Owls Go For Third District Win Against Clarendon

by Mary Ann Sarchet

Dorothy Yancey, a Junior in Silvertown High School, was crowned as the 1970 Football Queen in a pre-game ceremony here last Friday night. She was pictured with her escort, Roger Younger.

The Silvertown Owls held fast to their tie for first place in District 2-A last Friday night by defeating the McLean Tigers 14-12 in a razzle-dazzle ballgame that saw the Owls come through with some of their best pass defense.

Two members of the Owl squad earned honorable mention as Player of the Week for their performance in the game. Johnny Jackson, Kress fullback, was selected by the Amarillo Daily News as Class A Player of the Week, with Bill Strange accorded honorable mention. Art Albracht had this to say: "Bill Strange, halfback, Silvertown senior, gained 200 yards on 26 carries and scored on a four-yard run against McLean in key 14-12 win."

Children's Pictures To Be Made Here

Winston B. Lucas, photographer from Irving, Texas, will be at the office of the Briscoe County News from 2:30 until 6:00 p.m. on Friday, November 13, to make pictures for his annual Childrens Photograph Contest.

There is no charge to parents for having the children's pictures made. There is no limit on the ages of the children that enter the contest, nor on the number of children per family that enter.

Photographer Lucas believes "the more the merrier," and will be happy to photograph every child in the area while in Silvertown.

There is no obligation to parents to buy pictures. They may do so by special arrangements with the studio representative at the time they select the pose of the child to be entered in the contest.

Every child photographed will be eligible to compete for prizes in the contest, and every child's picture will be printed in the Briscoe County News.

Mr. Lucas is a very patient photographer of children, and rarely fails to have a great many good proofs from which parents may select.

You may make an appointment to have your children photographed by calling 823-3381.

Debbie and Beverly Boling returned in high spirits from showing their Hereford steers at the State Fair of Texas Junior Livestock Show in Dallas. Their 4-H project steers were competing against over 500 other 4-H and FFA steers from across the state.

Both steers received blue ribbons, and the one shown by Beverly placed fifth in a class of over 40 steers. Debbie's steer placed 13th in a class of over 60 steers. Both of these calves placed high in the show.

The calves were brought home for additional feeding and fitting, and will be shown again at the winter shows.

Overseas Mailing Should be done Early

The following deadlines have been designated for mailing Christmas parcels overseas.

(a) Surface Mail—November 6
(b) SAM, under 5 lbs.—Nov. 20
(c) PAL, under 30 lbs.—Nov. 27
(d) Airmail—December 11

Be sure that you have the correct and complete address on the outside of all packages, only one time please, reminds Silvertown Postmaster Fred Strange. Also list the contents of the package on a piece of paper and put it inside the package along with the address of the person the package is being sent to. The reason for this is that if a package gets damaged in the mail and comes open and the outside address can no longer be read, postal employees can re-pack the parcel and send it on to the addressee.

The parcels should be packed very carefully and tied with a strong cord or twine.

The Jackson brothers from Kress were likewise headlined for the Lubbock Avalanche-Journal honor roll for Class A this week. Don Henry had this to say about an Owl defensive standout: "Terry Culwell helped with both touchdowns in Silvertown's 14-12 victory over McLean. Culwell, an end, recovered a fumbled punt to set up the Owls' first touchdown, then came back to intercept a McLean pass to put Silvertown in scoring position for the second."

Hats off to these and the other of the "Fighting 26+5" who played hard to earn another win in their campaign for the District 2-A championship.

The Owl defense shone like a harvest moon during the game, with McLean's passing whiz, Tommy Duniven, held to a completion record of five of twenty-five, with interceptions by both Culwell and Strange.

The Owls made 18 first downs as compared with 14 for the Tigers. Silvertown scored twice on four penetrations, while McLean scored twice on three penetrations.

Strange has now scored 74 points for the Owls; Dana Martin, 24; Marvin Self, 11; David Holt, 26; Roger Younger, 12; Thomas Self, 18, and Alvin May, 6, for a season total of 171 points. Owl opponents have scored 71 points.

Terry Culwell is leading the team in pass interceptions, with three. Younger and May each have intercepted two passes, and Mark Hutsell and Strange each have made one interception.

We've completely lost count of the fumble recoveries the Owls have made, but some of the boys can show you how many things they have to their credit if you will count the stars on their helmets. Some of the players don't have much room left back there!

The Owls allowed McLean only one first down Friday night before holding them to a four-yard gain and forcing a punt. Silvertown picked up a first down, then fumbled, fizzled and punted to McLean's 25, where a fumble was recovered by Terry Culwell. Taking the opportunity, the Owls drove in for the score, carried by Strange from four or five yards out. Marvin Self's kick was good, and the Owls held a 7-0 lead.

Silvertown kicked off again, and on first down Thomas Self set the McLean ballcarrier for a five-yard loss. This coupled with a delay of game penalty and an incomplete pass brought about a Tiger punt. The Owls returned the ball on a fumble, but again the Silvertown defense held the line against Duniven's passes. May batted one down, another fell incomplete, and McLean punted.

Soon after the second quarter opened, the Owls got an offside penalty and weren't able to make up for it in spite of a nice run by Holt, and Self punted to the McLean-21.

Duniven came back with a first-down pass to the McLean-32, and followed it with a completion to the Owl-29, which might have gone all the way without Holt's speed. The Tigers completed another pass on fourth down after running three plays, but it lacked a little and the ball went over on downs at the Tiger-10.

Dana Martin elbowed his way out to the Silvertown-47 for a first down to get a little operating room for the team, and Strange and Holt teamed up to gain another eight yards before Silver-

ton was forced to punt again.

On first down the Owls allowed the Tigers only three yards, and on the very next play Terry Culwell intercepted a McLean pass at the Tiger-30. Quarterback Martin carried inside the Tiger-10, and added the score from the one yard line after runs at the goal line by Holt and Strange. Marvin Self kicked the extra point, and the Owls held a 14-0 lead.

Following Silvertown's after-touchdown kickoff, Duniven completed a short pass for about three yards, had two fall short, and on fourth down, playing catch-up, was intercepted by Strange on the Silvertown-40. With only seven seconds remaining in the first half, Martin kept the ball for a short gain.

Silvertown took the kickoff which opened the second half, but didn't get but one first down before punting to the Tigers. The punt was downed by May at the McLean-10.

The Tigers came marching in, and scored in six plays on a five-yard run by George Danner. QB Duniven failed on the two-point conversion, and the Owls held a 14-6 lead.

Silvertown came back with what looked like a touchdown drive from their own 20, and carried down to the McLean-10 before losing the ball on a fumble. The Tigers gained six or seven yards on the ground before taking to the air. Strange batted down the pass, and McLean punted to the Silvertown-30.

The fourth quarter opened as Silvertown returned the favor by punting to the McLean-30. The first-down pass was broken up by Holt, and the Owl defense followed it up tough, bringing a Tiger punt to the Silvertown-39. The Owls gained two first downs to the McLean-30 before losing the ball on a fumble.

McLean mixed runs and passes, making five first downs and arriving on the Silvertown-4. Ronny Brown carried the touchdown, but the pass for two extra points—which could have tied the score—was incomplete. Silvertown refused a penalty that was called on the Tigers, and held a 14-12 lead.

A fumble lost the ball on the next series of downs, but the "Fighting 26+5" was able to hold the Tigers to one first down and a series of incomplete passes. Strange recovered a Tiger fumble, and gave the Owls an opportunity to run out the clock. The game ended with the Owls in possession and driving just a yard or two short of the McLean goal line.

The Owls travel to Clarendon tomorrow night to make the Bronchos their third District 2-A victim. Always tough competitors, the Bronchos will undoubtedly pull out all the stops in an effort to take the conference win. They stand 1-1 in district play now, and would like nothing better than to knock off the high-flying Owls, who are now 2-0 in district competition and are tied with Wheeler for first place.

With a lot of support and enthusiasm from their fans, the "Fighting 26+5" can make Clarendon the third in their skein of conference wins tomorrow night. Game time is 7:30 p.m. Travel with the Owls to Clarendon, and boost them to another win!

Mrs. J. M. Thompson has returned home after having been a patient in the Plainview Hospital.

Briscoe County voters will join voters from across Texas in going to the polls to make decisions in the General Election on Tuesday, November 3.

In addition to contested races between Democratic and Republican candidates on the state level, voters will be asked to vote for or against seven proposed constitutional amendments.

Number One relates to the removal, retirement, or censure of Justices, Judges, and Justices of Peace under prescribed circumstances.

The second proposed amendment concerns the repeal of the present open saloon law, and has been the most widely discussed of the seven.

The third proposed amendment concerns the establishment of a uniform method of assessment of ranch, farm and forest lands, according to the capability of such lands to support the raising of livestock and/or crops and forests.

Proposed amendment number four on the ballot regards reconstituting the State Building Commission as a three-member appointive commission.

The fifth proposal would authorize a county, on the vote of a majority of its qualified property taxpaying electors, to issue road bonds in an amount not to exceed $\frac{1}{4}$ of the assessed valuation of the real property in the county.

Proposed amendment number six would increase the value of the homestead which is exempt from forced sale.

Proposal seven would authorize the Legislature to provide for consolidating governmental offices and functions and allowing political subdivisions to contract for performance of governmental functions in any county.

A more complete discussion of each of the proposals has been prepared by the Texas Agricultural Extension Service, one copy of which is available at the Briscoe County News office for anyone who would like to read over it.

Junior High Owls Only One Game Away From 2-A Championship

by Mary Ann Sarchet
 Silvertown's Junior High Owls defeated Clarendon 28-8 here last Thursday night to move one step nearer the District 2-A championship. Only Claude remains on the conference schedule, with the Junior Owls owning a perfect 4-0 record in district play, and having posted a 5-0-1 season record.
 The Junior Owls will travel to Claude today to play the Colts at 6:00 p.m. All of the chips are down, and it is hoped that a large group of fans will travel with them today to cheer them on to the championship. After today, only one non-conference game

with Matador remains to be played.
 Clarendon's Junior Bronchos were about the biggest, toughest team the Junior Owls have played this season. They hit hard and really meant business. They made things mighty tough for David Self, one of the Junior Owl mainstays, playing as if they knew in advance his every assignment. They also kept it rough for Quarterback Ken Wood, who has been doing a good job of ball handling in all the district games.

Scott Hutsell scored three touchdowns Thursday, to bring his season total of points scored to 46. Scott was the leading ground gainer for the Junior Owls, and looks like a good candidate for a permanent running back slot for the Owl varsity next fall.
 Scott carried the first score for the Junior Owls 70 yards on an end sweep that saw him really pour on the speed to get around Self, who was running interference for him and past his opponents. Carl Gallington tried, but

failed, on the PAT run.
 Later in the first quarter, Self recovered a Clarendon fumble on the Silvertown-41.
 Hutsell carried another score from 12 yards out in the second quarter, and Self was unsuccessful on the PAT run.
 Clarendon scored its lone touchdown of the game following interception of an Owl pass at about the Silvertown-25. The Junior Bronchos passed for their score and ran for the two extra points. Half-time score was a shakey 12-8, favoring the Owls.

Fumbles and penalties made up most of the third quarter action. Hutsell scored another touchdown on a daring fourth down play, with the Owls needing about 13 yards for a first down from the Clarendon-30. This time Self carried the conversion points.

Mike Griffin recovered a fourth quarter fumble by the Junior Bronchos, and Quarterback Wood carried a score from about one yard out. Gallington successfully added the two extra points.

With scant seconds remaining in the game, and Clarendon threatening at the Silvertown-15, Dean Ziegler, one of the smallest but toughest players for the Owls, threw the Bronco quarterback for a loss, and Clarence Ivory, another of the smaller players, followed it up by recovering a Clarendon fumble to give the Owls the ball and an opportunity to hold it until time ran out.

The Junior Owls have outscored their opponents 126 to 62 points this season. The scoring has been led by Scott Hutsell, with 46 points, and David Self, with 30 points. Carl Gallington has scored 28 points; Ken Wood, 16, and Russ Hubbard, 6.

The Junior Owl machine is in high gear, and the boys and their coaches, Tom Wright and Pete Hubbard, want a win today. They are only one step away from winning the crown, but they have to win today to be the champions!

Other out-of-town dinner guests in addition to Mrs. Henry were Mrs. Pauline Wesley, Mrs. Evelyn Shipman and Mrs. Gladys Haley, all of Happy.
 During the regular meeting of Silvertown Chapter No. 900 which followed the dinner party, Mrs. Henry made her official visit. On Hutsell's touchdown run, he was heading for the flag as fast as he could with lots of Bronchos in hot pursuit. Just as they hit the crucial moment, the Junior High cheerleaders and mascots from both schools were walking along the sideline, and as the play carried out of bounds, some of the cheerleaders were "bowled over." Included in the group was Judy Northcutt, daughter of the Pat Northcutts, who will be in the first grade next year. Judy is a team mascot, and is the first casualty of "game day." Charlie M. Payne, principal of Silverton Junior High School, has been named 1971 Spelling Bee Director for Briscoe County.

The Briscoe County Bee will be held by April 1, 1971, and the winner will go to Amarillo on April 24, 1971, for the annual elimination contest where a new regional champion will be named. The boy or girl named in Amarillo will win an all-expense trip to Washington, D. C., June 7-11, to represent the Golden Spread in the national competition.

In 1970, Susie Parker, daughter of Mr. and Mrs. Charlie Parker of Silverton, was county champion. She was a student in the eighth grade in Silverton Junior High.

The 1971 Golden Spread Bee will be co-sponsored by West Texas State University and the Amarillo Globe-News. L. J. (Jack) Edmondson, director of public services at the university, will be bee coordinator for the Golden Spread event.

There will also be a secondary contest—the only one of its kind within the National Spelling Bee program — open to youngsters from the sixth and lower grades. These juniors will be guests of the Amarillo Globe-News at the Regional Bee on April 24, but will not spell unless they represent the senior division also.

Bruce E. Patrick was the Junior Champion for 1970, and his parents are Mr. and Mrs. Arthur Patrick of Flomot. The junior champion was in the sixth grade in the Quitaque Elementary School.

The district winner, to be named next April, will go to Washington to compete with district winners from all over the United States. The trip also includes various sightseeing tours and entertainment.

Each county winner will receive a plaque in Amarillo and a gold pin; each county junior champion will be awarded a trophy and silver pin. Entry ribbons and winner ribbons will be given to ALL

SCARY NIGHT

Once upon a time Halloween was about the scariest night of the year. Just the thought of witches riding their brooms across a sullen sky, of shrouded spirits shimmering in unexpected places, of grinning skeletons rattling in the breeze and flickering Jack-O-Lanterns staring from darkened windows was enough to tingle the spine and raise goose bumps. Aside from a few childish pranks, however, no great harm was done.

More and more, though, every night brings terrors that are not imaginary. Each morning's news seems full of the details of the very real horrors of the night before.

Many theories have been suggested as to the cause of increasing crime and a multitude of solutions have been offered to stem the growth. But until a long range workable plan is implemented, each of us will have to do what we can by working harder at being good citizens. Perhaps if we all put out a little more effort, Halloween can once again be the scariest night.

Our priceless heritage embodied in the flag of the United States, is as alive today as it was when written for the ages in the Declaration of Independence and the Constitution. It stands for all the world to see and for all Americans to cherish. And in the tradition of Washington, Jefferson, and Hamilton, we, too, have a privilege, a right, and a duty. While we may disagree as to the methods, we should not disagree as to the goal—that of preserving the greatest democratic society the world has ever known.

Our flag is a symbol, not of sentiment, but of history, the history of men and women willing to live and die for it. Surely this willingness is with us still, because daily we experience more of the blessings that are ours—ours because we are Americans.

ANNUAL FARMERS UNION CONVENTION DATES SET

A Golden Spread welcome awaits farm and ranch families attending the 67th annual convention of Texas Farmers Union December 3-5. The high plains city of Amarillo is in the heartland of the organization's membership, and according to convention planners, the city and the Holiday Inn West will provide an ideal convention location.

One of this year's special features will be a "Meet the Livestock Experts" workshop. A panel of livestock authorities from the agricultural colleges and commercial production units will discuss new developments in livestock production. Ed Uvacek, livestock marketing specialist with the state Extension service, will moderate the panel. An array of nationally-known speakers is expected to address the convention, including Senator Ralph Yarborough, Governor Preston Smith, Congressman Bob Price, Congressman Graham Purcell, National Farmers Union President Tony Dechant, Canadian Unifarm President Paul

anniversary celebration by Donna, Lisa and Jill Tunnell of Amarillo, Mr. and Mrs. Riley Harris and Shelly of Silverton, grandchildren of the honored couple.

Mr. and Mrs. LaRham also have two other grandchildren and another great-grandchild, Kelly Lanham, Amy Tunnell and Scotty Harris.

Lenton Lanham moved to Briscoe County from Taylor County in 1907, and Miss Pearl Huckaby moved to Floyd County in 1917 from Erath County. They attended school together at Sunset, now South Plains.

They were united in marriage on November 10, 1920, at the parsonage of the Methodist Church in Lockney by H. Bascom Watts. Following their marriage they lived and reared their children at South Plains.

They lived in Floydada from 1945 until 1951, and made their home in Canyon briefly before moving to Briscoe County in 1952. Mr. Lanham is a retired farmer.

The children and grandchildren of Mr. and Mrs. Lanham are extending an invitation to their neighbors and friends to attend the anniversary celebration.

Babey, National Farmers Union Insurance President Ray Novak, and National Green Thumb Director Dr. Blue Carstenson.

The Board of Directors composed of county unit presidents will meet prior to the convention for the purpose of electing district directors to fill vacancies in four of the nine Farmers Union districts. These posts are presently held by Beryl Long of Silverton, District 2; Robert Cathey of Dublin, District 4; Jack Norman of Howe, District 6; and Doris Blissard of Garden City, District 8.

The convention will elect state officers to serve for the coming year and delegates to the National Farmers Union convention. Texas Farmers Union is entitled to three delegates to the National Farmers Union Convention which will be held in Washington, D. C. in February 1971. The present officers are Jay Naman of Waco, president; Joe Rankin of Ralls, vice president; and Elizabeth Doshier of McGregor, secretary-treasurer.

Fred Mercer is president of the Briscoe County Farmers Union. Officers elected to serve the Silverton local earlier this month are Harold Edwards, president; Joe Brannon, vice president, and Mrs. Albert Mallow, secretary-treasurer.

Dr. Kay Addresses Young Homemakers

Dr. C. L. Kay addressed the meeting of Young Homemakers in the school auditorium here at 8:00 p.m. on Tuesday, October 20. Topic of the public address was "Patriotism and National Defense."

Dr. Kay is assistant president of Lubbock Christian College. He showed slides of his Southeast Asia tour and told of the weapons and strength of the countries.

First stop on the tour was Pearl Harbor, where he visited the Arizona Memorial. It is located over the place where the battleship Arizona sank with 1000 men inside on December 7, 1941.

Dr. Kay then traveled to Thailand, and he showed pictures of the Thai people and their way of life. A picture was shown of a base where there is a soldier guarding planes 24 hours a day.

At Okinawa, second logistical command, the tour was hosted by the Japanese defense society.

A slide was shown of the Bridge of No Return over which the Pueblo crew crossed following their release from prison camp.

The point was made that one reason Americans are having so much trouble at home now is the lack of support from the American people. A real sense of patriotism needs to be instilled in children.

Dr. Kay closed his talk with the following poem written by John T. Cutler, sergeant, U. S. Marine Corps, who had served three tours of duty in Vietnam

Mrs. Fred Edwards, L. O. A. Club president, welcomed the guests and recognized Mrs. Pat L. Northcutt, president of Century of Progress Study Club, and Mrs. True Burson, president of March of Time Study Club.

The devotional, "Together In Federation," was given by Mrs. Stanley Fogerson. Mrs. Richard Souter led the group in repeating "A Collect For Clubwomen" to close the meeting.

Mrs. Robert H. Hill was in charge of registration.

Cake squares, mints, nuts and coffee were served by Mrs. Randall Eddleman and Mrs. Champ McGavock with crystal and silver appointments. The refreshment table was covered with a beige lace cloth and the centerpiece was an arrangement of yellow chrysanthemums, bronze and yellow straw flowers and fall leaves spilling from a wicker cornucopia onto the table.

Fruit, nuts and fall leaves spilled from another wicker cornucopia onto a table on which the yearbooks of each of the three Silverton federated clubs were displayed on miniature easels.

Attending the meeting were Mrs. Johnson and Mrs. Polvado, both of Morton; Mrs. Pascal Garrison, Mrs. Rampley, Mrs. E. A. Birdwell, Mrs. Leland Wood, Mrs. John Gill, Mrs. Carl D. Bomar, Mrs. Northcutt, Mrs. L. D. Griffin, Mrs. Flute Hutsell and Mrs. James Davis, members of Century of Progress Study Club; Mrs. True Burson, Mrs. Lula Bellinger, Mrs. J. S. Hinds, Mrs. Beulah Evans, Mrs. Rex Dickerson, Mrs. Troy Burson, Mrs. W. E. Austry, Mrs. Alvie Mayfield, Mrs. Ben Whitfill, Mrs. Fred Mercer, Mrs. Riddell C. Wayne LaGrone, Mrs. Souter, Mrs. John Schott, Mrs. Fogerson, Mrs. Eddleman, Mrs. Edwards, Mrs. Dean Rowell, Mrs. Bud Couch, Mrs. Jack Johnson and Mrs. Charles Sarchet, members of the L. O. A. Junior Study Club.

and received three Purple Hearts: "I've been to places in this land, Where God, it seemed, never laid a hand,

Where the soil was dark, burnt, and dead,

Destroyed by fire, bombs and lead, Where peoples' faces tell a story Of sadness and terror, but not of glory.

Day by day I see them die; It seems so strange that so few cry.

How long it will be, I'll be damned if I know,

But someday there will be peace, and we can all go

Back to our own war in our trou-

led land,

Trying to live with our fellow man."

Dr. Kay held a question and answer period after his talk.

Attending were Mr. and Mrs. Dwain Henderson, Mr. and Mrs. G. W. Chappell, Reba, Ronnie and Donna, Mr. and Mrs. Fred Minyard and Katrice, Mrs. Charlie Parker, Mrs. Donald Perkins and Faye Lynn and Mrs. Tommy Perkins, members of Silverton Young Homemakers and their families. Others attending included Calvin Shelton, Mrs. John Francis, Tommy Strange, Butch Brannon, O. C. Rampley.

Let The Bible Speak

Edwin J. Myers, Evangelist

THE DEITY OF JESUS

There are many people today that do not believe in the deity of Jesus. That is, they do not believe that he is Divine. They say that he was a good man, but only that and nothing more. Divine means partaker of God. So, we claim that Jesus Christ partook of God's nature because He is God. Notice, "In the beginning was the Word, and the Word was with God, and the Word was God." (John 1:1) We know that the Word spoken of here is speaking of Jesus, in the flesh, because of what John wrote later, "And the Word became flesh, and dwelt among us" (John 1:14). But what are some of the reasons why we believe that Jesus is Divine?

One reason is because the Bible writers said He was and because Jesus himself claimed to be. The four gospels all make full claim that He is the Son of God. Jesus himself said that He was the Christ (John 4:26). God also said that He was His Son (Matthew 17:5).

We also know that Christ is Divine because of His matchless character. His God-like life will answer every doubt. While "all have sinned and fallen short of the glory of God" (Romans 3:23) He lived a life of sinless perfection (Hebrews 4:15). He prayed for the Father to forgive others of sin but never asked for Him to forgive His sins, because he had none.

Another characteristic that tells us He is Divine is His masterly teaching. Never has a man spoken in the way he spoke. The world could not contain all of his teachings if they were recorded in book form (John 21:25). His teaching lifts man from the mire and muck of sin to a higher plane of life. His teaching tells us that man can stand before God acceptably if man accepts the righteousness He provides (2 Corinthians 5:21). He teaches that there is no man that is so far down in the depths of sin but what God can and will forgive him if he will repent (Luke 13:3, 5).

His mighty work and marvelous influence is but further proof that He is Divine. This lies in the fact that He came to seek and to save that which was lost (Luke 19:10). No other man in the history of the world has ever been able to make that claim. No one has ever effected the lives of all humanity like the life of Him who claimed deity for himself (John 10:30). The influence of Christ covers the world. We testify to his influence every time we note the change of date on the calendar. He changes the lives of the most savage of people into a life that glorifies a Creator. How could such a one who has effected the lives of so many be anything less than "one come from God" (John 3:2)?

Yes, Jesus is of God. He is Divine! His claims of Deity are infallible! Now, right here in this life you cannot afford to live without Him. What are you going to do when your life walks out in front of you and points its accusing finger at you because of your rejection of Him? What are you going to do when misfortune and waves of adversity overwhelm you? What are you going to do in the night of despair when the stars are dead, and you have tried to live without Him? What will your end be when you reject the Deity of Jesus? What will you do with Jesus?

TEN FEET TALL

There's a record they play over and over in athletics—but it will never make the "Hit Parade" or the "Fabulous Forty!"

The name of the record is "Sportsmanship."

Where do you begin to talk about sportsmanship?

You can start anywhere—better yet you can start with anyone!

Maybe you ought to start with yourself—

No matter what your role—player or coach, ardent rooster or ordinary spectator, administrator or representative of the news media—no matter who you are, yours is the singular challenge:

"Rise above the superiority and haughtiness of winning and above the prejudice, the alibiing and the self-pity of losing."

Sports has become an integral part of your life, and one thing sports cannot sacrifice is dignity. Ignore sportsmanship and you undermine the dignity, the self-respect and even the justification of sports as a part of our existence.

If you can't stand "ten feet tall" after winning or losing, you never had the right to play the game!

(Borrowed)

Noticed all the scrapes and scratches on the girls? To satisfy your curiosity, they are side effects of gathering wood for the bonfire last week.

Johannie Lanham could tell you a little about all the fun and risk that goes into such an escapade. He was generous enough to lend a tractor and a tree to the bonfire.

Helping us to put up a gigantic tree, he got caught underneath. Thank you, Johannie, for your help, life and limb.

Believe it or not, Lanis found the old tree she used to climb when she was a little girl, orange trunk and all.

Dorothy finally claimed a car of her own. No body or motor, but she sure had fun driving it. (I think it was a broken down tractor!)

Monty and Trent showed up and got in on putting up the big tree. Dirt and all. It fell three times but we finally got it up.

Everybody had fun and no serious injuries have shown up yet! Although it took the bonfire a while to fire up, it was a great success and spirit was high. We have Dana to thank for the fireworks show once it got started. It was all very exciting.

Fantastic Fire Drill

by Annette Williams

On Thursday, October 22, at 9:45 a.m. we had a fire drill. Our exit time was one minute and seventeen seconds.

Teachers and students all filed out orderly—teachers with grade books in hand. All except Mr. La-Grone, who called back from the hall: "Bring my grade book."

Mrs. Rampley should have the Turtle Award this week because she just stood there looking longingly at her IBM Selectrics. She wanted to take at least one with her. She had waited too long for them to let them burn!

Nicky Long felt the line was moving entirely too slowly—after all, it might have been the real thing. Nicky's progress might have been slowed when Tommy stopped. He must have wanted us to be roasted alive because he kept stopping and blocking the stairs. We pushed him to safety though!

The students on the north side of the building walked halfway to the elementary building because they couldn't hear the bell. Mrs. Cook, Mr. Lanham and the nurse didn't hear the bells either. It's a good thing there wasn't really a fire, or they might have roasted ...?

Upon re-entering the building, it was discovered that Mrs. Wright had not vacated the library. I guess she just couldn't give up the ship!

tion. They do not have the superstars like they had last year, yet they are playing together. Their record for the year is not as good as that of the Owls, but Clarendon has a real tough schedule. They play some of the more powerful teams in the area.

This is going to be a tough game. It will be played on Clarendon's home field. This factor will give them some help, but this will not be enough. The Owls must have this game to remain on top of the district. Our team is going down there to win and they will not come back without a victory.

The game this last Friday was one of the most exciting of the year. The Tigers gave the Owls a scare. Their claws were not sharp enough to defeat the Owls. The Silverton secondary really played pass defense while holding the Tiger passing game to a minimum. The Owls were only hurt once through the air.

This week's game is the one the Owls must and will win. We owe Clarendon a little something for the past two years so we are planning on collecting this Friday night. This is the last road game for the Owls.

The Junior High Owls have one more game remaining in district play. They are still undefeated after gaining a decisive victory from the Clarendon Junior High.

The Junior Owls showed that their football is really exciting. Scott Hutsell excited the crowd on two long runs while the rest of the team laid the Bronchos on the ground. The Owl defense rose to the occasion and kept the Bronchos from catching up.

These guys really have the winning spirit and are not going to be satisfied with less than the district title and trophy. They play their last district game against Claude at Claude today.

Juniors To Sponsor Chili Supper Here

The Junior class will sponsor a chili supper in the school cafeteria before the annual Halloween Coronation October 31, from 5:30 to 7:30 p.m.

Homemade chili and beans and crackers will be served. Prices are \$1.00 for adults and 75c for children. Candied apples, popcorn balls, and brownies will also be sold on the side.

Bonfire Was A Great Success

A bonfire was held at the baseball park on Thursday, October 22, with the football players, SCS members, students and townspeople attending. The cheerleaders had a little trouble getting the fire started, but Brit, Jon M. and Ricky solved the problem with a bit of gasoline and created a mountain of flames.

Later hot dogs, marshmallows and Cokes were enjoyed by all who came. Firecrackers, flying marshmallows and plenty of spirit brought about the excitement that made the bonfire a success.

The SCS members extend thanks to the local fire department, to all who helped find and gather wood, and to Johnnie Lanham. We really didn't mean to let the tree fall on you, Johnnie.

Why Preston Smith ?

Preston Smith believes in working hard. For you. And that's why he's doing such a good job as Governor of Texas.

When Preston Smith entered public service, he didn't start by asking Texans to elect him Governor. That would have been foolish, because being Governor carries great responsibilities. And it demands the clear, steady judgement that comes only from experience.

Preston Smith had the good common sense to work his way up—gaining insight into how our state government functions.

He served six years each—as State Representative . . . as State Senator . . . and as Lieutenant Governor. Only then, when he felt fully qualified, did he seek the Office of Governor.

Now, after two years he has expanded the duties of the Governor's Office to better serve all the people of our State.

Yes, Preston Smith believes in hard work. For 20 years, he's been working for Texas—doing a good job. You can help keep him as Governor. Vote. Vote for Preston Smith on Tuesday, Nov. 3.

Preston Smith

is doing a good job. Let's keep him working for Texas.

(POL. ADV.—Paid for by the Committee for the Re-Election of Preston Smith, Mickey Smith, Chairman.)
