VOLUME 63 NUMBER 41

TO CROWN FOOTBALL QUEEN

Owls Open District Play By Hosting Memphis

Pioneer Natural Gas Co. was low bidder on the refrigerated air conditioning system installed in the Silvertown High School business department. Members of the F.B.L.A. Chapter adopted the purchase of the unit as a project earlier this year and have been working to make the money to pay for it. Pictured are Brit Parker and Mrs. O. C. Rampley, president and sponsor of the organization which is making this gift to the school.

Quarterback Club Needs Money

Members of the Silvertown Quarterback Club are undertaking several money-making projects in order to be able to continue paying for the film for the ball games and to sponsor the annual athletic banquet. In addition, the final payment is due this year on the seven-man sled purchased two years ago for the football team.

Cost of the film for the games has increased, and while the QB Club has not taken on any new spending projects, the members need help in raising enough money to take care of present obligations.

Donations in any amount will be gratefully accepted.

The Quarterback Club will be operating the concession stand at the last two home football games. They will be selling sandwiches, etc., and the members invite you to come early Friday night and eat with the Quarterback Club. The Football Queen will be crowned in a ceremony starting at 7:00 p.m., and the concession stand will open at 6:30.

EAT with the Quarterback Club at the football game Friday night!

Silvertown's Owls will open action in District 2-A by hosting the Memphis Cyclones Friday at 7:30 p.m. The Football Queen will be crowned in pre-game activities which are scheduled to begin at 7:00 p.m.

Football Queen candidates are Jill Hutsell, freshman; Susie Parker, sophomore; Pam Hutsell, junior, and Sue Lynn Allard, senior.

Jeff Davis Buried Here Wednesday

Funeral services for Jefferson Franklin Davis, 80, were conducted at 10:30 a.m. Wednesday in the First Baptist Church here. Officiating were Earl Cantwell, minister of the Rock Creek Church of Christ; Rev. Larry Wilson, pastor of the First Baptist Church, and Briscoe County Attorney J. W. Lyon, jr.

Burial was in the Silvertown Cemetery with arrangements under the direction of the Silvertown Funeral Home.

Mr. Davis died at 8:00 a.m. Sunday at his home here following a lengthy illness.

Born April 1, 1891 in Stephenville, Mr. Davis moved from there to Briscoe County in 1895. He was a retired water well and irrigation well driller who had drilled wells over the entire Panhandle-Plains area. He and his brother drilled one of the country's first water wells 14 miles southeast of Turkey.

At the age of 14, he rode a cattle trail to Fort Sumner, New Mexico, making two cattle drives with his uncle, H. L. O. Riddell.

Mr. Davis and his brother had one of the early steam engine threshers which they used to thresh grain across the Panhandle area.

He attended school in Silvertown when there was only a two-room school building. He was a member of the Baptist Church.

Mr. Davis married Miss Mollie Hunt May 17, 1917 in Tulsa.

Surviving are his widow; three sons, Jack and Joe Davis, both of Silvertown, and Ed Davis of Happy; four daughters, Mrs. Lois Tidrick of Las Cruces, New Mexico, Mrs. Dortha Burk of Farmersville, California, Mrs. Wilma Perkins of Hereford and Mrs. Leo Cole of Plomot; one brother, Alvin Davis of San Bernardino, California; 19 grandchildren and 14 great-grandchildren.

Pallbearers were Fred Mercer, Johnnie Burson and Roy Brown, all of Silvertown; Curtis Latham, Bayard Sadler and Robert Gardner, all of the Vigo Park community.

Honorary pallbearers were Bruce Womack, Bill McGavock, Berton Hughes, Tony Burson, Warren Merrell, Alvin Redin, Bob Hill and Buck Baird.

The Memphis Cyclones have 17 seniors, 13 juniors and two sophomores listed on their rosters. The weights listed on the roster indicate that the Memphis seniors average 170 pounds; the juniors, 160; and the sophomores, 163 pounds. This is compared with five seniors for Silvertown, averaging 157 pounds; six juniors, averaging 141; 10 sophomores, averaging 132, and 13 freshmen averaging out at 101 pounds.

Memphis is fresh from a 47-28 victory over Crowell last Friday night.

OWLS HAND HORNETS 32-7 DEFEAT

The Owls took a big 32-7 victory from the Lorenzo Hornets Friday night to conclude the season's non-conference action with a 3-2 record. This handed the Hornets a 1-4 record as they go into District play against Spur this week.

Silvertown opened Friday night's contest by kicking off to the Hornets. Lorenzo's little sophomore back, 135-pound James Craig, scampered 18 yards for a first down before being hauled down from behind by Dana Martin on the first play of the game. Defense by Mark Hutsell and Terry Culwell helped stop the attack by 175-pound senior back Wayne Gonzales and Craig on the next series of downs, and on fourth down John Burson threw Lorenzo quarterback Richard Byers for a loss on the Lorenzo-47, and the ball went over on downs.

The Owls were unable to get things going on their first possession of the game, and the Hornets had a chance to try again. Craig carried for a 30-yard gain on first down, to the Silvertown 33, before being stopped by Craig Culwell. Burson made the stop on Craig next down, but the Hornets moved ahead on a Silvertown penalty for a first down on the Owl-18. There defense by Carl Gallington, Mark Hutsell, John Burson and Dana Martin was instrumental in holding the Hornets, and the ball went back over to the Owls.

Craig Culwell, Carl Gallington and Marvin Self combined talents for a first down, then Craig Culwell carried the remaining 70 yards for the first score of the game. The Owls didn't get off the kick, and held a 6-0 lead.

Taking the after-touchdown kickoff, the Hornets controlled the ball for the remainder of the first quarter, penetrating to the Owl-35 before dropping an almost-perfectly placed punt inside the Silvertown 5-yard line.

The Owls made only one first down before punting back to Lorenzo. An incomplete pass, a 15-yard penalty and a bobble of the ball, along with defense by Marvin Self, caused the Hornets to punt to the Silvertown-14.

After two unproductive downs, Dana Martin passed complete to Terry Culwell, who looked like he was going for a touchdown unless SEE OWLS — CONTINUED ON PAGE TWO

Silvertown Cowboy In Lead For Title

DENVER, Colo.—Walter Arnold of Silvertown, Texas, is in first place going into the Steer Roping Finals, and may emerge world champion in the event for the second time, the Rodeo Cowboys Association said here today.

Arnold, who won the title in 1969, won \$5,290 this year, placing in six of nine steer roping contests sanctioned by the association.

Second to Arnold is Olin Young, Peralta, New Mexico, with \$4,875 in winnings.

The Steer Roping Finals are scheduled for 2:30 p.m. Saturday and Sunday, October 16-17, in Pawhuska, Oklahoma. Three go-rounds of competition will be held each day, with prize money totaling \$6,500.

Several people have mentioned that steps should be taken to see that ambulance service is not terminated in Silvertown. If you are genuinely interested in seeing that ambulance service will be provided for you and your family, you must act now.

Beginning October 31, 1971 there will be no ambulance service provided for Silvertown and the surrounding area unless you and other interested persons are willing to work together now to help solve this problem. A public meeting has been called at 8:00 p.m. Tuesday, October 19, in the Pioneer Room at the First State Bank.

This is one of those times when unloading your gripes on a neighbor or sitting back to "let George do it" just won't get the job done. If you want to try to keep the ambulance service, attend the meeting; if you stay away you will be casting your vote against having ambulance service!

Junior High Owls Travel To McLean

Silvertown's Junior High Owls travel to McLean this afternoon to play the Tiger Cubs at 6:00 p.m.

This will be the team's third conference game.

Two Names Omitted From Honor Roll

The names of two Silvertown students were accidentally omitted from the honor roll published last week. They are Jim Gates, a sixth grade student, and Sue Lynn Allard, a SHS senior.

Apologies to these students for this error.

4-H Gold Star Award Winners—Recipients of the 4-H Gold Star Awards, highest that can be earned by a 4-H'er on the county level, were Rhonda Sutton and Ken Wood. They were presented the awards at the annual 4-H Banquet Saturday night by a 1970 Gold Star winner, Sharon Jarrett.

Gold Star Awards Highlight 4-H Achievement Banquet Here

Highlight of the annual Briscoe County 4-H Achievement Banquet held in the Silvertown School Cafeteria at 8:00 p.m. Saturday, October 9, 1971, was the presentation of the Gold Star Awards, highest awards given on the county level, to Ken Wood and Rhonda Sutton. The awards were presented by Sharon Jarrett, 1970 Briscoe County Gold Star Award winner.

This year's Gold Star girl has been active in 4-H Club work for six years. She has held many offices in her club and has served on many committees. She has been a delegate to the District Council, has attended the Junior Leadership Lab at South Plains College one year and Electric Camp at Cloudercroft, New Mexico, two years. She has had five years of clothing projects and has represented Briscoe County and District II at the State 4-H Dress Revue. This year she has served as a junior leader for a first-year sewing group. Her other projects have

included foods and nutrition, gardening, and leadership. Daughter of Mr. and Mrs. Jack Sutton, Rhonda is a junior in Silvertown High School.

The Gold Star boy this year has been active in 4-H work five years. His projects have included beef cattle, swine, horse, and junior leadership. He has been on the County 4-H Livestock Judging team two years. This year he placed in the top 20 at the District II 4-H Horse Show and earned the right to compete in the State 4-H Horse Show in Fort Worth. He has shown beef cattle, swine and lamb projects, and has won several showmanship awards. The son of Mr. and Mrs. Leland Wood, Ken is a sophomore in Silvertown High School.

til hauled in from behind on the Lorenzo-2. Marvin Self gained one yard on first down, and Craig Culwell carried the touchdown on next down.

Lorenzo made three first downs before the first half ended with a pass interception by Silverton's tall end, Terry Culwell.

The Owls received the kickoff which opened the second half, and moved downfield on two 15-yard penalties against the Hornets.

Lorenzo completed a pass on first down, with the ballcarrier stopped by Terry Culwell, for a first down on the Hornet-30.

enough yardage for another first down and the ball went over to the Owls on the Hornet-41.

A pass from Dana Martin to Terry Culwell gave the Owls a first down on the Lorenzo-26, and after a 6-yard gain by Martin, Craig Culwell ran for a first down on the Hornet-1.

Cranking up their offense, Lorenzo put together their best drive of the game—a 96-yard one—which ended in their losing the ball on downs on the Silverton-2.

Silverton took the next kickoff on their own 30; Craig Culwell gained a first down on the Lorenzo-40; Marvin Self picked up six yards and Craig Culwell made the rest needed for a first down on the 30; Stan and Dana Martin

rushed for another first down on the 20. Gallington and self rushed for a first down on the Lorenzo-9 after an almost-perfect pass from Martin to Terry Culwell was incomplete in the end zone, and on first down Dana Martin went in for the score.

After three incomplete passes, one of which was batted down by Terry Culwell, Lorenzo punted and Craig Culwell carried it out to the Silverton-48. Dana Martin passed to Craig Culwell for a first down on the Lorenzo-29, and a pass from Martin to Terry Culwell gained almost enough for another. Gallington rushed for the first down on the Hornet-15, and Gallington and Craig Culwell made another first down on about the 5-yard line.

The Owls had a total offense of 387 yards. They rushed for 264 yards (Marvin Self ran 10 times for 33 yards; Craig Culwell carried 17 times for 183 yards; Carl Gallington ran 7 times for 20 yards; Dana Martin carried 12 times for 23 yards; and Stan Martin picked up five yards on one carry). QB Dana Martin passed to Terry Culwell for a 102-yard gain and to Craig Culwell for a 21-yard gain.

Lorenzo gained 168 yards rushing and 48 passing for a total offense of 216.

The Owls attempted eight passes, completing four and having one intercepted. Lorenzo attempted 12 passes, completed two and also had one intercepted.

Silverton received eight penalties for 80 yards, while the Hornets had eight penalties which totaled 70 yards.

The Owls made 19 first downs, as compared with 15 for the Hornets.

So far this season the Owls have outscored their opponents, 93-81. Scoring has been by Craig Culwell, 30; Marvin Self, 29; Terry Culwell, 12; David McCoy, 8; Carl Gallington, 2; Harold Vaughn, 6, and Dana Martin, 6.

The Owls have rushed a total of 1049 yards: Craig Culwell, 332; Dana Martin, 140; Terry Culwell, 4; Marvin Self, 269; David McCoy (in only three games), 179; Carl Gallington, 105; Scott Hutsell, 4, and Stan Martin, 16.

Owl passing has totaled 322 yards: from Dana Martin to Craig Culwell, 38; to Terry Culwell, 235; to Harold Vaughn, 31; and to David McCoy, 18.

FORMER RESIDENT SELECTED AS "OUTSTANDING AMERICAN"

A former Silverton resident who is a graduate of Silverton High School is one of two Denver City Men who have been selected for inclusion in the 1971 edition of "Outstanding Young Men of America," according to the Chamber of Commerce in Denver City.

Selected for the national honor was Bob Crass, minister of the Denver City Church of Christ. He was nominated earlier this year by the Chamber of Commerce.

The men were chosen for listing in the annual awards volume in Sunday dinner guests of Mr. and Mrs. L. E. Davis included Mr. and Mrs. Dwin Davis, Canyon; Mrs. Jeanne McLeland and Kevin, Amarillo; Miss Martha Mills, Friona; Lanis Davis, Paul Ray Williams and Marcus Bryant, students at S.M.U., Dallas; and Mrs. D. H. Davis. Calling in the afternoon were Major Carol Davis of New Lano, Louisiana; Steve Brown, a student at Texas Tech, Lubbock; Mrs. Leo Fleming, Wes, Annette, Scotti and Cary.

It takes 10 inches of snow to equal an inch of rain. Jack Dempsey held the heavyweight boxing crown for seven years.

recognition of their professional and community leadership, a spokesman said.

Sponsored by leading men's civic and service organizations throughout the country, "Outstanding Young Men of America" honors men between the ages of 21 and 35 whose demonstrated excellence has marked them for future leadership in the nation.

"These young men," according to Doug Blankenship, Chairman of the Board of Advisory Editors of 'Outstanding Young Men of America,' "are truly outstanding because they have distinguished themselves in one or more aspects of community and professional life."

President Nixon, complimenting the awards volume, has said, "Outstanding Young Men of America" presents a most fitting testimonial, not only to the success of many of our young people, but also to their awareness of the debt which they owe our free society."

Publication date for the 1971 edition is November. Bob Crass is the son of Mr. and Mrs. Edwin Crass, who have recently moved from their farm to 1213 Canyon Street in Plainview. Bob is the brother of Mrs. Jack Sutton of Silverton. He is married to the former Joy Kite, whose father is a former minister of the Silverton Church of Christ.

“Those who expect to reap the blessings of freedom must undergo the fatigue of supporting it.”

Thomas Paine Sept. 12, 1777

FOUR FREEDOMS

Freedom of the press; freedom of speech; freedom of religion; freedom of peaceable assembly.

These four freedoms were guaranteed us by the First Amendment to the Constitution of the United States. We were not guaranteed that no one would try to take them from us. Let us safeguard these freedoms with constant vigilance. SUPPORT AMERICA!

Our priceless heritage embodied in the flag of the United States, is as alive today as it was when written for the ages in the Declaration of Independence and the Constitution. It stands for all the world to see and for all Americans to cherish. And in the tradition of Washington, Jefferson, and Hamilton, we, too, have a privilege, a right, and a duty. While we may disagree as to the methods, we should not disagree as to the goal — that of preserving the greatest democratic society the world has ever known.

Our flag is a symbol, not of sentiment, but of history, the history of men and women willing to live and die for it. Surely this willingness is with us still, because daily we experience more of the blessings that are ours — ours because we are Americans.

Senior Student Receives National Commendation Here

A Letter of Commendation honoring him for his high performance on the 1971 National Merit Scholarship Qualifying Test (NMSQT) has been awarded to Mark McArthur, a senior student in Silverton High School. Principal Bob Wheelchel made the announcement today.

McArthur is among 35,000 students in the United States who scored in the upper 2% of those who are expected to graduate from high school in 1972.

Edward C. Smith, president of NMSQT, said: "Although Commended students advance no further in the Merit Scholarship competition, their standing in this nationwide program deserves public recognition. Their high performance on the NMSQT gives promise of continued success in college."

"The Commended students should be encouraged to pursue their education since their intellectual talent represents an important and much needed natural resource. Both these students and our nation will benefit from their continuing educational development."

The Commended students' names are reported to certain scholarship-granting agencies and to the colleges they named as their first and second choices when they took the NMSQT in February 1971. The reports include home addresses, test scores, and anticipated college major and career intentions of the Commended students. NMSQT encourages these students to make every effort to continue their education.

Highlights And Sidelights

Texas Press Association

AUSTIN, Tex. — A new year-round voter registration law went into effect for Texans on October 1.

Predictions are that it will make significant changes in the political structure of the state. New rules governing the operation of political party conventions also will begin operating next year.

These major provisions in the new voter registration act are noted:

★Voters can register at any time (except for a temporary cutoff 31 days before each election). Registration is good for three years, and is automatically renewed by participation in an election during that period. The old registration period, one of the shortest in the nation, was October 1-January 31.

★Eighteen to 21-year-olds may register and are eligible to vote in local, state and federal elections under a new U. S. constitutional amendment.

★Roving or resident registration deputies may sign up voters anywhere, apartments, union halls, club rooms, dormitories, industrial plants, office buildings, supermarkets or private residences. The law provides that "no voter registrar shall refuse to deputize a person." This is expected to increase sharply the use of deputies to round up voters.

Predictions range upwards of five million total eligible voters in 1972, an increase of a million over 1970.

Voters must have resided in the state a year and in a county for six months to qualify for local election participation. Those who have lived in Texas more than 30 days but less than a year before the November 1972 general election can vote for presidential and vice presidential candidates under special residency registration with county clerks.

STATE TO FIGHT FOR TREASURE

The state is prepared to go to the U. S. Supreme Court to get title to all artifacts recovered from Spanish galleons which sank off Padre Island more than 400 years ago.

Texas Antiquities Committee was told a decision is near by Brownsville federal court in a long legal dispute over the treasure. Platoro Ltd., a Gary, Indiana salvage firm, recovered the valuables in 1967 and proposes a 50-50 split with the state which demands the entire treasure.

Meanwhile, Committee learned an underwater archaeologist has agreed to help set up a program to recover artifacts from another ancient Spanish galleon near Padre Island next year.

COURTS SPEAK

The Supreme Court dismissed the appeal of relatives of Clyde Barrow who lost a suit against Warner Brothers Studio claiming character defamation in the movie "Bonnie and Clyde."

In a pile of other decisions released after a summer recess, the High Court:

★Set a November 17 review of a San Antonio district court ruling which the Alcoholic Beverage Commission maintains would rob it of its power to suspend dealers' licenses for violations.

★Upheld an injunction against a Tarrant County dentist who allegedly claimed he could diagnose and treat cancer.

★Said the Texas Railroad Commission has power to change natural gas prices covered by contracts between cities and pipeline companies when it finds a change is in the public interest. The case grew out of High Plains Natural Gas Company's effort to get a price increase for gas sold to the city of Perryton.

★Turned down city of Azle's appeal from the 1969 incorporation of Sanctuary in Parker County, holding Azle had not proved jurisdiction over the property.

★Booked November 3 hearing of Denton County case in which a father sued his son who backed a car into him for negligence.

★Held parents can collect damages for pre-natal injuries to an unborn child hurt in an auto col-

AG OPINIONS
Attorney General Crawford C. Martin held a new statute attempting to exempt churches and veterans organizations from lottery laws is unconstitutional.

In another recent opinion, Martin interpreted incidental expenses which the comptroller may pay state employees in connection with their travels as those "reasonably necessary to performance of official duties" while away from their desks. A \$35 a day limit is set for travel expenses outside state boundaries.

Special rangers hired by state-wide organizations to promote cooperation with law enforcement agencies are peace officers and must meet minimum standards of selection and training established by Texas Commission on Law Enforcement Officer Standards and Education.

TRIAL DATE SET

House Speaker Gus Mutscher pleaded "not guilty" to bribery charges, and a jury trial has been set for January 10.

Rep. Tommy Shannon and S. Rush McGinty, close friends of Mutscher who were also indicted for conspiracy to accept a bribe, will be tried at the same time. John Osorio, former State Insurance Commissioner and onetime president of National Bankers Life Insurance Company, pleaded "not guilty" to making false statements to the State Board of Insurance and has a January 24 trial date set.

Mutscher tried to get a trial setting in November. He will apparently continue, for time being at least, carrying out his duties as speaker, although the House "Dirty 30" liberal-Republican coalition is urging a special session for his removal as presiding officer.

INTERM REPORT

by Rep. Tom Christian

Thursday a letter signed by 43 members of the Texas Legislature was presented to Governor Preston Smith with the request that a special session of the Legislature be called in order to declare the chair of Speaker of the House "vacant." As one of these 43 members I strongly urge the Governor to grant this request.

Speaker Gus Mutscher has indicated that he would retain his office because of his position on the Constitutionally-authorized Redistricting Board. However, it has been made known that he does not intend to step down.

We do not seek to jeopardize the position of Speaker Mutscher in his upcoming court case, but we are concerned with the image of the Texas Legislature.

For almost a year the Texas House of Representatives has suffered from the divisiveness of the

current leadership and it is that we pick up the pieces of State government and begin to move forward again.

The scandals which have bedeviled our state over this extended period of time have shaken the faith of people in their government. A continuation of this situation will only contribute to further deterioration.

We are already slated for a special session to write an appropriations bill. So we might as well take care of this matter at the same time and avoid the expense of calling two special sessions. I am hoping that the Governor will give this recommendation serious consideration.

Club Hears Program on Conservation

Members of the March of Time Study Club met on October 7, 1971 for a conservation program, with Mrs. Daisy Burson as the speaker. In the absence of the speaker, Mrs. Winnie Redin, who is in California visiting her daughter and family.

Bob Rauch of the Cap Rock Soil Conservation District office in Silverton was guest of the club and presented a beautiful set of conservation slides in color. The 52 slides illustrated conservation measures practiced in the various states of the United States, and showed the great variety of land conservation methods. Some showed terraced lakes which not only conserve water but also provide water for irrigation and flood control. Special grasses were shown in plantings to re-establish stream banks for the purpose of holding the soil, helping keep watersheds clean and to provide food for livestock. The club would like to express appreciation to Mr. Rauch for his courtesy and the informative program.

During the business session, names were presented for the annual cake sale and two resignations were accepted. The Caprock District meeting Saturday, October 16 in Levelland was discussed.

PUBLIC LIBRARY

It was noted that the Briscoe County Commissioners Court has allocated the club with funds to help keep the public library operating. Appreciation is expressed to these gentlemen for this assistance.

The public library is one of the projects of the March of Time Study Club, and the members urge you to visit the library often. You may purchase a book card for only \$1.00 and this entitles you to check out and read a large number of books on a wide range of subjects. Recently received on loan from the state library are about 200 books, some for children, fiction, instructive, historical, and many that make wonderful reading for relaxation and enjoyment. The library is located in the basement of the Briscoe County Courthouse, and is open Tuesdays from 9:00 a.m. until 5:00 p.m. and on Fridays from 1:00 until 5:00 p.m. Mrs. Edwin May will be glad to assist you in choosing a book or several to check out. There's also a very comprehensive collection of reference books which can assist in writing high school or college papers.

RECEIVE YEARBOOKS

The club's yearbooks were handed out and some changes were made due to resignations. New names for membership were presented, and it is hoped that the club roster will be filled again soon.

FEDERATION DAY TEA

Members of L. O. A. Junior Study Club and Century of Progress Study Club will be guests of the March of Time Study Club for a joint federation day tea at 4:00 p.m. Thursday, October 21, in the Pioneer Room at the First State Bank.

Rainy-Day Fun With Empty Meatkeepers

Empty luncheon meat packages are perfect for keeping children happy and little hands busy on rainy days, or at Brownie and Cub Scout meetings this fall.

Once the meat is gone, use your imagination and let youngsters use theirs to create toys, decorations, even simple household items from these new, recyclable Eckerich "Meatkeeper"™ packages which the company is currently introducing in its luncheon meat line.

All you need are scissors, crayons, spray paint, paste, and a paper punch. Add material scraps and left-over strands of string and yarn and these cute and colorful items are easily and quickly made.

And don't forget the packages are good for paper clips, pins, rubber bands, jewelry — or for materials you're using for other Meatkeeper projects!

Here are a few suggestions for starters. Let your imaginations take over!

CLOCK

Spray paint a round, bottom portion of "Meatkeeper" package. To make clock face, trace around the circular bottom of the tub, preferably on a contrasting color of construction paper. Cut hands from construction paper and fasten on face of clock with a brad or pin through center of tub bottom. Punch corner with a paper punch and thread with yarn or ribbon. An excellent way to learn numbers

PICTURE FRAME

Spray round of square "Meatkeeper" tub with light-colored paint. Paste child's picture on a piece of construction paper which has been cut to fit bottom of tub. "Frame" with cut out dolly pasted to outer edge of tub. Using paper punch, make two holes for yarn or ribbon to hang the picture. A cute gift for a proud parent!

MASK

Masks are easily made from "Meatkeeper" lids. Spray with pink, flesh-colored paint. Use scissors or paring knife to cut eyes and nose. Freckles, teeth, mouth and lashes are made of construction paper and glued to painted surface. Multi-colored yarn is braided and fastened to "face" with tape. Punch holes on outer side edges and use quarter-inch elastic to make mask head-band.

CHILD'S HAT

Spray a round or square "Meatkeeper" tub. Punch holes on each side for yarn "straps." Decorate with ribbons and flowers using glue to hold in place. Cute combinations of accessories are endless!

1971 4-H Scholarships at Record Level

SPECIAL - Rapidly approaching is an occasion of special significance for nearly 3-million youths. It is the 50th National 4-H Congress, Nov. 28-Dec. 2.

And this Golden Anniversary will turn into actual gold for nearly 300 4-H members who will receive educational scholarships ranging from \$300 to \$1,600.

Scholarships available to 4-H'ers during the Golden Anniversary year are at an all-time high \$179,100. Most of them in the amount of \$700 will be presented to the fortunate young people at special events during the Congress.

The funds are provided through the generosity of donors to 4-H through the awards programs supervised by the Cooperative Extension Service and arranged by the National 4-H Service Committee.

6,400 over 40 Years

Scholarships were first offered 4-H members some 40 years ago. Since then donors have provided some 6,400 scholarships valued at more than \$2.8 million. And they also have funded an estimated 50,000 expense-paid trips to the National 4-H Congress and other events over the 50-year period.

Besides the scholarships and trips in 1971 nearly 200,000 other 4-H'ers will be recognized for outstanding accomplishments in the form of county medals, U.S. Savings Bonds, watches, plaques and other awards.

Some 60 companies, foundations and civic organizations have contributed this year over \$1.4 million to the support of 4-H through the National Committee and several lent their support throughout the 50 years the committee has been in existence. Others are in their first decade of sponsorship.

Donors Span 50 Years

Armour and Company has allocated funds for advancement of 4-H activities for over half a century. Cities Service Company, Coats and Clark Inc., Allis-Chalmers and Carnation Company also are

among long-time sponsors.

Ford Motor Company, Hercules Incorporated, Standard Brands Incorporated and Union Oil Company of California have been contributors over several decades.

John Deere, Eli Lilly and Company and General Foods Corporation joined the 4-H donor ranks more than 10 years ago.

More recently, the list of 4-H supporters has included Allied Mills Foundation, Champion Valley Farms, Inc., Elanco Products Company, The Goodyear Tire and Rubber Company and Merck & Co., Inc.

Cub Scouts, Parents To Meet Monday

There will be a meeting of Silverton Cub Scouts, their parents, and boys who are interested in joining Cub Scouts and their parents Monday, October 18, at 7:30 p.m. in the Silverton School Auditorium.

All boys 8-11 who are interested in Cub Scouts are invited to attend with their parents.

W.S.C.S. CONTINUES STUDY OF PSALMS

W.S.C.S. met Tuesday, October 12 in the fellowship hall of the United Methodist Church to continue their study of Psalms. Due to the absence of the study leader, Mrs. James Futch, Mrs. Vance Childress led the program after opening with a prayer.

Psalms 9 through 14 and their references were read and discussed.

Mrs. Bill Edwards was hostess to nine members and one visitor.

THE ESTABLISHMENT

Our priceless heritage embodied in the flag of the United States, is as alive today as it was when written for the ages in the Declaration of Independence and the Constitution. It stands for all the world to see and for all Americans to cherish. And in the tradition of Washington, Jefferson, and Hamilton, we, too, have a privilege, a right, and a duty. While we may disagree as to the methods, we should not disagree as to the goal — that of preserving the greatest democratic society the world has ever known.

Our flag is a symbol, not of sentiment, but of history, the history of men and women willing to live and die for it. Surely this willingness is with us still, because daily we experience more of the blessings that are ours — ours because we are Americans.

Seldom has a basic structure of society been so maligned as "The Establishment" — perhaps because it represents authority, restrictions and a set of rules to follow. At a time when individualism is at its peak, authority is not a popular figure.

Our society, however, is made up of people helping each other to build a better life. While "The Establishment" may impose restrictions, it also builds hospitals, churches, schools, courts and businesses. Could we survive without it?

Society is you and I and all the Americans who wish to see our country grow in strength and prosperity, working together to KEEP AMERICA FREE!

Two From Briscoe County Attend J. P. Training Session

Two Briscoe County justices of the peace were among 172 JPs attending a three-day training session in Lubbock conducted by the Police Training School at Texas A&M University.

The program, sponsored by a grant from the Texas Criminal Justice Council, is designed to upgrade the understanding of JP duties.

Representing Briscoe County were Lewis J. Bedwell, jr., Precinct 2, Quitaque; and Gary Hunt, Precinct 1, Silverton.

Justices from 104 West Texas counties attended sessions at the Red Raider Inn Monday through Wednesday. Members of the West Texas Justices of the Peace and Constables Association also held their annual convention during the short course.

Ralph Benton, program coordinator for Texas A&M's Engineering Extension Service, said the justices of the peace were very impressed by the training sessions.

One JP wrote "the expressions on the faces of those attending speaks louder than words." Benton noted many of the JPs came with mixed emotions about a "training school," and most found they had a lot to learn about their jobs.

An Air Force retiree said the teaching "was as good as any presented by the Air Force." A woman declared she would "put this knowledge to work in every routine."

Several participants declared the meetings with other justices and discussion of common prob-

Key Awards for the first time in Briscoe County. Given in recognition of service, leadership and outstanding participation in the 4-H Club program, the Key Awards were presented to Sharon Jarrett, daughter of Mr. and Mrs. Claude Jarrett, and Derrel Martin, son of Mr. and Mrs. Donnie Martin, both prior year winners of the Gold Star Awards, by Lyndal Black, representing Custom Farm Services.

TEXAS SILVER SPUR AWARDS

The Texas Silver Spur Awards

were presented to Mrs. Joe Brannon and Bill Boling by Alton Higginbotham on behalf of Lighthouse Electric Cooperative. The Silver Spur Awards are given in recognition of outstanding service by 4-H adult leaders.

4-H'ERS PARTICIPATE ON PROGRAM

Master of ceremonies for the banquet was Derrel Martin. Dinner music was provided at the organ and piano by Ted Lanham, who also accompanied the soloists on the program. The invocation was given by Ty McMurtry, after which the audience joined in repeating the 4-H Pledge and Motto, led by Ken Wood, and the Pledge to the American Flag, led by Gary Storie. Following the pledges, Debbie Cantwell sang "God Bless America."

The welcome was given by Rhonda Sutton, and Adult Leader Certificates were presented by

Don Cornett, chairman of the Briscoe County 4-H Adult Leaders' Association.

"Westward Ho The Wagons" and "A Dream is A Wish Your Heart Makes" were sung by Dave Francis.

Special guests were introduced by Sharon Jarrett, who also directed an inspirational candlelight skit, "Four Fold Life," which was given by Kent Holt, Ken Sarchet, Lesa Francis, Susan Northcutt and Suzette Fitzgerald.

Friends of 4-H recognized by Celia Martin were: Lighthouse Electric Cooperative, donor of the Silver Spur Awards and co-sponsor of the banquet; Swisher Electric Cooperative, co-sponsor of the banquet; Plainview P. C. A. in Silverton for furnishing a 4-H meeting room and refreshments; First State Bank, for furnishing a meeting room for 4-H events; Southwestern Public Service Co., donating electricity for 4-H activities; Glen Lindsey and the Silverton Merchants Association, for purchasing 4-H project animals at the Amarillo livestock show; Carman Rhode and Rhode Pipe Co., for installing a water line to the Briscoe County Livestock Show Barn; Sun-Vue Fertilizers, for furnishing a place out of the weather to groom 4-H project animals for the show; Silverton Young Farmers, for use of their concession stand for 4-H events; Briscoe Cooperatives, for use of the public address system for all 4-H events; Ted Lanham, for furnishing dinner music and entertainment for the 4-H banquet; and Thompson Implement Co., for furnishing refreshments for 4-H events.

CARD OF THANKS

Again, dear friends and loved ones, we are indebted to you for your words and deeds of kindness that express so much concern and compassion. Thank you for every act, thought and word of comfort you have extended toward us in this hour of bereavement.

May He who neither slumbers nor sleeps watch over and guide each of us in our humble prayer. Sincerely, Mr. and Mrs. T. T. Crass (Theron and Frances) Mr. and Mrs. L. H. McMurtry (Lee Helvey and Clyette) and family

I would like to thank the people who helped in our sorrow, especially the ones that gave money, food and flowers and those who gave money to the cemetery fund. Thank you, too, for the phone calls.

I would also like to thank Larry Wilson, Earl Cantwell and Bill Griffin, as well as the City, Fire Department and the V.F.W. for all they did.

We thank you all again, and hope God will be with you. All the Yancey family

I want to say thanks to each and every one who had a part in making my stays in the hospitals more pleasant by coming to see me, for the beautiful flowers, gifts and so many get-well cards. Also for the letters of encouragement.

I especially want to thank those who filled in for me on my job while I was sick.

Your kindness and thoughtfulness will always be remembered. O. C. Maples

Would the person that borrowed my small folding baby bed please return it to the Methodist Church or contact me. Thank you. Joy Stodghill

Thanks for the calls, visits, cards, flowers, gifts and prayers while I was in the hospital and since we have come home. Mr. and Mrs. Milton Frizzell
