**All Around
the Town**
by Mary Ann Sarchet

This summer we have been en-
joying the delights of having a
mockingbird in our neighborhood.
You can hear his happy trills morn-
ing, noon and night, and I have
enjoyed sitting outside the house
or having a window open to listen
to his melody.

The mockingbird is Texas' state
bird. The remarkable singer is
usually 9-11 inches long, is a cham-
berlain mimic who mimics a score or
more of other species. He is long
and slender, gray above and whit-
ish below with large patches on
his wings and tail. He is conspi-
cuous in flight, and resides
throughout Texas.

The mockingbird was officially
recognized as the state bird of Tex-
as by the Fortieth Legislature in
1927 at the request of the Texas
Federation of Women's Clubs.

If you have children in your
family who like to "hunt birds"
with B-B guns, please tell them
about song birds being protected
from hunters. Actually, these days
many of the small birds are pro-
tected by law. This now includes
the field larks and others which
the law considers are more help-
ful than they are harmful.

Arnold Places Second In Steer Roping Event

Ropers from several states ar-
rived with mixed emotions at the
Cobb - Wheeler - Mote Areen at
Tulia over the Memorial Day week
end to compete in the Eighth An-
nual Memorial Day Steer Roping
Sunday afternoon. Clouds heavy
with rain since Wednesday
brought joy to Swisher County resi-
dents after many months of dry
weather, but to many ropers that
meant endangering the safety of
their horse and themselves in an
arena "too wet to play." Many
however, felt that anything was
worth a try if rain was received
in a drought stricken area.

Winner of the Swisher County
Activities Association's Eighth An-
nual Memorial Day Steer Roping
was Tim Prather of Chico. Prath-
er's time was 25.5 in the first go,
31.7 in the second go, 20.7 in the
third go and 28.9 in the fourth go.
Coming in for second place was
Walter Arnold of Silverton with
18.4 in the first go, 14.9 in the se-
cond go, 18.0 in the third go, and
36.1 in the fourth go.

Third place was taken by Mar-
vin Cantwell of Nara Visa, New
Mexico. His time was 48.6 in the
first go, 20.5 in the second go, 32.2
in the third go and 13.8 in the
fourth go. The 13.8 was also the
fastest time for the day.

Fourth place went to John Mil-
ler of Pawhuska, Oklahoma. Mil-
ler's time was 20.7 in go one, 20.0
in go two, 62.3 in go three, and
21.9 in go four. This was Miller's
first time to enter the Tulia steer
roping.

In the first go-round, Jim Bob
Altizer of Del Rio placed first;
Walter Arnold, second; John Mil-
ler, third, and Tim Prather, fourth.

In go-round two, Walter Arnold
placed first; Bud Upton of San An-
gelo, second; John Miller, third,
and Tim Prather, fourth. In the
third go-round, Allen Keller of
Olathe, Colorado, placed first; Jim
Bob Altizer, second; Walter Ar-
nold, third, and Tim Prather,
fourth. In the fourth go, Marvin
Cantrell placed first; Bud Upton,
second; Tuffy Thompson, third,
and John Miller, fourth.

Walter Arnold had the second
best time of the day with 14.9.

The rain-soaked arena played
havoc with good luck for such
champion ropers as Clark McEn-
tire, Kiowa, Oklahoma; Sonny Da-
vis of Kenna, New Mexico; James
Allen of Santa Anna and Jim Pra-
ther of Post. Some withdrew from
the roping due to adverse condi-
tions created by the weather. Oth-
er ropers who usually come in for
winnings were hampered by the
weather also and such well-known
ropers as Ab Deakins, Oklahoma
City; Billy Frank Good, Caprock,
New Mexico; Randy Burchett, Pry-
or, Oklahoma; Dr. T. K. Hardy, jr.
Denton; F. C. Stanger, Las Vegas,
Nevada. Roping in this steer event
for the first time was Wade Lewis
of Hereford, a promising young
cowboy, and Ronnie Sewalt of
Chico.

Awards Presented At Graduation Exercises

Susie Parker Is New Worthy Advisor Of Silverton Rainbow Girls

Susie Parker, daughter of Mr.
and Mrs. Charlie Parker, was in-
stalled as Worthy Advisor of Sil-
verton Assembly No. 304, Order of
the Rainbow for Girls, in a formal
public ceremony Saturday after-
noon at the Masonic Lodge.

Miss Parker chose "Happiness"
as the theme of her Summer Term,
and "Keep Smiling" as her motto.
Her flowers are carnations and
daisies, and an arrangement of
these flowers was used on the re-
freshment table at the reception
which followed the installation of
officers.

The colors chosen by the new
Worthy Advisor are blue and pas-
tel yellow, and her scripture is
Proverbs 3:5-6: "Trust in the Lord
with all thine heart, and lean not
unto thine own understanding. In
all ways acknowledge Him and He
will direct thy paths."

Installing officer was Charlie
Parker, and he was assisted by
Elaine Forbes, Marshall; Louise
Croft, Chaplain; Maxine LaGrone,
Recorder; and Frances Crass, Musi-
cian. Members of the installa-
tion committee were Ruth Ann
Cline, Julia Dickerson and Christi
Northcutt.

Officers installed, in addition to
Miss Parker, were Christi North-

cutt, Worthy Associate Advisor;
Julia Dickerson, Charity; Ruth
Ann Cline, Hope; Peggy Croft,
Faith; Louise Croft, Drill Leader;

Sunday in their home. Attending
were Mrs. Tom Scarborough and
Donnie and Woody Bishop of Am-
arillo; Mrs. J. B. Nance, Mr. and
Mrs. Olan Grant and Patsy, Mr.
and Mrs. James Grant, Donovan
and Allan, Mr. and Mrs. Bill Grant,
Penny, Kelly and Randy, Mr. and
Mrs. J. D. Boedeker, Nanda, Rob,
and Stephen, all of Plainview; Mrs.
Hugh Nance and Juannah.

Lewis of Hereford. Thompson
came through for first with his
time being 166.9 on eight calves
and Lewis' time was 205.2 on eight
calves.

JACKPOT CALF ROPING

In the Jackpot Calf Roping Sat-
urday afternoon, Jim Bob Altizer
placed first in go one; Tuffy
Thompson, second; Walter Arnold,
third, and Ab Deakins, jr., fourth.

In the second go, Jim Bob Alt-
izer again took first and Wade Lew-
is second. Coming in third was
Walter Arnold and fourth Tuffy
Thompson.

Placing first in the average was
Jim Bob Altizer; Tuffy Thompson,
second; Walter Arnold, third, and
Wade Lewis, fourth.

A capacity crowd was present
Saturday night at the western
dance with Tiny Lynn and his
band from Clovis, New Mexico fur-
nishing the music. Saturday night
the rains came again, but Sunday
morning the sun was shining and
again a capacity crowd was pres-
ent. Hearts were grateful for the
much-needed moisture and a more
responsive crowd could not have
been found than this one was.
John Mann of Lubbock was an-
nouncer for the weekend of activi-
ties.

A concession stand was in op-
eration for all activities by the
Love and Alexander home demon-
stration clubs. Chairman for the
events was Corky Berry. Tim Tuck-
er was co-chairman. Boyd Young
and Wendell Simpson were chair-
men for the dance.

Awards presented to Silverton
High School students at the grad-
uation exercises May 28, included
the following.

Alvin May, valedictorian with an
average of 93.70, received the En-
glish, physics, Readers Digest (one
year subscription) and valedictor-
ian's award (scholarship to any
state-supported college). He also
received an award for being best
all-around boy, president of the
Student Council, and a scholarship
award from the Texas Council of
church-related colleges for being
the highest-ranking Senior boy.

Lanis Davis, salutatorian with
an average of 92.56, received a-
wards for being best all-around
girl and a cheerleader. She also re-
ceived a scholarship from the Tex-
as Council of church-related col-
leges for being the highest-ranking
Senior girl.

Barbara May received the short-
hand, bookkeeping, Spanish, Am-
erican Youth Foundation, I Dare
You Leadership, and Daughters of
the American Revolution Good Cit-
izen awards.

for being named outstanding stu-
dent by the high school faculty,
and the American Youth Founda-
tion "I Dare You" award.

Selby Rites Conducted In Amarillo Saturday

Funeral services for Robert A.
Selby, who died Thursday after-
noon at Thurmon's Convalescent
Home in Amarillo, were conducted
at 4:00 p.m. Saturday in the Polk
Street Methodist Church.

Burial was in Llano Cemetery.
Mr. Selby was assistant super-
intendent in the Amarillo Schools
from 1950 until his retirement in
1968. He was married to the for-
mer Jewel Montague, who survives
along with a son, a daughter, a
brother and two grandchildren.

He was a brother-in-law of Jack,
Marvin and Gordon Montague and
Mrs. Vinson Smith, all of whom
attended the services. Among oth-
ers attending were Mrs. Stella Da-
vis, Mrs. Marlin Jarnagin and Miss
Annie Bryant, of Silverton; Mr.
and Mrs. Jim Smith of Hollis, Ok-
lahoma; Mr. and Mrs. Benny Mon-
tague of Tulia.

Swim Lessons To Begin On June 28

Swimming lessons will begin at
the Silverton Pool on June 28.
Those planning to take lessons
must be signed up by June 18.

Contact Jim Walker, 2466, or

at the Silverton Ball Park.

Regional Lawmen Graduate From Police Training Class

"Even if you have the best pol-
ice equipment, you can't do an
adequate job without public sup-
port," Gordon Shanklin told the
23-member regional police train-
ing graduating class last Friday.

Shanklin, special agent in charge
of the Dallas office of the FBI,
spoke at the graduation-luncheon
ceremonies conducted at the Am-
arillo College School of Vocational
Arts.

He told the class of the impor-
tance of an enthusiastic public
backing and of the necessity to up-
grade their efforts and keep up
with changes being made.

Shanklin told the 23 students
from throughout the Panhandle to
"never let your personal feelings,
prejudices and friendships influ-
ence you in doing your job."

He told the men that if they are
not sincere in their work and if
they don't get satisfaction from it,
they should not go on with police
work.

Judge C. L. Abernethy of Am-
arillo, criminal justice coordinator
for the Panhandle Regional Plan-
ning Commission, told the class,
"You may have started into law
enforcement work by accident but
you have now become professional
law enforcement officials."

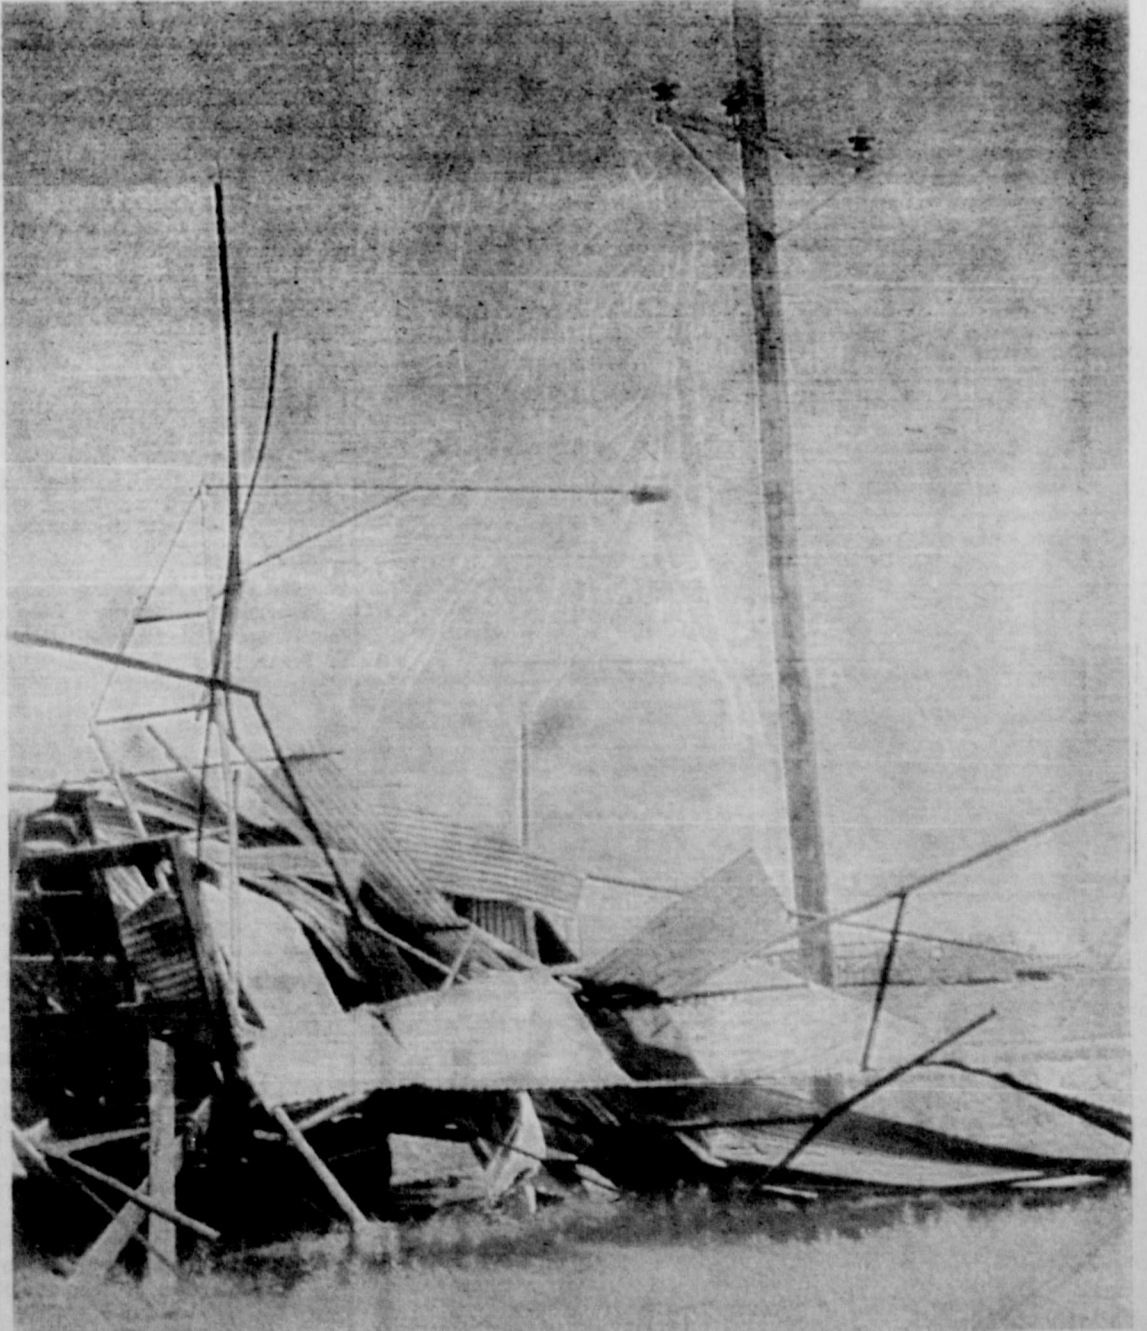

Dr. A. B. Martin, president of
Amarillo College, presented certi-
ficates of completion to O. C.
Maples of the Silverton Police
Department and 22 other new law
enforcement officers.

About 60 persons, including re-
latives and friends of the gradu-
ates, attended the graduation.

The first 140-hour basic training
class graduated 17 students in
January.

Students attended the school on
scholarships provided by the
PRPC with Criminal Justice Coun-
cil funds channeled through their
offices.

City Marshal Maples is now on
the job in Silverton.

WAS IT A TWISTER? Cotton trailer sheds
were demolished and twisted in high-line
wires shortly after 3:00 a.m. Sunday,
resulting in a power blackout in the City of
Silverton for over four hours. The leg at Sil-
verton Co-Op Elevator was bent and plastic
pipe scattered at Rhode Pipe Co. In addition
limbs were torn off many trees and some
television antennas went down as the wind-
storm swept over the city, dumping about
half an inch of rain. Total rainfall for May
was 2.65.

Education Committee Organized April 24

A group of farmers and ranchers met at the Ramada Inn in Sherman April 24 to discuss the political future of Texas, and those present seemed aware of the fact that if farmers and ranchers are to have a sympathetic ear in the state legislature and with Texas congressmen, they must begin to educate the state's agricultural community as to the important issues and support the political candidates who will work in the interest of the state's family farm and ranch operators.

The Texas Agricultural Political Education Committee was formed at the meeting. Its purposes, as stated in the minutes, are as follows:

1. The TAPEC shall undertake by any and all lawful means to educate the agricultural community and rural citizens of the importance of their political involvement and to promote and encourage rural people to be informed and discharge their political responsibilities.
2. The Committee will encourage persons of voting age to qualify themselves to participate in state and national elections and to involve themselves in political party activities as candidates, party officials, or workers.
3. The Committee will urge the development of political leadership and will stimulate broad, general interest and knowledgeable participation in political campaigns.
4. The Committee was authorized to solicit a voluntary contribution of funds and was prohibited

Produce carloads of sorghum with NK 222

Growers report 1,000 to 1 return

Successful NK 222 growers like Alvin Meyer have produced over 1,000 lbs. of grain from every pound of seed planted. Meyer seeded 8 lbs. of NK 222 per acre and harvested 6,906 lbs. of grain. Check these carload producing features:

- Rich reddish-yellow grain
- High test weight - up to 64 lbs.
- Excellent drought tolerance and smut resistance
- Large berries, roll and flake easily
- Low fiber content - high digestibility
- Excellent threshability

NK 222 is planted by more farmers than any other grain sorghum. Order your seed today.

OES Officers To Be Installed June 11

Open installation of officers for Silverton Chapter No. 900, Order of the Eastern Star, will be held at 8:00 p.m. Friday, June 11, at the Masonic Lodge.

Mary Ann Sarchet is Worthy Matron-elect, and Charles Sarchet is Worthy Patron-elect. Lois McKenney and Charlie Parker are to be installed as Associate Matron and Associate Patron; Pat Whitfill, Conductress; Grace Vaughan, Associate Conductress.

Installing Officer will be Dorothy Bomar. She will be assisted by Elaine Forbes, Marshal; Mae Bomar, Chaplain; Carolyn Montague, organist, and Lula Bellinger, Secretary pro-tem.

The public is invited to attend.

PRACTICE PLANNED

A practice for the installation is

from engaging in any kind of trade or activities for a profit.

The charter members of the Texas Agricultural Political Education Committee elected the following governing board: Jay Naman, chairman; Joe Rankin, vice-chairman; Elizabeth Doshier, secretary-treasurer; W. R. Breeding, Samnorwood; Beryl Long, Silverton; Foy Mitchell, Roby; Jerry Warren, Gorman; Albert Kresta, Jr., Wharton; Jack Norman, Howe; J. W. Haddux, Hewitt; Vernon Chandler, Midland; and David Samuelson, Manor.

A committee of any three members of the governing board, appointed by the chairman, may approve the expenditure of funds.

It was decided that the minimum contribution to the TAPEC would be \$5.00, and \$264.00 was contributed by those attending the charter meeting.

The elections of 1972 may be the most important in history to farmers and ranchers of Texas. Such issues as rural taxation, land use, water conservation, pesticide use, and ethics are becoming of more and more concern to rural people. We will have an excellent opportunity to influence the election of honest politicians, sympathetic to our needs, by putting together a substantial fund in the TAPEC. All members of the governing board are volunteers and receive no compensation for their time and efforts. All the money which is contributed to TAPEC will be spent in productive effort for the purposes stated above.

Ronnie Graves won first in barrel racing and first in steer riding in both go-rounds of the Happy Junior Rodeo recently. He won two belt buckles for the best average in both events.

W.S.C.S. HOSTS GOING-AWAY SALAD LUNCHEON HERE

The W. S. C. S. of the United Methodist Church hosted a salad luncheon and going-away party for Mrs. J. S. Hinds, who is moving to Hedley with her husband, on Tuesday.

Mrs. G. Mayfield presided at the business meeting, and gave the devotional from Psalms.

The luncheon was served in the church fellowship hall, with 14 members present.

Marker Unveiled In Cemetery Here

On Memorial Day, May 30, approximately 175 descendants of William Moten Vaughan gathered in Silverton to honor his memory and attend an unveiling of a marker commemorating his service in the Texas Rangers and as a Confederate soldier.

His only surviving child, C. R. (Uncle Nealy) Vaughan and his wife, Aunt Noma, came from Santa Barbara, California, to participate in the reunion. Young yet at 81 and strong in determination, Uncle Nealy and his wife drove 2600 miles, visiting friends and relatives enroute to Silverton.

Prior to the graveside ceremonies, a basket lunch was spread at the Silverton School Cafeteria. Descendants of all 11 children of the late W. M. Vaughan were present.

The ceremony which began at 3:00 p.m. in the Silverton Cemetery was presided over by Simmie Vaughan, a grandson, of Happy. The invocation was given by a grandson, Travis Flowers of Perryton.

Eugene Vaughan, a grandson who lives in Silverton, welcomed the relatives and friends. The ribbon cutting was done by C. R. Vaughan, assisted by a grandson, Charlie Freeman.

Grandson Cecil Vaughan, a former pastor of the Assembly of God Church in Silverton, now of San Angelo, gave the dedication address. Other relatives present gave recollections and memories of Grandpa Vaughan.

Lloyd Stephens, another grandson from Silverton, gave the closing prayer. C. R. Vaughan placed a long-stemmed rose on each of the graves of his parents.

The idea of placing a marker on his grandfather's grave originated with a grandson, Charlie Freeman, of Pearl, Texas, who contacted the Historical Society of Texas and the Texas Rangers and received permission to place the plaque.

Descendants of the Vaughan family were present from all parts of Texas, New Mexico and California.

Health Bulletin Issued To Parents

A new state law (5.B.27) was signed by Governor Preston Smith on April 26 and became effective immediately. This new law requires that children NOT be admitted to elementary and secondary schools (or institutions of higher education) unless they have been immunized against diphtheria, tetanus, rubeola (measles), rubella (three day measles), poliomyelitis and smallpox.

The purpose is to bring statewide uniformity into requirements for immunization of school children.

This year all first grade students must have a doctor's certificate or one from an approved health department, stating your child has had the above immunizations.

Weight Watchers To Meet In Tulia

Weight Watchers in Tulia will host an open meeting Monday, June 14, 1971, at 7:00 p.m. at the Farm Bureau Building, 319 SW Second Street.

Everyone with a weight problem is welcomed and encouraged to attend. Men, women, teenagers and children are all invited.

Mrs. Betty Bryant of Tulia will open the class. Betty has lost 50 pounds on the program, feels better and has more energy and zest. Her family say she ate her way thin on the Weight Watchers program. The plan is based on three full meals a day, and lots of snacks. Weight Watchers are interested in teaching people to eat right.

There will be a little listening and a little talking on a program that works.

Each member will be given a prescribed eating program that makes him lose weight, look better and feel better.

Junior Judo Work-Outs To Be Mondays

STORM WARNING SYSTEM

When a tornado alert is issued for the Silverton area by the Weather Bureau, four or more blasts of the fire alarm will be heard. At the same time, the tornado warning air horn will be sounded at short intervals and the new warning devices will be operated on their siren sound. This warning should alert residents to watch the clouds and be prepared to move to a place of safety.

TAKE COVER

If hooks, funnels or tornadoes are sighted which are considered by the Weather Bureau, DPS or private citizens to be potentially dangerous to the City of Silverton, the fire alarm and air horn will be sounded with a continuous blast and the "yelpers" will be operated. This will warn residents not only to watch the clouds but also to move to a place of safety.

FIRE ALARM

The fire siren sounded three times means there is a fire. One blast of the fire siren is used to call firemen to practice on the first and third Thursdays.

Silverton To Host Judo Tournney

The Silverton Judo Club is hosting a Judo Tournament in the Silverton School Gymnasium on Saturday, June 19.

Judoka parents will sponsor the tournament, and proceeds will be used to purchase additional mats and for fundamental expenses.

Weight-in for junior contestants will be held from 8:00 until 10:00 a.m.

Weight-in for the senior contestants will begin at 12:00 noon, with matches to begin at 1:00 p.m.

Weight classes for the seniors will be 139-154-176-205 and unlimited weight. Some weight classes may be combined at the discretion of the tournament director.

Trophies will be given to the Judoka placing first, second and third in each junior and senior division. There will be an overall championship trophy for the most outstanding senior Judoka.

A \$3.00 entry fee will be charged each Judoka.

MRS. HOLLAND E. TOLES III

Malone - Toles Vows Exchanged Recently At Tulia Church

Tulia (Special)—Miss Lougay Malone and Holland Edward Toles exchanged double ring wedding vows in a ceremony at 8:00 p.m. Saturday, May 22, in the First Baptist Church.

Officiating was Dr. Neil Record, pastor of the First Baptist Church in Lockney.

The bride is the daughter of Mr. and Mrs. Louis E. Malone. Parents of the bridegroom are Mr. and Mrs. H. E. Toles.

H. M. Baggary was organist, and Bill Keck, minister of music at the First Baptist Church, was

soloist for the wedding.

Providing a decorative setting for the ceremony was a white kneeling bench accented with orange bows in front of an archway covered with greenery. A heart wrapped with orange satin ribbon covered with orange carnations hung from the center of the archway.

Tapered candelabra with spread palm greenery and orange bows attached held white candles. On a table to the right an open family Bible lay in front of the candelabra holding the memory candle for the candle-lighting service. Pews were marked with white satin bows.

Given in marriage by her father, the bride wore a formal length gown of bridal peau de soie designed with scoop neckline, A-line silhouette and long, tapered sleeves. Re-embroidered inserts enhanced the bodice, sleeves and skirt. The Watteau train, which was attached to the shoulders, had tiny covered buttons which extended halfway down the train from the neckline to the waist.

Her veil of imported illusion fell from a coil of lace, seed pearls and sequins, and she carried a cascade bouquet of one symbidium orchid surrounded by white sweetheart roses with white streamers. White sweetheart roses were attached to the streamers.

For something old, the bride carried a white lace handkerchief that had belonged to her great-grandmother, the late Mrs. Flora Malone. She had a new sixpence, given by her mother, in her shoe and wore a blue garter.

Mrs. James Lanham of El Paso was matron of honor. Bridesmaids were Miss Gail Mayfield of Silvertown and Mrs. Jack Bullard of Amarillo.

Their sleeveless gowns of orange peau de soie were fashioned with V-necklines and floor-length A-line skirts. The empire bodices were accented with gold and orange braid. Headpieces were orange satin bows featuring streamers accented with pearls and tiny flowers.

Each attendant added long white gloves, white shoes, a single strand of pearls that the bride had given her and carried a long-stemmed white rose.

Tammy Cowan, cousin of the

bride, was flower girl and carried a white lace basket laced with orange satin and holding white rose petals. She wore an orange peau de soie floor-length dress pleated down the front, styled with puff sleeves and mandarin collar. She had short white gloves and a flower bandeau in her hair.

Lighting the candles were Hol Toles of Happy, cousin of the bridegroom, and Barry Cowan, cousin of the bride, Kenneth Ramsey, cousin of the bride, was ring bearer.

Serving as best man was Neil Nelson of Amarillo. Groomsmen were Steve Powell of Canyon and Larry Malone of Tulia, the bride's brother.

Guests were seated by Johnny Malone, brother of the bride, Ted Latham, Donald Ross Crocker, Ricky Landers, all of Tulia, and Richard Cone of Austin.

Cindy Toles of Happy, a cousin of the bridegroom, and Tanya Toles, his sister, registered guests at the wedding. The registration tables were covered with white cloths and each featured a silver bud vase holding a single orange rosebud.

For her daughter's wedding, Mrs. Malone wore an aqua acetate silk jersey sleeveless dress accented with wide hip bands of silver beads, a headpiece of matching flower whimsy, elbow-length white gloves and aqua shoes. Her corsage was a white orchid with pink throat and white roses.

The mother of the bridegroom wore a yellow silk coatdress and bone accessories. She wore a white orchid and white rose corsage.

Single long stem white roses, carried on the ring pillow, were presented to each mother.

Fellowship Hall of the church was the scene of a reception following the ceremony. Miss Tanya Toles cut the three-tiered white cake accented with orange rosebuds and topped with a miniature bride and groom.

Miss Labob Toles, sister of the bridegroom, poured the orange punch. Others assisting with the hospitality were Mmes. Sidney Hooper, E. D. Inglis, Lynn Cowan, Joe Cowan, W. C. Cowan, jr. and Neil Nelson.

The serving table was covered

DENE' FORD

Mr. and Mrs. Marvin Reynolds and grandson, Chris Sperry, were in Coleman for the graduation from kindergarten of Dene' Ford. The program consisted of a theme carried out for each important day of the months throughout the year. Their costumes were appropriate to the occasion. It was an outstanding program for such small children. Chris enjoyed the program immensely and would like to have been a part of it. He was given the costumes by Dene'.

The Billy Ray Fords and Reynolds journeyed on to Houston for a short visit with Jerry Reynolds and family.

ON DEAN'S HONOR ROLL

Ian Lanham, daughter of Mr. and Mrs. Johnnie Lanham, was listed on the Dean's Honor Roll at Texas Tech University for the Spring semester. She posted a 3.18 average.

She is attending the Summer term at Tech.

Mr. and Mrs. Lowell Callaway attended a Memorial Day Seminar at the Annie Street Church of Christ in Amarillo Saturday.

Bud McMinn apparently suffered a heart attack at his home Monday evening, and was taken to the Swisher Memorial Hospital by ambulance.

with a floor length white organza cloth that ended in a full ruffle overlaid with white lace caught at the corners with orange satin bows. Centerpiece on the table was a crystal candelabra holding three orange tapers and a white Bible opened to the book of Ruth. The bride's bouquet was added to the arrangement, and the attendants' roses lay at the corners of the table. Crystal appointments were used.

Before guests were served they were presented orange net rice bags tied with white satin ribbon from a table covered with a white satin cloth accented with small artificial orange roses entwined with satin. Tammy Cowan and Barry Cowan, cousins of the bride, took the rice bags from a white tree which was arranged on a mirror. Complimenting the arrangement was a small bride doll dressed in white satin and lace.

After a short wedding trip, the couple will live at 2400 Town Lake Circle in Austin. For traveling the bride changed to a pink lace dress and white accessories. Her corsage was taken from the bride's bouquet.

The bride is a junior nursing student at the University of Texas and the bridegroom will receive a BA degree this summer at the University of Texas. He is majoring in economics. Both are graduates of Tulia High School.

A rehearsal dinner was hosted by the bridegroom's parents at Dolly's in Tulia Thursday night, May 20.

Helps Shrink Swelling Of Hemorrhoidal Tissues

caused by inflammation

Doctors have found a medication that in many cases gives prompt, temporary relief from pain and burning itch in hemorrhoidal tissues. Then it actually helps shrink swelling of these tissues caused by inflammation.

The answer is Preparation H®. No prescription is needed for Preparation H. Ointment or suppositories.

Denim is no longer just the blue fabric that's rugged, coarse and dependable. For spring 1971, it's been refined.

The fabric is now found in cotton or cotton-polyester or woven or knitted designs in a wide range of colors. And permanent press finishes make its care an easy job.

With its new personality, denim dress, rainwear, jeans and pants all express the popular fashion moods of earthiness and naturalness.

The total denim look is sporty, so select patterns with top-stitching, flat felled seams, patch pockets and front closing to emphasize the denim look.

Denim is especially popular with home sewers because the fabric is easy to handle and requires no

NEWLY-REMODELED HOSPITAL SCHEDULES FORMAL OPENING AT BOISE CITY, OKLAHOMA

"Helping people who cannot help themselves," says Mrs. Mozelle Stodghill Purcell, is the greatest reward of her profession.

Mrs. Purcell is the laboratory and X-ray technician at the Boise City Cimarron County Memorial Hospital in Oklahoma.

The formal opening of the newly-remodeled and expanded hospital will be Sunday.

Mrs. Purcell was honored in 1970 by the American Radiology Technologists who presented her with one of five National Citation Awards in X-ray to be presented that year in the entire nation.

The citation reads, "In recognition of outstanding service and proficiency in the profession of Radiography Technology."

Mrs. Purcell said the award was made partly for her work in helping to start the Great Plains Chapter of American Radiology Technologists. She has served as president, vice president, secretary and treasurer of the organization.

"I can better serve God and humanity in this profession than in any other I have found," she said.

Besides her assistance to the hundreds of patients she has served, Mrs. Purcell has also helped to train about a dozen different high school students in lab and X-ray technology.

A native of Silvertown, Mrs. Purcell graduated from Silvertown High School. "I began working for Dr. Richard Mayer in his office there," she said.

Later she moved to Dalhart, and received formal training from the sisters at the Catholic hospital. While in Dalhart, she received her license as a practical nurse. The sisters began giving her training in X-ray and laboratory technology.

She worked in the Dalhart Clinic for three years before moving to Boise City in April 1956, 15 years ago last month.

In 1957, with her working experience and knowledge, she received her Laboratory Registry in American Medical Technology and the next year she took the test and passed her X-ray laboratory exam.

"I plan to stay with the hospital as long as I can. This is my home," she said.

special sewing equipment. But a few sewing hints can be helpful.

Work from the right side of the garment when top-stitching, lengthen the stitch to eight stitches per inch, and sew about one-fourth inch away from the seam edge. Top-stitching is best along side seams, at the hem, around the edges of collars, cuffs, pockets and down the front openings.

An almost straight seam is required to flat fell. To sew a flat felled finish, first reverse the normal seam by stitching it with the right sides out, wrong sides together. After pressing the seam open, press it again with both seams in one direction. Trim away the under seam allowance to one-eighth inch, then fold the top seam allowance to half its width. Stitch to the garment along the folded edge.

The flat felled seam is especially useful to prevent raveling.

Use other details to add interest to denim. At neck facings or under edges of hem, sleeves or pockets, face with one of the prairie prints. Select decorative zippers, sporty buttons or decorative gripper snaps for closings. Or, add an Indian or peasant print braid.

WRONG WAY

Remember back when a redheaded Irish-American lad from Galveston, Texas, filed a flight plan at a New York airport showing he intended to fly to California? He headed into the clouds and no one gave him a second thought until hours later when he landed on the other side of the Atlantic. This feat of endurance earned him a nickname, "WRONG WAY". Few will remember his name; it has long since been forgotten, but the nickname "WRONG WAY" still stands out in the minds of many.

Remember the many trial balloons which have been sent up to test the reactions of the American people? Many disagreed, but thinking someone else would head them off at the pass, took no positive action. As a result, another flight plan was ignored and the balloons went the WRONG WAY.

Remember—the only people who can get these flight plans back on the track and go right to the point of our many problems, NO MORE ZIG OR ZAG, are those who like to say in no uncertain terms, "I AM AN AMERICAN."

WRONG WAY can only complicate our everyday living; let's be CONCERNED!

Our priceless heritage embodied in the flag of the United States, is as alive today as it was when written for the ages in the Declaration of Independence and the Constitution. It stands for all the world to see and for all Americans to cherish. And in the tradition of Washington, Jefferson, and Hamilton, we, too, have a privilege, a right, and a duty. While we may disagree as to the methods, we should not disagree as to the goal—that of preserving the greatest democratic society the world has ever known.

Our flag is a symbol, not of sentiment, but of history, the history of men and women willing to live and die for it. Surely this willingness is with us still, because daily we experience more of the blessings that are ours—ours because we are Americans.
