A QUICK READ OF THE NEWS

Early voting beginning

Early voting started Wednesday and will continue through April 28 for the Muleshoe City Council and local hospital board and school board elections.

Voters in Muleshoe city Districts 1 and 2 can vote between 8 a.m. and 5 p.m. weekdays at Muleshoe City Hall.

All registered voters living within the Muleshoe Independent School District are eligible to vote for the two at-large seats being filled.

Early voters can cast ballots from 8 a.m. to 5 p.m. weekdays at the school district office.

The Three Way school district will also be filling two at-large seats. Polls for early voting will be open weekdays from 8 a.m. to 4 p.m. at the Three Way School business office.

Because of uncontested races, the Muleshoe Area Hospital District and Lazbuddie Independent School District will not be holding elections.

Incumbents Victor Leal, L.T. Johnson and Mike Miller will be serving another term on the hospital board.

Lazbuddie ISD trustees Tommy St. Clair and Rick Seaton will both be serving another term in their at-large positions on the school board.

Baby Boomers in denial

Although more kids are trying marijuana at an earlier age, Baby Boomer parents are convinced that doesn't apply to their children, according to a national study by the Partnership for a Drug Free America.

"Boomers — many of whom have 'been there, done that' — are surprisingly and ironically out of step with the reality of drugs in their children's lives," Partnership president Richard D. Bonnette said.

The current study shows that among children 9 to 12, the number of children who had tried marijuana increase from 3 to 5 percent since 1993.

Marijuana use among ages 13 to 16 remained stable, but there was a significant increase among 17 and 18-year-olds — from 42 percent in 1996 to 48 percent last year.

Third-quarter sales up 19%

Gross sales in Bailey County were up 19 percent during the third quarter of 1997, according to a report from the state comptroller's office.

Gross sales from 163 reporting outlets increased from \$21.7 million in 1996 to \$25.9 million last year.

Whitt, Hodge qualify for regionals

DUMAS — After struggling early during the final round of the District 1-3A golf tournament Monday, Keisha Whitt found her comfort zone on the back nine at Pheasant Trails Golf Course.

The Muleshoe senior matched par on the back nine of the 5,292 yard, par 71 layout, helping her finish runner-up to defending champion Sarah Valdez of River Road, and earning a berth in the Region I-3A golf tournament.

"I'm so excited," said Whitt, mak-

ing her third-straight trip to regionals. "But it's going to feel weird going by myself."

Muleshoe qualified as a team the last two years, but finished a distant fifth this year.

Whitt shot a six-over 77, matching Valdez for the day's best round, and finished the 36-hole tournament at 163. Valdez finished at 155.

Muleshoe sophomore Ryan Hodge also earned a trip to the regional tournament April 27-28 at Ratliff Ranch Golf Course in Odessa.

Hodge fired a five-over 76 on the 5,985-yard layout and finished fourth.

Because the top three medalists were members of team champion Tulia, Hodge earned a spot at regionals.

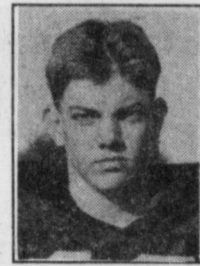

"It feels great," said Hodge, making his first appearance. "I was just trying to play my game."

River Road and Perryton finished the tournament tied for the girls team title at 760. River Road earned the

Muleshoe sophomore Jeff Bruns reaches for a shot Monday during tennis practice. The Muleshoe boys and girls tennis teams played in the District 1-3A tennis tournament in Amarillo Tuesday and Wednesday. Look for complete results in Sunday's Journal.

DPS will phase in six-year licenses

Trips to the driver's license offices will become less frequent for Texans in coming years as the Texas Department of Public Safety extends license expiration dates.

Licenses will be valid longer, and the new system eventually should reduce lines in driver's license offices.

"Eventually, all Texas driver's licenses and identification cards will be good for six years instead of four," said DPS Director Col. Dudley M. Thomas. "Since folks won't have to visit our driver's license offices as often, we should have fewer people waiting in line on any given day"

Over the next four years, DPS will phase in the six-year system. During the transition period, renewal licenses will be issued for four, five or six years to evenly distribute renewals through the next cycle and to avoid crowds when those licenses expire.

All original licenses and identification cards will be valid for six years.

Driver's license fees will remain \$4 per year, but totals will vary during the transition period based on expiration dates. Licensees will pay \$16 for four years, \$20 for five years and \$24 for six years.

DPS is simultaneously implementing several other new driver's license laws. Changes include:

■ DPS-issued identification cards will cost \$15 for six years. However, citizens ages 60 or older will be able to pay \$5 for identification cards that will be valid indefinitely.

■ The fee structure will change for licensed motorcycle operators.

Previously, extra fees were charged only to those renewing licenses with "Class M" motorcycle operator certification.

Now, new "Class M" applicants will be charged \$15 in addition to the regular automobile driver's license fee. Those renewing licenses with "Class M" certification will pay \$8 in addition to the standard fee.

MISD employees earn raise

■ State funding offsets cost to local taxpayers

By TERESA STONE
Journal staff writer

Teachers in the Muleshoe Independent School District will be getting at least a \$1,750 salary increase next year.

The MISD Board of Trustees unanimously voted to guarantee teachers the minimum salary increase during Monday's meeting.

The increase is considered a minimum because the salary schedule developed by the state and used by public school districts is based on the number of years of service. According to Muleshoe superintendent Bill

Moore, some teachers in the district will be receiving larger raises because the state is rewarding them for their years of experience.

The \$95,117 of expected salary increases in the district will be offset by \$113,558 from the state's "Salary Transition Funds," leaving the district with a surplus of \$18,441.

Board members also agreed to give teaching assistants and campus secretaries a \$500 raise next year.

In other business, the board approved new procedures for exempting students from the Texas Assessment of Academic Skills beginning in the 1998-99 school year.

The procedures for exemption had to be revised

see RAISES on page 2

ELECTIONS '98

Black seeking re-election in City Council District 2 race

Cliff Black is seeking re-election for the District 2 seat on the Muleshoe City Council.

Black faces challenger Lupe Olivarez in the May 2 election.

Black, a Muleshoe native, is the president and general manager of Springlake Potatoes Inc.

He and his wife Carren have five children, Cooper of Grand Prairie, Edi of Lubbock, Cody,

9, Corie Ann, 7, and Craig, 6.

Black said he'd like to serve one more term because "we've got some projects that we need to get done and I'd like to be there when they do get done."

Besides being a Councilman, Black is also involved in many other areas in the community.

He is a member of the First United Methodist Church and

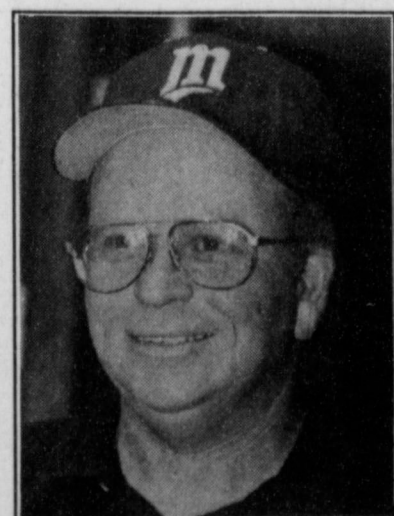

currently serves on the administrative board and is meal coordinator for the men's group.

He is an adult leader for the Webelos Den Boy Scouts of America, on the board of directors of the Muleshoe Youth Basketball League and the Muleshoe Little League.

Past activities include being on the advisory board for the

Texas Employment Commission. He is a past president of the High Plains Vegetable Growers & Shippers Council.

He has also served on the board of directors for the Texas Produce Association, the Muleshoe Heritage Foundation, the Muleshoe Industrial Foundation and the Muleshoe Chamber of Commerce & Agriculture.

Cliff Black

AROUND MULESHOE

Revival at Three Way Baptist Church

The Three Way Baptist Church invites everyone to come to a revival April 19-22. Brother Preston Harrison and Brother Brady Mason will be preaching and singing the gospel of Jesus Christ.

Sunday services will be held at 11 a.m. and 7 p.m. Weekday services will be held at noon and at 7:30 p.m. Lunch will be served at the noon services.

Breast cancer screening clinic April 22

The Women's Center of the Don and Sybil Harrington Cancer Center will be conducting a breast cancer screening clinic in Lazbuddie.

The clinic is scheduled for April 22, 1998 at the Lazbuddie Elementary School. To register call 1-800-377-4673.

All exams are done by appointment only. Participants will receive a low-cost screening that includes a mammogram and instruction in self-examination by a registered nurse.

The total cost is \$75.

Lazbuddie cancels school board election

The Lazbuddie Independent School District Board of Trustees cancelled the May 2, 1998 School Board Trustee election.

The election was cancelled due to no opposition of the two candidates Rick Seaton and Tommy St. Clair.

Lazbuddie kinder and Pre-K roundup

Bells are ringing and calling for all 4 and 5 year olds to come to the Lazbuddie School Pre-K and Kindergarten registration for the 1998-99 school year.

Registration will begin at 9 a.m. Friday, May 1, 1998 at the school library. At 10 a.m. parents and children will be given a tour of the school. At 10:30, parents and children will be given a bus ride.

Parents need to bring their child's birth certificate, immunization record, and social security number.

Spring luncheon for Olton area ladies

The Olton Area Ladies Spring Luncheon will be held April 23 at noon in the Methodist Church Fellowship Hall. Local ladies will entertain guests with a "Style Show." All area ladies are invited. A covered dish luncheon will be provided by the Olton ladies. Please RSVP to Melba Rose at 806-285-2292.

Apply for teen leadership talent show

Applications are being accepted for the teen leadership talent show scheduled for 7 p.m. April 28, 1998 at Muleshoe High School.

Applications are being accepted until April 21, 1998. There is a \$5 entry fee. Cash prizes will be awarded for first, second, and third place. Applications can be picked up at Dillman, DeShazo, Watson Junior High, and Muleshoe High School.

Tickets to the event will be sold at the door for \$3 for adults, \$2 for students. For more information contact Jody Wood at the High School at 272-7571.

Enroll for community internet class

Community members interested in learning how to use the internet are invited to attend evening computer classes at Muleshoe High School. The cost is \$25.

The internet course will meet from 7-9 p.m. Tuesday, May 5 and May 12. For additional information call 272-7571. The course will be taught by Chris Mardis, April Smith, and MHS technology assistants.

Basic EMT certification course starts

MORTON — The Texas Health Sciences Center will be sponsoring the basic course of the Emergency Medical Technician certification in Morton.

The course will be held on Mondays and Wednesdays from 6 p.m. - 10 p.m. starting April 27. The course will take approximately four months to complete. The cost is \$325 plus the cost of books. For more information call 806-743-3218.

RAISES

From page 1

because of new guidelines set by the State Commissioner of Education, Mike Moses.

According to a letter from Moses to school district officials, starting in 1998-99, TAAS results for students receiving special education will be included in the evaluation of the district and individual campuses.

Dr. Linda Godsey, the MISD special education director, told the board that her department was expecting the change.

Godsey explained to the board that right now the school usually recommends that special education students take the TAAS for assessment purposes

only. But since the scores will impact the district's overall evaluation next year, Godsey explained that different forms of assessment will need to be utilized for some of the special education students.

Moore explained to the board that not everyone in special education will be exempt from the TAAS. If the modifications a student is using in the classroom are allowable on the TAAS, then that student may be able to take the TAAS test.

Each special education student has a committee made up of their parents, teachers, counselors, and other professionals which determines if the TAAS is the most appropriate form of

assessment.

Moore emphasized that the public will have to be aware of the changes in TAAS because when the results are published from the 1998-99 test, he expects there to be some noticeable differences.

First, Moore expects that because some special education students will still be taking the TAAS and scores across Texas will probably drop. New standards will have to be set since the testing population will change.

Moore also said that he expects an increase statewide on the number of students exempted from taking the TAAS. Moore said that since scores

will effect the state's evaluation of school districts, he expects that districts, including Muleshoe, will look seriously at who needs an alternative form of assessment.

The board also approved the 1998-99 school year calendar. Staff members will return to school Aug. 12. The first day of school for students will be Aug. 19.

MISD seeking Teacher of Year nominations

The Muleshoe Independent School District is accepting nominations for the sixth annual Teacher of the Year awards.

Both an elementary and secondary teacher will be presented the awards at the general faculty meeting, May 30, in the high school auditorium.

Anyone in Muleshoe ISD including staff members, students, parents, and community members may nominate a full-time classroom teacher.

Teachers at Dillman and DeShazo are eligible for the Elementary Teacher of the Year

honor. The Secondary Teacher of the Year will be selected from the Watson Junior High and Muleshoe High School teachers nominated.

Nominations must be submitted in writing to the superintendent's office by 4 p.m. Thursday, May 7.

When a teacher is nominated, they will be sent an information packet and may decide at that time whether they wish to follow through by providing the required information.

A committee composed of representatives from each cam-

pus, the Board of Trustees, and the community will review the information provided by each nominee and select the Teachers of the Year.

The two teachers selected will each be awarded a golden apple and a check for \$250, underwritten by Muleshoe State Bank and First Bank.

They also will advance to the regional competition in Lubbock where they can qualify for national honors.

Last year's Teachers of the Year were Jan Morris of Dillman Elementary and Shelli Stegall of Watson Junior High School.

Whalin earns monthly support staff award

Sam Whalin has been selected as the April Support Staff Member of the Month for the Muleshoe Independent School District.

Whalin is the facilities director for the district and has been with MISD for three years.

Following his 1980 graduation from Muleshoe High School, Whalin attended McMurry University in Abilene.

He has three brothers and one sister. His father, Herb Whalin, retired from the local highway department several years ago and now lives in Silo, Okla.

Whalin and Lisa Smith were married in 1982. Lisa is a bookkeeper for the school.

They have two children — Brandi is a sixth grader at Watson Junior High and Dal is a second grader at Dillman Elementary.

Asked what he likes best about his job, Sam said: "There is never a dull moment and all the people are great to work with."

Blizzard revisted

BAXTER BLACK
ON THE EDGE OF COMMON SENSE

The sun is shinin' bright. Enough to wear sunglasses. The air is cold. Enough to make your breath steam except I'm in the car drivin' across the high rollin' plains of central North Dakota.

There's a dusting of snow on the endless expanse of fallow ground and frozen fields. The farm houses look cozy. The barns, equipment sheds and elevators seem like they'd be warm to the touch.

Stock trailers pass me, cows are browsing, round bales of lay like lumps. People are going about their business as if nothing happened.

But a year ago this spring the blizzard of '97 had this placid landscape in its grip. 300,000 cattle died . . . were killed, actually, in an incomprehensible display of Mother Earth's absolute power.

One year later, in the coffee shops

and front rooms of those people who rode out the storm, memories linger just below the surface. Like a deep bruise. Still tender; a line of ice laden power poles snapped like toothpicks, twenty-foot high windbreaks invisible under snowdrifts, families separated, power out for seven days, milking cows by Coleman lantern, desperate ventures into the white-out over impassable roads on some missions deemed necessary. Barns blown down, roofs caved in, fences flattened, cowheads sticking out of the snow, baby calves trying to walk on legs frozen into immovable stilts, cattle blinded by a sheet of ice covering their eyes, suffocated by snow frozen over their nostrils, manure frozen under their tails. Funny as a Holocaust cartoon. And cattle driven crazy and dangerous by dehydration and hunger.

The aftermath, unthinkable piles of

carcasses, burying the dead, the walking wounded turning sale barns into a freak show market, and open cows by the thousands.

In the warmth of the front room people tell their personal tales. Looking away sometimes, memories too fresh. Talk of neighbors helping with machinery, food, survival needs. One-Good-Cow. A load of hay delivered anonymously. And of the storm, the ol' timer's all say, "Yup, never seen nothin' like her."

All these thought are runnin' through my mind as I'm goin' down the highway lookin' at the peaceful countryside basking in the mercy of a mild El Nino winter. The earth is healing over the destruction, as time is healing people's hearts.

It's like visiting Gettysburg on a warm summer day.

National Volunteer Week is April 19-25

National Volunteer Week is April 19-25, a time to recognize the efforts of the two Senior Companions who serve with the South Plains Community Actions's Senior Companion Program in Bailey County.

The Bailey County Companions are Eva Dell Carpenter and Julia Patterson. These companions are active in the community of Muleshoe.

Most of the companions are working with at least two clients sometimes three, homebound senior citizens, for 20 hours each week. The companions provide companionship, run errands, do meal preparation, and light housework for the client or in some cases he/she provides respite for spouses or families that have 24-hour care of a homebound adult. The companion is often supplementing the services of a Home Health Agency or DHS provider ser-

vice. There is no charge to the client for the service of a companion. The program is run through grant funds and donations.

"As government programs at all levels are cut back and problems in our communities continue to mount, our Senior Companions are a fresh resource for solving problems and a smart investment in our future," says Patty Hartin, program director.

The Bailey County companions volunteered over 2,300 hours during 1997 — to have hired the companions for what they do would have cost the family and the supporting communities over \$31,736.

"There is a special urgency to National volunteer Week," says Harris Wofford, chief executive officer to the Corporation for National Service. "To solve our country's problems, we need to unleash to full power

of citizen service and make service the common expectation and common experience of every American."

The South Plains Senior Companion Program is supported by the Corporation for National Service, which administers AmeriCorps, the domestic Peace Corps, with 25,000 members; the National Senior

Service Corps, which includes 24,000 foster grandparents, 12,000 Senior Companion volunteers and 450,000 Retired and Senior Volunteer Program (RSVP) volunteers; and Learn and Serve America, which involves 500,000 school and college students in community service.

Ag service predicts strong wheat harvest

Texas wheat producers expect to harvest 125 million bushels this year, 5 percent above the 1997 crop and 66 percent above the drought plagued 1996 crop.

According to an April 1 survey conducted by the Texas Agricultural Statistics Service, planted acreage for the 1998 crop is estimated at 6.1 million acres, down 3 percent from 1997 but up 2 percent from 1996.

Production on the Northern High Plains is expected to total 56 million bushels, down 7 percent from a year ago. Most irrigated fields across the region are in good condition, however some dryland fields could use rain.

Producers in the Blacklands expect to harvest 18 million bushels, up 16 percent from last year. Planted acres for the region were unchanged from the previous year at 780,000 acres.

Moisture conditions are very good in this region. Fields have made very good progress.

Statewide winter wheat condition around April 1 was rated at 76 percent of normal, the same as last year.

Texas is the only state that makes an April winter wheat production estimate. The first national wheat forecast will be released May 12.

Mules fight off Fritch, 9-7

■ Kemp wins 7th game, hits two-run homer

FRITCH — The runs seemed insignificant at the time.

Leading 7-2 after six innings and with staff ace Layne Kemp working on a three-hitter, Muleshoe appeared to have its sixth-straight victory wrapped up.

But Muleshoe needed Aaron Purdy's two-run single in the top of the seventh inning Saturday to hold off Sanford-Fritch 9-7 in a District 1-3A baseball game.

The Eagles reached a tiring Kemp for five runs in their last at bat and had the tying runs on second and third when the senior right-hander recorded the final out.

Kemp (7-1) finished with a five-hitter and struck out 13 while recording his seventh-straight win.

In other district action this weekend, district leading River

Mark Young Blood puts the hurt on the Animal Biker Saturday during a benefit pro wrestling event at Watson Junior High School. The event served as a fund-raiser for Muleshoe resident Roman Reyna to help cover medical costs.

Locker, Aguirre among favorites at 1-3A track meet

The journey back to the state meet in Austin begins Thursday for Muleshoe track standouts Stacy Locker and Ricko Aguirre.

Locker is the heavy favorite in both the 800 and 1600 meters and Aguirre in the shot put at the District 1-3A track meet at Canyon Randall High School.

Preliminaries for running events start at 10 a.m. Field events are scheduled at 1:30 p.m. and the finals at 5 p.m.

Locker has made drastic improvements in her times the past two weeks, especially in the 1600, and appears primed for a return to Austin. She qualified for the state meet in the 800 last year.

"It's not a question any more of whether or not she's going to knock off more time, but how much?," Muleshoe coach Amy Kelly said.

The sleek sophomore shaved 13 sec-

onds off her 1600 time last week, setting a personal-best time of five minutes and 33.65 seconds at Dimmitt. She also ran her second-best 800 with a time of 2:24.65.

Kelly said Locker has improved her finishing kick by doing more sprint work and also is doing a better job of pacing herself.

QUALIFIERS

From page 1

district's No. 1 seed in a one-hole playoff.

Tulia was third at 762 and Frona fourth at 766. Muleshoe finished at 777.

Goldie Harrilson of Frona earned the district's second medalist regional berth with a 166. Muleshoe junior Nikki Sutton shot an 87 in the second round and finished fifth at 174.

Whitt said she felt "at home" on the back nine because it was a typical West Texas style course — "just like Muleshoe Country Club." The front nine was a links style setup with rolling grass dunes and big, undulating greens.

"I was just able to play my game on the back nine," said Whitt, whose 36 included a pair of birdies.

The long-hitting Hodge said he was solid from tee-to-green, and unlike the first round, putted well.

"I don't think a missed a putt inside seven feet all day," Hodge said.

Tulia ran away with the team title. The Hornets fired a second-round 289, finishing with a two-day total of 595 and beating runner-up Perryton by 44 strokes.

Tulia's Patrick Johnson was the medalist, shooting an even-par 71 Monday for a two-round total of four-over 145 and lead-

Muleshoe freshman Dan Williams watches his putt during the first round of the District 1-3A golf tournament last week in Hereford.

ing a 1-2-3 Hornet finish.

Tulia golfers Mark Dyer (147) and Jayton Washington (148) finished second and third.

Washington carded the day's best round with a 68.

Muleshoe cut six strokes off its first round score, shooting a

334 to finish a surprising third at 674.

Senior Damon Davenport shot an 81 in the second round and finished at 167 and freshman Dan Williams added an 84 to finish at 173 and Kole Magby was at 187.

NOTICE OF GENERAL ELECTION (AVISO DE ELECCION GENERAL)

To the Registered Voters of Bailey, Texas:

Shelburne resilient at Amarillo Relays

AMARILLO — Muleshoe senior Chris Shelburne rebounded from a first-round loss to win the consolation title in boys singles at the 24th annual Amarillo Tennis Relays.

In girls doubles, Amber Bruns and Amanda Hahn split four matches in the two-day tournament held April 9-10 at several Amarillo area schools.

Muleshoe finished eighth in the shot put and triple jump.

Burkburnett won the division with 114 points. Portales, N.M. scored 78 points and edged Caprock for second place. Dimmitt finished seventh with 38 points.

Team points were based on how far players advanced.

Shelburne beat Powers of Dimmitt 6-4, 6-0 in the consolation final.

No. 2 singles player Chris Vaughn split four matches, beating Flores of Dimmitt 6-3, 6-4 in the 11th-place match.

In boys doubles, the Mules' No. 1 team of Jeff Bruns and Delwyn Latham won their first-round match, but then dropped three straight and finished ninth. The No. 2 team of Moises Garcia and Eric Posadas went 1-3 and finished 12th.

In girls doubles, Bruns and Hahn beat a Portales team 6-3, 6-3 in the 11th-place match.

In girls singles, Cambri Lewis beat teammate Amy Marricle 6-1, 6-0 in the 13th-place match.

Hart Invitational

HART — Muleshoe received fourth-place finishes from Chris Shelburne in boys singles and Joe Garcia and Justin Lee in boys doubles at the Hart Tennis Invitational held April 3-4.

Shelburne lost to the top seed in the semifinals and to the No. 2 seed in the third-place contest.

Muleshoe's two other singles entries, Chris Vaughn and Hadley Henderson, were eliminated early.

Garcia and Lee were also

beaten by the top seed in the semifinals and then lost to Sudan's No. 2 team in the third-place match.

Also in boys doubles, Moises Garcia and Eric Posadas were knocked out in the second round by the No. 2 seed from Nazareth and Jeff Bruns and Delwyn Latham were eliminated by the same No. 1 seeded team from Sudan that beat Garcia and Lee.

In girls singles, Cambri Lewis was bounced by the No. 2 seed in the second round.

In doubles, Amber Bruns and Amanda Hahn lost in the second round while Cassidy Cleavinger and Ellen Wood lost two straight.

DISTRICT

From page 4

Senior Kendra Benham has a chance to qualify in three events, but has been bothered by a sore foot. Benham is the defending district champion in the 100 meters and also excels in the shot put and triple jump.

Kelly thinks her best chance is in the triple jump. Benham has a season-best mark of 35-2.

Other Lady Mules with a

chance of medaling are sophomore Bobbie Benham in the 400, sophomore Lindsey Field in the high jump and freshman Tommie Hernandez in the discus.

Aguirre set a new school record in the shot put last week at Dimmitt with a throw of 54-9, edging Bobcat standout Charlie Sanders by five inches.

Aguirre, who finished sixth at state last year, has been

throwing 58 feet in practice and warm-ups, but hasn't been able to do it when it counts.

Aguirre missed two meets because of powerlifting and hasn't been challenged much at the other meets.

"Missing two meets can't help," said Muleshoe coach Ron Welch said. "The thing is we just don't know how much it hurts. He just hasn't faced a lot of competition."

Welch said Aguirre hasn't come close to reaching his potential. "His technique is not where it needs to be."

Aguirre also has a solid chance of advancing in the discus, with a season-best throw of 162-5. He regularly throws 170-180 feet in practice.

Other Mules with a chance to medal are sprinters Greg Pena, Manuel Campolla and Gilbert Vela, high jumper Dustin Cleavinger, vaulter Brandon Broyles and long and triple jumper Russell Byers.

Muleshoe head coach Flint Bigham thinks the Mules have a good chance of winning the junior varsity title.

FRITCH

From page 4

relief help for Kemp.

"He got us that far, I was determined to let him finish," Hill said. "It would be tough to bring in a kid into that situation and expect him to get outs. Plus, Layne Kemp is the best we've got."

Sanford-Fritch only hit one ball hard off of Kemp all game, according to Hill, a solo home run by No. 7 hitter Ricky Wolfe in the fourth inning.

Kemp also paced an efficient Muleshoe attack that was aided by seven Fritch errors, collecting two of the Mules' six hits, including his second home run of the season.

A 40 mile-per-hour wind blowing in from right field made for terrible hitting conditions.

Kemp staked Muleshoe to a 2-0 lead in the first inning, drilling a 2-1 offering from losing pitcher Jerod Carr over the left-field fence with Larry Pineda aboard.

Sanford-Fritch (6-7, 3-3) sliced the deficit in half on Carr's run-scoring single in the third.

Muleshoe surged to 7-2 lead by scoring five runs over the next two innings.

Matt Mason delivered a two-out, two-run double in the fourth inning, increasing the Mules' lead to 4-1.

After the Eagles got a run back in the fourth on Wolfe's home run, MHS chased Carr during a three-run fifth.

Kemp, Rodney Alanis and Mason Sinclair all had singles in the uprising that was aided by three Fritch errors and two stolen bases.

After mowing Fritch's lead-off hitter on strikes to start the seventh, Kemp had trouble locating the plate.

Two walks and pinch-hitter Durk Downs' single produced one run. After whiffing Carr for the second out, Kemp walked three more hitters and allowed David Skaggs' two-run single before inducing pinch-hitter Byron May to bounce back to the mound.

"He lost a little bit of velocity, but mostly he just couldn't find the plate," Hill said. "It's not like we let down — we didn't commit any errors."

Mitchell earns second trailer at Houston Livestock Show

For the second consecutive year, Pam Mitchell of Memphis, Texas won a stock trailer from the Houston Livestock Show & Rodeo.

Mitchell, the granddaughter of George and Clydetta Mitchell of Muleshoe, won the trailer through her participation in the junior commercial steer feeding and management program. For the second year in a row, Mitchell was named Reserve Grand Champion in the event.

In the program, students feed three steers weighing 650 lbs. for 140 days under feedlot conditions. The steers finish at approximately 1200 lbs. and are graded and sold at market price during the Houston Livestock Show and Rodeo. The contestants are interviewed on their knowledge of the feedlot industry to help determine the winners.

Stock show winner

Pictured above is Pam Mitchell, daughter of Jim and Anita Mitchell of Memphis, with the stock trailers that she has won at the Houston Livestock Show and Rodeo the past two years. In addition to the trailers, she also received the Fred J. Pauly award and two \$500 cash awards.

We would like to thank the Muleshoe youth and their families for their support, fun and memories. Due to illness in our family, we must close the doors of B/S & More temporarily. We will reopen in the future!

*Thanks Again
Stanley & Kay Dale*

Thank you for the prayers, cards and flowers sent to our family during the loss of our son Marcus.

Longhorn band earns I in sight reading

The Lazbuddie Longhorn Band attended the UIL Concert Contest Wednesday, April 8, 1998 at Wayland Baptist University in Plainview.

The band, under the direction of Becky Jones, performed in a rehearsed concert contest and a sight reading contest.

Ratings in both events were given from I to V, with I being the highest.

In the concert portion, the Lazbuddie band performed S.S.

Titanic, Fughetta and Crest of Nobility. They were awarded a II rating.

In the sight reading portion of the contest, the band received a I rating.

For this event, the bands received a piece of music they had never seen before.

Jones then had seven minutes to talk the band through the piece before they had to start playing.

The Longhorn Band is now working on music for the Cav-

alcade of Music competition to be held May 9, in Colorado Springs.

Students have earned money for the trip through various fund-raising activities.

Thanks to the support of the community, the students will be able to see several attractions in Colorado such as the Royal Gorge, Pike's Peak, the Air Force Academy, a Cave of Winds, and a mountain lazer show.

Did You Know?

Used after hand-washing, a moisturizer with an antibacterial agent, such as Vaseline Intensive Care Anti-Bacterial Hand Lotion with Triclosan, keeps skin healthy-looking and provides a layer of protection against germs.

Breakthrough technology developed at MIT has resulted in The Robotics Invention System from Lego of robot products that can be built by children.

Economists predict opening up the regional phone monopolies to competition could save consumers about \$10 billion.

For an average of one to two dollars a month, your insurance company will pay for your rental car while yours is being repaired. This coverage could pay off quickly because a damaged car is in the shop for an average of 12 days.

MULESHOE AREA HOME HEALTH Agency

Featured Staff

Kaycie Cox is the featured staff member for April. She works as an office assistant aide at M.A.H.H.A.

Kaycie is eighteen years old. She was raised in Stanton, TX. She and her family moved to Muleshoe in 1996.

Miss Cox is the daughter of Ray & Keta Cox. Both of Kaycie's parents work at Trinity Company, which stores and ships cotton here in Muleshoe. Ray works as a foreman at the Trinity Company and Keta works as a secretary. Kaycie has two older siblings: Michael of California and Cristy of Stanton.

Miss Cox is a senior at Muleshoe High School. She says English is her favorite school subject and lists reading, travelling and hanging out with friends as her preferred pastime activities.

After graduation Kaycie plans to receive her undergraduate degree at the University of Texas Permian Basin. Miss Cox would then like to further her education at either East Tennessee State University or Sam Houston University. She is interested in entering the Criminology field. However, Kaycie is unsure if she will concentrate on Criminology or if she will pursue a degree in Criminal Justice as well. Specifically, Miss Cox is interested in forensic or profiler criminology.

Kaycie comes to M.A.H.H.A. with experience in the health field. She received certification in Health Occupations I and II from M.H.S., and she worked as a Certified Nurses Aide in Stanton last Summer.

"I've enjoyed working here. It's the best place I've ever worked," she says when asked about M.A.H.H.A. She adds enthusiastically that "the people are great!"

OBITUARIES

CLIFTON B. ALLEN

Clifton B. Allen, 58, of Muleshoe died Monday, April 13, 1998 in Muleshoe.

Memorial services were held April 15 at Ellis Funeral Home Chapel with Rev. Stacy Conner, pastor of First Baptist Church of Muleshoe, officiating.

Burial followed at Muleshoe Park Cemetery under the direction of the Muleshoe Masonic Lodge.

Allen was born Dec. 11, 1939 in McAdoo, Texas. He moved to Muleshoe in 1950.

Allen, a custom saddle maker, owned and operated Clifton B. Allen Saddle Shop in Muleshoe. He was a Baptist and a member of the Muleshoe Masonic Lodge.

Survivors include his son, Winston Allen of Amarillo; daughter, Shelly Allen of Borger; sister, Charlotte Brannon of Leander; brothers, Roy Allen of Plainview and George Allen of Orting, Wash.

RAYMON SALAZAR III

EARTH — Raymon "Junior" Salazar III of Earth died Sunday, April 12, 1998.

A memorial rosary was held April 14, 1998 at St. Magdalen Catholic Church in Earth. A memorial mass was held April 15 at St. Magdalen with Rev. Joseph Augustine, pastor, officiating.

Burial was held in Fairlawn Cemetery in Amherst.

Salazar was born March 2, 1976 in Amherst. He was a

member of St. Magdalen Catholic Church of Earth. He was a graduate of Springlake-Earth High School.

Salazar was preceded in death by his father, who died July 1, 1997.

Survivors include his mother Mary Ann Salazar; sisters Rosemary Salzar and Gloria Salazar of Earth; brother Domingo Salazar of Earth; maternal grandmother Petra Polando of Earth; and paternal grandmother Juanita Salazar of Littlefield.

VIVA MAYE LEWIS

MEDFORD Ore. — Viva Maye Lewis, 75, of Medford, Ore. died Saturday, April 11, 1998 at her home.

Memorial services were held April 17, 1998 at Conger-Morris Funeral Home with Pastor Larry Russell of Father's House in Longview, Wash. officiating.

Burial was held in Hillcrest Memorial Park in Medford.

Lewis was born Jan. 1, 1923 in Turkey, Texas to Arthur and Mamie Askew.

Lewis attended Fairview Grade School and graduated from Muleshoe High School. After high school, she attended Holmes School of Shorthand in Amarillo. She worked at Cactus Ordinance Works in Dumas and Pantex Ordinance in Amarillo. She moved from Amarillo to Medford in July, 1944.

Lewis, a licensed tax professional, worked as a book-

keeper and office manager until her retirement in 1984. She was a member of the YMCA volleyball club for several years and played catcher on a softball team in 1982 and 1983.

Lewis was preceded in death by her parents and one son, Stephen Wesley.

Survivors include her son and daughter-in-law, Clifford Don and Rashell Lewis of Longview, Wash.; sisters Irene Splawn of Muleshoe and Gertie Riggs of Medford.; and two grandchildren, Chad Derek Lewis and Jeremy Frank Lewis.

The family requests that memorials be made to Rogue Valley Foundation, C/O Home Health Care, 2900 E. Barnett, Medford, OR 97504.

Pruning guidelines for a healthy landscape

To keep your landscape at its healthy best, start a regular pruning program. The following guidelines from the American Nursery & Landscape Association explain the basics. Nursery professionals are an excellent source of additional information. Remove spent flowers to stimulate growth and additional bloom; otherwise, plant energy is used for seed production. Prune spring-flowering plants such as lilacs, forsythia

or azaleas after they bloom. Summer-flowering plants like butterfly bush or crape myrtle should be pruned just before spring growth. Consult your garden center if you're uncertain. Non-flowering ornamentals can be pruned in late winter, spring or summer. Pruning in fall or early winter may encourage tender new growth that cannot withstand cold. On bulbs, cut faded blooms to stop seed formation. Cut back foliage only after it has died naturally.

- Branches damaged by diseases, insects, winter or storms should be pruned back to healthy green wood. Remove branches that grow inward, rub against other branches, are leggy, or those interfering with walkways or mowing.
- Heading shortens plants and makes them more dense. Cut terminal portions of branch to a point directly above the bud.
- Thin to improve light penetration, shorten limbs or direct growth. Cut back entire limb or shoot to its origin at

trunk or branch. Cut at branch collar, but leave collar intact. Tip pinch to encourage thick foliage and new branching. Remove stem tip of new growth with thumb and forefinger. Renewal pruning brings abundant new growth. Plants such as forsythia and spiraea will benefit from a few of the oldest canes being cut back to 6 to 12 inches above ground. Shearing promotes lush new growth. Use hand shears on stems to create a uniform surface.

WESTERN SEED MULTIPLICATION, INC.

CONTRACTING COMMERCIAL (EDIBLE) PINKEYE PEAS

- I. \$0.215 lb. delivered to San Jon, NM (.21 for peas plus .005 freight allowance).
- II. Full payment the SAME DAY peas are delivered. No charge backs except for seed.
- III. Seed .45/lb. to be deducted from proceeds of the harvested crop.

You Can Join the Arbor Day Foundation and Get 10 Free Flowering Trees

► Nonprofit foundation sponsors Trees for America™ campaign

Ten free flowering trees will be given to each person who joins The National Arbor Day Foundation.

The free trees are part of the nonprofit Foundation's Trees for America campaign.

The ten trees are 2 White Flowering Dogwoods, 2 Flowering Crabapples, 2 Golden Raintrees, 2 Washington Hawthorns, and 2 American Redbuds, or other trees selected for growing in your area.

"These compact trees were selected for planting in large or small spaces," John Rosenow, the Foundation's President said. "They will give your home the beauty of lovely pink, white, and yellow flowers — and also provide winter berries and nesting sites for songbirds."

The trees will be shipped postpaid at the right time for planting in your area, February through May in the spring, or October through mid-December in the fall, along with enclosed planting instructions. The six to twelve inch trees are guaranteed to grow or they will be replaced free of charge.

Members also receive a subscription to the Foundation's bimonthly publication, *Arbor Day*, a membership card, and *The Tree Book* with information about tree planting and care.

"Planting trees is something that each of us can do to leave our mark on the earth," Rosenow said. "Tree planting is a positive act that will improve our neighborhoods and communities, and make life better for future generations."

You can help make the future better and more secure by planting trees. **Join today, and plant your Trees for America!**

Lazbuddie piano students earn honors at Music Festival

Eleven Lazbuddie piano students competed at the Pastoral Music Festival Saturday, April 4 at Texas Tech in Lubbock.

The students, taught by Becky Jones of Lazbuddie, competed in several different categories including piano solo, duet, sight reading, and events on other instruments.

Each contest required the student to play two selections

from memory. One selection from a list published by the Federation of Music Clubs and a second selection of the student's choice, with the requirement that it be of similar difficulty as the first selection.

The students received a rating of superior, excellent, very good, good, or fair from a judge.

Receiving superior ratings in piano solo were Brittney

Schacher, Kelli Harris, Castle Crawford and Triston Thorn.

Receiving superior ratings for their piano duets were Scottie Brown and Leah Turner, and Jodie Coker and Savannah Black.

The students who received superior marks qualified for the state competition to be held May 16, in Dallas.

Receiving an excellent rating in the piano solo contest

were Jodie Coker, Savannah Black, Kendra Gallman, Kelsey Jones and Kati Mimms.

Kati Mimms also received an excellent rating in the piano sight-reading contest and on two flute duets with Crystal Scott.

The eleven students will be performing in a recital at 3 p.m. Sunday, May 3, 1998 at the Lazbuddie Methodist Church. The public is welcome

Predicted four percent gain in 1998 onion crop

The spring 1998 onion production in South Texas is expected to total 3.19 million hundredweight (cwt).

Based on an April 1 survey conducted by the Texas Agricultural Statistics Service, yield is estimated at 280 cwt per acre, up 75 cwt from last year.

Harvested acreage is estimated at 11,400. Planted acres decreased 3 percent to 12,000.

Producers in the Lower Rio Grande Valley expect to harvest 2.44 million cwt.

Generally the crop is ahead of schedule and shows excellent quality.

In the San Antonio Winter Garden and Laredo areas, spring production is forecast at 754,000 cwt.

In some areas the crop was affected by early, adverse weather.

United States' producers expect to harvest this year's spring crop from 34,400 acres, up 4 percent from last year.

PEOPLE'S CENTURY

History Made Visible 1900-1999

As the 20th century rushes towards its conclusion, *People's Century* looks back at the last 100 years. From the Paris Exposition of 1900 to the 1936 Berlin Olympics, the Bolshevik Revolution to the fall of the Berlin Wall, headlines to movie lines and much, much more, this landmark 26-part series offers unparalleled insight into remarkable and often turbulent events of the century by letting the ordinary people who lived them recount their extraordinary firsthand experiences.

The 20th century is the first century of mass politics, universal education, better public health, assembly-line production, mass sports and entertainment — and total war. It is also a time of rising hopes and aspirations, widening inequality and mass manipulation, freedom and prosperity, and social and political transformation. *People's Century* tells all these stories by combining rare archival film from newsreels, propaganda films, and home movies — much of it never before seen on television — with the personal testimony of the people who lived through the sweeping changes that shaped the century.

The first six episodes of *People's Century* will air on three consecutive evenings, April 19th — 21st at 9:00 p.m. Individual hour-long episodes of the series repeat Saturdays at 7:00 a.m. beginning April 25th. Subsequent episodes will air May through July and in the fall, 1999.

In Search of Law and Order: Reclaiming America's Kids

In the ten years between 1984 and 1994, the number of juvenile offenders in America tripled. While crime rates in America have begun to drop, teen-on-teen violence, especially in poor, urban neighborhoods, is still out of control. Year after year, more juveniles are killed by guns than by all other causes combined.

In Search of Law and Order: Reclaiming America's Kids, a special three-part series, takes a hard look at how three pioneering communities are coming up with innovative solutions to address the roots of violence to prevent troubled youth from becoming lifetime wards of the justice system. The series focuses on Boston, Massachusetts; Fort Worth, Texas; and Richmond, California; and profiles their successful initiatives in the war against juvenile crime and violence.

The program's Web site (www.pbs.org) serves as a centralized archive of resources available to communities that want to implement new approaches to their own youth crime problems.

In Search of Law and Order: Reclaiming America's Kids airs Sundays at 11:00 a.m. beginning April 19th.
