County selects Abilene firm for long-distance phone services

By SAMUEL VILLARREAL
Journal staff writer

The Bailey County Commissioner's Court was simply looking out for the taxpayer's best interest when it selected a company outside the county to provide its long distance phone service, according to Bailey County Judge Marilyn Cox.

Five-Area Telephone of Muleshoe, which began serving as a long-distance carrier in November, was not competitive when the county sought bids, according to Cox.

Five-Area's fees are 58 percent higher than the Abilene-based Action Telecom Co., according to Cox.

County long-distance bills run between \$400-500 a month.

The Commissioner's Court voted unanimously during a Sept. 30 meeting to go with Action Telecom.

"You don't know much respect I have for Five-Area Telephone," Cox said. "They're one of the best things we have going in the community. But it was a business decision we made knowing we have a responsibility to handle the taxpayers' money wisely."

Cox said the Court has an unwritten guideline that they will spend up to 12 percent more to stay with

State overhauling school curriculum

By SAMUEL VILLARREAL
Journal staff writer

Texas public schools are facing their first major overhaul of curriculum in more than 10 years.

The State Board of Education feels that the current curriculum is outdated and is not providing students with the necessary skills to enter the market place.

Emphasis will be placed on applied skills rather than classroom theory, according to Bill Moore, Superintendent of the Muleshoe Independent School District.

MISD has been anticipating changes for several years, Moore said.

"The new curriculum is not far off from what we teach now," Moore said. "There will not be a lot of changing necessary."

The MISD Board of Trustees discussed the new curriculum at length Monday during its regular bi-monthly meeting.

School Board President Cindy Purdy told the board it is in the best interest of the district to adopt the new standards. While they are not required to adopt the changes as a district,

SCHOOL BOARD

exit level test will be based on the new curriculum, Purdy said.

Students must pass these exit level test, known as the Texas Assessment of Academic Skills, or TASS, to graduate from any Texas public school.

The proposed curriculum moves away from traditional memorization of items such as multiplication tables and scientific formulas while emphasizing the use of modern technology such as scientific calculators and the Internet as learning tools.

The new curriculum has been in development for about a year and a half, according to Moore. The 2,000 page revision is the combined effort of more than 300 people, including public school officials, state universities and parents.

The State Board of Education is in the process of finalizing changes in the curriculum for all students in kindergarten through 12th grade.

The Region 17 Education Service Center will hold a pub-

Brown keeps it in family

Claire Brown must have felt left out.

In week one of the Journal's weekly football contest, Brown's husband and two children swept the top three spots.

Now in the sixth week, it's mom's turn as the Lazbuddie resident beat five others in a tie-breaker to win the \$15 first prize.

Six contests correctly forecast the winner of 16 of 18 games right (a tie game is considered a win), with Brown clairvoyant enough to predict a high-scoring game between Notre Dame and Washington in the tie-breaker game.

Brown picked 61 combined

Accident sends 8 to hospital

MULESHOE — A two-vehicle accident just west of the city limits sent eight Muleshoe residents, including a 2-year-old boy and a pregnant woman, to area hospitals Sunday night.

The child, David Flores, was in serious condition, and 28 year-old Guadalupe Flores, who is pregnant, was in satisfactory condition at University Medical Center, a hospital spokeswoman said Monday.

They were riding in a Dodge Ram Charger headed west on U.S. 84 about 8 p.m., when the Dodge hit a Chevrolet pickup coming from County Road 163, a Department of Public Safety spokesman said.

The other four occupants of the Dodge were treated for minor injuries at Muleshoe Area Medical Center with minor injuries.

Trooper L. Kirk said Chad Beall, 22, was driving a 1996 Chevrolet pickup truck south on the county road when he failed to yield right of way at a stop sign at U.S. 84.

The trooper said the west-bound Dodge, driven by Luis Flores, 33, struck the driver's side door of the truck and both vehicles came to rest in the highway median.

Beall and a passenger in the pickup, both of whom Kirk said appeared to have been wearing seat belts, were taken to Muleshoe Area Medical Center with minor injuries.

Soph shines in Longhorns' 56-42 win

LAZBUDDIE — Sophomore quarterback Josh Morris proved the perfect complement to senior Justin St. Clair Friday.

With Morris completing 9 of 9 passes for 154 yards and three touchdowns and St. Clair rushing for 105 yards and three touchdowns, Lazbuddie defeated Three Way, 56-42, in the District 3-1A opener for both teams.

Even though its the first week of the district season, the game carried serious playoff implications for both teams.

The win puts the unbeaten

Longhorns (6-0) in good position to earn one of the district's two state playoff spots.

The loss leaves Three Way (4-2) with the unenviable task of beating Whitharral, the state's second-ranked team and prohibited district favorite, this week to have any realistic hope of earning its first playoff berth since 1987.

"It was very big step toward making the playoffs," Lazbuddie coach Mark Scisson said. "It was a huge game. We knew it was going to make the loser a longshot to make the playoffs."

The Longhorns withstood a

stellar effort by Three Way quarterback Jesus Perez. Perez completed 15 of 24 passes for 239 yards and three touchdowns and rushed for 157 yards and another touchdown.

Three Way coach Danny James said it just came down to a few plays.

"We rolled up about 500 yards of offense; we did about everything we needed to do to win the game," James said. "We just let them score too many points."

"I felt good about how we played," James added. "I just didn't feel good about how we

tackled."

Three Way held 491-361 edge in total yards.

Morris, inserted into the starting lineup three games ago when St. Clair was moved to running back, threw a 70-yard touchdown pass to Brice Foster with 3:17 left to seal the win.

"I don't usually like to start sophomores," Scisson said. "But he's come through for us. I thought he might feel the pressure, but he hasn't."

St. Clair gave Lazbuddie the

MULESHOE JOURNAL

Forum on school curriculum Oct. 21

The Region 17 Education Service Center will be holding a hearing Oct. 21 for the purpose of gaining public opinion of new public school curriculum. The hearing will be held from 7-9 p.m. in the Lubbock High School auditorium, 2004 19th Street, in Lubbock. Individuals desiring to provide testimony will register on a form provided at the auditorium. There will be a five minute time limit for each individual.

For additional information about the hearing, write Mike Peebles, Jerry Hogue, or Lisa Leach at Region 17 Education Service Center, 1111 West Loop 289, Lubbock, Texas, 79347 or call (806) 792-4000.

A copy of the new curriculum is available for public review at the Muleshoe Independent School District Administration Building at 814 West Avenue G.

MHS Honor Society holding ceremonies

The Muleshoe High School National Honor Society will hold induction ceremonies Saturday, Oct. 19 at 7:30 p.m. in the 16th and D Church of Christ Fellowship hall.

All family members and friends are invited to attend.

Health clinic offering flu shots

The Texas Tech Health Clinic, formerly Texas Department of Health, will be giving influenza shots Friday, Oct. 25, from 8-11 a.m. and from 1-3 p.m. The clinic is located at 118 west Avenue C in Muleshoe

Recipients must be 18 or older. Cost for the shots will be \$10. The shots are also covered under Medicare part B.

For more information, call Judy Jacobs at 272-5561.

Band parents holding meeting

Parents of the Muleshoe High School Band will meet Oct. 21 at 7 p.m. in the Band hall.

Topics to be discussed will include preparations for the UIL trip Oct. 26. The parents are also making plans to form a band parent organization and will be discussing fund raising.

Oklahoma Lane holding reunion

It was decided at the last Oklahoma Lane Reunion, in 1994, to have a reunion every two years, for all present and former Oklahoma Lane residents, teachers, students, parents and all.

The date of this years' reunion is Nov. 29, the day after Thanksgiving. The reunion will be held in the Oklahoma

Lane school building, which is now the Methodist church. Registration will began at 9 a.m. with coffee and doughnuts being served. Lunch will be catered at noon, with a cost of \$6 each.

This will be a time of visiting and reminiscing with friends and classmates. If you have pictures you would like to display they will be welcome.

Please let the committee know as soon as possible if you will attend the lunch so they can let the catering service know how many to prepare for.

Contact Lois Billingsley, Rt. 1 Box 101, Farwell, Texas 79325 (806) 825-3411 or Harold and Avis Carpenter, Rt. 1 Box 42, Farwell, Texas 79325 (806) 825-2176 for more information.

Local graduate receives promotion

Private Kalam R. Puckett was promoted to Private First Class on Sept. 1, 1996 by the U.S. Army. PFC Puckett is currently assigned to the 557th Maintenance Company of the national Training Center Support Battalion in Fort Irwin, Calif., where he is a diesel mechanic. Puckett is a 1994 Muleshoe High School graduate and is currently attending Barstow College. He is the son of Larry and Cheryl Puckett of Muleshoe. Grandparents include Richard and Barbara Puckett of Muleshoe, LaVayne Williams of Lubbock and Gedonne Williams of Denton.

Annual Peanut Festival Oct. 25-27 at ENMU

POTRТАLES — The 23rd annual Peanut Valley Festival will be held Oct. 25-27 at Eastern New Mexico University.

The Festival which is sponsored by The Associated Students Activities Board (ASAB) will open at 3 p.m. on Friday, Oct. 25 and continue through 5 p.m. on Sunday, Oct. 27. Artists, crafters, and food vendors from New Mexico, Texas, Colorado, Arizona, and California will offer a cornucopia of wares in nearly 100 different booths.

The Starlite Swingers Square Dance Group will continue a long-standing Peanut Valley Festival entertainment tradition by performing on Friday evening beginning at 6 p.m. in the Campus Union Building Ballroom, and will dance until the Festival closes at 8 p.m.

The Festival will be open from 10 a.m. until 7 p.m. on Saturday, the 26th, and many activities are planned. The Carnival will offer a variety of activities and attractions and will be open throughout the day. All community or university organizations are invited to take advantage of this fundraising opportunity! Applications are available in the ENMU Housing Office or by calling (505) 562-2631. The Peanut Games, another Peanut Valley Festival tradition will once again be held as part of the Carnival. An assortment of activities involving peanuts,

peanut patties, and/or peanut butter are planned for kids of all ages. Prizes will be awarded in a number of categories. The 1996 GAMES are being co-sponsored by KICA/K-Classic Radio. For additional information contact Rick Smith at (505) 762-6200.

The Route 66 Cloggers will represent Amarillo and the Texas Panhandle at the Festival. They will display their fancy footwork in two rousing sets at 12:30 and 3:30 in the Ballroom.

The annual Scholarship Auction will also take place in two parts on Saturday, the 26th. The proceeds from the auction which features items donated from the arts and crafts vendors go toward scholarships for members of ASAB, the hosting student organization. Festival goers are encouraged to take advantage of these opportunities to obtain valuable merchandise while contributing to this very worthy group of student volunteers. Also in the Ballroom, the auction will take place from 1-2:30 p.m. and from 3:30 until 5 p.m.

Capping Saturday's entertainment will be a stage performance by comedy-juggler, Bill Fry at 5 p.m. Bill, a Peanut Valley Festival regular, will also participate in the afternoon's Carnival and will provide roving entertainment and juggling lessons throughout the day.

Phone

Continued from page 1

local businesses.

Five-Area's savings plan calls for a 10-percent deduction on long-distance phone bills over \$25 per month, Cox said. Since only a few of the phone lines used by the county run over \$25 per month, the savings were not substantial enough to stay within the County's budget of 12 percent allowance for in-county business.

The county has 25 phone lines plus faxes and modems.

"We don't want to discourage people from using local businesses when possible," Cox said.

During a Commissioner's Court meeting Monday, the Court voted to seek a grant that would allow area fire departments access to ground water to be used to combat fires in

rural areas.

The Dry Hydrant Grant would be used to purchase special equipment that hooks into irrigation wells so firefighters will have access to water in rural areas.

"Some parts of the county are so far from Muleshoe that firefighters need somewhere they can hook up to water," said Cox.

The court approved a motion to transfer old school records to the Muleshoe Independent School District. The records are stored in the old county jail, located in the attic of the County Courthouse.

The records were stored in the courthouse because at one-time the school superintendent was also the county judge, Cox said.

lic hearing for the purpose of gaining public opinion on the new curriculum. The hearing will be held Oct. 21 from 7-9 p.m. in the Lubbock High School auditorium, 2004 19th Street in Lubbock.

Board member Max King urged community members to attend the meeting.

"Most of what people know is what has been written by the press," King said. "People in the community should become make an effort to find out more about the new curriculum."

In other action, Aramark Corporation representative Jason Jones also discussed the possibility of a working contract with Morton ISD. If Aramark is awarded the contract, food services for Morton ISD will be managed from Muleshoe.

Muleshoe ISD would save

money since Morton ISD would help pay for management fees. Jones is not currently at liberty to discuss figures, but said that it would be a substantial savings for Muleshoe ISD.

The board of trustees also recognized Debra Jennings as the October Support Staff Member of the Month.

Jennings is a native of Lazbuddie and hold an associate degree from South Plains College in Levelland.

Before working for MISD, Debra spent fifteen years as the bookkeeper for the Farmers Co-op Elevator. She has served MISD for the past five years, first as the bookkeeper, then moving into the area of payroll and insurance.

The board also received a report from Aramark Corporation representative Jason Jones, who manages the school

nutrition services for MISD, reported good sales. Jones discussed plans for getting student and faculty input for improving food services.

MHS hosts Perryton Saturday

By RICK WHITE
Managing Editor

Muleshoe had its choice of directions Friday after Friona exploded for four touchdowns in the second quarter and took a 27-0 halftime lead.

The Mules chose the path less traveled in recent years, rallying in the second half to at least make the Chieftains nervous.

"We had an opportunity to go one of two ways," Muleshoe head coach David Wood said. "We just could have laid down or we could save some face and get after it."

Muleshoe scored a pair of touchdowns early in the fourth quarter to trim the Chieftains' lead to 27-14 before falling 34-14.

"Now we have something we can take away from the game, something we can build," Wood said. "We outscored a heck of a Friona team, 14-7, in the second half."

Muleshoe (0-6 overall, 0-3 in District 1-3A), will still be searching for its first win since the end of the 1994 season when it hosts Perryton in a rare Saturday afternoon game (2 p.m.) at Benny Douglass Stadium. The game was switched from Friday night because of the travel distance.

Muleshoe has lost 16 straight.

Perryton (1-5, 0-3) is just as hungry for a win, especially after being stung by an alleged hazing incident that led to the suspension of 12 players for two games.

"They're just as hungry as we are," Wood said. "I'm sure they're looking at it like a game they can win."

Perryton's lone victory was a 22-19 decision over Guymon, Okla., in the second week of the season.

Saturday's game should be a low-scoring contest.

Muleshoe (26 points) and Perryton (63 points) are the two lowest scoring teams in the district.

"It should be a pretty even ball game," Wood said. "I think it's going to come down to whoever is stronger in the fourth quarter."

The return of starters Michael Woodard and Douglass Field this week leaves the Mules near full strength for the first time all season. Only lineman Michael Cortez (knee) is missing.

Field (ankle) and Woodard (elbow) missed the Friona game.

The next four games will determine where Muleshoe is in the rebuilding process.

"It won't be a test, but more of a landmark of where we are," Wood said. "It's not a test because I don't want them to think they failed if we don't win."

Wood is excited though.

"We match up better against our next four opponents," said Wood, who has maintained all along that it's not necessary to win to show progress.

Finding a hole

MHS sophomore Manuel Campolla finds a little running room during a kickoff return in Friday's game at Friona. The Mules host Perryton at 2 p.m. Saturday at Benny Douglass Stadium.

Thee Way: no rest for the weary

Three Way coach Danny James remains undaunted by the task of beating one of the top-ranked teams in the state to keep his team's playoff hopes alive.

Coming off a disappointing 14-point loss to Lazbuddie, the Eagles face second-ranked Whitharral, a 6-0 team that has outscored its opponents 310-24.

A loss would leave the Eagles at 0-2 in the six-team District 3-1A and virtually

SIX-MAN PREVIEW

eliminated from the playoffs.

"We're going to show up," James said jokingly. "If we execute, we can move the ball. We've done that fairly well all season. Hopefully, we'll catch a few breaks along the way and that will help take some of the pressure off."

The Eagles (4-2 overall) are averaging more than 400 yards of offense a game, but face the

blitz-happy team that has shut out five of its six opponents.

"They are so quick and put so much pressure on you," James said. "You don't know who's coming (on the blitz), and from that point they're very hard to prepare for."

"They just have an excellent bunch of athletes," James added. "They do everything well. I haven't seen anything they can't do."

Continued on page 5

DISTRICT 1-3A ROUNDUP

Dimmitt's last-minute, 31-28 loss to Dalhart created a logjam behind district-leading Friona (3-0). Four teams, including Dalhart and Dimmitt, are a game back at 2-1.

Dalhart 31, Dimmitt 28

Brent McDaniel's 20-yard field goal with 31 seconds left to completed a 22-point comeback.

Dimmitt (4-2) scored 28 unanswered points in the second quarter to take a 28-6 lead. Zack Matthews scored on a 60-yard interception return and a 70-yard run in the second quarter for the Bobcats.

Josh Reynolds' 5-yard touchdown pass to Cody Copeland cut Dimmitt's lead to 28-14 at halftime.

After a scoreless third quarter, Tyler Kruse scored on a 43-yard run and a 4-yard pass in the fourth quarter to tie the game at 28-28.

Dalhart (2-3-1) rushed for 252 yards and held a 355-276 edge in total yards. Matthews led all rushers with 119 yards on nine carries. Reynolds threw for 102 yards and three touchdowns.

River Road 21, Perryton 9

Rowdy Lundegreen passed for 133 yards and three second-half touchdowns as River Road avoided an upset.

River Road (2-4, 2-1) took the lead for good, 14-9, in the fourth quarter on Lundegreen's 15-yard pass to Jerry Billington (two touchdowns). Lundegreen sealed the win with a 19-yard touchdown to Andy Dunlap.

Perryton (1-5, 0-3) took a 3-0 halftime lead on Rafael Medina's 20-yard field goal. Medina's third field goal, a 26-yarder, gave Perryton a 9-7 lead in the fourth quarter.

River Road held a 284-171 edge in total yards. Perryton was 0-7 passing.

Tulia 21, Sanford-Fritch 14

Austin Dunn's 10-yard run with three minutes left snapped a 14-14 tie.

Tulia (3-3, 2-1) took a 14-7 halftime lead on a 1-yard run by

1-3A standings

Lady Mules soak up first title at Sundown

SUNDOWN — The Muleshoe Lady Mules continue their surge toward becoming one of the top Class 3A teams in West Texas.

The Lady Mules surprised Class 4A Hereford Saturday en route to their first meet title this season at the Sundown Oil Patch Run.

Bunching its 2-5 runners within 19 seconds and 10 places of each other, Muleshoe edged Hereford, 53-57.

Hereford had three runners in the top 10, including individual winner Bethany Townsend. Townsend was the only runner to break the 12-minute barrier with a time of 11:53.7.

Sundown finished a distant third with 102 points in the 15-team meet.

"It's good for them to win a meet," said Muleshoe coach

Kim Zollinger. "It means a lot to them."

Five Lady Mules recorded personal bests on the flat two-mile course.

Senior Priscilla Aguirre finished second for the Lady Mules. Continuing her dramatic improvement, Aguirre shaved 30 seconds off her personal best time and just missed breaking the 12-minute mark with a time of 12:01.9.

Freshman Stacy Locker broke into the top 10 for the first time this season with a ninth-place finish. Locker's time was 12:23.8. Senior Cari Faver was 11th (12:26.40), freshman Lysie Black 12th (12:28.9) and senior Brandi Harrison 19th (12:42.3). Only Faver failed to record a personal best.

6-man

Continued from page 4

While Three Way's play-offs hopes are in peril, Lazbuddie's are promising.

A win at Silverton this week would give the No. 5 ranked Longhorns (6-0, 1-0) the tie-breaker edge advantage over their two chief rivals for the district's second playoff spot.

"We've got to get our feet back on Earth, beat Silverton, and then we can start talking about the playoffs," Lazbuddie coach Mark Scisson said, referring to a huge 56-42 win over Three Way last week that possibly decided both teams playoff chances.

"Weknew (Three Way) was good," Scisson said. "It was a tough loss for them and a big win for us."

Silverton was expected to contend for the district title, but has struggled to a 3-3 start.

Scisson heard rumors of team dissension which reportedly led to four players being kicked off the team.

The Owls ripped Cotton Center last week, 68-14, in their district opener. Scisson considers them dangerous.

"Maybe they're starting to step it up and are ready to make a move," Scisson said. "You know what? If they beat us, they're in the driver's seat."

Community spirit trophy

The Muleshoe Booster Club's Community Spirit Trophy was awarded to Muleshoe Animal Clinic. Pictured with the prize-winning display is Connie Anderson.

Longhorns

Continued from page 1

lead for good, 48-42, on a 4-yard run.

Three Way responded by driving to the Lazbuddie 10, but was stopped on downs.

On the next play, Morris beat the blitz by hitting Foster in stride 40 yards downfield just behind a Three Way defender to give Lazbuddie a two-touchdown lead.

Morris, 6-0, 165 pounds, is 30 of 36 for 375 yards and nine touchdowns this season. He hasn't thrown an interception.

St. Clair, a sturdy 6-2, 200 pounds, is a threat to both run and pass the ball. An honorable mention all-state quarterback in 1995, St. Clair has rushed for 746 yards and nine touch-

downs and completed 44 of 85 passes for 632 yards and another nine touchdowns.

St. Clair rushed for two touchdowns and passed 12 yards to Seth Black for another, giving Lazbuddie a 24-16 lead in the second quarter.

Perez put Three Way on top, 30-24, with a 6-yard run and a 5-yard pass to Lupe Landeros.

Morris gave the Longhorns a 32-30 halftime lead on a 2-yard pass to Jason Thomas.

In six-man, the quarterback can't run. By pitching the ball to St. Clair, it makes him eligible to either run or throw.

"He's just so much more dangerous now," Scisson said.

3-1A standings

	District	Overall
Lazbuddie	1-0	6-0
Whitharral	1-0	6-0
Silverton	1-0	3-3
Three Way	0-1	4-2
Cotton Center	0-1	1-4-1
Amherst	0-1	0-6

Last week's results—Lazbuddie 56, Three Way 42; Whitharral 52, Amherst 0; Silverton 64, Cotton Center 18

This week's games—Whitharral at Three Way, Lazbuddie at Silverton, Cotton Center at Amherst

Three Way took a 42-40 lead heading into the fourth quarter on a 13-yard pass from Perez to Chris Soliz

Jeremy Patton and a 3-yard run by Zachery Ramos.

Sanford-Fritch (2-4, 1-2) tied the game in the third quarter on Haven Reed's 6-yard run.

The game was a defensive

struggle, with the teams combining for 350 yards and five turnovers. Neither team passed for more than 39 yards.

Travis Holland led Sanford-Fritch with 71 yards on 16 carries.

While Others Just Talk About Reforming Taxes

HOLLIS CAIN IS PREPARED TO DO SOMETHING ABOUT IT!

MY PERSONAL PLEDGE TO YOU:

- I will file the Taxpayer Protection Act and work with conservatives in the Texas Legislature to try and get it passed. Then you will be able to vote on a constitutional amendment to require a 2/3rds vote by legislators before they can raise your taxes.
- I will file legislation that requires local voter approval before property taxes can be raised.
- I will always vote against a state income tax
- I will work to repeal the corporate income tax.
- I will always ask before casting a vote, "How will this legislation affect the families in this district?" I will vote your values.

Please keep this pledge as my promise to you. If I violate any part of this pledge, I will resign from office and never seek public office again.

Hollis Cain

It needs to be tougher for State legislators to spend our money! That's why I'll file the Taxpayers Protection Act the minute my hand comes down from taking the oath of office as your State Representative.

When this bill passes, you'll be able to vote on a constitutional amendment that will require a super majority vote by legislators before they can raise your taxes.

District 85 needs a State Representative who will say NO to increased taxes, will say NO to a state income tax and will say NO to more government spending.

You can trust me to vote the conservative values of West Texas and to be a friend of the taxpayers. I will appreciate your vote.

Hollis

Sundown

Continued from page 4

Senior Jo Beth Gilleland finished out of the scoring, but still recorded a personal best time of 13:06.4. Freshman Bobbie Benham ran a 13:36.

The Lady Mules run Saturday at the South Plains College Cross Country Festival in Levelland in their final tuneup before the District 1-3A meet Oct. 26 at Thompson Park in Amarillo.

"We're not getting a big head," Zollinger said. "We've worked hard and we have to

continue to work hard to get out of district."

The top two teams and five individuals advance to regionals.

Muleshoe's strong showings at recent meets stamps the Lady Mules as the district favorite.

Preseason favorite Sanford-Fritch and Dimmitt pose the biggest threats.

"Don't kid yourself, they're going to be gunning for us," Zollinger said.

Farm art

BAXTER BLACK
ON THE EDGE OF COMMON SENSE

Motorists approaching Denver's now infamous International Airport (D.I.A.) are immediately struck by the futuristic terminal rising from the rolling treeless expanse of plain. It could almost be a moonscape.

They might also notice on this approach, a fence line running south of the terminal. And along this fence they would see a collection of rusting farm equipment.

"They should get this cleaned up pretty soon", I kept thinking as I passed the fence each time I made a plane trip. Little did I know.

"It's artwork," I was told one day. "They paid somebody big bucks to dump their old farm iron there."

My reaction, which apparently was a common one, was... "What!"

It is, in fact, a public art project entitled Fence Line Artifact.

Since then I have driven by the fence countless times. One day I began to sense that the fence was more than just a boondoggle boneyard. The western plains are not often described as beautiful. They are treated as a place you must cross, to get to the majestic Rockies or verdant Midwest.

Over years, the plains have become a productive part of American Agriculture. But a farmer must accept that it takes a little more work.

D.I.A. is 53 square miles. It swallowed up many prairie farms. Places homesteaded in the last century. Farms that often felt more

drops of sweat than drops of rain. Homes of people who lived a little closer to nature's whims than most of us.

This machinery displayed along the artwork fence; a Massey Harris model 44 tractor, a 16 row Oliver Superior grain drill with iron wheels, a John Deere chopper model 10, a prehistoric bean thresher and other similar dinosaurs, all came from farms now wiped off the face of the plains by D.I.A.

Farmers have a tendency to keep their old equipment. The expressed thought is, "I might be able to sell it someday or might be able to rob parts off it." The unexpressed thought is more complicated, "I farmed this place for thirty years, I rode to the moon and back on the seat of this tractor. I couldn't have done it without her. She deserves some recognition."

The creators of Fence Line Artifact have turned our boneyard into a monument. It is a tribute to the people and machinery who have made it possible for civilization to cling, albeit tenuously, to the windy, unpredictable, unforgiving plains.

I stood beside the old Massey Harris model 44 and looked north at the gigantic airport terminal. My hand rested on the seat. The paint was worn off, the steel was as smooth as glass.

Lotta miles, I thought, to make it shine like that. Lotta miles.....

CROP REPORT

AUSTIN — Beneficial moisture was received across the state during Sept., however, the effects of the 1996 drought continued to be reflected in the Oct. 1 production forecast of spring-planted crops released by the Texas Agricultural Statistics Service.

The 1996 Texas Upland cotton crop is expected to total 3.85 million bales, up 200,000 bales from Sept. 1, but 14 percent below 1995. Harvested acreage is estimated at 4.1 million acres, 29 percent less than last year as the earlier drought caused poor stands and resulted in greater than normal abandonment. The yield is expected to average 451 pounds per acre, compared with 372 pounds last year.

Corn production is forecast at 171.0 million bushels, down 21 percent from last year and 28 percent below the record set in 1994. Based on Oct. 1 condition, statewide yield is expected to average 95 bushels per acre, 19 bushels less than in 1995, and unchanged from Sept. 1 forecast.

Texas peanut production is expected to increase 4 percent from last year, to 563.8 million pounds. Statewide yield, at 2,050 pounds per acre,

is 50 pounds above both last year and last month. Irrigated peanuts have made good progress across the state this year, and Sept. rainfall benefited dryland peanuts. Peanut harvest is underway.

Sorghum production is forecast at 107.0 million hundredweight (cwt), 47 percent above last year and up 4 percent from last month. Harvested acreage is estimated at 3.90 million acres, up 63 percent from 1995, as sorghum replaced some lost cotton acreage. Yield, at 2,744 pounds per acre, is expected to be 280 pounds below last year.

Rice producers expect to harvest 18.18 million cwt, up 2 percent from 1995. Yield is forecast at 6,100 pounds per acre, 500 pounds more than a year ago.

The 1996 Texas soybean crop is forecast at 7.83 million bushels, up 31 percent from last year's production. Harvested acreage is expected to increase by 13 percent, and yield is expected to average 29 bushels per acre, compared with 25 last year.

Texas wheat production for 1996 totaled 75.4 million bushels, practically the same as 1995. Yield, at 26.0 bushels per acre, was down 1

bushel from 1995 while harvested acreage increased 100,000 to 2.9 million.

United States corn production, at 9.0 billion bushels, is up 22 percent from last year's crop. A yield of 123.0 bushels per acre is forecast, up 9.5 bushels from last year. The sorghum crop is expected to increase 73 percent, to 446.2 million cwt. The U.S. Upland cotton crop is expected to total 17.6 million bales, up 1 percent from last year. Soybean production is forecast at 2.35 billion bushels, 8 percent above last year. The U.S. peanut crop is estimated at 3.41 billion pounds, 1 percent below a year ago. U.S. rice production is forecast at 176.1 million cwt, 1 percent above 1995.

CLOVIS, NM

MHS Mighty 'M' Band advances at regionals

by SAMUEL VILLARREAL
Journal staff writer

The Muleshoe High School Mighty 'M' Band received a first division rating Saturday at the University Interscholastic League Region XVI Marching Contest.

Muleshoe High School Band Director Rob Lovett was pleased by the outcome of the contest.

"It was nice to see the hard work of the students recognized and rewarded," Lovett said.

By earning a first division rating, the highest rating given in a UIL marching band contest, the band qualifies for the UIL Area A Marching Contest to be held Oct. 26 at Jones Stadium in Lubbock.

Other Class 3A bands from Region XVI that qualified for the UIL Area A contest are Denver City, Littlefield, Brownfield, Seminole.

The UIL Area A Marching contest will include bands from Perryton to El Paso who received first division ratings. The top two bands advance to the state marching contest to be held in Mesquite Nov 4.

Help Your Heart Recipes

This recipe is intended to be part of an overall healthful eating plan. Total fat intake should be less than 30 percent of your total calories for a day — not for each food or recipe.

Spicy Sole and Tomatoes

1 pound boneless, skinless sole, flounder or whitefish fillets, about 1/2 inch thick, cut into 4 pieces	1 14 1/2-ounce can diced tomatoes
Vegetable oil spray	1 teaspoon drained capers
1/2 cup chopped onion	4 peppercorns
1/2 teaspoon bottled minced garlic	4 to 6 dashes bottled red hot pepper sauce

Rinse fish and pat dry. Set aside. Spray a large skillet with vegetable oil. Place over medium-high heat. Add onion and garlic to hot skillet and cook until tender, about 5 minutes. Stir in remaining ingredients. Bring to a boil. Arrange fish on top. Return to a boil. Reduce heat, cover and simmer for 4 to 6 minutes or until fish flakes easily with a fork. Remove peppercorns before serving.

Serves 4; 1/4 pound fillet per serving. Preparation time: 10 minutes. Cooking time: 4 to 6 minutes.

TOPS NEWS

By Polly Otwell

TOPS Chapter Number 34 met at the Muleshoe Church of Christ, Thursday, Oct. 10, with acting leader, Alma Robertson, calling the meeting to order. The TOPS Pledge was recited and the fellowship song sung. Robertson then led the group in prayer.

Betty Jo Davis, weight recorder, called the roll with 15 members answering with the

amount of weight they had lost or gained. Minutes were read by Evelene Harris, secretary, and were approved as read.

Best loser for the week was Lucille Harp and Cheryle DeGriffin as runner-up.

Jewell Peeler started a new contest, it will continue for six weeks (Little Mules on parade and deck out in beautiful blue hats.)

If you lose you get a feather in your Mule hat, stay the same you get a jewel in your hat and if you gain you get a tail on your mule.

A sing-a-long was held, with the songs from the TOPS song book. All of which pertain to losing weight.

The meeting was adjourned with the good night song.

OBITUARIES

E. Nell Parkinson

BULA — Funeral services for E. Nell Parkinson, 81, of Bula, were held Monday, Oct. 14, at the Hammons Funeral Home Chapel in Littlefield with the Rev. George C. Price Jr., officiating.

Burial followed in the Littlefield Memorial Park under the direction of the Hammons Funeral Home of Littlefield.

Mrs. Parkinson died Saturday, Oct. 12, in the Muleshoe Area Health Care Center. She was born Aug. 19, 1915 in Quail, Texas.

She married C.C. Taylor in 1943. He died in 1963. She then married Abram A. "Parky" Parkinson, June 30, 1967 in Las Vegas, Nev. He died April 10, 1987. She moved to the Bula area in 1986. She was a seamstress and a school teacher. She was a Methodist.

She was preceded in death by three brothers, Gene, Ben and E.P. Farmer and one sister Eralee Dowdy.

Survivors include two sisters, Cordie Millie Claunch of Bula and Lorilla Jones of Enochs; numerous nieces and nephews.

FB contest

Continued from page 1

points, which was closest to the actual 74 points scored in Norte Dame's 54-20 win.

Francisco Torres of Muleshoe claimed the \$10 second prize with a tie-breaker total of 56. Lisa Reed of Friona won the \$5 third prize with a tie-breaker total of 51.

Others correctly picking 16 of 18 games were Thomas Reed of Friona, Nathan Crawford of Lazbuddie and R.G. Wilson of Muleshoe.

The Journal received 41 entries this week.

Lady of Guadalupe Candidates

Silbestra Diaz, left, Felicia Alarcon, middle, and Dez'Rae Contreras, right, are all candidates for the Queen of Our Lady of Guadalupe. The event will be held Dec. 12 at the Muleshoe Immaculate Conception Catholic Church. The contest is sponsored by the Guadalupe Society and is open to girls 6-12 years old.

Accident

Continued from page 1

Beall was later taken to a Lubbock hospital because of pre-existing medical condition aggravated by the accident.

Kirk said David Flores was

placed in — but not buckled into — a car seat, and none of the other five occupants of the Dodge were wearing their seat belts.

The Muleshoe Cattle Market is brought to you each week by Muleshoe Livestock Auction, located east of Muleshoe on U.S. 84. Muleshoe Livestock conducts sales every Saturday, beginning with hogs, sheep and goats at 10 a.m. and cattle following at approximately 12 noon.

FOR INFORMATION ON SALES OR TO CONSIGN CATTLE, CALL (806) 272-4201.

KENW-TV

Public Television

Scientific American Frontiers
"Inventing the Future"

From the futuristic Media Lab at MIT to the dusty, overcrowded game preserves of South Africa, and from the brains of humans to robots that think, viewers explore the extremes of nature and invention on **Scientific American Frontiers**, America's premier science magazine series. Science aficionado Alan Alda returns for the fifth year as host and guide for the series.

The season opens with "Inventing the Future" in the state-of-the-art Media Lab at MIT where host Alan Alda spends a fascinating week with the world's foremost "technoguru," Nicholas Negroponte, and a team of scientists that is literally "inventing the future." Viewers accompany Alda on an exploration of an environment in which desks, rooms, cars, musical instruments, and even a virtual dog interact with human beings. This program departs from the series' traditional format of exploring several aspects of a single theme and concentrates solely on Negroponte and his work on interactive technology at MIT.

"Inventing the Future" on **Scientific American Frontiers** will air Friday, October 25th at 2:00 p.m.

Masterpiece Theatre
"Bramwell II"

Dr. Eleanor Bramwell, the empathic, committed, and iconoclastic young doctor who debuted on **Masterpiece Theatre** in the spring, returns for four new episodes in "Bramwell II." Jemma Redgrave reprises her role as the scion of affluent Dr. Robert Bramwell (David Calder), an adoring father who's nonetheless mystified by his daughter's devotion to the Thrift, the infirmary where she ministers to residents of London's slums. Russell Baker hosts the broadcasts.

"Bramwell II" is based on actual case histories from the Victorian era, while Dr. Eleanor Bramwell is modeled on real doctors of that period. "Bramwell II" on **Masterpiece Theatre** will be broadcast Sundays at 10:00 p.m. beginning October 27th. The series repeats Fridays at 12:00 midnight.

Great Railway Journeys III

Thursdays, 9:00 p.m. (begins 31st)
The romance of train travel lures writers, performers, and other renowned figures, including Buck Henry, Henry Louis Gates Jr., Victoria Wood, and others to act as guides on spectacular railway journeys throughout the world on this new six-part series.
