FLUVANNA SCHOOL NOTES.

We were glad indeed to have the goodly number of visitors at chapel this morning.

At chapel on Tuesday morning, February 9, was the men day. We were glad to have the good number out. The following men of the district were present: J. J. Belew, John Truss, John Buchanan, E. W. Lemons, J. W. Squyres, John Boren.

There were also a goodly number of ladies present. We appreciate their interest in the school. Several of them visited the school and we always welcome visitors. On Tuesday afternoon, February 9, the Parent Teachers' Association, together with the Demonstration Club, held their regular meeting at the school building. They decided to place an order for a curtain for the school auditorium.

On last Tuesday morning, February 9, Miss Winnie Houston's room conducted the chapel service. A very interesting program was rendered and the program was enjoyed by all. The program consisted of the following numbers: Song—Old Black Joe. Devotional—Bro. Moores. Reading—J. T. Beaver. Duet—Bro. Moores and Paul Moore. A Little Boy's First Composition—E. V. Boynton. Reading—Roxie Lee Holdridge. Song—School.

We are glad to state that we had in our town and school our former school teacher, M. K. Maples. He visited our school a short time but has returned now to his home and school at Levelland.

There will not be any honor roll this week on account of taking mid-term exams.

The teacher trustee association, an organization of the teachers and trustees of Scurry County, will meet here March 6. We would like for every patron of our school to plan to be out on that day. The teachers of our school met with the association in Dunn on Saturday, Feb. 6.

We are hoping to have a large crowd at the picture show Friday night, the proceeds of which go for the benefit of the school.

On Friday night, February 26 the faculty of the school is giving a play, proceeds of which will go toward seating the auditorium. The new roof has just been finished on our school building. It

is metal roof and will last indefinitely.

In response to their call a great number of patrons of the school sent chickens in on Tuesday morning to aid in paying for the curtain. Some sent money. Needless to say the association and the school appreciated these contributions.

The P. T. A. and the demonstration club are working hand in hand and are doing much for the school and the community.—Reporter.

MISSIONARY WORK IN SNYDER.

For some time the ministers of Snyder and some of our enterprising people have felt that the negro was not receiving proper attention along religious and educational lines. We are willing enough to have their services during special busy seasons but then they

may go after the push. This seems to be the attitude as some view the situation.

There is now on foot a movement by the churches of Snyder to secure a plat of ground and have it designated as "Negro Section," where they will have their own school and church. It is our purpose to build a chapel for all denominations of the colored people with the privilege of using the same building for school purposes. We are also of the opinion that these, our neighbors, should have their rights of autonomy preserved to them in their own community life.

Since the women seem to have sponsored and first gotten behind this idea in this worthy enterprise they are given their rightful place on committees to work out plans for the future destiny of our beautiful Snyder. Along with the Ministers' Association we have the

following appointed to assist in this most worthy cause:

- Mrs. H. G. Towle.
- Mrs. Ernest Taylor.
- Mrs. R. D. English.
- Mrs. J. T. Lockhart.
- Mrs. Fritz R. Smith.
- Mrs. A. J. Cody.
- Mrs. C. R. Buchanan.
- Mrs. P. C. Chenault.
- Mrs. J. T. Whitmore.
- Mrs. Joe Drinkard.

REV. H. J. MANLEY, Secretary of Ministerial Association.

NOTICE TO FARMERS.

Please state in your valued paper that the Scurry County Farm Labor Union in convention assembled yesterday passed a resolution urging and endorsing the

plan for the farmers of Scurry County to plant a uniform type of cotton.

Of course we expect to see some type of cotton with a superior staple adopted, thus giving our territory a good reputation in the cotton world and thereby giving us a better market for our cotton.

OBITUARY.

Mamie Ruth Abercrombie was born at Frisco, Texas, May 10, 1917. She was the youngest child of Mr. and Mrs. John Abercrombie. Mamie Ruth when only 7 months old moved with her parents, sister and two brothers to Snyder, Scurry County, where she lived until January 22, 1926, when God saw fit to take her back to be with him. Her little body was laid to rest in the Snyder cemetery beneath a bed of beautiful flowers.

She was a dear, sweet little girl and Oh, how she will be missed. But time alone can heal the heart pangs of her dear father and mother and loved ones who worshipped her in the tenderest ties that bind on earth; but earth has no sor-

A whole family by the name of Usery was hurt in an automobile accident at Roscoe one day the past week. It might be said by them that "All of 'Usery' were hurt."

A San Antonio bride of a week, aged 53 years, is advertising for her husband, aged 60, who deserted her the second day after they were married. Just another case of an old woman marrying a man too young for her.

Jake Biler, a Meryzon hunter, recently killed thirteen coons in one tree and sold their skins for \$117. Now, who said, "You can't get all the coons up one tree?" No matter who said it, he can now take a back seat.

Mrs. Schumann-Heinz, the celebrated contralto, declared recently that "Women haven't the brains to compete with men." It may be safe for a woman to say that about her own sex, but the average man has too much sense to say that about women.

We see where Henry Ford has been presented an old mill up in New Hampshire. The article did not say so, but we presume that Henry will use the mill to grind out Fords on. It seems that Henry can make a Ford on almost anything.

Word comes from the southern part of Old Mexico that explorers have recently discovered the tomb of the first ruler of that country. They don't know whether he was a Mexican, a Spaniard or an Indian, but it would be a safe bet that he was a bandit.

Jack Wages, who was convicted at Dallas for robbery with firearms, has been sentenced to the penitentiary for 99 years. Thus the wages of Wages is the pen. Wages will now remember, no doubt, that "Whatsoever you sow that shall ye also reap," and that "The wages of sin is death."

Chick Evans, the golf champion, declares that "Golf blisters show that the style of the play was wrong." We don't know just what Mr. Evans means, but presume that if one has to stand in the hot sun too long while trying to swat the golf ball, the player ought to turn his other side to the sun before he gets a sun blister.

"Ask and ye shall receive." Last week the Times-Signal wondered what women would fasten their "galluses" to if such things again become popular among women. Now comes the information from a southern college for girls that said "galluses" will be used to hold up skirts. Thanks! That's perfectly satisfactory, except that in some cases they are up too far already.

A lot of Mexican bandits dug up the remains of Villa, the famous bandit a few days ago, and are now offering to sell the head to the people of Columbus, New Mexico, for \$5,000. It is an easy matter for those hangers to get the head of Villa after he has been dead for several years, but none of them tried to get the old bandit's head while he was alive, although there was an offer of \$50,000 for it.

The Journal of the American Association declares that doctors on an average live to be older than men of any other profession, and further states that the principal reason is, they are more careful of their health than other persons. And the Times-Signal believes that is true, because whoever heard of a doctor taking a dose of his own medicine?

How To Quickly Stop Bad Coughs

It is often surprising how quickly the heaviest cough disappears when treated by a remarkable new method.

Here is the method, based on the famous Dr. King's New Discovery for Coughs. You simply take one teaspoonful and hold it in your throat for 15 or 20 seconds before swallowing it. The prescription has a double action. It not only soothes and heals irritation, but also loosens and removes the phlegm and congestion which are the real cause of the coughing. So the severest cough soon disappears completely.

Dr. King's New Discovery is for coughs, chest colds, bronchitis, spasmodic croup, etc. Fine for children, too—no harmful drugs. Very economical, as the dose is only one teaspoonful. At all good druggists. Ask for

A young man from Loco, near Wellington, Texas, is missing and the entire community cannot account for his sudden disappearance. Maybe the young man of Loco became "locoed."

TURNERSVILLE PARAGRAPHS

As this is our first contribution we will say that the purpose of this series of contributions is to give the community and school news of Turner.

Incidentally we are going to try to win the first prize for our school. Quite a few came out to singing Sunday evening, and we expect to organize and get started at the next meeting time, which will be the third Sunday of this month.

Mr. and Mrs. S. W. Light, Leonard Bearden and wife and young son, Frank, and the Misses Faye and Eileen Child, David Cooper, Nila Iron and several other young people visited with Mr. and Mrs. L. M. Bynum Sunday.

Mr. Jeffries of the Bethel community taught school for us last Friday while Mr. Bynum was holding teachers' examination at Snyder.

L. M. Iron and family and M. J. Watkins and family visited J. J. Shied Sunday. Miss Faye Shied spent Saturday night with David Cooper.

Miss Juanita Watkins stayed all night with the Gee children last Saturday night, Feb. 7. Had a school entertainment at Turner school house last Friday a week ago. First we sang a few songs. Then Mr. Brumley and Mr. Head played a few songs on the violin and guitar.

Then after they got through, the old folks had a school talk. While Miss Rue Horsley and Miss Velma Head had a little contest. The winner of that contest won a dollar. Mr. Alfred Kiefer won the dollar.

Miss Eva Bell Fenton fell off a horse while going home from school and the horse stepped on her head right above her eye. But it happened to be a car behind them. Mr. Rayman Martin picked her up and carried her home. She is coming to school now.

Miss Gladys Gee, and Ima Jewel Gee, who went to school at Snyder, are going to school at Turner now. They are in the fifth and seventh grades.—The Gang.

MUST PAY LEAGUE FEE BY FEBRUARY 15.

For the first time in the history of the Interscholastic League there is a closing date before the county meet for the payment of membership fees. The deadline date set by the Constitution and Rules this year is February 15, as provided in the note to Article III, Section 1. All schools in this county meet should mail at once to the Interscholastic League the membership fee; rural schools of less than one hundred enrolled last are due \$1; rural schools with one hundred or more enrolled last year are due \$2. Don't let the deadline date pass, February 15. Do it now, while you think of it.

IRA SNAP SHOTS.

School Notes. The Parent-Teachers' Association and the Home Demonstration Club met in a joint business session last Thursday afternoon. Plans were made by the Parent-Teachers' Association for a social meeting, February 19. At this time the association will be hostess to the patrons of the school. We hope that every patron, none excepted, will be present.

Miss Roten met with the club girls Thursday afternoon. After a short talk by Miss Roten the girls had a bungalow apron show in which they displayed many simple, but attractive aprons. These aprons show quite an improvement over their last work. Miss Roten is a very enthusiastic leader, and Ira is proud of the work she and the girls are doing.

Sand has been hauled for the vaulting ground and the pole has come, so the boys will soon be ready to enter into another form of physical activity. Several pupils were out of school last week on account of illness, but we are glad that most of them are able to be with us again.

Church Notes. Sunday School was well attended at all churches last Sunday. Church services were held at the Church of Christ Sunday morning.

the people of the neighborhood were observing a beef canning demonstration. Mr. Murphy is slowly improving.

Entertainments.

Ira Farm Boys Band gave their first public entertainment last Friday night in connection with a picture show which was given in their behalf. The people of Ira and the surrounding community should realize what this band means to them now, and what it will mean in the future if every one will put their shoulder to the wheel and help keep the band going.—Ira Reporter.

ABRAHAM LINCOLN A FRIEND OF THE SOUTH
 Abraham Lincoln, one of the great men of the world, was born Feb. 12, 1807, and was assassinated in April, 1865, after a most wonderful career.
 All truly thoughtful people of the South realize that Lincoln was a friend of the South and that if he had lived the awful days of the reconstruction period would have never been. Next Sunday at 11 a. m. at the Methodist Church, the subject will be a "Sermon-Lecture and Abraham Lincoln." Come to "The church of the glad hand" next Sunday and hear this sermon.

KNAPP NAPLINS.

Our city is still on the map. Our interprising merchant, Uncle Johnny Huddleston, has installed a radio which is of vast interest to himself and community. The Bison school has a small-pox scare, all children having been exposed and not vaccinated have been isolated for a few days. Hope the school will soon be running smoothly again so that the scare will blow over with the first sand storm. Mr. Walter Weathers passed through Knapp on his way to his new home, recently completed on the land purchased from Mrs. Birdwell. The Key brothers are breaking out 100 acres of land on their place purchased of the Randal ranch. Andy Trevey has oil on the brain again. You may see him riding and late. He is so interested in a lease that when he passed his cup for more coffee, he remarked, "a little more oil, please."

Our Sharon school teacher, Prof. Key, is getting to be quite a poet. We found him on his way to school with a flat musing something like this: "Of all sad words of tongue or pen, the saddest are these, she's flat again. We learn with much regret that Mrs. Andy Trevey was called to Cisco on the 6th on account of the serious illness of a niece. Hope she will find her much improved. Sharon school is moving along as smooth as a new wagon. Prof. Key and Miss Josie York seem to be the proper ones, for to date we have heard no complaint. Your know, as a rule, we won't allow a school to run very long without a complaint. But don't you think it is much better for all parties that we keep our little complaints to ourselves. A teacher has enough to worry about without every patron complaining. The Parent-Teachers' Association will meet at Sharon Thursday night. A nice little program is being arranged. The school hasn't had a full attendance this week because of the smallpox scare. Farmers are taking advantage of every fair day to do their plowing. Some are flat-breaking this year, which is rather unusual; some double listing. It seems that our farmers are realizing the need of better preparation, or it may be we are just awakening to the fact that we have a fine farming country if we will only farm it properly. Spreading of farming now wouldn't this be a fine time to do our tree planting? If we did not put out orchard or shade trees in the fall just a few hours now spent in planting something that will either bear fruit or make a nice cool shade in the near future would never be regretted. I sometimes wonder if we wouldn't be better off in a financial way and oh, so much happier if we divide our cotton planting time with other things. L. L. Eubanks a prosperous farmer from near Ira, has recently purchased a home in our corner of the county. We welcome Mr. Eubanks and predict for him a prosperous future as he is a real farmer. George Bishop is of the opinion that Mr. Eubanks only moved to his new farm so as to have more room for his dogs to chase coyotes and even if George is correct in his guess, we are not losing anything by Mr. Eubanks moving among us, for he will show us a "howling" good time. Roy Lockhart has moved to Big Spring. We wish him success in his new home. Mr. and Mrs. T. B. Carter visited Saturday night and Sunday with Mr. and Mrs. R. E. Warren. Mrs. Stella Wellborn and children visited Sunday with Mrs. R. E. Warren. Mr. and Mrs. W. F. Burney, Mr. and Mrs. Cliff Birwell, took dinner with Mr. and Mrs. Emmett Trevey and I guess we were all Methodists the way the fried chickens disappeared. Mr. and Mrs. George Bishop gave a birthday dinner Saturday in honor of their daughter. Singing at Cal Millholland's Sunday night. A large crowd was present. Everyone enjoyed the singing. Our Sunday School is prospering nicely, although we have had some bad weather and the attendance was not so good. Let's come out next Sunday and bring someone with us.—Lucky Bill.

WHITE BLUFF. We are having lots of sickness in our community the last two weeks. Sickness is a very serious problem. So many people do not realize it unless it is some of their people, but it is not that way here in our community. We have some of the most generous, big-hearted people in the world right among us. When there is sickness reported we find good neighborly men and women from all parts of our community are there to lend a helping hand. People who are fortunate enough to miss long spells of sickness in their home, cannot imagine the great relief and comfort it is to the worried where there are sick people. We will challenge our community against all, for this one good deed. There's about a third of the people of our community that has planted a few oaks and a good many have started their gardening. The writer thinks both are wise things to do. Mrs. J. T. Lyons and daughter-in-law, Mrs. Charlie Lyons, were pleasant callers at the home of Mrs. Berette Early, Wednesday afternoon. Mrs. W. C. Brooks was shopping in Snyder Wednesday of last week. We are glad to say little Jesse Thomas Williams is convalescing after a long spell of flu and pneumonia, but he is still suffering

Growing Old Too Fast?
Many Snyder Folks Feel Older and Slower Than They Should.
Are you weak, tired, all worn-out? Do you feel years older than other folks of your age? Then look to your kidneys! The kidneys are the blood-filters and if they weaken, the effect is quickly felt. You have constant headache, dizziness, you feel lame, stiff and ache, dizziness and urinary trouble—all played out. Don't wait! Use Doan's Pills—a stimulant diuretic to the kidneys. Read what this Snyder resident says: "My kidneys acted too freely, especially at night, when I had to get up to pass the secretions. My back was sore and stiff and the cutting pains across my kidneys were so bad, I could hardly stoop. I tired easily and often had spells of dizziness. After using Doan's Pills from the Warren Bros drug store, I was cured of the attack." 60c. at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

THING WAS ENGAGED TO BRING THE OLD STEAMER FROM ITS RESTING PLACE TO BE USED IN THE PICTURE.

The boat is almost an exact replica of that described by Conrad in his famous novel. Featured players in the cast of "Lord Jim," which was adapted by John Russell, are Percy Martmont, Shirley Mason, Noah Beery and Raymond Hatton. George Hull wrote the continuity.

"TOO MANY KISSES" COMING.

Richard Dix's latest starring picture for Paramount, "Too Many Kisses," adapted from John Monk Saunders' Cosmopolitan Magazine story, "A Maker of Gestures," comes to the Palace Theatre on Monday next for a one-day run.

The story is laid in the Basque country in the Pyrenees between France and Spain and deals with a young American, sent abroad by his father to make him pay more attention to his mining business and less to fair ladies.

There's not a doubt but "Too Many Kisses" offers Dix his finest screen role to date.

Francis Howard, seen in "The Swan," is featured at the head of the strong supporting cast, which includes William Powell, Frank Currier and a number of others.

Gerald Duffy wrote this screen play.

Paul Sloane, who made Dix's second starring picture, "A Man Must Live," directed this one also.

The hostesses, assisted by Misses Myrtle Martin and Davida Curry, served a delicious two-course luncheon. A short business session followed an hour of forty-two.

RAISE AND RECONDITION STEAMER FOR PICTURE.

Raised from its mud bed in the ocean off Wilmington, California, the passenger steamer, Waimea, historic on the Pacific as the "City of Topeka," was entirely reconditioned and used for scenes in Joseph Conrad's "Lord Jim," a Victor Fleming Paramount production, due at the Palace Theatre on Wednesday.

LONE WOLF NEWS.

The farmers of this community are certainly taking advantage of the pretty days which we are having. Some are through with plowing and others have hardly started.

Someone saw J. M. Pagan go to the field early Tuesday morning.

Mr. and Mrs. B. F. Davis visited Mrs. Davis' sister, Mrs. Bishop Gunn of Mitchell County Sunday.

News Haggerton and niece, Viola, and quite a few others attended singing at Hermleigh Sunday.

J. D. and Vernon Pagan attended a party near Inadale last Saturday night.

Geo. Wimken and Ed Mahoney made a business trip to Colorado last Saturday.

Mr. and Mrs. Herman Winerslager have completed their new home and have moved into same.

Quite a few of this community attended the silver wedding of Mr. and Mrs. Herman Ohlenbusch near Loraine Sunday. Those who attended were Mr. D. Ohlenbusch and family, E. D. Schwarz and family, H. Caloway and family, and T. F. Schwarz and family. All reported a good time and the bride received lots of silver presents.

The wedding cake was a nice, large fruit cake and was decorated with silver and beautiful flowers.

The Lone Wolf basketball team played China Grove last Friday. The score was 13 to 33 in favor of China Grove.—Dad's Girl.

DUNN NEWS.

We are very glad to see this pretty weather, but no doubt the farmers would like to see a good rain.

The P. T. A., which met at Dunn last Saturday, was enjoyed by everyone present; most of all was the ball game between Snyder and Dunn in which Dunn boys were victorious. Dunn won all the way.
