All Around the Town

by Mary Ann Sarchet

I am more convinced now than ever before that it is vital to the welfare of our farm people that each of us VOTE DEMOCRATIC in the primary on Saturday, May 2. I believe that we MUST do what we can to insure the nomination of all the Democratic Party candidates, especially Senator Ralph Yarborough.

"By their works ye shall know them" was the theme of a letter I received early this week from two fellow clubwomen who are members of the Texas and General Federations of Womens Clubs. They included a partial list of bills and laws which Senator Yarborough has sponsored and supported, grouped according to the issues to be brought before the TFWC Convention by our resolutions chairman, as well as a list of the measures he has advocated which pertain to the Federation department aims and objectives.

As a clubwoman I am proud to stand in favor of these measures, and I am proud to be able to cast my vote in nomination of our United States Senator, Mr. Yarborough, who has proven his dedication to the people of Texas through his actions as our representative.

CLEAN ENVIRONMENT

—Federal Water Pollution Control Act Amendments, 1961, 65, 69 (1969 amendment extends federal control over pollution of navigable waters by ships)

Primaries To Be Held Saturday

Silverton: Heart Of The Scenic Caprock

THURSDAY, APRIL 30, 1970

SILVERTON, (Briscoe County) TEXAS

VOLUME 62

NUMBER 18

Mackenzie Authority Gets Money To Purchase Land

City Offices Now In New Location

The move to the new City Hall was completed last week, according to City Secretary Jerry Patton. Water and gas bills are now payable in the new location east of the Briscoe County courthouse. Furnishing of the new City Hall is nearing completion. Two oil paintings by local artists have been hung in the City office; one was donated by Mary Tiffin and the other is on loan by Junis Hutsell.

"We are grateful to these artists for sharing their work with us," Patton said. "The pictures add a lot to the office decor. An allowance was not made in the budget for purchasing such items, particularly at this time; but it is very nice to have them, doubly so because they were done by local artists."

The City offices had been housed in the old building since 1928.

MRS. CROSSLIN RECOVERING FROM TORNADO INJURIES

Mrs. Dorothy Crosslin is continuing to show improvement at Swisher Memorial Hospital where she has been receiving treatment since April 17. It has not yet been determined when she will be able to return home.

Mrs. Crosslin's daughter-in-law was expected to arrive here Wednesday to stay with the children until she is able to resume caring for her family.

Friends of the Crosslins have seen to it that the children are clothed and have been in school; furniture has been secured to make the Allard house liveable for them, and the children were to have moved there Wednesday.

Students To Present Extravaganza Here

The Silverton Seventy Singers, directed by Ted Lanham, will present an extravaganza in the school auditorium beginning at 7:30 p.m. Friday, May 1. Admission will be 75c for adults, 50c for students, and 25c for preschool children.

Purpose of the program will be to raise money for the purchase of additional equipment and supplies for the school music department. It is hoped that the music department will be included

in the school budget for next year, but the students and director have adopted a share - the - expense attitude and are willing to work to help provide the things needed in their classes.

The public is invited to attend.

Lions Club Cancels Ladies Night Plans

The Silverton Lions Club has cancelled plans for the Ladies Night, which had been scheduled tonight, due to its being in conflict with another meeting.

Ladies Night will be re-scheduled at a later date.

4-H'ERS PLEASE NOTE

The 4-H'ers who were planning to give their method demonstrations for the Lions Club Ladies Night are asked to please note the cancellation of this meeting.

Students To Be On Television Saturday

Several members of the Silverton High School Student Council and their sponsor, Coach Bill Wood, were in Amarillo recently to tape a program which will be seen Saturday at 12:30 p.m. on KGNC-TV.

The television appearance is in connection with publicity for the Silverton High School Rodeo to be held here May 8-9 to raise money for the Foreign Exchange Student Fund.

HD Council Has Business Meeting

Briscoe County Home Demonstration Council met April 9 at 9:30 a.m. in the P.C.A. community room.

Reports from the District THDA Meeting at Lamesa were given by Mae Bomar and Lanita Cantwell. It was announced that the May meeting for all clubs in the county will be a luncheon on May 5.

Hostesses will be Nelda Jasper and Lottie Garrison. Further details are to be announced later.

Nine members and the CHDA, Naomi Hunt, were present for the Council meeting.

The public is invited to attend.

At noon the workers were chipper and up-and-at-'em; but it was a long, hot afternoon, made even hotter by numerous piles of burning debris. Sunburned, dirty faces at the evening meal betrayed the weariness that the workers felt.

During the afternoon, members of the Silverton Young Homemakers and other local residents took Cokes and tea and cups of ice, cake and cookies to many of the workers, and they found that it was, indeed, a very thirsty day.

Members of the Young Homemakers also took part in cleaning up the Carl Tidwell home Saturday morning, but the girls' enthusiasm for this was dampened a bit when one of the girls stuck her hand into a nest of snakes that had been built in some of the destroyed home's insulation.

People from the country have come to town to help with the clean-up, and townspeople have gone to the country to help; it seems that almost everyone has been willing to go anywhere they were needed to help with whatever job needed to be done.

Very few who have not lived here can begin to comprehend why the people of Silverton would want to prepare meals for public service and telephone crews who

work for companies which make allowance for meals away from home. But you and I who are Silverton-storm-blood-brothers know why, and that's all that really counts.

The white-collar workers have worked side-by-side with the blue-collar workers; people with black, white and brown skins have worked side-by-side and have eaten side-by-side—and each felt the same pride in accomplishment and the same tiredness in his bones at the day's end. The entire picture could have been seen nowhere but in Silverton, in the State of Texas, in the United States of America!

Most of the farm land in Briscoe

Development Board.

Created in 1965, the Mackenzie Municipal Water Authority includes the cities of Tulla, Silverton, Lockney and Floydada. The land acquisition is in connection with a dam and reservoir to be constructed on Tule Creek in Briscoe and Swisher counties.

Representatives of the cities, Representative Ralph Wayne of Plainview, and the Mackenzie Municipal Water Authority directors attended the hearing on the application.

Total cost of the project will be \$3,800,000.

MMWA representatives explained that costs would increase if the land was not acquired soon.

After the board's action, Rep. Wayne thanked the members, noting that the project was of great importance to the West Texas area.

Mayors and council representatives from each of the four towns were in Austin along with Davis of Floydada and Attorney Don Bookout of Tulla to meet with the board.

Each of the mayors spoke at the meeting. Representing Silverton were Mayor H. B. Simpson and Councilman Troy Jones.

A five-year moratorium on payment of the principal was granted by the board.

OES Officers Elected Here Tuesday Night

Election of officers for the ensuing term was held by Silverton Chapter No. 900, Order of the Eastern Star, during the stated meeting Tuesday night.

Elaine Forbes was elected to serve the chapter as Worthy Matron, and her father, Homer Stephens, was elected to serve as Worthy Patron. Mrs. Forbes asked and was granted the chapter's permission to hold a public installation of officers Saturday evening, June 6, if this is not in conflict with activities planned by the Masonic Lodge.

Mary Ann Sarchet was elected to serve as the chapter's Associate Matron, and Charles Sarchet was elected Associate Patron.

Other officers elected were Lola Mae Stephens, Secretary; Anna Lee Anderson, Treasurer; Carolyn Montague, Conductress, and Lois McKenney, Associate Conductress.

The chapter's other officers will be appointed by the Worthy Matron-elect.

DONATION APPROVED

The chapter approved a \$50.00 donation to the Silverton Disaster Relief Fund, and voted to pay \$100.00 in the Lodge insurance premium.

The public is invited to attend.

At noon the workers were chipper and up-and-at-'em; but it was a long, hot afternoon, made even hotter by numerous piles of burning debris. Sunburned, dirty faces at the evening meal betrayed the weariness that the workers felt.

During the afternoon, members of the Silverton Young Homemakers and other local residents took Cokes and tea and cups of ice, cake and cookies to many of the workers, and they found that it was, indeed, a very thirsty day.

Members of the Young Homemakers also took part in cleaning up the Carl Tidwell home Saturday morning, but the girls' enthusiasm for this was dampened a bit when one of the girls stuck her hand into a nest of snakes that had been built in some of the destroyed home's insulation.

People from the country have come to town to help with the clean-up, and townspeople have gone to the country to help; it seems that almost everyone has been willing to go anywhere they were needed to help with whatever job needed to be done.

Very few who have not lived here can begin to comprehend why the people of Silverton would want to prepare meals for public service and telephone crews who

work for companies which make allowance for meals away from home. But you and I who are Silverton-storm-blood-brothers know why, and that's all that really counts.

The white-collar workers have worked side-by-side with the blue-collar workers; people with black, white and brown skins have worked side-by-side and have eaten side-by-side—and each felt the same pride in accomplishment and the same tiredness in his bones at the day's end. The entire picture could have been seen nowhere but in Silverton, in the State of Texas, in the United States of America!

CATHY JONES

Cathy Jones Is Lions Queen Runner-Up

Cathy Jones was first runner-up to the District 2-T-1 Lions Club Queen, Brenda Faye Willson of White Deer, at the convention held in Pampa last weekend.

Second runner - up was Karen Ollinger of Groom.

Forty - eight girls were contestants in the District Lions Queen Contest.

Daughter of Mr. and Mrs. Troy Jones, Cathy is a Senior in Silverton High School, and is the reigning Floyd County Fair Queen.

Mr. and Mrs. Jones attended the entire schedule of convention activities, and were joined for a portion of the meeting by Bud Couch and Fred Strange.

C.B. Radio Operators Asked to Cooperate

All citizens band radio operators who would like to participate in establishing a storm warning system for Silverton and Briscoe County are asked to contact Jerry Patton at the City Hall.

A base unit has been given to the City, and it is hoped that a base can be established at the City Hall and that eventually all City vehicles will be equipped with citizens band units.

Stockholders To Meet On May 7

A meeting of the stockholders of Silverton Pool, Inc. will be held at 7:30 p.m. Thursday, May 7, in the Pioneer Room at First State Bank.

Purpose of the meeting is to elect officers, two directors, and to transact other business.

Absentee balloting for the Democratic Party Primary Election to be held Saturday, May 2, closed Tuesday after unusually heavy absentee participation by voters.

The ballot is not an unusually long one this year, but does reflect races of interest on the local and statewide levels.

Three are seeking election to the new office of Briscoe County Tax Assessor - Collector. They are Arthur S. McJimsey, who has operated an automotive garage here until recently and is now employed as a local parts manager; Mrs. Lula Bellinger, a widow, who operated a dry goods business here for a number of years; and Mrs. Mary Beasley, who resides on a farm in the San Jacinto community, and is the wife of Roy Beasley and the sister of Mrs. Letha Elms. All are long-time Briscoe County residents.

At Quitaque, there is a race for Justice of the Peace between Incumbent R. B. Persons and Lewis J. Bedwell, jr. In Precinct Four, Incumbent County Commissioner is being challenged by Milton Dudley, a former county commissioner.

The nomination of Ralph Yarborough for election to his seat in the United States Senate is being challenged by Lloyd Bentson in a race which will hold the election-day spotlight all over the state.

Voting will be from 8:00 a.m. until 7:00 p.m. in the customary places: San Jacinto school, Briscoe County courtroom, judge's office and sheriff's office, and at the City Hall in Quitaque.

REPUBLICAN PRIMARY WILL BE IN WILLIAMS' HOME

The Republican Party Primary Election will be held at the home of Mr. and Mrs. Floyd Williams from 8:00 a.m. until 7:00 p.m. on Saturday, May 2.

VOTERS REMINDED TO TAKE RECEIPTS TO THE POLLS

Voters are reminded that they must take their registration receipts with them when they go to vote in the primary elections Saturday because

(1) For the first time, registration lists were prepared out of the county by computer and are very inaccurate as compared with lists used in years past when they were prepared by local officials who knew local residents and the precincts in which they reside.

(2) Taking your registration receipt with you to the polls will assure each voter of his right to vote and will expedite the work of precinct election judges and clerks, many of whom will be under the strain of a rushed and busy schedule.

This information was given by County Clerk Bertha Pavlicek, who said "We cannot stress too strongly the importance of having each voter bring his registration card when he comes to vote. Please cooperate with your precinct workers in this matter."

BALLOTS MUST BE MARKED PROPERLY TO BE COUNTED

Voters must mark their ballots properly in Saturday's primary elections if they want their votes to be counted.

In previous years, the election code stated that if the election officials could determine the wish of the voter the ballot should be counted; however, it is no longer worded this way. It is now stated

See BALLOTS MARKED—CONTINUED ON PAGE FIVE

Tornado Damage Still Being Tabulated

by Mary Ann Sarchet

Tornado damage continues to be tabulated here, as clean-up operations continue. Much of the Briscoe County area which was heavily littered with debris from the tornado has been cleared, with a lot of the remaining untouched clutter being involved in insurance company settlements.

No list of such widespread damage could ever be made 100% complete, and the following was omitted from the summary in last week's issue. (There may have been other omissions also.)

Bill Williamson home—chicken houses destroyed, roof and porch

of home damaged

Printz Brown farm —windmill, corral and granary damaged

Southwestern Public Service Company had to replace between 45 and 50 poles, and lots of line.

CLEAN-UP CONTINUING

Mountains of unburnable debris have been hauled to the City Dumpground in the canyons north of town since the April 17 tornado danced across Briscoe County. Last Saturday, Gordon Lowrey was operating a Rhode Pipe Company backhoe at the dumpground in an effort to move the junk on down into the canyon.

Most of the farm land in Briscoe

County has been cleared, and the area hardest-hit in Silverton is looking cleaner every day. Many people have taken part in the clean-up; many of them have neglected their own work to help out in the emergency.

Women of the community prepared and served lunch and supper for all the workers Saturday at the new City Hall. It was a feast of unbelievable variety and bounty that could have been brought forth here only. There was no way of knowing just how many workers were fed, but the number of plates filled probably exceeded 200.

At noon the workers were chipper and up-and-at-'em; but it was a long, hot afternoon, made even hotter by numerous piles of burning debris. Sunburned, dirty faces at the evening meal betrayed the weariness that the workers felt.

During the afternoon, members of the Silverton Young Homemakers and other local residents took Cokes and tea and cups of ice, cake and cookies to many of the workers, and they found that it was, indeed, a very thirsty day.

Members of the Young Homemakers also took part in cleaning up the Carl Tidwell home Saturday morning, but the girls' enthusiasm for this was dampened a bit when one of the girls stuck her hand into a nest of snakes that had been built in some of the destroyed home's insulation.

TO THE VOTERS OF PRECINCT 4:

I have tried to see each voter in Precinct 4 regarding my candidacy for re-election as your county commissioner; however, there are some I have missed due to your being away from home when I called.

I would appreciate it if each of you would consider this a personal request for your vote and influence in my behalf in the Democratic Primary on Saturday, May 2. If re-elected, I pledge myself to serve all the people of Briscoe County to the best of my ability as your commissioner.

Disaster Fund Established At First State Bank

The Silvertown Disaster Relief Fund was re-activated at First State Bank early this week. Donations to this fund may be made in any amount, and the money will be used to help replace personal property of local residents lost in the storm and not compensated by insurance.

The fund was established in 1957, with a board of five local citizens administering it.

This project has no ties with any national organization; it is a strictly local project by Silvertown people for Silvertown people administered by Silvertown people. None of it goes elsewhere unless the Silvertown people should choose to spend it elsewhere (as the donation made to the people in the Sunnyside community several years ago).

Local people desiring to make application for a portion of this fund are asked to contact Bessie Garrison at First State Bank.

Donations may be taken or mailed to First State Bank.

4-H'ers To Compete In District Contests

Twenty-eight boys and girls

from Briscoe County will compete for top honors in the Extension District 2 4-H Elimination Contests which will be held in Lubbock on Saturday, May 2.

The contests are slated to begin at 8:00 a.m. at Texas Tech University. Winners will be recognized at an awards program at 2:30 p.m. in the Student Union.

First and second place senior winners will be eligible to participate in the state contests during 4-H Roundup at Texas A&M University June 3-5.

Those who will compete in the district contests are:

Low Interest Loans Available to Disaster Victims Now

Hilary Sandoval, jr., administrator of the Small Business Administration in Washington, D. C., has issued a declaration making disaster loan assistance available in the counties affected as a result of tornadoes which occurred on April 17 and 18.

Persons whose homes, businesses, personal property, or inventory were damaged or destroyed are eligible for 3% loans to make repairs or obtain replacements. The loans may run for as long as 30 years in some cases and are repayable in monthly installments. Loans must be repaid, however, in the shortest period possible without creating undue hardship to the borrower.

The amount of loan is limited to the actual tangible loss, less any insurance funds received.

Personal and business assets must be used by the applicant to the greatest extent feasible to restore disaster-damaged or lost property. In addition, private credit to the extent obtainable on reasonable rates and terms must be used prior to obtaining disaster loan assistance from SBA.

Fred S. Neumann, district director of the Small Business Administration for this area has announced that persons interested in talking about securing financial assistance due to the losses incurred in the recent tornadoes should contact the Small Business Administration located at 1616 19th Street, Room 204, Lubbock, Texas, or phone 806-765-8541, ext. 262. Other points of contact will be made available as soon as possible.

Tulia, Texas, Saturday, April 18, 1970.)
President Burgess, State President Jay Naman, Mr. Jordan, Senator Hightower, Judge Driskill, distinguished officers and guests:
It is a great privilege to visit with you and to confer with you today about our very serious farm problems.

We hear a great deal these days about the "farm problem," but we are really talking about a problem facing our entire economy. Just as we learned during the days of the great depression, the so-called "farm problem" is simply an early warning. The rural crisis is a national crisis—the rural citizens just feel the effects of it first and suffer longer and harder than the rest of our population.

Actually, the farm problem is a collection of many problems: the problem of farmers' low income, the problem of the cost-price squeeze on the farmers, and the problem of developing a farm program that will make it possible for farmers to share equitably in the overall national prosperity to which they contribute so much.

Let us consider that part of the farm problem which relates to farm income. The 1968 farmers'

net annual income was more than \$1 billion below the net annual income received in 1947. During this same period, farm productivity increased by 50%, and retail food prices advanced 47.3%. Farmers received very little of this increased income.

The inequity of farm income is accentuated by rising cost of production and greater demands for capital investment. This results in a price-cost squeeze on the farmer.

Just this past year, farm production expenses rose sharply. The index of prices paid by farmers for production items, interest, taxes and wage rates was almost 6% higher than in 1968, the greatest yearly increase since 1951. The farmer today is in the position of having to spend more and more in order to earn less and less.

A large part of the production cost problem is created by the present runaway inflation, coupled with the highest interest rates in history. When the tight money policy is piled on top of these, they are enough to crush many farmers and force them off their farms. I saw in a recent issue of the Lubbock Avalanche - Journal 22 farms advertised for auction in a single issue.

We are not in an agricultural recession; we have already passed that. We are nearly through an agricultural depression, and are on the brink of agricultural disaster.

The present administration talks a lot about rural development. Recently, I received a copy of a report of a task force that the President appointed last September to "see what might be done in the private and public sectors to stimulate rural development." This task force, headed by the national chairman of the American Farm Bureau Women, made several recommendations to change the names of some agencies, reorganize some agencies, and they submitted an undecipherable organizational chart of how all this is supposed to work. In my opinion, they totally ignored our real problems. The report speaks of rural development and explains:

Rural development will build a new rural countryside America; and by building a new and better rural America, we will build better cities and a better America—a new life for the country.

The most curious thing about this report is what it does not say and what it does not recommend. It does not suggest that we try to improve farmer income to bring it in line with the rest of the economy. It does not recommend that we take immediate action to preserve and protect our private agricultural economy, and try to retain the farm families on their own farms.

When they speak of building a new rural America, the question immediately comes to my mind: Why do they insist upon building their new rural America upon the grave of our present rural America?

It is my conclusion, based on the Administration's action since it has been in office, that this is exactly what the present Administration intends to do. In administering the existing farm programs over the past year, numerous actions adverse to the interests of farmers have been taken. The Administration's proposed farm legislation would give unprecedented authority to the Secretary of Agriculture to push farm income and farm prices down even further. The Administration's proposed budget for the Department of Agriculture reduces many programs essential to the preservation of our agricultural economy as we know it.

The only conclusion I can draw from this is that the present Administration intends to level our present rural America so it can build its new rural America on the grave of our present rural America.

Let me briefly review just a few of the Administration's actions over the past year.

In March, 1969, the Secretary of Agriculture slashed the price support on cotton seed from \$48 a ton to \$37 a ton, and under 51% of parity. This is a \$5 loss per bale.

In April, 1969, the Secretary of Agriculture failed to increase daily supports up to 90% of parity as authorized by Congress.

On August 11, 1969, the Administration announced a 12% cut in wheat acreage for 1970. Texas lost 438,635 acres of its wheat allotment.

On November 19, 1969, the Administration ordered resale loans on 1967 and 1968 crop grain sorghum called. This meant massive dumping of stored grain on the

All Around The Town

CONTINUED FROM PAGE ONE

—National Eye Institute Act
—Sen. Yarborough recently introduced a Senate Resolution to establish an all-out National Cancer Research Program
POPULATION EXPLOSION
—Family Planning Services Act, 1968

Included in the above list are many areas of concern to club-women as mothers, wives and homemakers. There are many other areas of particular concern to the farming community in which

market, and prices plummeted. I protested this ill - advised order, and the order was rescinded, but only after tremendous damage to the market had been done.

On December 30, 1969, the Administration cut the rice acreage for 1970 by 15%. The allotment had already been cut 10% the year before.

On January 16, 1970, the Administration announced a drastic change in the method of payments to participants in the 1970 wheat, feed grain, and cotton programs, in order that the usual 50% Spring planting advance payments would not be made.

One of the most recent adverse actions taken against farmers is the Department's decision on the projected cotton yield. This was a crippling blow to Texas cotton farmers.

The trend of these decisions is clear. The Administration's intent seems unmistakable. Is it really worth forcing farmers into bankruptcy and foreclosure in order to build a vaguely defined new rural America that they have in mind? I do not think so.

As the principal sponsor of the Coalition Farm Bill, S3068, I will continue to fight to preserve and improve our existing farm programs. The Administration's proposal to abandon the parity concept, and to give the Secretary of Agriculture unprecedented authority to drive prices and income further downward are totally unacceptable in light of their actions over the past year.

The Administration's budget proposals for the Department of Agriculture for 1971 are further evidence of a high level policy of abandoning and slashing existing programs which were designed to assist and protect our existing rural economic system and family farmers.

I am unalterably opposed to the Administration's plan of starving the family farmers off their land. I have fought and will continue to fight any moves to shift our agricultural economy from a primarily independent producers system to a great, impersonal corporate farming system. We must build a greater rural America on what we now have, rather than tearing it down with a vague hope that something might grow on its grave.

Senator Yarborough has shown that he is a friend and representative of us all—not the least of which, by any means, is his sponsorship of the Coalition Farm Bill.

We MUST nominate and re-elect Senator Yarborough. We must not fall prey to the members of other political parties who are working for the nomination of the other Democratic Party candidate on Saturday, May 2, in hope that the nominee of THEIR OWN party will be able to defeat Mr. Benton in the general election.

It is also very important that voters make SURE that their ballot will be counted by marking it properly on election day. You must mark an "X" in the square beside the name of the candidate for whom you wish to vote. The election code used to state that if the election officials could determine the will of the voter, the ballot could be counted. It no longer reads this way, but now states that an "X" must be placed in the square.

In races where there is only one candidate, you must place an "X" in the square beside his or her name, or you will have voted against the candidate.

Voters must also take their registration receipts with them to the polls on election day.

Make your vote COUNT on Election Day:

1. Take your registration receipt when you go to vote
2. Mark your ballot properly
3. Vote in one primary ONLY
4. Vote for the Democrat, Senator Ralph Yarborough, who is serving us so well in Washington, D. C.

Find The Bottle

Oceanologists place thousands of bottles in the sea each year to study currents. One bottle released in 1962 at Perth, Western Australia, was recovered almost five years later near Miami, Florida.

ELECTRIC DEMONSTRATION GIVEN BY LOCAL 4-H'ERS

The junior electricity team, Clay Jackson and Ken Sarchet, have made appearances before several groups this week to practice the method demonstration they will give at the District 2 Elimination in Lubbock Saturday.

Clay, son of Mr. and Mrs. Earl Jackson of the Rock Creek community, is a fifth grade student in the Silverton schools and is a member of the Smiling 4-H Club.

Ken, son of Mr. and Mrs. Charles Sarchet, is a Silverton sixth grade student and is a member of the Happy 4-H Club.

The boys gave their demonstration on how electric motors work and what they do before other 4-H'ers and parents Monday night; before two fifth grade science classes and Caprock TOPS Club Tuesday; and before sixth grade science classes Wednesday.

NOTICE VOTERS:

I would like to urge all voters to go to the polls and vote Saturday, May 2, 1970, in the Democratic Primary.

To the voters of Precinct 4: I have been unable to contact some of you for which I am sorry. I would like for you to take this as a personal request for your vote.

To those of you that I have contacted, I would like your vote also.

Should it be my good fortune to be elected as your County Commissioner, I will try very hard to make a hand.

AMONG THE "NATION'S BEST"—Mr. and Mrs. Riley Harris are among a select group of sorghum growers who have won Carload Sorghum Grower awards.

BALLOTS MUST BE MARKED—
 CONTINUED FROM PAGE ONE
 Ballots must be marked with an "X" in the square beside the name of the candidate for whom you wish to vote.
 Previously, if a voter marked an "X" in the proper squares in part of the races, and in one race scratched a line through a name, election officials were bound to count this as a vote against that

candidate because it was clear that this was what the voter intended. Election officials are no longer permitted to make this decision.
 If you want your vote to be counted, you must also mark an "X" in the square by a candidate's name in a race in which there is only one candidate. If you skip over the uncontested races, your ballot will be considered as a vote against these uncontested

candidates.
 Incorrect marking in one race does not disqualify the entire ballot, but could disqualify your vote in that particular race.

"Home" Will Be Topic Of Club Study

The Home Life Department will be featured at the next meeting of L. O. A. Junior Study Club at 8:30 p.m. Monday, May 4, in the P.C.A. community room.
 Roll call will be answered with "The Furniture Style I Prefer." The slide program, "Portrait of a Home," will be directed by Mrs. Fred Edwards.
 Mrs. John Schott will be hostess, and is to give the devotional, "A Home."

*** NEW BABIES**

Mr. and Mrs. Kenneth Hutson of Clarendon are parents of a son, Kenneth Earl, born in the Hall County Hospital at Memphis on Tuesday, April 28. He weighed six pounds, nine and a half ounces.
 Grandparents are Mr. and Mrs. Fred Hutson of Clarendon and Mrs. Mart Norris.
 Mr. and Mrs. Len Koslowski of Warren, Michigan, are parents of a daughter, Carol, born there on Monday, April 27. She weighed seven pounds and eleven ounces.
 Grandparents are Mrs. Frank Koslowski of Detroit, Michigan, and Mrs. C. E. Anderson. The baby's great-grandmother is Mrs. Mary Daniels of Tulla.

PICTURE OF CHILD FOUND ON JA RANCH

A picture of a blond little girl was found this week on the JA Ranch by Billy Farley, a ranch cowboy.
 Mrs. Wade Welch brought the picture to Silverton Wednesday, and requested that an effort be made to find the owner.
 Cancelled checks from Cotton Center were also found on the ranch, and if the picture is not claimed here, it will be passed back along the tornado trail.

QUILT BLOCKS PIECED BY HAYLAKE CLUB

Haylake Club met April 23 in the P. C. A. community room with seven members and three visitors present.
 Quilt blocks were pieced for the hostess, Mrs. Ella Leah Riddell. Gifts were exchanged, and dues paid. The club voted to donate \$7.30 to Mr. Thomas.
 Angel food cake and Cokes were served by the hostess.
 Next meeting will be in May with Mrs. Susie Autry.

TRAVEL-AID SAFETY ASSOCIATION, INC.
 Home Office: Osceola, Missouri 64776 (417) 646-8003
 Administrative Office: 3906B North Lamar Austin, Texas 78700

We invite you to compare the following services and benefits with any club. We know you want the best available protection.

\$5,000 POLICE BAIL BOND
 Should you be involved in an automobile accident and receive a police charge against you for manslaughter, negligence, homicide or assault with a motor vehicle — TASA will post your bond not exceeding \$5,000.00. If this should happen, you'll be prepared.

\$500 CASH APPEARANCE BOND
 Should you have a traffic violation, such as: running a stop sign, speeding, reckless driving, etc. we will post your bond up to \$500. This will let you continue on your way without difficulties.

\$500 ATTORNEYS FEE
 When you need to hire an attorney to defend you, win, lose or draw, we pay the bill up to \$500. We help keep the marks off your driver's license. This is very important.

UP TO \$100 LEGAL FEES
 This is paid to the attorney of your choice to help collect for automobile damages or personal injuries.

PERSONALIZED TRAVEL ASSISTANCE
 Free maps, route guides, traffic folders, motor court information and many other things to make your trip safer and more enjoyable. Provided through Rand McNally of Chicago.

\$200 THEFT, VANDALISM AND BURGLARIZING REWARD
 Cash reward, paid to anyone for information leading to the arrest and conviction of anyone stealing, burglarizing, or doing vandalism damage to your car, boat, truck, mobile home or mobile camper.

\$100 AWAY FROM HOME EXPENSES
 Should you have an accident 50 miles or further from home, and your car is immobile, we will pay your expenses for meals and lodging, transportation to your destination, or rent you a car, up to \$100. This would certainly help lift the load.

TASA OIL COMPANY CREDIT CARD PLAN
 Should you lose or have your credit cards stolen, we will pay the first \$100 of the loss. This happens every day and can run into thousands.

S.O.S. COMMUNICATION AID
 We provide vital information to the physician in case of an accident. We also pay expenses to anyone, up to \$27.50 to notify a loved one or friend anywhere in the U.S.A. This service could very easily be responsible for saving your life.

EMERGENCY ROAD AND TOWING SERVICE
 Have you ever run out of gasoline, had a flat tire, a dead battery, locked the keys in your car, needed to be towed out of a ditch or snow when you were in a hurry? TIME IS IMPORTANT. You call ANY Service station or garage for assistance, 24 hours a day. We pay the bill up to \$7.50 per call.

VERY FEW CAN AFFORD TO BE WITHOUT AN INCOME IN CASE OF AN AUTO ACCIDENT, CAN YOU?

Spotlighting The Seniors Seventy

EDNA GALLINGTON

Edna Gallington, a Senior, stands 5'1 1/2" tall and has black hair and brown eyes. Her favorite food is steak and gravy with mashed potatoes, and she likes the song, "Baby, I'm For Real." Edna also enjoyed the book, "To Sir With Love," and enjoys the television program, "Room 222." The movie she liked best was "The Lost Man."

Edna's pet peeve is "people who tell everything they know."

Edna was a member of the Future Homemakers of America her Freshman year. She played Powder Puff Football her Freshman and Sophomore years, and participated in volleyball her Junior year.

Following graduation from Silverton High School, Edna plans to attend Clarendon Junior College.

WADE BRANNON

A 5'6" Senior with brown hair and blue eyes is Wade Brannon. His favorite song is "Big Balls in Cow Town," and his favorite food is steak and potatoes. The television show he enjoys most is "Hawaii 5-0" and he liked the movie, "The Good, The Bad and The Ugly." Wade's pet peeve is "people who bother my hat."

Wade was a member of the Senior Play cast. He is parliamentarian of the Senior class.

A four-year member of the Future Farmers of America, Wade is currently serving as chapter secretary. He has participated in the FFA Chapter Conducting contest his Freshman, Sophomore and Junior years, and in the Dairy Cattle Judging his Freshman and Sophomore years.

Wade played basketball his Freshman year, and baseball his Freshman, Sophomore and Junior years.

This year the student body elected Wade as Friendliest.

GAYLA TATE

Gayla Tate, daughter of Mr. and Mrs. Kenneth Tate, is a 5'5" Senior this year. She has brown hair and green eyes.

Gayla's favorite food is baked halibut, and she likes the song, "Never My Love;" the book, "Bride of Pendorric," and the television show, "Gilligan's Island." The movie she enjoyed most was "Romeo and Juliet." Gayla's pet peeve is "put-ons."

A member of the Junior and Senior play casts, Gayla is a four-year member of the Pep Squad. During her Junior year, she worked as a reporter for THE OWL'S HOOT. She joined the Future Business Leaders of America her Sophomore year and has been a member since.

Future Homemakers of America has been included among Gayla's activities, and she served the chapter as fifth vice-president last year.

She participated in Powder Puff Football her Freshman and Senior years, basketball her Freshman and Junior years, and in track her Sophomore year.

During her Junior year, the student body elected Gayla Most Beautiful. She was also a candidate for Halloween Queen last year and was a candidate for both Football Queen and Lions Club Queen this year.

Following graduation, Gayla plans to major in biology at West Texas State University.

JIM McWILLIAMS

A Senior in Silverton High is Jim McWilliams, who stands 5'9" tall, has brown hair and blue eyes. Jim's favorites include Mexican food; the song, "Birthday;" the book, "The Survivor;" the television show, "Hawaii 5-0." The movie he enjoyed most was "The Good, The Bad, and The Ugly." His pet peeve is "snobs."

Jim was on the honor roll his Freshman and Sophomore years. He has been a member of the National Honor Society four years.

He was a member of the Senior Play cast, and this is Jim's third year as a member of the Future Business Leaders of America. He was a reporter for THE OWL'S HOOT his Junior year.

A member of the Future Farmers of America his Freshman year, Jim participated in the FFA Quiz and Land Judging contests. During his Junior year he served his class as parliamentarian.

Jim is a four-year member of the S-Club. He played football his Freshman and Sophomore years, played baseball his Sophomore and Junior years, and played tennis this year.

Jim's favorite pastimes include "running around" and "listening to good music."

After graduation Jim plans to attend West Texas State University to prepare for the study of dentistry.

THURSDAY, APRIL 30, 1970

Officers, Cheerleaders Elected by Pep Squad

Students Place In District Contests

In recent district interscholastic league competition held at Clarendon, several Silverton students won ribbons.

Cathy Jones placed first in the shorthand contest; Terry Jones won third in typing, and Marvin Self won first in shot put.

Junior high school students also brought home several honors. Scott Hutsell placed third in oral reading; Susan Jackson placed second in spelling and plain writing, and Susie Parker won first place in oral reading.

REGIONAL

In regional competition in Lubbock last weekend, Marvin Self placed second in the shot put and will be eligible for the state competition soon.

Sophomore News

The Sophomore class met Monday, April 27, to nominate Student Council officers for next year.

Lanis Davis was nominated for president; Van Martin, vice president; and Lynn Smith, secretary.

School Daze

The boys got out of school early Monday of last week to help clean up the mess the tornado made. Lane got his arm sliced and Tommy tore his fingers half way off! Wouldn't you know it would be Juniors who got hurt?

The greatest thing happened! Four Juniors got to go to the Honor Breakfast!

The Seniors have only 11 more days of school.

High School Boys Assist Clean - Up

Silverton High School boys left school early Monday afternoon of last week to help clean-up after the tornado. In addition, some of the boys have been assisting with the clean-up on weekends. Their service has been of great help to the community.

The boys have participated in the clean-up on a voluntary basis, but almost everyone volunteered.

Song Dedications

It Hurts So Bad—to Tommy and Lane after their accidents
Baby, It's You—Dorothy to Dana
Give Me A Ticket For An Airplane—people trying to get away from the tornado

Calendar of Events

- May 1—"Silverton Seventy Singers" Concert, 7:30 p.m.
- May 2—Athletic Banquet
- May 5—F.F.A. Banquet
- May 6—Church of Christ Luncheon for the Seniors
- May 8-9—Student Council Rodeo

ican food; the song, "Birthday;" the book, "The Survivor;" the television show, "Hawaii 5-0." The movie he enjoyed most was "The Good, The Bad, and The Ugly." His pet peeve is "snobs."

Jim was on the honor roll his Freshman and Sophomore years. He has been a member of the National Honor Society four years.

He was a member of the Senior Play cast, and this is Jim's third year as a member of the Future Business Leaders of America. He was a reporter for THE OWL'S HOOT his Junior year.

A member of the Future Farmers of America his Freshman year, Jim participated in the FFA Quiz and Land Judging contests. During his Junior year he served his class as parliamentarian.

Jim is a four-year member of the S-Club. He played football his Freshman and Sophomore years, played baseball his Sophomore and Junior years, and played tennis this year.

Jim's favorite pastimes include "running around" and "listening to good music."

After graduation Jim plans to attend West Texas State University to prepare for the study of dentistry.

The Pep Squad met last Thursday to elect next year's officers and cheerleaders.

Rhonda Dickerson was chosen to serve as president of the Pep Squad. The other officers will be Dorothy Yancey, vice-president; Cindy Cross, secretary - treasurer; Sue Lynn Allard and Theresa Tate, parliamentarians.

Lanis Davis, who will be a Senior next year, was elected head cheerleader. The other cheerleaders chosen are Paula Montague, who will represent the Junior class; Pam Hutsell and Rhonda Sutton, who will be Sophomores, and Jana Cross, who will represent the Freshmen.

WOULDN'T YOU KNOW . . .

the Juniors' banquet was a big success?

Coach Stephens took the biology class on a field trip and not the chemistry class?

Jay Long would come dressed and ready to go to a lunch honoring the Seniors a whole week early?

the government class field trip didn't get any further than the boiler room?

Mr. Hinds would walk up while Marsha, Terry, Lanis, Sue, Jean-eeta, Sharon, Claudia, Pam and all the other P.E. girls were playing rhythm under the judo mats?

Dear students of

Silverton High,

Thank you so much for your expression of appreciation in THE OWL'S HOOT. I have always felt that the best students to be found anywhere were in Silverton High, and I really enjoyed associating with you. I miss each of you more than you will ever know.

Love,

Mrs. Wood

'I DID IT'—Houston Astros outfielder Jimmy Wynn shows the seat his home run hit in the Upper Level (yellow) of the Astrodome on April 12 against the Atlanta Braves. The seat is 450 feet away from home plate and has been marked with a Toy Cannon, Jimmy's nickname. Looking on is Astros third baseman Doug Rader, the only other player to hit a homer in the yellow level of the Astrodome in the five year history of the stadium. Rader's chair is marked with a Red Rooster, his nickname.

EXCITEMENT ON A BUDGET AT SIX FLAGS

HANG ON!—Guests at SIX FLAGS Over Texas, the family entertainment center between Dallas and Fort Worth, roar along at speeds up to 38 feet per second on the Runaway Mine Train. The exciting ride is one of the most popular attractions in the Park's 145-acre layout.

Where in the world can a vacationer find a spot to spend the entire day with his family, enjoying a multi-million-dollar array of rides and shows, and come away without spending a dime more than the entertainment budget allows?

The answer: SIX FLAGS Over Texas. The huge theme park's one-price ticket policy has made it a favorite with the budget-minded vacationer. And, who isn't? Once a guest has bought an adult ticket (\$5.00) or a child's ticket for those under 12 (\$4.00), everything inside the beautiful fun center is free. The only exceptions are food and souvenirs. Guests can climb aboard any ride or watch any show as many times as they like during the day at no extra charge.

For the 1970 season, SIX FLAGS Over Texas features more than 85 rides, shows and attractions. Each is attractively showcased in the 145-acre, wooded site at Arlington, midway between Dallas and Fort Worth.

There is so much to do and see that the Park's hosts recommend that a family plan to spend at least eight hours enjoying the lavishly landscaped facility.

Since SIX FLAGS Over Texas opened in 1961, more than 15,000,000 people from throughout the world have sampled its excitement. Nearly two million passed through the gates last year.

The Park derives its name from the flags which have flown over Texas during its long and colorful history... Spain, France, Mexico, Republic of Texas, Confederacy and the United States of America. The entertainment area is divided into six sections, with an appropriate theme carried out in each.

In the Mexican section a major attraction has been added for the 1970 season. It's "Los Voladores—The Flying Indians Spectacular." Daring Totonacan Indians from Mexico, wearing brilliantly-colored costumes, climb to the top of a 100-foot ceremonial pole. Then, clinging to slender ropes, they plunge from the pole and begin a dizzying spiral to the ground.

The Spanish section is the home of SIX FLAGS' most popular ride, the Log Flume. Guests climb into hollowed-out logs for a fast ride through torrents of water, ending with a slightly wet plunge down a steep incline.

Visitors in the Confederate section stroll through streets lined with picturesque shops and exhibits built in the style of the Old South. In the Southern Palace Music Hall, they watch a full-scale musical production. One of this year's shows features a dazzling backdrop made up of screens on which some 1,400 color photographs are flashed by electronically-controlled projectors.

Just around the corner guests climb into Indian "bull boats" for a dark trip through the Speelunkers Cave. The charming inhabitants are brightly costumed, animated figures... all very busy doing the things that Speelunkers love to do.

Fire spurts from an erupting volcano in the Mexican section as guests travel through an ani-

mated wonderland aboard a tiny train moving at "siesta speed."

Gunshots echo in the Texas section as the SIX FLAGS sheriff and his deputies shoot it out with the bad guys (who always lose). In the nearby Crazy Horse Saloon a musical revue provides entertainment for guests who drop by for a drink of nothing stronger than coffee.

Cannons roar and shots splash into the water as visitors make the "perilous" journey down the LaVaca River in the French section. The boats are besieged by wild animals and caught in the crossfire of a battle between an Indian war party and the settlers.

In Boom Town, visitors ride elevators to the two observation decks atop a 300-foot oil derrick. And, at the 50-foot level, there's a 12-lane super slide.

Nearby is the 1,500 seat arena where trained porpoises go through their paces in a salt water pool. And, there's the Chevy Show, where guests are surrounded by action on the circular Cine-sphere movie screen.

A short walk down a scenic path brings the visitor to the Runaway Mine Train. Guests riding in ore cars traveling at speeds up to 38-feet-per-second roar under a waterfall and through an underwater tunnel.

The Krofft Puppet Theater features an exciting production new to SIX FLAGS Over Texas. It's the work of the Krofft brothers, Sid and Marty, known to audiences throughout the world for their innovative productions for stage, movies and television.

Around every corner there's something new to see or do. And, with more than 1,200 tons of air conditioning cooling even the outdoor waiting lines, it's a refreshing, relaxing experience. Throughout the Park, the visitor is impressed by the immaculate cleanliness of the surroundings. Every member of the staff, right up to Chairman of the Board Angus G. Wynne Jr., is part of the "cleanup crew." If a guest drops a cigarette or a piece of paper, it's picked up immediately.

The term "amusement park" is not found in the SIX FLAGS vocabulary. Mr. Wynne, the Great Southwest Corporation official who founded the Park, was looking for something bigger, better and far more beautiful than the traditional "amusement park." Visitors seem to agree that he found the answer.

Mr. Wynne is particularly proud of the young hosts and hostesses who staff all of the attractions. Mostly college students, they are attractively and tastefully groomed and costumed. And, the "SIX FLAGS smile" is guaranteed to erase doubts about the thoughtfulness and courtesy of the new generation.

Excitement, beauty, cleanliness, courtesy and imagination are a few of the things that make SIX FLAGS Over Texas something very special. And, according to the Texas Tourist Development Agency, these elements have also made the Park Texas' number one tourist attraction.

Go Ahead

let him install your ELECTRIC AIR CONDITIONING

PROVEN DEPENDABILITY —

Your electric air conditioner is as dependable as your electric refrigerator ... years and years and years of dependable satisfaction.

PLENTY OF POWER —

No worries about shortages either ... Southwestern Public Service Company has plenty of electric power to run your new electric air conditioner.

INSTALL NOW FOR SUMMER COMFORT —

Now is a good time to buy electric air conditioning for your home. Your air conditioning dealer can have your electric air conditioning in and operating before the hot summer days are upon us.

1. Lower first cost
2. Lower installation cost
3. Only one source of energy to pay for

HOST REUNION OF

FAMILY AND FRIENDS

The sons and daughters of Mr. and Mrs. H. F. Sarchet (Jerry Sarchet, Mrs. Betty Sue Skelton and Mrs. Edith Cruce, Lubbock; Donald Sarchet, Borger; Harold L. Sarchet, Fort Worth; Robert Sarchet, Cleburne, and Charles Sarchet, Silverton) were present Sunday for a reunion of family and friends in the Willie Room at Swisher Electric Cooperative in Tulla. Also present were 14 of the 16 Sarchet grandchildren.

A covered dish luncheon was served at noon.

Mrs. Jerry Sarchet and Mrs. Charles Sarchet served cake and punch with a milk-glass service during the afternoon open house. The refreshment table was covered with a white lace cloth over yellow on which an arrangement of white daisies in a glass basket was used. The "Happy 39+" cake was decorated with green and yellow and was in observance of the birthdays of Mr. and Mrs. H. F. Sarchet, April 23 and March 17.

Approximately 150 friends and relatives attended from Borger, Abernathy, Amarillo, Cleburne, Fort Worth, Silverton, Lubbock, Hereford, Kress and Tulla. Attending from Silverton were Mrs. Bill Malone, Mr. and Mrs. Charles

Sarchet and Ken, and Mr. and Mrs. O. E. May, cousins of Mrs. H. F. Sarchet.

As soon as the party was over, H. F. Sarchet accompanied his son home to Fort Worth, from where he planned to travel to Houston to enter a hospital on Wednesday. Mrs. Sarchet accompanied a daughter to Lubbock to stay while he is receiving treatment at the hospital.

THE CHOICE OF TEXAS ATTORNEYS BY 62%

Vote for Judge

TRUMAN ROBERTS

Texas Court of Criminal Appeals
Saturday, May 2

In a poll of attorneys conducted by the State Bar of Texas, 62 percent indicated Judge Truman Roberts as their choice for the Texas Court of Criminal Appeals ... You can place your trust in a man who merits this widespread approval by his fellow lawyers and judges.

Hiring Painters If you are planning to hire a painting contractor, save him some time and yourself some money by making basic preparations before he arrives. First, take down curtains, blinds, and other wall decorations. Dust the walls and windows. If there are accumulations of grease or grime, wash the walls with a mild detergent solution, rise with clear water. Move all furnishings to the center of the room where they can be covered with protective dropcloths.

Drive With Care Automobile accidents in 1968 injured more than 4,400,000 persons on American highways. Insurance company statistics indicate that driver error was responsible for more than 80 percent of last year's casualties.

We would like to express our appreciation and gratitude to everyone who in any way helped us following the recent storm. Thank you for helping to pick up our personal things, and for the food and words of encouragement. Pee Wee, Pat and Patti Tidwell Lee Ann and Michael Tiffin

G.I. Loans Under a law that went into effect May 7, 1968, the maximum Veterans Administration guaranteed home loan limit was increased from \$7,500 to \$12,500. Veterans who have previously used \$7,500 entitlement have a remaining entitlement balance of \$5,000, provided that eligibility for a G.I. Loan has not expired.

Young Vets Veterans Administration statistics reveal that there are 30,000 veterans under 20 years of age.

Pass the Mustard Each American used five times as much mustard as he did nearly 50 years ago, but even so it takes only a half pound of mustard seed to meet his needs, according to a U.S. Department of Agriculture report.
