

Fugitive May Have Been In Silvertown

The search for Angela Davis reportedly had broadened this week after a federal attorney confirmed that the self-professed Communist and former university philosophy instructor bought the shotgun that killed Judge Harold J. Haley.

The search for Miss Davis ranged from the West Coast to Birmingham, Alabama, and abroad after the disclosure that Miss Davis, 26, had a passport.

The woman, whose picture has been widely circulated, was spotted by employees at Lallie's In & Out Drive-In here Tuesday at noon when she approached the drive-in and ordered seven hamburgers and two orders of fried chicken. The car in which the group was traveling had "yellow and black license plates" that were thought to be California plates.

Miss Davis is charged with one count of murder and five counts of kidnapping under a California law which holds anyone who aids a major crime as guilty as the direct participants.

The judge and three other men were killed August 7 during a gun-battle that followed a courtroom kidnapping at San Rafael, across the Golden Gate from San Francisco.

Jerrold Ladar, assistant U. S. Attorney, said Sunday a serial number check showed the shotgun was purchased at a San Francisco pawn shop August 5 by the former UCLA instructor whom the regents refused to rehire.

Early reports about the possible whereabouts of the black educator with a high Afro hairdo had included Canada. As the FBI joined in the search on a federal fugitive warrant charging unlawful flight to avoid prosecution, reports persisted that Miss Davis might be in Birmingham, Alabama, her birthplace.

An informant had told officers that Miss Davis had attended a Black Panther party meeting in Birmingham last Friday night.

In San Francisco, Ladar said Miss Davis was reported to have been a frequent companion of Jonathan Jackson, 17, one of those killed in the shootout at the Marin County Civic Center.

The possibility that Miss Davis and her companions might have actually been in Silvertown Tuesday was reported to Briscoe County Sheriff Vinson Smith.

SENDS BEST WISHES TO FRIENDS IN SILVERTOWN

Zeph Fogerson, 1301 Sheldon, Clovis, New Mexico, telephoned the Briscoe County News last week to extend his best wishes to Silvertown friends on the 78th birthday celebration of Briscoe County.

He said: "Congratulations to all the wonderful people of Briscoe County on their 78th birthday. Sorry I can't be there to help celebrate.

"I was born August 28, 1892, in Briscoe County and spent 31 years of my adult life there of which I am proud."

Mr. Fogerson believes himself to be the oldest living male who was born in Briscoe County.

Mr. and Mrs. Joe Jasper and sons of Wickenburg, Arizona, have been visitors with his mother, Mrs. C. M. Jasper, and with his sister, Mr. and Mrs. B. G. Toler and family.

Kenneth Tate returned here this week after having been at the bedside of his son, Mike, since Mike received third degree burns on 60% of his body in an accident earlier this summer. He reported that Mike is feeling better now and that his outlook has improved since they are not having to put him through the changing of bandages every day. He also reported that mail sent to Mike at the hospital reaches him faster and that he is able to open his own mail now. His address is: Mike Tate, Room 743, John Sealy Hospital, Galveston, Texas 77550.

Scotti Fleming, daughter of Mr. and Mrs. Leo Fleming, was a surgical patient in an Amarillo hospital last week. She is having an old scar repaired with grafts and plastic surgery. This was necessary as a result of a burn she received when she was just a little girl and pulled a pot of hot coffee off the stove onto herself. She had her stitches removed Monday.

Mrs. Bomar died at 11:30 p.m. Sunday in Swisher Memorial Hospital where she had been a patient for nine days.

She was born January 23, 1901 in Young County, Texas, the daughter of the late W. H. and Virginia Murry. Her childhood and young girlhood was, as have been so many others, entwined with the romance of the pioneer ranch life. It was on the old Swenson Ranch that she met H. A. (Dick) Bomar, and on July 20, 1919, in Lockney, she became his vivacious and attractive bride. She was his dutiful companion for more than 50 years until he preceded her in death on November 5, 1969.

After their marriage they lived on the Matador Ranch for several years, and it was there that their daughter, Jackie, was born on May 20, 1920. The three of them moved to Briscoe County soon after and have spent the remainder of their lives in and near Silvertown. On March 15, 1933, another daughter, Gaylia, was added to the family.

Mrs. Bomar was baptized and joined the First Baptist Church at Watson, Texas, in 1916, and placed her membership in the First Baptist Church here the Sunday following her marriage, July 27, 1919, when her husband was baptized and also joined the church. She was a faithful and active member of the church until the end, when she departed to join her husband at the age of 69 years, six months and twenty-eight days.

Survivors include two daughters and sons-in-law, Jackie and Freeman Tate of Silvertown and Gaylia and Rex Long of McLean; three grandchildren, Mike and Kit Long of McLean and Mrs. Bob (Jackie Carol) Gerhardt of Borger; a sister, Mrs. Clyde Gilliam of Chickasha, Oklahoma.

Most Farm Program Payments Completed in County

Most of the farmers who participated in the 1970 wheat, feed grain and cotton programs in Briscoe County have now received their program payments, according to Louie Kitchens, chairman of the Briscoe County ASC Committee.

Farmers earn program payments by diverting portions of their cropland to conservation uses, and complying with other program requirements. Diverting unneeded cropland helps maintain a balance between supply and demand, preserves the excess acres for future use when they are needed, provides a more orderly supply of farm products to consumers, and helps to assure equitable prices to farmers.

Throughout the nation, over three million farmers earned the

Featured speakers at the day-long conference will be Ross Irwin of Odessa, president of the TPFES; Bob Landry of Plainview, Bob's Farm Store; and James H. Valentine, James R. Rogers and Marvin O. Sartin, area soil chemist, assistant area agronomist and area farm management specialist, respectively, Texas Agricultural Extension Service, Lubbock.

Also, Dr. Arthur B. Onken, assistant professor, Texas Agricultural Experiment Station, Lubbock; Norman Hinchliff of Earth, Farm Chemical Company, and Kenneth Wolf and Johnny R. Feagan, Extension Service economists, College Station.

Chairman of the morning session will be Billy C. Gunter, Extension District Agricultural Agent and SPD coordinator.

Hinchliff will chair the afternoon portion of the program.

Johnson encourages all fertilizer dealers in the county to make plans to attend the symposium.

Sponsors of the program, in addition to SPD, are the Extension Service and TPFES.

farm program payments. Payments were disbursed during a six-week period beginning July 1. In past years, the payment period has extended over a three-month period from July through September.

Compressing the payment period into half the normal time required close cooperation between farmers and ASCS personnel, Mr. Kitchens said, adding: "Speaking for the entire farmer-elected committee, I am proud of the way everyone has cooperated to get the payments out early as we had promised farmers that we would do."

Because of budget restraints, partial payments could not be made this year during the spring sign-up period for the feed grain program. When this decision was made, the Department told farmers that full payments would be made as early as possible. That commitment has now largely been fulfilled.

God Bless America Again!

Edwin J. Myers
Evangelist
Silverton Church of Christ

The above title is the name of one of the newest and most popular songs of the Country and Western songs. The song was written to get the American people to "wake up" to the fact that we no longer enjoy the blessings we once enjoyed from the Lord.

Our nation was established on the basic foundation of Christian principles. Belief in Jehovah God and recognition that "he setteth up kings, and removeth kings" was a fundamental fact to every one (Daniel 2:21). We no longer are a nation who is trying to draw closer to God. We rather take pride in the claim that we house some of the greatest "theological" minds in religion. Those minds are crying, "Jehovah is in the midst of us? no evil shall come upon us" (Micah 3:11). We are overlooking the fact that these words are being cried out in the midst of a swirling sea of corruption and vice. Organized crime is running rampant under the deceptiveness of "sheep's clothing". But, more than that, we have changed from a people who began with a basic "in God we trust" to a people that now set forth the "Church of Satan" and "Church of Atheism".

Yet we sit back in complacency and say, "Each person has a right to his own belief". While I would

not want to infringe on a person's rights the fact still remains: "Righteousness exalteth a nation; but sin is a reproach to any people" and "by the blessing of the upright the city is exalted; but it is overthrown by the mouth of the wicked" (Proverbs 14:34; 11:11). Did you know that in America we now have recognized "Church for Homosexuals"? ("The New York Times," February 15, 1970). From the cry of the people for "Freedom" on one hand to the affirmation by the modern theologian "God is dead" on the other hand we can see that we are truly living in a confused world.

Are we so blind? Can we be so easily deceived? What will it take in order to make the citizens of America stand up and be counted for truth, righteousness, and justice? I fear that we also have those who are crying "Peace, peace, when there is no peace" (Jeremiah 6:14; 8:11).

Just this past week the "U. S. News & World Report" (August 17, 1970) carried an article entitled: "Nixon's Plea: Stop Making Heroes Out Of Criminals." This article points out that we, the people, have such a perverted sense of justice that we "tend to glorify and make heroes out of those who engage in criminal activities." You say, "What an outrageous accusation!" Is it? Note: some of the top-rated movies in theaters are "Bonnie & Clyde"; "Bloody Mama"; "Butch Cassidy and the Sundance Kid"—movies that seem hilariously funny at first viewing, and yet, just what are these teaching our generation? They all glorify the criminal and when viewing the picture we often "feel sorry for them" when they are caught and punished. May God help us!! Note one of the popular TV programs, "It Takes A Thief." Our scales of justice have been weighed and we have been found in the balance wanting (Daniel 5:27). Would the denunciation of Israel still apply to us: "Woe unto them that call evil

FRESH PLUMS

Fresh plums, ripened to a juicy sweetness, have a natural sugar content that's a real palate-pleaser!

Another important quality of the plum is its low calorie count—only about 19 calories in each large, fresh plum. Colorwise, there's a whole rainbow of hues in the abundance of plums—gleaming yellow ovals, rich red shapes and plump green spheres.

When selecting plums, look for those that are fully ripe, but not overripe. Plums, like most other fruits, should be free of bruises, cuts, decay and mold. Here are some tips on how an imaginative homemaker might use plums in summer meal fare.

Fruit salads and desserts are even more delicious when fruit such as plums is included. Plums may be used with bananas—halved, sliced or cubed for fruit desserts. Sprinkle powdered sugar over plums and let stand up to one hour or so before serving. Serve with a dab of sweetened cream.

Try this idea for a Cottage-Plum Salad. Place a mound of creamy cottage cheese on a bed of shredded lettuce (use an ice cream scoop for a perfect shape). To fashion a dark border around the cheese, press the cut-side of juicy ripe fresh plum halves into the cottage cheese.

Plum Perfect Dessert Quickies. Combine sliced fresh peaches and quartered plums in serving dishes. Combine 1/2 cup honey with 1/4 cup lime juice and pour over fruit. Chill until serving time.

THREE ACCIDENTS ARE INVESTIGATED IN COUNTY

The Texas Highway Patrol investigated three accidents on rural highways in Briscoe County during the month of July, according to Sergeant Cawthon, Highway Patrol supervisor for this area.

These crashes resulted in two persons being injured and an estimated property damage of \$5,250.00.

The rural accident summary for

Enjoy these juicy morsels of goodness while they are plentiful. They're great for eating out of the hand on picnics—and August is picnic month.

Why is it that we are now living in a society where we have no standards of right and wrong? I remember when it was wrong to lie, cheat, and steal. Now these are just "normal" reactions to our "environment." There was a time when it was wrong to take another man's life. When this was done his life was required as penalty for the crime (Genesis 9:6). Today, in our "enlightened age," it is just a psychological maladjustment that is a result of the lack of proper surroundings in infancy!

Are we caught up in materialism so much that we no longer care about the true values: love, truth, honor, loyalty, justice? Have we become a nation that will "justify the wicked" and "condemn the righteous" (Proverbs 17:15)? Have we "turned justice into bitterness" (Amos 5:7)? Hosea cried: "Israel hath forgotten his Maker" (Hosea 8:14). Have we also forgotten HIM???

Nixon continued, "Let us understand, all judges are not heroes. All policemen are not heroes. And all those charged with crime are not guilty. But let us well understand too that the system, the system in which we protect the rights of the innocent, in which the guilty man receives a fair trial and gets the best possible defense, that system must be preserved." (Emphasis mine EJM) In order for that to happen "we must speak up for it."

"We must come to its defense and we must not consider that those—the judges, the police and the others who are simply doing their duty—that they are the villains and that those who are provoking them are always in the right." Yes, it is my prayer that God will bless America again, but in order for Him to do that we must repent and "return to the Almighty" (Job 22:23).

When you're not like yourself, Lydia Pinkham understands

All of a sudden you might feel you're changing—not a good feeling. You're tired, edgy, out of sorts and that's not you. Lydia Pinkham understands.

A long time ago, when ladies couldn't be as frank as we can today, Lydia Pinkham recognized the problem and set about finding a remedy. She knew it was not natural for women to have to suffer with what was obviously a natural process.

So she turned to nature for a remedy. She developed a marvelous compound of medicinal roots and herbs that turned the trick for the women she knew. Because it is a natural answer to your natural problems, it can turn the trick for you, too.

Try Lydia Pinkham's root and herb remedy to help you feel better, more like yourself.

Let The Bible Speak

Edwin J. Myers, Evangelist
PREACHERS OF GOD'S WORD

To be a preacher of God's word is one of the noblest things known to man. "And how shall they preach, except they be sent?" as it is written. How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things." (Romans 10:15) The job of preaching requires the best in men. It requires that man put his brethren in mind of the word of God. "If thou put the brethren in remembrance of these things, thou shalt be a good minister of Jesus Christ, nourished up in the words of faith and of good doctrine, whereunto thou hast attained." (I Timothy 4:6) To be a gospel preacher one must always be on the watch for evil. "Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour." (I Peter 4:8) The preacher that finds error or sin should be bold to condemn the sin and rebuke the sinner, regardless of who it is. To be faithful to the Bible a preacher must know, "For I determined not to know anything among you, save Jesus Christ, and him crucified." (I Corinthians 2:2) The preacher that is faithful to the Bible is one that at all times fights sin and error. "Preach the word: be instant in season, out of season; reprove, rebuke, exhort with all longsuffering and doctrine." (2 Timothy 4:2)

The sincere preacher of the Bible is one that knows what to do with the Bible when he studies it. "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." (2 Timothy 2:15) Some preachers (so called) of the Bible try to make the Bible fit their ideas and philosophy, this is severely condemned by the Bible, "Beware lest any man spoil you through philosophy and vain deceit, after the traditions of men, after the rudiments of the world and not after Christ." (Colossians 2:8) The teaching of every preacher should be in harmony with the word of God, because the word is all that is needed. "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: that the man of God may be perfect, thoroughly furnished unto all good works." (2 Timothy 3:16, 17) Therefore, whatever a preacher preaches to a group of people, and expects them to believe must be from the Bible and be in agreement with the whole tenor of Bible teaching. "So then faith cometh by hearing, and hearing by the word of God." (Romans 10:17)

A sincere Bible preacher is not afraid to have the world examine what he teaches. He is also sure of it because he can prove it from the Bible. "If any man speak, let him speak as the oracles of God." (I Peter 4:11) When preachers (so called) of God's word realize that they shall give an account unto God for what they teach they will be better students of God's word. "Take heed to thyself, and unto the doctrine; continue in them, for in doing this thou shalt both save thyself, and them that hear thee." (I Timothy 4:16) As Paul so clearly expressed it in, "Wherefore let him that thinketh he standeth take heed lest he fall!" (I Corinthians 10:12)
