NUMBER 65 NUMBER 11

THURSDAY, MARCH 15, 1973

## Briscoe County 4-H Food Show Is Saturday

The Briscoe County 4-H Food Show will be held Saturday, March 17 in the Silverton School Cafeteria. Theme for this year is "Food for All Seasons."

Saturday's schedule begins at 1:00 p.m. when the contestants set up their displays. Orientation of judges will be from 1:00 until 1:30. Judging will be from 1:30 until 2:00 p.m.

The Food Show will be open to the public for a tasting party from 2:00 until 2:30, and awards will be presented at 2:30 p.m.

The entry classes are bread and dessert, fruit and vegetable, snack and beverage, and main dish. Each class will have two judges.

Forty-two 4-H members have been meeting in Foods and Nutrition project groups held in the Silverton area in preparation for this contest.

"Food preparation skills and nutrition knowledge are two primary goals of the 4-H members who enter this contest," says Mrs. Dorothy Powell, Briscoe County Extension Agent.

Superintendent O. C. Rampley, Office Secretary Jealetha Baird and High School Principal Bob Wheelchel took note of the "apple for the teacher" project carried out by the LOA Junior Study Club on Monday morning of last week.

## Former Residents To Lead Gospel Meeting Here

You are invited to hear sermons preached by Bob Crass at the Silverton Church of Christ March 18-23. Bob is a local boy, having been reared in the Rock Creek community and graduated from Silverton High School in 1960.

Dr. John Boyd will be out of town this weekend. Thursday evening he will be going to Chicago to meet with the A. O. A. officers.

Saturday, March 17, he will be going to Arlington to meet with the Society of Osteopathic Surgeons and will return late Sunday.

Winners in the Swisher Electric Cooperative oratorical contest were determined March 8 in competition at the Willie Room in Tulia.

## Participate In 4-H Princess Contest

Miss Debra Strange, daughter of Mr. and Mrs. Ted Strange, was a contestant in the Princess Contest for the South Plains Junior Livestock Show held March 11 in Lubbock.

Debra was chosen one of the top five contestants from 18 4-H members representing nine counties. The princesses are chosen by a panel of judges who pick the top contestant from the 4-H representatives.

Debra's cousin, Miss Kym Thompson of Abernathy, was chosen as the princess from the 4-H representatives.

The Happy 4-H met February 27 and Jim Gates called the meeting to order. The 4-H Pledge was led by Susan Northcutt and the 4-H Creed was led by Wes Fleming.

## "Two A Penny" Challenges Society

"Two A Penny", a dramatic and challenging motion picture filmed entirely on location in London, will be shown on Tuesday, March 20, at First Baptist Church in Silverton.

"Two A Penny", produced by World Wide Pictures, the film ministry of the Billy Graham organization, is a 65 minute package of fast action, absorbing drama, and a significant challenge to our society.

"Two A Penny" stars Cliff Richard, one of England's top singers and actors, as Jamie Hopkins, a self-centered opportunist who believes the world owes him everything, and he's out to collect.

The film co-stars Dora Bryan and Avril Angers, and includes a brief appearance by Dr. Billy Graham.

## Dr. Boyd To Be Out Of His Office

Dr. John Boyd will be out of town this weekend. Thursday evening he will be going to Chicago to meet with the A. O. A. officers.

## Youth Tour Winners Named

Winners in the Swisher Electric Cooperative oratorical contest were determined March 8 in competition at the Willie Room in Tulia.

Winning an all-expense trip to Washington, D. C. this summer were Denise Davis and Jim Honea, both of Tulia.

## Ambulance Moved To New Location

The Silverton emergency ambulance has been moved to the former Conoco station location, and the driveway area in front of the garage has been officially designated as a "no parking" zone.

## Former Residents To Lead Gospel Meeting Here

You are invited to hear sermons preached by Bob Crass at the Silverton Church of Christ March 18-23. Bob is a local boy, having been reared in the Rock Creek community and graduated from Silverton High School in 1960.

The film co-stars Dora Bryan and Avril Angers, and includes a brief appearance by Dr. Billy Graham.

## Volleyball Tourney Slated March 20-24

The annual L. O. A. Junior Study Club Volleyball Tournament will be held at the school gymnasium in Silverton March 20-22-23-24, 1973.

There are ten teams entered in the women's division and ten in the men's division.

First-round women's games are: Silverton Elevators vs. Quitaque Queens, Tuesday, 6:00 p.m.; T&F Gin vs. Senior Girls, 6:40 p.m.; Tuesday; Silverton Butane vs. Prairie Grain - Tulia, 8:00 p.m.; Tuesday; Grabbe-Simpson Chevrolet vs. Floydada Women, 9:20 p.m.; Tuesday; P.C.A.-Silverton vs. Love Brothers Oil Company-Tulia, 6:00 p.m. Thursday.

Opening-round games scheduled in the men's division are: Silverton Young Farmers vs. Carl's 66, 7:20 p.m., Tuesday; Bill's Mobil vs. Quitaque Men, 8:40 p.m., Tuesday; Floydada Men vs. Silverton HasBeens, 10:00 p.m., Tuesday; Huxford's-Tulia vs. Silverton Elevators, 6:40 p.m. Thursday; Hap Rogers-Tulia vs. Senior Boys, 7:20 p.m., Thursday.

Trophies will be given to the men's and women's teams that win first, second, and third places and to the winners of the consolation brackets.

## WORKSHOP FOR SCHOOL COUNSELORS TO BE HELD

A workshop for high school and junior high counselors will be held today (March 15) from 9:00 a.m. until 2:00 p.m. in the Central Plains Community Mental Health and Mental Retardation Center, 2601 Dimmitt Road, Plainview.

## Storm Warning System to be Checked

The Silverton storm warning system will be checked today (Thursday), weather permitting. The telephone company and city employees will be checking the system all day and tonight the Fire Department will go through the complete warning system.

## Rainfall Totals Healthy In Area

Rainfall in the Silverton vicinity has totaled close to four inches in the past week. Most of the area received about three inches Friday and Saturday, and though Silverton received a hard shower Tuesday morning, the area northeast of town measured up to an inch of precipitation in the morning thunderstorm.

## Scabies Quarantine Lifted In Briscoe County

The order dated December 28, 1972 quarantining a portion of Texas due to the confirmation of psorptic scabies (cattle scab) investigation has been amended. Effective March 9, the following counties were released from quarantine for infestation or exposure to cattle scabies: Briscoe, Childress, Cottle, Floyd, Foard, Hall, Hardeman and Motley.

A quarantine order still remains in effect for Armstrong, Bailey, Carson, Castro, Collingsworth, Dallam, Deaf Smith, Donley, Gray, Hale, Hemphill, Hansford, Hartley, Hutchinson, Lamb, Lipscomb, Moore, Ochiltree, Oldham, Parmer, Potter, Randall, Roberts, Swisher and Wheeler counties.

## Darrell Long Earns Award

Darrell Long, son of Mr. and Mrs. Bill Long of Tulia, has recently been honored by The Southwestern Company in Nashville, Tennessee. Last summer Darrell won special recognition in competition with more than 4,000 outstanding college students who were selected from approximately 400 colleges and universities to participate in the Southwestern summer sales program.

In competition with hundreds of students from schools such as the University of Washington, Duke University, Vanderbilt University, M. I. T., Harvard and Yale, Darrell earned the Gold Award for working at least 75 hours each week of the summer.

Darrell is a student at Biola College, La Mirada, California. Due to the outstanding job he has done in the past, he has been asked to return as a Student Manager and to select fellow college students to join him and participate in the program again this summer.

## To Be Honored On 35th Anniversary

Mr. and Mrs. Wilson Wyley, 703 North Monroe Street, Pierre, South Dakota are to be honored with a reception in their home Sunday in celebration of their thirty-fifth wedding anniversary. Hosts for the reception will be the couple's children, James Wyley of Aberdeen, South Dakota; Mrs. Hewett (Donna) Crow of Denver, Colorado; Mackie and Bill Wyley, both of Pierre, South Dakota.

## Public Hearing Will Be Held March 26

Notice is hereby given by the Parks and Wildlife Department that a public hearing will be held at 10:00 a.m. on March 26, 1973 at the County Courthouse at Silverton for the purpose of gathering information concerning proposed hunting, fishing and trapping regulations for Briscoe County.

## 4-H DOINGS

HAPPY 4-H  
The Happy 4-H met February 27 and Jim Gates called the meeting to order. The 4-H Pledge was led by Susan Northcutt and the 4-H Creed was led by Wes Fleming.

## New Class To Teach Tailoring Men's Knits

A class in Tailoring Men's Knits will be taught soon in the Silverton School homemaking department under the sponsorship of Mrs. Syble Martin and the Texas State Technical Institute.

## Rock Creek Club Meets Tuesday

The Rock Creek Club will meet with Mrs. D. Oneal on Tuesday, March 20.

## Pvt. E2 VICTOR L. MCGAVOCK

Pvt. E2 Victor L. McGavock has completed nine weeks of basic training at Fort Ord, California. He will be permanently stationed at Fort Carson, Colorado. He is now enjoying a 14-day leave in Silverton prior to his assignment in Colorado.

### L. O. A. Study Club Observes Public Schools Week

The L. O. A. Junior Study Club met Monday, March 5, at 10:30 a.m. in the home economics department of the Silverton school for the annual Public Schools Week observance.

Mrs. Jimmy Burson gave the devotional, "The Builder." Roll call was answered with "My Favorite Subject."

The program on physical education was presented by Coach Eugene Jennings. He stressed that being physically educated means educated in habits, understanding and skills. A question and answer period followed the program.

A thank-you note was read from Supt. and Mrs. O. C. Rampley for the apples presented to the teachers that morning.

The members were reminded about the District Convention to be held March 30-31 at the Red Raider Inn in Lubbock. Pre-registration must be in by March 22.

Final plans were made for the Volleyball Tournament to be held March 20-22-23-24. Members will be

contacted about time and any further plans for the tournament.

After the meeting, the members had lunch in the school cafeteria. Those present were Mrs. Jerry Baird, Mrs. Jimmy Burson, Mrs. Fred Edwards, Mrs. Lynn Frizzell, Mrs. John Herring, Mrs. Eugene Jennings, Mrs. Jerry Miller, Mrs. Roland Montague, Mrs. Dan Herrington, Mrs. John Schott and a new member, Miss Elaine Reeves, and the special guest, Eugene Jennings.

### Observes Public Schools Week

Century of Progress Study Club met to observe Public Schools Week Thursday, March 8, in the school cafeteria.

After lunch, a business meeting was held in the homemaking department. The devotional, "Youth", was given by Mrs. L. D. Griffin. Clubmembers answered roll call with "An Improvement I Have Seen In Our School."

Mrs. John Gill, chairman, announced plans for the Caprock District Convention to be held in Lubbock March 30-31. The voting delegate from this club will be Mrs. George Long. The convention will be presided over by Mrs. O. C. Rampley, Caprock District President. Clubmembers are urged to attend.

A current report on our school was presented by Silverton High School Principal Bob Wheelchel. A program, "Career Education," was given by Mrs. George Long.

Hostesses for the meeting were clubmembers and teachers, Mrs. James Davis and Mrs. O. C. Rampley.

Members attending were Mrs. E. A. Birdwell, Mrs. James Davis, Mrs. Garland Francis, Mrs. John

### To Marry Soon

ANITA LOYD

Mr. and Mrs. Truman H. Loyd announce the engagement and approaching marriage of their daughter, Anita Fern, to Mr. Larry Zant Scott, son of Mr. and Mrs. Zant Scott of Floydada.

The wedding vows are to be exchanged May 25, 1973 at the First Baptist Church in Silverton.

Miss Loyd is a 1969 graduate of Silverton High School and is a senior sociology major at Texas Tech University where she has been a Dean's List student.

Her fiance is a 1970 graduate of Floydada High School. He is presently employed by Wolfe Nursery in Lubbock and is a junior history major at Texas Tech where he is also a Dean's List student.

Gill, Mrs. L. D. Griffin, Mrs. Troy Jones, Mrs. George Long, Mrs. Wayne Mayfield, Mrs. Wayne McMurtry, Mrs. O. C. Rampley, Mrs. Jack Sutton, Mrs. Robert Wheelchel and Mrs. Leland Wood.

### Senior Club Hears Book Review

March of Time Study Club met recently with Mrs. Alvin Redin presiding, and heard a devotional, "Commitment," by Mrs. Theron Crass.

Mrs. Troy Burson reviewed the Loula Grace Erdman book, "Barbed Wire: the Devil's Hatband," a history of the manufacture of barbed wire.

One guest, Mrs. J. C. Rhoderick, sr., was present.

The club has been very fortunate to have had programs this year which have included book reviews and illustrated crafts. Mrs. Freeman Tate recently reviewed the amusing book, "I Have Only Two Hands and Am Busy Wringing Them," for the club.

Bullish on central air conditioning? Consider investing just a little more in a long-term, blue chip Gas air conditioning system.

Only a Gas air conditioning system pays you regular dividends for many happy years. That's because the heart of a Gas cooling system is a simple gas burner, rather than an electric, mechanical compressor. A clean-burning gas flame doesn't wear out — so there's less to go wrong, fewer maintenance calls, a longer life with no loss of original cooling capacity. And because natural gas is the prime energy source, you'll also save money on operating cost.

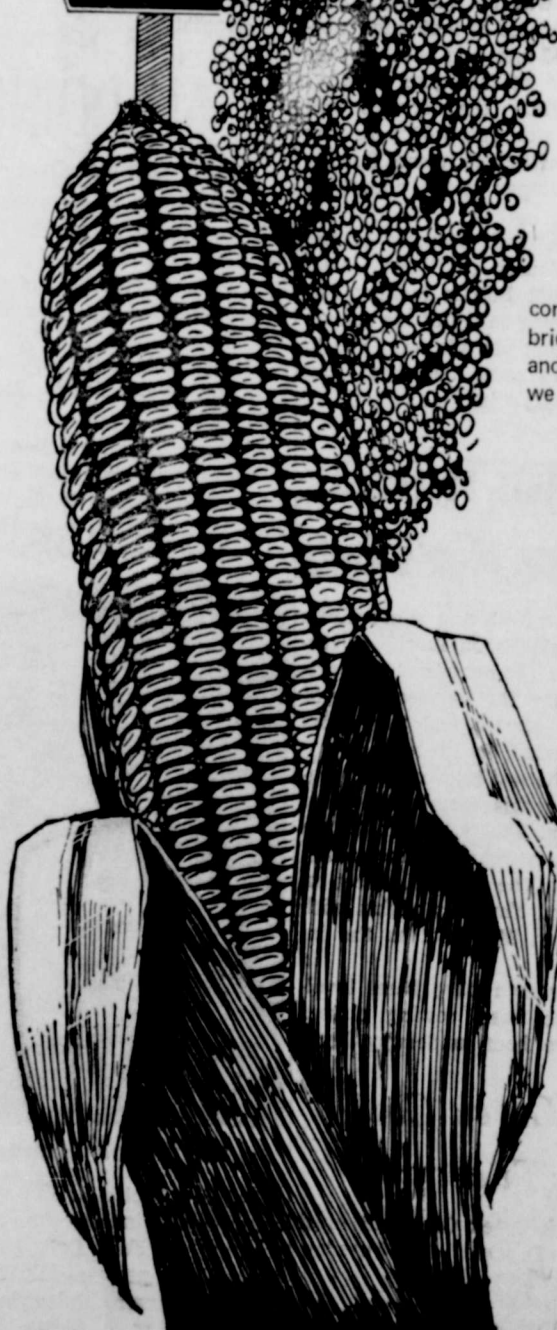

Call one of our air conditioning specialists this week — before the summer market becomes really active. He'll make a free, no obligation, survey of your home and give you a quotation on the cool investment.

## GAS Central AIR Conditioning

## The Cool Investment.

\* Free thermometer with every Gas cooling survey before March 31, 1973.

## We're proud our seeds have earned the trust of farmers like these . . .

*Jimmy Myers* recorded a yield of 8,200 pounds with Pioneer brand 828 and 7,000 pounds with Pioneer brand 820. He liked the "Standability and easy threshing" of both varieties and it'll be Pioneer brand hybrids again next year for Jimmy Myers, Rt. 1, Silverton, Texas.

*Joe Brannon* got a yield of 6,179 pounds with Pioneer brand 8417. Planted for comparison with other brands, this plot of 8417 performed well for Joe Brannon, Star Rt. Q, Silverton, Texas.

Because we were the first company to commercially produce hybrid corn and with 17 years of work on sorghum, we know a lot more about hybrids and how to make crosses that really yield. We've had longer to test and re-test our varieties. We've stuck with some of our early crosses, and we keep developing new ones to fit every growing condition imaginable.

For the North Plains we recommend these sorghum, corn and forage varieties . . .

**Pioneer brand 8417**—new yellow endosperm sorghum—champion yielder in medium maturity class—large open heads—does well on all types of land.

**Pioneer brand 820**—good yielder under stress—outstanding with plenty of water and fertility—MDM resistant—full season.

**Pioneer brand 846**—excellent drought resistance—MDM resistant—medium maturity—our most popular sorghum variety.

**Pioneer brand 3369A**—champion-class corn favorite—tolerant to northern and southern blight—good ear retention—heavy grain yielder.

**Pioneer brand 3306**—most popular corn hybrid on the High Plains—tall with outstanding stalks and ear retention—good yielder on dry or wet land.

**Pioneer brand 588**—sorghum sudangrass hybrid for pasture, green chop, hay or haylage—ready to cut or graze in a little more than a month—regrows again and again all summer with adequate moisture and fertilizer.

When you choose a hybrid for your land, choose one from the company that started it all . . .

Silverton, Texas

ANN WELCH

### ANN WELCH WILL BE WASHINGTON DELEGATE

Representing Dimmitt High School at the 1973 Presidential Classroom for Young Americans in Washington, D. C. will be Carol Ann Welch, daughter of Mr. and Mrs. C. B. Welch of Dimmitt. She is the granddaughter of Mrs. M. L. Welch of Silverton.

Miss Welch, a junior in DHS, will attend Class No. 5 from March 24 to March 31.

Stressing the importance of personal involvement in enhancing the relevance of a learning experience, the program is aimed at giving the student a first-hand view of American government in action. On-site briefings are held at actual sites of decision-making in Washington—including Capitol Hill, the White House and the Pentagon.

Evening discussion groups provide a forum in which students representing diverse geographic areas of the country interact with each other as they express and defend their opinions on student-selected topics.

Dimmitt first participated in the Presidential Classroom last year.

### W.S.C.S. HAS REGULAR TUESDAY MEETING

The W. S. C. S. of the First United Methodist Church met in Fellowship Hall March 13 at 9:30 a.m.

Mrs. Myrt Edwards gave the devotional, "Power of a Beautiful Scene," by Norman Vincent Peale.

## Sorghum Or Soybeans?

Lubbock—"Plant grain sorghum or soybeans?" is a question that many irrigation farmers in the northern portion of the South Plains should be asking themselves. According to Marvin Sartin, Area economist-management with the Texas Agricultural Extension Service at Lubbock, soybeans are an attractive alternate to grain sorghum at the present time.

Soybean producers can currently hedge their production to guarantee a relatively high price at harvest. The Chicago futures price for soybeans should be reduced by 40 cents per bushel to reflect cash prices in this area. Even so, with current futures quotations for the November contract exceeding \$4 per bushel, High Plains farmers can lock-in a price of over \$3.50 per bushel for soybeans.

At this price level, a 40 bushel per acre soybean yield will provide a net return equal to 5500 lbs. of grain sorghum at \$2.70 per cwt. or 6000 lbs. of grain sorghum at \$2.50 per cwt. Sartin explains, "Farmers on the finer textured soils with adequate irrigation should consider the economic competitiveness of soybeans. A price of \$3.50 per bushel can be guaranteed and is quite profitable. On the other hand, grain sorghum prices are more difficult to hedge at present, and the potential of \$2.50 or \$2.75 cash for grain sorghum at harvest is a gamble."

Other factors to consider in this question of soybeans or grain sorghum are the options of the government feed grain program. The alternatives are (1) 25 percent set-aside and a payment of 30 cents per bushel (on one-half base) for grain sorghum or (2) no set-aside, 14 cents per bushel payment, and limiting feed grain planting to the 1972 planted acreage. Each acre of idle land under option (1) is actually compensated at the rate of 32 cents per bushel times the yield, and with the opportunity to plant more feed grain than was planted last year. In situations where soybeans are at least as profitable as grain sorghum and where the net return from soy-

beans exceeds the set-aside payment, the program option with no set-aside requirement may be most profitable.

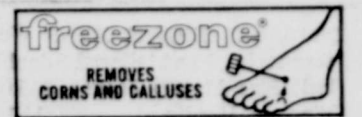

According to Sartin, "The unavailability of soybean seed may be a problem for some producers this year. A suspected shortage of seed is due to increased plantings for 1973 and poor seed quality in many areas of the country last year. If you are planning to plant soybeans, book your seed now."

This decision, between milo and soybeans, should be made now before preplant herbicides are applied and planting time arrives. "Although the actual profitability of the two crops at harvest will not be known until next fall, producers are gambling for an attractive profit from hedged soybean

production on the anticipation of high grain prices. Can you afford to gamble?" asks Sartin.

## FREEZONE IS FOR CORNS THAT HURT.

Why fool around with painful corns, when Freezone can help you remove them. Try it. You'll see. In just days, the corn will be gone... the hurt will be gone. Painless. No dangerous cutting. No ugly pads or plasters. Drop on Freezone—take off corns.

NOTICE OF INTENTION TO ENGAGE IN WEATHER MODIFICATION ACTIVITIES NOTICE IS HEREBY GIVEN THAT PLAINS WEATHER IMPROVEMENT ASSOCIATION, INC., OF P. O. BOX 1627, PLAINVIEW, TEXAS 79072, who holds License No. 73-6 of the State of Texas intends to engage in an operation designed to decrease hail-fall by artificial methods, for and on behalf of Plains Weather Improvement Association, Inc., and will conduct such programs by means of aerial application of artificial nuclei as follows:

1. The area over or within which equipment may be operated shall include portions of the counties: Hale, Lamb, Castro, Swisher, Briscoe, Floyd, Crosby, Lubbock, Hockley Randall Deaf Smith and Parmer.

2. The target within which hail-fall is intended to be decreased is described as follows: Hale County in its entirety plus two additional tracts. The first is bordered by a line commencing at the intersection of U. S. Highway 385 with the northern boundary of Lamb County, extends eastward along the county line to the intersection of Farm Road 1424 with the northern boundary of Hale County; thence northward along Farm Road 1424 to an intersection with Farm Road 1075; thence due west to an intersection with Farm Road 385; thence southward along Farm Road 385 to the northern boundary of Lamb County. The outer boundary of the second tract commences at the intersection of U. S. Highway 70 with the Hale-Floyd County boundary, extends northward along the county line to the intersection with Swisher County; thence eastward along the county line to the intersection with Farm Road 2301; thence southward along Farm Road 2301 to the intersection with U. S. Highway 70; thence southeastward along U. S. Highway 70 to the intersection with Farm Road 378 (east intersection); thence due south to an intersection with Farm Road 579;

3. The equipment, materials, and methods to be used in conducting the operations are a weather radar system, cloud seeding aircraft and flares for dispersion of silver iodide nuclei near cloud base.

4. The person who will be in control and in charge of the operation is Jonnie G. Medina, Plainsview, Texas.

5. The operation will extend during the period beginning about April 1, 1973, and ending about November 30, 1973.

Individuals, organizations, or agencies who consider that their interests will be adversely affected by the operation proposed may file a formal protest for consideration by the Board with the following:

Weather Modification Administrator Texas Water Development Board P. O. Box 13087 Austin, Texas 78711 Dated 2-28-73 /s/ Frank Moore, President Plains Weather Improvement Assn.

CARD OF THANKS May we take this opportunity to thank the people of Silvertown for being such precious friends to us during Wayne's stay in the hospital. Your cards, flowers, calls and visits have shown us your concern and love, and we consider ourselves truly blessed because we live here with people such as you. We thank all of you from the depths of our hearts. Wayne and Anne Ty, Lee Ann and Kelly McMurtry

I would like to thank the Young Farmers for the award they presented to me recently. Monroe Gates

thence westward on Farm Road 579 to the Hale County boundary thence northward to the intersection of the Hale County boundary with U. S. Highway 70.

3. The equipment, materials, and methods to be used in conducting the operations are a weather radar system, cloud seeding aircraft and flares for dispersion of silver iodide nuclei near cloud base.
