SNYDER, TEXAS, THURSDAY, DECEMBER 31, 1925.

NUMBER 29

TIGERS GO DOWN IN DEFEAT.

The Loraine five defeated the local basketballers on the high school court, Friday the 18th for the second game of the basketball season by a score of 34 to 7.

The speedy team mark of the visitors was too much of a problem for the local boys and was the deciding factor of the game. The visitors were perfect in their defense and had no offense the locals were not expecting. Although every man on the home team did good work they were unable to stop the Loraine scoring machine.

The tigers are determined to defeat the Loraine, or at least make another attempt toward doing so, therefore, Coach Roberts has secured another game with them to be played Monday, Dec. 28, on the enemy's court. It is hoped J. K. Woosley, Tiger guard, may be back on the line-up by then. His absence from the game Friday was greatly felt by the local team from the beginning of the game until the blowing of the final whistle.

MARY BELLE TREVEY AND RALPH WOLFE WINNERS.

The Times-Signal's automobile contest closed Wednesday night, December 23, as scheduled, and so far as the editor can learn, everybody was satisfied with the results.

Mary Belle Trevey had the greatest number of votes to her credit, and was, therefore, awarded the Chevrolet coupe. Ralph Wolfe was second in contest and was awarded the Ford coupe. Mrs. Biggs was third, Miss Eva Strayhorn fourth, Miss Nora Casey fifth, and Miss Mary Higgins sixth, and Miss Janie Martin seventh.

Following was the standing in the final count:

Eva Strayhorn	209,900
Nora Casey	54,800
Mary Higgins	20,400
Janie Martin	11,900

Although the Times-Signal fell below the number of subscribers the editor had hoped to have at the close of the contest, the editor wants to express his sincere thanks to each contestant and to every person who helped the contestants and the editor during the campaign. We candidly believe that we now have the largest list of any weekly paper in West Texas. We have not checked up yet, but hope to be able to publish the number of our subscribers in next week's issue.

If you don't get a paper this week, or if the date on your label has not been set up, please be patient, as it takes time to clean up books and subscription lists after such a campaign.

Wishing one and all a Happy and prosperous New Year, we are, YOUR EDITOR.

HENRY WILHELM RECEIVES ANSWER TO HIS SANTA CLAUS LETTER.

Seymour, Texas, Dec. 24.

Dear Little Henry:

I read your letter in the paper and don't you think you are selfish to ask for so many things? Why in my letter to Santa Claus I remembered all the little orphans and you never said one word about them. I just think Santa Claus ought to forget you, and you know good and well little toy wagons don't have balloon tires, and you never asked Santa to bring your little brother nothing but a pair of shoes. Won't your papa buy him some shoes and let Santa Claus bring him some toys. How old is your little brother. I guess he is just about my brother's size. He is two years old. He is awful sweet. I guess your little brother is too. I have a big brother too. His name is odd. How old are you. I am 6 but I can spell better than you. Ain't you ever bin to school. I just bet you are a purty boy. What color of hair have you got. I have got red hair, but it is purty. You be sure and write me a letter. Your little friend, Billie Sue Brown.

LOCAL MERCHANTS TABOO FLY-BY-NIGHT AD GRAPTERS.

The Times-Signal wishes to commend those Snyder merchants who voluntarily told the Times-Signal editor that during 1926 they intend to turn a deaf ear to every ad-graffer that comes their way. One firm said to a Times-Signal representative only a few days ago: "Last year I paid to out-of-town so-called advertising men several hundred dollars from which I got absolutely nothing in return. With the advertising medium we have in the Times-Signal, we expect to do the big bulk of our advertising in the local paper."

Other merchants have also told us the same thing. And the Times-Signal is glad that our business men are waking up to the fact that advertisers that travel over the country with advertising schemes have only one motive—that of grafting off the unsuspecting business, who as a rule really wants to advertise, but has never awakened to the fact that the class of advertising sold by transient ad-grafters bring no returns except to the men who sell the merchandise the advertising. In fact, in most cases, it is really not advertising.

Beginning with the first issue in January, the Times-Signal will have one of the largest list of subscribers of any country weekly in the state. Also, it will be one of the largest papers published in the state. City papers included. With the aid of a correspondent from practically every settlement in the county, we believe we will make the Times-Signal the newest country weekly in the state.

It will be a better advertising medium than ever before. Accordingly, there will be a slight raise in the advertising rates, beginning with the first issue in January. On investigating, the editor of this paper found out that we have had the lowest advertising rate of any paper in its class in West Texas. In fact, we don't know of a paper in West Texas, large or small, that has a lower rate than the Times-Signal's.

With these facts presented to our loyal advertisers, we don't believe that a one of them will object to the small raise we intend to make. We have expressed our faith in Snyder and Scurry County by building a printing plant that would be a credit to a city of 15,000. We will have one of the largest papers in the state and one of the largest lists of paid-up subscribers. Also, we are offering inducements that will make it one of the newest and thereby one of the most readable papers anywhere to be found.

In conclusion, we kindly ask our readers to make the Times-Signal your shopping guide during the coming year. Our live merchants are aware of the fact that conditions are tight financially and are anxious to sell their goods accordingly. Also, remember that it is the advertiser who makes the Times-Signal the best country weekly in Texas, but we need your support. Are you with us? If you are, all we ask is, "Just watch our smoke!"

Mr. and Mrs. A. J. Cody and family friends in Lubbock during the holidays.

David Burns, Pete Sammons, Clyde and Franklin Peall were in town last Sunday.

Rev. C. W. Davis and wife of Fort Worth, Ark. visited with Mr. and Mrs. A. J. Cody during the holidays.

The editor will edit all matter and our readers will be the judges.

HOW TO ENTER CONTEST

We want the happenings from every community in Scurry County. If you feel that you can furnish the Times-Signal with the news happenings of your community, call at the Times-Signal office and we will enroll you as our official editor from your community and tell you the sort of news we desire most. It costs nothing to get into the contest. We will supply you with stationery and stamps. We even supply you with envelopes already stamped and addressed. In fact, with such a circulation as the Times-Signal now has you can simply put your community on the map in big letters.

How the Times-Signal Readers Will Decide Who the Winners Are

We are going to insist that our readers read each contestant's news carefully each week. About three weeks before the contest closes, we will publish official voting ballots. These ballots will be cut out of the Times-Signal, filled out correctly and sent in or brought in to the Times-Signal office. Each subscriber will be entitled to a vote—one vote only. For example: If the Times-Signal goes regularly to John Jones, the ballot must be signed by John Jones. There may be a dozen persons in Mr. Jones' family, but only Mr. Jones will be entitled to a vote. In other words, there will be just as many votes granted as we have subscribers when the voting begins.

IN LOVING MEMORY OF WILMETH TINKER.

Wilmeth was born in Snyder, Tex. Sept. 24, 1905. My boy believed in God, in the church and everything good. He had only strayed away as so many do. He had his faults but who hasn't? He loved his home, his mother, brother, and all his relatives and friends. He was sweet and good to me. He was so young I know God will deal gently with him. I, his mother, knew him better than anyone else and I know he had a sweet, noble character. God alone knows how we miss him.

HIS MOTHER.

AN OPEN LETTER.

Mr J. A. Merritt,
Snyder, Texas.

My mother wishes me to thank you for your promptness in sending ribbons and also for your courtesy in selling her two cockerels. From the papers I read you had a very successful show. Please accept my compliments and congratulations.

If possible we will be with you again next year and am sure that you will have a much bigger entry because I think that any show handled as you do yours will gain in popularity each year. Respectfully,
J. P. PAYNE.

The first thing on program to be the judging the cake with 1st, 2nd and 3rd prizes for the best cake, with the writer, wife and Mrs. Browning as judges which was hard to decide as no cake could be cooked with any more pride and skill than the ones we had to judge. The prizes being valuable presents.

Dinner was served at 1 o'clock with too many good things to mention.

After dinner came the Christmas tree, it being the most lovely home tree I ever saw, being filled with nice presents for everyone. Mr. Tommy Black dressing the tree and acting as Santa Claus. Tommy did his part almost perfectly. Mr. Shultz was the most surprised, he getting a 5 dollar bill wrapped in many papers. The children were as follows: Mr. and Mrs. Hallie Shultz and family, Mr. Wren Moore and family, Mr. Marvin West and family, Mr. Ernest Shultz and family, Mrs. Charley Howard and children. Special guests were as follows: Mrs. Browning of Fuvanna, T. L. Gee and wife of Hanie community. T. L. GEE.

IRA SNAP SHOTS.

The oil business is looking "fat and glossy" its horn have sprouted and at present it is "hooking" on Brice No. 1.

Santa Claus seems to be a "little off his feet. He must have been drinking "white mule."

Mr and Mrs John Wilson, Mr. and Mrs. Onice Wilson and Mrs. J. A. Wilson of Crowder, made some "pop"

calls in the Ira community Monday. We suppose they have an excellent reason for the young Wilsons are "newly weds."

Ted Haney and Glen Holladay happened to an accident Friday. The fore wheel came off of their car while they were speeding. A. H. and Lee Holladay and Cub Murphy went to Toyah where the accident occurred.

Cleve Newman is moving to his farm this week. We wish him as great success with his farm as he had with his gin.

Claud Bishop went to the barber shop the other day for "shearing." When he rolled out of the chair he looked in the mirror and said, "Gee whiz, 'Wap,' you almost peeled my cocconut!"

The school is setting on its wheels and is "chewing the bits."

Prof. Bryant has ordered the boys a basket ball.

We boys are going to get the hammer and saw and make up a team. When we practice a week or two, we will be wanting to demonstrate.

JEWS TO REINHABIT PALESTINE

DALLAS, Texas, Dec. 31.—The task of raising \$100,000.00, the quota allotted to Texas by the United Palestine Appeal, which was begun in Baltimore several days ago by Dr. Stephen S. Wise, will be under way in Texas not later than January 2.

This movement appeals to all men and women, matter not their creed, and especially to the Jews. The United Palestine Appeal is to aid the immigrants who are pouring into the Holy Land to get a foothold. It is a great American movement. America cannot take care of all the Jews, and neither do the Jews of America expect all their brethren to find a home here. The Hand of God is beckoning him from the lands where he is persecuted—Russia, Rumania, Poland and other nations, to return to the land of his fathers, like the Israelites of old did when they returned to Canaan after having served bondage to the Egyptians.

The movement has the endorsement of every Jewish organization, and also practically all Christians, and especially that of Rev. Dr. J. Frank Norris of the Fort Worth First Baptist church. Dr. Norris made a trip to Palestine and speaks glowing-

ly of what the pioneers are doing to rehabilitate their homeland.

The restoration of Palestine is a fulfillment of the Scriptures, as recorded in Isaiah, and every Christian is awaiting to see the Word of God carried out. While no direct appeal is made to the non-Jews, they may voluntarily send donations to the State Headquarters, which have been opened in the Waldorf Hotel in Dallas, under the direction of Harry Sigel, as State chairman, and Arthur L. Kramer, as vice-chairman. Cropsie S. Welsch is campaign and publicity director and Henry D. Tobias is the field secretary.

The beneficiaries of this appeal are the Keren Hayesed, the Jewish National Fund, the Hadassah and the Hebrew University.

The Keren Hayesed is to aid the colonists in purchasing farming uten-

sils and all necessaries to establish themselves as tillers of the soil. The Jew is going back to the soil from whence he came before being deprived by Constantine and others since that time. There are now in Palestine farmers who are university graduates and professional men, as well as others that need the aid.

The Jewish National Fund is to aid the colonists who are pouring in on an average of 3,000 a month, to buy land from the Arabians and build

homes, dig irrigation ditches and the like.

The Hadassah is the Red Cross organization maintained by the Jewish women from all over the world. It does the same work over there that the Red Cross does in this country. It maintains hospitals and furnishes physicians to those who need physical air. It also furnishes free medical aid to the non-Jews, as well as the Jews, the same as is done by all Jewish medical organizations and hos-

pitals.

The Hebrew University is to be the great center of learning for that land. Its faculty is already selected from men the world over, who are making sacrifices to aid the pioneers.

The drive is a humanitarian one, and appeals to men and women of all creeds.

CHRISTMAS PARTY.

The home of Mrs. Char Harless was graciously thrown open to the members of the young women's Sunday School class and missionary auxiliary, Thursday afternoon Dec. 17. The hostesses being Mesdames Harless, Yoder, Taylor, Catorand Snyder. The house was beautifully decorated with Christmas dora and symbols. A burlesque program was rendered by Hattie Yoder, Little Lavern Jones and Golda F. Tharpe and Maud Taylor, after which Mildred Harless gave a reading and Mrs. Preuitt told a beautiful Christmas story. Then as chimes were played the doors were thrown open and a tree laden with gifts was revealed. Old Santa gave everyone a present a gift, leaving the best till last, which was two large boxes of useful things presented to a recent bride, Bertrice Dorsett Barnett, by the ladies of the

M. E. Church.

A plate luncheon consisting of Hudson sandwiches, potato chips, pickles, perfection salad in Christmas colors, date pudding with whipped cream and coffee was served to the following: Mesdames Dodson, Hicks, Stinson, Hamilton, Dorsett, Barnett, Randalls, Sims, Darby, Rogers, Wilson, Thorpe, Jones, Preuitt, Towle, Carmichael, L. O. Smith, Ramsour, W. W. Smith, Rainwater and Williams.—Reporter.

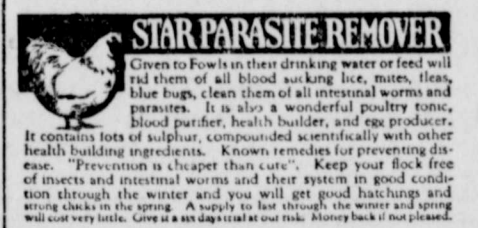

Miss Laura Belle Roten, County Home Demonstration Agent, spent Christmas in Wharton, Texas, with her mother, Mrs. L. C. Roten, and her brother, John Roten. She returned to the city Sunday.

Mr. and Mrs. James T. Johnson, and Mr. and Mrs. J. H. Green and family of Colorado City spent last Sunday here with Mr. and Mrs. H. G. Towle.

JOE A. MERRITT FOR REPRESENTATIVE.

The Times-Signal is authorized to announce Hon. Joe A. Merritt as a candidate for re-election to the office of Representative of this, the 118th Flatorial District, composed of Scurry, Borden, Garza, Kent, Dickens and Stonewall Counties.

Mr. Merritt said to a Times-Signal representative Monday: "I am offering myself as a candidate upon urgent solicitation of my friends from practically every quarter of the district. I have not only been solicited by every county judge in the district but one, but every one except that one has voluntarily offered me their support. That one judge I have not had the opportunity of meeting recently, but know that he is one of my supporters. I feel that I can render this district better service than ever before because I am better acquainted with the peoples' needs and because of my past experience as the district's representative. I am running wholly on my past record, which I know is absolutely clean."

The Times-Signal knows that Mr. Merritt was placed on as many committees during his past term as any other member in the House, which within itself is good proof that his ability was recognized by the Assembly as a body. We also know that Mr. Merritt was a very conservative officer and saved the State and likewise the taxpayers sums of money in various ways not only by his voice on many propositions that came up, but also by being economical in every way. For instance, Mr. Merritt's stationery bill was only \$5.20, compared with as much as \$60 spent by some other members.

This District will take no chances if it sends Joe Merritt to the General Assembly for another term, and it is not likely that he will have any opposition this year.

J. E. VAUGHAN FOR PUBLIC WEIGHER, PRECINCT NO. 4.

Mr. J. E. Vaughan of Hermleigh called at the Times-Signal office Wednesday and authorized us to announce him as a candidate for Public Weigher of Precinct Number 4, subject to the action of the Democratic Primary in July.

Mr. Vaughan is one of the best known men in his precinct and is well qualified for the office he seeks. The fact that he has been solicited by scores of his friends attests the high esteem in which he is held in the community in which he has lived for the past twenty-five years. "I have never held an office," Mr. Vaughan said to a Times-Signal representative, "but somehow I feel just like I would like to serve the people of my precinct as their public weigher." The people of Mr. Vaughan's district will make no mistake in supporting him for the office to which he aspires.

"We use Black-Draught in our family of six children and find it a good liver and bowel regulator," says Mrs. C. E. Nutt, of Mineral Springs, Ark. when I felt that way, and it would relieve me, and I would feel better for days.

"My husband takes it for biliousness. As a says he has never found its equal. When he has the tired, heavy feeling, he takes Black-Draught night and morning for a few days and he doesn't complain any more.

"I sure do recommend Theford's Black-Draught."

CITATION.

THE STATE OF TEXAS. To the Sheriff or any Constable of Borden County, Texas— Greeting:

You are hereby commanded to summon John Pinkney Wright, Clyde Wright, Rella Wright, William Wright, Walter Wright and Annie Mae Wright and the unknown heirs of Mrs. Elsie Wright, deceased, to be and appear at the next regular term of District Court of Borden County, Texas, to be held in the Court House, in the town of Gail, on the 4th Monday in February, A. D. 1926, the same being the 22nd day of February, A. D. 1926, then and there to answer a petition filed in said court on the 8th day of December, A. D. 1925, in Cause No. 304, wherein P. S. Clainourne is plaintiff and John Pinkney Wright, Henry Wright, Clyde Wright, Rella

Wright, William Wright, Walter Wright and Annie Mae Wright, and the unknown heirs of Mrs. Elsie Wright, deceased, are defendants. The plaintiff's cause of action being alleged as follows:

That heretofore, to-wit, on or about the 1st day of November, A. D. 1925, the plaintiff was lawfully seized and possessed of all the S. W. 1-4 of Section No. 11, in Block No. 32, in Township 6—North, E. L. & R. R. R. Co., containing 160 acres of land, situated in Borden County, Texas, and that on the day and year last aforesaid the defendants unlawfully entered said premises and ejected plaintiff therefrom, and unlawfully withheld from the possession thereof to his damage in the sum of ONE THOUSAND (\$1,000.00) DOLLARS.

That in addition to the foregoing plea the plaintiff alleges that heretofore, to-wit, on or about the 28th day of February, A. D. 1917, one Loyd Rogers and wife sold and conveyed the above described land and premises to John Pinkney Wright, and that thereafter on or about the 14th day of February, A. D. 1920, Mrs. Elsie Wright, the wife of John Pinkney Wright, died intestate and left surviving here the defendant, John Pinkney Wright, her husband, and the other defendants herein named, as her children and only heirs at law; that at the time of the death of the said Mrs. Elsie Wright, she and her husband owned the above described land and premises, which was the community property of the defendant, John Pinkney Wright and his deceased wife, Elsie Wright, and that at the said time the defendant, John Pinkney Wright and wife, Elsie Wright was indebted to various and sundry persons, which debts were the community debts of the said John Pinkney Wright and his deceased

wife, Mrs. Elsie Wright; and that the said John Pinkney Wright being unable to pay such community debts, did on or about the 17th day of January, A. D. 1921, sell and convey the above described land to James Rogers; that said deed of conveyance vested in the said James Rogers the fee simple title to said land and premises, but since there was no administration on the said estate of said Elsie Wright, deceased, a cloud is cast on plaintiff's title to said land, but plaintiff alleges that the price paid and agreed to be paid for said land by the said James Rogers was of the fair market value of said land at said time, and plaintiff prays for a judgment against the defendants for the title and possession of said lands and premises and for a judgment ratifying and confirming the deed from J. P. or John Pinkney Wright to James Rogers, and for general and special relief. You are further commanded to

serve this citation by publishing the same once in each week for four consecutive weeks previous to the return day hereof, in a newspaper published in your county, but if there be no newspaper published in Borden County, Texas, then in the nearest county where a newspaper is published. Wherein fail not, but have you then and there before said court on

May of the term thereof with your return thereon, show you have executed the same. Under my hand and seal of court in the town of Gail, Borden County, Texas, this, the 28th day of December, A. D. 1925. (MAGGIE WILLIAMS, Clerk, Borden County, Texas. 29-41-c

TO OUR FRIENDS AND CUSTOMERS

After a careful study of the present situation we have decided that we will sell for

Cash Only on and after Monday, January 4, 1926

It is our honest belief that selling for Cash Only everyone concerned will be benefited more than under the present system of Charge Accounts. By selling for CASH we will be in position to sell our merchandise for less money than were it charged as it costs any merchant "real" money to run a credit business. This action on our part was not done on the "spur of the moment," but after long thought and consideration. When you buy from us and pay CASH it will mean a SAVING to you that will be worth-while. If you can pay cash for your merchandise and effect a real honest-to-goodness saving, are you not ahead? We believe that you will be, for at the end of the year what you have bought will be paid for and should crops not turn out as expected you will not have outstanding obligations to cause you worry. You will find our "for cash only" prices much lower than at present.

We appreciate the past business that you have given us and in our endeavor to "sell for cash and sell for less," we trust that we will still receive a portion of your patronage as in the past. Assuring you of our friendship and appreciation of you, we are,

FLUVANNA NEWS.

Sickness and Death.

Mr. J. F. Wilson, who has for quite a while been afflicted with cancer of the stomach, was relieved of his sufferings and passed to his reward at about 3:30 o'clock a. m. on the 26th. Many years ago the Wilson family resided in this community, but have for quite a long while been residents of the Bookout (Dermott) community. Thus, in a certain sense, this item really belongs to the Dermott news. We mention it here because of the long acquaintance and cordial friendship between the writer and the stricken family. The deceased was a good man, a worthy member of the Methodist church for many years and highly esteemed by those who knew him. Brother Wilson had passed his 67th year, hence, was nearing his three score and ten. He leaves the good wife and four children to mourn their loss. The pastor, Rev. B. A. Moores, aided in a small way by the writer, conducted the service at Bookout cemetery.

Mrs. Lon Deer, who has been in a bad state of health for quite a while, is now in Abilene taking a special course of treatment under sanitarium doctors. It is said that she is improving nicely at this time.

We understand that Mr. E. W. Landrum is in a serious state of health due to a bad condition of the heart. On December 18, Mrs. A. R. Brown presented her husband with a fine son. Mother and child are said to be doing well.

Mrs. Bos Stavely, who for some time has been quite sick, is now able to be up.

Last week Mrs. J. W. Squyres was called to the Dermott community where she spent a few days with her aged mother, who is quite ill.

Chicken Stealing.

On December 18 the Guy Turner family lost a lot of their chickens at the hands of some dirty night prowler. On the night of the 22nd the Oliver Wills and John Buchanan families lost all the chickens they had in the same manner. This is the second time the two families, last mentioned, have lost practically all their chickens this year. Some low down persons, not fit for American citizenship, too lazy and sorry to earn an honest living, are making it their business to steal; that is, as a rule, from the good, honest, hardworking housewives who, through many months of painstaking labor and care, have built up their flocks to where they are desirable property. Shame on such characters! A junk is more desirable in a community than birds of this character. The sooner such parasites, such poisonous vampires are rounded into the penitentiary where they belong, the better it will be for the country.

Miscellaneous Notes.

Mr. Jim Holdredge now has his moving picture theater in operation. Fluvanna may get to be a city yet.

A new filling station has recently been installed at the Moore grocery store.

A fine new gas pump outfit has just taken the place of an old one at the front of the Fluvanna Mercantile.

Buyan McDow has recently opened a blacksmith business in the rear of the Park Garage.

A move is on foot to bring about consolidation of avor school in Fluvanna school, the required

munities having been secured. No doubt this will be if well managed a good move. There is no good reason why a strong centralized school here should not soon become a first-class school in a short time, if all the people will work to that end, and, be it remembered, a good high school now is equal to the junior college of a few years ago.

This scribe was recently appointed local chairman of the "Harvest Campaign for Sale of Confederate Memorial Coins," by Lon A. Smith, State chairman of the same movement. The National Government has recently prepared a specially designed coin for the purpose of fittingly and permanently commemorating the valor of the Southern soldier in the Civil War. Certainly every person having Southern blood in his veins, will want one of these coins for a memorial "keep-sake." We will soon have arrangements made for the sale of these coins, and the First State Bank of Fluvanna has agreed to secure a supply of the coins.

Several of the young women of this community took an active part in the contest put on by the Lubbock Journal. As a result of their labors we understand that Miss Hannah Steel secured a string of pearls, Mrs. Salliebet (Jones) Ramsour secured a nice wrist watch while Miss Vera Stavely was awarded an Overland touring car.

Mrs. Colen James spent the holidays with her sister, Mrs. Jake Ross of Roscoe.

Mr. Dyse spent Christmas with his mother and other relatives in Roscoe.

Mrs. Avner Mayhew and children of Fort Worth, spent the holidays here visiting her parents, Dr. and

Mrs. Jones and other relatives. We understand that in this connection, a family reunion dinner was enjoyed in the home of Mr. and Mrs. Will Beaver Sunday.

Christmas.

The greatest holiday of the year has just passed. So far as we know the Christmastide has passed in a quiet, sane and sober manner, with little, if any, extravagance, good behavior and a pleasant time.

There was a nice community Christmas tree at the Methodist church, last Thursday night. A large crowd of happy people attended, Santa Claus was on the job and a real good time was had.

Now comes an item of personal interest, but which is none the less a news item. The serene quiet of Village Preacher's home was on Saturday night suddenly (and of course, unexpectedly) interrupted; the preparation of the Sunday School lesson frustrated, and the manse became a scene of hubbub when several cars, with glaring lights, suddenly parked at our front, and the occupants, bearing various and sundry merchandise, entered and took possession of our home and, in addition to cordial handshaking, laughter and much cheer, deposited a splendid stock of groceries (with a few other things) in our dining room. Lack of space will not admit of a more detailed account of this occasion, further than to say that the preacher earnestly endeavored to express, for himself and wife, their profound gratitude for such kindness and abounding liberality; the occasion closing with prayers, God bless you and good-bye. It should be said that several friends added their blessings to our home.

Weather for 1926.

This V. P. is not a weather prophet. He knows very little about such matters, except the fact that we are never without weather. Weather is always present, hence, it is a matter of much concern to all of us. All that V. P. wishes to say here and now is based on the St. Louis Weather Book—the best authority of which he has any knowledge—and is to this effect: This winter and the next one are apt to be backward and wet. In fact the whole crop season is apt to be much cooler than during the last two years. The weather man thinks the drouth area is shifting from the West and South to the North and East, hence, grain crops in the great corn belt are apt to be cut short, while cotton in the South is apt to suffer from too much rain—hence worms and weevils. As we are under the heavy strain of the great Jupiter equinoctial period, centering on June 5th, and this from time to time, being excited by other combinations; we are apt to have many unusual and erratic—sometimes severe—weather disturbance during 1926. Better expect the unusual rather than the ordinary turn of God's weather mill. Watch and see.—Jas. H. Tate, Cor.

Arthur L. Geer of Sweetwater, meterman of the West Texas Electric Co., has been a visitor in our city the past week-end.

Mrs. W. R. Johnson and daughter, Miss Ellen Buice, were visitors in Abilene last Thursday and Friday.

Mr. and Mrs. Dewey Higginbotham and two children, Margaret and Dewey Lee, visited during the holidays with Mrs. W. Norred.

Rev. S. A. Ribble and family visited in Memphis, Texas, last week. Edgar Simpson of Goldthwaite has been visiting in Snyder with his aunt, Mrs. T. C. Stinson.

Mr. and Mrs. Wellington Taylor returned Monday from a few days' visit with relatives and friends at Portales, N. M., and Brownfield, Texas. They made the trip by car.

MISS TRAYHORN PRESENTS PUPILS IN RECITAL.

To a most appreciative audience of Snyder's music lovers a musicale of very entertaining numbers was presented in the high school auditorium Thursday evening, December 17, by the pupils of Miss Lucile Strayhorn, instructor of piano. The stage was effectively decorated in flowers and pot plants that furnished an appropriate setting for the dainty frocks worn by the young performers.

Each number was rendered with credit to both pupils and instructor. The particularly difficult compositions "Polonaise A Major" by Chopin, played by Miss Lura B. West and "Prelude" by S. Rachmaninoff, played by Miss Maurice McClinton, were especially pleasing. "Frolic of the Demons" by John Martin, was pleasingly rendered by Misses Dorothy Strayhorn and Lura B. West.

What My Neighbor Says

Is of Interest to Snyder Folks.

When one has had the misfortune to suffer from backache, headaches, dizziness, urinary disorders and other kidney ills—and has found relief from all this sickness and suffering, that person's advice is of untold value to friends and neighbors. The following case is only one of many thousands, but it is that of a Snyder resident. Who could ask for a better example?

W. W. Smith says: "A dull hurting in the small of my back bothered me a great deal and at times sharp pains cut into my back. My kidneys were weak and the secretions passed too freely. At night I had to get up several times to pass the secretions. I took Doan's Pills and they brought me relief. I continued with Doan's until I was cured." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Smith had. Foster-Milburn Co.,

SHAKESPEARIAN COMEDY PRESENTED IN SNYDER.

The Fine Arts' Lovers in and around Snyder had the opportunity of witnessing a performance of the first Shakespearian drama ever to be presented in this city when members of the Snyder high school Dramatics Club appeared in "Taming of the Shrew" at the high school auditorium Friday, December 18. The success of the performance must ultimately be given to the able directing of our speech-arts instructor, Miss Elaine Rosser.

Miss Claribel Clark played the roll of "The Shrew," who was endowed with youth, wealth and beauty, and yet, because of her ugly manner was considered by some to be "stark mad or wonderfully forward." The wealthy young Petruchio of Verona, played by Miss Doris Buchanan, after being told of Katharina's wealth, vowed to marry her though she be all that was hateful. Then was the Shrew roughly wooed and mastered even until the once fiery-spirited Kate was glad to agree that the sun was "sun or moon" just as her husband pleased.

Dixie Ruth Smith as Grumio, servant to Petruchio, and Margaret Dell Primm as Bondello, servant to Lucentio, in their ridiculous attire and with their jesting and witty sayings kept the house in a constant uproar. The children, especially, will never again think of Shakespeare's works as being dry and uninteresting, but will be ready and eager to attend the next performance.

The setting was striking in its simplicity. A public highway was suggested by simple dark curtains encircling the stage and a single bench. The Bachelor home of Petruchio with its roughly hewn fireplace and boxes for chairs, furnished an unusual setting for the wedding suite of a bride of wealth.

The entire cast was composed of girls but their attire of stiff brocade and powdered bobs were so in keeping

with the ideal Shakespearian dress, and their character portrayal so splendid that the audience was completely carried away to Elizabethan days.

A Berlin astronomer declares that stars burst and make little stars out of themselves. Now, that's some light on starology that we have been seeking for a long time, and may eventually lead to what has always been a deep mystery, that is, whether all stars, like tadpoles, once had tails, or whether comets are old stars that developed tails with old age. We are writing to the Berlin astronomer asking him about it.

We see where the board of pardons have been taking a vacation. With the number of pardons issued during the present administration, said board undoubtedly must have worked overtime, and certainly must need a rest.
