Silverton got robbed at Petersburg Friday night!

First, Ima Nell Francis discovered that her purse was empty.

They caught the ones who stole the billfolds—proving that crime does not pay—and got all of them back except Ima Nell's.

"Finding those two pictures like that gave me the strangest feeling," she said.

Sure enough! there are more cousins involved in football and leading the cheers.

Election Called In Conservation District

An election has been called for Tuesday, October 13, at 7:30 p.m.

All persons living in Briscoe County who own land in the area east of the county road extending north to the Caprock from the east side of Silverton and north of the Memphis highway and all of the land below the Caprock and north of the Little Red River are eligible to vote in this election.

Red Cross Course To Begin October 27

Silverton area residents will have an opportunity to take the American Red Cross Advanced First Aid Course starting October 27.

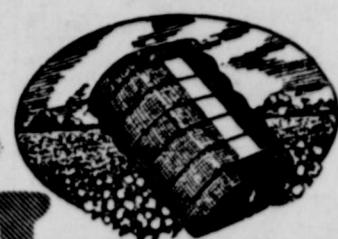

The course consists of 16 hours and will be held in two-hour sessions Tuesdays and Thursdays at 7:30 p.m. at the City Hall.

Fifteen local residents completed the Standard First Aid Course last July, and received certificates.

TB Tests To Be Given Students Here

Tuberculosis tests will be given students in the first and seventh grades, new students and others desiring it beginning at 9:00 a.m. October 16, in the Silverton School Cafeteria.

Buffs Take Win From Owls

Owls Dana Martin and Mark Hutsell were pictured at work against a Petersburg ball-carrier in the game last Friday night.

Silverton's Owls gained little against the Petersburg Buffaloes last Friday night — yardage-wise, that is — they earned a great deal of respect and the admiration of their fans as they placed their undefeated record on the line against one of the better Class A teams in the Panhandle.

There were lots of people at Petersburg Friday night to yell for the Owls—and some who don't go out to the ballgames very often.

Bob Wheelchel, who coached the Owls four years before going to Petersburg, went to the Silverton dressing room with words of praise for the team last Friday night.

Revival services are continuing at the First Baptist Church this week, with Evangelist Mickey Warlick of Plainview, doing the preaching and the music being directed by Murry Vise of Slaton.

Revival Continuing At Baptist Church

Part I will be "This Is America—Music". Tommy Strange will be featured singing the "Theme from Exodus."

Part II on the program. This will include exhibition of such well-known dances as the Charleston, Jitterbug, Twist, etc.

Emergency Loan Designation Made

Swisher and Briscoe counties have been designated eligible for emergency loans. This designation is in effect until June 30, 1971.

Application can be made at the Swisher County Farmers Home Administration office, located at 219 Northwest Second Street, in Tulsa, or at the courthouse in Silverton from 9:00 a.m. until 12:00 noon on Wednesday mornings.

Anyone suffering losses due to adverse weather conditions and is unable to get his agriculture credit needs met by private or other credit sources should contact the Farmers Home Administration office for information.

This information was furnished by George H. James, jr., supervisor for Swisher and Briscoe counties.

Mr. and Mrs. J. A. Hardin of San Diego, California, are here visiting in the home of her father, G. H. Thomas.

Coveted Awards Presented At 4-H Banquet

Briscoe County 4-H members and adult leaders harvested the rewards of a year's work at the Annual 4-H Achievement Banquet held Saturday, October 3, at 8:00 p.m. in the Silverton School Cafeteria.

Theme for the occasion was "4-H Harvest," and the banquet hall was decorated with cotton bolls, grain sorghum, autumn leaves and other harvest festival motifs.

Derrel Martin, Briscoe County's 1969 Gold Star Boy, was master of ceremonies. Other 4-H'ers on the program were Bill Strange, invocation; Renee' Smith, pledge to the American Flag; Brent Bean, 4-H motto and pledge; Evelyn Wood, welcome; Sharon Jarrett, Friend-of-4-H Award; and Brent Brannon, who led the 4-H prayer.

Entertainment was provided by Robbie Martin, who played her guitar and sang; the Twin Notes, Jackie and Linda Vaughn, sang a number accompanied by Mrs. Bob Rauch, and the Four C's, Mrs. Elton Cantwell, Debra, Mary Chris and Brenda Cantwell, who sang and led the audience in singing a round.

Certificates were presented by County Commissioners Roy S. Brown and Shafe Weaver. The Friend-of-4-H Award was presented by Sharon Jarrett to First State Bank. The plaque was received for the Bank by Pat L. Northcutt.

The Silver Spur Awards were presented by Alton Higginbotham of the Lighthouse Electric Cooperative in Floydada to Mrs. Elton Cantwell and Walter Bean. These awards are given for outstanding service by adult leaders, and can be received by an individual only once.

Mrs. Jack Sutton, president of the 4-H Adult Leaders Association, introduced guests present at the banquet.

Gold Star Awards were presented to Sharon Jarrett and Bill Strange. The Gold Star is the high-

Scoreboard table listing names and scores.

GAME AT A GLANCE The first half of the game between the Owls and Buffs was a 0-0 standoff.

The Buffs aren't particularly big, but they are quick, determined and tough. They have a defensive unit that grudgingly gives up a yard or two at a time.

Petersburg scored in the third quarter on a 3-yard run by Senior Captain Larry Martin, who started the game playing in the line as Number 77, then slipped on a new jersey, Number 40, to add his powerful drive in the Buff backfield.

Shortly before the close of the third period, Junior Halfback Jay Thompson, got loose for the Buffs and ran to the one-yard line before being tackled by David Holt, who came across the field and overtook the ballcarrier.

The Owls were allowed only four first downs, while the Buffs made 21.

Petersburg operated on fourth down. See OWL FOOTBALL—CONTINUED ON PAGE FOUR

Junior Owls Take First District Win

by Mary Ann Sarchet
The Junior High Owls traveled to Wheeler last Thursday night, and took the first district win of the season, 12-8, from the Colts.

Silverton's Junior Owls are undefeated in three games. In the first quarter, the Colts penetrated inside Silverton's 20-yard line, but the Owls held and on fourth down Harland Vaughn broke through to throw the Colts for a huge loss.

In the second quarter, Carl Gallington ran 50 yards for a score for the Junior Owls. Scott Hutsell tried, but failed, on the two-point conversion.

Later in the quarter, Dean Ziegler recovered a Colt fumble for the Owls.

Gallington suffered a knee injury in the third quarter of play, but went back into the game in the fourth quarter to punt for the Junior Owls. He got a bad pass from center and the ball sailed into the end zone. Gallington retrieved the ball and tried to run it out, but was tackled on about the two-yard line. Capitalizing on the break, the Colts scored and also made the two-point conversion.

Finding themselves behind on the scoreboard for the first time this season, the Junior Owls went to work with a minute and a half remaining in the game. They moved down field steadily, and Scott Hutsell carried the touchdown with 50 seconds remaining on the clock. The conversion by David Self failed, and the Junior Owls won the game 12-8.

The Junior Owls host Memphis at 6:00 p.m. today in their second conference game of the season. The fifth and sixth grades are scheduled to play at 5:00 p.m.

Clark Services Held At Tulia Last Week

Funeral services for Mrs. Ruth Marie Clark, 32 were conducted at 2:00 p.m. Tuesday of last week at Wallace Funeral Chapel in Tulia. Burial was in Rose Hill Cemetery with arrangements under the direction of Wallace Funeral Home.

The Rev. F. W. Elmore, pastor of a Tulia Baptist Church, officiated at the services.

Mrs. Clark died at 11:00 p.m. Saturday, September 26, in a Dallas hospital after a five-week illness.

Born May 6, 1938 in Los Angeles, California, the former Ruth Marie Nix moved with her parents to Silverton in 1943 and to Tulia in 1946. She attended Tulia schools and lived most of her life in Tulia except for brief times in Lubbock, Amarillo and Electra.

She was married 16 years ago to Ronald G. Clark. Mrs. Clark was a member and secretary of the Swisher County Sheriff's Posse. She had been employed in several Tulia restaurants and at the North Plains Compress Company.

Surviving are her husband; a daughter, Shelley Clark, 10, and a son, Mitchell Clark, 15, both of the home; her parents, Mr. and Mrs. Victor Davis, Tulia; two sisters, Mrs. Thelma Mead, Tulia, and Mrs. Barbara Redfern, Mountain Home, Idaho; a brother, Dennis Nix, Happy; and her grandparents, Mr. and Mrs. W. W. McGavock, Silverton.

Cattle Cutting Mule Entered In Oklahoma State Fair

No cutting horse fan is going to laugh when Don Alexander rides into the herd on Bouquet at the fair this year.

Don is a professional cutting horse rider. Bouquet is a small reddish-gray mule.

Bouquet's competitors could be anything from grade horses to highly-bred major breed stock: Appaloosa, Arabian, Paint and Quarter Horse.

But Don's not a bit afraid. Maybe just a "little leery."

Don paid \$75 for Bouquet about a year ago when the mule was just

turned two. He'd had a yen for a mule ever since 1932 when he was a hand working for the Chiricahua Cattle Company at Patagonia, Arizona, for \$35 a month.

He took the unbroken mule to the National Feed Lot, west of Yukon. There he broke Bouquet, and in the course of looking over the nearly 8,500 head of cattle at the lot the mule "kinda caught on to sorting the cattle."

Don's friend, Clint Reeves of Yukon, thought Bouquet was really going great guns and entered the pair in this year's fair for the National Cutting Horse Association approved contest. The only restriction Don had was that Bouquet be entered in the lowest novice class available. So Bouquet and Don will compete in the \$250 novice class, restricted to any animal that has not won over \$250 but with any rider.

The pens Bouquet works in nearly every day are about 30 feet wide. "There's a lot of difference in a small home arena and a strange 100 foot or more wide arena," Don said.

"Bouquet," Don added, "was as

Don Alexander, professional cutting horse rider, and his small reddish-gray mule, Bouquet.

Environment Is Program Topic

L. O. A. Junior Study Club met Monday, October 5, at 8:30 p.m. in the P. C. A. community room for an environment program.

The devotional, "Time For Conservation," was given by Mrs. Charles Sarchet. Roll call was answered with "What I Can Do For a Better Environment."

Mrs. Sarchet gave the federation news, "A Better Environment With Womanpower."

The program was made up of two parts: "The Air We Breathe," by Mrs. Randall Eddleman and "Water Crisis," by Mrs. Bud Couch.

During the business meeting, the map of servicemen's locations was discussed. Plans were also made for the Halloween Party at the High Plains Training Center in Plainview.

Mrs. Eddleman, chairman of the civic and projects committee, reported that plans are underway for reviving the art corner in the public library.

Mrs. Jerry Baird and Mrs. Jackie Johnson indicated that they would like to accept the club's in-

itation to become members.

Mrs. Fred Edwards was hostess and served cookies and Cokes to Mrs. Couch, Mrs. Eddleman, Mrs. John Schott, Mrs. Jerry Miller, Mrs. Dean Rowell, Mrs. Louis Grabbe, Mrs. Robert H. Hill, Mrs. Richard Souter, Mrs. Baird, Mrs. Johnson, Mrs. Sarchet, Mrs. Wayne Nance and one guest, Mrs. Jim Ed Steele.

Colleen Hutsell, daughter of Mr. and Mrs. Flute Hutsell, has been a patient in Northwest Texas Hospital in Amarillo since Monday afternoon. She has been having problems with a throat infection.

easy to put a rein on as any horse I ever had."

Don added, "Bouquet is not burned up with speed but he's a good honest little mule."

Don has ridden some powerful cutting horses including King Rocky, son of the world champion cutting horse, King's Pistol. Don said he won nearly \$5,800 in 20 days during his cutting horse days. That amount included first prize money at an open event in Dallas.

His wife of nearly 33 years, Mattye, will be cheering him on just as she did when he was a strider King Rocky.

Don has won as well as lost his share of cutting contests. But, one thing seems to be very certain, when he rides Bouquet into the herd he'll be trying to win.

So, if you hear a fog horn sound coming from the horse barn, it's not a steamship; it's Bouquet.

Warm, Fresh Air

... direct from the manufacturer

Natural gas is the healthiest, most economical way to heat your house this winter. Gas is economical because it's the direct way to produce heat — you don't pay to convert heat to another energy source and then back to heat. And with gas you can afford to bring clean outside air into your home this winter instead of having to re-heat the same old stale air time after time.

So, if you're building or remodeling, be sure to specify gas heating. Gas is the "natural" fuel. It's like buying direct from the manufacturer. Call your heating contractor, plumber, or Pioneer Natural Gas.

Rediscover America

Nearly 500 years ago Christopher Columbus discovered America. He and his crews suffered through all kinds of hardships, terrors, fears and doubts while crossing the uncharted sea, but they pressed on to a landing on this great continent. Then, this land was of little value to anyone. Over the centuries, however, this continent and especially our nation has become the richest and most powerful the world has ever known. Now, many of our people are experiencing fears and doubts about where we are as a people and what lies ahead for our nation. Perhaps we should rediscover America. Since the land mass that Columbus discovered is firmly underfoot, should we not turn our attention to rediscovering the principles, ideals and purposes that have brought us to the pinnacle? Perhaps in reviewing the history of our progress we can regain the faith of our fathers and be better equipped to approach the unknown future.

LIBERTY AND JUSTICE FOR ALL

Our priceless heritage embodied in the flag of the United States, is as alive today as it was when written for the ages in the Declaration of Independence and the Constitution. It stands for all the world to see and for all Americans to cherish. And in the tradition of Washington, Jefferson, and Hamilton, we, too, have a privilege, a right, and a duty. While we may disagree as to the methods, we should not disagree as to the goal — that of preserving the greatest democratic society the world has ever known.

Our flag is a symbol, not of sentiment, but of history, the history of men and women willing to live and die for it. Surely this willingness is with us still, because daily we experience more of the blessings that are ours — ours because we are Americans.

GOVERNOR Preston Smith presents Mrs. C. L. Mansfield, Fort Worth, Vice President for Church Activities, Texas Safety Association, with an official proclamation setting Oct. 11, 1970, as Safety Sunday in Texas.

Noting the continuing cost of accidents on highways, in homes, and at work, Gov. Smith urged in the proclamation that Texans of all faiths enlist in the fight for greater safety. Hundreds of clergymen in Texas will mark Safety Sunday with special observances designed to call attention to the fact that safety is a matter of moral responsibility.

down 13 times during the game: they punted five times, gambled and made it twice, and six times they failed and the ball went over on downs.

The Owls were faced with 10 fourth down situations, and punted on all of them.

Marvin Self's kicking was a big point in the Owls' favor during the game, as he averaged 39.9 yards on the 10 punts.

Owl Quarterback Dana Martin completed two passes to Bill Strange and one to Thomas Self during the game. These gained only 12 yards for Silverton, even though one was for about 18 yards, because about 10 yards was lost on one of the passes. The Owls also had five incomplete passes.

The Buffaloes completed six passes for 107 yards and had 16 passes fall incomplete.

The Owls were penalized 20 yards, while Petersburg lost 85 yards for infractions. 35 yards of which was due to pass interference.

The Owls will be hosts to the Lorenzo Hornets Friday night, in the second home game of the season. The Hornets took a 42-0 win from Wilson last week, and stand 3-1 for the season with a 14-8 win over Ropesville, a 26-8 win over O'Donnell and a 2-45 loss to Cooper.

Lorenzo, of District 4-A, posted a 1-9 record last season, and has already bettered that mark considerably. The Hornets are bigger than Petersburg and just as fast, if not faster. The team is composed of eight juniors, eleven seniors, two sophomores and a freshman, the average weight of which is 172 pounds. The lightest player on the roster is listed at 140, and the heaviest is 265, with three others

presented to Brenda Cantwell, Susan Jackson and Becky Francis, junior division, and Sharon Jarrett, senior division. The award for the top girl in the foods and nutrition program was presented to Sharon Jarrett.

Out-of-town guests at the banquet were Billy C. Gunter, District Agricultural Agent, Lubbock; Alton Higginbotham and son, representing Lighthouse Electric Cooperative, Floydada; Mr. and Mrs. Herman King and family, Lockney (Mr. King is president of the board of Lighthouse Electric Cooperative.) and Mrs. Raye Smith, Swisher County Home Demonstration Agent, Tulla.

Magic Formula Promotes Nutrition

Right side up or upside down, the 4-3-2 formula is magic in assuring well-nourished young people everywhere. And the magic formula is used by the 664,000 boys and girls enrolled in the national 4-H food-nutrition program.

They find the 4-3-2 formula an easy way to learn and practice good eating habits. Using the nutritionists' daily food guide, the formula suggests: four servings from the fruit and vegetable group; four from the bread and cereal group; three from the milk group and two servings from the meat group.

The 4-3-2 approach to well-nourished young people is featured in a series of manuals developed by the Cooperative Extension Service with the assistance of General Foods Corporation and the National 4-H Service Committee.

Starting with the magic approach in the unit, *Tricks for Treats*, the young people move into *All American Foods, Meals for Today the Easy Way* and *Foods with an International Flavor*. A guide for volunteer leaders supports each unit.

Planning, preparing and serving meals and snacks are covered in the attractive books. 4-H members enrolled in food-nutrition also learn about buyman-

ship, nutrition, foods and customs of America and other countries.

Adding another dimension to the national 4-H food-nutrition program for the 10th year is General Foods Corporation's support through incentive and recognition awards. The company provides \$600 scholarships to six national winners and an expense-paid trip to National 4-H Congress to a winner from each state. General Foods also will host the group at the national 4-H event in Chicago, Nov. 29-Dec. 3. Four medals of honor are offered in each county.

Boys and girls between the ages of 9 and 19 are eligible to participate in 4-H including the food-nutrition program.

For more information about 4-H participation, contact the local county extension office. Information about the 4-H food-nutrition manuals and guides may be obtained from the National 4-H Service Committee, 59 E. Van Buren St., Chicago, Ill. 60605.

CONVERT YOUR HOME TO COMFORT ELECTRIC HEATING NOW...AND WE'LL INSTALL STORM WINDOWS... Free!

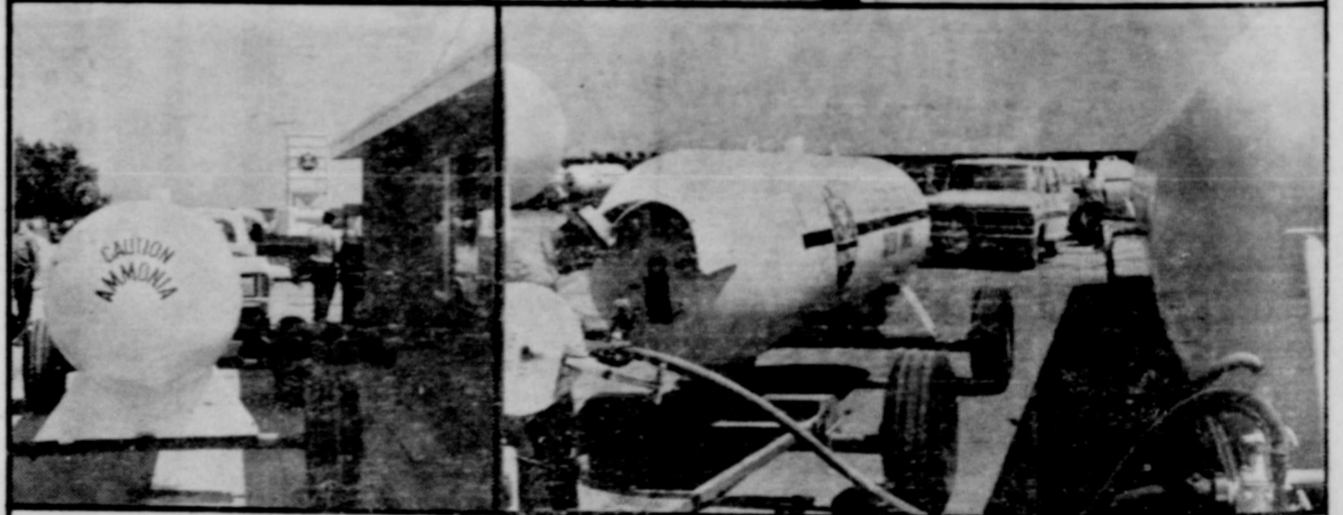

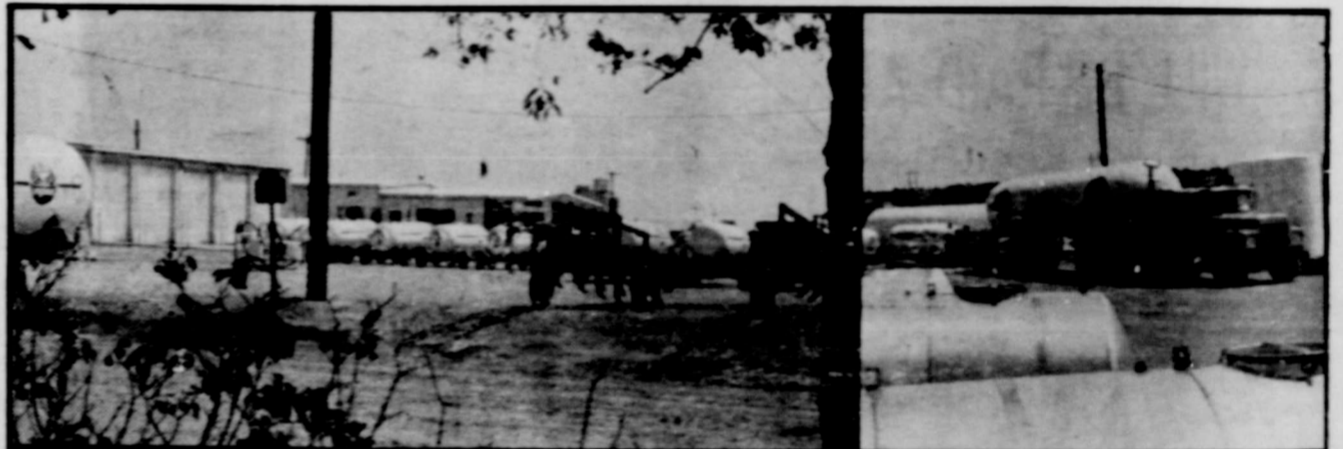

Now is the time to bundle up your home for winter. Now is the time to install whole-house, comfort electric heating because, right now, with every qualifying electric home heating installation, we'll install free a complete set of storm windows for the heated portion of your home. All you need do is call Southwestern Public Service Company. Our electric heating specialist will gladly and professionally determine the exact heating requirements for your home.

Modern electric comfort heating is already being enjoyed by over 4 million American families... almost 5,000 in our area alone. The reasons are many, but what most people like about clean electric heating is the comfort it gives. An even warmth from floor to ceiling creates a comfort unlike any other heating method. You owe it to yourself and your family to get the facts about electric heating... and now is the time to do it.

Storm windows have proven their value in keeping out cold, wintry winds, holding down

inner heat loss and contributing to lower heating costs. The storm windows now offered free with qualifying home electric heating installations, are 2-track, aluminum windows with screen, and custom made to fit your own windows. Storm windows do an excellent job of combating dust storms, too.

IS YOUR HOME ELIGIBLE?
This offer is available to residential customers of Southwestern Public Service Company, living in existing single family homes and qualifying for the special residential electric heating rate. Should you already have storm windows or windows of such design or shape that they do not lend themselves to normal installation, do not despair --we have a special, most attractive plan for you, too.

Attend Funeral Of Cousin Monday

Funeral services were conducted in Houston early this week for Dumas McMinn, who died at his home in Houston Friday following a five-year illness. He would have been 60 early in December. Mr. McMinn was born at Lindale, in Smith County, in 1910. He was the son of Mr. and Mrs. Ab McMinn, and the family lived on and farmed the Jasper place in the Francis community from about 1912 until about 1928. He attended the Francis school.

They moved to Mineral Wells from Silverton in 1928 and resided there until about 25 years ago when he moved to Houston. Survivors include his wife, Lila, and his mother, Mrs. Laura McMinn, 80, both of Houston; two sisters, Mrs. Edith Davis of Midland and Mrs. Othell Booth of Wa-

Mrs. Wayne Nance Honored at Shower

Mrs. Wayne Nance was honored at a layette shower from 2:30 until 4:00 Saturday afternoon in the Pioneer Room at First State Bank. She was presented a corsage of white baby socks trimmed with lace.

Mrs. Bud Couch welcomed the guests, and Mrs. Riley Harris and Mrs. Fred Edwards directed them to register in the honoree's baby book. The guest registry was decorated with a blue brandy snifter tied with pink ribbon and baby rattle in which floated four daisies.

Mrs. Jimmy Burson and Mrs. Ronald Lynn Mullin served white cake squares decorated with baby booties, mints, nuts and punch with crystal and silver appointments. The body was flown to Mineral Wells Monday for graveside rites and burial.

Mr. and Mrs. Bud McMinn met his brother and sister-in-law, Mr. and Mrs. Henry McMinn of Levelland, at Ralls Sunday and traveled together to Mineral Wells to attend the service for their cousin. They returned home Monday.

Stark Presents HDC Program Here

The Town & Country Home Demonstration Club met October 6 in the P. C. A. community room with Mrs. Loyd Stephens as hostess.

Mrs. Naomi Hunt, county home demonstration agent, introduced the guest speaker, O. R. Stark, jr. of Quitaque, who gave the club a rundown on how Quitaque started their clean-up and improvement campaign. Quitaque received second place in the 1970 Texas Community Improvement Program.

The Town & Country Club hopes to start a similar project in Silverton and is hoping to interest other local organizations in joining them in this project.

Mr. Stark pointed out "Pride is the necessary ingredient to start a clean-up campaign. That plus a 'do-it' committee to get started; once the campaign gets underway you'll find it leads to other projects." He also added a word of caution: "Don't expect to do it all at once. Quitaque is now in its third year."

County Agricultural Agent Jackie Johnson also attended the meeting, and explained points on community improvement.

Mrs. Mae Bomar, president, gave doll, from which extended streamers on which was embossed: "Daisies Won't Tell—Boy or Girl?" sat near the floral arrangement.

Hostesses were Mrs. Burson, Mrs. Mullin, Mrs. Farris Martin, Mrs. Stanley Fogerson, Mrs. Harris, Mrs. Tom Wright, Mrs. Harold Edwards, Mrs. Charles Sarchet, Mrs. Gary Hunt, Mrs. Fred Edwards and Mrs. Couch. Their gift to the honoree was a Cosco high chair.

Weekend Revival Slated at Church

A weekend revival has been scheduled to begin October 28 at the Assembly of God Church in Silverton, and to continue through November 1.

Services will be at 7:30 p.m. weekdays and at 7:00 p.m. on Sunday.

Bob McCutchen of Fort Worth will be the visiting evangelist. The public is invited to attend.

MRS. DONNELL HONORED AT BIRTHDAY PARTY

The home of Mrs. A. L. McMurtry was the scene of a party on Monday, September 28. A group of friends gathered to help Mrs. Cora Donnell celebrate her 89th birthday. After all had arrived, "Happy Birthday" was sung. Then guests were invited into the dining room where a luncheon was served by Mrs. McMurtry.

Mrs. Donnell is the eldest member of the Good Samaritan Sunday School Class of the First Baptist Church, and is an inspiration to those who know her. After a time of fellowship, her friends departed after wishing Cora many more wonderful birthdays.

Attending in addition to Mrs. Donnell and the hostess, Mrs. McMurtry, were Mrs. Ora Alexander, Mrs. Frances Howard, Mrs. Bell Olive, Mrs. Mae Tension, Mrs. Mary Rampley, Mrs. Katie Crow, Mrs. Bertha Rhoderick, Mrs. Tina Schott, Mrs. Leona Mercer, Mrs. Maggie Stephens, Mrs. Georgia Alford.

GRABBE IS ONE OF 30 TO RECEIVE SCHOLARSHIPS

Crockett Lane Grabbe of Silverton is one of 30 University of Texas students who have received scholarships totaling \$7,300 from the Arts and Sciences Foundation.

The scholarships were made possible by gifts made through the foundation. Dr. James B. Ayres, associate professor of English, was chairman of the committee which selected the scholarship recipients.

Grabbe received the George Stuart Heyer Scholarship.

HAYLAKE CLUB MEETS IN BURSON HOME

The Haylake Club had its first meeting of the year in the home of Mrs. Daisy Burson on Thursday, September 24.

Mrs. Ella Leah Riddell gave a demonstration on making artificial roses.

New officers were elected, and refreshments were served to eleven members and on visitor.

Next meeting will be October 23 in the home of Mrs. Bill Hill.

* NEW BABY

Mr. and Mrs. Lyndal Carey are parents of a baby girl, Sonya Lea, born Thursday, October 1, in the Central Plains Hospital at Plainview. She weighed seven pounds and eleven and a half ounces. She has a sister, 9, and a brother, 2.

Grandparents are Mr. and Mrs. John Carey and Mrs. Marion Meek, all of Floydada.

Dr. C. L. Kay Will Be Guest Speaker

The public is invited to hear Dr. C. L. Kay at 8:00 p.m. on Thursday, October 22, in the Silverton school auditorium, when he addresses a meeting of the Silverton Young Homemakers. His topic will be "U. S. Defense Systems."

Ed, J. W. and Loyd Thomas of Lakeport, California, were visitors in the home of their uncle, G. H. Thomas, from Wednesday through Sunday. They all met in the Ted Hester and Sonny Thomas homes to make musical recordings while here.

Mr. and Mrs. J. A. Hardin of San Diego, California; Mrs. Josie Johnston and David of Quitaque, and G. H. Thomas spent Sunday in the home of Sammy Johnston, at Springlake. Sammy Johnston teaches and coaches in the Springlake school system.

Walter Arnold of Silverton will be among the top 15 steer ropers competing at the steer roping Finals October 17-18 at Pecos, Texas, according to an announcement made today by the Rodeo Cowboys Association office in Denver, Colorado.

Arnold, the 1969 steer roping champion, is in 13th place for the 1970 steer roping championship with \$1,482 in winnings. In first place is Don McLaughlin, Fort Collins, Colorado, with \$5,594.

Although the professional rodeo season is year-round, the steer roping event begins the last week of July at the Cheyenne, Wyoming rodeo, and ends the middle of September at Pendleton, Oregon.

Arnold is also considered one of the top calf ropers and steer wrestlers in professional rodeo. Last year he won nearly \$9,000. During the past year, the Silverton cowboy has had the misfortune of breaking an ankle and a wrist in separate rodeo accidents.

Mrs. Minnie Haynes was reported to be improving at Northwest Texas Hospital in Amarillo where she has been a patient for several days. Her daughter, Mrs. James

Patton, was at home Tuesday but returned to Amarillo to help her sister, Mrs. Shirley Whitehead of Tulia, care for Mrs. Haynes at the hospital.

When you're not like yourself, Lydia Pinkham understands

All of a sudden you might feel you're changing—not a good feeling. You're tired, edgy, out of sorts and that's not you. Lydia Pinkham understands.

A long time ago, when ladies couldn't be as frank as we can today, Lydia Pinkham recognized the problem and set about finding a remedy. She knew it was not natural for women to have to suffer with what was obviously a natural process.

So she turned to nature for a remedy. She developed a marvelous compound of medicinal roots and herbs that turned the trick for the women she knew. Because it is a natural answer to your natural problems, it can turn the trick for you, too.

Try Lydia Pinkham's root and herb remedy to help you feel better, more like yourself.

Dorothy Do-Write

There was a hot time in the old town last Tuesday night when the girls of SHS played Powder Puff Football.

The girls had already been divided up into two teams, the Red Team and the White Team. The coaches of the Red Team were Roger Y., Alvin May, Terry B., and Lane G. The coaches of the White Team were Bill Strange, David H. and Thomas S. I believe the coaches were more nervous at the beginning of the game than the players.

The girls came onto the field about 7:00 yelling and groaning with lots of spirit for the game. The captains of the Red Team, Lanis D. and Sharon J., had their girls already lined up and exercising before the White Team came onto the field, but the White Team captains, Evelyn and Rhonda D., soon had the girls exercising and loosening up for the game.

Now the time arrived for the game to start. Coach Bill and Coach Roger gave last-minute instructions. The Red Team kicked off to the White Team. Claudia H. was the kicker, and to look at her face you would think she was getting ready to walk to the gas chamber. Pat M. received the kick for the White Team and ran it all the way downfield to the 19-yard line, where Lori F. was waiting and brought her down.

On the second play of the game, Evelyn W. of the White Team made the first touchdown. The extra points were also good.

The kickoff team was at the line, ready and raring to go even though most of them didn't know where they were going. Janet M. of the White Team was the first string kicker, and she was ready to kick that ball. Sharon was the lucky player who received the ball (in the stomach) but unfortunately she dropped it on the 47 yard line. The Red Team pushed and pushed (the players) for yardage, but the ball went back over to the White. During this time, Coach Bill had been yelling at the top of his lungs, and Coach David and Coach Thomas looked awful nervous as the strolled up and down on the sideline.

The girls were beginning to get rougher and tougher. Their faces were red and their fists doubled up. Do you suppose they were mad at the girls on the other team? As time went on, everyone got madder, and to make things worse on one side and better on the other, Evelyn ran another touchdown. The score was 0-14 in the White Team's favor.

Since the girls were sort of irritated, they began to pull on shirts, hair, and anything they could get a hold on (which was illegal). Both teams had decided the other was playing dirty and that they would play dirty also.

Well believe it or not within the next few minutes Speedball Lanis raced through those girls and made a glorious touchdown. Now you just can't imagine how Coach Roger jumped and yelled along with those Red Team players and coaches. Everyone seemed happy (with the exception of the White Team).

The game continued, and the players continued to make yardage, pull hair, yank shirts, grab necks and trip each other. Through all of this, Rhonda D. fought her way for another six points for the White Team.

All of the girls were ready when the half came. The girls on the White Team sat around Coach Bill as he gave some instructions on how to play the second half. The girls were complaining how dirty the Red Team was playing. Then Cindy C. came over from the other side and said, "Boy, the White Team sure must be playing dirty from the way the Red Team was talking!" So I decided right there and then that both teams were doing their share of dirty playing.

When the half was over, the White kicked off and some yardage was made. The exciting part was yet to come—big, tough Amy B. held onto the ball and ran 60 yards for a touchdown for the Red Team and the score read White 20, Red 12. But Lanis soon changed that score when she added two points.

In the third quarter, Coach Bill sent in his star players (the ones he had been saving for the right moment)—Sue A. and Terry J. They ran out on the field ready for action.

Evelyn W. got the ball and started for a touchdown, and all of the way she was swinging her hand behind her knocking everyone's hand away that came near her sock in her pocket. I don't know for sure, but I think that's illegal!

The Red and White were trying every play and trick they knew to make points. They just didn't seem

Powder Puff Football Game cheerleaders were John Burson, Ronny Vaughan, David McDaniel, Terry Yancey, Butch Brannon and Jim Davis.

B-TEAM: WHAT GOOD IS IT?

by Brit Parker, Student Trainer

Have you ever wondered what good it does to have a B-team? This is a question asked by many people. Most of them who ask it do not really know what goes on in a football workout. They are mainly concerned with the stars, or the starters on the Varsity team.

Every week one of the coaches scouts the next team we will play. He draws up the plays on offense and the defensive formations of this next opponent of the Owls.

During the next week, the B-team goes through these different formations and plays for the var-

S. C. S. HAS MEETINGS

by Sharon Jarrett

The Student Cheering Section met Wednesday, September 30, with 39 members present.

A new rule was passed which states that if a member misses more than two games without a good reason, he or she is out of S.C.S. The rule was made to encourage good attendance. Members do not necessarily have to ride the bus.

There were 37 members present when the S.C.S. met Friday, October 2. It was announced that the bus would leave at 6:15 p.m. Members met after school to decorate the players' bus.

to be getting anywhere. Both teams were rough and tough.

Well the Red Team broke through when they fumbled, and Lori recovered the ball and ran 60 yards for a touchdown. Believe it or not the score was tied 20-20. Things were getting pretty sticky out on the field. The coaches were pretty nervous and just kept yelling and jumping.

Then came the time for Sue Lynn to show off her football ability. The ball was kicked and Sue was about to receive it, but it hit her in the face. Tough luck, Sue! After the play, Loudmouth Jones yelled clear across the field, "Bill, do I stay in?" I guess Terry was just too excited to remember where she was supposed to be.

With only nine seconds left in the game, everyone was so tense that an overtime was given, but with both teams trying as hard as they could, no one was able to score again and the game ended with a tied score. There were a lot of unhappy girls at the end of the game, but I think they all did a great job!

Junior High Team Comes From Behind

by Brit Parker

Last Thursday the Junior High Owls took on the Wheeler Colts at Wheeler. This was their first district game of the year and the boys were really looking forward to it.

From the sideline, the first half looked a little dead. The Owls drew first blood and took the lead 6-0. The Colts came back though and went ahead by two.

At the half, Coach Wright and Coach Hubbard talked to the team. They went over some of the mistakes and told the boys what would work.

Well, the Owls came back out and started playing the kind of football they are capable of playing. From then on the game was theirs. The backs started running and the linemen started blocking. The defense took control and shut the Colts out in the second half.

The coaches were very proud of the win. The Owls showed that they did not give up when they fell behind, but kept going and came out on top. This should be a lesson to us all.

Senior Class News

by Monty Teepie

The Seniors of 1971 met in Room 7 of Silverton High School and the class president appointed a Song Committee.

"We'll Sing in the Sunshine" was voted the Class Song.

October 5 the Senior class met to elect Halloween Queen and King candidates. Gene Whitfill and Debbie Bomar were nominated by acclamation.

The Cake Walk was chosen by acclamation as the Senior booth at the Halloween Carnival. The charge will be 50c a walk.

The Senior Play was discussed. The characters have not been cast yet, but will be soon. The play is tentatively scheduled for presentation in March.

SEASONS OF THE MIND?
Spring is like the childhood of the year.

Strong and fresh, to youth everything is clear.

The promise of summer is warm as the breath of life

Young saplings yet to realize struggle and strife.

Then something changes as the temperatures rise.

Vicious dreams begin shining behind glazed-over eyes.

The heat of anger grows from separate worlds.

Dreams begin to melt slowly, as each earth whirls.

Reality unleashes her blow and passions cool.

Some believe Fall begins Death, but the laws of Nature rule.

Gradually the psychedelic green and violet lose their hold.

And the life-giving brown earth shows beauty in red and gold.

Then with the cold blast of winter; Summer, Spring and Fall grieve.

The truth of living none of them have seen.

To most the falling snow seems cold, white, lonely and dead; As each pure snowflake silently covers the dream - haze and blood-red.

Let The Bible Speak
Edwin J. Myers, Evangelist
"AM I REALLY RIGHT?"

This is a question that we should ask ourselves often concerning our religious convictions. There seems to be a tendency on the part of man, as with Israel of old, to cry "peace, peace, when there is no peace" (Jeremiah 6:9-14). Men deceive themselves into thinking they are spiritually secure when, in reality, they are insecure. The belief that morality and uprightness of life is the only thing essential to salvation, has caused many to feel secure. However, being religious and moral is not enough to secure salvation. Hear the apostle Paul when he wrote, "For I bear them witness that they have a zeal for God, but not according to knowledge. For being ignorant of God's righteousness, and seeking to establish their own, they did not subject themselves to the righteousness of God." (Romans 10:2-3). The same is seen in the incident of the rich ruler when he came to Christ and asked him what he needed to do to inherit eternal life (Read Matthew 19:16-22). This kind of faith begets a false hope.

Some contend "It does not matter what your religion is so long as you are honest and sincere." However, Paul counseled in Colossians 2:8 "Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ." These "spoilers" may speak much of the true Gospel, but pervert it. That is what was done in Galatia. Notice: "I marvel that ye are so soon removed from him that called you into the grace of Christ unto another gospel: which is not another; but there be some that trouble you, and would pervert the gospel of Christ. But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed. As we said before, so say I now again, If any man preach any other gospel unto you than that ye have received, let him be accursed." (Galatians 1:6-9)

Notice the statement "unto another gospel: which is not another; but there be some that trouble you, and would pervert the gospel of Christ." There was not enough difference in what was taught by Paul and these false teachers to call theirs "another gospel"—it was a perverted gospel. But a perverted gospel, if accepted and followed, removes one from Christ—"let him be accursed."

No wonder John said "Beloved, believe not every spirit, but try the spirits whether they are of God; because many false prophets are gone out into the world" (1 John 4:1). Those who fail to do this will be with those who "because they received not the love of the truth, that they might be saved... believe a lie... and be damned." (2 Thessalonians 2:10-11). Believing a lie gives a false hope. Let's illustrate the matter further. "Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? And in thy name have cast out devils? And in thy name done many wonderful works? And then will I profess unto them, I never knew you; Depart from me, ye that work iniquity." (Matthew 7:21-23) These acknowledged Christ—did, not a few but many, wonderful works, yet are condemned. Why? Verse 21 gives the answer: "Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven." They did not the will of the Father. Thus they came into judgment with a false hope.

We invite you to come and worship with us and enter in with us of a study of God's Word. Your questions are invited and all will be given a Bible answer.
