VOLUME 65 NUMBER 46

Owls Manage Only One Score Against Clarendon

Weather Holding For Aoudad Hunt

Aoudad hunters have been blessed with good weather this week, and a total of 30 of the elusive exotic animals had been brought in to the three checking stations late Tuesday.

Junior Owls Host Cyclone Today

The Junior High Owls will host the Junior Cyclone from Memphis today in the team's last outing of the season. The concession stand will be open, and the Booster Club invites you to eat with them at the ballgame.

The game between the Junior High Owls and the Clarendon Colts turned out to be an exciting one last Thursday. The Owls dropped the game 26-42 to the Colts, but stayed in the game with four scoring drives.

Silverton's first score came in the second quarter on a 60 yard run by Doug McJimsey. McJimsey also carried the two-point conversion. The Owls scored again in the second quarter on a pass from Quarterback Brent Brannon to End Jacky Vaughn which covered 50 yards. There was no conversion, and at halftime the Colts held a 34-14 advantage.

Mrs. Callie Hulén Buried In Arizona

Rosary for Callie Brysen Hulén, 83, who moved to Phoenix, Arizona in 1938 from Albuquerque, New Mexico, was at 4:00 p.m. Sunday, November 4, at Arcadia Funeral Home there. Mass was at 9:30 a.m. Monday in the Church of St. Theresa in Phoenix. Burial was in St. Francis Cemetery.

Mrs. Hulén, a native of Texas, died Wednesday, October 31, at her home in Phoenix.

Survivors include two sons, Thomas W. and Kenneth D; four daughters, Thelma and Dortha Hulén and Mrs. Chris Pinson of Phoenix and Mrs. Bruce (Helen) Eddleman of Silverton, Texas; 10 grandchildren, including Randall Eddleman of Silverton; and 24 great-grandchildren, including Blaine, Barry, Brandon and Blake Eddleman of Silverton.

Ambulance Service To Elect New Officers

There will be a meeting of the Silverton Volunteer Ambulance Service at 7:00 p.m. Tuesday, November 27. New officers and directors will be elected.

the Barbary native sheep, and that day he bagged the animal that was still leading the contest Wednesday morning as the biggest aoudad killed this season. The aoudad weighed 235 pounds (not field dressed) and the largest of its curling trophy horns measured 31 1/2 inches.

There were four in the Hardy party of hunters, and they brought in three aoudad.

At the Briscoe County checking station, five aoudad were brought in Saturday, eight Sunday, five Monday and three Tuesday, for a total of 21. The other two stations had checked nine.

Deer Hunting Contest Announced

A deer hunting contest is being sponsored this year by the Silverton Young Farmers. A \$3.00 entry fee will be charged, and a trophy will be awarded to the hunter who kills the deer with the largest rack. Out-of-town entries will be accepted prior to the hunt; local entries will close November 16.

The contest will cover deer killed within a 50-mile radius of Silverton.

All proceeds will go to charity. You may enter at Hill Farm Supply or Service Elevator.

Vardell Rites Held In Byers Tuesday

Funeral services were conducted at 11:30 a.m. Tuesday in the First Baptist Church at Byers for Ben Leroy Vardell, 46, who died Sunday in a Dallas hospital.

The Rev. Jonny Probst, pastor, officiated. Burial was in Riverside Cemetery at Byers under the direction of Paul Hawkins Funeral Home.

Vardell, a cotton gin foreman, was born October 26, 1927, in Silverton, and was a resident of Byers for 10 years.

Survivors include his wife, Viola; two sons, Wayne and Jim of Wichita Falls; five brothers, Luther of Clovis, New Mexico, H. H. of Tulla, L. W. of San Angelo, O. T. of Dimmitt and W. P. of Silverton; and three sisters, Mrs. Bessie Kindrick, Mrs. Annie Williams and Mrs. Maggie Sweek, all of Silverton.

"Lubbock Cares" Coordinator Here For Meeting Tonight

Silverton Young Farmers and Young Homemakers will have an open meeting tonight (Thursday, November 15) at 7:30 at the Pioneer Room of the First State Bank.

Mr. Rick Grainey, coordinator of Lubbock Cares, will be the guest speaker.

Lubbock Cares is an organization of people who still care about the MIA and POW in Vietnam.

It is hoped that a large group of Briscoe County residents will attend to hear what can be done to help these men. Mr. Grainey will have some MIA bracelets and bumper stickers.

If you care, please attend.

Silverton's Owls managed only one score against the Clarendon Bronchos, who advanced to the state finals in Class A football last season, and lost the match 58-6.

The Owls will travel to Memphis Friday night for the last game of the season against the Cyclone, currently tied for first place in District 2-A with Clarendon and Claude.

At Clarendon Friday night, Broncho fans were listening to hear that Wellington had defeated the Claude Mustangs, because this would have resulted in Clarendon being all alone at the top of the heap again. But this news did not come. At halftime the Skyrocks did lead the Mustangs by one point, but when the final whistle blew, the Mustangs held a one point lead, and the district championship still remains in a three way tie. It seems certain at this point that it will be necessary to flip a coin to determine which team will represent the district.

The Owls were able to hold the Bronchos for the first 5:26 of the game, but after that the Bronchos put on a scoring show. It was one of the hardest hitting games Owl fans have seen. The first touchdown came on a five yard run by Kenneth King, who was almost a one-man offensive show during the

Community Thanksgiving Service Being Planned

The Community Thanksgiving Service for people of all faiths will be held at 7:00 p.m. on Wednesday, November 21, at the First Baptist Church in Silverton.

The Thanksgiving message will be given by Rev. Freddie Stice, pastor of the Assembly of God Church in Silverton.

Trap Shoot To Be Saturday

Silverton Young Farmers are sponsoring a trap shoot beginning at 9:30 a.m. Saturday at the rifle range west of town. Instead of having a turkey shoot this year, the club is having a 60-40 trap shoot, with cash prizes.

All proceeds of the project will be donated to Girlstown.

Junior High To Name Pep Squad Beau

The Junior High Pep Squad held a meeting Monday, November 12, 1973, to elect a Pep Squad Beau. The nominees and the Pep Squad Beau will be announced today at the Junior High Pep Rally.

—Brenda Cantwell, reporter

Square Dancers To Meet Tonight

Silverton's Square Dance Club will meet tonight (Thursday) at 8:00 o'clock at the old variety store building.

Paper Will Print Early Next Week

The Briscoe County News will go to press a day early next week due to the Thanksgiving holiday. The newspaper office will be closed Thursday through Sunday.

time he was in the game. King kicked the extra point, and the Bronchos led 7-0.

The Owls made a first down on a run by Craig Culwell before fumbling on the next down, and Clarendon recovered on the Silverton-45. The Bronchos scored two downs later on a 15-yard run by Jerry Holland. King's kick was blocked by the Owls, and with 5:45 still remaining in the first period, the Bronchos led 13-0.

Dean Ziegler ran the ensuing kickoff back to the Silverton-33, but the Owls were soon forced to punt, and Clarendon took the ball on their own 25 and ran for two first downs before sending King over for the score. King also kicked the extra point, and Clarendon held a 20-0 lead.

The Owls punted to the Bronchos as the first quarter ended, and this time Clarendon's offensive effort was stopped when Silverton recovered a fumble. Their next drive started after an Owl punt, and after picking up four first downs, the Bronchos scored on a 15 yard run by Stan Shelton. King kicked the PAT, and with 6:04 remaining in the first half, the Bronchos led 27-0.

Silverton fumbled, and Clarendon recovered, on the Owls' first play from scrimmage after the kickoff. Next play, King ran for a touchdown, kicked the extra point, "sold a few hotdogs in the stands," and with 5:14 still remaining in the quarter, the home team held a 34-0 advantage.

Clarendon intercepted an Owl pass the next time Silverton got the ball, and Gary Jack carried it all the way for another score. King kicked, and the score stood at 41-0 with 5:10 still on the clock.

Wheat Symposium Set For November 29

Wheat producers throughout the Texas Plains and North Central Texas will get a look at the total wheat production picture during a Wheat Symposium November 29 at the Holiday Inn-West in Amarillo.

Registration for the daylong meeting will begin at 9:00 a.m., according to R. J. Hodges, agronomist for the Texas Agricultural Extension Service, which is sponsoring the event along with the Panhandle Economic Program, South Plains Development Program and Rolling Plains Economic Program.

Setting the stage for the symposium will be Dr. E. M. Trev, Extension Service assistant director and state agricultural program leader. His talk will be on "The Challenge in our New Agriculture."

Discussions will follow on pest management, the disease, insect and weed situation, the fertilizer situation, irrigation, management and economics for decision making.

Speakers will be Extension Service specialists Emory Boring III, entomologist at Vernon; Dr. Frank Petr, area agronomist at Amarillo; Leon New, area irrigation specialist at Lubbock; Norman Brints, area economist at Vernon; and Marvin Sartin, area economist at Lubbock and Tom Beck with Diamond Shamrock at Amarillo.

Extension Service district agents W. W. Grisham, jr., of Amarillo, and J. G. Simmons of Vernon will provide remarks at the morning and afternoon sessions, respectively.

R. B. Dawson, chairman of PEP, and Bob Hillery, chairman of

David McCoy picked up a first down for the Owls before they were forced into a punting situation, but Clarendon was held in check and not allowed to score again before halftime.

Clarendon opened the second half by running the kickoff all the way for a touchdown. Once again, King kicked the extra point, and Clarendon was ahead 48-0 with 11:47 to go in the third period.

Silverton mounted its only sustained drive of the game after taking Clarendon's kickoff. On runs by Brent Bean, David McCoy, Craig Culwell and Ken Wood, the Owls drove to five first downs, arriving on the Broncho 12 yard line. From this point, McCoy carried the score with 6:21 remaining in the third period. Wood's two-point conversion try failed.

The Owls kicked off to the Bronchos, they fumbled on second down and the Owls recovered on the Clarendon-35. On second down, the Owls fumbled and Clarendon recovered on their own 32.

The ball changed hands several times and on the last play of the third quarter, Silverton fumbled and Clarendon recovered. On first down, King kicked a 35-yard field goal for the Bronchos. The ball see-sawed back and forth another few times, and twice more on first down the Bronchos attempted field goals.

After a Silverton pass interception, the Bronchos again went for a score on a run by Lynn Floyd. This was called back due to a 15-yard clipping penalty and a penalty for unsportsmanlike conduct (both against the Bronchos) was tacked on in a back-to-back penalty situation. Tommy Sparks carried a 60-yard touchdown for Clarendon with 2:16 remaining in the game. King kicked, and the final 58-6 score was made.

The Bronchos made 20 first downs, as compared with 13 for the Owls. Silverton lost the ball via the fumble route four times, and got the ball back that way twice. The Owls got several five-yard penalties for being offside, and the Bronchos were penalized 70 yards for six infractions.

Junior High Basketball District Zoned This Year

The 2-A Junior High Basketball District has been zoned this year, and each team will play half the teams in the district twice and the winner of each zone will have a playoff for the championship.

This will eliminate the boys and girls having to travel to the furthest reaches of the district on school nights. The Junior High Owl schedule is not complete yet, but following are the district games which have been scheduled.

Nov. 29-Dec. 1—Claude Tourn. Dec. 13—Clarendon, Here Jan. 4—Claude, There Jan. 10—Valley, Here Jan. 17—Clarendon, There Jan. 21—Claude, Here Jan. 31—Valley, There

Mr. and Mrs. Dwight Rampley and boys of Lamesa visited here over the weekend.

PREP, will preside over the sessions.

According to Hodges, the symposium will follow the annual meeting of the Texas Wheat Producers Association at the same location on November 28.

Tech Game Time Changed Due To Telecast

It has been announced that the Texas Tech - Baylor football game scheduled in Lubbock Saturday afternoon has been rescheduled to be regionally telecast. The game, originally slated for 2:00 p.m., is now scheduled for a 12:50 p.m. kickoff.

Plans were not made known that this game would be regionally telecast until Monday. This is the second year in a row that a Tech football game has been selected late in the season to be regionally telecast by the American Broadcasting Company. The pregame show will begin at 12:30 p.m.

It is hoped that a large crowd will be on hand at Jones Stadium in Lubbock Saturday to cheer for the Red Raiders, who own an 8-1 record in Southwest Conference action this season.

Basketball Season Opens Next Week

The Silverton High School Owls and Owlettes will make their '73-'74 debut Tuesday, November 20, at 5:00 p.m. at Happy. They will travel to Petersburg Friday, November 23. The varsity boys and girls and B-team boys will play games on both of these days.

The Owlettes have been working out at night for several days, and the Owls open cage workouts Saturday.

The teams were originally scheduled to travel to Hale Center on November 27, but the Hale Center boys are postponing this game because of going into the football playoffs. The girls will play their game as scheduled.

First tournament for the varsity teams will be at Clarendon December 6-7-8.

Mrs. Berta McDonald Buried Here Tuesday

Funeral services for Mrs. Berta McDonald, 87, a Briscoe County resident since 1891 who died at 4:00 p.m. Saturday in Kansas City, Missouri, were conducted at 3:00 p.m. Tuesday at the First Baptist Church in Silverton. Officiating was the Rev. James A. Mock, minister of St. Mark's Episcopal Church in Plainview. Burial was in the Silverton Cemetery, with arrangements under the direction of the Silverton Funeral Home.

Mrs. McDonald, born March 24, 1886 in Eastland County, came to Briscoe County with her parents, the late Mr. and Mrs. J. H. McClendon. She was a Presbyterian and a member of the Order of the Eastern Star.

Surviving are four daughters, Mrs. Blanche Wilmoth of Baltimore, Maryland, Mrs. Dorothy Nelson of Kansas City, Missouri, Mrs. Anita Dunn of Shreveport, Louisiana and Mrs. Virginia Bishop of Lubbock; one son, J. T. McDonald of Kansas City, Missouri; three sisters, Mrs. Frankie Foley and Mrs. Cass Fowler, both of Silverton, and Mrs. Nellie Payne of Hinsdale, Montana; one brother, John C. McClendon of Lubbock; and six grandchildren.

Mr. and Mrs. Edwin Davis and Mrs. D. H. Davis spent the weekend with Mr. and Mrs. Maynard Greeson and son in Sublette, Kansas.

RICHARD L. STEPHENS

Pfc. 11E20 Richard L. Stephens has been on a 30-day leave visiting his parents, Mr. and Mrs. Loyd Stephens, other relatives and friends. He finished his basic training at Fort Ord, California, and has been stationed at Fort Carson, Colorado. He will serve the remainder of his enlistment in Korea. He left for San Francisco, California on November 9.

Mrs. Fred Mercer Reports On Governor's Meeting

The Silvertown Young Farmers and Young Homemakers met at the PCA community room November 8 to hear Mrs. Jackie Mercer report on the Governor's Conference in Austin. Mrs. Mercer spoke on the part citizens can play in politics and also told of the progress Texas is making in agriculture today. Texas was third highest state in agriculture last year and is very close to being first this year. "Briscoe County can be very proud of its part in this progress," she said.

Mrs. Mercer told the group that they should not hesitate to use letter writing to Senators and other elected officials to try to change anything disliked about the government.

Following the program, appreciation was expressed to Mrs. Mercer for meeting with the group, and Cokes and cookies were served.

Young Farmers attending were Calvin Shelton, Donald Perkins,

Kenyan Missionary To Present Programs

Rev. Will J. Roberts will be at First Baptist Church in Silvertown Sunday, November 18, to present programs in observance of World Missions Day. He will show slides at 10:00 a.m. and 5:00 p.m., and will bring missionary messages at 11:00 a.m. and 6:00 p.m. A fellowship with refreshments will be at 3:00 p.m.

The Rev. and Mrs. Roberts, appointed Southern Baptist Missionaries in March 1962, are stationed in Nyeri, Kenya.

Roberts teaches and preaches in Baptist Churches and preaching points in the Nyeri and Meru areas, supervises the opening of new missions, oversees church building projects and works with national pastors.

Roberts describes the Nyeri area, once the scene of Mau Mau terrorism, as a place of "mushrooming" Baptist growth. "Our opportunities for expansion are limited only by our strength and the need for more pastors," he says.

Wayne Stephens, Tobe Riddell, Jim Myers, Harold Gidden, Stan Martin, Bill Rumpy, Derrell Martin, Fred Minyard, Harvey McJimsey, Jerry Baird, Leland Wood, Joe Bennett and Charlie Parker. Young Homemakers present were Betty Stephens, Fay Perkins and Lois Stephens.

"Many large farms, formerly owned by Europeans, have been purchased and divided up as settlements for African farmers. These settlements, which have no churches, present a great challenge to witness for Christ."

Mrs. Roberts assists with her husband's office work, is school-teacher for her youngest daughter and participates in Baptist women's work.

Appointed by the Foreign Mission Board in 1962, Mr. and Mrs. Roberts studied the Swahili language in Dar es Salaam, Tanzania, before going to Nyeri in June 1963.

Roberts went to Africa on a three-year pastorate at Jean (Texas) Baptist Church. A native of Sweetwater, Oklahoma, he was graduated from Oklahoma Baptist University, Shawnee, with the bachelor of arts degree, and from Southwestern Baptist Theological Seminary, Fort Worth, Texas, with the bachelor of divinity degree.

During student days he served as pastor of Rhea Baptist Church, Leedey, Oklahoma; summer missionary in Kansas under the Southern Baptist Home Mission Board; and evangelist in Oklahoma, Texas, Kansas and Arkansas.

In 1958 he and his wife were summer missionaries to the Bahama Islands in a program sponsored by Southwestern Seminary.

The Roberts family includes four daughters: Esther was born in 1959, Ruth in 1961, Rachel in 1964 and Deborah in 1966.

New Officers Elected By Haylake Club

Haylake Club met Friday, October 26 in the home of Mrs. Susie Autry. Ten members and one guest, Mrs. Georgia Allard, were present.

Officers elected for the coming year were Mrs. Autry, president; Mrs. Maud McJimsey, vice president; Mrs. Ella Leah Riddell, secretary; Mrs. Glenna McGavock, reporter.

It was decided that gifts would be exchanged with secret pals every three months.

The next meeting will be November 29 with Mrs. Crum as hostess.

Dr. and Mrs. John Boyd were called to the hospital bedside of the daughter and three grandchildren of their friends, Mr. and Mrs. Jeff Christian of Durant, Oklahoma. Their daughter, Diane Davis, and her children were seriously injured in an automobile accident. The youngest daughter, Kelly, 10, died as the result of her injuries, and the others were being treated in three separate hospitals.

Dr. and Mrs. Boyd attended a TOMA meeting in Lubbock Friday night, were in Bonham Saturday and Lowake on Sunday.

Mr. and Mrs. Pat Boothe daughter spent the weekend visiting relatives in Kansas.

Dr. Boyd will be in Dallas this afternoon for a meeting and will attend TOMA meetings in El Paso over the weekend. He is to be in Houston November 30-December 1.

Mr. and Mrs. Pat Boothe daughter spent the weekend visiting relatives in Kansas.

ITCHING LIKE MAD?

Get this doctor's formula. Zemo speedily stops torment of externally caused itching, eczema, minor skin irritations, poisonous insect bites. Decongests nerve endings. Kills millions of face germs. "De-itch" skin with Zemo—Liquid or Ointment.

LEARNING GOOD HABITS EARLY

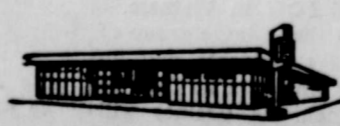

"Train up a child in the way he should go: and when he is old, he will not depart from it."

This statement (made by Solomon, thousands of years ago) is just as true and vital today as it was then.

Teach your children the good practice of saving for the future. Teach them to attend worship services in God's house by taking them

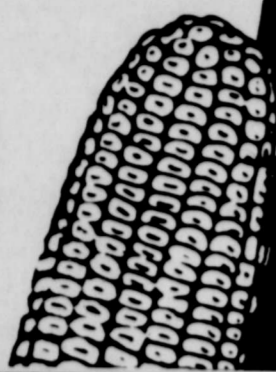

**EVERYONE IN THE CHURCH
 THE CHURCH IN EVERYONE**

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

**Man-
that's
Corn!**

Mr. Farmer, before you book your Corn Seed this year, look at your neighbors' high yielding results after planting P-A-G SX-520, SX-98 or 344. He'll have high praise for the top yields, standability and threshability plus many of the other high quality characteristics found in P-A-G Hybrid Corns.

In 1973 tests conducted on the John Bridges farm 2 miles north of Earth, SX-520 yielded NUMBER ONE out of 16 hybrids entered with 10,449 lbs. (186.6 bu) per acre.

Bobby G. Free of Muleshoe plans to plant 100% of his 1,400 acres to SX-520 and SX-98 because of their extra yield, threshability and the way they stood.

On the Charlie Myers farm east of Friona, P-A-G's SX-98 yielded 11,215 lbs. (200.3 bu) per acre.

In a 1972 Briscoe County Agent Test, P-A-G 344 yielded 9,309 lbs. (166.2 bu) per acre making it the number one corn tested on the Ray Teeple farm near Silverton.

344
A 3-way cross highly recommended for farmers who want a Hybrid Corn just a little earlier in maturity. 344 features medium tall plants of dark green color, with large, girthy ears. This is a proven, consistent yielder.

SX-520
This P-A-G single cross is a fast germinating, vigorous, high yielding "new breed". It responds quickly to a heavy, balanced fertilizer program and it's adaptable to a wide range of conditions. P-A-G researchers have been impressed with its standability under the stress of high plant populations. SX-520 is an excellent combine corn.

SX-98
If you insist on "the very best", insist on this real producer. This distinctive dark green plant features relatively upright leaves for maximum light utilization. SX-98 has a bred-in "digestive system" that gives it the capacity to make full use of large amounts of fertilizer.

Find out, first hand, about the advantages of planting P-A-G Hybrid Corns and then contact your local Dealer. Order early and be sure you ask about the attractive booking bonuses available to all P-A-G customers.

MR. AND MRS. GLEN L. GROSDIDIER

Appointed Missionaries to Southeast Asia

Mr. and Mrs. Glen L. Grosdidier were appointed as missionaries to Southeast Asia November 6 during a meeting in Richmond, Virginia of the Southern Baptist Foreign Mission Board. They will be stationed in the Philippines where he will work at a missionary children's school.

When they were appointed for missionary service they were students at Southwestern Baptist Theological Seminary (SWBTS) and he was a substitute teacher in Fort Worth. They were also members of the South Hills Baptist Church in that city.

Grosdidier, a native of New London, Texas, was graduated from Kilgore Junior College with the associate of arts degree; Sam Houston State University, Huntsville, with the bachelor of arts degree; and West Texas State University, Canyon, with the master of education degree. He also attended Hardin-Simmons University, Abilene; North Texas State University, Denton; and Stephen F Austin State University, Nacogdoches.

Mr. and Mrs. Berton Hughes returned from Houston last week where they visited their son, Robert, and his roommate, Mike Johnson. They attended services Sunday at the First Baptist Church in Houston, where Mike is assisting with the ministry of translating for the deaf. They attended the University of Houston vs. Florida State football game Saturday night in the Astrodome. Robert took them on a tour through the fabulous architectural masterpiece Hyatt Regency Hotel where he works as supervisor of the front office.

Mrs. W. D. Peugh has returned home after spending two weeks

Mrs. Grosdidier, the former Ruth Trahan of Beaumont, was graduated from SFASU with the bachelor of science and master of education degrees. She also attended Lamar State College of Technology (now Lamar University), Beaumont, H-SU and WTSU.

Before they enrolled at SWBTS they were school teachers in White Oak and Longview. He had previously taught school in Corpus Christi and Silverton.

The Grosdidiers have four children: Matt, born in 1959; Aaron, 1961; Glenna, 1964, and Rhonda, 1966.

in Amarillo with Mr. and Mrs. J. J. Wellman, Cindy, and the family's new baby, Tricia Deanne.

Mrs. Leo Fleming, Annette, Scotti and Cary visited Mrs. Paul Ray McWilliams and Dee in Lubbock Saturday and attended the program at the Woody Planetarium in the afternoon.

MR. AND MRS. JERRY MARTIN BEAN

Meier - Bean Vows Exchanged Recently In Houston Ceremony

Miss Vicki Lynn Meier and Jerry Martin Bean exchanged nuptial vows on September 22, 1973. The wedding took place at Zion Lutheran Church, Houston, and was officiated by Pastor Elias Rode. Mr. and Mrs., Leslie Meier of

Houston are the parents of the bride, and the groom's parents are Mr. and Mrs. Martin Bean of Silverton.

The altar was adorned with candles and vases of gladiolas and pom poms.

Wedding music was provided by Mrs. Sharon Davis and solos "Entreat Me Not to Leave Thee" and "The Lord's Prayer" were sung by Miss Lucy Haydon.

Given in marriage by her father, the bride wore a dress of satin and merrimist, designed and made by her mother. The long-sleeved empire dress was adorned with lace and daisy trim making an apron pattern on the front of the dress. The train which attached at the empire waist was also adorned with the lace and daisy trim. She wore a three-tiered cathedral veil which attached to a Juliet cap. Her bouquet was an arrangement of white gladiolas and pom poms surrounding a white orchid.

For something new the bride wore a pearl and diamond necklace given to her by the groom; for something old her mother's first wedding band; something borrowed was a handkerchief from Mrs. Debbie Haines, and something blue was her garter. She also carried pennies bearing the birthdates of the groom and herself.

The maid of honor was Miss Margaret McClosky Other attendants were Misses Sheri Dworsky, Donna Adams, Beverly Bryan and Kim Date. Each wore a different colored dress of pink, blue, yellow, green and purple. The dresses were designed along empire lines with puffed sleeves, and were fashioned of taffeta and voile and adorned with butterflies of the five different colors. Each wore a matching hat with a satin bow in back. Their bouquets were of carnations in rainbow colors showered with multi-colored ribbons.

Jim McWilliams of Silverton was the best man. Groomsmen were Danny Vaughan of Silverton, Mike and Leslie Meier of Houston, brothers of the bride, and Randy Berryhill of Dimmitt. Each wore a colored shirt and carnation matching the attendant he escorted.

Miss Kerrie Fitzpatrick was the flower girl and Master Donald Haar was the ring bearer. Ushers were David Kiemsteadt, Jerry Kiemsteadt, Donald Meier and Darrell Meier.

The reception was held at the Ramada Inn with country and western music provided by the Kountry Kustoms. Serving assistants were Nina Bennett, Linda Burkett, Nancy Moseley, Susan Adams, Nell McDowell, Sandy McClosky, Lucy Widaski and Dorcas Haferkamp.

The bride's cake was five tiered

Residents Praised For Interest In Rural Community

State Representative Phil Cates commended those from this city who recently attended the Governor's Conference on Texas Rural Government.

"People in our small towns and rural areas must continue to get involved in the workings of government at every level," Rep. Cates stated.

"I believe in the people in the Texas Panhandle and know that they want good government. We must continue to strive for this kind of positive action. It is of utmost importance to the state and the nation that the people of this district attend conferences whenever they can so that government will be more responsive to them."

Governor Dolph Briscoe's office announced that those attending the Texas Rural Government Conference from Silverton were Stanley Fogerson, Junis Hutsell, Jackie Mercer, Doc Simpson, O. C. Rampley and Jimmy Vanstory.

Danna Garvin spent the weekend in Pampa visiting Mr. and Mrs. Eugene Jennings and family. Mr. and Mrs. L. B. Garvin, jr. took Danna to Pampa Friday afternoon and returned her home Sunday afternoon.

Mrs. J. M. Hill of Tulia, Mrs. Charles Sarchet, Ken Sarchet and Randy Clay attended the program at the Woody Planetarium in Lubbock Saturday afternoon. The boys also visited Tim Marshall at Methodist Hospital.

Mr. and Mrs. Pat Northcutt, Susan, Christi, Judy, Sally, Brandon and Warren were in Lubbock Saturday and visited the museum.

with birds of paradise atop the first layer and the traditional bride and groom on the fourth layer. The cake was adorned with flowers in rainbow colors.

The groom's two layered cake was topped with a miniature tractor and cowboy boots.

The bride is a 1972 graduate of Sam Houston High School in Houston and attended Texas A&M University. The groom is a 1970 graduate of Silverton High School and also attended Texas A&M University.

Following a honeymoon to New Braunfels and Lubbock, the couple is at home on Route One, Silverton.

Arthritis Sufferers: WAKE UP WITHOUT ALL THAT STIFFNESS!

New formula for arthritis minor pain is so strong you can take it less often and still wake up in the morning without all the pain's stiffness. Yet so gentle you can take this tablet on an empty stomach. It's called *Arthritis Pain Formula*. Get hours of relief. Ask for *Arthritis Pain Formula*, by the makers of *Anacin* analgesic tablets.

Stomach Upset by Gas and Acid?

Di-Gel with Simethicone quickly relieves both acid and gas. This unique discovery breaks up and dissolves trapped gas bubbles. Your relief is more complete because Di-Gel takes the acid and the gas out of acid indigestion. When you eat too well, demand Di-Gel. Tablets, liquid. Product of Plough, Inc.

24 envelopes, 3 assorted bright colors
4-5/8" x 3-5/8"

TOMA District 10
Annual Meeting
Professionals in the health care delivery system of Texas have united behind an intensive effort to have the State of Texas designated as a single Professional Standards Review Organization (PSRO), Dr. John H. Boyd, President of the Texas Osteopathic Medical Association told members of TOMA District 10 at his fifth presidential visit of the 15 districts of TOMA. The meeting was held at the Lubbock Club in Lubbock at 7:00 p.m. Friday, November 9.

An equally intensive effort to create several autonomous PSRO areas within the State of Texas is being carried on by the staff of the U. S. Senate Finance Committee and the Department of Health, Education and Welfare (DHEW) office of Professional Standards Review and Senator Bennett of Utah. Texas physicians have created the Texas Institute for Medical Assessment (TIMA) and has twice proposed formally to DHEW that TIMA be designated the contractor to implement the PSRO statute on a statewide basis from the standpoint of administration but based upon the work of the utilization review committees in local hospitals, nursing homes and other institutions. Dr. Boyd said TOMA, TMA, THA and their allies sent a delegation to Washington October 4 to meet with 22 Texas Congressmen including U. S. Representative George Mahon of Lubbock and U. S. Senator Lloyd Bentsen. Members of the delegation met with Senator John To-

wer the next day and the other two Congressmen who were unable to attend the October 4 luncheon. The Texas effort to get a single statewide PSRO designation received the support of the Texas Congressmen and, in addition, Senator Bentsen immediately following the meeting introduced an amendment to the PSRO statute which was approved by the Senate Finance Committee, Dr. Boyd reported. The Bentsen amendment would specifically allow statewide PSROs and would prevent the Secretary of DHEW from denying statewide designation purely on the basis of the number of physicians within the borders of a state.

Later in the month Dr. Henry Simmons (M.D.), acting head of the DHEW office of Professional Standards Review, met in Dallas October 17 with the TIMA steering committee which is composed of M. D.s, D. O.s, hospital representatives, Texas medical school representatives, the Medicare-Medicaid fiscal agent, and other important segments of the health care delivery system. This meeting was

the night before the second formal hearing October 18 called by DHEW in Dallas. Dr. Boyd said that the TIMA proposal also has the support of nurses, nursing homes, podiatrists, private hospitals, State Health Department, Welfare Department, State Office of Comprehensive Health Planning, Blue Cross-Blue Shield, Texas Medical Schools and numerous county, district and specialty medical societies, both M.D. and D. O.

Dr. Simmons held firmly to the line that Texas would be divided into several PSROs and the TIMA Steering Committee held firmly to its support of the single state PSRO designation because it would be less costly to the taxpayer and be more efficient in insuring that Medicare and Medicaid patients received quality medical care. At the October 18 regional hearing Dr. Boyd said there was only the single TIMA proposal for PSRO designation in Texas, although the entire health care industry had been invited to make proposals.

Dr. Joseph T. Painter (M.D.) of Houston, chairman of the TIMA Steering Committee, concluded his presentation to the formal hearing with this:
1. The licensed physicians of Texas formally resubmit their request for PSRO designation of the State of Texas as a single PSRO area.
2. The licensed physicians have developed a qualified, physician-sponsored group, The Texas Institute for Medical Assessment, to support rapid implementation of Professional Standards Review within the state.
3. The licensed physicians of Texas, with the full support of medical schools, hospitals, nursing homes, state agencies, fiscal intermediary and the professional organizations of the providers, intend to meet fully any and all obligations under the law through the implementation of single state PSRO under the Texas Institute for Medical Assessment.

MONKEY BABY: Clarissa H. Beatty, Ph.D. (r.) and Rose Mary Bocek, Ph.D. give "mother love" to cuddly infant rhesus monkey at Regional Primate Research Center in Beaverton, Ore. The physiology of monkeys is being investigated in a scientific research project sponsored by Muscular Dystrophy Associations of America. Because monkeys are more biologically similar to humans than are most laboratory animals, Dr. Beatty and her co-workers hope their study of the muscle metabolism of the rhesus monkey during development and growth will yield data useful to understanding the dystrophic process in children. Dr. Beatty's research endeavor is just one of over 220 MDAA-supported studies now underway in leading hospitals, universities, and research centers in the U.S. and 13 foreign countries. The Association's worldwide research program, aimed at conquering MD and related crippling disorders, is principally financed by dollars raised through the annual *March Against Muscular Dystrophy*.

A vigorous campaign has been launched nationally to gain support for the Bentsen amendment which would specifically allow the designation of single state PSROs. The TIMA plan is to save the government money by having a single state contract with subcontracts for local peer review, Dr. Boyd declared.

*** NEW ARRIVAL**

It's a new Land Bank serving a new agriculture in new ways

Over the next ten years, agriculture will require a minimum of \$80 billion in new financing to meet unprecedented changes and challenges. Because there is a Federal Land Bank—created to insure an abundance of capital at reasonable rates—you can have more confidence this need for credit will be met.

The Land Bank will continue to obtain loan funds in the nation's money markets on the very best terms it can. It will continue to make financing available to farmers and ranchers at reasonable cost. And with increased flexibility now permitted by the Farm Credit Act, it will help more people in more ways.

Today, more than ever, you should understand the operation of your Federal Land Bank. If you are not an Association member, let's get acquainted. If you are a member, let's get better acquainted. Let's work together... to build a secure place for you and your family in a viable, prosperous agriculture.

News For Homemakers

from
MRS. DOROTHY POWELL
Briscoe County Extension Agent

SELF-ESTEEM IS IMPORTANT

Most parents have hopes and dreams for their children—and the children they work with.

They want them to have inner-confidence, a sense of purpose, success at school and work, meaningful relationships with others, and most of all, happiness.

Behavioral scientists contend that if a child has high self-esteem, his chances of attaining his—and his parents'—hopes and dreams are much better.

According to research conducted by Stanley Coppersmith, University of California, most successful men and women have an attitude called self-esteem.

Some define self-esteem as how a person really feels about himself—how much he likes or respects himself.

High self-esteem is one of the most crucial ingredients of mental health. Therefore, helping children build high self-esteem is a key

to successful parenthood.

A child builds his identity from words and actions directed to him.

Words have power—when a child is told by a parent that he's bad, he believes it. If he lives with constant negative comments, he may develop a dim view of himself.

Adults often use words to convey judgment—such as messy, rude, mean, good and nice. Such judgments can put a child on the defense and encourage him to tune you out.

There are ways of reacting to a situation rather than simply judging it. For example, encourage the child—or help him a bit.

A child who lives with a reactor rather than a judge will understand he's loved even though some of his behavior isn't acceptable.

A healthy child sees himself as separate from his acts. If he's to have self-esteem, a child must have a sense of personal value independent of his behavior.

Fertilizer Supplies Expected To Be Tight

"There is much concern and uncertainty about the supply of most nitrogen and phosphorus fertilizers for use this fall as well as next year," says County Extension Agent Jimmy Vanstory.

Limited power sources for processing phosphates plus export contracts have caused suppliers to allocate materials to dealers in amounts lower than those of last year. It is anticipated that the shortage will continue into next year at least.

"Nitrogen materials are also in short supply due to natural gas limits," notes Vanstory. "If production is again limited this winter, supplies will be especially short next year."

Potash supplies look favorable if transportation is available to move them when needed.

"With the anticipation of limited fertilizer supplies, it is more important than ever to base fertilization practices on soil and crop requirements," contends Vanstory. "It may even be necessary to establish priorities as to where to apply the fertilizer that can be obtained."

Since the time of applying phosphorus can be varied without a high risk of reduced yields, producers should consider applying this fertilizer when it is available. Phosphorus can be applied in the fall for both forage and field crops.

However, there is less flexibility in applying nitrogen without a yield reduction or low fertilizer efficiency. If nitrogen must be applied at a time not expected to give optimum results, the rate should be increased to offset the expected reduction in available nitrogen.

"A reliable soil test provides valuable information for deciding the rate of fertilizer application as well as establishing the priority of each field if supplies are limited," says Vanstory. "Early sampling will give enough time to plan a sound fertilization program."

Bobby McPherson, Scotti Fleming, Bob Ann Whelchel, Cam Forbes, refreshments; Zane Reagan, Mike Cornett, Paul Brannon, games; Bill Settle, David Vaughn, Brenda Boling, clean-up. Refreshments were served and the meeting was dismissed. Next meeting will be December 10, 1973.

—Bob Ann Whelchel, reporter

4-H DOINGS

The 4-Leaf Clover 4-H Club met Monday, November 12, 1973. Paul Brannon called the meeting to order. Karen Martin read the minutes and called the roll. Those present were Scotti Fleming, Kathryn Bomar, Staci Mayfield, Rose Lee Perkins, Carol Stodghill, Brenda Boling, Shelly Harris, Kimberly Fitzgerald, Debra Peel, Penny Cogdell, Lori Mercer, David Vaughn, Roger Cantwell, Andy Fabela, Mike Cornett, Kelly Comer, Greg Hill, Zane Reagan, James Jarrett, Bobby McPherson, Bob Ann Whelchel, Paul Brannon, Cam Forbes, Karen Martin, Dee Anne Peel, Mark Patton, Jeff McCord, Susie Tipton, Bill Settle, Robert Galan, Cynthia Hale, Walter Perkins.

Bettye Whelchel was the leader and Brenda Payne was the Junior leader. Guests were Jeff Whelchel and Dorothy Powell.

Roger Cantwell gave the American Pledge and Cam Forbes the 4-H pledge. Mrs. Powell announced that December 4 at 5:30 there will be a record workshop. Lion hunting was played, and the following committees were appointed:

FREEZONE IS FOR CORNS THAT HURT.

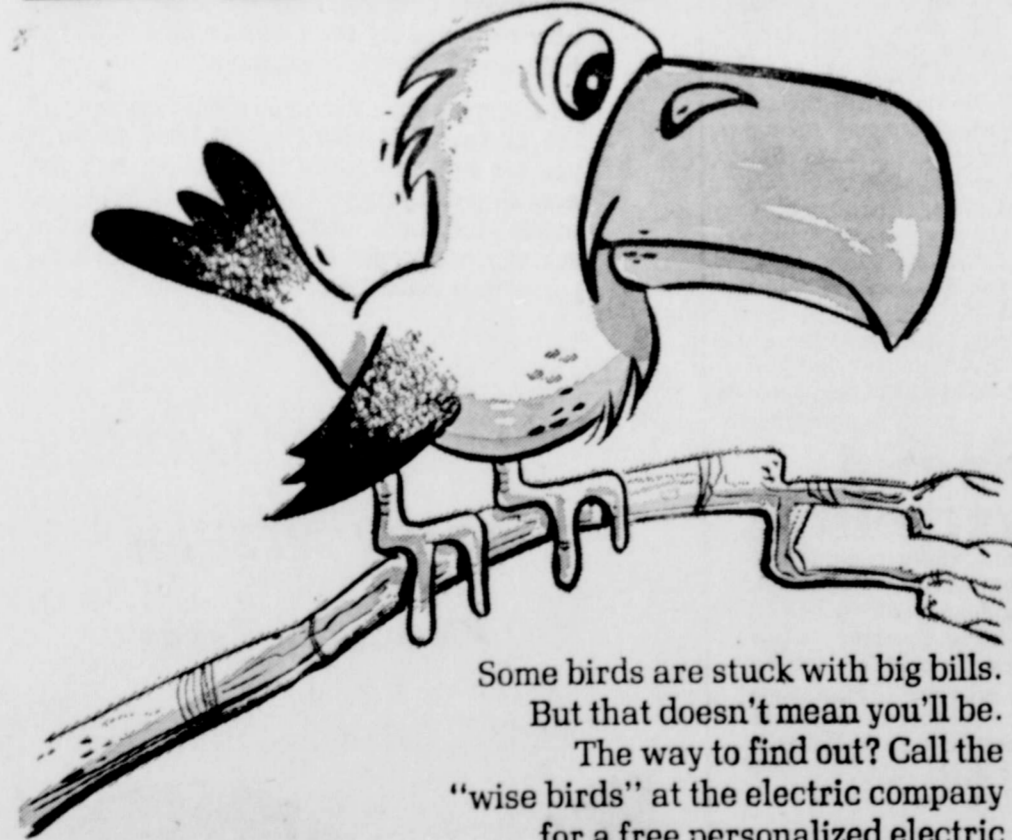

Why fool around with painful corns, when Freezone can help you remove them. Try it. You'll see. In just days, the corn will be gone... the hurt will be gone. Painlessly. No dangerous cutting. No ugly pads or plasters. Drop on Freezone—take off corns.

Helps Shrink Swelling Of Hemorrhoidal Tissues

caused by inflammation
Doctors have found a medication that in many cases gives prompt, temporary relief from pain and burning itch in hemorrhoidal tissues. Then it actually helps shrink swelling of these tissues caused by inflammation. The answer is Preparation H®. No prescription is needed for Preparation H. Ointment or suppositories.

Big Bills???

Some birds are stuck with big bills. But that doesn't mean you'll be. The way to find out? Call the "wise birds" at the electric company for a free personalized electric heat cost estimate for your home.

A Look at the Cross on THANKSGIVING

"Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted."

"But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed."

"All we like sheep have gone astray: we have turned every one to his own way; and the Lord hath laid on him the iniquity of us all." Isaiah 53:4-6

Our prayer this Thanksgiving Season is that everyone will attend the house of God, giving thanks unto him for his great gift, which is eternal life through his son.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.

CARD OF THANKS

We would like to thank all our friends for their prayers, phone calls, letters and cards during my recent illness. May God bless each of you. Bob and Jackie Gerhardt

I would like to thank each and every one for all you did for me, phone calls, prayers, gifts and visits, while I was in the hospital and for the food and visits after I got home. I appreciate so much all the nice cards I received. May the good Lord bless each and every one. Mrs. M. L. Welch

We would like to thank all our friends for the beautiful flowers and for the many acts of kindness shown us in the loss of our loved one, Vernell Cowart. Charles Cowart Mr. and Mrs. Gary Pelfery Mr. and Mrs. Charles E. Cowart

We would like to thank all those who helped and called and showed concern when I had my accident. We appreciate it very much. Brett and the Gill family

WORLD POPULAR GIFT BIBLE with concordance (King James Version), \$3.50. White imitation leather binding, stained edges. Briscoe County News. 14-tfc

JERRY LEWIS LULLABY: With love in his eyes and in his heart, Jerry holds a healthy young friend as he appeals for public support of his 1973 Labor Day Telethon for Muscular Dystrophy Associations of America. As MDA's National Chair-man, Jerry has devoted 22 consecu-tive years to promoting Associa-tion programs aimed at helping hun-dreds of thousands of afflicted young-sters he calls "my kids"—children crippled by dystrophy and related neuromus-cular disorders. MDA sponsors a worldwide research effort to find cures for these tragic diseases, and also maintains a wide-ranging pa-tient service program which includes a network of free clinics across the U.S. and in Puerto Rico and Guam. These costly programs are supported almost entirely by voluntary contri-butions to Jerry's star-studded Tele-thon and to the Association's annual March Against Muscular Dystrophy communities throughout the U.S.
