SILVERTON, (Briscoe County) TEXAS

VOLUME 60 NUMBER 42

All Around the Town
by Mary Ann Sarchet

The following story is from the October 1968 issue of "Cheer" magazine:

"At a recent high school football game the home team had made two magnificent stands in the shadow of its own goal posts, beating back the other team's attack again and again, when gains of a few feet would have meant a touchdown. An enthusiastic spectator was praising the courage and fighting spirit of the home team. "Sure, it was great stuff," his companion commented, "but if they hadn't played dumb football in the middle of the field, they never would have gotten themselves in a tight place."

"You may think this comment a bit out of order, but there is a lot of truth in it. We must give all due credit to the team, or the individual, that fights hard when the situation is bad. But what about the team, or the person, that is smart enough to keep out of the bad situation?"

"The best way to handle trouble is to avoid it. Now and then you are forced into it, despite everything you can do. Then you have a chance to show what kind of fight is in you. But don't allow yourself to get into a hole by playing dumb football in the middle of the field."

The Plainview High School Bulldogs seem to have come out of the slump that has plagued them for so many years, and owns a 5-0 record this season. In '60, '61 and '62 the Bulldogs lost 24 straight games. From the next to last game in '59 until the first game in '64, Plainview lost 38 of 41 ballgames.

Foster Johnson in his "Sports of Sorts" column in the Plainview Daily Herald Tuesday had this to say about the Bulldogs:

"The students of Plainview High and the citizens of Plainview should be proud of the Bulldogs of 1968. It's hard to say that it is good coaching alone that has made the boys what they are. It's hard to say they're superior athletes and that this by itself is the factor."

"What can be said, and Coach Bill Davis emphasizes this every time he speaks of his team, is that this bunch of ballplayers has tremendous attitude, desire and pride."

"If a team believes that they are the best and if they work to the fullest to build themselves into the best, it's not a far step to being the best."

"Desire doesn't score touchdowns but it makes a boy want to score. Pride doesn't make tackles but it gives a boy the incentive to want to stop anyone from crossing his goal line."

"Plainview's Bulldogs aren't the biggest, meanest, fastest team in Texas, but it's a good bet that they rank high in the intangibles of courage, pride, attitude and desire."

And that is what it takes to move into the winners' circle.

Do we think we have troubles with the Amarillo Daily News? We got our headline, but pity poor Groom!

Groom hasn't had a very bright record this season due to the fact that they play above their classification until they enter their conference play. They now stand 1-4 in spite of some sports-writer's efforts to give them a 1-5 record after five weeks of playing.

The daily newspaper really made sure that everyone knew Groom lost again, and added insult to injury by reporting two games that Groom supposedly lost last Friday night. Now that really would be a feat: a Class B team being able to field enough players to schedule two games against Class A teams on the same night.

One write-up described the 8-7 win by McLean over Groom, and the other article (on the same page) was headlined: "White Deer Runs Past Grooms, 55-6." The body of the story continued: "White Deer slaughtered Groom 55-6 in a non-district football game Friday night."

"White Deer is 2-3 for the year while Groom is 0-5."

Then, in the fine print, the scoring by quarters indicated that it was Claude, not Groom, that had played White Deer.

I'm sure that Groom would like to boast a few wins as well as good practice during the first part

Kangaroos Beat Owls For Seventh Straight Season

The Kress Kangaroos piled another win on top of the six they already had stored away to compile a record of seven consecutive wins over Silverton. The margin was 21-12 Friday night, an improvement over the 38-0 plastering they gave the Owls last year.

Kress received a break very early in the first quarter. The

Owls had held the Kangaroo offense to an 18-yard gain, and Kress punted to the Owl 30. Bill Strange carried twice for short gain before the Owls drew a 15-yard penalty for clipping. After an incomplete pass, Quarterback Lannie Arnold went into punt formation; when the ball was centered, it sailed over Arnold's head

as if propelled by rockets and rolled deep into the end zone for a two-point touchback. These two points weighed heavily on the score throughout the evening, and by the time the fourth quarter rolled around, those two points were as big as a barn door.

It took Kress 12 plays to score their first earned points, on a

short keeper by the Kangaroo Quarterback Layne Thomas. Terry Harris kicked the extra point, and Kress led 9-0.

The Owls were unable to pick up a first down after the Kangaroos kicked off following the TD, but when Silverton punted, Kress fumbled on their own 39-yard line, and Sophomore Halfback David Holt quickly pounced on the ball.

The Owls capitalized on the break and turned it into points on the scoreboard. Arnold picked up Silverton's first first down of the evening on a 29-yard scamper, and this was followed by ground gains by Strange, Cletus Grady, Jr., and Mike Tate. Grady carried the touchdown from about four yards out. The pass for extra points was no good, with the passer rushed hard and dropped in his own backfield (as was to become the rule of the evening) and Kress led 9-6.

On receiving the ball, it took Kress 13 plays to score again. Halfback Roosevelt Jackson carried the final five yards. The 'Roo's attempted to kick the extra point, but Holt charged in to block the kick directly in front of the kicker to save a conversion. And the score remained 15-6.

The Owls came back with runs by Grady, Strange, Arnold and Holt, and a long pass from Arnold to End Paul Ray McWilliams. Grady carried the score by bulging through the 'Roo line from the eight-yard stripe. The pass for extra points was no good, and the safety began to haunt the Owls in the 15-12 score.

The 'Roo's held the Owls to a four-yard gain following the half-time kickoff but also failed to mount a drive of their own, and kicked to the Owl 30. Silverton gained 18 yards before punting to the Kangaroos, who did not pass this chance to score. The touchdown was a short plunge through the center of the line, a play which picked up numerous first downs for Kress in "fourth-and-two" situations all night long. The conversion pass was no good, and the 'Roo's had their 21-12 game just about wrapped up. They finished the package with a pass interception which helped them use up the time remaining on the clock.

The Owls went into a desperate pass offensive, and completed passes to Tate and Grady for a total of 50 to 60 yards. But too much time had expired, and it was too late for the Owls.

Silverton gained 159 yards rushing (Grady 64, Strange 40, Arnold

Application Being Taken For Cable TV Service

Applications are now being accepted by Robert Montgomery for Silverton Cable TV. In the agreements which are being signed by local residents with the cable service company, homeowners are paying \$10.00 installation charges and promising to pay one month's service charge of \$7.00.

The installation fees now being collected are being held in escrow in the First State Bank. If 75 residents apply for cable service, it will begin by February 1, 1969, or the money will be returned to each one who paid the deposit.

of the season, but they'll make up for it when they play their district games. Chances are good that they will repeat as district champions this year.

Why does it always have to be Kress that breaks the Owl record of wins?

After the game Friday night, Kenny Thornton told me that he pulled all kinds of strings to get home in time to see the Owls beat Kress. He was due to be discharged from the Army Friday, but he somehow talked his superior officer into processing the discharge a day early. Then he rushed home because, he said, he had been reading the sports in the Briscoe County News and believed that he would get to see the Kangaroos fall to the Owls. After pulling all those strings and hurrying home, he was disappointed by the loss—as were Owl players and fans.

Guess all the exes who have graduated during the seven-year drought (of losses to Kress) feel the same about wanting to see an Owl victory over the Kangaroos. Perhaps one day Kress will run out of Jacksons!

I had threatened to write about the goofs our team made in the Kress game Friday night, but only because I was so disappointed that we lost the game. If I believed the best team won, I wouldn't have been so disappointed.

However, I think that after seeing the film of the game the team probably knows more than anyone about their mistakes, and I'll bet they didn't enjoy that movie!

The desire of fans to chew the players after they lose a game is brought about by the same force that causes a parent to get angry with his children. If the parent didn't love his children, he really wouldn't care what they did.

I'm confident that the Owls will take a win from Wheeler Friday night if every boy on the team puts his heart into it, and since this is a home game I'd like to urge everyone to go out to help cheer for the team. They need your support, you know, and regardless of how much we would like to fuss about last Friday night, let's remember the games that count are still ahead and do our part to back the Owls all the way. They're the best kids in the world and they deserve our loyalty and support!

The money will be returned in the event that less than 75 homes can be supplied with cable TV.

Cable service will be furnished covering channels four, seven and ten from Amarillo and channels eleven and thirteen from Lubbock.

This service is being offered in many area towns. At Tulia, the local closed circuit station broadcasts the films of the high school football game on the weekend following the games.

Cable service eliminates the need for antenna and boosters which Silverton residents use to bring in the picture. Cable television offers sharp, clear pictures, true colors and generally the best in television reception.

The \$7.00 monthly service fee will be payable in advance if the plan does materialize, and homeowners can discontinue the service at any time after the first full month.

Parcel Post, Catalog Rates Going Up Saturday

Postmaster Fred A. Strange reminded postal customers today that higher parcel post and catalog rates will go into effect Saturday, October 19, 1968.

The rate increase will average 10.5 per cent and in most cases will mean an additional ten cents postage per parcel.

The higher rates were approved by the Interstate Commerce Commission in July.

Under the new rates the minimum charge for local parcel delivery will go from 40 to 50 cents. The minimum charge for parcels destined outside the local delivery area will be raised from 50 to 60 cents.

Almost all parcels that are charged up to \$1.10 under present rates will go up 10 cents. This accounts for more than 80 per cent of all parcel post.

There will be a 15 cent hike on most parcels now charged between \$1.10 and \$4.00, and a 20 cent increase on parcels now charged over \$4.00.

Parcel post rates are based on the weight of the package and the distance it is mailed.

Higher rates for the delivery of packages and catalogs are required to bring revenue from this type of mail within four per cent of operating costs, as required by law. The higher rates are designed to put parcels and catalogs, which are fourth class mail, on a break-even basis.

Sunday dinner guests of Mr. and Mrs. P. H. McKenney were Mr. and Mrs. Leroy Shipman of Plainview and Mrs. Jerry Miller.

Rev. and Mrs. D. W. Calcote of Plainview and Mrs. Jerry Shoemaker visited Mrs. Belle Olive and Betty Sunday afternoon.

Owls to Open District Schedule with Wheeler

The Owls will open conference play against the Wheeler Mustangs at 7:30 p.m. Friday night on the home field.

The Sophomore class will sponsor a Chili Supper from 5:00 until 7:00 p.m. Friday in the school cafeteria. Admission will be \$1.00 for adults and 75¢ for children.

Wheeler posted a 5-5 record last year, but under the direction of a new head coach are hoping

to better that record, just as the Owls are seeking to improve the 4-6 mark they made last year.

The Mustangs have seven lettermen returning from last year, with the most notable among these being Donald and Ronald Rives, big rangy twin seniors. Donald Rives stands 6'3", and is a 200-pound running back and defensive end who made All-District last year and rates All-State consideration this season. Ronald, also 6'3", weighs 210 pounds and fills a tackle position for the Mustangs.

Ready to dismantle ballcarriers of any opposing team are four Wheeler tackles, weighing 210, 210, 223 and 230 pounds respectively. All four boys are returning from last year's squad, with the two smaller tackles being seniors and the two larger players being juniors this year.

Former Baptist Pastor Buried At Stinnett

Funeral services for Rev. Jesse B. Leverett, 77, were conducted at 2:30 p.m. Monday in the First Baptist Church at Stinnett. Burial was in Sunset Memorial Cemetery there.

Rev. Leverett, a former pastor of the Silverton Baptist Church, died at 8:00 p.m. Thursday in a Borger hospital following a lengthy illness.

He had preached at Seminole, Meadow and Sudan and had been superintendent of schools at Ropesville and Whiteface. He and his wife previously had taught in the Lubbock schools.

Survivors include his wife, Ernestine; one daughter, Mrs. John Smith of Odessa; and a brother, John Leverett of Lubbock.

TRAVIS McMINN INJURED

Mr. and Mrs. Bud McMinn received word Wednesday of last week that their son, Travis McMinn, was injured in a fall on the job at about 8:00 a.m. the previous day.

The McMinn's spoke with Travis by telephone Wednesday, and he told them he was partially paralyzed. The doctors didn't think the paralysis would be permanent, but McMinn was hospitalized at Boulevard Hospital in Fort Worth.

Weekend visitors with Mr. and Mrs. P. H. McKenney were their son and daughter-in-law, Mr. and Mrs. Roy Lee McKenney and Terry of Carlsbad, New Mexico.

WITH CHARLES
 What a sad weekend for football! The Owls lost to Kress and the Aggies lost to that little cotton farming community south of here. The good thing in the whole weekend was that the Cowboys lost on Sunday.
 But Banker Strange is happy about the Tech victory, and we have lots of things worse than a happy banker.
 Jack probably sent in his order for Cotton Bowl tickets Sunday morning. He should not forget the use of the fellow who ordered the Cotton Bowl tickets early one year when it looked like A&M was the one.

lot. Anyone can play dirty, but it takes real men to play good clean football.

Most of the team didn't play up to par most of the game, but the boys who didn't do their best know they didn't.

Wheeler beat Canadian 32-0 last week. Don Rives did most of the damage by rolling up a 20-0 advantage in the first half. Rives found the end zone on runs of 41, 41 and three yards to spearhead the Wheeler ground game which covered 371 yards.

McLean beat Groom 8-7 in a non-conference game Friday night.

Clarendon remained unbeaten and untied with a 35-6 victory over the Stinett Rattlers. Clarendon is still ranked second in the State.

White Deer beat Claude by a large score Friday.

Did you see the Junior High game last Thursday against McLean? The Junior Owls won by about four touchdowns. Charles Rasco ran three touchdowns, one for 98 yards.

Halfback Charles Rasco was pictured on one of his touchdown scampers during the Junior High game between Silverton and McLean here last Thursday. Rasco carried three touchdowns (one for 98 yards) and one conversion. John Minyard, Art Hamilton and Terry Culwell each scored touchdowns and a pass from Minyard to Craig Culwell was good for another conversion. Robert Gilmore and Ricky Hester were outstanding at their Halfback and Guard positions.

The game at Kress was a disappointment to us, but I had rather lose a non-conference game than one that counts. Coach Leo Fields complimented the Owls after the game Friday night. I understand that it was his opinion that the 1968 Owls are the best team Silverton has fielded against Kress since Fields has been coaching there. He complimented their sportsmanship also. WOULD YOUR CONGRESSMAN VOTE FOR GEORGE WALLACE?

Some fine Texans are tempted to vote for the 3rd party candidate because they admire his stand and his statements on some of the major campaign issues . . .

STOP AND THINK WHAT WILL ACTUALLY HAPPEN . . .

The best that Wallace supporters can hope for is enough strength to throw the election into the turmoil of a Congressional election by the House of Representatives . . .

THEN WHAT HAPPENS?

The answer is certain and simple. Wallace supporters are at the mercy of Washington Politicians! Every vote for George Wallace automatically becomes a vote for Hubert Humphrey!

THERE IS A BETTER CHOICE . . .

A vote for the NIXON-AGNEW ticket is a positive vote for "change" with the definite promise that our National Affairs will take a new direction . . . the direction you want it to take!

NEWS FROM THE COUNTY AGENT'S DESK

PRUSSIC ACID POISONING
Whether we like it or not, frost freezing weather are just around the corner. The change in weather will affect plant growth. When the growth of all members of the Sorghum family, including sorghum, sudan, milo, forage sorghums and all hybrids, is stop-

ped by frost, they sometimes develop a high prussic acid content and become a hazard to grazing livestock.

Certain chemical changes occur in the frost-wilted plants, and are responsible for the prussic acid development. The poison acts quickly and can kill an animal within a very short time after the damaged plant is eaten. Whether a poisoned animal can be saved depends upon how soon a veterinarian can get to it.

Frosted Johnsongrass or sorghum should not be grazed until the damaged plants are as dry as good quality hay or for about a week after the frost. If it is ready to cut for hay before the frost, it may be cut immediately, provided adequate curing time is allowed. Silage made from frost-

damaged plants is safe as soon as the ensiling process is complete. Young plants or second growth suckers are more likely to cause trouble than older plants nearing maturity. Too, the more luxuriant the growth, the more likely the plants will be dangerous when their growth is interrupted.

THREE-DAY CONVENTION PLANNED AT LEVELLAND

"Share Fully in Preaching the Good News" is the theme for a three-day convention planned by Jehovah's Witnesses in Levelland November 8-10, with more than 500 expected to attend.

Levelland High School Auditorium will be the scene of the intensive Bible education for the local witnesses who are planning to attend the Christian gathering.

More than fifteen congregations will participate in the training that will be designed to encourage the witnesses to continue their ministry in home towns that will be represented. Delegates from some 30 communities in the area are to attend.

"Twice a year congregations are tied together as a 'Circuit' for a three-day assembly," stated Rex Tiffin, local presiding minister who will have a prominent role in the gathering. "In addition to special talks and demonstrations an opportunity is presented for those who have recently made a dedication of their lives to symbolize it by public baptism," he added. "Such an event is planned for Saturday morning in Levelland where new ministers will be dipped under water at which time they become ordained ministers."

Cheerleaders for the Junior High Owls this year are Laura Arnold, LaNell Stephens, Susie Parker, Louise Croft and Ramona Martin.

SECOND GRADE NEWS

by Tracy Gill

The second grade elected Rebecca Reid and Kirk Durham as their candidates for Halloween Princess and Prince. Their alternates are Ellen Hutsell and Dave Francis.

Owls To Host Wheeler Mustangs

Silverton's Owls will host the Wheeler Mustangs tomorrow night. This will be the opening district game for both teams.

The Owls suffered their first loss of the year Friday night, and now have a 4-1 season record. They will be trying to get back on the winning road tomorrow night.

Wheeler's team is considerably larger than the teams Silverton has defeated in the first four games. The outstanding back for the Mustangs, according to Coach Billy Wiggins, scout, will be Donald Rives, a senior.

The starting backfield will probably be: Steve Simmons, 140-pound quarterback; Donald Rives, 190-pound halfback; Mike Hefley, 140-pound halfback; and Dave Britt, 160-pound back.

TEN FOR TEENS

A "Teen-age Commandments" was recently adopted by 4,000 student delegates of the Federations of Archdiocesan High Schools in San Francisco. They are:

1. Stop and think before you drink.
2. Don't let your parents down; they brought you up.
3. Be humble enough to obey. You will be giving orders yourself some day.
4. At the first moment turn away from unclean thinking.
5. Don't show off when driving. If you want to race go to Indianapolis.
6. Choose a date who would make a good mate.
7. Go to church faithfully. The Creator gives us the week; give Him back at least an hour.
8. Choose your companions carefully. You are what they are.
9. Avoid following the crowd. Be an engine, not a caboose.
10. Best of all—keep the original Ten Commandments.

Homemaking News

The homemaking classes are involved in a variety of activities.

The students in the Homemaking I class are making jumpers and simple dresses in their clothing unit. They are also baby-sitting for members of the Young Homemakers during their meetings.

Homemaking II, Section I, decorated the window in the homemaking department using safety at Halloween as the theme.

Both sections of Homemaking II are in clothing, and are doing nice work. The Homemaking III class is completing a housing unit.

Something New To Be Added Here

by Gail Mayfield

A new addition is being planned for Silverton High School. The F.B.L.A. chapter recently voted to order a large aluminum frame sign with interchangeable letters to be placed in front of the high school building. It will be used to announce the coming football games, plays and other school activities.

Members of the Future Business Leaders of America, under the supervision of Mrs. Fay Rampley, have worked hard for the money now in the club treasury. They do typing service which pays about 15c a page. The sign will cost approximately \$500, but the chapter feels it will be well worth the purchase price.

The sign will be a gift to the entire student body, and should be something the school and community will be proud of.

F.B.L.A. Elects Honorary Members

by Paula Birdwell

The F.B.L.A. met October 10 in the school auditorium, and elected Troy Jones, Mr. and Mrs. Charles Sarchet and Kenneth Sharp as honorary members for the year.

Members also voted to buy a sign to be erected in front of the high school which will announce school activities.

Cathy Jones, Paula Birdwell and Roy Garrison gave their business talks for their supervisor degrees. Paula Birdwell was elected to serve as reporter.

CORRECTION

It is Jerry Patton who is assisting Fred Strange with the time clock for the football games. An error was made in the report in last week's paper, but we are grateful for this important service these men render the school.

The persons who operate the score clock at any sporting event relinquish their enjoyment of the game, because this operation requires their constant attention.

Junior Class News

by Roy Garrison

The Seniors of '70 met Tuesday, October 8, with Steve Brown presiding. Gayla Tate and Bob Hutsell were elected to represent the class in the Halloween Coronation on Saturday, October 26. The class chose to run the food booth at the carnival.

Max Weaver and Steve Brown were elected as cheerleaders for the Powder Puff Football Game.

Tryouts for the play, "Lone Rivers," to be presented by the Junior class on Tuesday, November 19, were set for immediately following the Powder Puff Game. Bob Hutsell, Max Hamilton and Steve Brown were appointed to check on props, and discussion was held on whether to make rent costumes from the Amarillo Little Theatre for the play.

The Juniors voted not to sell calendars because a number of other organizations are selling them also.

A called meeting of the Junior class was held Wednesday, October 9, with Steve Brown presiding. Max Hamilton and Thurman May, representing the "S" Club, took an approximate count of the students who would be interested in buying a Silverton sweatshirt or windbreaker.
