Communities Receive Benefit From Creamery

Editor's Note: The Times-Signal in practically every issue has taken up the matter of adding more registered Jersey cows to Scurry County and of the cooperation of our local banks in putting the plan across. Through the courtesy of Editor Sam Harben of the Richardson Echo, who is secretary of the Texas Press Association, we are able this week to give an article concerning the trip of inspection made by the county agent of Dallas County, and Ford Seale, well known banker of Garland, when they covered three states and carefully investigated the value of the various communities that have arisen over the farmers forming dairy clubs and the establishment of creameries such as are now in existence at Plano and Garland. The facts presented in the following article have been touched for and are entirely the truth.)

Lewisburg, Tenn., Aug. 28, 1928.—Mr. W. Fox, president of the First National Bank (W. D. Fox) H. G. Cress, County Agent Marshall County, Jimmie Joe Murray, breeder for Merridale Farms, John Buchanan, Manager Borden Southern Company, Marshall County has 2700 farms, 87 acres average, one-third in cultivation. The average farm has 25 acres in tame pasture, balance in woodland; 50 per cent increase in county in town in two years; 10 cows per farm average; 20 cows per farm for 75 per cent of farmers. No scrub bulls in Marshall County in the last 10 years. Marshall County has 150 members in Jersey Cattle Club, 65 per cent of 2700 farmers milk cows. There are 25,000 cows and heifers above one year of age in the county and 1,000 owners of registered herds in the county. 88 per cent farm owners in Marshall County. Tenantry has decreased and population increased in the county since the dairy cow came. Borden plant now receives 85,000 pounds of milk daily from this county. Received from 1,000 patrons. Borden plant received 140,000 pounds of milk daily from entire section. The condensery is paying 53 1/2 cents per pound butter fat for the milk. The creamery was established six years ago for \$14,000; sold out for \$107 per \$100 share; all of which was from profits of the plant. Marshall County paid to the farmers \$1,000,000 for dairy products the past year. Farmers received \$250,000 for cows sold outside the county. Average price paid the farmer the past year for butterfat was 44 cents. The Creamery has 700 customers. The dairy farm brings hogs and chickens. The average farm has 50 hens. Must produce feed to profit from the dairy farms. 20 per cent of farms own manure spreaders. Marshall County has been dairying for the past 15 years. Farm yields per acre constantly increasing. Fertility of the soil increased 25 per cent in past ten years. Only four cars of commercial fertilizer were sold in the county in 1927. Bank deposits increased 50 per cent in past six years. Increase in number of depositors in the past six years 25 per cent. Were forced into dairy business by the boll weevil in 1921. Savings deposits have increased more than individual deposits. The dairy industry in a community is like watering a plant; it thrives and grows. The credit business in Lewisburg has decreased 50 per cent since 1921. Counts sells in addition to dairy products, beef, cattle, hogs, sheep, wool, corn, cotton, wheat and poultry. Value of poultry products in this county one-half million per year. Borden plant has one field man full time; the county has a county agent and a home demonstration agent and one cow testing association with 400 cows. Average production of cows 225 pounds of fat per year. Average production of cows of the state 100 pounds of fat. In 1927 the state of Tennessee produced and sold in dairy products and cows \$40,000,000. Borden's have an investment of \$1,000,000

in plant at Lewisburg; have been operating for past 15 months. The plant is exempt from county and city taxes for 5 years. The plant is paying 53 cents per pound butter fat. The foundation of the dairy business is the pasture. Banks are entirely satisfied with cow loans. Borden has put in manufacturing plant to make cans and barrels for their plant. Borden ask us for nothing but milk. Are of the opinion that the cheese route would be better for condensery for beginners. Dairy industry started here with the co-operation of creamery. The Borden plant and collecting depots are from 288 to 30 miles apart. The length of the longest route is 28 miles; the average length is 10 miles. Average cost of hauling milk is about 2 cents per pound. Scurry County could well emulate the example set by the communities listed in the above article, and when we do get set on a real dairy program, cotton will take its proper place as just one of the crops of this section. Every business man, every resident, every farmer should get together on this dairy program and when the new county agent, W. H. Logan, lands here, let us all help in putting across a program that will mean more acres under cultivation, fewer rent farmers and more independence from every financial angle.

WHAT'S DOING IN WEST TEXAS

The Friona Women's Club is sponsoring a move to secure the services of a county health nurse for the purpose of assisting in and directing the health inspection of the pupils of the schools of the county.

The plant for the Mills County Cheese and Butter Company that has been under construction at Goldthwaite is nearing completion and will soon be ready for operation. The plant has a capacity for handling 10,000 pounds of milk.

The last district WTCC convention of the calendar year will be the Central District meeting at Merkel on Dec. 6. Abilene, Stamford, Hamlin, Sweetwater, Merkel, Anson, Ballinger, Winters, San Angelo, Rowena and other towns are included in the district.

Sanitary conditions in Brady will be much improved by paving of all alleys in the business district which will start soon. The city council recently went on record to defray all expenses for the project.

Two highways are being built into Stamford, one Highway 18 from the Shackelford County line to be completed by the end of the year, and the other, Highway No. 30, will be constructed of concrete from the Haskell County line to within five miles of Anson.

THE OFFICIAL NEWSPAPER
OF SCURRY COUNTY AND
THE CITY OF SNYDER

PUBLISHER'S NOTICE

Snyder is being besieged by men and women peddling advertising schemes. Many of these are unreliable, and some of them make false statements. All of them are selling for their own profit rather than for the good of the buyer.

The Times-Signal does not endorse any of these except where we accompany the salesman or give him written endorsement or authority to quote us. Don't accept their statements otherwise as relating to our endorsement of their schemes. If you buy, do it on your own judgment after investigating the worthiness of their offerings. Most of them are not worth the money they cost; some of them are totally worthless.

SNYDER SHOULD USE
ITS OWN TALENT

When it comes to putting on home talent productions, Snyder has at least a dozen expert directors who can produce a play as good and even better than any outside talent. A recent example of a Snyder club hiring an out-

side director lost them money, whereas they had members of their own organization that could have directed the entire proceedings, keeping the profit themselves, instead of paying the major part of it out to outside folks who care nothing more about Snyder than the money percentage they can get from the town and its citizens.

When any more "Arabellas" come to town, let's elect one of our own Snyder citizens to direct the production.

TO COUNTY CITIZENS

November 7, 1928
To the Citizens of Scurry County:
The election is over, and at this hour it appears that even Texas may have shown its preference for Mr. Hoover.

Regardless of results, it now devolves on each one of us as citizens of this entire country that we do our best not only for ourselves but for the nation as a whole. Germany as a nation with an area no greater than the state of Texas but with about twelve times the population of our state almost whipped the world. In his famous Gettysburg speech, Abraham Lincoln questioned if our nation would stand as a whole.

My friends, I wish to express not only my appreciation but that of every member of the Republican party for the assurance given us. There is but small difference in the real issues before the nation that makes us sound and reliable and assures us of a regular pay-

ment. Now let's do this: Keep in mind what you have voted for. Mr. Hoover is one man; he can do nothing without the cooperation of our citizenship. Personally, and from the standpoint of the Republican party as a whole, I can assure you:

We cannot progress unless we stand together for the things that make up our national welfare. We are no longer merely the United States of America; we are the world's greatest nation.

As good citizens, let's keep up with what is taking place. Look over the records of your senators and congressmen. See how they voted in Congress on the different issues; see how they stood in this election.

I wish to thank all (including the ministers, regardless of what has been said about them in this campaign) for what they have done; I wish to thank all of the good citizens including many who have never thought before of scratching a ticket, for their support. This is not a weakling election. Our people have spoken.

In July I published an article in this paper in which I stated I would vote for Mr. Hoover even on the Democratic ticket. I will still pledge myself to do the same for any man of his calibre, regardless of party.

In this campaign, Texas started early. Mr. Cressiger, our National Committeeman, was the first to support Mr. Hoover among all of the committeemen of the nation. The Republican party in Texas is clean.

There is a new era in our government, and let Texas as well as all other states take note. The Republican party in Texas invites your cooperation and asks that you not only appear to our National Government for redress on any question, but let us hear from you from a state and county standpoint. We must all do better to merit what we have won. I trust that those who have pledged themselves wholeheartedly in this campaign for the defeated candidate will also try to realize that we are in a new condition of American politics and that the people of the nation are commencing to think.

Sincerely yours,
E. J. ANDERSON, Chairman,
Scurry County Republicans.

HERE COMES CALIFORNIA

Mrs. Mary B. Sterrett of Long Beach, Cal., in renewing her subscription by mail Tuesday, Feb. 11, 1930, had the following to say for which we sincerely extend our thanks:

"Enclosed please find check (\$3.00) for renewal of my subscription to your very good and interesting paper. I lived at Snyder a good many years and find much news of interest about many of my dear old Snyder friends in almost every paper. I very much enjoyed your write-up of the Golden Wedding celebration of dear "Uncle Tom" and Mrs. Baze. They were next-door neighbors of mine for several years, and Mr. Baze and my husband were friends in their pioneer days. Please continue sending paper to same address."

The biggest road problem we have now is how to pass the car ahead.

ADVERTISING

There are some people who think advertising will perform miracles all of itself. This is an erroneous idea. Advertising of itself will not do so; it is only a vehicle in which to ride to greater sales.

You can compare it to an automobile. An automobile of itself is as dead as a door nail, but fill it with gasoline and lubricating oil, put a driver at the seat and you have a vehicle in which you may travel fast and far. So it is with advertising when harnessed to energetic sales and effort, backed with good merchandise, you have a vehicle which will carry you to commercial heights and place you in the realm of the elect.

It's A Gift

"Some one sick at yo' house, Mis' Jones?" inquired Lila. "Ah seed de doctah's kyar dar yestidy."

"It was mah brother, Lila."

"Sho! Whut's he got de matter of him?"

"Nobody seems to know what the disease it. He can eat and sleep as well as ever. He stays out all day on the porch in the sun and fac seems as well as anyone, but he can't do any work at all."

"He ain't—yo' say he ain't work? Law, Mis' Jones, dat ain't no disease. Dat's a gif!"

POULTRY BOOSTERS
INVITED TO MEETING

Much interest is being manifested in the meetings held at the school building on the enterprise of poultry production. Feeds and facts were discussed, and the interest was so intense until these present and others want more on the subject of feeding, methods of feeding and equipment. There will be a round table discussion of these subjects Friday night, Nov. 9, 7:30 o'clock. There will be farmers present who will give their feeds and results; also C. C. Redman, vocational agriculture teacher, and W. O. Logan, the new county agent will offer some proven pointers along improved and late methods of feeding.

This meeting will be informal and will last for one hour. All who are interested in poultry are urged to be present.

CONSTANT EXPANSION

—to serve Chevrolet owners better

SINCE January 1st more than a million new Chevrolets have been delivered to owners—making the Chevrolet Motor Company, for the second consecutive year, the world's largest builder of automobiles!

This outstanding achievement has been attained not only because of the quality and value of Chevrolet cars—but also because there has been a constant expansion of Chevrolet service facilities.

In order to bring these mammoth facilities of the Chevrolet factories to Chevrolet dealers and owners everywhere, there have been erected 26 huge parts warehouses in the principal centers of distribution. This expansion program is continually going on—for four great additional warehouses will be in operation by January first and seven more by the summer of 1929.

Into the service departments of all Chevrolet dealers, Chevrolet has brought special tools and shop equipment—designed

under the supervision of Chevrolet engineers. This equipment definitely assures maximum speed and precision and the lowest possible cost in the performance of every Chevrolet—which are charged for on a flat rate basis.

Furthermore, all of these tremendous facilities have been made available to 15,000 authorized service stations manned by skilled mechanics, over 25,000 of whom have been factory trained to efficiently handle every repair operation on a Chevrolet car. In addition, there are over 4,000 other points where genuine Chevrolet parts may be obtained.

Uniformly efficient, uniformly reliable and within easy reach of everybody everywhere—this great service organization is maintaining at peak efficiency the fine performance for which Chevrolet cars have always been renowned.

We cordially invite you to come in and see how our service facilities reflect the influence of this great national service program.

Fluvanna News Notes

Mr. Jas. H. Tate (V. P.) is the authorized correspondent for Fluvanna, and as such is authorized to receive renewal and new subscriptions. Cooperate with him in building a fine weekly news column for this thriving town.

The Election

While in the recent election, as always, there has been plenty of "muddling," but, aside from his ugly phase of the matter, Tuesday's presidential election was the outcome of the most thorough and far-reaching educational campaign, touching the matters involved, ever conducted in this country. More people clearly understand what they have done and why they did it than ever before.

Radio reports indicate tonight (Tuesday) that Mr. Hoover has won the election by a handsome majority; if this is the fact, it is the greatest moral victory ever won, in similar fashion, in this or any other country. Fluvanna, Scurry County, Texas, the Nation! My, what a scale! What a glorious victory! Aside from the routing of Tammany and the squelching of Romanism, there is the victory over the many-headed monster—RUM. PROHIBITION IS HERE TO STAY. Sobriety is guaranteed to our own and to future generations. Enforcement will be more strongly demanded and more sternly effected than ever before, because authorities now know, beyond all question, what the people want—that they are determined to have.

For the first time in history "The Solid South"—"The Block"—has been broken up, and a moral issue was the hammer that did the work. Never since the Civil War has there been such a shaking up and realigning of political forces. After too much delay, righteousness has asserted herself, marshalled her forces, defied and routed her greatest enemy. All honor to the sober-minded, truth-loving, up-standing, God-fearing men and women who braved the storm, met the enemy and forced him to ignominious defeat. "Glory to God in the Highest, and on earth peace, good will toward men."

On Monday night Smith wired Robinson, "The people do not err; in the last analysis their decision will be right." For once, at least, Mr. Smith was right.

Church Services

Aside from Sunday school and young people's meetings, preaching services were held at only one church in Fluvanna last Sunday. The Methodist people did not have church services on account of not having their stove up, and the weather was cool.

The Fluvanna Baptists held their usual services morning and evening with good congregations in attendance.

In the afternoon World's Temperance Sunday was observed in a special program in which all the churches were interested. The service was held at the Baptist Church. This service was very appropriate, coming as it did on the eve of the national election in which prohibition was an important issue—in fact the main issue so far as the churches were concerned. Accordingly, both national and world-wide temperance were strongly stressed. Rev. Massey, pastor of the Baptist Church, served as master of ceremonies. Following the singing of America and invocation, Jas. H. Tate, pastor of the Presbyterian Church, made a short address briefly sketching the progress of prohibition in this country, explaining the status of the matter as related to the present political campaign and declared that the eyes of the nations of the world were focused on America at this time in order to discover our attitude relative to this great moral question after ten years of national prohibition. The next speaker was E. V. Boynton, merchant, who chose to speak briefly of the position taken by ministers of the Gospel on this subject and its relation to the campaign. He fervently declared that many very unkind and unbecoming criticisms had been charged against our preachers, saying, in effect, that the preachers as a rule are a most selfish group of people who give themselves unstintingly to the study of an unending work for the highest and best interests of the social and moral interests of the communities in which they labor. A beautiful and appropriate quartet by Prof. Wedgeworth, Rev. Massey, R. O. Stavely and Wallace Jones, with Miss Burlingame Boynton at the piano, was rendered. The next number was the principal address by Prof. C. Wedgeworth of Snyder. This was a very interesting and inspiring address, the salient points of which were too many to mention in this article. The speech was well in season and well received.

In the earlier part of the program Miss Hardy, teacher, effectively read a very appropriate poem, "The Fence and the Ambulance."

On next Sunday there will be services at the Presbyterian Church, morning and evening. The morning service will be well in season, and at the evening hour

the pastor promises a stereopticon lecture which will be highly entertaining and instructive for all who will attend. Those wishing back seats should come early.

Business Affairs
On Thursday of last week Eugene Ainsworth shipped two cars of stock cows to Roscoe.

Winston Brothers shipped four cars of fat cattle from this place to the Fort Worth market Wednesday.

Drilling at the Koonsman well west of town has been held up for several days in order to procure and set a new line of casing. It is expected that drilling will be resumed this week.

Our farmers are quite busy, but the worms succeeded in relieving the people of the major part of a big job of cotton picking. Somehow, the providential schedule usually serves to prevent the calamity of extreme overproduction.

Trips and Visits
Mrs. J. R. White was called Tuesday to the bedside of her mother at Chandler, Texas.

J. R. Truss and wife departed Monday night by auto for Fannin County where Mrs. Truss' mother is said to be critically ill.

Mrs. H. Lanham was notified Monday that her niece, Mrs. Hattie Hickson, recently of this community, was seriously ill in Big Spring.

Walton Smith of Canyon, formerly of this community, visited here Sunday and Monday. John Stavely and family visited in Southland last Sunday.

Mrs. H. Lanham departed for Canyon Tuesday where she expects to spend the winter with relatives.

Prof. C. Wedgeworth and wife and Mr. and Mrs. J. M. Claunch, all of Snyder, were welcome visitors to our community and the temperance meeting last Sunday. Joe L. Jay of Abilene was here on business last Sunday.

FILM SEQUENCE LEAVES "NOTHING TO STAND ON"
Suspended in mid-air from a slender cable, with nothing below her but the ocean and treacherous rocks, was one of Bebe Daniels' experiences during the filming of "Hot News," in which the Paramount star appears at the Palace Theatre next week.

NEW ALL-AMERICAN NOW BEING SHOWN
Completely new and original in appearance, with a host of advanced engineering features, the latest Oakland All-American Six went on display here today at the showrooms of Stimson Camp Ground, local Oakland and Pontiac dealers.

Smarter, roomier than a year ago, with bodies of distinctive design, and a chassis said to be the last word in mechanical refinement, the latest All-American model bears only a passing resemblance to its famous predecessor—the first All-American Six brought out by the Oakland Motor Car Company a year ago.

Briefly, the new line offers a bigger, faster, more powerful engine; new Oakland type internal expanding 4-wheel brakes; masterful body creations by Fisher; new Duo color combinations; higher, larger, cross-flow radiator with grill front; adjustable driver's seat; chrome lamps of new design; sturdy 10-spoke wheels; absorbers and spring shock as standard equipment; new steering gear; sturdier frame, and a host of other improvements that are destined to make the car a distinguished addition to the aristocratic motor car family of America.

Many months have been spent in developing the car to a point where it offers everything that a discriminating public has learned to expect in the way of style and performance. Every detail has been subjected to exhaustive tests that the car might represent the crowning achievement of 22 years of successful automobile building by the Oakland Motor Car Company.

Post expected to open its new \$100,000 high school building last Monday.

CHURCH OF CHRIST

The house was full Sunday morning. Ever seat was taken. But come, we will make room. All the services were well attended. ONLY PONTIAC AMONG ALL SIXES OF ITS PRICE OFFERS

Body by Fisher! The very phrase suggests the newest style, the greatest luxury, the finest construction. Yet only Pontiac among all sixes of its price offers Bodies by Fisher. And their long, low, smart lines, their deep-seated comfort and durable hardwood and steel construction explain much of the tremendous popularity which Pontiac continues to enjoy.

But bodies by Fisher represent only one of the many advantages offered by today's Pontiac Six. A 186-cubic inch engine equipped with a new, more highly perfected carburetor—the cross-flow radiator with thermostatic control—the G-M-R cylinder head... all these vital engineering advancements are provided by Pontiac and by no other six selling for as little as \$745.

2-Door Sedan, \$745; Coupe, \$745; Sport Roadster, \$745; Phaeton, \$775; Convertible, \$795; 4-Door Sedan, \$825; Street Landau Sedan, \$835. All prices at factory. Check Oakland Pontiac delivered price—they include license handling charges. General Motors Time Payment Plan available at minimum rate.

SOCIETY

20TH CENTURY CLUB HOLDS HALLOWE'EN PROGRAM

The Twentieth Century Club held its annual Halloween program in honor of the returned soldiers Tuesday, Nov. 6, at the home of Mrs. P. C. Chenault. The house was decorated with pink rosebuds and yellow chrysanthemums, with the club members as hostesses and each inviting a guest.

Upon arrival of guests and members at 12:00 o'clock the meeting began with a welcome to guests and members by Mrs. W. T. Raybon. Then the meeting proper was opened by the song, "America," the club singing in unison.

Mrs. Allen Warren then gave an interesting discussion on the question, "Can the World Disarm?" Following the main course, Mrs. Noble gave a paper on "How the Defense Societies Reply to the Disarmament Plea." Mrs. Sentell then read John Drinkwater's war poem on "We Mothers Know."

After the salad course, Mrs. W. W. Smith sang "Let Us Have Peace." Mrs. Dorward concluded the program with a paper on "A Christian Conscience About War."

The following guests and members were present: E. J. Anderson, Wayne Boren, A. L. Stoker, Charles Rosenberg of Brownwood, D. Dorward, J. J. Taylor, L. O. Smith, Wade Winston, J. G. Hicks, Lloyd J. Webb and Miss Gertrude Isaacs.

"HERE COMES ARABELLA"

The play, "Here Comes Arabella," a musical comedy in three acts, was given at the High School Auditorium last Thursday evening under the auspices of the Sine Cura Club.

The play was full of romance, humor, beauty, pathos and music in variety of every kind.

Music was furnished by the High School Orchestra.

Miss Martha Gray, who took the part of Arabella, and Joe Drake, who was Bob Adair, the leading man, were both excellent characters. The play was highly entertaining from beginning to end.

Following is the cast of characters: Bob Adair, leading man, Joe Drake.

Arabella, leading lady, Martha Gray.

Sydney Hopwell, Herman Darby, Jack, Charles Cooper.

Robin Red Breasts: Johnie Ruth Shaw, Doris Wilson, Evelyn Harris, Peggie Morrow, Faynell Spear, Mavis Jenkins.

TWENTIETH CENTURY

The Twentieth Century Club met in regular session on October 30 at the home of Mrs. Joe Strayhorn, studying interesting facts about Texas and Texas writers.

"Sallie Ann's Experience," by Eliza Calvert Hall, was given by Mrs. Brice, then Mrs. Dorward gave a book review of the "Golden Coocon," by Ruth Cross. The "Texas Atmosphere in Dorothy Scarborough's Books" was made very prominent by Mrs. Chenault. A ghost story was then given by

Mrs. Wraymond Sims, concluding the program, after which a refreshment plate was served to the following guests and members:

Mesdames H. G. Towle, W. W. Hamilton, Lee Stinson, R. H. Cur-nutte, Sr., Roy Strayhorn, H. M. Blackard, I. W. Boren, H. J. Brice, P. C. Chenault, J. C. Dorward, J. Nelson Dunn, W. J. Ely, C. E. W. H. RITZENTHALER AND MISS DAVIDA CURRY WED

The marriage of W. H. (Chubby) Ritzenthaler and Miss Davida Curry took place last Thursday at 12:30 at the home of Mrs. A. J. Towle, with Rev. J. F. Lawlis of the Methodist Church officiating.

The ceremony was very quietly performed with only the bride's father, E. D. Curry, and Mrs. A. J. Towle present.

Immediately after the ceremony Mr. and Mrs. Ritzenthaler left for a week-end visit with the bride's relatives in Dallas and Errol Taylor in College Station.

The bride was becomingly gowned in a navy blue dress with hat, purse and other accessories in harmony. She is the attractive daughter of E. D. Curry. Her amiable disposition and sweet manners have won for her a host of warm friends. She is a graduate of the Bryan High School at Dallas.

The groom is the son of Mr. and Mrs. J. L. Ritzenthaler of Salisbury, Mo. After graduation from high school he attended Missouri University and Hiram College in Ohio. Mr. Ritzenthaler has been in Snyder only a short while but during that time has won for himself a large number of friends both in business and church circles. Mr. Ritzenthaler is the Junior Editor and advertising manager of the Times-Signal.

The many friends of this couple extend to them their best wishes for success and happiness.

Mrs. W. M. Scott hosted to EL FELIS CLUB

Mrs. W. M. Scott was the charming hostess to the members and guests of the El Felis Club last Friday afternoon at her home. The color scheme of red, white and blue, Armistice Day colors, was carried out in the decorations.

Unusual interest was displayed in the forty-two games of the afternoon. A most delicious refreshment plate was passed to Mesdames J. G. Hicks, Clyde Shull, A. J. Cody, W. E. Smith, and George Northcutt, H. G. Towle, G. A. Hagan, H. J. Brice, L. O. Smith, L. T. Stinson, Stoker, Wade Winston, Dick Randals, J. C. Dorward, Com Ezell, Bob Warren, Joe Taylor, W. T. Raybon, E. English, Roy Strayhorn, C. E. Ferguson, B. Blackard, Watt Scott. The hostess was assisted in entertaining by her daughter, Mrs. McCoy, of Wichita Falls.

MARRIED AT SAN ANGELO

Paul Carrell, son of Mr. and Mrs. J. L. Carrell of the Union Community, and Miss Edith Russell, daughter of Mr. and Mrs. W.

Russell, were married at San Angelo Thursday.

The groom is the youngest son of Mr. and Mrs. Carrell, while the bride's parents formerly resided in the Union community, but Mr. Russell is now teaching school in Mitchell County.

Following the marriage the young couple will return here and occupy a part of the Carrell farm and will assist Dad Carrell in farming the place.

The Times-Signal joins in extending best congratulations.

MRS. A. J. TOWLE ENTERTAINS WITH DINNER

Mrs. A. J. Towle entertained with a lovely three-course dinner Tuesday evening at 7 o'clock at her attractive home.

The table was centered with pink and white roses, and dainty place cards indicated places for the eight guests. Those present were Mr. and Mrs. W. H. Ritzenthaler, Mr. and Mrs. O. D. Carter, E. D. Curry, A. J. Towle and Miss Lucille Carpenter.

Delicious refreshments were served to Mesdames W. H. Ware, Claude Sims, Bill Hutchinson, G. B. Carlton, Wesley Evans, Addison Casstevens and D. Singletary and Miss Melba Richter of Knapp, guest.

BUSINESS AND PROFESSIONAL WOMEN MEET

The Business and Professional Women's Club met Tuesday evening at 6:30 at the Presbyterian Church with Mrs. C. P. Howell and Miss Blanche Mitchell hostesses.

Following the usual business session a patriotic program arranged by Mrs. Howell and Miss Mitchell was given with all thirty-three guests taking part on the program.

BATES-MARR

Reid Bates and Miss Georgia Bell Marr were married last Friday evening at the home of Rev. L. D. Sanders with Rev. Sanders officiating.

These young people are well and favorably known in Snyder, both coming from prosperous families of this vicinity. The bride is the daughter of Mr. and Mrs. C. C. Marr of Bison, and the groom is the son of Mr. and Mrs. J. M. Bates of Turner.

The many admirable qualities of both have won for them the friendship and esteem of a large circle of friends, whose sincere wishes are extended to them for a long, happy and prosperous matrimonial voyage through life.

SELF CULTURE CLUB

Mrs. H. L. Davis was hostess to the members and guests of the Mothers Self Culture Club Tuesday afternoon at her home.

The lesson for the afternoon was on "Ideals of George Washington," Thomas Jefferson and Alexander Hamilton, with Mrs. Watt Scott as the capable leader. Delicious refreshments, which consisted of apple pie, coffee and whipped cream were served to the club members and Mrs. Howell Harpole and Mrs. A. C. Humphreys, guests.

WEEK OF PRAYER OBSERVED

The women of the Methodist Church met this week in their annual Week of Prayer services Monday afternoon, with Mrs. R. H. Curmutte leader, the needs of China, Japan and Korea were stressed with special prayers for their workers and the program of work. Beautiful words for meditation were spoken by Mrs. Wayne Boren.

Tuesday afternoon, with Mrs. H. P. Brown leader, the needs of European countries and Latin America were the subjects for special discussion and prayers. A soul-reaching talk on "The Street Called Straight" was given by Mrs. W. J. Ely. Emphasizing the spirit of the program was a solo, "My Evening Prayer" (Bonny) as sung by Mrs. W. W. Smith, and the poem, "Sins of Omission," read by Miss Lucille Brown. Concluding the program, Mrs. Dodson, a former pastor's wife, gave a resume of her year's work.

This time of special prayers was concluded Wednesday evening at the regular church prayer.

P. T. A. MEETING

The Parent-Teacher Association will meet at the high school auditorium Thursday, Nov. 15, at 7:30. The following program will be given:

3 BIG JOBS for an active Organization

Providing Electric Power Meeting Constant Changes

New electrical equipment is added in homes, offices, stores and factories each day. New homes and factories are built, new stores and offices are opened, all demanding more electric service. It is a big job for electric power companies to keep up with this increasing need.

Changes in the methods of making and distributing electric power take place over night. Good equipment of yesterday will be obsolete tomorrow—something newer and better takes its place. These changes call for continual study on the part of power and light engineers.

Planning for Greater Needs

Power plants built to serve the needs of today will not be equal to tomorrow's demands. Construction of today must be planned so that instant and unlimited increases in electric power can be made when needed. Cities must have this type of electric service or they can not grow greatly.

The Texas Electric Service Company does these three big jobs in a manner unequalled in any section of the country. This Company's service can not be equalled by an isolated power plant.

NOTICE IN PROBATE

THE STATE OF TEXAS,
To the Sheriff or any Constable of Scurry County—Greeting:

You are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Scurry County, a copy of the following notice:

THE STATE OF TEXAS:
To all persons interested in the estate of George S. Conro, deceased: No. 613:

Mary E. Conro has filed an application in the County Court of Scurry County, on the 30th day of October, A. D. 1928, for the probate of the last will and testament of said George S. Conro, deceased, filed with said application, and for letters testamentary of the estate of George S. Conro, deceased, which will be heard at the next term of said Court, on the 12th day of November, A. D. 1928, at the Court House of said County, in Snyder, at which time all persons interested in said estate are required to appear and answer said application, should they desire to do so.

Herein fail not, but have you fore said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal, at Snyder, Texas, this 30th day of October, A. D. 1928.
(Seal) MABEL Y. GERMAN,
Clerk County Court.

ELECTION ORDER

The following Election Order was adopted by the City Council of the City of Snyder, Texas, October 10th, 1928, and ordered published as provided by law for thirty days preceding said election.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SNYDER, TEXAS, That an Election be held on the nineteenth (19) day of November, 1928, which is not less than thirty days from the date of the Order, at which Election the following proposition shall be submitted:

Shall the City Council of the City of Snyder, Texas, be empowered to close, by Ordinance, any street or alley, or part or parts of any street or alley, within the City of Snyder, Texas, under the provisions of Article 1020 of the Revised Statutes of the State of Texas?

The said Election shall be held at the City Hall, in the City of Snyder, Texas, and the following named persons are hereby appointed to hold said election, to-wit: J. C. Maxwell, presiding judge; H. V. Williams, assisting judge; Mrs. Cullen C. Higgins, clerk; Mrs. S. T. Elza, clerk.

Said Election shall be held under the provisions of the Constitution and laws of the State of Texas. All voters who favor the proposition to empower the City Council to close, by Ordinance, any street or alley, or part or parts of any street or alley within the City of Snyder, Texas, shall have printed on their ballot the words:

FOR conferring upon the City Council of the City of Snyder, Texas, the power to close, by Ordinance, any street or alley, or part or parts of any street or alley within the City of Snyder, Texas.

All those opposed shall have printed upon their ballot the words:

AGAINST conferring upon the City Council of Snyder, Texas, the power to close, by Ordinance, any street or alley, or part or parts of any street or alley within the City of Snyder, Texas.

The manner of holding said election shall be governed by the laws of the State of Texas regulating general elections.

All persons who shall have resided within the corporate limits of the City of Snyder, Texas, six months next preceding said election and qualified under the laws of the State of Texas, are eligible to vote in this election.

A copy of this order signed by the Mayor of the City of Snyder, Texas, and attested by the City Secretary shall serve as proper notice of said election. The Mayor is authorized and directed to cause said notices to be posted at three public places in the City of Snyder, Texas, one of which shall be at the City Hall (the place herein designated for holding said election) for at least thirty days preceding the date of said election. The Mayor is further authorized and directed to have said notice published in the Scurry County Times-Signal, a newspaper of general circulation published for more than one year in the City of Snyder, Texas, and which notice shall be published once each week for five weeks, the date of the first publication being not less than thirty days prior to the said election.

H. C. TOWLE, Mayor,
City of Snyder, Texas.
Attest: A. C. PREUITT,
(Seal) Secretary. 18-5tc
