The First Baptist Church will have revival services March 8-15. Sunday services are at 11:00 a.m. and 6:00 p.m., and weekday services will be held each evening at 7:30 o'clock.

Morning services during the week will be held Tuesday through Friday at 7:30 a.m. Coffee, donuts and juice will be served prior to the services. A special service will be conducted on Saturday morning at 7:00 o'clock for the men and boys of the church.

Evangelist will be Dr. C. Gordon Bayless of Pampa. A native of Missouri, Dr. Bayless has pastored churches in Missouri, Texas and Arkansas. He is a former pastor of the First Baptist Church in Pampa. He has served as an evangelist for 17 years.

Directing the music will be Larry Russell, Minister of Music and Youth at the San Jacinto Baptist Church in Amarillo. A native of Baytown, Russell has served churches at Coleman, Bridgeport, and Wichita Falls. He is a graduate of Dallas Baptist College.

The pastor of the local church, C. H. Murphy, jr., said, "We are very fortunate in having such an outstanding revival team. Both of these men are in great demand for revivals everywhere, which is indicative of their great talent. It will be time well spent for any person who hears these men sing and preach about Jesus." The church extends a cordial

invitation to everyone to attend.
