

Around Town

By Mary Ann Sarchet

Big things you hope and dream over a year, and you can't really believe they will come to pass. The Mackenzie Project is one of these. I have imagined for so long how it would be when the dam was actually started, and now I can't believe that it has become a reality.

One thing: if Bill Long kept going around knocking doors and talking to people about the Mackenzie Project many years ago, it wouldn't have become a reality. He kept talking up the project and traveling from town to town trying to interest people in it. It wasn't "fashionable" any more, but in Silverton to dream big and spend lots of money trying to "sell" it, he made numerous trips to the area, and explained his idea over and over until it gained acceptance among enough people to make a vision. The project has changed remarkably little from the plan in his original mind. He knew it was feasible, and the engineering studies proved that if he had ever stopped to think on the greatness of the project, he surely would have died. You all realize how much we owe to Bill Long for his per-

Ground Broken For Construction Of Mackenzie Municipal Lake

Ground was broken for the Mackenzie Dam and Reservoir Saturday afternoon by Lockney Mayor Claude Brown, Floydada Mayor Jimmy Seay, Mackenzie Authority Board President Lon Davis of Floydada, Tulia Mayor W. V. Swinburn and Silverton Mayor Troy Jones. Davis has been president of the Mackenzie Municipal Water Authority since it was originally organized. (Briscoe County News Photo)

When several hundred South Plains residents stood on Tule Canyon's north rim Saturday to break ground for the Mackenzie Dam and Reservoir, it was the biggest gathering in that vicinity since General Ranald Slidell Mackenzie trapped the last of the hostile Kiowas and Comanches there in 1874.

With that comparison, keynote speaker Judge Otha Dent of the Texas Water Rights Commission impressed upon the crowd what effect the Mackenzie Water Project will have on future generations.

Persons from the towns participating in the project—Silverton, Floydada, Tulia and Lockney, had come to look out over the deep canyon and imagine scenes of fishing, hiking, camping and skiing that will spring up between the steep red canyon walls at the site eight miles northwest of Silverton.

It will mark the first major change of the creek bottom since the Indians disappeared, leaving the rugged and beautiful terrain to grazing cattle.

Dent told onlookers he believes water preservation is essential to future generations of the Texas Panhandle.

"We know we have to have water on the high plains if we are to sustain the economy we have built. And although we may not need all the water it will provide at the moment, this area's 6,500 school children will need the water from this reservoir."

Dent said that the Mackenzie project will open up new avenues and will be a tremendous boost for the area.

"This is a beginning that may bring our boys and girls back here to live," he said. "It will have influence in bringing our youth back. It will strengthen the economy, bring in more industry, and make life more pleasant."

As he spoke, residents from miles around imagined what the project will mean to them, besides being the future water reservoir for four cities.

Officials said the earthen dam should be completed in an estimated 265 working days.

Clayton Keller, manager for the Mackenzie Authority, estimated that final completion will take 18 months. At completion, the dam will span the canyon, standing 168 feet high, with a base width of 1,000 feet.

The ground-breaking culminates many years of effort to get the project constructed. It was authorized in 1965. In 1967 House Bill 62, introduced by Representative Ralph Wayne, was approved by the Texas Legislature.

In 1967 Tulia and Floydada vetoed the proposition calling for construction of the entire project in a package deal, complete with pipelines to the four towns.

Then in September 1969 all four towns voted "yes," approving general obligation bonds amounting to \$4,615,000. Of that, \$3,800,000 was to be spent for land, installing raw water pipeline and building the first portion of a water treatment plant in order to provide water to Silverton at the earliest possible date.

A low bid of \$2,636,390 was submitted by Gilvin-Terrell, Inc. of Amarillo on construction of the dam. After modification of the plans, including postponement of the building of the water treatment plant until the complete unit can be built and the promise of the Mackenzie Authority to supply Silverton's water needs, the low bid was accepted.

Engineers who designed the project are Freeze, Nichols and Endress of Fort Worth.

Located six miles north of Rock Creek, Mackenzie Dam will be built first. The water treatment plant will be constructed at a future date.

The speaker, Judge Dent of Littlefield, was introduced by Lon Davis, Jr., of Floydada, president of the Mackenzie Water Authority Board.

The invocation was given by Earl Cantwell, minister of the Rock Creek Church of Christ.

Silverton Boy Scouts conducted the flag raising ceremony, and Eagle Scout Ty McMurtry led the group in the Pledge of Allegiance.

The Briscoe County Industrial Committee was organized in a meeting of the Silverton Lions Club on Thursday, September 21.

Argus Burnett, Executive Director, Texas Panhandle Community Action Corporation, and Bill Cheshire, Manpower Planning Coordinator, met with the group, organized as a committee of the Silverton Lions Club board of directors, at the City Cafe Tuesday night.

This committee is planning to survey the Silverton community to determine its potential, and to contact the Texas Industrial Commission in regard to industries wishing to expand, relocate, etc. Development of recreational areas will also be considered. The group will meet again at 8:00 p.m. Monday, October 2.

Mrs. Helen Strange and Mrs. Syble Martin, local employees of the Texas Panhandle Community Action Corporation, were also present at the meeting. They reviewed the activities of the local unit, which include emergency food and medical program, farm mechanics classes and family planning. They stated that their present greatest need is a building in which sewing, canning and education classes can be held.

Mr. Burnett stated that their work is designed to be done with low income families. This includes head-start classes, neighborhood youth programs, and involving women in planned parenthood. A total of 750 were graduated under the GED program last year. Skill classes held in the Panhandle totaled 89. Housing programs are also carried on to help low-income families own their own homes.

Industrial committees can be developed in the communities for the purpose of surveying and training the work force for employment by small industries.

Members of the Briscoe County Industrial Committee are James Griffin, Bud Couch, Wayne Nance, Troy Jones, Robert Haley Hill, Jack Robertson, Ray Teeple, Keith Marshall, Charles Sarchet, Jack Sutton, Glen Lindsey and George Seaney.

Mr. and Mrs. H. Triano of Sepulveda, California, Mrs. Gertrude Murray of Pennsylvania and Mrs. R. N. McDaniel of Silverton are visiting in Hawaii this week.

to the Flag. Ice water was served by the local Scouts during the ground-breaking activities.

Other platform guests and distinguished visitors at the ground-breaking included Marvin Shurbet of Petersburg, member of the Texas Water Development Board; George Dewald of Amarillo, resident engineer for the project; Jim Nichols of Fort Worth, designing engineer; R. A. Thompson, III of Fort Worth, director in charge of construction for the engineering firm; Don Bookout of Tulia, project attorney; Clayton Keller of Tulia, project manager; and State Representatives Tom Christian, Phil Cates and Delwin Jones.

Water Authority board members were introduced including Charles Whitfill and Norman Strange of Silverton; John Ziegler and John Toke of Tulia; O. C. Bailey and Owen Thornton of Lockney, and S. W. Ross and Lon Davis, Jr. of Floydada.

Teams Play Petersburg

The high school and junior boys travel to Petersburg for games this week. The junior boys meet the Junior team at 8:00 p.m. today.

Varsity Owls will put their record on the line against the record owned by the team at 8:00 p.m. Friday. They are fresh from a big 21-0 win of the Kress Kangaroos, ranked among the area Class A teams. In District 4-A, the team is rated for a comeback after their having been defeated by Cinderella team New Year. The Owls are light, with one 210 pounder listed in starting lineup, but they need to burn. They are better than the Groom team that they defeated last week, but not faster.

Owls have suffered heavily in the injury department already, but having so much more than the Owls, this has not been an insurmountable handicap.

Eugene Jennings expects the Owls to be physically better for the game Friday night.

Boyd In Worth Today

John Boyd is in Fort Worth for a meeting of the Osteopathic Medical Education Committee for the annual inspection of the College of Osteopathic Medicine.

October 6 through Thursday, October 12, the doctor will be attending the convention of the American Osteopathic Medical Association in Miami, Florida.

LOVING BURIED

Funeral services for Mrs. M. A. Loving were conducted September 27 in the First United Methodist Church in Quitaque for Mrs. Loving, 82, who died at Plains Hospital in Plainville where he had been a patient. He was a brother-in-law of Keyth Tiffin.

Funeral services were held at the home of the Rev. Stanley Tiffin, pastor, and the Rev. Martin, pastor of Quitaque Baptist Church. Burial was in Haven Cemetery at Quitaque under the direction of the Quitaque Funeral Home.

born October 13, 1889 in county, Texas.

moving married Miss Thelma in 1923 at Hollis, Oklahoma. They moved to Briscoe in 1930, and he was engaged until his retirement. Survivors included his wife and Mrs. R. L. Anderson of

Survivors were James Davidwell Rice, Odie Reagan, Joe Griffin, Lynn Cox and Bruce

Fogerson Services This Afternoon

Funeral services for Herman O. (Cap) Fogerson, 70, will be conducted at 3:00 o'clock this afternoon (Thursday) at the Silverton Church of Christ. Officiating will be Keith Marshall, minister of the Silverton church, and Dewey Lee Fogerson, Farwell minister.

Burial will be in the Silverton Cemetery, with arrangements under the direction of the Silverton Funeral Home.

Nephews and grandsons will be pallbearers.

Mr. Fogerson died Tuesday at Methodist Hospital in Lubbock where he had been a patient for three weeks.

Born in Briscoe County June 15, 1902, he was the son of the late Z. G. and Mary Fogerson. He was a resident of Clovis, New Mexico at the time of his death.

Mr. Fogerson was a member of the Highland Baptist Church in Clovis. He and his wife, Willie May, were married in December 1952 at Portales.

Survivors include his wife, of the home; two daughters, Mrs. Charlotte Drennan and Mrs. Elaine Cecil, both of Hobbs, New Mexico; a son, Russell of Lubbock; three brothers, Zeph of Longmont, Colorado, Dewey of Amarillo and Pat of Lake Tahoe, California; six sisters, Mrs. Anna Long and Mrs. Eula Garrett, both of San Antonio, Mrs. Bertha Gerdis and Mrs. Alma Mason, both of Amarillo, Mrs. Ray Cox of Wichita, Kansas, and Mrs. Mary Sides of Greeley, Colorado; a step-son, Doug Delaney of California; six grandchildren and four great-grandchildren.

He was an uncle of Ware Fogerson of Silverton.

Last Rites Conducted For Flavio Patino

MRS. NANCY PURCELL

The wife of U. S. Congressman Graham Purcell, candidate for reelection in the newly created 13th Congressional District which includes Silverton, will be in the city Monday, October 2 at 2:00 p.m. to present two books to the Silverton Library.

An informal reception will be held for Congressman Purcell's wife, Nancy, at the Briscoe County Courthouse immediately following the presentation. The public is cordially invited to attend both the book presentation and the reception.

The books, a token of friendship, purchased by Congressman and Mrs. Purcell for the library are "We The People" and "Mount Vernon."

Mrs. J. D. McGavock suffered a broken leg and dislocated hip in a fall in Tulia Saturday. She received first aid at Swisher Memorial Hospital before being transferred to Room 250 at Northwest Texas Hospital in Amarillo. She underwent surgery on her leg Monday.

Last Rites Conducted For Flavio Patino

Funeral services for Flavio Patino, 59, a Briscoe County resident for 18 years, were conducted at 10:30 a.m. Tuesday at Our Lady of Loreto Catholic Church. Officiating was the Rev. David Greka, minister of the Catholic Church in Tulia. Burial was in the Silverton Cemetery, with arrangements under the direction of the Silverton Funeral Home.

Mr. Patino died Sunday morning at Methodist Hospital in Lubbock where he had been a patient for one week.

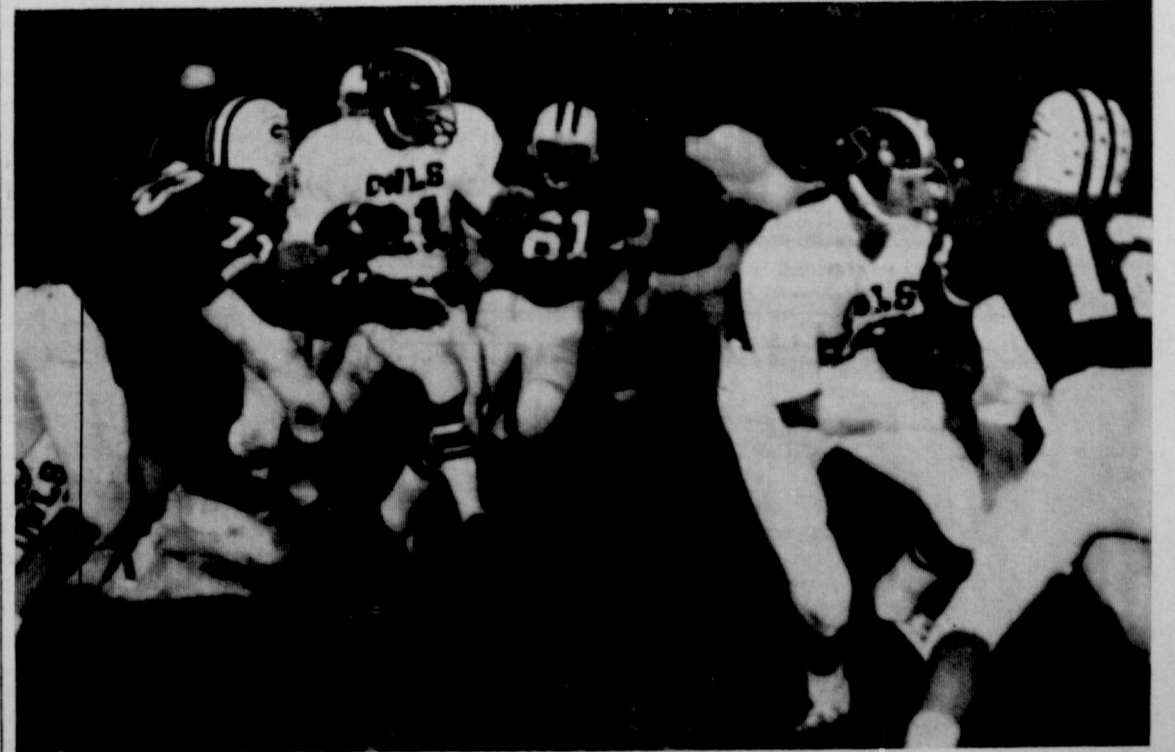

He was born November 9, 1913 in Edinburg. A retired farmer, Mr. Patino had lived here since 1954.

He was a member of Our Lady of Loreto Catholic Church in Silverton.

He and his wife, Minerva, were married September 16, 1933 in Edinburg.

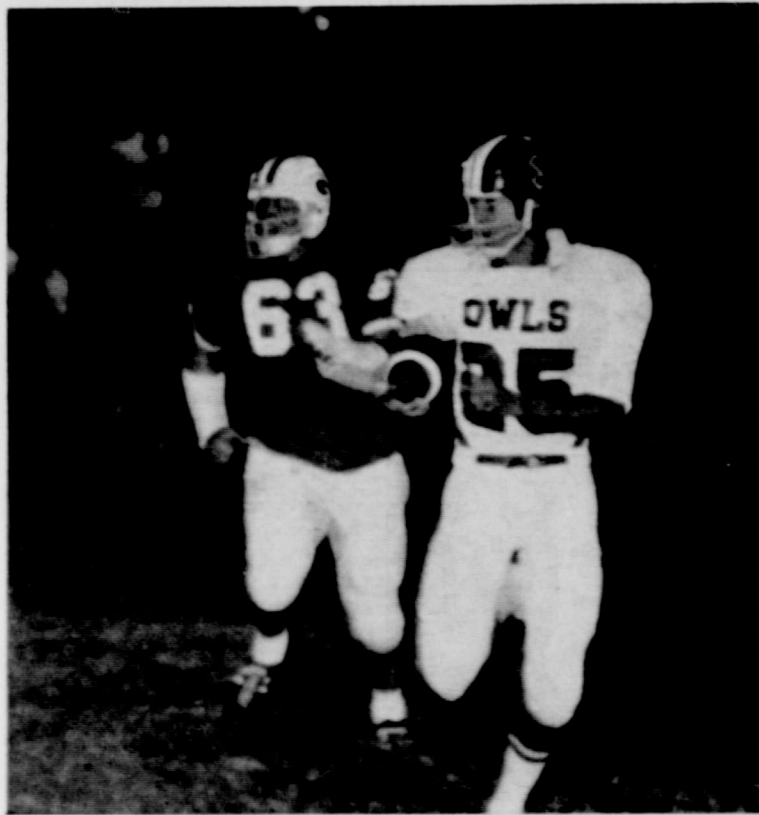

Survivors include his wife, of the home; seven sons, Florentino of Lubbock, Flavino, Filiberto, Fidencio and Fernando, all of Silverton, Felix and Fidel of Pineville, Oregon; five daughters, Olivia Fabela, Obelia and Mary Patino, all of Silverton, Olga Garcia of Dallas, Odilia Cavazos of Lubbock; two brothers, Pradediz of Plainview and Benancio of Michigan; five sisters, Felisitas Menchoca and Eulalia Pina, both of McAllen, Margarita Salas of Pharr, Maria Perez and Socono Alaniz, both of Mexico; his mother, Mrs. Julia Garza Patino, and 16 grandchildren.

Mrs. D. G. Shelton has continued to receive treatment in the intensive care unit at St. Anthony's Hospital in Amarillo this week. She was transferred to ICU from the cardiac care unit, and her condition was considered some improved.

Scott Hutsell, sophomore halfback for the Owls, carried the ball more last Friday night than he had since he was a member of the District Championship Junior High Owls two seasons ago. He had a four-yard-per-carry average against the Groom Tigers.

Owls Come From Behind To Beat Groom 24-20

Craig Culwell was used sparingly in Friday night's game with the Groom Tigers due to his having received a concussion in the Littlefield game. On three plays Culwell carried the ball 175 yards for the Owls, scoring two touchdowns. Craig was an honorable mention for Lubbock Avalanche Journal "Back of the week."

The Owls, down at one point by a score of 20-6, came back with two touchdowns in the fourth quarter to down the Groom Tigers 24-20 here last Friday night in a penalty-ridden ball game. The locals were penalized eight times for a total of 90 yards, while the Tigers were penalized nine times for 105 yards.

Turnovers also marred the game. The Owls gave up the ball on punts six times, on fumbles twice and on downs once. The Tigers gave up the ball on punts five times, on downs twice and gave up two interceptions.

The Owls rushed for 290 yards and passed for 15 more, while the Tigers rushed for 190 yards and passed for 20. The Owls ran 57

plays during the game, as compared with 69 plays for the Tigers. The Owls made 15 first downs, while the boys from Groom made 13.

The Tigers received the opening kickoff, but were held to a seven-yard gain, and punted to the Silverton-25. The Owls made a net gain of six yards, didn't get off their punt, and Groom got the ball on the Silverton-18. After a first down on the Silverton-7, the Tigers sent 208-pound senior full-back Randy Garmon the last two yards for the touchdown. The pass for extra points was incomplete, and the Tigers held a 6-0 first-quarter lead.

Groom kicked off to the Owls, with Terry Culwell getting a nice runback, but Silverton fumbled and Groom recovered the ball on the Owl-12. A seven-yard pass from Quarterback Jim West to End Tony Treadwell scored the second Groom touchdown of the game. Garmon carried the two-point conversion, and with 4:37 remaining to be played in the first quarter, the Tigers held a 14-0 lead.

The Owls came back with first downs on their own 46, and on Groom's 44 and 25 before letting the ball go over on downs on about the Tiger-30. Groom gained to the Owl-15 before penalties, an incomplete pass and short gains caused the ball to go back over to Silverton on their own 20. The teams traded 15-yard penalties, McCoy gained five yards, and Craig Culwell scampered around left end 75 yards for a score for the Owls with 6:18 remaining to be played in the first half. A kick was faked, the conversion pass was incomplete, and the score stood at 14-6.

Silverton opened the second half by fumbling to the Tigers, but the defensive unit held and brought about a Groom punt. The teams exchanged several punts before the Owls fumbled, and the Tigers recovered on the Silverton-15. Af-

ter making a first down on the Silverton-2, Groom's big workhorse, Garmon, carried the touchdown with 5:01 remaining in the third period. The running conversion attempt was no good, and the Tigers held a 20-6 lead. After another exchange of punts, the Owls mounted an offensive drive that resulted in a five-yard touchdown run by David McCoy. Craig Culwell attempted, but failed, on the conversion run, and the Owls had narrowed the Tiger lead to 20-12 with 21 seconds remaining in the third period.

Groom came back with a first-down on running plays and another on a 15-yard penalty against the Owls, and after the Tigers

completed two passes, McCoy intercepted a pass at midfield and scooted all the way into the end zone for another Owl score. The conversion run was a failure, and with 8:47 remaining in the game the Tigers led by two big points. The Tigers ran three plays and punted to the Silverton-20, and on the Owls' first play from scrimmage, Craig Culwell went all the way for the winning score. 6:42 remaining in the game, conversion failed, but the Owls held a 24-20 lead. The visitors came back first downs on their own 48, and on the Silverton-24 before Senior Tri-Captain Guard, John Burson, intercepted a Groom pass to kill the drive. 1:03 remaining in the game.

Farm Trailer Law Due Revision During Special Legislative Session

State Representative Phil Cates advised the Briscoe County News Monday that Governor Preston Smith had opened the special session of the Legislature to revision of the trailer light, brake law.

Cates is co-author of House Bills One and Two which would carry out this function which were dropped into the hopper Monday for this called session.

"I understand that Senator Jack Hightower is carrying the Senate version of the bill," Cates said.

Following is the summary of the ten sections of the bill which pertains to farm trailers:

Section 1: Requirement of two tail lamps on motor vehicles and trailers: exempts farm trailers, farm semi-trailers and fertilizer trailers from the requirement when operated only during daylight hours.

Section 2: Which deals with requirement for red reflectors on motor vehicles and trailers: exempts farm trailers, farm semi-trailers and fertilizer trailers from this requirement when operated only during daylight hours.

Section 3: Exempts farm trailers, farm semi-trailers and fertilizer trailers from lighting requirements which are clearance and identification lamps when operated during daylight hours.

Section 4: Deletes the requirement of identification lamps on all buses and trucks 80" wide or more, trailers and semi-trailers 80" wide or more, truck tractors and pole trailers, and provides that farm trailers, farm semi-trailers and fertilizer trailers are exempt from the clearance-light requirement— if operated during daylight hours.

Section 5: Exempts farm trailers,

Farmers Union To Meet Here Tonight

All members are urged to attend the meeting of the Farmers Union tonight (Thursday) at 8:00 p.m. in the P. C. A. community room.

Property Inventory Forms Mailed Out

Briscoe County Tax Assessor and Collector Arthur McJimsey announced this week that taxpayers will find a property inventory form with their county tax statements.

"It is in your interest to fill out the back side of this form and return it to my office," McJimsey said. "Bring it with you when you come in to pay your taxes, and your changes from year to year in numbers of head of livestock, vehicles and farm machinery will always be kept current."

This will enable the tax assessor to place the correct valuation on your property and also to have a record of your correct address for the coming year.

Tom Olive and Danny of Denver, Colorado, visited Mrs. Belle Olive and Betty Friday night and Saturday.

semi-trailers and fertilizer trailers from the stop-lamp and turn-signal requirements when operated during daylight hours if hand signals are used by the driver and are visible to following vehicles at a distance of 50' or more.

Section 6: Exempting farm tractors and self-propelled units of farm equipment or implements of husbandry from the requirement of two headlamps, red lights and red reflectors when operated during daylight hours.

Section 7: Exempts farm trailers, farm semi-trailers and fertilizer trailers from the extra lighting requirements covering vehicles presenting a hazard on the highway.

Section 8: Removes the brake requirements from all trailers up to 10,000 pounds gross weight if they satisfy the braking requirements set out in the statutes which are the ability to stop vehicle and trailer within 50' from speed at 20 miles per hour. This section adds a grandfather clause making the provision effective only on trailers sold or manufactured after January 1, 1973. Farm trailers or farm semi-trailers are exempt if their gross weight does not exceed 15,000 pounds—the limit in the old statute was 10,000 pounds. The section referring to cotton trailers is deleted, as raising the provision covering all farm trailers to 15,000 pounds would make it redundant. This section legalizes surge brakes on trailers and semi-trailers whose gross weight does not exceed 10,000 pounds.

Section 9: Exempts farm trailers, farm semi-trailers and fertilizer trailers from requirement of activating flashing lights when parked in a hazardous situation on the side of the road.

Section 10: Requires the slow-moving-vehicle emblem to be displayed on cotton trailers when such trailers are moving at a speed of 25 miles per hour or less, and requires such emblem to be removed from the trailer or covered when such trailer is traveling at a speed greater than 25 mph.

Rep. Cates added that the trailer law is the one piece of legislation that he has had the most comment on from the people in the rural area during the past session of the Legislature. He is hopeful that now something is going to be done to ease the situation of the farm people in this district.

Cold water is a pain in the neck

... especially in the shower. Cure? Install a quick-recovery electric water heater. Instant hot water. Plenty of it, with a dependable electric water heater.

Scouts Hold Re-Registration

Interested eight, nine and ten year old boys and their parents attended a registration meeting and former Cub Scouts were re-registered at 8:00 o'clock in the evening. Jerry Stevens, District Executive, explained Cub Scout activities and 29 boys were registered for the new year.

Leaders were organized as follows:

Jimmy Stone, Dwain Tipton, Donnie Curry, Phillip Holt, Blaine Edmond and Michael Hill. Den Mothers will be Mrs. Jimmy Stone, David Tipton. Den I will meet Wednesday afternoon at the Scout Hut.

Bryan Schott, Don Perdue, Bert Boyd, Mark Patton, Greg Whelchel, Scotty and Michael Greenhaw. Den Mothers will be Mrs. John and Mrs. Donald Perkins. They will meet each Tuesday afternoon at 3:45 at the John Schott

Den: Eric Patton, Cary Fleming, Michael Martin, Shane Reardon, Floyd Hightower. Den Mothers will be Mrs. J. E. Patton and Leo Fleming. Den III will meet each Tuesday afternoon

Young Homemakers To Have Guest Speakers

The Silverton Young Homemakers will have a special meeting on Thursday, October 5, with Mrs. Fred Mercer and Beryl Long as guest speakers. Topic of the program will be politics.

The program will be given in the Pioneer Room at the First State Bank at 8:00 p.m.

at 3:45 pm. at the Scout Hut.

The first Den meetings will be held Tuesday, October 10 and Wednesday, October 11.

A new Webelos Den was organized for ten year olds. The boys in this Den are Greg Hill, Brandon Jarrett, Dwayne Hightower, Zane Reagan, Raymon Ortega, Donald Holt, Bobby McPherson and Nicky McJimsey. The Webelos Den Leaders will be Mabry Greenhaw, Robert Hill, Pat Northcutt and Cubmaster John Schott. The time and place for the Webelos Den meetings have not yet been decided, but the boys will be notified as soon as possible.

There will be a special training session Thursday, October 5 at 7:30 p.m. at the First Presbyterian Church in Plainview for all Den Mothers, Webelos Leaders and any other interested parents who would like to attend.

The public is cordially invited to attend this informative program.

Friends of Girlstown Aiding Coupon Drive

Citizens of the Golden Spread have undertaken the project of providing a pickup truck for Girlstown, USA, Borger. This project is to be accomplished by collecting Betty Crocker coupons.

Approximately 600,000 coupons are needed. Some coupons have already been donated. Many, many more are needed. Will you help?

To obtain this truck approximately 600,000 coupons are needed within the next 18 months. The pickup will be used daily for the needs of the Borger campus of Girlstown, USA.

Any one of the 175 different General Mills product coupons may be used.

Your help in making this dream come true is sincerely solicited. If you have coupons to donate to Girlstown, mail them to Girlstown USA, Box 1, Borger, Texas 79007 or take them to the Briscoe County News and they will be mailed for you.

MRS. MAYNARD GREESON

Mills - Greeson Vows Exchanged Here Saturday Evening

The home of Mr. and Mrs. L. E. Davis was the scene Saturday evening at 7:30 of the wedding of their daughter, Miss Martha Carol Mills, and Mr. Maynard Greeson of Sublette, Kansas.

The bride attended Texas Tech University and was graduated from West Texas State University in Canyon. After graduation she was employed by the American National Bank of Amarillo, and has taught business the past two years in Friona High School. Her husband has a B.S. degree from West Texas State University and is engaged in farming at Sublette. His parents were the late Carl Greeson and the late Mrs. Lorene Greeson Dean.

Keith Marshall, minister of the

Silverton Church of Christ, officiated at the double ring ceremony in front of a large bay window with a basket of large yellow mums and blue lace carnations flanked by lemon leaf greenery and topiary trees studded with yellow cushion mums and blue lace carnations and twin candelabra bearing white tapers.

Mrs. Paul Ray McWilliams of Lubbock was her sister's matron of honor. She wore a street-length dress of blue knit with long sheer sleeves gathered onto a narrow band and fastened with pear buttons. She added a matching blue ribbon in her hair and carried a bouquet of yellow mums backed by lemon leaf greenery and a shower of sapphire blue ribbon.

Charles Ray of Friona, brother-in-law of the bridegroom, served as best man.

Miss Carleen Greeson of Denton, sister of the bridegroom, was candlelighter. She carried a corsage of yellow mums.

Ring bearer was Warren Reid of Amarillo, cousin of the bride. Guests were seated by Dwin Davis of Canyon, brother of the bride.

Mrs. Leo Fleming, sister of the bride, registered the guests at a table decorated with an arrangement of yellow cushion mums and blue lace carnations in a crystal vase and the bride's book.

The bride chose a street-length imported white lace dress designed by Emma Domb of California. The dress was styled with Juliet long double sheer sleeves and mod-

HDC Program Given On Gas Ranges

"Cleaning and Caring for Gas Ranges" was the program topic for the High Plains Home Demonstration Club Friday, September 22, in the home of Mrs. Georgia Vaughn.

Mrs. Dorothy Powell, County Extension Agent, demonstrated how ammonia can be used to clean ovens and broiler pans. Suggestions were given on disassembling and cleaning burner heads. The women discussed various cleaning methods they had tried and the results. They also discussed the advantages and disadvantages of some of the new ranges on the market.

Mrs. Vaughn discussed the Affirmative Action Plan for Home Economics and encouraged the club members to help with the membership drive.

Members attending the meeting were Mrs. Dorothy Baker, Mrs. Dorothy Crosslin, Mrs. Julia Juarez and Mrs. Vaughn. Mrs. Emma Jean Ivory was welcomed as a new member.

The next meeting will be held in Mrs. Powell's home October 6. The program will be on simple home repairs and maintenance of doors and windows. Visitors are welcome to come to club meetings.

Open House Is Sunday Afternoon

The public is invited to open house from 2:00 until 4:00 p.m. Sunday in the new farm home of Mr. and Mrs. Carroll Garrison, eight miles west of Silverton on Highway 86 and one-half mile south on FM 378.

The three bedroom, three bath brick home was built by John and Fred Huggins of Lockney. It features a wood-burning fireplace in the living room and has a double garage and basement.

Mr. and Mrs. Garrison will not move into the new home until after the showing.

Names of the hostesses for the pink and blue shower given recently for Mrs. J. B. Carter were omitted from the shower write-up. The hostesses were Mrs. J. L. Self, Mrs. Keith Marsnail, Mrs. Jerry Baird, Mrs. Duane Reynolds, Mrs. Pat Northcutt, Mrs. J. D. McGavock and Mrs. Champ McGavock.

The only 12-foot mower-conditioner that keeps your tractor off the windrows.

INTERNATIONAL® 1290 MOWER-CONDITIONER

- Offset platform conveys to one side so your tractor wheels never mash the windrows.
- Endwise transport narrows the 1290 to 8-foot 9 inches for safe, easy road travel.
- Torsion-bar coil-spring platform suspension provides smooth, close-cutting, maximum protection from obstacles.
- Dual augers handle the crop fast and gently.

4-H DOINGS

HAPPY 4-H CLUB

The Happy 4-H Club met September 19, 1972. Jim Gates called the meeting to order. Scripture was read by Beverly Boling and the Pledge to the Flag was led by Linda Vaughn. The 4-H Pledge was led by Susan Payne and the 4-H Creed was led by Becky Perkins. On roll call, all the members stood up and told their favorite 4-H project.

Mrs. Jeanette Herring gave a talk on "How To Be a Good Officer." Susan Northcutt gave a demonstration on "How To Take Care of Your Teeth." Mrs. John Francis installed the officers.

Recreation was brought by Colleen Hutsell and Johnny Ortega. Refreshments were brought by Jace Francis, Jim Gates and Wes Fleming.

AREA RESIDENTS DONATE 20,000 POUNDS OF PAPERS

An estimated 20,000 pounds of newspapers was collected in this area for Jerry Wilson, 20, of Brownfield, who is suffering from

Fleming. On clean-up duty were Brent Brannon, Brenda Cantwell and Augustin Fabela. Mrs. John Francis presented each member with a yearbook.

Members present were Ruby Jo Jarrett, Susan Northcutt, Margaret Crosslin, Brent Bean, Donna Rowell, Wes Fleming, Ronnie Hale, Danny Perkins, Bill Reid, Beverly Boling, Brent Brannon, Brenda Cantwell, Jace Francis, Jim Gates, Colleen Hutsell, Johnny Ortega, Susan Payne, Becky Perkins, Jacky Vaughn, Linda Vaughn, Lydia Younger, Augustin Fabela, Donald Thomas and Mrs. John Francis. -Jace Francis, reporter

a kidney disease and is soon to undergo a kidney transplant.

The papers were picked up and sold in Amarillo for recycling, and the money was given to Larry Wilson to help with his medical expenses. Cash donations amounting to \$13.00 were also received.

Mrs. Dee Waggoner and Mrs. Frank Rossi were in charge of the drive in Tulla; Mrs. Harry Kleman directed the drive in Nazareth, and Mrs. Bessie Hunt and Blanche Newman, collected in Silverton, made two trips to with papers.

It has been requested that hundreds of people in the area assist the project.

Tom Olive and Danny of Colorado, Mrs. Belle of Betty visited Mr. and Mrs. Holcomb in Turkey Friday
