Snyder Hi Tigers Defeat Sweetwater Mustangs 6 to 0

LOCAL SQUAD BATTLES NOLAN COUNTY TEAM TO RARE FINISH BEFORE CROWD OF 4,000 HERE ON ARMISTICE DAY.

Armistic Day of 1927 for Snyder was one of the most colorful and happy days in the history of Snyder. The Snyder High Tigers defeated the Sweetwater Mustangs cleanly, honorably and without any chance of a comeback. Although played under adverse conditions, with a small sandstorm and high winds making it uncomfortable, the game could not have been more fiercely fought or cleverly played than this self-same game which Snyder High won in the last thirty seconds of play with a thrilling play that brought the Snyder crowds to a wild, excited mob, while the Sweetwater folks just took their medicine, and the quicker they could leave town the better satisfied they were. As a matter of fact, the Sweetwater contingent landed in Snyder with that blasé attitude, that they were just here to get it over with so that the Mustangs could be undisputed leaders. They had that in mind; so did Snyder. The Tigers simply put a halter on the Sweetwater attack and stopped them dead in their tracks, with the opposing team doing likewise in many cases to the local squad.

Good Preliminaries

The preliminaries leading up to the game were finely arranged. Starting with an enthusiastic and worthy Armistic Day program at the High School Auditorium, followed with a parade of every pupil in the school, led by the High School Orchestra and Pep Squad that wended their way around the public square, the crowd was imbued with the spirit to win. The enthusiasm was infectious; everyone in Snyder wanted to help—and they did. Over a thousand school children in line would make an imposing spectacle anywhere. Right behind the music strode Snyder High's Pep Squad of seventy girls, one of the greatest aggregations of enthusiasts ever gathered together. They're just all wool and a yard wide. Just previous to the game, this entire organization of marchers paraded the grounds, occupying the stands at the west side of the gridiron. At 2 o'clock the Sweetwater special arrived, and their Pep Squad in natty red and white uniforms led the Nolan County boosters to Wolf Park where they occupied the east side of the field. A stiff wind blowing did not provide any extra excitement, but the crowd, but wind and sand meant nothing to that crowd. They came with one end in view, the majority to see Snyder High win, and the minority to see Sweetwater win the honors.

Fluvanna Boosts One Variety in Cotton Meeting

Fluvanna cotton farmers are on the rise in the fifteen of them held a meeting at the First State to make an effort to get as many Bank there Saturday and decided people to order cotton seed together of the same variety as possible. The majority agreed that the plan should work.

The campaign to line up all the farmers in that section is now on, and an early report is expected to see Fluvanna line up in the one variety cotton standardization program. The meeting was held at Fluvanna, should follow second and Snyder this.

A penalty for offside drew 5 yards from the Nolan County lads. Toler made no gain, and Taylor was tackled behind his line by Wilford. The quarter ended with the ball on Snyder's 20 yard line.

Second Quarter
Tolar made 1 yard, and Risinger smashed through the line for a first down. Taylor and Toler made no gain, B. Moore stopping one play and Wilford the other. Two incomplete passes drew a 5 yard penalty and it was Snyder's ball. On the first play, a forward pass, Cauble to Dodson, was good for 5 yards; another pass, Boren to Wilford, failed, and Cauble punted to Roy who ran 65 yards through a broken field for a touchdown, which was not allowed owing to the fact that Huestis was running after Roy and Taylor clipped, resulting in the penalty.

Third Quarter
The entire second half was a repetition of the first, Snyder, in fact, outplaying the Sweetwater team throughout the game, but the thrilling moment came at the close of the battle.

Mr. Raybon and family have been residents of this city for a number of years, and he has been very active in both social and civic affairs. He is a member of the Kiwanis Club of this city; a director in the Junior Chamber of Commerce and also a director in the Penhandle South Plains Fair Association. He has served the local B. P. O. E. lodge as Exalted Ruler for two terms and was a representative to Grand Lodge.

The Line-Ups
Sweetwater: Butts, lg; Cochran, Webb, lb; Toler, rb; Taylor, re; Huestis, ft; Risinger, c; Roy, q; Cox, qb; Bonner, ht; Boren, q; Substitutions: Freeze for Cochran.

Summary: First down, Sweetwater, 4; Snyder, 3; passes, Sweetwater 11, three completed for 22 yards; Snyder, 6, three completed for 28 yards.

Dietician To Demonstrate at Baptist Church

Will Serve Foods Prepared The Health Way On Monday Night

The Women's Missionary Union of the First Baptist Church has been fortunate in securing the services of L. E. Tillma, dietician and Food Expert of St. Louis, Mo., Monday night to give the people of Snyder a practical demonstration of what is called the New Method of Cooking, according to announcements made from the pulpit Sunday by Rev. W. F. Ferguson, pastor.

Mr. Tillma has been giving these lectures and demonstrations to the various schools and churches of Chicago, St. Louis, Dallas, Abilene, Lubbock, Amarillo, Colorado and other cities, and has prepared something new and unique in the art of cooking. His method is endorsed by Mayo Bros. of the Rochester Clinic and the Battle Creek Sanitarium and many of America's greatest doctors and dieticians.

"Bring your friends," said Rev. Ferguson Sunday, "as it is free, and a delicious luncheon will be served of food such as potatoes, carrots, macaroni, etc., all of which will be boiled before your eyes without a drop of water. If you have children who will not eat vegetables, bring them along and you will see them enjoy foods prepared the health way. The interest in your own and your children's health should prompt you to attend."

Fuller Gin Co. Manager Here
Snyder has recently had a gentleman and his family added to its midst to whom the official Snyder welcome is extended. We have reference to Mr. and Mrs. W. T. Raybon and family who have moved here from Lubbock.

Peanut Thresher Now On The Job
The peanut thresher is now working day and night in Scurry County and started on its work Monday afternoon at the Meis farm south of Hermleigh.

Chamber of Commerce, Snyder, Texas.
Gentlemen:

We have just learned that one of our good citizens, Mr. W. T. Raybon, is making plans and will soon move to your city to reside. We sincerely regret losing this fine family from our midst, and we congratulate you upon your gain.

M. K. & T. May Extend Rotan Line Westward
No specific news has been vouchsafed to the Times-Signal upon which to warrant the belief that the Missouri, Kansas & Texas railroad will soon project its Texas Central line from Rotan to Snyder, Lamesa, and Roswell, N. M., as originally planned, but this newspaper believes the hour has arrived when some definite representation should be made to that system along this line.

NOTICE
Thanksgiving Day falls on our next press day, Thursday, and the employees will spend that day in the right way. We are therefore asking advertisers and correspondents to have their matter ready much earlier, that through your cooperation, it will not be necessary to work on that day.

BANKER MOVES TO FARM
A. C. Alexander, cashier of the Snyder National Bank, and J. D. Robinson have been trading, and as a result Mr. Alexander has come into possession of Mr. Robinson's home place about a mile and a half north of the city, and Mr. Robinson is now the owner of Mr. Alexander's residence in West Snyder. Mr. Alexander will continue to be connected with the Snyder National, however.

Merchants Warned of Stunts Pulled by Advertising Swindlers
Snyder merchants report much annoyance from salesmen of various sorts of advertising or so-called advertising. A garage owner stated yesterday that from two to three a day visited his place of business, and that all manner of sales tactics were used to put over the business.

Rev. Lawlis Is Returned to Local Charge

Local Methodists Send Good Report to Annual Conference
Before an audience that overflowed the auditorium of the First Church at Big Spring, Bishop John M. Moore Sunday morning at the Northwest Texas Conference delivered a masterful sermon on the incarnation. Previous to the sermon he baptized two babies and ordained with the imposition of the hand the second year class as deacons.

Hermeleigh To Standardize On Kasch Cotton

For several weeks a movement has been on foot to standardize the Hermeleigh community on one variety of cotton. Mr. E. D. Kinney of the First State Bank has for several years encouraged a movement of this kind, as well as several of the farmers and leading men of the town. Monday night this culminated in a meeting of the Cotton Club and the one variety was determined by a majority of the people. The Kasch variety won the community by the slim margin of three votes, Mebane being second with 20, Bennett third with 10 votes and Qualia, 1 vote. The feeling of the men sponsoring the variety that they wanted was very keen, with considerable rivalry between the Mebane and Kasch, the final vote being cast by the majority.

Moore Sunday morning at the Northwest Texas Conference delivered a masterful sermon on the incarnation. Previous to the sermon he baptized two babies and ordained with the imposition of the hand the second year class as deacons.

All Protestant pulpits were occupied during the forenoon hour with Methodist preachers. Big Spring turned out en masse to the morning services.

In the afternoon an impressive memorial service was held for the departed Revs. M. E. Hawkins, S. E. Burkhead, Thannish and Mrs. J. F. Michael.

Membership Alive
A decided gain has been made for the year with the live and wide awake new members added to the splendid congregation already existing. When Rev. Lawlis first arrived in Snyder, his first congregation was 85, and at the evening services 83. The Sunday school average attendance was 119. Sunday school attendance has increased more than 100 percent and church attendance nearly the same amount during his pastorate. Such splendid work is deserving of the worthy efforts and support of every member of the local church.

Body to Consider Bids and Propositions for Creation of County Park and Fair Grounds. Here's a Unique Plan

The Scurry County Commissioners have advertised in the Times-Signal for bids for a site adjacent to the City of Snyder for a County Park and Fair Grounds. Mr. A. J. Towle, who has always been a booster for the City of Snyder and Scurry County, comes forth with some of the most constructive suggestions that have been offered up to this time.

Mr. Towle's ideas are both practical and sane, and his first thought considers the athletic situation of Snyder High School. His idea is to have a suitable athletic field, sufficiently large to afford a ball park, football field and basketball courts, with a gymnasium added. The grounds could be leased to the Snyder Board of Education, and the admittance fees to the various games would more than equip and take care of all expense of maintenance. A swimming pool could also be added at very little additional cost.

Mr. Towle's second idea was that the Fair Grounds site should be owned by Scurry County, leased a Fair Association, to be maintained and operated by the Fair Association without any further cost to the county. The third suggestion was that Snyder needs a good, large park, and since Snyder Independent School District takes in the city and immediately surrounding farms) pays about 60 percent of the county taxes, it would only be fair for the county commissioners to provide the city with land for a park, to be turned over to the city to be maintained by the city without further expense to the county.

THE PARTNERSHIP

BANKING and farming are so closely identified and so dependent for success upon mutual support and understanding, as to form a basis for a partnership upon which the future fortunes of the community might rest secure.

In the partnership of banking and farming—of money and products—the banker is the silent partner, furnishing the capital necessary to carry forward every policy and plan, which, in his best judgment, is wise and profitable.

Mutual confidence, cooperation and understanding are necessary to the success of the partnership of the farm and bank.

This institution is here to do its share. With the support and cooperation of each farm customer, not only will these two great cooperating factors grow and prosper, but the community and state will advance in substantial growth and lasting prosperity.

DUNN DOINGS

O. H. Dougherty of Pleasant Hill attended church here Sunday night.

Horrace Lloyd and Miss Fay Haney of Ira drove over to Dunn Sunday evening and were united in the holy bands of matrimony. Rev. J. E. McDermott officiating.

Miss Dorris Johnson, who is attending the Tech, spent the week-end with her parents, Mr. and Mrs. B. B. Johnson.

Miss Lorena Johnston of Colorado spent Saturday night and Sunday with home folks.

School is progressing nicely, attendance is increasing as the farmers are getting over the rush of cotton picking.

A Parent-Teachers Association was formed Monday night at a mass meeting at the school auditorium. The following officers were elected: Mrs. J. E. McDermott, president; Mrs. H. R. Amos, vice president; Mrs. H. M. Murphy, secretary; treasurer, County Supt. Pat Bullock was present and explained the need and the intentions of the P. T. A. work.

An all-day thanksgiving service will be held at the Baptist Church on November 24, at which time the church building will be dedicated.

Prayer meeting was conducted by Miss Allethe West Wednesday night, Nov. 9, her subject being "Serving Others." A very interested people assembled, several good talks were made and a spiritual uplifting experienced. Francis Johnston led Wednesday night, Nov. 16, and the new Methodist pastor will have charge Nov. 23rd.

The losing side of the Methodist Sunday school contest entertained Saturday evening at the Methodist Church with an old time tacky party. The entertainment of the evening consisted of games of different kinds, contests and relay races. Costume prizes went to Mrs. H. M. Murphy and J. Martin Murphy. Refreshments were served to fifty guests.

A new Delco plant has been installed here so that we have much brighter lights now.

Chuck Your Seven League Boots

IF YOU, like Hop o' My Thumb, had seven league boots you too would chuck them for a telephone.

For even with seven league boots, traveling was the same, and took time, and you never could be sure of finding your party at home. Anyway, they probably didn't wear well either.

Now, with a telephone, you can reach across the street—across rivers, deserts, forests, mountains—to the far corners of the continent, with almost equal ease and quickness. You can give or get your message without leaving the comfort of your own home.

Who wouldn't want a telephone!

Mr. and Mrs. J. Graham spent a few days last week in Eastland with Mr. Graham's parents, Mr. and Mrs. Lon Graham, and in Anson with Mr. and Mrs. John A. Roberts.

Mr. and Mrs. C. Teague, daughter, Nell, and Miss Polly Porter were in Abilene Sunday. Miss Gladys Teague returned with them after spending a few days in Snyder.

Mr and Mrs. Jack Inman of Texon and Mrs. D. D. Stripling of Big Spring were in Snyder last week-end to attend the wedding of their sister, Miss Annie Hull, to Mr. Algie Smith.

Mr. and Mrs. A. C. Prentiss, Mrs. C. C. Higgins, D. P. Yoder, Rev. C. S. Hooks of Duen, Rev. Maule, A. M. Curry, E. D. Curry, Mr. Black and J. L. Martin attended the Methodist conference at Big Spring some time during the session.

Rev. and Mrs. F. Ferguson, Rev. and Mrs. D. Hull, Rev. Geo. E. Alexander, Rev. C. C. Carr, Mrs. J. M. Newton and Miss Lottie McMath left Monday morning for Wichita Falls where they are attending the Baptist General Convention of Texas. They expect to return Saturday.

Cecil Morris of San Benito, who was formerly connected with the First State Bank in Snyder, stopped over at the Snyder-Sweetwater game Friday, en route to Post to pay his parents a visit. Mr. Morris is just now taking his yearly vacation and will spend a part of the Thanksgiving holidays with friends in Snyder.

REV. DAVIDSON GOES FROM HEREFORD TO SPUR

Rev. A. B. Davidson, who was formerly pastor of the Methodist Church here, goes to Spur from Hereford. Brother Davidson told a Times-Signal representative that his Hereford congregation almost unanimously asked that he return, but that he was forced to seek a lower altitude on account of Mrs. Davidson's health. Brother Davidson has been sent to a good charge as well as one of the best small cities in West Texas. On the other hand, Rev. Davidson is an able preacher and will give the very best there is in him to his new congregation.

TWENTIETH CENTURY CLUB HOLDS HOME-COMING

The Twentieth Century Club met with an elaborate luncheon in the most delightful home of Mrs. J. C. Dorward with the club as hostess to its annual home-coming. The rooms were attractively decorated in fall flowers and many varied hues of rosebuds. The autumn colors were also carried out in the table appointments, where golden leaves were used in artistic decoration to blend in pleasing harmony with the clever hand painted place cards, which were in the form of the returning "War Ships."

The program which was the unique phase of the occasion, was in memory of the homecoming of our boys, and was led by Mrs. J. E. Sentell. The program opened with "The Bugle Call" with the invocation by Mrs. C. F. Sentell. Roll call was given on "Something Dearest to Us in the War."

"Who's Who in the American World War," was given by Mrs. S. Wraymond Sims, while Mrs. S. Saylor favored the guests with the war song, "Keep the Home Fires Burning." Then, emphasizing the nearness of Texas in the war, Mrs. Nelson Dunn gave an interesting paper on "The Texas National Guard." Miss Elaine Rosser read "That Old Gang of Mine," and "In Flanders Field." As a concluding number, Miss Marilu Rosser played a composition from Schubert.

Each club member had the privilege of asking a guest, and the Alpha Study Club was a guest of the hostess. Seventeen Twentieth Century members and the following guests were present: Mesdames Tom Gates, Wayne Williams, Forest Spars, Alfred McLaughlin, G. B. Clark, Jr., S. C. Saylor, Joe Graham, J. G. Hicks, Ralph Odum, Joe Stinson, Joe Stinson, Raybo, H. G. Towle, Will Doak, Henry Ware, L. O.

Smith, Bob Warren, Geo. Northcut, R. D. English, W. W. Hamilton, Horace Leath, C. C. Higgins, J. P. Avery, R. L. Gray and Mrs. D. Dorward of Gail and Misses Marilu and Elaine Rosser.

CAR OF CALVES FROM SCURRY TOP THE MARKET

Sidney Johnson shipped a carload of calves to the Fort Worth market Saturday. On Monday they topped the market, bringing 10 cents. That's advertising for Scurry County.

Both Mr. and Mrs. Johnson were in Fort Worth and were receiving the congratulations of their many friends there as well as the hearty good wishes of their many Scurry County friends.

Some women put the enamel on so thickly that they are afraid it will crack.

JOHNSON RANCH EMPLOYEE SUSTAINS FRACTURED LIMB

Cecil Northcutt, employed at the Sidney Johnson ranch, received a broken left leg last week in an accident. Mr. Johnson took him to Lubbock where the limb was re-set.

The Johnson ranch has had 450 bales of cotton ginned already, and expects a total of 500 bales.

YOU BET WE WILL

"Just apply this on my subscription," said the Times-Signal's good friend, Giles Garner, to the Senior Editor this morning as he presented him with a \$5.00 check. It is never necessary to ask a subscriber of this sort how he likes his home paper—actions speak louder than words. All right, Mr. Garner, we sure will check you up, and with our thanks, too.

TELEPHONE COMPANY SPENDING MONEY

Great expenditures amounting to nearly \$8,000,000 to be spent in Arkansas, Missouri, Kansas, Oklahoma and Texas were approved during the third quarter of 1927 by the Southwestern Bell Telephone Company, according to T. A. White, district manager.

"Almost the entire amount," Mr. White said, "will be expended for new equipment. Approximately \$8,000,000 will be spent to replace old facilities worn out and obsolete equipment. This \$8,000,000 is part of the \$100,000,000 budget of the Bell System which was approved during the same period, \$98,000,000 of which will be expended for new buildings, switchboards, poles and lines. The new additions to the telephone plant throughout the United States will amount to approximately \$63,000,000."

BOWIE LADIES ELECTED HEAD OF FEDERATED CLUBS

Mrs. W. R. Potter of Bowie was unanimously elected president of the Texas Federation of Women's Clubs at the close of the thirtieth annual convention at El Paso Friday afternoon.

The decision carrying with it a vote of 177 to 317 votes came as a surprise to supporters of the other two candidates who confidently expected a run-off which would have held the convention in night session Friday night. Mrs. B. L. Stephens, Anson, received 89 votes and Mrs. M. H. Hagaman, Ranger, 51. There were 322 accredited delegates entitled to vote.

Mrs. Frank Thompson, Corpus Christi, was elected first vice president with 184 votes, over Mrs. C. D. Kelly, Groesbeck, who received 132. Mrs. Frank Friend, Ozona, was elected second vice president. Her opponent was Mrs. B. Youngblood, College Station. Mrs. Fred Fleming, Corsicana, was elected recording secretary without opposition, as was Miss Ollie Bird, Demson, treasurer.

Mrs. Maggie Barry, College Station, was elected Texas director to the general federation with 189 votes over Mrs. J. U. Fields, 129.

The newly elected president had the hearty endorsement of the local clubs.

DO NOT PAY AUTO TAX UNTIL JAN. 1

If the automobile owners of Scurry County will postpone the registration of their automobiles until after January 1, 1928, it will mean approximately \$10,000 increase in the road and bridge fund of Scurry County. This increase has been brought about by a new law passed by the last Legislature granting the counties 30 per cent of the tonnage charge made, in addition to the 1 1/2 per cent allowed heretofore on the horsepower of motor vehicles. Thirty per cent of the tonnage charge will amount to from \$3 to \$5 per car. The law does not take effect until January 1, 1928. If you are interested in better county roads and desire your money spent in Scurry County, wait until after January 1 to pay your auto tax.

GOSSIPERS SHOULD BE RELEGATED TO HELL'S BASEMENT

The time will come when gossipers, backbiters and long-tongued slanderers will be arrested along with common hi-jackers, tried and convicted. Gossip breaks hearts and condemns the slanderer to endless suffering and woe. A gossip is to be more dreaded than a rattlesnake or the poison of an asp. You may lock up your money and valuable jewels, but when you come under that "unruly member, full of deadly poison," as the apostle James puts it, there is no escape. Shakespeare said, "He who steals my purse, steals trash, but he that steals my good name, robs me of that which no riches him, but makes me poor indeed."

Dr. Dorothy Scarborough of New York will be the guest next Monday of the Sorosis Club and will give a lecture here Monday evening. She is returning home from attending the T. F. W. C. convention at El Paso. She lived in Sweetwater one time, and it was during that time that she received her impressions which resulted in her book, "The Wind," which raised another sort of "wind" among the people of West Texas and Sweetwater in particular.

She is a professor of English at Columbia University, New York.—Nolan County News.

UNUSUAL MAN WANTED

The following ad appeared in one of our exchanges recently. We wonder if the advertiser has yet rented his place?

"I want to rent my 100 acre farm to a married man, on half and half basis. He must be a white American, whose women folks don't wear men's breeches, ride horses a-stride, and don't use tobacco, cuss, nor keep bad company; nor crop off their hair like mules' tails. If you are interested and can meet the requirements, see me."

SCURRY COUNTY PAYS \$400 DAILY AS HOSPITAL FEES

Scurry County's hospital bill runs about \$400 daily, according to data filed in the Scurry County Chamber of Commerce office, and this goes principally to the Lubbock hospitals. Figuring on a year's basis, that would make a total of \$146,000 that the county is paying in royalty for NOT HAVING A HOSPITAL.

If anyone living in the county can advance on single reason WHY SCURRY COUNTY SHOULD NOT HAVE A HOSPITAL, please come forward and advance your thoughts and ideas.

It's high time that our citizenship is waking up. Snyder and Scurry County are growing; we must keep pace with the natural growth of the best county in all West Texas. It is something we need—and let's talk it up to the County Commissioners.

FOLKS MOVING

Mr. and Mrs. Sam Hamlett moved to their new home on West Side Wednesday. Mr. and Mrs. Maurice Brownfield and Mr. and Mrs. Forest Sears have already moved into their new homes at the same corner. ROAD WORK IN IATAN FLATS IS GOING FORWARD

Work of putting up grade for the new paved road through Iatan Flats is going forward rapidly and with two crews with about fifty teams working, it is expected the grade will be completed from the west county line to New Iatan in two weeks.

One crew started at the west county line and Wednesday had finished a half mile, and another crew which started about a mile east of the new Iatan station had graded more than half mile, and the work was going very satisfactorily when Judge C. C. Thompson, J. H. Greene and the Record man visited the scene.

The dump through the Iatan Flats is being put up several feet above the level of the land adjoining, and the roadbed is about sixty feet wide, which gives an ex-

UNION DOTS

Union is still on the map. The three schools in the Union community, that is, Turner, Crowder and Bethel, began this morning with Prof. Westinghouse and the assistants whose names we do not have, at Turner; Prof. Cotton and Miss Ray Morgan at Crowder, and Prof. L. M. Bynum, Mrs. Rhodes and Mrs. Hugh Jeffers at Bethel. We feel sure that the schools are as well equipped with teachers as any other school in the county, and we know that if the patrons of these schools will stand by these teachers and give them a hearty cooperation that the school work will be as satisfactory as it is possible to make under the existing circumstances. Somebody say, "Amen!"

Now listen everybody. We are going to tell you something else. The Senior League at Union (and the League in the Sweetwater district) is going to have a box supper at Union on Nov. 17 at 8 p. m. The purpose is to secure funds to help pay the balance due on church piano and to finance other activities of the League. All the ladies, young and old (if there are any old ones) are requested to bring a box, and the gentlemen, both

Church Services

Rev. E. W. Massey of Abilene was here for the regular appointment with the Fluvanna Baptist Church Saturday night, Sunday and Sunday night. We understand that there was a good attendance and good interest at each service. Regular services were held at

the Presbyterian Church, including an interesting and instructive stereopticon lecture on mission work in Brazil, at night.

Presumably there will be services at the Christian and Methodist Churches next Sunday. Rev. C. R. Hardy, who has been with the Methodist Church here for a

Women who are accustomed to doing the family washing in the home dread the coming of wash day with its mess and drudgery. Modern women, however, regard Monday as any other day in the week, for they realize that by phoning 211 we relieve them of all the responsibility and return the laundry to them fresh, spotlessly clean and do it ECONOMICALLY as well.

- Finest Workmanship
- Fair Prices

—these are the reasons why each week sees an ever increasing patronage for this laundry. Your family wash can be placed in no better hands than when you send it here.

ested considerably. P. C. Chensalt shipped two cars of cattle and R. A. Snodgrass one car to the Fort Worth market last Saturday.

Sickness and Accident

Our entire community was thrown into a state of alarm last week when the report was given out that there were several cases of diphtheria in the home of Mrs. Dock Lavender, residing some six miles southeast of Fluvanna. Two children became ill, but prompt treatment soon brought the malady under control, and the children are now up. Mrs. Lavender soon became violently ill, underwent an operation in the throat, which (as we understand) was followed by blood poisoning and resulted fatally Saturday afternoon. It seems now (Tuesday) that the danger to the community has passed. Funeral services were conducted at the cemetery Sunday afternoon by Rev. Brackeen. A host of friends sympathize with this stricken family and deplore the loss of this good mother.

As is common, wild reports went out about other cases, but these were without foundation. So far as we know there are no other cases, and the danger seems to have passed. There are, however, some cases of colds and sore throats.

While returning from Snyder last Friday night a small car occupied by Wheeler Beaver and Bill Browning left the road at a curve some three miles southeast of Fluvanna and turned over, with the result that the two boys received several cuts and bruises in the face which required a few stitches. The car was badly damaged. One minute more time at such places would often save time, money and blood.

Visits and Trips

Messrs. D. A. Jones, O. S. Wills, J. F. Dowdy, Jas. H. Tate and J. A. J. Jones made a business trip to Snyder on Thursday of last week. The same gentlemen, accompanied by others, viz. J. A. Stavelly, J. J. Belew, W. P. Sims, and Thomas Matlock, made a busi-

ness trip to Justiceburg and Post last Monday. These men may have something up their sleeves "for the good of the order." Anyway, they seem in fine spirits and well pleased with their trip. The public will hear from them, no doubt, a little later.

Three brothers, Messrs. Gless, of Wharton County, were visiting with Fowler Matthis and family last week.

Albert Townsend of Coleman County, though reared here, has come back to stay.

S. H. Ramour of Tyler, but formerly of the Arah community, is here visiting and looking after business.

R. H. Garner of Bell County, brother of Mrs. O. S. Wills, is here prospecting.

Mr. Vittitov of Commerce spent the week-end here visiting his son, Dock, and a daughter, Mrs. Hall. Miss Geta Landrum, student in McMurry, spent the week-end here with home folks.

Yim Potts of Hunt County is here with his family seeking a location. Ed Faulks and family of Amarillo have been here several days visiting the Dock Lavender family.

A GENUINELY ASTONISHING MIRACLE IN "BEN-HUR"

In "Ben-Hur," the film playing next week at the Palace Theatre, a really astonishing miracle is attracting much attention. It is the Star of Bethlehem, first a mere point of light and gradually increasing in splendor till its glory fills the heavens on the eve of Christ's nativity. This effect was devised by Ferdinand Earle, a

Metro-Goldwyn-Mayer art director, who has become a specialist in photographic creations. Mr. Earle displays an unusual poetic taste and feeling of Orientalism. His artistry is shown not only by the beautiful Star but also in the figures of the watchers—shepherds, peasants and Wise Men—as they look across the jagged hills of Judaea and see the rising radiance that presages the birth of the Holy Child.

According to government statistics, Scurry County had 110 marriages in 1926 and 21 divorces. In 1925, 257 marriages were reported with but 7 divorces. Further proof that Scurry County folks are satisfied!

"BEN-HUR" \$4,000,000 FILM, COMING SOON

Thrilling Chariot Race With 48 Horses in it is Film's Big Feature

"Ben-Hur," with its magnificent death-defying contest on a vast circus arena—the knightly Ramon Novarro and the wicked Francis X. Bushman as the opposing heroes—comes into the Palace Theatre on Wednesday, Nov. 23.

Theatre goers greatly enjoyed the stage "Ben-Hur" and vividly remember Bill Ferrum, Bill Hart, Emmett Corrigan, Mary Shaw and others of the old days. It was the most popular stage spectacle ever produced, touring America for twenty-two seasons. Metro-Goldwyn Mayer, in arrangement with A. L. Erlanger, Charles B. Dillingham and Florence Ziegfeld, Jr., have made a new and greater "Ben-Hur" in the newer art of the motion picture that out-tops the former achievement even as the wizard-like powers of the Twentieth century surpass the inventions of our forefathers.

You see forty-eight horses—twelve teams—start abreast in their mad dash over the seven laps of the Arabian race course, and you cannot forbear a cheer as Ben-Hur wrecks Messala and forces to the front the Roman eagle-rate navies against the realistic death-grapples on the Mediterranean. The towers and turrets of Zion rise anew from the exquisite Madonna to The Last Supper and the Procession of Palms, the masterpieces of art are re-acted, often in color. The beautiful love story of Esther and Ben-Hur, a contemporary of the Savior, dominates the grand spectacle which is characterized by a fine reverence in the secret part of the portents. Among the leading actors are Ramon Novarro in the title role, Francis X. Bushman as Messala, May McAvoy as Esther, Betty Bronson as the Madonna, Carmel Myers as Iras, Frank J. Currier, Mitchell Lewis, Nigel de Brulier, Claire McDowell, Kathleen Key, with no less than 150,000 persons in the "support."

MRS. EARL BROWN UNDERGOES OPERATION

Mrs. Earl Brown, who has been making her home in Abilene for the past few months, underwent a major operation at the West Texas Baptist Sanitarium in Abilene Saturday morning. The last report was that Mrs. Brown was doing nicely. Her sister, Mrs. Porter King, returned to Snyder Sunday.

DERMOTT NEWS

The Dermott school started Monday morning, Nov. 14, with Mrs. Curry of Snyder principal and Miss Vivian Davidson of Camp Springs as primary teacher. Mr. and Mrs. Alfred Browning of Roscoe are visiting Mr. and Mrs. Bob Browning of this place this week. Mr. and Mrs. Carl Odom of Justiceburg spent the week-end with relatives in Dermott. Mr. and Mrs. Lloyd Smith and mother, Mrs. W. E. Boss, visited relatives near Lubbock and Mr. and Mrs. L. A. Williams, formerly of Dermott, but now of Portales, N. M., last week. Melton Greenfield of Eastland has moved back to Dermott and accepted a job on the section. He will return to Eastland Sunday and bring his wife and children back with him. Mr. and Mrs. C. H. West gave a

birthday dinner Sunday in honor of their daughter, Mrs. Alta McQuinn of Earls. Those present were Mr. and Mrs. N. Perlman, Mr. and Mrs. Theron Scrivner, honoree and husband, George McQuinn. Miss Georgia Elkins, Wheeler Boss, DeWitt Coleman, formerly of Post, and Johnnie Browning made a trip to Post Saturday night to visit relatives and friends. Miss Evelyn Elkins returned with them Sunday morning and spent the day with friends and relatives in Dermott. We are surely very sorry to hear of Mrs. Dae Lavender's death, and we wish to extend our heart-felt sympathy to her children and other loved ones. We are glad to report that Miss May Belle Lucker, who has been ill for quite a while is improving.

\$500,000 TO BE RAISED NOW TO ENDOW SCHOOL

At its annual meeting at Big Spring, the North West Texas Methodist Conference pledged itself to raise a \$500,000 endowment fund to be used in the erection of a university at Amarillo which would replace that discontinued at Clarendon last spring. The report read and adopted by the conference provides in brief acceptance of 700 acres of land from Lee Bivens and associates of Amarillo and \$200,000 from Amarillo citizens for an administration building.

Of the 700 acres acquired, 280 will be sub-divided into residence lots to be sold and the proceeds to be distributed equally to the building of two dormitories, each to cost \$150,000, and to the endowment fund for improvements later. The tract of land offered already has been approved by the general education board, and the conference will proceed immediately to raise the amount of the fund, it was announced. The contract between the parties has not been signed, however.

ONE ROBY PLAYER RE-INSTATED FOR REST OF GAMES

Partial re-instatement of Roby in the interscholastic football league of this district has been made, according to Superintendent Connell of Anson, chairman of the executive committee, which last Friday eliminated Roby from the championship race on charges that two members of her team were ineligible. Superintendent Connell's explanation of the partial re-instatement was made to the Reporter this morning upon inquiry, following publication in an Abilene paper of a story from N. C. Forrester, Roby coach, to the effect that the team had been re-instated. "One of Roby's men, Etheridge," Mr. Connell stated, "was re-instated. Etheridge had been charged with having played five years, but one of those years was when he was in the seventh grade, and as his playing in the seventh grade at that time was not contrary to the rules, he was re-instated. The other player, Nicholas, had been ruled out on two counts, one for playing five years and the other for being over age. The ruling that he is over age has been sustained. The result is that as matters now stand, Roby must forfeit the games in which Nicholas has played." Mr. Connell did not state which games Nicholas played in.—Sweetwater Reporter.

Nicholas played in the Snyder Roby game here at the first of the season. Both Etheridge and Nicholas were former Snyder high pupils, and played on the football team.

KILLING FROST ON PLAINS WILL RUSH FALL HARVEST

A frost that most farmers say was killing for cotton and similar vegetation over practically all of Floyd County fell Tuesday night, Nov. 2, the temperature dropping close to the freezing point. Hardly any wind blew during the night, and the skies were clear so that Jack Frost could do his work well. The frost is generally expected to be beneficial in that it will hurry up cotton opening without damaging the grade. This will be true, especially if a freeze does not come for another week or ten days, it is said.—Floyd County Hesperian, Floydada.

DAWSON COUNTY MAN HANDLES PUBLICITY OF METHODIST MEET

Hamilton Wright, associate editor of the Journal, has gone to Big Spring to attend the 19th annual Northwest Texas Methodist conference.

He has been selected to handle the conference for nine newspapers: Dallas Morning News, Fort Worth Star-Telegram, Abilene Daily Reporter, Abilene Morning News, Amarillo Daily Globe, Amarillo Daily News, Lubbock Daily Avalanche and Lubbock Daily Journal. Wright is pastor of the Lamesa Methodist circuit, but was for many years staff correspondent for various daily newspapers of the state.—Dawson County Journal.

TRUCK GOES THROUGH BRIDGE ON HIGHWAY

A big truck, or a portion of it, went through the old bridge near the Scott home on the Snyder-Colorado Highway Saturday. No serious damage resulted except that the bridge was pretty badly damaged. This was a blessing, however, as it has been a disgrace to Scurry County for several months, much less to a highway. The sooner this old bridge is torn down the better it will be for the traveling public.

CLOTHES AND CITY AND CLOTHES IN COUNTRY

Contrary to the commonly accepted idea that farm families spend much less for clothing than their city cousins, an investigation by the Bureau of Home Economics of the Department of Agriculture indicates that clothing allowances are approximately equal in the two groups. Only in families having

incomes well above the average is there a wide difference, with city families spending more. In 1,837 farm families covered by the survey, the average total expenditure was \$1,559 of which \$225 was spent for clothing. City families with about the same total expenditure averaged \$238 for clothing.

RESOLUTIONS

RESOLVED: That the teachers of Scurry County do hereby publicly express their appreciation for the untiring efforts and sound judgment of Spvt. A. A. Bullock in the selection of the conductors and program in general of the Consolidated Teachers Institute comprising Borson, Kent, Mitchell, Nolan and Scurry Counties.

Oneness of spirit has been characteristic of the entire proceedings which in itself justifies the coming together of all the teachers in this capacity. The spirit thus manifested could not arise within itself but must be initiated and fostered by one of ability and able leadership. The qualifications of merit are possessed by our county superintendent, and we wish to thank him for his valued services in the past and assure him of our confidence and hearty cooperation in the future. Signed: EARLE J. SPARKS, H. L. MASSEY, WILBURN S. PATRICK, T. J. BRYANT.

TO THE POETS

Poets, we have always been told, work best in the springtime but this beautiful weather and climate of West Texas seems to have no seasons. One local writer, working under the pen de plume of "Jack King" mailed us an original poem last week, but would not impart their real name to the Times-Signal. The poem, therefore, being consigned to the waste basket, as for our own information we must know the originators of any article appearing in the columns of the paper. It is not needed for the publication of the work, but for our own reference.

Noted Star of the Stage writes:
"The life of an actress is never free from strain. If she sings, also, her worries are doubled. Her audiences reflect her moods. If she is mentally tired, she cannot help but convey her fatigue to those out in front and the result is a form of emut on both sides of the footlights. I have found a sure cure for such fatigue, on the part of the player, is a good cigarette. For years I have smoked Lucky Strikes and the mental balm and real enjoyment I have derived from them have helped me marvelously. In addition they have protected my voice. I use no other brand."

Hermligh News Notes

The following news notes are taken from the pen of Editor R. S. Norman of the Herald.

Hermligh To Have \$15,000 Water System

The City Council, in session last Friday night, finally asserted itself and voted to remove the bands which have hindered the progress of our little city all these years. We are seriously and shamefully handicapped by the lack of water. No town is a town or worthy to be called a town which does not have an adequate water system. No business man wants property here because of no protection from fire; no one wants to build a nice residence for the same reason; nobody wants to make his home here for water is essential to home life, but these handicaps are now being removed and is the cause of much rejoicing and forward movement on the part of the entire town.

With the natural elevation of the Hermligh country, and with a 50,000 gallon pressure tank mounted on a hundred foot steel tower placed on the highest point, the Hermligh water tower will be seen for miles around. "The seven hills of Rome are now working together for the best interest of each individual hill."

The contract calls for a 50,000 gallon steel pressure tank mounted on a one hundred foot steel tower seated on a solid concrete base. The wells to be drilled to an eight-inch capacity. The pumping machinery to be both new and modern and of the solid brick house. The approximate cost will be \$15,000.

The contract also calls for 700 feet of eight inch main, 440 feet of six-inch main; 1240 feet of four-inch main and 5,560 feet of two-inch main. The eight-inch main will extend from the well to the northwest corner of block 36 down Willis street one block to James, and down James on the south side one block. From this point east to highway, six-inch main; east from James on highway two blocks, four-inch main; east on James toward Santa Fe depot two blocks, two-inch main; east from Highway on German street three blocks, two-inch main; thence south on College street to high school building with two-inch main; north from well one block on Willis street to Methodist Church and east from well on James street one block, two-inch main.

Contract provides for any changes which might be agreed upon between the council and contractor with reference to the lengthening or shortening of the mains. It also calls for turn-key job, fire hydrants with steamer connections, valves and boxes, 500 feet of fire fighting hose, complete with nozzles etc. Work is to begin as quickly as the materials can possibly be placed on the ground, and will be finished by Christmas. Santa Claus will bring new life to our town.

New Citizens

Adolph Kubena and family have moved to Hermligh from San Angelo. Their temporary home is down close to the Catholic Church, but they will move later to the Walters farm. Mr. Kubena is a thrifty looking young man and reminds us of one who will prove himself an asset to the community.

Hermligh is negotiating a paved street program—a worthy project.

Nurse Advises WEAK, RUN-DOWN WOMEN To Take Cardui

"I have seen a lot of Cardui for nearly twenty-five years," says Mrs. Selma Meisner, 1072 Harrison street, Beaumont, Texas. "During that time, I have taken it several times and have frequently recommended it to others. It is a splendid medicine and I am glad to give people the benefit of my experience."

"I have been a nurse for several years and have often come in contact with patients who were run-down and weak. Often I have told them of Cardui, and the way I myself had been helped after a long trial, and advised them to try it, and advised them to try it."

"I took Cardui because I was really run-down and had no appetite, and was weak and listless. It was hard to go on going under such conditions, and I took Cardui, and something wonderful happened."

"I had read of Cardui and decided to try it. After taking it, I improved so much that I have taken it since whenever I needed tonic."

EDUCATION OF NEGROES A RURAL PROBLEM

Of the 24,079 negro schools in the 14 Southern states, during the school year 1925-26, 22,494 (93.4 per cent) were rural, and 1,585 (6.6 per cent) were urban schools, according to a study of negro schools in the South by S. L. Smith, publisher in the Southern Workman. One-teacher schools, numbering 15,385, composed 65.8 per cent of the total number of negro schools; 4,525 schools (18.8 per cent) were of the two-teacher type, 1,702 (7.1 per cent) three-teacher type, and 2,881 (11.3 per cent) employed four or more teachers. The average length of the school year in the 22,494 rural schools was about 6 months. The range was from 8.7 months in Maryland to

4.7 months in Alabama. Of the 2,881 negro children of school age living in the South, 68.9 per cent in rural sections and 71.5 per cent in the cities were enrolled in school. Of the 801 negro high schools in the 14 states, 24 are four-year accredited high schools. The total enrollment in the 801 high schools was 68,606, and the number of four-year graduates was 6,435.

COUNTY FEDERATION OF CLUBS MEETS

The County Federation of Clubs met in regular session in the district court room Saturday afternoon. The meeting was presided over by the president, Mrs. Allen Warren. Following the roll call, the minutes were read by the secretary, Mrs. George Northcutt. The treasurer's report was given by Mrs. W. M. Blackard. The following organizations were represented at the meeting: The Altrurian, El Felis, Happy Hammer, Happy Camp and San Souci clubs, Missionary Auxiliaries Nos. 1 and 2, the Parent Teachers Association and the Musical Coterie. The reports from the various clubs were given at which time the San Souci, El Felis, W. M. S. No. 1 and the Happy Hammers gave splendid reports in written form. The president appointed the following committees: Civic Committee, including the care of the flowers on the court house lawn, Mesdames R. H. Curnutte, Joe Strayhorn and Roland Bell; Christmas Seal Sale, Mesdames Joe Taylor and Nelson Dunn, West Side; Mesdames C. F. Sente and Earl R. South Side; Mesdames Hugh Taylor and Geo. Northcutt, East Side; Mesdames W. W. Hamilton and Lee Stinson, North Side; Mesdames Joe Stinson and H. G. Towle, another division. Mesdames J. W. McCord and H. J. Brice will oversee the sale at the school building. Each school that sells ten dollars worth of the stamps will be presented with a useful first aid kit. The meeting closed with a round table discussion on subjects of interest to the ladies in the rural districts.

EUZELIAN CLASS MEETS

The Euzelian Class of the First Baptist Sunday School met in the home of Mrs. Melvin Newton on Nov. 5 for their regular business meeting. Bro. W. F. Ferguson led the devotional and gave a very inspiring talk on Thanksgiving. Sixteen members were present at this meeting and each one was anxious and willing to help promote the growth and service of the class. All ladies between the ages of 25 and 35 are urged to line up with this class and help do more for the advancement of the Kingdom. After the business session the class had an auction sale, where each member brought some article. Ten dollars was realized from this sale. Mrs. Newton, Mrs. O. O. Harris and Mrs. W. S. Patrick, as hostesses, served a lovely plate to sixteen members and Bro. W. F. Ferguson and W. S. Patrick.

BLUE BIRD CLUB ENTERTAINED

Misses Ila and Myrtle Martin were hostesses to the Blue Bird Club at their home Friday afternoon. P. Jones, guests.

SMITH-HULL

The marriage of Miss Annie Hull to Mr. Algie Smith was solemnized at the home of the bride's parents, Rev. and Mrs. I. D. Hull, Saturday, Nov. 12, at high noon. The bride is well known in Snyder and is loved by all who know her. The groom is a prominent business man of Big Springs, where he has lived for several years. The ceremony was performed by the bride's father in the presence of intimate friends and relatives. After the ceremony a delicious five course luncheon was served to those present, after which the bride and groom left for points east.

GIRL SCOUTS ENJOY SUNRISE BREAKFAST

Last Saturday morning at 5:30 the Girl Scouts enjoyed a sunrise breakfast near the school house. After breakfast some of the members indulged in a game of tennis and other games. Gray, Ralph Odum, Homer Snyder and W. E. Smith. Others present were Mrs. George Smith and little Miss Clark, who favored the guests with a reading.

MRS. CATON ENTERTAINS

The home of Mrs. Joe Caton was the scene of much pleasure and merriment Thursday evening of last week when she very delightfully entertained the Senior Adult Classes of the Methodist Sunday school and the Epworth League members with a party. Games and contests of various kinds were played throughout the evening. A delicious refreshment plate was served to a large number of boys and girls.

ALATHEAN CLASS

The Alathean Sunday school Class met Nov. 8 in the home of Mrs. J. S. Brantley with Mesdames Brice, Black and Bridgeman as joint hostesses. Plans were made for our Christmas party. Those attending were Mes-

dames Reichardt, Dunn, Autry, Williams, Glen, Blackard, Brice, Blackard, Phillips, Hood, Alexander, Cobb, Hamilton, Willerson, Hargrove, Marton, Bullock, Spear, Martin and Merrill.

"BUSY"

There has been so many meetings, invitations sent and greetings that you really haven't time to sit down for meditation, read a story or oration. Or write up verse or 'Rhyme'. Every one on some committee for a "mess" or a "ditty." Parties are now all the rage. In October and November. And no better in December. Social times our mind engage.

All these things keep you so busy that sometimes you feel quite dazed. Trying not to get there late. Even though things seem quite hazy. None of us are really crazy. We're just keeping up to date. (Contributed by L. D.—Thank.)

MRS. CURNITTE HOSTESS TO ALTRURIANS

Mrs. R. H. Curnutte was hostess to the Altrurian Club members November 15 from 9 to 11 a. m. The house was decorated with cut

flowers and flags. The program on "Poets of Patriotism" was carried out in detail with each one responding freely to her part. After the program a two course plate luncheon was enjoyed. It was unanimously voted to decorate the graves of soldiers of the late war, so some of the ladies took flowers. Those present were Mesdames H. G. Towle, W. R. Bell, W. W. Hamilton, L. C. Stinson, O. P. Thrane, J. C. Stinson, Fritz R. Smith, R. D. English, C. R. Buchanan, C. J. Yoder, W. E. Smith, E. J. Anderson, Joe Caton, J. M. Harris, Hugh Taylor, A. C. Preuitt and R. L. Gray. Mrs. G. A. Hagan was an appreciated guest.

MYRA HUGGINS-CHAMPOND

Myra was born Nov. 2, 1903 and died Oct. 26, 1927. She was married to Mr. O. L. Champmond of Winters, Texas, Nov. 17, 1926. She obeyed the Gospel in the summer of 1912. Since moving to Wilson, Okla., with her husband recently, she underwent a minor operation and blood poisoning set up from which she never recovered.

Myra lived a consistent Christian life ever after obeying the Gospel until the Lord said, "Come up higher." Her friends and admirers were numbered by her acquaintances. To know Myra was to appreciate her. She loved her Lord, her Bible and her friends, and if she had enemies she are sure she would have loved them too.

She always delighted in attending her Bible Class and church services on Sunday mornings. We appreciated so much having her in our class and also feel keenly the loss.

She was always kind and considerate of others and especially of her mother. When away from home at work she never forgot to write home and send some little something to Mama and Papa indicating that she had them constantly in mind.

She was possessed of a patience worthy of emulation. She was patient under all circumstances, believing that somehow the best would prevail. In fact, her nurse at the Wilson Hospital said that Myra was the greatest example of patience that she had ever seen.

Brother Showalter of Abilene and Brother Brackeen of Snyder conducted the funeral services at the Church of Christ meeting house Oct. 27, 1927, at 4 p. m. It was gratifying to see so many people present and the floral offering. Flowers were sent from many friends in other towns. All of which indicate the high esteem in which she was held.

We weep not for Myra as for those who have no hope. Let us all strive to reach that home where said partings come no more. By a friend.

MESDAMES HILAND AND HUMPHREY ENTERTAIN

Mrs. Ethel Cherry Elland and Mrs. A. C. Humphrey entertained a number of their friends with a party at the home of the former last Thursday evening. Progressive forty two was played at tables prettily appointed in the charming favors.

A delightful salad course was served to Messrs. and Meses. G. H. Leath, Howard McDonald, Charles Noble and Ollie Bruton and Mrs. H. W. Landrum and Mr. A. C. Humphrey.

There is a Wealth of Moderately Priced Merchandise in Every Department of This Fine Store

THIS store enjoys the distinction of supplying most of the finer merchandise to the people of this section. It does not follow that we are not in a position to supply also the moderately priced lines. On the contrary, you will find here especially wide assortments of desirable merchandise in the lower priced brackets—more desirable possibly than found elsewhere, for our contact with fine goods keeps us posted on the latest developments in styles and colorings and gives us an opportunity to apply this information also to the more moderately priced ranges. The listings here are all from the good staple middle price ranges—neither the highest priced nor the cheapest. It is a price range where real value counts for much—where the most careful shoppers most frequently make their selections. This is not a "Sale" offering, not a list of quotations that are represented to be reductions.
