

All Around the Town by Mary Ann Sarchet

For years and years and years Silverton didn't have even one Mr. and Mrs. Wayne LaGrone, and now all of a sudden there are two of them!

I've teased the elder Mr. LaGrone about this, but since I've hardly had a chance to get acquainted with the younger one I haven't started teasing him yet. The first Mr. and Mrs. LaGrone moved to Silverton the Tuesday before the April 17 tornado last spring. Mr. LaGrone tells me that he's lived in tornado country before and that it didn't really bother him much that a tornado hit the same week he moved here, but I have noticed that he has had his house for sale almost ever since.

He tells me that he was in the laundry in Mangum, Oklahoma one day when Horse Trader Trout called him and proceeded to sell him his property in Silverton. Mr. and Mrs. LaGrone had planned to move to Texas, but being retired people they had planned to move where there is a doctor and since Mrs. LaGrone doesn't drive, they had planned to live in a town with some transportation facilities. Well, somehow Mr. Trout persuaded them that Silverton is THE place to live and here they are. And now come the second Mr. and Mrs. Wayne LaGrone to teach school. They moved here from Amarillo.

The elder Mr. LaGrone says it didn't take long for the two couples to get their mail mixed up (Charlie Payne knows all about this because there were two Charlie Paynes, if you can believe it, when he taught in Logan, New Mexico).

The LaGrones had an opportunity to meet when the newest LaGrones joined the church Sunday. "Everyone thought he was probably my son," the elder Wayne LaGrone laughed. "He isn't and we aren't even related. Usually LaGrone isn't such a common name even though there is a large family of LaGrones at Canyon," he added.

The elder Mr. LaGrone brought in a 12-pound muskmelon he had grown to show me the other day. He said he had raised another that weighed 10 pounds and a couple over 8 pounds. He says that he has one growing that looks like the biggest yet. He also raises red okra that he says looks "just like the other kind" after it's cooked.

The elder Mr. and Mrs. LaGrone enjoyed having their grandson, Mr. and Mrs. Clyde Reeves and family of Merced, California, for a visit over the weekend. The grandson is in military service and is leaving for duty in Korea soon.

Service Held For Mrs. Blackwell

Funeral services were conducted at 10:30 a.m. Monday at the First Baptist Church in Silverton for Mrs. Susie Lee Blackwell, 79. Officiating at the service was the pastor, Rev. C. H. Murphy, jr. Burial was in the Silverton Cemetery, with arrangements under the direction of the Silverton Funeral Home.

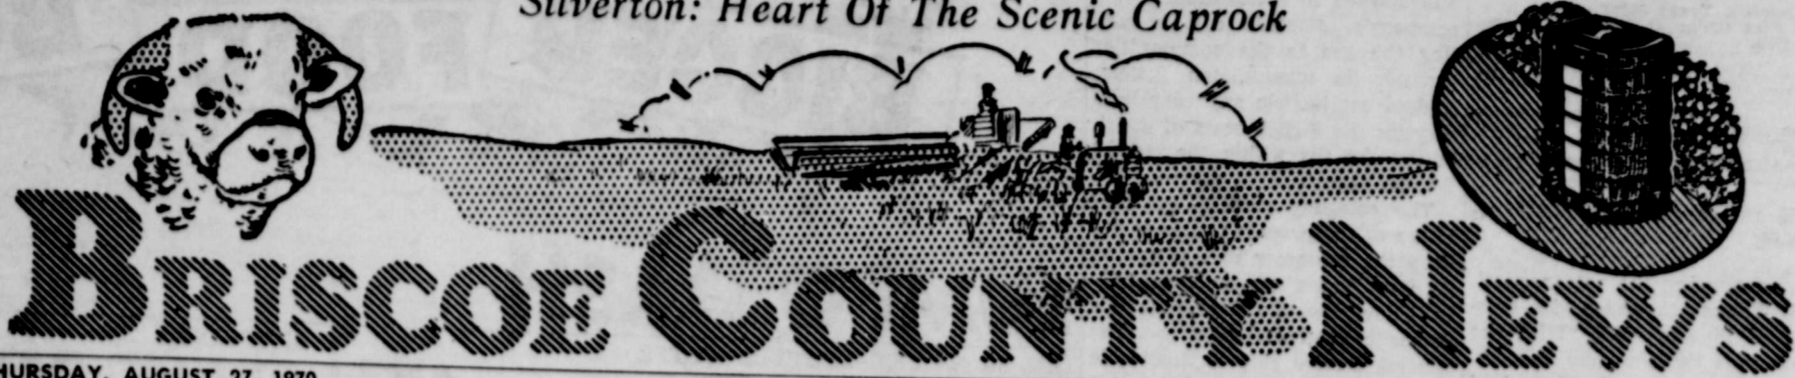

Pallbearers were Snooks Baird, Thomas Lee Perkins, Olos Chitty, Lynn Welch, Frank Hunt and Walt Perkins.

Mrs. Blackwell died at 11:55 a.m. Friday at the Golden Spread Nursing Home in Dimmitt. Born October 5, 1890, in Ellis County, she was the daughter of the late Mr. and Mrs. Jim Freeman, Silverton pioneers. They moved to Briscoe County in 1905. She and the late John (Doc D.) Blackwell were married in Briscoe County in 1910. He died in 1948.

She was a member of the Methodist Church. Survivors include three daughters, Mrs. Buck Baird of Silverton, Mrs. Kenneth Messer and Mrs. Earl Caster, both of Hereford; two sons, Bill Blackwell of Hereford and Odell Blackwell of Iowa Park; one brother, Jess Freeman of Dumont; 20 grandchildren and 17 great-grandchildren.

Mr. and Mrs. Max Garrison and Walt of Bryan have been visiting relatives and friends here. Mr. Garrison is a student of veterinary medicine at Texas A & M.

SILVERTON, (Briscoe County) TEXAS

VOLUME 62

NUMBER 35

Scrimmage Scheduled; Soap And Towel Night Planned

SILVERTON HIGH SCHOOL CHEERLEADERS were pictured recently on the campus of Southern Methodist University in Dallas while attending cheerleading school. They are Rhonda Sutton, sophomore; Paula Montague, junior; Pam Hutsell, sophomore; Joan Cross, freshman, and Lanis Davis, senior and head cheerleader.

Two scrimmages have been scheduled by the Silverton Owls, at Earth-Sprinklake Friday night, August 28 and with Matador here Friday, September 4.

Friday, September 4, has been designated "Soap and Towel Night" for the Silverton Athletic Department. This project successfully provided for the department's soap and towel needs for the year last fall when fans donated 84 towels, 155 bars of soap and \$38.50 in cash.

Fans desiring to see the scrimmage are being asked to again "pay" the admission of one towel for each man and one bar of soap for each woman. Fans who do not bring a towel or soap will be admitted, of course, because in reality no admission is charged at a scrimmage; however, Coach Bill Stovall is attempting to provide for the department's needs in this manner again this year.

"Soap still costs us more than \$40 a case," Coach Stovall emphasized, "we need it and fans can help the athletic department budget by helping provide it. If fans forget to bring soap and towels and want to help us, they can drop their pocket change in the boxes provided. Everyone will be admitted to the scrimmage whether or not they put anything in the boxes," the coach added. "This is just a little scheme for having a little fun and providing for a need at the same time. Your response last year was overwhelming; maybe you'll want to help us again."

Funds Available For Conservation

Funds for new Great Plains Conservation Program Contracts are now available, according to an announcement by Bob Rauch of the Soil Conservation Service office in Silverton.

A limited amount of new GPCP contracts can now be funded in Briscoe County. It is also possible to add more conservation practices to existing contracts, he added.

Assistance is available on the following conservation practices:

Conservation Practice	Cost-Share
Range Seeding and Pasture Planting	80%
Waterways	80%
Terraces, Standard or Parallel	70%
Diversion	70%
Irrigation Pipeline - including lines from tailwater pits	50%
Land Leveling	50%
Wells or Ponds for Livestock Water	50%
Water Storage Facilities	50%
Pipeline for Livestock Water	50%
Brush Control, Mechanical or Chemical	50%

Contact the local Soil Conservation Service office in Silverton for more information about the Great Plains Conservation Program.

Town - Country Club Meets September 1

Town & Country Home Demonstration Club will meet at 9:30 a.m. on Tuesday, September 1, in the P. C. A. community room. Janice Hill will be hostess.

Confederate Grave Marker Dedicated In Clarendon Cemetery

Ceremonies for the setting of a Confederate Grave Marker were held in the Clarendon Cemetery Saturday, August 15, by descendants of the late J. H. Reeves, a pioneer resident of Clarendon, moving there in 1902 from Briscoe County.

Those taking part in the ceremony were a grandson, Garnet Reeves of Lubbock, a grand-daughter-in-law, Mrs. Sim T. Reeves of Memphis, a great-grandson, Mr. and Mrs. John T. Reeves of Canyon and great-great-grandchildren, Anne, Margaret, and Jennifer Reeves of Canyon.

Other great-grandchildren of the late J. H. Reeves include Robert W. Reeves and Raymond Reeves, both of South Plains, and Mrs. Ted Bell of Floydada. The Reeves had four sons and four daughters, of whom only one daughter, Mrs. Maude Reeves McVay of Grants Pass, Oregon, survives.

The inscription on the stone

Ceremonies were held at Clarendon Saturday, August 15 for the setting of a Confederate Marker (center) at the gravesite in Citizens Cemetery for Joseph H. Reeves, pioneer Briscoe and Donley County resident who died there May 27, 1920. Present for the ceremony were descendants, (left to right) Garnet Reeves, Lubbock; Mrs. Sim T. Reeves, Memphis; Mrs. John T. Reeves, John T. (Jack) Reeves, Anne, Margaret and Jennifer Reeves, all of Canyon.

Lower Enrollment, Accident Mark First Day Of School Here

With the high school enrollment at near the same level as last year and a decreased grade school enrollment, the Silverton Schools opened Monday morning.

The total school enrollment stood at 466, with 142 attending classes in high school and 323 in grade school.

An accident in the auditorium broke both arms of a Canyon High School junior who fell from a scaffold while working with plasterers as the remodeling work on the high school and construction of the new junior high continues. The boy fell to the concrete floor, and observers said "he was lucky because he could have been hurt much worse."

The high school enrollment increased to 156 in 1967, but dropped back to 145 in 1968.

The grade school enrollment rose to 410 in 1966, but dropped to 382 in 1967 and 380 in 1968.

Last year's enrollment figures were not readily available, but in the past two years there has been an enrollment decline of 59 students.

Mr. James reported that \$368,350.00 was channeled into the two counties through 85 loans for better town and country housing during the fiscal year ended June 30. Loans the previous year totaled 43 for \$308,340.00.

Farmers Home, a Department of Agriculture agency, supplements all other housing credit available in towns of up to 5,500 population and the rural countryside. Its services in Briscoe County the past year include 10 loans totaling \$77,900.00 for purchase or improvement of individual family homes. The loans provided better housing for an estimated 60 people in the county.

"The record for fiscal 1970 means that our housing service was 50% greater the past year," Mr. James said. "This uptrend was directly opposite to the general national downturn in housing activity."

Quarterback Club Meets Monday Night

President Datis Martin has announced that the Silverton Quarterback Club will meet at 8:00 p.m. Monday in the school cafeteria building.

New officers will be elected. "We'd sure like to see a lot of parents of players and fans at this first meeting," Martin said. "We extend a special invitation to the parents of the freshman players to meet with us."

Rainbow Girls Honor Grand Officers Here

A cook-out was held Thursday afternoon, August 20, at the home of Mr. and Mrs. Pat L. Northcutt in honor of four Grand Officers of the Order of the Rainbow for Girls, who were visiting in the area. They were Miss Jacqueline Carswell, Grand Worthy Advisor, Waco; Miss Edla Dornay, Grand Service, Temple; Miss Judy Mewis, Grand Patriotism, Austin, and Miss Jaye Hulsey, Junior Member of the Grand Finance Committee, Manor. The girls were accompanied on their tour by Mrs. Marie Pendergraft of Waco, Miss Carswell's aunt.

Silverton Rainbow Girls attending were Pat Jarrett, Junior Member of the Grand Music Committee; Paula Montague, Claudia Hutsell, LaQuita Croft, Louise Croft, Peggy Croft, Julia Dickerson, Christi Northcutt, Susie Parker, Ruth Ann Cline and Mother Advisor Sheryl Breedlove. Eastern Star members attending were Mrs. Pat L. Northcutt, Mrs. Lula Belinger and Mrs. Ben Whitfill.

Mrs. Breedlove and Susie Parker accompanied the group to Tulia on Friday, where they were to attend a luncheon in their honor at the Masonic Hall.

Martha Mills, daughter of Mr. and Mrs. L. E. Davis, has moved to Friona where she will teach in the school business department.

Friday Is Game Night At San Jacinto

Friday is game night at the San Jacinto school. Everyone is invited to take dominoes, cards, table and sweets and be there at 8:30 p.m. for an evening of fun.

Baseball Team Has Skating Party

The Little League Gold Sox and coaches attended a skating party in Plainview Friday afternoon.

Attending were Coaches Larry Comer and Wade Brannon, Jack Robertson, Wes Fleming, Kelly Comer, Douglas McJimsey, Ken Sarchet, Brett Gill, Rudy Betancourt, Victor Clower and James Alan Patton. They were accompanied by Mrs. Ira Clower and daughters and Mrs. Charles Sarchet.

Laubach Literacy Workshop Slated

A Laubach Literacy Workshop will be held at the First Baptist Church in Tulia September 9-10-11, from 9:00 until 12:00 a.m. and from 1:00 until 4:00 p.m. Cost of registration will be \$10.00 per person which will be used to pay for materials used in the workshop.

The workshop is being held for all who are interested in learning how to teach a non-reader to read and write the English language.

Those attending are asked to take sack lunches each day. The church will serve drinks.

Each one planning to attend must pre-register before August 31 so that the necessary materials can be provided for the workshop. It will be necessary for each participant to have at least 16 hours in the workshop to receive a teaching certificate. Make-up sessions will be available if they are needed.

To pre-register, a person must send his \$10.00 along with his name, address, church or organization to Literacy Workshop, First Baptist Church, Box 450, Tulia, Texas 79088, no later than August 31. They also need to know whether you will need a nursery provided for your children while you attend the workshop.

"We have already had one such workshop," said Mrs. Nelson Borchardt, "with 36 people enrolled and want to include all interested people in this second training."

One pre-registration slip is available at the Briscoe County News for anyone interested.

TEA IN NORTHCUTT HOME HONORED SCHOOL FACULTY, BOARD OF TRUSTEES

A tea honoring the faculty and board of trustees of the Silverton Independent School District was held Sunday in the home of Mr. and Mrs. Pat L. Northcutt from 3:00 until 5:00 p.m.

Finger sandwiches, pecan tarts, cookies, punch and coffee were served by Mrs. L. D. Griffin and Mrs. G. W. Lee with assistance from Christi and Susan Northcutt. Fifty guests were registered.

Gas Company Applies For Rate Increase

Pioneer Natural Gas Company made application August 19 to the city officials of the cities on its West Texas system for an adjustment in the company's general service rate charged for gas delivered to domestic and commercial customers in those cities. The application stated that, if the cities acted affirmatively within the 60-day period provided by law, the company would accept a rate of

16.2% rather than the 19.4% requested.

In announcing the rate request, K. B. Watson, executive vice president of Pioneer said, "With the rising costs the company has sustained, it is in immediate need of additional revenue. To avoid any further delay and expense, an increase of 16.2% would be acceptable although a rate increase of 19.4% would yield less than a 7% per cent return on the fair value of the company's investment. As an indication of the problem," Watson continued, "the company was forced to pay an interest rate of 9 1/4% on its recent borrowing of \$20 million."

It was further pointed out that the Texas Railroad Commission had determined the proper charge for gas at the edge of the cities to be 32c effective July 1, 1970, up from 29c. "This gate rate adjustment will not result in increased

revenue until the burner tip rate is changed. The gate rate increase was allowed in recognition of the company's increased cost in getting the gas to the communities through its transmission system. It does not include any consideration for the higher costs of distributing the gas within the cities," Watson said.

The company pointed out that either of the proposed rates would keep the consumer cost of gas on its West Texas system considerably below the State average for domestic and commercial use. The general service rate is applicable to this type service.

In the letter transmitting the application, the company referred to the current national publicity concerning the imminent nationwide gas supply shortage and assured the city officials that Pioneer has maintained an excellent gas supply and is capable of supplying new customers and increased requests for service. "With the cooperation of the area we serve, this position can be maintained in the foreseeable future. The company has recently connected two new areas of large potential gas supply which places us in a good position to meet the increased competition for future gas production," the letter stated.

Company officials have recently met with the committee that represented the cities in the gate rate proceedings before the Railroad Commission and with some of the city officials to advise them of the rate request. "We are inviting, and anticipate, immediate studies of our records and other information supporting this application," Watson said.

New Officers Installed At Supper

The P. C. A. community room was the scene of the annual installation of officers of the Silvertown Young Homemaker officers for 1970-71. A salad supper was enjoyed by those attending prior to the installation ceremony.

Rhonda Sutton, Young Homemaker queen candidate, and Amy Birdwell were special guests. Rhonda was presented gifts by the outgoing president, Betty Stephens.

Installing officer was Betty Stephens. The new officers are Fay Perkins, president; Carolyn Lowrey, first vice-president; Naomi Hunt, second vice-president; Betty Stephens, secretary; Shirley Henderson, treasurer; Vicki Perkins, reporter, and Veneta Chappell, historian.

Incoming president Fay Perkins presented Betty Stephens with a gift in appreciation for her service as president during the past year. Each of the outgoing officers was presented a gift from Mrs. Stephens.

The next meeting will be September 10.

Mr. and Mrs. Printz Brown returned home Tuesday after visiting in Colorado with relatives at Kim and LaJunta.

Club Texas Day Program Held In Palo Duro Park

The annual L. O. A. Junior Study Club Texas Day program was held Saturday night in Palo Duro Canyon. Members and their families spread a picnic supper together at the first water crossing before attending the musical drama, "TEXAS!" in Pioneer Amphitheatre. A crowd of 1700 people from fifteen states and three foreign countries were present at the drama which portrays a story of the pioneers in the Texas Panhandle.

Attending were Mr. and Mrs. Fred Edwards and Tammi, Mr. and Mrs. Robert H. Hill, Greg, Michael and Monroe, Mrs. Bill

the proposed improvement of State Highway 86, from Silverton East to Top of Caprock, in Briscoe County.

No requests for a public hearing were received; therefore, the District Office of the Texas Highway Department at Childress, Texas, has submitted all of the engineering data and information received in connection with the development of this project for approval of the proposed route and design by the Administration of the Texas Highway Department.

The proposed improvement will provide a 26-foot roadway surface, with 8-foot 6-inch paved shoulders, and 12-foot climbing lanes as required. The right of way width will be a minimum of 150 feet, following the present location. There will be no displaced persons or businesses.

Maps, drawings showing geometric design, and all other available data concerning the development of this project may be inspected and copied at the office of Harry E. Hart, Resident Engineer, Matador, Texas.

Stovall, Leisa, Greg and Lance and her mother and grandmother, Mr. and Mrs. Wayne Nance, Mr. and Mrs. Stanley Fogerson, Mr. and Mrs. Charles Sarchet and Ken, Mr. and Mrs. Randall Edleman, Blaine and Barry, Mr. and Mrs. John Schott, Bryan and David, Mr. and Mrs. Bud Couch and Diji.

The Edwards, Sarchet, Eddleman, Schott and Couch families remained in Palo Duro State Park, camping overnight, and returned home Sunday afternoon. Tammi Edwards was honored at breakfast Sunday morning, with the group singing "Happy Birthday" to her.

McGOWEN REUNION HELD AT QUITAQUE SUNDAY

The McGowen family reunion was held at Quitaque Sunday. Attending from Quitaque were Mr. and Mrs. W. W. Merrell, Mr. and Mrs. Truman Merrell and family, Mr. and Mrs. Gerald Smith, Mr. and Mrs. Dale Smith and family and Mrs. Denver Anderson.

Silverton residents attending included Mr. and Mrs. Ashel McDaniel, Mr. and Mrs. C. T. Loudermilk, Mr. and Mrs. A. R. Martin and family, Mr. and Mrs. Charlie Parker and family.

Others attending were Mr. and Mrs. Oather McGowen, Jolene and Tina, Mr. and Mrs. James Oather McGowen and family, Amarillo; Mr. and Mrs. Richard Toler and family and Mr. and Mrs. William L. Toler and family, Groom; Mr. and Mrs. Gary McGowen and son, Panhandle; Mr. and Mrs. Dyke McMurry, Dumas; Mr. and Mrs. Jim L. McGowen and girls, Orville McGowen, Sam McGowen, Mr. and Mrs. Harold Harber and family, all of Plainview; Mr. and Mrs. Jon LaBaume and Coy, Floydada; Mrs. Genelle Bourland, Canyon; J. T. Taylor, South Plains; Mr. and Mrs. Joe Taylor, Lockney; Mrs. Jane Pigg and girls, Kress; Mr. and Mrs. Carl Jones, Hart, and Mr. and Mrs. Ralph Scott, Memphis.

Mrs. Max Garrison and Walt of Bryan have been visiting her brother-in-law and sister, Mr. and Mrs. Bill Wood and son, in Friona this week. Mr. and Mrs. Wood have recently moved there after his having been in school at Canyon this summer.

* NEW BABY

Mr. and Mrs. W. J. Copeland, jr. of 4833 White Settlement Road, Fort Worth, are parents of a son, Ty Lynn, born at 7:58 a.m. August 21 at Harris Hospital there. He weighed seven pounds and seven ounces, and was 19 1/2 inches long.

The couple are also parents of another son, four-year-old Kerry Doyle.

Grandparents are Mr. and Mrs. W. J. Copeland, sr. of Childress and Mr. and Mrs. Doyle Stephens. Great-grandparents are Rev. and Mrs. H. W. Hitt of Tow, Mr. and Mrs. Erve Rucker of Childress and Mrs. L. C. Yates.

CRISP, GREEN CABBAGE

Marcus Porcius Cato, the Roman statesman and orator, mentioned in his book on agriculture that cabbage "surpasses all other vegetables. It may be eaten cooked, raw, and if you dip it in vinegar, it promotes digestion marvelously."

Marcus Cato, if he had known more about vitamins, could have mentioned that cabbage — the greener the leaves, the better — contains Vitamin C, thiamine, iron and folic acid. And he might have written, to interest the ladies and the portly businessmen of his day, that cabbage is a low-calorie vegetable.

Everyone in your family needs Vitamin C for overall body strength and to keep teeth and gums healthy. Even after two months' cold storage, cabbage may retain three-fourths of its original Vitamin C content.

Among those who were at the hospital when Mrs. W. J. Copeland, jr. went into surgery in Fort Worth Friday were Mr. and Mrs. Greg Towe of Abilene, Mrs.

Enjoy nippy, crispy cabbage often this summer. This tasty vegetable is currently reported as plentiful, along with other summer vegetables, by the U. S. Department of Agriculture.

Here are some tips on selecting cabbage from USDA's Consumer and Marketing Service. Firm or hard heads that are heavy for their size are the best. Outer leaves should be a good green or red color (depending on type), reasonably priced, fresh and free from serious blemishes. Some early-crop cabbage may be soft or only fairly firm. They are suitable for immediate use if the leaves are fresh and crisp. New cabbage are undesirable when the leaves are wilted or decayed and turning decidedly yellow.

Here's a taste-pleasing salad idea designed to easily capture all the crunchy goodness of this nutritious vegetable.

Cabbage Salad—Austrian Style
4 cups shredded raw cabbage
1 1/2 tablespoons vinegar
1/2 teaspoon salt
1/2 teaspoon caraway seed
1/4 teaspoon ground black pepper
1 teaspoon sugar
Combine all ingredients and toss lightly. Then refrigerate for 30 minutes, or until ready to serve. This flavorful salad will serve six. Try this delicious

Napa Valley Cole Slaw
4 cups finely shredded cabbage
1 cup seedless or seeded grapes
1 cup sour cream
lettuce
3 tablespoons fresh lemon juice
1/2 teaspoon salt
3 tablespoons sugar
Combine shredded cabbage and grapes. Moisten with dressing made by mixing together sour cream, lemon juice, salt and sugar. Serve in lettuce cups garnished with grapes.

W. J. Copeland, sr. of Childress and Mr. and Mrs. Doyle Stephens. Mr. Stephens returned home Sunday, and Mrs. Stephens remained in Fort Worth for a few days to help Mrs. Copeland with her new baby. Kerry Copeland is spending a few days with his uncle and aunt, Mr. and Mrs. Towe, in Abilene.

William E. Jowell, son of Mrs. J. E. Jowell of Silverton, who has been teaching at Smyer, left Monday with his wife and children for Columbia, Missouri, where he will be working toward his doctor's degree in agriculture on a teaching fellowship.

Mr. and Mrs. Johnny Jowell

have moved to Dumas following his discharge from military service, and both will be teaching in junior high this school term.

Among those attending the wedding of David Seaney and Miss Janice Ilene Hand in Canyon Saturday night were Mr. and Mrs. George Seaney, Mr. and Mrs. J. P. Cogdill, Mr. and Mrs. Pascal Garrison, Mr. and Mrs. Gordon Lowrey, Angela and Shavonne and Mr. and Mrs. Max Garrison. Angela Lowrey was a flower girl in the wedding.

Brown Furniture Hardware and Appliance Company

Let The Bible Speak

Edwin J. Myers, Evangelist

TEACHING THE GOSPEL OF CHRIST

Is the Bible the inspired word of God? This ought to be a highly important question to every living soul in the world. If it is, then we are obligated to accept it as our complete guide to salvation. We site several reasons for our belief that it is a divinely written volume.

IT IS A BOOK OF SCIENCE

Men have the wrong attitude toward the relationship of the Bible and science. They think that the Bible must agree with scientific facts when in reality the picture is exactly reversed. Science has discovered facts that have been revealed in God's Book for many centuries. For example: Herbert Spencer stated that all science is based on five specified forms—Time, Force, Energy, Space and Matter. God made this known in the very first book and in the very first verse: "In the beginning (Time) God (Force) created (Energy) the heavens (Space) and the earth (Matter)." (Genesis 1:1) And further, the fact that the Genesis account says that there was light on the first day of creation, while the sun did not appear until the fourth, has been considered a weapon for the disbeliever. Many have pointed the finger of ridicule at this seemingly unscientific statement of Holy Writ. But we are now in agreement with Moses account. Science has discovered that the sun is not the only source of light; but that the earth and other planets may be self-luminous. How do you suppose Moses knew this fact? It is because he was inspired by God (read II Peter 1:19-21).

THE BIBLE HAS NOT BECOME OBSOLETE

We believe the Bible to be inspired because it, unlike all books written by man, has not and will not become obsolete with the passing of time. Where are the old reading and spelling and history books of yesterday? Where are the medical books of the past? Why do the manuals and creeds written without the stamp of inspiration on them require revision periodically? The Bible knows no such thing as passing while the ages come and go. It is still as fresh and invigorating as it was 2000 years ago. Man has attempted to change it but he has failed. It is like the being who caused it to be here. It is the same yesterday, today and forever.

THE ONLY BOOK TO INCUR THE HATRED OF MAN

The last reason that we give is that the Bible and it alone has contained such teachings as to cause man to want to destroy it. Many books have been disliked, but they have passed out of existence when let alone. The Bible, however, has a supernatural enemy who has experienced its power, and ever since that time the devil has marshaled all his forces to rid the world of the sword of the Spirit, but it is still here. We are striving to live by and teach only what is found in God's word. It teaches that in it are "all things that pertain unto life and godliness" (2 Peter 1:3) and invite you to come and worship with us.

Chevrolet introduces Sprightly Vega Hatchback Coupe

This distinctive four-passenger coupe model of Chevrolet's new 1971 Vega 2300 economy car has a wide combination rear window and rear deck that swings up for easy access to the rear compartment and a fold down rear seat for extra cargo room. This is one of four Vega models. Vega's individual styling will be continued for at least four years. Roomier and better handling than usual economy cars. Vega has a new, domestic-built lightweight overhead cam engine to fill performance needs of American drivers. It gives impressive fuel economy and low emissions. Among "firsts" in economy cars are Vega's power-flow interior ventilation, comfortable molded foam seats and steel side-guard beams in the doors. Vega models go on sale in Chevrolet dealerships on Thursday, September 10.
