Baggarly Is Guest Speaker For Junior Club

H. M. Baggarly, editor and publisher of The Tulia Herald, was guest speaker for the Americanism Day meeting of L. O. A. Junior Study Club at 7:30 p.m. Monday, November 9, in the fellow-Church.

Mr. Baggarly pointed out to those assembled that patriotism is release these men immediately. not merely revering the flag, which is a symbol of the United States, but involves caring for and protecting the government itself. He added that in his opinion it was far less unpatriotic to use an old, worn out flag as a window washing cloth than it was not to take an interest in government and supporting candidates for office and voting in elections.

The welcome was given by Mrs. Fred Edwards, and the devotional prayer, "Our Beloved Country," was given by Mrs. Bud Couch.

The Federation news, which spotlighted the observance of Veterans Day, November 11, was given by Mrs. Randall Eddleman. who also called attention to the West Texas Prisoner of War Week," November 9-15. To add emphasis to this report, she presented Mrs. J. W. Reid, jr., whose nephew is among those Americans who are missing in action.

Members were encouraged support the POW-MIA Week by writing personal letters to the North Vietnamese delegation at the Paris peace talks. The guest speaker, Mr. Bagagrly, also added his comments and explained some of the differences in attitudes toward prisoners of war of the American and Asian peoples.

All of the letters are to be sent to P. O. Box 100,000, Lubbock, Texas, where they will be placed in parcels to be sent (in the envelope you mailed it in). It is very important that each person writing a letter follow these instructions, and that they not mention any specific prisoner or air craft and include nothing in the envelope except a letter begging for humane treatment of the prisoners. Let The Bible Speak

"COME UNTO ME . . . AND I WILL GIVE YOU REST"

Edwin J. Myers, Evangelist

The supreme gift of heaven stands in front of man with arms ever open saying, "Come unto me, all ye that labor and are heavy laden, and I will give you rest" (Matthew 11:28). Why? There must be a reason for this being expressed by the Son of God; and, there is. The reason is that man stands before God in a L-O-S-T state because of his sin, "There is none righteous, no, not one" (Romans 3:10). "For all have sinned and fallen short of the glory of God" (Romans 3:23). It is a tragic thing to think of one being physically lost and unable to find his way back to safety but it is even sadder when one is spiritually lost and DOESN'T KNOW THE WAY TO SAFETY !!! Sin separates us from the fact of God (Isaiah 59:1-2) and every man needs to be reconciled to Him. This is the reason Jesus came to this earth; to seek and save man from his lost condition (Luke 19:10). He is the way to God (John 14:6).

In Ephesians 2, Paul tells us that before Christ made us alive we were DEAD in our trespasses and were walking according to the course of this world. And John exhorts us by telling us that we are not to love this world or the things in it (I John 2:15-17). Then in Romans the 7th chapter Paul shows us the man who is controlled by sin. He gue, Mrs. H. A. Cagle, Mrs. Couch, tries to do the things that are right but ends up doing that which is wrong and when he does that which is wrong he knows within himself that he shouldn't be doing that very thing he states, "So now it is no Miller, Mrs. Wayne Nance and more I that do it, but sin which dwelleth in me continues until he cries "WRETCHED MAN THAT I AM! Who shall deliver me out of the body of this death?" (Romans 7:24). Sin brought death and Paul wanted deliverance. Deliverance so bad that he considered that dead state that he was in a WRETCHED state !!! But where is the answer to his question, "Who shall deliver me?" Is there anyone able to do so? Emphatically YES!!! Verse 25, "I thank God through Jesus Christ our Lord." There is the answer, Jesus Christ. He is the Saviour of His people, (Matthew 1:21), He came to save sinners (I Timothy 1:15). That's beautiful, and you know why? Because that's us . . . you and me ! Remember our reference earlier to Romans 3:10,23. No one says that he does not sin because ALL sin. John says that we cannot say that we do not sin or that we have not sinned, read I John 1:8-10.

But, as Paul continues in Ephesians 2 he tells that Christ saved both Jew and Gentile by his death on the cross. The middle wall of partition has been broken down and one new man has been created in Christ Jesus (Galatians 3:26-29). Paul ends with this lovely thought, "so then ye are no more strangers and sojourners, but ye are fellowcitizens with the saints and of the household of God" (Ephesians 2:19). Then he proceeds to tell us that we are all of one building.

But Paul also answers himself in the context of the same book of Romans when he says, "There is therefore now no condemnation to them that are IN Christ Jesus." No wretched condition, no condemnation, no lost state, but ALIVE; ves, alive in Christ Jesus! For when we begin the new life in Christ Jesus we rise to walk in a newness of life or a new state of life (Romans 6:1-6; 2 Corinthians 5:17).

QUESTION? Are you in a lost, wretched, condemned state? The Bible says, "He that believeth and is baptized shall be saved" (Mark 16:16). Won't you render obedience lest you be found lost? Think about it, the wages of eternity are too high a price to pay for your

Seniors Hold General Election

by Annette Williams On Tuesday, November 3, the senior government class held its own General Election. Many of the Seniors are now 18, or soon will be, so voting in an election was considered good practice.

Rampley, superintendent of Silverton High School, to speak I know where to put man but I'm for them. The proposal concerned the removal of justices, judges and justices of peace under prescribed conditions.

What Is Love ??

What is love? No words can define it, It's something so great Only God could design it . .

Beyond man's conception, And only in God For love means much more For what man calls love

His compassionate love . . . For love has become A word that's misused, Perverted, distorted To speak of "light romance Or some affinity for A passing attraction That is seldom much more Than a mere interlude Of inflamed fascination. A romantic fling

Of no lasting duration But love is enduring And patient and kind. It judges all things With the heart, not the mind, And love can transform The most commonplace Into beauty and splendor

And sweetness and grace . Giving more than it takes, And no matter what happens Love never forsakes, It's faithful and trusting And always believing, Guileless and honest And never deceiving .

Yes, love is beyond What man can define, For love is Immortal And God's Gift is Divine.

Senior Rings Arrive

The long-awaited Senior rings arrived last Thursday. Although a deposit had been paid, the Seniors had to wait until Friday morning to get their rings. They found the last day was the hardest day of waiting. It had been bad enough in past months, but knowing the rings were in Mr. Rampley's office made the waiting almost unbearable.

They have the rings now, and once again the boys have the last laugh. The "t" in Silverton is missing from the girls' rings.

Maybe we should change the name of the town to "Silveron" so the girls would be able to keep their Senior rings!

For the Football Brunch Bunch

While their sports-mad husbands are glued to their televiion sets, more and more wise wives are turning Sunday afternoons into an occasion for the idies to get together, and do their own thing. Sewing bees, needlepoint sessions and crewel work lessons all have their place and give the girls something to lo, instead of watching football. Barbara Mahoney, the Wise Foods party advisor, beats the football blues by starting Sunday with brunch-scheduled early enough to let the men watch TV. It's an occasion that gets everyone together, without the strain of more formal entertaining. The est brunches are planned around a main course that's hot and tasty, yet light. Quiche Lorraine - cheese pie with an Alsatian accent—is one good idea. For a switch from cookbook stand-ards, substitute Wise potato chips for flour in the crust, blending with butter until crum-bly-fine. If you don't already have your own favorite Quiche recipe, here's one from Mrs. Mahoney's files that you'll like.

WISE QUICHE LORRAINE

1 cup crushed Wise potato chips 1 Tbsp. butter 1 package Swiss cheese, diced

1 small onion, sliced in rings

Make crust by blending butter with potato chip crumbs until mixture is crumbly-fine. Press into pie plate, covering sides and bottom. Cover bottom of crust with half the Swiss cheese. Arrange onion rings over the cheese. Add rest of cheese. Beat egg with sour cream until smooth. Add oregano and pepper. Pour over pie. Bake at 375° for 20 minutes, then at 425° for 10 minutes, until firm. Cut in wedges. Serves four.
