BIGGER IN BRISCOE
Who says they don't grow the best and best produce in Briscoe County?

A few days ago Edwin May bought in a sweet potato that weighed seven pounds. People who saw it here weren't quite what they were seeing because it was so big.

Last week Mrs. Lark Miller bought a turnip that weighed four pounds. She gave us, we cooked it, and it was good a pot of turnip as anyone could wish for—and it was a LOT of turnip.

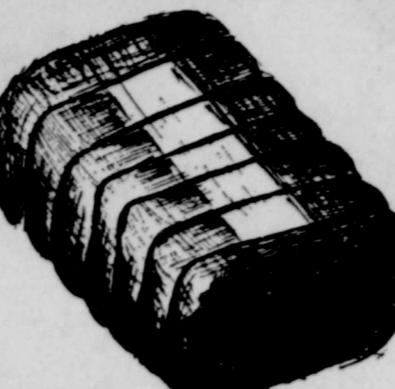

Tuesday morning Bill Williamson stopped Mrs. Miller's brag with an eight pound turnip that he had at his home in Silverton. Wayland Fitzgerald was in office while Williamson was there, and she reported that she carrots that big also.

Owls Hosting Shamrock Irish

Silverton's Owls will play host to the Shamrock Irish Friday at 7:30 p.m., and it will be the first time these teams have played.

School Annuals Now On Sale Here

The 1974-75 Silverton School annuals went on sale November 4. Sales will continue through November 7 at the following prices:

Annual without name, \$6.00; Annual with name imprinted on the cover, \$7.00.

After November 7, all annuals will sell for \$7.00 and no name will be imprinted on the cover.

Please plan to purchase your new annual before November 7 to take advantage of having your name printed on the cover.

Parents of elementary and junior high students are urged to send annual money to home room teachers no later than November 7. Others may purchase an annual from Colleen Hutsell, Jack Robertson, Jr., Ken Sarchet, Ruth Ann Cline or Mrs. Faye Rampley.

Weight-wise the best the Owls can come up with is one 200 pounder and four who weigh in the 170's. The Irish roster shows six players weighing 200 pounds, for an average of 221 pounds for their heaviest six players. The heaviest six Owls average 176½ pounds.

On their last road trip of the season, the Owls lost by a 58-0 margin to the highly-rated Memphis Cyclone. Memphis will be a shoo-in for the District Championship if they get past the Wheeler Mustangs this week. About the only thing that can happen to the Cyclone now is to get to thinking about the playoffs so much they get slipped up on. They were reported to be scouting Stinnett last Friday night.

The Owls played a better game against Memphis than the score would indicate, looking better than they did the week before against Wellington. The Memphis players are about our size and have speed to burn.

The Owls made nine first downs (six of them in the first half). The Cyclone made 20 first downs, seven in the first half (four of them were on touchdowns). Eight of the Cyclone first downs were touchdowns, and their biggest weakness seems to be making their points after touchdowns.

Silverton was penalized five yards, and Memphis had 50 yards stepped off against them.

Silverton kicked off to the Cyclone to open the game, and set Memphis for a five-yard loss on first down. On second down Senior James Beck ran 76 yards for a score. The Owls blocked Charles Bryley's PAT kick, and the Cyclone held a 6-0 lead.

Memphis kicked to the Owls. Carl Gallington picked up four yards and Dean Ziegler made a 12 yard run for a first down. Another first down was picked up by Scott Hutsell who made nine and Dean Ziegler who made four. Ken Wood ran for six and Dean Ziegler added enough for another first down. On the next series of downs, Scott Hutsell and Randy Clay, who wasn't listed on the roster because when the programs were printed he was out with a broken leg, weren't able to get enough yardage. Brett Gill's field goal attempt failed, and the Cyclone was penalized for a personal foul after the play. The Cyclone ran a touchdown on first down which was called back due to a clipping penalty. Memphis made a first down with good defense by Brad Ziegler, and another to the Owl-20 which was stopped by Todd McJimsey. Senior Don Davis carried the touchdown with 1:54 remaining in the first quarter, but the running conversion was stopped by Ken Wood and Brent Bean, and at the end of the first quarter the Cyclone led by 12-0.

Young Farmers present at the meeting were G. W. Chappell, Tobe Riddell, Calvin Shelton, Joe Bennett, Cecil Jones, Hand Baird, Jimmy Myers, Bill Ford, Fred Minyard and Bill Ramps, advisor.

Highways To Receive Seal Coating Soon

Lewis White, District Engineer of Childress, said highway improvements in Briscoe County are included in a \$50.2 million safety and improvement program for 1975, approved recently by the Texas Highway Commission.

The 1975 State Highway Safety and Betterment and Farm to Market Road Improvement Program statewide includes 709 projects in 201 counties of the state, involving 4,328.2 miles of roads.

Fifty-two percent of the work is on U. S. and State-numbered routes, 47 percent is on Farm to Market roads, and one percent is reserved for later assignments.

Projects in Briscoe County are for seal coating 44.4 miles of roads at a total estimated cost of \$228,000. Included in this program is work on F. M. Roads 145, 378, 284, 2464, and State Highway 207.

Democratic candidates won election locally, in the district and generally across the state in a very light turnout in Tuesday's General Election.

Jack Hightower, who has served Briscoe County as State Senator for the past ten years, defeated incumbent Bob Price to become the 13th District's next United States Congressman.

Ray Farabee, the democrat, defeated Mrs. Mary Virginia Kirchhoff to fill the State Senatorial seat vacated by Jack Hightower. Mrs. Kirchhoff failed to carry her hometown, Plainview, which was a surprise to most political observers.

Texas Governor Dolph Briscoe won handily over his closest competitor, Republican Jim Granberry.

The only local race in Briscoe County, where the Democratic Party nominee, Mrs. Bess McWilliams, was challenged in a write-in campaign by the incumbent, Mrs. Bertha Pavlicek.

Mrs. McWilliams was elected to the office with 607 votes, while Mrs. Pavlicek polled 202 votes.

Dr. Zions Opens Briscoe Co. Clinic

For several months Silverton has had a brand-new clinic, built with a grant from the Martha Ann Cogdell Memorial Trust, and no doctor to practice there. Not so any longer, for today the clinic is open and equipped with sparkling new, modern equipment and Dr. Stephen Zions is ready and able to handle almost any emergency or illness.

Television publicity calling attention to Silverton's need for a doctor prompted Dr. Zions (his name sounds like science) to contact Jack Robertson, local pharmacist and a member of the Clinic Board. He visited in Silverton, apparently liked what he saw, and made the decision to move his family here.

The new clinic had been sitting empty, and the Clinic Board was awaiting the arrival of a doctor to finish equipping it. Not the least of the miracles involved was the fact that Dr. Zions owned enough equipment to begin practicing as soon as it was moved here and set in place. He is very proud of his equipment, and was quick to point out that none of it is more than a year old, and his electrocardiograph, for instance, is the latest model. Surprisingly enough, everything fits into the clinic decor so well that it looks like it was planned.

Dr. Zions and his family say that they have been overwhelmed with their reception in Silverton. They came from a small town near Dallas, so he felt he was accustomed to life in a small town. "You always hear about a small town's hospitality and friendliness," he said, "but this is the first time we have experienced it—the people are all so nice. When we arrived there were people waiting at the house and clinic to help us unload. People have brought in food and really have made us feel welcome."

Dr. Zions, who says that he expects the people will call him "Doc" or "Dr. Steve", was born in Philadelphia, Pennsylvania. He received a bachelor of arts degree from Central High School in Philadelphia in 1963. He explained that Central High is a special high school, the only one in the country, that gives bachelor's degrees. An education there is the equivalent of two years in college, he said. He earned his bachelor of science degree at Pennsylvania State University with a major in chemistry and a minor in physics and did research for the Physics Department. He took graduate courses at the University of Pennsylvania before going to the Philadelphia College of Osteopathic Medicine, where he received his doctor of osteopathy degree in 1971. He wanted to see a different part of the country, so he went to Dallas East Town Osteopathic Hospital for his internship, and while there met and married his wife, Juanita, who was employed in the medical records office of the hospital.

Office hours at the clinic are 9:00 a.m. to 5:00 p.m. Monday through Friday, and from 9:00 a.m. until 12:00 noon on Saturday. In case of emergency, his home and the clinic telephone numbers are the same: 823-2262.

An open house and reception for Dr. and Mrs. Zions and Carol will be held in the clinic Sunday, November 17, from 2:00 until 4:00 in the afternoon.

The Class of 1976 and their sponsor, Mrs. Rhonnie Tupin, who is directing the play, extend you a cordial invitation to attend their presentation of "Aunt Abby Answers an Ad."

Coveted Awards Given At Banquet

The Briscoe County 4-H Achievement Banquet was held Saturday, November 2, in the Silverton School Cafeteria. Approximately 100 4-H members, parents and guests were in attendance. Awards were presented to 4-H'ers and leaders for their accomplishments and participation in the county program during the past year. The program was led by Debra Range, Bill Reid, Thomas Perkins, Cynthia Edwards, Jo Jarrett, Lee Ann McMurtry and Daniel Perkins. Entertainment was provided by Bobby McPherson, Lori and James Jarrett and the H Horse Club.

A total of 204 Briscoe County

youth certificates were awarded for participation in 4-H during the past year. In all, 111 certificates were given which recognized the completion of one or more projects. Thirty-eight adult leaders were recognized for their consistent dedication and leadership in the county 4-H program.

Medals were presented to 4-H members who placed first in county record book judging in various categories. They were Cynthia Edwards, citizenship; Rose Lee Perkins, clothing; Danny Perkins and Thomas Perkins, swine; Walter Perkins, sheep; Rebecca Perkins, 4-H horse.

Junior Owls Were Tough Against Memphis

The Silverton Junior High Owls played tough against the Memphis Junior Cyclones here last Thursday, but in spite of making more penetrations than Memphis

could not put the ball across to the favor and returned the ball tie or beat the eight points that the Cyclone scored in the first quarter.

The Cyclone scored from ten yards out and added a running conversion to hold an eight-point advantage.

After Silverton's first punt to the Cyclone, Tommy Perkins recovered a Memphis fumble on the Memphis-30. The Owls returned

via the fumble route in the second quarter, but before long, Kelly Comer pounced on another Cyclone fumble.

Coming back after the half, the Owls made two first downs before losing the ball on a fumble. Then Kelly Comer recovered another Memphis fumble.

In the fourth quarter, the Owls penetrated to the Cyclone-3, but fumbled and Memphis recovered. The Owls didn't allow a first down and Memphis punted to the Owls on their own 15. Silverton held again and Memphis punted out to their own 35. A pass interference call on the Cyclone moved the ball to the Memphis-15. With 14 seconds left, Owl Quarterback Kirk Durham was trying to complete a pass for a touchdown, but the Owls were unable to score.

Memphis made nine first downs, and Silverton recorded seven. The Owls were penalized 10 yards and the Cyclone had 35 yards in penalties.

In the pep rally Thursday afternoon, Doug McJemsey was presented as the Junior High Pep Squad Beau.

Yule Decorations To Be Repaired

The Silverton Young Homemakers have been given part of the community Christmas decorations to be repaired and repainted.

The Young Homemakers are asking the people of Silverton to help them in this project by donating money to buy paints and other things that will be needed to repair the decorations.

The girls are also asking for outdoor lights so they can make more decorations to be placed on the poles in downtown Silverton.

Cans have been placed in the stores to receive these donations. They are located at Jack's Pharmacy, Jones Dept. Store, Tiffin's, Minit Grocery, Nance's Food, Bud's Grocery and Bud's Variety Store.

If you have lights to donate, please contact Mrs. Dan Herrington at 847-4276 or Mrs. Dwain Henderson at 823-2034.

Halloween Party Given Here

(Delayed From Last Week) The Silverton Young Homemakers gave a Halloween party for their children in the home of Mrs. Steve Miller on October 26. The Miller home was decorated for Halloween throughout.

Games were played and refreshments were served by Mrs. Donald Perkins to Don and Tonya Perkins, Dena and Kay Lynn Ford, Blackerby, Tonia and Terry Miller, Teddy Tom Hubbard, Katrice and Anthony Minyard, Kathy Perkins, Wayne Henderson and also to the members.

The Owls are playing their last game of the season at Shamrock today. They are being accompanied by the Junior Varsity, who will also be seeing action as a team for the last time this year.

Mrs. Lavy Hosts Southwestern Club

Mrs. Leon Lavy was hostess for the Southwestern Home Demonstration Club when they met Thursday in the P. C. A. community room.

Mrs. Lavy read the devotional and Mrs. J. D. Nance conducted the business meeting. Mrs. O. C. King called the roll and members answered with "A tip for making the coming holiday season more meaningful and less hectic."

Members brought cookie recipes and sample cookies for exchange.

Mrs. J. E. Patton gave an interesting program on "Christmas Ideas," and displayed a beautiful selection of handmade gifts.

Refreshments were served to Mrs. Riley Ziegler, Mrs. Patton, Mrs. Nance, Mrs. King, Mrs. Claud Jarrett, Mrs. Larry Jarrett, Mrs. Rex Holt, Mrs. Carroll Garrison, Mrs. Don Curry and Bobby, Mrs. Elton Cantwell, Mrs. Lavy and her daughter.

The club will meet November 26 in the home of Mrs. J. D. Nance at two o'clock in the afternoon.

Mrs. James Sisk of Steed, New Mexico and her daughter, Mrs. Suzette Wesley of Wayside visited Mrs. Eula Malone last week. Mr. and Mrs. Dennis Wilkins of Fort Collins, Colorado spent a night with Mrs. Malone the week before.

Naman Attacks "Negative Thinking"

The state Farmers Union president, addressing the annual meeting of the Hall County Farmers Union in Memphis recently, attacked what he called "negative thinking" on the part of the Administration and the Secretary of Agriculture.

Jay Naman of Waco told the audience of farm and ranch people that "the Administration hasn't taken one positive step to alleviate the grave economic conditions of livestock producers and cotton farmers."

Naman said that Farmers Union has handed the Administration a positive program to solve the problems of depressed livestock prices and cotton markets. "We have set forth a constructive program to reverse the serious conditions that exist, but our recommendations have been ignored," Naman said. "We have asked the President to immediately embargo livestock imports until the market begins to strengthen. We have urged the Administration to stop the 'rip-off' between the farmer and the government by requiring that those processing meat products for the government pay a reasonable price for live animals. We have asked that the Administration immediately increase the price support on manufacturing milk and on cotton. The Administration should pledge its support to Congress for an emergency bill to immediately increase the price support on cotton to not less than 50 cents a pound," Naman said.

Junior Fred Alexander ran a touchdown for the Cyclone on the next play, and Bryley carried the two-point conversion.

Following the kickoff, Dean Ziegler made a first down on the Silverton-43. Scott Hutsell made an 11-yard run for another first down, but the machine stalled and the Owls had to punt again. It took the Cyclone just five plays to score again. Zane Mayfield had stopped a pass completion on the 35, and after an incomplete pass, Alexander carried another score with 2:35 remaining in the first half. Bryley kicked the extra point, and the Cyclone held a 27-0 halftime advantage.

"The Secretary of Agriculture could do much to correct our problems with a 'sweep of his pen,' and the Administration could change the whole picture with some positive action," Naman said.

The president of the state-wide farm group called for more unity in agriculture. He said that Farmers Union has pledged to work with other groups toward solving agriculture's problems. "Farmers and ranchers can no longer afford the luxury of being divided along commodity lines. We must work together as a unit and approach the problems of agriculture with a solid front," Naman said.

On their next possession, the Cyclone came back and scored again from 30 yards out on another run by Alexander with 7:08 showing on the clock. The quarterback sneak failed on the conversion, and the score stood at 39-0.

In the fourth quarter, the Cyclone mounted its only sustained drive of the game, making three first downs before Junior Dick Hutcherson carried another score. The pass for PAT was incomplete, and with 7:09 remaining in the game the Cyclone had increased the lead to 44-0.

Continuing to practice everything they might need in the playoffs, this time Memphis successfully tried an onside kick, recovered it, and after an eight-yard run on first down, scored on a run by Hutcherson. The Owls blocked the PAT kick, and with 6:24 left to be played, the Cyclone was ahead 51-0. The final tally was on a 50-yard run by Hutchinson. Senior Candy Reyes kicked the PAT, and the Cyclone had its 58-0 score, with 3:50 still to be played.

The Owls made another first down on a pass from Ken Wood to Randy Clay, but were unable to continue the drive.

Sunday dinner guests in the John Francis home were Kathy Stalcup, David Langford, Lori Francis and Mrs. Jewel Francis.

Supper Planned For New Agents

All 4-H members, their families and friends are invited to attend a covered dish supper on Thursday, November 21, at 7:00 p.m. in the school cafeteria for the purpose of welcoming the new county Extension agents.

Debby and Fred O'Neil

Baptist Church Adds Full-Time Music Director

Mr. and Mrs. Fred O'Neil have moved to Silverton from Aiken, and he has been employed as a full-time Music and Youth Director for the First Baptist Church.

Both Fred and Debby O'Neil are graduates of Wayland Baptist College.

Mr. O'Neil says, "God has sent us to Silverton to serve as Music and Youth Director. Debby is a very important part of my ministry in that we are one in Christ

and in marriage. Our home is always open to the people of the church for fellowship and any service we can render."

Mr. O'Neil has announced plans for a cantata for Christmas and Easter and a fully graded choir program for the children of the church. He will also be the director of The CETA Hut, which will be opened on a regular basis.

Mr. and Mrs. O'Neil are at home in the former Baptist parsonage.

BRISCOE COUNTY NEWS

EASY TO ENTER—Simply have your child's photograph taken by WINSTON B. LUCAS PHOTOGRAPHER at NO COST to you. They will show proofs from which you may choose the pose you wish entered in the contest and your child is automatically entered; and at this time you may order photographs for gifts or keepsakes if you wish. (Postage and handling 25c) but this is entirely up to you. WINSTON B. LUCAS, of Irving, an expert child photographer, will be here to take pictures, with all the necessary equipment to take nice portraits for this exciting event. There is no age limit to this contest — even the tiniest tots enjoy being photographed by our photographer.

This Is A Local Contest!

(CHILDREN MUST BE ACCOMPANIED BY PARENT or GUARDIAN)
