## Mules gear for homestretch: host Sanford-Fritch

By RICK WHITE
Managing Editor
Muleshoe head coach David Wood wants his team finish what it has started
The much-improved Mules have a reasonable chance to win its last three games and warp up their est record in 14 years.
Muleshoe went $6-4$ in 1983, which was also the year of its last playoff appearance. The Mules haven osted a winning record since.

We still can do something here this season that "eople can remember this team by," said Wood after any realistic hope the Mules had of slipping into the
playoffs ended with a loss at Perryton. "We re looking we work in practice and our commitment the rest of the
o finish off the season with a bang.
The important three-game stretch begins with Friday's homecoming game against winless SanfordFritch at 7:30 p.m. and includes a road game at Tuli before finishing at home with Amarillo River Road Muleshoe (2-5 overall and 1-3 in district) should be favored the next two weeks. Sanford-Fritch has lost 2 -straight games and is rebuilding. Tulia is 1-6. Perennial playoff contender River Road (2-5) is in ourth place in the district at 2-2.
"We know we should win the next two we ks,"
eason."
Friday's game is eeriely similar to last year, whe the Mules' snapped an 18 -game losing streak with $5-14$ win at Sanford-Fritch
Wood called the Eagles ( $0-4$ in district) fundamen ally sound and the best $0-7$ team he's seen.
"They just haven't got there yet," Wood said They always seem to score early and keep the score close in the first half."
Last week, Sanford-Fritch hung with River Road in

## Muleshoe Homecoming Friday

Homecoming festivities have kicked off at Muleshoe High School in anticipation for Friday's nights football game against Sanford-Fritch

The theme for this year's homecoming is "Welcome to Mule Country.
Festivities were initiated Monday with students selling spirit links, collecting pennies for a fund-raiser and participating in "theme days.
Students have shown their spirit throughout the week by dressing for hat day, spirit day, twins day, '50s-'60s-70s day,
and
Classes are selling
Classes are selling "spirit links" to school supporters for Friday's "longest spirit chain" contest.
Also, students are collect ing pennies to buy new Tect and US flags for the classrooms.
School officials have agreed that the last class of the day will not start until the teacher has counted and rolled the pennies collected by the students.

Although students and staff are showing their support and are showing their support and spirit throughout the week, the
elebration would not be complete without the traditional crowning of the Homecoming Queen

This year ten students have been nominated for the title The Queen will be announced at 7 p.m. Friday evening before the game.

Senior candidates include Katie Black, Cassidy Cleavinger, Keila Kennedy Amy Locker, Brianne Locker and Shelbi Robinson

Junior candidates include

## Nutritionist offers Hollween tips for children

HOUSTON-After Halloween, parents may wish to set a timeline for how long trick-or-trea candy remains in the house
Make a deal with your kids that Halloween candy will be removed after about a week, said Dr. Janice Stuff, a nutritionist at the USDS/ ARS Children's Nutrition Research Center at Baylor College of Medicine in Houston. "After that time, pick special times to give candy to your kids. Tasting it occasionally will help them satisfy their sweet tooth."
Eating too much sugary foods can effect a child's appetite," said Stuff, a Baylor assistan professor of pediatrics. "If they do not have

## Keep Your Goblins

## Safe This Malloween

good appetite, they may not regularly eat th fruits, vegetables, and meats they need to grow up healthy and strong,"

Treats, other than candy can be given to children when they come knocking at the door. There are plenty of goodies one can scare up to give trick-or-treaters.
Small boxes of raisins, granola bars, peanut butter crackers, low-fat cookies, and sticks of sugarless gums are good. Other "non-food" items, such as, crayons, small puzzles, pencils, and erasers will also work
"It's important to let children have fun on Halloween," said Stuff. "But it is also important to make sure after the ghosts and goblins disappear for another year, that children are "goblin" up healthy foods."

Council listens to complaints about loud noise

## By TERESA STONE <br> Journal staff writer

Local businesses and residents will soon be knowing exactly what noise level will be tolerated in Muleshoe.
City Council members Tuesday discussed revamping the city's out-dated sound ordinance after citizens complained about disturbing noise levels from specific entertainment and agricultural businesses in town.
According to

## James Fisher, the

CITY COUNCIL
in need of updating in order for the public, as well as law enforcement offic ers, to have a better understanding of what is legally acceptable

Two major changes being addressed were the decibel level and the exact location where sound will be measured. Neither issue is addressed in the current ordinance that was written

## 1957

Fisher, who researched Austin's and San Antonio's sound ordinances as models, proposed decibel levels of 85 prior to 10 p.m., then lowering the standard to 80 decibels for the late evening hours.
The proposition would be regulated under the presumption that any noise over the designated decibel level is annoying.
The Council also discussed if there was a eed to specify where sound measurements ould be tested
Suggestions included taking measurements directly outside of an area in which the noise is being generated, within 100 feet, at the property line, or test the noise level where the people making the complaints are likely to hear it

By implementing a revised ordinance, Mayor Robert Montgomery stressed that it should not impede commerce in the local area.

But deciding who would be exempt and who would have to comply to the noise laws caused concern on the council.

Councilman Juan Chavez expressed concern that the focus of sound control may fall on one specific establishment in town, Back Stage West, since other noise-producing businesses and entities, such as semi-trucks that can emit up to 90 decibels, may be given exemptions.

No decisions on this issue were reached, but council members requested that Fisher research noise ordinances of other rural towns that have similar situations.

In other business, the Council approved the reduction of electric rates for grain elevators, proposed by Southwestern Public Service Company.

The reduction, which will save local agricultural companies approximately $\$ 14,000$, has no direct effect on the city or its finances. SPS had to receive approval for the rate change from the Council since Texas law gives cities original jurisdictions over electric rates.

In the final order of business, the Board approved the "Joint Use Agreement" with Muleshoe Independent School District for the new baseball field.

## Around Muleshoe

Blood drive at First UMC in Muleshoe Approximately 1,000 blood products are needed weekly to supply the hospitals who service the Muleshoe community. Jo Beth Gilleland named AP Scholar
Jo Beth Gilleland, 1997 graduate of Muleshoe High

School, has been named an AP Scholar by the College Board in recognition of her exceptional achievement on the col-lege-level Advanced Placement (AP) Examinations.
Gilleland, the daughter of Gary and Amy Gilleland, qualified for the AP Scholar Award by receiving an exceptional grade on the Biology, EnglishLanguage, and English Literature AP examinations. In May 1997; over 581,000 students took the tests; however, only 13 percent performed at a sufficiently high level to merit such a recognition from the College Board. Gilleland is a freshman at McMurry University in Abilene, majoring in science. Weatherbie named to honor society
SAN ANGELO - Kristin Weatherbie of Muleshoe was recently inducted into the Angelo State University chapter of the national honor scholarship society, Alpha Chi Weatherbie is a 1993 graduate of Muleshoe High School majoring in early childhood education at ASU

Alpha Chi is a coeducational society whose purpose is to "promote academic excellence and exemplary character among college and university students, and to honor those who achieve such distinction. Members must be either juniors or seniors "of good character" in any academic dis cipline, and have completed a least 60 to 95 semester hours with a GPA of 3.75 or better as juniors, or 96 hours with a minimum GPA of 3.6 as seniors.

# The Vegetable DEFAMATION TRIAL 

It was a severe case of vegetable defamation the makin's of a landmark case of harassment and abuse.

The plaintiff, a Miss Parsley was demanding compensation of one of Paul Pierre Potato and, to be specified produce.
"So how do you plead, Mr. Tater?"
"Not guilty but let me relate I'm a victim of mass inflammation, au gratined and smeared on a plate, laid next to a lecherous cutlet whose gravy kept touching my cheese. It was all I could do to keep silent, Then I felt the promiscuous peas.

Nudging their firm little bodies, assuming themselves in my space. It was clear they had eyes for the cutlet and longed for his gravy embrace. And there I lay lumpy and fighting my pain, ignored as the fork stirred their lust. The shame that I felt in their amorous twine sorely tempted, but cry out I must,
'Decorum', I prompted, 'Remember you're food! Presentation is half of the meal! Take pride in your placement and dress up your ranks, we're the chef's culinary ideal. A painting in fiber, a sculpture in glaze a feast for a gourmet's eye view! You're acting like leftovers, reheated lumps. The diners will think that we're stew.

Alas, twas no use, they continued to mix till we looked like discarded cud. Bereft of all pride, depraved by the scene, I peered up out of the mud. And there on
the edge, immune to the drama in which I was hopelessly scrounged, : vision of verdant vegetaciousness... Miss Parsley, provccative, lounged."
"At last," said he judge, "you have got to the point."
"Your honor, I meant no offense. My ardor, my shame, my hope gave me voice and I lost all track of good sense. I lay in the wallow of half eaten peas, a gristle and gravy abyss, So I asked,
'Why's a cute little sprig like yourself ensconced on a platter like this?'
"Is that all?" asked the judge, "That was intentional," Potato replied in retort, "'The plate was slick, I started congealing, I grabbed at her frond for support. I got cheese on her ramus. She drew back aghast,
'Don't think I've not heard of your couch! You dirty old tuber, when I'm through with you, you'll wish you were powered, I'll vouch.

It only got worse. Said I looked like a chip. Some fast food turned up by a plow. 'A chip!' I decried. 'A step below fried!' She said 'I'm referring to cow!' It was all I could take, 'you incipient fern, you nourishment of last resort! It's no wonder nobody eats parsley.

She said, 'Greaseball, I'll see you in court.
Vegetable harassment was the charge the judge adjudicated on. The retribution swift and a sentence some might think unduly rash for Potato was convicted and was corned beef hash by dawn and Miss Parsley was, a usual, just scraped into the trash.

## Added balance lifts Lazbuddie to new heights

## By RICK WHITE

## Managing Editor

LAZBUDDIE - Lazbuddie has always been able to throw the ball. This season, the Longhorns have added a potent running game to the mix.
"We like to soften teams up with the pass and then run it down their throats," Lazbuddie coach Mark Scisson said.

The formula worked to perfection Friday during an impressive 50-21 win against District 3-1 A contender Silverton at Longhorn Stadium. The No. 4-ranked Longhorns (6-1) are tied for the district lead with defending champion Whitharral at 2-0. No. 8 Silverton (5-2) had its four-game winning streak snapped and is a game back at 1-1

With junior quarterback Josh Morris picking apart Silverton for 187 yards and four touchdowns, completing nine-straight passes during one stretch, the Longhorns rode out to a 13 -point halftime lead.

Switching to the run in the second half, Lazbuddie ground out 157 yards with Adam St. Clair, Jeffrey Seaton and Brice Foster sharing the load.
"We wanted to work on the clock in the second half," Scisson said. "We feel confident we can be successful whether we run or throw the ball."

Morris finished 18 of 24 for 257 yards and five touchdowns, spreading the ball around to eight different receivers.

St. Clair led the Longhorn rushing attack with 70 yards on 13 carries.

Foster scored on a 14-yard run on the Long

Clutch catch

## Mules continue offensive gains

By RICK WHITE
Managing Editor
PERRYTON - Friona left little doubt two weeks ago it is the team to beat in District 1 A.

Perryton isn't far behind. "We just couldn't stop their running attack," Muleshoe head coach David Wood said Monday, three days after the Rangers rolled up 353 yards rushing in a 41-18 win ove Muleshoe last Friday. "Perryton is just a good football team."
Perryton (5-2) is riding a four-game winning streak and is tied for the district lead with Friona and Dimmitt at 4-0. The loss dropped Muleshoe to 2-5 overall and $1-3$ in district, ending any realistic hopes of making the playoffs

Muleshoe played well offensively, gaining more than 300 yards for the third time this season.

Gilbert Vela (113 yards, 4 TD on 19 carries) topped the 100-yard mark for the secondstraight week and Matt McClanahan passed for a ca reer-high 173 yards. Manuel Campolla had three catches for 88 yard\$s
Muleshoe finished with 308 yards and is averaging more than 260 yards a game
"We were able to take advantage of what they were giving us," Wood said. "They concentrated on taking away our inside game so we went to passing and running outside Our kids are much more confident in what we're doing

Allan Adkison wrecked the Mules, rushing for 242 yards and five touchdowns on 18 carries.
Wood said the $6-0,180$ pound Perryton running back was even better than the Mule coaching staff thought
"It's hard to tell what's underneath those pads," Wood said. "You just don't know what kind of heart a kid has ... Bu he's done that against everybody else."
Adkison has rushed for 946 yards and 14 touchdowns in seven games.
Muleshoe has allowed more than 900 yards the last two weeks.
"I think what we are doing (defensively) is sound," Wood said. "It's just two weeks in a row we've face good offensive teams, teams that are just better than us right now

Perryton scored twice in the last five minutes of the first half to take a 13-3 lead. The

Larry is the head coach at Silverton. He too over the six-man program this fall after 26 years of coaching in Oklahoma, where he won more than 150 games and a state title.
Mantle has never coached six-man football
"I really like it," said Mantle, whose team

-

$\bullet$

## DIS.

The district is shaping up as a three-team race, with Friona, Dimmitt and Perryton jumping out to impressive 4-0 starts.
The first big showdown comes this week when Friona travels to Dimmitt, but the Chieftains' 16 -game winning streak appears safe.
Friona is starting to peak and several coaches (including their own) believe this year's team is better than the one that reached the state semifinals last year.
Barring any major upsets, that means the race for the district's second playoff berth will come down to the last week of the season when Dimmitt hosts Perryton.

## Friona 60, Dalhart 17

FRIONA - Aaron King passed for 144 yards and three touchdowns and Friona exploded for 39 points in the second and third quarters of a 60-17 demolition of Dalhart.

Quint Ellis caught two touchdown passes for the No. 5ranked Chieftains (7-0). Angel Vega caught a 45 -yard touchdown pass, ran 20 yards for another score, kicked a field goal and six extra points, and added an interception.
Matthew Kendrick led Friona's 240-yard rushing effort with 84 yards and a touchdown

## Dimmitt 30, Tulia 0

TULIA - Stuart Sutton scored three touchdowns and Dimmitt clinched its first winning season in six years with a $30-0$ win against Tulia.
Sutton scored on a 66 -yard punt return, a 61 -yard pass reception and a six-yard run. Beau Hill added a one-yard touchdown and led the Bobcats ( $6-1$ ) with 85 yards rushing.
Dimmitt went 6-4 in 1991 and hasn't qualified for the state playoffs since 1976
Roy Gonzales led the Hornets (1-6 overall, 1-3 in district)

## River 137 S <br> River Road 37, Sanford-Fritch 6

FRITCH - Jerod Fikac led a 28 -point outburst in the second half as River Road kept its playoff hopes alive with a 37-6 victory against winless Sanford-Fritch.
Fikac ran 17 and 33 yards for touchdowns and hooked up with Michael Gorman on a seven-yard scoring pass in the second half. Chris Floyd capped the four-touchdown outburst with a 47-yard run in the fourth quarter as the Wildcats (2-5) evened their district mark at 2-2 and gained sole possession of fourth place.
Trent Mills led the Wildcat's 266 -yard rushing effort with 84 yards on 12 carries, and also hauled in a 29 -yard touchdown pass. Fikac passed for 143 yards as the Wildcats gained 403 yards. River Road has lost to Friona and Perryton is in danger of missing the playoffs for the first time in five years.
Bubba Winkle scored on a four-yard run in the third quarter for Sanford-Fritch, cutting River Road's lead to 16-66. The Eagles (0-7, 0-4) rushed for 200 yards. Sanford-Fritch Muleshoe's homecoming game opponent this week, has scored just 20 points in five district games.

From page 4

Rangers' second score, a one-yard run by Adkison, came Muleshoe's only turnover.

Perryton ended any hope of aMuleshoe comeback with two long scoring plays in the third quarter.

Adkison scored on a 65 -yard run on the second play from scrimmage in the second half and Brian Gilbert scored on a 72 -yard pass one play after

Vela's 16 -yard run had cut Perryton's lead to 28-10.
McClanahan scored Muleshoe's second touchdown in the fourth quarter on a twoyard run.

Muleshoe scored on a rare play after Perryton's final touchdown. Greg Pena scooped up fumble during Perryton's PAT attempt and rumbled 80 yards for a two-point Muleshoe conversion

MULESHOE $\quad \begin{array}{lllll}3 & 0 & 7 & 8 & 18\end{array}$ PERRYTON 013226 SCORING SUMMARY
First quarter
MUL-Ryan Hodge 27-yard FG, Muleshoe 3, Perryton 0.
Second quarter
PER- Allan Adkison 29-yard run (Rafael Medina kick), Perryton 7, Muleshoe 3.
PER - Adkison 1-yard run (kick failed), Perryton 13, Muleshoe 3. Third quarter

PER - Adkison 65-yard run (Shaun Eckhardt run), Perryton 21, Muleshoe 3.
PER - Adkison 14-yard run

Ryan Hodge gave Muleshoe 3-0 lead in the first quarter with a 27-yard field goal, the first of his varsity career and the Mules' first this season.

## MANTLE

From page 4
in my life," Larry said. "He didn't like to lose at anything." Mickey also excelled at football and was heavily recruited by University of Oklahoma head coach Bud Wilkinson, but he was destined to be a baseball player.

Tales of Mickey coming home every day from school and taking batting practice with their father are true, Larry said.

Larry would stay with his famous brother in New York during the summers, shagging balls in the Yankee Stadium outfield during batting practice and car-pooling with other Yankee legends Whitey Ford and Yogi Berra.

He even helped Casey Stengel fill out lineup cards.
seven minutes left helped wrap up the Longhorns' their fourthstraight win.
The Longhorns held Silverton to 242 yards, 150 less than its season average. Blas Martinez had three firsthalf sacks for Lazbuddie.

The Longhorns are averag ing more than 450 yards and 53 points a game, sporting a $1,400-$ yard passer in Morris and a 1,000-yard rusher in St. Clair.

Family members brough hand-crafted items for the suc ion Sunday
Those attending from Lub bock were: Verge and Ruby Lane; Lonzo and Ardyce Pierce; Charley and Lane

Timmons; Jimmy and Linda Lane; Kay Carpenter; Michae

## MULES

From page 1
the first half before giving up 28 points in the second half and osing 37-6
Bubba Winkle rushed for 33 yards against River Road and 102 yards in the second alf against Tulia two week ago after missing the Eagles irst four games with injuries We seem to play team ough for three quarters and hen the other team seems to get fired up and pull away, aid Sanford-Fritch first-yea head coach Rick Ware. "Th kids get down after a defeat bu re still working hard and show ing up for practice.

Ware is concerned about Muleshoe's size in the defen sive line.
"We have a hard time get ing outside," Ware said "Running at these guys will be a challenge."
Muleshoe is coming off a rough two weeks, giving up 86 points and more than 900 yards n back-to-back losses to dis rict co-leaders Friona and Perryton.

Wood is concerned about etdown.
'Our kids know they didn' make the playoffs short of niracle," Wood said. "It's go ng to be hard for them to stay focused with all the homecom ing activities. But we still have omething left to prove

Muleshoe continues to show mprovement on offense, top ping the 300-yard mark for the second time in three weeks àgainst Perryton.

The Mule are averaging more than 260 yards a game, doubling its 1996 average

Muleshoe has a 500-yard tusher in Gilbert Vela (567 yards) and a 500-yard passer in Matt McClanahan ( 531 yards).

Vela gained 119 yards last veek, his second-straight 100yard effort, while McClanahan passed for a career-high 173 yards.

The Muleshoe Country met Oct 16 for her monthly

## Ready for harvest

## Texas range report

Panhandle - Soil moisture very short to adequate. Range in fair to good condition. Cattle in good condition; supplemental feeding has begun. Corn harvest continues; yields above average. Sorghum harvest just under way. South Plains-Soil moisture adequate. Pastures in need of rain. Corn harvest nearing completion. Sorghum, soybean harvest under way. Wheat planting under way. Rolling Plains - Soil mois ture very short to surplus. Pastures, ranges need rain. Cattle in good condition. Late sorghum harvest continues. Wheat planting well under way.

North - Soil moisture very short to short. Pastures, ranges very poor to good. Hot weather has slowed down winter pastures. Livestock good. No late harvest soybeans. Poor emergence of wheat sue to lack of rainfall.
East - Soil moisture short. Pastures need moisture. Cattle in good condition. Small grain planting delayed by rain.
Far West - Soil moisture very short of adequate. Ranges need rainfall. Livestock fair to good. Wheat planting under way but slowing down.
West Central-Soil moisture very short to short. Pastures need
rain. Cattle good with supplemental feeding under way. Sorghum harvest nearing completion Wheat in need of moisture.
Central-Soil moisture very. short. Pastures, ranges holding on but need moisture badly. Dry weather continues to delay small grains planting.
Southeast - Soil moisture short to surplus. Winter pastures doing well because of rain, yet rains too late to help some moisture stressed crops. Cattle both ered by heavy populations of mos quitoes. Oats in good condition.: Southwest - Soil moistur short to adequate. Pastures, ranges remain dry. Livestock in good
