NOTICE TO MAKE MINERAL LEASE.

In the matter of the Estate of R. R. Joslin, deceased.

In the County Court, Delta County, Texas. No. A-139.

Notice is hereby given that I, Mrs. M. C. Barham, administratrix of the estate of R. R. Joslin, deceased, have on the 3rd day of April, 1925, filed an application in the above entitled and numbered cause for an order of the county judge of Delta county, Texas, authorizing me as administratrix of the estate of R. R. Joslin, deceased, to make a mineral lease for oil and gas upon such terms as the court may order and direct of the following described real estate belonging to the estate of R. R. Joslin, deceased, to-wit:

All that certain tract or parcel of land situated in the county of Scurry, in the State of Texas, being 440 acres of Survey No. One Hundred Forty-Two (142), in block No. Three (3), Certificate No. 9-1806, issued to the H. & T. C. Ry. Co., patented by the State of Texas to James B. Jordan, January 17, 1912, being more particularly described as follows:

Beginning at the N. W. corner of said section No. 142; thence south with the west boundary line thereof 1900 vrs. to the southwest corner of said section; thence east with the south boundary line of said section 950 vrs. to stake for corner; thence north 475 vrs. to stake for corner; thence east 475 vrs. to stake for cor-

ner; thence north 1425 vrs. to stake in north line of said section; thence west 1425 vrs. to place of beginning.

Said application has been duly filed and will be heard by the county judge of Delta county, Texas, at the courthouse in the city of Cooper on the 23rd day of April, 1925.

MRS. M. C. BARHAM, Administratrix of the estate of R. R. Joslin, deceased.

J. H. Byrd returned the past week from just over the line in New Mexico where he owns a tract of land. Mr. Byrd has a great deal of confidence in Eastern New Mexico and believes that in a short time land out there will be selling for as much as the Plains land of Texas.

A WAIL FROM WEST TEXAS.

A correspondent of the Longview News, writing from Slaton, Texas, addressed to J. A. Holloway of Longview from J. H. Hayes, who moved from Gregg out there last year, says: "Just a word to let you know I am still alive and have not blown away yet—but almost. "News is scarce, as everything is on the bum here. Dry, dry, dry—no rain and no sign of any. People are awfully disheartened. Many are leaving. Old settlers say it will take twelve inches of rain for a season, as

there has been no rain here since last August.

"Cattle are being shipped out of the country, as grass is dead. Everything is sky high in price, and everyone is living out of paper sacks and tin cans.

"Believe me, boy, if I was able you would see me in Longview soon. I can't describe how awful these sandstorms are. Some school children smothered or suffocated in a sandstorm. Also some horses choked to death.

"I suspect I will be in Longview about May 1, if I can get railroad fare.

"I am sixteen miles east from Lubbock. Slaton is a town of 5,000 and Lubbock 20,000 and it is estimated there are at least 5,000 idle hands. Many people are suffering.

"Best wishes to you and your family.

"J. H. HAYES."
 —Pittsburg Gazette.

The above clipping explains its origin. Here is a character who is not able to be financially responsible for his effusions and here is a paper which has been careless enough and whose responsibility is thought so little of that it prints a thing from such a party to the damage of West Texas. We might suggest a damage suit against this paper but it is really not a case of damage. The bunch that will read and believe such rot or write such stuff haven't the stuff in them to make decent West Texans. We are better off without the papers of East Texas and from the statement of the writer of this article he belongs to the busted class and we have an idea he never got a dollar ahead in all his life in East Texas and he could stay here for a life-time and would at a ripe old age be sitting on a curbstone and cussing the government and the country. There is not a remembrance of truth in any of the article.—Lamesa Reporter.

Why not let the wailer wail and

ALL OUT OF SORTS?

SO Was This Snyder Woman Who Tells Her Experience.

All too often women accept their pains and aches as natural to their sex. They fail to realize that weak kidneys are often to blame for that backache, those headaches, dizzy spells and that tired, depressed feeling. Thousands have found new health and strength by helping the weakened kidneys with Doan's Pills—a stimulant diuretic. This Snyder case is one of many:

Mrs. N. B. Moore, says: "My kidneys acted irregularly and I had a dull hurting through hte small of my back. At times the sharp, cutting pains through my back were so bad it was hard for me to get around to do my house work. Doan's Pills from the Grayum Drug Store, cured me of the attack."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Moore had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

the croaker croak? It's a God's pity that some of those "birds" that come out to West Texas expecting to find wealth growing on mesquite bushes didn't croak before they started out here. The knocker is an undesirable citizen, always, but we'll always have a few of them with us just the same. The liar by choice is also another pernicious character with which every country has to contend. One thing for which every good citizenship can and ought to be thankful for, however, is the fact that there is always a way to get rid of the undesirable, and it is much better to let them seek those environments congenial to their tastes and tendencies than to be compelled for the community's sake to force them upon some other respectable and law-abiding community.

OFFICERS GET MEXICAN MURDERER.

Lopez Morales, the Mexican who killed Sheriff W. W. Satterwhite of Big Spring and Deputy Sheriff Reeves of Taylor county after having killed a Mexican at Big Spring, was found hiding in a box car at Lawn last Thursday and completely riddled with bullets.

In order to run Lopez from his place of hiding, the car was dynamited. When his body fell from the dynamited car the top of his head had been blown off. He had taken a shot at Deputy Lige Jennings, the bullet tearing off the officer's hip pocket. As he shot at the officer, the Mexican shouted: "Me kill all the law!"

The Reward of Thrift

The rewards of thrift are measured in terms of Security, Comfort, Influence, Prestige, Power, Character, Independence.

There is scarcely an ambition desired of man, that cannot find fulfillment through the exercise of Thrift.

Spend a little less than you earn; work diligently, live simply; spend judiciously, borrow wisely, save consistently, and the rewards of Thrift will eventually be yours.

MRS. F. C. Ainsworth.

Mrs. Ainsworth, after a lingering illness of several months, quietly passed to her reward, Friday night, April 3, 1925, at her home amid sorrowing friends and relatives. Her remains were laid to rest Saturday evening.

Bro. Christian of Snyder held the funeral service. Converted in early life she joined the Progressive Christian church and lived a faithful life since.

To the loved ones we know not how to express our sympathy for you in this hour of trial. May the Father of mercies give you the rich consolation of his grace. May you look forward with a Christian's bright anticipation of a glad reunion. We offer our sincere sympathy in your great sorrow.

GUINN NEWS.

How would you enjoy a real good rain? Everyone out here seems to be overwhelmed with prospects for we had a nice little shower Tuesday evening, which put new life and hope into our community. In fact Mr. Guinn believed that it would rain so strong that he has purchased a new Fordson tractor preparatory to farming.

There was an election held at the school house last week to ascertain whether or not the road bond would carry.

Some of the young folks of this community visited the Ganaway school picnic Wednesday, April 10. Others went to Camp Springs as they were having a picnic, too. Everyone reported a nice time.

We had a good party at Mrs. Knight's Wednesday night, which everyone enjoyed.

We had a trustee election Saturday to put in two new ones, as the other two had moved away.

Several of the singers went to Pleasant Hill Sunday to singing and they reported some good singing.

Ulice Duncan and Jess Bailey of Camp Springs spent Saturday night with Mr. Boston of this community.

Mrs. Basham spent the day Saturday with Mrs. Pearl Guinn.

Mr. Guinn spent a joyful evening on the Clear Fork Sunday evening with some boy friends.

The Boy Scouts had a meeting at the schoolhouse at Camp Springs Thursday evening after school for the first time since the sickness has abated. We will have another one next Thursday after school and visitors are warmly welcomed.

Some of the pupils that have been attending school at Camp Springs from this community have quit.

Mr. Jess Harris, a resident of Cisco, is visiting his sister, Mrs. W. R. Guinn of this community. He says that it is about as dry down there as it is out here, so we are not all the people that are suffering from dry weather.—For-Get-Me-Not.

Miss Artie Williams from Portales, New Mexico, is visiting friends and relatives at this place. We are glad to have Miss Artie back at home with us.

Miss Georgie and Eulyn Elkins were in Snyder shopping Friday.

Miss Vena Edmondson and Miss Alma Spear from Snyder visited our Sunday School Sunday.

Mrs. Mary Boatman and children attended the funeral of their friend, Mrs. Ainsworth at Arah Sunday.

Cordie Brasville took supper with Opal O'Donnell Sunday night.

Mrs. Alford Browning and Jannie Mae McDonnell took supper with Lorene and Bernice Carter Sunday night.

Mrs. Joe Wilson and son, Claude, made a business trip to Snyder Saturday.

E. C. Browning left Wednesday for his home at Portales, New Mex.

Wednesday morning the Dermott school ran off as it was April fool. They carried lunch with them. They walked over to the Fuller ranch and ate their dinner and was ready for fun. They climbed those hills awhile and then went home. They reported a nice time. Imagine they had a nice time the next day when the teachers got through with them.—Yellow Jacket.

ENNIS.

There was a large crowd present at singing Sunday evening. We had some good singers present.

Mr. and Mrs. Dee Robinson took dinner with Mr. and Mrs. J. D. Robinson Sunday.

Mr. Galyean and family and Mr. Jacobs and family visited Mr. and Mrs. Everett Shults Sunday.

Lillian Colclazer is visiting Ethel Robinson this week.

Bird Hart is spending a few days in town.

Earl Davis started to school at Ennis last week. We were glad to have him back again.

Homer Robinson from Mountain Air, NNew Mexico, has visited relatives here this week.

News is scarce this week. Everyone is wearing a long face, but we have prospects of a rain.—Dan.

IN A NEW FIELD.

The auto is to be credited with still another accomplishment, that of giving to woman a new chance to enter business life. We see where a woman in the little town of Tippecanoe City, Ohio, recently turned her family touring car into an auto bus and begin carrying passengers between her home town and a neighboring city. She builded a trade that warranted the purchase of another car and the employment of a driver. She lengthened her route to include several towns—and now she has placed an order for five palatial busses of the chair-car type, each carrying 30 passengers. She oversees the business alone, and is said to have piled up a bank account and established a credit that are the envy of many members of the male persuasion. Isn't there a hint here for the enterprising Snyder woman who wants to enter business life in this or some other community? The field is a broad one, and open to all. And that it is a profitable one is evidenced by the experience of the Ohio woman.

JUNIOR CLASS TO PRESENT PLAY.

Next Thursday night, April 16, the junior class will present their annual class play, "All a Mistake." This is an exceptionally good 3-act comedy and the juniors have selected a strong cast for this play. They will charge 20c and 35c and are going to apply the proceeds to the purchase of a fireproof safe for the superintendent's office. Everyone is invited to attend this play at the high school auditorium, Thursday night, April 16, at 8 o'clock.

"FORTY-FIVE MINUTES FROM BROADWAY."

Cohan's Masterpiece to be Presented at Chautauqua.

Something new is promised in the way of summer entertainment for this city in the news that Charles F. Horner, the manager of the Premier Chautauqua Circuit, will present George M. Cohan's greatest musical comedy success, "Forty-Five Minutes from Broadway."

This is the comedy with music that insured George Cohan's fame. When it was presented in New York and Chicago, it was a huge success.

The principals are players of high standing. The chorus of young men and women is said to be very superior to the usual singing chorus of musical comedy.

This circuit includes the only chautauqua at which this play will be presented this year.

A large company is included in the cast.

"MINERAL WELLS OR BUST"

NOTES OF HAPPENINGS AT THE HIGH SCHOOL

Furnished by the Faculty and Students of Snyder High School.

Miss Elaine Rosser will present her pupils, Rubie Sparks and Maxine Whitmore in their graduation recital in expression at the high school auditorium April 20, at 8 o'clock.—Maxine Whitmore.

The date of the Shovgaard recital has been announced as April 20, but it has been changed to April 27. All visitors will be welcome.—Maxine Whitmore.

Early in the fall the teachers in our town entertained the out-of-town teachers at a little social gathering at the home of Mrs. C. R. Buchanan.

To show their appreciation for that little party, the out-of-town teachers are going to entertain the Snyder teachers with a picnic on April 15, at Wolf's Park.—Maxine Whitmore.

LOCALS.

Ena Mac Biggs is absent from school.

Mae Knox has been absent from school for some time. Loyd Blackard has quit school.

Fritz R. Smith has returned home, and is back in school. His little brother is reported to be improving fast.

Vesta Green returned to her home at Jayton Saturday.

Charles Cooper spent Sunday in Jayton, and was absent from school Monday.

JUNIOR CLASS MEETING.

The president of the junior class called the first full class meeting of the year today, April 7. The purpose for this meeting was to decide whether or not they would put on the play entitled "It's All a Mistake." The class voted unanimously in favor of the play. Look out for the date as they have not yet set the date. This play will be 2 1-4 hours of real fun. The proceeds will go to buy a safe to keep important school records in.—Herbert Hughes.

SENIOR PLAY.

The seniors have selected their last play of the year. The play is entitled, "That's One on Bill." The characters have not yet been chosen, but will be soon. We will begin work on the play next week. The time has not been set yet for its appearance but will be some time near the close of school. We hope that everyone will come out and make this play a success.—Joe Tant Johnston.

SENIORS.

We seniors are working hard not only for our diplomas but also for an exemption grade at the end of this semester. The senior boys have ordered their suits and they were all made of the same material and the same color. The senior girls will soon be busy making their graduation dresses. There will only be one dress for both baccalaureate and commencement and it will be of white crepe. Mr. Bagwell has ordered our diplomas. They will be of orange and white with the class rule, class motto and class flower. The commencement exercises will be given on May 21. The baccalaureate sermon will be delivered on May 17. It has not yet been decided who will deliver the baccalaureate sermon.—Mary Bennett.

BASEBALL.

Snyder high school defeated Plainview Monday afternoon 26 to 2. The batteries for Snyder were Joyce and Cotten. The outstanding feature of the game was Joyce's pitching. Plainview touched him for only two clean hits. The team is improving wonderfully on its batting. Martin, Woosley and Joyce knocked a home run each.

The team has a game matched for Saturday with Little Sulphur.

Windmills of Holland, a Dutch operetta, will be given Friday evening, April 10, at eight o'clock, at the high school auditorium. Admission

will be 50c for adults and 20 cents for children. Proceeds will start a fund for a new piano at the school building.

Gay costumes, lively music and a thrilling love story of the Dutchland—things that appeal to everyone—will make up the program. Come!—Nona Carr.

WHY I GO TO SCHOOL.

Some people have the idea that children go to school just for the purpose of studying, reading, writing, arithmetic, etc. This is partly wrong, not only do they come for that purpose, but also for acquaintance with other students and association with other students. Not only does it take education for a man to succeed in life but also experience. This experience starts in the schools by social gatherings and association with other students. I go to school, not only for knowledge, but for training and the experience that will help me along after I have finished school.—Joe Tant Johnston.

HOME ECONOMIC NEWS.

A home demonstration agent has been sent for from College Station to judge the garments that have been entered for the clothing contest. She will be here the latter part of next week and the best garments will be selected. The girls will know then who are going and will have a few days in which to prepare for the trip. The five girls who represent our department will leave April 22 and get back April 26. We have entered the contest with a fine school spirit and are going to keep it throughout. We cannot all go, but we are going to send the best. We are hoping to win

EXAMINATIONS.

This is the annual six-week examination week. Everyone is very interested and there are few absences. The pupils have begun to realize how much easier it is to take them at the regular time. News is short this week and activities are few because everyone is busy studying. We are going to try to have fewer failures this year than ever before in Snyder high school and we need your help and encouragement. The faculty has decided the seniors may be exempted from term examinations if they have a subject average of 85 and department of 90. They are all working hard for exemption grades.—Allene Doak.

something for Snyder "Hi."—Ledy Potet.

Sunday afternoon there were about 21 men and boy scouts present at our scoutmaster's training course. We played games that we enjoyed and that taught us scouting such as: Compass swat, we learned from this game how to use the compass. Then each patrol, one at a time, had one minute to look at a table full of all kinds of objects, after having spent the one minute looking at these articles we returned to our respective patrol rooms and think of these objects and write them out. The Curlew Patrol won.

This game taught us to observe every day objects and to train our mind to remember them. We also planned a hike Friday at 12 o'clock. We are to meet at King & Brown's garage. We will also decide on this summer's camp.

Miss Lyda E. Macomb from Houston, Texas, is here helping Mrs. Randels, the progressive series teacher, to organize the Progressive Series music classes. Mrs. Randels has just recently taken up this work. On account of Mrs. Randels' misfortune of having her hand operated on, she is unable to teach at the present time, but hope she will be back at her work next year if not sometime this year.—Clara Whatley.

GIRLS' BASEBALL.

The Snyder high school girls have been coming out for practice every day at noon. We have some excellent material for a star team. As soon as we are organized we will play match games with the other teams of the county.

Those trying out for first team are: Hattie Glenn, Ledy Potet, Tiny Potet, Ora Lee Christian, Alene Doak, Lavina Wilson Pauline Jones, Ray Morgan, Polly Porter, Maxine Cooper, Ruby Ethel Head, Alta Bell Davis, Katherine Cooper, Margaret Carrol, Minnie Lou Rothrock, Myrtle Woodfin, Lora Wade, Ethel Sturdivant.—Katherine Cooper.

Watch for "David Copperfield." This picture will be presented by the senior class on the 28th and 29th of April. This is one of Dickens' greatest novels, and one of the best pictures of the season.—Ora Lee Christian.

WHY I LIKE TO GO TO SCHOOL.

I like to go to school, Because I learn so fast, When four long years are gone I know I will graduate at last.

I like to go to school, Because I learn so much, I like to go to school Where everything is in a rush.

I like to go to school, Because my teachers are so kind, For what they tell me to do I am sure I do not mind.

I like to go to school, Every day of the year, I like to go to school, For my examinations I do not fear.

I like to go to school, For I like all good sports, I like to go to sch, For I am not afraid to make my reports.

I like to go to school For it is so much fun To see the boys and girls

Play and laugh and run.

I like to go to school, For I dearly love my books, I like to go to school, For I like my teacher's looks.

TEN YEARS DEPENDABLE.

King & Brown Comments on Motor Car Dependability.

"For ten years—dependable. These words express the successful attainment of an ideal conceived in the minds of the founders before the first car bearing Dodge Brothers' name was placed in the hands of a purchaser late in 1914," says Mr. W. P. King of King & Brown, local dealers, in commenting on Dodge Brothers' latest advertisement.

"The word 'Dependable,' when it appeared on the poster boards and in the magazines and newspapers several years ago, focused public attention on one basic characteristic to which more than any other, is due the good name which Dodge Brothers' Motor Car enjoys everywhere.

"Having decided to produce a car bearing their name, Dodge Brothers, kept 'Dependability' constantly in mind while they were designing the units, selecting the materials, practicing the heat treatments and determining the machining and assembling process and inspections.

"The four-cylinder, L-head type of engine was selected because it has always been known, over great periods of service, to be the most dependable and free from need of repairs or adjustments.

"That their judgment a decade ago was sound is evidenced clearly by the fact that over 75 per cent of all passenger cars today are powered by four-cylinder engines and that last year Dodge Brothers' sales showed an increase of over 25 per cent against a loss of 11 per cent by the automobile industry as a whole.

"Dependability of the chassis is the result of a well-balanced design—of which Dodge Brothers' motor car is an outstanding example. All parts and component parts are designed and manufactured to work together in smooth co-ordination—none overdeveloped at the expense of others.

"The well known policy of constant development of a basis design as contrasted with the production of radically different annual models give the buyer complete assurance of dependability. Every year since the first Dodge Brothers' motor car was built it has been made better by refinement of detail.

"When one million Dodge Brothers motor cars had been produced it was found that over 90 per cent were still in active service. This fact affords ample evidence of generous public approval of the sound policy of building a car of enduring dependability."

ARE THEY WORTH IT?

We were talking with a Snyder man a few days ago about the action of our congressmen in raising their own salaries from about \$8,000 to \$10,000 a year, and he took a philosophical view of it by saying that "it wouldn't be so bad if they were worth it."

But the thing that strikes us as being funny is the fact that the people, the very ones who pay congressmen their salaries, didn't have any voice in the raise. It was just like a lot of farm hands getting together and boosting their own wages while the boss was in town. The people were not consulted, they hadn't any chance to express an opinion in the matter either way—but they will have to foot the bill just the same. In a good many instances they'll also have to be content to know that the raise wasn't justified, for considering the actual services rendered by some of our public servants they were overpaid before the raise went into effect.

It costs a good deal to live in Washington, no doubt about that. But the men who were anxious to get there at the old salary knew of the expense end of it before they announced their candidacy. Not one of them had to go to Washington if he didn't want to. And that is why it strikes us that it would have been a little more modest in them to have raised the salaries to become effective only with incoming congressmen or, say for example, four years from now. However, the raise came without any suggestions from us, so we guess the only thing expected of us now is to do just what the other 110,000,000 Americans will have to do—go on and pay our part of it and keep our mouth shut.

REVIVAL MEETING.

Sunday, April 19th, is the date we begin our revival meeting at the Methodist church. We extend a most cordial and personal invitation to all the members of all the churches in Snyder and community and all who are not members of any church to join us in a co-operative, free for all effort to save souls.

Rev. D. B. Doak of Stamford, Texas, will do the preaching. He is a strong evangelistic preacher. Our people will be delighted with his gospel sermons.

Miss Warren of Abilene, Texas, will have charge of the song services and children's meetings. Miss Warren is a vocal music teacher in Mc. Murry College and a very fine soloist and choir director. She is also an expert with children. She sings the gospel message of salvation into the hearts of the people. You will want to hear her gospel solos when you hear her once.

We hope you will make your plans, as far as possible, to attend every service and get all the good possible and do all the good you can.

A. B. DAVIDSON, Pastor.

Woman's New Freedom

Countless women in homes beyond the gas mains have learned that the secret of freedom from long kitchen hours lies in their cook stoves.

They have abandoned the old fashioned coal stove and adopted in its place the improved Perfection Oil Range. This is the modern development of the oil stove—an oil range, whose powerful burners have raised the standard of oil stove cooking to that of gas.

Women are finding that kitchen tasks are lightened by the faster cooking and the greater convenience afforded by these newly developed Perfection Ranges.

SCURRY COUNTY SCHOOL FAIR.

Lest you forget or become indifferent concerning the school fair I want to urge the teachers of Scurry county to think and talk county school fair every day until the time of the fair arrives which is April 24.

Each article or exhibit brought should have pinned on it the school, or name of school exhibiting it, the name of the pupil sending it, if it is an individual exhibit, and the subject and grade from which it is sent.

Teachers, please see that all your school is present if there is any possible chance to have them here. You can do this and one point will be given each child for each mile traveled in getting to the fair. These points will count on your total and the school getting the highest number of points will be awarded a silver loving cup. Of course to get the one point per mile credit to your children you will have to see that each of them registers with the fair secretary. The secretary will be in the main hall at the Snyder high school building early on the morning of the fair.

Remember that you must get here early enough on the morning of the 24th to get your booths arranged and your exhibits ready for the judges by eleven o'clock. At eleven o'clock sharp the booths will be turned over to the judges and they will have until 2 o'clock to judge, then at 2 o'clock the booths will be thrown open to the public.

Come on, let's make this a great fair.
A. A. BULLOCK,
County Superintendent.

SPECIAL ATTENTION, CAMP BILL SCURRY.

We will have a call meeting the second Monday in May to perfect arrangements for going to our reunion at Dallas, Texas, May 20. All members of our camp are urged to be present at this meeting.

G. M. D. GARNEE,
Commander of the Camp.

GOOD PROSPECTS.

Agricultural experts at Washington have taken a bird-eye view of the farming outlook in this country, and it will be of interest to all citizens of Snyder and community to know just what they forecast. In brief, it is to the effect that present high wheat prices will not be maintained, and that acreage should not be increased; there will be a cotton crop as large as last year at sustained prices; decrease in livestock does not warrant increasing corn production; it is not a good idea to increase acreage of oats, barley or hay; hogs, cattle and sheep promise good profit this year; another slump in potato prices is expected to make forecast but there will be fair profits in fruit, though it is still too early to make forecasts on the size of the crops. In other words, it seems that Uncle Sam's advice is to farm moderately, and not splurge, and to operate labor-saving machinery as far as possible, because he says farm wages are not going to come down.

BIG CATTLE DEAL.

E. E. Parker of Coldwater, Kan., and Lookout, Oklahoma, was here the past week and bought 500 head of cattle from our local cattlemen. He bought 100 head of Emmett Johnson, 300 head of E. Wallace of Polar and 70 head of Billy Barron.

The cattle industry is looking up considerably, and some of our leading cattlemen think that the cattle business is gradually coming back. It seems to be picking up in this community. Tom Huffman shipped out 1 load last Saturday, G. W. Parks 1 load Monday and Winston Brothers 2 loads, all of the cattle being shipped to Fort Worth.

Mrs. Effie Hunter of New Madrid, Mo., is visiting her uncle and aunt, Mr. and Mrs. J. L. Martin. Mrs. Hunter recently disposed of a fine tract of land in Knox county.

THE TIMES-SIGNAL SIGNALS

Just let the average Snyder citizen get the idea that boot-legging is conducted by a heartless trust and he'll start yelling his head off.

Women are an unfortunate lot. No matter what their station in life or how many changes of dress they have, they never have anything "fit to wear."

Our advice to all young men is to keep in mind the fact that you never get ahead of anyone so long as you follow in their footsteps.

The average Snyder man may think his neighbors dull, but they can tell the difference between a social caller and a collector.

If they sent every autoist to jail for not knowing his license tag number where would they find a jail big enough to hold them?

Music is getting so you can't tell if the neighbors are playing the phonograph, fighting, crying or washing the dishes.

It's pretty hard to understand some Snyder women's tastes when you see the kind of husbands they are jealous about.

Why is it that every girl imagines she can reform some dissipated, no-

account man, even if she has to marry him to do it?

When a man falls in love very hard he naturally breaks something, even if it's only himself.

We've noticed around Snyder that the fellow who works hardest has the least bad luck.

They used to use the mail, but now our "expert agriculturalists" who can't tell a squash from a gourd are broadcasting over the radio.

A Snyder man isn't old until he starts in to tell what a whirlwind he was in his younger days.

They dedicated a new church in Mexico a few weeks ago very successfully. There was only one killed and seven injured. The bull fight was a bellowing success.

Lots of men get into jail by mistake, but it is generally their own mistake.

There's one time when a Snyder woman can depend on her husband wanting to stay at home—and that's when she wants him to take her out.

Two people were badly hurt in a St. Louis taxi the other day when the driver thought a girl on the sidewalk looked better than the road.

CARD OF THANKS.

To our friends and neighbors we wish to express as best we can our heartfelt thanks and appreciation of the many favors and kind deeds extended us during the serious illness and death of our precious wife and loving mother, also for the many beautiful floral offerings at the grave. We feel that we have the best neighbors and live in the best community in the world. May God's richest blessings rest and abide with you all forever is our prayer.
J. A. MERRITT AND CHILDREN.

VAUGHN-NEEL.

A wedding of wide interest to people in this section was solemnized at the home of the bride's, Mrs. W. C. Allen, in East Snyder, Thursday afternoon, when Miss Nanna Wade Neel and Mr. W. A. (Bill) Vaughn were united in marriage by Rev. E. Parker. They will make their home in Snyder where the groom is in business. Their many friends wish them a long, happy and contented wedded life.
M. M. COX,
Ora, Texas.

FOR EVERY FAMILY.

Col. Leonard Ayres, noted automobile expert of Cleveland, predicts that the peak of auto production will not come in this country until there is a car for every family. There are about 27 million families now, and the country has produced 24 million cars up to date. One million of these went abroad, 6 million have worn out and 17 million are now in use. To buy and run these autos he says we have spent over 40 billion dollars, a sum twice as great as we spent in the World War. By the time the one-car-to-a-family stage is reached this 40 billion expense will probably have become 75 billion. After every family has a car it will be only a matter of replacement, say four or five million cars a year to take the place of those worn out or wrecked. These are interesting figures if you will but study over them a few moments, and they will prove that if this expert is right the high point in automobile manufacture is still a long way off.

BACK FROM "MAGIS VALLEY."

Mr. George Garner returned Monday from San Benito and other places in the Lower Rio Grande Valley. Mr. Garner says that that country had a four-inch rain and that everything is looking mighty promising down there. Says that cotton is about six inches high on an average and that corn is from hip high to waist high. He says that he intends to locate there permanently just as soon as he can arrange his business matters here so that he can get away.

Sheriff Byrd returned Wednesday from a trip to his ranch in New Mexico. He says that while it is as dry there as it is here, he still has confidence in that country, and believes that in a very short time land that is now selling at from \$8.00 to \$15 an acre will be worth as much as the Plains land of Texas.

MRS. B. B. THOMAS.

Mrs. B. B. Thomas passed to her eternal home March 8, 1925, at the ripe old age of 89 years. She was born March 15, 1836. She was the wife of B. B. Thomas, who preceded her to the home beyond some years ago. With her husband she came to Scurry county in 1890, one among the first settlers of the Hermleigh community. She professed faith in Christ early in life and joined the missionary Baptist church and lived a devoted Christian life. She was much loved and held in high esteem by all who knew her.

The funeral service was held at the first baptist church of Hermleigh. A large concourse of friends and relatives were present to show their appreciation of a life well spent. Her body was laid to rest in the Hermleigh cemetery to await the resurrection call.

May God's Holy Spirit comfort the loved ones that are left to mourn the loss of mother and May her Savior be theirs and by his grace meet her on the beautiful shore where all will be peace and joy.

Her children living are: Mrs. Robert Patterson of Oklahoma; Mrs. L. C. Darby of Granville; Mrs. W. B. Miller of Ben Franklin, Texas; Mr. John and Bud Thomas, both of Greenville. The family extends their heartfelt thanks to the many friends for their kindness and many words of sympathy.
C. E. LESLIE.

Mr. and Mrs. Clyde Shull of Snyder visited Mr. and Mrs. David Burns here last Sunday. Misses Vesta Green and Danny Sampson returned to Snyder with them for a few days' visit.—Jayton Chronicle.

Mrs. Ella Cooper was called to Marlin last Friday on account of the serious illness of Sudie, the son of Mr. and Mrs. Fritz R. Smith. At this writing he is reported to be much improved and they expect to return home with him in the next few days.

Snyder Municipal Band Will Go To Mineral Wells

The Snyder Municipal Band, one of the best musical organizations in this section of the State, will not only represent Snyder at the West Texas Chamber of Commerce at Mineral Wells but will enter the State contest with perhaps seventy-five other bands.

It is the desire of the band boys and others that a large delegation go from this place. This meeting will be one of the greatest of its kind ever held, and Snyder and Scurry county should have a large representation present.

Let's go, not only to encourage the band boys, but also to show to the world that Snyder and Scurry county is keeping pace with other West Texas towns and counties in the great Forward March toward progress and prosperity.

A regular itinerary is being planned so that all of the cars can leave Snyder at the same time and arrive at Mineral Wells the same time. For further information, see or communicate with Joe Stinson of the Stinson Drug Company.

Merchandise that Expresses Easter Joy!

Easter and Spring are synonymous. This day marks the season when mankind forgets the sombreness of a long winter and joyously acclaims another epoch. Appreciation of the joy of living is definitely expressed in the finer merchandise offered in the advertisement.

New Easter Bonnets

Easter Millinery is diversified in style and materials, but there is a uniformity in crowns. Trimmings are quite simple and effectively placed. It has never before been our pleasure to show such wonderful hats as we are now showing.

The NEW Easter Apparel Is Rich in Novelties

Each Wrap, Suit and Frock bears a detail that is decidedly new, yet thoroughly approved by the Spring mode. The long unbroken line is always smart, but there is also great charm in a dress or wrap that is gracefully designed. The values and the qualities are so exceptional that we're certain that every woman who reads this announcement will respond. We have a wonderful line of wraps and dresses in all of the lovely Spring shades.

ENTICING EASTER FOOTWEAR

Most women's minds are now turning to the Easter promenade—and most of their feet are turning towards our store for the correct and smartest footwear. And the store is prepared with gorgeous new styles, fit for feet of admiration and daintiness. For correct Easter Footwear wear Caton-Dodson Shoes.

Armorcote Floor Enamel
On Concrete or Wood—Inside or Outside

YOUR floors are constantly subjected to extremely hard usage and naturally the surface soon gets worn and shabby-looking. Then why not come in and get a can of *Armorcote Floor Enamel*—it's made to stand up under the hardest kind of punishment.

Not only is it more durable than ordinary floor paint but it can be used on either wood or concrete floors—inside or outside. It's also best for porch furniture, baseboards, porch columns, etc.

The Richardson Echo editor heads an auto collision in like manner: "Auto Comes in Juxtaposition with Another Car." That reminds us of the language used by the young man who had just returned from college in criticizing his mother after she had said, "Son, fetch me a load of wood from the wood-pile." The young man replied: "Mother, I discern that the grammatical part of your education has been sadly neglected. You should have said, My son, transport to me from that incumbent collection of combustible material on the threshold of this edifice some of the curtailed excesses of defunct logs."

An Austin man named Paggi is operating a fishing-worm farm with considerable success, doing both a wholesale and retail business. We don't know anything about the propagation of worms, but Paggi says that he feeds them water off cooked rice and plants chrysanthemums and balsams in his worm beds. To the Times-Signal it seems that Mr. Paggi ought to have a very profitable business as the overhead seems very little. But he is not yet in the same class with the South Texas man who runs a skunk farm. That gentleman raises rats and skunks on the same farm because he can grow both rats and skunks without any cost whatever. The skunks live off rats, and when he kills and skins a skunk he feeds its carcass to the rats. Therefore, the rats eat the skunks and the skunks eat the rats.

HE WAS SOME STEER.

A good friend of Mr. Edd Criswell, one among the many good citizens of the Noodle community, says that the latter gentleman can tell the biggest story about the biggest steer that ever trod the soil and since that gentleman was born and reared in this great country, world-wide known for the raising of big, fine cattle, he ought to know whereof he speaks. The story is said to be somewhat as follows:

"About forty years ago I came in contact with a large steer (said Criswell), his horns measured at least 20 feet from tip to tip, and it was with much effort and desperate struggle that we tied him to a large mesquite tree, with a big rope and log chain. And then the next morning we were dumfounded to find that

the steer had pulled up the tree and had escaped, taking with him one-half mile of three-wire fence the distance of three miles.

"The steer has not been seen nor heard of since that time," said Criswell. "He must have been some steer" queered our informant.—Merkel Mail.

He sure was "some" steer or else the whole story was some "bull."

ABOUT BEAUTY.

"After a man has heard his wife's description of himself, a compliment from a friend doesn't mean much," says J. L. Martin in the Scurry County Times-Signal.—The Nolan County News.

That's one Martin needn't to have told. Where is the editor that does not like people to say nice things about him. Martin is a fine scout, rather corporal and has a tendency to baldness, but it's our opinion that he would strut like a rooster in a barnyard if he should hear the ladies say, "Oh, isn't our editor good looking." Mind you, we stated that if, emphasis on the "if," Martin should hear such expressions. He might not mention these nice compliments spoken of him to his two-thirds. We don't know that we would remember a trifling matter like that when we got home. But all the same compliments are like nectar brewed by the gods and drank from golden vessels. They help a man in the age of his dotage.—Slaton Times.

The Times-Signal editor is glad that he can use the word "if" consistently in speaking of the possibility of making his beautiful. With some the matter of improving their looks would be clear out of the question—like trying to paint a lily, as it were. As to our baldness, we confess it, and have never tried to hide it with an artificial covering of a different color. Of course he is well known to Snyder folk and we are unknown to his people; therefore, it is not necessary for us to describe his rugged physiognomy, barren dome and irregular contour, which if taken as a whole would be a fair sample of what Shakespeare would call, "long, lean, lank, hungry-looking" individual. But why all this meaningless harangue? There is still left one that no doubt thinks we are pretty, therefore, let's compliment our better two-thirds in their good judgment and beat our pens into lip-sticks?

LADIES' AID.

The Ladies' Aid of the First Christian church met Monday afternoon April 6.

Scripture lesson read by Mrs. Wasson, 7th chapter of 1st Cor.

Sentence prayers were offered.

Roll Call., answered by Scripture quotations.

Mrs. Gertie Smith was appointed to read the 8th chapter 1st Cor. next Monday. An interesting lesson was heard by Mrs. Wasson.

Dismissed by Miss Lizzie Smith.

The one difficulty about cutting off the expense of government is that most all of the expense can vote. And just to think, only a few more weeks more and we'll be slamming screen doors again.

PLAINVIEW NEWS.

Reported by the Seventh Grade, Bertha Hausler, Editor-in-Chief. Mr. Cleber Smith and Misses Lola Perser and Dixie Lee Mitchell attended singing at Pleasant Hill Sunday evening and night.

There was a large crowd at the party at Mr. and Mrs. Pedens Saturday night and all had an enjoyable time.

Mr. and Mrs. Eugene spent Sunday with Mrs. H. C. House of Plainview community.

An old friend of Mr. Ellis came here Sunday. Mr. Ellis asked him if they have many parties out there. His reply was every 4th of July, and if me and my wife can get our donkey carried we go to all.

Wednesday, April 1, all of the boys and 3 of the girls played hooky. These girls and boys all belong in Mr. Ellis' room.

Friday evening the Turner boys came to play baseball. They were sure to beat our boys, but when the game was over the score was 14 to 20 in favor of Plainview.

Miss Thelma Smith spent Saturday night with Miss Ruth Jones.

Misses Charcie Lee and Mildred Jones spent Saturday night with Minnie Lou Rothrock. They had an enjoyable time.

Mr. and Mrs. H. H. Perser attended church at Snyder Sunday night.

Mr. and Mrs. Thomas Hausler and family visited Mr. and Mrs. H. J. and Mr. and Mrs. Robert Schultz Sunday evening.

Tessie LeeHouston and George Parks attended singing at Pleasant Hill.

Mr. and Mrs. Tom Smith attended singing at Pleasant Hill Sunday.

Miss Dottie Hall spent Saturday night with Opal House.

Misses Dottie Hall, Opal House and Mr. Earl Houston, Paris Perser attended singing at Pleasant Hill also Opal House spent Sunday with Dottie Hall.

Miss Mildren Moore went over to see Miss Frances Lapour last Saturday night.

Plainview has a set of new world books.

Last Wednesday the Plainview baseball boys won a game over Strayhorn. The score was 6 to 8 in favor

of Plainview.

Roy Ellis killed a mother snake Sunday on Cooper Mountains. He said he knows it was not a baby for it was too big and it had a rattler.

Mrs. L. D. Sturgeon spent Sunday evening with Mrs. B. F. Brooks.

M. G. Ellis was very saddened this morning when he got up and found his most beautiful little kitty dead.

Mr. and Mrs. O. C. Floyd from Hermleigh spent Sunday with relatives at Plainview.

Roy Ellis and Matty Bell Floyd went to Hermleigh Sunday night.

Tessie Lee Houston went to the party at Mr. Edwards Thursday night and she was not able to come to school Friday. We all think she is through with parties on week nights.

Mrs. Lessie Holmes is visiting relatives in this community this week. Breco Edwards and Lessie Lee Houston attended the party Saturday night at Mr. Pedens.

Aron C. Sturgeon remained at home all day Sunday the first time since March 27.

Miss Flora Melton spent Sunday night with E. M. Houston and family.

Gene Smith and Miss Maggie Watson spent Wednesday evening with Mr. and Mrs. Bert Watson of this community.

Miss Winnie Houston, the teacher of the intermediate room, is sick this morning. We are all in hopes she will be able to be with us tomorrow.

H. H. Perser left for Mexico this morning. He has gone to look at the country. We hope it looks a little more like rain than it does here for if it don't we will have to stay where we are until it rains.

JUDGE LESLIE POSTPONES SPECIAL SESSION.

Owing to the fact that Judge Fritz R. Smith was compelled to be out of the county on account of the illness of his son, Judge Leslie decided not to hold the special term of court which was to have opened last Monday. Judge Smith would have represented nearly every case that was docketed, and owing to the illness of his son as above stated, he was not able to prepare his cases. The regular term of court will be held the last Monday in May.

Arrangements are being made by the Rev. Jefferson Davis, pastor of the First Baptist Church to receive Dr. W. D. Powell, special representative of the foreign mission board of the Southern Baptist convention, who will be in Snyder Sunday morning, April 19, to address the Baptists of this city regarding the 1925 program of Southern Baptists. It is expected that one of the largest crowds in the history of this church will be present for the services Sunday morning.

Dr. Powell was ordained to the ministry in 1874 and was a foreign missionary in Mexico for seventeen years preaching in fourteen of the twenty-seven states of the Republic of Mexico in constituting thirty-one churches though he was never pastor of any Mexican church.

He has preached in twenty-nine states of the United States and participated in the dedication of 671 churches. He has been instrumental in receiving about \$5,000,000 in subscriptions and cash for special objects in the denominational work of Southern Baptists. Dr. Powell is 71 years old but he speaks with vigor and mental vivacity and his optimism is contagious.

Citizens around Snyder who have radio sets say the best night to hear anything is the very nights that the battery is down.

BUICK RUNS WILD.

HAMLIN, Texas.—The power of a Buick is not yet known. This was demonstrated when the small children of Mr. McBride in southwest Hamlin, experimented with their car standing in front of their home. It seems the little fellows opened up the gas, set the gears in intermediate and stepped on the starter.

At least the car started off with a boom, pitched around and across ditches, dumped the kids out, never hurt a single one, then tore away down through the mesquite trees taking limbs and wire fences and posts along with it as it went.

It reached the open street running north of the ball park, got a "breath" and dived right into the high fence, taking plank, posts, soda pop stand easy as you please, took a jump into the players dugout and began a victorious, but subdued gait across the park in the direction of the "famous" croquet grounds, and Sunday afternoon players. There the thing came, half covered with brush, plank and wire, the top gone, the tires were punctured, but the old engine was pulling away with a determination to a record for speed. There is always a right man in the right place. John Henry Wood was the hero. He made a dash for the car and soon had the liquid power shut off and all danger was over. So much for a Buick.

SPEAKER SATTERWHITE WRITES JOE A. MERRITT.

Austin, Texas, April 2.
Hon. J. A. Merritt,
Snyder, Texas.
My Dear Joe.—Your letter addressed to me at Panhandle did not reach me until this morning and not until I received the letter did I know of your sad misfortune in the loss of your good wife. It makes me very sad to learn of this and I want you to know that deepest sympathy is with you. I know just how heavy your heart is and it will be some time before you can realize that she is forever gone, but her memory will be sweet to you through all of your coming years. In this sympathy I am joined by each member of the House for they are all your good friends.

I am getting the session laws ready for publication before I go home, which will probably be about the first of May before I get away from here.

In talking with the Governor yesterday I get the impression that he is going to cut out most of the building program for the state institutions. This means that he or she, intends to call a special session next winter, about the first of the year, as Jim suggested to me, for raising more revenue and appropriating money for buildings and supplementing the available school fund.

Again expressing to you my deepest sympathy and assuring you of my very best wishes.

Sincerely your friend,
LEE SATTERWHITE,
Speaker of the House.

M. E. CHURCH, SOUTH.

Sunday School, 9:45 a. m., A. C. Preuitt, superintendent. Epworth Leagues, 2, 3 and 6:30 p. m. Preaching by the pastor, at 11 a. m. and 7:30 p. m. Morning subject, "Dry Bones." Evening subject, "Cain and His Wife."

The revival begins on 19th inst., next Sunday week. We will have two first-class helpers with us—Rev. D. B. Doak of Stamford and Miss Viola Warren of Abilene.

Brother Doak is a great preacher and Miss Warren is a great singer. It will be a great spiritual treat to have these two gifted co-laborers with us. The success of the revival, however, depends on God and our willingness to let him use us for His glory.
A. B. DAVIDSON,
Pastor.

CAMP SPRINGS NEWS.

Everyone is in high spirits yet, even though it hasn't rained. We are still expecting it, however.

Camp Springs singing class visited with the Pleasant Hill class. A very large crowd was present and the singers seemed at their best.

Not quite so many present at Sunday School last Sunday. Be sure to come back next Sunday and help to increase the attendance.

Singing at T. S. Worley's Sunday night was enjoyed by all.

R. C. Kincaid and family visited A. J. Horton's family Sunday.

Mrs. Lydia DeShazo took Mrs. De Shazo to visit her daughters at Lamesa.

Mr. and Mrs. Ed Metcalf visited friends and relatives north of Snyder Sunday.

Mr. and Mrs. Matthews attended the teachers' and trustees' meeting at Sharon last Saturday.

Last Wednesday afternoon the Camp Springs ball team played a game at Strayhorn. The game was won by Strayhorn, 22 and 12. They are to play at Camp Springs Thursday.

Ed Blankenship and family have moved to Oklahoma.

Tom DeShazo, Emmitt Simpson and Earl Horton attended the party at Plainview Saturday night.

Several of our folks attended the show at Snyder Saturday night.

The ladies of this community will present a two-hour play, "Clubbing a Husband," April 17. Be sure to come—it is free.

Emmit Simpson and Tom DeShazo attended B. Y. P. U. at Spring Creek Sunday night.

School is progressing nicely. Every pupil is interested in making a good grade as there are only six more weeks of school.

The people of the community are to give the Baptist pastor, Bro. Wilkerson, a pounding next Wednesday.

Bro. Moody will preach here next Sunday.—Dixie.

DUNN NOTES.

(Received too late for last week.)
We have good indication of rain at present.

School was suspended Friday of track meet at Hermleigh. We won in the jumping and running contest, the winner being Harrison Durham.

Hoyt Murphy and family visited Mr. and Mrs. R. M. Tucker Sunday. Miss Helen Tucker spent Sunday with Miss Westbrook.

Mrs. J. G. Clay, who has been sick is reported better.

Little Miss Gladys Clay is on the sick list.

We are glad to state that little Evelyn Thomas, daughter of Mr. and Mrs. Clyde Thomas, is able to sit up after a severe attack of pneumonia.

The new brick school building is near completion and we hope to have the closing exercise there.

Giles Bowers' new stucco home is now complete and we wish to compliment him on his taste.

Mr. and Mrs. West are erecting a new home. Mr. West says he is going to have all modern conveniences.

Curtis Brown and wife spent Sunday with J. E. Brown and wife.

Mr. and Mrs. J. L. Denson has moved into their new home.

J. C. Beakley has been doing some improving around his home; has erected a new fence and leveled up his yard.

The postoffice has been moved to the new location.

SCURRY COUNTY TEACHERS' AND TRUSTEES' ASSOCIATION.

The Scurry County Teachers and Trustees' Association in regular session met at Sharon, April 4, 1925, and beg to submit the following resolutions:

First: That we extend our thanks and appreciation to the good people of the Sharon community for their unstinted hospitality and co-operation.

Second: That we offer our sincerest thanks and appreciation to Mr. Duflot of W. I. S. T. C. for his timely talks and valuable suggestions.

Third: That we appreciate the efforts of all Scurry county teachers who have aided in any way in making the association a success, and especially we wish to express our appreciation to Supt. I. C. Bagwell for the giving of his time and energy to this project.

Respectfully submitted,
I. J. BRYANNT.

YOUR *Rexall* DRUG STORE

Who runs it?

THE man who runs your Rexall Drug Store is the one man chosen from your community to enter the greatest druggists' partnership in the world.

He is one of 10,000 Rexall Druggists, united to manufacture, buy and sell in order to help you save with safety.

Your Rexall Druggist is a man you can trust. Otherwise he could not secure the valuable Rexall franchise. Before he became a Rexall Druggist he had to make good "on his own." He had to prove that he is financially sound—that he thoroughly understands pharmacy—that he is a live, progressive merchant—that, above all else, his integrity can not be questioned.

Your Rexall Druggist has established himself in the life of your community. He runs a local enterprise and runs it well. He merits your patronage on his own account alone.

But back of your Rexall Druggist are the brains and stability, not only of an individual, but of the greatest drug store organization on earth.

Your Rexall Druggist is a partner in the United Drug Company, with 12 big manufacturing plants in the United States and connections throughout the world.

The United Drug Company produces expressly for the 10,000 Rexall Stores. It owns the 300 Liggett Drug Stores in America's largest cities. It controls Boots, Ltd., in England, with all the Boots plants and its 700 retail drug stores. It has 1000 drug stores and agencies of the United Drug Company in Canada.

THINK what your Rexall Druggist commands through this co-operative partnership! The vast control of resources—the saving through volume production and selling—the service of eminent scientists—new products improved methods, fresher goods—all at the call of your Rexall Druggist—all making for finer drug store service and better drug store merchandise at lowest possible prices to you.

Rexall preparations, Purest products for health and hygiene, Cara Nome and Jonteel toilet articles, Kantleek rubber goods, Klenzo dental preparations, Firstaid supplies for the sick room, Symphony Lawn stationery, Liggett's candies and pure food staples—each class made in its own manufacturing unit.

Your Rexall Druggist buys direct from his own factories and passes on to you the benefit of this saving. He gives you the benefit of this saving. He gives you the best that the United Drug Company and all the Rexall, Boots and Liggett stores can devise—the best that the whole world offers in drug store merchandise and service.

Your Rexall Druggist can serve you with every item that other drug stores sell. But, thanks to his Rexall partnership, he alone can handle these famous United Drug products:

DODGE BROTHERS SPECIAL TOURING CAR

The first cars bearing Dodge Brothers name were Touring Cars.

They were good and sturdy cars, so good and so sturdy that no radical change in basic design has been found necessary during these ten intervening years.

This fact has had far-reaching results. It has enabled Dodge Brothers to dedicate those ten years to the constant betterment of the original product.

More recently this endless process of improvement has manifested itself in various and impressive ways—in a new degree of riding comfort, a new smoothness of operation, a new and appealing beauty of line, and in those special details of appointment which distinguish the Special Touring Car.
