

# Firemen Need Help Of Rural Residents

by Mary Ann Sarchet  
 Silverton Volunteer Firemen were engulfed by the helpless feeling that overcomes one when he is powerless to remedy a tragic situation Saturday night as they watched the Rex Vaughan residence being destroyed by fire. It was one of the most total disasters that has befallen anyone in this area in a long time.

The firetruck carried 500 gallons of water to the fire, but this amount of water fell short, by quite a lot, of being enough to extinguish the blaze. A second truck, carrying an additional 350 gallons, arrived after the supply in the first truck had been exhausted and was too late to do any good.

For a long time I have heard our firemen worrying about their inadequacy in the rural areas—this fire just happened to be terrible enough that the men have resolved to try to do something about it—to try to keep this from happening in the future.

There are sources of water in the country that could be used by the fire department if the firemen had the knowledge and cooperation they need and a pump for utilizing whatever source is available.

The men have figured out a way to use a pump they have; they have made plans to store the pump in the car in which their coats, boots, hats and other equipment are taken to fires.

The cooperation of rural residents is now being requested. If you would help the Volunteer Fire Department by furnishing water to help extinguish a fire on your farm or at a neighbor's (you might be willing to furnish the water but you might be away from home at the time of a fire) will you please at your earliest convenience go by the City Hall and show Jerry Patton on a map exactly where you could furnish water in case of emergency? The firemen need this information in

advance to prevent costly delays. Jerry can explain to you the details as to what kind of water supply the department could use. Please don't call him on the phone and try to tell him; go and pinpoint it on the map. The time you invest in doing this could spare your family or friends the heartache that the Vaughan family is presently suffering.

## Local Tailor Shop Now In Operation

City Tailors in Silverton is now open for business again after having been closed for about a year. Mr. and Mrs. Winston Hamilton, who are operating the shop, have announced that they are open Mondays through Fridays from 8:00 a.m. until 5:00 p.m.

## Pre-Schoolers Register January 29

The annual round-up day for pre-schoolers who will be six years old before the first day of September and will enter the first grade next fall will be held on Friday, January 29.

Children who are presently in the first grade will not go to school that day.

Mothers are asked to bring the child's birth certificate and 50c for his lunch in the school cafeteria. The children will be registered, will remain for lunch, and the mothers are asked to pick them up at 11:30 a.m.

## White Receives Army Commendation

Staff Sergeant Kenny A. White, son of Mr. and Mrs. Wilson B. White of Tullia, received the Army Commendation Medal recently at Fort Devens, Massachusetts, for meritorious service with the U. S. Army.

Sgt. White received the award while serving as a motor sergeant with headquarters company, U. S. Army Security Agency at Fort Devens. He entered the Army in September 1966 and completed basic training at Fort Bliss, Texas.

His wife, the former Wanda Sue McDaniel, lives in Silverton.

# County Fat Stock Show To Be Held Saturday

The 1971 Briscoe County Fat Stock Show will be held Saturday, January 16, 1971, according to an announcement by Jackie Johnson, Briscoe County Agricultural Agent.

Official judge for the show will be John Paul Jones of Olton, vocational agriculture instructor.

Opening at the show barn on Friday afternoon and must be in place by 8:30 a.m. Saturday. The show will get underway at 10:30 a.m. with the judging of swine. The sheep judging will begin at 1:00 p.m. and steer judging will follow at 1:30 p.m.

The Board of Directors for the 1971 show is composed of Pascal Garrison, chairman; Don Burson, secretary-treasurer and superintendent of the 1971 show; Pat Northcutt, announcer; Leland Wood, Bud Vaughan, Leo Comer, Glen Lindsey, Walter Bean, Kenneth Tate, Jack Strange, Shafe Weaver, Raymond McJimsey, Jackie Johnson, Art Sommerfeld and Fred Kellum.

All exhibitors of animals must be members of active F.F.A. chapters or 4-H clubs in Briscoe County. There will be six classes of barrows in the swine division. The

barrows entered in the show must weigh between 170 and 240 pounds. There will be five classes of lambs, including fine wools, cross breeds and medium wool. There will be one class of steers (market) and the final class of the day will be showmanship.

Everyone in Briscoe County is invited to attend the stock show Saturday to see the 4-H club members and F.F.A. members exhibit the projects on which they have spent so much time the past few months, Mr. Johnson said.

**AMARILLO JUNIOR FAT STOCK SHOW IS JANUARY 22-27**  
 The Amarillo Stock Show will be held January 22-27, 1971. Many of the animals shown at the Briscoe County Stock Show will also be exhibited and sold at the Amarillo Show.

Animals will be taken to Amarillo on Friday, January 22, 1971. The show will begin on Sunday, January 24, at 8:00 a.m. with the judging of market barrows. Steers will be sifted and weighed on Sunday also. Judging of steers will begin at 8:00 a.m. Monday, January 25, and judging of lambs will begin at 9:00 a.m. Monday, January 25. The 4-H and F.F.A. Lamb

barrows entered in the show must weigh between 170 and 240 pounds. There will be five classes of lambs, including fine wools, cross breeds and medium wool. There will be one class of steers (market) and the final class of the day will be showmanship.

The new thing in sewing is trim! A visit to a piece goods or fabric department will establish this fact. Trims for fabrics from burlap to satin can be found. Others are especially made to coordinate the fabric.

Embroidery or ruffling has been done for you on matching narrow widths. These can be inserted into the garment wherever your whim or pattern decides. Matching trims are often displayed with the fabrics to give you ideas on how to use them.

Other trims include braids, tassels and fringe. They can be applied to the garment or used as the belt or part of the decorative trim of the belt.

Some present day styles of tunics, vests and weskits are held together with frogs, buttons and loops, and buttons and chains.

For a more feminine look, there are laces, beading, sequins and paillettes. Use imagination when trimming a dress or ball gown. Search until you find the right trim. An inexpensive fabric can be dressed up with the perfect bit of trim. Delicate beading can

 The 4-H Club had a meeting Thursday, December 10, 1970. It was started by Dave Francis leading the Pledge of Allegiance, and Kirk Durham leading the 4-H Club Motto.

A Christmas party was given by Mrs. Claude E. Jarrett and Naomi Hunt. For refreshments we had Cokes and Christmas cookies. Our entertainment was playing games and listening to records. The best game was guessing the amount of jelly beans in a bag. Donna Hale's guess was the closest with 650. There were 659 in the bag.

The party was enjoyed by everyone. Thank you, Naomi Hunt and Mrs. Jarrett.

serve as shoulder straps. Wide braid or jeweled trim can emphasize a tiny waistline. Jeweled buttons can accent tabs or closings.

When selecting trims, keep in mind the textures and colors should harmonize. Heavy braids would be unsuitable for chiffons or voiles. Metallic trims would be out of place on piques. Check the care instructions on the trim. Make sure you can care for it as you would the rest of the garment. If you have to give the trim special care be sure you know before you buy.

Be creative in your sewing and use a special trim to make your next garment "out of the ordinary."

**WINTER THOUGHT**

At least once during every winter season, when the wind is especially biting and the temperature below freezing, the thought of George Washington and his troops at Valley Forge comes to mind. According to all accounts, this was a situation almost beyond imagination. Food and clothing were in short supply and sickness and disabilities were prevalent. At one time, according to Washington's own records, about one of every four men was unfit for duty. There were a few who deserted the camp for more comfort, but the majority stayed and went on to win the war that made this an independent nation.

That terrible winter at Valley Forge was a long time ago and seems remote to us as we sit snugly warm in the comfort of well-heated homes. But let us occasionally think about the heroic efforts, the sufferings and deprivations of some of those that have made our great nation a reality and be thankful.

Our priceless heritage embodied in the flag of the United States, is as alive today as it was when written for the ages in the Declaration of Independence and the Constitution. It stands for all the world to see and for all Americans to cherish. And in the tradition of Washington, Jefferson, and Hamilton, we, too, have a privilege, a right, and a duty. While we may disagree as to the methods, we should not disagree as to the goal - that of preserving the greatest democratic society the world has ever known. Our flag is a symbol, not of sentiment, but of history, the history of men and women willing to live and die for it. Surely this willingness is with us still, because daily we experience more of the blessings that are ours - ours because we are Americans.

### Ferry Do-Tell

Year is 14 days old today. Have you done so far? What are your plans? Every year people set out with all new resolutions and ambitions, aims, and fizzle out within a few weeks. It's the old day in day out excitement routine.

You're not going to get anywhere if you don't start out with a positive attitude. Like I've heard people say, if you aim at nothing that's exactly what you're going to hit. It's like trying to get a house without plans. All you get is a fumbled nothing and wonder why. A person needs to sit down and think about what he would like to accomplish in his life; set certain goals and work for himself; then start out this year to reach them. Even if it's a little thing like trying to control your temper, it's a start.

Don't you envy people that seem to have a purpose in their lives? So are going in a certain direction toward something they are trying to achieve? The successful people in life are the ones who know where they are going and why.

### Owls, Owlettes Absorb Losses In District Games

The high school Owls and Owlettes lost their games to the Wheeler Mustangs and Mustangettes here January 5. Both games could have gone either way, but the ball just wouldn't bounce the way of the Owls.

The Owlettes were the first to go down. They took a quick lead and looked as if they were in command of the game; then disaster struck. The basketball just would not go in the basket or stay in the Owlettes' hands. Evelyn Wood got 37 points to lead the scoring, but it wasn't enough. The final score was 64-47 in favor of the Mustangettes.

The Owls played in a closer game. The score was never more than six points out of the reach of either team until the last few minutes. The Mustangs took their second win of the night with a 43-36 score. Alvin May got 14 points for the Owls.

January 8, 1971 goes down in history as the day of one of the worst defeats the Owlettes have suffered. The Owls were idle on that night, but the Owlettes took on the Canyon Eaglettes, one of the area AAA powers. They showed their skills to the Silverton team while they played host in the Canyon High School gym.

A strong defense and fine shooting was too much for the Owlettes. The Eaglettes never lost control of the game as they defeated the Owlettes 74-22. Evelyn Wood led the Owlette scoring with 16 points before fouling out.

Saturday morning the B-team Owlettes played the B-team from Alamo Catholic in Amarillo. The game was a first victory for the Owlettes. Colene Culwell sank 23 points as the Owlettes won 42-38.

### Teams Take Two From Lakeview

The Silverton Junior High basketball teams came out victorious last Thursday night when they played Lakeview here. This was the second time this year the Owls and Owlettes have played Lakeview. In their first games both teams also recorded victories.

The Junior Owlettes played in a low-scoring contest which looked for awhile like it would be decided at the free-throw line. The Owlettes never lost their cool though, and came out on top, 20-5. Daria Strange led the Owlette scoring with 10 points.

The Junior Owls started off fast. Lakeview went ahead with a fast break and took advantage of many Owl mistakes. The Owls were not to be denied the victory, and won the game 34-22. Harlard Vaughn led the Owl scorers with nine points.

Mrs. Thornton's chemistry classes saw a film about the breaking down of oil molecules on Thursday, January 7, 1971.

The breaking down of oil molecules would produce things from oil which most people wouldn't imagine. These things include rubber, man-made stones and a substance to make water thicker for fire-fighting purposes. Another substance clears muddy water. A way has also been discovered for extracting oil from water.

1921-1971

■ They say that the first 50 years are the hardest but for us the next 50 will be even harder — it's our intention to make it so. It's our intention to work even harder than ever to continue bringing to you the finest electric service at the lowest possible cost and in a socially responsible manner.

■ So long as we do that you'll continue to be a valued and satisfied customer.

## Church of Christ

SILVERTON, TEXAS

### Let The Bible Speak

Edwin J. Myers, Evangelist

IS CHURCH MEMBERSHIP NECESSARY?

There are many honest people who believe that the church is non-essential to salvation; that is, it doesn't matter which church you belong to as long as you are sincere and honest about your religion. This doctrine has developed as a result of the multiplicity of churches that have begun since Christ established his church in Jerusalem on the Day of Pentecost. IN THAT DAY EVERY SAVED PERSON BELONGED TO CHRIST'S CHURCH!

It is sometimes thought that one can be saved outside the church which is the family of God (1 Timothy 3:15). To those who respect God's Word, the church is where salvation is found. Since the churches of Christ are patterned completely after God's Word in name, organization, worship, membership, and mission; and since every saved person belonged to the Lord's church in the beginning, it stands to reason that every saved person belongs to His church today. "And the Lord added to the church daily such as should be saved" (Acts 2:47).

The Bible declares that there is only one fold (John 10:16). It also affirms that Christ is the head over the church, which is his body (Ephesians 1:22-23). The Bible further states that Christ reconciled man unto God in one body (Ephesians 2:16) and that he is the Savior of the body (Ephesians 5:23). THE ONLY ONES CHRIST HAS PROMISED TO SAVE ARE THE MEMBERS OF HIS CHURCH! HIS BODY!

A person does not do one thing to be saved and a different thing to become a member of the Lord's church. The same action which makes one a Christian (faith, repentance, confession of faith, and baptism) also, at the same time, puts him into the church of Christ. For the scriptures declare: " . . . the Lord added to the church daily such as should be saved" (Acts 2:47) and: "For by one Spirit are we all baptized into one body". That body is the body of Christ (Read 1 Corinthians 12:12-24). Because of these positive statements from the Bible there is no salvation outside of Christ's body — the New Testament church of Christ.

We invite you to worship with us.

CARD OF THANKS

We want to thank everyone, the firemen and all who came to help, for everything they did to help us when our home burned. We would especially like to thank Aunt Mabel and Ronald for taking us into their home.

Your friendship, love, prayers and thoughtfulness are appreciated more than words can express. Rex and Bessie Vaughan and children

Thank you so much for your thoughtfulness while I was in the hospital and since I have been home. Your visits, flowers, cards and food were greatly appreciated. Eunice Yates

We cherish the memory of your kindness and friendship at the time of the loss of our loved one. The family of Neale Crawford
