Public Schools Week To Be Observed Here March 6-10

☆ ☆ ☆ ☆ ☆ ☆ ☆ ☆ ☆

Darlene Roberts and David Lewis, students in Silverton Junior High, call your attention to the 22nd annual observance of Public Schools Week in Texas, and join the other students and teachers in inviting you to visit the public schools during March 6-10, 1972. Several special programs have been planned for the enjoyment of those visiting the Silverton Schools during the special week. (Briscoe County News Photo)

Silverton residents have an invitation to visit the public schools during the week of March 6 through March 10, 1972. This is the date of the annual celebration known as Texas Public Schools Week which affords interested parents and friends a chance to see, during classroom time, the many changes which have taken place since they were in the public schools.

From the physical aspect alone, the Silverton Schools have changed, and the students and teachers are justifiably proud of the new junior high building and the re-

L.O.A. Study Club's Volleyball Tourney Is April 11-15

The annual L. O. A. Junior Study Club Volleyball Tournament will be held April 11-15. The entry fee will be \$6.00 and must be paid before a team plays in the tournament.

Trophies will be awarded for first, second, third and consolation winners.

If you wish to enter a team, you may do so by contacting Lynda Fogerson, Box 853, Phone 823-3471. Out-of-town teams will not be invited to participate in the tournament if the brackets can be filled with local teams.

Deadline for entering will be March 24. If the brackets aren't filled, letters will then be mailed to out-of-town teams. The brackets will be mailed to the team captains on April 7.

modeled high school and auditorium.

It is logical to assume that today's educational teaching methods have kept pace with the progressive changes in the school's architecture. Reading, science and mathematics have taken the place of the three "R's" in importance. All have utilized new teaching concepts which have baffled many parents and aroused varying degrees of curiosity.

During Public Schools Week in Silverton, you are invited to go back to the schoolroom to see at first hand, exactly what the new developments in education are and what purpose they are serving.

ASSEMBLY PROGRAMS

Several assembly programs are scheduled during Public Schools Week. The first is a March of Dimes program to be sponsored by the Future Homemakers of America on Monday.

There will be a program presented by the American Cancer Society at 10:38 a.m. Friday, March 9.

John Haddad will present a program from Health, Education and Welfare at 12:45 p.m. on Friday, March 10.

MUSIC PROGRAMS

The school music department is planning four lunchroom concerts during Public Schools Week. Each of the concerts will be at 12:00 noon in the school cafeteria.

The first grade will be presented Monday; the second grade will sing Tuesday; the third grade will present the program Wednesday; the fourth grade will "do its thing" on Thursday, and on Friday, School Music Director Ted Lanham will have a well-earned day of rest.

LIONS CLUB

The Silverton Lions Club will not meet today, but will have the regular meeting Thursday, March 9, in the school cafeteria in observance of Public Schools Week.

HAMBURGER SUPPER

Silverton Quarterback Club will sponsor a hamburger supper in the school cafeteria from 5:00 to 7:15 p.m. on Friday, March 10, to raise money for the All-Sports Banquet which is an annual affair in Silverton High School. The Club does not have enough money on hand to sponsor the banquet, and the fate of the banquet is actually resting on the turnout at the supper.

Admission will be \$1.25 per plate for each person attending.

SENIOR PLAY

The Senior class play, "Who Killed Aunt Caroline?" will be presented in the school auditorium at 7:30 p.m. March 10.

It is not only an opportunity but a challenge for each school patron to visit the local school during the special week.

STUDENTS ATTEND SPECIAL CONFERENCE

Several Silverton students attended a conference on drugs, smoking and venereal diseases sponsored by the Breathing Crusaders at Sunray Saturday. The group was accompanied by Mrs. Bern May, Mrs. Roy Younger and Mr. John Shaller.

Three councilmen are to be elected by residents of Silverton. The terms of Troy Jones, H. A. Cagle and Charles Sarchet are expiring. Jones has indicated that he will not seek re-election, and Cagle and Sarchet have consented to allow their names to be placed on the ballot.

Others seeking election to the council are Wayne Nance and Jack Robertson.

Rhett Montague, 18-month-old son of Mr. and Mrs. Roland Montague of Irving, underwent surgery for the correction of a birth defect in High Plains Baptist Hospital in Amarillo Tuesday. He is the grandson of Mr. and Mrs. Roy Montague and Mr. and Mrs. Charles Whitfill.

Cotton Production Meeting Slated In Lubbock March 8

"The past, present and future of cotton will be scrutinized at the Sixth Annual Cotton Production Meeting of the South Plains Development Program in Lubbock March 8," Briscoe County Agricultural Agent Jackie Johnson said today.

The conference is slated to begin at 1:20 p.m. in the KoKo Palace. The program was started in 1967 to furnish South Plains agribusinessmen, producers and homemakers the latest information to increase income and family living standards.

The researcher is noted for his pioneer work in the development of narrow row cotton varieties that are rapidly increasing over the nation.

EARLY WESTERN HERITAGE

Living close to the soil, pioneers developed a seeing eye, quick to observe the smallest detail of their environment, and a keen awareness of all aspects of nature. Their children, thus, became heirs to a rich heritage of tradition and lore which has been preserved in many forms.

This writer has chosen verse to picture her life in rural Oklahoma in the early decades of the twentieth century. Because each idea or incident or early custom is completely covered in a matter of just a few stanzas, the reader gets as clear a picture as in any passage of prose. The tenderfoot will enjoy poems about cowboys and cattle which tell of spring roundups and stampedes, and pranks invented to relieve the tedium of the job.

In a much longer narrative poem, the writer recalls many details of her family's Sooner homestead with great good humor. She not only tells of daily routines they all shared, but she recreates the beauties of the countryside when redbud was in bloom. She hears again the small sounds unknown to a city child—the music of running water and the pings of frogs on a spring night.

It seems a million frogs appear to celebrate the rains. Those interested in Early American antiques will take particular pleasure in poems which show them in actual daily use. Many of today's museum pieces were the pioneer women's essential household equipment. The writer tells of washing clothes on a rub board, of boiling them in a big black iron pot, of pressing them with flat

The GOOD BOOK HOLY BIBLE America in its early days depended on the "GOOD BOOK" for its guide in ethics, worship, and pursuit of freedom. These early gains are now in danger of falling and we need to turn all America once again to God and His word. America can be strong only when each individual looks to God for strength.
