

C. Mayfield Dies At Age 71

Silvertown resident Cris Mayfield, 71, died at 10:00 a.m. Monday in Silvertown hospital. He was a native of Briscoe County and had resided in Clayton, N.M., for about a year. Funeral services were conducted at 2:00 p.m. Monday in Silvertown Methodist Church with Rev. James Futch, pastor, and Earl Thomas, minister, officiating. Burial was in Silvertown Cemetery with Silvertown Funeral Home in charge of arrangements. Mayfield was born in Briscoe County on the old Mayfield place, seven miles northwest of Silvertown January 30, 1900. He is survived by his daughter, Mrs. Carmon Belle Boucher of Dallas, three sons, S. D. Mayfield and S. D. Mayfield of Clayton and Dave Mayfield of Raton, New Mexico; two sisters, Mrs. Estelle Thomas of Silvertown, Mrs. Annie Finch of Santa Fe and Mrs. Neva McDonald of Silver Springs, Colorado; seven grandchildren and four great-grandchildren. Pallbearers were: Charlie Holt, Alvin Steele, Carl D. Bomar, Alvin Bomar, Wayne Crawford and Doc Brown.

Bake Sale Saturday

The C.A. of the Assembly of God will sponsor a bake sale at the Grocery & Market Saturday. Proceeds will go to Missions.

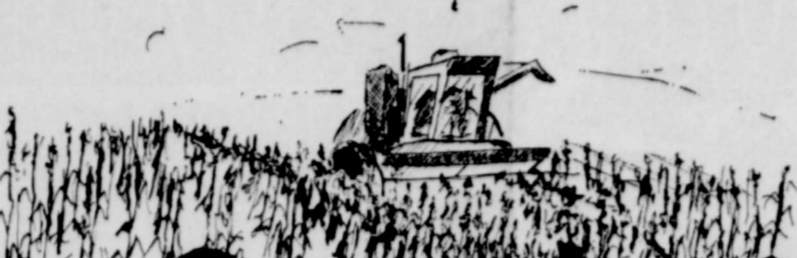

District 2-A Getting Two New Teams

District 2-A, of which Silvertown is a member, will get two new member schools next year. They are Wellington, who moves from District AA back to A, and the Turkey-Quilake Consolidated School. The consolidation of the two Class A schools moves the new school to Class A. Making up District 2-A next year will be Clarendon, Claude, McLean, Memphis, Wheeler, Silvertown, Wellington and Turkey-Quilake. There were no changes in Districts 3-A and 4-A for next year. First football games next year will be on September 7, a week earlier than this year, with teams having 11 weeks to get in their game schedules. The new alignment will be for two years.

ATTEND FUNERAL SERVICES FOR OKLAHOMA INFANT

Mrs. M. L. Welch, Mrs. D. T. Johnson and Mrs. J. E. Vaughan are in Hollis, Oklahoma for funeral services at 4:00 p.m. Monday for little Stephanie Kay Smith, seven-month-old daughter of Mr. and Mrs. Ken Smith, and granddaughter of Herschel and the late Corene Vaughan. The baby underwent surgery at 10:00 a.m. Friday, October 29, and passed away soon after the operation. Funeral services were conducted in Oklahoma City, where the Smiths lived, at 10:00 a.m. Graveyard rites were conducted at Hollis at 4:00 p.m.

Clarendon Bronchos Take Silvertown Owls

☆☆☆☆☆☆☆☆

Marvin Self was presented as the Pep Squad Beau for 1971 during the Pep Rally last Friday. Pep Squad President Dorothy Yancey and Head Cheerleader Paula Montague presented Marvin with a plaque and a megaphone autographed by all the members of the Pep Squad. Dorothy also presented the traditional kiss.

by Mary Ann Sarchet

Clarendon's hard-charging Bronchos took a 21-7 victory from the Silvertown Owls here Friday night, as fans strained their eyes to see through the cloud of fog which engulfed the field and the teams worked hard to keep their footing on the muddy playing surface.

Marvin Self kicked into the end zone to open action in the game, and the Bronchos started with a touchback on their own 20-yard line. After a nice gain on a pass completion, Clarendon fumbled, and Craig Culwell recovered on about the Silvertown-30.

QB Dana Martin ran for a first down on the Clarendon-46, and David McCoy rushed for first downs on the Clarendon 32 and 22, but after an incomplete pass, the Owls were forced to give up the ball on the Broncho-29.

Clarendon made first down on the Owl-47, and the second period opened with a 35-yard run by Elray King Junior Halfback, to the Silvertown-2. Next play, Junior Fullback Tommy Shields carried the touchdown, with 11:48 remaining on the clock. Scotty Lindley kicked the extra point, and the Bronchos led 7-0.

Later in the quarter, Rex Clayton hit the Broncho ballcarrier, jarring him loose from the ball, and Mark McArthur recovered for the Owls at midfield. The joy was short-lived, however, for big Elray King came through with the interception of a Silvertown pass which he carried to the Owl-46. After Clarendon made first downs on the Silvertown 55 and 25, King carried to the Silvertown 4 or 5 yard line. Shields carried a touchdown,

Donations Needed To Begin Ambulance Service

An urgent request is being made for donations to the Silvertown Volunteer Ambulance Service. Please mail or take your donation to David Tipton at First State Bank. Only your donations can get this service into operation.

which was called back due to an infraction, and on fourth down, Shields carried the counter from the one-yard line with 4:03 remaining to be played in the half. Lindley kicked, and Clarendon owned a 14-0 lead.

The Owls took the after-touchdown kickoff on their own 37. Graig Culwell ran for a first down to the 50, but Silvertown was forced to punt. Clarendon fumbled on first down, and McArthur recovered on the Clarendon-15. Marvin Self attempted a field goal which failed with 39 seconds remaining to be played in the half.

The Bronchos kicked off to the Owls to open the third period and very shortly received the ball back on a punt. After an incomplete pass, Elray King carried to the Silvertown 5, and Junior Halfback Steve Carter carried the touchdown with 8:50 remaining to be played in the quarter. Lindley kicked the PAT, and Clarendon held a 21-0 lead.

With 24 seconds remaining to be played in the third quarter, Lindley attempted a field goal from the Owl-30, which failed. Shortly after the dawn of the fourth stanza, the Bronchos attempted another field goal from the Owl-37, which failed, with 10:11 remaining in the game.

With only 21 seconds remaining to be played, Craig Culwell intercepted a broncho pass on the Silvertown-5, and ran it out to the Silvertown-35. On first down, Marvin Self, who was presented as Pep Squad Beau Friday afternoon ran all the way for an Owl score. With eight seconds still showing on the clock, Self also kicked the extra point to freeze the score at 21-7.

The Bronchos made 14 first downs in the game, as compared with seven for the Owls. Silvertown attempted five passes, had four fall incomplete and had one intercepted. Clarendon passed seven times, completed two, and also had one intercepted.

The Owls fumbled the ball twice, and Clarendon recovered both of them; the Bronchos fumbled four times, and lost three of them.

Services Held For Johnny B. McMurtry

Funeral services for Johnny Bob McMurtry, 23, a Vietnam War hero wounded three times during combat who died Sunday in an apparently accidental shooting, were held at 3 p.m. Tuesday in the First Methodist Church of Texline.

The Rev. Wilton Lynn, pastor of the First Methodist Church in Texline, and the Rev. Frank Perry will officiate.

McMurtry was target practicing along with his girlfriend, Carol McAdams, on the J. T. McAdams farm some 30 miles west of Dalhart.

Sheriff R. C. Johnson said he apparently was standing, talking to the girl while holding the rifle extended with his finger around the trigger guard. The rifle discharged and he was shot through the head.

The girl ran to her home and called an ambulance. He was pronounced dead on arrival at Coon Memorial Hospital in Dalhart.

Interment will be in Texline Cemetery by Kilburn Funeral Home of Clayton, N.M.

The much-decorated soldier served for a year in Vietnam and was wounded three times.

Born in Amarillo April 10, 1948, he resided all his life in Dallam County. He was a member of the First Methodist Church in Texline, the VFW and the Masonic Lodge.

During Vietnam combat action, he received the Bronze Star, an Army Commendation Medal with V device for valor, Air Medal with clusters, Purple Heart for wounds in action, Good Conduct Medal, Vietnamese CA Conduct Medal, Vietnamese Campaign Medal, and Vietnamese Service Medal, National Defense Ribbon and Combat Infantry Badge.

He was discharged from the Army January 16, 1969.

Survivors are his parents, Mr. and Mrs. Lee McMurtry of Texline; three sisters, Mrs. Mary Merchant Greenville, Mrs. Loubel Gallet of Dalhart and Mrs. Toni Gray of Holiday; and two brothers, Boyd of Texline and Lee McMurtry, Jr. of Pueblo, Colo. and an aunt Mrs. Theron Crass of Silvertown.

Mrs. Carl D. Bomar attended the services from Silvertown.

Silvertown was penalized two times for 10 yards, while the Bronchos had two penalties for 20 yards.

Clarendon and McLean are presently leading the field in District 2-A, with Memphis having been eliminated by McLean, 33-15 last Friday night.

With McLean and Clarendon tied for first place in District 2-A, Memphis holds second place, Wheeler ranks third, and Silvertown is tied with Claude (who still hasn't scored in conference play) for fourth place.

DISTRICT 2-A SCORING

McLean	102 - 21
Clarendon	67 - 14
Memphis	77 - 46
Wheeler	37 - 48
Silvertown	40 - 91
Claude	0 - 83

The Owls travel to Wheeler Friday night to meet the Mustangs at 7:30 p.m. It's a long way to go for a ballgame, but the Owls need your support. We're going to take a win this week!

F.F.A. Boys Selling "Color My World" Theme for Halloween

Citrus Fruit Now

Members of the Silvertown chapter of Future Farmers of America are taking orders for boxes of oranges and grapefruit. Price of a box is \$5.50; half a box costs \$2.80. The boys will be selling citrus fruit until November 23. The fruit will be delivered about the second week in December.

Mr. and Mrs. V. C. Adcox of Odessa visited last week with his sister, Mr. and Mrs. J. P. Cogdell and Mr. and Mrs. George Seany.

"Color My World" Theme for Halloween

Coronation Held Here

"Color My World" was the theme of the annual Halloween Coronation ceremony held in the Silvertown School Gymnasium Saturday night, October 30. Theme song of the coronation was played by flutist Teresa Boyd, accompanied by Ted Lanham at the piano.

Crowned as Halloween Queen was Darla Strange, freshman, daughter of Mr. and Mrs. Fred Strange. She was crowned by Trent Brown, SHS Student Council president, who also presented the royal scepter to Dee Arnold, son of Mr. and Mrs. Walter Arnold. Trent escorted Amy Birdwell in the ceremony.

Crowned as Halloween Princess was Missy Wristen, first grade, daughter of Mr. and Mrs. Don Brown. She was crowned by Ken Sarchet, who escorted Debra Strange, Eighth Grade president, who also presented the scepter to Tad Cornett, son of Mr. and Mrs. Don Cornett.

The Halloween Queen and Princess were elected by ballots cast by those attending the Coronation Ceremony.

The school gym was gaily decorated for the occasion by members of the Student Council, sponsor of the event. Coronation entertainment also included three numbers by the fourth-grade choir under the direction of Ted Lanham.

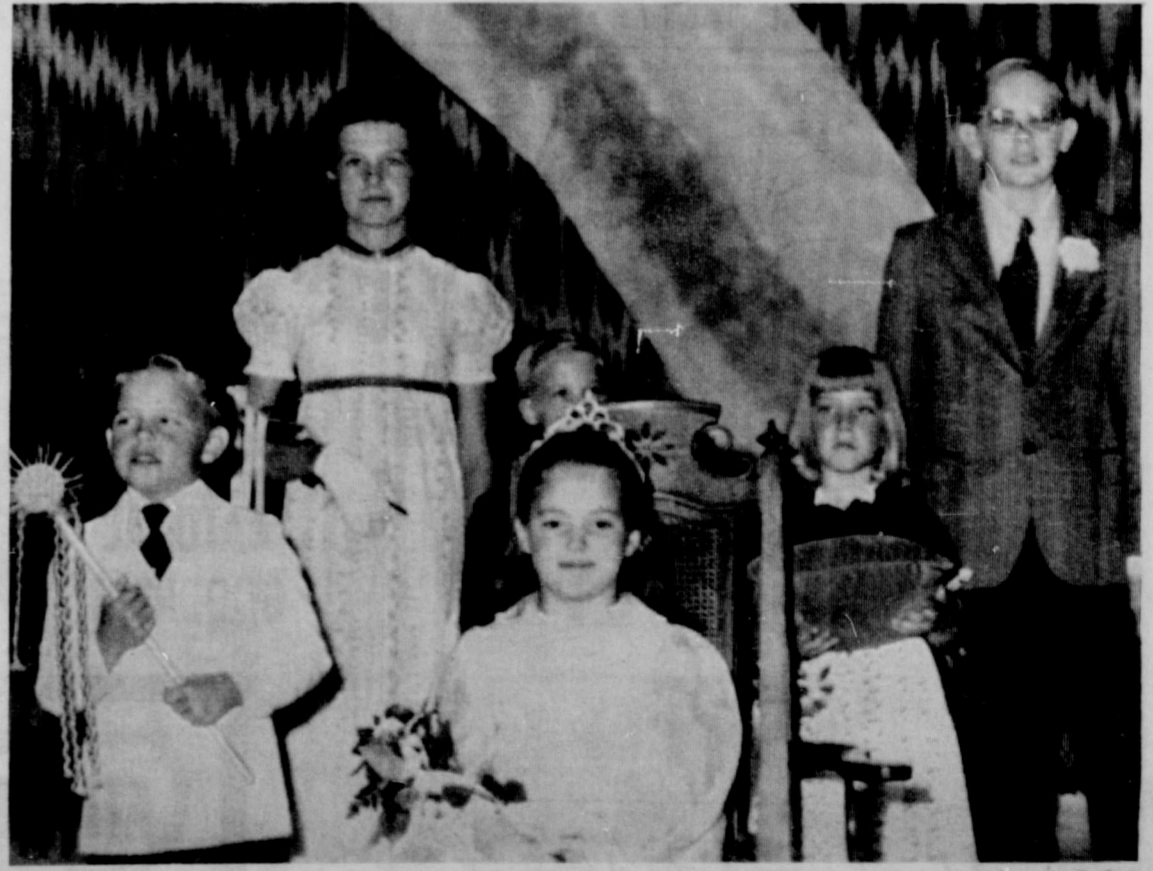

As each pair of candidates, representing all 12 grades, entered and were presented, the boy handed the girl a long stemmed rose beneath an archway decorated with multi-colored flowers before offering her his arm and escorting her to their appointed place around a fountain. The other candidates were

Thresa Tate and David Kellum, seniors; Laura Dudley and John Burson, juniors; Ann Boyd and Craig Culwell, sophomores; Debbie Boyd and Doman McArthur, eighth grade; Donna Dudley and Dayne Mayfield, seventh grade; Beverly Boling and Jim Gates, sixth grade; Karen Ziegler and Bryan Burson, fifth grade; Tracy Mayfield and Nicky McJimsey, fourth grade; Shelly Harris and Robert Boyd, third grade; Cynthia Edwards and Greg Wheelchel, second grade.

☆☆☆☆

Halloween Queen Darla Strange with her escort, Dee Arnold, following the Coronation ceremony. Also are pictured are the crown bearer Tandy McJimsey, first grader; Amy Birdwell and Trent Brown, Student Council President.

Halloween Princess Missy Wristen with her escort, Tad Cornett, were pictured with the crown and scepter bearers, Janice Reynolds and Shane Reagan, first graders; Debra Strange, Eighth Grade President, and Ken Sarchet.

JACKIE MERCER

Jackie Mercer On Program Committee

The state office of Texas Farmers Union has announced the appointment of Jackie Mercer to serve with 16 other members on the Program Committee. The committee will draft the resolutions which will be considered by the delegates at the 68th annual convention of the organization which will be held at the St. Anthony Hotel in San Antonio, December 6 through 8.

Jackie is a long-time member of Briscoe County. She is married to Fred Mercer, a farmer and community leader. She has three children and four grandchildren. She and her husband farm approximately 3500 acres including wheat, feed grains, cotton and run a stock operation as well.

Mrs. Mercer is a former school teacher. She is also the Democratic Chairman of Briscoe County. She is an Episcopalian. Mrs. Mercer is also involved in several organizations. She is a member of the Federated Women's Club working with library projects. She and her husband, Fred, are active in the Briscoe County Farmers Union.

Salad Supper Held At J. D. Nance Home

Following the evening services of the Rock Creek Church of Christ everyone was invited to the J. D. Nance home for a Salad Supper and Singing.

Those attending were Mr. and Mrs. Jimmie Cantwell of Brownwood, Mr. and Mrs. Worthy Cantwell, Watha and Bennie of Plainview, Mr. and Mrs. Joe Lyons, Bob, Shelia, Kathy and Lesa, Mr. and Mrs. John Francis, Lesa and Dave, Mr. and Mrs. Elton Cantwell, Brenda and Roger, Mr. and Mrs. Alvie Francis and Katti, Mr. and Mrs. Wade Steele, Mr. and Mrs. Earl Cantwell, Mr. and Mrs. Lowell Calloway, Mr. and Mrs. Fred Arnold and Kari, Mr. and Mrs. John Turner, Mr. and Mrs. Ashel McDaniel, Mr. and Mrs. Wayland Fitzgerald, and Mr. and Mrs. Nance.

Appaloose Horse Club Has Meetng

On October 30 members of the Golden Spread Appaloosa Horse Club met at the home of Mr. and Mrs. W. H. Fitzgerald. A covered dish luncheon was served at noon. Following lunch a monthly meeting was held with Mrs. Eshel Givens, president of the club presiding.

Then the group mounted their horses and rode in the canyons. When the group returned they enjoyed a evening meal.

Members came from Tahoka, Hale Center, Cotton Center, Abernathy and Lubbock.

WSCS Has Meeting In Fellowship Hall

W. S. C. S. met November 2 in Fellowship hall of the First United Methodist Church to continue the study of Psalms, led by Mrs. Nadine Childress. Mrs. Zelma Lee Mayfield opened the meeting with a poem "I Heard Something Good About You Today."

Samples of fabrics were examined and discussed to cover the parsonage chairs. This is the next project of the society.

Refreshments were served to nine members by Mrs. Mayfield.

Fred is the county Farmers Union President.

The 17-member committee will assemble the resolutions adopted by the county affiliates of Texas Farmers Union into draft of the state program for consideration in San Antonio. County groups will be making their views known to the state organizations in the form of county resolutions adopted at the local annual meetings.

The first meeting of the Program committee has been scheduled at the Holiday Inn Southwest in Waco November 15 and 16. The committee will meet again prior to the convention December 5 in an open-hearing session to receive testimony from other organizations and individuals who wish to have their views heard.

THE LAND

THE LAND is one of man's most valuable assets—we think it is prime collateral. In the past 54 years the Federal Land Bank of Houston has made almost 200,000 loans on Texas farms and ranches.

In other words, we specialize in making farm and ranch real estate loans—long term loans with prepayment privileges.

See us today for full details, no obligation of course.

"Those who expect to reap the blessings
of freedom must undergo the
fatigue of supporting it."

Thomas Paine Sept. 12, 1777

DECLARATION OF PEACE

One of the ideals sought after by most Americans is the ability to live in harmony with our neighbors. Wouldn't it be a real victory to see strides made toward harmony, rather than discord?

If each of us were to reach out our hands in friendship to one other person every day, perhaps in time we could make the greatest proclamation of all, a Declaration of Peace. What better way to SUPPORT AMERICA!

Our priceless heritage embodied in the flag of the United States, is as alive today as it was when written for the ages in the Declaration of Independence and the Constitution. It stands for all the world to see and for all Americans to cherish. And in the tradition of Washington, Jefferson, and Hamilton, we, too, have a privilege, a right, and a duty. While we may disagree as to the methods, we should not disagree as to the goal — that of preserving the greatest democratic society the world has ever known.

Our flag is a symbol, not of sentiment, but of history, the history of men and women willing to live and die for it. Surely this willingness is with us still, because daily we experience more of the blessings that are ours -- ours because we are Americans.

Junior High Owls Lose To Claude 23-0

by Mary Ann Sarchet
Silverton Junior High Owls closed the 1971 football season with a 23-0 loss to the Claude Colts here last Thursday.

The Colts charged 40 yards for a touchdown on the third play of the game, and added the conversion run to hold an 8-0 lead with 6:16 remaining to be played in the first quarter.

On their first possession, the Owls made about four yards before punting. The Colts picked up a first down before running 43 yards for a second touchdown with 1:49 still remaining in the first period. The conversion run was good, and the Colts held a 16-0 lead.

The Owls came back and picked up five yards on a pass from David Strange to Brad Ziegler. Strange passed to Brent Bean for a gain of about 12 yards and the first first-down of the game for the locals. The Owls gained another 15 yards on a face-mask violation by the Colts before a Silverton pass was intercepted on the Colt 20.

In the second stanza, the Owls moved to a first down on a holding infraction by the Colts. Bean rushed for five yards, and Ziegler picked up a first down on the Claude 45. After an incomplete pass, the Owls punted to the Colt 40, from where the Colts wasted little time in sweeping end for another score. They kicked the extra point to extend their lead to 23-0.

When the second half opened, Jack Robertson rushed for nine yards, after which the Owls were unable to make a first down and Brett Gill got off a short punt. Silverton pushed the Colt passer back and David Lewis recovered a Claude fumble.

Again Ziegler and Robertson combined talents to rush for seven yards for the Owls before the Owls punted to the Colts. After allowing a first down on their own 25, the Junior Owls threw Claude for a loss back to the 45.

The Colts made another first down in the fourth frame and attempted a field goal.

Taking possession with a touch-back on their own 20, the Owls came to life as Strange passed to Gill for eight yards and Bean ran for a first down. Then the Owls fumbled and Colts recovered the ball.

Coach J. B. Carter brought the

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Bill Swindle of Hart announce the engagement and approaching marriage of their daughter, Margaret Leigh, to Mr. Danny Patrick Dorman, son of Mr. and Mrs. George (Bus) Dorham of Wheeler.

Wedding vows will be solemnized November 20, 1971, at the First United Methodist Church in Hart.

The bride-elect is a 1969 graduate of Hart High School and attended West Texas State University. The granddaughter of Mr. and Mrs. Jim Clemmer of Silverton. Miss Swindle is currently employed by Western National Life Insurance Company in Amarillo.

Mr. Dorman is a graduate of Wheeler High School and is a 1971 graduate of West Texas State University where he earned a Bachelor of Science degree. He is currently self-employed.

T.S.E.A. OFFICERS ELECTED

AT SUL ROSS IN ALPINE

Ron Ferguson, Cotulla junior, has been named acting president of the Sul Ross Chapter of the Texas Student Education Association (T.S.E.A.). Ferguson, T.S.E.A. first vice president, will hold that office until Chapter President Johnny Marlin, Uvalde senior, returns to the campus December 10 from his student teaching assignment in Del Rio.

Association officers elected October 12 to fill vacant offices were Couzeze Rusk, Palacios freshman, second vice president; Teeni Harman, Seguin senior, secretary; Dave Patton, Barksdale senior, parliamentarian; Jane Love, Alpine senior, historian; Patsy Potts, San Antonio freshman, propeet leader; and Barbara May, Silverton freshman, reporter.

Owls starters out one by one in the fourth period, sending in players from the bench who hadn't seen much action during the season. It was the last junior high football game for Tri-Captains Brett Gill, David Lewis, and Ken Sarchet, as it was for the other eighth grade players, Rudy Betancourt, Fernando Patino, Jimmy Hooten, Doman McArthur, Guadalupe Martinez and Andy Bullack.

Brett Gill was presented as Beau of the Junior High Pep Squad at the Pep Rally held Thursday afternoon.

Osteopathic Medical Education Committee Appointed Recently

A committee on osteopathic medical education in Texas was appointed by the president and approved by the Board of Trustees of the Texas Osteopathic Medical Association October 24 in a statewide meeting held in Fort Worth.

The committee appointed by Dr. Richard M. Hall of Groom includes an osteopathic medical school educator from the Chicago College of Osteopathic Medicine, Dr. Albert F. Kelso (Ph.D.) of Chicago, professor of physiology and pharmacology and guest lecturer at the Texas College of Osteopathic Medicine;

Dr. Bobby G. Smith (D.O.) of Arlington, immediate past president and medical jurisprudence chairman of TOMA, also a member of the clinical faculty at TCOM, who is chairman of the new committee;

Dr. John H. Boyd (D.O.) of Silverton, graduate of Texas Tech and Kirksville College of Osteopathy and Surgery, former Wharton County health officer and trustee of Wharton County Junior College;

Dr. T. T. McGrath (D.O.) of Fort Worth, orthopedic surgeon, formerly chairman of department of surgery and department of orthopedics at Kansas City College of Osteopathic Medicine;

Dr. Richard M. Hall (D.O.) of Groom, president of TOMA, attended Amarillo Junior College, graduate of University of Denver and Kirksville (Missouri) College of Osteopathy and Surgery, and member of the school board in Groom.

"With our new Texas College of Osteopathic Medicine in its second year at Fort Worth it is vital that we activate this committee to work with the College and the State Board of Medical Examiners," Dr. Hall said.

The committee is the counterpart of a similar committee of the Texas Medical Association (TMA) which wields considerable influence over M. D.-controlled medical schools in Texas.

Doctors with D. O. and M. D. degrees are licensed to practice medicine and surgery by the State Board of Medical Examiners, which is composed of both D. O. s and M. D.s.

Almost half of the family physicians in Texas are D. O.s.

FRED ARNOLDS HOST FAMILY DINNER PARTY

Mr. and Mrs. Fred Arnold, Penny, Laura and Kerri hosted a family dinner Sunday, October 31.

Attending besides the hosts were Craig Culwell, Vigo; Mr. and Mrs. Jimmie Cantwell and grandson, Mike Cantwell, of Brownwood; Mr. and Mrs. Worthy Cantwell, Watha and Benny, Mr. and Mrs. Alvie Cantwell, all of Plainview; Mr. and Mrs. Paul Bedingfield, David, Kelvin, Kyle and Kay Lea and Randy Moore of Lubbock; Mr. and Mrs. Grady Teague, Keitha and Quade of Big Spring; Mr. and Mrs. Lannie Arnold, Friona; Mrs. Bertha Self, Tulia; Mr. and Mrs. Steve Self and Jimmie, Amarillo; Mr. and Mrs. Earl Cantwell, Mr. and Mrs. J. L. West, and Mrs. Gladys Arnold.

Callers in the afternoon were Mr. and Mrs. Datis Martin, Celia, Stan, Dana and Dorothy Yancey, Mr. and Mrs. Elton Cantwell, all of Silverton; Mr. and Mrs. Wayne Hamilton, Tammie and Todd, Tulia.

Observing October birthdays were Mrs. Jimmie Cantwell, Worthy Cantwell, Mrs. Fred Arnold, Mrs. Paul Bedingfield, David Bedingfield, Mrs. Gladys Arnold, Mrs. Datis Martin, Mrs. Bertha Self, Mrs. Ruth West, and one real spook whose birthday is on October 31, Roger Cantwell, who was unable to attend.

Mr. and Mrs. Jimmie Cantwell are the parents of Worthy and Alvie Cantwell of Plainview; Mrs. Paul Bedingfield, Lubbock; Mrs. Grady Teague, Big Spring, and Mrs. Fred Arnold. Two other sons and families, Nolan and Arthur, both of Brownwood, were unable to be here. Bro. Jimmie Cantwell preached at both services on Sunday at Rock Creek Church of Christ. He is a brother of Earl Cantwell of Silverton and Mrs. Bertha Self of Tulia, and is a cousin of Mrs. J. L. West.

FIRST BALE GINNED AT DEMPSEY GIN

Benny Reagan weighed in the first bale of cotton on October 28, and was ginned November 1st. The bale weighed 565 pounds. This bale was ginned at Dempsey Gin.

Buck Wesley is a surgical patient in Northwest Texas Hospital in Amarillo.

Silverton Principal Is 1972 Spelling Bee Director For Briscoe County

Charlie Payne, Principal, Silverton Junior High School, has been named to direct the activities for the 1972 Spelling Bee program in Briscoe County.

April 8, 1972 is the deadline for the event to be held in the county, and the winner named will be a participant in the 24th Regional event in Amarillo on April 29, 1972. The youngster who catapults to the top regional spot in Amarillo will be the lucky recipient of an all-expense trip to Washington, D. C. June 5-9, 1972, for himself and a parent. In the nation's capitol he'll compete for the 44th national title with other area winners from throughout the United States to Guam. The week's stay in Washington will be highlighted by various tours throughout the nation's most famous city.

Any boy or girl who has not reached his 16th birthday or passed beyond the eighth grade by June 1, 1972, is eligible to enter.

The 1972 Golden Spread Bee will be co-sponsored by West Texas State University and the Amarillo Globe-News. L. J. (Jack) Edmondson, director of public services at the university, will be coordinator for the Golden Spread contest. This year's regional spelling-down is the 24th annual contest sponsored by the newspaper and WTSU, and 46 counties in the Texas Panhandle, Oklahoma, Kansas and New Mexico comprise the Golden Spread area.

In 1971, Jill Hutsell, daughter of Mr. and Mrs. Ed Hutsell of Silverton represented Briscoe County in Amarillo, and placed seventh in a field of 46 county winners. She attended Silverton Junior High School, where she was in the eighth grade.

A secondary contest—the only one of its kind within the National Spelling Bee program sponsored by 59 leading daily and Sunday newspapers—will be open to youngsters from the sixth and lower grades. These youngsters will be guests at the Amarillo Globe-News Spellers' luncheon on April 29, 1972, but WILL NOT spell unless they represent both divisions. The Junior Briscoe County winner in 1971 was Susan Grabbe,

daughter of Mr. and Mrs. Warner Grabbe of Silverton.

At the Regional Bee, each county winner will receive a gold lapel pin and a plaque; each county junior champion will be awarded a trophy and silver pin. All contestants—both divisions—will receive entry ribbons and winner ribbons.

The 1972 "Words of the Champions"—the practice booklet used by most schools—is new in design, new in lettering, new in colors, and contains more than 600 word changes—by far the most ever incorporated from one year to the next. There will be no change in the price of the study book—only 20 cents—and they are available from Jim W. Walker, Spelling Bee Editor, Amarillo Globe-News, P. O. Box 2091, Amarillo, Texas 79105.

The county director is in complete charge of his bee. The only stipulation made by the sponsors

is the observance of dates indicated above. Contests may be verbally written, or a combination of both. However, the Regional Bee will be conducted verbally. A list of prizes to be awarded the top 15 will be announced at a later date.

The National Spelling Bee, founded in 1925, has continued without interruption except during the World War years of 1943-44, and is administered by Scripps-Howard newspapers.

Helps Shrink Swelling Of Hemorrhoidal Tissues

Doctors have found a medication that in many cases gives prompt, temporary relief from pain and burning itch in hemorrhoidal tissues. Then it actually helps shrink swelling of these tissues caused by inflammation. The answer is Preparation H. No prescription is needed for Preparation H. Ointment or suppositories.

It's simply a matter of Good Taste

GAS COOKING is preferred by almost all master chefs, because a secret of fine cooking, whether it's preparing a gourmet sauce or a simple gravy, is fast, accurate temperature control. Only gas cooking gives you instant on-off heat and precision control with an infinite number of temperature settings. There's no wait for warm-up, no hangover heat, and you can see the flame to adjust it. Gas allows you to cook to perfection and achieve the full, exciting taste and flavor of your special dishes.

See your gas appliance dealer and find out about all the other wonderful features of a modern gas range.

PIONEER NATURAL GAS COMPANY

State Capital NEWS

By Bill Boykin
 Texas Press Association
 The Texas Highway Commission has convinced its new \$20 million state headquarters building would be located near the capitol complex.

mended moving the new highway building far from the downtown Austin area.
 The Commission, on review of its plans, concluded the massive building, rising to 10 stories at its tallest point, would "enhance the beauty and interest of the capitol complex."

At least, observed the new report, the structure will be most-appealing thing ever located on the barren block, now given over largely to a parking lot and the remains of old buildings.

The historic Lundberg Bakery still on the site will be preserved, incorporated into the new building and used as a tourist center and Texana museum for artifacts uncovered in excavation. The temporary state capitol once stood on the block.

North and east portions of the highway building are planned at two-story level to maintain scale with the governor's mansion and preserve the view of the capitol from there. Maximum height of 10 stories will be reached at the south edge of the block.

Architects plan a public plaza with pools, greenery and shaded walkways along 11th St. nearest the capitol. Landscaping will com-

prise about 50 per cent of the block if plans are finally approved. The building will be by far the largest of many new state structures in the capitol area.

Business Gears For Political Year
 Organized labor announced its political priorities three weeks ago, and last week in Houston business leaders in Texas looked at their "public affairs" program for 1977.

At the 49th annual Conference of Texas Industry by the Texas Manufacturers Association, representatives of the business community heard:

Sen. John Tower ask for labor law reform.

Richard Armstrong, Washington, D. C., challenge businesses to develop public affairs departments.

Irving Shapiro, vice president, E. I. duPont de Nemours and Co., ask business to work with labor to develop new national objectives—with everybody sharing the gains.

TMA also passed resolutions asking state legislators to require 10-year budget projections for all "new" state programs approved by the next legislature.

Senator Tower laid the blame on the nation's existing economic ills on "existing labor laws that are in dire need to reform."

Both Tower and TMA leaders spoke out in opposition of laws which permit strikers to receive food stamps and other state and federal aid programs while on strike.

"Labor unions should be placed under existing anti-trust laws," Tower added, and pointed out that he had sponsored legislation to establish a Commission on Labor Law Reform.

New Speaker Candidate Urged
 More than 30 legislators last week picked Rep. Jim Nugent of Kerrville as their choice for House speaker.

Most of the group were previously aligned closely with Speaker Gus Mutscher who now says he may not even be a candidate for re-election to the House. (Mutscher, under bribery indictment, says he has three options: running for re-election and a third term as speaker, seeking another term in the House but not the speakership and retiring.)

Rep. Rayford Price of Palestine says the lawmakers, meeting in San Antonio, were mainly trying to stop his own drive for speaker. Price claims 70 pledges of support in the 150-member House, and adds the Nugent endorsement means nothing to his candidacy. Opponents maintain Price has no more than 42 firm supporters.

Nugent finished first in the straw voting at San Antonio over (in order) Reps. Dean Cobb of Dumas, John Traeger of Seguin, James Sluder of Naples, David Finney of Fort Worth and Joe Salem of Corpus Christi. Traeger, Sluder and Salem indicated they will go along with Nugent, 48, who will reveal soon whether he will actually make a race.

Redistricting Challenged
 An unexpected lawsuit filed in Dallas federal district court challenged constitutionality of the congressional reapportionment by the Legislature this year.

Another suit has been promised attacking state House of Representative redistricting.

The Dallas class action lawsuit maintains the new congressional district lineup does not meet federal requirements that 24 congressional districts be "compact, contiguous and as nearly equal in population as its practicable."

Plaintiffs offered the court a plan of their own, which they said would create districts which vary only .1 per cent in population.

Ag Opinions
 Several reserve accounts with a Veterans Land Fund division can be consolidated in a single depository account if adequate reserves are maintained and identifiable for each bond issue, Atty. Gen. Crawford C. Martin said.

In other recent opinions, Martin concluded:
 "retired state employees can get increases in annuities and have their insurance premiums paid by the state, in spite of the wage-price freeze."

"Proprietary schools must refund unused tuition, fees and charges when students fail to enter a course, withdraw or are discontinued, under prescribed conditions."

"A board of trustees of a firm's relief and retirement fund may not pay for an actuarial

study out of monies from the pension fund more than once every three years.

"There is no provision for traveling state employees to get a flat rate transportation allowance in lieu of the standard .10 cents a mile rate."

Courts Speak
 State Supreme Court upheld lower court decisions barring Sun Oil Company from using fresh water from the Ogallala formation beneath a Hockley County farmer's land for injection to build pressure in company oil wells.

High Court set a December 15 hearing on whether private non-profit water supply corporations must pay school taxes.

State laws banning LSD sale or possession were upheld by the Court of Criminal Appeals.

Moody Foundation Report Released
 Attorney General Martin, in an investigative report, has called for removal of Shearn Moody Jr. as a trustee of the \$228 million Moody Foundation.

At the same time, Martin said, the Galveston-based foundation should enlarge its board of trustees from seven to nine members. Unless the action he urged is taken voluntarily, the Attorney General stated, he will ask a court order to force the changes.

The report commended six other Foundation trustees who last January asked for an investigation after they were harshly criticized by the chairman of a House of Representatives study group, Louis Dugas Jr. of Orange.

New York attorney Roy Cohn called the report a "one-sided hatchet-job," and said Martin should be removed from office.

Short Snorts
 Texas Public Employees Association will seek a 10.2 per cent pay raise for state workers in a special legislative session next year.

The sixth annual governor's conference on tourist development is scheduled for the Inn of the Six Flags at Arlington, November 10-11.

Texas' state governmental planning efforts won a national merit award at the American Institute of Planners conference in San Francisco.

Supreme Court memorial services were held last week for the

Young Farmers Hear Program on Physical Fitness By Coach

The Silverton Young Farmers meet Thursday, October 28 in the school vocational agriculture building.

Guest speaker was Coach Eugene Jennings. He discussed the many benefits of the weight machine. The McLean - Silverton football film was shown to the group.

During the business meeting the Young Farmers discussed the upcoming Turkey Shoot to be held on November 20. The club voted that the profit from the Turkey Shoot would go toward the purchase of a weight machine.

G. W. Chappell and Harold Gidden were appointed to check into bands for dances for Christmas and New Year's Eve.

The club welcomed Harold Gidden as a new member. Others present were advisor Monroe Gates, G. W. Chappell, Dwain Henderson, Joe Kitchens, Fred Minyard, Jimmy Myers, Charlie Parker, Tommy Perkins, Tobe Riddell, Joe Self, Wayne Stephens and guest Coach Jennings.

Schedule of Play Rehearsals Given

The Junior Class will present a three-act comedy November 20 entitled "The Girl That I Marry," by Garnetta Morgan Ayre.

Play practice has been scheduled as follows:

- Nov. 4, Act II, Scene 2, 5:30 until 8:30 p.m.
- Nov. 6, Act II, Scene 3, 9:30 until 11:30 a.m.
- Nov. 8, Act II (Entire), 7:30 until 9:30 p.m.
- Nov. 9, Act III, Scene I, 7:30 until 9:30 p.m.
- Nov. 11, Act III, Scene 2, 5:30 until 8:30 p.m.
- Nov. 15, Act III (Entire), 7:30 until 9:30 p.m.
- Nov. 16, Entire Cast, 7:30 until 9:30 p.m.
- Nov. 18, Entire Cast, 7:30 until 9:30 p.m.
- Nov. 19, Entire Cast, 9:30 until 11:30 a.m.
- Nov. 20, Entire Cast, 9:30 until 11:30 a.m.
- Nov. 20, Play, 7:30 p.m.

Schedule Given for Christmas Mailing

The following schedule listing dates recommended for sending mail and parcels which are to be delivered before Christmas has been released by Postmaster Fred Strange.

1. Mail for Armed Forces Overseas:
 - a. Surface Mail Nov. 5 Nov. 15
 - b. SAM Mail Nov. 19
 - c. PAL Mail Nov. 26
 - d. Airmail Dec. 10 Dec. 10
2. States Mail:
 - a. Distant States Dec. 1 Dec. 10
 - b. Nearby Areas Dec. 10 Dec. 15
 - c. Airmail Dec. 15 Dec. 22

If you are planning to mail greeting cards and parcels be sure to mail them before the dates listed above if you want them to arrive before Christmas Day, the Postmaster added.

Arthritis Sufferers: WAKE UP WITHOUT ALL THAT STIFFNESS!

WEDNESDAY
 Brening 7:00 p.m.

WHAT IF...

...this were your child? She's tired. She's hungry. She's lonely and frightened. There's no one left to take care of her.

If communism creeps into our country and takes over, who will be left to take care of our children?

It is not enough to be concerned. We must demonstrate by our actions that we still care about our country. Tyranny is a parasite that feeds on the apathy of a nation's people. Meet it on all fronts. Stop it before it spreads.

It can happen to us—just like it happened to this little girl.

SUPPORT AMERICA!

© Coleman Advertising Serv., 2653 Tarna Drive, Dallas, Texas 75229

Our priceless heritage embodied in the flag of the United States, is as alive today as it was when written for the ages in the Declaration of Independence and the Constitution. It stands for all the world to see and for all Americans to cherish. And in the tradition of Washington, Jefferson, and Hamilton, we, too, have a privilege, a right, and a duty. While we may disagree as to the methods, we should not disagree as to the goal—that of preserving the greatest democratic society the world has ever known.

Our flag is a symbol, not of sentiment, but of history, the history of men and women willing to live and die for it. Surely this willingness is with us still, because daily we experience more of the blessings that are ours—ours because we are Americans.

Silverton, Texas

First State Bank

An aerial view of Southwestern Public Service Company's Jones Station, southwest of Lubbock. Named for Dr. Clifford B. Jones, president-emeritus of Texas Tech and a Southwestern director for more than a quarter-century, the plant

will be dedicated at 11 a.m. on Saturday, November 6. It will be open to visitors from 11 until 7 on Saturday and from 1 until 7 on Sunday, November 7.

SWPSC To Dedicate New Generating Facility

Clifford B. Jones Station, the newest electric generating facility on the Southwestern Public Service Company's system, will be dedicated at ceremonies to be held at 11 a.m. on Saturday, November 6. The plant is located southeast of Lubbock on Farm Road 3020, just west of the Buffalo Springs Lake Road. Following the dedication ceremonies the plant will be open to the public for two days, with the visiting hours on Saturday being 11 to 7 p.m. and on Sunday from 1 p.m. to 7 p.m.

Kenneth Tate, manager of the Silvertown office, City Manager Jerry Patton, Mayor H. B. Simpson and Councilmen Carl D. Bomar, H. A. Cagle, David Tipton, Troy Jones and Charles Sarchet are scheduled to participate in the tour on Saturday.

Dr. Clifford B. Jones, President-Emeritus of Texas Tech University and a director of Southwestern Public Service Company for more than a quarter-century, will dedicate the new facility. The response to Dr. Jones' dedicatory

remarks will be made by Roy Tolk, president of Southwestern Public Service Company. The Rev. J. M. Washington, rector of St. Paul's on the Plains Episcopal Church, will offer the invocation.

The new generating facility has a first unit capability of 256,000 kilowatts. This machine is the largest single unit on the Southwestern system. Construction has already started for a second unit of the same size, scheduled to be in service in 1974. When the second unit does go on the line three years from now, Jones Station will be the largest of the 11 major generating stations on the Southwestern system.

The turbine control system at the new station is the first of its type in the world. The result of cooperation in research and development between Westinghouse Electric Corporation, the manufacturer of the turbine, and Southwestern, the system utilizes a digital computer and data recording devices to bring the turbine on the line and control it while in operation. Peter G. Botsonis, a supervisory engineer for Southwestern and a 1958 Texas Tech graduate, played a major role in the development of the control system.

The facility uses treated sewage effluent, purchased from the City of Lubbock, as its cooling water. In addition, it has equipment that makes it possible to use sewage effluent for the boiler water for test periods of operation.

The sewage effluent is also used for irrigation purposes after it has left the plant system.

The use of the reclaimed water at Jones Station and at Nichols Station on the North Plains results in a daily saving of fresh water which is sufficient to meet the needs of a city of 25,000 people.

The generating capability of Jones Station will be controlled by an automatic dispatching system, which regulates the pro-

duction of all of Southwestern's major generation facilities. The automatic dispatching system knows which generators do their work the most efficiently when everything, particularly the cost of fuel, is taken into consideration.

So, the ADS loads up those generators which are most efficient first, and conversely, takes the load off those machines which are least efficient first. The result is that, under any given conditions of electric load - maximum - average - minimum - the electric company is working to provide its customers with the most efficient - and economical - electricity that it can produce.

The plant has a central information system which takes nearly 500 different readings every minute, records them and calculates their meaning insofar as the plant's efficiency is concerned.

The excitement or romance of the central information system lies, of course, in what it does on those infrequent occasions when there are problems. It is both the alarm that reports trouble and the detective that finds out why there was trouble.

But, it is its day to day operation - routine operation, so to speak - that is of greatest importance to the electric company's customers insofar as the cost of

Texas Horse Council Being Organized

All organizations and individuals interested in the horse industry are invited to join the newly-formed Texas Horse Council, announces County Agricultural Agent Jackie Johnson.

Purpose of the Council is to unite the state's horse industry which is valued at more than \$272 million. Horses rank as Texas' second leading animal enterprise. The Council will hold an organizational meeting on November 20 at 8:00 p.m. at the Ramada Inn in College Station following the 11th annual Horse Short

their electric service is concerned. The information that it provides to the control room helps make it possible to generate electric power at the lowest possible cost, at the same time that it assures the customer of the most dependable service.

The combination of new, efficient, larger generating units, which produce more kilowatts for less fuel, plus the central information system working to keep those machines producing at the high levels of efficiency for which they were designed are vital weapons in the fight against inflation.

Jones Station is located on a 320 acre tract which was formerly part of the V-8 Ranch. It has been under construction for about 36 months and has provided more than \$5,000,000 in payroll and local purchases for the area economy.

While it isn't something you could put together with a "do-it-yourself" kit, the plant is, in fact, a home-made product. The design, engineering and construction supervision was done by Southwestern Public Service Company's own engineering department, under the direction of H. O. Hodson and E. W. Robinson, vice presidents. Missouri Valley Constructors, Inc., of Amarillo, was the mechanical and structural contractor and Budwine Service Electric Company, Carlsbad, New Mexico, was the electrical contractor.

J. B. Bottoms was resident engineer for Southwestern Public Service Company during construction of the new unit, and Floyd Starks is the plant manager. Bottoms will also serve as resident engineer for construction of the second unit.

Course. A board of directors and executive committee will be elected at that time.

Horse number and activities have increased rapidly in the state in recent years. Along with this fast pace have come problems and needs that can only be coped with through a united front. Thus the Texas Horse Council originated.

The seed for the formation of the Council was first planted this

past April during a conference for horse industry leaders at A&M University.

Membership in the Council consist primarily of the various horse-oriented organizations dues at \$1 per individual member. However, provisions have been made for personal and associate membership with dues of and \$25 respectively. Additional information can be obtained from the County Agent's office.

For Football Fans:

GAME-TIME BASKET PARTY

FOOTBALL AND FOOD are equally part of the seasonal celebrations. A picnic with game-time savvy features Bread Bowl salad (foreground), Krispy Crackers spread with cheese, Banana Chiffon Cup Cakes. Jugs of steamy coffee and tea are "musts."

Football entertaining is surely one of the easiest kinds of fall party you can plan - if your approach to the game includes a sensible, no-work outdoor eating arrangement. Gather your fans together at the stadium - or back in your own backyard, before game-time on TV. For food, mix old favorites with good new ideas; some of the best start with NFL Training Table Foods. The fact that they're the foods served at official training tables makes them "football's own" - just the thing for your football party. Newest idea: a Bread Bowl salad. Slice the top off a round loaf of bread and scoop out the bottom. Butter the resulting "bowl", line it with lettuce and fill with a hearty, meaty salad. To serve, slice wedges from the bowl, salad and all, and top with a slice cut from the top of the bread. Result: a football "honey" And whatever you do, don't forget dessert: armchair quarter backs get as hungry as the playing kind. For a change-of-taste sweet, try Banana Chiffon Cup Cakes.

BANANA CHIFFON CUP CAKES

- 1 1/2 cups sifted all-purpose flour
- 1 cup Domino or Spreckles Granulated Sugar
- 1 tsp. baking powder
- 1/2 tsp. baking soda
- 1/2 tsp. salt
- 1 cup commercial sourcream
- 1/2 cup fully ripe mashed Chiquita Banana (one medium banana)
- 1/4 cup butter
- 2 eggs
- Domino or Spreckles Confectioners' 10X Powdered Sugar

Blend dry ingredients. Add sour cream, banana, butter and eggs. Mix at low speed of electric mixer until blended, about one minute, or mix by hand with a spoon. Fill paper- or foil-lined medium muffin cups two-thirds full. Bake in pre-heated 350° oven for 25-30 minutes. Cool. Sprinkle with confectioners' sugar. Makes about 24 cup cakes.

Stomach Upset by Gas and Acid?

Di-Gel with Simethicone quickly relieves gassy-acid upset.

Jones Station is southeast of Lubbock on Farm Road 3020, just west of the Buffalo Springs Lake Road (FM 3020). Be sure to dress casually and comfortably for the plant tour and ladies should wear low-heeled shoes.

No.1 GYM MACHINE IN THE WORLD
Sets NEW standard for the industry . . .

Universal Gladiator

Effectively conditions EVERY MUSCLE GROUP in the body.
Provides MORE COMFORTABLY spaced stations — GREATER SAFETY
in much LESS SPACE

Athletic Department Needs Jobs

Silverton's school athletic department has undertaken a campaign to raise money to buy a Gladiator weight machine. Members of the school's football teams and coaching staff began Saturday by hauling hay, and they have enough hay hauling lined up to keep them busy for a few Saturdays. Several friends of the athletic department have donated the use of trucks for the job.

"Our school is the only one in our district that does not have a weight machine of this type," Coach Eugene Jennings told the Briscoe County News this week. "We need this equipment not only for the junior high and high school football players, but also for the basketball teams — both boys and girls. There are a great many benefits to be gained from

regular use of such a program, and with this machine it will be possible to exercise many more boys and girls than our present facilities and equipment permits.

"We will accept donations toward the purchase of this equipment—which totals almost \$2,550—but the coaches and players are also willing to work for the money. We will do any type of work that you need to have done—lawn mowing, weed cutting, garden or yard work, leaf raking, car washing, farm jobs—just about anything that needs doing."

To make arrangements to hire the boys and their coaches, contact Coach Jennings, 823-6711 or 823-6401. Much of the work is being done by high school boys, but the junior high boys have signified their desire to assist with this

project also. Some of the work can be done after school in the afternoons, but most will have to be done on Saturdays until after football season.

The Universal Gladiator is an outstanding gym machine. It effectively conditions every muscle group in the body.

"Athletic competition is actually won in the off-season," Coach Jennings said. He added that a gym machine not only builds bodies for physical fitness but also can be used to tone up bodies and for weight reduction when needed. "The machine is also very effective in helping to repair injuries. For example, this machine is one of the greatest aids known for therapy in helping strengthen damaged knees. One part of the Gladiator is very similar to the

hospital therapy equipment often used following knee surgery," the coach said.

"Please help us help ourselves," Coach Jennings added. "We are willing to work and if we can provide greater physical fitness for our boys and girls, then each of them will be winners in this endeavor."

The students have a weight room in the old junior high building, and the basketball girls have been working out with some equipment the coaches put together last summer. The equipment won't accommodate very many at one time but the students are alternating in using it. If you are in that area of the school plant, follow the sound of the "anvil chorus" to the weight room and let the coach explain his program to you.
