"GRADE X" MOVIE ADS BEING REFUSED

Several large Texas daily newspapers have barred acceptance of advertising of "Grade X" and unrated movie advertisements.

El Paso newspapers recently made this announcement, and the Lubbock Avalanche-Journal has also adopted this policy.

Earlier this month, the A-J said "it will accept no more copy concerning the showing of films to which the moving picture industry itself, as well as an appreciable segment of the public, gives lowest rating. In addition, The Avalanche-Journal will continue its policy of editing all advertising—movie and other—it deems to be distasteful."

The statement concluded by saying that "this newspaper, like every other, has the right to decide its own content. Further, it has and accepts the responsibility of publishing in good judgment and good taste, both of which it exercises in the matter of 'Grade X' and unrated pictures."

HOORAY! for the Avalanche-Journal.

You know, it really is pathetic that morality has been thrown out the window by so many of the movie-makers. And the ironic thing about it is that the very few (Disney is about the only one I can name) studios who do continue to make family movies are making money. I understand that there are a lot of unscrupulous money-grabbers who will do anything for a buck, but why do most all of the studios persist in filming smut when they could make money producing some family films?

I remember one occasion when I was in high school (way back in the dark ages of the early fifties) that a movie was shown in Tullia to divided audiences. Men and women were not permitted in the theatre together, and minors weren't admitted unless accompanied by an adult. A group of the girls persuaded one of the younger and more "with it" mamas to take us to see it, and you know—I can't even remember a thing about it now.

I think maybe we only went to prove how very grown-up we were, and I've since learned how very immature and childish doing anything for that reason is.

I remember another movie that was shown to "adults only" that came around about that same time. It was called "The Moon Is Blue," and I thought it was a very funny show. The pathetic thing about it is that the movies that are being beamed into homes via television now are much worse than "The Moon Is Blue" ever thought about being! And we permit them to come into our homes without even challenging the television station's right to do this to our families.

Awards Presented At 4-H Achievement Banquet Here

BRISCOE COUNTY 4-H GOLD STAR WINNERS—Recipients of the 4-H Gold Star, highest award given on the county level, at the Annual Achievement Banquet Saturday night were Cynthia Sutton, daughter of Mr. and Mrs. C. L. Sutton, and Derrel Martin, son of Mr. and Mrs. Donnie Martin. They will be honored at the District Gold Star Banquet next week.

Alton Higginbotham, a representative of the Lighthouse Electric Cooperative in Floydada, presented the Second Annual Silver Spur Award to Mrs. Claude Jarrett and Johnnie Burson. The Silver Spur Award is given in recognition of outstanding service by a 4-H Leader during the past year.

Large Number Participates In Silverton's First "Bleed-In"

Sixty-four Silverton area residents gave a pint of blood to insure their family's blood needs for the coming year in a "bleed-in" held from 10:00 a.m. until 2:00 p.m. Wednesday of last week at the local clinic.

Mrs. Dee McWilliams and Mrs. Roy Younger organized the campaign which was carried out by Coffee Memorial Blood Bank of Amarillo.

Blood types making up the donation were 26 pints of A positive, 18 pints of O positive, 1 pint AB positive, 3 pints A negative, 12 pints B positive, and 4 pints of O negative.

Mrs. McWilliams has expressed appreciation to local residents for their cooperation and to the utility companies for turning on the utilities especially for the four-hour blood clinic. She said that the Coffee Memorial personnel was overwhelmed at so much participation from a town the size of Silverton.

She also said that lists of the individual blood types are being placed on file in the office of the Briscoe County Clerk and at First State Bank in Silverton for reference in the event of an emergency.

Coffee Memorial Blood Bank has indicated a willingness to send its mobile unit to Silverton again in six months if there are as many as 50 who would sign up to donate blood. If you are interested in this, please contact Mrs. McWilliams or Mrs. Younger.

A luncheon in the home of Mrs. A. L. McMurtry Wednesday of last week honored two former residents who attended school here in the early 1900's. They are Mrs. Harry (Annie Lowe) Braidfoot and her sister, Mrs. Dean Lowe Fitzgerald, both of Deming, New Mexico. Other guests at the luncheon were Mrs. E. D. McMurtry of Tullia, Mrs. Shelby Haynes, Mrs. Tina Schott, Mrs. Gordon Alexander and Mrs. Cora Donnell.

Mrs. Braidfoot and Mrs. Fitzgerald also visited in the homes of Mrs. McMurtry in Tullia and Mrs. Donnell Tuesday and Wednesday.

Members and leaders were honored at the annual Briscoe County 4-H Achievement Banquet on Saturday, November 15, 1969 at 8:00 p.m. in the Silverton School Cafeteria. Turkey, dressing, and all the trimmings were served to more than 180 4-H members, leaders, families and guests.

Theme of the event was "4-H '69'ers Strike Gold." Mrs. Datis Martin headed the decoration committee. Appropriate gold rush decorations included a covered wagon, gold nuggets, picks and shovels and antique hardware.

Roy Dale Garrison presided as the mistress of ceremonies. Other 4-H'ers on the program included Amy Birdwell, who gave the invocation; Bill Reid, who led the Pledge to the American Flag; Rhonda Sutton, who led the 4-H Pledge and Motto; and Marilyn Minaryard, who gave the welcome. Paula Birdwell played piano selections during the dinner.

Entertainment was provided by The Crescendos, a vocal group from Quitaque. Their musical selections represented various 4-H projects.

Robert Ledbetter, president of the Adult Leaders Association, introduced the special guests.

Kenneth D. Cook, County Agricultural Agent, and Mrs. Naomi Hunt, County Home Demonstration Agent, recognized 4-H members, leaders and local businesspeople for their support of the 4-H Club program. Each 4-H'er received a certificate of completion in his individual project area and a certificate for the number of years he had been active in 4-H Club work.

Cynthia Sutton and Derrel Martin received the coveted Gold Star Awards for 1969. This medal is presented to the outstanding girl and boy in the county. A 4-H'er can receive this award only once, and it is the highest award given on the county level.

Claude Jarrett and Johnnie Burson the Silver Spur Awards for outstanding 4-H leadership.

Owls Close Football Season With Loss

by Mary Ann Sarchet

Silverton's Owls closed the 1969 football season here Friday night with a 52-6 loss to the Happy Cowboys.

Freshman End Mark Hutsell was due much of the credit for Silverton's lone score which came with 9:55 remaining in the first quarter and was the first touchdown of the game. Hutsell intercepted a Happy pass on about the Cowboy-25, and carried it back to the four-yard-line. Halfback Ronnie Strange carried the touchdown on the next play, but no conversion was added to the score because of a wobbly pass from center.

The Cowboys allowed no mercy for the injury-riddled Owl lineup, as they scored and tied the score at 6-6 on a short run by Senior Halfback Charles House later in the first quarter, and added two more scores and two 2-point conversions before halftime.

The Owls held the Cowboys to a scoreless third quarter, but gave up four touchdowns and three 2-point conversions in the fourth quarter.

Harris' Rating System had picked the Owls by 10.5 points over the Cowboys.

School Music Department Will Be Recipient Of Proceeds of Christmas Greeting Page

L. O. A. Junior Study Club has announced plans to purchase supplies for the Silverton School music department with the proceeds of the Christmas Greeting Page this year.

As in years past, donations will be accepted in any amount, and the names designated by every contributor will appear on a special page in the Briscoe County News the week before Christmas with the explanation that those listed are wishing yuletide greetings to their friends in that way instead of sending Christmas cards locally and are at the same time supporting the local school by donating toward the purchase of equipment which is needed by the public school music department.

Ted Lanham, the school's music teacher, needs risers for his choir; he also hopes to be able to purchase a set of bells for a bell choir. There are many other things needed to carry out the new music program.

Christmas Program Being Planned

"Christmas In Story and Song" will be presented at the next meeting of L. O. A. Junior Study Club at 7:30 p.m. Monday, December 1, in the Silverton School Cafeteria.

Narrated by Mrs. Fred Edwards, the program will feature a chorus of students from school music classes who have volunteered to prepare numbers for the occasion under the direction of Ted Lanham. Soloists and a trio will be featured. The boys and girls are working after school in preparation for the program.

Members of the March of Time and Century of Progress Study Clubs, their husbands, the families of the L. O. A. Study Club members and the parents of the boys and girls taking part on the program are invited to be guests at the meeting.

The Frank Phillips College Medicine Show singers were dinner guests of Mrs. C. F. Tate, Mrs. Glenn Smith and Mrs. Dick Bomar Wednesday.

Community Thanksgiving Service To Be Held Sunday

The annual community Thanksgiving Service will be held at 6:00 p.m. Sunday at the United Methodist Church in Silverton.

All people of all denominations are invited to attend.

Ministers participating in the service will be Rev. Bob Sewell of the United Methodist Church, Rev. Mack Diaz of the New Jerusalem Baptist Church and Rev. C. H. Murphy, jr., pastor of the First Baptist Church, who will deliver the sermon.

Public Library Has New Books

Among the new books in the Silverton Public Library are "Time Is Short and the Water Rises," Walsh; "The Mothers of the American Presidents," Faber; "A Christmas Anthology"; "House on the Strand," Du Maurier, a suspense story; "Jubilee," Walker, a novel of the civil war and reconstruction, sometimes called "the Negro 'Gone With the Wind.'"

Books for children include " Tobias the Magic Mouse," "Big Zoo Bridges" and "How Many Miles To Babylon?"

Roving Santa Claus Will Be Here Again This Year

The Christmas season is quickly approaching again, and it will soon be time for Santa Claus to visit in Silverton again.

Santa has sent word via the Silverton Young Homemakers that he will be in this area December 8-13 to visit in the homes of children.

Santa will visit in the homes of all the children who are interested in seeing him, but due to the long trip from the North Pole, a \$1.00 fee will be charged each family with whom he visits. This will help cover his expenses.

If you want Santa to come to your home, you must make an appointment with him. These appointments may be arranged by calling 823-4141. The earlier you call, the quicker Santa will come to see you.

Juniors to Present Class Play Saturday

When the Junior Class presents "The Connecticut Yankee in King Arthur's Court" Saturday at 8:00 p.m. in the Silverton School Auditorium, a cast of all-star players will be featured in a delightfully entertaining story.

A shrewd and clever Yankee portrayed by Alvin May who finds himself in King Arthur's court develops all the miracles of the twentieth century to baffle the court.

Phyllis Crow, who plays the role of Queen Guenever, offers an excellent characterization of a domineering queen who practically runs the good-natured and somewhat discouraged King Arthur, who is played by Jim Davis.

Queen Morgan Le Fay, the scheming, black-hearted woman, will send shivers up and down your spine when you see Evelyn Wood in this role. Her villainous partner is the magician, Merlin, played so realistically by Gene Whitfill that you will probably have trouble sleeping afterward.

Sandy and Elaine are two very charming young ladies of the court, and they are played by Lanis Davis and Rhonda Dickerson.

Alvin May as Hank Bennett, the Connecticut Yankee, has mastered a difficult and funny role which promises to delight the audience. Marion, his sister, is breezily and happily played by Debbie Bomar, and Mrs. Bennett, the harassed mother of Hank, is portrayed by Annette Williams.

Clarence, the mischievous page boy, is played with vigor by Tommy Burson, while Nicky Long and David Holt prove that they would have been good knights of old in the roles of Sir Sagamore and Sir Launcelot.

NEWS FROM THE COUNTY AGENT'S DESK

BROADCAST COTTON GETS CLOSE LOOK

A revolutionary change in cotton production is now undergoing close examination by farmers, agricultural researchers and county agricultural agents on the Texas High Plains.

This change involves planting cotton in narrow rows, usually with a wheat drill. Since the narrow rows preclude inter-row tillage, this type of production is often referred to as "broadcast" cotton.

Fifteen cotton farmers from throughout the area are presently growing 5- to 20-acre blocks of broadcast cotton in cooperation with the Texas A & M University Agricultural Research and Extension Center at Lubbock, points out County Agricultural Agent Ken Cook.

The Center has been testing this method of production for several years and has developed production techniques and equipment. It has three broadcast, finger-type strippers which will be used in harvesting these trial plots.

Personnel at the Center admit that this method of production has many unanswered questions. Yet, achievements over the years have been encouraging, say Dr. Levon Ray, cotton breeder, and Dr. Bob Metzger, Extension agronomist.

"Yields, for instance, have generally exceeded those of 40-inch rows and by as much as 25 percent," they point out. "Further encouragement stems from the fact that cotton planted broadcast fashion in mid-May had 90 percent open bolls by October 1. "A reduction in field operations is another benefit. This year one particular farmer grew a plot of broadcast cotton with eight less field operations."

But now let's look on the other side of the coin. Although these achievements are exciting and provide almost unlimited possibilities, this type of production, unfortunately, provides no magic formula for eliminating problems such as disease, insects, hail and poor management that plague cotton farmers.

"In fact, producing broadcast cotton demands more precise managerial skills in variety selection, weed control, and irrigation. There is indeed much to learn about producing broadcast cotton. A desirable variety for high plant populations is several years away. The best irrigation time and rate must still be worked out. Fertility practices must be tested. Answers to some questions will be available after this year's harvest of the 15 pilot test plots.

"At this time broadcast cotton production cannot be generally recommended. Certainly a producer doing an inadequate job on 40-inch row production cannot expect miracles from the narrow-row method and should not attempt it until his present production deficiencies are corrected."

We suggest that any producer interested in narrow-row produc-

Gold Star 4-H'ers To Be Honored At District Banquet

Cynthia Sutton and Derrel Martin will be among the 40 top 4-H Club boys and girls from throughout the South Plains who will be honored at the 12th Annual Extension District 2 Gold Star Banquet on November 24, 1969, at 6:30 p.m. at Coronado High School.

"These youngsters will be honored as the most outstanding 4-H'ers from their respective counties in the district," pointed out Billy C. Gunter and Mrs. Aubrey W. Russell, both of Lubbock and district agents with the Texas Agricultural Extension Service. "The Gold Star Award is the highest award that can be bestowed by a county."

The award winners are selected annually by committees within each of the 20 counties in the district on the basis of personal development and outstanding achievement and leadership in projects and activities as well as contributions to the overall county 4-H programs, according to the district agents.

About 450 people are expected to attend the banquet. Guest speaker will be State Representative R. B. McAllister of Lubbock.

Master of ceremonies for the banquet will be Raymond Aikin, Plainview farmer and civic leader.

Entertainment will be furnished by the South Plains College Tex-etie Sextet.

Dee Bowman of KCAS Radio, Slaton, will serve as narrator for the presentation of awards.

The banquet is sponsored by the 12 rural electric cooperatives on the South Plains.

HOMEMAKER CHAPTER HAS PROGRAM BY STUDENTS

Silverton Young Homemakers met at 7:30 p.m. Thursday, November 13, in the home economics department, and roll call was answered with favorite foods.

The devotional was given by a Future Homemaker, Paula Birdwell. The program was on cooking, demonstrated by several of Mrs. Brenda Cook's third-year homemaking girls. The girls were also hostesses for the meeting, serving several dishes they had prepared to be tasted.

The devotional was given by the hostess, Mrs. Rowell, who also served cookies, spiced tea, coffee, mints and nuts to those present. In the business session which was presided over by Mrs. Robert H. Hill, members voted to donate the proceeds of this year's Christmas Greeting Page to the school music department.

Members were invited to bring their husbands and children with them to the next meeting, which will be at 7:30 p.m. Monday, December 1, in the school lunchroom. CLUB MEMBERS PARTICIPATE IN DECORATING CAKES

Mrs. Carver Monroe was a guest of L. O. A. Junior Study Club on Tuesday evening, November 18, in the home of Mrs. Dean Rowell, and presented a cake-decorating demonstration for the members.

Mrs. Monroe demonstrated different types of cake decoration while finishing a layer cake she had baked, and told some of the secrets she learned about cake decoration in the years she baked for the public. Later the cake that Mrs. Monroe decorated was awarded to Mrs. Jerry Miller in a drawing.

Each member had a one-layer cake which Mrs. Monroe had baked and given to her on which to experiment with decoration techniques. Quite a few unusual designs were seen when the group participation was finished.

The devotional was given by the hostess, Mrs. Rowell, who also served cookies, spiced tea, coffee, mints and nuts to those present. In the business session which was presided over by Mrs. Robert H. Wow! If The Old House Could Talk . . .

by Mary Ann Sarchet
"If that old switchboard could talk, it would tell us plenty!" Chick Northcutt told the Briscoe County News, "There's a lot of history connected with the old switchboard."

He recalls that the house, which was moved recently to make room for a new City Hall, was built in 1906 or 1907. Chick's father, T. A. Northcutt, and Mitch Bean were the carpenters who built it.

General Telephone Company customers in Silverton will be served by operators in Lubbock as of 1:00 p.m. November 24, 1969, it was announced today by Sheron T. Lee, Division Manager.

"This change is part of our consolidation program which includes the change of toll operators from Ralls to Lubbock.

"Our customers will not experience any change in their service as a result of this operation," stated Lee.

Mr. and Mrs. J. W. Hancock, grandparents of G. W. Lee, lived in the house when it was first built and Mrs. Hancock was the switchboard operator.

There were two telephone switchboards in Silverton, the one operated by Mrs. Hancock and another operated by Mrs. Bain. Miner Crawford later bought both of the switchboards and merged them, continuing the operation in the same old house. The switchboard was housed there until it was moved to Ralls.

Someone lived in the house all the time. "When you rang Central," Chick recalls, "sometimes you couldn't get her and all the neighbors had to get on the line and ring with you to get Central. And when you got a call, the phones rang in all the houses (about 14) on the party line, and usually there were about that many people on the line!"

Bride-Elect Honored In Birdwell Home

Miss Janet Montague, bride-elect of Wayne Schrandt, who will be married on November 26, was honored at a lingerie shower in the home of Mrs. E. A. Birdwell on Wednesday, November 13.

Mrs. Birdwell and her daughters, Paula and Amy Birdwell, were hostesses. Rice bags were made. Cathy Jones served punch, tea

Some of the younger folks may not even know who Central was, and it's a cinch that if they ever cranked the phone to ring for her, they don't have to worry about the draft anymore.

Dewey Fogerson, an uncle of Ware Fogerson, also operated the switchboard for some time.

Before Mr. and Mrs. Hancock purchased the telephone switchboard, it was operated upstairs over the old Blue Drug Store, which was located about where First State Bank now stands, recalls Mrs. George Lee. "My father, Mr. Hancock, bought the exchange from Bud Demie, an uncle of Jim Brooks," Mrs. Lee said.

Mr. and Mrs. Lee were married in 1910 and moved into the telephone office and assisted her parents in operating the switchboard until 1913.

"It was such an antique thing," Mrs. Lee said, "and I got to know it so well. I could sit out on the porch and when one of the party lines would ring, I could tell which one it was just by the ring. I remember that W. E. Schott loved to talk to his Grandmother Kitchens when he was a little boy, and I connected the line for him so many times."

And so, now the old switchboard house is gone, and in its place will soon be a beautiful new City Hall and fire station, but there are many memories of days gone by that remain with the people who were associated with the early-day telephone system in Silverton.

sandwiches, cheese balls and crackers to those attending. The refreshment table was decorated with an orange candle arrangement the base of which was encircled with fruit.

Bride-Elect Is Shower Honoree

A bridal coffee honoring Miss Janet Montague, bride-elect of Wayne Schrandt, was held in the home of Mrs. Edwin Dickerson on Saturday, November 15.

Receiving guests with Mrs. Dickerson were the honoree and her mother, Mrs. Roy Montague, and Mrs. John Pigg, aunt of the prospective bridegroom.

Misses Gail Ann Mayfield and Linda McWilliams secured the guests' names for the bride's book. Gifts were shown by Misses Janet McWilliams, Rhonda Dickerson, Mrs. G. Mayfield and Mrs. Don Garrison.

Miss Roy Garrison served refreshments.

Centerpiece on the serving table was an arrangement of pink carnations and burgundy roses in a rosepoint lead crystal vase on a marble base, the entire arrangement and vase being a gift to the bride-elect from the hostesses.

Sixty guests were registered including these from out of town: Mrs. E. V. Elkins, grandmother of the honoree, Mrs. Roy Elkins, Mrs. Hugh White, Mrs. A. A. Vaughn and Mrs. Norvell Breedlove, all of Tulia; Mrs. Buck Sams, Mrs. Bob Merrell, both of Lockney; Mrs. John Pigg of Kress; Mrs. Johnny McGavock of Amarillo; Miss Carol Ann Montague, a student at WTSU; and Carron Montague, sister of the honoree, of the University of Oklahoma.

Hostesses for the coffee were Mmes. E. A. Birdwell, C. L. McWilliams, Shafe Weaver, Don Garrison, George Long, R. C. Kitchens, Doyle Stephens, G. Mayfield, Edwin Dickerson and Robert Caraway.

Riding Club Has Annual Banquet

Cliff and Joy Stodghill and the Caprock Ramblers, composed by Jack Morrison and Dick Polk of Plainview; Jerry Powers of Floydada; Odus Honea of Quitaque; Jack Sutton, Willie Holt, and John Francis, provided the dinner music for the annual Silverton Riding Club banquet held in the school cafeteria Monday evening. Turkey and dressing, ham, a large variety of salads and pie were served.

The welcome was given by President Louie Kitchens, and Glen Lidsey gave the invocation.

A total of 121 members and guests attended.

BIRTHDAY PARTY HONORS CAM FORBES

THE OWL'S HOOT

Official publication of the students of Silverton High School, compiled and edited by the members of the Future Business Leaders of America.

PEP SQUAD BEAU—Jay Long was presented a plaque when his election as Pep Squad Beau for 1969 was announced last Friday morning. Taking part in the ceremony were John Burson, Gayla Tate, Terry Bomar, Roy Garrison, Gail Mayfield, Jay Long, Cynthia Sutton, Marilyn Mtnyard and Marvin Self.

Pep Squad Beau Revealed At Farewell Pep Rally

The school gym was the scene for several special events Friday morning, November 14. A presentation ceremony was held at the beginning of the Pep Rally to reveal the new Pep Squad Beau. Approaching the center of the gym floor from alternate corners were John Burson, Freshman can-

didate, escorted by Gayla Tate; Marvin Self, Sophomore candidate, escorted by Marilyn Mtnyard; Terry Bomar, Junior candidate, escorted by Roy Garrison, and Jay Long, Senior, escorted by Gail Mayfield. Jay Long, the 1969 Pep Squad Beau, was presented a plaque and the traditional kiss by Pep Squad President Cynthia Sutton. Jay has served as a co-captain for the Owl football team this year. He has played football four years, and the Pep Squad feels that he well deserves the honor

of being their Beau. Farewell speeches were given by the Senior cheerleaders, Paula Birdwell and Cathy Jones, who expressed appreciation to the student body and told what being cheerleaders had meant to them. Jay Long gave his last pep talk and Coach Bill Stovall expressed appreciation to the Pep Squad, student body, faculty and citizens of Silverton. Gail Mayfield, on behalf of the Pep Squad, expressed appreciation to the cheerleaders for a job well done. The Pep Rally was dedicated to the Senior football players and to those who were sidelined with injuries. They are Bill Strange, Max Weaver and Ronnie Vaughan. Appreciation is extended to each person who attended Pep Rallies this year.

Miss Patricia Beseda, bride-elect of Jay Towe, will be honored at a shower here soon.

Film On Marihuana Seen By Students

Safety Officer Chester E. Fant presented a film on marihuana to the student body on Monday. The film, narrated by Sonny Bono, presented opinions of teens who believe marihuana use should be legalized and the views of those who are against this.

An interview with former drug addicts was shown in which they discussed the part marihuana had played in leading them to stronger drugs, especially heroin. It was surprising to learn that ours is the only major country in which marihuana is illegal.

Officer Fant burned some marihuana in an ash tray that the students passed as they left the auditorium. The purpose of this was to acquaint them with the odor so they could recognize it.

Junior Class To Present Play Saturday Night

Mark Twain's "Connecticut Yankee," a tale which will never grow old, will be presented by the Junior class of Silverton High School at 8:00 p.m. Saturday in the school auditorium. This will be a new full-length dramatization of the immortal story.

The story deals with the adventures of a Yankee from Connecticut who finds himself thrown back into the middle ages. He cannot believe it at first, thinking that he is in an insane asylum. He is soon convinced, however, that he actually faces a death sentence handed down from King Arthur, and his ingenuity comes to the fore. By predicting an eclipse of the sun, he saves his own skin, and immediately becomes the idol of the kingdom. His power becomes so great that Merlin, the court magician, plots against him.

The Yankee builds up a complete twentieth century industry in short order, and keeps the knights of the court completely baffled with his magic. What happens when he is lured away from the kingdom to investigate other domains will keep the audience in laughter and suspense from start to finish.

Members of the cast are Alvin May, as Hank Bennett; Debbie Bomar, as Marion Bennett; Annette Williams, as Mrs. Bennett; Jim Davis, as King Arthur; Phyllis Crow, as Queen Guenever; Gene Whitfill, as Merlin; Nicky Long, as Sir Sagrator; Tommy Burson, as Clarence; Rhonda Dickerson, as Elaine; David Holt, as Sir Launcelot; Evelyn Wood, as Queen Morgan Le Fay; and Lanis Davis, as Sandy.

Others helping with the production are Sandy Reeves, Lane Garvin, and Roger Younger, who have done a lot of extra work on the electrical equipment and working light cues.

Tickets are on sale by the Junior Class. If you would like to purchase tickets, you may do so by contacting a Junior, or tickets will be on sale at the door for \$1.25 for adults and 50c for children under six.

AND DON'T FORGET IT!

If you remember how much easier it is to remember what you would rather forget than remember, than to remember what you would rather remember than forget, then you can't forget how much easier it is to forget what you would rather remember than forget, than to forget what you would rather forget than remember.

OWLS, WE SALUTE YOU!

Through the great haul our Owls have made The sweat and blood is the price they paid, But never once said, "I'm afraid." For this, Owls, WE SALUTE YOU!

For a task this great, it takes guts, sheer guts— To take those tackles and scrapes and cuts, And never once get in a low spirit rut, For this, Owls, WE SALUTE YOU!

Through loss of games and players and time— Our mighty Owls kept saying, "This time, this time." They never gave up or forgot to shine, For this, Owls, WE SALUTE YOU!
