

# SCURRY LY SPEAKING

BY JAKE.

IF OPINIONS were not free, I would not be able to write this column today without serious financial embarrassment. But since that questionable privilege, like government bulletins, advice, cotton and sermons, comes without cost and without favor, I proceed with a clear conscience.

If my opinions have no other merit, I believe they are at least as optimistic as any you will find in a coon's age. And I believe that they are based on facts as closely as daily newspapers reveal facts.

Herbert Hoover has made a first-rate president. He is not a tool of the "big interests." He is not a Punch-and-Judy for Andrew Mellon. In an ordinary era he would have been considered as one of our greatest presidents. George Washington, Abraham Lincoln or Woodrow Wilson would have been just as powerful as Hoover in a normal depression crisis. Furthermore, Hoover will be elected in 1932 unless the Democrats choose someone more democratic than Al Smith or Franklin D. Roosevelt.

Gandhi is the smartest politician, the most cunning diplomat and the greatest economist in the world today. He slips goat man and wiggles his bare toes while the world's other leaders writhe in their boots. He has virtually cut out overhead expenses. He can say more in one paragraph than most politicians can say in a month, and he can make more honestly than any office-seeker in America.

Ross S. Sterling will be the next governor of Texas, and if anyone runs against him—and of course a few limelight-seekers will run—the present governor will win by one of the most overwhelming majorities in Texas history. He has been the kind of a hard-headed, tough-minded, close-mouthed official this state needed in such a time of stress, and if the Legislature had followed his ideas more closely we would be getting out of this depression mess faster. He has made mistakes by the hundreds, but if anybody else in Texas had been in the chair the errors would have slipped in by the thousands.

The cotton acreage reduction is as wise as a crisis measure, but it is neither sufficient nor very effective, and never will be. It was a superficial measure for a deep-rooted evil. Cotton and every other farm commodity is bringing a woefully unprofitable return, but we can not remedy the soup by skimming off the scum. Live-at-home has become a worn-out, almost ineffective term, but I believe in it more now than I did in 1918, and in the war and wheat paid the reparations. If we can't get enough from our products to buy groceries with, let's raise our own groceries and let California sell her stuff to Kalamazoo.

People who start, repeat, think, breathe or suggest bank rumors should be handed up by the toes until half-dead, and then made to walk the gangplank of public scorn. They are, as a contemporary has strenuously said, "yellow-bellied skunks," and their kind are more to blame for the depression than wars, overpopulation and underconsumption combined.

The United States has gone so far astray from the democracy advocated by Thomas Jefferson and the noble ideals of his day that even a historian should tell the truth about it. We have made the dollar our sovereign and speed our queen. We have created so many princes from by-to-be politicians and so many lords from simple-minded beer barons that we deserve all our corrupt government, gang-infested cities and burdensome taxes.

Japan is brewing a terrific Oriental war, and if the world doesn't calm her down, every million of us will be drawn into the turmoil. About the only difference between Japan and the diplomats and most of the other so-called diplomats of the other nations of the world is that the yellow-skinned gentlemen are not afraid to start something. Diplomacy has been like a babe in swaddling clothes in the face of the world's present economic disaster, and most bankers have shown up as financial dwarfs.

The World Series, the Southwestern Conference, and Interscholastic League Class B District No. 9 are the most encouraging organizations known to Snyder and Scurry County, for they have taken our minds from the damnable folly of hard times chattering. If I had the blues as bad as some fellows who have more money than I ever had even in my dreams, I would spend it for a Palace Theatre ticket and see a picture in which the real tragedy of mankind is reflected. Or I would spend my last dollar for hyacinths or carnations or roses and give things material an opportunity to sink to their proper level.

Most of us believe in religion, but few of us practice it. We let our mothers or our wives or our husbands or our children do the religion for us, and go to the devil ourselves. We know that God created us in His own image, and that He put us into the world for a purpose, but we are so busy with our silly griping and fruit-finding that we don't give even God a chance. We think we are courageous, but we are cowardly as a bunch of jackals when the big things of life face us.

## SOAKING RAINS BLANKETING COUNTY THIS WEEK

### Many Rural Students Again Starting Chase for Education

#### SCHOOLS OPEN AFTER BULK OF COTTON MOVES

Camp Springs and Whatley Started Monday—Pyrone to Begin With New Superintendent.

Rural schools in Scurry County began opening their doors Monday morning when Camp Springs and Whatley opened for business. Pyrone will follow Monday morning of next week.

At the same time, two of the largest schools, Dunn and Hermleigh, re-opened Monday after a four-week shut-down in order to permit students to remain in the cotton fields.

Bad weather has cut down attendance figures this week, but classes are expected to begin in full force after most of the clouds and mud are gone.

A few other schools plan openings within the next two weeks, and practically all of them will swing into action by Monday, November 9.

Camp Springs Opening.

The Camp Springs school opened with a good attendance and a fine spirit, despite the fact that it seemed probable a few months ago that no school would be held there, due to a number of transfers. Miss Snooks Davidson, principal, and Miss Pearl Horton are presiding over the school. Thirty-eight scholastics are in the district.

Trustees at Camp Springs, whose loyalty and cooperation have been largely responsible for the successful opening, are: E. D. DeShazo, D. L. Moffatt and Martin Reep.

Miss Katherine Northcutt of Snyder is again leading the Whatley school. She has only seven pupils to date. In charge of the school are: Adam Light and Bernard Simmons are the efficient trustees.

A. A. Bullock, county superintendent, will attend the opening.

#### Another Date Is Set For Disease Fight In Snyder

Diphtheria will be dealt another death blow in Snyder Tuesday morning at 9:00 o'clock, when Dr. A. A. Bullock, city health officer, again offers his services free in administering vaccine to school children under 14 years of age.

Any child in the Snyder city limits may take advantage of the offer. The vaccine, which ordinarily costs \$1.25, is now being handled in large quantities at \$1 for each person. This \$1 covering actual cost of the medicine for the necessary two inoculations, is the only fee connected with the work, since the Stinson Drug Company is handling the medicine free, and Dr. Griffin is donating his services and the services of his nurse.

The vaccination period last Tuesday morning attracted 32 for diphtheria inoculations and several for typhoid vaccination. Typhoid sera have been exhausted, however, and no more will be administered at this time.

Dr. Griffin reports that several other parents have called asking that another period be given to the work, and next Tuesday morning has therefore been set.

The life-and-death value of the diphtheria vaccine was reinforced less than two weeks ago, when a Scurry County child died because of the disease.

Ginnings in Scurry County are past the 11,000 mark as The Times goes to press Thursday morning. The estimated total, according to the Fuller Cotton Oil Company, is 11,166. The detailed report follows:

Snyder	6246
Hermleigh	1311
Inadale	1112
China Grove	1041
Dunn	702
Ira	458
Fluvanna (estimated)	286

#### Good Rains Fell In County Exactly One Year Ago Sunday

"Never in the same place twice" doesn't apply in any sense of the word to the October rains that drenched Scurry County by the good years of 1930 and 1931.

Last year the first general fall rain started Saturday, October 11; this year it started Sunday, October 11.

Last year the rain averaged from two to five inches; the figures were duplicated this year.

The 1931 rains, however, covered every inch of the county, while last year's rains touched only a portion.

Mr. and Mrs. Collie Fish and little son have made their home in Portales, New Mexico where Mr. Fish is employed with the J. C. Penney Company.

#### SMITH TO OPEN COURT MONDAY

Judge Fritz R. Smith will open district court here Monday morning, for a three-week session. The October term is one of the creations of the ruling early in the year that placed a second judge in this district.

Several important cases are listed on the criminal docket, and include those expected to run higher than usual.

Civil cases are also stacked higher than usual in District Clerk Louise Darby's office. The entire three weeks term will probably not be used, however.

#### Conference of Roll Call Workers to Be In Abilene Oct. 22

Scurry is one of the 30 counties that will send representatives to a district meeting of Red Cross Roll Call workers in Abilene Tuesday, October 22. Henry M. Baker, Texas and Oklahoma field director for the national organization of the American Red Cross, will be in charge.

A. C. Pruitt, county chairman, and other local workers are expecting to attend.

Anticipating increased quotas, the Red Cross is asking local chapters to budget their probable needs now and to use the annual roll call for Armistice Day to Thanksgiving as a means of raising necessary funds. The needs of 30 counties are to be considered at the October meeting.

Mr. Baker and D. A. Bandeen, manager of the West Texas Chamber of Commerce, are to lead conference discussions. The gathering will be held at the Hilton hotel, with Louis Montgomery, Taylor County chairman, presiding.

The National Red Cross membership goal this year is 4,000,000, a 4,000,000 increase over 1930. All chapter quotas are being raised. Only fifty cents per member is recommended by local chapters to the national organization.

#### More Junior Cotton Pickers Contesting

Times readers who have been watching the junior cotton picking contest no doubt noticed last week that several young champions were heralded in the community letters. This week there are others in the letters and you will be interested in reading about their records.

We have been reminded of the record created by 12-year-old Bernice Dale Johnston of Snyder, who pulled 206 pounds Thursday of last week, after going six miles to and from the field.

With the beginning of pulling and picking again this week, after the rains, there should be more good records by lightweights throughout the county. Let us hear from them.

#### "Church Day" To Be Observed By Methodists Here

"Go to Church Day" will be observed at the Methodist Church on Sunday, October 18. If you do not receive a personal invitation, we insist, "let us remind you that we are expecting you to worship with us."

The pastor will preach at the morning service, and Dr. O. P. Clark, presiding elder of the Sweetwater district, will preach at the 7:15 evening service. After the preaching service, Rev. Clark will hold the fourth quarterly conference.

The annual Methodist conference meets at Vernon in three weeks, and Rev. Wright is making preparations to give a two-year report of his work here. He is secretary

#### EAGLES SCORE EASY VICTORY OVER BENGALS

Brilliant Class A Delegation Makes Seven Touchdowns, But Locals Keep Fighting.

Completely mastering a sturdy, clanking Tiger squad for more than two quarters, the Abilene Eagles Saturday night gave the locals their worst drubbing in recent history. The game was played on Parramore Field, Abilene, before a fair-sized crowd, about 75 of them from Snyder.

The Eagles, while scoring seven touchdowns, did not beat the "Red" Moore crew. They beat them with steady, hard-hitting plunges, passes and end runs. Every Eagle was fought for, and Coach Mayhew kept all of his first string in the fray practically all of the first half and much of the second half.

Prexy Anderson, Abilene sports mauler, saw the game in this wise: "Prexy Gives the Details."

Heaviest scoring was done in the fourth period, when three touchdowns were made, two of them by the two succeeding quarters.

An early stampede of the maddened Snyder brigade off its feet for two touchdowns, but the adversary recuperated and gave only one touchdown in each of the two succeeding quarters.

Glyn Wyatt galloped again, to score three touchdowns. He had no marathon canters last evening, but he swung repeatedly through the center of the line for advances of 5, 10 and 15 yards, and recorded three touchdowns in the fourth quarter. Sad Sam Jones plowing for a couple of the counters, Dale Ackers nabbled a 35 yard pass from Mighty Pool for a sixth, and the rest was accounted for by the clubby Weldon Middle-

#### AUSTIN DRAWS COUNTY HEADS

The courthouse is only half official this week. Half of its "family" headed for Austin Wednesday to attend to county business that has become pressing.

The group included John E. Sencell, county judge; A. A. Bullock, county superintendent; Mrs. Louise Darby, district clerk; F. M. Brownfield, sheriff, and Mrs. Brownfield. The latter is visiting in Fort Worth.

Mr. and Mrs. Max Brownfield are caring for the three county prisoners during the absence of the sheriff and Mrs. Brownfield. No serious illness has been reported among the trio after a whole day of Mrs. Max's cooking.

#### Homer Wade Passes Through This Town

Homer D. Wade, former manager of the West Texas Chamber of Commerce, was a brief visitor in Snyder Monday. He was a guest of J. F. Pool, local co-op manager.

Mr. Wade is secretary of the cooperative council of the state, which includes leaders of the wool, pecan, cotton and other agricultural co-operatives. His present work is in the field for the cotton co-op. He had just returned from Spur and Lubbock.

#### Honolulu "Hula" Rare--Hawaii Is a Land of Beauty and Mixed Peoples

By Minnie Lee Williams.

Dr. and Mrs. Ernest Ward and their three-months-old daughter, Virginia, are visiting Dr. Ward's parents, Dr. and Mrs. W. H. Ward, at Hermleigh.

The Wards have been stationed in Honolulu for the past 27 months while in the running for a touring record, after having completed some 6,300 miles by Matson steamship and the old reliable Ford.

Four Continents Visited.

Dr. Ward reports having visited four continents, 30 foreign nations and many isolated islands during his 12 year service in the navy, but has never found a more delightful place in which to live than Honolulu. He states there is no economic depression in the territory of Hawaii. The chief resources are sugar, pineapples and tourists in the order mentioned.

The temperature is 74.3 degrees, with an annual rainfall of 50 inches. About 90 per cent of the population are Japanese and the remainder

#### MARY GARDEN

This world-renowned prima donna will appear in concert in Abilene November 6 under auspices of the Civic Auditorium Association. She will be preceded by two other world figures—Clara Clairbert, sensational new coloratura soprano, on November 2; and Doris Kenyon, motion picture favorite, with San Malo, violinist, November 3.

#### IT'S BEEN A LONG YEAR

The Times dumfounded Scurry County natives last May by proving that 1930, with 25.41 inches of rain, was the wettest year in recent history, and that the winter season of 1930-1931 was more than 500 per cent better than the average of the three previous winter seasons.

At that time the statement was made that "with moderate summer moisture, Scurry County is certain to have bumper crops next fall"—meaning now, of course.

The truth of The Times' well-figured prophecy is not doubted, for everyone knows that the summer months did not come. Just to prove our point, we present some more figures garnered from the official records of W. R. Merrell, weather observer.

We had less than one-half the rain during the first eight months of 1931 that we had during the same period in 1930. The eight months' total for 1930 was 17.34 inches; for 1931 it was 8.39 inches. The same months in 1929 yielded 13.59 inches.

Even with this week's rainfall, 1931 will have to do some tall climbing in order to reach the average of former years.

Rainfall for the months under question are as follows:

Month	1929	1930	1931
January	no rep.	.75	1.40
February	.99	.00	1.15
March	1.99	1.07	.57
April	1.05	4.05	1.92
May	3.97	7.00	1.30
June	.50	2.52	1.10
July	2.95	1.00	.94
August	.61	1.90	.18
September	2.51	.25	.13
Totals	13.59	17.34	8.39

#### Scarborough—Hutton Trade.

Dr. A. O. Scarborough and A. A. Hutton have recently made a trade, wherein Dr. Scarborough traded his home, 301 Twenty-Fifth Street, and the Scarborough apartments for Mr. Hutton's home located at 2311 Twentieth Street. The Hutton home was formerly known as the George Harris home situated in West Snyder.

#### Beauty Comes First.

Tourists notice the beauty of the island first, then the mixed population, with Japanese women in flashy kimonos and the Chinese women in black silk pajamas. There are no queues in evidence among the Chinese, and very few bond feet are seen any more.

Three years ago Dr. Ward specialized in aviation medicine, as have some 40 other doctors in the navy. This specialty, of course is comparatively a new one and covers some knowledge of the eye, ear, nose and throat, some psychology, physiology of respiration at high altitudes and a moderate ability to fly. The expense of making aviators is so great that doctors are especially trained to select the proper type of individuals for fighting in the air.

Dr. Ward visits his parents every two or three years, and states that he finds the big open spaces in West Texas very different from most places he finds in his service with the navy.

The Wards are leaving this week to visit other points while on

#### LEADERS WILL SPEAK DURING BAPTIST MEET

Dr. George W. Truett Headlines District Rally to Be Held At Colorado Next Week.

Three denominational leaders will headline the district rally for Baptists to be held at the First Baptist Church, Colorado, on Wednesday of next week.

Dr. George W. Truett, pastor of the First Baptist Church of Dallas and an international religious figure; Dr. J. Howard Williams, state executive Baptist secretary and chairman of the Every Member Canvass to be discussed at the Colorado meeting; and Dr. Millard A. Jenkins, pastor of the First Baptist Church, Abilene, compose the trio.

Rev. Philip C. McGeahy, pastor of the local Baptist Church, who is organizer for the canvass in District No. 8, will preside Wednesday. He describes the South-wide drive as one of the greatest steps taken by any denomination in recent years, and declares that the Colorado meeting will be the year's outstanding gathering of its kind in this section.

What the Program Is.

Briefly, the program known as the Every Member Canvass calls for enrollment of each Baptist as a contributor to Baptist causes. The immediate Texas goal is 100,000 members and \$750,000 for the cooperative program, with 1,500 churches on the budget system of finance.

Rev. McGeahy is expecting several hundred workers from the three associations in his territory. District No. 8 is composed of the Mitchell-Scurry, Big Spring and the Lamesa Associations. It is one of 17 state districts. Organization by associations, churches and church sub-divisions has been perfected for two weeks, and practically all the

#### TIGERS ARE TO FACE LUBBOCK

Coach "Red" Moore's Tigers will journey to Lubbock Friday afternoon to play their fourth Class A affair of the season. For the third time this season they will be matched against one of the strongest elevens in West Texas.

First it was Sweetwater, favorite to cop the title in the district occupied by such threats as San Angelo, Big Spring and Midland. The Tigers were whipped 32 to 0. Then it was Slaton, playing its first Class A year. The locals sneaked away with a one-touchdown win.

The Abilene game, played last Saturday night, brought the Tigers face to face with a team this is favored by many to take the West Texas hunting. The score was 46 to 0. Incidentally, that was the same score by which Lubbock West-erners defeated Slaton last week.

Moore will probably take a squad uncrimped except for McClinton, whose nose was badly smashed at Abilene. But the midget quarter will probably see service every minute of the game despite his handicap.

Several carloads of fans are planning to make the Lubbock jaunt unless the roads are muddled again. If you can make the trip, you would be glad to have you take some of the football boys.

Women in Scurry County communities are being organized this week by J. W. Scott, Chamber of Commerce secretary for supervising the Meat Canning Week program which will be undertaken November 2-7.

Several volunteers have already been enrolled for the week, and Mr. Scott expects to have the entire program well outlined by next week. All meat canned during the week will be used next winter to feed needy families.

A number of beaves and sheep have been donated, as well as a slaughter pen, gas, electricity and services. Harrie Winston, Chamber of Commerce president, adds his voice to Mr. Scott's plea that beaves and sheep be donated, in whole or in part, by those who can possibly do so.

#### Uniform Courses Will Be Given In Largest Schools

Uniform high school courses will be given in Scurry County's four affiliated high schools as a result of a conference of the superintendents with County Superintendent A. A. Bullock here Saturday.

Superintendents attending the meeting were W. C. Hooks of Dunn, E. E. Kerr of Hermleigh, E. O. Wedgeworth of Fluvanna, C. Wedgeworth of Snyder and Elmer Taylor of Ira. Schools to which the uniform courses apply are Dunn, Herma-

#### Les Stevenson and Anthony Goebel Go To Jail This Week

Luck was with Les Stevenson and Anthony Goebel, but actors from the Hermleigh country when they went to jail with Walter Camp, city marshal, Tuesday afternoon.

It seems that Les and Anthony were ready for a little beer party, and Walter assured them that he could get the mak'n's in the jail house. So to jail the trio went.

While the south-enders were peering under a cot for the beer in the case, the marshal jumped to the heavy door and swung to on the snifflers. Anthony leaped to the fray, however, and Walter was so scared of the consequences that he didn't lock the door.

Now Anthony and Les are wondering if their boyhood friend after all, doesn't keep his private stock in the jail house.

#### GEORGE CLARK HURT IN BLAST

Painful arm burns were sustained by George Clark, Citizens Ice Company engineer, early Wednesday morning, when he was showered with hot oil.

The accident occurred as Clark was pouring heated oil into the ice plant engine. The oil had been heated too such a high temperature that it exploded when it struck metal.

The burns are serious enough to keep the engineer off the job for some time, but will probably not result in permanent injury, the attending physician believes.

#### Snyder Tailors Are Open After Moving; Pete Also Changes

The Snyder Tailoring Company is ready for business in its new location just south of the Palace Theatre, according to Joe Graham and Earl Fish, owners. They were busy the early part of the week in straightening their equipment and seating their machinery.

Removal was made from the north side of the square where the company had been located for several years.

Pete Benbenek, shoe artist, vacated a portion of the new tailor shop location, and will be found in the first building south of there.

#### Simmons Teacher Is Speaker Here Twice

Dr. N. A. Moore, new head of the Simmons University, Abilene, Bible department, preached morning and evening at the First Baptist Church in the absence of the pastor, Rev. Philip C. McGeahy. In the morning he spoke on some fundamentals of the faith, and in the evening on encouraging hard-times angles.

The pastor returned to Snyder Monday after a two weeks' revival in the First Baptist Church of Colorado. He reports good attendance among church people, and 22 additions to the church.

#### RURAL WOMEN ARE ENLISTED

Women in Scurry County communities are being organized this week by J. W. Scott, Chamber of Commerce secretary for supervising the Meat Canning Week program which will be undertaken November 2-7.

Several volunteers have already been enrolled for the week, and Mr. Scott expects to have the entire program well outlined by next week. All meat canned during the week will be used next winter to feed needy families.

A number of beaves and sheep have been donated, as well as a slaughter pen, gas, electricity and services. Harrie Winston, Chamber of Commerce president, adds his voice to Mr. Scott's plea that beaves and sheep be donated, in whole or in part, by those who can possibly do so.

#### Health Meeting To Be Held Thursday

The monthly county health meeting will be held in the court house Thursday afternoon at 2:30 o'clock. A. A. Bullock, chairman, reminds Miss Catherine Yvra, district health nurse, will be present.

The chief feature of the session will be the making of plans for carrying all phases of the health program in to Scurry County schools. All community health committee members are urged to be present.

#### NO COMMUNITY FORGOTTEN BY STEADY FALLS

Downpour, Beginning Sunday, Said To Be Most Helpful to Visit County in Years.

One of those rains that made West Texas and Scurry County famous fell this week.

It drenched every field, pasture, street and house-top in the county with the most perfect and the most general rain in several years.

In Snyder the rainfall was 3.59 inches—2.73 inches beginning Sunday afternoon and ending Tuesday night.

Other parts of the county reported a fall varying from two inches to more than five inches.

Few Fields Washed.

Most of the rain was steady but gentle. It soaked down deep to the roots, and creeks never approached watershed levels. Tuesday night's rain was hard for a while in a few communities, but it did little damage.

A check-up by farmers and gin men reveals that cotton has been little damaged in most sections. The grade will be slightly hurt, but little cotton will be lost.

The heaviest damage came to a few farms in the Union community that were swept by hail Tuesday night. Only cotton was real seriously damaged.

That Winter Wheat!

The trusting farmers who had winter wheat and other grains planted before the rain are expecting bumper crops in the Union pasture. Some feed is expected to sucker out and make good late eating, while fall gardens were sprouted almost overnight.

Most pastures have already burned out during the blistery, dry summer days, but they will be given a good foundation for winter growth.

Practically every section of West Texas has been given a bountiful rain supply this week. Cross Plains reported a regular water-spout while Winters streets were flooded with water early in the week.

It Brought Optimism.

The rains have given Snyder her most optimistic outlook in many weeks. Merchants and farmers, padlocks and lockers are apparently forgetting their inclination to look on the dark side of the cloud, and are tracing a silver lining.

Too, the rains brought out sweaters and light coats, for they were heralded by a warmer. Winter has given fair warning.

It was a great rain in a great country that is never "out."

#### Famous Division To Hold Reunion Late in October

The famous Thirty-sixth Division of the American Expeditionary Forces will hold a reunion in Dallas October 24 and 25, according to John E. Sencell, local National Guard commander, who has been placed in charge of Scurry County publicity for the affair.

General William R. Smith, commanding overseas officer of the division, will be a guest of honor. Governor Ross Sterling of Texas and Governor William Murray of Oklahoma have also been invited, and they will deliver addresses.

A banquet will be given by General Smith, which will feature the first evening parade at 11:00 o'clock and the formal opening at 2:00 o'clock

## Mrs. Bannister Is Club Hostess.

Mrs. Herbert Bannister was hostess to the Altrurian Daughters Club Monday evening at her home. Mrs. Joe Caton was director for the interesting lesson on the first chapter of "The House of Seven Gables." A historical fact from the chapter was given when the Mauds and Pyncheons, was Miss Ola Lee Cauble's topic. Mrs. Max Brownfield gave a poem by Hawthorne's contemporary, Henry Longfellow, "The Old Clock on the Stairs." "Colonel Pyncheon's Reception" was described by Mrs. Willard Cloud.

Refreshments were passed to Misses Margaret Dell Prim Ola Lee Cauble, Polly Porter, Mary Harkey, Dorothy Strayhorn, Waulina Darcy, Lucile Brown and Grace Avary; Misses Wilma Cloud, Elmer Spears, Joe Caton and Max Brownfield.

## Bridge Club Is Entertained.

Mr. and Mrs. Albert Norred entertained the Thursday Night Bridge Club in their home last Thursday evening.

Melvin Blackard and Mrs. Wraymond Sims were winners of high score awards at the conclusion of the bridge play.

Refreshments were served to Wayne Boren, Messrs. and Mmes. Herbert Bannister, G. B. Clark Jr., Wraymond Sims, J. G. Hicks, Melvin Blackard, Forrest Sears, George Oldham and Clyde Shull. Miss Nell Swann of Merkel was a club guest.

## Mrs. C. E. Smith Visits In Snyder.

Mrs. C. E. Smith, a former resident of Snyder, about 34 years, who has been residing at the Confederate Mothers Home at Austin for the past six months, has been in Snyder visiting with friends and relatives for two weeks.

Mrs. Smith's relatives include a sister Mrs. C. C. Carter and two nieces, Mmes. Houston Woody and T. A. Berry of the Pleasant Hill community.

Mrs. Smith says that she is treated with such kindness and is given such special attention that she can only think of the institution as "home."

"The home is an old-fashioned four-story brick building situated one mile from the state capital. Looking from the windows on the east side of the building, one can see mountains, and wooded hills dotted here and there with little white cottages which makes such a pretty view.

"The inmates of the home are more like brothers and sisters. R. E. Patterson, superintendent, Miss Addie Bingham, head matron; Little Annie, the housekeeper; and Mrs. Wright, head waitress, are all kind to us and are ready at any time to supply our wants.

"We have our own individual rooms, which are always kept neat and clean and are furnished with little white beds, dresser, locker and comfortable rockers. There is a fine hospital with a doctor who is kind and remains there all of the time. The head nurse, who is a graduate, looks after the other nurses, who serve eight hours each. Thus, we have a nurse every hour during both night and day. We also have a special nurse who remains at the mothers' building all of the time.

"Sunday School and church are conducted at the chapel every Sunday. Mr. Mobley our chaplain, has won the love and respect of all of us by his kindness and Christian living.

"There is plenty of entertainment furnished for us. We have a radio and victrola, and programs are given by the Daughters of the Confederacy. Bus riding is enjoyed often. A person who takes care of our letter writing comes twice a week and writes our letters for us.

"I am as happy as I can be, for I have found everything that would make me so at the Mothers' Confederate Home. I have enjoyed my visit in Snyder, and hope to be back in days to come to visit again."

## FAVORITES

Mmes. C. E. Fish and J. W. Scott have given us recipes for a red devil's food cake and a potato cake this week. There is a recipe for a molasses pie and one for a candlestick salad by Mrs. James R. Hicks. Mrs. George W. Brown has very delicious sounding recipe for butter-scotch custard and the gingerbread recipe is by Mrs. Willard Jones.

### Potato Cake.

One cup butter; 5 eggs; 2 cups sugar; 1 cup chocolate; 1 cup nut meats; 1 cup Irish potatoes; 2 cups flour; 2 teaspoons baking powder; 1 teaspoon cinnamon; 1 teaspoon cloves and 1 teaspoon vanilla extract. Boil 2 good sized potatoes and mash. Add to the well beaten eggs, the sugar and the butter, creaming. The milk is then added. Sift flour, baking powder, cinnamon and cloves and add them to the mixture. Add the cup of melted chocolate, cup of mashed potatoes and cup of nut meats. Mix the vanilla extract with 1 tablespoon water and add last. Bake in a moderate oven. Chocolate filling and icing is very good on this cake. Mrs. J. W. Scott.

### Red Devils Food.

One cup sugar; 1/2 cup butter or compound; 1 egg; 1/2 cup sweet milk; 1 block chocolate or 1/2 cup cocoa; 1/2 cup hot water; 1 teaspoon soda; 1 teaspoon vanilla; 1/2 teaspoon salt; 1 1/2 cup of flour; and 1 teaspoon Royal baking powder. Put soda in hot water, then chocolate. Let stand while you cream butter and sugar. Add egg and beat briskly. Sift flour once, measure and add salt and baking powder. Sift into batter as you add milk—a little at a time. Then add chocolate mixture and vanilla. The following is the filling I use for this cake: 1/2 box powdered sugar; 1 teaspoon butter; 1 block of chocolate and 4 tablespoons cream. Mix without cooking. I bake this cake in one layer, using a square pan. Mrs. C. E. Fish.

### Molasses Pie.

Beat 2 whole eggs. Add a little flour mixed with 1 cup of sugar. 1 cup pecans; 1 cup molasses (Mary Jane); and a little butter. Mix, pour into crust and bake in a moderate oven.

### Candlestick Salad.

One-half banana dipped into salad dressing and rolled in chopped nuts. Place cherry on top. Place this on slice of pineapple and sprinkle with cocoanut. Mrs. James R. Hicks.

### Butterscotch Custard.

One-half cup sugar; one-third cup boiling water; 4 tablespoons butter; 6 tablespoons flour; 3/4 cups brown sugar; 2 eggs (slightly beaten); 1 teaspoon salt; and 2 cups of milk. Heat 1/2 cup sugar in frying pan. Stir constantly until it turns slightly brown. Add boiling water and cook until thick syrup is formed. Cream butter, add flour, brown sugar and salt. Add scalded milk mixed with caramel syrup. Boil 3 minutes. Pour gradually into the beaten eggs. Cook until it thickens—stirring constantly. Mrs. George W. Brown.

### Ginger Bread.

One-half cup sugar; 1/2 cup butter and lard (mixed); 1 egg; 1 cup molasses; 2 1/2 cups sifted flour; 1 1/2 teaspoons soda; 1 teaspoon cinnamon; 1 teaspoon ginger; 1/2 teaspoon cloves; 1/2 teaspoon salt and

## El Feliz Meets With Mrs. Roberts.

The El Feliz Club was delightfully entertained Friday afternoon in the home of Mrs. J. W. Roberts, 1104 Twenty-Fifth Street.

A profusion of various colored zinnias made the entertaining rooms very attractive.

At the conclusion of forty-two games, the hostess passed a dainty salad course, with scarlet verbenas as plate favors, to Mmes. George Webb of Peoria, Illinois, Guy Stoker of Eastland, R. S. Sullivan and W. R. Merrill, guests; and to Mmes. E. E. Wallace, C. W. Harless, R. H. Odum, H. J. Brice, Gertie Smith, R. S. Snow, H. G. Towle, Sidney Johnson, Lee Stinson, W. H. Cauble, J. C. Dorward, Hugh Boren, W. M. Scott, A. J. Cody and T. L. Lollar.

Mrs. Odum will entertain the club on Friday afternoon, October 23.

## Girls Auxiliary Meets Wednesday

The Girl's Auxiliary of the First Baptist Church met Wednesday afternoon in the home of Miss Louella Byrd with Miss Laura Banks as an assistant hostess, but who was unable to be present.

The interesting study, "Land of the Buried Treasure," was directed by Mrs. W. A. Morton, sponsor.

Delicious refreshments were served to Nadine Sumruld, Lola Mae Littlepage, Jeffie D. Isaacs, Dixie Lee Davis, Mavis Shuler, Saxton West, Earlene Martin, Eva Nelle Arnold, Vernelle Bradbury, Ernestine Taylor, Hilda Gene Williamson and Mary Nell Morton and Mrs. W. A. Morton.

## Mrs. Curnutte Entertains Club.

The lovely home of Mrs. R. H. Curnutte Sr. was the meeting place for the Sine Cura Club Tuesday afternoon.

A profusion of beautiful snap dragons, pink roses, dahlias and ferns made an attractive setting for the social hour.

Mrs. W. B. Lee was awarded high score prize at the conclusion of the bridge play, and cut prize went to Mrs. Austin Erwin.

A plate luncheon was served to Mmes. Austin Erwin, Hugh Boren, Fritz E. Smith, G. A. Hagan, W. R. Johnson, H. G. Towle, Albert Norred, Verne McMullan, W. B. Lee, J. M. Harris, A. J. Towle and O. P. Thrane, and to guests, Mmes. W. W. Lechner of Dallas, A. C. Preullit, W. W. Hamilton, W. D. Beggs and C. C. Higgins.

## Very Latest in Fashions

By MARY MARSHALL

From two yards of material you can make a most useful and attractive apron that will find most useful for yourself or that may be used as a gift or a contribution to a charity sale or bazaar. You will need two yards if the material is 20 inches wide or one yard if it is at least 40 inches wide.

The patterns for the back and front are precisely alike. It is best to cut a paper pattern of the shape and size needed before cutting the material. You will need a piece of paper 35 inches long. Mark the upper corner A and the lower corner B. Draw an angle at right angles at A measure along this line three inches and mark 1—so that from A to 1 is five inches. Now from A measure ten inches down and mark C. measure another ten inches and mark D. This makes the distance from D to B fifteen inches. Draw a line at right angles at C. measure six inches and mark H.

## Business Women Will Entertain.

A dinner, carrying out the Hal-lowe'en motif, will be given by the Business and Professional Women's Club Tuesday evening at the Manhattan Hotel, beginning at 7:00 o'clock.

A special entertainment has been planned for the occasion.

## T. E. L. Class Holds Meeting.

Members of the T. E. L. Class of the First Baptist Church met Wednesday afternoon of last week in the home of Mrs. J. A. Woodfin, 2110 Twenty-Seventh Street.

The devotional, 41st Psalm, was given by Mrs. F. M. Brownfield and Mrs. A. P. Morris led in prayer. During the business hour the following new officers were elected: Mrs. H. E. Rosser, president; Mrs. G. B. Clark Sr., vice-president; Mrs. W. J. Ely, second vice-president; Mrs. J. H. Byrd, third vice-president; Mrs. J. D. Isaacs, secretary-treasurer; and Mrs. F. M. Brownfield, reporter. Mrs. Woodfin is teacher of the class and Mrs. Emma Bibbee is assistant teacher. Mrs. J. M. Doak was appointed superintendent of the home department.

During the social hour, ten members and two guests enjoyed quilting.

## Parties Given Tuesday For B. Y. P. U.'s.

Parties were given Tuesday evening for both sections of the Inter-den Baptist Young People's Union. Section 1 was entertained in the home of Miss Mary Frances Bullock and Section 2 met at the church for a jolly good time.

Miss Bullock was assisted with hostess duties by her mother, Mrs. A. A. Bullock, and the sponsors, Mmes. Willis Rodgers and W. A. Morton. Games were played, and refreshments were passed to Juanita Sentell, Geraldine Shuler, Frances Isaacs, Sadie Tell Jenkins, Dorothy Terry, Oetka Ware, Ernestine Morton, Johnnie Lee Green, Lenora Patterson, Irene Spears, Maurine Wolf, Doris Davis, Sterlene Taylor, Mary Frances Bullock, Billie Hamilton, Chalmers Watkins, Raymond Day, Billy Cauble, Clyde Boren and Jack Bean.

Section 2 enjoyed various games, directed by the sponsor, A. A. Bullock, after which refreshments were served to Maxine Shuler, Myrtle Mae Day, Mable Watkins, Erlene Martin, Mavis Shuler, Nadine Sumruld, Jeffie D. Isaacs, Mary Nell Morton, York Murphy, E. J. Bradbury, Cecil Duff, Jack Martin, Billy Morris, Lewis Wilsford and Fred Jones.

## Calling cards at the Times office.

Make another line at right angles at D, measure seven inches and mark G and then mark three inches more and mark F. A line from 1 to G should pass through H. Draw a perpendicular line at B and mark E. 11 inches up. Curve a line from F to B as indicated. This makes half of the front of back and CB should be cut on a lengthwise fold of material.

In cutting your material allow half an inch for seams and hems or cut longer if a fairly long apron is wanted.

Join back and front at J. Turn a narrow hem along edges and stitch or finish with blanket stitch or bind. The sides of the apron lap over and button or snap as shown in the sketch.

## Miss Williams Weds Friday in Oklahoma.

Announcement has been made of the marriage of Miss Thelma Williams of Snyder to Mr. Amos Morris of Wichita Falls. The wedding took place in Frederick, Oklahoma, October 9.

The bride is the daughter of Mr. and Mrs. H. V. Williams of this city. She is a graduate of Snyder high school and has attended the West Texas State Teachers College at Canyon. She has taught in the public schools in various places in the state for a number of years. Mr. Morris has been a resident of Wichita Falls for several years.

The couple will make their home in Wichita Falls.

## Twentieth Century Club Meets Tuesday.

The Twentieth Century Club met Tuesday afternoon with Mrs. Joe Strayhorn in her home, 2111 Thirtieth street.

## NEW HOURS OF LEISURE

Authorities suggest that to get the most out of life, we must read regularly. They make no recommendations, however, as to how the busy homemaker can go about finding time enough to do this extensive reading. Your electrical dealer and your electric service company can solve the problem. Electric cookery will do it. The young lady pictured below (sketched from life) has actually proved this to be a fact. You, too, can have New Hours of Leisure. Investigate electric cookery.

IT IS A FACT that you can actually economize by using more electrical appliances. It is very simple—the more you use, the less the unit cost. For a very small increase in your electric service bill you can greatly add to your home conveniences.

CO-OP COTTON MAY BE APPLIED FOR SIX CENTS ON LOAN NOTES

The local Texas Cotton Cooperative Association office has received notice from R. J. Murray, general manager, that members who have secured government seed loans may have their cotton applied against their notes and mortgages on the basis of six cents a pound.

"This price is higher than prevailing street prices," J. F. Pool, local manager reminds, "and it will permit the borrower to margin his government loan indebtedness much sooner than otherwise."

Mr. Murray calls attention of association members to the following facts relating to the new six-cent basis:

First, the government is authorizing only \$7.50 a bale to cover picking and ginning, which amount is authorized to be drawn against the association at the time of shipment.

Second, members may ship their cotton to any of the association's various pools but the six-cent a pound basis of credit can only apply against cotton placed in the optional pool unfixed, in the seasonal pool, or in the suspense pool.

Third, members having cotton stored in bonded warehouses and receipts deposited with the government seed loan office may transfer such cotton to the association in a similar manner, providing that such transfer charges are paid by the member.

Fourth, as shipments are made to the association, the members' notes and mortgages held by the government will be margined with an amount representing the difference of six cents a pound and the \$7.50 per bale above mentioned.

Fifth, the association handles directly with the government agency all details in the matter including all remittances on the payment of cotton coming under the seed loan program.

Rain Forecasted By Indicator At Drug Store Here

Contrary to the understanding of some who have been watching the accurate weather forecaster which stands at front of the Stinson Drug Store No. 1, the rain of Sunday and Monday was accurately predicted its well in advance of its appearance, says Rev. Thos. M. Broadfoot, local minister.

Those who have been watching have taken their indications from the stationary position of the barometer. This is not the true indication. The movement, in combination with the movement also of the barometer, and the condition of the atmosphere, constitutes the basis of the prediction. This prediction may be determined as far as 24 hours in advance.

Two of these features, as early as Saturday afternoon, pointed to the condition which prevailed Sunday and Monday, especially as to the barometer and the atmospheric condition. The thermometer reading was a little more difficult to determine in the matter of rain, on account of the fact that its usual trend in the late afternoon is naturally downward as the sun goes down. But Sunday morning, even this matter was easily determined, the weather being quite a bit cooler than on the preceding morning.

Here is the rule that determined the Sunday morning reading that pointed to rain from the north, even though the wind was south wind:

The movement of the barometer was upward. The movement of the thermometer was downward. The moisture of the atmosphere was increasing as indicated by the increasing cloudiness of the morning sky. And though the wind was a south breeze, the forecaster prediction was for wind and rain from the north within 24 hours. This was also the indication as early as Saturday afternoon. And the wind and the rain came according to indication.

Read the rules at the bottom of the indicator, and learn to make your own forecasts.

"I don't mind washing the dishes for you," wailed the henpecked husband. "I don't object to sweeping, mopping or dusting the floors, but I ain't gonna run no ribbons through my nightgown just to fool the baby."

Mr. and Mrs. R. S. Sullivan were guests of her parents, Mr. and Mrs. Charles Ebberson, at Stanton during the week-end. Mrs. Sullivan and the children remained for a week's visit.

Mr. and Mrs. George Northcutt and daughters returned Sunday from Abilene, where Mr. Northcutt has been seriously ill at the West Texas Baptist Sanitarium. Mr. Northcutt is said to be gradually improving.

Mrs. C. R. Buchanan and nephew, Charlie Ben Shell, were met in Palo Pinto Saturday by Mrs. Buchanan's daughter, Miss Doris Buchanan, of Gordon, and the party spent the week-end with Judge and Mrs. E. F. Smith of Austin. Miss Buchanan had been attending the teacher's institute at Palo Pinto.

Mr. and Mrs. Hugh Boren, Judge and Mrs. Fritz R. Smith, Mrs. D. P. Layne and Miss Elizabeth Smith attended the funeral of W. R. Stone held in Lamesa Sunday. Mr. Stone was a brother-in-law to Miss Smith, Mrs. Layne and Judge Smith. Rev. Liff Sanders of Snyder officiated at the services.

Outstanding Religious Leader Backs Red Cross Roll Call With Support

Comments on the forthcoming Red Cross Fiftieth Anniversary Roll Call, Armistice Day through Thanksgiving, recently made by W. Cardinal O'Connell, Boston, Rabbi Abram Simon, Washington, D. C., and William Scarlett, Episcopal Bishop Coadjutor, Missouri, have just been received by J. C. Smyth, chairman of the Roll Call here.

Cardinal O'Connell said: "I cannot permit the 50th anniversary of the American National Red Cross to pass without a word of hearty congratulation and commendation. A half-century of unselfish service to humanity, as the agency of mercy and relief, is a glorious record which deserves the unbounded gratitude of all men of all classes."

A Consoling Chapter. "The work of the Red Cross stands out as one of the most consoling chapters in the history of our great Republic. Born upon the battlefields in the midst of suffering and death, its noble purposes have been fulfilled on every occasion when affliction has come upon humanity."

"It has been truly said that the American Red Cross is America's answer to the cry of human distress or need. It has placed our beloved country before the world as a nation of mercy and fraternal charity. In the late war it proved that patriotism did not prohibit care of the fallen enemy as well as our own heroes. In its efforts during the past year to relieve the suffering caused by the drought and the economic depression it has again demonstrated its readiness and efficiency to immediately meet the cry of distress. Its record clearly proves the greater the emergency, the more impressive its performance."

Ready Response Expected. "I am sure that the people of this country will readily respond to the Roll Call of the Red Cross, an organization which has renewed the spiritual life of our nation, while at the same time, bringing unnumbered material blessings to all men." Rabbi Simon remarked: "The

annual Roll Call of the American Red Cross is a challenge to every man, woman and child in our country. Enrollment is the very least measure of appreciation which we can show for this Big Brother of Humanity. Its membership ought to equal our population. The goal of the Roll Call will be reached when the annual call will be welcomed as a National Feast of appreciation, crystallization of the practical idealism of the nurse, clergyman, engineer and physician—all in one. The service of our Red Cross is an humbling miracle of ceaseless and constructive devotion. It is a moving benediction."

Born Fifty Years Ago. According to Bishop Scarlett: "Half a century ago the American Red Cross was born. In it the spirit and the deeds of the Good Samaritan have been multiplied into a far-flung organization, able to cope collectively and effectively with disaster on a major scale, rescuing those left broken and bleeding by the wayside, binding up the wounds, feeding the hungry, restoring hope, establishing order and sanity. In it the people of America have found a channel for the outpouring of mercy and pity and succor, and through it they have been

able to express their solidarity and fraternity. Because of it these disasters of earthquake hurricane, pestilence, fire, flood, famine (so curiously called 'Acts of God'), have been transmuted into opportunities for the forging of closer ties between ourselves, and among all nations."

"The Fiftieth Anniversary is a challenge to everyone, able to do so, to answer the Roll Call of the American Red Cross."

Boys Make High Average. An average of 2,725 pounds of threshed grain sorghums per acre has been made on 115 acres grown by 23 4-H club boys in Erath County, which is probably double the best previous county yields on a large acreage, the county agent is thinking. It is the best year pure line seed has been extensively used, and the land the boys used is unusually good.

## PLAINVIEW NEWS

**Lorene Smith, Correspondent**

At last the long drought of this community is broken. The rain began to fall about 5:30 Sunday afternoon and then it fell almost continuously through the night and Monday morning. Practically every one still has some cotton in the field which will be damaged some, but otherwise the rain will be a great help and we are happy to have it.

Miss Freda Schillhammer of Hamilton is visiting her brother, Henry, of this community.

Miss Alva Jones spent Saturday and Sunday with Mr. and Mrs. Elmer Howell of the Strayhorn community.

Mr. and Mrs. Grady Hamrick of Pylon were visiting in the R. H. Mitchell home Sunday.

Cleber and W. B. Smith of Brady were visiting the former's parents, Mr. and Mrs. I. F. Smith, Sunday and Monday.

Mrs. B. J. Candill returned to her home in Hobbs, New Mexico, Wednesday.

Mr. and Mrs. Bill Woods moved to Snyder Tuesday. Mr. Woods will work at the oil mill in Snyder.

Mr. and Mrs. W. A. Laster have their daughter, Emma, who has been in Brownwood at the point of death all summer, in their home now. Friends will be happy to know that she is recovering nicely.

Paul Jones began work at the oil mill in Snyder Tuesday.

Misses Arpie Ballard and Charlee Jones and Ocky and Dean Smith made a business trip to Lorraine Tuesday.

Miss Louise Brooks, who is staying in Snyder to attend school, spent the week-end with her parents, Mr. and Mrs. Ben Brooks.

We have a new "papa and mama" in our community too. Little ten-pound Thurman Wade made his appearance in the T. C. Fikes home Saturday evening. So don't be fooled; that big smile of T. C.'s is not caused by the rain alone.

Miss Miriam Armstrong of Big Sulphur was the guest of Capitola Smith Sunday.

Sunday School was well attended Sunday. Several new members were enrolled. We are happy to have these people and we hope they will be here each Sunday.

Rev. W. R. Russell of Little Sulphur preaches here next Sunday at 11:00 a. m.

We were wonderfully blessed by a nice rain. Everyone is wearing a big smile now. Some of the farmers have sown wheat and the rains will be a big help in bringing the wheat up.

Mr. and Mrs. Claude Hendrix visited in Roscoe Sunday.

Mrs. Olga Daniels and her little daughter visited with Mrs. Daniels' parents, Mr. and Mrs. L. N. Perrin, the past few days.

Mr. and Mrs. Claude Wilson and family visited in the Terry Sullinger home at Fluvanna Sunday.

Dewitt Rinea visited with friends Saturday night and Sunday en route to the Plains where he will soon pull cotton.

Johnnie Browning, Ed Williams, and Luther Edmondson have been pulling cotton in the Ennis community the past week.

Everett Scribner made a business trip to Eastland this past week. He was moving some stock for G. G. Smith, where Mr. Smith will move later.

Mr. and Mrs. Floyd Smith from Calhoun have been visiting Mrs. Smith's parents, Mr. and Mrs. Boss. Forrest Boss has returned home with them.

Mr. and Mrs. Hillman Crowover and family have moved to Abilene. We regret very much to lose this good family. They have made many friends here.

Our entire community was again saddened when the death angel knocked at the home of Mr. and Mrs. W. J. Cargile, claiming Mr. Cargile as one of the chosen. We need more men like Mr. Cargile; always making friends and loved by everyone. We extend our sympathetic understanding to the bereaved ones in their hour of sadness.

## BIG SULPHUR

Sunday School was well attended Sunday morning. Rev. D. L. Todd of Pleasant Hill preached for us. We invite him back again.

Next Saturday night and Sunday are our regular preaching and singing times. Everybody is invited to be present.

Mr. and Mrs. Bishop Vineyard spent Saturday with Mr. and Mrs. William Bullard at Hermleigh.

Mr. and Mrs. A. J. Mahoney and children were callers in the G. W. Wenken home in the German community Sunday.

Messrs. and Mmes. Albert Dacus and sons Robert Martin and children and William Bullard and son were callers in the R. H. Dacus home Sunday.

Lewis Pierce of Turner was the week-end guest of friends in this community.

Mrs. G. W. Wenken and children of the German community called on Mrs. A. J. Mahoney Saturday.

Rev. D. L. Todd of the Pleasant Hill community, Mr. and Mrs. J. E. Bowlin were dinner guests in the J. W. Allen home Sunday.

Mr. and Mrs. Clifton Ryan and children visited with Mrs. Ryan's parents, Mr. and Mrs. H. R. Lewis, at Hermleigh Sunday.

Everybody is rejoicing over the rain which fell Sunday and Monday. The rains' effect is estimated at about four inches.

Messrs. Doyle and Ben Ponder spent Sunday night and Monday with Otis Vineyard.

Received my copy of The Tolding Times this week, and also the show ticket, for which I thank the publishers.

## STRAYHORN NEWS

**Lena Hamilton, Correspondent**

Well, we have had rain over the Strayhorn community until the water is standing in every low place. It will certainly do some damage to the crops, but it will bring up the small grain which some of the farmers have planted.

Mr. and Mrs. Hugh Crawley, who have been pulling bolls in this community, have moved to Snyder.

W. H. Stokes and children, who are working at Roscoe, spent the week-end with homefolks here.

Mrs. Marion Hamilton and children visited Mr. and Mrs. Hugh Crawley at Snyder Sunday.

It rained so much Sunday that the singing was called off.

Mr. and Mrs. J. A. Guinn of Camp Springs, who spent several days of last week with their daughter, Mrs. Marlon Hamilton, have returned to their home at Roscoe.

Several from this community attended the pie supper Sunday night at Lloyd Mountain.

## COUNTY LINE

**Mrs. Dick Hardee, Correspondent**

Our community received the first rain Sunday night it has had since July 20. It began raining Sunday evening and has rained most of the time until now (Monday night).

Tanks have been filled to overflowing and the cisterns have caught lots of water. The rain was lots of help to those with stock, but has damaged the cotton quite a bit.

Several of the farmers had just begun their picking, as they could not get hands to pick it earlier. We hope it isn't damaged as much as some of us think.

Mrs. C. A. Ritchey is reported on our sick list this week. We hope she will improve soon.

Wiley Crowder of Snyder spent last week with this with his daughter, Mrs. Lloyd Holley.

Irene Thompson, who is attending school at Snyder, spent last week-end at home.

I extend to the Ira correspondents a hearty welcome into our family circle. I'm very glad to report them as correspondents that I secure.

The Browns attended a birthday party at Iglehart's in the Dorn community Saturday night.

The Forty-Two Club met with Mr. and Mrs. Pete Hester Saturday night with 20 players present, with Mr. and Mrs. Frank Dunn and Mr. and Mrs. Freeman as visitors. Doyle Gray and Mrs. Mize won in a tight race with Albert Erwin and Mrs. Buck Dunn. Our next meeting will be with Mr. and Mrs. Lester Williams.

Quite a few of our community attended the Methodist Quarterly Conference at Cutbert Sunday.

Bro. Fields did not preach last Sunday as the cloud was coming up when the hour of preaching came, but he will be back on next Sunday.

Mr. and Mrs. Rea Crowder visited at Ralls last week-end.

I wish to announce that there will be a box game Saturday night at the school house. The proceeds will go to pay for the singing school. Bro. Fields will be here.

Vaunelle Erwin, who is attending school at Colorado, visited homefolks Friday night.

Owing to the rain Sunday night we did not have singing, but will try it again Sunday night. All who can, come and help us learn the new songs.

I would certainly appreciate it if all who have any community news would please tell me Sunday night. I have my telephone out now and have no way of learning any news, and I certainly need your help.

## PLEASANT HILL

**Mrs. G. W. Flippin, Correspondent**

This community has certainly received a good rain. It might damage the cotton some but it will surely be good for winter pastures.

Mr. and Mrs. Will Taylor and children of the Turner community visited with Mr. and Mrs. Garland Taylor Sunday.

Mrs. W. Wade and children of the Ennis Creek community spent Sunday in the J. A. Gaylean home.

Misses Maud Merritt and Mary Treadwell visited with relatives in Colorado last week-end.

Miss Billie Morris of Snyder spent last week-end with the Beavers girls.

A large crowd attended the party at Charley Rhodes' home Saturday night. Everyone reported a good time.

Marcell Winters is visiting in Ralls this week.

This correspondent received her Tolding Times and I enjoy reading it very much. To me it seems that it sets better every month. Best of all I like little Margaret Ellabeth's letter. If she isn't more careful though, I'm afraid that her mother will find out that she is writing for us.

Mr. and Mrs. Jewell Moffitt of Snyder visited with Mr. and Mrs. Charley Rhodes last Saturday evening.

## HOBBS NEWS

**Juanita Huddleston, Correspondent**

Mrs. Bill Brown of Nolan is visiting her parents, Mr. and Mrs. Evans, of Hobbs.

T. J. Clark and Horace Roe were callers in the home of W. H. Huddleston last Thursday night.

Leona Huddleston is improving some this week.

Elmer Holcomb, Ben Hester, Will and B. Q. Moore, John Juanita and Lella Mae Huddleston have returned home from a hard week's work at Nolan.

Mr. and Mrs. Fonzo Ware visited his parents at Nolan last week-end.

There was a fairly good crowd at Sunday school Sunday morning.

**W. C. ROUNDTREE M. D. Pellegrina—A Specialty** will be at Williams Hotel, Lamesa, Texas, Monday, Oct. 26, and at Grace Hotel, Abilene, Texas, Thursday, Oct. 29.

## Four Hundred Orphans Get Hair Cut

Once a month thirty St. Louis barbers go out to Pattonville, Mo., and give the 400 little ones in the home there a haircut, free of charge. The youngsters enjoy the party, judging by the picture.

## BETHEL NEWS

**Nellie Barnett, Correspondent**

We have had some high winds since the last writing.

We had a nice rain Sunday night and Monday, and it looks as if we would get some more soon. The cotton was damaged some.

Mr. and Mrs. Knute Wall entertained a number of their friends with a party Saturday night.

Miss Pauline Hartley spent Saturday night and Sunday with Miss Lila Davis in the Martin community.

They attended Sunday School and church at Martin.

Mrs. G. B. Griffin was called to the bedside of her brother at Snyder. He is reported very low at this writing.

Rev. S. B. Wilkerson preached at Martin Sunday morning.

## ENNIS CREEK

**Ouida Horsley, Correspondent**

A cold norther struck here Sunday morning that made the folks bring out their winter coats. Something had to happen to make the cotton pulling job last longer, so a big rain was sent upon us. A heavy rain fell Sunday night.

Jack Smith is visiting his sister, Mrs. G. N. Greer. A friend, Robert Fink, is with him. Their home is at Italy.

Bruce Templin left Monday night for Tennessee, where he will make his home. He made a crop at Ira this year, but most of his spare time was spent at home of his brother-in-law, Luther Rainwater.

E. P. Rainwater got his finger caught in the side frames of his wagon last week and suffered painful injuries to the member.

Those who attended the pie supper at Lloyd Mountain Saturday night from here were: Misses Irene and Christine Greer; Irene Stone and Ouida Horsley; Messrs. Bud Rains, E. P. Tinsley and Hunley Rainwater, Elmer Prather, Allen Stone and Chesley Horsley.

Our grocer, Bob Noles, is leaving us, he says. He has brought up and is moving to that place this week-end. We appreciate his service to this community in the past, and wish him success in his future undertakings.

The name I. S. Snow as printed in last week's Times should have been I. S. Davis.

Manly Chandler is staying with Cecil Wood here were: Misses Irene and Christine Greer; Irene Stone and Ouida Horsley; Messrs. Bud Rains, E. P. Tinsley and Hunley Rainwater, Elmer Prather, Allen Stone and Chesley Horsley.

Next Sunday is our regular church day. Everyone come.

We are glad to have Mr. and Mrs. Silas Davenport back in our midst. They have been at Ira with his children since their return from Denton, where they attended summer school. They will teach here again this term. Miss Gladys Wilman will be the primary teacher. Note for the opening of school has not been decided yet.

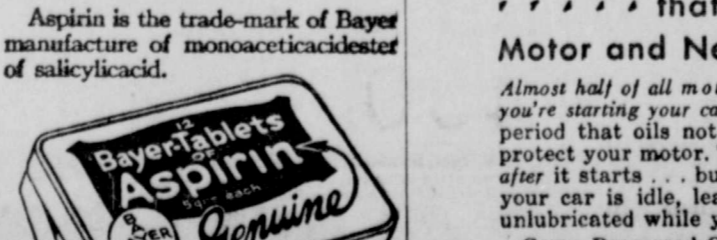

## ACHES AND PAINS!

When you take Bayer Aspirin you are sure of two things. It's a sure relief, and it's harmless. Those tablets with the Bayer cross do not hurt the heart. Take them whenever you suffer from:

- Headaches
- Colds
- Sore Throat
- Rheumatism
- Neuritis
- Neuralgia
- Lumbago
- Toothache

When your head aches—from any cause—when a cold has settled in your joints, or you feel those deep-down pains of rheumatism, sciatica, or lumbago, take Bayer Aspirin and get real relief. If the package says Bayer, it's genuine. And genuine Bayer Aspirin is safe.

## ROUND TOP NEWS

**Mrs. J. W. Brown, Correspondent**

The long looked-for rain came at last and caught lots of cotton in the fields, but I suppose no one is complaining very much since the staple was not worth much. The rains will help the wheat farmer, and give everyone a turnip patch.

Here's hoping little Miss Smyth has the days and nights adjusted and is doing fine by this time.

Mrs. B. D. Durham entertained as dinner guests Sunday Mrs. N. H. Durham and Mr. and Mrs. Byron Durham of Dunn, Mr. and Mrs. J. E. Shipp of Polar, Mr. and Mrs. H. J. Gill, Mr. and Mrs. Dildy Smith, Annie and Drucilla Casey.

Mr. and Mrs. J. H. Claybrook are back from Kansas and are living in our community again. We welcome them.

Mrs. Byron Durham left Friday to visit her mother at Canyon.

Mr. and Mrs. F. F. Musgrove spent Saturday night and Sunday with his father, S. H. Musgrove, in the Martin community.

Miss Mildred Gardner and mother are spending a few days with Mrs. C. H. Sikes.

Marcus Durham, George and Harold Claybrook were visitors in Abilene Saturday night, and saw the football game between the Snyder and Abilene high school elevens.

Rev. T. L. Nipp and wife visited his sister, Mrs. C. H. Sikes, Sunday.

Misses Weta and Dorothy Swan of China Grove and Miss Estelle Thomas of Ira spent Sunday afternoon with Mrs. J. W. Brown and family.

Mr. and Mrs. Clyde Thomas of Ira spent Sunday with Mr. and Mrs. H. L. Harrison.

Fred Gary of China Grove spent Sunday night with Hugh Brown.

Doyle Harrison visited Clyde Thomas at Ira Sunday a Monday.

People are surely missing the gins at Dunn an Ira. It is so far to haul cotton to Snyder—and so much

## MARTIN NEWS

**Edna M. Armstrong, Correspondent**

Once again our community has had a good rain, and still looks very much like rain at this writing. Most of the farmers have cotton in the fields yet. But we hope the rain did not do rather cool harm all day Sunday.

Rev. S. B. Wilkerson filled his regular appointment here Sunday morning, but the weather was too bad Sunday night for services.

Mr. and Mrs. D. D. Phillips had relatives visiting them from Lampasas during the week-end.

Mr. and Mrs. Fred Musgrove and children of Dunn spent this week-end with homefolks, Mr. and Mrs. S. H. Musgrove.

Miss Pauline Hartley of Bethel spent the week-end with Miss Lila Davis.

"Do you think your audiences enjoy the statistics you quote in your speeches?"

"No," replied Senator Sorghum. "I just put 'em in to make the rest of my remarks seem more interesting by contrast."

Young Woman (sweetly)—"Oh, I don't want a number. I'm looking for a pretty name for my baby."

of it to be gathered. Several farmers have from two to five bales stacked on the ground in the fields, and this weather is bad on it.

Our school at Dunn opened again Monday morning with a small attendance. Water was high in places and it was pouring down rain.

Bro. Paul Thompson of Colorado is teaching a young people's Bible class every Sunday at 3:00 o'clock in the afternoon at the Christian Church. This young man is a fine teacher and is having good attendance.

ton. Gaines Davis kept up his extra point percentage, booting four out of the five he tried.
Tigers Show Up Good.
Jesse Browning, 200 pound tackle; Johnson, big fullback; and the mid-field twins, Bedford McClinton and Buck Howell, made a fine showing in the face of overwhelming odds.

A fractured nose sent McClinton out of the game in the second period, but he was back for all of the last half. Never did he get away for any runs, but he flung some nice passes, two of which were completed to Earl White for good gains. Howell unwound himself and made the longest run of the game in the fourth round, a 50 yard return of the kickoff. He was brought down from behind as he hesitated for his interference to take out the safety man.

Snyder failed to penetrate the Ahlens 20 yard zone, but made three approaches to it. The first was when Wyatt fumbled on his 31 yard line in the second quarter and T. Rigby recovered. McClinton was laid out on the first play, however, and the threat, if any, was nipped. In the third, a 20 yard completion, McClinton to White, took the ball in the Eagles' territory. Johnson followed with a first down through the line, but Stanley Smith checked this rush by intercepting a pass on his 24 yard parallel. The third and last was on Howell's long return of the kickoff.

Midfield Drives Score.
Drives from midfield sent the Eagles across for each of their three touchdowns in the first half. Jones scoring the first and Wyatt the next two. They made a parade of 65 yards for the counter in the third with Wyatt again tabulating.
The fireworks really began to crackle in the fourth. Wyatt received 25 passes. Galbraith whirled through for a first down, and the Mighty Pool came in to throw a 20 yard pass to Ramsey, after which Jones made his second touchdown. All the way for 65 yards the reserve went for the next, Pochling flung two long and pretty passes. Balfanz grabbed the first 30 yards past the line of scrimmage, and Ackers took the next one over.

Line-ups table for Snyder vs Ahlens. Positions include Left End, Right Guard, Quarterback, etc.

Score by periods: 0 0 0 0 - 0 Ahlens 13 7 7 13 - 45
Penalties: Snyder - Two for 45 yards; Ahlens - six for 60 yards
Substitutions: Snyder - Fesmire for Jenkins, Green for McClinton, Etheredge for Fesmire, McClinton for Green.

Take Account of All Your Blessings, Says Editorial Presented By Pastor

After a lengthy silence, Rev. Jas. H. Tate, pioneer Presbyterian minister of Scurry County, writes from his California home. This time he lets a newspaper do his talking. He encloses an editorial from The Redlands Daily Facts, entitled "Take Account, Too, of Your Blessings." Of the enclosure he says: "This should serve as a good tonic for many who are discouraged and who are inclined to feel that our beloved country and government are all rotten. We have basked in sunshine and plenty—even in luxury—until a season of dull times makes us feel that we are worse off than anybody else. To any such, I commend the careful reading of the following article."

"Take Account, Too, of Your Blessings."
Press dispatches carry the story of a Bulgarian who committed suicide the other day because he had been ordered deported to his native land from America. Every day deportation is resisted by aliens illegally in the country as if this were a sentence to death. A pathetic story comes from Burgas, Bulgaria. Fishermen in the Black Sea saw a boat drifting, apparently empty. Investigating they found in it four children, four to 12 years of age, completely exhausted. They had been drifting in the boat for days, the eldest explained, and they were "on their way to America." In their native village of Constanza, Bulgaria, they had heard stories of the land where there was more happiness for children, and leaving a note at home, they had run away.

Snyder School News To Be Times Feature
News from Snyder schools will soon be a regular Scurry County Times feature, with the high school Press Club preparing the material under the direction of R. L. Williams, principal. It is probable that the news will be published twice each month. "It is our purpose to prepare interesting, timely news that will be read by students and parents alike," said Mr. Williams yesterday. "Since the merchants are not able to support a regular high school paper, The Times will include 'The Tiger's Tale' as a part of their regular edition."

Taylor Garage Blaze Put Out In a Hurry
Fire boys were on their toes Friday afternoon when the siren called them to put out Mrs. Zaack Taylor's garage and store room in West Snyder. Within less than five minutes they had the water running, and in another five minutes only a few threads of smoke were left. The garage was probably caught from trash Mrs. Taylor was burning. Use of coal oil as a disinfectant in the store room adjoining the garage helped the flames spread rapidly.

"I think we could get along fine together." "Well, it's certainly time you were getting along. It's eleven o'clock."
