A QUICK READ OF THE NEWS

Area gets needed rain

A series of Monday evening thunderstorms dumped up to an inch of rain in some parts of the city and about a half-inch in the surrounding area.

It is the first appreciable rain the area has received in nearly three weeks. A total of .94 inches was reported on Aug. 14.

Bailey County Extension Agent Curtis Preston said the added moisture will help grain sorghum and cotton finish maturing, but it will set the current corn harvest back a few days.

Three weeks of hot weather had also severely dried out lawns.

R.G. Bennett, an observer for the National Weather Service, recorded 1.08 inches of rain.

The Bula Gin and the Muleshoe Coop Gin reported receiving a half inch while the Maple and West Camp Gins reported no rain. Clay's Corner Gin reported a few tenths.

McDonald wins contest

Donnie McDonald of Muleshoe won the Journal's first weekly football contest.

McDonald, who picked 16 of 18 games correctly, wins the \$15 first prize.

John Graves of Muleshoe finished second in a tie-breaker and won the \$10 second prize. Elizabeth Torres of Muleshoe won the \$5 third prize.

Graves and Torres each correctly picked 15 of 18 games. The tie-breaker was Sunday's Dallas-Arizona game. Graves had 54 points. Torres had 28. Arizona won the game 25-22.

Despite a hint from the Journal, only 12 of the 30 contestants predicted a Muleshoe win. All three winners picked Muleshoe.

What's bugging him?

Something is bugging one New Mexico resident.

Robert Breene III of Artesia, who holds a doctorate degree in entomology, claims legislators erred in 1989 when adopting the tarantula hawk wasp the state insect.

For one thing, Breene said, tarantula hawk wasp is not an officially accepted name and does not appear on a list compiled by the Entomological Society of America, the authority on such matters.

He said if it did exist, it would probably be considered a pest and not worthy of recognition.

One New Mexico state representative said it was Breene who was the pest and his claim not worth recognizing.

"That man needs a job, Rep. Brett Johnson said. "Give him \$5 and send him to Kmart and buy him a life."

Confident Mules take on Denver City

By RICK WHITE
Managing Editor

Even in the lean years, Muleshoe matched up well with Denver City.

It should be the same Friday when Muleshoe travels to Denver City for an 8 p.m. non-district game.

"They're a lot like us in that they don't have a lot of speed," Muleshoe coach David Wood said. "But they're big and physical and play real sound football."

The Mules (1-0) are coming off a confidence-building 31-0 win over Portales while Den-

ver City ripped Coahoma 35-0 in its season opener.

The shutout was Muleshoe's first since a scoreless tie with Dimmitt in 1989.

"By far, that is the best we've played since I've been here," Wood said.

But he's not worried about his team being overconfident.

"They were already asking me what they've got to do to beat Denver City in the hallways Monday and wanting to know what the game plan was even before practice," Wood said.

Muleshoe has lost to Den-

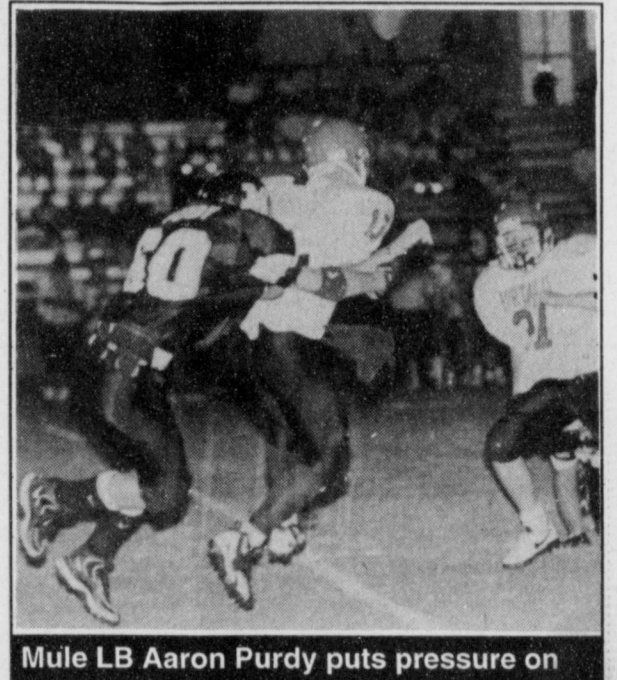

ver City by a combined four points in its last two meetings, including a 7-6 loss last year when the Mules failed on a two-point conversion late in the game.

Denver City head coach Steve Taylor sees a much improved Muleshoe team.

"They remind me a lot of us," said Taylor, a one-time Muleshoe assistant coach. "I think you're going to see a pretty good battle between a bunch of big linemen."

Both teams average about

County approves budget

By TERESA STONE
Journal staff writer

Bailey County Judge Marilyn Cox cast the deciding vote Monday in favor of adopting the 1997-1998 county budget.

The County Commissioners Court was deadlocked at a 2-2 vote on whether to adopt the \$2.2 million budget when Cox cast the deciding vote.

Judge Cox joined Precinct 2 Commissioner C.E. Grant, and Precinct 3 Commissioner Joey Kindle voting in favor of the budget.

Precinct 4 Commissioner Bennie Claunch and Precinct 1 Floyd J. "Butch" Vandiver opposed the budget.

Claunch voted against the budget after expressing concerns that it possibly did not meet the county's legal obligations due to the salary exclusions of certain elected officials.

Claunch was concerned because the budget appropriates salary funds and insurance coverage for only one of the county's two justice of the peace officers, and only two of the county's three constables.

According to Grant, the constable who does not receive compensation or insurance coverage in case of an on-the-job accident knew of the contractual arrangement when he ran for the elected office.

see BUDGET on page 6

STILL LOVING AFTER ALL THESE YEARS

By TERESA STONE
Journal staff writer

Sixty five years ago, Edna and James Carroll Pearson fell in love while working in a cotton field together.

Edna said it was love at first sight.

Once the couple finally had a chance to meet, they knew immediately that they wanted to spend the rest of their lives together.

Just five months later on a Sunday morning after church, the young couple asked the preacher to marry them. Edna was almost 15. James Carroll was 21.

They had the marriage license, and on Sept. 14, 1932 in Hockley County, the preacher married the

couple while they sat in their late 1920's model coupe.

"Our cousin was with us, and he was afraid to go home because he thought he'd be in trouble for letting us go through with it. Our mothers were so upset at first, they thought it would never last," Edna said.

Sunday, the Pearsons will celebrate their 65th wedding anniversary.

After being married for more than half a century, the couple does have some pointers.

"Don't get mad at the same time," said J.C. "and live a Christian life, take your problems to the Lord,"

Local merchant survives British shopping invasion

By TERESA STONE
Journal staff writer

An eager group of shoppers and Buddy Holly fans from across the Atlantic packed Joe's Boot Shop Monday morning during a visit to the South Plains.

The Brits, fresh off a tour bus, bombarded the boot shop, trying on cowboy boots, straw hats and stocking up on

western wear.

"Now we'll be able to look like true Texans y'all," said Ian Washington with a moderate British accent as he tried on boot after boot in search of the perfect pair.

The travelers from England, Scotland and Wales arrived in Lubbock last

see SPREE on page 2

Shopping spree Englishman Martin Bates looks over the merchandise at Joe's Boot Shop Monday. Bates was part of a large group of British tourists to visit Muleshoe

MULES

From page 1

240 pounds a man on the offensive line.

"But most of our weight is from eating potato chips and ice cream," Taylor joked.

The Mustangs, who have qualified for the state playoffs 8 of the last 10 years, like to pound fullback Braughn Curtis (6-0, 213) up the middle and will throw the ball to keep defenses honest.

Wood said junior quarterback Luis Villegas makes the Mustangs more dangerous than last year.

"Their quarterback has some tools," the Muleshoe coach said. "And when they do run the option, we have to contain him."

Tailback Arlie Jordan led Denver City with 147 yards rushing and two touchdowns last week. Villegas also scored twice.

Wood also said 6-2, 270-

pound junior tight end Patrick Boyd is a concern both in the passing game and blocking in the running game.

"They could have scored 60 points if they wanted to," Wood said.

Defensively, Denver City returns just Curtis at linebacker from its front seven. Curtis

was an all-state pick last year.

Muleshoe has shown the ability to move the ball in pre-season and its first game, pounding out 343 yards rushing and 403 total yards last week.

Junior Greg Pena led the rushing attack with 90 yards and junior quarterback Matt McClanahan averaged nearly 10 yards a carry. Six Mules gained at least 24 yards rushing.

"It was great that everybody got a chance to play and feel excited about the win," Wood said.

AREA BRIEFS

Albania missionaries visit local church

Rev. David and Sandra Allison agricultural missionaries working in Albania will be guest speakers in Muleshoe.

The Allisons will report about the saving of souls in Albania at 7 p.m. Wednesday Sept. 10 at the Church of the Nazarene, Muleshoe.

Rev. Allison and his wife are First Term assignment missionaries for the Church of the Nazarene.

Rev. Allison received a Bachelor degree in International Agribusiness from Mid America Nazarene College in Olathe, Kansas. He is currently studying at the University of Guelph in Ontario, Canada for a Master of Science degree in Rural Extension Studies.

Sandra Allison earned a Bachelor of Science in Nursing from Olivet Nazarene University in Kankakee, Ill. She has worked in hospital intensive care units in Winter Haven, Florida and Kansas City, Missouri.

David and Sandra Allison are both working toward a Master of Arts degree in Missiology from Nazarene Theology from Nazarene Theological Seminary.

The Allisons have three children, Christopher, Brandon, and Sarah.

Copleys share missionary experiences

Joe and Lela Copley, missionaries to the Crow Indians return to Muleshoe on Sunday to share their experiences.

The Copleys, former residents of Muleshoe, will be at Calvary Baptist Church for the 11 a.m. and 6 p.m. services, Sunday Sept. 14.

A luncheon will be provided after the morning service.

Friends are invited to come and enjoy the ministry of the Copley family. For more information call 272-4012.

Masonic Award Ceremony Scheduled

Muleshoe Masonic Lodge #1237 A.F. & A.M. is hosting a 50 Year Masonic Award presentation.

The ceremony will be at 6:30 p.m. Saturday, Sept. 13 at the Muleshoe Masonic Lodge.

Rite Worshipful District Deputy Grand Master J.O. Bass will make the presentation.

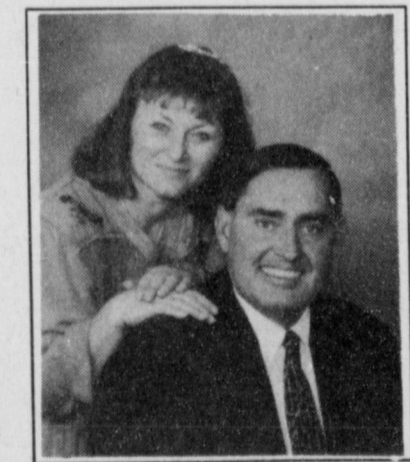

Receiving the awards are A.R. McGuire, Muleshoe; Dee Brown, Muleshoe; Spud Thomas, Lubbock formerly of Muleshoe; and M.D. Gunstream, Ruidoso, N.M. formerly of Muleshoe who will be unable to attend.

A 25 Year Service Award will be presented to Ron Freeman of Lubbock, formerly of Muleshoe.

Masons and family and friends of these men are cordially invited to attend this ceremony. Refreshments will be served following the presentation.

David and Sandra Allison

Joe and Lela Copley

SPREE

Wednesday for the Buddy Holly Festival.

"These are some of the biggest Buddy Holly fans and avid collectors of his music and memorabilia," said Gil Linnartz of Premiere Travel in Lubbock, who organized the tour.

"We believe Buddy Holly was the greatest pop singer ever. His music was extraordinary, better than Elvis. People shouldn't be going to Graceland, they should be coming here to Texas," Terry and Pat O'Brien from Birmingham, England said.

Bill Leece of London feels just about the same.

He has visited America before, traveling to Iowa where the Lubbock native and legendary singer's plane crashed. "Going there and now seeing Holly's hometown has given me an even greater perspective on his life and music."

The music festival may have lured the 63 visitors to Texas, but while here they have had a chance to experience a bit of the cowboy way of life and southern hospitality.

Throughout the week, they have visited the Ranching and Heritage Center, Llano Estacado Winery, the Apple Butter Festival in Idalou, and

TOPS NEWS

Tops Chapter Number 34 met at the Muleshoe Church of Christ on Sept. 4. Leader, Laverne James called the meeting to order. The Tops Pledge was recited, and the fellowship song was sung. James led the group in prayer.

Alene Brant, weight recorder, called the roll with 17 members answering with the amount they lost or gained. Minutes were read by Janie Hughes, secretary, and were approved as read.

Best loser for the week was Loretta Lloyd. Jolene Hankins was first runner-up and Aurora Mata was second runner-up.

Monthly Best Losers for August were Lucille Harp and Aurora Mata. Ernestine Steinbock was Best Kops Loser.

We continued the discussion on CHANGES. The meeting was adjourned with the good night song.

the Cowboy Symposium where they sampled a Texas favorite — chicken-fried steak.

Joe's Boot Shop and the Mule Memorial were planned attractions as the group headed to the Norman Petty Studios in Clovis.

"Of course I came to honor Buddy Holly. I have been overwhelmed how nice and friendly everyone has been and surprisingly, even more than the music festival, I believe I enjoyed the Apple Butter Festival best. I'll definitely be back, it's been terrific," said Barry Overton of Boston, England.

Get 2 like amounts in the same row, column or diagonal and you win DOUBLE your prize!

LUCKY DOG WIN UP TO \$5,000
Scratch the Dog House. Match 3 like amounts, one that appears. Match 2 like amounts & find a C= under the Dog Dish. Double your prize!

SCRATCHMAN III
Get 3 like amounts in one row, column or diagonal and you win \$1,000!
Get 2 like amounts plus a SCRAATCHMAN and TRIPLE that amount!

END OF GAME NOTICE

Grab a tissue and then grab some of these tickets. Scratchman III, Lucky Dog and Rattlesnake Riches are coming to an end on September 30, 1997. Luckily, you can still claim prizes through March 29, 1998, which leaves plenty of time to win up to \$3,000 with Scratchman and up to \$5,000 with Lucky Dog and Rattlesnake Riches. That kind of money could cheer anyone up.

Prizes of up to \$599 can be claimed at any Texas Lottery retailer. Prizes of \$600 or more are redeemable at one of the 24 regional Texas Lottery claim centers or by mail.

Questions? Just call the Texas Lottery Customer Service Line at 1-800-37-LOTTO (1-800-375-6886).

FEEDLOT HEROES

BAXTER BLACK
ON THE EDGE OF COMMON SENSE

Now and then I get to thinkin' I should quit this feedlot job
Go and ride with Buster-what's-his-name and his Texas wagon
mob
maybe move to old Montana, wear them bat wings for a while
Or do California day work in the old vaquero style

I get my western magazines- shoot, I keep 'em by my chair
And I read 'em after lunchin', sometimes wishin' I was there
See, it all looks so romantic, all they do is brand and ride
Maybe gather up some wild ones, push 'em down the other side

While the cameras keep on snappin', set against a scenic view
lookin' picturesque and western, quintessential buckaroo
It's not often that reporters come by here and spend a day
And the stories that they write are mostly expose

And I really can't remember any artist incidents
All the painters I've ever seen here were workin' on a fence
'Cause nobody wants to see us cowboys dressed in overshoes
In our insulated covies, on a feedlot winter cruise

Sortin' fats in some bleak alley with the mud up to our knees

Shovelin' bunks or treatin' sick ones, fightin' flies and allergies
I take a little nap sometimes in my chair there after lunch
And I dream that I'm a 'workin' for some rope n' rode 'em bunch

Where a roaming photo graffer lookin' for the real thing
Is dazzled by my cowboyness, the essence of my being
And he poses me majestic by the River Babylon
Mounted on my paint caballo, conchos glistening in the sun

But at five till one I waken with the image in my mind
Of the picture he has taken for the cover- but I find
I'm portrayed in all my glory standin' in the chronic pen
Lookin' at a scruffy lump jaw that needs lancin' once again

I get up and grab my jacket that's the color of manure
And I head back to the feedlot, catch some horses for the shoer
But I worry if my heroes in that cowboy magazine
Ever get a lick of work done, they always look so clean

Little known pneumonia vaccine saves lives

HOUSTON — Thousands of lives are being lost every year because people are unaware of a readily available vaccine.

It is the vaccine for pneumococcal pneumonia, an illness that annually claims thousands of lives, mostly adults older than 65 but also very young children and people with certain chronic illnesses.

Too few people even know about the vaccine, said Dr.

Daniel M. Musher, an infectious-disease expert at Houston's Baylor College of Medicine and Veterans Affairs Medical Center.

"The sad fact is that many people whose lives could be saved by the pneumonia vaccine so not get inoculated because they are unaware of it and they are not pressured by their physicians to take it," Musher said.

"Research has shown that

people are more likely to get inoculated against pneumonia if their doctors recommend it," he said, "and, though the numbers of those getting the vaccine are rising, there are still too many people who need it but are unaware of it."

The vaccine is also important, Musher said for people with lung disease, heart disease and any kind of immune-system disorder, including HIV infection.

"People who have had their spleens removed are especially susceptible to pneumococcal infection and must be vaccinated, he said. The spleen helps clear bacteria from the blood, and its absence leaves a person prey to pneumonia infections."

At one time it was widely believed that the beneficial effects pneumonia vaccine persisted for a lifetime, but, Musher said, research at Houston's VAMC has shown that vaccination probably should be repeated at five- to 10- year intervals.

PEARSON

From page 1

added Edna. "I'm sure that is what has kept us together."

"Yes, we've had a lot of ups and downs, but thanks to the Lord, we've had more ups than downs."

The couple moved to Bailey County in 1943, living in Maple, Enochs for 25 years, and then moving to Muleshoe in 1971.

The Pearsons have seen quite a few changes over the years while raising their six children and farming.

"Small farmers are out of business. Along time ago if you got hailed out or had a drought, you didn't get any money, the government really helps out farmers today. If we didn't have a crop we had nothing to sell except for milk, cream and eggs," said Carroll, also known as J.C. "We went through some years of disaster, but we always had plenty to eat. We grew vegetables, and we'd kill hogs and cows for meat."

"We'd can hams, sausage and bacon that would keep for years. Once I found a five-year-old canned bacon and it was just as fresh as the day we butchered the hog," Edna said. "Some of our neighbors weren't so lucky, so we'd always share, especially fresh vegetables from our garden."

Before cotton strippers the Pearsons, would hire 15-20 neighbor children during the harest to pull cotton after school and Saturdays.

"The kids could earn about \$1.50 a day, and \$3 on Saturday, so by the end of the week they may have \$6 to \$8, which was a lot of money back then, especially for kids. One year, we had a girl that paid for her wedding by picking cotton," Edna said.

Even though times were

tough, the Pearson's remember them as good times, especially when all of their children lived at home.

"We went to church on Sunday, and went to a lot of ropings, rodeos and football games," Edna said. "The kids would go to the Morton movie theatre on weekends. They wouldn't get home until almost midnight, and of course they'd always be

starving. So their Dad would wake up and cook steaks or ham and potatoes for them on those late nights."

"Our kids were always home, always healthy, we were very lucky. Those were terrific times, but we still have good times when we get the family together. It's been really nice to have a big family" said Edna, grandmother of 17.

DISTRICT ROUNDUP

Dimmitt and Friona joined Muleshoe with eye-opening Week 1 wins.

Dimmitt upset Class 2A's fourth-ranked team Lockney 28-13 while Friona avenged their only regular-season loss last year by battering Littlefield 49-13.

Derek Buckley passed for 219 yards and three touchdowns as Dimmitt won its season opener for the first time since 1989. Tight end **Charlie Sanders** had six catches for 78 yards and two touchdowns.

At Friona, junior **Matthew Kendrick** returned the opening kickoff 95 yards for a touchdown as the Chieftains roared to a 28-0 first-quarter lead. Senior **Jesus Mata** added three touchdown runs for Friona, which moved to No. 7 this week in the AP poll.

Littlefield had won 19 of the previous 20 meetings between the clubs.

District teams were 3-5 in the first week, with River Road, Perryton and Dalhart getting pounded by Class 4A teams.

Canyon exploded for 21 fourth-quarter points in a 45-3 rout of injury-depleted River Road.

River Road quarterback **Jerod Fikac** struggled in his first start. The senior completed just 9 of 25 passes for 117 yards with three interceptions. The Wildcats also lost three fumbles.

Turning the corner

Running back Jesus Tovar races past the outstretched arm of a Portales defender Thursday during the Watson Junior High 8th-grade Mules 42-18 win.

Muleshoe's 31-0 win Friday over Portales was the Mules first shutout since a scoreless tie against Dimmitt in 1989.

Muleshoe held Portales' Wing-T offense to 79 yards and three first downs.

"We really swarmed to the ball," Muleshoe head coach David Wood said.

Wood said reading guards are the key in the Wing-T offense and the Mules did a good job of shooting the gaps when they

MULES NOTEBOOK

saw the guards pulling.

"It disrupted their whole offense," Wood said.

Senior linebacker Rodney Alanis and senior defensive end Douglass Field led Muleshoe with seven tackles each.

The ball was spread around in Muleshoe's new veer offense.

Greg Pena led the way with 90 yards on 11 carries. Tailback Gilbert Vela added 75 yards and quarterback Matt McClanahan averaged nearly 10 yards a carry while picking up 69 yards. Every receiver that played had at least one catch.

Senior guard Ricko Aguirre was credited with seven pancake blocks.

SIX-MAN PREVIEW

Longhorns face defending NM state champion

Lazbuddie hits the road to play defending New Mexico state champion Melrose while Three Way hosts El Paso Jesus Chapel in its home-opener Friday in local six-man action.

The Longhorns are coming off a 57-8 rout of Meadow while Melrose lost to Mountainair 41-38 last week.

Melrose lost nine seniors from last year.

Three Way squeaked out a last-second 48-46 win over Buena Vista while Jesus Chapel whipped Dell City 56-18.

Three Way coach Danny James said Jesus Chapel has a strong returning cast.

"It's going to come down to who has the big dogs," James said.

'Horns' opening win costly

LAZBUDDIE — Junior Adam St. Clair ran for 159 yards and three touchdowns Friday in Lazbuddie's season-opening 57-8 win over Meadow Friday at Longhorn Field.

But the win came at a heavy cost.

Senior Brice Foster is probably lost for the rest of the regular season after breaking his left arm during a second-quarter carry.

A four-year starter, Foster played both ways at running back and defensive back for the second-ranked Longhorns. He also returned kicks.

"We played pretty well, but it's hard to enjoy the win," Lazbuddie coach Mark Scisson said. "I feel for him because I know how hard he worked over the summer to get ready for this year."

St. Clair, playing with a cast protecting his broken left thumb, scored on runs of 43 yards and 54 yards in the third quarter before the game was ended by the 45-point rule.

Junior Josh Morris completed 10 of 14 passes for 155 yards and two touchdowns for

Kirby 1 run (Kirby kick). Three Way, 48-40

THREE WAY STATISTICS

RUSHING — Sammy Soliz 21-153, 1 TD; Randall Rodriguez 11-111; Monty Kirby 4-12, 2 TD.

PASSING — Soliz 1-1, 39 yards, 1 TD; Cody Wilson 4-8, 116 yards.

RECEIVING — Danny Kersey 1-28; Gerald Perez 1-29, 1 TD; Jonathan Kindle 1-10; Soliz 2-52

Eagles start with another nailbiter

SANDS — Three Way edged Buena Vista in the final seconds for the second straight year.

Cody Wilson blocked an extra point kick that would have tied the game with 19 seconds left, helping Three Way hold on for a 48-46 win Saturday in the season opener for both teams.

The Eagles opened last year with a 46-40 win over Buena Vista on a tipped touchdown pass with five seconds left.

Sammy Soliz rushed for 153 yards and a touchdown and sophomore Monty Kirby scored 24 points, including the go-ahead touchdown and the winning extra point for the Eagles.

"Offensively, we did about what we needed to do," Three Way coach Danny James said. "Defensively, we've got a ways to go."

Three Way held a slight 411-367 edge in total yards.

Kirby gave Three Way a 26-12 lead early in the third quarter with the first of his two one-yard runs. He also kicked a 27-yard field goal in the second quarter and four extra points.

But Buena Vista rallied to tie the game at 26 and started a seesaw battle that lasted to the final seconds.

After the Longhorns tied the score on a 58-yard fumble recovery, Randall Rodriguez returned the ensuing kickoff 75 yards for a touchdown for a 34-26 lead.

Soliz gave Three Way a 40-34 lead with a five-yard run in the fourth quarter.

The Longhorns surprised Three Way by switching to a spread offense after falling behind 14-0.

"We just haven't worked that much against the spread offense and I'll take the brunt

the Longhorns. Chris Smith caught four passes for 118 yards, including a 54-yard scoring strike in the first quarter when Lazbuddie jumped out to a 30-0 first-quarter lead.

Lazbuddie scored twice before Meadow (0-1) touched the ball.

Foster scored on a six-yard run and Morris threw a nine-yard touchdown pass to Jason Thomas. Both touchdowns were set up by successful inside kicks — both recovered by Foster.

He scored again in the second quarter on a 20-yard run before being injured.

The Longhorns finished 403 total yards, 248 on the ground.

Meadow finished with 164 yards, but just 37 on the ground.

"We came out aggressive and took control immediately," Scisson said.

The Lazbuddie coach was a little concerned about his team's pass defense.

"We're going to have to work on our defense against

the spread," Scisson said. "At times, we looked a little confused."

The Longhorns play defending New Mexico state champion Melrose Friday.

ROUNDUP

From page 4

Canyon shredded the Wildcat defense for 426 yards, including 271 rushing yards.

Derrick Bailey kicked a 27-yard field goal for River Road, which lost six key players to injury in the preseason.

Dalhart and Perryton lost by identical 41-13 scores.

Dalhart quarterback Michael Montoya completed 21 of 41 passes for 198 yards and two touchdowns against Dumas.

But the Golden Wolves couldn't control Demon Deacon Astolfo Venzor, who

rushed for 220 yards and four touchdowns.

Perryton was never in the game at Borger.

Borger scored 20 points in the first quarter en route to a 27-0 halftime lead.

Colby Haberthur ran 80 yards for a touchdown in the third quarter or the Rangers and all-district kicker Rafael Medina booted a pair of field goals.

Borger finished with 446 yards.

Childress scored three times in the second quarter and beat Tulia for the second-straight

year 27-8.

All the Hornets' points were a result of special teams mistakes by Childress.

Roy Gonzales scored in the second quarter on a short fourth-down run after Tulia recovered a botched punt snap. Another bad punt snap cost the Bobcats a safety in the second half.

Tulia committed four turnovers, including a fumble that Childress returned for a touchdown, and was limited to 84 yards.

Class 2A West Texas High limited Sanford-Fritch to 70 yards in a 21-0 win.

September PTA membership month

AUSTIN — Texas PTA Membership Enrollment Month begins in September.

This provides an opportunity for parents, guardians, mentors, and community leaders to increase their involvement in public schools.

"As a parent, you know your child and his or her needs better than anyone else," said Gail Mc Ada, Texas PTA President. "What better way to met the needs of your child than to work with the other parents and teachers?"

"Children can't always communicate the last-

ing effects of seeing their parents involved but many show it through improved grades, classroom participation and high self esteem," Ms. Mc Ada concluded.

Texas PTA is the largest child-advocacy organization in the state. Parents can help support their local school with everything from assisting a teacher in the classroom to traveling to Austin to testify before legislators on school issues.

Contact your local school for more information.

OBITUARIES

Floy Arnold

Floy Arnold, 89, formerly of Sudan, died Sept. 4, 1997 at West Minister Shores Home For the Aged in St. Petersburg, Fla.

A memorial and burial service was held Sept. 7 at Sudan Cemetery with Rev. Cliff Hargrove of First Baptist Church Sudan officiating.

Mrs. Arnold was born April 7, 1908 in Athens. She married James P. Arnold Sr. on Oct. 1,

1927 in McKinney.

Mrs. Arnold lived in Sudan for many years where she was a homemaker, a member of First Baptist Church Sudan, a Sunday school teacher, a garden club member, an American Red Cross member and a hospital volunteer.

She moved from Sudan in 1989 to reside in St. Petersburg.

She is survived by her two sons Dr. James P. Arnold Jr. of

St. Petersburg and Ben C. Arnold of Lubbock; her sister Ruby Lacey of Ardmore, Okla.; seven grandchildren and numerous great-grandchildren.

Mrs. Arnold was preceded in death by her husband James in 1983.

The family requests memorials be donated to First Baptist Church, Sudan or West Minister Shores Benevolent Fund, 125 56th Ave. South, St. Petersburg, Fl. 33705.

BIRTHS

Makenzie Zimmerman

Howie and Christy Zimmerman of Muleshoe announce the birth of a daughter, Makenzie Ranell Zimmerman.

BUDGET

From page 1

The Justice of the Peace in question unsuccessfully requested insurance coverage about six years ago from the court. Since then has not requested compensation for his services or insurance, Judge Cox said.

Commissioner Vandiver voted against the budget due to reservations about raising the salary of commissioners 3 percent to \$14,788.

In the budget, all elected officials were given a 3 percent raise. Also allocated is a \$50 per month salary increase for county employees who did not receive a significant raise last year.

The board unanimously approved a tax rate of .4597 per \$100 property value, which is a slight increase from last year, according to Cox.

In other business, the court discussed applying for an urgent need grant for the Maple and Three Way School water well to establish a back-up water supply system that will be designed basically for school and fire protection use.

The Maple area, which includes about 40 families, was without water for four days when their only well caved in during August, explained Commissioner Kindle.

Since the town is not incorporated, Bailey County will have to sponsor the grant, guaranteeing Maple will meet its obligations. Further discussions and a final decision will be made at the next court session when more information will be available.

Also discussed by the court was withholding roofing and electrical repairs to the courthouse until the next fiscal year in anticipation of grant funds being available.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS

SPECIAL ELECTION NOVEMBER 4, 1997

PROPOSITION NO. 1 ON THE BALLOT
Senate Joint Resolution 36 proposes a constitutional amendment to allow a person to hold the position of municipal judge in more than one municipality.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to allow a person who holds the office of municipal court judge to hold at the same time more than one civil office for which the person receives compensation."

PROPOSITION NO. 2 ON THE BALLOT
Senate Joint Resolution 43 proposes a constitutional amendment to allow the legislature to limit the maximum annual increase in homestead appraisals for each year since the most recent tax appraisal. The amendment would also permit the legislature to allow the governing body of a school district to elect to apply the law providing for the transfer of the age-65-and-older school property tax freeze to the person's new homestead, if the move to the new residence homestead occurred before the law took effect.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to authorize the Legislature to limit increases in the appraised value of residence homesteads for ad valorem taxation and to permit a school district to calculate the school property tax freeze applicable to the residence homestead of an elderly person or the surviving spouse of an elderly person in accordance with the law authorizing the transfer of the school property tax freeze to a different homestead regardless of whether that law was in effect at the time the person established the person's homestead."

PROPOSITION NO. 3 ON THE BALLOT
Senate Joint Resolution 45 proposes a constitutional amendment to allow the legislature to authorize counties, cities, towns, and other local taxing entities to grant exemptions or other forms of ad valorem tax relief on property on which approved water conservation initiatives have been implemented.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to authorize the legislature to exempt a taxing unit to grant an exemption or other relief from ad valorem taxes on property on which a water conservation initiative has been implemented."

PROPOSITION NO. 4 ON THE BALLOT
House Joint Resolution 104 proposes an amendment to update the Texas Constitution by deleting duplicate numbering in its provisions and removing certain of its obsolete portions.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment eliminating duplicate numbering in and certain obsolete provisions of the Texas Constitution."

PROPOSITION NO. 5 ON THE BALLOT
Senate Joint Resolution 19 proposes an amendment to allow the Supreme Court of Texas to hold sessions at any location in this state. Currently, the court is limited to holding sessions only at Austin, the seat of state government.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the supreme court to sit to transact business at any location in this state."

PROPOSITION NO. 6 ON THE BALLOT
Senate Joint Resolution 39 proposes a constitutional amendment to repeal the current provision which provides that the board of the Texas Growth Fund may not invest money in a business unless the business has disclosed to the board whether it has any direct financial investment in or with South Africa or Namibia.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment allowing the Texas growth fund to continue to invest in businesses without requiring those businesses to disclose investments in South Africa or Namibia."

PROPOSITION NO. 7 ON THE BALLOT
Senate Joint Resolution 17 proposes a constitutional amendment to create the Texas Water Development Fund II as a fund separate and distinct from the Texas Water Development Fund. The amendment would authorize the Texas Water Development Board to administer the fund and issue general obligation bonds for purposes of the fund under guidelines set forth in the amendment.

The amendment would also allow the Board to use loan repayments coming into the fund after the end of the fiscal year to make bond debt service payments, and would provide certain conditions for the flow of funds for repayment of Texas agricultural water conservation bonds.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment relating to the authorization to the Texas Water Development Board to transfer existing bond authorizations for water

supply, water quality, flood control, or state participation from one category of use to another category to maximize the use of existing funds and relating to more efficient operation of the bond programs."

PROPOSITION NO. 8 ON THE BALLOT
House Joint Resolution 31 proposes a constitutional amendment which would authorize home equity lending, in which a loan could be secured by a lien against the borrower's homestead. The amendment would also establish several provisions providing for consumer protection in the home equity lending process.

The proposed amendment will appear on the ballot as follows:
"The amendment to the Texas Constitution expanding the types of liens for home equity loans that a lender, with the homeowner's consent, may place against a homestead."

PROPOSITION NO. 9 ON THE BALLOT
House Joint Resolution 96 proposes a constitutional amendment that would authorize the legislature to authorize a property tax of five cents for each \$100 valuation in rural fire prevention districts which are located in Harris County. The constitution currently authorizes a property tax of three cents for each \$100 valuation in rural fire prevention districts regardless of what county they are in.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to authorize the legislature to authorize an ad valorem tax rate in rural fire prevention districts located in Harris County of five cents on each \$100 of taxable value of property."

PROPOSITION NO. 10 ON THE BALLOT
Senate Joint Resolution 33 proposes a constitutional amendment to permanently dedicate monies from the Texas Crime Victims' Compensation Fund (and its auxiliary fund) so that they are used only for assisting victims of crime and not for any other purpose. If an episode of mass violence occurred, however, money from the funds could be used to assist victims of the mass violence if all other sources of authorized emergency assistance were depleted first.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment designating the purposes for which money in the compensation to victims of crime fund and the compensation to victims of crime auxiliary fund may be used."

PROPOSITION NO. 11 ON THE BALLOT
House Joint Resolution 59 proposes a constitutional amendment to prohibit the Legislature from authorizing additional state debt payable from the general revenue fund if the resulting annual debt service (the amount needed each year to make payments) would exceed five percent of the annual general revenue available over the last three fiscal years, excluding revenues constitutionally dedicated for purposes other than payment of state debt.

The term "additional state debt" does not include bonds that, although backed by the full faith and credit of the state, are reasonably expected to be paid from revenue sources other than the general revenue fund.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment limiting the amount of state debt payable from the general revenue fund."

PROPOSITION NO. 12 ON THE BALLOT
House Joint Resolution 55 proposes a constitutional amendment to provide that if the Texas Supreme Court does not act on a motion for a rehearing within 180 days of the motion's filing, the motion is denied.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to establish a deadline for supreme court action on a motion for rehearing."

PROPOSITION NO. 13 ON THE BALLOT
House Joint Resolution 8 proposes a constitutional amendment to establish the Texas Tomorrow trust fund dedicated exclusively to the prepayment of tuition and fees for higher education. The amendment would guarantee that if there is not enough money during any fiscal year to pay the appropriate tuition and required fees, the needed money will be appropriated out of the first available money coming into the state treasury each fiscal year.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to encourage persons to plan and save for young Texans' college education, to extend the full faith and credit of the state to protect the Texas tomorrow fund of the prepaid higher education tuition program, and to establish the Texas tomorrow fund as a constitutionally protected trust fund."

PROPOSITION NO. 14 ON THE BALLOT
House Joint Resolution 83 proposes a constitutional amendment to allow the legislature to set the official qualifications for constables.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to allow the legislature to prescribe the qualifications of constables."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitucion que apareceran en la bolata el 4 de noviembre de 1997. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llama al 1800/252/8683 o por escribir al Secretario de Estado, P.O. Box 12060, Austin, Texas 78711.
