Another first down was made on the Owl-45, and Thompson ran er Petersburg score with 2:16 remaining in the third period. The and Petersburg held a 22-0 lead.

Craig with 10:05 remaining to be played Craig Culwell on the two-point conversion attempt, but this play failed to gain enough yardage, and the score stood at 22-6.

The Owls kicked off to Petersburg, and Thompson was shaken up and removed from the game. The Buffs made first downs on the Silverton 48, 37, 23 and 13 yard lines, before beginning the series of plays which saw Perry carry the touchdown from four yards out on fourth down. The PAT run was no good, and with 4:35 remaining to be played, Petersburg held a 28-6 lead.

Outstanding defensive players for the Owls were so numerous that to name them would be to leave out some of the deserving ones; however, Rex Clayton (probably the most improved player on the team), David Kellum (he's tough, and this is only his second year in the game), David McCoy (who was injured playing on defense), John Burson (who played his best game so far this season), Carl Gallington and Mark Hutsell (both bruisers) were right up there with Dana Martin and Mar-

I was talking with Danny Andrews, sports editor for the Plainview Daily Herald, Saturday night and he was interested in knowing how we in Silverton received the description of Marvin Self's first touchdown run against Groom as "a running wrestling match."
