aubrey Russell, District Home Demonstration Agent, of Lubbock appeared before the Briscoe County Commissioners Court twice during August in regard to the hiring of a new Home Demonstration Agent for Briscoe County. In their meeting Monday morning, the Commissioners voted not to hire a Home Demonstration Agent at this time.

Three of the Commissioners voted not to hire an Agent and one did not vote. It was reported that in their opinions, the Home Demonstration work overlaps too much with the work of the school to expend the \$1,800 a year that is Briscoe County's portion of the Home Demonstration Agent's salary.

Mrs. Rhode Named To Represent County

Announcement has been made of the appointment of Mrs. Carman G. Rhode by County Judge M. G. Moreland to serve on the Board of Trustees for the High Plains Mental Health Clinic.

The Center, located in Plainview is a chartered institution, organized to create, maintain and operate a training center for retarded children, older retarded children no longer attending the public schools, retarded adults, and older citizens who have suffered catastrophic illness (such as a stroke) and could benefit from the rehabilitative effects of working in a sheltered workshop; to create, maintain and operate a center for the study of children's problems, and to help in the reduction of delinquency and the proper development of youth; and to operate a center to assist in the maximum development of juvenile talents, capacities, social development and responsibility.

The High Plains Children's Training Center and Sheltered Workshop is being sponsored by the High Plains Association for Retarded Children, the Junior League of Plainview, the federated clubs in Caprock District, and other groups and individuals. The Board of Directors, one-third of which are elected from the members of the Association for Retarded Children, one-third from the members of the Junior Service League, and one-third, like Mrs. Rhode, from interested citizens nominated from across the area, direct the operations of the Children's Training Center. An executive committee conducts the actual business of the Center, meeting monthly and subject to call.

The Center serves an area in which there are 75,000 residents, made up of Hale, Floyd, Swisher, Briscoe and Motley counties. The Center has been in operation in facilities furnished by the Junior Service League in Plainview, but a provision has been made for new facilities in a wing of the Central Plains General Hospital to be built in Plainview.

When the Center is complete, it will be the first time a full range of mental health service has been available in this area.

Much of the work at the Center is being done on a volunteer and donation basis at this time. Individuals have contributed assistance in many forms.

Caprock District of the Texas Federation of Womens Clubs took the support of the Center as an entry in the community improvement program, the sponsor of which is the Sears Foundation, and is working to win one of the prizes for service in this area for the Center. L. O. A. Junior Study Club in Silverton made a joint entry with Caprock District in the contest, and is actively supporting the Center. Century of Progress and March of Time study clubs also have the Center as a district project.

There are presently 127 persons being seen or in various groups at the Center. They are from Hale, Floyd, Briscoe, Swisher, Castro, Lamb and Bailey counties, and one case from Goodland, near Morton.

All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although of shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam; and, upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning or drafting was a bona fide resident of the State of Texas, or who has resided in Texas at least five (5) years prior to the date of filing his or her application. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law. "Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds hereafter issued and sold by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds. "All of the moneys attributable to any series of bonds hereafter issued and sold by said Board (a series of bonds being all of the bonds issued and sold in a single transaction or installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein. "This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary. "Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature. "This Amendment shall become effective upon its adoption." Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following: "FOR the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law." "AGAINST the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law." Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.
