### Mayor Proclaims Friday As "Beat Clarendon Day"

Owl Tri-Captains, Larry Comer, Cletus Grady, Jr. and Lannie Arnold, were present Monday when Mayor Jimmie House signed the official proclamation of Friday as "BEAT CLARENDON DAY" in Silvertown. The special day has been set aside in an effort to boost the team as it goes against the highly-rated Bronchos at Clarendon at 7:30 p.m. in the most important game of the season for the Owls.

### Owls 1-1 In District 2-A After Defeating Claude

Silvertown's Owls roared to a 26-0 victory over the Claude Mustangs before Claude's homecoming crowd Friday night, to take possession of a 1-1 conference record in District 2-A.

The Owls kicked off to Claude; the runback was to the Claude-33; and the Owls held the Mustangs to a six-yard gain including an offside call against Silvertown. It took the Owls just eight plays to get into the end zone for six points. Mike Tate carried the score from 11 yards out, and Danny Vaughan's conversion kick was blocked.

The Mustangs gained two first downs in the next series of 10 plays before allowing the ball to go over to the Owls on the Silvertown-38. On Silvertown's first play from scrimmage, Cletus Grady, Jr. went all the way for a score which was called back due to a clipping call against the Owls. On third down, an Owl pass was intercepted by the Mustangs.

Claude controlled the ball six plays before punting to the Silvertown-34. The Owls rolled up six first downs on runs by David Holt, Grady, Tate, Bill Strange and Lannie Arnold before Arnold went in for six points from three yards out. Vaughan kicked the extra point, and the Owls led 13-0.

Mayor Jimmie House signed the official proclamation of Friday as "BEAT CLARENDON DAY" in Silvertown Monday morning. The signing was witnessed by Owl Tri-Captains, Lannie Arnold, Larry Comer and Cletus Grady, Jr.

Purpose of the special day is to promote spirit among townspeople and the students as the Owls go against the Clarendon Bronchos in an important District 2-A game at Clarendon at 7:30 p.m. Friday.

"Sock It To 'Em Owls—BEAT CLARENDON" signs are being distributed without charge by the Briscoe County News to anyone who will display them in their window or automobile. They are yours for the asking.

The "BEAT CLARENDON DAY" observance is being held in cooperation with the Spirit Week activities at school. A bonfire and pep rally will be held at 6:45 p.m. today on the school grounds adjacent to Little League Park, and this will be the only bonfire of the season. Every Owl booster is invited to take part by attending the bonfire and pep rally.

Every Owl booster is urged by the Mayor's official proclamation to:

1. Constructively support the Owls in their efforts against Clarendon.
2. Show their encouragement and spirit with signs, posters, streamers, by wearing the school colors and other outward displays of interest in the team.
3. Attend the bonfire and pep rally at 6:45 p.m. today, the pep rally at school at 10:30 a.m. tomorrow, and the game at Clarendon at 7:30 p.m. Friday.
4. Demonstrate in a sportsmanlike way support for the team at Clarendon by joining in the singing of the school song and by yelling for the Owls.

### Meaning Of Positive Skin Test Explained Here

"A positive tuberculin skin test does not mean an individual is sick—what it does indicate is that a person has come in contact with tuberculosis, and should have a chest x-ray," said Charles McIntosh, Executive Director of the Top of Texas Tuberculosis Association, in a talk before the student body of Silvertown High School on Wednesday of last week.

McIntosh said that, since Silvertown students will soon have TB skin tests, it is important that they realize a positive reaction does not justify undue alarm, but calm realization that further checking is necessary to rule out TB.

The medical section of the Tuberculosis Association stresses that a positive reaction can come only from exposure to infectious TB, he said, and that the entire family of any positive reactor should have a TB test, to find the source of exposure.

"TB germs come only from someone who has an active case of the disease," he said.

He mentioned that Texas had 3,209 new reported cases last year, plus 499 "cured" cases that broke down into active TB again.

Mrs. Leavie Criswell has been a patient in Room 159 at Highland Hospital in Lubbock since Tuesday.

### Mrs. Chappell Buried Here Wednesday

Funeral services for Mrs. Glen Josie Chappell 72, were conducted at 3:00 p.m. Wednesday in the First Baptist Church with the pastor, the Rev. C. H. Murphy, Jr., officiating.

Burial was in the Silvertown Cemetery beside her husband, who was buried last August 16, with arrangements under the direction of the Silvertown Funeral Home.

Pallbearers were Jack Strange, Dwayne Henderson, Perry Thomas, Walter Bean, J. D. McGavock and Robert McPherson.

Mrs. Chappell died about 4:00 a.m. Tuesday in the Lockney Hospital.

The former Glen Graham, Mrs. Chappell was born in Wise County. She married A. H. Chappell on December 22, 1915 in Saint Jo. They moved to Briscoe County from Wise County in 1925.

She was a member of the First Baptist Church and was a member of the Good Samaritan Sunday School class which she served as reporter.

Mrs. Chappell had made entering her baked goods, canned goods and handwork in the Floyd County Fair her hobby, and when Fair time passed each year she began working on items to be entered the next year. She had stated that she was starting work on a quilt for one of her grandchildren which was to be finished for the next Fair.

From 1960 through 1967, Mrs. Chappell won 165 ribbons at the Floyd County Fair and in September she won 20 ribbons in addition to a bronze plaque for being the most outstanding exhibitor in the Women's Division. She attended the Fair and served as a member of the Canned Fruits and Vegetables Committee at the

### "Get-Out-The-Vote" Campaign Planned Here By Study Club

Members of Century of Progress Study Club are undertaking an extensive "Get-Out-The-Vote" campaign for Tuesday, November 5, General Election Day, and are combining this effort with a Pan-cake Supper.

According to Mrs. O. C. Rampley, publicity chairman for the club, all qualified voters are urged to exercise their privilege to vote on November 5, and the club members are attempting to create a time of fellowship among residents by sponsoring a Pan-cake Supper at City Cafe from 5:00 until 8:00 p.m. on that day. Mayor Jimmie House will be doing the cooking, and the members will act as hostesses and waitresses for those who would like to eat after casting their ballots and while awaiting the election returns.

Prices will be \$1.00 for adults and 50¢ for sixth graders and under. Proceeds of the supper will be used for the promotion of the club's community service projects.

insistence of her children this year even though she had lost her husband the previous month.

Survivors include two daughters, Mrs. Opal Grabbe of Silvertown and Miss Bonnie Chappell of Riverside, California; four sons, G. W. Chappell of Silvertown, Wilbur Chappell and Valton Chappell, both of Amarillo, and Harley Chappell of Long Beach, California; a brother, George Graham of Nocona; two sisters, Mrs. Ruby O'Neal of Nocona and Mrs. Ramie Reed of Muenster; 14 grandchildren and seven great-grandchildren.

### No Windmills?

Recently, Editor Wes Izzard of the Amarillo Daily News has had quite a bit to say in his "From A to Izzard" column about the disappearance of windmills from the scene in West Texas.

Here in the ranch country of Briscoe County, the use of windmills is continuing and it is not likely that cattlemen will soon abandon this tried-and-true method of watering stock—especially in rather inaccessible country.

Clyde Hutsell made his own personal survey of the windmill situation recently, and on Farm Road 207 from its junction with Highway 86 west of Silvertown north through the San Jacinto community in Briscoe County, he counted 55 windmills, all of which were pumping water.

If the city folks would like to see windmills at work, they might travel the Plains Trail through scenic Briscoe County some Sunday afternoon.

### Annual 4-H Banquet Is November 2

The annual Briscoe County 4-H Achievement Banquet will be held on Saturday, November 2, 1968, at 7:00 p.m. in the school cafeteria in Silvertown.

The program is held each year to recognize 4-H'ers and adult leaders for their work throughout the year. All those 4-H'ers who turned in record books and completed projects will be awarded certificates and medals for their work.

4-H'ers, their families, friends and guests are invited to attend the program for 1968. A salad supper will be served and the meat will be furnished by the Light-house Electric Cooperative of Floydada and the Swisher Electric Cooperative of Tulla.

### All Around the Town

by Mary Ann Sarchet

The Sarchets can't tell all of you how much your interest in our situation over the weekend has meant to the three of us. When Ken was told that he would have to undergo an appendectomy, his biggest disappointment and regret was that he would have to miss his opportunity to represent his class in the Halloween Coronation ceremony. Mikel Griffin filled in for Ken at the last minute, and I know how much ribbing Mike has taken for standing in for a fifth grader.

Ken didn't have surgery, but we spent Saturday night in Northwest Texas Hospital so that doctors could keep an eye on developments. At the Floydada hospital, we were told that he had appendicitis and would need surgery by morning; at Tulla they didn't think it was appendicitis, and in Amarillo a surgeon also was of the opinion that Ken didn't need surgery. But with some continuing abdominal pains, we are "holding our breath."

It seems that there has been a virus going around that produces similar symptoms to that of appendicitis, and there were a number of patients in Northwest Texas Hospital under observation while doctors were trying to decide whether or not to operate.

All I know, as a mother, is that Ken was a sick boy Saturday and Saturday night, and lost six pounds in one day as a result of nausea, etc.

When we left Northwest Texas Hospital just before noon Sunday, we bade farewell to the Gordon Alexanders who were there awaiting Gordon's surgery Tuesday. We told him that we had paid for our share of the hospital and Gordon assured us that he would pay for the rest of it when he leaves.

Since returning home, we have had reason to doubt that Gordon really told us the truth about why his surgery was being delayed. He said it was because Tuesday was the earliest date his team of surgeons could schedule him for surgery. Other sources have indicated that the delay was caused by indecision on the part of doctors as to whether his case should be handled by a medical or veterinary team of surgeons.

Regardless of the outcome of this dispute, there is one thing I know for sure: Gordon will bring suit against the Briscoe County News again, and this will be about the millionth time he has brought libel charges against his hometown newspaper for our "integrity in reporting all the facts as they are brought to our attention."

Gordon was engaged in blowing his top because his surgery had been delayed, and he hadn't voted absentee. If Sheriff Smith or someone doesn't take Gordon a ballot, this could be the year when he doesn't get to kill Ori's vote.

### Mrs. James Buried Tuesday Afternoon

Funeral services for Mrs. Molly C. James, 85, were conducted at 2:30 p.m. Tuesday at the Assembly of God Church in Floydada with Rev. Joe Stone of Plainview officiating.

Interment was in the Quitaque Cemetery.

Mrs. James died in the Caprock Hospital at Floydada Monday morning.

A native of Clay County, she married Alfred A. James in Silvertown in 1902. She made her home here until entering a Floydada rest home two months ago. Mr. James preceded her in death in 1957.

Survivors include two sons, four daughters, two brothers, three sisters, one of whom is Mrs. W. W. Reid of Silvertown, 29 grandchildren, 48 great-grandchildren and three great-great-grandchildren.

Mrs. John T. Francis has recently visited her sister, Rose Fisher, in Anton.

The next President of the United States will be elected on Tuesday, November 5. Voters will choose between the Democratic Party candidates, Hubert H. Humphrey and his Vice-presidential running mate, Edmund S. Muskie; the Republican Party candidates,

### To The Voters Of Precinct Three:

I am not a write-in candidate for Commissioner.

When appointed Commissioner of Precinct Three by our county judge, it was agreed that I would not run for the office this year.

If elected by a write-in vote, which is very, very unlikely, I could not and would not serve.

I would like to thank the people of Precinct Three and Briscoe County for their cooperation and understanding during this short time that I have been your Commissioner.

I urge the voters of Precinct Three to give your full support to the elected nominee so he may serve you more efficiently.

Sincerely,  
Fred W. Mercer

Richard M. Nixon and Vice-presidential aspirant Spiro T. Agnew; and the American Party candidates, George C. Wallace and S. Marvin Griffin.

The reason that S. Marvin Griffin is listed on the ballot in Texas as the running mate of George Wallace is that General Westmoreland was not officially selected as the American Party's candidate for Vice-president until after certification of the ticket had already been given to the State of Texas. State American Party leaders recently confirmed that Griffin's name would appear on the ballot.

Voters indicate which candidate for whom they wish to vote by placing an X in the square beside that candidate's name. If a voter wishes to vote a straight ticket, he may do so by placing an X in the box next to the name of the Party for which he wishes to vote.

Voters will also choose either Preston Smith and Paul Eggers to succeed John Connally as Governor of Texas.

### PROPOSED AMENDMENTS TO TEXAS CONSTITUTION

Fourteen proposed amendments to the state constitution will also be considered by voters.

Number One concerns the employees retirement fund and system of the State of Texas.

Number Two seeks to raise the limit on the amount that may be expended in any one year out of State funds for public assistance payments. The raise would be to \$75,000,000 if this amendment is approved.

Number Three concerns a provision for investment of the permanent university fund by the Board of Regents of The University of Texas in certain types of securities within the prudent man rule.

Number Four would provide, if approved, that Dalas County may issue road bonds upon a vote of a majority of the resident property taxpayers voting thereon who are qualified electors of that county, and to provide that bonds issued not be included in determining the debt limit prescribed.

Number Five seeks a salary not exceeding \$8,400 a year for members of the Legislature.

Number Six would give permissive authority to the Legislature to exempt from ad valorem taxation equipment installed on real property for the purpose of eliminating or reducing the harmful effects of air and water pollution provided that such equipment complies with quality standards established by the State.

Number Seven which would reduce and eventually abolish State ad valorem property taxes for certain institutions of higher learning.

Number Eight would remove certain provisions relating to the purchase of fuel and refurbishing the rooms and halls of the Legislature and the requirement that the Governor, the Secretary of State, and the Comptroller must approve certain contracts of purchase.

Number Nine would allow teachers to pay into the retirement fund on the basis of their full See GENERAL ELECTION CONTINUED ON PAGE FOUR

# SOME TALK CHANGE -- OTHERS CAUSE IT

## HUMPHREY'S FARM RECORD:

Born and raised in rural America, Hubert Humphrey has crusaded for programs and policies to help family farmers gain their rightful place in the American economy. He has sponsored or supported all of the following measures:

- ☆Parity income legislation. As Senator and Vice President, he has vigorously sought to strengthen price supports, increase markets, and step up farm returns from all commodities
- ☆Rural electricity and rural telephone programs
- ☆Milestone legislation in resource development, flood control, watershed development and water pollution control
- ☆Vital conservation programs of ACP and the Soil Conservation Service
- ☆The Farmer-Elected Committee system - grass roots administration of farm stabilization and conservation programs
- ☆Expanded Farmers Home Administration loans
- ☆Commodity reserves insulated from market
- ☆The War on Hunger through school lunch and school milk programs for young America and the food stamp and welfare food programs
- ☆The Food for Freedom program, providing markets for billions of dollars worth of farm products while bringing hope to the hungry people of less fortunate countries
- ☆The 1959 farm bill sponsored by Humphrey was the forerunner of current farm bargaining bills.

### DEMOCRATIC ACTION

In eight years, Democrats have been able to pull farmers out of the swamp of Republican failures:

- ☆Net farm income is up 30%
- ☆Government stocks of farm commodities are down to the lowest level since 1952
- ☆Exports have soared by 50% to \$6.8 billion

### REPUBLICAN INACTION

The last time Nixon had a chance to help the farmer was when he was Vice President and Ezra Taft Benson was Secretary of Agriculture:

- ☆Net farm income fell 17%
  - ☆Government inventories of surplus farm commodities mushroomed to more than \$6 billion
- Since 1960, the Republicans have consistently opposed Democratic efforts to raise farm income. Here's how:
- ☆80% of Republicans voting in Senate in September 1968 opposed adequate funds for price support loans
  - ☆85% of Republicans in the House voted against legislation for the feed grain, wheat certificate, and cotton programs (Ag. Act of 1965)
  - ☆94% of Republicans in the House and 81% of those in the Senate voted against the Wheat-Cotton Bill in 1964
  - ☆Unanimous GOP opposition killed the commodity reserve bill in House subcommittee (1967)
  - ☆The Curtis Bill to knock out effective grain support is a Republican bill

Nixon says he will change the present program—but how? The Nixon record is the Benson record.

tercepted a Mustang pass on about the Silverton-15, and carried all the way to the Claude-30 before being overtaken and stopped. A 15-yard penalty was assessed the Mustangs on top of the breath-taking run, which moved the Owls into perfect scoring position.

Strange carried the touchdown from the two-yard line, and Vaughan kicked the extra point with six seconds left in the half, to give the Owls a 20-0 advantage.

The Mustangs opened the second half with an inside kick, which they recovered at about the Silverton-45. Claude made two first downs before big defensive plays by the Owls caused the ball to go over on downs to Silverton.

Trent Brown quarterbacked the Owls through much of the fourth quarter, with many of the younger members of the team seeing much of the action.

Johnny Roy Weaver, who hasn't done a lot of rushing for the Owls this year, made a nice run for the Owls in the fourth quarter, which was called back due to a penalty against Silverton. Dana Martin picked up a first down for the

Owls with 17 seconds remaining in the game. Strange picked up another first down in two carries, and it was first-and-goal for the Owls. As time ran out, a penalty

of half-the-distance-to-the-goal was assessed against the Mustangs, and the Owls had a second chance to add points to the score. This time the nod went to Strange, and he picked up the approximately 2½ yards needed for a score. The conversion failed, and the Owls owned a 26-0 victory.

Holt gained 26 yards in five carries for a five-yard personal average; Grady carried the ball 118 yards for an average of more than 6½ yards per try. Tate gained 25 yards rushing in five plays for a five-yard average and caught a 10-yard pass. Strange made 71 yards in 13 rushing plays, for a 5½ yard average, and Martin gained seven yards on one carry.

Silverton's total yards rushing amounted to about 249; their total offense was about 341 yards on the 65 plays that were run by the Owls.

Claude's total offense amounted to 239 yards, 114 rushing and 50 yards on passes.

The Owls passed five times for 10 yards and had one interception. The Mustangs passed 21 times, completed seven and had one intercepted.

Twenty penalties were assessed during the game; 11 were against the Owls for 75 yards, and nine were against the Mustangs for 82 yards.

The Owls made 22 first downs as compared with 10 for the Mustangs. At least five of the Silverton first downs were made under the quarterbacking of Freshmen Trent Brown, who has quarterbacked one B-team game this season due to their not being enough players to continue the B-team schedule. Most of the starting backfield rested on the sideline as Brown smoothly put the team through its plays.

The Owls have scored 133 points this season as compared with 91 for their opponents. Grady has scored 32 points; Arnold and Strange each have 30 points; Tate has accounted for 20 points; Gary Whitfill and Donald Weast have made two points each; Vaughan has kicked five points, and Paul Ray McWilliams has made 12 points.

Number Fourteen would fix the time during which members of the Legislature would be ineligible to hold other offices.

**NEW RESIDENTS MUST VOTE  
BY NOVEMBER 1**

County Clerk Bertha Pavlicek has issued a second reminder to new residents of Briscoe County that they must vote in her office in the courthouse by Friday, November 1, if they wish to participate in the general election.

November 1 is also the last day for absentee voting and for voting by persons who qualified to vote in the presidential election as new residents of the state during the 15-day application period in September.

Persons who have lived in Texas more than a year but who have moved from one county to another since May 5, 1968, may vote on all statewide offices, including President and Vice President, and on the 14 proposed constitutional amendments, but they may not vote on local offices. In order to vote, they must be registered as voters for the 1968 voting year.

Mrs. Pavlicek said that the voter should have his registration certificate with him when he applies for his ballot. However, he will be permitted to make an affidavit of its loss if he has lost or mislaid the certificate.

Billy Ray Ford is in Hobbs, New Mexico, this week attending a telephone school which will continue until November 8.

**Pictures to be Made Here by Lucas Studio**

Winston B. Lucas of Irving, Texas will be in Silvertown Friday afternoon to conduct his semi-annual childrens photograph contest. He will be at the Briscoe County News office from 2:00 until 5:30 p.m. Friday for the purpose of making pictures. There is no charge to parents for having the childrens pictures made and every child photograph will see his picture in the local newspaper at a later date. There is no limit on the age of those to be photographed and no one will be under any obligation to buy pictures. The studio will show proofs of the pictures so that you can select the pose which is to be considered in the contest. Additional prints may be ordered by those desiring to do so.

If there are adults who would like to have their picture made, they are asked to take advantage of having a professional photographer in town. Older children may choose to exclude their photographs from the childrens' photo contest.

**CLUB TO HAVE TASTING TEA AND ART SHOW TUESDAY**

## WHERE DID WE GET HALLOWEEN?

Customs and superstitions gathered through the ages go into our celebration of Halloween, or "Holy Eve" today. The day is so named because October 31 is the eve of the festival of All Saints, but many of the beliefs and observances connected with it arose long before the Christian Era, in the autumn festivals of pagan peoples.

The ancient Druids had a three-day celebration at the beginning of November. On the eve before, they believed, spirits of the dead roamed abroad, and they lighted bonfires to drive them away.

Even after November 1 became a Christian feast day honoring all saints, the peasants clung to the old pagan beliefs and customs that had grown up about Halloween. It became a night of mystery and fun making, with many picturesque superstitions. Folk came to

believe that they could foretell the future on that night by performing such rites as jumping over lighted candles. In the British Isles great bonfires blazed. Laughing bands of "guisers," young people disguised in grotesque masks and carrying lanterns carved from turnips, gathered in each village. Their rollicking fun and cherished superstitions are described in Robert Burns' famous poem "Halloween."

Our Halloween celebrations today keep many of these early customs unchanged. Young and old still gather to hunt nuts and to duck for apples bobbing in a tub of water. Grinning pumpkin jack-o'-lanterns, rustling cornstalks, and white-sheeted figures create an air of mystery, and black paper witches and cats are used for party decorations.

Halloween is a favorite "special day" for school celebrations. Silverton holds an annual Halloween Carnival and Queen's Coronation. Approximately 400 people gathered in the high school gym to witness the event.

The Student Council went all out to make this a memorable occasion for the candidates for Halloween royalty, and our system which gives each person who pays admission one vote for high school candidates and one vote for grade school candidates seems the most fair way of selecting the King and Queen that we have ever known of.

## Royalty Presented In Pirates Paradise

Donna Sissney and Trent Brown were crowned as royalty of the 1968 Halloween Carnival in Pirate's Paradise on Saturday night, October 26. Representing the Freshman class, they were elected by the popular vote of those attending the coronation ceremony sponsored by the Student Council.

Louise Croft and Charles Rasco, representing the eighth grade, were elected Princess and Prince of the grade school.

The gym was decorated in royal blue and gold crepe paper with a giant compass in the center of the floor around which the candidates stood after being presented. A yellow and orange treasure chest, which held the crowns and scepters, spilled its jewels out between the thrones of the queen and princess.

Cynthia Sutton, accompanied by Paula Birdwell at the piano, sang "Love Is Blue."

## THE GAME IN REVIEW

The Owls improved their record last Friday night with a 26-0 win over Claude. The Owls are now 1-1 in district play, having lost to Wheeler the previous week.

Silverton used nothing but power to put drives of 70, 55, 22 and 65 yards over to touchdowns.

The Owls, now 5-2 for the season, go against an undefeated Clarendon team tomorrow night.

## Homemaking News

The F. H. A. members express their gratitude to those who participated in the Fortune Telling Booth. They particularly thank Gypsy Rose and those who assisted her.

Members are selling mums for the homecoming. The mums are \$3.50 each, and if anyone wishes to buy one, he is asked to contact one of the F. H. A. girls.

Some of the girls are working on their Junior Degrees. A few have said the creed to Mrs. Williams as a part of this work.

The chapter is getting ready for try-outs for the area choir.

## TYPING STUDENTS EXPRESS VIEWS ON HOLIDAY, SCHOOL

The Typing I students were asked to choose a topic and write their lesson on "Composing at the Typewriter." Some of them expressed their opinions on Halloween, and others wrote articles related to school.

### HALLOWEEN

by Nicky Long

Halloween night is one of the most fun-nights all year long. It is fun to pull pranks on other people. The next morning people are driving around with soaped cars or eggs on them.

I think it is alright to soap windows, throw eggs and let air out of car tires. I don't think it is alright to put nails under tires, or break windows out of stores and swipe spark plugs off cars or scooters.

The older people think we do bad things but other towns do things a whole lot worse.

### HALLOWEEN

by Gene Whitfill

Halloween is a lot of fun. You can go around soaping windows and just having fun. But some people do not know the difference between having fun and destruction. You can have fun without tearing up property.

I do not see any fun in tearing off spark plug wires, and pouring mud in gas tanks, but I do see fun in soaping windows and letting air out of tires, leaving just enough so they can make it to a station.

When you're out soaping, you have to run from cars and watch out for people, which makes it more interesting and fun.

### WHAT'S WRONG WITH S.H.S.?

by Jim Davis

There's only one thing wrong with S. H. S., the school building. The whole thing is about to fall down. The floors are rotten and you can't read the chalkboards because they are so old. The heaters are warm when it is hot outside and cold when it is winter time.

The ceilings are about to fall down, and in one room water leaks through the ceiling when it rains. There is very poor lighting with only two lights per room. The chairs are very hard and it is impossible to stay comfortable for any length of time. Although many of the books are old, there are getting to be a lot more new ones than people think.

### WHAT IS WRONG WITH S.H.S.?

by Cletus Grady

As an individual, I don't think there is anything wrong with S. H. S. It is the people in school who are always finding something wrong with the school. These are the people who usually give the school a bad name.

The people in S. H. S. should take pride in their school and try to improve it instead of breaking it down. Sure, we don't have a new school, but it could be worse and you could live in a country where you were not given the right to go to a public school. So people, count your blessings and quit griping about your school and do something to improve it if you don't like the way it is.

### A NIGHT TO REMEMBER

by Nicola Shoemaker

On Halloween night there was a full moon, owls screeching, and

spooks were on the loose. Poor Lanis was scared to death! She was lost, and just ahead was a huge house that looked like a setting for a horror movie.

All of a sudden a ghostly noise came out of the night! It grew louder and louder! What choice did she have but to go to the old house? As she rushed to the old house, it seemed to get larger and darker every minute!

Finally she got to the big door and opened it. She stepped inside. Then she heard that sound again! Quickly she darted behind a chair. Footsteps were coming down the stairs! They came closer and closer to the chair where she was hiding. Then she jumped up and screamed, "Mr. Evans!" and ran out of the old house as fast as she could. The spooks started chasing her!

She was in despair. Then suddenly, out of the sky came her

### HALLOWEEN

by Alvin May

Around Halloween every year people start to gripe about how destructive the young people of today are. These same people, when they were young, did things a lot worse than the things they are griping about. Now these things are happening to them instead of to somebody else. As long as they aren't bothered they think it is funny, but when it starts happening to them, you should hear them gripe.

### HOW GOOD IS S.H.S.?

by Kerry Sim Reeves

S.H.S. is a good school because it has good teachers. Most of the teachers make you want to learn the material or you don't get the grade you want. S.H.S. also has a good football team this year. They have only lost two games.

The after-game fellowships have been good, too. The entertainment has been enjoyable. The assembly programs have been interesting with some informative films. The Halloween Coronation was very pretty this year.

The teachers and students are all nice. We all seem to get along well. The teachers haven't been too rough this year, but they have made us work. The pupils are working harder this year because the failure list is not nearly as long as it was last year.

### THE TROUBLED DOLLAR

by Edna Gallington

What does a dollar mean to you? Is it something special or is it just a piece of green money? Well the old greenback ain't what it used to be. In God's way, it is a spiritual thing, an object of faith.

Over 30 million people go hungry each year because we buy more dog food than food stamps. What if some of these starving people were your relatives, would you still not care?

We should think about these things more and see what we can do.

### HALLOWEEN THROUGH THE EYES OF AN S.H.S. STUDENT

by Debbie Bomar

Halloween is a groovy time of year for little kids—I remember when I was a kid it was a groovy time for me.

Going trick or treating is also fun because you get so much

## Spirit Bonfire Tonight

There will be a Spirit Week bonfire and pep rally at 6:45 p.m. today on the school grounds adjacent to Little League Park. This will be the only bonfire pep rally held this season, and the students have extended an invitation to all Owl boosters to take part in this activity.

Every effort is being made to boost the team's spirit in the game against the Clarendon Bronchos at 7:30 p.m. Friday.

## SECOND GRADE NEWS

by Tracy Gill  
We were proud of our candidates, Rebecca and Kirk. We thought they were very pretty. Every one had fun at the Halloween Carnival. We plan to have more Halloween fun this week.

## HEAVY NUMBER

It was Bobbie's first day at school and Miss Jones asked him the number of his house. "I don't know, Miss Jones," said Bobbie. "Tomorrow morning, bring the number of your house to school," instructed Miss Jones.

The next morning Miss Jones said, "Bobbie, have you brought me your house number?" "No," replied Bobbie, "It was fastened on the door so tightly I couldn't get it off."

### Don Thomas To Lead Amateur Radio Operators

Don Thomas, W9HSD, of Champaign, Illinois, has been selected to lead an organization of Champaign County amateur radio operators prepared to furnish organized emergency communications in time of disasters, according to an announcement by Communications Manager George Hart of the American Radio Relay League, U. S. and Canadian Association of Radio Amateurs.

Thomas' assignment, which carries the title of Emergency Coordinator of the Amateur Radio Emergency Corps, is to band together members of the amateur radio service in his community to perfect arrangements for emergency radio communications by hams in the event of natural disasters or other emergencies. In addition to use of fixed radio station equipment working from commercial power, amateur stations use self-powered radio transmitting and receiving equipment as needed and can often deploy portable and mobile units to accommodate a particular emergency requirement.

Thomas, as ARRL Emergency coordinator, will call local meetings of amateurs, establish common operating procedures, and arrange regular drill periods when the hams' personal stations may be mobilized under simulated emergency conditions. His duties also include liaison planning with relief and public welfare agencies, as suggested in working understandings the ARRL Amateur Radio Emergency Corps has with the Red Cross, Civil Defense, and other agencies. Liaison will be established also with Champaign's protective services, such as fire and police departments.

Thomas is the son of Mr. and Mrs. Perry Thomas, jr. of Silverton.

### Engagement Announced

Mr. and Mrs. Datis Martin announce the engagement of their daughter, Cheryl Ninette Martin, to Mr. Lynn Rampy of Clarendon.

The bride-elect graduated from Silverton High School in 1968, and is attending Clarendon Junior College.

Mr. Rampy is the son of Mr. and Mrs. James Rampy of Clarendon. He was graduated from Hedley High School, and is employed as manager of the Borden Boat Shop in Clarendon.

A November 27 wedding is being planned.

### ROCK CREEK CLUB MEETS IN FITZGERALD HOME

The Rock Creek Club met with Florene Fitzgerald Tuesday, October 21, and a covered dish luncheon was served at noon.

The day was spent quilting a quilt that members pieced for Mr. and Mrs. Jerry Stephens.

Those present were Betty McPherson, Juanita Stephens, Nena Loudermilk, Annie Breedlove, Ruth West, Ruby Garvin, Margaret Frizzell, Ruby McWatters, Ann McJimsey, Merle Oneal, and Stella Arnold. The club welcomed a new member, Eddie Mae McDaniel.

Visitors present were Lavelle Henderson, Sheryl Breedlove, Shirley Durham and Lee Ann Durham.

The next meeting will be with Margaret Frizzell on November 5.

## IT'S HARD TO SELL FERTILIZER IN AN ELECTION YEAR!

"GENTLEMEN, I STAND HERE BEFORE YOU TODAY TO TELL YOU THAT I'M AGAIN POVERTY, AND THAT YOU AND I TOGETHER CAN DO SOMETHING ABOUT IT. INSTEAD OF STANDING THERE LISTENING, WHY DON'T YOU GO OUT AND PUT SOME NITROMITE IN YOUR LAND?"

LET IT GO TO WORK AND RELEASE THE PLANT FOOD YOU HAVE TIED UP IN TURNED UNDER STALKS.

ANY GOOD FARMER (AND SOME POLITICIANS) KNOW THAT YOU CAN APPLY NITROMITE EARLY. IT WON'T LEACH OUT WHEN YOU GET WINTER MOISTURE. EVEN HOT AIR CAN'T TOUCH IT.

ALL THE NITROGEN YOU PLOW DOWN NOW, PLUS ALL THE NUTRIENTS IT HAS RELEASED, WILL BE WAITING TO FEED YOUR CROP AT PLANTING TIME.

AND I PROMISE YOU GENTLEMEN... THAT CAN MEAN MORE MONEY IN YOUR POCKETS NEXT YEAR AT HARVEST TIME.

\* NEW BABIES

Mr. and Mrs. Jerry Reynolds of Houston are parents of a son, Arthur Andrew, born there October 23. He weighed eight pounds and eleven and a half ounces. The couple also has a daughter, Mona, who is four. Grandparents are Mr. and Mrs. Andy Starr of Hitchcock and Mr. and Mrs. Marvin Reynolds.

Sp.5 and Mrs. Vern Kendrick are parents of a son, Vern Kasey, born Thursday, October 24 at 2:56 p.m. in the Lockney Hospital. He weighed six and a half pounds.

Sp. Kendrick is now stationed in Germany, but is expected to arrive here in a few days. Mrs. Kendrick, the former Tequila Taylor, is a native of Panama, and has been here since July 5.

Grandparents are Mr. and Mrs. Carlos A. Taylor of Boquette, Republic of Panama, and Mr. and Mrs. A. M. Kendrick. J. J. Vardell of the Lockney Convalescent Home is the baby's great-grandfather.

Mr. and Mrs. Loyd Vaughan of Taft, California, spent Monday with Mrs. M. L. Welch and remained overnight.

SURVEY COMMITTEE HEARS GUEST SPEAKER HERE

The Briscoe County Historical Survey Committee met Thursday in the P. C. A. community room at 8:00 p.m. for the regular monthly meeting with Mrs. C. O. Allard, chairman, presiding.

The program was given by Miss Barbara Davis on her recent trip to Washington, D. C. Slides were also shown by Miss Davis, who was the winner of the trip to the nation's capitol in an oratorical contest sponsored by Swisher Electric Cooperative.

The Historical Foundation Dues were discussed, as well as the history of Briscoe County which is being compiled and will be published in book form.

The 1968 Annual Meeting will be held in San Antonio November 1-2. A varied program is planned with a Night in Old Mexico chosen as the theme of the closing session.

It was announced that new items are being placed on display in the local museum regularly, and that the museum is open every Tuesday afternoon from 2:00 until 4:00 o'clock.

Mrs. Allard closed the meeting with a quotation from Nathaniel Hawthorne: "The Great World Clock Keeps Its Beat."

Coffee, cold drinks and cookies were served to Mr. and Mrs. C. O. Allard, Judge and Mrs. M. G. Moreland, Mr. and Mrs. Wayland Fitzgerald, Bernie May, Mrs. Tina Schott, Mrs. Vivian Hughes, J. L. Self, Mr. and Mrs. James Davis and Barbara Davis.

W. M. S. HAS BIBLE STUDY

The W. M. S. of the First Baptist Church met in the home of Mrs. C. O. Allard Tuesday, October 22, at 9:30 a.m. for Bible study. Mrs. Porter gave the "Call to Prayer," followed by a prayer by Mrs. Nita Murphy.

Mrs. Bobbye Bean taught the lesson, "Paul's Missionary Manifesto," from Romans 1-8, including (1) the need of men everywhere for deliverance from sin; (2) the means of deliverance provided through Christ; and (3) what it means to live the new life of Christ. The teaching aim was: "How can I live each day, demonstrating that I know Christ as Saviour and Lord?"

Coffee, hot tea, and jelly roll was served to Mrs. Gladys Arnold, Mrs. Jack Estes, Mrs. Francis Kelum, Mrs. Porter, Mrs. Minnie Haynes, Mrs. Vivian Hughes, Mrs. Lottie Garrison, Mrs. Nita Murphy, Mrs. Bobbye Bean, Mrs. Theda Holt and the hostess, Mrs. Georgia Allard.

SALAD SUPPER, BOOK REVIEW HELD THURSDAY NIGHT

A salad supper and book review was held in the Fellowship Hall of First Baptist Church Thursday at 6:30 p.m. The tables were decorated with Fall motif including ears of corn, leaves, fall fruit and vegetables and white napkins with pumpkins on them. The head table held a basket overflowing with Fall foliage and flowers.

The call to prayer was given by Mrs. C. H. Murphy, jr., followed by a hymn, "O Zion Haste." The watchword for the year is "Ye shall be witnesses unto me—unto the uttermost part of the earth" from Acts, 1:8.

Mrs. Gladys Arnold, W. M. U. president, introduced the speaker, Mrs. Franklin Swanner, who reviewed the book, "Changes and Choices," for the 35 who were present for the meeting. Mrs. Swanner was accompanied to Silverton from Plainview by Mrs. Wayne Scott.

Mr. and Mrs. Marvin Reynolds and their granddaughter, Dene Ford, spent the weekend with a son, Mr. and Mrs. Freddie Hamilton and Terri in Dimmitt. They also attended the Dimmitt vs. Spur football game in Plainview Saturday night.

Mr. and Mrs. Datis Martin hosted a family dinner Sunday. Attending were Cheryl Martin and Lynn Rumpy of Clarendon; Ivan Woodard of Ralls; Mrs. Earl Cantwell, Mr. and Mrs. Elton Cantwell, Debbie, Mary Chris, Brenda and Roger, Mr. and Mrs. George Martin, Gary, Van, Mrs. Mary Cross, Mr. and Mrs. Raymond Cantwell and Doris, Laura and Kerry Arnold. Mr. and Mrs. Darrell Fleming of Amarillo called in the afternoon.

Mrs. Jack Dempsey and Mrs. Bud McMinn were in Lubbock on Monday and visited with Mrs.

Keith Dempsey and children and with Mrs. Charles Graham, Debbie and Dudley McMinn.

Dickie Paul Smith, infant son of Mr. and Mrs. James Smith of Guymon, Oklahoma, and grandson of Sheriff and Mrs. Vinson Smith, underwent surgery October 22 in Northwest Texas Hospital in Amarillo for the correction of a stomach defect. The baby is reported to be doing fine, and was discharged from the hospital last Saturday.

IMPORTANT!

To vote for Nixon AND the Texas Democratic Candidates:

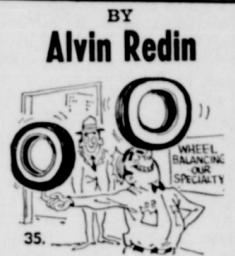

- 1. SKIP the line of party squares across the top of the ballot.
2. MARK the square by Nixon-Agnew.
3. THEN go to the square by U. S. Representative IN THE DEMOCRATIC COLUMN, mark it AND the squares by Preston Smith, Ben Barnes, Crawford Martin and on down.

Whatever your interest—responsible law enforcement; curbing runaway inflation; tidelands' school fund protection; improved foreign relations; expanded education; social security and medicare, instead of political thrashings . . . . .

The Honorable J. M. (Red) SIMPSON

State Representative 75th District DEMOCRATIC PARTY

Armstrong, Briscoe, Collingsworth, Carson, Donley, Randall

Seniority Experience Integrity

It takes six years to earn the kind of representation the Panhandle has in the State Government. With Red Simpson in the State Legislature we have the know-how plus the cooperation and respect of Representatives from all over the state. That's what it takes to accomplish something for our area. Let's keep experienced representation for the 75th District.

The committee for experienced representation in State Government John Reece, Chairman.
