SNYDER ON TIPTOE FOR P.-T.A. SESSION FRIDAY-SATUR

SECOND PLACE IN REGION FOR **LOCAL YOUTHS**

Wolcott Features Snyder's First Bid For Track and Field Honors, With 13 Points.

Snyder's bid for top position in the region 2 track and field meet at Abilene Saturday fell short by 2 and one-fourth points, because Judson (Big Bertha) Atchison of Baird personally and individually collected 181/2 of his team's 21

The Tiger blond-head, Fred Wo!cott, kept the locals in the running by collecting two firsts and a second. Their 18% points gave the home boys second place, closely trailed by Santa Anna with 18½ points and Abilene with 17.

Wolcott tied for second high-point honors with R. D. Wade of Rotan, whom he easiy outpointed for top honors in the recent district 5 league events. They took 13 points each. Fred skimmed oved the low hurdles in 25.9, to lead by 10 or 12 yards. He took the 220-yard dash from Atchison with a final burst of speed, in 23.5, and then ran a close second to the same Baird star in the 100, which was clocked at

Aubrey Wiese of Snyder surprised all comers by topping the high hurdles in 15.9 to take first place. Sonley Huestis eked out the Tiger's second-place margin by tying for third in the pole vault. Shipman of Fluvanna seconded

Dallas Banker Tells South Plains Bankers He Is Pessimist-Optimist

"I'm a pessimist-optimist," Vice President William Z. Hayes of the Republic National Bank, Dallas, told half a hundred South Plains bankers who assembled here Saturday for their annual San Jacinto Day convention. "By that I mean," the principal speaker or the day said, "I hope for the best but prepare for the worst." He spoke on "Recent Difficultes in Banking," and pointed to many indications of much improved conditions over all the country in banking and business circles generally.

Other speakers on the program were: M. C. Ulmer, Midland; N. C. Nix, Abernathy; W. R. McDuffie, Brownfield; and Edd McLaughlin,

Rev. S. H. Young, pastor of the First Methodist Church here, and City Attorney W. H. Hamilton extended welcomes to the visitors at the opening session at the First Baptist Church.

During the business session at 1:00 o'clock luncheon the bankers oted to go to Brownfield for the voted to go to Brownfield for the 1935 convention. W. R. McDuffle of Brownfield was elected president to succeed John Doyle of Levelland, who was unable to attend the convention because of illness. McDuffie presided at the day's sessions Other officers selected were: J. E. McLaughlin, Ralls, vice president; Paul Harding, Plainview, reelected

More stable conditions in the financial structures of South Plains business were reflected throughout the meeting. Considerable gains in deposits were reported, in some instances being 200 per cent better than a year ago. In 19 banks reporting to the secretary, deposits were given at \$13,000,000 in comparison with \$7,000,006 a year ago.

Joe P. Self, a representative of the state banking department, was another out-of-town guest.

Bankers of the 16-county association who registered for the conon were: J. L. Shoemaker Jr. C. H. Doak, Charlie Cathey, Marene Huff, Claire Ruth Nichols, O'Don-nell; J. H. Dallas, Leo Holmes. Spencer Kendrick, Clovis Kendrick, Brownfield; N. C. Hix, Curtis German, Abernathy; H. H. Mann, Levelland; Ray Barrett, Plainview; J. P. Butler, E. D. Richardson, M. C. Ulmer, Midland; M. T. The shade trees were putting on their spring dresses. Wild flowers in various colors were to be seen everywhere. Fruit trees, too, were in full bloom. We thought as we rode along, "This is indeed a beautiful emblem of the resurrec-

tion of our blessed Saviour." Mrs. Judge Holly and son, John Alton, spent a few pleasant hours in the room with Mr. and Mrs. B. M. Roberts.

The devotional hours conducted by members of the West Side Baptist Church were well attended by our home people. They will be glad to welcome these fine people back in our chapel, with another good program. Mrs. B. M. Roberts assisted in the service by reading a portion of the 37th Psalm in braille. On Saturday morning, March 24, ye scribe was invited by Rev. Why Hospitals Use a Liquid Laxative

Hospitals and doctors have always used liquid laxatives. And the public is fast returning to laxatives in liquid form. Do you know the reasons?

The dose of a liquid laxative can be measured. The action can thus be regulated to suit individual need. It forms no habit; you need not take a "double dose" a day or two later.

Nor will a mild liquid laxative irritate the kidneys.

The right dose of a liquid laxative brings a perfect movement, and there is no discomfort at the time, or after.

The wrong cathartic may often do more harm than good.

A properly prepared liquid laxative like Dr. Caldwell's Syrup Pepsin brings safe relief from constipation. It gently helps the average person's bowels back to regularity. Dr. Caldwell's Syrup Pepsin is an approved liquid laxative which all druggists keep ready for use. It makes an ideal family laxative; effective for all ages, and may be given the youngest child. "Child and His Community."

It is no accident that the Parent-Teacher group convening here Friday and Saturday will discuss "The Child and His Community." The subject is a keynote to the unselfish spirit that entered into the founding of the organization and has since lifted it to a sweeping plane of child-serving.

Snyder would not say enough if it were to say only this to its visitors: "Welcome. Make yourselves at home. May your stay in our city be pleasant and invitation has been made, and assist the delegates from the South Plains in making their district convention successful.

Only by entering into the spirit of P.-T. A., which knows nothing of prejudice and self-seeking, which spread-eagles above the jealousies that beset most large organizations, can Snyder become the host city that her coming guests deserve.

KNOW THE TRUTH ABOUT MOTOR OILS-Conoco dares to give you the facts!

Here are no idle claims — But PROOF! OMPARE this positive proof of superiority with all the exaggerated claims you hear about motor oils now the facts can be told. We arranged with the Contest Board, American Automobile Association, to test five widely-known and advertised motor oils along with New

and Improved Conoco Germ Processed Motor Oil in a

daring "Destruction Test."

These six oils, a single fill of 5 quarts, with no more oil added, in six brand new strictly stock cars, were driven until the motor in each car was destroyed from lack of lubrication. The first oil failed with motor destroyed at 1,713.2 miles—others failed in rapid succession. The best of the competing oils ran a total of 3,318.8 miles . . . while New and Improved Conoco Germ Processed Motor Oil lubricated its motor for a total of 4,729 miles! . . . more than 3,000 miles farther than the first oil to fail . . . and more than 1,400 miles farther than the second best oil. Thanks to Conoco's Hidden Quart protection, this amaz-

ing victory stands unchallenged! This is evidence . . . these are facts . . . that should open a new era of results and economy for your motor. Drive into a Conoco Station or dealer-fill with this New and Improved Conoco Germ Processed Motor Oil. There's no longer any guess about what oil is best for your car!

Some car manufacturers are using new types of bearings which will stand greater pressures and temperatures, resulting from increased power and speed. New and Improved Conoco Germ Processed Motor Oil has been exhaustively tested on these new bearings. The results show that it gives them greater protection against damage than many straight mineral oils now on the market.

Protect your new car by using the motor oil you can be sure of.

CHEVROLET When you pay the price of a Knee-Action car, you naturally want genuine Knee-Action and all that goes with it. You want the new gliding ride at its smoothest, safest, and best. You want simple, foolproof, and troubleproof construction-the buskiest, sturdiest frontand you can buy. And, of course, you want shockproof steering-it is the natural companion of the gliding ride. You pay for these things, and you want them all-but you can get them, in the low price field, only from Chevrolet. The reason is simple. Fully-enclosed Knee-Action wheels are

early Friday for Abilene. where they will compete in the annual West Texas band contest sponsored by the Simmons Cowboys. Director Clyde Rowe has entered his players in the Class D division, composed of one-year bands. They will play about 10:30 o'clock Friday morning. At night, they will have six choice musicians in the 250-

piece concert band. Two years ago the local band won places for a few more delegates. second place in its division. Last year it did not enter the Abilene contest.

Three contest numbers have been prepared by the local band, as follows: "The Conqueror," overture by King; "Goin' Home," by Dvorak and Fisher: "Romance," by Rubenstine. Proceeds from ticket sales to "The Cat and the Fiddle," Palace Theatre picture, are being used to defray the band's expenses to Abi-

lene. Director Rowe announces that \$58.20 above expenses were cleared from the ticket sales. Three students-Mary Alice Whitmire, Alma Alice Caskey and Fickas Bell-were awarded a month's passes to the Palace because they led the ticket selling brigade. Pauline Carnes, who sold more than \$5 worth of tickets, was given a pass to "Little Women." Mr. Rowe's
