All Around the Town
by Mary Ann Sarchet

BLOODPLAN, ANYONE?

Bess McWilliams brought me some information this week on an insurance policy which is unlike any I have ever heard of before now. The premiums on this policy are paid once a year IN BLOOD.

(Don't quit me here; hear this through!)

Did you know that every five seconds, someone receives a blood transfusion in the United States? Many hospital and medical plans do not pay for blood nor arrange for blood replacement, but this policy does.

You pay your premium with a blood donation which will help a present patient in need AND provide you and your family with one year of protection. Any blood bank listed (there are 14 in Texas, including Amarillo, Dallas, Lubbock) will pay your annual premium on the policy in exchange for a blood donation. And if you are unable to donate a pint of blood a year, you may purchase this protection for an annual premium of \$7.50 (family policy) or \$5.00 (individual policy).

A family policy protects the insured (husband, wife, and dependent unmarried children under 19) from blood bank charges for blood plasma and certain derivatives used in all transfusions resulting from accident or sickness (including pregnancy) not specifically excluded from coverage. There is no monetary limitation on claims for transfusions of whole blood, whole plasma and related products. Indemnity for plasma protein fraction and human serum albumin is limited to \$25 per unit. There is no limit on the number of transfusions of any covered blood product.

The policy goes into effect immediately in case of accidental injury. Transfusions required as a result of sickness are not covered for the first 90 days. Blood requirements for leukemia, aplastic anemia, ulcers or cancer or for surgery for acquired cardiovascular conditions are not covered during the first policy year, but each of these high blood use conditions is considered separately and each is covered after 12 months if it did not require a transfusion during the first policy year.

Blood needs resulting from hemorrhage or any congenital cardiovascular condition requiring surgery are excluded except for children born or adopted while a family policy is in effect.

Not only can you donate blood to pay the premium on your own policy, but you can also donate blood to pay the insurance premium of another family, if you so desire. Blood may be donated by men or women if they meet the usual requirements of a blood donor.

This policy, called Bloodplan, pays blood bank charges and, when required, arranges for blood replacement in unlimited quantities as needed, as often as needed. Bloodplan has paid claims to individual policyholders who have required in excess of 200 pints of blood. This, of course, covers only blood bank charges, and does not cover hospital or other services in connection with crossmatching or the administration of a transfusion.

Anyone can join and coverage is good anywhere in the world. Bess is presently looking into the details of a community Bloodplan which she believes may be available. Under this type of plan, the community would be given a quota to fill every year and in return for this amount of blood, the blood needs of the entire community could be insured. And the blood bank would send its mobile unit here every year to collect the blood donations.

In this way the community could prepare for its emergency needs. Already the Coffee Memorial Blood Bank in Amarillo has indicated that if as many as 50 in this area will sign up to give a pint of blood each, a mobile unit will come to Silverton on or about November 12. If we could get enough donors to promote a community plan, we could assure ourselves that no one would have to worry about paying \$50 a pint in an emergency for some types of blood or re-

Silverton: Heart Of The Scenic Caprock

BRISCOE COUNTY NEWS

THURSDAY, OCTOBER 16, 1969 SILVERTON, (Briscoe County) TEXAS VOLUME 61 NUMBER 42

Walter Arnold is World Champion Steer Roper

Walter Arnold In Action.

Walt Arnold, 31-year-old Silverton native and five-year veteran of the professional rodeo circuit, won the 1969 Steer Roping World Championship last weekend in the national finals held in Pecos.

Arnold, who learned steer roping while growing up on a ranch near Silverton, was the top money winner in steer roping going into the championship.

The year's winner is determined by points accumulated throughout the year, one point awarded for each dollar won. Arnold finished the Pecos competition with 5,469 points.

Runnerup was Sonny Davis of Kenna, New Mexico, the defending champion, who picked up \$1,148 in the final rodeo to bring his year's winnings to \$5,006.

Davis gave Arnold a hard time at the national finals in Pecos; Davis couldn't seem to miss and Arnold had a hard time hitting. But it's all over now, and Walt Arnold is the 1969 World Champion Steer Roper.

Each year, the top 15 in each of the rodeo cowboy events enter the national finals competition. Most of the National Cowboy Finals events are held in Oklahoma City, but the steer roping finals move from place to place.

In 1965, Arnold was winner of the steer roping event at the National Cowboy Finals, but lagged behind others in total winnings for the year and couldn't receive the pleasure of seeing his name on the marquee of the Oklahoma City arena as the World Champion Steer Roper. But Arnold's name will be there for the coming year.

Among those in Arnold own special cheering section in Pecos over the weekend were his wife, Gail; his mother, Mrs. Arthur Arnold; and a brother and nep-

hew, John Arthur Arnold and Mike Arnold.

CHAMPION TRAVELS MANY MILES IN A YEAR

Arnold travels 40,000 to 50,000 miles annually, much of it in a pickup with camper pulling two trailered horses, to enter 40 to 60 rodeos annually and 25 to 35 jackpot ropings.

Ranch work is the foundation for a good rodeo cowboy, Arnold says, but he adds that it is necessary to be in top physical condition. He says that winning takes "luck, self control in competition, a lot of practice and a good horse."

A good quarter horse contributes a lot to a rodeo cowboy's success, and in their spare time most of the cowboys work at training horses for themselves and other cowboys.

Top horses must be able to stand the work and changing conditions caused by excessive travel, be calm in the arena and as fast as race horses.

The Walter Arnolds are parents of two sons, Dee and Bob, and a daughter, Jeanette.

First Briscoe Cotton Ginned At Quitaque

The first bale of cotton for Briscoe County was delivered to the Farmers Co-Op Gin in Quitaque last week by Cecil Price, according to Gin Manager K. R. Dossey.

The 570-pound bale was Lan-kart variety. Mr. Price received a premium of 50c per pound for lint and \$100 a ton for the seed.

Wesley J. Ivory Buried At Quitaque

Funeral services for Wesley J. Ivory, 24, of Amarillo were conducted at the First Baptist Church in Quitaque at 1:30 p.m. on Wednesday, October 8.

Burial was in Resthaven Cemetery there.

Wesley Joe died early Monday morning in a Fort Worth hospital from injuries received in a two-car collision near Rhome Sunday afternoon.

A graduate of Quitaque High School, he had served as a paratrooper in Vietnam. He was employed by Bell Helicopter in Amarillo.

Survivors include his father, Henry Ivory of Silverton; six brothers, Henry Willie and Joshua, both of Amarillo, John Wayne of Hobbs, New Mexico, Billy Norris of Albuquerque, Finas Leroy and Clarence Everett, both of Silverton; and six sisters, Ella Mae Oliver of Fort Worth, Glorious Davis of Greenville, Henrietta Scogins of Quitaque, Cora Cassie Ivory of Amarillo, Nellie Polley and Dixie Carol Ivory, both of Silverton.

"Beat Wheeler Day" Is Proclaimed Here

Friday has been officially designated in the City of Silverton as "Beat Wheeler Day," according to an announcement this morning by Mayor H. B. Simpson.

Citizens are asked to demonstrate their support of the Owls as they enter their first conference game at 7:30 p.m. Friday at Wheeler.

Fans are asked to observe "color day" by displaying and wearing the red and white Friday as a symbol of their loyalty to the Owls.

All fans are encouraged to attend the Pep Rally at 10:30 a.m. Friday in the school gym.

V.F.W. Speaks Out On War Effort

Veterans of Foreign Wars Post 7839 of Silverton today urged that all citizens speak out in support of the President of the United States and the efforts of the United States government to stem the flow of communism in South Vietnam.

Speaking on behalf of Post No. 7839, Commander Glen R. Lindsey said: "The delegates attending the V.F.W. National Convention in August in Philadelphia, Pennsylvania, unanimously urged that our government continue to seek victory in Vietnam and that all of our citizens lend their full support to the men on the fighting front.

"Frankly, we are sick and tired of listening to a very vocal minority undermining the bargaining position of our President and in so doing endangering the lives of our men on the fighting front. It is my belief that the time has come when the much talked about silent majority should speak out. We must let the men on the battlefield know that they have the support of the people at home and we must let Hanoi know that the President has the support of the people in this country.

"It is my hope that the people of this area will speak out on this issue and that other patriotic, civic and fraternal groups will join with us in this crusade. I am firmly convinced," Commander Lindsey concluded, "that if we do fail to speak out now, the vocal minority in this country will most certainly take over all that is meaningful in this land of ours. No one seeks peace more urgently than the Veterans of Foreign Wars, but we will not seek peace at any price which is what the vocal minority is calling for today."

Federation Tea To Be Held October 27

Due to a conflict in the busy schedule of the Texas Federation of Women's Clubs President, Mrs. Henry F. Shaper, sr., will visit the Silverton clubs on Monday, October 27, instead of October 22 as had been planned. The Federation Tea will be held at 3:00 p.m. in the P.C.A. community room.

Guests for the meeting will include members of March of Time Study Club and L. O. A. Junior Study Club.

Mrs. John Gill, Mrs. Carol Davis and Mrs. Hugh Nance will be hostesses.

Mrs. Flurry Buried At Ralls Wednesday

Funeral services for Mrs. Willner Pearl Flurry, 88, grandmother of Jack Robertson of Silverton, were conducted at 2:00 p.m. Wednesday in the Ralls First United Methodist Church. Officiating were the Rev. H. B. Coggin, the Rev. E. R. McGregor and the Elder Joe Jackson.

Burial was in Ralls Cemetery. Mrs. Flurry, a resident of Cone since 1924, died at 10:45 p.m. Monday in Ralls Convalescent Home.

Survivors included three sons; two daughters, including Mrs. Robertson of Ralls; eight grandchildren, including the Silverton pharmacist; and nine great-grandchildren, including Chris, Stacy and Cory Robertson.

Fire Destroys Vigo Farm Home

Mrs. Donnie Morris, 17, and her six-month-old daughter, Shelia Ann Morris, are in Swisher Memorial Hospital with burns received when their house caught fire about 9:30 a.m. Monday. They are reported to be in fair condition.

The residence, located on the Kenneth Littlefield farm west of Vigo, was completely destroyed and the Morris family lost all of their belongings. Cause of the fire was undetermined, but a spokesman said that it possibly was caused by a faulty hot water heater or butane explosion.

A shower for Mr. and Mrs. Morris and daughter will be given at 8:00 p.m. Friday in the Vigo Community Building.

paying three pints of blood for one used.

If you would be interested in taking part by donating a pint of blood November 12, please contact Bess. If there as many as 50 who call her to sign up, the blood mobile will come here regardless of whether all of those who go to give blood that day are actually able to do so or not.

We don't usually go around selling insurance policies or even plugging them, but this one is a little different. Think about it: we might be doing ourselves a big favor if we did go into this as a community.

TO THE OWLS:

Well, boys, you now stand on the threshold of a new beginning. It's time to close the door on all the heartaches and disappointments of the past and leave behind the memories of these "practice" games you've played. You have gotten the experience you needed from them, and doubtless, you've learned a lot.

Ahead of you is a brand-new slate that has never been written on, just waiting for you to record the excitement of a successful season in District 2-A.

The past is history; the future is up to you. You have the power to make this season one of the most memorable that S.H.S. has ever known. You have the ability to "show the doubting Thomases."

The daily papers say the Owls can't do it; they believe only what some little numeral scores have told them. Your hometown paper kows better than they, because we have been there with you through it all. The heard and mind and printed word of the Briscoe County News knows that you are a terrific team, and that last Friday night you earned the right to don the red and white and stand shoulder to shoulder with the best football players S.H.S. has ever had. You have shown your character on the grid-iron, and in the face of discouraging odds, defeat and disaster have proven yourselves to be men of whom we can be very proud.

As you travel to Wheeler for your last game away from home and your first really important game of the season, remember that every one of us is behind you 100%! We know you can do it, and you can count on having your fan club there to back you all the way.

Just remember that all five of the games remaining are equally important. It is no more urgent that you beat Clarendon than it is to beat Wheeler, McLean, Happy and Claude. The statistics don't count—no one gives any medals to the losing team with the best statistics—you've got to put it on the scoreboard.

Let's not settle for a "flip of a coin;" instead, we want you to show the world who you are and what you can do by "going for broke" and winning all the marbles. The first step toward a crown is to be taken tomorrow. Make it a decisive one, Owls! Lots of luck! Your Hometown Paper

Stubborn Owls Defy Kress By Scoring Six Points

BALLET, ANYONE? How about an Irish Jig? Actually, Silverton's coaches don't perform dance steps at the football games, but Bill Stovall and Tom Wright were pictured last Friday night in an enthusiastic burst of joy as Marvin Self (not pictured) carried the lone score for the home team. The play had not ended when the "dancing" began.

Silverton's fighting Owls performed a feat Friday night against the Kress Kangaroos that has been done only once before this season.

When the Kargaroos invaded Owl-dom with their mighty 4-0 season record preceding them like a shield, they carried another record for scoring in their pockets. They had scored 106 points and had given up just 7 while winning those first four games.

They left Silverton with a 140-13 scoring record.

After being contained by the Owls for the entire first quarter, the 'Roos put on a scoring demonstration in the second quarter which gave them a 27-0 halftime lead. They were held scoreless in the third quarter, but managed to score once more in the fourth stanza.

When the Owls began to move against the Kangaroo second unit, the 'Roos varsity came back into the game to protect their scored-on record. But the charge of the red and white brigade had up enough steam that they were not to be denied, and the Owls scored on a 45-yard run by Marvin Self.

The scored-on record was a little wrinkled and soiled, but not enough so that the sportswriters have not taken notice of it. On the strength of the 140-13 record, the Kangaroos edged the Clarendon Bronchos out of first place in the area Class A rankings.

The Bronchos, leaders in the area Class A ratings from the first game of the season, slipped be-

hind the Kangaroos into second place even though owning a perfect 5-0 slate due to their scoring record of 175-60 being less impressive.

HARRIS SYSTEM COMPUTERS PROVE ACCURATE

The Harris Rating System, which computes the strength and weakness of all the high school football teams in Texas, rated the Kangaroos 27.5 points better than Silverton last week. The computer system proved to be fairly accurate in this case, as Kress took the win by a 28-point margin.

With stubbornness seldom shown by past Silverton teams, the Owls refused to submit to the repeated demands for points made by the Kangaroos, in the end yielding a 6-32 decision and showing some of their fans that they had been a little under-rated.

Last week, among the state's 209 Class A teams, Harris rated Clarendon, 19; Kress, 24; Sudan, 26; Springlake, 28; Farwell, 31; (what a district race there'll be in 3-A!) Petersburg, 49; (is District 4-A this "cut and dried?") Bovina, 60; Vega, 104; Ralls, 124; Happy, 135; Silverton 138, and Claude, 168. Personally, I think the Harris computer has some of these teams over-rated and others under-rated, but time will tell whether Mr. Harris' computer of my female intuition is most accurate. No one ever knows for sure until the last play has been run without a penalty flag. See **STUBBORN OWLS—CONTINUED ON PAGE FOUR**

SILVERTON MERCHANTS ASSOCIATION IS MAKING HOUSING SURVEY HERE

The Merchants Association is attempting to make a survey of rental property available in Silverton. An effort will be made to secure the cooperation of those owning rental property here so that a catalog of available housing can be compiled. This will be very helpful later on when construction crews and other workers begin to look for housing in this area.

Owners of rental property will be asked—but not required—to leave a key with Wayne Nance, so that the house or apartment can be shown immediately to prospective renters.

If you own rental property in the Silverton area, please fill out the survey information requested below, and send it to Wayne Nance, Box 885, Silverton, Texas 79257, if you are willing to let

1969 SILVERTON RENTAL PROPERTY SURVEY

 Will you leave a key with Wayne Nance, so that the unit can be shown immediately? _____

I understand that the Silverton Merchants Association will not charge any fee for this service; that final approval of renter is up to me; that all rent payments will be made directly to me; that my key will be returned to me whenever I request it; and that the Silverton Merchants Association will not be responsible for any dispute that might subsequently arise between the renter and me.

Signed: _____ (Owner)

Some information has been furnished regarding the old switchboard office in Silverton. More is needed. Will anyone who knows please contact the Briscoe County News to furnish additional information on the telephone switchboards operated in Silverton; switchboard operators; date the switchboard was moved to Ralls?

him keep a key to the unit so that he can show it for you, please see that he receives the key also.

Your key will be returned whenever you request it. Include all information that a prospective renter might request regarding the rental unit.

This project is being undertaken by the merchants to try to stimulate Silverton's population. There will be no fee charged for showing the property or for securing a renter. The property owner will have final approval of the tenant; all rent payments will be made directly to the owner; and the Merchants Association will not take any responsibility for any subsequent disagreements that may arise between the landlord and tenant.

Additional survey blanks may be obtained from Wayne Nance or from the Briscoe County News.

Home Notes

by MRS. NAOMI HUNT
 Briscoe County
 Home Demonstration Agent
BLEACHING TIPS

Bad bleaching causes white garments and linens to develop worn spots quickly. Textile Analysis Laboratories report that bleach misuse is one of the most frequent causes of damage to clothing.

There are two types of bleach: oxygen base and chlorine base.

Oxygen base bleaches are more gentle on fabrics and can be used to brighten colors and to maintain whiteness. A note of warning though: if you boil clothes with an oxygen bleach, it becomes as strong as chlorine bleach.

Oxygen bleaches usually come in a powdered form. As a safety measure, the manufacturer coats each particle of bleach with a protective coating. This prevents the bleach from damaging fabrics before the bleach has been thoroughly dissolved in the laundry water. Therefore, powdered bleaches can be added to the wash along with the detergent.

Chlorine bleaches are available in either liquid or dry form. All bottles of bleach warn against pouring it directly into the washer. Liquid chlorine bleach must be diluted, according to directions, before being added to the wash water. A rule of thumb for diluting is: one part bleach into four parts water, mix well before adding to the wash water. Even diluted bleach should not be poured directly onto clothing in the machine.

Washers often have a bleach dispenser which adds bleach at the right time and in the right way. If your washer does not have a dispenser, the diluted bleach should be added after the clothes have been washing four or five minutes. This is the optimum time for the best bleaching action. Always check the directions on the label for the amount to use. Never use more than is recommended.

Undiluted bleach or too much bleach weakens cotton, linen or rayon fibers. The weakened fi-

bers may break into holes during the agitation in the washer or may split apart easily during wear or use.

Chlorine bleach should not be used on silk, spandex, wool, or fabrics that contain even the smallest percentage of these fibers. Check the labels and hang tags for cautions about bleaching.

Certain synthetic fibers and some fabric finishes turn yellow or smell of bleach from either

liquid or dry chlorine bleach. The label or hang tag will say "Do not use chlorine bleach".

A special warning: Never use chlorine bleach with acid-containing materials such as vinegar or toilet bowl cleaner. Fumes from this misuse of bleach are toxic and could be hazardous if inhaled.

Mr. and Mrs. Jim Clemmer observed their 43rd wedding anniversary on Friday, October 10.

FLEMING CHILDREN OBSERVE OCTOBER BIRTHDAYS

Annette Fleming, daughter of Mr. and Mrs. Leo Fleming, celebrated her ninth birthday (which was October 12) on Friday, October 10, with a party in the City

Park. Games and refreshments were enjoyed by eleven guests.

On October 1, Cary Fleming celebrated his birthday with a party in the park. He was five years old that day.

Several friends and mothers attended the party.

Study Club Hears Conservation Talk

Century of Progress Study Club met in the home of Mrs. Pat Northcutt on October 8, 1969, with Mrs. Jack Robertson sharing the hostess duties.

The devotional was given by Mrs. L. D. Griffin, and the roll call was answered with "A Change I Have Seen in Briscoe County."

The program, "Conservation in Briscoe County — Past, Present and Future," was presented by a guest speaker, Robert Rauch. Mr. Rauch's presentation was enhanced by the use of pictures and graphs of farms in Briscoe County.

Mr. Rauch is the district conservationist, assisting the Cap Rock Soil Conservation District, with headquarters in Silvertown.

TWINS OBSERVED THEIR BIRTHDAY SATURDAY

Ellen and Elliott Hutsell, twin daughter and son of Capt. and Mrs. Riddell C. Hutsell, were feted on their eighth birthday October 11, with a party at their home.

A Halloween theme was used for games and refreshments served the six guests each twin invited.

MRS. SHARP IS NEW BEAUTICIAN HERE

Mrs. Kenneth Sharp was in Austin last week to take her examination before the State Board of Examiners for a license in cosmetology.

She has recently completed her beautician's training course in Plainview, and is now taking appointments at Jean's Beauty Shop.

Tom Olive of Denver, Colorado, and Rev. D. W. Calcote of Plainview were here Friday and Saturday doing some carpenter work for Mrs. Belle Olive.

MAPLE COCONUT SQUARES

These bars are delightfully "chewy" and the maple flavor sets them apart. Try some soon.

1 1/2 cups sifted flour 2/3 cup Griffin's Waffle Syrup
1/4 cup sugar
1/2 cup butter or margarine 1 1/2 cups Griffin's Fancy Shred coconut

Sift flour and sugar. Cut in butter until mixture resembles fine crumbs. Press into an 8" x 8" x 2" pan. Bake in moderate oven (375°) 15 or 20 minutes. Combine syrup and coconut in sauce pan and cook until coconut absorbs most of the syrup (about 8 minutes). Spread over the warm crust and bake 10 minutes. Cut into squares to serve.

TO ATTEND THREE-DAY TRAINING PROGRAM SOON

The Quitaque congregation of Jehovah's Witnesses is making preliminary plans to attend a 3-day training program in Plainview it was announced this week.

V. D. Tiffin, presiding minister of the group, in discussing this announcement with the congregation pointed to the recent "Peace on Earth" International assemblies of Jehovah's Witnesses as being an example of the type of convention planned for Plainview.

"The object of having three conventions a year," Tiffin said, "is that each gathering advances Bible knowledge of all individuals in attendance and equips every one of the preaching fellowship of Jehovah's Witnesses with the practical use of the Bible as a help in fortifying the spiritual morale of people in our community."

The announcement came at the conclusion of the weekly ministerial development school held at Kingdom Hall.

Federation Tea To Be Held October 27

Due to a conflict in the busy schedule of the Texas Federation of Women's Clubs President, Mrs.

Mr. Tiffin said that over 37,000 new ministers had already been baptized this year and each one has become active in preaching in his or her own neighborhood. The pattern is the same for all who attend regular weekly meetings, namely to participate in five meetings each week in over 250,000 congregations throughout the earth and then share what is learned with each one's neighbor.

Family groups here are making plans locally to attend the three-day gathering which is scheduled for the Plainview High School Auditorium, 1501 Quincy Street, November 7-9, 1969.

Mr. Tiffin discussed with the group local arrangements which will include travel plans as well as rehearsals and other preparation for those having been assigned parts on the upcoming program.

Information Given for Mailing Packages to Servicemen Overseas

The following periods have been designated for mailing Christmas parcels to members of the Armed Forces overseas, according to Postmaster Fred A. Strange:

- (1) Surface Transportation — October 13 to November 8
- (2) SAM (Space Available Parcel Airlift) — October 20 to November 22
- (3) PAL (Parcel Airlift) — October 27 to November 29
- (4) Airmail — December 1 to December 13

PACKAGING

All articles should be packed in boxes of wood, solid fiberboard, or strong double-faced corrugated fiberboard. All fiberboard boxes should be securely wrapped in heavy paper which materially strengthens the package. Each box should be well tied with a strong cord. Sufficient cushioning material should be used to prevent any rattling or loosening of articles within the package. Unless tightly filled, boxes are likely to be crushed. A slip showing list of contents, name and address of sender and addressee should be enclosed inside the package.

ADDRESSING

Addresses must be legible and complete, and should be prepared by typewriter or pen and ink. The APO and FPO numbers are the same as the ZIP Code and must be shown on all mail.

GREETING CARDS

Greeting cards can be mailed for 6¢ per ounce, and cards going to distant states should be mailed not later than December 10.

Henry F. Shaper, sr., will visit the Silvertown clubs on Monday, October 27, instead of October 22 as had been planned. The Federation Tea will be held at 3:00 p.m. in the P.C.A. community room.

Guests for the meeting will include members of March of Time Study Club and L. O. A. Junior Study Club.

Mrs. John Gill, Mrs. Carol Davis and Mrs. Hugh Nance will be hostesses.

REV. AND MRS. MARTIN

Revival Planned At Assembly of God

A revival will be held at the Assembly of God Church in Silvertown October 15 through October 25.

Leading the revival will be Rev. and Mrs. Donald B. Martin of Lorenzo. Rev. Martin is the C. A. representative of the East Plains Assembly.

Basketball Clinic Stated November 8

The 12th annual Hutcherson Flying Queens Basketball Clinic is scheduled for Saturday, November 8, according to an announcement by Harley Redin, coach of the Queens. As in the past, the clinic will be held in the Plainview High School Gym.

Redin said the clinic will begin at 9:00 a.m. with outstanding area coaches to give lectures on various phases of the game and their teams to present demonstrations on basketball techniques in the morning session.

The Queens will demonstrate

Buford Clemmer visited his brother and sister-in-law, Mr. and Mrs. Jim Clemmer on Tuesday of last week while moving from Arizona to Oklahoma City.

fundamentals and give drills on ball handling.

After lunch, the first of four games pitting top area girls' cage teams will get underway. Stratford takes on Floydada at 2:30, with Spearman to play Trent at 4:00 p.m. Canyon tangles with

Gruver at 5:30, and Klondike and Friona round out the card at 7:00 p.m.

Coaches wishing to bring their teams to the clinic are urged to contact Redin at Wayland Baptist College or at the City National Bank in Plainview.

Well, What Do You Know? fun, games and knowledge

by MARTHA GLAUBER SHAPP, Editor, The New Book of Knowledge

Do you know what a world without trees would be like?

Even in today's world of concrete and steel, atomic energy and moon walks, can you imagine how life would change if trees and their products should suddenly disappear? Look out! There goes the chair you're sitting on. The pages of this newspaper are disappearing. Your books are floating away. Your pencils have vanished. Where is your baseball bat, the film for your father's camera, and your sister's plastic doll? There are no more plums and pears and cherries, no more almond cookies and apple pies.

All of these things and thousands more come from trees—still important in our modern world.

Do you know about baseball in Japan?

Baseball was introduced into Japan nearly 100 years ago by a Tokyo engineer who had lived in the United States. The game has grown steadily in popularity, and today Japan has two six-team leagues—the Central and the Pacific. There are nearly 9,000,000 fans who attend

games and more than double that number who watch the games on television. American baseball expressions have drifted into the language—"strike" is *striku*; "out" is *outo*; and the umpire starts the game with *praybaru* for "play ball." A number of American former major league players, including the Cardinals' Don Blasingame and the Dodgers' Don Newcombe, have played with Japanese clubs.

Do you know how hardbound books can be kept from coming apart?

Often the backs of books crack, and the pages fall out. This happens because the threads that hold the pages together have snapped under the strain of opening and shutting the book. Books can be made to last much longer by the following simple steps: Open the cover of the book, and run your hand along the place inside where the cover joins the pages (front and back). Then leaf through the book, smoothing down the pages. This loosens the threads, and they will give as the pages are turned.

On the move: New Chevrolet Movers for '70

Chevy goes heavy! New Titan 90.

Anybody can add a new truck to a lineup. Leave it to Chevy to add a truck and a half.

Titan 90. No other Chevy tilt is so long on muscle. So right for turnpike stretches. With 9 diesels available. And one of the biggest sleeping

compartments on the road.

With a wraparound instrument panel that puts everything just a glance or fingertip away.

Conventionals. Vans. Recreational vehicles. Whatever you're thinking, your Chevrolet dealer's got it. And it's a Mover.

Chevy goes lively! New '70 pickup.

The first thing a Chevy pickup has to move is you. And we never forget it. It shows in the way our '70s look. In their smooth ride.

And all the different ways they come: Fleetside, Stepside and Longhorn camper.

Chevy goes anywhere! New Blazer.

Call it Chevrolet's convertible-station-wagon-car-truck. Or Blazer for short.

It's the runabout with the largest V8's, and widest track.

Order it with removable hardtop. Two- or four-wheel drive for telling trails to get lost.

Putting you first, keeps us first.

Mike Cornett, a second-grade student in the Silverton Schools, was one of the students who was introduced to "Smoking Sam" last Thursday while the unique "smoking machine" was being demonstrated here. Mike is the son of Mr. and Mrs. Don Cornett.

Students Impressed by Sam's Demonstration On Lung Damage By Smoking

"Mother, do you and Daddy want me to be an orphan?" was the question posed in the home of one particularly-impressed student last Thursday evening following a discussion of the ill-effects of smoking during an assembly program.

The direct question from the child probably impressed the mother more than all the television commercials and statistics ever produced, and she quickly answered, "I've cut down on my smoking!"

It may be a while before this conversation is forgotten, and this emphasizes the impression made on the younger students by "Smoking Sam" and his friend, Charles McIntosh.

Mr. McIntosh is executive director of the Top of Texas Tuberculosis Association, and he presented "Smoking Sam" in assemblies of Silverton High and Junior High students on Thursday, October 9.

"Smoking Sam" is a life-size manikin equipped with fiberglass lungs to show the effect of smoking on the lungs. After Sam finished a cigarette, the students had an opportunity to examine the "lungs" containing the collection of tar and nicotine.

Mr. McIntosh also pointed out the relationship between smoking and emphysema. In emphysema, he pointed out, the lungs lose their elasticity and hold in too much air. "Victims endure a daily struggle to keep their lungs working," he said. "The risk of disability from lung cancer, chronic bronchitis, emphysema, coronary heart disease and certain other diseases is much greater among cigarette smokers than among non-smokers."

"According to the latest statistics," Mr. McIntosh added, "there seems to be a higher divorce rate among smokers than non-smokers. It is also noted that tooth decay and gum disease is worse in those who smoke."

Students in the first grade had the opportunity to have Mr. McIntosh explain the TB Test to them. Friday, October 24, all students in the first and seventh grades and all new students will receive tuberculosis tests.

HD Council Has Business Meeting

The Home Demonstration Council met in the P.C.A. community room at 9:30 a.m. October 9, with the Briscoe County Home Demonstration Agent, Mrs. Naomi Hunt, and two clubs represented. Mrs. Syble Teeple, chairman, presided.

Town & Country Home Demonstration Club reported eight members present, with one new member. At their last meeting, the Home Demonstration Agent gave a demonstration, "How To Select Your Laundry Products."

Southwestern Home Demonstration Club reported two new members and a demonstration given by the Home Demonstration Agent on "How To Select Your Laundry Products." The nominating committee has been appointed, and the next meeting will be with Mrs. Raymond Teeple at 2:00 p.m. on October 23.

The 4-H Chairman, Mrs. Lottie Garrison, reported that the 4-H Achievement Banquet will be held November 21. There were 21 girls at the clothing meeting October 8. One of the Silverton 4-Hers, Roy Garrison, was second-place winner in the wool division at the State Dress Revue held at the State Fair of Texas in Dallas.

The nominating committee, Mmes. Polly Jarrett, Lois Walker, and Bobby Bean, is to report at the November meeting.

Mrs. Lottie Garrison, general chairman of "The Holiday Idea Luncheon," led the discussion on this upcoming event which will be held at the First Baptist Church November 5 from 11:00 a.m. until 2:00 p.m. The public is invited to the luncheon. Tickets can be bought for \$1.50 for adults and 75c for pre-schoolers from the ticket committee, Mmes. Susie Bean, Mae Bomar, Nelda Jasper, Laverne Stephens, or any club member.

Mmes. Bean and Bomar are acting as treasurer for the event. Other committees appointed are: publicity and invitations, Mrs. Ruby Lee Kitchens, Mrs. Dean Burson, Mrs. Theta Holt, Mrs. Della Boling and Mrs. Lanita Cantwell; recipe printing, Mrs. Bobby Bean, Mrs. Ima Nell Francis and Mrs. Ruby Hester (this committee will also be responsible for luncheon music); decorating committee, Mrs. Frances Kellum, Mrs. Kathryn Stephens, Mrs. Marie Garrison, Mrs. Fern Holt, Mrs. Ellen Wright and Mrs. Glenda Francis; table committee, Mrs. Polly Jarrett, Mrs. Teresa Sutton, Mrs. Jimmie Sissney, Mrs. Delores Pig and Mrs. Carolyn Stovall. The table and decorating committees will be working together.

On the general committee with Mrs. Lottie Garrison are Mrs. Lois Walker, Mrs. Syble Teeple, Mrs. Gladys Arnold and Mrs. Jane Ledbetter.

It was announced that the year-book committee would meet at 9:00 a.m. October 20 in the home of Mrs. Susie Bean.

Attention was called to the need of each club for a parliamentarian so business and programs could be finished on time. At future Council meetings, committee chairmen will alternate in discussions of their duties. Each will be notified when it is her turn to give a report.

STUBBORN OWLS —

CONTINUED FROM PAGE ONE

OWLS ALL WERE STARS

I didn't get to see the whole game Friday night due to having a bit of a "bug", but what I saw convinced me that the Owls have one of the best defenses they have fielded in a while. The offense had terrible trouble, mostly in the form of some good-sized opponents with quite a lot of experience. Coach Leo Fields has been building ball clubs for Kress for quite a few years and has a team with balance and poise this year. They found the Owls tough, and the Kangaroo first unit worked overtime to make up for the "fun and games" they had while ruining Happy's homecoming 52-0 the weekend before.

To recount all the deeds of bravery and devotion by the Owls would be to give the entire roster a pat on the back; but why not—they deserve it!

Don't the Martin boys look for the fumbles? Gary Martin recovered a 'Roo fumble on the very first play of the game!

Ronnie Strange, Terry Bomar, Roger Younger, Bill Strange and Gary Martin were tigers on defense.

Max Hamilton saved a touchdown by "grabbing a belt loop" early in the first quarter when Johnny Jackson was off and running on the Owl-12! (Max almost got himself a souvenir pair of black pants, but managed to hang on until rescued by teammates.) Bill Strange and Hamilton teamed up to knock Jackson loose from the ball on the Owl-9 to halt the drive.

Two Mazes, Owls 72 and 82, are shown making a block that allows Halfback Ronnie Mar Weaver and End Max Hamilton to pick up some yardage against the Kangaroos. The other Owls are Tackle Max Weaver and End Max Hamilton. (Briscoe County News Photo)

Younger, Strange and Thomas Self—as well as other Owls—continued to pour it on and held the 'Roo's to two scoreless quarters, with only one score given up in the fourth period. Kress managed to score from about the 3-yard line on the first in a succession of touchdowns before ending the half with a 27-0 lead.

The Martins, Jay Long, Younger, Bomar, Strange, Trent Brown, Max Weaver, the Selfs, Thurman

May and Monty Teeple kept the going rough for the 'Roo's. But that's all she saw. She missed Marvin Self's touchdown run and didn't get to see the coaches doing ballet all over the field while Marvin was carrying the score!

ORCHIDS

The ones who deserve the orchids are those without whom the varsity would be nothing—who work just as hard as the varsity

all week long and sometimes push the bigger boys around a little in practice:

- Art Hamilton
 - Stan Martin
 - John Burson
 - Lane Garvin
 - Derrel Martin
 - Mikel Grady
 - Mark Hutsell
 - Walter Welch
- These are the unsung football heroes of S.H.S.!

SILVERTON, TEXAS

"FOR ALL YOUR PRINTING NEEDS"

FAMILY RESPECT
by Gail Mayfield

Respect is a simple word used everyday in the English language. The dictionary explains this word as "honor, or a high and special regard for something or someone." Sometimes in the hustle and hurry of today's world, the young people tend to forget the meaning of respect in association with our parents. I don't think the meaning is really forgotten, but just pushed to the back of our minds and covered with all the other "necessities" of this generation.

A survey could not be made and the true number really found of the young people respecting their parents. This is only found by living day by day. But, I believe the majority of young people in Silverton do respect their parents. There are those who do not, though, and the actions of the minority tend to speak louder and sometimes shadow the majority. But the majority reflects young people who still have a deep respect and show it. It has been shown by the participation in school activities, church and the enthusiasm in all they attempt.

America is the greatest nation and has the greatest people. But, have you ever searched the statistics of the Chinese people? Yes, it is a small number, but seven per cent of American juveniles will be in trouble with the law this year. Not one Chinese! In the United States there has never been a Chinese conviction for rape, burglary, bank robbery, or desertion.

In the half century of Chicago's Chinatown, there has been only one arrest for breaking and entering.

Despite generations of Western influence this race has somewhat check-reined the impulses of its vigorous youngsters. Research has led back to the simple formula: "Our children are always home at meal-time." Whether wealthy or poor, the Chinese maintain a strict family-style home.

Mealtimes are ceremonious affairs attended by every member of the family.

Could this explain why New York's 10,000 Chinese-American school-age youngsters have never been brought into court for narcotics, vandalism, stick-up, purse-snatching, mugging or even speeding?

Do you think this simple home remedy could bring more respect to Americans? Does your family meet as a family at mealtime at least once a day, or do you run helter-skelter past the dining table with no thought of showing appreciation to mother for her efforts in preparing the meal and eat whenever it is convenient for you?

IF ONLY...

Silverton didn't hate Turkey!
We could have a street dance!
People would listen to both sides of a story!
We could beat Wheeler!
Max H. wasn't bow-legged!
All the girls would wear boots!
Thurman could type!
Wade could win an argument in Biology!
Terry and Rhonda could get over their "four week" cold in P. E.
Everybody had a red shirt and white tie to wear every Friday!
The lounge was bigger!
Amy S. would get over her emphysema!
Paula hadn't lost Dana's homework paper!
The fourth period Geometry class could "pass"!
The Annual Staff could get along without their editor!
Penny could make up her mind about basketball!
People knew for sure about Paula, Rhonda D., Cathy, Pat, Rhonda S., Roy Dale and Lois A.'s hair! (only their hairdressers know for sure!)
Tootie wasn't getting so old! (Would you believe "30"?)
The Juniors cared! (the class motto is "We Don't Care!")

Candidates Elected

by Pam Hutsell
At our last meeting, the Freshman class elected their candidates for Halloween Queen and King. They are Joan Cross and Mark Hutsell.

THE OWL'S HOOT

THURSDAY, OCTOBER 16, 1969

AND LO, PANDEMONIUM

And there was in the long hall a multitude of boys and girls, aged 14 to 18; and lo, the boys stood by the girls' lockers, and the girls stood by the boys' lockers.

And, verily, the 8:30 bell did ring. And suddenly, a great noise as of a rushing, mighty wind filled the hallway, and forsooth, a great clanging of locker doors rang out. Even so, the classes gathered in the classrooms. Yea, verily, the school day had begun in Everyman High School.

Whereupon, the English teacher in Room Three checked the class roll and called for the admission slips of two pupils who had been absent the day before. And lo, one boy that she had seen on his way to basketball practice the day before brought an excused absence for being sick all day. Yea, verily, the principal's signature seemed genuine.

As the teacher cried out, "Will you get out thy notebooks..." a loud voice from above rang out.

School Honor Roll

SENIORS: Paula Birdwell, Ernest Garcia, Roy Dale Garrison, Max Hamilton, Gail Mayfield, Katy Minyard, Marilyn Minyard.
JUNIOR: Barbara May
SOPHOMORES: Cindy Cross, Jackie Tiffin
FRESHMEN: Amy Birdwell, Joan Cross

EIGHTH GRADE: Barry Francis, Lori Francis, Wendell Hardin, Ty McMurtry
SEVENTH GRADE: Ruth Ann Cline
SIXTH GRADE: Debra Strange, Becky Francis

FIFTH GRADE: Lesa Francis, Susan Northcutt, Janet Reeves

THIRD GRADE: Tracy Gill, Rhonda Grabbe, Michele Porter
SECOND GRADE: Diji Couch, Lisa Childress, Patti Perkins, Dee Sissney, Mike Cornett, Cam Forbes, Marilyn Hardin, Todd Hamilton

Student Council Plans A Skit

The Student Council met in the home of their sponsor, Coach Bill Wood, Tuesday, October 7, to plan a skit. The name of the skit was "And The Lamp Went Out," and was presented Wednesday.

Plans were also made for the Coronation to be held following the Halloween Carnival. Attending were Joan Cross, Art Hamilton, Donna Sissney, Dana Martin, Rhonda Dickerson, Gene Whitfill, Paula Birdwell, Max Hamilton, Cathy Jones, Steve Brown, Lanis Davis and Alvin May.

"Your attention please!" And the voice decreed that all teachers should turn in the report cards immediately on penalty of severe censure from the powers that be. And the voice announced the results of the basketball games and the schedule of games for the following week. And the voice ceased.

Immediately a rustling as of dry leaves filled the classroom as the teacher handed out a mimeographed test. And forsooth, three boys had no pencils wherewith to take the test; and the teacher was sore displeased. And she said un- to them, "Wherefore didst thou not come to class prepared?" But the boys heeded her not, and lo, she handed them her spare ball-point pens.

And a boy asked, "Teacher, dost thou want a title on the paper?" And another spoke and inquired, "Dost thou want us to use complete sentences?" And the teacher answered, "Verily."
And a voice out of heaven spake again and said, "All students who make the A-Honor Roll should report to the library for pictures." And immediately there arose three girls and departed, leaving their test papers uncovered on their desks.

And the other students finished their tests, but verily, the teacher could not proceed with her lesson or check the papers until the A-students returned and finished their tests. But at last the wandering ones returned to the fold, and the teacher began her lesson.

Presently, a messenger from the office came to the door with a note in her hand advising teachers that 10 minutes would be cut off the end of the period for a special athletic awards assembly. And lo, the messenger departed. And another messenger appeared with a note asking for a sacrificial offering to benefit and glorify the powers that be. And, forsooth, the teacher contributed.

Then she returned to her task and began to elucidate the vocabulary lesson. "What dost the word 'pandemonium' mean?" inquired the teacher. A girl raised her hand. "Verily," she said, "pandemonium is a state of lawlessness and confusion."

"Forsooth," replied the teacher, "Your answer is correct. Will someone make a sentence using the word 'pandemonium'?"

"Yea," responded a boy on the front row. "Alaska is pandemonium."

"Nay," averred the teacher, "Thy use of the word must not be so literal."

And verily, though 20 minutes remained in the period, a voice from above spake again, saying, "Lo, the time has come for the awards assembly." And the students arose as one man and pushed to the hallway.

The teacher raised her eyes to heaven and spake aloud, "Of a truth, I perceive that high school is a pandemonium."

Sophomore News

Penny Arnold, reporter
The Sophomore class met on October 7 to elect Halloween King and Queen candidates.

Nominated for queen candidate were Colene Culwell, Sue Lynn Allard, Dorothy Yancey and Theresa Tate. Dorothy Yancey was elected.

Nominees for king candidate were Dana Martin, Ronnie Strange and Marvin Self. Dana Martin was elected to represent the class.

The Money Toss was decided upon for the class Halloween Carnival booth. Terry Jones, Cindy Cross, Theresa Tate, Dorothy Yancey, Sue Lynn Allard and Penny Arnold were appointed to set up the booth for the carnival.

Coronation Planned Saturday, Nov. 1

All four classes met Wednesday of last week to elect candidates for the Halloween Coronation.

From the Freshman class, Joan Cross and Mark Hutsell were elected.

Sophomores selected Dorothy Yancey and Dana Martin.

Barbara May and Lane Garvin were chosen by the Juniors.

From the Senior class, Cynthia Sutton and Thurman May were elected.

November 1 is the date for the coronation ceremony. It will be preceded by a Halloween Carnival, at which most of the classes in school will have booths.

Six Days More Of Daylight Saving Time

That confusing time change is almost upon us again! October 26 ends Daylight Saving Time for this year.

How many people will forget to change their clocks and will go to church early and wonder what happened to the preacher?

There are six more school days on Daylight Saving Time. Don't let yourself be caught confused and wondering what time it really is!

Anyway you look at it, there will still be 24 hours in a day, and seven days in a week. (five occupied by school)

LET'S KEEP UP THE SPIRIT!

by Cynthia Sutton
The spirit in S.H.S. was excellent last week. All of the girls worked extremely hard and I am very proud of them. Wednesday afternoon everyone gathered wood for the bonfire. We never would have gotten this job done if it hadn't been for the help of two fine boys, Jimmy and Ricky McWilliams, Mrs. Bern May and Mrs. Clifton Stodghill. I would like to say a big "thank you" to them.

Thursday night proved to be a very successful bonfire. We had a nice turnout and everyone enjoyed seeing the Kress Kangaroo burn while the girls chanted "B-U-R-N, Burn the Kangaroos!" The Pep Rally Friday morning was the best one yet! Everyone brought noise-makers and their spirited voices to make a great Pep Rally.

To conclude the day of Spirit Rallies, the girls had a Spontaneous Pep Rally behind the boys dressing room directly before the game. This gave the players a big lift just before going out to play the Kangaroos.

Last week was a great one. Let's keep up the good spirit!

OWL CUSTOM BUTCHERING SERVICE
--MUSTANG MEAT OUR SPECIALTY--

"Smoking Sam" Is Guest In Assembly

A representative of the Top of Texas Tuberculosis Association, Charles McIntosh of Amarillo, visited in the Silverton Schools Friday. With him was "Smoking Sam," a unique manikin which demonstrates how tar is deposited in the lungs as a result of smoking.

After being reassembled, "Sam" spoke to the students.

Mr. McIntosh spoke on the subject of tuberculosis, and gave some startling statistics of death and disease as a direct result of smoking.

Senior Class News

Cynthia Sutton, reporter

The Class of 1970 met October 7, and decided to have the Cake Walk at the Halloween Carnival. Cynthia Sutton and Thurman May were elected to represent the class in the Coronation.

It was decided that the class would have a colored picture in the composite plaque that will hang in the hall of SHS. Another decision reached was that each member of the class will purchase an "SHS—1970" pin. After the meeting was adjourned, the class officers selected a few plays to read in order that a play may be chosen soon.

From The Sidelines

Last Friday night we had to accept defeat at the hands of another strong and fast Kress team. Kress exhibited the strength and speed that has enabled them to compile a 5-0 record thus far.

We feel that our boys produced their best defensive effort of the season. There were many times that they could have quit and allowed Kress to run rampant the rest of the night. Because they did not quit, we are extremely proud of our team and are not ashamed to stand behind them all the way. It takes character and pride to keep battling as they did.

Kress did not score in either the first or the fourth quarters, while we scored on their first unit and held them within the five twice.

After viewing the film we normally point out outstanding players. This week, however, we played as one unit—all players were standouts. This is what we strive for each week. If we continue to play as a team, there is no doubt that Silverton will be in contention for the district championship.

PEP RALLY WAS GREAT!

Friday, October 10, a skit was presented by three of the cheerleaders in the Pep Rally in the school gym.

Cathy Jones, as Legs, Donna Sissney as Arms, and Rhonda Sutton as Face and Voice, made up Mother Goose, and told a hilarious story about The Three Kangaroos.

The players are receiving an extra boost from having so many townspeople attend the Pep Rally. The students consider this quite a compliment, especially after four losses, and are pleased to know that they have friends who have confidence in them.

Stick with the Owls through thick and thin, and watch them whop the Wheeler Mustangs!

Juniors To Have Concession Stand

by Lanis Davis

The Junior class voted to have the concession stand at the Halloween Carnival to be held Saturday night, November 1. They decided to sell carmel apples, popcorn balls, hot dogs, Cokes, coffee and hot Dr. Pepper. All the people are asked to patronize the Junior class project.

Elected to represent the class in the coronation were Barbara May and Lane Garvin.

The Juniors are also hard at work preparing for the Junior Play to be presented November 22.

BONFIRE HELD

Thursday, October 8, a bonfire was held at the ballpark. A large number of football players, Pep Squad members and townspeople turned out to make it a big success. At the beginning of the rally, a little Kress Kangaroo was burned, helping to boost spirit higher.

A snake dance was held, led by the cheerleaders in Gene Whitfill's pickup.

Is It True...

Noriene turned a flip off the ropes at the gym and almost landed on her "stomach"?

M. M. is the biggest boy chaser in S. H. S.?

T. B. really likes to snatch letters and notes or does he just like to tease the girls?

Roy Garrison and Rita Anderson fell down the stairs and Roy screamed and Rita didn't?

At least one Junior made the honor roll?

That all the Junior girls' chemistry class passed a test the first time they took it?

Eighth Grade News

Ty McMurtry, reporter
The Eighth Grade met Friday, October 10, to elect king and queen candidates for the 1969 Halloween Carnival.

Donna Stodghill was elected as the queen candidate and David McCoy as the king candidate.

CARDS OF THANKS

The family of Wesley Joe Ivory would like to express our many thanks and appreciation for the food, flowers, prayers, cards and sympathy during our hour of grief for our loved one.
 May God bless each of you with the things you stand in need of.
 Henry Ivory and family

From C. William Hunsberger, Souderton, Pa.: The cold, stark lingering days of Winter, with the skaters on the ponds and the sleds on the slopes bid return to memories hovering in the way-back memory file.
 Some of the pleasantest days of my youth were those bone-chilling days of the long Winter (at least it seemed so to a youngster). Those were the days when schools were not so regimented and we could take our sleds to school. Before school, during recess, at lunch we frolicked in the fluffy stuff. We never had a fear of getting wet and catching cold. There was a good slope behind the schoolhouse and this added to our joy.
 Then, too, the frozen creeks in our town, the Perkiomen and Macoby, made for excellent skating. Most every afternoon and evening you could find the town gang gliding across the frozen water. A crackling fire added warmth to the scene. Those days are gone but not forgotten for us.
 Thankfully, many of our children today have the chance to undergo these Winter experiences. It's a real thrill to see the skaters slipping around on the man-made ponds and the old creeks which have survived the ravages of progress.

Pecan Country
 Most of the world's supply of pecans come from Texas, Oklahoma and Georgia.

AN ANIMAL LOVER. . .
 Actress Lana Wood holds a kitten she just purchased from the Los Angeles Pound. The beautiful animal lover has been engaged in her rescue project for more than a year and her comment is, "The only thing that troubles me is that I didn't start sooner."

Will It Happen Again Next Spring?
Buy "Wet Field" Insurance . . .
PLOWDOWN NITROMITE THIS FALL
 If the big rains come again next Spring, you're safe - with nitrogen already in the ground to give young plants a strong start. And you get the job done when the product, labor, and equipment are readily available. No last-minute rush.
 Even if you graze stalks this fall, there'll still be lots of crop residue left in the field. NITROMITE plowdown will aid decomposition of this residue, releasing valuable nutrients for new plants in the Spring.
 The clincher is at harvest: if ever there was a good time, this will be the year to give your crop a great big shot in the yield with NITROMITE. Shamrock's fine brand of anhydrous ammonia - 82% nitrogen for bigger, high-protein yields.
Fight back. Fight for your share of the big profits next year. PLOWDOWN NITROMITE THIS FALL.
