

Methodists V.B.S. Opens Here Monday

Vacation Church School at the Methodist Church in Silvertown will begin Monday, August 5, and will continue through Friday, August 5. Sessions will be from 3:00 until 5:00 o'clock in the afternoons. The Church School will close with an informal open house on Friday night at 8:00 o'clock. Children of pre-school age through the sixth grade are invited to attend.

Mrs. Deisher Buried Thursday Afternoon

Funeral services were conducted at 2:30 p.m. Thursday in Wood-Dunning Colonial Chapel for Mrs. Robert O. Deisher, sr., 86, of Plainview. Joe Wilkinson, minister of the Garland Street Church of Christ, officiated. Burial was in Plainview Memorial Park.

Mrs. Deisher died at 10:00 a.m. Tuesday in the Palo Duro Convalescent Home in Claude. She had been ill seven weeks.

Born August 2, 1884 in Hico, she was the former Addie M. Hall. She and Mr. Deisher were married May 14, 1906 in Alexander, Texas. He died October 26, 1969. She moved to Plainview in 1921 from Erath County. Mrs. Deisher was a Methodist.

Surviving are two sons, A. Deisher of Silvertown and Robert Deisher, jr. of Plainview; one daughter, Mrs. W. W. Locke of Borger; three sisters, Mrs. Herman Woodruff of Duncan, Oklahoma, Mrs. Jim D. Wright and Mrs. Tyrus King, both of Hico; one brother, J. A. Hall of Las Vegas, Nevada; four grandchildren and five great-grandchildren.

Rites Held Here For Mrs. Stevenson

Funeral services for Mrs. Annie Jane Stevenson, 77, were conducted at 10:00 a.m. Monday in the First Baptist Church in Silvertown. Rev. Carlos McLeod, pastor of the First Baptist Church in Plainview and a former pastor of the Silvertown church, officiated. Burial was in the Silvertown Cemetery, with arrangements under the direction of the Silvertown Funeral Home.

Mrs. Stevenson died Thursday in Bremen, Indiana. Mrs. Stevenson, who served as Briscoe County treasurer after the death of her husband in August 1947 until 1958, had been ill several years. She had resided in Bremen seven months. She was born in Denton County and was a member of the Silvertown First Baptist Church.

Surviving are one daughter, one sister, a brother and three grandchildren. Nephews served as pallbearers.

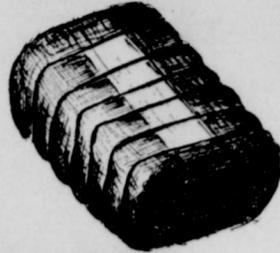

F.H.A. LOANS STRENGTHEN COUNTY'S FARM ECONOMY

The rural economy of Swisher and Briscoe counties is stronger because loans from the Farmers Home Administration have helped 196 farmers finance real estate and operating expenses. The Agency's wide range of services added a record of approximately three million eight hundred thousand dollars (\$3,800,000.00) to resources available for farming and housing in these counties last year, according to George James, jr., county supervisor. Of this amount, approximately \$2,028,000.00 was paid through the Emergency, Operating, and Farm Ownership loan programs to farmers in these two counties.

Attractive, modern but modest homes make life more enjoyable for 164 Swisher and Briscoe County families, and their construction has given a shot in the arm to the local building industry. Farmers Home Administration loan services are extended through a statewide system of local county offices, usually located in the county seat towns. The office for Briscoe County is located in the Courthouse in Silvertown. The regular office day is Wednesday, from 9:00 a.m. until 12:00 noon.

Buddy James is continuing to improve at Methodist Hospital from the injuries he received in a traffic accident recently.

Silvertown Rodeo Being Planned Despite VEE

Silvertown Young Farmers are going ahead with plans for the rodeo and parade during Briscoe County's 79th Birthday Celebration scheduled August 12-13-14. They believe that all horses in the area will have been vaccinated against Venezuelan equine encephalomyelitis (VEE) and clear-

ed for transportation by that time. "We feel that ropers, barrel racers and riding club members have been among the first to get their horses vaccinated," said Dwain Henderson, Young Farmers president.

Already it is estimated that 90 per cent of the horses in this area

have been vaccinated.

Events for the rodeo, being produced by Halliday Rodeo Company of Williamsburg, New Mexico, are Tie Down Calf Roping, Heading and Heeling, Ladies Barrel Race, Bareback Bronc Riding, Bull Riding, Kids Break Away Roping, Wild Mare Race and Calf

Scramble. Admission will be \$1.50 for adults and 75c for children.

Fred Strange is rodeo secretary, and can be contacted at 823-2161 or 823-5501 after 6:00 p.m. Books close at 1:00 p.m. August 12. Entry fee must accompany entry, and all must be cash or money orders. No personal checks will be accepted.

RODEO QUEEN CANDIDATES TO MEET SATURDAY

The girls who are candidates for Rodeo Queen are to meet at the City Cafe at 1:30 p.m. Saturday. All of the candidates will receive their rodeo tickets at that time.

Contestants are reminded to bring a photograph of themselves, to be used in the Briscoe County News, with them to the meeting Saturday.

The candidate who sells the most rodeo tickets will be declared Rodeo Queen, and will receive a \$50.00 pair of boots from the Silvertown Young Farmers.

DONATIONS NEEDED FOR PUBLIC BARBECUE

If anyone would like to donate money to help with the public barbecue to be held Thursday afternoon, August 12, he is asked to mail or take it to First State Bank.

The barbecue will be served in the City Park following the parade.

DANCES

Dances will be held August 12-13-14 on the concrete slab at Silvertown Elevators. Jack Daniels and the Western Swing Kings will play for the dances.

BICYCLE DECORATION CONTEST

A Bicycle and Tricycle Decoration Contest will be sponsored by the Briscoe County News as a feature of the rodeo parade for boys and girls. Prizes will be \$10, \$5 and \$2.50.

For the purpose of identification of the winners, each contestant in the Bicycle and Tricycle Decoration Contest will be required to wear a number attached to their left side where it can be seen easily by the judges. These numbers may be had at the News Office until 2:30 p.m. on parade day.

The bicycle and tricycle parade will form at the Silvertown Hotel and west down Seventh Street at 2:45 p.m. on Thursday, August 12.

Win Consolation Trophy In Floydada T-Shirt Tournament

Silvertown won the consolation trophy in the Floydada T-Shirt Tournament Saturday night. The boys defeated Lockney, 7-2, scoring three runs in the first, two in the second and two in the fourth inning.

Lockney scored one run in the fourth inning off winning pitcher Paul Brannon and one run in the fifth inning off relief pitcher Mike Cornett.

Silvertown's scores were made by Nick McJimsey, Greg Hill, Mike Cornett (2), Kelly Comer, James Jarrett and Bobby McPherson.

Silvertown lost to Abernathy in the first round of the tournament which was played Thursday night. The score was 5-3.

Paul Brannon went all the way as pitcher for Silvertown, and also scored two runs. Bobby McPherson scored Silvertown's other run.

Dr. Boyd To Be Out Of His Office

Dr. John Boyd has announced that the Clinic will be closed this afternoon and Friday. He will be in West Virginia to visit his son, who has just returned from service in Vietnam and is leaving soon for a tour of duty in Germany.

School Homecoming Slated August 14

The Silvertown School Homecoming will be held Saturday, August 14, with registration beginning at 9:30 a.m. in the high school building. There will be a business meeting and program, and lunch will be served in the school cafeteria.

The hospitality committee will greet guests, serve coffee and will conduct tours of the new and remodeled school facilities.

Due to increased postage costs, letters concerning the homecoming are not being sent to ex-students and ex-teachers who live here.

Since the files of the homecoming association are incomplete, you are asked to contact Dorothy Bomar if you have addresses of ex-students or ex-teachers whom you would like to be notified about the homecoming.

Troy Burson is still a patient at Northwest Texas Hospital in Amarillo.

Important Meeting Called For Local Judoka Parents

An important meeting of Judoka parents has been called for 8:30 p.m. Thursday, August 5, in the Pioneer Room at First State Bank.

The decision will be made as to whether the Silvertown Judo Club will continue or disband. All parents are urged to attend.

Boys To Attend Amarillo Ball Game

Members of the White Sox Pee Wees and the Little League Gold Sox are to meet at the tennis courts in the City Park at 5:15 p.m. Tuesday, August 3, to go to the Amarillo Giants ball game.

Game time is 7:30 p.m. Arrangements for the trip are being made by Tommy Strange, who coached the teams this year.

Competed In State Junior Olympics

Marvin Self was in Houston over the weekend to compete in the State Junior Olympics Field Meet. He placed second in the Shot Put and the Discus Throw was not held. Those placing first in this meet will compete in the National Junior Olympics to be held at the Air Force Academy.

Marvin and his mother, Mrs. J. L. Self, flew to Houston for the meet.

Marvin won first in both the Shot Put and Discus Throw at the West Texas AAU Junior Olympics held in Borger July 17. He put the shot 54'8" and threw the discus 172'.

DORCAS SUNDAY SCHOOL CLASS MET JULY 23

Dorcas Sunday School Class met July 23 in the parlor of the First Baptist Church, with six members present.

Teacher nominated Ruby Gilkeyson as chairman of the nominating committee, with Leavie Cherry and Mary May to assist on the committee.

The class voted to help the orphans' home with a money donation.

A poem, "On The Wings of Prayer," was read by Ollie McMinn.

Devotional from John 3:14-24 was given by Stella McMimsey.

A poem, "Let Not Your Heart Be Troubled," was read by Ima Harrison, who read Isaiah 5:20-27 on "Bearing Fruit."

A song, "Friends in the Old Country Church," by Ruby Garvin and Leavie Criswell closed the meeting.

Mr. and Mrs. Herman Spear of Lakeview visited Mrs. Belle Olive and Betty Monday morning.

Mrs. S. M. Clayton, jr. of O'Donnell; Mrs. Mildred Spann of Jackson, Mississippi; Mrs. Chester Lee, Don and Rickey of Chula Vista, California were weekend guests of Mr. and Mrs. C. O. Allard.

Mrs. Vada Claunch has been a patient in Swisher Memorial Hospital in Tulia this week.

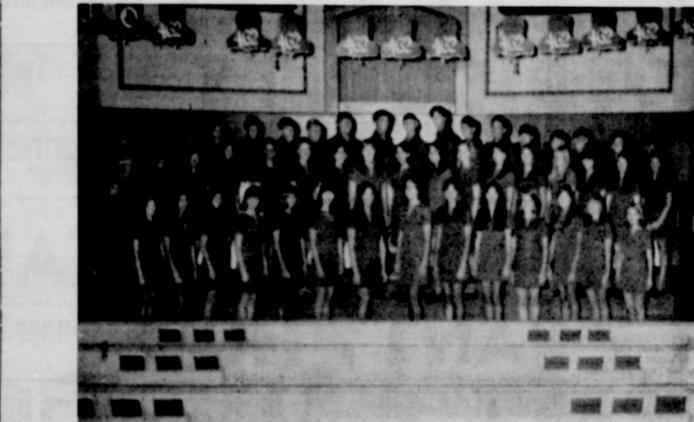

Mrs. Riely Yates has been a patient at High Plains Baptist Hospital in Amarillo.

Jerry Patton was a patient in Methodist Hospital in Lubbock from Wednesday until Saturday of last week. He was undergoing tests to determine the reason for the loss of hearing in his left ear. Bobby Crass of Denver City, Mr. and Mrs. Charles Sarchet and Ken were among those who visited Mr. and Mrs. Patton at the hospital Friday afternoon.

Mr. and Mrs. K. C. Jackson of Lubbock spent the weekend with Mr. and Mrs. Clifford Allard.

Bernel led the Nazareth scoring with three runs. Two runs each were brought in by Heiman, K. Hoelting, Huseman and S. Hoelting. Gerber scored once.

Jackie Vaughn and Danny Perkins each scored twice for the White Sox, one of Vaughn's scores coming on a home run. Johnny Ortega, Tommy Perkins and Jace Francis each scored once.

Chapel Choir of the First Baptist Church in Carrollton, Texas, will present the Christian folk musical, "LIFE," at the First Baptist Church in Silvertown on Friday, August 6, at 8:00 p.m. The choir is directed by Paul E. West, a former music and youth director of the Silvertown church.

Carrollton Church Choir To Present Program Here August 6

The Chapel Choir of the First Baptist Church of Carrollton, Texas is traveling on a Mission-Choir Tour to Elko, Nevada, July 23 through August 7, 1971.

Composed of 45 high school and college young people, this group will be singing a Christian Folk Musical, "LIFE," under the direction of Paul E. West, Minister of Music, at the First Baptist Church in Silvertown at 8:00 p.m. Friday, August 6. Mr. West is a former music and youth director of the local church.

Included in the itinerary are concerts in Lubbock, Texas and Grand Canyon, Arizona. In Nevada the choir will be singing in Las Vegas, Elko, Wells, Carlin, Battle Mountain and Ely. On the return trip home, there will be concerts in Salt Lake City, Utah; Page, Arizona; Thoreau, New Mexico; and Farwell, Texas, as well as Silvertown.

While in Nevada, the young people will be holding four simultaneous Vacation Bible Schools and Youth Revivals in Elko, Carlin, Wells and Battle Mountain. Preaching in these revivals will

be Frank Stokes, Todd Thompson, Ricks Edmondson and Kerry Carloy. The young people will also be taking door-to-door surveys and doing some personal witnessing.

"LIFE" is an up-to-date folk musical which views Christianity and church worship from a modern viewpoint, challenging many of the old facades of ritualism, and ultra organization in our churches today.

"The Answer," "You Can Experience" and "Christ Is Relevant Today" tell of the real, living, vibrant Christ that is available to everyone who will ask.

The choir travels with its own portable stage, lighting and set. The musical is accompanied by guitars, combo organ, drums, bass, piano and tambourines.

Silvertown Man Saved From Grain Deluge

Harrell Minyard, 25, of Silvertown had a narrow escape from death Friday when he was covered by grain up to his chin.

He and L. B. Garvin, jr. were working at the Silvertown Elevator loading grain from the auger into a truck. The auger stopped and a wall of wheat descended upon Minyard.

More than 100 men answered the call for help and after an hour of frantic shoveling, Minyard was freed.

Although a doctor stood by, Minyard walked away from the scene unharmed.

Dr. and Mrs. Lawrence Gregory and granddaughter of Clovis, New Mexico visited with Mrs. R. E. Stephens and Mrs. Ray C. Bomar Sunday afternoon.

Little League Tournament In Progress Here This Week

Lockney's All-Stars defeated the Silvertown Blue Sox, 9-4, in the first round of the Silvertown Little League Tournament Monday night.

Johnny Amador was the winning pitcher, giving up 11 hits and two walks. David Strange recorded the loss, giving up 5 hits and six walks during four innings. Brent Brannon pitched one inning in relief, and gave up no hits and one walk.

Managers of four Affiliated Food Distribution Centers have jointly announced the biggest food industry story of 1971. Effective immediately, they have agreed to combine their purchasing program to serve a total of more than 2,000 stores in a seven state area of the South and Southwest. The total annual retail sales exceeds more than one billion dollars. The four, (l. to r.) Raymond Moreland of Tulsa, Charles O. McBeath of Amarillo, C. E. Four Food Distribution Centers To Combine Buying Power

DALLAS, Tex.—Four of the largest food distribution centers in the Southwest have announced that they are combining their buying power in order to lower their prices to their customers. Their new total sales will elevate them to a position of one of the leading retail food distributors in the world. The four distribution centers are Affiliated Food Stores, Inc. of Dallas, Affiliated Food Stores, Inc. of Tulsa, Affiliated Food Stores, Inc. of Amarillo and Affiliated Food Stores, Inc. of Little Rock. The Arkansas center was formerly known as Associated Grocers. The combined retail marketing area served by the four distribution centers covers portions of seven states: Arkansas, Louisiana,

Mississippi, New Mexico, Oklahoma, Tennessee and Texas. "There is no merger of the four distribution centers," said Charles McBeath, general manager of Affiliated, Amarillo. "What we are doing is combining our buying power to increase savings for our customers," he said. In a simultaneous announcement made by the heads of the four distribution centers in their respective cities, it was revealed that their combined retail sales of groceries annually reaches the one-billion dollar mark. Nearly 20 million people reside in the area served by the four centers. Over two thousand member stores, independently owned by leaders in their respective communities, will be affected by the new policy.

The independent grocer will thus be enabled to contribute even further to the nation's economy. Even now, he and thousands of others like him who own Affiliated Food stores, are one of the largest employers in the seven state area. They give jobs to many more thousands of people in many job classifications from store managers to clerks, from checkers to produce department workers. Many a young executive has started his career as a stock clerk or a grocery boy after school hours working at his neighborhood Affiliated Food Store. Also announced was a new advertising and promotion campaign based on the slogan, "United

State Capital News

AUSTIN, Tex. — Investigations of stock-loan scandals which have rocked the state for nearly seven months moved forward on three fronts during the past week.

*Travis County District Attorney Robert O. Smith announced plans to present to the grand jury here evidence compiled by Texas Attorney General Crawford C. Martin's staff.

Martin said evidence includes material pertaining to federal Securities and Exchange Commission allegations that large bank loans were extended to high state officials by the Sharpstown State Bank in 1969. Money went to stock purchases by officials at the time Sharpstown bank head Frank Sharp was trying to get deposit insurance legislation passed.

*Sharp was invited to testify within the next three weeks before a House General Investigating Committee.

Committee asked Sharp to talk about bills in which he was interested in 1969 "and other matters that may be pertinent concerning Sharpstown State Bank, the National Bankers Life Insurance Company and any relationship with public officials."

*Meanwhile, State Insurance Commissioner Clay Cotten turned over to district attorneys in Houston, Dallas and Austin results of his investigation of NBL.

Cotten said he feels insurance, embezzlement and conspiracy laws may have been overstepped but preferred to leave it up to prosecuting attorneys to decide if violations occurred. He offered names of five one-time NBL officers and directors prominently involved in his report.

Federal court at Houston set hearing this week to determine if a June 14 immunity order protecting Sharp from further prosecution or summons should be modified. Martin and Smith want to force him to testify before the

COURTS SPEAK

An Austin federal district judge upheld the local school district's desegregation plan calling for a minimum of crosstown pupil busing, holding against a federal government proposal for massive busing. Judge scored the federal government for its uncooperative attitude toward a compromise.

an appeal of A & M University

State Supreme Court rejected employees who had paychecks stopped when it was discovered they were serving on the College Station city council.

In other decisions, High Court: *Stuck by its original decision holding former president of the Sharpstown State Bank was not negligent in failing to investigate bonds offered as security on a \$470,000 loan.

*Turned down the appeal of a Dallas oilman's widow in a law suit over his estate brought by the man's five daughters by an earlier marriage.

*Upheld the will of multi-millionaire Robert A. Welch's sister leaving \$300,000 in Texas oil and gas property to the Welch Foundation.

*Held against an Alice woman seeking damages from drug companies which manufactured the anesthetic she claims partially paralyzed her following 1963 surgery.

*Reversed a lower court judgment and concluded the foreclosure of mortgage on the home of a Dallas couple who had paid \$420 more than their schedule called for was void.

*Rejected disputed evidence of a remarriage in Mexico and backed a Nueces County trial court finding that a Corpus Christi man owes nearly \$24,000 in alimony to his former wife in Nevada.

LIVESTOCK DISEASE SPREAD

As sleeping-sickness-like Venezuelan Equine Encephalomyelitis continued to strike horses and some humans, threat of a new livestock malady loomed.

Outbreak of African hog fever in Cuba alarmed swine owners. Latter is almost invariably fatal, and there is no known vaccine. Ailment does not affect people, as does VEE (which is usually mild in humans).

More than 1,100 Texas horses are believed to have been killed by VEE and 1,500 others stricken. More than 6.6 million acres have been sprayed to kill disease-carrying mosquitoes.

AG OPINIONS

Texans under 21 may not serve on juries in Texas despite recently-lowered voting age to 18, Attorney General Martin held.

In other recent opinions, Martin concluded:

*Texas Industrial Commission can open an extension office in Mexico City and pay salaries of employees there.

*Governor is without authority to negotiate open-end contracts for computer supplies for state agencies.

*Law passed last May 26 sets maximum compensation for assistant county superintendents in all counties.

*Renewal license issued by State Board of Hairdressers and Cosmetologists June 2 - August 29, 1971, expires August 31, 1972. Applicant for September 7, 1971 board examination must pay \$15 filing fee with application and additional \$5 license fee.

SB 194 of last legislature re-

peals other acts on commercial drivers' license exemptions.

MEDICINE AID SYSTEM CHANGED

On September 1 State Department of Public Welfare will begin making payments directly to pharmacists for drugs prescribed to Texas welfare recipients.

Under current system, allowance for drugs is included in monthly assistance checks. Legislature this year appropriated \$11.9 million for new vendor drug program.

Welfare authorities believe the new system will provide improved prescribed medicine coverage and delay a cut in overall welfare payments for food, clothing and shelter.

However, some complained of welfare check cuts, since drug allotments no longer will go to recipients, and a few who get only payments for drugs will be taken off welfare rolls. Latter will be interviewed by Welfare Department to determine if they should still get cash aid.

SHORT SNORTS

Driver safety responsibility act still applies under some circumstances regardless of federal court decisions against license suspensions where no fault is shown, says Department of Public Safety.

Parks and Wildlife Department moved up game management officer training schedule four months (to August 29).

Governor announced creation of a committee to assist in selecting new power plant locations.

Selective Service Director Expects Draft Call To Resume in Near Future

Selective Service System Executive Secretary Mrs. Frances Starkey, who manages Local Board No. 20 at Childress, says the current Congressional impasse over extending the induction authority has created great uncertainty among draft-age men.

Mrs. Starkey continued, "Selective Service Director Curtis Tarr has recently stressed the importance of explaining to our draft-age men the high probability that draft calls will resume in the near future and that the current impasse in the Congress is not likely to affect any registrant's chance of being drafted."

"Our local board has been specifically instructed to continue to register and classify men, and to order for preinduction physical examinations those young men who may be needed to fill draft calls in the coming months," Mrs. Starkey said.

Men with lottery numbers through 125 were eligible for induction in June in order to fill draft calls. Since then, the Defense Department has asked Selective Service to draft 16,000 men in July - August. This request is being held by Selective Service headquarters pending final Congressional action on the

draft bill, which is expected within several weeks.

"Those young men with relatively low lottery numbers who are eligible for induction this year, particularly those with numbers below 175—the current processing ceiling—have a very good chance of being processed for induction after draft calls are restored," Mrs. Starkey said.

"Many young men," said Mrs. Starkey, "seem to think that the Selective Service Act has permanently expired and that they probably will never be drafted. Some of them also think that the entire system has stopped. They are wrong since it is only the induction authority that has expired. They, therefore, may be unintentionally, breaking the law by failing to register at age 18, by not keeping their local boards informed of their current address, or by failing to report, if ordered, for their preinduction physical examinations."

Mrs. Starkey also stressed that local boards are continuing to consider CO, hardship, and student deferments and to take other classification actions. "Young men who had planned to submit requests for deferments or exemptions are encouraged to do so," Mrs. Starkey said. "The expiration of the induction authority does not affect our responsibility to classify young men," Mrs. Starkey added.

Mrs. Starkey may be contacted at 109 Avenue B N.E., Childress, the office of Local Board No. 20.

Homemakers Have Family Night Outing

Silverton Young Homemakers held their annual family night on July 8 at the Silverton Pool.

Following the swimming party, members went to the park for a picnic.

A float for the Silverton rodeo parade was discussed. The Young Homemakers will sponsor a float, but the theme was tabled until a later date.

Vacation Bible School In Progress Now

Silverton Church of Christ is conducting its Vacation Bible School July 26 through July 30, from 9:00 until 11:00 o'clock each morning, from the nursery through the fifth grade. The teenage class is being held each evening at 7:30 o'clock.

Theme for this study is "The Christian Family." According to Keith Marshall, minister of the church, "As we all know, the family life as we know it and the Bible teaches it ought to be being attacked from every side. The major cause of the increase in crime among the youth of our nation is the break-down of the family as a unit. These lessons, adapted to the various ages, will search the Bible for the principles upon which the Christian family is based. The father, mother and children all have their part in making a family a Christian family."

The teenagers will study the following topics for the five evenings: "What Is A Family?" "Am I Marriageable?" "Love and Marriage," "Making A Marriage Work," and "Making My Home God's Home." Brother Marshall will teach this class. All teenagers are invited to participate in the class.

The Vacation Bible School will open each morning promptly at 9:00 o'clock, with assembly for all classes in the auditorium. This

AUSTIN, Tex. — July 1 turned out to be a costly day for Texans. Not only did the nearly \$1 million-a-day (\$604 million biennially) tax bill take effect, but property owners got notice of hikes of up to 25 per cent in their insurance rates. And just the day before (see below) the State Insurance Board staff recommended an average 2.8 per cent increase in private auto insurance coverage effective September 1.

Tax bill raises the general sales tax from 3.25 per cent to four per cent statewide (five per cent in many cities which also levy a local sales tax); adds three cents a pack to cigarette taxes; increases liquor tax about seven cents a fifth; raises beer tax a fraction of a cent a bottle; jumps sales tax on new cars to four per cent (bringing in car rentals) and jacks up corporate franchise levy \$1.25 per \$1,000 of capital.

A 10 per cent tax on mixed drink sales went into effect last month.

A new kind of "surtax" takes effect September 1. It will cost moving traffic violators \$2.50; other misdemeanor violators tried in county court, \$5, and those convicted of felony, \$10.

Raise in homeowners' and other kinds of property insurance came without formal announcement other than notices to local agents.

Homeowners' rates rose 25 per cent along the seacoast (hit by Hurricane Celia last August) and in tornado-struck north-northwest territory of the state. Central area

will be followed by a class period from 9:20 to 10:00 a.m. Refreshment time will be from 10:00 until 10:20 a.m., and the second class will be from 10:20 to 11:00 a.m. Classes will dismiss each morning from the classroom.

Everyone who is interested in studying God's Word, from age 18 months through teenage, is very cordially invited to attend, said Brother Marshall.

homeowners' rate jumped 22.1 per cent, too.

Extended coverage of all classes went up 25 per cent on the coast, 24.5 per cent in north-northwest and 19.7 per cent in the central area. Extended coverage for dwellings is up 25 per cent on the coast and north-northwest, 19.3 per cent in the central part of the state.

Fire insurance coverage increases 5.2 per cent—or 7.1 per cent for dwellings.

AUTO INSURANCE UP AGAIN? State Insurance Board staff recommended an average 2.8 per cent statewide passenger car insurance rate hike effective September 1.

Board heard recommendations at a public hearing here June 30 and indicated a decision will be made about mid-August.

Industry, which won a 14 per cent boost in rates January 1 after asking 27.7 per cent, is asking 9.8 per cent increase (average statewide) on passenger car coverage.

Seven state legislators and the state AFL-CIO president argued that a decline in accidents justifies lowering rather than raising rates. Since rates are fixed by territories, not statewide, some areas under Board staff recommendations would receive reductions in certain lines of coverage.

MORE WELFARE WOES LOOM A top court decision declaring needy non-citizens eligible for assistance, threat of increasing fi-

nance burdens from federal legislation and rising medical costs put the State Board of Public Welfare on red alert again last week.

Board was told the federal bill would "save" the state \$37.1 million in existing payments—but might double the number of Texans eligible for medical care benefits (which will cost \$135.7 million next year).

Supreme Court decision on aliens would add 20,000 to state welfare rolls overnight at a cost of more than \$10 million a year, Deputy Welfare Commissioner Herbert Wilson estimated.

New Welfare Commissioner Raymond Vowell said negotiations are under way to place limits on runaway medical care costs, while maintaining adequate services.

UNEMPLOYMENT UP Texas unemployment increased 15,500 from mid-April to mid-May to a total of 196,500, Texas Employment Commission reported.

During last year, unemployment increased 28 per cent, and number of claimants for jobless benefits jumped 42 per cent.

Seventeen of the major areas reported unemployment growth during the past month. Four had a decrease, and one remained unchanged. Unemployment rate (as percentage of work force) was 4.1 per cent compared with 3.3 per cent in May 1970 and 3.8 per cent in April.

A-B-C-D Spells Fire

That's right, anyway you look at it, A-B-C-D does spell fire because today all fires are placed in one of those four classifications.

What is a Class A Fire?

Basically, it is one involving ordinary combustibles such as wood, cloth, paper, rubber and some plastics.

What is a Class B Fire?

Such fires involve flammable or combustible liquids, flammable gases, greases and similar materials.

What is a Class C Fire?

Fires of this nature involve energized electrical equipment.

What is a Class D Fire?

Pertains to those involving certain combustible metals such as magnesium, sodium, potassium, etc.

Why classify a fire?

Because as man and his technology progressed, he began to be confronted with a variety of fires, many of which could no longer be contained by the primary extinguishing agent known as water.

What are the other extinguishing agents?

Dry Chemicals, Carbon Dioxide, Dry Powders and Foams.

What means is used to employ these agents?

Many. However, you should be concerned with the portable fire extinguisher which is often referred to as "the first line of defense" against fire.

On which fires is Water used and why?

Class A only. Because it is

a cooling, soaking and penetrating agent.

On which fires is Dry Chemical used and why?

Class B and C for a regular Dry Chemical extinguisher; however, there is a Multi-Purpose Dry Chemical with which you would be more concerned and this can be used on Class A, B and C fires. Because it is a flame interrupting and, in some cases, cooling agent.

On which fires is Carbon Dioxide used and why?

Class B and Class C. Because it cuts off air and leaves no residue.

On which fires is Foam used and why?

Class A and Class B. Because it is a smothering and blanketing agent.

On which fires is Dry Powder used and why?

Class D only. Because it is a smothering and coating agent.

How do you know which extinguisher to use?

Every one is prominently marked as to its type and the class or classes of fires upon which it can be used.

This symbol indicates the extinguisher is applicable for use on flammable or combustible liquids, flammable gases, greases or similar materials. The background of the symbol will be either Metallic or Red.

This symbol indicates the extinguisher is applicable for use on fires involving energized electrical equipment. The background of the symbol will be either Metallic or Blue.

This symbol indicates the extinguisher is applicable for use on fires involving certain combustible metals such as sodium, magnesium, potassium, etc. The background of the symbol will be either Metallic or Yellow.

This symbol indicates the extinguisher is applicable for use on ordinary combustibles such as wood, cloth, paper, rubber, etc. The background of the symbol will be either Metallic or Green.

Does Underwriters' Laboratories test extinguishers?

Yes, they are primarily tested for their ability to operate when needed, but they are also rated for their efficiency. Look for the UL label on the extinguisher.

Remember, know your extinguishers and the fires upon which they can be used. It's all on the label, so read it well before the fire strikes; there won't be time later.

TEXAS HIGHWAY DEPARTMENT

THE WEAK LINK

Although a chain may be made up of many strong links, one weak link can render the whole chain useless.

The American people are the links which constitute the strength of our nation. Apathy deteriorates the links causing them to become weak. Strength is derived from positive attitudes and positive action. In order to bind our country together more securely, we must reinforce the weak links by remaining alert to the debatable issues which threaten our national security. If we observe a course of action which may become detrimental to our system and do nothing to alter that course, we are taking the first step in becoming passive Americans.

Indifference can corrode our strength. Let's be CONCERNED AMERICANS and eliminate the weak links!

LIBERTY AND JUSTICE FOR ALL
SUPPORT AMERICA

Our priceless heritage embodied in the flag of the United States, is as alive today as it was when written for the ages in the Declaration of Independence and the Constitution. It stands for all the world to see and for all Americans to cherish. And in the tradition of Washington, Jefferson, and Hamilton, we, too, have a privilege, a right, and a duty. While we may disagree as to the methods, we should not disagree as to the goal—that of preserving the greatest democratic society the world has ever known.

Our flag is a symbol, not of sentiment, but of history, the history of men and women willing to live and die for it. Surely this willingness is with us still, because daily we experience more of the blessings that are ours—ours because we are Americans.

FPC LISTS SEMESTER COST FOR SILVERTON STUDENTS

BORGER, Tex. (Special)—Frank Phillips College in Borger has adjusted to the new State tuition rates and can offer the college bound students of the Panhandle a full semester of college for \$550.00. This figure will entitle the student to room in a modern, air-conditioned dormitory, 18 meals per week for the semester, all fees and tuition for 18 standard college semester hours of work, new books which are the

property of the student, the college yearbook, the college newspaper, and an activity ticket which allows the student admission to all athletic contests on the campus.

This figure is for students who live in the State of Texas, but not in the Borger Junior College District.

Out-of-state students can attend Frank Phillips College for \$725.00 per semester and receive the same service and benefits as listed above for Texas residents.

Frank Phillips has scholarships and can give financial assistance to students who need help through local loan funds and also can obtain loans for students through the State Student Loan Program.

Frank Phillips is noted for its high academic standing and the students who transfer from Frank Phillips College are recognized for their excellence.

Frank Phillips College has been a fully-accredited two-year college for many years and has been cited by the Southern Association of Colleges and Schools through their visiting evaluation team for the "Sound Collegiate Education-

Program" in progress. Applications for admissions, scholarships and/or loans and dormitory reservations should be made soon to the Dean of Student Life, Frank Phillips College, Borger, Texas.

PHILLIPS EX-STUDENT LOANS AVAILABLE

Students who have graduated from Phillips Independent School District, Phillips, or who have attended the school at any time or whose parents have either graduated or attended the school may apply for a loan to attend Frank Phillips College at Borger.

Persons who can qualify and who are interested in more information may contact Mrs. Maxine Goins, Business Manager, Frank Phillips College, Box 111, Borger, Texas.

The Good Old Days

Here are a few more items from 1918 issues of the Silvertown Star: "Mr. and Mrs. G. C. Patton were in town Monday, marketing eggs, and among them was a hen egg of remarkable size. It weighed 4 ounces, which is twice the weight of an average hen egg, and measured 7 3/4 inches in circumference one way and 6 1/2 inches the other."

State Capital NEWS

By Vern Sanford

AUSTIN, Tex.— Back-to-school time isn't far off for more than two million young Texans, and State Board of Education has approved a record \$302.4 million in statewide available school fund allotment.

Board set \$121.90 as the state allocation for each pupil in public schools this year. Figure is based on the average daily attendance during 1970-71, or 2,479,400, although actual enrollment was over 2.7 million.

Local school districts may use their allocation to help pay annual operating expenses, including teacher salaries. Available school fund draws investment earnings from the \$835 million permanent school fund.

In other preparations for the upcoming school year, Board of Education also:

*Approved a \$887,500 contract with Southwest Educational Development Laboratory for a bilingual teaching program tailored for four-year-old children of Mexican-American farm workers. Ten bilingual specialists will work with 100 youngsters in McAllen and Hereford to develop an experimental project next school year and field test it in 1972-73.

*Approved a new accreditation plan to provide computer data to warn of developing weak points in school systems. Data will provide scientific analysis of information needed to decide which schools should be visited by accreditation teams. Such teams visit about 200 of more than 1,100 Texas school districts each year.

*Entered an agreement to link Texas Education Agency and U. S. Office of Education in a \$1.8 million program to evaluate new special education pilot projects expected to have national impact on the teaching of handicapped children.

*Allocated \$23.2 million to buy new textbooks.

DISEASE SPREADS

A sleeping sickness-like disease spread among horses (and in a few humans) in the South Texas-Rio Grande Valley area.

U. S. Agriculture Department which originally had scheduled an experimental vaccine against Venezuelan Equine Encephalomyelitis in 13 counties, later released it statewide and slapped an embargo on Texas horses.

Later, a state Animal Health Commission order halted movement within state or out of state of horses not vaccinated at least 14 days earlier.

Several persons were hospitalized in Brownsville with VEE symptoms. Cases in horses increased sharply, though laboratory confirmation lagged behind discovery of symptoms.

Disease, described as "flu-like" among humans, is deadly to horses, and concern was expressed for the equine population. Emergency situation stopped all rodeos, horse shows, race meets and other activities involving horses.

TEXTBOOKS AVAILABLE FOR REVIEW

Textbooks considered for 1972-73 school adoption can be looked over by interested citizens at 20 regional education service centers over the state.

Texas Education Agency, the largest single buyer of textbooks in the world, has \$23.2 million available for the next school year. New books can be reviewed at Edinburg, Corpus Christi, Victoria, Houston, Beaumont, Huntsville, Kilgore, Mount Pleasant, Wichita Falls, Richardson, Fort Worth, Waco, Austin, Abilene, San Angelo, Amarillo, Lubbock, Midland, El Paso and San Antonio education service centers.

1.5 MILLION NEW VOTERS?

Texas may have 1.5 million new voters in 1972 largely as a result of 18-21-year-olds becoming eligible for all elections, according to a state senator's forecast.

New law goes into effect September 1 which permits registration of a Texas voter for a three year period instead of annually as at present. Registration will also be open year-around except for a 30-day cutoff before any election.

Dallas Sen. Mike McCool, author of the new registration law, sees youngsters as accounting for a large part of the 1.5 million increase in eligibility rolls and predicts they will vote as well as any age group.

AG OPINIONS

All Texas counties must adopt the jury wheel system and terminate selection of jury panels through use of commissions, Atty.

Gen. Crawford Martin has held.

New state law providing for waiver of indictment in non-death-penalty cases is constitutional, Martin said in another opinion.

In other recent opinions, Martin concluded:

*Commissioner of Bureau of Labor Statistics has no authority to promulgate rules and regulations limiting the number of boxing and wrestling promoters in cities within certain population brackets.

*Bridge between Corpus Christi Bay and Gulf of Mexico adjacent to Mustang Island when ac-

CARD OF THANKS

We would like to thank all the men who came to the elevator Friday when they heard the call for help. We especially want to thank Pee Wee and Billy Wayne Garvin for their quick thinking and fast acting when time was so important. Also we say thank you to Dr. Boyd for standing by ready to administer aid if needed. Thanks again from the bottom of our hearts to every person who helped in any way. May God's richest blessings always be yours. Harrell, Sheila and Jason Minyard

Thank you for the cards, gifts and flowers I received while in the hospital, and for the things that have been done for me since I have been home. Roy Len Brooks

Thank you for your kindness and words of concern since my mishap with my foot. We appreciate everything that has been done. Gail Arnold

The Good Old Days

Here are a few more items from 1918 issues of the Silvertown Star: "Will Chambers was in from the Dr. Donnell ranch Wednesday and says everything is in fine shape out that way and the farmers very busy killing weeds."

"Mrs. Odessa Smith, nee McFall, is visiting relatives here."

From the July 5, 1918 issue of the Silvertown Star: "Harvest work is progressing nicely and some say the wheat is filled out good and will turn out more than has been expected."

"T. J. Crass and Frank Anderson were in town the first of the week and say they had fine rains and crop prospects are flattering. Mr. Crass says the large lake near

THE LAND

THE LAND is one of man's most valuable assets - we think it is prime collateral. In the past 54 years the Federal Land Bank of Houston has made almost 200,000 loans on Texas farms and ranches.

In other words, we specialize in making farm and ranch real estate loans - long term loans with prepayment privileges. See us today for full details, no obligation of course.

him is fuller than he ever saw it before."

"Mr. and Mrs. George Weast were in town the first of the week and marketed a nice lot of cured meat they had put up."

"A large black bug has been doing much damage to young crops in the southern part of the county this spring."

You can't live on love forever.

Okay, you're young. You've got all the love in the world and you're doing your best to live on it. Retirement? That's for when you're old, right?

It's for when you're old if you can afford it.

The kind of retirement you're after isn't the typical rocking-away-on-the-front-porch variety. You probably picture yourself taking extended vacations, pursuing hobbies, or buying that forty acres and living off the land. Pipe dreams? Not if you prepare now.

There's an easy, painless way to make your retirement dreams a reality. Join the Payroll Savings Plan where you work. That way, an amount you specify will be set aside from each paycheck and used to buy U.S. Savings Bonds. It's an easy way to save.

And now there's a bonus interest rate on all U.S. Savings Bonds—for E Bonds, 5 1/2% when held to maturity of 5 years, 10 months (4% the first year). That extra 1/4%, payable as a bonus at maturity, applies to all Bonds issued since June 1, 1970... with a comparable improvement for all older Bonds.

Now is the time to start saving. Money's a nice thing to have while you're living on love forever.

Bonds are safe. If lost, stolen, or destroyed, we replace them. When needed, they can be cashed at your bank. They may be deferred until redemption. And always remember, Bonds are a proud way to save.

Take stock in America.
