

One Sided Games In Season Opener

The Blue Sox Pee Wees walloped the Gold Sox Pee Wees 21-5 in the first game and the Gold Sox beat the Blue Sox 14-7 in the second game of the double header which opened the Silverton summer baseball program Tuesday night.

Scoring for the Blue Sox Pee Wees were Raul Galan, three runs; Casey Bean, Michael Greenhaw, Mitchel Martin, Ronnie Johnston, Scotty Roberts, Jesse Ortega, Greg Whelchel and Monroe Hill, two runs each; Ross Estes and Jimmy Forbes, one run each.

Gold Sox Pee Wee runs were scored by Tad Cornett, Dwain Tipton, Warren Jarrett, Kelly McMurtry and Chris Sperry.

Leading scorers for the Gold Sox Little Leaguers were Tommy Perkins, Paul Brannon, Mike Cornet, Kelly Comer and Larry B. Stephens, with two runs each. One run each was scored by Brandon Jarrett, Pris Charles, John Segura and Roger Cantwell.

Scoring runs for the Blue Sox were Cam Forbes and Diji Couch, two runs each; Doug McJimsey, Jim Estes and Robert Galan, one run each.

The second games of the season will be played beginning at 6:30 p. m. tonight by the Gold Sox and White Sox.

Industrial Committee Meets Here Tonight

There will be a meeting of the Briscoe County Industrial Committee Thursday, May 10, at 8:00 p. m. at the City Hall in Silverton. Members and interested persons are invited to attend.

FFA Banquet Held Here Saturday Night

The FFA Banquet was held in the Silverton School Cafeteria May 5 at 8:00 p. m. John Burson, Silverton FFA president, was master of ceremonies.

Special guests were the FFA Sweetheart, Miss Sharon Storie, who was escorted by her father, Harold Storie; the 1973 Rodeo Queen Contestants, Louise Kitchens and Roma Clayton. (Queen candidates not attending were Jeanette Arnold and Rhonda Sweek.)

The welcome was given by Craig Culwell, FFA vice-president. The FFA Sweetheart was presented a trophy and charm bracelet by John Burson.

Awards presented by Monroe Gates, the vocational agriculture teacher, were Agriculture Scholar Award to Wendell Hardin; Beef Cattle Showmanship Award to Zane Mayfield; Swine Showmanship Award, John Burson; Lamb Showmanship Award, Ken Sarchet; Livestock Judging Team Award, Craig Culwell, Zane Mayfield, Ty McMurtry, Ken Wood; Outstanding Supervised Farming Award for the outstanding project increase, Stan Martin.

Speaker for the occasion was Brian Hall, Area I State Vice President, from Dalhart who is a student at Texas Tech University.

Clyde Cain To Receive Degree

The Doctor of Theology Degree will be conferred on Clyde Cain in graduation ceremonies on May 11, 1973 at Luther Rice Seminary in Jacksonville, Florida.

The graduation marks the completion of four years graduate study. The major field has been Pastoral Ministries and his dissertation is entitled, "Using The Bible In Counseling."

Dr. Cain is pastor of the First Baptist Church of Guymon, Oklahoma and has served churches in Amarillo, Pecan Grove, Silverton, Vega and Gem, Texas. While pastoring in Amarillo he taught the Bible Chair at Amarillo Junior College.

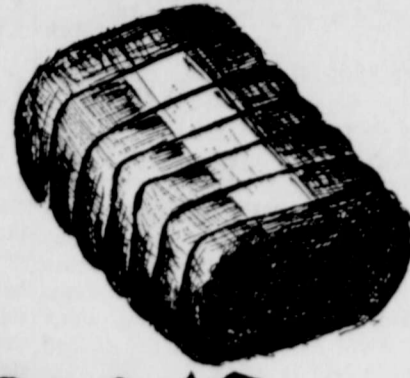

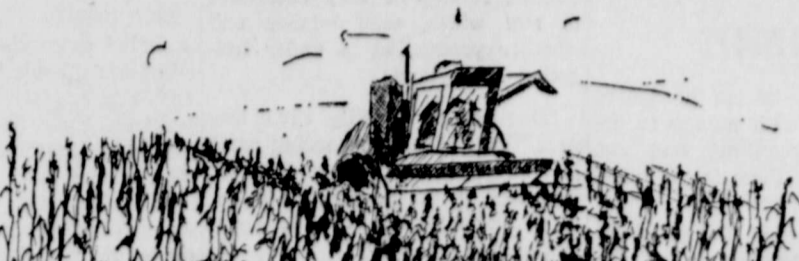

The Cains reside at 1520 N. Lelia in Guymon and have two children, Craig and Karl.

Square Dance Lessons Postponed Here

Square Dance Lessons in Silverton have been postponed until Friday May 25.

Silverton: Heart Of The Scenic Caprock

THURSDAY, MAY 10, 1973

VOLUME 65 NUMBER 19

Baccalaureate Will Be Sunday Evening

Cynthia Edwards and Brenda Boling of Briscoe County 4-H won First place in the Junior Vegetable Preparation and Use contest at Texas Tech University Saturday, May 5.

The Baccalaureate Service for the 27 members of the Class of 1973 of Silverton High School will be held Sunday, May 13, 1973, at 8:00 p. m. in the school auditorium.

The sermon will be by Rev. James Futch, pastor of the First United Methodist Church.

Processional will be played by Mrs. Wayne McMurtry. The invocation will be given by Rev. Larry Wilson, pastor of the First Baptist Church, and the benediction by Earl Cantwell.

Special music, "I May Never Pass This Way Again," will be sung by Lori Francis, accompanied by Mrs. Robert Rauch.

Of the 27 graduates, 15 of them

are members of the National Honor Society. The Valedictorian is Debra Ann Cantwell, daughter of Mr. and Mrs. Elton Cantwell. Laura Juanice Arnold, daughter of Mr. and Mrs. Fred Arnold, is the Salutatorian. The other members of the National Honor Society are Rita Kay Anderson, Amy Lee Birdwell, Kaedean Bomar, Joan Marie Cross, Jana Kallene Futch, Freeda Henderson, Pamela Kay Hutsell, Fred Mark Hutsell, Carol Louise Kitchens, John Earl Minyard, Janie LaNell Stephens, Rhonda Sue Sutton and Ramona Kay Martin.

The other members of the graduating class are Johnny True Burson, Terry Michael Culwell, Daniel Mack Gamble, Gregorio Garcia, Cris Eugene Gill, Mikel Deane Grady, Micki Alva Jasper, William Stanley Martin, Donnie Derrell Martin, Karen Denise Tiffin, Timothy Lee Wilson and Rebecca Ann Boyd Jasper. All of the graduates will be featured in next week's issue of the Briscoe County News.

Baseball Uniforms Being Sought Here

Players who have not yet turned in Little League uniforms they will not be needing this year are urged to do so at once. So many of the uniforms are hanging in closets that the coaches are unable to suit up their whole teams.

If you have a uniform that you don't need this season, please contact A. R. Martin.

Funds Approved For Tule Canyon

Sen. Max Sherman of Amarillo got approval from the Senate Finance Committee on his bill to appropriate \$68,444 to record and preserve some of the history of Tule Canyon before the waters of Mackenzie Lake cover it.

The dam is under construction on Tule Creek in Briscoe County, to provide a municipal water supply for cities in the area.

State Archaeologist Curtis Tunnell told the Finance Committee that Tule Canyon was visited by Coronado in 1540, and that the U. S. Cavalry under General Mackenzie cornered the last Comanches there and "disarmed" them by slaughtering 1,400 of their horses.

There are 14 sites which have been certified as national historic sites, Tunnell said. One of the earliest half dugouts is located there.

West Texas State and Texas Tech Universities are joining in the archaeological work, and for that reason the size of the requested appropriation was reduced to \$68,000, he said.

If the money is provided, the work will be done this summer.

Charlie Payne underwent surgery Monday at Central Plains Hospital in Plainview.

NEW ARRIVAL

Mr. and Mrs. Sammy Lee Turner of Oklahoma City are parents of a baby boy, Kery Scott, born Wednesday, May 2, 1973. He weighed seven pounds, seven ounces.

They are also parents of a 5 1/2 year-old son, Keenan Lee, and a 2 1/2 year-old daughter, Angela Che-re.

Grandparents are Mr. and Mrs. Ira Peacock, Marigold, Mississippi, and Mr. and Mrs. John Turner of Silverton.

Co-op Annual Meeting is Tuesday

The annual meeting of stockholders of Briscoe Cooperatives will be held in the Silverton School Cafeteria at 8:00 p. m. Tuesday, May 15.

There will be entertainment and a kiddie show, in addition to the auditor's and managers reports and the election of directors

Rainfall For Year Exceeds Normal

Rainfall for the year ending April 30 totaled 28.32 inches, according to a report from Fred Strange, who records Silverton's official weather statistics.

Monthly totals are as follows:

May	3.56
June	3.55
July	3.36
August	2.14
September	1.15
October	1.50
November	1.85
December	.55
January	.77
February	.67
March	5.32
April	3.90

Honor Concert Thursday Night

The Silverton School Music Department will present a concert this Thursday evening, May 10, honoring the high school graduates of 1973 and members of the Eighth Grade who will become freshmen next year.

The participants in this special concert will be the junior high guitar students and members of the high school choir. They will be accompanied by duo - pianos and organ.

There will be no admission charged for this concert. Everyone is extended a special invitation to attend.

4-H's Practice Demonstrations

Briscoe County 4-H members involved in the Share-the-Fun and Method Demonstrations met for a practice session at the P.C.A. Community Room Monday night. 4-H members presenting their demonstrations were:

- FARM AND RANCH MANAGEMENT — Kirk Durham and Thomas Perkins.
- LANDSCAPE HORTICULTURE — Beverly Boling and Becky Perkins.
- NATURAL RESOURCES — Karen Martin and Rose Lee Perkins.
- SAFETY AND EMERGENCY PREPAREDNESS — YoVonna Marshall and Bob Ann Whelchel.
- SHARE-THE-FUN — Brent Bean, Roger Cantwell, Shelly Harris, Andy Fabela, Ruby Jo Jarrett, Susan Northeutt, and Walter Perkins.
- VEGETABLE PREPARATION and USE — Brenda Boling and Cynthia Edwards.

County Extension Agents Dorothy Powell and Jimmy Vanstory gave each team hints on how they might improve their demonstrations. They also announced that demonstration teams and the Share-the-Fun members should meet at the courthouse at 7:15 a. m. Saturday to go to Lubbock. The 4-H members will be competing with teams approximately 20 South Plains Counties in District 2.

L.O.A. Junior Study Club will have a called meeting Monday night, May 14, at 8 o'clock at the P.C.A.

All members are urged to attend.

Junior Rodeo All Set For This Weekend

Silverton's Second Annual Junior Rodeo has been rescheduled for May 11-12 at the local arena after being "weathered out" in April. Ticket sales by the four Rodeo Queen contestants ended April 30, and tickets are now on sale by members of the Silverton chapter of Future Farmers of America.

On Saturday night, May 12, one of the candidates will be presented as Queen of the Junior Rodeo. The girls vying for this honor are Louise Kitchens, senior; Rhonda Sweek, junior; Roma Clayton, sophomore, and Jeanette Arnold, freshman.

An appeal was made this week to the young people planning to enter the Junior Rodeo to get their entry fees in so the program can be planned. Contestants may enter by calling Silverton High School, 823-6711, or after 4:00 p.m. they may call 823-6071. They may also write Silverton Junior Rodeo, Box 115, Silverton, Texas 79257.

There will be nine senior high events with pay-backs. These include Bareback Bronc Riding, Bull Riding, Chute Dogging, Calf Roping, Ribbon Roping, \$10.00 entry fee events, which will pay back \$25, \$15 and \$10; Team Roping, \$15.00 entry fee, which will pay back \$30, \$20 and \$15; Barrel Race, Pole Bending and Goat Tying, \$8.00 entry fees, with pay-backs of \$20, \$12 and \$8. Trophy buckles will also be given to the first, second and third place contestants.

Junior events for boys and girls 14 and under will include Steer Riding, Flag Race, Scoop Race and Breakaway Roping. Entry fees for these events are \$3.00 each, and trophy buckles will be given the winners of first, second and third places.

Trophy saddles will be given to the All-Around Cowboy and All-Around Cowgirl. To be eligible for consideration in the All-Around event, participants must enter three senior events, placing in two.

Stock will be furnished by Red Whately of Crosbyton.

Admission is \$1.50 for adults and 75c for children 12 and under.

A dance will be sponsored by the Silverton Young Farmers on Saturday night, May 12.

Young Farmers To Sponsor Dance

Silverton Young Farmers will sponsor a dance following the Junior Rodeo performance Saturday night. The dance will begin at 9:30 p. m. at the concrete slab.

Music will be by Jack Morrison's band from Plainview.

ATTEND GRADUATION EXERCISES AT A&M

Mr. and Mrs. Bud Vaughan traveled to College Station last Thursday, and on Friday attended the convocation ceremony in which their son, Danny Wayne Vaughan received his Bachelor's Degree in veterinary science. He graduated magna cum laude.

The graduation speaker was Lieutenant Governor William P. Hobby.

4-H CLOTHING LEADERS TRAINING HELD

Five 4-H Clothing Leaders met with County Extension Agent Dorothy Powell for a training session held April 27 on conducting the clothing project. Clothing Leaders present were: Ellen Edwards, Mary Marshall, Joni Mayfield, Katy Vanstory, and Bernice Wood.

Mrs. Powell explained materials available for leaders and 4-H members. The group discussed fabrics and fashions for various age groups as well as what is in vogue for Spring and Summer 1973. Mrs. Powell went over the Dress Revue Guidelines and score cards with the leaders.

Ellen Edwards was elected the General Chairman for the Dress Revue. Committees appointed were:

- Decorations — Maebelle Francis
 - Script — Sandy Harris
 - Program — Dorothy Powell
 - Publicity — Joni Mayfield
 - Dressing Room — Katy Vanstory and Mary Marshall
 - Tabulation — Bernice Wood and Mary Brown
- The Briscoe County 4-H Dress Revue will be held Monday, June 25.

Senior Class Of 1973 Prophecy

As I approach the Jasper Estate on July 4, 1963, our appointed ten year reunion, I see Joan and Gene driving up in the little bug (with a fresh dent). Gene told me later that the bug was going to have to go, as Joan was expecting her fourth and didn't fit under the steering wheel too well. By now, here come Micki and Ann; Micki with his diamond studded cowboy hat and his priceless alligator boots, and Ann in her gold-lined chaps and her Buck Owens T-shirt. They greeted me with a nice cold can of OOOHS. As we sat there and chatted, we were nearly knocked for a loop when we realized it was only "Tiny Tim" Wilson singing "Tip Toe Through the Tulips", accompanied by Becky, his betrothed. Poor Tim, he tries so hard!

As I walked on, I saw Rita and I hardly recognized her since she had her hair cut off. I stopped to talk to her when she hurriedly handed me a card saying, "Rita's Rent-A-Car" at Reasonable Rates. Just call BR-549. She rushed on to meet Mark who was just arriving from Hawaii.

I walked around to the other side of the swimming pool and

was challenged to a game of basketball by dribbling John LeRoy Minyard, the first white person to integrate the Harlem Globe Trotters. I told him I didn't think I could handle it because I'd had too much to drink.

As I turned around, a big flash pulled to a screeching halt: I recognized Cris as he jumped off his pink chopper. He said he almost ran over Greg (Leonardo de Vinci II), who was sitting by the pool sketching a portrait of Kaedean. She had just returned from a Hollywood Production called "B-C R". That's the way the old ball bounces, huh?

Cris couldn't believe that I only weighed 130 light pounds and I'd taught ballet at Mad Dog Grady's School of Dance in Amarillo, and that's why Debbie and Jana were walking around in their tights. They were to be the entertainment for the evening. He told me that he had been touring around the U. S. and he and Bronson had become the best of friends.

While we were waiting for everyone else to get there, we saw Karen Tiffin (Alias Rosie Bell) coming home from Feudin' Over Yonder in the Appalachian Mountains, on her dapple grey mule. She rode up, smoking her corn cob pipe, and stopped to chat with Freeda. As professor of business at Texas A & M, Freeda no longer has to consult Faye Gene, but Faye Gene has to consult her on business matters. She is still looking for a husband, though completely out of luck, but hopes to find one soon.

By now, Rita has returned with Mark, the World's surfing Champ of 1963. He tried to demonstrate the newest surfing technique in the swimming pool, but couldn't get enough waves to carry the board. He finally fell and broke his leg, only to be saved by Dr. Dan Gamble and his traveling nurse, Laura Arnold, who were at the scene of the accident. Dr. Gamble had graduated with honors from Harvard. His future plans include the transplant of a human brain. Laura was not only Dan's traveling nurse, but on the side, she teaches math at Silverton High School. Don't you know she must lead an interesting life? Through all the confusion, I made my way back to the front lawn, only to get into an argument with cattleman Terry Trigger Finger (who had stopped to comb his

Planting Rates A Critical Decision For Cotton Farmers

LUBBOCK — Cotton producers are now faced with numerous decisions about planting, and not the least among them is the ques-

tion of planting rates, says an area cotton specialist here. According to Dr. Robert B. Metzger of the Texas Agricultural Extension Service at Lubbock, seeding rates will vary according to row width, seed quality and whether production is under irrigation or dryland. "Due to low quality seed this year," says Metzger, "planting rates in many instances will have to be increased by 25 percent or more, depending upon the level of germination."

Explains the agronomist, "the optimum plant population for the conventional 40-inch row width is 40 to 50 thousand plants per acre. This population is equivalent to three or four seedling per foot of row. Assuming 70 to 75 percent emergence, this would require five to six seeds per foot of row or approximately 20 to 25 pounds of seed per acre. It should be emphasized that to get 75 percent field emergence, a laboratory germination of 80 percent or higher is required."

For those considering narrow row cotton production, he explains, an average of three plants per foot of row is still a good rule of thumb. For 20-inch single rows or double rows on 40-inch beds, 75 to 80 thousand plants per acre is an ideal plant population. To obtain this population will require 32 to 35 pounds of seed (at least 80 percent germination) per acre, he advises.

"Increasing plant population much above 80 thousand puts too many plants within the drill row for the double row pattern. Likely results will be taller, barren plants, reduced boll size and delayed maturity. "On the other hand, varieties adapted for narrow row cotton production that tend to be early maturing and compact will not have the ability to fill out skippy stands if the population is too low. Therefore, proper plant population is more critical if these compact varieties are used in narrow row. In fact, this type of planting offers an opportunity to avoid crowding of plants within the row. To accommodate a plant population in the 100 to 140 thousand range will require a more narrow row pattern. For example, this can be accomplished in a 10-inch row width using a planting rate of 50 pounds per acre."

Due to the adequate supply of underground moisture, many producers are considering narrow row cotton on dryland, Metzger reports. He emphasizes that successful dry-

land narrow row production will depend not only on proper planting rates but also on good seed placement for proper plant distribution within the row.

"This can be accomplished only with proper planting equipment," he advises. "The planting rate should be reduced from that used in irrigated narrow row production. For a 20-inch single or double row on a 40-inch bed, a planting rate of 25 to 30 pounds of seed per acre is sufficient while 35 pounds per acre would be adequate for 10-inch row width. Producers should increase the above planting rate if the seed germinates below 80 percent."

The agronomist concludes that in addition to planting rates, producers must consider other important practices such as variety selection, weed control, irrigation, and soil fertility for profitable cotton production.

National Objectives To Be Established

HOUSTON — A contingent that included more than 500 Texas osteopathic physicians, their wives and representatives from related services have heard a Michigan medical educator call on the osteopathic profession to establish "a set of national objectives" that would preserve and strengthen osteopathic medicine's dedication to family practice and community service.

Dr. Myron S. Magen (D. O.), dean of the College of Osteopathic Medicine at Michigan State University, praised members of his profession for their interest and participation in general health care. Speaking before the 74th annual meeting and scientific seminar of the Texas Osteopathic Medical Association in Houston, Dr. Magen said, "Our physicians have not been insulated behind the walls of the University Medical Center or by the boundaries of narrow subspecialization, but have been broadly based practitioners."

It is because of widening demands on the time, training and capabilities of osteopathic physicians that Dr. Magen suggested that the profession must take stock of the present and the future.

"At the moment we are traveling all roads," he said. "A set of national priorities for the osteopathic profession is long overdue. Coupled with this must be an evaluation of our resources, both monetary and personnel-wise. Our

land narrow row production will depend not only on proper planting rates but also on good seed placement for proper plant distribution within the row.

This can be accomplished only with proper planting equipment," he advises. "The planting rate should be reduced from that used in irrigated narrow row production. For a 20-inch single or double row on a 40-inch bed, a planting rate of 25 to 30 pounds of seed per acre is sufficient while 35 pounds per acre would be adequate for 10-inch row width. Producers should increase the above planting rate if the seed germinates below 80 percent."

The agronomist concludes that in addition to planting rates, producers must consider other important practices such as variety selection, weed control, irrigation, and soil fertility for profitable cotton production.

most important resources are not our institutions or money but people. And as yet we have not learned to make the most effective use of these people."

Dr. Magen was one of a lengthy list of outstanding speakers, including 72-year-old Dr. Harold S. Saita, (D. O.) of West Vancouver, oldest living acupuncturist; Dr. Everett Price (M. D.) of Houston, a heart specialist; Dr. William G. Anderson (D. O.) of Detroit, an expert on cancer treatment; Dr. John C. Taylor (D. O.) of Kansas City, president-elect of the American Osteopathic Association; and Rep. Omar Burleson of Anson, Texas, a member of the U. S. House of Representatives Ways and Means Committee.

The reins of the Texas Osteopathic Medical Association passed into the hands of Dr. John H. Boyd (D. O.) of Silverton, who assumed the presidency from Dr. Robert G. Haman (D. O.) of Irving. The president-elect is Dr. H. Eugene Brown of Lubbock. Re-elected to office were Dr. Michael A. Calabrese of El Paso, vice president and Dr. Samuel G. Ganz of Corpus Christi, speaker of the House of Delegates; and Dr. David S. Norris of Tyler, vice speaker.

Additions to the board of directors include Dr. Haman, Dr.

Raymond E. Beck of Fort Worth, Dr. Frank Bradley of Dallas, Dr. Dwight H. Hause of Corpus Christi, and Dr. Charles Mehegan of Amarillo. Three-year terms as delegates to the American Osteopathic Association's House of Delegates went to Dr. David Armbruster of Houston and Dr. John Burnett of Dallas.

Also during the 74th meeting, the 1973 journalism awards of the national AOA and the TOMA were presented to Dudley Lynch of Dallas for his magazine article "Country Doctoring," which featured Dr. Carl J. Sohn (D. O.) of Cross Plains, Texas.

The announcement was made that the 75th TOMA annual meeting will be held at McAllen, Texas.

Mr. and Mrs. John Wyatt have recently moved to Silverton from Amarillo. He was employed as a lab technician at Borden's. Mrs. Wyatt was a secretary for Paradox Petroleum Co. She is the former Gail Mayfield.

P. H. McKenny is a patient at Swisher Memorial Hospital.

With the entire class of '73 present, things were getting a bit wild. At this time, Mildred Gates, grandmother and retired History teacher, bopped in and hollered, "If ya'll don't behave, we're gonna call the whole thing off." As usual, no one paid any attention until Bob Wheelchel walked in with his three hippie children. They were all smoking cigarettes and had hair down to their . . . well, you know. He had decided, "If you can't beat 'em, join 'em" and flipped the hair out of his eyes so he could light his Winston!

By this time, everyone was hungry and had made their way to the buffet out back where there were such delicacies as red beans and corn bread. Debbie and Jana danced several routines to songs that were favorites among our class. I believe they did "Pop-A-Top-Again" three or four times. They were pretty good. After all, look who taught them, and they had been my best and most faithful students for the past four years. I was really lucky to have found them working in Sears as accountants. There were various forms of entertainment. P. Terry, Lou, and I had an egg throwing contest while Joan showed us how to drive on sidewalks.

Ramona and Gary announced at this time they were retiring and would welcome any married guests at their house.

Though the party was dying down, some still had a lot of swing. A few people had left but after all, "Every party has a pooper."

The party lasted till early morning, and Micki finally told Ann to turn out the lights, the party's over. We bid farewell, vowing to meet again in ten years, same place. We had a great time and everyone still agreed that "We're the BEST as you can see, the SR. CLASS OF '73"

Give mom a ringing sensation.

Now is the time to give mom a little of what she's always given you. An easier life. For years she's been running the house. Literally, that is. Running to toddling toddlers and to ringing phones. For Mother's Day you can solve one of her moving problems with a gift extension. She can have it located conveniently so that when it rings, it'll be a pleasure to her ears and a relief to her feet.

GENERAL TELEPHONE

Senior Class Will

Let it be known, from this day forward, that this is the last will and testament from the class of '73.

Mrs. Ann Jasper wills her good luck at finding the best husband in the world to Jana Cross.

I, Derrel Martin, will to Mikel Tiffin, Scott Hutsell, and Rick Minyard, my great ability to get stepped by the cops.

I, Tim Wilson, will my red underwear to Marshall Rauch to match the rest of his decor.

I, Debbie Cantwell, will some of my curly hair to Lori Francis and my ability to fall down the stairs every time I'm with ?? to Mary Gries.

I, Freeda Henderson, will to Don Stodghill the ability to not know what to will and my ability to have good no matter what the occasion.

Laura Arnold wills her 2 classes

in a row under Faye Gene to anyone brave (or dumb) enough to sign up for them.

Cris Gill wills his fantastic and unbelievable basketball skills to Coach Carter so he can use them wherever he goes.

I, Greg Garcia, with my faithful companion, will all my senior trips to next year's Sr. Class. Control them well.

Micki Jasper wills his ability to pass Bookkeeping to Butch Brannon.

I, Karen Tiffin will my ability to stay out late and get grounded to Virginia McCoy and Roma Clayton. Also to Virginia, I leave my sewing patterns because she gets them anyway.

I, Rita Anderson, will to Rhonda Sweek, my ability to get talked into doing things by Freeda and hope Donna can do the same.

I, Pam Hutsell, will all the ash trays in my house to anybody who wants to go there at dinner.

I, Karen Tiffin will to Rhonda

Sweek and Gloria Fabela, my ability to play volleyball—on the floor.

I, LaNell Stephens will the rest of the U. S. Army to Brenda Payne in hopes that she can find at least one man.

I, Amy Birdwell, will to Mike Montague my appreciation of SHS in hope that you will learn to love it as I did my last nine months.

The Class of '73 gladly leaves all the High School books, pens, pencils, notebooks, and paper to the Class of '74. It is just too much hassle for us to handle any more.

Karen Tiffin wills to Susie Parker her ability to write poems and to Sharon Storie her ability to do bookkeeping. To next year's typing II classes, she wills her passing and failing timed writings.

Pam and LaNell will to Denise Culwell and Jana Cross their ability to go to town every day.

Rhonda and Joan will all their trips to Vigo to Jill and Darla. Hope y'all have fun as we did.

I, Karen Tiffin will to Rhonda

to anybody who has guts enough to handle it. P. S. Have Fun!

Rhonda and Amy will to Jill and Darla all the fun they had playing the wonderful sport of basketball. It's a healthy pastime. Love every minute of it.

Terry Culwell and John Burson will their ability to antagonize and bother Joan to Ken and Dee. Y'all better find somebody that can take a lot everyday without getting sore.

Micki, Ann and Lou will their numerous trips to Tulia to eat Mexican food and Wayne's burritos to anyone brave enough to take them up. It takes a lot of room to hold it all.

Micki and Ann will their ability to go to school and be married at the same time to Nedra and Wendell.

Lou, Joan and Amy will their Annual Workshop trip to Lubbock, which was very interesting and helpful, to Jana, Ruth Ann, and Celia. Don't forget your phone-

books and watch out for those operators.

I, Jana Futch will Pep Squad President to any Sr. 74 that gets the job. It's a Big Hassle!

Laura and Debbie will their ability to avoid obnoxious people to anyone who needs it as bad as we did.

We, Freeda and Rita, will our ability to be the Shorthand Dummies of Faye Gene's class to Virginia McCoy and Susie Parker. Good Luck from the Dummies of '73.

Joan and Amy wish to will their ability to get kicked out of Pep Squad to Reba and Roma. We have no bitterness, but it was easy with your help.

We, the Class of '73, will Whitley Switch to the Junior Class, in hopes that they can make better use of it next year, but it's gonna be hard.

I, Jana Futch, will my ability to talk back to certain teachers to Sharon Storie. Don't worry, they don't stay mad long, just try not to call Mr. Shaller ignorant.

Mike and Jana will all their heart to heart talks to Scott Hutsell and Debra Strange.

Kaedeon Bomar wills her steady office job to Wylie Bomar.

Pam and Rhonda will all their good times in cheerleading to next year's cheerleaders and hope y'all don't get into as much trouble as we did. And to Jana and Jill we leave our large bath towels to cover your tiny sinks.

Rhonda Sutton and Jana Futch will their ability to make people move away from them in meetings to any sour-faced people that need it.

I, Louise Kitchens, will my attendance record to Butch Brannon.

I, Terry Culwell, will my comb and my mirror to Ty Wayne McMurry.

I, John Minyard, will my Sr. football year to Mike Montague.

I, John Burson will my wit to Ty Wayne.

I, Mark Hutsell will my Sr. basketball year to David McCoy.

I, Mikel Grady, will Jack to Wylie Bomar and my John Wayne impersonation to David McCoy to add to his Elvis Presley.

I, Dan Gamble, will my intellectual powers to the Junior Class.

I, LaNell Stephens, will to Susie Parker whatever she thinks that I could possibly have that she might want. You know what I mean.

I, Stan Martin, will an extra big pair of ear muffs to Barry Bullock because they were too big for my mule.

Kaedeon leaves her good times in one-act play to Mike Montague in hopes that he won't have to put up with any gripes next year.

We, Mark Hutsell and John Minyard, wish to will the trust fund to the track regional qualifiers so they won't have to pay for their own meals.

The Class of '73 leaves the Government Class to the Class of '74. Hope y'all get treated as good as we did but watch out for that first semester test.

I, Rhonda Sutton, will my sought after title of "Best All Around Orthopedic" to Crai, I hope you enjoy all your sick days as I did.

Cris Gill and Stan Martin will to Barry Francis their four barrels and their old red Studebakers and white Plymouths with all the crashes and dents left in.

I, Pam Hutsell, will to Jana Cross my spot in the hall for all my letter writing since you will be doing the same thing next year.

I, Tim Wilson, will my position

Miss Loyd Honored At Bridal Coffee

Miss Anita Loyd, bride-elect of Larry Scott, was honored with a miscellaneous bridal shower on Saturday, May 5, from 9:30 until 11:00 a. m. at the Pioneer Room of the First State Bank.

Guests were greeted by Mrs. Freeman Tate and presented to the honoree, her mother, Mrs. Truman Loyd, and the prospective bridegroom's mother, Mrs. Zant Scott.

Guests were registered by Miss Mignone Rauch.

Misses Karen Holt and Marilyn Minyard served coffee, spiced tea, miniature filled cream puffs, pecan and apricot tarts. The serving table was covered with a lace-edged white cloth. The centerpiece was a permanent arrangement of pink and white tulips. A silver coffee and tea service and white China edged in silver were used to serve the guests.

Out-of-town guests were Mrs. Zant Scott of Floydada; Mrs. G. W. Forkes and Mrs. Philip Langen, Canyon; Mrs. James Ellerd, Plainview; Mrs. A. L. Lee, Tulia; Mrs. Jack Williamson, Susan, Carol and Jackie, Olton; and Mrs. Oliver Clark, Quitaque.

Hostesses were Mrs. Freeman

Tate, Mrs. Allen Kellum, Mrs. Gene Vaughan, Mrs. Berton Hughes, Mrs. J. W. Reid, Mrs. Wylie Bomar, jr., Mrs. Johnnie Lanham, Mrs. Roy Montague, Mrs. Robert Rauch, Mrs. Roy S. Brown, Mrs. Marvin Montague, Mrs. Lyndal Carey, Mrs. Louis E. Grabbe, Mrs. Rex Holt, Mrs. Don Garrison, Mrs. Paul Reid, Mrs. Jack Robertson and Mrs. J. E. Minyard.

Club Has Mothers Day Tea

The L. O. A. Junior Study Club hosted its annual Mother's Day Tea Monday, May 7 at 4:00 p. m. in the Fellowship Hall of the First Baptist Church. Honored guests for this year's tea included mothers, mothers-in-law and grandmothers of club members.

Mrs. Fred Edwards gave the devotional, "Just Mother." Roll call was the introduction of guests.

The program, "Mothers Are Forever," was given by club member, Mrs. William Powell, Briscoe County Extension Agent.

Hostesses Mrs. Wayne Nance and Mrs. Edwards served refreshments to Mrs. Lem Weaver, Mrs. H. A. Cagle, Mrs. Powell, Mrs. Jerry Baird, Mrs. Bryant Eddleman, Mrs. W. J. Copeland, Mrs. Doyle Stephens, Mrs. Lynn Frizzell, Mrs. Milton Frizzell, Mrs. Randall Eddleman, Mrs. J. C. Hill, Mrs. Stanley Fogerson, Mrs. Ted Elliott, Mrs. Ware Fogerson, Mrs. Florence Fogerson, Mrs. Gary Weeks, Mrs. Oscar Weeks, Mrs. Nell Clem, Mrs. John Schott and Mrs. Pete Chitty.

as number two to the person of Susie's choice.

Micki, Ann and Kaedeon leave to Wylie, Ty and Jana their will to walk to town for dinner through rain, snow, sleet, and wind every day of the school year.

John M. and Mark will some of their extra long hair that he doesn't care too much for to Mr. Whelchel because he is losing a little bit up front.

To everyone Karen Tiffin leaves her ability to stay happy while going to school.

I, Mildred Gates, sponsor of the Class of '73 will to the world the courage to go on with this class after you have called the whole thing off.

We, the Sr. Class of '73, being of pickled mind and polluted body, leave these coveted treasures to all our friends.

We've Got The Only WATER HEATER In Town That You Can Install Anywhere

An electric water heater can be installed anywhere you need hot water... in the utility room... in the kitchen... in the bathroom. No flue or vent is required. Water pipes and an electrical outlet are all you need. Electric water heaters are insulated on all sides, so they're efficient. And, best of all, they give you all the hot water you need when you want it!

That's why we say—we've got the only water heater you can install anywhere!

WE SELL 'EM - Call Us! 18-2

A Crown for Mother

You, as a Mother, are honored by your children on a special day — Mother's Day. How the little things they make for you with their own small hands please you and warm your heart.

It warms and quickens the heart of God when you honor Him on His special day. "Remember the Sabbath Day, to keep it holy." Exodus 20:8. Worship God on this next Sunday in the church of your choice. We should honor our loving Heavenly Father even as we expect our children to honor us.

Attend church on Mother's Day.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

The Tye drill does the work of three conventional planting machines

Converts quickly from broadcast to single- or double-row planting

Two-, four-, six- and eight-row models.

Simple measurement and easy crank adjustment on the seed cup shaft sets accurate seeding rates, uniformly at every seed outlet.

- Uniform, accurate seed distribution; planting rates set by simple crank
- Adjusts to tops and bottoms of beds for uniform planting across entire width of drill
- Double disc openers place seed at proper depth
- Plant sorghum, wheat, soybeans, castor beans, cotton and many other crops.

Seniors Honored At Church Luncheon

Silvertown Church of Christ honored the seniors of 1972-73 with a Mexican Style Luncheon Wednesday, May 2. All 27 seniors attended.

Special guests were Principal and Mrs. Robert Welchel, Superintendent and Mrs. O. C. Rampley and the class sponsor, Mrs. Monroe Gates and Mr. Gates. John Burson gave the invocation. Keith Marshal, minister of the church, welcomed the seniors and extended congratulations. Mikel Grady responded on behalf of the Senior Class.

CARD OF THANKS

We would like to thank those who sent flowers, cards and food at the time of the death of my father. The Jerry Clayton Family

Thank you for all the kindnesses extended to my family and me while I was in the hospital and since I have been home. We appreciate the cards, flowers, visits, gifts, telephone calls and all the good things to eat that have been sent. I am deeply grateful to Gaston Owens for coming up from Quitaque to do my work for me and to Bro. Larry Wilson for visiting me at the hospital when my morale was at an all-time low. You will never know how much these expressions of friendship have meant. Mary Ann Sarchet
