THURSDAY, OCTOBER 12, 1972

City Clubs To Host Caprock District Board Meeting, Workshop

Silverton's three federated clubs will be hostesses for the Thirteenth Annual Caprock District Fall Board Meeting and Workshop Saturday at Silverton High School.

March of Time Study Club, of which Mrs. Randall Eddleman is president, will be hostesses for the noon luncheon in the school cafeteria. Century of Progress Study Club and its president, Mrs. John Gill, will be hostesses for a reception to be held at 3:00 p.m. in the Pioneer Room at First State Bank.

Mr. and Mrs. Rampley are active members of the Silverton Church of Christ. A charter member of the Century of Progress Study Club, organized in 1949, Mrs. Rampley has served in most of its elective offices and on most of its committees. She has held three elective positions on the Caprock District level, in addition to serving district appointments. She is a past president of her club.

Cotton is popping open all over Briscoe County in the Indian Summer now being enjoyed in the area. Much of the cotton is now beyond being damaged by an early frost, and barring any prolonged wet weather, a good harvest should be seen in all parts of the county except those hardest hit by the hailstorms.

The 150-200 women expected to attend will be welcomed by Silverton Mayor Troy Jones, and Scouts from Troop 262 will present the colors in the opening ceremony. Flag pledges will be led by Mrs. P. W. St. Romain, Plains. Mrs. Marshall Cooper of Girlstown USA will give the invocation, and the response will be by Mrs. A. T. Cocanougher, Lubbock. Silverton's own Mrs. O. C. Rampley is the 1972-74 president of Caprock District of the Texas Federation of Women's Clubs, which is made up of 1500 members in 85 clubs in a 19-county area. Mrs. Rampley has assured the women in Caprock District that Silverton will "roll out the red carpet" for them Saturday.

MRS. O. C. RAMPLEY

Students Nominated For Royalty

Each class in the Silverton Schools has nominated a candidate for Halloween King and Queen to be elected by popular vote and to be presented in a coronation ceremony at 7:00 p.m. Saturday, October 28 in the school gym.

- First Grade — Warren Jarrett and Jena McFall
- Second Grade — Eric Patton and Judy Northcutt
- Third Grade — Blaine Eddleman and Delinda Ziegler
- Fourth Grade — Brandon Jarrett and Stacy Mayfield
- Fifth Grade — Cam Forbes and Bob Ann Whelchel
- Sixth Grade — Doug McJimsey and Kim Cornett
- Seventh Grade — Jackie Eiland and Carol Cobb
- Eighth Grade — Jack Robertson and Robbie Martin

district theme. She selected "Loving and Understanding Our Work Together" as the theme of Saturday's meeting.

Mrs. Rampley is better known as Faye to her many friends in Silverton where she was reared, attended school, and returned to teach following her college days. The daughter of Mrs. D. H. Davis of Silverton and the late Mr. Davis, she is married to School Superintendent O. C. Rampley. They have two sons, both registered pharmacists, and three grandchildren.

Rod Marshall, a student at South Plains College, Levelland, spent the weekend with his parents, Mr. and Mrs. Keith Marshall, Tim and YoVonna.

Pvt. Clinton Dale Dickerson of Fort Ord, California, and his sister, Rhonda Dickerson, a student at Texas Tech, spent the weekend with their parents, Mr. and Mrs. Edwin Dickerson.

Birdwell Elected To Board of Directors

E. A. Birdwell has been elected to the Board of Directors of the Cap Rock Soil and Water Conservation District, replacing W. E. Autry who retired after serving for the past 13 years.

Officers of the Board of Directors for the coming year are C. L. Sutton, chairman; Don Burson, vice chairman, and Pascal Garrison, secretary. James Bailey is also a director.

Mrs. Larry Sculley of Avondale Estates, Georgia, returned home Wednesday after spending several days with her parents, Mr. and Mrs. Carroll Garrison.

Mrs. Donnie Perkins has returned home after having been a patient in an Amarillo hospital. She is recuperating from surgery.

Anthony Whitfill, Community Services Manager for Lighthouse Electric Cooperative in Floydada, presented Silver Spur Awards to 4-H Adult Leaders Mrs. Jack Sutton and Don Cornett at the Achievement Banquet last Saturday night.

Merchants' Group To Meet Monday

Silverton Merchants Association will meet at 7:00 p.m. Monday to discuss re-organization of that group. All Silverton Merchants are urged to attend.

Club To Have Called Meeting

There will be a called meeting of the L. O. A. Junior Study Club at 8:00 p.m. today (Thursday) in the P.C.A. community room. This is an important meeting, and all members are urged to be present.

Young Homemakers Meet With P.R.P.C.

Silverton Young Homemakers met with Mayor Troy Jones, Councilman Wayne Nance and City Secretary Jerry Patton at the City Hall at 1:00 p.m. on Tuesday, October 3.

Purpose of the meeting was for the Panhandle Regional Planning Committee of Amarillo to report on park projects and the actual costs, etc. Those representing the company were Larry Fields and Grady Hoffield of Amarillo. This same group assisted Tulia and Quitaque with their park projects.

Representing the Young Homemakers were Mrs. Fred Minyard, Mrs. Donald Perkins and Mrs. Tommy Perkins. Representing other clubs were Joe Self, Silverton Young Farmers; Mrs. Fred Edwards, L. O. A. Junior Study Club; Mrs. Alvin Redin, March of Time Study Club, and Robert H. Hill, Silverton Lions Club.

James Griffin of the ASCS office was present, as well as Mrs. H. A. Cagle and Alvin Redin. The Young Homemakers are continuing their plans for the purchase and construction of a children's playground park.

BLOOD PLAN POLICIES EXTENDED TO DECEMBER

Silverton residents' Blood Plan policies are coming due this month and renewal notices are being received.

Coffee Memorial Blood Bank has asked the insurance company to extend these policies until December, and during that month the Blood Bank will be in Silverton to take blood donations and for new and renewal Blood Plan policies.

The donation of a pint of your blood will not only guarantee that the Blood Bank will have blood on hand in case of emergency need, but can also insure your family's blood needs for the coming year.

Mrs. H. A. Cagle was taken to an Amarillo hospital Tuesday night after suffering an apparent heart attack.

Sp. Gene Davis, who is stationed at Fort Carson, Colorado, spent last week visiting with his parents, Mr. and Mrs. Jack Davis, and other relatives.

Mr. and Mrs. Jackie Johnson were called to Mason early this week due to the death of his grandmother.

GOLD STAR WINNERS—Debbie Cantwell and John Burson are the 1972 Briscoe County 4-H Gold Star Award winners. The Gold Star Awards is the highest 4-H award presented on the County level.

Caprock District Meeting --

CONTINUED FROM PAGE ONE

Mrs. Akin has served on the

MRS. JACK AKIN

Caprock District Board in six administrations. She has been Press Book Chairman, Club Reports Chairman, Recording Secretary, Family Living Division Chairman and Shell Oil Contest Chairman and has served as third vice president for the past two years. On the TFWC Board she has served as chairman of the Creative Home-making Division and chairman of Black Gold Found in Texas Division.

While Mrs. Akin was president of Texas Study Club she helped organize the Wasson Junior Study Club. This club is now the Wasson Study Club, and Mrs. Akin is one of the advisors to the club.

Mrs. Akin is a member of the First United Methodist Church of Denver City, serving as church school secretary for the past 18 years. She has taught a primary Sunday School class, and is now serving on the Administrative Board, Council of Ministries and the Parsonage Building Committee. She is a member and officer of Wesleyan Service Guild. She is also a member and Past Matron of Denver City Chapter No. 863, Order of the Eastern Star.

A graduate of Albuquerque High School in New Mexico, Hazel Akin attended the University of New Mexico. She worked as a legal secretary and reported for the U. S. Referee in Bankruptcy. She was a clerk, bookkeeping machine operator and supervisor for the U. S. Department of Agriculture, Soil Conservation Service.

Mr. and Mrs. Akin have one daughter, Jackie, who is a graduate of Texas Tech University. Jackie and her husband, Jim Haile, are both employed by the White Deer Public School System.

Mrs. Green will preside over the Club Presidents' Conference to be held in the school auditorium beginning at 11:30 a.m.

Mrs. Green is a member of the Phebe K. Warner Club in Tah-

ka. In addition to her duties as Caprock District first vice president, she is on the TFWC Scholarship Committee.

MRS. HAROLD GREEN

She is married to Harold Green, an attorney, and they are parents of Richard, 11, and Laura, 9.

Mrs. Green holds a bachelor of music degree from Baylor University. She is director of music at the Methodist Church, and as a former teacher of public school music is a member of Delta Kappa Gamma.

Caprock District appointments in which she has served include In Memoriam Chairman, Scholarship Division, Continuing Education and ESO Chairman, Fine Arts Chairman, Headquarters Maintenance Chairman and Convention Treasurer.

State appointments she has fulfilled include In Memoriam Chairman, Diamond Jubilee Music Chairman and TFWC Scholarship Committee.

Mrs. Fry will preside over the junior conference which is scheduled to begin at 11:30 a.m.

Mrs. Fry, better known as Em-

MRS. LOUIS FRY

ma Lou, has been an active member of Athena Junior Study Club of Lockney for eight years. She is the immediate past president, com-

pleting a two-year term and having served a one-year term in 1967. She has served numerous other offices and duties in the Athena Club, and has been the Caprock District Junior Chairman of Education.

She is married to Louis Fry, a math teacher, tennis coach and assistant girls basketball coach in the Lockney Schools. They are parents of two children, Diane, 16 and Danny, 13.

Mrs. Fry owns, operates and teaches daily classes at Jack and Jill Kindergarten, a private school, which she has administered for the past five years. While Mrs. Fry does not call herself a career woman, she was secretary and librarian of the Lockney Elementary School three years before opening her kindergarten. Before that she has worked as a writer and bookkeeper for newspapers in the Lockney area. Before moving to Texas, she had experience as a bank bookkeeper and as a radio announcer, compiling and broadcasting a daily program.

Chairmen of the junior departments are Mrs. Dale Houlette, Friona, Conservation; Mrs. Kent Denson, Seminole, Education; Mrs. Phillip McCulloch, Levelland, The Arts; Mrs. Roy Teeter, Lockney, International Affairs; Mrs. Fred Edwards, Silvertown, Public Affairs; Mrs. Kenneth Ferguson, Friona, Texas Heritage; Mrs. Jimmy St. Clair, Morton, Americanism.

Three-minute reports will be given by Mrs. Fred Edwards, Silvertown, National Association for Retarded Children; Mrs. Cliff Hardy, Lockney, National Kidney Foundation, and Mrs. Ted Carthel, Lockney, Outstanding Junior Clubwoman.

Mrs. Boedeker is scheduled to preside over the luncheon to be

MRS. E. H. BOEDEKER

held beginning at 12:15 p.m. Mrs. Boedeker, the former Hortense Baker, was born and reared in Mineral Wells. She received her bachelor of science degree from West Texas State University and taught school eleven years.

Her first study club work was in Spur, and when she moved to Lubbock she immediately joined the Lubbock Woman's Study Club and has held active membership

for the past 23 years, serving in many capacities including president. She is a charter member and an officer in the Lubbock Woman's Study Club Foundation.

Mrs. Boedeker has been Caprock District Chairman of International Clubs Department, Texas Clubwoman and division chairman in the Public Affairs Department. In 1967 she served as Caprock District Convention Chairman.

She is a member of the First United Methodist Church of Lubbock, and attends Sunday School and the Woman's Society of Christian Service regularly. She is a Life member of the Woman's Club in Lubbock, a member of the Women's Division of the Lubbock Chamber of Commerce, a member of Lubbock Knife and Fork Club and the Ranch Headquarters Museum at Texas Tech University.

Mrs. Boedeker is also active in garden clubs, having served two years as president of Lubbock Garden Club and two years as president of Council of Garden Clubs. She is a member of Lubbock Memorial Arboretum, the Lubbock Rose Society and is a National Flower Show Judge. In the district she is vice director and on the state level she is serving as co-chairman of exhibits. At present she is a member of the Nativity Texas Council.

Mrs. Boedeker served as president of O. L. Slaton Junior High PTA two years. She is a member of the Lubbock County Bar Auxiliary, Texas Tech Law School Foundation and is active in many

civic activities. Her husband is Judge of the County Court-at-Law No. 1 in Lubbock, and they have one son and two grandchildren.

Entertainment at the luncheon will be provided by The Kaleidoscopes, Debbie and Mary Chris Cantwell, Lori Francis and Celia Martin, who will sing "The Age of Not Believing," "Love Can Make You Happy," and "What the World Needs Now is Love."

Mrs. John Gill will introduce the guest speaker, Mrs. A. C. Hughes of Commerce, president of the Texas Federation of Women's Clubs, and door prizes donated by Silvertown merchants will be awarded at the conclusion of the luncheon session.

The senior department conferences will be held in various rooms of Silvertown High School. Conservation, to meet in Room 9 (upstairs), will be directed by Mrs. Garnet Reeves, Lubbock; Education, Room 8 (upstairs), Mrs. Gordon Montague, Plainview; The Arts, Room 7 (upstairs), Mrs. F. E. Hutsell, Silvertown; Home Life, Room 6 (upstairs), Mrs. Orval R. Perry, Seagraves; International Affairs, Room 2, Mrs. C. R. Holt, Seagraves; Public Affairs, Room 1, Mrs. Sherm Henard, Plains, and Texas Heritage, Library, Mrs. Allen Bingham, Floydada.

Reports will also be heard from committee chairmen, Mrs. Roy McQuatters, Littlefield, Big Thicket; Mrs. James F. Davis, Silvertown, Money Makers; Mrs. Bill W. Davis, O'Donnell, Federation Goals (Girls-town); Mrs. LeRoy Johnson, Mor-

A real eye-opener to electric heating costs

Electric heating operating cost estimates usually surprise our customers. They expect electric heat to cost a good bit more. A factual, easily understood, written estimate opens their eyes to the fact it can cost little more than they've been paying. Thousands of our customers are heating electrically now because they asked for the facts about electric heating costs. Phone us today for an estimate. It's free. It's accurate. And, it's a real eye-opener.

Home Notes

by Mrs. Dorothy Powell
Briscoe County
Home Demonstration Agent
Living in a cashless society is a challenge to every money manager. Credit is easy to get and difficult to manage. A better credit manager is the goal of a day-long meeting on "Cashless Society," scheduled for October 19 in Lubbock.

The meeting is open to all interested persons, and will include speakers from state agencies and home economics leaders, according to Mrs. Mildred Patterson, Lubbock County Extension Agent and member of the Women's Task Force of the South Plains Development Program.

Registration will begin at 9:30

a.m. in the University Center Ballroom at Texas Tech. The morning program will feature Mr. James Sutton, Consumer Education Consultant, office of Consumer Credit, who will discuss the Cost of Credit. Mr. Hadley Phillips, manager of the Retail Merchants Association in Lubbock will complete the morning program by informing participants how to get and keep a good credit rating.

The afternoon session will begin at 1:00 p.m. with a style show. Mr. Sutton will speak again on Credit Contracts, and Dr. Donald S. Longworth, Dean of the College of Home Economics, will speak on the psychological aspects of credit. The three speakers will be joined in a question and answer panel by Mrs. Tom Box, presiding chairman.

The program will include numerous door prizes and take-home materials. By the 3:00 p.m. conclusion of the program, partici-

pants will be armed with the skills and knowledge to survive in the coming society.

LIVESTOCK PRODUCERS SHOULD WATCH FOR CATTLE FEVER TICKS

by Jackie Johnson
Briscoe County
Agricultural Agent
Cattle fever ticks have been found in several South Texas counties, and livestock producers are cautioned to be on the lookout for the costly livestock pest.

Fever ticks were first reported near Alice several weeks ago and have since spread to neighboring counties. Infested counties that are under state quarantine include Jim Wells, Duval, McMullen, Live Oak, Nueces and Brooks.

All infestations have been traced to cattle shipped from the infested herd near Alice. Therefore, cattlemen who have purchased cattle from that area are especially urged to check these animals for fever ticks.

Federal and state livestock inspectors are engaged in checking cattle herds to pinpoint infestations and initiate eradication procedure. A Cattle Fever Tick Eradication Center has been established in Alice.

Officials of the Texas Animal Health Commission have labeled the outbreak as the most serious in the last 30 years. However, eradication measures have been effective and officials believe the outbreak is under control. Should the tick infestation spread, eradication could become a long-term process due to the life cycle of the insect.

The cattle fever tick can cause a fever or disease called babesiosis or piroplasmiasis. Symptoms of the disease are similar to anaplasmosis.

All livestock producers in the county are urged to check their animals closely for fever ticks. If ticks are found, a sample should be placed in alcohol in a screw-worm vial and sent to Austin for identification. The mailing address is: State - Federal Brucellosis Testing Laboratory, 702 Colorado Street, Room 301, Austin, Texas 78701.

The cooperation of all producers is vital so that all infestations of the cattle fever tick can be traced back to the original infestation where eradication procedures can be initiated. This action is essential to minimize the spread of the fever tick.

In addition to the old dreaded fever tick, other ticks on cattle can cause economic damage. Ticks irritate livestock and reduce production efficiency. They can also cause breeding places for screw-worms which are so numtous this year. The screwworm fly is readily attracted to any minor wound so all tick infestations should be treated as soon as possible.

A number of products are available for controlling ticks including carbaryl (sevin), coumaphos (Co-Ral), Lindane, Malathion, Ronnel (Korlan) and Toxaphene.

Be sure to follow the label on dosage rates and number of days from application to slaughter.

If your six year old saw something like this, would he know how to phone for help?

It's too important a question to leave to chance. That's why we're running this ad.

If there are any six- or seven-year-olds around your house, teach them how to report emergencies. Tell them to dial "0", give their name and tell our operator where they are and what's wrong.

With older children, train them to dial emergency numbers direct, since that's the fastest way to call for help.

But don't stop there. Copy down the emergency

numbers listed on the inside front cover or first page of your telephone directory. Add your family doctor's number. And the number of the nearest hospital. Next, tack up the list near your phone.

Then get your kids to memorize it, in case it gets lost. By the time they're through memorizing those numbers, they're going to have every grownup in the house knowing them, too.

Which is also why we're running this ad.

GENERAL TELEPHONE

The people you can talk to One-to-One.

DON'T TAKE RURAL TEXANS FOR A RIDE...

...AND DON'T TAKE US FOR GRANTED.

HERE'S WHAT NIXON IS DOING TO RURAL AMERICA

WHEAT SCANDAL - Giant wheat exporters made huge profits at the expense of individual wheat farmers, many in Texas, on Soviet trade.

TAXES - Wall Street Journal says federal laws favor the corporation or investor who farms on the side for a tax write-off.

FARM ISSUES - Under Nixon, parity dropped the lowest since 1933. Nixon held up payments of nearly \$400 million for feed grains in 1970, forcing farmers to borrow at highest interest rates in history.

CONGLOMERATE SCANDALS - Big Business first, the public second - that's the Republican philosophy. Anti-trust suit against ITT dropped at the same time ITT pledged \$400,000 to finance Republican Convention.

Harry S. Truman said, 'The Republicans admire our government so much they want to buy it.'

Let's face it. The Republicans just haven't changed much since the days of our grandfathers. They still favor Big Business over the average working man and woman. And while they're taking us for a ride, they keep telling us what a 'dangerous radical' Senator McGovern is.

That's what they said about Harry S. Truman.

HERE'S WHAT MCGOVERN IS DOING FOR RURAL AMERICA

HIS STANDING - George McGovern has been elected time and again as a Democrat from a Republican farm state . . . because they know where he stands.

TAXES - His tax proposal would end the loopholes for tax-loss farming by giant corporations and the wealthy individuals who compete unfairly with family farmers. McGovern's proposal calls for the same tax on capital gains as on earnings.

FARM ISSUES - He sponsored and co-sponsored: Meat Import Limitation Law; Dairy Import Act; Wheat, Feed Grain, and Soybean Emergency Reserve Bill; Rural Development, Rural Job Development, and Rural Telephone Acts; Farm Credit Act; and other pieces of important legislation.

HIS BELIEFS - George McGovern knows that the answers to many of our most pressing problems in America today can be found by developing genuine opportunities for everyone in our small towns and rural areas throughout the country.

Let's not be taken for granted by the Nixon Republicans. Rural America has always fared best under a Democratic administration. If you want to stand up and do something good for rural America, the answer is to help put a Democrat in the White House. We need George McGovern . . . and George McGovern needs us.

RURAL TEXANS NEED A DEMOCRAT.

RURAL TEXANS NEED MCGOVERN

To Marry Soon

MARY LOUISE STODGHILL

Mr. and Mrs. Clifton Stodghill announce the approaching marriage of their daughter, Mary Louise, to Bryan E. Garner, son of Mr. and Mrs. W. L. Garner of Tulia.

The wedding ceremony will be read December 30 at the First United Methodist Church in Silverton.

The bride-elect is a graduate of Silverton High School, and is currently attending Texas A&M University. The prospective bridegroom is a graduate of Tulia High School and Texas A&M University, where he is presently enrolled in graduate school.

W.S.C.S. Hears Program on Africa

The Woman's Society of Christian Service of the First United Methodist Church met in Fellowship Hall for the second program in the study given by Mrs. Nadyne Childress on "Understanding the New Generation in Africa." A general view of Africa was given in this program with emphasis on the education.

Mrs. Weta Hill read a letter from the district president asking that the local society be represented at a district meeting October 15 in Sudan.

Mrs. Hill served refreshments to Jennie Fisher, Orle Alexander, Agnes Seane, Valli Futch, Wilma Hunt, Myrt Edwards, Pauline Benefield, Jo Mallow, and Nadyne Childress.

Club Tours Museum

L. O. A. Junior Study Club toured the Panhandle-Plains Historical Museum in Canyon Monday, October 2. The club members enjoyed the many new items on display. After the tour, the club had lunch at Furr's Cafeteria in Amarillo.

Those making the tour were Mrs. Perry Brunson, Mrs. Jimmy Burson and Kimberly, Mrs. J. B. Carter, Mrs. Bud Couch, Mrs. Randall Eddleman, Mrs. Fred Edwards, Mrs. Lynn Frizzell, Mrs. Jerry Miller, Mrs. John Schott and Mrs. Gary Weeks.

Heads Geology Club

Jimmy Walker, son of Mr. and Mrs. Roy Mack Walker of Silverton has recently been elected president of the Hardin-Simmons University Geology Club.

The other officers are Mike Nedela, Abilene sophomore, vice-president; Ann Weaver, Abilene graduate student, secretary-treasurer; and David Holland, Englewood, Colorado junior, reporter. Walker is a senior at H-SU.

Political Topics

Program Heard

Silverton Young Homemakers sponsored a political topics program on Thursday, October 5 in the Pioneer Room at the First State Bank.

Special guests were members of the Silverton Young Farmers.

Beryl Long was guest speaker for the program. Long started the program with two things to keep in mind. These were to overcome apathy toward participating in government and to learn more about government. The United States has the best political system in the world, he added.

Long stated that the United States is losing 200,000 farmers a year. He highlighted the ITT Affair, the Watergate Affair, SALT Talks, Screwworm Program and Trade.

Some interesting facts brought out in the program were that taxes are on an increase whether Democrats or Republicans are in office; FBI cannot release a statement unless it is cleared by the Attorney General first.

In conclusion, Long said that if you take part in government, you will be heard. The people you write to will respond. A little thing (such as a letter or phone call) can make big things happen. People were urged to take part in their government and write those letters.

Following the program, refreshments were served to Mr. and Mrs. Beryl Long, Mr. and Mrs. Fred Minary, Mr. and Mrs. Wayne Stephens, Mrs. Donald Perkins, Joe Self, Calvin Shelton, Tobe Riddell, Elaine Reves and Monroe Gates.

Silverton Drops First District Match, 14-12

For the second consecutive week, extra point failures spelled the difference between winning and losing for the Silverton Owls as they dropped their first District 2-A match 14-12 to the Wheeler Mustangs. After the first week of conference play, Clarendon, McLean, Memphis and Wheeler are tied for first place, and Valley High, Claude, Silverton and Wellington are tied for last place.

Silverton's Owls travel to Claude to try the Mustangs Friday night. Defeated by the Memphis Cyclone last Friday night, 40-8, the Mustangs will be trying to move up in the District 2-A ratings. Claude owns a 3-1 season record, having defeated some good teams this

year. The Owls now own a 1-3 record, after "near misses" the past two weeks. Claude has scored 97 points to 98 points scored by their opponents. Silverton has been outscored by its opponents 42-79 so far this season.

Game time is 7:30 p.m.

The Owls played Wheeler a tough game, even though losing by quite a lot in the statistics department. The locals drew praising comments from the referees when they visited in the home of Mrs. Dee McWilliams (one official was her brother, Billy Ray Webb) after the game.

The contest was a costly one, with Owl End Terry Culwell receiving a painfully bruised knee that has kept him off his feet over the weekend. The injury occurred when Culwell charged the Wheeler punter, blocking the punt and meeting a foot with his knee. He was taken by ambulance to the Tullia hospital where he was treated and released that night.

Terry's brother, Craig Culwell, received an injury to his neck muscles but did not require hospitalization. Craig and Terry were due back for workout Wednesday.

Several other Owls were limping when the game was over, including Mike Grady, but are working the soreness out this week. Scott Hutsell got sick at the half and was taken to the Tullia hospital where he was kept overnight for observation, but he was able to return to school Monday. Dee Arnold, who missed the game Friday night due to a virus, was able to return to school Monday also.

The Owls gained 122 yards rushing and 34 yards passing, as compared with 262 yards rushing and 12 yards passing by the Mustangs. Wheeler made 20 first downs while the Owls made six. Silverton recovered three Wheeler fumbles, and the Mustangs picked up one Owl fumble.

Silverton punted six times, while Wheeler gave up the ball on punts five times. The Owls allowed the ball to go over on downs once, and Wheeler was intercepted once. Silverton was penalized three times for 45 yards, and the Mustangs were penalized seven times for 75 yards. Wheeler ran 68 offensive plays, and the Owls ran 54.

Wheeler received the opening kickoff, and made two first downs before Mark Hutsell hit the Mustang quarterback, causing him to fumble, and Marshall Rauch recovered for the Owls on the Silverton-30.

The rest of the first quarter was "run a few plays and punt" action. In the second period Wheeler mounted the first serious drive of the evening after a bad snap from center caused the Owls to lose the ball on their own 20. This was nipped in the bud by Terry Culwell who intercepted a Mustang pass down near the Silverton goal line and ran it out to the Owl-9. The offense wasn't able to get going, and the Owls punted to the Wheeler-15. The defense held and brought about the Mustang punting situation. Tri-Captain Terry Culwell blocked the punt, with assistance by Rex Clayton and other Owls, and Stan Martin recovered it in the end zone for a touchdown for the Owls with 46 seconds remaining to be played in the half. The extra point kick was blocked, and the Owls went to the dressing room at the midway stop with a 6-0 lead.

The Mustangs came back with

a drive in the third period which was stymied when Tri-Captain Mark Hutsell recovered a Wheeler fumble on the Silverton-28. The Owls weren't able to move the ball, and after getting a 15-yard penalty for holding, were forced to punt. This time the Mustangs took the ball on their own 25 and moved through two first downs to a score with 3:22 remaining in the period. The touchdown was on a five-yard run by Lewis Britt, and Dale Stevens kicked the extra point, giving the Mustangs a 7-6 lead.

Wheeler opened the fourth period with another drive which ended with a nine-yard touchdown run by Lewis Britt with 7:40 remaining in the game. Again Stevens kicked the extra point and the Mustangs held a 14-6 lead.

With 2:56 remaining in the game, Quarterback Ken Wood passed to Stan Martin for a 30-yard touchdown. The running conversion failed, and the final 14-12 score was made.

FOOTBALL QUEEN

In pre-game activities, Rhonda Sutton was crowned as the 1972 Football Queen. Members of her court were Sharon Storie, junior; Nanette Fitzgerald, sophomore, and Becky Francis, freshman.

PEP SQUAD BEAU

During the Pep Rally Friday afternoon, Junior Halfback David McCoy was presented as the Pep Squad Beau. The other candidates nominated for the honor were Terry Culwell, senior; Ken Wood, sophomore, and Randy Clay, freshman.

The Freshman Class received the Spirit Stick in the Pep Rally for its football field on which the Mustang had been fenced in by the Owl mascot.

JUNIOR HIGH OWLS

The Junior High Owls played the Wheeler Colts to a 0-0 decision last Thursday. The Junior Owls gained more yards than the

Honor Roll

LITTLEST OWL RIDES A MUSTANG! The littlest Owl, Shane August Jennings, son of Coach and Mrs. Eugene Jennings, demonstrated how to ride a Mustang at the conclusion of the Pep Rally last week. Beat Claude, Owls!

Rhonda Sutton was crowned as the 1972 Football Queen in pre-game ceremonies here Friday night. Escorted by Mike Grady, she was presented a bouquet of red roses by Tri-Captain Mark Hutsell, was crowned by Tri-Captain John Burson, and was presented the traditional congratulatory kiss by Tri-Captain Terry Culwell.

Jana Futch displays one of the red and white plywood Owl mascots that were placed on the lawns of the players last Thursday evening following the bonfire.

DID YOU HEAR HAMMERING?

Did you hear a little hammering around town late Thursday night? It was Silverton students putting OWLS in the front yards of the football players' homes. Each of the 29 players received a red OWL with white features with the players' names and numbers painted in black. This is just one of the many ways the Pep Squad supports the OWLS. They urge each of you to attend the games and join them in supporting the OWLS.

The Pep Squad would like to say "thank you" to Rev. James Futch for cutting out the OWLS; Silverton Metal Works for providing the paint and painting the OWLS; John Burson for nailing the OWLS on stakes, and Junis Hutsell for the use of her paint brushes.

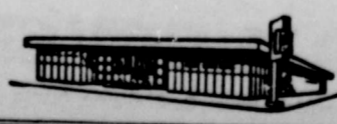

ESSENTIAL TOO!

The boys on the field are carrying the bulk of the game, but all the boys on the bench are eagerly awaiting their opportunity to get in the game. Some will get to play, others won't, yet each is essential to the team. During practice each week their efforts help build a better team.

To function properly, a church must work as a team. The Pastor and his associates carry most of the load. Many others are needed to help train and teach, or do many other tasks. However whether or not you can serve the Lord in some capacity, *your presence* in the worship services does help you and others too.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

First State Bank

... Mail's moving faster. For a lot of reasons. But I'd say the reason behind it all is Zip Code. ..."

Sherry Gladney, Postal Worker, Chicago, Ill.

How to mail a letter today when you want it delivered tomorrow.

Out of town.
Be sure to use Air Mail. And remember to include a Zip Code in the address. Mail before 4:00 p.m. from any specially marked Air Mail box. Or by 5:00 p.m. at your Main Post Office. You'll get next-day delivery to major cities within 600 miles almost all the time. And, second-day delivery anywhere in the country.

In your town.
Again, be sure to include a Zip Code in the address. Mail by the last pickup before 5:00 p.m. That's it. You'll get next-day delivery in your town and the area around it, most every time you mail.

These Zip Code tips can help you.
If you don't know a Zip Code, just look in the handy Zip Code Section of your phone book. Or call your local Post Office. Always put your Zip Code in your return address. So people can copy it down. People really depend on the mail, and the mail depends on Zip Code. Un-Zipped letters can slow down all the mail. So put a Zip Code on everything you mail.

**Help us help you.
Use Zip Code.**
