

Feedlot Possibility Discussed at Meeting

Silverton: Heart Of The Scenic Caprock

Briscoe County News

VOLUME 65 NUMBER 6

THURSDAY, FEBRUARY 8, 1973

Approximately 80 interested area residents attended a meeting on feedlots sponsored by Plainview Production Credit Association and First State Bank of Silverton last Thursday night.

Ed Thomas of Southwestern Public Service Company was the guest speaker and directed the discussion regarding the possibility of establishing a new feedlot in Briscoe County.

The investment requirement for a 25,000 head feed yard and mill, including the rolling stock and land, ranges from \$30 to \$50 per head of capacity. The capital requirement would be \$750,000.00 to \$1,250,000.00.

The initial operating fund requirement would range from \$600,000.00 to \$1,000,000.00.

The land requirements could be met with 16 acres if most of the land could be used in pen space, but a full 640 acres is suggested as being the minimum size tract to be considered, in view of the possibility of expansion.

Grain storage requirement for the mill would be a minimum of two 18,500 bushel tanks and possibly as many as four. Two tanks would hold sufficient milo for a three-day period, but additional tanks would depend upon the number of grains to be considered for the rations and the distance from commercial storage. With commercial corn production entering the grain picture in the High Plains and with wheat becoming a feed grain in price, on site storage should be planned for these two grains in addition to milo.

A 20,000 head feed lot could use most of the grain produced in Briscoe County. Not only would a feedlot provide new employment opportunities here, it would also bring an increased truck traffic into the area.

Mabry Greenhaw, manager of Plainview Production Credit Association in Silverton, has asked that anyone interested in seeing a new feedlot established in Silverton please contact him for further information regarding future meetings, etc. on the subject.

Coveted Places Won At Fort Worth Show

Four Briscoe County 4-H'ers won some coveted placings in the junior barrow show during the Fort Worth Exposition and Fat Stock Show last week.

In a class of 56 lightweight Hampshire barrows, Kim Cornett placed seventh; Mark Patton, eighth, and Mike Cornett, tenth.

James Alan Patton showed the 16th place Chester White barrow in a class of 33.

In the Yorkshires, Mike Cornett exhibited the second place barrow; Kim Cornett won third, and James Alan Patton placed seventh. This was a class of 23.

In a class of 22 lightweight crossbred barrows, Kim Cornett placed sixth and Mark Patton won fifteenth place.

Among those attending the show from Silverton were Mr. and Mrs. Don Cornett, Mr. and Mrs. J. E. Patton and County Extension Agent Jimmy Vanstony.

MISS LONG RECEIVES B.S. DEGREE AT TECH

Nancy Kay Long was a December graduate of Texas Tech University, receiving a bachelor of science degree in education with specialization in psychology. While at Tech, she was active in the Zeta Tau Alpha social sorority, having served as pledge trainer. She was on the Dean's List.

Nancy is the daughter of Mr. and Mrs. George Long. She is currently living in Denver, Colorado. Commencement exercises are held at Tech once annually, it being held May 12, 1973 this year. The December graduates are invited to participate.

Students Win Top Ratings In Music

Eight Silverton students took part in the Region XVI Vocal and Piano Solo Competition at Monterey High School in Lubbock Saturday, February 3. The University Interscholastic League has what is perhaps the largest number of performers in organized musical competition that exists in public schools, commented Ted Lanham, Silverton Public School Music Director.

From a rating system of I to V, six of the soloists were awarded Division I ratings and two received Division II ratings.

The piano soloists representing the Junior High School Division were Kim Hutsell and Lee Ann McMurtry. Vocal soloists representing the High School Division were Debbie Cantwell, Danna Garvin, Becky Francis, Lori Francis, Marshall Rauch and Tim Wilson.

Senior Class Play To Be Presented Friday Night

Scene from "A Feudin' Over Yonder", to be presented Friday by the Class of 1973—Karen Stan Martin, Kaedean Bomar, Rhonda Sutton, Mikel Grady, Pam Hutsell, Mark Hutsell, Freeda Henderson, Derrel Martin, and Jana Futch.

The Senior Class of Silverton High School is proud to announce that their play, "A Feudin' Over Yonder," will be presented Friday, February 9. The first presentation will be at 1:30 Friday afternoon. Admission will be 25c for students in the first through the eighth grades and 50c for students in high school. The play will be presented again at 7:30 Friday night. The second performance will be open to the public with admission of \$1.25 for adults and 75c for children under 12.

This play is rich in backwoods mountain humor. The plot revolves around the Popoff family and the Fry family who have been feuding for years because one of the Popoff boys accidentally shot Paw Fry.

Characters are Mountain Maggie, Rhonda Sutton; Maw Fry, Pam Hutsell; Emmy Fry, Kaedean Bomar; Izzie Fry, John Minyard; Clem Fry, Terry Culwell; Rosie Belle Fry, Karen Tiffin; Aunt Harry Hornhonker, Freeda Henderson; Becky Mae Hornhonker, Jana Futch; Willy Hornhonker, Stan Martin; Pappy Popoff, Mikel Grady; Zeke Popoff, Derrel Martin; Travelin' Preacher, Mark Hutsell; Wedding Guests, Rita Anderson, Debbie Cantwell, Cris Gill; Piano Player, Tim Wilson.

Oxy-Acetylene Short Course Starts Monday

Farmers, ranchers, and other interested adults are reminded of the Oxy-Acetylene Welding Short Course to be held at 8:00 p.m. February 12-15 in the Silverton School Vocational Agriculture Department.

Charles H. Yeates, Oxy-Acetylene Welding specialist with the Texas Education Agency and Texas A&M University, will conduct the short course.

Subject areas to be covered in the short course are: safety in handling, transporting, assembly, and storage of oxy-acetylene equipment; the proper line pressures to use for different tip sizes and welding jobs; cutting, welding, and brazing steel; welding and brazing cast iron; welding aluminum; welding aluminum to steel, stainless steel, copper, brass, and cast iron.

Mr. Yeates will be available during the day for on-the-farm instruction to class enrollees having individual welding problems.

Further information may be obtained by calling Monroe Gates, vocational agriculture teacher, at 823-6711.

Anyone can enroll in this course for the enrollment fee of \$10.00.

year's grants, scholarship awards will exceed \$2 million.

The winner of the state honor will receive a \$1,500 scholarship, and the second-ranking student will receive a \$500.00 scholarship. In late April all Betty Crocker Homemakers of Tomorrow from each state will gather in Washington, D. C. for an expense-paid tour of the capitol city and Colonial Williamsburg, Virginia. The 1973 Betty Crocker All-American Homemaker of Tomorrow will be announced at the end of the tour. The three runners-up will also receive increases in their scholarships to \$2,000, \$3,000, \$4,000 and \$5,000 for the All-American Homemaker.

Attend Industry Clinic In Plainview

A fast-moving one-day clinic on industry was attended by six Silverton citizens in Plainview recently.

The clinic was sponsored by the Texas Industrial Commission and

experts in all fields of industry talked through the day's program.

One speaker said "it is natural for us to lean toward helping cities gain industry who have done their homework . . . is your city cleaned up and a desirable community in which people would like to live? You must determine your strong points and sell them, determine your weak points and correct them."

Other topics of discussion concerned how to find industry, how to plan sites in and near your city for industry, the tourism industry, technical training from South Plains College for the labor force, government loan programs for industry, and organizations of industrial foundations.

Attending from Silverton were Wayne Nance, Lee Clay, Sybil Martin, Fred Mercer, Keith Marshall and Loyd Stephens.

SHS Homemaker Of Tomorrow Named

Silverton's 1973 Betty Crocker Homemaker of Tomorrow is Laura Arnold. Selected by score in a written knowledge and attitude examination taken by both senior boys and girls on December 5, 1972, Laura will receive a specially-designed award from General Mills, sponsor of the annual Betty Crocker Search for American Homemakers of Tomorrow. In addition, Laura will remain eligible for state and national honors. Her paper will be entered in competition for state and national honors. A total of 665,600 seniors were enrolled in this year's Search, the first in which boys were eligible to participate. Since the program began in the 1954-55 school year, approximately nine million students have taken part and, with this

Miss Kitchens Is New Worthy Advisor

An open installation of officers was conducted Saturday, January 27, by Silverton Assembly No. 304, Order of the Rainbow for Girls. Peggy Kitchens, daughter of Mr. and Mrs. Ronald Kitchens, was installed as Worthy Advisor.

Other officers are Reba Chappell, Worthy Associate Advisor; Susan Northcutt, Charity; Donna Dudley, Hope; Susie Parker, Faith; Louise Kitchens, Recorder; Julia Dickerson, Chaplain; Christi Northcutt, drill leader; Ruth Ann Cline, Confidential Observer; Claudia Hutsell, Outer Observer; and Mrs. Mary Lou Jarrett, Mother Advisor.

Installing officers were Louise Kitchens, Worthy Advisor; Mrs. W. J. Copeland, Marshal; Mrs. Johnny McNamara, Chaplain; Mrs. J. V. Self, Recorder; and Mrs. T. T. Crass, Musician. Serving on the installation committee were Reba Chappell, Susie Parker and Susan Northcutt.

"Life" is the theme of the winter term chosen by the new Worthy Advisor. Her motto is "Today is the first day of the rest of your life. Enter it like the first. Live it like the last." Her colors are pink and purple. "Born Free" is the song she selected and her flower is the snapdragon.

Laura Arnold

To Be Featured In Who's Who Annual

Laura Arnold, a senior in Silverton High School, was recently notified that she is to be featured in the Seventh Annual Edition of Who's Who Among American High School Students, 1972-73, the largest student award publication in the nation.

Students from over 18,000 public, private, and parochial high schools throughout the country are recognized for their leadership in academics, athletics, activities or community service in the book. Less than 2% of the junior and senior class students nationwide are awarded this recognition.

Laura is the daughter of Mr. and Mrs. Fred Arnold of Silverton. She plays basketball, and is a member of the Future Homemakers of America and National Honor Society. She has won the Geometry, Algebra and Biology Awards and was elected to Who's Who in the SHS senior class.

In addition to having her biography published in the book, Laura will also compete for one of ten \$1,000.00 scholarship awards funded by the publishers and will be invited to participate in the firm's annual "Survey of High Achievers" later in the academic year.

Laura plans to attend West Texas State University upon graduation in June.

March 5-9 Is Texas Public Schools Week

This year, March 5-9 is annual Texas Public Schools Week and Texas schools will observe their 19th birthday.

Parents and other interested citizens are invited to visit their neighborhood and area schools. All grades—elementary through high school—will be open for public visitation.

Teachers and school officials are planning special displays and programs in recognition of Texas Public Schools Week. Parents, especially, are invited to visit these displays; have lunch with their children and visit with teachers and students in classrooms.

The schools believe that parent participation in education maintains highest educational levels and promotes scholastic achievement on the part of students.

Please visit your public school during the special week, March 5-9.

Mrs. M. B. Cavanaugh was listed as a patient in Swisher Memorial Hospital in Tulia this week.

Vinson Smith was a patient in the Veterans Hospital in Amarillo from January 25 until February 1. He underwent surgery while there.

**Simpson To Head
 Easter Seal Appeal**

H. B. Simpson will head the 1973 Easter Seal Appeal in Briscoe County, it was announced by Rodney D. Hargrave, Dallas, President of the Easter Seal Society for Crippled Children and Adults of Texas.

Residents of Briscoe County will receive the annual Easter Seal Appeal letters in the mail beginning March 1. The Easter Seal Appeal, conducted yearly to provide disabled persons and their families treatment and services, will continue through Easter Sunday, April 22.

Simpson is one of 223 men and women throughout Texas who are serving in this capacity. The cost of the statewide Easter Seal program is over one million dollars, financed mainly by the Easter Seal Appeal. Almost 90% of all funds raised by the Easter Seal Appeal remain in Texas to support the growing needs of the disabled in the State.

Special emphasis is being given in the 1973 Easter Seal Appeal to the disabled citizen in Briscoe County who may need assistance and not know where to obtain it. Any disabled person can contact Simpson at First State Bank in Silverton, who will provide the request form for a determination of the extent and type of assistance needed and the most efficient means of obtaining that assistance. Arrangements for qualified treatment or service will be made by the Easter Seal Society.

Tech Jazz Rock Ensemble To Perform In Floydada Saturday

One of the finest musical groups ever to come to Floydada in recent

years is scheduled to perform there Saturday night, February 10, at the high school auditorium. The show will begin at 7:30 p.m. They are Texas Tech's finest, their number one stage band, the Texas Tech Jazz-Rock Ensemble.

Two stage bands are maintained at Texas Tech for those students

who want to do additional playing in very select jazz groups. Membership in the Jazz-Rock Ensemble is by audition only.

In addition to playing for local dances and concerts, and a concert tour, the Jazz-Rock Ensemble presents its own Jazz Concerts, sponsors a Stage Band Reading

Clinic for band directors in the three-state area, competes in several national collegiate Jazz Festivals, and is featured with the nation's leading jazz artists at the Annual Texas Tech Stage Band Festival. The Jazz-Rock Ensemble has co-starred in concert with such notable musicians and entertainers

Applications Being Taken For Lions Camp For Crippled Children

Applications for a summer vacation full of fun for handicapped children in the Silverton area are now being accepted by members of the Silverton Lions Club.

This unique Texas Lions Camp for Crippled Children at Kerrville will open its first two-weeks session Sunday, June 3, 1973. Five sessions will be held this summer for youngsters from seven through sixteen years of age.

The camp is free to eligible blind, deaf, mute or crippled children. All requests for summer camp are handled locally by Lions.

For more detailed information about the camp, you are urged to contact Keith Marshall or the Silverton Lions Club, Phone 823-3081.

In the past years, Lions have sent over 14,000 youngsters to the Texas Lions Camp for Crippled Children at Kerrville.

Secretary Butz Reduces Set-Aside Requirements For '73 Feed Grain Program

Set-aside requirements of the 1973 Feed Grain Program are being reduced in order to achieve larger corn and soybean crops and thereby meet an increase in domestic and export demand which has developed since the program was announced December 11, Secretary of Agriculture Earl L. Butz said today.

The required set-aside for full compliance has been changed from 30 to 25% of a producer's feed grain base and for participants electing not to comply fully with the set-aside program, the required set-aside has been changed from 15 to 0%.

If the participant sets aside an acreage equal to 25% of his base, the payment rate will be 32 cents per bushel for corn, 30 cents per bushel for grain sorghum and 26 cents per bushel for barley on one-half the feed grain base. Through a combination of the set-aside payment and the 5-month (October - February) national average market price for the respective grains, participants who set aside 25% of their feed grain base will be guaranteed a national average return equal to 70% of parity on October 1, 1973. This guarantee is based on production from one-half of their corn, grain sorghum or barley bases. Supplemental payments, if any, to such farmers will be made as soon as possible after March 1, 1974.

Producers who elect not to set aside acreage but do not increase their feed grain acreage above 1972 will be eligible for a lower payment rate of 15 cents per bushel for corn, 14 cents per bushel for grain sorghum and 12 cents per bushel on barley on one-half the feed grain base. Such participants will receive this payment as soon as possible after July 1, 1973, but will not be eligible for any supplemental payment and will have no minimum guarantee.

The participation requirements of maintaining the conserving base will remain.

These revised provisions of the 1973 Feed Grain Program are expected to result in an acreage taken out of production of about 45% of last year's 37 million acres, the Secretary said. The revisions aim also at providing more income from market sources at less program costs to U. S. taxpayers.

Expected demand for corn and other crops has risen dramatically since mid-December, Secretary Butz said. He said animal units are increasing more than had been anticipated; a rising current year domestic disappearance will result in a lower 1973 feed grain carry-

over; and the 1973-74 domestic disappearance and export figures have been revised upward.

Secretary Butz stressed he does not want the U. S. to be without adequate agricultural supplies for export when the demand is there.

The Secretary also announced that haying of conserving crops will be permitted on acreage set aside under the provisions of the 1973-Feed Grain and Wheat Programs.

The decision to permit haying of conserving crops as well as the earlier announced grazing was made in order to prevent or alleviate a shortage in the supply of livestock feed, the Department explained. The haying and grazing privilege will assist livestock producers in meeting increased consumer demand for meat products by making additional forage available to supplement feed supplies for the production of livestock. Previously, haying of set-aside was not permitted except under emergency conditions.

Participants electing to utilize set-aside acreages for haying and grazing must notify their County Agricultural Stabilization and Conservation Service (ASCS) Offices prior to haying or grazing and must agree that the 1973 conserving base for the farm shall not be less than the one established for 1972. A reduction of 30% will be made of the average feed grain payment rate per acre for full compliance.

To participate in the 1973 Feed Grain Program, farmers need to sign up at their local ASCS Office during the February 5 through March 16, 1973, sign-up period.

Mrs. Dee McWilliams accompanied her children, Mr. and Mrs. Larry McWilliams and family of Roswell and Mr. and Mrs. Paul Ray McWilliams and baby of Lubbock on a skiing trip to Vail, Colorado over the weekend.

SIX FLAGS OVER TEXAS

TO OPEN ST. PATRICK'S DAY

Six Flags Over Texas will begin its twelfth season on St. Patrick's Day, March 17.

General Manager Robert W. Freeman said the big theme park will be open on Saturdays and Sundays only during the spring season with the exception of the Easter holidays. For that period, Six Flags will open daily from April 14 through Easter Sunday, April 22.

Full time daily operation for the summer season will begin May 26, and will extend through Labor Day, September 3.

as Clark Terry, Ed Shaughnessy, Bob Hope, Mike Barone, Dave Edwards, Johnny LaPorta, Gloria Loring, Arch Martin and Doc Severson.

The Tech Jazz-Rock Ensemble has been chosen to present the premier performances of several important jazz charts. In September 1971, the Ensemble was awarded a grant by the National Endowment of the Arts, to locate and develop young jazz talent in the Mexican-American community and to conduct a summer jazz workshop.

The Floydada Stage Band will also be featured at the concert under the director of Jim Swofford, local band director.

Admission for the evening performance is \$1 per seat for all ages. The program is being sponsored by the Floydada bands and Band Boosters. "We are holding down the cost of admission to encourage attendance because we feel this will be a treat for everyone in Floydada and surrounding communities as well as educational for anyone in music of any kind," said Art Ratzlaff, Floydada Band Boosters president.

Queens To Host Parsons College

The Hutcherson Flying Queens will host the ever-tough Parsons College girls basketball team this coming weekend. Friday, February 9, and Saturday, February 10, will put the two teams together for a very exciting and important sporting contest.

The Flying Queens who are now 13-3 for the season will probably face the toughest opponent since the Christmas holidays. Parsons is a team that has improved tremendously since the start of the season. Although the Queens have been playing well since the holiday break, they will need to improve on their defense. Offensive power for the Queens has never been stronger, but improvement on their defense should make them really tough.

This weekend's games will be the last double-header at home for the Queens this season. The only remaining home game will be a single game with Ranger Junior College.

Game time will be 8:00 p.m. both nights. Games will be played in the Hutcherson Center, located on the Wayland Baptist College Campus.

REP. CATES MEETS WITH FARM BUREAU LEADERS

State Representative Phil Cates met with Farm Bureau leaders from throughout the 68th Legislative District at the TFB's Legislative Conference held January 30-31 in Austin.

Visiting Rep. Cates at the Capitol were W. R. Cristal, Gene White and Bright Newhouse, all of Clarendon; Helmuth Quebe of Lockney; Jack M. Allen, Perryton, and others from throughout the state.

County FB presidents, legislative and membership chairmen from all over Texas attended the two-day session. Purpose of the conference was to discuss major issues confronting the 63rd Legislature and plan ways and means of implementing Farm Bureau's policies relating to those issues.

High state officials, legislators, and county FB leaders were in attendance at the Tuesday evening banquet. TFB President J. T. (Red) Woodson outlined the organization's legislative program for those in attendance.

a beautiful day to switch to electric heat

On a cold day of the year? Why not? Electric is the only heat that can be installed without the discomfort of a cold house. Baseboard units can be installed without shutting down your furnace. Or, portable electric units keep you warm during the installation of a new electric furnace. Today or any day is a beautiful day to switch to electric heat. Call us for a free estimate.

SHINED AND READY

"And your feet shod with the preparation of the gospel of peace." Ephesians 6:15.

These shoes fairly shine and sparkle and are ready to take their owner proudly any place. Society dictates that we should be well turned out and that our feet be shod with well-groomed footwear. The Bible tells us that we should be clad in the whole armour of God, and that our feet should be shod with the preparation of the gospel of peace. The gospel is this: "There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit." Romans 8:1

St. Peter advises, "Be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear."

Come to church this week that you might learn of Him and that you might be prepared to give this good news of the gospel to others.

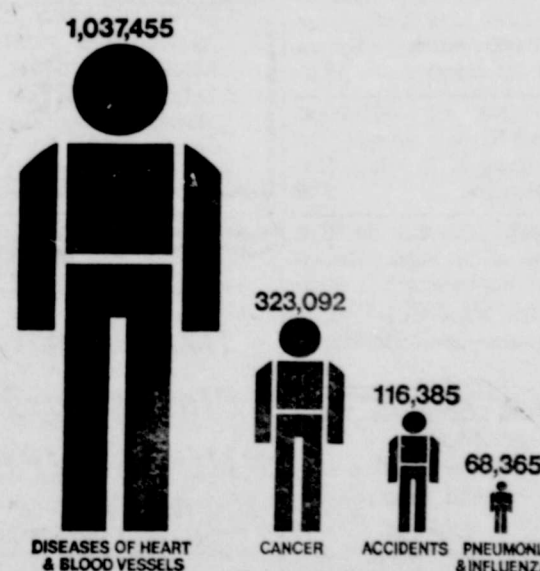

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
