

## MOTORCADE WILL LEAVE SNYDER MONDAY, AUG. 6

PLANS BEING COMPLETED HERE FOR GREATEST SUNRISE BREAKFAST EVER SERVED SNYDER VISITORS

According to an official bulletin from the West Texas Chamber of Commerce, towns along the route chosen for the third annual motorcade are already at work on elaborate plans for entertainment of the party, which is expected to number 150.

Snyder, Scurry County capitol, the assembling point, is planning a sunrise breakfast, being aware that a number of motorists will arrive in the city Sunday evening prior to departure at 9:30 Monday morning, August 6. Secretary M. G. Evans of the Snyder Chamber of Commerce is at work arranging plans.

Carlsbad, N. M., the city in which the first night will be spent, is to hold an informal reception for the caravan on the evening of August 6 and will assist in entertaining the party in the Carlsbad Cavern next day, where the Inter-Mountain district convention of the West Texas Chamber of Commerce is to be held.

Van Horn, the little town that made such a festival for the visitors last year on the second annual motorcade, is planning to repeat their cordiality this year, though but a brief stop is scheduled for that place.

Fort Davis, Alpine and Marfa are looking forward to the vacationists' arrival. Fort Davis will entertain the entire party August 9 when the second district convention is to be held, that of the Big Bend section, which met in Alpine last year.

Del Rio, the next city to be visited, plans to fete the party and carry them over into Old Mexico for a feature side trip. Junction, Sonora, San Angelo and Brownwood and other towns on the route are engaged in plans for feting the caravan true to the tradition of western hospitality.

## SHERIFF MAKES QUICK WORK OF COMMON THIEF

Sheriff Frank Brownfield and deputies made quick work of a thief Monday who, it is said, first entered the Neeley Filling Station where he got away with \$125, then stole Joe Drake's car. After a four or five mile chase, Denny Adams was caught hiding in the "Fat" Graham home, and \$65 was recovered.

Joe Drake, manager for the Community Natural Gas Company, heard prowlers in front of H. G. Towle's residence, Awakening Mr. Towle, who started an investigation, but by the time they got to the front with a shot gun, the culprit had escaped and was headed toward Roscoe. The sheriff's office was notified, and rapid communication was secured with the Roscoe officers who headed the thief toward Dunn. Getting on an unfrequented road, the car stuck in the mud, and the thief started afoot toward Snyder and made entrance to the Graham home where the Scurry County officers found him hid in a closet covered with pillows and blankets in which the \$65 was found hidden.

Denny Adams had just completed serving a term in the penitentiary for burglarizing a car in Snyder two years ago and the depot at Hermleigh.

Sheriff Brownfield is to be commended on the fast work done by his office and the assistance of his deputies.

## HIGHWAY NO. 7 TO GET REPAIRS

Word has been received that the Highway Department has recently authorized additional road work in Scurry. Paving in Scurry County already extends from the Garza County line to Hermleigh. The additional paving will connect the Nolan County paving on Highway No. 7 with the paving at Hermleigh. Work is already under way on the paving of No. 7 from Roscoe to Wastella.

## TOWN PROGRESS TALKS

"HEY! EITHER QUIT DRAGGING YOUR FEET OR GET OFF!"

Mr. Clarkson's friends time and again have solicited him to enter the race for sheriff of Scurry County, but to no avail. He still gives on his farm. Mr. Clarkson will always be found ready to make trips to help any athletic team. Recently he took his car and went with the girls to Dublin to the state A. U. meet, paying his own expense and losing valuable time away from his farm.

As we understand the G. O. P. platform, it says, "We promise to do for agriculture more than we were willing to do when we had plenty of chance."

## GOD BLESS THE RAIN

Friday, Aug. 20	1.75 in.
Saturday	.75 in.
Sunday night	.47 in.
Monday	.21 in.
Tuesday	.81 in.
Up to July 26	1.60 in.
Total	5.59 in.

Company G, 142nd Infantry, claims the honor and distinction of bringing the rain without a bluish or tremulous. They are welcome to the honors.

## County Boosters Will Leave For A. & M. Saturday

With three days remaining before the departure of the A. & M. Short Course party, the boys winning this trip have been selected. These boys will represent the county in the various contests held at the college. The party will leave on a special train leaving Snyder Saturday night at 12:15 a. m. over the Santa Fe. The fare will be \$9.35, and room and board for the five days at the college will be \$6.50, and other expenses will be for meals en route.

Terrill Bowlin won the Stinson Brok, trip on his pig.

Waymon Bates won the Higginbotham Bros. & Co. trip on poultry.

These two trips were won in a county wide contest for the best pig and poultry record and record book turned in up to July 21. Twenty-four boys competed for the pig trip given by Stinson Bros. drug store, and thirteen turned in records for the Higginbotham trip. This was the most coveted prize, as it entailed more competition than any other trip, and with it went more honor. Both contests were keen throughout, and the judging was very close.

There are many very interesting notes concerning each contest. Pig Contest—Terrill Bowlin first, Fred H. Drennan, second; honorable mention, Johnnie Jordan, Custer Williams, Edward Stevenson, and Waymon Bates. Terrill Bowlin's record was won on the low cost that he fattened his pig in less than 100 days, and with it went more honor. Both contests were keen throughout, and the judging was very close.

## SCURRY'S LARGEST FAMILY

Mr. and Mrs. C. W. Holt and family, who recently won the largest family contest of Scurry County, registered seven at the Chamber of Commerce office.

Mr. Holt came to Snyder with his family from Clovis, N. M., about six months ago. He traded his New Mexico land for Scurry County land, and has "never been sorry."

Mr. Holt believes in diversification and is a living every-day example of the "cow, sow and hen" movement that predominates in all parts of West Texas, particularly in Scurry County. This "live at home" gentleman and family own 160 acres of land, and make their entire living at home selling cream, chickens and eggs.

"I have always practiced economy and diversification," he said, "and by this have been able to keep my children in school. My children's ages are from 2 years to 23 years. I have eleven, and only one is away from home."

The Holt family live in the Turner community.

## Football Coach To Arrive Soon For Early Work

Athletic prospects for Snyder High School were never brighter than the way things will shape up for the present year's campaign. General Whitaker, head coach, will arrive here from Colorado August 1 to take charge of the squad that at present numbers more than thirty candidates. Whitaker, a four-letter man at Trinity University, will have as his assistants R. S. Sullivan, Rice Institute, a four-letter man who played football for four successive years, and J. M. Claunch, University of Louisiana, line coach.

Snyder High will have practically the same team as last year, as only two men were lost by graduation, Loren and Caudle, and with new material that is coming, Snyder is not making any idle boasts when they state they are going after the Class B district championship early.

The athletic association is planning a two weeks' training camp, and in all probability will go to Two-Draw Lake near Post to start their season's activities.

Many of these awards are looking forward with great joy to this year's team.

## BUILDING PERMITS GROW IN VOLUME

Building permits show a substantial gain over last month regardless of the drought. Last month's permits show to be the lightest in any month of the year with \$5,500. This month shows \$16,100 up to Monday, July 23. Bob Gray is building a new \$10,000 residence, and several others are being contracted for.

Parade, H. L. Davis, chairman. Old Fiddlers Contest, Mrs. O. P. Thorne, chairman; Mrs. B. B. Show, Dr. I. J. Sparks, chairman.

Beef Cattle, Harrie Winston, chairman. Dairy Department, J. W. Scott, chairman. Dog Show, Chairman to be selected.

Hog Department, Tom Huffman, chairman. Sheep and Goats, L. N. Periman, chairman. Horses and Mules, John Spears, chairman.

Agricultural Department, C. C. Willis, chairman. Ladies Department, Mrs. H. G. Towle, chairman.

Chairmen of the various committees will be completed at the meeting to be held next Tuesday afternoon, 4:30, at the district court room.

Organic Snyder Scouts. Two Scout troops have recently been organized at Snyder bringing the total number of troops for the Buffalo Trails Council organized since the first of the year to eighteen, according to F. D. Craft, Scout executive, who has been working in Snyder during the past week.

The new troops will be Troop No. 47 and Troop No. 48, and the Scout masters will be Chubby Ritzenthaler and Joe Drake. There is also good prospect of a third troop in Snyder in the near future, according to Mr. Craft.

Hermleigh is to have a big singing convention Sunday. Scurry County folks are invited to attend.

## County Fair Meeting Held Last Tuesday

The annual Scurry County Fair got under way Tuesday afternoon with a called meeting at the district court room to discuss arrangements for this year's meeting. So successful have been the records that had been made last year, of the attendance, and said that Scurry County's fair stood second to none in West Texas. It was the sense of the gathering that this year's fair would be made even greater than last year's.

The first official act was the election of Mr. Merritt to again head the County Fair, with M. G. Evans as secretary. The place of holding the meeting and the dates were not announced but will be determined next Tuesday afternoon when another meeting is to be held to complete preliminary plans.

Committees that were appointed at the Tuesday meeting include:

Finance, R. H. Curnutte, chair; Occupants of the car, all of whom escaped through windows after they were unable to open doors due to the rush of waters, and were dragged to safety were: Oscar S. Hodge and sister, Alma, of Stephenville; Miss Lula Price, Cleburne, and 6-year-old child named Callahan, of Plainview.

The stream was on a rampage due to heavy rains that fell in this section during the week-end, and an effort was being made to ford the stream with the aid of a team when the rise suddenly swept down upon the party.

The car was completely submerged under mud and water, and occupants lost all their personal effects. They were dragged to safety by means of the tow line from the team.

The crossing is on State Highway No. 7 where, according to highway officials, shifting sands and rapidity of the stream at flood time, make it almost impossible to preserve bridges.

Highway Meeting at Colorado August 1. Representatives from Dickens, Kent, Scurry and Sterling Counties will meet in Colorado on August 1 to discuss plans for completion and designation of Highway No. 101 from Spur to Sterling City, via Clairmont, Snyder and Colorado.

County Judges, chamber of commerce secretaries and other interested citizens will be there to meet with the Mitchell County commissioners. The program follows:

Call to order in the county court room by C. C. Thompson, chairman, county judge Mitchell County, at 10:00 a. m. 10:05 Invocation, Rev. W. M. Elliott.

10:20 Address, Horace H. Holley, county judge Scurry County, subject, "The Value of Extension of 101 Highway to Scurry County."

10:35 Address, Clifford B. Jones, Spur, "Value of the Proposed Extension to the Plains Country."

10:50 Address, Judge J. T. Matchins, San Angelo. 11:15 Address, J. B. Early, division engineer, Abilene. 11:25 Address, Judge W. R. Ely, Highway Commissioner, Abilene.

Lunch will be served to all accredited delegates. STAR ATHLETE OF ROSCOE WILL ENTER ABILENE COLLEGE. Elmer Gray, Roscoe's star all-around athlete, who recently won second place in the National Inter-scholastic track meet at Chicago, has decided to cast his athletic fortunes with Abilene Christian College. Gray and two other Roscoe athletes plan to enter the Abilene college at the beginning of the fall term.

## Raging Stream Nearly Costs 4 Lives at Brazos

Four persons, two of them students in the summer term of Tech College and another a 6-year-old child, narrowly escaped drowning Monday when a light sedan in which they were returning to Lubbock from a visit in Central Texas was caught in midstream of one fork of the Brazos river at Justiceburg, 30 miles north of here, by a four-foot head rise, washed downstream and completely submerged under the turbid waters.

Occupants of the car, all of whom escaped through windows after they were unable to open doors due to the rush of waters, and were dragged to safety were: Oscar S. Hodge and sister, Alma, of Stephenville; Miss Lula Price, Cleburne, and 6-year-old child named Callahan, of Plainview.

## CANDIDATES TO MAKE FINAL APPEALS FRIDAY NIGHT

FINAL PREPARATIONS FOR PRIMARY ELECTION COMPLETED, SAYS J. M. HARRIS, COUNTY CHAIRMAN

The last lap of the pre-election rush is with us, where words and actions mean much, and Scurry County candidates are winding up their co-operative speaking program which has been in progress in all parts of the county during the past seven weeks. Final efforts and last appeal arguments for strengthening their pleas for support will feature this week.

Final activities will be ushered in Friday night at the court house lawn where every county candidate has been invited to attend and speak his piece. Several thousand people are expected to gather and hear each and every candidate. If rain should prevent the meeting in the open air, the city tabernacle will house the crowd.

Preparations for the election are complete, Judge J. M. Harris, democratic county chairman, announced yesterday. The mailing of the instructions, the ballots and boxes has already been taken care of, and nothing remains now but the primary election itself.

Precinct chairmen are asked wherever possible to bring their precinct forms completely made out direct to the Times-Signal office for direct transmission to the Texas Election Bureau, and also for presentation on the screen that is to be placed on the court house lawn. As the Times-Signal has only one phone line in, precinct chairman may be held up for a time pending completion of handling another precinct's totals. Arrangements who will cooperate in this matter will not only be conferring a great favor on the

winners in the Home Demonstration Clubs of the county for the Short Course trip have been announced by Miss Jessie Lee Davis, county home demonstration agent, as follows:

Mrs. Mattie Minor, Ira, county winner in Class 2, Living Room Contest and first winner in butter judging and a scoring contest.

Mrs. J. L. Carrell, Union, county winner in Class 1 Living Room Contest.

Mrs. Roy Taylor, Canyon, county winner in house dress contest. Juanita McKinney, Crowder, county winner in Class 1 girl's dress contest.

Farris Stevenson, Hermleigh, winner girls dress contest.

The five trips were financed by Joe Caton, Joe G. Stinson, one by County Council fund, and two from Home Demonstration Banquet.

Miss Davis has asked the Times-Signal to publicly thank Joe Caton and Joe Stinson in behalf of the home demonstration club girls for the trips they financed. Their efforts are worthy of emulation.

The following women and girls will go as representatives of their respective clubs:

Mrs. Holly Shuler, Union; Mrs. Buddy Crowder, Ira; Mrs. Bobby Adams, Canyon; Mrs. T. W. Pollard, Camp Springs; Mrs. W. T. Stevenson, Hermleigh; Johnnie Ma Shiplan, Bethel; Ben Stevenson, Hermleigh; Mary Ann Nachlinger, Hermleigh; Ruth Truss, Fluvanna; Blanche Bearden, Crowder; and Mirtha Hodges, Loyd Mountain.

The home demonstration representatives will leave on the same special train that the 4-H club boys and their group will use.

Former Snyder Editor Starts New Waco Daily. Publication of the American, Waco's new afternoon and Sunday morning newspaper, will begin about August 15, according to an announcement made by J. L. Martin, who has been giving attention to the preliminaries for the past few weeks. The paper will be owned and published by Mr. Martin and his son, J. L. Martin, Jr.

The managing editor of the American will be J. J. Hutchinson of Waco, widely known in Texas newspaper circles.

Part of the new Shrine Temple, at the corner of Washington and Seventh Streets, on the ground which has been leased by Mr. Martin for a term of ten years. He has placed the order for his press, typesetting machines and other equipment, which are in transit.

Last year Mr. Martin served as president of the West Texas Press Association. He has published papers in Mexia, El Campo and Snyder, and he was in the newspaper business in Missouri before coming to Texas.

Attention, Lions! At the June 13 meeting of the Lions Club in regular session the entire membership voted that Judge "Red" Harris should send his wife a box of candy a day for one week commencing Monday, June 18. The writer, a substitute Tail-Twister, is reliably advised (and holds the documents) that up to the present time Mrs. Harris has not received even a piece of candy, much less a box, since the official summons was presented, and the committee is called upon for immediate action in this matter. All court procedure is to be dispensed with and the decks cleared for action at once. C. Wedgeworth, H. J. Brice and M. G. Evans are herewith presented with the bridge of authority to see that Judge "Red" consummates the laws set down for him by the Lions Club, starting next Monday, July 30.

Jimmy Smith, Substitute Tail-Twister.

Former Tiger Coach Goes to Graham. Ivan P. Oliver, former coach of Snyder High School, has been engaged by the Graham High School as athletic coach during the coming year. Mr. Oliver is one of the most prominent school and athletic men ever coming to this section of West Texas, and the Times-Signal joins his many good friends in extending best wishes to him in his new position. Ivan is just one of those 100 per cent fellows with a keen personality, splendid good sportsmanship and sterling qualities that endear him to all with whom he comes in contact.

Out of 500 college students it was found not one girl wanted to become an architect.

PRINCIPLES OF OPERATION

We believe that a bank should not only be a depository of funds, but indeed a haven where the rich and poor alike can confide their financial troubles, fears and doubts into the attentive ear of their mutual friend and counsellor, the BANKER.

This bank, like the great oak from a little acorn, of persistent effort and sound business principles has grown. It stands today like the oak; its many services and ample resources like the limbs cast their shadow of protection over those who seek its shelter; a mecca which invites the confidence and patronage of the public.

THE BANK FOR EVERYBODY Large Enough to Serve You. Small Enough to Know You. Strong Enough to Protect You.

Benjamin A. Ruffin was elected President of the International Association of Lions Clubs at the last session of the twelfth annual convention of the Association, held in Des Moines, Iowa, July 10-13, 1928.

STATE TAX BOARD DID NOT INCREASE STATE TAX RATE

Is Three Cents Lower than Present Rate and Lowest in 14 Years.

The state ad valorem tax rate

for general revenue purposes was fixed late Monday by the State Automatic Tax Board for this year at 22 cents on the \$100—three cents less than the present rate.

School tax remains at the maximum

of 35 cents and Confederate pension tax at 7 cents, making a total state tax of 64 cents. This will insure a continued \$15 per capita apportionment for the public schools, and all rural aid schools qualifying for rural aid will receive a six months' school term.

An anticipated large increase in valuations failed to develop

Less than 5 per cent increase was found in the \$2,975,409,266 total valuations, which included all except eight counties. These counties were figured into the total on the basis of last year's assessment estimates.

An estimate for this year had not been made Monday. The valuation total on which the new rate was figured showed an increase of about \$150,000,000 over last year.

There could be no more appropriate place to hold a gas convention than in our great Southwest where the clear air and sunshine, the economies in industrial and domestic life because of freedom from smoke, and the public health and greater comfort enjoyed because of the purity of the atmosphere, constitute an impressive advertisement of the advantages to a community which uses gas as fuel.

**SNYDER BOY WITH TEXAS TECH PARTY**

Having spent six weeks on a 4,270 mile trip which carried them to every place of geological interest in the Western and North-western United States, Dr. Leroy J. Patton, head of the department of Geology of Texas Technological College, and ten students returned to the campus at Lubbock last week from the summer geology field trip of the school. The group left Lubbock in the college bus on June 4.

Mr. Capitan, near Roswell, N. M., was the first stop of the boys after which their wanderings carried them by way of Raton Pass, along the east front of the Rockies to Fort Collins, Colo., up into the Black Hills, and on to Glacier National Park where two weeks were spent in tramping over the park in pursuit of their studies in general geology.

Leaving the park they motored into Alberta, Canada, and then back through the Yellowstone National Park to Salt Lake City. Places visited along the way included the Great Plains, the Northern Rockies, the Columbia River Plateau, the Interior Basins and the Colorado River Plateau, besides numerous other less important places for field study.

The boys making the trip were Ira Clingsmith of Hart, L. B. Worley of Snyder, Carl Stutz of Dallas, P. A. Hargrove of Colorado, Claig H. Perry of Coleman, Russell Thomson of Ballinger and Ned Camp, Frank Wilson, Dan Boone and Wayne Burkhardt of Lubbock.

Roads in all directions from Snyder were impassable yesterday owing to the extra downpour.

### Fluvanna News Notes

Mr. Jas. H. Tate (V. P.) is the authorized correspondent for Fluvanna, and as such is authorized to receive renewal and new subscriptions. Cooperate with him in building a fine weekly news column for this thriving town.

#### Fine Rains

Following a dry spell of just six weeks, or 42 days, a fine, gentle rain fell here last Sunday night amounting to half an inch. Monday afternoon another fine rain fell over this section measuring 1 1/4 inches at Fluvanna. On Tuesday morning another ground-soaker, amounting to a full inch, fell here, thus giving Fluvanna 2 1/4 inches up to early Tuesday morning, the date of this article, and it is still raining. Some parts of our trade territory had received good rains a few days earlier than the above—in fact the Faver community had not suffered for rain at all. While it is readily conceded that most of our crops are rather late for the season, nevertheless, with fine season we now have, the outlook is fine for at least an average crop. On last Friday afternoon a considerable hail storm cut across the southeast section of our territory and did considerable damage, especially to the A. Q. Flourmoy crop. So far as we recall, this is the only storm of any kind that has hit our community this year. Let us be thankful.

#### Church Services

Aside from the Sunday schools there were no church services held here last Sunday except the revival being held by the Christian Church. That meeting closed Sunday night, resulting in seven additions by baptism and two restorations. The services were well attended, especially at night and on Sundays. Dinner was served at the arbor last Sunday, and three services were held.

We do not know of any preaching service for Fluvanna next Sunday morning, but there will be services at the Presbyterian Church at night.

#### Anniversary

The Methodist - Presbyterian union meeting will begin the first Sunday in August.

This item does not belong exclusively to the Fluvanna community, but some of us got in on it just the same. On last Sunday the Village Preacher, accompanied by his wife, went to Snyder where he held a service for the Presbyterian congregation. It happened that that was the fifty-third birthday of A. M. McPherson and the sixth wedding anniversary of T. A. and Mrs. Faver; and Mrs. Faver and Mrs. McPherson are sisters, hence, a joint anniversary dinner was spread in the McPherson home, to which the following relatives and other guests were invited: In addition to the two families above mentioned, there were Byron McPherson and wife, Finis A. Werner and family of Hermleigh, S. N. Wilborn and family, Will Werner and family, Grandmother Stiles, Paris and Herman McPherson, Estelle Faver and V. P. and wife—the last three of Fluvanna. A merry crowd, indeed, it was, and the dinner—well, we shall not try to describe it further than to say that it was certainly fine. One of the strange things about this occasion was the fact that Mr. McPherson knew nothing of the plan until he went home from church. It is funny how a woman can work her plans out right under her husband's nose and not let him know what is really going on. Another strange thing is this: Tollie Faver says he is not sorry he is married.

#### Miscellaneous Notes

At the crossing on the Double Mountain river between Fluvanna and Justiceburg one Buick coach,

one Chevrolet coach, one Reo speed truck and a wagon and team were all caught Sunday night in a sudden rise of the river. So far as we have learned no one was injured or drowned, but the cars are badly damaged. The team escaped drowning, but was gotten out until Monday morning. Only a few inches of the tops of the cars were in sight Monday. The wagon and team were being used to assist the cars in getting out of the river when a head rise came on in the dark and caught the workers unawares. A long string of cars was held up on either side of the river Monday. Thus it becomes clearly evident that a bridge is sorely needed at the above mentioned crossing. This is not the first time that trouble has occurred at that crossing. Let Scurry County get busy and build a bridge.

#### Boren and Taylor are having their gin overhauled and fitted up for the coming season. We understand that some \$4,000 worth of machinery has been ordered. The Fuller gin is also being put in trim for work.

W. J. Beaver and J. R. Truss shipped three cars of fat cattle to the Fort Worth market Monday.

#### Mrs. O. A. Fields of Byers, cousin by marriage of Mrs. C. E. Tarter of this community, died Sunday. We sympathize with this family connection because of the several sorrows that have come to them in recent months.

Mrs. Josey of Tulsa, Okla., is here this week visiting her daughter, Mrs. J. G. Landrum.

C. D. Cribbs and family returned Monday from an 18-days' trip to points in Donley, Clay and Dallas Counties. They report a fine time.

Mrs. F. W. Park is visiting this week with her daughter, Mrs. Hoy, in Vernon.

W. F. Robnett went to Lubbock Monday on business.

#### Election Day

Next Saturday is primary election day. Let every voter post his or her self, go to the poles and vote for such candidates as seem to be best qualified and best suited to the office which they seek. Public offices are not to be bestowed upon personal friends merely, but they are positions of trust to be filled by such persons—and only such persons—as are fully qualified to hold and administer them. Be careful how you vote.

#### ENCAMPMENT AT POST CLOSSES ON ACCOUNT OF CONTINUED RAINS

The Post Baptist Encampment opened Monday in spite of the heavy rains all over this section, but at a meeting of the executive committee it was decided to close on account of the continued down-pour, according to Rev. W. F. Ferguson, who was at the meeting.

An exceptionally good program had been announced for the annual camp, several Snyder people having important parts, but the impassable roads made it imperative that the encampment be closed.

#### NEW VOCATIONAL TEACHER HERE

C. C. Redman, graduate of Sam Houston State Teachers College, with six years of teaching experience behind him, arrived in Snyder yesterday to take up his work as vocational agriculture teacher

in the high school. Mr. Redman comes highly recommended, has a fine personality, and the Times-Signal joins in welcoming him to the many good things that Snyder and Scurry County provide for those who come to their domains.

#### YO SAN CLUB ENTERTAINED

Mrs. L. J. Delatte delightfully entertained the members of the Yo San Bridge Club yesterday afternoon at her home. Two tables of players found interest in the games of the afternoon. Dainty appointments marked the tables for the play.

Top score went to Mrs. C. J. Sims.

At the tea hour the hostess served an unusually delicious luncheon in two courses to the following club members: Mmes. R. H. Bell, N. C. Von Roeder, C. J. Sims, J. M. Evans, J. M. Taylor, J. H. Singletary, G. B. Carlton and Henry Ware.

#### SIMMONS HAS LONG FOOTBALL SCHEDULE

The longest football schedule of any college team in the state for this fall has just been announced for Simmons University. Four-

teen games, two of them with Southwestern Conference teams, are on the Cowboys' slate. The season will be climaxed on December 14 when the Cowboys meet the Olympic Club from San Francisco here. The California aggregation contains some of the nation's greatest stars.

Following is the schedule:  
Sept. 22, Decatur Baptist College at Abilene.  
Sept. 28 or 29, Sul Ross State Teachers College at Midland.  
Oct. 6, T. C. U. at Breckenridge.  
Oct. 13, S. M. U. at Wichita Falls.  
Oct. 20, West Texas Teachers at Canyon.  
Oct. 27, Daniel Baker at Abilene.  
Nov. 3, St. Edwards at Abilene.  
Nov. 7, Southwestern University at Georgetown.  
Nov. 12, Trinity University at Abilene.  
Nov. 20, Austin College at Abilene.  
Nov. 24, Texas Tech at Lubbock.  
Nov. 29 (Thanksgiving) School of Mines at El Paso.  
Dec. 7, Howard Payne College at Brownwood.  
Dec. 14, Olympic Club of San Francisco at Abilene.

#### SCOUTS TO HOLD WATER CARNIVAL AT SWEETWATER

Everything is in readiness for the Scout Water Carnival at the Santa Fe Lake, Sweetwater, next Tuesday.

One hundred scouts are expected to take part. Winners in all events will be presented with

council ribbons with a stamp of a fish on them.

The Santa Fe Lake at Sweetwater is located north of the city. It is one of the most popular spots in West Texas. The lake is under the management of the Santa Fe Club, which has kindly given it over to the scouts for their council activities.

There has been one change on the program. The plunge for dis-

tance has been changed to an under water swim for distance.

Troops from the following places will be present: Big Spring, Stanton, Colorado, Loraine, Ros-

coe, Sweetwater, Sylvester, and Rotan. A parade over the business section of town will be one of the main features of the program.

It is reported that there is to be a surprise for all scouts just after the swim is over. Just what this is to be in the minds of all scouts. —FINE RAIN, FOLKS!

### MISS MARGARET YODER APPEARS IN PIANO CONCERT

Miss Margaret Yoder, who is at home after spending nearly four years studying music in Kansas City and Chicago, appeared in piano concert Tuesday evening at the high school auditorium and was assisted by Mrs. A. C. Prentiss.

Miss Yoder opened her program with "C Sharp Minor Prelude" by Bach, in which she displayed true technique. Immediately following this opening number, she played "Concert Etude" by Liszt, which was a fitting climax for the first group of rather heavy and difficult compositions.

The next group included three pretty numbers which, because of the sharp contrast in mood and setting, were enthusiastically received by the appreciative audience. The first of the group was "May Night," a smoothly flowing melodious composition, while the second, "The Sea," was the very opposite in character. Here Miss Yoder displayed her interpretive genius by her complete mastery of the two contrasting compositions of Palmgren. She concluded this group with Ibert's "The Little White Donkey," an airy, brilliant and highly entertaining production.

Theodore Yoder, brother of the pianist, read Browning's poem, "A Tale," after giving a brief story of the poem. He responded to the hearty applause with A. A. Milne's humorous poem, "A Mouse."

Chopin's beautiful "Nocturne" and "G Minor Ballade" made up Miss Yoder's last group. She graciously responded with the immortal "Minuet in G" by Beethoven as an encore.

Assisted at a second piano by Mrs. A. C. Prentiss, the famous "Hungarian Phantasy" by Liszt was given as the concluding number on the program. This scintillating composition was wonderfully interpreted and brought a hearty applause. Miss Yoder again responded by playing the ever popular "Melody in F" by Rubenstein.

### SPIZZ UNION ENJOYS PARTY

The Spizzierinctum Senior B. Y. P. U. enjoyed a social meeting at the First Baptist Church basement Tuesday night. Many games in keeping with the occasion were carried through by the guests. A delicious lunch consisting of soda pop, sandwiches and potato chips

was served to Misses Katherine Northcutt, Jonnylne Shaw, Lela Isaacs, Edna Upton, Myrtle Woodfin, Lucella Brice, Mary Ellen Martin, Mildred Ross, Violet Dean, Vera Upton, Violet Bradbury, Ima Lee Thomas, and Messrs. Roy Irwin, Otis Carter, LeRoy Fesmire, Davis and Ross Shaw, Guy Stoker, Arthur Duff, Onnie Martin, Odie Tate and Rev. W. F. Ferguson.

### CHURCH LADIES TO MEET MONDAY

The ladies of the town will meet Monday, July 30, at the Baptist Church at 4 o'clock. The following program will be rendered: Song, Congregation. Devotional, Mrs. W. F. Ferguson.

Prayer, Mrs. J. W. McCoach. Hymn Playing, Miss Nona Carr. Vocal Solo, Mrs. J. E. Sentell. Piano selection, Miss Margaret Yoder. Piano Selection, Miss Helen Boren.

### A CORRECTION

The Business and Professional Women's Club will meet August 7 on the court house lawn. This club meets every first and third Tuesday in the month.

### SINE CURA CLUB MEETS

Tuesday afternoon found the members of the Sine Cura Club assembled at the home of Mrs. R. H. Curritte anticipating pleasant hours spent at their chosen pastime. Mrs. Curritte and Mrs. Ivan Dodson were the gracious hostesses on this occasion.

Mrs. Frank Erwin, a guest for the afternoon, won high score, and low score award was received by Mrs. William Wilford.

At the tea hour the hostesses served an unusually delicious luncheon in two courses to the club members and Miss Billy Nelson of Corpus Christi and Mrs. Frank Erwin of New York City.

### MISS BEGGS ENTERTAINS WITH PICNIC

Several delightful hours were spent last Thursday night at Wolf Park when Miss Dorette Beggs entertained a number of her friends with a picnic.

Lovely refreshments were served to the following guests: Misses Mary Edith Hood, Gwendolyn Chambers, Mary Judy McMillan of Fort Worth, Doris Buchanan, Margaret Dell Prim, Connie Grantham, Dorette Beggs, Lucille Carpenter and Messrs. Charles Cooper, Robert Curritte, Fritz R. Smith, Jr., Nibs Warren, Percy McFarland, Harold Brown, Dutchie Cauble, Frewen Morrow of Weatherford, Mr. Cloud, Herman Trigg, Bob Gray, J. K. Woosley, Hugh Boren, Ralph Crenshaw and Mrs. W. D. Beggs and Mr. and Mrs. L. O. Smith.

### MR. AND MRS. WRAYMOND SIMS ENTERTAIN

Mr. and Mrs. Wraymond Sims entertained several of their friends last Wednesday night with a picnic honoring Miss Ethel Beemer of Denison, who is the house guest of Mr. and Mrs. Sims. The merry group motored to the Sims ranch where they enjoyed numerous outdoor games. A delightful picnic lunch was enjoyed by Misses Gertrude and Hattie Hearn, Dimple Gross, Ima Lee Thomas, Ethel Beemer, and Messrs. Bob Boles, Ed Black, Ray Fesmire, Martin Norred, Joe Drake and Mr. and Mrs. Albert Norred and Mr. and Mrs. Claude Sims.

### TO PRESENT MUSIC PUPILS IN RECITAL MONDAY

Miss Ima Lee Thomas, superintendent of instruction of the

Wood Instrumental Training School, will present local resident pupils of the school in piano recital Monday evening, July 30, at the First Baptist Church. The public is cordially invited to attend the recital, which will begin at 8:30 o'clock.

### BRIDGE CLUB MEETS WITH MR. AND MRS. W. BOREN

The hours from 8:00 to 11:00 were spent with pleasure at the home of Mr. and Mrs. Wayne Boren Thursday evening of last week by the club members and a few friends.

The pretty furnishings of the home provided an ideal setting, wherein seven tables were arranged for the bridge play. High score honors went to Mrs. W. R. Johnson and Wayne Williams for guests, and Mr. and Mrs. W. T. Raybon received club members' high score.

Lovely refreshments were served to club members and the following guests: Mr. and Mrs. Wayne Williams, Mr. and Mrs. A. C. Prentiss, Dr. and Mrs. W. R. Johnson, Mr. and Mrs. Melvin Blackard, Mrs. McClanahan, Mr. and Mrs. J. W. Bondurant of Fort Worth.

### W. M. S. MEETS WITH MRS. R. J. RANDALS

The Women's Missionary Society of the Methodist Church met Monday afternoon in the home of Mrs. R. J. Randals with Mesdames Oldham, Price and Prentiss. A pleasing aftermath to the play was the tempting refreshments served at the tea hour.

"How Jesus Met Opposition" was presented by Mrs. H. P. Brown, followed by the discussion on "How We May Cope With Opposition," led by Mrs. Hardy. A missionary talk on "Shifts of Emphasis" was given by Mrs. Ivan Dodson.

At the conclusion of the program the hostesses served pleasing refreshments to about thirty members of the society.

### TACKY PARTY

The Intermediate Department of the Methodist Sunday school entertained its members and friends with a tacky party Monday evening. Miss Ruth Yoder was voted the "tackiest" girl present, receiving a string of pearls, the gift of Mr. Evans and Mr. Lambeth. The same donors presented the "tackiest" boy, T. J. Clark, with a watch.

Other "well-dressed" characters present were Frances Lawlis, Doris Doak, Ivan Hardy and Elmo Sears, who vied with the winners for the prizes.

Plenty of sandwiches and soda pop completed the evening's fun.

### LA FRANCHON CLUB MEETS

Misses Maxine Whitmore and Lura B. West were hostesses to the La Franchon Club members last Thursday afternoon, with three tables of players vying in the interesting afternoon bridge games for high score. Miss Pauline Boren was declared the lucky winner of high score. A pleasing aftermath to the play was the tempting refreshments served at the tea hour.

Those present were Misses Lucille and Christine Eoff, Pauline Boren, Waunita Darby, Nona Carr, Elinor German, Thora Cotten, Juanita Whitmore and Beulah Lee Crowder.

### GARZA COUNTY AGENT MARRIES LAST WEEK

Knox Parr, formerly county agent for Gaines County, was married to Miss Mary Elinor Voss at Altus, Okla., Thursday morning, July 12.

Mr. Parr is now attending the R. O. T. C. at San Antonio, after which he will go to A. & M. College to take the short course offered by that school, and then will return to Post, at which place he is county agent, where he and Mrs. Parr will reside.

### TO THE VOTERS OF SCURRY COUNTY, TEXAS

My opponent has sent out letters to the voters of the county which contain the following statement: "Mrs. Darby now holds a job which pays more than the office of District Clerk, she can and will continue in this job if not elected."

This statement does not represent the true facts. The position I now hold as Deputy County Clerk pays only four-fifths of the ex-officio drawn by the District Clerk, and all the fees of the District Clerk's office are in addition to the ex-officio. I ask you to inquire into this matter and see if the facts are not just as I have represented. The letter also recites "... one without experience." I invite you

to inquire of those who know me as to my experience and qualifications.

Very truly yours,  
LOUISE ELLIS DARBY.

**THE WORLD'S BEST COAL**

**You, too, can save money by using only Original Genuine MONTEVALLO COAL**

Saving money by using Original Genuine Montevallo Coal is not a new idea. Southern Families have been doing this very thing for seventy-two years, and continue year after year to do so!

Original Genuine Montevallo Coal is cheaper to use—saves money because it burns longer and gives more heat than ordinary coal. Close, dense, it is free from impurities, does not clinker or coke. There is no waste. The ash pile grows very slowly!

Original Genuine Montevallo coal actually gives 25% more heat per ton than ordinary coal—this is why it is known as "The World's Best Coal."

**Heat Your Home for Less!**

**PROFIT BY SUMMER PRICES**

To the savings-made because of the quality of Original Genuine Montevallo Coal, you can add other important savings by buying now and taking advantage of low summer prices.

Mines must be operated all year 'round and because the demand for coal is less in summer, you can buy it cheaper. Big industrial firms and thousands of far-sighted home owners profit by this every year. You can, too. You should, for this is just the same coal that you will pay considerably more for later. Buy NOW, when the prices are low.

**INSIST ON ORIGINAL GENUINE MONTEVALLO**

Get in touch with the nearest authorized Original Genuine Montevallo Coal dealer listed below. Ask for Original Genuine Montevallo. Then you know what you are getting—the best coal that money can buy—long burning, low ash, non-clinking and non-clinkering, with maximum heat-giving quality.

Call the Original Genuine Montevallo dealer on the phone today. Ask him about the savings Original Genuine Montevallo quality means and the difference between prices now and in the Fall. Then order NOW to get the benefit of present low Summer prices.

**Sentell for County Judge**

I ask you for your vote Saturday and for your influence with your friends in my behalf.

I, and also my friends, have made a clean campaign.

I AM FOR: Better County Road System, carefully built and maintained both as to the roads and as to cost; Fairness, efficiency and economy in handling the courts; Co-operation and careful business methods with the Commissioners' Court; County and Home Demonstration Agents and their work; Economy in all county business, and putting the county back on a cash basis on current expenses; for law and order, and progressiveness.

If elected, I shall fairly and fearlessly perform the duties of County Judge.

I believe my experience in business, in law, in the courts, and in public life fully qualifies me for County Judge, and your support in this race will be greatly appreciated.

Respectfully,  
**C. F. SENTELL**

IN MEMORY OF MRS. MARY COMBS

She was born in Granville, Tenn., Dec. 28, 1878, moved to Texas when 13 years of age. On Dec. 13, 1896, she became the wife of Sam Combs. To this happy union four children were born, all of whom are still living. Mr. Combs preceded her to the happy home beyond the skies five years ago.

Mr. and Mrs. Combs with three of their children moved to Scurry County in 1916 and settled in the Union community where they lived till the death of Mr. Combs. Since then Mrs. Combs has moved about quite a bit, always leaving a memory of sweet sunshine and cheer wherever she went. She was one of the sweetest and most lovable women the writer has

ever known. Truly, to know her was to love her. Always she had a cheerful smile and an encouraging word for every one she met. She never sought anything for herself—she lived only to serve others.

She was a member of the Presbyterian Church, a faithful member, ever ready to serve her God in all things.

Hand in hand with her husband and with the guidance of their Heavenly Father, they directed the lives of their children in the tender years of youth and died content in the knowledge that some day her tears and prayers will be awarded and up there around God's Holy Throne they will be united again, an unbroken family.

She died July 2 in Detroit, Mich., where she was visiting her two sons. Why her life should be snuffed out so suddenly we can't understand, but we submit to God's will, knowing He does all things best. Funeral services were held in the Odum Funeral Home Friday, July 6, at 4 p. m.

with Rev. Ivey Biggs officiating. The body was then laid tenderly to rest beside her husband in the Snyder cemetery.

That she was truly loved in her community was proven, by the great crowd of sorrowing friends who followed her to her last resting place and the many lovely floral offerings.

She leaves to mourn her going an aged mother and father, Mr. and Mrs. Ben Watts, El Paso, Texas; two sons, Walter and Carl Combs, Detroit, Mich.; two daughters, Mrs. Bob Wren, Big Spring, Texas; and Mrs. Osco Bynum, Olney, Texas; two brothers and three sisters and countless friends both in Texas and Michigan.

Grieve not, dear ones, she has only gone ahead to await and welcome us to that home where there are no sad goodbyes or partings. MRS. BYRON WREN. 6-1tp

MUNICIPAL SUPPORT OF BAND IS VOTED

Plans for one of the finest

bands in the west got under way at Lamesa Thursday morning after the voters approved a one and one half mills tax to support a municipal musical organization. The ballot was 167 in favor and 133 against it.

Lamesa formerly had a good band but lack of financial support caused it to cease functioning. Equipment to the extent of approximately \$6,000, including instruments, lots and a band hall, awaits the organization of the new band.

Snyder from time to time has agitated a Municipal Band tax. Why not now?

Howdy! Smiles Everywhere at the Wonderful Rains that have come to Scurry County

Now then, the next thing is to get ready for a real feed crop, and we anticipated there would be a real rush for row binders. We handle the New McCormick, Deering and John Deere, nationally known brands that need no further advertising. You know what a real row binder is when you see it, and we are stocked aplenty. Just ask your neighbor who owns one of our pieces of machinery. There is no tool that can take the place of a real row binder in this country. Remember, you are not buying a binder for just this year's crop—it will last for years.

We are better supplied than ever in farm equipment. If you need parts for any of your machinery, the chances are that we can furnish them. We realize that if we are to sell farm equipment we must be in position to service what we sell. So our Parts Room is full of the usual pieces that are needed, and we hope to be able to supply what you need.

REMEMBER TO BOOST FOR THE SCURRY COUNTY FAIR.

Waymon Bates won the free Short Course Trip offered by this store for poultry project to the 4-H Club boys of Scurry County. Thirteen boys were entered in the contest which proved to be a remarkable contest, according to County Agent Willis.

Folks are "living at home" today, and we have the largest stock of Cookers and Sealers in West Texas.

Garden Time is Canning Time!

The season when garden things are coming in is the time to start your canning and make it a "live at home" program. Pressure cookers and sealers with a supply of cans that cannot be duplicated in all West Texas are to be found here. For economy every family needs a complete pressure cooker for canning, and also for simultaneous cooking.

Our stock of hand sealers will seal, open, re-flange and re-seal.

Come in today and select the outfit you want and join in Scurry County's program of more "live at home" and more "cow, sow and hen" that is placing this section among the front rank of West Texas counties.
