

New Chevrolet To Be Shown January 1st

Yoder-Webb Co. to Have New Models on Floor

Promising the most spectacular low priced automobile of all time, the Chevrolet Motor Company announced Saturday at Detroit that a complete new line of motor cars will be introduced to the public January first.

In confirming reports that Chevrolet would very shortly introduce a new car of surpassing interest, W. S. Knudson, president of the Chevrolet Motor Company, declared that the official announcement covering all details of Chevrolet's sensational new product would come Sunday, January 1.

No details will be available until that time, he said. Chevrolet assembly plants have been in production on the new car since December 12. Factories in Flint, Mich., Tarrytown, N. Y., St. Louis, Mo., Oakland, Cal., Buffalo, N. Y., Janesville, Wis., and Newark, Ohio, have been humming with activity preparing for the highways the first of the new cars that promise to make motor car history in 1928.

Shipments of the new cars to dealers have been leaving the various assembly plants since December 15 so that the vast country-wide dealer organization may be prepared for the introductory showing next Sunday.

Practically every Chevrolet dealer in the United States will have cars ready for public inspection January first. From Bangor, Maine, to San Diego and from Miami to Vancouver there will be simultaneous exhibitions of the new car that has caused so much discussion in the last few months.

This gigantic distribution achievement of supplying thousands of dealers with cars in such a brief space of time was made possible only through the far-reaching policy of the Chevrolet organization and the tremendous resources and production facilities of the Chevrolet Motor Company.

Never in the history of the industry will so many new models of one make have been placed in dealers' hands in such a limited space of time.

Cars will be ready for the boulevards and highways immediately after the first of the year. Production at the various assembly plants throughout the United States is racing along as fast as precision manufacturing will permit.

Unofficial reports from the Yoder-Webb Motor Company here say that the new car will embody many improvements in design and construction. New standards of beauty are promised. Easier handling and smoother riding qualities are heralded as some of the outstanding features of the new Chevrolet line.

More than 5,000 newspapers across the entire country will assist through their advertising columns in broadcasting the announcement, which will take the form of one of the most comprehensive advertising campaigns ever attempted in the automobile industry. Every city, town and hamlet in the country will read the details of the 1928 Chevrolet on New Year's day.

Happy New Year! MEN'S BIBLE CLASS PLAY SANTA CLAUS

The Men's Bible Class with the personal assistance of Rev. H. J. Manley of the United Churches and R. P. Jones played Santa Claus to about ten homes Saturday night.

The visits of these gentlemen brought out a fact that Snyder needs a Good Fellowship Club at Christmas time, non-denominational, and every good deed striving to help out the poor folks that need a bit of cheer at this season.

Happy New Year! SNYDER GIRL ACTIVE IN SCHOOL AFFAIRS

Miss Mary Lawlis, a student of Texas Woman's College, has returned to her home in Snyder for the Christmas holidays, says a news bulletin from the school.

A TIME OF JOY

TO ALL of our patrons and their friends we wish the utmost in Health, Wealth and Happiness for the New Year.

THE SCURRY COUNTY TIMES-SIGNAL

You Must Know Snyder Before You Can Boost

Most any city builder will tell you the most important asset in promoting the growth of a city is to first sell the city to the home folks. There is no doubt that Snyder is due for a wonderful growth during 1928 and the years to follow if we can just get off to a good start.

If our citizenship is to work as a unit during the coming year there is nothing that can stop the forward march of Scurry County.

We might start the New Year off with a good will tour through our city on New Year's Day. This is a holiday, and we could plan a big open house on the court house lawn if the weather permits and conduct a "Round the World" trip of our city.

If every auto owner would consent to carry folks on a tour about the city many citizens would be given a big surprise at the growth which is taking place.

A route could be mapped out and a regular schedule arranged so that all those in our city who have little opportunity to go about be given a chance to see just how the home town is spreading out.

We have hundreds of citizens who do not realize how rapidly the old town is moving forward—they have not had an opportunity to get around and see what improvements are underway. These people would become greater boosters for our city if they could be made to realize their own cooperation is needed if Snyder is to continue to forge ahead.

We noticed a news item recently where two active citizens had resided in a Texas city for fifty-two years and had never met or known each other until that day.

We do not want anything like that to take place in Snyder. We want our folks to meet and mingle, know each other better and work shoulder to shoulder for community progress and prosperity.

A "Good Will Tour" through our city on New Year's Day will be worth considering. What do you think about it?

Happy New Year! "WHAT PRICE GLORY" SHOWS LIGHT SIDE OF WORLD CONFLICT

Every soldier will tell you that he had a lot of fun out of a war. Ask any reminiscence veteran of the A. E. F. or some erstwhile gob of the U. S. N. and they will smile and say "hetcha." But ask a leatherneck, a soldier of the seventh seas, what he thinks about it, and your answer will be "hot dog." That's why the Captain Flagg in the picturization of "What Price Glory" remarks after a leave of absence and a hilarious visit to Bay-Buc—"This is the best war I ever attended."

The comedy end of war was what impressed Winfield R. Sheehan, general manager of Fox Films, when the job of making a screen story of the Stalings-Anderson play was undertaken at Hollywood—and Sheehan knew because he was a Sergeant in the U. S. A. and saw active service in Cuba in the Spanish-American war.

Then, Director Raoul Walsh took battle as a background, gave it plenty of clash and conflict, tragic touches and pathetic pulses but he let his soldier man over-seas just have the time of his life—in which Director Walsh was "right" and followed form. So laughter of the uproarious, deep-down kind is promised when the picture "What Price Glory" has its premiere at the Palace Theatre.

Victor McLaglen, soldier of fortune, captain in the world war, and a capital actor, is the Captain Flagg of the story; Edmund Lowe is Sergeant Quirt, and lovely Dolores Del Rio will be seen as Charmaine. These head a great cast and a host of auxiliaries in the big scenes.

Farm Train Will Come to Snyder

A Texas Farm and Home Demonstration train will be operated by the Santa Fe Railway in co-operation with the Texas A. & M. College in January and February, next, announce R. H. Allison, vice president and general manager, and T. B. Gallaher, general freight and passenger agent, with headquarters in Amarillo.

This train will begin a six weeks tour of Santa Fe railway lines in Texas at Navasota January 10. The first meeting in north-west Texas will be held at Snyder February 10, and the closing meeting at Pollock February 25. About fifty meetings will be held on the plains.

J. F. Jarrell, manager of the agricultural development department, will be in general charge of the enterprise. J. D. Tinsley, general agricultural agent, will handle the program and details of the local meetings.

The A. & M. College will send its star men and women speakers. There will be four cars of exhibits. At all outdoor meetings an electrically controlled voice amplifier will be used.

A practical and varied program has been worked out and the exhibits and lectures will bring to the attention of the farmers the results of late experiments and investigations along lines of better profits and better living on the farm. The meetings last from two to three hours.

This will be the finest and most complete demonstration train ever operated in Northwest Texas.

County Court Will Open Second Week

The grand jury selected for the present session of court consists of: J. L. Boren, foreman, R. M. Coston, J. E. Brown, C. H. West, Joe Caton, J. O. Leach, W. C. Davidson, O. S. Willis, S. D. Hays, A. Q. Flournoy, J. E. Murphy and Andy Trevis.

The petit jury to serve during the second week includes: John A. Merritt, J. G. Drinkard, R. C. Higgins, C. B. Gleasine, J. L. Huggins, J. B. Hooton, L. H. Orr, Will Caffrey, R. H. Mitchell, F. J. Moore, P. C. Chenault, W. D. Sims, Jr., C. F. Landrum, E. R. Jones, L. T. Groves, W. F. Mathis, T. A. Faver, J. O. Dodson, G. L. Autry, J. E. Mauls, H. G. Moore, C. J. B. Hooton, J. H. Gloyer, J. H. Coffee, B. H. Lewis, George B. Fisher, F. E. Sterling, H. P. Winter, D. Z. Hess, W. H. Talley, I. W. Boren, T. B. Durham, H. E. Brock, E. L. Darby, J. C. Williamson and J. W. Patterson.

Happy New Year! CALLED HIMSELF THE FOX

The fiendish kidnaper and murderer of the little California school girl, called himself the "fox" in a letter to the police. We would call him a disgrace to the name! We would call him a disgrace to the name! We would call him a disgrace to the name!

Happy New Year! BAYLOR UNIVERSITY OF WACO WILL BE MOVED TO DALLAS

Baylor University at Waco will be moved to Dallas and a group of Baptist schools in Texas will be consolidated into one school to be located at Waco, a prominent official of the Baptist Church informed the United Press at Dallas last Wednesday.

Announcement of the changes will be made at a meeting of the relocation committee on education of the church on January 27, it was said.

The church official declined to permit the use of his name. The entire university of Baylor will be brought to Dallas, it was said. Marshall College at Marshall, Burleson College at Greenville, Decatur College at Decatur, Rusk College at Rusk and Howard Payne College at Brownwood will be consolidated and moved to Waco. Several of these schools, it was pointed out, are ranked as junior colleges, but the school at Waco will be a senior college.

Happy New Year! LAUGH AT THE HOARY OLD CUSTOM if you will, but probably even your sub-conscious mind is toying with a New Year's resolution or two.

Happy New Year! "Bunk" is whatever we do not agree with.

Teachers of Juniors at First Baptist S. S.

The teachers of the Junior Department of the First Baptist Sunday school of Snyder under the personal direction of E. C. "Uncle Charlie" Dodson, worked up a unique little booklet as a souvenir for a Christmas present to each member of their department. In this booklet entitled "Golden Nuggets for Juniors, Parents and Teachers," some helpful suggestions and beautiful thoughts were presented.

Pictured in the photograph above are the teachers of the department. They are: Top row, left to right, Miss Effie McLeod, A. P. Morris, E. C. Dodson, Howell Harpole; bottom row, Mrs. Leon Wren, Miss Jessie Lee Houston, Mrs. A. P. Morris, Mrs. A. C. Alexander, Miss Alletha Epps and J. O. Littlepage.

Much good has been accomplished during the last year in this department, and Mr. Dodson sets out some high aims for 1928. "We want to teach them many things that will help them to make home a happier place in which to dwell," he said, "and we want to teach them to love, reverence and obey their parents, to always be kind to their brothers and sisters, to be honest and truthful in everything."

"We want to teach the children about God and His love for them. We want to teach them about Christ and what He has done for them. We want to teach them to more completely surrender their lives to Christ, and to live a life that will make the world better."

Happy New Year! R. A. BLACKARD BUYS HARDWARE STORE AT COLORADO

R. A. Blackard of this city has purchased the hardware store of Price Brothers at Colorado, possession to be given January 1. Mr. Blackard is an experienced hardware man and will have associated with him A. N. Epps also of this city. Mr. Blackard has scores of friends in Snyder and Scurry County who deeply regret losing him and his family as residents, but wish for them success and happiness not only in Colorado, but wherever they may locate.

Happy New Year! DISTRICT ATTORNEY GEORGE MAHON HERE

Hon. George H. Mahon, district attorney, was here this week attending court and made the Times-Signal office a very pleasant call this morning.

It will be remembered that Judge Mahon was appointed District Attorney to fill the vacancy caused by the resignation of Jas. T. Brooks. Mr. Mahon resigned his office as County Attorney of Mitchell County to accept his present office which he has filled in a most able manner, and, according to him, he will be a candidate for the office he now holds.

Happy New Year! POST OFFICE FOLKS WORK OVERTIME TO DELIVER MAIL

The mails have been bulging with Christmas cards and Christmas packages last week, but the local postmaster, B. F. Womack, and his entire office, managed to keep the office cleaned and cleared, making prompt deliveries to boxes and rural route desks. As a further help to patrons, they kept open Sunday morning which was much appreciated.

Happy New Year! TURKEYS A PAYING CROP

Mrs. J. C. Ziegler of Fluvauna started into the turkey business last year with one gobbler and four hens. She has already sold turkeys to the amount of \$165 and has twelve hens and a gobbler left. This seems to be a pretty good record.

Happy New Year! TOURIST HOTEL WOULD PAY

A real tourist hotel—with auto garage and storage on the first floor and rooms which can be rented at a reasonable price, on the second floor—would prove a good investment in Snyder.

West Texas Rail Battle in 1928

Smoke and fire seem to be imminent in the rail situation in Texas for 1928, judging from an Austin dispatch to the Star-Telegram Sunday, which says big systems in their efforts to capture traffic that is increasing in Texas more than in any other section.

A three-cornered contest is due with the Missouri, Kansas & Texas, the Missouri Pacific and the Southern Pacific for the Santa Fe, Texas and Pacific and the Fort Worth and Denver."

Of particular interest to Scurry County folks was the substance of another section of the article, which reads:

"The same situation applies to West Texas, this rapidly growing area giving the Santa Fe, Fort Worth and Denver and other lines profitable tonnage, while the Katy is bent against another dead end at Rotan, for which reason an extension through Snyder, Gail and Lamesa is one of its first objectives in the contest just opening. The line will be at least 100 miles long, and if it goes on to Roswell, N. M., the final goal, will be about 250 miles in length."

With these admissions, it only goes to prove that Snyder is surely slated for an east and west railroad within a reasonable period of time.

Happy New Year! NEW BUICK AGENCY OPENS IN SNYDER

The May Motor Company is the name of Snyder's newest business house, Mr. R. A. May, formerly of San Angelo and Sweetwater, has taken over the business. They will occupy the former Templeton grocery room on the east side of the square.

Mr. May has been identified with the Buick line for several years and previous to that time he was connected with the Citizens National Bank of Sweetwater. The Times-Signal joins in extending a hand-welcome to the newcomer and his business.

Happy New Year! MIRACLES

The Rev. Dr. Stratton of New York says we might now have miracles as wonderful as those of the olden times. He has seen a woman "virtually dead already" brought back to life by prayer.

Modern miracles of the scientific kind are more wonderful than old miracles.

Men go in submarines under the water and in flying machines above it, instead of walking on it. They prevent disease by common sense and cure it with inoculation, saving millions of lives instead of resurrecting a few. They talk and send music through the air without wires.

The new miracles are at least as spectacular as the old, and much more useful. Vaccination is worth more than all the miraculous cures of all the religions.

Happy New Year! REPORTER-NEWS EDITOR BRINGS HONOR TO W. TEX.

Modesty, and a point in the unwritten ethics of the newspaper profession that submerges to almost oblivion the people who make the paper, prevented the Abilene Reporter-News from mentioning, except in an inconspicuous paragraph, the election of Max Bentley as president of the Texas Managing Editors' Association at Waco Monday.

The election of Mr. Bentley to this position deserves prominent mention throughout West Texas if we still believe in West Texas loyalty to West Texas and West Texans. There was honor to Mr. Bentley in this election, but the honor conferred does not stop with him—the Managing Editors' Association did honor to West Texas in this act. For this reason it is regretted that it was deemed improper to "play up" this news item in the Reporter-News. If a similar honor had been conferred upon any other citizen of Abilene or West Texas the Reporter-News would have been glad to give the item a "front page box."

Happy New Year! DENVER MAN PAYS WEST TEXAS WORTHY WORDS OF TRUTH

H. F. Hines, general manager of Hines & Co., Denver broker, returned last week from a trip through Western Texas with reports that that section was in the best condition in years.

East and West Railroad Sure of Completion

Over \$800,000 Already Secured in Money and Property

Decided impetus has been given the proposed route, Roswell & Snyder railroad with the published announcement that more than \$800,000 in money and property has been secured to assure the completion of the route.

Following the visit to Snyder of Capt. Ed Kennedy of Houston, he went to Lubbock, and he gave the following interview to the Avalanche-Journal there.

"More than \$800,000 in money and property has been secured to assure the completion of a short line railroad from Snyder, Texas to Roswell, N. M., according to a statement made here last night by Ed Kennedy of Houston, who is in charge of assembling the work and raising bonuses."

"Mr. Kennedy who was in Lubbock yesterday conferring with chamber of commerce and city officials, left last night for Houston to spend Christmas, but will return to this city in about twenty days. The road contemplated will have Snyder as a terminal and will go through Gail, O'Donnell, Brownfield, Plains, Bronco, Tatum and Cap Rock."

Guarantees Made

"A summary of the guarantees already made to Mr. Kennedy is as follows: Roswell, terminal facilities, townsite in corporate limits, 30 miles of right of way and cash bonus of \$200,000, or a total guarantee of \$250,000; Cap Rock, 70 acres for townsite and 20 miles of right of way; Tatum, 100 acres and 15 miles of right of way; Bronco, 200 acres and six and one-half miles of right of way; Plains 100 acres and 30 miles of right of way; O'Donnell, 100 acres for townsite and 20 miles of right of way and depot facilities; Snyder, sufficient terminal facilities and buildings, together with right of way through Scurry County."

Mr. Kennedy is not affiliated with any trunk line railroad company, and has obtained the above subscriptions during a single-handed three-months campaign. He announced last night that when the road is complete it will be taken over by a trunk line, the name of which he did not divulge.

Nothing is asked of Lubbock at this time, though the road will have a tap line to Lubbock when the right time comes, Mr. Kennedy said.

Coast Cities Benefit

He pointed out that Lubbock as well as the entire region would be benefited by the line, and shipping centers, especially Houston, its place of residence, and Galveston, another shipping point, will be benefited by the increased transportation facilities in this territory.

A charter for the road is assured, Mr. Kennedy said. No permit from the Interstate Commerce Commission is necessary, he stated, as the road will be built before the I. C. C. came into existence.

The road originally started from Roswell, extending to Caprock, is yet in good condition, and is valued at \$43,000, he said.

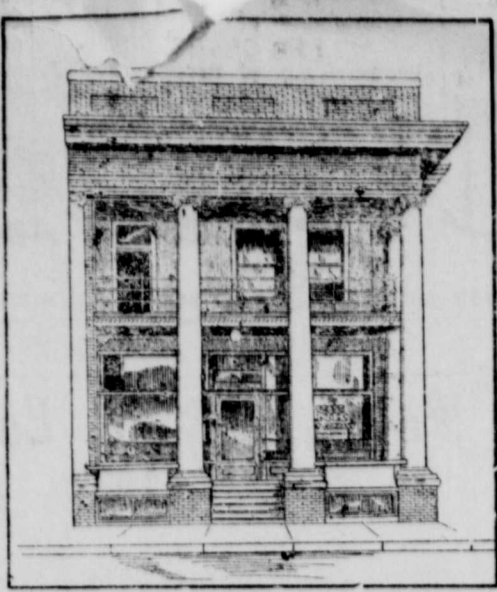

Happy New Year! WACO TIGERS WHIP CLEVELAND TEAM 44 TO 12 MONDAY

Cathedral Latin High of Cleveland, Ohio, came to Waco last Monday and were defeated by the Tigers 44 to 12.

Cathedral Latin with a fine bunch of fighting men could not stand up to the "spin play" of Waco puts Texas on a still higher plane insofar as getting worthy publicity in the newspapers is concerned.

Happy New Year! COLORADO NOW HAS NATURAL GAS

The Community Natural Gas Co. is making gas service connections this week, already having installed several meters and connected the houses with mains, says the Record. Gas is being turned on as rapidly as these connections are made and inspected by the city plumbing inspector. Bun Pritchett is the city inspector, and he has been kept busy the past few days inspecting these connections.

Christmas Time
To give a full account of even the local Christmas affairs would be something of a herculean task. For this reason we are hoping that if something of interest is overlooked, the oversight may also be pardoned. Almost all the recent happenings are more or less closely connected with the celebration of Christmas. Christmas, in all its bearings and phases, is marvelous to contemplate. It is the one great holiday—the one festival occasion that is celebrated by practically all the people of all conditions, of all nationalities and of all races throughout christendom. It is the one great holiday that

largely affects practically all lines of business; not only the entire church life of the country, but the schools of all grades, the courts, the law making bodies—both state and national—the mercantile business, mills, factories and shops, our marvelous postal business, practically every newspaper in the country and all kinds of public transportation. No other holiday can begin to compare with Christmas. This is, indeed, marvelous. It is well that we bestow our gifts and commemorate the advent of the world's Redeemer.

On last Thursday afternoon Christmas began to be ushered in

by our public school. The occasion marked the close of the school for the holidays. An interesting program was put on consisting of songs, invocation, a short address by the Village Preacher, followed by readings given by the following named students: Carl Patterson, Rosanell Stavelly, Junnita Landrum, Cecil Boren, Edith Hall, instrumental music by Exa Patterson and Inex Gleghorn, Ross Belew, Izora Patterson, Robert Roddy, instrumental music by Burline Baynton and Ruth Truss, reading by Willie Mae Fry, and a talk by Rev. C. R. Hardy. Then came Santa Claus with a strange story to tell and candy for all. Next, with the aid of committees, he proceeded to dismantle the attractive Christmas tree which occupied the center of the stage. Of course, it was a jolly time for the students, and, we may suppose, a relief to the members of the faculty, for they have all journeyed to other parts to visit the homefolks.

Then again on Saturday night in the First Baptist Church, a community Christmas tree at the command of Santa Claus, yielded up its fruitage of presents, expressive of love and good cheer, to the large audience before it. On this occasion Rev. Charles Leslie presided over the preliminary program and made a fitting talk. At the same hour there were several family or group trees in the community.

On Christmas day there was much visiting and many splendid dinners served. Rev. Leslie filled his pulpit at the eleven o'clock hour. A good congregation and an interesting service is reported. Likewise, the Presbyterian pastor filled his pulpit at both morning and evening services, the subjects presented being appropriate to the season. Although the weather was gloomy and cool, there was a good attendance at these services, which consisted of appropriate songs, readings and sermon. When the pastor opened his Bible at the beginning of the morning service, he discovered a neatly tied envelope containing a note explaining that it was a present from the senior Bible class which he tries to teach each Sunday. The pastor explained that he was very grateful for such a remembrance. At the same time he mentioned the fact that his home had been visited on Saturday night while he and his wife were at the Christmas tree. Being away, he did not see any of the intruders. It is purely a matter of circumstantial evidence, but the available evidence is conclusive. Although doors were locked, when V. P. returned home and turned his key, behold there was a large box filled with good and substantial things to eat, in the middle of the floor. Imagine his surprise! Why? There was meal, flour, soda, salt, soap, fresh fruit, canned fruits, package stuff, coffee, sugar, and—and—well, just a little grocery store. It's funny how Santa Claus gets in and out when the doors are closed and locked, but he does it, for here is the proof. See? Of course, V. P. and his wife are profoundly grateful. Old Santa is welcome when on such errands at any hour. Such manifestations of friendship and appreciation make V. P. want to serve both his church and the entire community more faithfully and effectively than ever before.

One other thing should be mentioned without closing this paragraph. It is this: So far as this scribe is aware, there has been no bad conduct of any consequence, had conduct of nearly everybody is trying to do right. This is as it should be. Order and conduct are far better than a decade and more ago.

Marriages

John Browning Jr. was married on Christmas day to Miss Evelyn Elkins of the L. P. ranch east of Fluvanna. We understand that the ceremony took place in Post.

J. Claude Dowdy of this place was married here Sunday to Miss Bruton of Snyder. The happy couple came to Fluvanna in order to have Squire John Hunnicutt perform the ceremony. We remember that when our honored justice performed his first, he promised ever afterwards to be ready.

Her parents, as well as her many friends were greatly surprised last Sunday when Miss Lois

Rhea, who was reared in this community, but more recently of Lubbock, came down to visit home-folks, accompanied by her husband, Pat Thomas, who has charge of the Barrier Brothers music department of that city. Mrs. Thomas is a graduate nurse, having received her diploma in Austin. This scribe extends greetings and best wishes to all these young people.

Leaves of 1928

MAY you find each day brighter, happier and more fruitful of good. That is our wish for those who have been so loyal to us in the year just closing.

To us it has always been a pleasure to be in business in Snyder where we could deal with such a citizenry as have come our way. We have been inspired by your generous support to strive to attain the maximum in value giving and service in addition to do our utmost to scatter sunshine along the way as we come in contact with our patrons.

We ask that you accept the gratitude that we today feel in our hearts. You have enabled us to get a broader vision of our opportunity for usefulness. On each transaction during the coming year we pledge you the best that is in us.

A NEW DAY

WITH the dawning of 1928 comes a Glad New Day, filled with hope and the promise of good things.

It is fitting that we should bury with the old year all of its mistakes and follies, and to enter into the new with the unflinching purpose to take with us only the experience and instruction we have learned in the year just ending.

Let us each and every one determine to do our best to make 1928 a good year—one that will not only count for ourselves, individually, but one that will bring advancement and prosperity to our section and state. This may be accomplished in a large measure through united effort and a better understanding between this bank and the people it serves.

We want you to know that the friendship, service and co-operation of this bank is at your command throughout every day of the coming year as in the past.

With every good wish for your happiness and prosperity.

NOTICE OF ELECTION THE STATE OF TEXAS, COUNTY OF SCURRY:

ON THIS, the 8th day of December, 1927, the Commissioners' Court of Scurry County, Texas, convened in special session at the regular meeting place thereof, in the Courthouse, at Snyder, Texas, all members of the Court, to-wit:

Horace Holley, County Judge, presiding; and

W. V. Jones, Commissioner of Precinct No. 1;

J. M. Hunnicutt, Commissioner of Precinct No. 2;

Lee Grant, Commissioner of Precinct No. 3;

W. A. Johnston, Commissioner of Precinct No. 4;

being present, and passed the following order:

It was moved by Commissioner W. V. Jones and seconded by Commissioner Lee Grant that there be submitted to the qualified voters of said County who are property tax-payers therein, the proposition that the Commissioners' Court of Scurry County, Texas, be authorized to purchase and improve lands in said County for use as county parks, and to levy and collect a tax not to exceed Five Cents (5c) on the one hundred dollars' valuation, for said purpose, as is provided for in Article 6078, Revised Civil Statutes, the election to be held on the 17th day of January, 1928, the motion carried by the following vote:

Commissioners Jones, Hunnicutt, Grant and Johnston voting "AYE" and none voting "NO."

Thereupon the following election order was adopted:

"WHEREAS, the County Commissioners' Court of the County of Scurry, State of Texas, deems it advisable to purchase and improve lands in said county for use as county parks, and to levy a tax therefor, BE IT ORDERED BY THE COMMISSIONERS' COURT OF SAID COUNTY that an election be held on the 17th day of January, 1928, at which election the following proposition shall be submitted:

"SHALL the Commissioners' Court of Scurry County, Texas, be authorized to purchase and improve lands in said County for use as County parks, and to levy and collect a tax not to exceed Five Cents (5c) on each one hundred dollars' assessed valuation of the County, as is provided for in Article 6078, Revised Civil Statutes, 1925?"

THE SAID election shall be held at the following places and the following persons are hereby

appointed managers of said election, to-wit:

Just Tottling, So Weak

"I was in a bad state of health and was going through a critical time of my life," says Mrs. Ella Scarborough, R. F. D. 5, Dothan, Ala. "Several different things were recommended to me, but I did not get any real relief until I began to take Cardui.

"I was just as weak as could be. My legs were shaky, and often I would just totter around the house. I finally got so bad that I was in bed several weeks.

"It was then that I began to take Cardui. I kept it up for quite a while, and at last I regained my health. Cardui was certainly a friend to me in time of need.

"My health is splendid now, and I seldom have to use medicine, but I gladly say a word about Cardui whenever I find a friend going through the same suffering which I endured."

A Time For Sentiment

WE DO not conduct our business for sentimental reasons nor solicit patronage on any other than the soundest business principles. We believe that in commercial transactions customers prefer honest values, courtesy and promptness, and like to trade where their business is appreciated. Therefore do we model our policy along these lines.

But these things rather add to our enjoyment of the beautiful sentiment which permeates the holidays, for this is a time for sentiment, the tenderest the human heart knows.

May your 1928 be one of health, wealth and success.

THOMPSON'S "M" SYSTEM

Hermleigh News Notes

The following news notes are taken from the pen of Editor R. S. Norman of the Herald.

City Well Making Steady Progress

The city well is drilled to a depth of 265 feet, is cased, plugged and standing 75 feet in water; plenty of water for everybody. The mains with the exception of a short distance of 4-inch pipe, are all down, concrete base for the storage tank is set and sidewalks are ready to go up. The base for the tower is laid, and after Christmas the work of erecting the tower will begin. Only 22 days work have been done to date which will mean that we shall have water about the first of February—forty working days being required to complete the job. Let us not forget that Hermleigh has a celebration coming when this water system is completed. We must all be "feeding the fatted calf," getting him ready to be killed at such a momentous time as the completing of this work will be.

Editor Norman, hope your committee invites all Scurry County folks over when it happens—Junior Editor.

Gins Report 3,654 Bales Ginned

Up to Thursday morning, Dec. 22, the three gins of town had ginned 3,654 bales, and wagons loaded with the fleecy substance are still coming in. There is quite a little sprinkle yet to be picked. The final report will be near four thousand bales as it was estimated early in the season. According to what is considered a conservative estimate, 1,500 bales were hauled away from Hermleigh this season. We hope to both gin and market all this next year. There is no need of cotton going out of Hermleigh. We certainly can handle it, and shall be ready for it next year.

New Dry Goods Store Opens This Week

The new dry goods store owned by W. H. Powers of Floydada opened to the people of Hermleigh this week. Mr. Powers is a business man of experience. His branch store here will mean much to the shoppers of our community. The new store is receiving a warm welcome to the town.

Hermleigh Boys May Organize String Band

A string band dubbed the "Joe Band" is being organized in the city. It rendered very acceptable music at the New Queen Theatre Monday night. The boys display splendid ability, it is reported by those who heard them. The title "Joe Band," has been given them because so many of the boys are named Joe. Hermleigh is anxious to encourage anything which looks forward to the organization of a band.

Chamber of Commerce Organized

A local chamber of commerce was organized last Friday night with ten members. J. R. Coker was elected president, S. C. Randals, secretary and R. D. Kinney, treasurer. The young organization voted to buy membership in the West Texas Chamber of Commerce looking forward to full affiliation in the greater organization. Five paid memberships are necessary to full affiliation with the West Texas C. of C. The town now has three, and it will be the youthful organization's aim to sell the other two right away and get itself lined up with the regional body.

The organization's further aim is to put on a drive this week and next for members in the local organization. Every business man, every private citizen of the town and all the farmers in the Hermleigh community are eligible to membership, and each of whom will be seen with reference to it. The membership fee was fixed at the minimum of \$1.00 per year and which places membership within reach of all. Membership cards have been secured and will be ready to hand out to all upon the receipt of \$1.00.

A Chamber of Commerce is essential to the commercial interests of any town and community, and it is hoped that everybody will fall in line with the forward looking movement and work together for the good interest of the Hermleigh community.

Hermleigh Farmers to be Commended

The farmers of the Hermleigh community are to be highly commended for their wisdom and foresight in their efforts to standardize cotton growing. The bad market for cotton in a measure is due to so much bad cotton coming on the market, and instead of conditions getting better they are getting worse. It is just as easy to produce a good variety of cotton as it is to produce a poor variety. A good variety of cotton will tend to build up the market, supposing, of course, that too much of it does not go on the market at any one time.

According to a report from Limestone County, which was reprinted in the Herald recently, the farmers of the county made \$100,000 last year in better prices on their good variety of cotton. What Limestone County can do Scurry County can do. It is thought that a breeding

necessary, or at least would prove very helpful to the successful growing of a pedigreed cotton now on the market. The Kasch seed to be planted by our cotton club next year was bred up in a South Texas climate and will have to be acclimated to the country before we can get the best results. It is thought Mr. Kasch might be interested to come here and conduct a

breeding farm. It would no doubt be of great value both to him and the county if he would do so. The cotton club will no doubt encourage this. Hermleigh folks can do anything which is being done anywhere and even more if they put themselves directly to the task. There is as much possibility for development in connection with the growing of cotton as there is

in breeding of livestock. The beautiful white-faced cow, the pride of the West, has been bred up from the old Texas longhorn, and cotton in like manner can be bred into better varieties. We are watching our cotton club with much interest, and we are expecting much from its efforts. Its efficient work speaks in the very highest terms for the farmers who constitute its membership.

sick for the past week is able to be at work again. H. J. Schultz is in Kansas attending to business.

Mrs. John Zohlman left recently for Smithville where she will spend the holidays with her parents, Mr. and Mrs. A. Paulus.

Mrs. S. C. Randals will leave Monday for Houston where she will spend the holidays with kinpeople.

The Romance of the Unknown "28"

THE Romance of the Unknown is now before us in the form of a New Year, whose secrets cannot be guessed and whose manipulations of human affairs may bring us much surprise, and we hope, much joy.

In the untried paths of the New Year each of us perhaps will find adventures which we little expect to encounter, and some of us will stumble upon good fortune and new friends which will add greatly to our happiness.

But this much is certain—the old and tried friends are always good to take along when embarking upon a new undertaking, and it is the boast of this institution that we are always making and keeping new friends, because we never fail our old ones.

And we shall count it a sign of good fortune if we are permitted to assist you in achieving that prosperity and contentment which we wish you and yours for 1928.

HAPPY NEW YEAR

Mr. and Mrs. S. C. Porter and daughter, Miss Polly, left Wednesday for a visit with Mr. and Mrs. Bob Preston and family of Midland. Mrs. Preston is a daughter of Mr. and Mrs. Porter.

UNION DOTS

Union continues to be on the map; in fact, we of the Union community think that if you were to erase Union from the map, Scurry County would go "ker-fump," but maybe it would hold together without us.

Sure had a nice time Christmas! Had a Christmas tree Saturday night. The ladies had decorated that tree till it surely was good to look at—lots of presents with two hundred boxes of candy, nuts and apples for Santa Claus to give to the little folks. And then old Santa was there in full uniform and as spry as a cricket dancing a jig and making the children shout with glee and exclaim, "There's old Santa!"

We want to say that W. W. Merritt does the part fine. Everyone enjoyed the program fine, and why not, when the music was furnished by Edgar Shuler, Bob and Johnnie Hoyle? And then little Misses Maxine Huckabee and another good singer followed with a song to old Santa.

We had Sunday school at the usual time with a very good attendance. After Sunday school, Brother Ivey Biggs made a talk in the interest of the orphanage and took a collection for same, getting about twenty dollars, but on account of the absence of so many we plan to give another opportunity to contribute to this worthy institution.

Jack Romsey and wife and Raymond Martin spent several days in Canyon last week visiting their mother, Mrs. J. E. Martin, and family, returning home Monday.

Mrs. Lucy Sybert of Canyon is visiting her sister, Mrs. Jack Ramsey, this week.

Grady Biggs and family of Brownfield are visiting home folks this week.

Miss Elizabeth Hays, who is teaching at Bovina, is spending the holidays with home folk this week.

Allie Hunter of Lubbock visited his uncle, S. D. Hays, and family a few days this week.

Holley Lewis came out home Sunday and Monday to get some of mother's cooking. Mothers are great institutions, boys.

John Masch of Big Spring was a visitor at neighbor Morgan's Sunday, and we don't think he came just to see Abe and the boys.

Uncle Tom Bynum and wife had the pleasure of having all their children home for Christmas except their son, Oseo Bynum, and family of Lubbock. Those present were Mr. and Mrs. Cox and family of Flint, Mich.; Mr. and Mrs. Abbott and family of Wichita Falls; Mr. and Mrs. Bridgeman and family, Miss Virgie Bynum of Flint, Mich., and Orville Bynum and family of Snyder.

Mrs. S. G. Lunsford spent the holidays visiting home folks in Denton County.

Mrs. Leslie Bynum and children are visiting home folks at Ben Franklin, Delta County, this Christmas.

Lester Biggs and wife spent Saturday night and Sunday night with Pa and Ma Biggs so Santa Claus could come to see them.

Rev. Ivey Biggs will leave Saturday for Dallas to attend S. M. U. to finish his school work there preparatory to foreign work.

Well Editor, the Mater had us to use the axe on a turkey gobbler Saturday, so Sunday the following neighbors came to dinner with us and thereby kept the writer from eating too much: H. H. Jeffers and family, Mrs. J. W. Bynum and son, Leslie Bynum, and L. M. Bynum and family.

Real Facts
on the present tire situation

MICHELIN
TIRES & TUBES

You are practically certain to get more mileage by changing to Michelins

Both this year and last, written reports (secured from several thousand motorists picked at random from the great army who are trying out Michelin Tires) showed that more than 80 out of every 100 motorists who changed to Michelins secured more mileage by the change—and only 9 out of every 100 secured less mileage.

This increase in mileage averages 36%

Records covering millions of miles prove that Michelins go 36% farther than the average tire. That means 4,000 or 5,000 miles extra per tire.

The finest construction thruout

Only the best of the world's materials are used in Michelin Tires. For instance, Michelin rubber comes from selected plantations and costs 2c more per pound than the market price. Moreover, the most ad-

vanced design and manufacture are employed thruout the tire. For example, Michelin has pioneered in the development of high-twist fabric; and Michelin Tires have always been made of rubber-saturated fabric, now widely advertised.

You don't pay for Michelin's extra mileage

Tho they are better, Michelin Tires cost no more than standard tires. That is possible because, unlike other manufacturers, Michelin concentrates on making only one grade—the best—and thus is able to produce the highest quality more economically.

Michelin Ring-shaped Tubes are also supreme

Because Michelin Tubes are made ring-shaped, instead of being made straight like other tubes, they fit better and outlast all others. And because they are compounded with a special kind of antimony, they keep the casing as much as 20° cooler, thus increasing its life considerably.

Michelin Tires and Tubes Cost No More

	Casings	Tubes
30 x 3 1/4 regular	\$8.50	\$1.85
30 x 3 1/4 oversize	10.50	2.25
29 x 4.40 universal	9.60	2.45

We carry a full line of Michelin Balloons, Oversize Cords, Heavy Duty Cords and Ring-shaped Tubes, all at prices just as attractive as the above.

HOME ECONOMICS GIRLS ENTERTAIN

Miss Abbie Mae Crozier, teacher of home economics, assisted by the H. E. girls, complimented Supt. and Mrs. C. Wedgworth and the members of the school board and their wives with a most delightful four-course banquet in the economics dining room Tuesday evening of last week.

The table was attractively centered with a miniature Christmas tree from which each guest received a Yuletide gift with which to make merry music. The other table appointments bore the Christmas colors.

Prof. Wedgworth was the principal speaker of the evening and was in charge of the most unique and enjoyable program which was given by the girls. The program consisted of impersonations of first grade pupils in singing and reading under the name of "Displaying Local Talent." The board members were called upon to sing the Christmas carols at which request their voices rose making gleeful music in the air.

The members of the board, as an act of appreciation and best wishes, presented Miss Crozier with a beautiful vanity case of silver.

ALTRURIANS MEET AT THRANE HOME

The spacious O. P. Thrane home was the scene of the Altrurian "husband evening" Tuesday when the club members with their husbands and other guests were entertained with a dinner by Mesdames Thrane, H. G. Towle, Ivan Dodson and W. W. Wilsford. The house was made radiant with the soft glow of mellow lights and a profusion of Christmas flowers in many lovely varieties. The tables were attractively appointed in silver and madiera, with Yuletide carnations as dainty centers. The carnations were also given as appropriate favors for the ladies.

Following the dinner hour forty two was enjoyed by Messrs. and Mesdames A. J. Towle, C. H. Cooper, E. J. Anderson, W. R. Bell, C. R. Buchanan, Joe Caton, R. H. Curran, W. W. Hamilton, A. C. Prentiss, Fritz R. Smith, L. T. Stinson, W. E. Smith, Hugh Taylor and C. J. Yoder and Mesdames McCormick, Hugh Boren, C. C. Higgins, J. C. Stinson, J. H. Keith and Fred A. Grayum and Misses Ruth Boren and Vela Bell of Ennis.

GARNER—PERRY

Miss Jewel Perry and Edgar C. Garner, both of this city, were secretly married in Post City Saturday evening, Dec. 24, at the Baptist parsonage. The marriage was made known the following Tuesday.

COTTEN—HUGHES

The marriage of Miss Lois Hughes and Henry Cotten, both of Snyder, took place in Colorado during the holidays.

GARDNER—JENKINS

Among the Christmas marriages was that of Miss Pauline Jenkins to Ted Gardner, both of Snyder. Mr. and Mrs. Gardner are in Abilene for a few days.

HEAD—LAPOUR

All of the weddings occurring during the Christmas holidays was that of Miss Emma Lapour and Y. M. Head, who were quietly married Thursday, Dec. 22, at the home of Rev. L. D. Sanders, who performed the ceremony.

This popular young couple has many friends in Snyder and vicinity. The bride is the daughter of Mr. and Mrs. Lapour of the Plainview community, while the groom is the son of Mr. and Mrs. J. S. Head of Turner. They are extended hearty congratulations and sincere wishes for a happy and prosperous future.

HAPPY NEW YEAR JONES—GARNER

The marriage of Miss Willie Mae Garner of this city to R. M. Jones of Colorado took place at the Methodist parsonage Saturday evening, Dec. 24, at 5:30 in the presence of their families and a few intimate friends. Rev. J. F. Lawlis officiating.

Mr. and Mrs. Jones left immediately for Waco for a short visit with Mr. Jones' parents, after which they will be at home in Colorado where Mr. Jones is employed at the Colorado Bargain House.

HOMER JENKINS GROCERY

I CAN'T tell in words how much I appreciate your 1927 business. I don't make it a rule to get out and beg for business, and I feel like I have had my share of the 1927 grocery business. And just because you buy some other place, don't think that I am not your friend. I like to see you get your goods as cheap as you can, and if I can't sell them as cheap as the other fellow, I am sure he will appreciate your purchase. But it makes me feel good to see you come in my store and look my prices over.

WISHING EVERYBODY A HAPPY NEW YEAR

Lucky Strikes—the finest cigarettes ever made. 11,105* doctors give written opinions about smoking and throat protection.

WHAT is the quality that Giovanni Martinelli, Mary Garden, William Hodge, David Belasco, Lenore Ulric, Fiske O'Hara, Blanche Ring, and other famous singers, actors, broadcasters and public speakers have found that makes LUCKY STRIKES delightful and of no possible injury to their voices?

For the answer we turned to medical men and asked them this question: Do you think from your experience with LUCKY STRIKE cigarettes that they are less irritating to sensitive or tender throats than other cigarettes, whatever the reason?

11,105* doctors answered this question "YES."

These figures represent the opinion and experience of doctors, those whose business it is to know.

Fiske O'Hara, Pleading Stage Star, writes:

"The throat is a delicate instrument which all singers protect with the utmost care. To avoid irritation, I smoke Lucky Strikes. They are not only kind to my throat but have the finest flavor."
