

ARMISTICE DAY SERVICE HELD AT SNYDER CEMETERY

Judge Fritz R. Smith Gives
Interesting Data On
War Veterans

Impressive were the services at the Snyder City Cemetery Sunday afternoon when more than a thousand people turned out to enjoy a program of respect and honor to the memory of World War and Civil War veterans. With the two troops of Boy Scouts as Guards of Honor, the ceremony started with a most beautiful invocation pronounced by Rev. W. F. Ferguson, who brought to the minds of the attendants the true meaning of the day and its import to the hearts and minds of those present.

The program was then turned over to the chairman, Judge Fritz R. Smith, who in a few well chosen words hearkened back to ten years ago, and 68 years ago and told of the great honor that had been bestowed upon him to address this gathering. Full tribute and respects were paid to the heroic heroes, forty of them, who are buried in the local cemetery. Beautiful were the thoughts made by the speaker in his climactic close as he told of the boys who had made the world safe for you and me.

Following the address, the committee, headed by Mrs. S. T. Eliza and Mrs. R. H. Bell, had arranged the cemetery with seven stopping points at which the graves in that particular zone were decorated with floral pieces, and following each stop E. Wedgeworth sounded taps.

Men who fought in the war between the states are followed by Rev. D. H. Hurt, J. P. Brown, W. D. Huffman, Judge R. J. Strayhorn, Capt. A. O. Scarborough, M. S. Teters, W. B. Brown, Thos. Lindley, D. E. Murphree, T. D. McMillan, D. W. Jones, J. S. Jones, G. A. Glenn, T. C. Stinson, Jake Champion, Francis Marion German, George W. Johnson, Joe A. Middleton, H. H. Merritt, D. P. Lane, W. R. Sharp, Mr. Ware, D. B. A. Bynum, J. D. Fuller, T. F. Rodman, J. H. Tinker, S. V. Sunruld, A. B. Stiles and W. L. Stiles, a total of 29.

World War veterans include: Freeland Hyson, Eoff, William Carroll Porter, Robt. L. Turner, John S. Brewer, Henry L. Woodard, Mr. Ingram, Mr. McCulloch, W. P. Merrill, Horace Sterling Wright, Alvin Crowder, Everett Darrow, Dr. J. W. Warren and George H. Ware, a total of 12.

At various points Judge Smith was able to give some of the historical data of the men who are buried, and the notes as given follow:

R. J. Strayhorn, lieutenant, Co. C, 14th Division, Forrest Cavalry, and served the full duration of the war.

William Carroll Porter, son of Mr. and Mrs. Scott Porter, enlisted in the first day of June, 1918, in veterinary work and trained at Camp Lee, Virginia, later in France, and after three months and 21 days of service, died on Sept. 22, 1918.

Freeland Hyson Eoff enlisted at Dallas in 1903, and was a member of Co. D, 15th Infantry, U. S. Standing Army, and died July 8, 1908.

Jep Brown enlisted at Weatherford with Capt. Baylor.

W. D. Huffman joined Confederate army at 18 years of age, served in Co. D, 3rd Regiment under General Tom Green for 4 years with his father and four brothers. Died August 21, 1924.

M. S. Teters enlisted at Weatherford with Capt. Baylor.

J. S. Jones, born in 1845 near Paducah, Ky., served 3 years in Confederate army under General Forrest. Came to Texas in 1867 and died in 1905.

D. R. Trevey enlisted in Company C and served through entire war as a private.

Thomas Lindsey enlisted at Simpsonville and served three years in the cavalry.

Daniel E. Murphree went to the war in 1863 at the age of 18 years and stayed until the close.

W. B. Brown enlisted at Weatherford, belonging to Co. B, 19th Texas Regiment, Parsons Brigade. He was also a member of Camp Hill Scurry, U. C. V.

Henry L. Woodard was a private with the Third Battery, 76th Artillery.

T. C. Stinson entered service in Cherokee County and served one year in the war between the states.

G. A. Glenn at the age of 16 years joined the cavalry, serving throughout the Civil War in Co. C under General Wheeler.

John S. Brewer served as private in 1st Cavalry, 39th Division.

Jake Champion enlisted in the Civil War from Mississippi.

George W. Johnson was a soldier in the war between the states.

W. R. Sharp enlisted as a private at Cameron, Texas, and served the full time of the war between the states.

Amendments Remove Barriers

The passage of the two amendments to the Constitution of Texas dealing with the administration of public school systems, in the opinion of R. T. Ellis, executive secretary of the Texas State Teachers Association, will loose the bonds which have held such institutions bound and checked their progress.

He believes their passage is the most important step the state has taken in education in 50 years. The constitutional barriers removed, he believes that Texas schools will step into a leading place beside their modern school systems of the country.

One of the Amendments empowers the legislature to fix the terms of office and to determine the size of boards of trustees and regents. Previously, the constitution has contained these stipulations.

Ellis said the legislature at its next session will be asked to pass legislation having the following provisions:

1. Election of only one-third of the members of any educational board, trustees in rural schools, board of education in independent districts or boards of regents, at one time; the remainder to be elected by rotation, the terms overlapping terms that will keep constantly in power an experienced majority.

2. In the case of rural school trustees, one member shall be elected each year; the term should be three years.

3. In the case of boards of education in independent districts, two members should be elected in each of two years and three the third year. Terms should be three years.

4. Terms of regents should be lengthened, but not to exceed six years.

He believes such provisions will prove a safeguard to the public school system by assuring experienced administrators for each unit of the system at all times.

OLD PIONEER PASSES

D. W. Meador, one of the fine old pioneers of this section, passed to his last reward Saturday following a two years illness. Funeral services were held Sunday at the First Baptist Church, with Rev. J. W. McGaha in charge. A large number of friends attended.

"Father" Meador, as he was affectionately known to his many friends, as well as Mother Meador, who he killed the last two years ago and have been among the best citizens of this section. During the entire time that the husband has been bedfast, Mother Meador has administered to his every need and want.

Children who were present when the Death Angel came were a son, Dock, of Big Spring; daughters, Mrs. Sallie Stevenson of Poyote, and Mrs. John Davis of Dimmitt; another daughter, Mrs. Cook, of New York; is now in Italy and was unable to come.

When the funeral cortege reached the Snyder cemetery, the Armistice Day program in progress at that time, the crowd of homages to another soldier boy who had answered the final summons. Floral tributes were many, and the beautiful respects paid the departed will linger as sweet memories to Mother Meador and her family.

"SADIE THOMPSON" IS NEW SWANSON FILM

"Sadie Thompson," Gloria Swanson's latest screen offering, has been booked the feature attraction at the Palace theatre beginning Monday. Adapted from W. Somerset Maugham's internationally famous short story, "Miss Thompson," "Sadie Thompson" is the second contribution to the screen as an independent producer under the banner of United Artists, of which she is an owner-member.

The new picture was directed by Rye W. Ackers, who has won such signal success with his "What Price Glory" and "Loves of Carmen," and it was produced at the United Artists studio in Hollywood. "Sadie Thompson," the most dramatic role she has interpreted, Walsh, the director, makes his first screen appearance in years as he has booked "Timothy O'Hara," the Marine Lover, and Lionel Barrymore has the role of Alfred Atkinson, the reformer, one of the most discussed characters in modern literature. Other members of the cast are Blanche Frederic, Charles Lane, Florence Midgley, James A. Marcus, Sophia Artega and Will Stanton. In addition a group of Samoan natives and large company of Marines has been booked the picture, which has its setting at Pago Pago.

The Times-Signal will soon announce the installation of a new and larger press for our job department. The new press made imperative to make the improvement.

C. S. Ray, veteran killer and champion at his line of work, caused more than 1,500 turkeys to pass to Turkey Heaven Monday, and at 2 cents a fowl, Brother Ray consummated a real day's work.

West Bridge Street, which passes the Snyder Produce Co. plant, now branches out under a new name, according to Billy Frank, who now styles it "Turkey Run Boulevard."

D. B. A. Bynum entered service from Alabama and served four years in Co. B, 28th Alabama Regiment, as a private.

Scurry County Goes for Hoover

Republicans Are Politicians
And Should Make Fine
Diplomats

Scurry County went Republican nearly four to one insofar as the presidential candidates were concerned, but of course and naturally, state and county Democracy remains in charge.

Again the Democratic party, if it may be called a "party" parenthetically, it seems to us that it is just so many individuals, is the laughing stock of the political world. An old timer said Tuesday: "You can always depend upon the Democratic party to do the wrong thing at the right time."

In the East, which is largely Republican, Hoover let it be known that his prohibition attitude would be satisfactory to all—this followed by a knowing wink among the wet Republicans. In the South, Hoover was as dry as the Sahara desert, but let it be known that he could be honored personally if a Catholic were elected president, and his able campaign managers "permitted" the Democrats of the South to vote a split ballot, and also "permitted" them to contribute something like \$5,000,000 toward the election of a Republican president. It is to laugh which the Republicans will do, and right heartily.

In all good humor, we write the above returns. We harbor no ill will toward anyone. Our respect for the ability of the Republicans as campaigners has increased about 232 per cent in the past six months. Now we know how easy it is for them to handle the little transaction known to a few as the "Teapot Dome and Elk Hill Oil Scandal." In a few months they will probably have us paying tribute to the Republican cabinet and president who leased these naval oil reserves. Their technique is becoming more delicately perfected every day, and long this nation will have Republicanism.

We confidently expect that before the above returns, many of the Republican diplomats who can cope with the celebrated diplomats and politicians of Europe. Oh, generous Hokus-Pokus, "in the name of Hoover and Prohibition," said a Scurry County wag on election day as he killed the last two drinks in a \$2.00 Scurry manufactured pint, as he prepared to go to the polls and be a Hoover Democrat.

Our honest to goodness opinion of the entire Democratic campaign and election is that Ras-kob better remain with the automobile manufacturing business. As the head of the greatest and best party in all the world, Ras-kob was a basket full of ripe fruit long as the stable stage.

But, readers, who we started to tell was the official total vote for president in Scurry County, but before giving the news, we want to call your attention to the fact that four boxes ONLY in the county remained true to Democracy, namely, Sharon, Lone Wolf, Loyd Mountain and County Line:

WHAT ABOUT UNION SERVICES THIS YEAR?

Someone has suggested that a union Thanksgiving service of all churches should be held this year on Thanksgiving morning. What do the ministers and congregations of Snyder think about this?

A blanket was stolen from the bed of Mrs. H. A. Gunn of Grand Rapids, while she was sleeping.

SCURRY COUNTY TURKEYS

Mainly among the concerns and men who are doing their level best to diversify and prove their point is the Snyder Produce Company and its booster manager, Billy Frank.

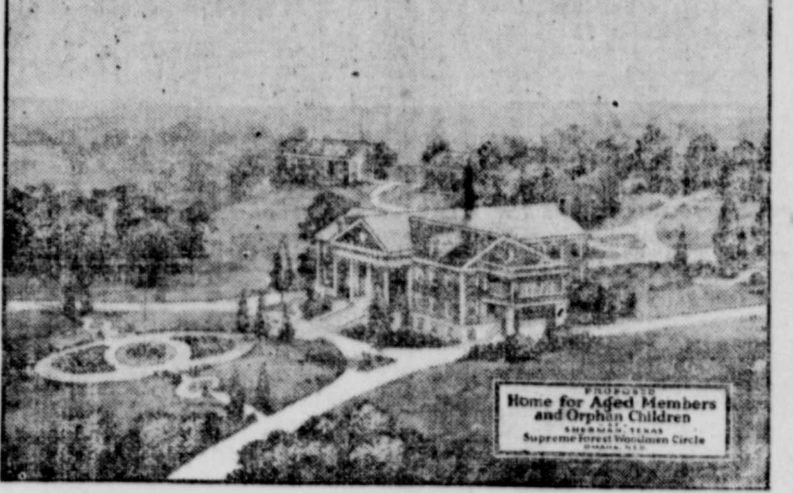

Last Saturday and Armistice Day Billy Frank personally handed out checks to the amount of \$14,742.56 for Scurry County turkeys. The special price paid for these turkeys was 32 cents a pound, and 14,022 pounds of dressed turkeys went out of here for the eastern markets. Saturday, 31,111 pounds came in, and Monday, 14,022 pounds more.

C. S. Ray, veteran killer and champion at his line of work, caused more than 1,500 turkeys to pass to Turkey Heaven Monday, and at 2 cents a fowl, Brother Ray consummated a real day's work.

West Bridge Street, which passes the Snyder Produce Co. plant, now branches out under a new name, according to Billy Frank, who now styles it "Turkey Run Boulevard."

CONSTRUCTION STARTED

Yesterday ground was broken for the first building of the Woodmen Circle Home for aged members and orphan children at Sherman, Texas.

An interesting sentiment connected with the choice of November 14 as the date to break ground is that it is the birthday of National Secretary Dora Alexander Talley of Omaha, Neb. Mrs. Talley was born in Texas and made her home in the state until she became national secretary. For many years it has been her ambition for the society to have such a home as is now being started.

Immediately after the groundbreaking ceremony active work was begun on the excavation for the administration building. It is the aim of the Woodmen Circle eventually to have not just one home but rather a community of homes at Sherman.

National President Mary E. Larocca of Omaha will turn the first dirt with a silver pick which is treasured by the Sherman Chamber of Commerce.

The ceremony was a birthday celebration in another way, for State Supervisor Edda Davidson of Houston, a member of the home committee, had announced that all applications received by the 14th would go to make up a huge Birthday Class in honor of

CITY COUNCIL HIRES A. (PAT) JOHNSTON AS CITY MANAGER

According to City Secretary A. C. Preuit and the minutes of the City Council, the aldermen elected A. (Pat) Johnston city manager Friday night at a called meeting. He will have charge of every department of the city outside of elective officers' duties, and will receive a salary of \$1800 a year, the money to be taken from the general fund.

Alderman Earl Brown introduced the resolution, and Sam Casstevens seconded the motion. On a vote of the council five years were registered and one negative vote. Aldermen voting for the measure include Bradbury, Stinson, Wilhelm, Brown and Casstevens. Against, Thompson.

BRIDGE ENGINEER INJURED IN WRECK

J. C. Wilson, superintendent of bridge construction, State Highway No. 7, was seriously injured Thursday morning when his car overturned five miles south of Post on the Snyder-Lubbock highway. His skull was fractured in two places. He was rushed to the Lubbock Sanitarium immediately after the accident.

Wilson was in charge of construction on new bridges being built across the river at Justiceburg.

NOTED PREACHER TO APPEAR HERE

Rev. Charles F. Parham, well known in Snyder, who has just returned from the Holy Land, will give two addresses here next Tuesday and Wednesday night at the City Tabernacle. He will show 200 photo slides of the Holy Land. Admission is free.

Be sure of this, when oil strikes for sure in Scurry County you will find the Times-Signal right on top of it. Plenty of oil bunk is now going the rounds, but it's the sort of information that one pulls apart like taffy.

BANK DEPOSITS and FARM DAIRYING

Here is given an eye-opener of what dairy farming has done for seven counties in other states than Texas, as compared to the seven best counties in Texas. These towns are all county seats. The figures given below are taken from the August, 1928, Bankers Blue Book. The bank deposits in the farm dairying town in another state is given first, then those of the Texas town its size follows next:

Brookhaven, Mississippi	\$3,919,140	4,706
Belton, Texas	\$869,700	5,098
Kosciusko, Mississippi	2,667,660	3,358

New Hardware Opens Today

Local Men to Have One of
the Finest Stores in
West Texas

The city of Snyder welcomes a brand new store to town today, and while the name and men associated are well known, yet the Snyder Hardware & Implement Company receives the gold medal for the newest here.

The company is composed of George Northcutt, George Oldham and E. F. McCarty, all of whom have been identified and associated with Higginbotham Bros. & Company.

George Northcutt, whose resignation takes place today, has been manager of the local Higginbotham store since 1914, and is too well known for much comment. He has served in one capacity or another for 25 years, with the Higginbotham folks where he has always been known for his fine merchandising ability and as a friend and mixer de luxe. His judgment on agricultural subjects is widely recognized, and his friends are numbered by those with whom he has ever had the slightest acquaintance.

George Oldham, another member of the firm, came to Snyder in 1925 to become identified with the Higginbotham store. He is an adept at all lines of hardware and implements, has a large circle of friends, and while identified with the new store, his resignation at the Higginbotham store will not become effective until the first of the year. Like Mr. Northcutt, George Oldham has a wide circle of friends who are "ever" both these boys until the bench breaks.

E. F. McCarty, the third member of the new firm, is also well known here, having visited the Northcutt family at various times, Mrs. McCarty being a sister of Mr. Northcutt. Mr. McCarty comes from Wichita Falls and was formerly associated with the Higginbotham chain of stores.

The Times-Signal wishes the new organization every success in their new location on West Bridge Street, the main store being on the north side in one of the H. G. Towle buildings, while the implement and heavy hardware will be located directly opposite in the new brick building recently constructed. The main store when finally completed will be one of the showiest places in West Texas.

LIONS CLUB WILL BANQUET NEXT WEEK

Next Thursday evening, Nov. 22, was selected as the Ladies' Night Banquet date of the Lions Club at the regular meeting held yesterday noon. While the bunch present was small, enough enthusiasm was generated for a crowd four times as large. Some Lions who profess to be real Lions do not have to be honored yesterday noon concerning the luncheon that day. The man who says he forgets it simply a derelict in the organization.

Special music features were enjoyed during the luncheon hour with two numbers by Mrs. Tom Gates in the way of musical recitations, accompanied by Mrs. W. H. Ritzenthaler. Miss Martha Gray also gave two readings. Both Mrs. Gates and Miss Gray were given a round of applause for their clever and entertaining numbers.

Chairman Wedgeworth read an article from the Dallas News concerning the present status of the Snyder, Russell & Gulf railroad, which still seems to be able to stay in the date lines.

Officers re-elected include C. Wedgeworth, president and H. J. Brice, secretary-treasurer. Committees for the Ladies' Night Banquet next Thursday evening at the high school in charge of the Home Economics department, include:

Attendance: J. C. Stinson, chairman; J. E. Blakey, Roy Strayhorn and Warren Dodson. Arrangements: Hugh Boren, chairman; W. C. Shull and H. J. Brice.

Entertainment: Geo. F. Smith, chairman; J. M. Harris, A. A. Bullock and Fred Wilhelm. The membership committee for the coming six months includes P. Thrane, H. J. Brice, C. E. Fish and R. A. May.

DEFEAT SWEETWATER

While the Sweetwater Mustangs defeated our Snyder Tigers Armistice Day, yet the Snyder Polo Club had the delicious privilege of defeating Sweetwater's polo team at Colorado last Tuesday, 4 to 3. What's the sauce for the goose may be dynamite for the gander. Yea, boy!

Triplets were born to Mrs. Ada Farwell, aged 52, of London, her first children.

TIGERS LOSE ARMISTICE DAY GAME TO SWEETWATER 21-12

Special Train Carries 375
Snyder Fans to Swatter
Park Monday

The Snyder High Tigers went down in defeat at Sweetwater Armistice Day when the Mustangs whipped them 21 to 12—but it was a battle. Neither the team nor any of the hundreds of boosters who went with them have any alibis whatsoever. Snyder was defeated cleanly, squarely and honestly before the largest crowd ever to attend a football game in this territory. Officials stated that 5,000 paid admissions were taken at the gates.

The game was brilliantly played with every minute of play bringing out the utmost in the two squads that were fighting for every inch. The victory of the Sweetwater team brings them the honor of the western section of District 9, Class B, and they will play Anson for the district championship, Anson defeating Stamford Armistice Day 3 to 0.

The champions that started the Tiger-Mustang tilt follows:

Snyder	Pos.	Sweetwater
Curry	rt	Hughy
Martin	rt	Browning
Trice	rg	Bickerstaff
Karnes	cg	Henry
Gregg	lg	Guthrie
DeMarkard	lt	Bonner
Head	le	Scales
Pollard	q	Ely
Trigg	rh	Lynn
B. Moore	fb	Wilkins
Huestis	tb	Taylor

Snyder scored first early in the second quarter. The cause of the second quarter was the recovery of a Sweetwater fumble late in the first quarter by Karnes on their 28 yard line. At the start of the second quarter a 12 yard forward pass, Huestis to B. Moore, put the ball on the Mustang 1 yard line. Huestis and B. Moore failed at line backs to put it over, and on the third try, B. Moore went over for the touchdown. Huestis missing point after touchdown.

Score, Snyder 6; Mustangs, 0.

It was then in the second quarter that Freese, the flashiest broken field runner in West Texas, and Taylor commenced to get going and the brothers and sisters could sure travel. After Taylor, Mustang back, had returned a Snyder punt 26 yards, a forward pass, Taylor to Freese, netted 40 yards. On line back, and a lateral pass, Taylor nudged for the touchdown, with Center Henry of Sweetwater kicking goal, the score then being 7 to 6 in Sweetwater's favor.

After Snyder received the kickoff and failed to gain, Huestis punted and after two plays Taylor went 50 yards to within one yard of the Snyder line, with Wilkins lunging for the Mustangs' second touchdown. Henry kicked goal.

Score, Sweetwater 14, Snyder 6.

The half ended here, and the colorful spectacle put on by both the Tiger and Mustang pep squads added a great deal to the day's enjoyment. Representatives of the B. & R. Theatre chain were taking movies both before and all during the game.

The start of the third quarter brought Sweetwater kicking to Snyder, Trigg returning the ball 18 yards. On try plays by B. Moore and Trigg with gains, a Snyder forward pass was snagged by Freese who went 16 yards, but after three unsuccessful attempts at the Snyder line which was very good throughout the game, the Mustangs punted to Pollard who returned 10 yards. After several exchanges of the ball, Huestis punted and on the first play Freese made a 12 yard gain followed by Lynn for 12 yards. After Snyder had regained the ball, they punted as the third quarter ended with the ball on the Mustangs 32 yard line.

At the opening of the fourth quarter the Mustangs kicked to Pollard who returned about eight yards. Huestis and Trigg both made 4 yards, then Snyder forward passes commenced to rain, and on the third play Huestis to B. Moore went for 30 yards, and then Huestis to Head good for 10 more. The Mustangs here made their first substitution, placing Bledsoe at right guard. The next play, a pass, Huestis to B. Moore, was good for 11 yards. A fake pass by Huestis was good for 7 yards, a fine play, after which B. Moore went over for Snyder's second touchdown. Huestis failed at goal.

Score, Sweetwater 14, Snyder 12.

After several exchanges of the ball, Freese on a forward pass romped to Snyder's one yard line again, with Wilkins going over for the touchdown. Henry kicked goal.

Score, Sweetwater 21, Snyder 12.

After Sweetwater kicked to Trigg, who muffed the ball with Freese recovering a forward pass, Huestis to B. Moore, registered a first down, but the whistle ended the game.

In the last quarter Snyder uncovered some of the finest forward passing ever displayed by any high school team in West Texas, but the Tigers could not offset the speed of Freese and Taylor and the remarkable goal kicking of Center Henry.

Standing out as stars for the Tigers were Huestis, B. Moore, Trigg, Trice, Martin and Karnes, while for the Mustangs Henry, Lynn, Freese, Wilkins, Taylor and Ely were the stars.

The Mustangs made eleven first downs to Snyder's seven, while on forward passes Snyder completed seven out of thirteen attempts,

REAL BATTLE NOV. 23

Snyder High School's new athletic stadium will be formally dedicated next Friday, Nov. 23, when the Stamford High School football team comes here to oppose the Snyder Tigers.

Stamford stands in the same position in the eastern end of District 9, Class B, as Snyder stands in the western end. Stamford having been defeated by Anson, and the Tigers by Sweetwater, both defeats occurring Armistice Day.

Fathers and Mothers of the Tigers will occupy special side-line seats at the game, and formal dedication ceremonies will be observed preceding the football battle. Stamford was only defeated by Anson 3 to 0, and are said to have one of the flashiest and fastest teams in the history of their school. Everybody in Snyder will want to attend this game.

AGED WEST TEXAS RANCHER DIES SNYDER

John B. Slaughter, 79, pioneer rancher and cattleman, died Sunday at his ranch home near Post after having been successfully engaged in the cattle business for 27 years. Heart disease followed by an attack of indigestion was given as the cause of his death.

CALIFORNIA HILLS SEEN IN BEERY-HATTON FILM

Southern California hills and canyons, in the vicinity of Hollywood, were used to advantage in the filming of the new Wallace Beery-Raymond Hatton team comedy, "The Big Killing," and became, temporarily, a backwoods section of mountain country, alive with "moonshine" distilling plants, warring mountaineers, semi-primative log cabins, and pretty romance.

In selecting the outdoor settings, care was taken to choose scenery similar to that of the mountain locale required, but the natural beauty of the locality was a factor in selecting it, and beautiful vistas of the California hill country are recorded in the picture.

"The Big Killing," which will be the attraction at the Palace Theatre Wednesday and Thursday of next week, is the second of the Beery-Raymond melodramatic comedies. The first of this distinctive new type of picture undertaken by this team of comedies, "Partners in Crime," was exceptionally well received by audiences throughout the country and seemed to strike an advance note in moving picture comedy.

With the district championship entirely out of the minds of Snyder football enthusiasts, the next thing to do is to dedicate the new athletic stadium—and then wallop Colorado Thanksgiving Day.

HONEY GROVE SIGNAL LIGHTS

Sit Steady in the Boat
Oh, say, you've not forgotten How insects eat the cotton Every year.
There's no need to die of fright, 'Taint worth while to go get tight,
Never fear
For the insects always come And they hurt the cotton some Every season,
But to rear and scratch and kick When more's left than we can pick Isn't reason.

Gene Tunney has whipped another man and earned another half million dollars. Pretty good pay for whipping a man. We know several fellows who we would whip for nothing, if we could.

Texas is going to give a banquet in honor of Old Beek about September 1, and continue the festival joys at least one year. The menu will read like this: Corn, alfalfa, sorghum, millet, prairie hay and oats. No guest will be allowed to leave the banquet with rib bones showing.

Another thing indicated by the election returns is that Jim Ferguson hasn't come back. Jim got behind Wardlaw and pushed hard, but Wardlaw didn't get far up the hill. Jim also pushed mightily for Alvin Owsley, but Owsley fell outside the breakfast.

THE COUNTY AGENT

Counties which have county agents are said to be making good investments. The incumbent heads what might be called a county crop bureau. He is usually a man from the farm who has been trained in scientific agriculture. In the college he has had laboratory experience. He is a good soil chemist. He can advise any farmer as to the crops for which his land is best fitted. He knows the needs of the soil, and he also knows the markets. His office serves as a general clearing house for farm problems and a genuinely competent man can be of vast value in almost any agricultural district.

In Scurry County we are doubly blessed along this line, for in C. C. Redman, vocational agricultural instructor in the Snyder High School, farmers, stock raisers and poultry producers have access to his services, as well as those of W. O. Logan, county agent. This, in fact, gives the county two men who have been trained in scientific agriculture, and their services are free. So why not use them?

The Southwestern Bell Telephone Company forecasts that Texas will have 1,270,000 telephones by 1950. It now has about 635,000.

Tax Values Four Billion

Assessed taxable values of Texas will go above the \$4,000,000,000 mark this year for the first time in the history of the state. Texas has numerous other sources of revenue from which to pay its current expenses. The state treasury now has about \$19,000,000 on hand, of which about \$12,000,000 belongs to the State Highway Fund.

AN EDITION CIRCULATION OF A SINGLE COPY

When Miss Jennie Constance, college professor and delight of her old mother's life, was slain in Chicago the other day, under circumstances of revolting bestiality, as she was on her way home from Northwestern University library, the newspapers printed much of the case—and are still printing it, for that matter. But the most remarkable exploit of them all is told by Associated Press.

According to this account, the great presses of an unnamed newspaper were stopped the night of the murder to get off a special edition of one copy only. The story of Miss Constance's death in that edition made no mention of murder. It said that the young lady had lost her life in an automobile accident and carried a plausible statement of the fatality. With the one-copy edition out of the way, the presses took up their regular work again and roared on through the night and into the morning hours.

The single copy extra, of course, was for Mother Constance, in order that her old heart might not have more than it could bear. Chicago is a pretty bad place, perhaps. Most cities are. But somebody in Chicago knows how to lie like a saint—and ought to be credit accordingly.

It is estimated that the United States government spends \$750,000,000 a year for the care of war veterans. This sum is equal to the cost of running the entire federal government, outside of the Post Office Department, before the World War.

SCARCITY OF HOGS BUT BIG FEED CROP

"Fully 10,000 additional brood sows could be profitably used on West Texas farms at this time," declared C. C. Frenel, industrial agent of the Fort Worth Stock Yards Company Thursday on his return from the district convention of the West Texas Chamber of Commerce held at Pampa last week.

"The biggest crop of grain sorghums ever grown in West Texas and the Panhandle is about ready for harvest; hogs are selling high with prospects for the values to remain high for more than a year; and there is a scarcity of hogs in every section.

"When Texas farmers produce short grain crops they sell their brood sows. When they produce big feed crops they sell their feed. The result is never profitable. Farmers who made big crops in times past sold their grain sorghums at \$8 or \$9 per ton and next year paid around \$30 per ton for feed to carry them through. That is not good farming, and it is certainly poor banking.

"When two good years came following two bad years some time ago, the Fort Worth Stock Yards Company went to the aid of farmers and aided them in securing immunized gilts, carefully selected, and bought at meat prices from a northern market. Actual cost was charged for the gilts, and hundreds of farmers each year took advantage of that method to obtain brood sows."—Star-Telegram.

WHY DO THEY DO IT?

Why does a fellow boost his town? Why does he lift his arm when you are down? Why does he make things boom and hum; taking a punch at old man Gium; tell me, why does he do it?

Why does a fellow sing and shout? Why does he always put to rout all the pessimists; he can find, knockers and sinners of every kind; tell me, how can he do it?

Why does a fellow shoot'er straight? Why is he happy morn and late? Why does he banish all fret and frown, tho he can't run the whole blamed town? Tell me, how can he do it?

Oh, I'll tell you why he can sing and shout; kick all the gums and pessimists out; boost when the others are tearing down, spreading good cheer throughout the town; I'll tell you why he can do it.

He's the fellow whose claim to fame is simply the way he plays the game. Always square, tho he's on the run; always fat, tho he clearly won; that's why he can do it.

He's the fellow who knows how to do his stuff, knows how to call; all! That's the reason he does it.

If we make as much cotton as the mills can use in 12 months, watch the price go down because we have made more than they can use in three months.

Wasted Food

One million dollars worth of food is wasted every day by the American people, according to an estimate of the National Conference of Marketing and Farm Credits. Each year is wasted annually in this country because of premature spoilage to feed a city the size of New York, it is said.

YES, IT WAS

He had been in love with her—hopelessly, he thought—for a long time. Then one day as they were sitting together, she looked tenderly at him and murmured:

"Claude, didn't you tell me once you would be willing to do any act of heroism for my sake?"

"Yes, Cora, and I meant what I said," he declared.

"Well, Claude, I want you to do something really heroic for me."

"Speak, darling, what is it?"

"Ask me to be your wife. It's time you did, don't you think?"

A Midnight Lunch for Rats

A "sandwich" for rats can be made of 1 ounce of powdered red squill and 2 ounces of good butter mixed and spread between thin slices of about half a pound of bread. Cut each sandwich into six small pieces for the rat baits. Red squill is a good poison for rats and has the added distinct advantage of being practically harmless to human beings and domestic animals. The powder has an acrid taste that is objectionable to most animals, but rats will eat it readily. Since red squill has no uniform toxic standard, it is important to purchase it from manufacturers who guarantee its toxicity. Red squill can also be used with cereals, ground meats or fruits and vegetables as baits. It is important that a sufficient number of baits be distributed at one time to provide an ample supply for all the rats. Baits should be put around in the evening so they will be fresh when the rats are feeding; stale baits are unattractive to rodents; hence baits put out should be picked up and destroyed the following morning.

Tuesday D. A. Jones & Sons of Fluvanna delivered to J. C. and Olin Ainsworth of New Mexico and Winston Brothers of this city 150 head of cattle. About half of these were thoroughbred Herefords, while the rest were grade cattle and in splendid condition. The Village Preacher (Rev. Tate) of Fluvanna advises that the entire shipment was "fat and fine." What could come out of Fluvanna other than that?

THEY GROW ONE VARIETY OF COTTON IN COLLIN CO.

One variety of cotton is enough for a community to grow, is the consensus of opinion of 530 Collin County farmers assembled at McKinney recently to talk cotton standardization plans and to organize growers from 14 communities to market their one variety cotton. That these men have been profiting by concentrating on the production of a single variety is revealed in reports to County Agent Roy Saunders last year showing that growers of standardized cotton averaged one-fourth bale per acre, while the county average was one-seventh bale per acre. The reports also show that standardization cotton brought a premium over other cotton, which, according to local cotton men, amounted to \$7 to \$10 per bale at McKinney.
Speaking for the cotton spinning industry, James McDowell, a spinner of Bedford, Massachusetts, praised the community cotton standardization work of the Extension Service and declared that it must be followed by an inexpensive marketing plan whereby farmers will be paid according to the quality of their cotton in some such way as it is named by the present cotton cooperatives. "Spinners," he declared, "must co-operate by paying more attention to the grades of cotton they buy, for the raw cotton represents one-half the cost of the finished fabric. The spinner asserts that America's place in the cotton growing world depends on Texas where it is possible to grow the best cotton in the world."

WILLETS' FREAK GOLF SHOT USED BY RIPLEY

A golf shot so unusual that it has attracted the attention of "Believe It or Not Ripley" was recently made by Dick Willets, traveling salesman for the Southwestern Paper Company of Fort Worth, who was a visitor in Snyder last week. Mr. Willets has a letter from the famous cartoonist asking for Willets' picture and an explanation of the shot. Willets is going to send in the picture, but there's no explanation.
While playing in the Panhandle Open Golf Tournament on Hillcrest course in Amarillo the last day of July, Willets drove a ball which was headed for a lake. It struck a caddy on the bridge and landed in his pocket. Willets played another ball losing a stroke and then played the ball from the bridge awaiting the judges' decision. They ruled that when a ball goes into a movable object in an unplayable lie it is to be dropped at the point and played. Dick played the hole without penalty of six strokes, beating his score of six played with the other ball.
Willets, incidentally, won the tournament with a score of 292, leading the field by six strokes.

TOWN GRAVE DIGGERS

In nearly every community may be found quite a number of persons who consider themselves leading citizens, but who in truth are helping to dig a grave for their town, and we have them here in Snyder.

They do it through their failure to support the institutions which make the town what it is. They do it by sending away for their merchandise which might be bought with equal advantage at home. They do it frequently through thoughtlessness, but oftener through sheer disregard for the welfare of the community of which they are a part.

The doctrine of buying at home is not advanced solely in the interest of individual merchants. It is advocated because every citizen of a town is to a certain extent dependent on every other citizen for his own prosperity. Business men are sometimes as greatly at fault as anyone else in the matter of out-of-town trading.

If the shoe dealer send away for his automobile tires, and the automobile man sends away for his furniture, and the furniture man sends away for his clothing, and so on, how can they expect to build local prosperity.

By the same token Snyder merchants should not go outside of town for their special sale bills, either, and other printing.

All the fine talk about civic pride that we may indulge in will never make a town as long as the life blood of the community—the cold cash—is spent elsewhere.

A man may make boosting speeches until he is black in the face, but unless he spends his money where he makes it he is a home-town grave-digger.

The object of the Fine Arts Display of the Megargie High School Nov. 14, 15, and 16, is to give the students a chance to be able to recognize a number of good pictures at sight, by telling the artists' names, the subjects and style.

The new \$100,000 school house at Post, which was occupied for the first time Nov. 5, has president's office, ante room, principal's office, book room, library, study hall, nine class rooms, auditorium, vocational agriculture laboratory and chemistry, physics and home economics laboratories.

G. C. McGruder of Mertzon sold 4500 pounds of Mohair at 63 and 73 cents to D. E. Hughes of San Angelo. This constituted the entire amount in storage in the warehouse at Mertzon. He sold several hundred pounds of short wool for 34 and 36 cents.

Fifty-five rooms have been completed on the Gilder Hotel at Roswell, N. M., each equipped with private bath and telephone. The ladies parlor, coffee shop, lobby and dining room have not yet been completed.

Peach orchards may become a profitable source of income in the Carlsbad, N. M. country on irrigable land along the Pecos river. One thousand trees have been planted on a farm which already has an orchard of five hundred and fifty heavy bearing trees.

A woman in Lamb County, according to a Littlefield paper will realize over \$5,000 on turkeys this year. She is Mrs. White of "Happy Hill Farm," who raises pure bred large Bronze turkeys and will sell 700 for breeding purposes this year.

Nine shipments of calves have been shipped into Texas and consigned to ranges lately. Three cars were from C. C. Pritchard of Artesia, N. M., two from John Fanning of Lakewood, N. M., and four from Charley Foster of Lake Arthur, N. M.

The main streets of Abernathy are now cleared after having been torn up during the last few days. The improvement machinery which hindered traffic for a few days left a nicely graded and level roadbed behind it.

Pecos recently celebrated the opening of the new Graham Hotel there. It is Pecos' largest hotel and represents an investment of \$2175,000 by Mr. and Mrs. W. H. Graham and stock holders. The building is three stories high and built of brick.

John P. Fleming of Archer City is taking a trip through East Texas and shipping back fifty head of registered purebred milch cows. He will sell them to farmers who will give them proper care for exactly what they cost to interest them in dairying.

The Tomoso Hotel at Happy is gaining quite a reputation for distinctive accommodation and service among the people who have been its guests since its recent opening. Mr. and Mrs. M. M. Morris are proprietors.

The West Texas Chamber of Commerce agricultural exhibit program for the year will be launched at the Louisiana Fair in Shreveport October 24. The WTCC exhibit will not attempt to win prizes and will be totally representative of West Texas agricultural products.

A paper from Amherst states that Boy Scouts of the Central Plains will get the benefit of \$500 that was the result of a recent old timers contest. A. F. Cope land of Amherst won first prize of \$100.

Adcock and Brown of Alvord have loaded their seventh car of peanuts out of town. Peanuts and about \$10,000 worth of them have been marketed in Alvord to date.

Abernathy was host to a band of musicians estimated to be about 300 strong on October 20. The musicians were members of bands from neighboring towns, and during the day played in concert and individually.

Slaton's third annual poultry show will be held December 6, 7, and 8 this year. About four hundred birds were displayed last year. A large increase in entries is anticipated for the show this year.

By improving an old school building with heating fixtures and other equipment, the Petersburg school system has been able to care for all of its scholastics without expending an undue amount of the school finances.

Sabinal is experiencing a steady growth. The Uvalde Cream and Dairy Company is installing additional ice cream machinery. Work is to start soon on the post office building and a new brick and tile building is going up in the business district.

The laying of the natural gas lines by the Miami Gas Company in the city limits will be completed soon, according to Miami officials. The same line will serve Mobeetie, Loketon and Miami.

The first prize of \$10 to be given to the Mobeetie High School student writing the best essay about the history of Fort Elliot which is located a few miles from the town will be given by the West Texas Chamber of Commerce.

GRAMMAR SCHOOL HONOR ROLL FOR FIRST SIX WEEKS

In order that patrons and friends of the school might know what qualifies a student for the honor roll, the following explanation is made: All students who make "B" or above on every subject, along with an "A" in deportment are on the honor roll.

In classes where more than one boy or more than one girl make the honor roll, the boy receiving the highest average among the boys of his class will be given "Special Mention"; likewise, the girl receiving the highest average among the girls of her class will be given "Special Mention."

Those of the primary department (grades 1 to 4 inclusive) who made the honor roll the first six weeks are:

Boys: Max West, Fred Johnson, Billy Hutcheson, Louis Delatte, Melvin Newton, Dwain Kite, Joe Dozier, Homer Adams, Billy Perry, T. J. Kite.

Girls: Wilma Terry, Louise Leonard, Mary Kathleen Ely, Josephine Kelly, Mavis Jenkins, Doris Davis, Helen Hedges, Katie Marie Lauder, Virginia Egerton, Rosanna Frances, Mary Frances Bullock, Rosalia Walton, Wilmeth Larue, Juanita Sentell, Florentz Winston, Gladys Crowder.

Primary pupils deserving special mention: Boys, Marion Howel, Morris Wylie, Glenwood Triger; girls, Bertha Mervin, Thelma Payne, Dorothy Pinkerton, Geneva Glascock.

Those of the intermediate department (grades 5 to 7 inclusive) who made the honor roll the first six weeks are:

Girls: Frances Northcutt, Netha Lynn Rogers, La Frances Hamilton, Virginia Wills, Beverly Chambers, Vera Gay Arnold, Louise Jones, Lola Mae Littlepage, Saxton West, Jessie Mae Hanson.

Intermediate pupils deserving special mention are: Estine Dorward and Evelyn Erwin.

This honor roll should be a stimulus for the boys to begin some real work. Despite the fact that the number of boys and girls is about the same, there are 32 girls and 13 boys on this honor roll.

KICK OF HORSE IS FATAL FOR YOUTH

Leroy Wilson, 17 years of age, son of Mr. and Mrs. J. W. Wilson, of near Snyder, died in a Lubbock hospital Friday as a result of injuries received about three weeks ago when he was kicked by a horse on the Wilson farm.

The body was shipped here and funeral services were held from the Church of Christ Saturday.

Other than his parents, the youth is survived by three sisters, Leola, Ida and Frankie Mae; and four brothers, Freddie, Pete, Floyd and Lloyd.

Henry Rawson of Chicago testified that his breaking a chair over his wife's head was an accident.

Recovering from a broken leg, Mrs. William Fanch of Evanston, Ill., fell on slippery steps and fractured the same limb.

Finds Newspaper Advertising Pays

Business of Frigidare Corporation has approximately doubled over the same period of last year following a widespread newspaper advertising campaign based upon its new line of household refrigerating equipment, according to E. G. Biecher, president and general manager, who attributes much of the increase to use of newspaper space.

"The newspaper of today, when used to promote a quality product is one of the greatest aids that business or industry can enlist," he said. "It obtains and retains public confidence for any product that merits it."

SPUR EXPERIMENT FARM IS CONDUCTING LARGE FEEDING EXPERIMENTS

The Spur Experiment Station is conducting the largest feeding experiments this year in the history of the station. Over 400 head of sheep and two cars of cattle will be put on full feed November 15.

The Spur Station has been a leader in determining the feeding value of West Texas crops, and it is largely due to the work of this station that prices paid for grain sorghums are as high as prices paid for corn.

Thousands of cars of grain will be shipped from the plains this year to poultry raisers in California that should be fed in West Texas.—The Texas Spur.

Charles Parkhill of Glasgow, who annoyed Miss Ruth Evans by telephone for three years, was finally caught and adjudged insane.

THE GLASSY STARE

A gentleman desiring to borrow some money called upon the president of a prominent bank and told his story in an appealing manner.

After listening, the banker said: "My friend, I'll make you a sporting proposition—a sort of 'fifty-fifty' proposal. It is not generally known that I have a glass eye."

The visitor looked at the banker closely and said: "I never suspected that!"

"Few do," replied the banker, looking at the man with a straight face. "Now if you will tell me which of my eyes is glass, I will make you a loan without a moment's hesitation."

"It is your left eye," was the quick response.

"You are right," said the banker. "But how could you tell?"

"Well," replied the applicant for a loan, "I noticed during the time I was telling my story that your left eye was the more sympathetic."

Six white girls of London were married to Chinese in a single week.

DERMOTT NEWS

We have been having misty weather the past week. The people are still trying to gather their fusc crops.

Our school is progressing nicely.

Mrs. Richard Blair, who underwent an operation for appendicitis at Abilene last week, is reported to be doing nicely.

Mrs. Myrtle Edmonson, who has been ill for some time, is still not doing well.

Mr. Brown has bought out Mr. William Knipp's filling station.

Mr. and Mrs. Henry Gowick are the proud parents of a baby boy born Friday.

Wheeler Brass left Friday for several days visit in New Mexico.

Harvie Browning shipped seven cars of fat calves Thursday.

Grandpa O'Donnell of East Texas spent last week with Charlie Johnson and family.

Harvie Browning sold 300 fat Hereford cattle Monday for \$45 a head.

Mrs. Louisa Job of Chicago testified that her husband had bargained to sell her for \$50 down and \$25 on delivery, but that she refused to be delivered.

OIL MONEY PAYS 18-YEAR-OLD DEBTS

It is said that oil discovery works wonders, but money derived from oil discovery is seldom put to better use than that which L. E. Lasseter of Fort Worth, formerly of Colorado, has done with recently acquired oil riches, says the Colorado Record.

Debts acquired 18 years ago, long ago outlawed by limitation, and doubtless forgotten by the creditors, have been paid by Mr. Lasseter since he acquired money from oil revenues. In round figures he has paid out \$62,000 cash in the last few weeks to former creditors, who could not have collected a cent legally. More than \$23,000 of this sum was paid to Colorado citizens.

We have heard it said that most "men are honest when able to pay." But we doubt that many would do what L. E. Lasseter has done. Regardless of that score, however, we commend Mr. Lasseter. He has done a noble thing.

Church Services

Last Sunday, in addition to usual Sunday services and people's meetings, preaching services were held at the sbyterian Church. At the evening service the pastor's subject was "Practical Religion." Matt. 24:58, "Peter told Him afar off." V. P. deeded that while a lot of people follow Christ, they do not do so at long range—leaving a distance (personal) between. They regard as a beautiful subject to be read and admired—the great of purity, perfection and ness about which to write, sing preach, but not to be brought too close relation with so, business and politics. Too church members prefer an- room and opportunity for themselves by the devils (Mark 14:54). They forget, however heareth these sayings mine and death them," and n 15:4 and many other like sages. At four o'clock in the afternoon a number of our people reed to the cemetery where an relative service was held over grave of our only soldier who his life in the World War. service was conducted by V. while the grave was covered beautiful flowers deposited he mother and several persons—flowers all being home v. The evening service, attended full house, was a stereopticon are put on by the pastor, and ewing a historical sketch of islands and the mission work there by the Presbyterian reh, the progress of which strikingly illustrated by the colored views thrown on the en. Next Sunday regular services he held at the Fluvanna Bap- Church and at the Methodist ch. At the Methodist Church services will mark the closing he present church year under W. H. Harris. On the same at 3 p. m. the Snyder Ep- h League will meet with the ue of this place and put on gram.

from Fannin County to which places each of these good women were called to witness the passing of their mothers. They have our sympathy. Jas. H. Tate was notified by wire Tuesday morning of the death of a sister's husband at Hobart, Okla.

Business Affairs

J. I. Boren shipped one car of cattle to Fort Worth on Wednesday of last week. R. L. Gray shipped two cars and C. L. Ren one car of fat cattle to the Fort Worth Market Monday. R. N. Miller delivered 600 steer calves to the Fuller ranch last Sunday. On last Monday afternoon C. L. Gibbs and family, accompanied by Tate and wife, visited the Koonsman No. 1 oil test well in Borden County west of Fluvanna. They found the drill pounding away in gray limestone at a depth of 3300 feet. Everything was working well and we are hoping that something may happen out there most any time. "So mote it be."

School News

On last Wednesday morning the sophomores of Fluvanna High School put on an enjoyable chapel program. We have had different kinds of programs, but this was unlike any program that has ever been put on for our school. The five city gossipers were introduced to the student body and audience, and everyone had a good laugh. The bride and groom, Maggie and Jimmie, would have brought a smile from any cross old maid or bachelor. Everyone enjoyed the program, although in the concluding announcements the visitors were surprised when they were called upon to entertain the school next Wednesday morning. We are sure they will put on an enjoyable program because they tried it last year, and those who were present know what the patrons of our school can do. We appreciate the interest shown toward our school by the patrons. The seventh grade students have met and selected their colors, motto and flower. Their motto is "Green but growing; colors, pink and green; flower, white rosebud. We are proud of our seventh grade class and are going to help them in every way we can to make this one of the greatest years they have ever ex-

Deaths Abroad

Generally speaking, the health of the people of this community is good. We should, however, re- fer to the fact that Mrs. J. R. has recently returned from dler, and Mrs. J. R. Truss

perienced. We are glad to say that our school has made a great improvement over the last year's enrollment and is still increasing every week. A large number of students have been out of school for several days picking cotton, but most of them are back and ready for work. We hope the remaining students who have not come back yet will soon take their places in the school room. The ball teams are again at work after a rest of several days because of bad weather. They have not played much lately but will be ready for a game on next Friday afternoon. The Fluvanna school enjoyed Monday, Nov. 12, as a holiday but the students and teachers will be at their school work Saturday. Reporter.

Visits and Trips

Mrs. R. W. McKnight returned a few days ago from Mineral Wells where she has been under treatment for impaired health. She is said to be much improved. Jack Prescott of Big Spring visited the Haynes family here Sunday. J. W. and Mrs. Davis and son, Claude, formerly of this community but now of Big Spring, visited relatives and friends here last Saturday and Sunday. Mrs. Claude Davis had already been here for a week visiting her mother, Mrs. Will Reeder, who goes this week to Clifton, Texas, where she will spend the winter with her mother. W. R. and Mrs. Craft, formerly of this community but now of Southland, visited their daughter, Mrs. John A. Stavelly, here Sunday. Pat Weems made a flying trip to T— community on the plains last Sunday. J. W. Craft and son, Emmett, were called a few days ago to Denton to attend the burial of an uncle of J. W. Leo Beaver, student in the Texas Tech. Lubbock, spent the week-end here with home folks. Bos Stavelly and family visited relatives at Camp Springs last Sunday. John Stavelly and wife made a business trip to Spur last week. Tollie Fever and family spent Saturday night with T. A.'s grandmother in Snyder, which is said to be critically ill. J. T. Harris and wife of Northern New Mexico, geologist for the Standard Oil Co., spent the week-end here with his brother, Rev. W. H.

Renewals

Several of our people are renewing their subscriptions to this paper. Among those doing so are the following: C. D. Crilley, H. H. Haynes, J. A. J. Jones, W. P. Sims, Mrs. C. E. Trussell, Mrs. H. Lanham, Mrs. Colon James and Mrs. W. A. Reeder. That's a fine thing to do. Let subscribers look to the label on their papers and see how they stand on the ledger. See V. P. and have your paper continued. Outside information is both interesting and important, but home information is essential. JAS. H. TATE.

GERMAN SCHOOL OPENS LAST MONDAY MORNING

Hon. Rufus Mize of the German school community opened the school there last Monday for the tenth time. The Hermligh Herald, in commenting on the matter, said: This will be Mr. Mize's tenth year with this school. He began with it when there was scarcely anything on the ground there except a pretty place to build a school. Aided by the unstinted support of the good patrons, he succeeded last year in erecting a beautiful new two-room building which is well equipped for a small rural school. Mize is a very practical school man. Especially is he well fitted to being an educator, he is an agriculturist, a good farmer, a good citizen, a good man—a fine personal example for a rural student body. Congratulations.

3 BIG JOBS for an active Organization Providing Electric Power Meeting Constant Changes New electrical equipment is added in homes, offices, stores and factories each day. New homes and factories are built and new stores and offices are opened, all demanding more electric service. It is a big job for electric power companies to keep up with this increasing need. Changes in the methods of making and distributing electric power take place over night. Good equipment of yesterday will be obsolete tomorrow—something newer and better takes its place. These changes call for continual study on the part of power and light engineers. Planning for Greater Needs Power plants built to serve the needs of today will not be equal to tomorrow's demands. Construction of today must be planned so that instant and unlimited increases in electric power can be made when needed. Cities must have this type of electric service or they can not grow greatly. The Texas Electric Service Company does these three big jobs in a manner unexcelled in any section of the country. This Company's service can not be equalled by an isolated power plant. SOCIETY

BIRTHDAY PARTY

Frances Chenault entertained with a party honoring her sister, Vivian, on her birthday at 3 p. m. Saturday. A very pleasant time was spent playing various games and giving stunts programs.

Then came the thrilling time when the gifts, which had been placed around a birthday cake with candles banked in a bed of flowers on the dining table, were opened.

The hostess was assisted by her mother, Mrs. P. C. Chenault, Mrs. Jim Reynolds and Frances Boren in serving a bountiful refreshments place to the following guests:

Faynell and Irene Spears, Maxine Doak, Sterlin and Irene Taylor, Johnnie Ruth Baze, Mavis Jenkins, Marjorie and Rosanna Reynolds, Doris Wilson, Dorothy and Welina Terry, Frances Boren, Mary Vencil, Cornette, Harold Taylor, Robert Boren, Charles Harless, Billie King, John R. Covey, Jr., Wallace Smith and Arrial Brice.

S. S. CLASS MEETS

The Phoebean S. S. Class met Wednesday with Mrs. G. B. Clark. The record of the previous meeting was read by the class secretary, and the committees reported on work done. A committee was appointed to look after a lady who was reported to be in destitute circumstances.

Delicious refreshments consisted of cocoa with whipped cream, angel food and gold loaf cake were served to Mesdames Rosser, Isaacs, Lockhart, Brownfield, Martin, Welch, Hutchinson, Bibber, Clark, Woodfin, Morris, Porter, Doak, Shamburger, Irwin, Kendall and Cox.

We were delighted to have Mrs. McCarty, a new member, and Mrs. J. R. Huckabee, a visitor.

ENTERTAIN WITH DINNER

Misses Martha Gray, Elaine and Marilu Rosser complimented Miss Erma Taylor with a prettily appointed dinner at the home of Mrs. C. R. Buchanan last Saturday evening at 7 o'clock.

The entertaining rooms were beautifully decorated with chrysanthemums. The patriotic color motif was stressed in the table appointments and was again emphasized in the dinner, which was daintily served in three courses.

Games were the diversion of the evening. Those present were Mesdames C. R. Buchanan, Tom Gates, Amos Joyce, George Webb, W. H. Ritzenthaler, Robert H. Cornutte, Jr., Melvin Blackard, Joe Drake and Misses Gwendolyn Chambers, Jo Hailey, Edwena Barnes, Gertrude and Hattie Herm, Dorothy and Neoma Strayhorn, Margaret Dell, Ora Norred, Marian Rosser, Nell Wilson of Longworth and Lucille Carpenter.

The reception suite was beautifully decorated with roses and chrysanthemums.

Bridge was the diversion of the afternoon, and at the close of the bridge play, Mrs. Harrell held high score and was presented with a basket of kitchen ware.

TEA GIVEN BY MRS. W. R. JOHNSON IN HONOR OF SEVEN BRIDES

One of the most outstanding events of the season was the tea given Thursday afternoon by Mrs. W. R. Johnson at her attractive home, naming as honor guests seven brides.

A lavish display of autumn flowers with chrysanthemums predominating gave a delightful atmosphere of color to the occasion.

In the receiving line were Mrs. W. R. Johnson and Mrs. C. J. Harrell and the following recent brides: Mrs. Garrett Harrell, Mrs. W. H. Ritzenthaler, Mrs. George Webb, Mrs. Rudolph McMullen, Mrs. Lewis Blackard, Mrs. Robert H. Cornutte Jr., and Mrs. G. D. Carter, while the house party included the following ladies:

Mesdames H. G. Towle, A. J. Towle, E. J. Anderson, J. M. Harris, W. W. Lechner, George Harless, O. P. Thrane, Wayne Boren, and Misses Myrtle and Faye Harrell, Larry Beth Waskon and Frances Harless.

Miss Eula Pearl Ferguson and Herman Trigg furnished music during the afternoon.

The table in the refreshment room was beautifully decorated with an elaborate lace cover and was centered with a large vase of chrysanthemums. Candles in silver holders gave further adornment.

Delicious refreshments were served to the seventy-five guests who called during the hours of receiving. This splendid hospitality will long be remembered by those attending.

MRS. GARRETT HARRELL HONOREE AT SHOWER

Mrs. Garrett Harrell was the honoree at a happily planned kitchen shower last Saturday afternoon at the home of Mrs. H. G. Towle, with Mesdames A. J. Towle and H. G. Towle as hostesses.

The reception suite was beautifully decorated with roses and chrysanthemums.

Bridge was the diversion of the afternoon, and at the close of the bridge play, Mrs. Harrell held high score and was presented with a basket of kitchen ware.

ALTRURIANS MEET

The Altrurians met with Mrs. C. E. Buchanan at her home last Wednesday afternoon. Autumn flowers were used in the decorations.

Mrs. R. D. English was leader for the afternoon on an Armistice Day program. A review of the causes and duration of the war was given by Mrs. Pat Brown. History of the poppy and its adoption as a memorial flower was given by Mrs. C. J. Yoder. The recessional by Rudyard Kipling was given by Mrs. Ivan Dodson. A reading, "Lincoln Walks at Midnight," was given by Mrs. G. O. Thrane. Mrs. L. T. Stinson was in charge of songs and music of past wars.

A gift of \$10 was presented to the Altrurians.

The memorial service was sponsored by the Altrurian Club, assisted by the Cemetery Association and the Boy Scouts.

A late lunch was served to club members and Mrs. Shell, a guest.

FORGIVE US, LADIES

Type made the Times-Signal last week that the recent production of "Here Comes Arabella" was given under the auspices of the Sine Cura Club, when it might have read San Souci Club, so we crave the indulgence of the first named organization, as well as the forgiveness of the second named club.

The Times-Signal in another article last week told that when any out-of-town concern can send in here. Some of the ladies of the San Souci Club were much put out with our article and have jumped our society editor a great deal about the matter, whereas, if any member of that club has any arguments to offer, let them seek the editors who are responsible for every line that goes into this paper. Instead of any local club organization paying out more than fifty per cent of their gross receipts to an out-of-town person who cares not a tinker's darn for Snyder, let the club keep all the money at home by directing the own attraction and doing a bit more of the work themselves. We have no axes to grind, nor fights to pursue with any local club; we are simply offering constructive criticism for what it is worth without indulging in any personalities, and we absolutely confirm and back up the article as it originally appeared in the Times-Signal. We re-iterate, "Snytlar" business should stay in Snyder."

INTERMEDIATE C. E.

Program to be given at Presbyterian Church Sunday afternoon. Topic, What the Practice of Stewardship Would Mean to the World.

Opening song, "Jesus Calls Us." Prayer in Union.

STAN SOUCI MEETS

Mesdames Forest Sears and C. Wedgworth entertained the San Souci Bridge Club Tuesday evening at the home of Mrs. Forest Sears. Rooms were given an added attractiveness by the use of roses and chrysanthemums.

Bridge was the diversion of the early evening hours, with a salad course served after the game.

The following members and guests were present: Mesdames Wayne Boren, Sam Hamlett, Lee Newsom, J. P. Nelson, W. H. Ritzenthaler, R. A. May, J. M. Claunch, Maurice Brownfield, J. M. Harris, Tom Gates and Misses Hattie Herm, Gertrude Herm, Neoma Strayhorn, Marion Engle, Myrtle Harrell, Faye Harrell, Gilley, Edith Grantham, Mariu Rosser, Edwena Barnes of Ropes and Lucille Carpenter.
