SNYDER, TEXAS, THURSDAY, MARCH 12, 1925

Number 40

## NOTES OF HAPPENINGS AT THE HIGH SCHOOL

Furnished by the Faculty and Students of Snyder High School.

### Girls Basketball Tournament.

Friday afternoon at five o'clock the Snyder basket ball team, accompanied by Miss Lois Johnston (the coach) and Miss Runkles and Mr. Cary drove to Slaton, where they spent the night. Early Saturday morning they drove on to Lubbock. At 11 o'clock Saturday morning four teams met in the gymnasium to try for district championship. Mr. Lockhart of Canyon refereed.

Plainview and Southland were the first to play. Plainview defeating Southland by a score of 26 to 118.

Snyder and Idalou then met on the court where they played a hard game from start to finish. The score was 11 to 8 in Snyder's favor.

The Snyder girls then went back to the hotel to prepare for a game with Plainview. At seven o'clock the game began. Hattie Glenn having sprained her ankle in the game with Idalou was not in condition to play, but determined to do her best. Everyone fought a hard game, but the Snyder girls, not having played in a gym before were greatly handicapped. Snyder met defeat with a good spirit at a score of 18-27. They came home with a greater determination to win first place next year, although they only got 2nd place this year.

Those who played in the games were: Forwards, Ora Lee Christian, Katherine Cooper; centers, Alene Doak, Ray Morgan and Ione Bridgeman; guards, Hattie Glenn and Fay Dell Glenn; subs., Maxine Cooper and Dorothy Strayhorn.—Alene Doak.

### "The Old Swimmin' Hole."

I can't forget those days we spent in the "Ole Swimmin' Hole" I can't forget our fear that dad would be told,

For we knew what it meant, Each time that we went— In the "ole swimming hole."

"Boys will be boys," is an expression oft' said, But still that didn't prevent our dread, For we knew better than to play truant from school,

But we couldn't resist a plunge in the pool. Each fellow would take hands of the others and hold— And we'd all be off To the "ole swimmin' hole."

No matter what game you're trying to play, You can't get by with it day after day; For one day we ran off and went to the pool,

And our teacher told dad we played hooky from school. After this happened we were not so bold,

For we never ran off again— To the "ole swimmin' hole." —Fanna Bell Pruett.

—Fanna Bell Pruett.

### Dreams.

When at night one goes to sleep, And into dreamland takes a peer, We look upon the wonders there, And dream of all our friends so dear.

When all our earthly cares are gone, And into dreamland drifts a song, Of all the things that are to be, When we go home beyond the sea.

As time passes we journey on, And mingle with the merry throng, Who, if it were only day, Might be near and might be far away.

As the waking time draws near, In our hearts there creeps a fear, That are companions we have known, Will not be there when we reach home. —Raye Morgan.

Locals.

Beecher and Mary Bennett are out of school this week. Beecher is reported very sick with an attack of appendicitis.

Edna Upton has been absent for the last few days on account of sickness.

Walter Townsend has quit school this year. We hope he can be with us next year.

Lavon Curry is attending the fat stock show at Fort Worth this week.

A. D. Dodson is out of school on account of sickness.

Max Brownfield has returned to school after a few days' absence.

We are glad to have Clara Whately back with us again.

Hattie Glen sprained her ankle playing basket ball and will be out of school for a week or two. We hope she can be back soon.

Stella Smith was absent Friday on account of sickness of her father.

Mary Robinson will leave next week for Abilene where she will attend A. C. C.

Mable Davis is reported to have the flu. We hope she will be well and back in school soon.

Ruby Sparks, J. G. Morrow and Odell Blackard visited the business section of town Thursday afternoon for the purpose of getting money toward helping our athletics and sending the basket ball girls to Lubbock.

They had success and we wish to thank everyone for their help.

A very interesting lesson in room 34 was had last Tuesday—the first and second period classes of Miss Wilson's English III read the poetry of our future poets, now the students of English III a. We were very proud of the efforts which had been put forth and producer of the resulting poems, as we know there'll be poets to spare—in the future—if our present efforts are not slackened.

In English IIa we are having argumentation this week. We have had several good debates. This is going to be one of the most interesting weeks in English.

The baseball team has been practicing for about three weeks now and is progressing fine.

Snyder boosters who attended the girls basket ball tournament at Lubbock Saturday, March 7, were: Margaret Carrell, Hal Yoder, Harvey Carrel, Edna Glenn, Jimmie Glover, Fannie Glenn, Oscar Worthington, Mary Lynn Nation, Hubert Rutledge, Paul Carrell, Miss Zadia Runkles and Messrs. Roberts and Cary.—Nona Carr.

### The Home Economics Club.

The organization of the Home Economics Club has been completed. The officers of the club No. I are: President, Beatrice Stoker; vice-president, Mable Isaacs; secretary-treasurer, Nina Francis Banks; parliamentary, Maurine Stokes.

The officers of club No. II are: President, Mary Frances Hamlett; vice-president, Claribel Clark; secretary-treasurer, Vivian Davidson; parliamentary, Dorothy Strayhorn; sergeant-at-arms, Helen Boren.

The officers of club No. III or Clothing II, are: President, Ledy Potcet; vice-president, Tip Messimer; secretary-treasurer, Mary Robinson; parliamentary, Ora Thompson; Sergeant-at-arms, Hattie Glenn.

The colors for our club are silver and pink. The white and pink sweet

### ROY STRAYHORN MOVES INTO NEW HOME.

Roy Strayhorn and family have moved into their elegant new home on the West Side. There is probably the neatest and best home in the city and Mr. and Mrs. Strayhorn are receiving the hearty congratulations of their many friends.

### CLARENCE McMINN TO ROSCOE.

Clarence McMinn has sold his interest in the White Rose Cafe in this city to his brother and removed last week to Roscoe where he has purchased a filling station. Mr. McMinn explained that it was a different kind of "filling station" from the one he has been running in Snyder.

### E. C. NEELEY INSTALLS ANOTHER PUMP.

E. C. Neeley has had to install another pump at the Neeley filling station in order to take care of his fast growing business. Mr. Neeley told a Times-Signal reporter that there were lots of times when one pump would not handle the trade.

### JUNIOR CLASS OF POST HIGH SCHOOL ENTERTAINED.

Miss Leona Strayhorn, teacher of Home Economics in the Post high school entertained the junior class of that school Wednesday night at her home in West Snyder. Miss Leona is the junior class sponsor and about thirty-five of the young people drove over to be at the party. Several of the high school teachers were present also, including Supt. Moss, Prof. Manier, principal of the school, Mr. Brannon and Misses Hooper, Weekly, Bates and Cowan.

### PIONEER PASSES AWAY.

Mrs. Minerva Thomas, a Scurry county pioneer, died at the home of her daughter, Mrs. L. C. Darby in Greenville, Texas, Sunday, March 8. Her remains were shipped to Hermleigh where the burial services were held March 10. Deceased who was nearly 90 years old, lived for many years in Scurry county and will be remembered by many of the county's oldest residents. Her son-in-law, L. C. Darby is a brother to our fellow-townsmen, O. F. Darby.

### LINEN SHOWER FOR NEWLY MARRIED COUPLE.

Last Tuesday night the members of the San Souci Club gathered at the home of Mr. and Mrs. J. E. Sentell, where a linen shower was given for Mr. and Mrs. "Bill" C. Shull. Mrs. Jettie Lee Shull, nee Green, is a member of the club and the "newly weds" were recipients of many beautiful and useful gifts of linen. After a social hour given over to conversation and games refreshments were served by the hostess. After a pleasant evening the following members departed for their homes: Misses Cecile and Lucille Strayhorn, Worthington, Richardson, Bolin, Boren, Mann, Huggins, Runkles, Wilson, Stewart, Akers and Hailey; Messdames Shull, Sentell and Green.

poes were chosen as the flower. These colors and flowers were chosen to match the colors of our laboratory. Our motto, "Love of home and what the home stands for converts the drudgery of daily routine into a higher order of social service."

The club will meet Thursday, March 12, 1925. The club No. I has prepared the following program: What is an Opera and the Story of "Il Trovatore"—By Maurine Stokes. Story of Verdi's Life—Thelma Leslie.

Piano Solo, "Home to Our Mountains"—Beatrice Stoker.

Vocal Solo—Vada Smithers.

A Gypsy scene will be carried throughout the program.

Visitors are always welcome at our meetings.—Ledy Potcet.

### Scout Meeting.

The leaders of the troops from the neighboring towns met with the troop-leaders at Snyder Sunday afternoon at the Methodist church. We played games for about thirty minutes. Then sang a few songs; after which we organized a new system of keeping up with what each troop does. There is a card for every scout in a box at the door, and the scout picks out his card. On this there is a place to tell how many good turns he has done during the week and how many tests you have passed. Then the cards are taken up and each patrol makes out a report. These reports are put on a large card made for that purpose. When the troops meet on Sunday it is very easy to see just what each troop is doing.—Hal Yoder.

### WITH REGRETS.

It is with regret that we are compelled to leave our great deal of good live, local news matter this week, on account of space. Among it is a number of church and other programs of Sunday activities.

### MISS LOUISE DANTZLER COMING TO SNYDER.

Miss Louise Dantzler, former Snyder girl, will be in Snyder March 30 and 31 in "Peter Pan."

Miss Dantzler spent practically all of her girlhood in Snyder, her mother for several years being in the employ of H. G. Towle, Snyder's well-known and popular jeweler.

"Peter Pan" is one of the most popular moving picture plays ever staged, which with the fact that its star is a former Snyder girl, it will no doubt be shown to a well-filled house at each time it is shown here.

### WEBB MOTOR COMPANY INSTALLS PUMP.

The Webb Motor Company of this city has installed a gasoline pump at its garage and salesroom. R. W. Webb, the genial and progressive proprietor, has had a big sale of Buicks and Chevrolets the past season, and says that a gasoline station of his own will come in mighty handy lots of times.

### LIT CHAPMAN'S CAR BURNED.

The Buick touring car belonging to Lit Chapman was completely destroyed by fire Wednesday night. Mr. Chapman had made a drive to Fluvanna and was returning home when about seven miles north of Snyder the rear of the car was discovered in flames which they were unable to extinguish. The cause of the fire is a mystery.

### PAVING CONTRACTOR HERE.

Mr. M. E. Roper, representing the Smith Construction Company of Fort Worth, is here, and informs the Times-Signal that the work of paving will begin within the next few days.

Mr. Roper paid Snyder a high compliment, but also remarked that he did not know of another town in all West Texas as large as Snyder that didn't already have paved streets.

### FRED WILHELM LEAVES FOR EUROPE.

Fred Wilhelm left Tuesday for a trip through Europe. He will visit London, Paris, Rome, Athens, Vienna, Berlin and probably many other large cities before he returns. He will be gone several weeks. His many friends here are wishing him a bon voyage.

### MRS. BERTHA LYNCH

Mrs. Bertha Lynch died at her home near Fluvanna, Sunday. Deceased passed away on her 30th birthday, she having been born March 8, 1895. Her remains were buried at Fluvanna, Monday.

### DISCS UP "REAL STUFF" FIFTY YEARS OLD

While T. F. Blackard was discing along an old trail near Dunn a few days ago, his disc turned up a bottle of real old bottled-in-bond rye. There were two bottles but one was empty. The bottles had been buried so long that the places where they lay looked like molds in some hard substance. The cork in the bottle containing the whiskey had nearly rotted out, but Mr. Blackard says that he is almost certain that the bottle was full. Unfortunately the disc broke the bottle and everything was lost but the odor.

Mr. Blackard says that the liquor was found only a short distance from one of the oldest trails in this part of the country, and that he has found several articles in that community, one of which is a large knife that had been lost so long that the handles had rotted away.

### RURAL AID SCHOOLS BEING INSPECTED.

Lee Hensley of Austin, rural agent supervisor of the State Department of Education, is in Snyder this week. He is in company with the county superintendent, A. A. Bullock, is making a tour of inspection of the rural schools that are entitled to State aid. There are at the present time 22 schools in the county that are receiving State aid. Mr. Bullock states that next week he will be in position to give the amount that he schools of the county will receive as a result of the visit of Mr. Hensley.

A rumor recently started and that continues to grow is to the effect that Charles Noble, of the Higginbotham Brothers and company, is contemplating establishing a tailoring business—provided he is given a proper amount of encouragement.

### GENERAL MANAGER HIGGINBOTHAM STORES VISITS SNYDER.

Tom J. Williams of Comanche, general manager of the Higginbotham Brothers & Company stores, was a visitor in Snyder last Saturday. This visit was merely to look over the territory and business in general. Mr. Williams just returned from a month's visit in Old Mexico spent on one of the large Higginbotham ranches located about 700 miles southwest of El Paso. He reports things in that part of the Republic as doing nicely and the cattle are doing fine.

### HELP BEAUTIFY OUR CEMETERY.

Last Saturday afternoon a few of those interested in the care and upkeep of our cemetery met at the undertaking parlors of R. M. Stokes and Son and discussed various ways and means of raising funds and doing other things toward the beautification of the cemetery. If their campaign for finances are successful they contemplate putting down another well and erecting a windmill and tank for the purpose of serving the new portion of the cemetery that has been opened since the old mill and tanks were put up. They also intend to lay larger pipes so that more water will be available for the various lots. They intend to hire a man to look after the cemetery in general and he will be available to those who wish to employ him for any special work on their own lots. Every one that will help in any way in giving "our city of the dead" a thorough clean-up are urgently requested to meet at the cemetery at 3 o'clock next Wednesday afternoon, March 18. If you are interested you will be there to help.

### T. B. WARE SELLS HIS GROCERY BUSINESS.

T. B. Ware has sold his grocery business which he has been conducting under the name of Ware's Grocery to Messrs. L. O. Smith and Hugh Taylor both of this city. The new owners assumed charge of the business this morning. We bespeak for this new firm a good patronage as they are both well-known, having been reared here.

### PLAINVIEW NEWS.

Reported by the Seventh Grade, Vera Owen, Editor-in-Chief.

Mr. and Mrs. Jim Hassel and Miss Meda Belle Sturgeon went to Dripping Springs Sunday. They report they had a nice time.

There was a party at Mr. Wiley Bishop's house Saturday night. There was a large crowd there. Everyone had an enjoyable time.

Rabbits have begun to spring up everywhere so the Plainview community went on a rabbit drive Saturday night and killed a good many rabbits. Some of the drivers came back by the party just in time to go home.

Plainview boys and girls went to Pleasant Hill Friday afternoon and played basket ball. Plainview girls won the game over Pleasant Hill. Plainview boys lost the game to Pleasant Hill.

Mr. and Mrs. Brooks spent Sunday evening with Mr. and Mrs. L. D. Sturgeon.

Linda Peden spent Saturday night and Sunday with Izara Hodges.

Ocly Smith, Paris Perser, Misses Ruby and Opal House went to Dripping Springs Sunday.

Clarence Moore spent Saturday night with Ocly Smith.

Misses Birtie and Pearl King and Mr. Irvin Sturgeon went to Colorado City Sunday.

Sunday a bunch of Plainview boys and girls went to Camp Springs to a singing.

There will be a singing at Mt. Zion Sunday, March 15. Everybody invited to come.

Mr. Ballard and family spent Sunday evening with Mr. and Mrs. Parks.

Miss Nevala Smith from Rotan spent Sunday with Misses Emma and Frances La Paur.

Mr. and Mrs. R. E. Dever took supper Sunday night with their son and daughter, Mr. and Mrs. J. L. Moore.

Plainview school children are having clean up day. A truck load of junk was taken off this morning.

The intermediate room together with their teachers went on a picnic Friday at Flat Top. Everybody had a wonderful time.

Last week Mr. E. M. Hooper tried to plough up a stump but couldn't. The results were, he was thrown off the plow and broke his arm and hurt his face.

Miss Bertha Hausler is visiting with her sister at Colorado City.

### SNYDER YOUNG LADY TO MAKE IMPORTANT TRIP.

Miss Ellen Buice, daughter of Dr. and Mrs. W. R. Johnson, who is a pupil of Sullins College, Bristol, Va., will leave Bristol on Saturday night, on an educational, and sight seeing trip to Washington, New York and Many other points of interest. The six girls who have been selected for this wonderful trip will be accompanied by Mrs. Martin, the wife of the president of Sullins College. Such trips are considered by all pupils to be quite enjoyable as well as educational. Miss Ellen Buice will return to Snyder in early June after the close of the college year.

### SANTA FE CHANGES TRAIN SCHEDULES.

J. W. McCoach, local agent of the Santa Fe railway, has given us a new schedule of trains through Snyder which will be effective March 15. This change is made in order to make better connections with trains for Chicago, Kansas City, Los Angeles and other distant points. Below you will find a table showing the arrival and departure of Santa Fe trains at Snyder together with the arrival and departure at the most important cities served by the Santa Fe:

### MANY THANKS.

Green Faust, Ark, March 7. To the Times-Signal.

Enclosed you will find \$1.00 for six months renewal to the Times-Signal. We have been taking the Times-Signal for so long we don't feel as though we could do without it. We think it is the most interesting paper we take.

### W. N. HUMPHREY,

### W. T. THWEATT ELECTED PRESIDENT OF HERMLEIGH BANK.

Mr. W. T. Thweatt was elected president of the First State Bank at Hermleigh the first of last week and took over the active management of the institution the latter part of the week.

Mr. Thweatt came here from Seagoville something like two years ago and has been engaged in the hardware business in partnership with his brother-in-law, A. A. Cardwell, until three months ago, when he sold his interest in the business to his partner. Since Mr. Thweatt and his family took up their residence here they have made a great host of friends who will regret to see them leave Loraine.—Lorraine Leader.

### SPECIAL FARM DEMONSTRATOR TO BE HERE NEXT WEEK

Mr. Bentley, Agricultural Engineer of A. and M. college, will be in Scurry county next Tuesday and Wednesday, March 17 and 18 to assist County Farm Demonstrator Carmichael in giving some special demonstrations and terracings. The 17th they will be at the Joe Golden place southwest of Snyder and on the 18th at J. D. Boone's, near Camp Springs. These demonstrations are worth a great deal to the farmers and all who are interested in better farming are invited to be present at the above named places.

### MRS LUCY FRANKLIN

Mrs. Lucy Franklin, aged 36 years, died at Polar Saturday of pneumonia. Mr. and Mrs. Franklin had charge of the Polar school. Her remains were buried at Polar, Saturday, Rev. Jeff Davis pastor of the First Baptist church of this city, conducting the services.

### MRS. E. C. CASTELLAW.

Mrs. E. C. Castellaw was born in Alabama, November 17, 1850; died at the home of her son, W. W. Rogers, in this city, March 8, 1925, aged 74 years, 3 months and 22 days. Deceased was a pioneer of this county and one of its very bset women. Her remains were laid to rest in the Snyder cemetery Monday, March 9, Rev. J. W. McGaha conducting the services.

### Ernest Taylor made a business trip to Abilene Tuesday.

**NEWSPAPER SURPASSES ALL OTHER ADVERTISING MEDiums, BANK EXECUTIVE DECLARES.**

The newspaper is the best advertising medium, Clark G. Mitchell, vice-president of the Denver National Bank and ex-president of the Colorado Bankers' Association, told members of the eleventh district of the Associated Advertising Clubs of the World, Saturday.

In an address on "Publicity from the Banker's Viewpoint," he said that a big New York trust company, which has been unusually successful, spends 80 per cent of its total advertising budget in the newspapers. He suggested as a well proportioned budget 40 per cent for newspapers, 20 per cent for financial magazines, 15 per cent for booklets, house organ and cards; 5 per cent for bill boards and car signs, and 20 per cent for incidentals such as mimeographing, cuts, engraving and photos.

"Much of a bank's publicity is of an indirect nature," he said. "Its advertising must educate the community; it must build the community through conserving its resources. If a bank stimulates 'thrift,' it advertises its savings or investment department. Banks would be worthwhile institutions if they did nothing more than prevent the sale of fraudulent securities to their depositors. The bank can advertise the success of its customers, and can speak with pride about this or that great industry. It can defend its customers and their businesses from unreasonable or radical attacks, and in this way obtain their everlasting good will. As those customers of prospective depositors become successful and their business grows, it naturally follows that the bank will share in their prosperity.

"There are such striking examples in the industrial field back of the results of advertising that it seems beyond doubt that the bank that advertises in the proper way will far outstrip the one that maintains a dignified silence.

"If you will pardon a personal reference, I will state that in our own institution publicity in all forms has been greatly increased since June, 1923. In the period since that time deposits have increased approximately 54 per cent. The bank has received a tremendous amount of new business, and has taken over another smaller banking institution. If we eliminate the increase from this latter source, in the short period of a year and a half out of the entire forty years of our existence, we still have the amazing increase in deposits of 23 per cent. So you see I have, personally, much gratification and much enthusiasm over the publicity activities of our own institution."

**THE ALATHEAN CLASS.**

The Alathean class of the Baptist Church is growing in number all the time. We have doubled our membership since we organized in November.

We have thirty-eight members now, five new ones were added Sunday. We had good attendance Sunday and expect to have better just as soon as the weather gets more favorable.

We will have our regular social meeting with Mrs. W. E. Kieth Thursday the twelfth. We want everyone to be present as we always have a good program and a good time.—Reporter.

**RURAL SCHOOL MEET.**

The Mitchell County Line school was host to a number of schools on last Friday in a general get-together meet. When the writer arrived on the scene about ten o'clock, the grounds were covered with automobiles and people. A cold drink stand was in evidence to furnish cooling draughts to those who became thirsty and a general holiday atmosphere prevailed.

At ten-thirty the County Line baseball team crossed bats with the Dunn high school team and after seven innings of heated combat the County Line team came away victors. I do not remember the exact score.

After the baseball game all the folks met at the schoolhouse where a bountiful feast was spread in the old-fashioned picnic way and the good things to be seen on the table were too numerous to mention here.

After dinner we were invited in the house where Dr. Sparks delivered a fine lecture on the diseases of children and how to prevent and treat them. The lecture was highly instructive and beneficial. I wish that all parents might hear what Dr. Sparks had to say.

In the afternoon there were basket ball games galore. Mitchell County Line continued their winning streak when they defeated the strong Strayhorn five (boys) by a very small score. Looney girls' team defeated the Pleasant Hill girls after a hard fought game that went three extra periods. Mitchell County Line girls defeated the China Grove girls in a good game. I do not recall the score. The Pleasant Hill boys defeated the strong team from Dunn high school, and the Dunn girls beat the Mitchell County Line girls. This ended the interschool games. There was one other game, however, that we must not fail to mention, that played between the Mitchell County

Line school boys and the visiting teachers. The teachers' line-up was: Arthur Bullock, center, Ben Thorpe and Earl Sparks, forwards, and A. J. Sparks and Mr. Bellamy of Dunn, guards. The game resulted in another victory for Mitchell County Line.

A very interesting and instructive drill was given in the open by Mr. and Mrs. Sparks and students of their school, in physical exercise. This exercise is a part of the every-day program as given in the school at Mitchell County Line by these wide-awake and enterprising teachers.

Eight schools participated in this meet and I think that it was a day well spent.

I would be glad to see more of these community meets for I think that more good can be accomplished in one day spent in this way than from several days spent in class room work. We need to mix more of this with our daily grind of class room work.

A VISITOR.

**HELPFUL WORKERS' CLASS.**

The Helpful Workers' Class of the First Methodist Church Sunday School met Wednesday afternoon at the parsonage for a social meeting. Members of the class were privileged to bring a guest. Games were played and refreshments served. Everyone reported an enjoyable time. The class members present were: Maurine Stokes, Juanita Darby, Lillie Mae Baze, Ira Davis, Thora Cotton, Mary Julia McMillan, Nina Frances Banks, Mary Edith Hood, Lena Ruth Smith, Dorothy Strayhorn and Pauline Boren. The guests were: Lohoma Lowery, Faye Joyce and Gwendolyn Chambers.

The object of the Helpful Workers' Class is to visit the sick and unfortunate after every class meeting. The members of the class visited the county jail.—Reporter.

**NOTICE OF ELECTION.**

THE STATE OF TEXAS, County of Scurry.

Whereas, there was presented to the Honorable Commissioners' Court of Scurry county, Texas, at a regular meeting thereof, on the 24th day of February, 1925, a petition signed by more than two hundred qualified property tax-paying voters of Scurry county asking that the Commissioners' Court and County Judge call an election to determine whether or not there should be levied on all property in Scurry county a special road tax of fifteen cents on each one hundred dollars' worth of said property.

Now, therefore, I, Horace Holley, County Judge of Scurry county, Texas, pursuant to an order passed by the Commissioners' Court of this county, on the 24th day of February, 1925, do hereby call an election to be held in Scurry county, Texas, on Saturday, March 28, 1925, the purpose of said election being to determine whether or not there shall be levied annually a special road tax of fifteen cents on the one hundred dollars' worth of property in Scurry County.

Only qualified voters, who pay a property tax in Scurry county, shall be permitted to vote at such election. The ballots shall have printed there-

**FLUVANNA NEWS.**

Mrs. J. I. Boren left Sunday for Bell county to be with her mother who is seriously ill.

H. W. Landrum and family of Snyder spent Sunday evening with J. G. Landrum and family.

Mr. and Mrs. J. L. Daugherty of Lamesa spent Sunday in Fluvanna.

Grady Ely of California visited in Fluvanna last week.

Dave Covey went to Sweetwater Sunday night to meet his mother, who is now visiting with Mr. Covey and family.

Mesdames Mary Bellew and Fricie Melton and Misses Lelia Hunnicutt and Lillian Davis spent Monday evening in Snyder.

John Stavely and daughter spent Sunday evening in Snyder.

Rev. Bryant filled his regular appointment at the Presbyterian church Sunday morning and evening. A large crowd attended both services.

Mrs. B. W. Lynch passed away Sunday evening at her home near Fluvanna after a short illness. Bro. Hester conducted the funeral services Monday evening. Mrs. Lynch leaves a husband, one child, father, mother, brothers and sisters, besides a number of friends to mourn her loss.

To the loved ones I can only say yours is a deep sorrow. We were so shocked to learn of it today. We are sometimes called to sow in tears, but the promise is that we shall reap in joy. May every consolation and blessing be granted you is our prayer. We offer our sincere sympathy in your great sorrow.

The Fluvanna basket ball girls went on a picnic March 7, at the Cap Rock. We got there about 10:30 and stayed until about 1:30. At 12 we had lunch, which consisted of sandwiches, waffles, cakes, pickles, eggs, fruits and just lots of everything but water, which was very scarce.

We started for the top about 1 o'clock. We got about half way and decided we wanted to toast some marshmallows which we had lots of fun. We got to town about 2:30 and of course we were all ready for a rest. The girls that went were: Angie Haynes, Rosa Gilbert, Hazel Gordon, Mildred Davis, Azilee Gilbert, Mazell Dyess, Verney Boynton, Ethel Clem and Miss Lela Isaacs, who was our coach and chaperon. Everyone reported a real nice time, and hope to have another one soon.

**"THE SPEED SPOOK."**

In "The Speed Spook," featuring Johnny Hines, which comes to the Cozy next week, patrons will view a real championship auto race in which all the incidental details necessary to such an event were filmed. Roaring around the track at speeds from 110 to 120 miles per hour, the only means of communicating with the drivers is through the system of flag signals controlled by the starter, who is the dictator of the race from the moment the first car crosses the starting line until the last one finishes. The signals most in use are as follows:

Red Flag—Course is clear.

Yellow Flag—Accident on track.

Green Flag—You are entering your last lap.

White Flag—Stop at pit for consultation with your mechanics.

Black Flag—With White Center—Another car is trying to pass you.

Black and White Checkered Flag—You are finished.

**PLAINVIEW NOTES.**

As I haven't seen anything from this part of the county in some time I thought I'd let everyone know we are still existing, but not prospering any.

Most all the farmers have their land "put up" and won't have anything else to do until it rains.

Mrs. Floyd gave the young people a party Thursday night. Everybody reported a nice time.

The party at Mr. Bishop's was enjoyed by all present.

Lawrence Deavers and Clyde Smith were in Snyder Sunday morning on business known only to themselves.

Walter Dever of Farwell is visiting his brother in this community this week. We are indeed glad to have Walter with us again.

We regret very much to state that Mr. Peden had the misfortune of losing his house and all its contents in fire Monday night. The origin of the fire is unknown as it started in a room that was not used by the family, and spread very rapidly to all parts of the house.

Mr. E. H. Dunn and family spent Sunday with Luther Morrow and family of Lloyd Mountain.

John Woodard and family spent Sunday afternoon with Mr. and Mrs. Homer Jenkins.—Girlie.

**DINOSAUR EGGS.**

Geo. D. Doughty has lately received a gift which he values very highly from the American Museum of Natural History, New York City. It is a cast of one of the eggs of the primitive horned dinosaur "Protoceratops andrewsi" found in the Djsdochla Formation" (Cretaceous) fossil beds on Kwihuaing Uliasutai trail, near eastern end of Altai Mts., Gobi Desert, Mongolia, by the third Asiatic Expedition, August, 1923.

This primitive reptile lived in Asia when Texas was part of the Atlantic ocean and was the ancestor of the great American dinosaur "Griceratops" (Three horned) fossil remains of which have been found in the Rocky mountain area. The fossil eggs are estimated to be millions of years old and this fine specimen will be treasured and make one more addition to Geo. Doughty's collection of Prehistoric fossils.—Post City Post.

Exactly! Except that said egg instead of being the product of the dinosaur protoceratops, it no doubt belonged to labyrinthodono pterodactylus megalosauris ornithynchicus. This now extinct reptile is said to have lived in the Djsdochla antediluvia period.

With this very plain explanation, we are sure that the readers of the Times-Signal will thoroughly understand all about this paleontological specimen.

The devil, after reading the Post City Post article believes that the editor had been drinking "chicken" hooch before attempting to set the article. He knows the Time-Signal editor is a teetotaler.—G. H. B.

Simple Way To End Night Coughing

No matter how long you have been troubled with exasperating coughing at night, robbing you of valuable sleep and thereby weakening your system and laying you open to dangerous infections, it can usually be stopped at once by a very simple treatment. Most people have found that they can sleep the whole night through undisturbed often the first time they try it.

The treatment is based on a remarkable prescription known as Dr. King's New Discovery for Coughs. You simply take a teaspoonful at night before retiring and hold it in your throat for 15 or 20 seconds before swallowing, without following with water. The prescription has a double action. It not only soothes soreness and irritation, but it quickly loosens and removes the phlegm and congestion which are the direct cause of the coughing. The result is you usually sleep soundly the very first night, and the entire cough condition goes in a very short time.

The prescription is for coughs, chest colds, hoarseness, bronchitis, spasmodic croup and almost every throat irritation. It contains no opiates or other harmful drugs. Economical, too, as the dose is only one teaspoonful. On sale at all good druggists. Ask for

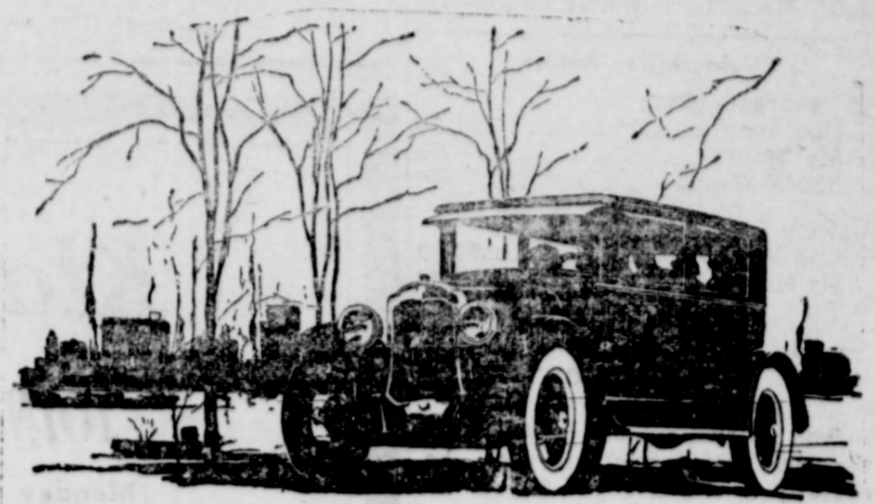

as o take the strain from the bolt, thus preventing their becoming loosened.

PATENTS GRANTED TO TEXANS.

Compiled by Munn & Co., Patent Attorneys.

Of 877 patents issued in past week, Texas inventors obtained 16. Do you know any of these inventors?

William A. So Rello of Clarendon, Cotton picker. This is the type of cotton picker that is moved along the rows of cotton plants and automatically removes the cotton bolls therefrom.

Charles B. Porter of Amarillo. Motor Vehicle Signal. This is to be mounted on or carried by motor cars which are used to give signals of the stopping or turning movements by the driver of the car, and this signal when in non using position is very compact and when exhibited to view will have ample size.

Joseph M. Spitzer of Houston. Pipe puller. With this pipe puller the entire string of pipe may be removed at one time, or the pipe broken up and removed in sections.

Gus F. Lenk of Dallas. Combustion chamber. The object of this invention is to provide an auxiliary combustion chamber so related to the burning chamber as to give the gases an opportunity to expand and to reduce their velocity, whereby the furnace hydrocarbons are more thoroughly mixed with the oxygen, which promotes and eliminates odors.

Daniel F. Morgan of Fort Worth. Header. This is an improved hand implement for severing the heads from the stalks and for use in cutting milo maize, kaffir and broom corn or other head crops.

Clem C. Prim of Cumby. Riding row-crop gatherer. This is to be moved between the crop rows, the operator sitting within the vehicle and picking the crop and discharging it into a receptacle carried on the vehicle.

**HOW TO GROW.**

Say, fellows, get out of your head the idea that towns just grow, because you are wrong. Towns are built, and no town ever rose above the aspirations and ambitions of its business men.—Snyder Times-Signal.

That is a fact, to which there is no gainsaying. Progressive business men mean a progressive town and although there may be other interests which cause a town to grow, the business part of it is of great importance. The fact remains, however, that in order to grow a town must have other interests besides that of business, although the business part commands much importance. What Clip and Comment is trying to say is that the business part of a town is of high importance; without it a town couldn't exist, but despite that fact there are other interests which go on to make a city, as is well known and needs no further elaboration here.—Abilene Reporter.

Explorers in Africa claim to have discovered the bones of an extinct snake known as the gigantasauros. It is said that one bone in the reptile's leg was seven feet long and required seventeen men to lift it. My goodness! What kind of liquor do they have in that part of the world?

Saturday was another big day for Snyder merchants. Some of our business men say that last Saturday was the biggest day they've had this year. Come to think of it, Snyder is getting better all the time. You simply won't know the old town when we get through paving.

Now that the square and several blocks are about to be paved, what about that "white way" next to the curb? Nothing would add more to the beauty of a paved square than large white lights along the paved streets. It would cost the property owners but a small amount and it ought to be done by all means. The Times-Signal man is a renter but he is willing to help his landlords pay the cost. Now, let's get busy, fellow citizens, and build a little city out of a good country town. It's go-

ing to take a little money, but it takes money to make anything that's any account. After the paving has been laid, it will be too late then to think about a "white way". The conduits can be laid before the streets are paved and the posts and lights can be installed any time there after.

Did you know that Snyder is going to have one of the best bands in West Texas in a very short time? Well,

it's a fact, whether you know it or not. Snyder has a band that all Scurry county will be proud of at the West Texas Chamber of Commerce meeting at Mineral Wells this time. The thing for us to do is to get in back of the band boys and go to Mineral Wells with them. Scurry county ought to send a delegation of 250 to Mineral Wells this year. Let's go! Kin, and Joe and Ernest and Pete all say that we're all going this time.

**Retiring from Business**

I want to say to all my friends and customers that I have sold my grocery business to Messrs. Hugh Taylor and Leslie O. Smith, both of this city, who assumed charge this morning. They will continue the business in the same location and continue to handle the same line of high quality Groceries, Fruits and Fresh Vegetables that has always been the policy of this store.

Messrs. Taylor & Smith have assumed all of the active 30-day accounts and will continue to carry them as formerly. So you may take notice of this and make settlement with them for what is now due me.

I want to express my sincere thanks for all past business and favors given me while in the grocery business, and assure you, that it was appreciated and each of you will long be remembered by me.

Asking you to show the new firm the same courtesies and patronage that you have shown me, I am,

Yours truly,

**IRA NEWS.**

We are having some beautiful weather.

We had a great sermon Sunday by our pastor, Bro. Charley Jones; had a large crowd.

The Baptist church is progressing nicely.

The ladies had their business meeting Monday evening.

Tom Jones and a boy by the name of Wagner, turned a car over Sunday evening. Tom Jones was badly hurt.

Mrs. Bob Taylor was quite sick 3 or 4 days last week, but is able to be up.

Mr. and Mrs. Barnett went to the Lubbock Sanitarium last Saturday. Mrs. Barnett and baby are improving.

J. B. Taylor is able to sit up some. Grandma Barnett spent the day with Mrs. Bob Taylor Monday. Also their son and wife spent the evening with their parents, Mr. and Mrs. Bob Taylor.

Borden DeLoach is at home on a visit.

Mrs. Mose Lee's father, Mr. McAlister, died last Thursday morning. He was 77 years old.

Mr. and Mrs. DeLoach and Mr. and Mrs. Walter Taylor took dinner with Mr. T. J. Giddens and family last Sunday.

We are delighted with our new neighbors, Tom Miller and family and Mr. West's family.

The Moore No. 2 oil well is reported over 500 feet deep.

Tom Martin of the Canyon community was quite sick last week.—Forget-Me-Not.

**WHATLEY ITEMS.**

We are having some real March weather now. A good rain would be appreciated by both farmer and stockman. We are all looking ahead to a good crop year.

Mrs. Herren and grandchildren are visiting with her daughter, Mrs. Sligh, near Snyder, Texas.

Guy Buffaloe and Alfred Letchner took a stroll up about Justiceburg the other day, Alfred returning Mon-

day. Our school started again today, our teacher being absent a week on account of being sick. We are glad to see her well again and back at her work.

Everybody seems to be getting better in the way of colds and flu.

Aubry Letcher has been sick with cold but is better now.

Will close, wishing you one and all a prosperous year.—Farmer.

**GUINN NEWS.**

Did you read last week's report? If you did don't miss the interesting facts we are going to disclose in this one.

In last week's report we said that the school was going to listen in on the presidential inaugural over the radio and we tried, but without any success.

The students who are taking music are learning with a skill that is seldom shown among students and Mr. Horton proves himself to be an able teacher. The boys have started to playing baseball, and it seems to be a very interesting exercise for them.

Dewey Rollins and wife of Snyder spent from Friday until Sunday with kinfolks.

Ulice Duncan and wife of Camp Springs community spent Sunday with Mr. and Mrs. Basham of Guinn.

Mr. McGowen of Guinn community had some kinfolks of Snyder to visit him Sunday.

Miss Acres and Mr. Hicks of Snyder paid Mrs. W. R. Guinn of this community a call Sunday afternoon.

We had another good party at Mr. Dixon Saturday night and everyone enjoyed himself.

The scouts are going to have a meeting Thursday evening at Camp Springs, and they bid visitors a warm welcome. The boys are overwhelmed with a desire to finish passing their second class tests so they can enjoy a spring swim and pass their first class tests.

We also had a good singing at Mr. Morton's Sunday night and there was a large crowd.

If it rains soon you will find us all at work when you come.—Socks.

**DERMOTT NEWS.**

Boss Scrivner, who has been unable to attend Sunday School, was out yesterday for his first time in a couple of months. We were glad to have Mr. Scrivner back with us.

Mrs. O'Donnell left for Abilene Sunday for a few days' visit.

Mr. and Mrs. Joe Taylor of Fluvanna visited Mrs. Mary Boatman and family Sunday.

Mr. Arch Lavander and wife visited Alford Browning and wife Sunday.

Jess Wilson of Snyder was in Dermott Friday.

Boss Landers and family from New Mexico visited with relatives near Dermott the past week.

Mr. and Mrs. Baggett spent Sunday with their daughter, Mrs. Melton Greenfield.

Miss Jonnie Mae McDonald took supper Sunday night with Lorene Claxton.

Miss Cardie Braswell took supper with Opal O'Donnell Sunday night.

We had two visitors in our Sunday School Sunday—Mrs. T. B. Burrough of Hermligh and Mrs. Coy Watkins of Snyder. We are glad to have them to visit us; hope they will come back next Sunday.

**FROM D. T. BOZEMAN OF CUTHBERT.**

Never was a small boy more proud of a new knife than D. T. Bozeman of his water supply at Cuthbert.

Here is what he says to the public: Cuando si Seca el Rio Colorado, y los pescados se mueren de Se y los molinos no day Huego hay agua libre a Bozeman's.

If your tongue can't roll out such jawbreakers just take the following: When the Colorado River goes dry, And the fish and the bullfrogs die, With other wells and windmills all out of order;

Go to Bozeman's and get free water.

In short, Mr. Bozeman gave the writer to understand that any one, at any time was welcome to all the good, fresh water that they want.

Mr. Bozeman is a prosperous merchant, and mayor of Cuthbert.

**TWENTIETH CENTURY CLUB ENTERTAINS.**

The home of Mr. and Mrs. C. F. Sentell was opened Friday evening, Feb. 27th, to the members of the Twentieth Century Club, their husbands and a number of friends. The house was beautifully decorated, using the national colors. Mrs. Sentell, assisted by Mrs. J. E. Sentell, welcomed the guests and gave them place cards. Tables were prepared with linen and silver for 52 guests. A beautiful and delicious two-course luncheon was served. Table were cleared and all enjoyed 42 until a late hour. Those present were: Mr. and Mrs. G. H. Leath, Mr. and Mrs. Bernard Longbotham, Mr. and Mrs. R. W. Webb, Mr. and Mrs. Charles Noble, Mr. and Mrs. A. D. English, Mr. and Mrs. H. G. # Stop Your Buying Now! LOOK! The W. L. Edmondson Co.'s CLEAN SWEEP SALE!

The W. L. Edmondson & Company of Loraine, Texas, will place their entire stock of Groceries, Dry Goods, Furniture, Hardware, Implements, Stoves, Ranges and Leather Goods on PUBLIC SALE—

## Thursday, March 12 8 a. m.

The greatest and most sensational mercantile event this city or its surrounding territory has ever known. Make your arrangements to be here opening day. LET NOTHING KEEP YOU AWAY.

The W. L. Edmondson Co. To Place Entire Stock On Sale.

Beginning Thursday, March 12th and Continuing For Fifteen Selling Days

Rumors circulated as to the impending tremendous big cut price and sensational sale on the W. L. Edmondson & Company's stock have been confirmed by the firm's positive announcement to that effect. The news has created a stir in business circles, but will undoubtedly be welcomed by the buying public of Loraine and this entire section of West Texas, who thus have a rare opportunity offered them.

The W. L. Edmondson Company have been in the mercantile business in this section for the past twenty-four years. Their reputation for honesty, square dealing and as business men is well known to practically every man, woman and child in this section and combined with their present stock of high class merchandise they have convinced the public of their sincerity and honest dealing and now they will place their entire stock on sale at prices that will open wide, in wonder, the eyes of the buying public.

To accomplish the huge task of reducing this enormous stock in the given length of time, they are bending all efforts and sparing no expense to thoroughly advertise this great event. Advertisements have been sent broadcast over this entire section and enormous crowds are expected to attend this sale. Vast preparations are being made to accommodate the crowds and many extra sales people have been employed and are now making important changes in each department to properly meet the demands and wait upon the trade quickly.

The store will positively be closed one day previous to the opening day to every one and will open promptly at 8:00 a. m. Thursday, March 12, when this unique event will commence.

Not in the history of this town has a sale so tremendous in size as this one been organized, making it of unusual significance to the public and a glance at the list of attractive bargains offered will convince one that the limit in size as well as in tremendous genuine bargains have been offered.

Business Circles Stirred to Depths.

The Largest and Best Store in This Part of the State to Place Entire Stock On Sale

Mercantile Movements of Marvelous Magnitude.

In this issue appears the positive announcement of the impending and stupendous sale of the stock of the W. L. Edmondson & Co., of Loraine, Texas.

This gigantic news comes as a pleasant surprise to the buying public at this time and the sale no doubt will be generously patronized.

This present stock of high grade merchandise will vanish like magic. Never again in the history of this town may this occasion again arise.

Mr. Edmondson in speaking of this sale said that he did not know how they were going to be able to accommodate every one who attends this sale but that he would be on the floor every hour of the day and will personally assist in waiting upon their customers. This firm has an unusual advantage over the average merchant as they buy the bulk of their merchandise in solid car loads. There is a big saving in buying in quantities like this as well as a big saving in freight rates. Even without a special sale they are in a position to make closer prices so you can imagine the savings made possible by a sale of this magnitude.

**PRESBYTERIANS TO RAISE \$4,750,000 SUNDAY, MARCH 15.**

Sunday, March 15, has been designated by the general assembly of the Presbyterian Church, U. S. as the day upon which the 438,000 members of this church shall be called upon through the method of the every-member canvass to pledge \$4,750,000 for the benevolent enterprises of this church these pledges to be paid weekly throughout the church year beginning April 1, 1925.

The budget of \$4,750,000 is apportioned as follows: Foreign missions, \$1,581,750; assembly's home missions, \$760,000; Christian education and ministerial relief, \$356,250; Sunday School extension and young people's work, \$95,000; Assembly's training school at Richmond, Virginia, \$8,500; American Bible Society, \$28,500, and to the work carried on by Synods and Presbyteries, \$1,900,000. The assembly has apportioned the total budget equitably among the 17 Synods which have assigned quotas to the 89 Presbyteries and by the Presbyteries to the 3,555 churches. It is estimated that the sum of \$9,000,000 will be necessary for the pastor's salaries and local expenses of the churches of this denomination.

The assembly's stewardship committee of this church which is in charge of the plans of the every member canvass calls upon all the churches to attempt in the space of two hours' time on the designated Sunday to raise the amount of their benevolent quotas. When this quota is added to the necessary amount for current expenses and pastor's salaries in each local church it forms the total budget. A new plan for making the every member canvass is being tried in many churches. It is called the "Volunteer or Honor System Plan," which provides a method by which the membership of any local church instead of being canvassed in their homes, may present their pledges in person at the church. The assembly's stewardship committee predicts the best canvass this year ever conducted in the church.

**ABILENE CHRISTIAN COLLEGE NEWS SERVICE, ABILENE, TEXAS.**

A recent investigation of the records found in the office of Abilene Christian College shows that the students of A. C. C. have homes in eight different states of the union, besides the District of Columbia and the Republic of Mexico. In point of numbers, Oklahoma leads the outside states in students furnished as eleven of the Sooner natives are now on the roll. New Mexico follows with seven and third place is a draw between Arkansas and Alabama with four each. Tennessee, Ohio and Montana contribute one student each.

In Texas, 155 towns are represented, the students coming from practically every part of the state. Abilene leads with slightly over 100 as might be expected since that is where the college is located. Lubbock, which has always been a standby for A. C. C., send 13. Dallas and Waxahachie tie for second place with seven each. Clyde, Merkel and Wichita Falls constitute the trio that send one-half dozen students each to A. C. C.. Roscoe and Rochester send five each, while 147 other towns have from one to four representatives now attending.

Mr. and Mrs. Dick Randalls were in Sweetwater Sunday afternoon.

**DOES YOUR BACK ACHHE?**

Bad Backs Bring Suffering to Many Snyder Folks.

Is that dull, constant bachache making you old and miserable? Does your back throb and ache until it seems you just can't keep going? Do you suffer headaches, dizzy spells and urinary disorders; feel weak, tired and worn-out? Then look to your kidneys. Delay may mean serious kidney sickness! Use Doan's Pills—a stimulant diuretic to the kidneys. Doan's are recommended by Snyder folks.

Mrs. J. R. Cole, Snyder, says: "I had a dull, tired ache through the small of my back and when I stooped to do my housework, my back was so sore I could hardly straighten. My kidneys acted too freely and headaches and dizzy spells were also annoying. My husband had used Doan's Pills with good results so I tried them and they cured me of the attack."

**DR. LESLIE'S BROTHER CANDIDATE FOR REPRESENTATIVE.**

The following taken from a paper published in Kentucky of Dr. Leslie's brother will no doubt be of considerable interest to Dr. Leslie's many friends here:

"The announcement of Dr. W. W. Leslie, as a candidate for Representative of Henry and Owens counties in the next session of the Legislature, appeared in last week's issue of the Local

Dr. Leslie consented to enter the race after a petition signed by a large number of his friends in the eastern part of this county and at the earnest solicitation of many others in different parts of the district. Dr. Leslie is so well known in the district and his splendid service rendered the Democratic party for the past twenty years that it would seem any eulogy we might pronounce would be unnecessary. Dr. Leslie is the son of a Baptist minister, who was an old Confederate soldier and related to Gov. Leslie, of Kentucky, was born and spent his early childhood in old Virginia, coming to Lockport in this county about thirty years ago. He married Miss Nellie Lindsay of the Hardin family of Owen county, which is one of the pioneer families of the district. He was the first doctor to volunteer his services in the World War from this county and his advancement was rapid. He was commissioned First Lieutenant advanced to Captain and then to Major, which rank he retains. He is a member of the American Legion and has taken an active part in all of its affairs since its organization, aside from being an active practitioner. He is also interested in agriculture, we might say he is a real dirt farmer, owning and operating a large farm in this county on the Kentucky River, near Lockport."

**VICTORY BIBLE CLASS.**

The Victory Bible class of the First Methodist church met in regular meeting at the home of Mrs. W. A. Merrill, last Wednesday afternoon, March 4. We held open house for Mrs. Lemons' class after which we had a short business session. We were given 16 quilt blocks and a prize was given to the lady who put her set of blocks together first. Mrs. Stokes, the teacher, proved to be the best with the needle. Next there was a guessing contest in which we were given a slip of paper and pencil and asked to guess at 20 advertisements that were pinned on the wall. Mrs. Dodson and Mrs. Hicks had to cut for favors, Mrs. Dodson being the winner. Coffee and sandwiches were served which was enjoyed by all. We had a large attendance of members together with the following guests: Mrs. Williams of Wellington, Mrs. Watkins, Mrs. Brice and Mrs. Webb of this city. The hostess was assisted in an able manner by Mrs. C. C. Higgins.

**REPORT OF THE W. M. U. CONFERENCE OF MITCHELL-SCURRY ASSOCIATION.**

After enjoying the morning program and the noon hour refreshments, the ladies met in monthly workers' conference, with the Plainview church three miles southwest of Colorado. The program opened with song and prayer. Mrs. G. E. Alexander read the twelfth chapter of Romans, then our president, Mrs. M. C. Bishop of Colorado gave us a talk on what she had learned from her trip to Dallas with the convention.

Reports from the following societies were given. Snyder, Colorado, Roscoe, Ira, Fluvanna, Pleasant Valley, Plainview and Beuford. Then

we were made glad when Loraine joined the conference. Our association is growing fast. It extends from Gail on the north to Sance south. We were glad to welcome Mrs. Jeff Davis, the wife of the pastor of the Snyder church, and Mrs. G. E. Alexander, the wife of our new missionary. We feel we have great workers in our midst both in the W. M. U. and the association.

Great and helpful talk were made and we were made to feel great good will be done both for our churches and country, too.

Running through all the discussions like a thread of gold was talks on the budget plan. Everyone seems to think that the ideal and Bible ways.

Next meeting will be May 5, at Fluvanna. Be sure to go.—Reporter.

**MAY PAVE ALLEYS.**

The Times-Signal is informed that the city dads have under consideration the matter of taking the gravel that's now on the public square and putting in on the alleys. This will not be done of course until the alleys shall have been properly graded.

The people have paid for this gravel, and to the Times-Signal it looks like the proper thing. Unless the alleys are graveled or paved, vehicles coming through the alleys in muddy seasons will keep the square and paved streets all messed up. Furthermore, there are alleys that are used almost as much as some of our streets. For instance, the alley between King & Brown and the Harpole grocery.

Every live city sooner or later paves its alleys. If all the gravel is removed from the square and the eight street blocks that are to be paved, there will be enough gravel to go a long way toward making alleys and several streets a whole lot better than they are and at a very small cost.

Mrs. Lee Roy Johnson and son and daughter of Sweetwater visited Mr. and Mrs. J. G. Lockhart last Wednesday.
