**All Around the Town**

The Terra Cotta CowBelles have furnished us with a recipe for Swiss Steak that we'd like to pass along. They say, "Beef is the Great American Custom—Serve it soon, serve it often, because it serves you right."

**SWISS STEAK**  
1 beef round steak, cut ¾-inch thick  
1 cup flour  
2 teaspoons salt  
1/2 teaspoon pepper  
1/2 tablespoons lard  
1/2 teaspoon thyme  
1/2 medium onion, sliced  
1/2 cup sliced celery  
1 can (16 oz.) tomatoes  
Cut steak into four to six pieces.  
Combine flour, salt and pepper. Pound seasoned flour into steak. Brown in lard or dripping. Pour off drippings. Add thyme, onion, celery and tomatoes. Cover tightly and cook slowly 1½ to 2 hours or until meat is tender. Thicken liquid for gravy, if desired. Makes four to six servings.

The Terra Cotta CowBelles say: "Good health is your most prized possession. To have good health you need protein, vitamins and minerals. BEEF is full of each of these, so plan your meal tonight around a STEAK, ROAST or BEEF BURGER. BEEF is packed with vitality."

We can't live without meat, and this is a terrific recipe.

A testimonial for eating beef was told me some time ago. A local friend of ours was having some allergy trouble and his doctor told him to leave off meat for awhile. His wife began preparing meat substitute dishes, and after a few weeks their daughter became ill. They took her to the doctor, and he told them that her trouble was caused by the omission of meat from her diet.

A balanced diet includes meat, and I, for one, wouldn't want to substitute horsemeat or dog food for good old Texas beef!

**Methodist Revival To Start Sunday**

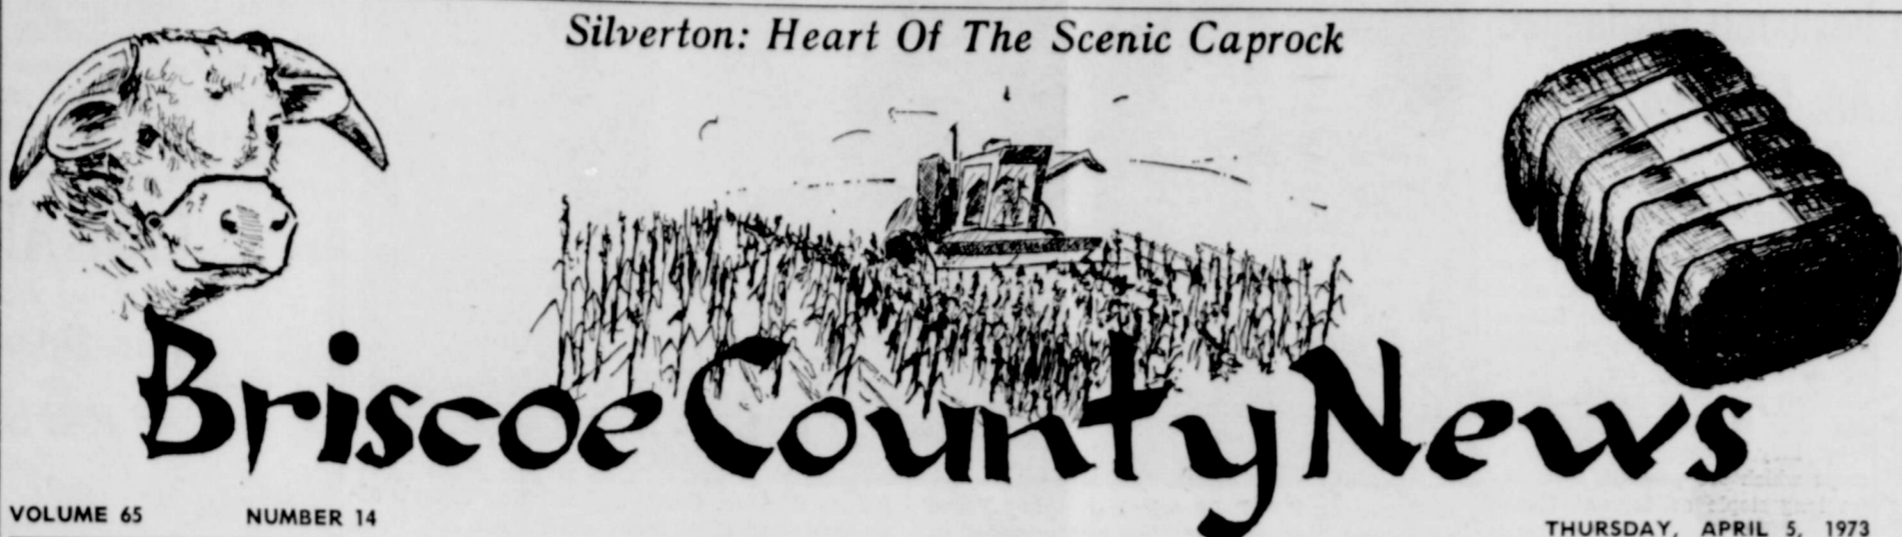

A revival will be held April 8-11 at the First United Methodist Church in Silverton. Services will begin at 11:00 a.m. Sunday and will be held at 7:00 a.m. and 7:30 a.m. through Wednesday.

Coffee, orange juice, cookies, donuts and bacon will be served after the 7:00 a.m. worship services. Everyone is invited to attend in their work clothes.

Dr. Ray Neill Johnson of Abilene will be the guest speaker for the meeting. Born in Mineral Wells, he preached his first sermon there as a boy. He attended Asbury College for 2½ years, and finished McMurry College in 1931. He received his M.A. and B.D. degrees from Perkins School of Theology at Southern Methodist University; was honored by McMurry in 1949; served nine years as evangelist in the church-at-large; was a chaplain in the Army during World War II, serving almost three years overseas; served churches in San Antonio, Brownsville, San Angelo, Dallas, Vernon (twice), Levelland, Aldersgate in Abilene and Asbury in Lubbock.

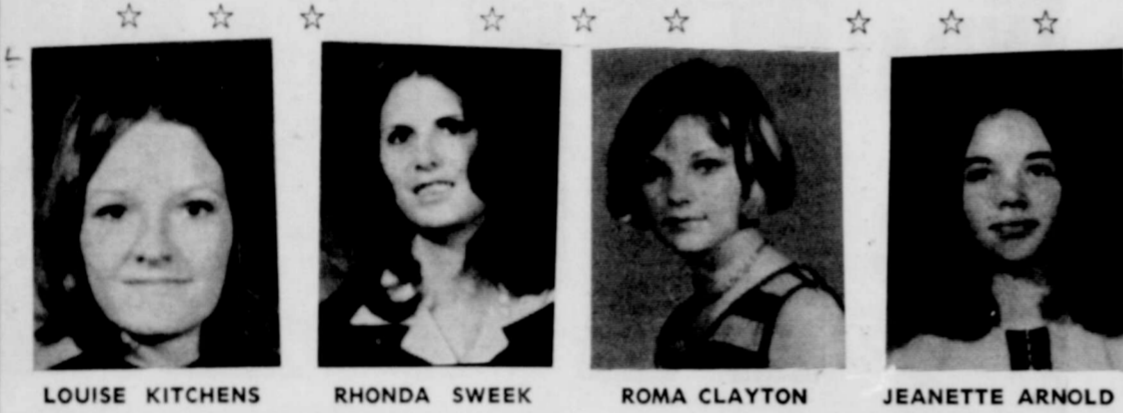

Dr. Johnson says, "I have no gimmicks or 'detours', only the main line of the Gospel as stated in the New Testament according to Jesus and the Holy Spirit. Major emphasis will be on a four-fold statement of fact and need: Reaffirmation . . . Renewal . . . Recleansing . . . Reanointing!"

Voting in both the School Trustee and City Officers' elections will be at the City Hall in Silverton Saturday.

The terms of L. B. Garvin, jr. and Pat Northcutt are expiring on the school board. Both are seeking re-election. Also seeking election to the two vacancies are Harold Edwards, Riley Harris and Joe Brannon.

The term of Mayor Troy Jones is expiring this year. Jones did not choose to seek re-election, and the only candidate listed on the ballot for mayor is Fred W. Mercer.

Incumbent councilmen Carl D. Bomar and David Tipton are unopposed on the ballot.

### Feed Grain Program Payments Unchanged As Set-Aside Acres Are Lowered

No change has been made in feed grain program payments or regulations as a result of the lowering of feed grain set-aside from an acreage equal to 25 percent of a farm's base to 10 percent, reports John Barry Rudd, State Farm Program Official.

The set-aside acreage reduction is automatic, he said, and producers have no added paperwork and no required visits to the Agricultural Stabilization and Conservation Service (ASCS) County Office.

"The only change is that the set-aside requirement for producers who enrolled under the 25 percent set-aside plan has been reduced to 10 percent," said ASC State Committee Chairman Rudd.

"Those producers will be notified by the ASCS County Offices of the change for their farm. If they already had their set-aside land inspected and measured, it can be remeasured at their request at no additional cost.

"I want to emphasize that payments for all participants in the feed grain program are unchanged—whether they signed under what was the 25 percent set-aside plan or under the zero set-aside plan," Rudd said.

He pointed out that payments are calculated on half the feed grain base times farm yield payment rate.

However, those feed grain producers who signed up to set aside acreage are required to set aside a percentage of their feed grain base in order to qualify for payment. On their remaining cropland acreage they are free to plant any crop they choose, except quota crops which are peanuts, rice, extra long staple cotton, and tobacco.

Those producers who signed up for the zero set-aside plan agreed to accept a reduced payment in order to have all of their cropland free for planting. They also agreed to limit their feed grain plantings to no more than their 1972 production.

"None of this is change," the ASC Committee Chairman said, adding that producers cannot switch from the set-aside they signed up for.

He also said there is no change in the provision which allows haying and grazing on set-aside acreage, with a reduction in payment. The per-acre payment deductions for haying and grazing set-aside land and for alternate crops remain as previously announced.

"The lowering of required set-aside acreage probably was the least disruptive action that could be made in the 1973 Feed Grain Program. And action was required to free up more acreage for planting and livestock use.

"Study of the March 1 planting intentions report showed that not enough corn would be planted—and barely enough soybeans—to provide for anticipated demand and adequate carryover.

"Action was necessary in order to prevent or alleviate a shortage in the supply of agricultural com-

MR. AND MRS. MICKI A. JASPER

## Boyd - Jasper Vows Exchanged In Candlelight Church Ceremony

A pretty candlelight ceremony at 7:00 p.m. Friday, March 23, 1973 at the Rock Creek Church of Christ, united in marriage Miss Rebecca Ann Boyd and Micki Alva Jasper. Earl Cantwell, minister of the church, officiated at the service.

The bride is the daughter of Mrs. John H. Boyd of Silverton and Robert G. Boyd of Kingsville, Texas. The bridegroom is the son of Mr. and Mrs. Alva C. Jasper of Silverton.

The altar area was designated with a large white altar rug, a pair of wrought-iron candelabra bearing lighted tapers and twin arrangements of Forever Yours roses. The parents' pews were marked with miniature nosegays of daisies caught with red ribbon.

Escorted and given in marriage by her father, the bride wore a formal gown of ivory silk organza over peau de soie fashioned on empire lines with a wide satin sash outlining the empire waist. This was caught in a soft bow at the center back. Her high neckline was finished with a wedding ring collar of the same fabric. An oval yoke, both front and back, was outlined with heavy Belgium lace, and her bishop sleeves were sheer with wide lace covered cuffs. Her skirt was bell-shaped with medallions of the imported lace scattered all over it. A ruffle of the ivory organza finished the hemline and chapel-length train. Her three-tiered veil of ivory silk illusion fell to fingertip length and was held by a lace covered Juliet cap with tiny pearls interlaced over the crown.

The bride carried a cascading

bouquet of Forever Yours roses, daisies and gypsophila interspersed with large lace leaves surrounding two pink orchids. Flowing from the bouquet were tiny daisies and baby breath caught by satin ribbons tied in lovers knots. The bride placed her bouquet upon a lace-covered Bible given her in childhood by her paternal grandmother.

Upon reaching the pew of her mother, the bride presented her with a single long-stemmed Forever Yours rose, and after exchanging vows, the bride presented the bridegroom's mother with an identical rose—symbolic of the acquiring of another mother.

Debbie Cantwell, soloist, presented "The Twelfth of Never." Maid of honor was Miss Jana Cross. Flower girl was Little Miss Sheila Stark of Canyon, a cousin of the bridegroom. Candles were lighted by Melody and Robert Boyd, sister and brother of the bride. Ring bearer was Shane Reagan, and serving as best man was David Holt.

Guests were seated by John Burson and Mike Grady. The bride's attendant wore a floor-length dress, layered in four-inch tiers of pink lace and sheer chiffon. She carried a nosegay of daisies surrounding a Forever Yours rose, complimented with cascading wide streamers in the bride's chosen colors.

A reception was held immediately following the ceremony. The bride's table was covered with an imported cut-work cloth. Crystal and silver appointments were used in serving the tiered cake trimmed with roses and topped with a miniature bridal couple. The centerpiece was an arrangement of roses, and the bride's bouquet was also placed on the table. The couple lighted their memory candle together, ate their first piece of wedding cake and toasted one another with fruit punch.

The registration table was draped with a white cloth and held the bride's wedding book and a crystal vase containing a red rose.

Assisting at the reception were Mrs. Aubrey Rowell and Mrs. Lowell Callaway, aunts of the bridegroom, and Mrs. Riddell Hutsell. Refreshments were served by Miss Donna Stark of Canyon and Miss Kaedean Bomar, cousins of the bridegroom.

For going away, the bride lifted her orchids from the heart of her bouquet. After a brief wedding trip to Lubbock, the couple is at home in Silverton, where both are seniors in Silverton High School. The bridegroom is engaged in farming.

Mr. and Mrs. Dale Smalts, David and Carol of Hereford spent the weekend with their mother, grandmother and great-grandmother, Mrs. J. E. Vaughan and Mrs. D. T. Johnston. Callers Sunday afternoon were Mrs. J. D. Johnston of Plainview, Mrs. Carl Crow, Mrs. Stella McJimsey and Mrs. Clyde Hutsell.

Mr. and Mrs. Dick Maffett of Jacksonville, Florida visited Mr. and Mrs. Charles Sarchet Monday afternoon. He had retired after serving 27 years in the Navy and they were visiting relatives before settling in Key West, Florida. The men are cousins.

### Clubwomen Attend Caprock District Convention in Lubbock

Eleven Silverton clubwomen, representing three study clubs, took part in the Caprock District TFWC Convention March 30-31 at the Red Raider Inn and Convention Center in Lubbock. Mrs. O. C. Rampley, District President, designed the program around the theme, "Legend of Love," which is based on her administration theme, "Sustaining American Youth—through Love and Understanding." The artwork for the cover of the convention program was done by Mrs. Datis Martin of Silverton.

The convention program was dedicated to O. C. Rampley.

Mrs. Fred Mercer, District Corresponding Secretary, represented the March of Time Study Club. Mrs. Randall Eddleman, Mrs. John Herring and Mrs. John Schott, members of the L. O. A. Members who were not present when the picture was made are Mrs. Jerry Baird, Mrs. Terry Bomar, Mrs. Jimmy Burson, Mrs. J. B. Carter, Mrs. Fred Edwards, Mrs. Mabry Greenhaw, Mrs. Dan Herrington, Mrs. Lynn Frizzell, Mrs. Roland Montague and Mrs. Jimmy Vanstory.

President's reports were heard as well as the Junior Director's address, "Keys To Leadership." Awards were presented for the Presidents' Written Reports and Department Reports. Appointed to special district committees by Mrs. Fry were Mrs. John Schott, 1974 Convention Committee, and Mrs. Randall Eddleman, Officers' Workshop Committee. Approximately 85 junior clubwomen were in attendance.

A total convention registration of 295 was reported, this being the largest attendance "in a long time."

The L. O. A. Study Club president, Mrs. Eddleman, expressed the thoughts of other local clubwomen when she made the following statement regarding District leadership during this administration. She said: "L. O. A. Junior Study Club recognizes the tremendous leadership qualities and love for federated clubwork that our own Mrs. O. C. (Faye) Rampley, Caprock District President, and Mrs. Louis (Emma Lou) Fry of Lockney, Director of Junior Clubs, have, and we extend to each one of them our thank you and love for their efficient services."

Each member was asked to bring anything they or their neighbors have for the Flea Market on Friday morning, April 6, to the old drugstore building. Also each member was asked to bring baked goods of approximately \$6.00 in value on Saturday morning, April 7. Proceeds will be turned over to the Silverton Improvement Program.

Fourteen members and one guest answered roll call with "a cake making hint." Mrs. Larry Jarrett was welcomed as a new member.

At the conclusion of the program, the 4-H team composed of Dave Francis and Kyle Bean gave their method demonstration.

Lovely refreshments were served to the guest, Mrs. Arnold, and to Mrs. Elton Cantwell, Mrs. Don Curry, Mrs. Alvie Francis, Mrs. John Francis, Mrs. Carroll Garrison, Mrs. Rex Holt, Mrs. Claude Jarrett, Mrs. Allen Kellum, Mrs. Jack Sutton, Mrs. Bob Wheelchel, Mrs. Riley Joe Ziegler, Mrs. Elbert Dickerson, Mrs. Larry Jarrett, and the hostess, Mrs. Teepie. ### Club Endorses Improvement Project Here

Southwestern Home Demonstration Club heartily endorses the Silverton Improvement and Beautification Program and wishes to have a part in this endeavor by having a combined Flea Market and Bake Sale on Election Day, April 7, from 9:00 a.m. until 5:00 p.m. in the old drug store building. All proceeds will go to the Silverton Improvement and Beautification Program.

We will need your help in this project to insure its success. Please clean out your closets and cabinets and anything you have—white elephants, things you may be tired of, don't have room for, or wish to get rid of—furniture, what have you—you name it—we want it. Please bring any items you wish to donate for the project to the old drug store building across the street from the courthouse. If possible we would like to have these items before noon on Friday, April 6. If you need someone to pick up articles, call a club member or Mrs. John Francis, 847-4782, or Mrs. Don Curry, 847-4365.

Southwestern Home Demonstration Club ladies are anxious to have a part in "cleaning up, painting up, and fixing up" our town so it will be a more attractive place to live and we will be proud to call it our "home town."

## HIS FAVORITE...

Ah! Just smell that... This is his favorite... prepared just the way he likes it. He's in for a real treat. Everyone has certain foods that they prefer over others and this is his.

Many people have favorite scriptures... these words can excite and satisfy the soul as certain foods satisfy the taste palates.

The soul needs nourishment too. The church offers the best opportunities to satisfy your spiritual needs.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

**Dougherty Man Shoots Huge Black Bear Near The Caprock**

Early Saturday morning the Robert Ward family was awakened by their dogs barking and the howling of cattle near the barns. Ward slipped on his clothes, peered out the backdoor and saw all the cattle backed into a corner of the lot and could see his dogs having all sorts of fits right in front of the barn door.

Thinking it was probably a skunk . . . or maybe a coyote, he ran down to the barn . . . started to look in the barn door when he came face to face with a huge black bear charging right out of the barn.

He knocked Ward down, as he headed out of the barn and then climbed the corral fence . . . headed east toward the Caprock.

Ward's dogs were in hot pursuit of the bear (but not too close). Ward picked himself up . . . discovered that one arm had received a long scratch . . . then headed for the house to get his 30-06 rifle.

In the meantime the bear had just about made it over into the Caprock breaks. Ward jumped in his pickup, drove to the edge of the cap, then took after the dogs and the bear on foot.

About a mile down the Caprock the bear cut into a small draw, stopped and turned on the dogs.

In the meantime Mrs. Ward had got on the phone and called neighbors for help. Ralph Johnston was stopped as he came down the road in his pickup . . . nearby neighbors Ned Bradley and Henry Hinton, who were farming nearby also took off on the bear chase.

In the meantime Ward had closed in on the bear, wounded him with the first shot. At this point the bear charged Ward and the dogs. Ward steadied himself against a rock, took careful aim and felled the bear about seven feet

away with a shot right through the heart.

It was surmised that the bear had come up out of the caprock breaks hoping to find a young calf for breakfast.

One of the more honest bystanders of the group gathered around the dead bear . . . Henry Hinton, a Methodist, took out his tape measure he always carries in his pocket and declared the bear to be over seven feet tall, and estimated the weight to be 800 pounds.

Later Saturday Floyd County old timers said that this was possibly the only bear ever killed in this area. Hesperian readers on Sunday . . . remarked that it was one of the best April Fool stories they had ever heard!

# TIME...

As the old year passes and the new begins, we are more conscious of time itself than we are at any other time of the year.

These are days when most everything is geared to a higher speed. Automobiles are faster, aircraft set new records. Production is speeded up to make the best possible product in the shortest time... but this is a good time to slow down and review the past and to make plans for the future. Think of the past, but only of how you can improve on it. Plan now for the future. Make sure that you will have time for the Lord this New Year. Start now to attend church, make it a regular habit.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

We take this means to say a special "thank you" to the many friends who sent cards, gifts and offered words of consolation and sympathy when our mother was ill and at her death. Your love and concern is appreciated and we love you. The Jim Clemmers
