## McMurry Artists Heard on Program Sponsored by Local Musical Coterie

### TEA FOR VISITORS AT CONCLUSION OF PROGRAM

Three guest artists—all instructors in McMurry College, Abilene—were featured on the program presented at First Methodist Church last Thursday afternoon under the sponsorship of the Musical Coterie. Seventy-five members and guests, including members of the Colorado Music Club, were in the audience.

The guest artists were Mrs. Robert Wylie, head of the voice department; Miss Ruth Lasley, head of the violin department; and Mrs. D. Whisenant, teacher of music theory.

Mrs. Wylie gave in a group of vocal solos "The Cuckoo Clock" (You 2), "By a Lonely Forest" (Griffes) and "Call Me No More" (Cadmus). The second group were violin solos, "Air on G String" (Matschke) and "Melody in E Flat" (Tchaikovsky), played by Miss Lasley. Mrs. Wylie sang, presenting "In the Luxembourg Garden" (Manning), "Tonight" (W. J. Marsh), and "To a Messenger" (La Forge). Mrs. Whisenant was accompanist for all numbers.

As a final number, Mrs. Wylie sang "Lullaby from Jocelyn" (Godard) with Mrs. Whisenant accompanying and Miss Lasley giving the violin obligato.

The program was arranged by Mmes. W. W. Smith, Elmer Speers and A. C. Pruitt, members of the Musical Coterie's special program committee.

### Miss Ruth Wright Is "Miss Colorado".

Miss Ruth Wright, daughter of Rev. and Mrs. Cal C. Wright, was chosen last week in the merchants' style review as "Miss Colorado." The judges selected Miss Wright from 20 contestants representing different stores in Colorado. Miss Wright was entered by the J. C. Penney store.

The Wright family are former residents of Snyder, Rev. Wright having been pastor of the First Methodist Church here for several years.

### Thursday Night Bridge Meets.

Mr. and Mrs. Albert Norred were host and hostess to the Thursday Night Bridge Club last week. An attractive St. Patrick's Day motif was observed in the shamrock-shaped score pads and tables.

At the close of contract games club prizes went to Mr. and Mrs. Fred Sears and guest prizes to Mrs. Marcel Josephson and Red Moore.

The St. Patrick's Day colors—green and white—were emphasized in the lovely plate, containing salad, sandwiches, candies and punch passed to the following: Messrs. and Mmes. J. P. Nelson, Marcel Josephson, Sam Hamlet and Red Moore, guests; and Messrs. and Mmes. Wayne Bowen, Melvin Blackard, Herbert Bannister, Robert H. Curmote Jr., Forest Sears, Raymond Sims, and J. G. Micks and Mrs. J. M. Harris, members.

### Mrs. Johnson Is Hostess to Club.

Mrs. W. R. Johnson was charming hostess to Sine Cura members and guests Tuesday afternoon. At the close of contract games Mrs. Harold Enfield of Hollywood, California, was presented high score prize, and Mrs. O. P. Thorne received second high. Four cut prizes were presented to Mmes. R. H. Curmote, J. M. Harris, G. A. Hagan and Harold Enfield.

A lovely Easter motif was used in table appointments. Fluffy little white rabbits and Easter eggs made attractive table centerpieces, and a dainty salad plate was passed to the following: Mmes. T. L. Lollar, Pearl Shannon, R. H. Curmote, A. D. Erwin, O. P. Thorne, Vern McMullen, A. J. Towle, H. G. Towle, J. C. Stinson, J. M. Harris, Forest Sears, Hugh Boren, Ernest Taylor and G. A. Hagan, members; Mmes. H. P. Brown and Harold Enfield, bridge guests; and Mrs. E. J. Anderson, a tea guest.

### Alathean Class Has Husband's Party.

The Alathean Class of the First Baptist Church gave a forty-two party Friday evening in the home of Mrs. G. E. Ross honoring their husbands. Attendants say that it was a lovely affair.

After games of forty-two were played the hostesses passed a plate luscious consisting of chicken salad, wafers, pickles, cherry pie with whipped cream, coffee and mint.

Special guests were Mr. and Mrs. W. E. Wren of Crosbyton, Mrs. P. Ed Ebling of Reta Santa, Mr. and Mrs. Clarence Weninger and Dr. and Mrs. Charles B. Reed.

Class members and their husbands who were present included the following: Messrs. and Mmes. A. W. Arnold, John Pierce, J. W. W. Patterson, Ben Bean, W. G. Williams, Morgan Smithers, A. C. Miller, Walter Scott, Walter Crum, Walter Morton, H. L. Wren, Harvey Shuler, C. E. Fish, John Speers, Bernard Longbotham, W. C. Hamilton, H. L. Davis, J. Nelson Dunn and J. J. Bradbury; Mmes. O. S. Williamson, Lora Miller and Guy Adams and Dr. R. D. English.

### Volunteers Have Supper at Gray's.

The Volunteers of the First Methodist Church met at the home of their teacher, Mrs. R. E. Gray, last Wednesday evening at 6:30 o'clock for a delightful steak supper. The menu included steak, gravy, potatoes, deviled eggs, rolls, marshmallows and coffee.

The following were present: Dorothy Darby, Gwen Gray, Tammie Reed, Jan Thompson, Acie Dell Morten and Mrs. Gray.

### Mrs. W. H. Cauble Hostess to El Feliz.

Mrs. W. H. Cauble was hostess to El Feliz members and guests Friday afternoon. The green and white color motif was emphasized in observance of St. Patrick's Day. A lovely plate luncheon was passed with shamrocks made from gum drops as plate favors.

Forty-two games were enjoyed by the following: Mmes. J. C. Derward, A. J. Cody, R. H. Odum, J. W. Roberts, R. S. Snow, N. I. Gross, W. M. Scott, Noah B. Sisk, W. J. Ely, W. E. Doak, Alice Northcutt, H. J. Brice and Lee T. Stinson, members; and Mmes. Hugh Taylor, J. Monroe, W. C. Hamilton, Pearl Shannon, J. Nelson Dunn, W. G. Williams, Sidney Johnson, and Guy Stoker of Eastland, guests.

### Sunday School Class Entertained Tuesday.

The Willing Workers Sunday School Class of the First Methodist Church was entertained in the home of Miss Polly Merrill by Misses Ruth Guinn and Grace Holcomb Tuesday evening.

A pretty St. Patrick scheme was carried out in the refreshment plate containing chicken salad, sandwiches, pickles, potato chips, cookies and hot coffee.

The following were present: Miss Madeline Faulkner of Dallas, a guest, and Martha Parker, Martha Clud, Mariwade Moore, Mary Lynn Scott, Allene Curry, Polly Merrill and the hostesses.

### Called Business Meeting.

The Altrurian Daughters had a called business meeting and covered dish dinner at the home of their sponsor, Mrs. Joe Caton, Thursday night. The following were present: Kenneth Alexander, Grace Avery, Eloise Brownfield, Nancy Caton, Martha Clud, Mattie Ross Cunningham, Maurine Cunningham, Wainita Darby, Rowena Grantham, Mariwade Moore, Margaret Dell Prim, Mary Lynn Scott, Dorothy Strayhorn, Myrl Wade, Doris Pope Woodworth, Gwen Gray and Mary Deak.

### Relieves Women's Pains

Here is an example of how Cardul has helped thousands of women: "I was very thin and pale, writes Mrs. P. H. Scott, of Roanoke, Va. 'I suffered from weakness and a severe pain in my back. This pain unnered me, and I did not feel like doing my work. I did not care to go places, and felt worn, tired, day after day.'"

"My mother had taken Cardul, and on seeing my condition she advised me to try it. I have never regretted doing so. I took three bottles and it built me up. I gained in weight, my color was better and the pain left my back. I am stronger than I had been in some time."

Cardul is sold by local druggists.

### Twentieth Century Has Texas Program.

Mmes. P. C. Chenault, W. M. Scott and W. C. Hamilton entertained the Twentieth Century Club Tuesday afternoon at the home of Mrs. Chenault. A Texas program was rendered under the leadership of Mrs. Tom Boren.

"Texas, Our Texas" was given in chorus by the ladies present; "Texas, Wonderful Texas," a poem, was given by Mrs. Charles Owens; Mrs. J. Nelson Dunn gave "Marking of Famous Trails in Texas"; and Mrs. Charles J. Lewis discussed "New Texas Laws."

A lovely plate was passed to the following: Mmes. J. Monroe, J. S. Bradbury, C. E. Ross, James Ralph Hicks, Dora Cunningham and W. G. Williams, guests; and Mmes. I. W. Boren, H. J. Brice, J. Nelson Dunn, C. E. Fish, J. E. LeMond, Joe Strayhorn, Allen Warren, O. S. Williamson, Charles Owens and C. J. Lewis, members.

Twentieth Century Club members voted to sponsor Mrs. O. S. Williamson in her campaign for county treasurer.

### Miss Prim Hostess To Art Guild.

Miss Margaret Dell Prim was hostess to the Art Guild Monday evening at the home of Mrs. Elmer Speers. An interesting study of "Parliamentary Law" was had under the direction of Miss Hattie Herm.

"What Every Club Woman Ought to Know" was given by Omah Ryan; "Minutes and Committee Reports" were discussed by Overa Jones; Mary Doak's subject was "Motions and Amendments"; and Elizabeth Ward gave "Voting and Election."

The hostess passed a lovely salad plate in which the St. Patrick's Day motif was carried out. Favors were cleverly designed shamrocks made from tiny green gum-drops.

One guest, Rowena Grantham, was present and the following members: Mary Doak, Hattie Herm, Ellen Joyce, Gertrude Herm, Overa Jones, May McClinton, Effie McLeod, Erma Owens, Omah Ryan, Aileen Smyth, Mary Ruth Spears, Elizabeth Ward and the hostess.

Lucky Thirteen Enjoy Supper.

The Lucky Thirteen Sports Club and sports met at the home of one of its members, Miss LaFrances Hamilton, last Friday evening for supper.

The fact that the group cooked their own supper made the occasion more enjoyable. The feast included bacon, eggs, pickles, fruit, jelly, rolls and cookies.

The following were present: Misses Roberta Ely, Frances Northcutt, Estine Downard, Netha Lynn Rogers, Martha Jo Jenkins, Florentz Winston, Helen Caubie, Mary Margaret Towle and LaFrances Hamilton; and York Murphy, Aubrey Wiese, John Blakey, Royce Eiland, Albert Carlton Shorty Graham, L. A. Crenshaw, Fred Wolcott and William Boren.

Mrs. Porter Hostess To Ingleside Club.

Mrs. A. R. Porter was hostess to members and guests of the Ingleside Study last Friday. The subject for afternoon's study was "Short Story Writers," and Mrs. R. S. Snow was program leader.

An interesting program was given by the leader and Mrs. W. F. Cox, R. H. Odom, J. W. Roberts and Walls Fish, and a lovely plate was passed to these present.

Mrs. J. G. Hicks and Ixon Joyce were guests and the following members were present: Mrs. Tom Boren, W. F. Cox, Walls Fish, W. W. McCarty, Philip C. McGahery, R. H. Odom, R. J. Rynda's, J. W. Roberts, Noah B. Sisk, W. W. Smith, R. S. Snow, R. S. Sullivan and Albert Smith.

Winstons Disposing Of Many Herefords

Returning from the San Angelo stock show last week after disposing of several choice Herefords, Winstons brothers of Snyder made several more sales of registered animals within the past week.

F. V. Cartwright of Alpine bought 10 registered yearling heifers from the Winstons. O. B. Holt of Midland also purchased 10 yearling bulls. T. J. Merrivether of Alpine bought 30 young bulls, and Ham in parties eight registered cows and one bull.

To the Voters of City Of Snyder:

In my race for city marshal in the coming April election, it is going to be impossible for me to see each and every one of you and to make a house-to-house canvass by reason of my operation some weeks ago, and I take this method of soliciting your vote and influence in the contest ahead of you.

I wish to say that if you elect me as your marshal it will be my purpose to enforce the ordinances of Snyder impartially and without fear or favor. Regardless whether our laws be wholesome or not, they are enacted for a purpose and that purpose is for people to respect them. If you will elect me I will see that this petty thieving is stopped. I know every man in Snyder, where he lives, the car he owns and it will be my purpose to see that he and his property is protected under our laws. I will be on the job day and night, and will give these matters my personal attention.

I will endeavor to see as many of our people as possible, but in case I do not have an opportunity to contact you personally, remember I certainly will appreciate your vote and influence, and if you see fit to elect me I will do my best to see that Snyder will have an administration that she will be proud of. Yours very truly, F. D. (Sid) Bruton, Pol. Adv.

IN TIMES PAST

From Files of Other Days

SCURRY COUNTY TIMES January 24, 1934.

On last Friday night the Snyder Utilities suffered the loss of its power plant and ice equipment, together with their cold storage by fire. The fire occurred about 4:00 a. m. and the building was consumed in a few minutes.

Three new residences of the modern four-room bungalow type are going up in North Snyder on the highway. They are being built by R. S. Moore, Frank Darby and D. Singletary. They are being built in a row and are very attractive.

Mr. and Mrs. O. P. Thrane, M. E. Rosser and E. J. Anderson of Snyder and Dick Neimeyer of He mlock represented Scurry County at the district meeting of the West Texas Chamber of Commerce held at Colorado Tuesday. They all report an interesting and profitable meeting.

Snyder? It is down on the Santa Fe. But that is not so definite as there are a lot of towns on the Santa Fe. But Snyder is the county seat of Scurry County, down on the South Plains. And Snyder has another railroad. It is a branch of the Texas & Pacific which runs down to Pecos to pick up the cotton and the cattle and the other products in that part of the county. Snyder is also on one of the best inter-state and inter-sectional highways in Texas, the Glac-ier to Gulf Hi way, which crosses Texas from the tip, from T. A. line to Brownsville. But the most interesting thing in Snyder are the Chamber of Commerce and the women. And what do you think?

They work together for everything good for Snyder and Scurry County.—Phoebe K. Warner.

Sunday the children of Uncle Billy Huckabee and wife gathered at Snyder for a very enjoyable family reunion.

Miss Helen Witherspoon and Tall-man Turner were week-end guests of Mrs. Witherspoon's cousin, Mrs. Frank Gibson, in Big Spring.

Mr. and Mrs. E. E. Wallace and son, E. E. Jr. and Mr. and Mrs. Weldon Johnson attended the Fat Stock show in Fort Worth the first of the week.

Mrs. Felix Parker returned Monday night from Fort Worth, where she has been visiting with her mother, Mrs. W. R. White, and attending the Fat Stock Show.

Missionary Society Meets at Church.

The adult missionary society of the First Methodist Church met on Monday afternoon at the church. Mrs. A. C. Pruitt led the program on "Christianity and Industry." Mrs. A. M. Curry gave the devotion and also presented a discussion on "Women's Work and Industry." Mrs. D. P. Yoder discussed "Child Labor"; and Mrs. I. W. Boren presented "Legislation of Women and Children."

The following were present for the meeting: Mmes. J. E. Hardy, S. H. Newman, A. M. Curry, J. C. Stinson, Joe Strayhorn, R. W. West, C. J. Lewis, A. C. Pruitt, D. P. Yoder and I. W. Boren.

Friendly Fellows Meet Thursday.

Mrs. Hugh Taylor was hostess for the Friendly Fellows Forty-Two Club last Thursday evening in the home of her mother, Mrs. J. Monroe. The St. Patrick motif was emphasized in tallies, table covers, napkins and refreshment plate.

The following were present: Mmes. Pearl Shannon, O. S. Williamson and Gerie Smith, Dwight Monroe and W. B. Stanfield, and Messrs. and Mmes. O. P. Thrane, J. D. Scott, J. C. Downard, A. J. Coody, H. ON TEXAS FARMS

By W. H. Darrow, Extension Service Editor

The total cotton income of Texas for 1933 was \$259,123,402, exclusive of cotton seed, and was at least \$100,000,000 larger than it otherwise could have been without the plow-up campaign. It is estimated by C. A. Cobb, chief of the Cotton Section of the Agricultural Adjustment Administration, in a statement to the Texas A. & M. College Extension Service. The cotton crop of 1933 was the most valuable the South has had since 1929 when cotton sold for an average of 16 1/2 cents per pound, Mr. Cobb declared.

Figures released from Washington show that a total of \$43,127,942 has gone to Texas in the form of rental payments on 252,683 contracts accepted in the plow-up campaign. Texas producers also held options on 731,023 bales of cotton at six cents per pound. An initial payment of \$20 per bale has been paid on some of these options and \$14,620,460 is being distributed in Texas as a result, it is estimated by Mr. Cobb.

"Texas producers have received or will receive a total of \$57,748,402 as their compensation for taking 4,205,090 acres out of production

Bronchial Irritations Need Creosote

For many years our best doctors have prescribed creosote in some form for coughs, colds and bronchitis, knowing how dangerous it is to let them hang on. Creosolium with creosote and six other highly important medicinal elements, quickly and effectively stops coughs and colds that otherwise might lead to serious trouble.

Creosolium is powerful in the treatment of colds and coughs, yet it is absolutely harmless and is pleasant and easy to take.

Your own druggist guarantees Creosolium by refunding your money if you are not relieved after taking Creosolium as directed. Beware the cough or cold that hangs on. Always keep Creosolium on hand for instant use. (adv.)

In 1933," Mr. Cobb says. "In view of the excessive supply situation, it is conservative to estimate that a full crop of 17,000,000 bales piled upon a carryover of 11,000,000 bales undoubtedly would have depressed cotton prices to 5 cents per pound. This would have resulted in Texas farmers receiving around \$150,000,000 for their full crop of 6 million bales. As it is they have received about \$259,123,402," he adds.

The 1934-35 cotton program does not contemplate the expenditure of so large an amount in the form of acreage rentals or benefits as did the 1933 program because as Mr. Cobb points out, the 1933 program entailed destroying a portion

Misses Edith Grantham and R. W. Cobb of their sister, Mrs. Allan Moses, in Lubbock.

of a growing crop. The cotton farmer will not have the expense of seed or cultivation in 1934 but will be paid 3 1/2 cents per pound on the average annual production

MEDICAL ADVICE If you want to... relieve constipation safely... regulate the dose to suit your exact need... avoid danger of bowel strain—use a liquid laxative. Can constipation be safely relieved? "Yes!" say medical men. "Yes!" declare thousands who have followed their advice and know. You are not apt to cure your constipation with salts, pills, and tablets, or any habit-forming cathartic. But you can relieve this condition just by gentle regulation with a suitable liquid laxative. Why Hospitals Use a liquid laxative. The dose of a liquid laxative can be measured. The action can be controlled. It forms no habit; you need not take a "double dose" a day or two later. Will not irritate kidneys. The right liquid laxative will bring a perfect movement, with no discomfort at the time, or afterward. The wrong cathartic may keep you constipated as long as you keep on using it! In buying any laxative, read the label. If it contains a doubtful drug, don't take it. If you don't know what is in it, don't chance it. The contents of Dr. Caldwell's Syrup Pepsin is stated plainly on the label; fresh herbs, pure pepsin, active senna. Its very taste tells you Dr. Caldwell's Syrup Pepsin is wholesome. A delightful taste, and delectable. Safe for expectant mothers, and children. Drug stores have it, ready for use, in big bottles.

Registered INSURANCE Southwestern Life Operates Under Reserve Deposit Law. The Southwestern Life Insurance Company is a "Legal Reserve" Company operating under laws which require that it set aside out of every premium collected a portion thereof as a Reserve or sinking fund; so that, when a policy matures, the Company will have funds on hand sufficient to pay the amount due. The Southwestern Life not only maintains this Reserve, but places the ACTUAL approved securities equal to this "Legal Reserve" on deposit with the Insurance Commissioner of the State of Texas; and, as evidence this has been done, the Insurance Commissioner is required to sign the following Certificate on every Southwestern Life Policy: "THIS POLICY IS REGISTERED, AND APPROVED SECURITIES EQUAL IN VALUE TO THE LEGAL RESERVE HEREON ARE HELD IN TRUST BY THE COMMISSIONER OF INSURANCE OF THE STATE OF TEXAS." Over and above this REGISTERED protection, the Southwestern Life has Capital and Surplus amounting to \$6,597,248.40, which serve as further protection to Policyholders. THE WEEKLY DOZEN

The Bridge Club Is Justified. Talkative Tillie says the only reason she sees for the existence of some bridge clubs is that gossip and now recipes must be served.

The Bustle's Ancestor. Now that new streamlined cars are all the rage, Pessimist Pete suggests that the bustle of grandmother's days was too generations ahead of its time.

Ireland Has a Holiday. Not many Americans—and possibly few Irishmen know exactly what St. Patrick's Day means. Historians say the patron saint of Ireland really didn't drive out the snakes. But we continue to wear the green, and have St. Patrick parties, as our custom is.

All Hail to Dame Fashion! Dame Fashion is coming to Snyder in a few days on the wings of a spring Pegasus. The Pegasus in this case, is Snyder's pre-Easter style show, to be staged in the Palace Theatre Monday evening, March 26. If you want to see more than one dream walking—in clothing that jibes with Dame Fashion's latest decrees—you'll be waiting at the Palace door.

Jonah and Dillinger Escape. John Dillinger's escape from an escape-proof Indiana jail, by way of the wooden pistol route, reminds us of Jonah's escape from the whale's belly. All the wise guys said it couldn't be done; but there was Jonah, anyway, safe on the shores of Ninevah, that great city. And there he Dillinger, anyway, safe in the coils of lawlessness, that great American curse.

Mother-in-Law Scores. To Amarillo goes the laurels for recognizing mothers-in-law for what they really are. More than 2,000 of the usually-quipped women registered at the Plains town's special celebration a few days ago. As the mayor said, "Before she became a mother-in-law, she was a mother" . . . and it was on such a plane that the celebration was held. Amarillo has won and gained international publicity for her belated recognition of mothers-in-law.

A Republican Supporter. Up in Pennsylvania, Candidate Pinchot has announced that if he is elected to the office he seeks, he will be loath and toerall behind Roosevelt in the recovery program. As you know, Pinchot is a Republican. He is a good one, too, if records mean anything. He is the first candidate of any magnitude who has sensed the fact that the public is fed up on political wrangles that emphasize the futility of "My party, right or wrong."

Sportsmanship in the School. Sportsmanship has reached such a low ebb in some Texas schools that education is defeating one of its own principles. From football to declamation, from debating to the 100 yard dash, winning has become the prime incentive. Sportsmanship, win or lose, has become a secondary matter. May this year's Interscholastic League events be conducted on such a high plane of give-and-take that the losers may be remembered for their glory in defeat, and winners for their sportsmanship in victory.

Everyman's Almanac. The Santa Fe has issued another of its interesting almanacs. The little booklet contains not only choice weather wisdom, but recipes, railroad statistics, general statistics, quotations, and other mind-filling information. The publication, for example, quotes Mark Twain as saying: "Don't part with your illusions. When they are gone you may still exist, but you have ceased to live." If you do not have a copy of this Santa Fe almanac, order one without cost from J. F. Jarrell, editor, The Earth, Topeka, Kansas.

This Weather of Ours. A few folks who remember weather from year to year call our attention to the fact that all Scurry County fruit was frozen as this time last year. Last year's editions of The Times reveal that fruit trees burst forth in bloom in February, then withered away when a hard freeze came the first week in March. The wonder of all wonders is that the lightest winter in recent history may bring forth the best fruit crop the county has had in a number of years. Yep, West Texas still has a monopoly on queer weather, year in and year out.

Interesting Platforms. Most of the platforms of which gubernatorial candidates are seeking to ride into office have vouching phrases from decried to chimney. Here is a sentence that might well apply to all except one or two: "I am against the open saloon and the evils connected therewith." Here is another: "I congratulate the President on abolishing child labor." Abolishing is a mighty strong word, Mister Candidate, much as you respect the President. As a grand finale, read this one, and try to weep: "My sympathies have always been with the laboring masses be-

Checking Up on Scurry County's New Deal.

Not that anyone has reasonable doubts but that the New Deal, so far, has been life blood in Scurry County veins.

But that all of us need to check up occasionally in order to discover just what is happening to us—and that the chronic belly-acher needs a little venom extracted from his veins.

The Roosevelt administration and Nature have combined forces in an effort to give Scurry County a new lease on life. Double checking, we find that it is probably the farmer who has received more direct benefit from Uncle Sam than any other citizen. His cotton benefits are too well known to necessitate repetition here. Hog benefits are beginning to be felt among a large group of raisers. Wheat benefits have accrued to a few farmers. Cream, poultry and other every-day "crops" have increased all down the line, although the price is yet extremely low in many cases.

Unlike most sections of the country, a large part of CWA funds have gone into the hands of farmers, for road improvement has been the major suit in this county. Many wage earners also earned and are still earning a livelihood through these government pay stations.

Such benefits naturally drift right back, in large part, to the merchant and the professional man, who have also been hard pressed these depression years. Prosperity for one is prosperity for the other in this section of the state.

Will this somewhat artificial prosperity continue? Roosevelt is determined that it will. He is taking up the cudgel for tariff reform, for gradual absorption by industry of the hordes of men that have been paid from government tills, for the dozens of changes that must come about before permanent prosperity is back with us.

Not blindly, like a moth flying about a light to be devoured by it later, but hopefully, like a young man starting to college with the belief that he can swing the world by the tail, we cling to the Rooseveltian recovery methods. We believe that Roosevelt knows what it is all about, that he is burning down practically all opposition before he gets to it, and that his reforms from here on out will cease to be of a highly experimental and emergency nature.

Nature has treated us royally. She has given us bumper crops for two years, and last year Roosevelt joined hands with her to give us fairly good prices. She has given us a fairly good season this year. She has given us a light winter, and poorly clad and poorly housed folks by the hundreds have been thankful for the warmth. She has sent cold spells at exactly the right time to save the fruit crop—so far. Scurry County is thankful for her two chief recovery allies—Roosevelt and Mother Nature. If our people will only cooperate 100 per cent with these two New Dealers, we may expect to see 1934 go down in history as a true blue recovery year.

EDITORIAL OF THE WEEK

CITIES: THEIR ILLS AND HILLS

Self-help remains the only way of salvation for American cities. That is written large in current news. Cities everywhere continue to struggle with deficits. Money from the federal treasury for local relief and rehabilitation has not solved their fiscal troubles. Nor will the return of prosperity automatically banish worry and duns from city halls. The reason is clear. The money troubles of most cities derive only in part from the depression. They root largely and deeply in waste and graft, which exact penalties sooner or later, whether in boom times or depression.

The latest report of the citizens' committee on public expenditures shows, however, that Chicago has begun to fight its way back to solvency. Corporate fund expenditures of the city in 1933 are estimated at \$44,500,000, as compared with \$56,215,743 in 1931. For the board of education expenditures were \$40,825,096 in 1933 and \$55,562,946 in 1931. An aggregate deficit of more than \$25,000,000 still confronts the city and the school board, but the figures on expenditures show how much worse things would have been if sharp retrenchments had not been effected in 1933.

Cleveland, Ohio, acclaimed by municipal reformers 20 years ago as "the city on a hill," is now the city on a mountainous deficit. Cleveland defaults today a payment of bond interest—\$1,250,000—for the first time in history. But when Cleveland sank back into gang politics, at the close of its golden age, the seeds of its present misfortunes were sown.

Cincinnati was a byword of gang and graft in the days when Cleveland wore a halo. Its boss, George B. Cox, was as well known as Tom Johnson and for exactly opposite reasons. But today Cincinnati is cited the nation over as the model American city—saving, solvent and paying cash every pay day. Cincinnati saved itself. Its people voted out the grafters, stopped the loot and forced the city to live within its income. For citizens and city that is the way to live.—Chicago Daily News.

NEW REVENUE

The outlook for the taxpayer isn't so happy. Not long ago Texas' governor urged on the Legislature the necessity of new taxes to care for the needy. In Washington they propose to hike the taxes on gasoline.

The automobile owner is a fit subject for the revenue hunter. He's taxed every time he turns around. Gasoline levies rate up to seven cents, this commodity being one that is taxed more than the original sales price of the product. It scarcely seems fair. The car owner pays a license, and now it is proposed that each one pay a dollar driver's license.

The governor's call for tax revenue met with a ready response. There were a number of bills on tap to meet the need. One wonders what will happen when the government runs out of ideas on the new sources that may be taxed, though gasoline may be just a case in one point, they'll tack on a little more to those sources already existing.—San Angelo Evening Standard.

cause they, with the farmers, are the real builders of our civilization." Times sympathy goes out to the suffering public that must read such poppycock phrases until the second primary.

"Judge for Yourself."

Dale Miller in Texas Tax Journal: "The American people are so extravagantly democratic that the fundamental premise of jurisprudence—that every person is innocent until proven guilty—has caused the fabric of justice to become so loopholed with technicalities designed to protect the innocent that the guilty have found safe refuge in the law itself. There are thousands of Barrows and Hamiltons throughout the country today, who less boastful and less spectacular, are none-the-less dangerous to society, yet the chances for their conviction are appallingly small."

CURRENT COMMENT

By LEON GUINN

Possibly the outstanding virtue of Abraham Lincoln was his ability to forge ahead in face of blame and his ability to falter not at praise. . . . In the transition of reconstruction days office attaches repaired weak links in administration affairs. . . . And today Scurry County is an outstanding dry county; the recent election certified that fact. . . . It would be wise for the dried in the vote people to now improve dry technique, weakened by reptilian. . . . Samples: "Strong drink is raging. (Note: No reference to Proverbs, chapter 20 verse 1, figurative meaning.) . . . Evidently it is strong drinkers that do the actual raging. . . . A phrase is current that "whiskey has sent many to hell." . . . Critics assert this: "Due to whiskey, the actions of many people have condemned them to hell regions in the after-world." . . . As time elapses on dry technique will be improved, and the surprise will be pulled out of the sack when the dry majority sets a new pace with modernized logic, streamlined to withstand any adverse air currents.

No definite reason has been given just why Texans can wait until March 21 to replace license plates, although this reasoning is behind the measure. . . . During February and March the average motorist spends \$3.95 for gaswater and oil. . . . That isn't much. . . . Yet multiplied by 100,000 the governor believed that a nice boost to revenue. . . . At present this plan meets public approval, yet in two or three years the old deadline will again loom up as spicy as ever. . . . It is my personal opinion that all vehicles would be retagged each year by February 31 if it were possible for each automobile owner to get enough shekels together at the time to justify purchase of the all-important metal tags. . . . Our Legislature is an eccentric assembly anyway. . . . For instance this group of lawmakers raised thunder over a pitiful \$4,500,000 in relief bonds, and let cotton acreage plans jump in the lake. . . . Such sportsmanship!

years some \$300,000,000 in cash. . . . Of course it is useless to say much about the matter, but such a move is stirring out Republicans and Demos alike. . . . Oh, howdy, Mr. Farley. How does the air mail go? Army planes and parley claims were fogbound in a row. . . . Two spinsters were discussing men: "Which would you desire most in your husband—brains, wealth, or appearance?" asked one. "Appearance," snapped the other, "and the sooner the better."

Pay Day. There's pay for the man Who can follow a plan And carry the details through. But the man whose pay Is the most per day Is the man who can plan and do. When a man has to ask You to point at his task There's very small pay attached to it. For the man gets the pay Who is able each day To discover his task and then do it. All that a man has when he dies Is what he has given away.

THE TIRE THAT GIVES 10% TO 30% MORE MILEAGE. THE TIRE WITH EVERY PLY A SAFETY PLY. DRY HEAT KILLS VAPOR CURE PRESERVES LIFE. THE TIRE WITH NO WEAK SPOTS.

F. A. Seiberling has been building tires since 1898 and has more major tire inventions to his credit than any other man. For that reason, when he makes an announcement of a new tire development, you can be sure that it means something.

For 1934 Seiberling announces a new vulcanization method—the Vapor Cure. Instead of using scorching, dry heat, like other manufacturers—Seiberling tires for 1934 are vulcanized by soaking in steam vapor which makes possible for the first time a perfectly cured tire—a single unit of live rubber and live cotton—with NO WEAK SPOTS. Tires that will give from 10% to 30% more mileage.

You need pay no more for these positively safer, longer-wearing 1934 Vapor Cured Seiberlings. There are four price classes from which to choose. We have a complete fresh-from-the-factory stock at our store. Why not come in—compare today?

## Andy Jones Gets Heavy Publicity As Tech Fighter

Lubbock sports writers singled Andy Jones' blonde head from the crowd of Texas Tech boxers back in January. Now the same writers are being justified for their faith in this former Snyder High School football star.

Andy, who performed at end on the two regional Tiger teams, "is a scrapper," related Collier Parris, Abilene Journal sports editor, a month and a half ago. "A physical makeup that would make sculptors rush for their hatches and young maidens rush for their lipstick tripped off by a blonde head that knows what it's all about—that's Mr. Jones."

Andy has won so many laurels in and around Tech that he was a special guest of honor in Jack Dempsey's hotel room at Lubbock Monday, when the Manassa Mauler was on the Plains to referee some fistfights. The former champ had personal confabulation with Andy for two or three hours, expressing the belief that the Snyder lad may amount to something in the ring game if he continues his upward travel.

In a Southwest intercollegiate boxing and wrestling tournament held at Tech March 2 and 3 Andy, "powerfully built Texas Tech athlete, won a technical K. O. over Duncan of West Texas Teachers in the third round after winning the first two rounds in easy fashion." Andy weighed in at 155 pounds.

That was Friday night. On Saturday night, Texas Tech's boxing team, featuring Andy and Harry Guillote, won two bouts in the tournament division. Says the Abilene Journal: "A quick knockout by Jones, welterweight from Snyder, over Boyd of New Mexico Military Institute, proved the margin of victory by which the Matador team defeated the Roswell cadet school by a point score of 15 to 10. . . . Andy Jones flattened Boyd with a series of punches, and Boyd's hands were thrown in the towel after 60 seconds of punishment."

Parris follows up this double-headed victory by saying: "This Jones looks more like a fighter than any we've seen at the Matador institution. He'll get places if he carries on, and if he wants to. He looks like a fighter, fights like a fighter."

## DEATH CLAIMS PRESIDENT OF M. E. COLLEGE

Dr. J. W. Hunt, McMurry Leader, Pastored Local Church and Led in Building Plans.

Dr. James Winford Hunt, founder and president of McMurry College, Abilene, died at home Monday evening shortly after 3:00 o'clock. He was pastor of the First Methodist Church, Snyder, from 1910 to 1913.

His passing, as the Abilene Morning News said Tuesday, removes from the ranks of Southern Methodism one of its most illustrious leaders, a man who brought to his 11-year career as a college president a remarkable background, colored and enriched by experiences as cowboy, frontier editor, circuit rider and pastor. He would have been 59 years old, next July 9.

Death of Dr. Hunt resulted from a heart involvement of several months duration, which was complicated Saturday by an apoplectic stroke. He was removed to his home early last week from an Abilene sanitarium, where he went a few weeks ago upon advice of physicians with hope that a complete rest might improve his condition.

**Locals Attend Funeral.**

Funeral rites were held from St. Paul Methodist Church, of which he was a member of the Masonic Lodge and the Abilene Lions Club. Last November, at Clarendon, Dr. Hunt was named to head the delegation of the Northwest Texas Methodist conference to the general conference of the Southern Methodist Church in Dallas, this year. On three previous occasions, he had been a delegate from this conference, and since 1917 had served as editor of the conference journal. He was vice president of the department of schools and colleges of the church board of Christian education at the time of his death.

## Official Records

**Marriages.**

Only two marriage licenses were recorded in the county clerk's office, since the last report. They are:

Miss Fannie Dawling and Oland Sturdivant, February 14.

Miss Maxine Thomas and Robert De Reigel, February 22.

**Birth Records.**

Birth records have been recorded fast and furious since last report. Babies were born to:

Mr. and Mrs. John Adams of Hermleigh, a girl, Lucile, January 17.

Mr. and Mrs. Rea Falls of Ira, a girl, Gloria Ann, February 7.

Mr. and Mrs. Raymond Smith, Route 2, a boy, February 13.

Mr. and Mrs. L. S. Rollins, a boy, February 14.

Mr. and Mrs. C. M. Henley, a girl, Vida Mary, February 15.

Dr. Hunt was the author of "The Saga of Grandma Rogers," story of a pioneer West Texas woman, published in book form in 1922, and of "Buffalo Days," the experiences of a buffalo hunter as related by Wright Mearns of Snyder. The latter was published serially in Hollands Magazine last year.

**Ardent Prohibitionist.**

He was an ardent supporter of the cause of prohibition, engaged actively in the campaign against repeal of the eighteenth amendment, and was a director of the Texas Allied Forces for Prohibition. He was a member of the Masonic Lodge and the Abilene Lions Club.

Mr. and Mrs. William J. Galloway, a boy, Joe Richard, February 11.

Mr. and Mrs. John P. Hoyle, a boy, Elton Duaine, February 15.

Mr. and Mrs. Anelits Hernandez (Mexican), a boy, Samuel, February 17.

Mr. and Mrs. L. A. Newby, a girl, February 17.

Mr. and Mrs. Jesse C. Brown, a boy, February 18.

Mr. and Mrs. B. M. DeLoach of Ira, a boy, William Bowden, February 18.

Mr. and Mrs. Raymond Richard Way, a girl, Ravana, February 20.

Mr. and Mrs. Worley Early, a boy, William Tracey, February 20.

Mr. and Mrs. Lery Barrier of Knapp, a boy, February 20.

Mr. and Mrs. E. O. Melver, a girl, February 20.

Mr. and Mrs. Fred McElyea, a boy, Fred Randolph, February 21.

Mr. and Mrs. Thurman Barrett, a boy, February 23.

**New Cars.**

Several new cars were registered since last report as seen by the records in the tax collector's office. The following are owners:

B. F. Brooks, 1934 V-8 tudor, February 16.

Pete Bridgeman, 1934 Ford standard coupe, February 16.

W. W. McCarty, 1934 Dodge six sedan, February 26.

D. P. Yoder, 1934 Chevrolet coach, March 5.

H. L. Vann, 1934 Chevrolet coach, March 5.

Garrett Harrell, 1934 Ford tudor, March 5.

## Rundown, Nervous?

Mrs. Martha McLasky of 1012 Spring St., Shreveport, La., said: "Some years ago I was rundown and in need of a tonic and nerve. I can still vividly remember the wonderful benefit I received from Dr. Pierce's Favorite Prescription. I do not care to go into details about my symptoms, suffice it to say, I can cheerfully recommend the 'Prescription' to any ailing woman."

WHAT A. T. & T. means to your telephone service
(American Telephone & Telegraph Company)
The men and women who furnish your telephone service here could not do their job so well without the help of American Telephone and Telegraph Company, parent organization of the Bell System.
If a better way of doing a job gives a better telephone service on the Pacific Coast, it may work equally well in the cities and towns of this state.
Staff experts of American Telephone and Telegraph Company, parent company of the Bell System, search constantly for these economies and improvements... test them... study them. The perfected result is offered to aid the 24 Bell operating companies... of which the Southwestern Company is one... give a nation-wide telephone service, uniformly good, at a fair price.
This is a fundamental policy of the Bell System. It is based upon the belief that what is best for the telephone user is in the end the policy that will bring us the surer, more enduring measure of success.

### CONFIDENCE COLUMN

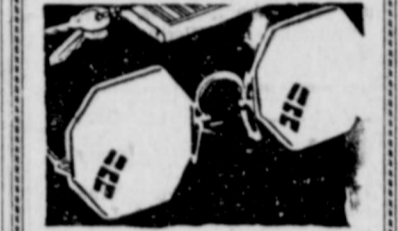

H. L. Davis of the Fair Store has definitely decided that 1934 will be one of the best years, comparatively speaking, that he has seen since he began his merchandising experience in Snyder. Reorganized and restocked, the Fair Store offers a full line of ready-to-wear for men, women and children, as well as select groups of shoes, piece goods and other such needs. Mr. Davis points out that the full stock carried by the store, which has recently been abetted by new spring merchandise, is in line with the bettering times. Like most local merchants, he realizes that the New Deal is reaching Scurry County in no uncertain measure, and he anticipates steady recovery from here on out.

### They Say This Town Joins Diamond Gang

Last week's Colorado Record said: "Organization of an independent baseball league to include Colorado, Big Spring, Snyder and Coahoma was concluded at conference of fans representing those communities at Hotel Colorado Sunday afternoon. Probability that two other teams, the Col-Tex Oilers and the Mexican team of Big Spring, would be added, was expressed." The Times has interviewed several baseball purists here, but so far has not learned by what authority Snyder joined the league. Information will be duly appreciated.

### Track Meet Won By Tigers From Fluvanna, Dunn

A triangular invitation track meet here Friday afternoon was won by the Tigers, who entertained athletes from Dunn and Fluvanna. The final scores ran something like this: Snyder, 41½; Dunn, 26; Fluvanna, 10. Ashley of Dunn was high point man, as everyone expected, but he was closely pushed by Wolcott of Snyder, who led the parade in each dash event—the 100, the 220, and the 440. The local lionhead particularly distinguished himself in the 440, which he won by several strides. Ashley took first in the high hurdles, the broad jump, and the high jump, and took the edge over Wolcott with a tie for second in the shot put.

Only two other athletes took first places. Johnson of Dunn led in the shot put, while Beavers of Snyder topped the discus list. The low hurdles event, 880 yard run, mile run, javelin throw and relay were omitted from the line-up.

Following are full results of the meet:  
High hurdles—Ashley, Dunn, first; Wiene, Snyder, second; Boren and Morgan, Snyder, tied for third. Time, 16 seconds.  
100 yard dash—Wolcott, Snyder, first; Moore, Fluvanna, second; Gray, Snyder, third; Johnson, Dunn, fourth. Time, 10.4 seconds.  
440 yard dash—Wolcott, Snyder, first; Boren, Snyder, second; Lmms, Fluvanna, third; fourth, no record. Time, 57 seconds.  
220 yard dash—Wolcott, Snyder, first; Moore, Fluvanna, second; Gray, Snyder, third; Ellis, Dunn, fourth. Time, 23.2 seconds.  
Broad jump—Ashley, Dunn, first; Moore, Fluvanna, second; third and fourth, no record. Distance, 19 feet, 10 inches.  
Shot put—Johnson, Dunn, first; Beavers, Snyder, and Ashley, Dunn, tied for third; fourth, no record. Distance, 41 feet, 10 inches.  
Discus throw—Beavers, Snyder, first; Ellis, Dunn, second; Johnson, Dunn, third; Dunn, fourth. Distance, 103 feet.  
High jump—Ashley, Dunn, first; Boren, Morgan and Huestis, Snyder, tied for second.

### R. H. Stovall Given Write-up at Anson

Last week's issue of the Anson Western Enterprise carried a two-column article by R. H. Stovall, in which the local man told the adventurous story of his early days on the Mississippi River and in Jones County.

Among other things, Mr. Stovall relates that he helped to build the first gin in Jones County, grubbed off heavy mesquite land, served as deputy sheriff and tax collector for three years. Mrs. Stovall, who died more than a year ago, was postmaster at Anson just before the twentieth century was born.

### Carnival This Week Sponsored by Vets

The T. J. Tidwell carnival that is showing this week on the city lot, northwest of the square, is held under sponsorship of the local American Legion post.

Rides, shows and concessions are offered for the amusement and entertainment of Scurry County people. The carnival will be here through Saturday night.

### DIZZINESS relieved by Black-Draught

"I decided to take Theodor's Black-Draught, as I had been having bilious spells," writes Mr. Chas. E. Stevens, of Columbus, Ind. "When I get bilious, I feel sleepy and tired and do not feel like doing my work. After I found how good Black-Draught is, that is what I have used. I guess it rids me of the bile, for I feel better—don't feel like I am dropping off to sleep every time I sit down. That, to me, is a very bad feeling. Now you can get Black-Draught in the form of a YERUP, for CHILDREN."

### Scholastics to Vie For District Title

Twenty schools from eight counties of this section, comprising district 5, will compete in Interscholastic League contests at Sweetwater March 30-31 and April 6-7, according to information received yesterday from Austin.

The one-act play tournament, in which Hemleigh will represent Scurry County, will be run off on March 30-31; finals, April 6. Tennis and typewriting finals will also be held on the March dates. Remaining literary events will be run off April 6, and preliminaries and finals in track and field events, April 7.

### Late Developments In Electrolux Line

Gas refrigeration, newest and most outstanding recent development in gas burning appliances, has materially altered the trend in automatic refrigeration sales in the past few months, according to E. G. Johnson, local gas company manager, who announced the beginning of the 1934 air-cooled Electrolux sales campaign this week.

Electrolux shipments to Texas in January were 3,000 per cent greater than for the same period last year, and February shipments were 30 per cent greater than January, he said. Popularity of the gas refrigerator has spread rapidly since the new air-cooled type came on the market last spring and Mr. Johnson expects 1934 sales to outstrip 1933 eleven this fall.

Among the heavy crop of Cow-boys that reported for spring training at Simmons University Monday were Theo Rigby and Buck Howell, former Tiger stars. Theo is listed at guard and Buck at a back position. Observers who watched their stellar play on the freshman squad last fall believe both boys will make positions on the regular eleven this fall.
