FORTY-EIGHTH YEAR.

SNYDER, TEXAS, THURSDAY AFTERNOON, OCTOBER 10, 1935

NUMBER 18

OFFICERS FAIL TO FIND TRACE OF CAR BANDIT

El Paso Traveling Man Robbed of Car, Money and Suitcase on China Grove Road.

Officers of this area have searched in vain for a 20-year-old hitchhiker who, Tuesday at noon on the China Grove road, robbed an El Paso traveling man of his car, \$25 in cash and a suitcase filled with clothing and other belongings.

Bert Dodson, en route from Dallas to El Paso on the Bankhead highway, picked up the blond youth of average size and height at Roscoe. Between Roscoe and Colorado the hitchhiker peeked a pistol into Dodson's ribs, forced him to stop, and the prospective robber moved into the rear seat of the car.

Dodson was forced to drive north at the old intersection of the Bankhead with Highway No. 101, just east of Colorado. The pair then turned up the China Grove road, which intersects with Highway No. 101, 144 miles south of Snyder. The flaxen-haired youth forced Dodson, at pistol point, to give up his money and suitcase. The El Paso man was left stranded as the hitchhiker headed the 1935 Chevrolet coach toward Snyder.

Dodson ran about a mile to the farm home of Elmer Cotton, whence he went to the China Grove store and telephoned to Deputy Sheriff Sid Bruton at Snyder. The message was promptly telephoned to nearby points, and the Lubbock radio station broadcast a description of the bandit. Local officers were on the lookout for the stolen car for several hours.

The traveling man is an employee of the Watkins Motor Company, El Paso. He secured the car he was driving at Big Spring, went to Dallas to visit his parents, and was returning to his home when the holdup occurred.

He went to Sweetwater Tuesday, remained there with relatives during the night, and came to Snyder Wednesday to assist officers in running down clues that might lead to apprehension of the lone bandit.

McMurry Girls' Drum Corps Will Perform Friday

"Wah Wah-tay-see," McMurry College's peppy and good looking girls' drum corps, will parade in Snyder at 9:30 o'clock Friday morning of this week, according to a letter from Dean G. C. Boswell of the Abilene school.

The local Lions Club will play off-field host to the group. The parade will form on the east side of the courthouse, and will march and play through the entire business district. At 10:30 they will go to the school house, where they will take part in assembly exercises.

The snappily dressed corps is well known in West Texas. It is sponsored by Miss Christopher, who will accompany the drummers.

"This is one of the peppiest and best looking group of girls to be found in anybody's school, and we assure you that they will not disappoint you," writes Dean Boswell to President John E. Sentell of the local Lions Club.

Mrs. Savage Sings For Lions Tuesday; Tail Twister Twists

Members and guests of the Snyder Lions Club were entertained Tuesday at noon by Mrs. M. E. Savage, who sang two heartily applauded solos. She was accompanied by Mrs. F. W. Wolcott.

Marcel Josephson, substitute tail twister, presented a novelty number in which six Lions answered written questions—or else.

The president announced that Ralph Randle, Panhandle district president, will be a club guest next week.

Presbyterians Have First Family Night

Inaugurating the first of the "Presbyterian Family" nights, members and friends of the church enjoyed an evening of fun and fellowship last Friday evening. These evenings will be held once each quarter.

Members and friends of the church met at 7:00 o'clock, each bringing a picnic lunch. After supper the pastor and the welcoming of new members, singing was the order of the day. The fall and winter program for the church was outlined and discussed, then followed playing of games.

Carload of Dodges Received by Eiland

H. H. Eiland of the Scurry County Motor Company announced arrival early this week of a carload of 1936 Dodge cars. The four machines are on display at his show rooms just east of the square.

A full carload of Plymouths, also handled by Eiland, are expected to be on display today or tomorrow.

The new models are closely akin to the 1935 series, but all of them have major improvements in motor and exterior.

Elizabeth Gordon Made Editor of Tigers Tale in Spirited Balloting

Elizabeth Gordon, daughter of Rev. and Mrs. H. C. Gordon, was elected editor-in-chief for the Tigers Tale, high school newspaper, in a spirited campaign last week. Miss Gordon, a freshman-senior candidate, was elected over Virginia Egerton, the sophomore-junior representative in the race, who will serve as assistant editor.

Business manager for the publication is Sadie Tell Jenkins, a sophomore-junior candidate in the campaign. Her opponent, Otha Lee Clark, who is a senior, will assist her in managing the paper.

School authorities say that the campaign was carried on in grand style with a spirit of pure sportsmanship in every phase. The total sum raised during the four days was \$134.

According to Miss Effie McLeod,

Daredevil Travels Many Miles to See Master Fire Diver

Hollywood Shows, playing in North Snyder all this week under auspices of the local fire department, had an unexpected visitor Monday night in the person of Leo Simmonds, daredevil from the nationally known Tidwell carnival.

Leo, who traveled two or three hundred miles out of his way to watch Ben Mouton perform his double fire dive from a height of 121 feet, described the act that is playing here all this week as the world's most thrilling performance. He admits that Mouton, who taught the Tidwell man the act several years ago, is the master of the "shell divers" act, and says the others who pose as original fire divers are merely trying to copy Mouton's death-defying stunt.

Mouton makes a dive at the carnival each night, from his stilted, lighted pole into a tankful of water overspread with gasoline. His clothes are ignited as he plunges through the air. Before he "takes off," he performs several thrilling acts atop the pole.

FARMERS GET MORE CHECKS

One hundred and ten first cotton rental checks were received Saturday and Monday for Scurry County farmers, the county agent's office announces. Notices have been mailed to the farmers who are to receive checks.

The checks total \$2,935.40. The county is due about 1,325 checks, most of which have already been received.

Light Shower Slows Picking

A light shower that visited Snyder and other communities of the county yesterday threatened to give cotton picking another serious setback. This threat of wetness, brewing for two days, continues this morning, as mist falls over the entire county.

Total Snyder ginnings late yesterday were 454 bales. Since noon county gins are considerably later than Snyder's the county total bales is probably no more than 750.

This figure contrasts with more than 4,000 bales ginned at this time last season.

P-T. A. Membership Campaign to Close

The regular meeting of the Parent-Teachers Association in the high school auditorium next Thursday, October 17, will feature the close of a two-day membership drive conducted by the home rooms in the local school. The drive will be under the direction of the room mothers.

Teachers will present the program for the afternoon, according to Mrs. Earl Louder, publicity chairman. A poem, "I Have Found Such Joy," by Crowell, will be given by Miss Yetta Mae Slaton; Miss Zouleta Barnett, teacher of public school music, will give a vocal solo; and Mrs. G. H. Leath will discuss "The Management of Children and Home."

The theme for group study of the year will be "Progressive Homes and Schools." All school patrons are urged to attend the meetings each third Thursday.

Abilene Man Now at Paint, Repair Shop

The Yoder auto-body repair and paint shop has just been taken over by G. R. Rhoads of Abilene, a man of long experience in this type of work. He says he expects to build up a nice business for the local establishment.

He will move his family to Snyder early next week.

Dewey Higginbotham, who has been operating the shop for some time, has moved to Abilene, in order to offer his children additional educational advantages.

LOCAL POSTAL EMPLOYEES IN TOP POSITIONS

Hilton Lambert Made President of South Plains Association of Carriers and Clerks.

Postal employees of Snyder have again scored at official meetings for government workers.

Hilton Lambert, city mail carrier, last Saturday was elected president of the South Plains Association of Letter Carriers and Clerks when the workers convened at Lubbock. Lambert formerly was vice president of the group. Other officers elected were: M. K. Nelson of Lubbock, vice president; M. L. Lierfried of Floydada, secretary.

Next session of the carriers and clerks will be held in Snyder next April.

Noa B. Sisk, Snyder office clerk, was elected president of the Postal Clerks Association, which was organized at the Lubbock convention.

Congressman George Mahon was the principal speaker at the convention. Other speakers were Postmaster Warren Dodson of Snyder and E. L. Thaxton of Lubbock, retiring president.

Snyder attendants at the sessions were: Mr. and Mrs. Warren Dodson, Mr. and Mrs. J. P. Nelson, Mr. and Mrs. Hilton Lambert, Mr. and Mrs. Jess Rogers and Noa B. Sisk.

Seed Farms Get Registration for Texas Mammoth

Full registration for Texas Mammoth cottonseed was granted a few days ago by the State Seed and Plant Board to the Von Roeder Seed Farms of Borden County.

State registration, which calls for 97 per cent variety of purity in the cottonseed, means that the West Texas bred and grown seed ranks two per cent higher than state certified seed. The Texas Mammoth seed has been certified since 1932.

Notice of registration for the first time was received shortly after the recent visit of R. V. Miller, secretary of the State Seed and Plant Board, who was highly pleased with the entire Texas Mammoth breeding blocks and other fields. He was accompanied by John D. Rogers of Navasota, large-scale state certified breeder of Acala cottonseed.

Von Roeder Seed Farms are owned by Clemens and Nolan von Roeder and Edith Murphy, who are cultivating 278 acres of Texas Mammoth this year, exclusive of breeding blocks. They are beginning an extensive selling campaign this year in order to introduce their superior cotton to a much larger group of cotton growers.

Fluvanna Man Dies After Long Illness

R. L. Hale, 37, died in a local hospital Tuesday after a lingering illness of many months. He had been a barber at Fluvanna for three years. Funeral services were held at the Fluvanna Church of Christ Wednesday afternoon, with Rev. Frank Story officiating and Odum Funeral Home in charge of interment in the Fluvanna cemetery.

Survivors are the mother, who resides at Ranger; one sister, Mrs. E. R. Ball, Fluvanna; three brothers, D. H. and J. R. Hale, Ranger, and T. E. Hale, Lorenzo.

Funeral services were held at the Fluvanna church Wednesday afternoon, with Rev. Frank Story officiating and Odum Funeral Home in charge of interment in the Fluvanna cemetery.

Member of Famous Byrd Trek Coming

Joe Hill Jr. of Canyon, the youngest member of the Byrd Antarctic Expedition, will speak in the high school auditorium Friday night, October 18, at 7:45 o'clock. Admission will be 20 cents for students and 35 cents for outsiders.

Hill is the only West Texas man who has ever been to the Antarctic. He has completed his visits to colleges and universities in the state, and is now making the high schools.

Signs on East Side

Signs are being painted over two east side stores this week by A. E. Harvey, local sign man. The colorful letters, inside equally colorful borders, invite you to Strawn's Cafe and United Food Store.

DAY BY DAY SQUIBS WRITTEN BY SNYDER SQUARE RAMBLER

What's the Difference? Thursday—Even our best friends found it hard to believe, and our worst ones didn't care. . . . The Times failed to make mail connections for Thursday afternoon delivery, for the first time in several weeks, and many folks almost lost their tempers.

A Little Leaf for Pete. Friday—Pete Bridgeman wandered up to the square and actually leafed a few minutes. Somebody said it was the new motor van that broke up his customary work-work schedule.

What Next, Madam? Saturday—That new Edd Dodds manager, Lee Armstrong, looked as happy as a St. Louis ducky as he waited on folks and got acquainted with 'em during his first big trades day here. He's making a hit, even if he did come from Sweetwater!

Pass Around the Bottle. Sunday—The Sabbath reminds us of low observance and non-observance. And non-observance reminds us of two Snyder filling station operators who are said to have recently done a thriving business for six days without having a gallon of gasoline around the place.

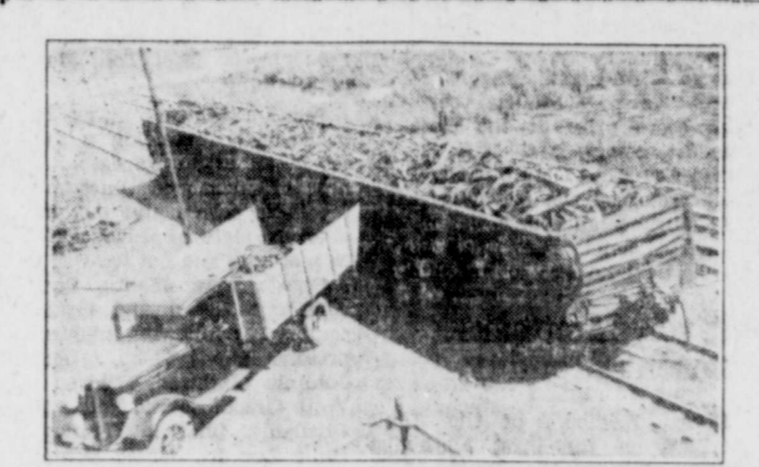

A Bicycle Built for One. Monday—Bob Terry, looking more like a game rooster than a big chicken and egg man, rode a bicycle around the business district this afternoon.

This Is Not Personal. Tuesday—It looked so much like rain that all the pessimists stuck out their lips another foot and all the optimists prophesied a bigger, better and later cotton crop.

Two Must Be a Crowd. Wednesday—Horace Eiland was so happy when his new Dodges came in that he is rumored to have grinned twice today.

Many Folks to Circus. Thursday—Snyder folks stole away Tuesday afternoon or night to see the huge Hagenbeck-Wallace circus at Sweetwater. They termed it one of the finest circuses they had ever witnessed, with animal acts the best ever seen in this section.

A New Scurry County Crop

This is the junk that war and automobiles built. More strictly speaking, this is the carload of scrap iron—about 85,000 pounds—that was shipped out of Snyder a few days ago. It was bound for Texas City, where it will be exported, probably for use, directly or indirectly, in making war materials. War clouds and a pick-up in the automobile manufacturing business have brought a decided uplift in junk prices recently. Five carloads, which brought the local output to more than a half million pounds since the first of the year, had been shipped from Snyder previously.

Highway Surface Work Should Be Completed Soon

Completion of the highway surfacing job between Hermleigh and Snyder is expected to be completed some time next week, The Times has learned.

The work was begun several days ago and is continuing at the rate of about a mile a day. The crew is working from Hermleigh to Snyder. Traffic has already been turned on several miles of the completed road.

A report from Littlefield says barriers were torn down late last month on the same highway, No. 7, from Littlefield to Lubbock.

Says the County Wide News of Littlefield concerning the completed road:

"And what a stretch of road it is! Every town along the route will eventually benefit from its completion, as it is certain that this fine highway is just the forerunner of others which this section is entitled to and will demand."

Completion of the Hermleigh-Snyder stretch means a modern surfaced Highway No. 7 from the Bankhead north to Littlefield, with the exception of the underpass five miles north of Snyder.

Auto Supply House Opened Last Week

One of Snyder's newest business houses is the D. & D. Auto Supply, which opened for customers late last week a block north of the square on the highway, in the building occupied until recently by the Keith feed store.

The firm is owned by A. E. and Ben Dennis, and is operated by Merl Price. A. E. Dennis is a longtime resident of Scurry County. He hails from the Fluvanna country. Ben, his son, operates a second auto supply house at Ballinger.

VOTE PLANNED BY PYRONITES

Citizens of the Pyron independent school district will be called on within the next few weeks to decide whether they shall vote bonds that will be the deciding factor in a \$33,635 building program for the school.

Decision to submit the proposal to voters was made after the school board learned last week that a PWA grant had been made from Washington.

The PWA grant will be for \$15,135, provided Pyron votes to add \$18,500 to this amount. The government would furnish 65 per cent; the district 35 per cent.

About \$4,000 of the total would be used for completion of a gymnasium, and the remainder for a new school building.

District Nazarene Superintendent Is in Pulpit for Revival

Rev. V. B. Atteberry, district superintendent of the Church of the Nazarene, Abilene district, will be in town Saturday and Sunday to assist in the revival now going on at the city tabernacle, and to organize the church Sunday morning at 11:00 o'clock.

All members of the church and those who are interested in the work of the Church of the Nazarene in this trade territory are cordially invited to attend all these services, according to Rev. J. Ollie Hux, pastor.

The pastor will preach Saturday afternoon on the courthouse lawn at 3:30 o'clock, assisted by co-workers. There will be special singing.

Early Infant Dies

Boyce Don, 27-day-old son of Mr. and Mrs. Worley Early, died last Friday at the family home here. Funeral rites were held Saturday afternoon at Odum Funeral Home, with Rev. H. C. Gordon officiating. Burial was in the local cemetery.

Grandpa Glover Dies. G. andpa Glover, 81 years of age died at Fluvanna Friday night after a brief illness. Services were held Sunday morning at the Fluvanna graveside, with Bro. W. J. Higgins of Snyder officiating and Odum Funeral Home in charge. More details will be found in the Fluvanna news.

NEW FUNERAL HOME OPENED

Opening of the Maples Funeral Home in the former location of the Community Natural Gas Company, just north of the square on the highway, was announced early this week by Oscar R. Maples, formerly of Hamlin.

The new resident of Snyder has seen 10 years of experience at Hamlin and elsewhere. He is a registered embalmer and funeral director. His wife is assisting him. He is a brother of Mrs. Dudley Anz of Snyder.

A complete stock of new caskets, office equipment and cemetery equipment has been installed by the new director. He has a new Pontiac private car and a Chrysler ambulance-hearse.

Mr. Maples is associated with his brother, T. L. Maples, in operation of funeral homes at Aspermont and Hamlin.

Hospital Maintains An Average of Two Patients Each Day

Snyder General Hospital, which opened for patients Wednesday, September 25, had maintained an average of exactly two new patients daily through Wednesday of this week.

Among patients during the past few days was Donald Hopkins of Colorado, a tonsillectomy case, who has already been discharged.

Others who have entered since last Wednesday are as follows: Lenora Patterson, Wade Winston, E. Ashenburt, Maggie Short, Mrs. R. B. Pierce and W. H. Lindley, medical treatment; Little Sandra Jean Bowden, minor surgery.

The youngest patient confined to the hospital to date is Maggie Short, baby daughter of Mr. and Mrs. C. B. Short, Hermleigh.

Mrs. Elmer Taylor of Ira, surgical patient who entered Wednesday last week, is still confined to the hospital. Mrs. T. J. Fuller of Dunn was released today after surgery late last week.

Council Decides on Fees for Traveling Carnival and Circus

After extended discussion, the City Council Monday night passed two motions governing license fees and water for traveling shows.

It was decided that a \$10 city license fee and a \$5 water fee be charged the Harley Sadler Circus, which is coming later in the month under sponsorship of the Chamber of Commerce. J. W. Scott, C. C. of C. secretary, represented that organization.

The council voted to grant free license and free water to the carnival now showing under sponsorship of the Snyder volunteer fire department. Fire Chief N. W. Autry appeared for the "boys."

Mayor H. G. Towle presided at the meeting. Councilmen present were G. H. Leath, Dwight Monroe, James A. Clark, W. J. Ely, R. H. Odum and J. E. Shipp.

It was voted that water and water service at Snyder General Hospital be furnished at regular rates.

The city budget for the new fiscal year, filed September 25, by Secretary J. S. Bradbury, was finally adopted.

No building permits were granted in September. Fines for August and September were \$52.80. Water and sewer collections were \$1,662.94. Taxes collected totaled \$37,133. Bills totaling \$1,449.76 were authorized paid.

Famous Funmakers With Coming Circus

No circus is complete without clowns. Harley Sadler, who comes to Snyder Friday, October 25, with the famous Bailey Bros. circus, and many added attractions, has an array of funmakers who will really make you laugh.

These funny fellows, who guarantee a laugh a minute with their capers and gestures, are headed by Buck Baker himself, featured clown with Barnum & Bailey and Ringling Bros. circus for 25 years. Buck says he will make the older folks laugh as well as the kiddies—in fact, he makes kids out of us all again.

All members of the church and those who are interested in the work of the Church of the Nazarene in this trade territory are cordially invited to attend all these services, according to Rev. J. Ollie Hux, pastor.

The pastor will preach Saturday afternoon on the courthouse lawn at 3:30 o'clock, assisted by co-workers. There will be special singing.

Drill Oiling Continues

Drilling continues steadily on the W. M. Scott-Magnolia No. 1, proposed deep wildcat seven miles south of Snyder. It was announced this morning that the drill had reached a depth of 2,825 feet. No pay sand has been found. It is said by constant followers of the well since it was spudded in several weeks ago.

Rotan's Yellow Hammers Win Close Game From Inexperienced Tigers

Taking full advantage of Snyder's inexperience, Rotan's light but snappy Yellow Hammers grabbed a 6-0 mix-up from the locals Friday night on their lighted field. It was the first conference game for the Tigers.

Outgunning their hosts almost two to one, Coach Hill's leads muffed things in the pinches—and one of the muffs brought the lone tally in the second period. A second blocked punt inside their own territory paved the way for the Bengals' downfall, for the Rotan crew pushed over the winning six points.

The Snyder attack took on its most favorable form in the final period, when a series of plunges and passes took the ball from their own 30-yard line to the Rotan 20. It went over there on downs, and the game ended before another attack could be summoned.

Johnny Boren, regular quarterback, was out with injuries. His position was taken by Moffett, regular fullback, and Weldon Strayhorn. Morgan slipped out of the line to play left half—his first trip into the backfield.

The Snyder line-up: Mitchell, left end; Captain Clark, left tackle (Bell, substitute); Gibson, left guard (Jones, substitute); Chalmer Watkins, center; Webb, right guard (Dick Fowler, substitute); Tate, right tackle; Morrow, right end; Strayhorn, quarterback (Moffett called signals first part of game); Winters, Morgan, left half; Head, right half; Moffett, fullback.

P-T. A. Reception Set for Thursday

Teachers in the local school will be honored with a reception in the music room of the high school tonight (Thursday) at 7:30 o'clock. The affair is sponsored by the Parent-Teacher Association.

School patrons are given a special invitation to attend, according to Mrs. B. M. West, chairman of the hospitality committee, which is in charge of arrangements.

The program for the evening will be outstanding, and a social hour will follow the program.

SANTONE MAN IS BANK AGENT

Effective several days ago, O. H. Smith of San Antonio became special agent for the First State Bank & Trust Company, succeeding Pete Brady.

Smith has been an auditor in the South Texas city. He expects to move his wife here within a few days.

For about two years Brady has been special agent for the banking institution, which became defunct in 1931. He has worked under the State Banking Department.

Brady has pledged his wholehearted cooperation to Smith in settling the bank's affairs.

Approvals Not All

"These approvals are not to be taken too seriously—yet. Recently Harry L. Hopkins, federal WPA administrator, wrote mayors, county judges and other 'sponsors' that President Roosevelt is putting his O. K. on projects involving expenditures of approximately twice as much money as will be available ultimately. The letter said 'widest discretion' will be given state WPA directors in finally picking these jobs that will be done, all with the view of providing the work for the most people as quickly as possible, and the purchase of the least amount of materials."

No official word has been received by any official concerning any of the Washington-approved projects for Scurry County. Local school officials, whose project was one of the first approved for West Texas, are "ready to shoot" when—and if—they receive state and district approval.

L. B. Jenkins Dies At Local Residence After Long Illness

Death ended a lingering illness for L. B. Jenkins, 38, Tuesday. The local man died at the home of his parents, Mr. and Mrs. W. H. Jenkins, in Southeast Snyder.

Last rites were held at the family residence Wednesday afternoon, at 4:00 o'clock, with Rev. Alfred M. Dorsett officiating. Burial was in Snyder cemetery, with Odum Funeral Home in charge.

Funeral services were held at the home of Frank Arnett, Ollie Dever, Mack Gideon and Ray Trammell of Aspermont, Nellie, Virginia, Margaret and Bonnie Neal were flower girls.

Survivors are the widow and the parents; two step-brothers, Ellis and Mervyn Neal of Snyder, and one sister, Mrs. W. L. Pitts of Roswell, New Mexico.

FRED YODERS ARE HONORED WITH SHOWER

Mr. and Mrs. Fred A. Yoder, who were married Tuesday, were honored last Tuesday with a bridal shower at the home of Mr. and Mrs. D. P. Yoder. Mmes. Yoder and H. C. Gordon were hostesses.

Reception rooms of the Yoder home were decorated with lovely ferns and dahlias. Guests registered in the bride's book as they entered, and the honorees arrived later with Mr. and Mrs. Hal D. Yoder.

The bride, who was formerly Miss Dorothy Weikert of Springfield, Ohio, was introduced by the hostesses to each of the guests. An appropriate as well as pretty program was presented during the evening.

A piano duet by Mmes. A. C. Preult and W. W. Hamilton was followed by a vocal solo, "Love's Old Sweet Song," by Mrs. W. W. Smith with Mrs. Preult accompanying.

The excitement of being a bride was portrayed by Mrs. R. E. Gray in her toast to Mrs. Yoder, and King Sides gave the toast to the bridegroom. "To the Girls Left Behind" was in the form of a clever poem by Mrs. Joe Caton, and Rev. Alfred M. Dorsett toasted the men left behind. Miss Velma Sharp read "Fiddle in the Firelight" with piano accompaniment by Mrs. H. C. Gordon.

Appropriate games furnished the amusement for the crowd following the program, until Genevieve Yoder entered the room pulling a "Bon Voyage Ship of Matrimony" filled with lovely gifts for the honorees. Other gifts were brought in by Virginia and Mary Yoder and Elizabeth Gordon.

Words of thanks were from the honorees for the nice party, the lovely gifts and for the spirit of friendship which prevailed during the enjoyable evening. A plate of chicken salad, cheese crackers, coconut cookies, pickles and olives and coffee was passed late in the evening.

Mrs. W. R. Bell Is Altrurian Hostess

Members of the Altrurian Club enjoyed their meeting Friday at the home of Mrs. W. R. Bell, with Mrs. Joe Caton program leader. "Early Pioneers" was the study with Mmes. J. C. Dorward, R. D. English, R. H. Curmutte, R. L. Gray and G. A. Hagan presenting parts.

Carnations and rose buds were party favors for those present, and a lovely plate was passed to the following club members: Mmes. Hugh Boren, H. P. Brown, Joe Caton, R. H. Curmutte, J. C. Dorward, R. D. English, R. L. Gray, G. A. Hagan, W. W. Hamilton, J. W. Leftwich, J. C. Smyth, J. C. Stinson, Lee T. Stinson, O. P. Thrane, H. G. Towle and F. W. Wolcott.

"Agriculture" Is Study for Club

"Agriculture" was the subject for study at the Twentieth Century Club meeting at the home of Mrs. J. Nelson Dunn Tuesday afternoon. Mrs. W. R. Lacey was director for the program.

Mrs. Lacey discussed "Soil Erosion"; Mrs. W. J. Ely told of plans for the "Shelter Belt"; and Mrs. W. M. Scott gave "Benefits Derived From County Agent and Home Demonstration Agent."

Fall flowers decorated the Dunn home for the club meeting and a salad, individual coconut pies and tea were passed to the following members: Mmes. P. C. Chenault, I. W. Boren, W. J. Ely, J. E. LeMond, W. M. Scott, B. M. West, H. J. Brice, C. E. Fish, Joe Strayhorn, Allen Warren, R. W. Cunningham and W. R. West.

Mrs. W. J. Ely was hostess to the Tuesday Afternoon Bridge Club and guests with three tables of bridge on one table of forty-two at her home last week. The party was had in a setting of garden flowers and ferns.

Guests were Mmes. J. P. Morgan, M. E. Savage, L. G. Ely, I. W. Boren, H. P. Brown and A. V. Cranston of Abilene. Tuesday Club members attending the party were: Mmes. E. M. Deakin, T. L. Lollar, W. D. Beggs, Joe Strayhorn, W. R. Johnson, Sidney Johnson, R. L. Gray, W. M. Scott, J. C. Dorward and H. J. Brice.

Alatheans Hear Annual Reports

Members of the Alathean Class of the First Baptist Church enjoyed a picnic at the school park last Thursday afternoon, at which time annual reports for the group were heard.

Average attendance for the year was 89 per cent; 14 new members were welcomed to the class, five members moved away; five members are teaching in the Sunday school; and 32 visitors came to the class during the year.

New officers installed during the last Thursday meeting include the following: Mrs. J. M. Seiser, president; Mrs. Giles Bowers, first vice president; Mrs. H. J. Brice, second vice president; Mrs. A. C. Kincaid, third vice president; Mrs. A. D. Belk, fourth vice president; Mrs. J. E. Chapman, secretary; Mrs. C. T. Glen, treasurer; Mrs. Lora Miller, reporter. Mrs. Otto S. Williamson is class teacher, and Mrs. W. M. Scott is her assistant.

Mmes. Cloud, Scott Hostesses Monday

Mmes. P. W. Cloud and J. D. Scott were hostesses to the Ruth Anderson Auxiliary at the home of Mrs. Scott's parents, Mr. and Mrs. J. C. Stinson, Monday afternoon.

The feature of the afternoon program came when six members of the group gave a playlet on Korea, "The City Calls." Mmes. Cloud, Homer Snyder, J. G. Hicks, J. O. Littlepage, A. E. Wiese, and T. W. Pollard took part in the performance. Others on the program were Mmes. T. J. DeShazo and R. H. Odom and Miss Ruby Curry. Refreshments of pie and coffee were passed by the hostesses.

Try CARDUI For Functional Monthly Pains

Women from the 'teen age to the change of life have found Cardui genuinely helpful for the relief of functional monthly pains due to lack of just the right strength from the food they eat. Mrs. Crit Haynes, of Essex, Mo., writes: "I used Cardui when a girl for cramps and found it very beneficial. I have recently taken Cardui during the change of life. I was very nervous, had head and back pains and was in a generally run-down condition. Cardui has helped me greatly. Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician."

Mrs. Gagan Has Sine Cura Club

Mrs. G. A. Hagan was charming hostess to the Sine Cura Club Tuesday afternoon at the home of Mrs. R. H. Curmutte. Decorations for entertaining rooms were pink dahlias, roses and snap dragons.

Mrs. Vern McMullen took the high score prize at the close of contract games, and Mrs. H. G. Towle was second high. Mrs. T. L. Lollar retained the traveling prize. A dainty salad course was passed at the tea hour. Mrs. Hugh Boren will be next hostess to the club.

Eleven Members Present Monday

Eleven members of the Adult Auxiliary of the First Methodist Church attended the regular Monday meeting at the church. Mrs. A. C. Preult, study leader, presented the lesson.

Mrs. Joe Strayhorn's devotional carried the missionary theme, "Ye are the salt of the earth and the light of the world." "The Dawning Vision of God" from the study book, "Latin America," was given by Mrs. J. E. Hardy, and Mrs. A. M. Curry gave "The Face of the Man." Mrs. D. P. Yoder led the closing prayer.

Frances Boren Has Duce Bridge

Miss Frances Boren was hostess to the Duce Bridge Club and guests at its regular meeting last Thursday evening. She was assisted by her mother, Mrs. Tom Boren, in entertaining.

Johnnie Matson was high in bridge play, receiving a manicure set in an attractive case. A color note of green and white was used for table covers and napkins, and a lovely plate of salad, wafers, olives, cookies and hot tea was passed.

Guests were Joanna Strayhorn, Almaren Heard and Grace Holcomb. The following members were present: Mavis Webb, Gwen Gray, Johnnie Mathison, Mildred Stokes, Vesta Green, Bonnie Miller, Frances Chenault, Charlice Hamlett, Mrs. Billie Lee Jr., Janice Erwin, Rube Lee, Alta Bowers and Allene Curry.

Married Saturday

Ector Ziegler and Odessa Norris, both of the Dermott community, were married Saturday evening, at 9:00 o'clock, at the home of Mr. Ziegler's sister, Mrs. Jim Nipp, in East Snyder. Mr. and Mrs. Nipp and children were the only witnesses. Rev. H. C. Gordon was the officiating minister.

Ingleside Members Discuss Biography

The Ingleside Study Club members met at the home of Mrs. R. S. Sullivan Tuesday afternoon for a study of "Biographies," led by Mrs. Sam Williams.

The program was given by Mmes. H. L. Vann, A. E. Wiese, W. W. McCarty, R. H. Odom and W. W. Smith.

Others attending the meeting were: Mmes. Clyde Boren, W. F. Cox, J. C. Gay, C. W. Harless, R. J. Randals, N. B. Sisk and Leonard West.

A salad course was served by the hostess at the close of the afternoon's program.

Woman's Culture Presents Lecturer.

Mrs. Robert Malloy of Corsicana, chairman of the flower and wild life committee of the Texas Federation of Women's Clubs, will give a lecture on "Texas Birds and Flowers," illustrated with colored slides in the high school auditorium Friday, October 18, at 2:30 o'clock.

The theme of the lecture will closely follow the Womens Culture Club study of Texas during the year, the lecturer coming at the request of that organization.

Mr. and Mrs. Fish Entertain Thursday.

Mr. and Mrs. C. E. Fish were host and hostess to the Friendly Fellows Forty-Two Club last Thursday evening at their home in West Snyder. The entire house was decorated with lovely fall roses.

A salad course was served at the close of enjoyable forty-two games to the following: Messrs. and Mrs. E. Doak, C. F. Sentell, Noa B. Sisk, J. W. Scott, J. W. Patterson, Willard James and Mrs. W. M. Scott, guests; and Messrs. and Mrs. A. W. Arnold, R. D. English, W. A. Morton, Hugh Taylor and R. L. Gray.

Mr. and Mrs. Joe Monroe will entertain the club next Thursday.

Mmes. Smyth and Graham Hostesses.

Mmes. J. C. Smyth and Joe Graham were hostesses to their Sunday school class—the Esrudoma Class of the First Baptist Church—at the home of Mrs. Smyth last Thursday afternoon.

Following installation of new officers and a short business session, a salad course was passed to the following class members: Mmes. A. A. Bailey, Fred P. Rattan, Roy Stokes, Noa B. Sisk, Lawrence Hays, Lyman Wade, Wayne Williams, G. B. Clark Jr., Gail Bell, Raymond Sims, Dempsey Agee, Addison Casstevens, Dean Cochran and Amos Joyce.

Picnic Tuesday For Senior Class.

The picnic spot on Deep Creek just south of Dunn was the scene for a Senior A Class picnic Tuesday afternoon. Chaperones were Mrs. Sue M. Lee, class sponsor, and F. H. Reeve, head of the mathematics department in the high school.

The picnic group enjoyed games of softball before the picnic supper was served. Members of the class, who attended the affair, were: Rosanna Reynolds, Genevieve Jarratt, Frances Belk, Royal Connel, Forest Beavers, Leslie Cole, Mayme Lee Gibson, Charles Lewis, Delbert and Pat Johnston, Irene Wolcott and Dossie Mae Caton.

THE WEEKLY DOZEN

An Easy Choice for Tillie. Talkative Tillie says if she feels the call of the African wilds as a Red Cross nurse, she'd much prefer being "mother of humanity" to Mussolini's horse than to Mussolini.

Another Fair Question. As Scurry County crops become better and better as the public humor becomes more receptive as the need for a county-wide fair becomes more noticeable...

Weekly Rooseveltism. President Roosevelt at San Diego last week: "In the face of apprehension, the American people can speak but one sentiment, despite what happens in continents overseas—that the United States of America shall and must remain, as the father of our country prayed that it might remain, unentangled and free."

How to Settle the War. Pessimism Pete suggests that the Italo-Ethiopian fracas be settled peaceably by granting Mussolini the victory on oratory and Selassie the laurels as Beau Brummell. Or, if the fight just must go on, let's persuade radio announcers and newspapers to furnish geographical and dictionary as contest and subscription prizes.

The New Mills That Grind. The mills of the gods grind slow. Not so the mills that have been imposed as sales taxes, say citizens of Missouri, New Mexico and other states where the tiny taxes have been collected for some time. Even so, give us tiny taxes every day in the year rather than such huge, over-powering taxes at the first of every year. The result would be the same, but the pressure would be far less.

Welcome, Newcomers. With good crops peeping their heads over the horizon of Scurry County's future, the county seat and smaller communities are being flooded with newcomers. Some will drift on when the crop harvesting season has passed. A few will remain to become active, substantial citizens. Permanent or transient, if they are clean, honest folks, we welcome them; and we hope they will like our slice of West Texas.

Snyder Grocery Stores. Snyder has boasted the finest group of grocery stores for several years of any smaller city in West Texas. That is one broad statement we make about our home town without fear of successful contradiction. It is not necessary, of course, to remind buyers in this trade territory of this superiority...

A Good Turkey Story. Here's a good turkey story that might be remembered by farmers of this area: Grasshoppers threatened the crops of one Victor Van Meter, near Gypsum, Kansas. He had a few turkeys—they seemed to like grasshoppers. That was an idea. Henry took his truck, scoured the countryside to borrow turkeys—borrowed several hundred of them, turned them in his fields against the grasshoppers. Result, contented and well-fed turkeys—crops saved.

More Stores in Snyder. Perhaps you have observed, with The Times, that practically every business house, large and small, is being occupied by firms of various calibers as the rush days of fall and winter make a rapid approach. Throughout the depression Snyder has seen more of her business houses occupied than practically any other town of comparable size in West Texas. Don't be surprised if there is not a single vacant space of any sort within a block of the square by the time November 1 arrives.

"Adding Insult to Injury." Commenting on Wisconsin's recent law aimed at completely prohibiting sale of oleomargarine in that state, the American Cattle Producer said: "There is no reason why cottonseed oil, which is freely sold as Crisco, Snowflake, and other shortenings, should be taxed when sold as margarine. There is no holy quality that attaches itself to the fat extracted through the test of a cow that does not belong to the choice edible fat taken from the carcasses of federally inspected cattle."

Public Enemy No. 1. The common cold has been described as America's public health enemy No. 1. The rampaging foe of mankind and his allies—hay fever, flu and what you may call it—is usually taken too lightly. Many folks pay little attention to ventilation, clothing and the simple home precautions that are at the basis of cold prevention. Let's cut down drug bills, doctor bills and even undertaking bills by recognizing this common cold in its true light—and fighting it before it gets a winter foothold.

Is Football Dying? Almost every year some chronic football enemy comes forth with the statement that the sport is destined to lose ground with fandom. Figures seem to discount this perennial gripe quite conclusively. Enrollment in football sponsored by the Texas Inter-scholastic League this year totals 851 schools—78 more schools than were enrolled last year. Eighty-nine schools are in Class A, 448 in Class B, and 111 in Class C. The rather rough sport is here to stay because it fits into the American idea of sports that demand a coordination of muscle, mind and matter.

Have You Paid?

Most human beings pay tribute to preachers and doctors as the two most beneficial professions or callings. But sometimes we pay little more than tribute.

Some folks seem to take the attitude that doctors can live on promises and hard work. They do not hesitate to call the doctor in the middle of the night, ask him to drive many miles—possibly to save a life—and then forget him or overlook him when payday comes.

Snyder has a faithful, hard working, conscientious set of doctors. They deserve to be paid promptly even more so than most other professional or business men, for theirs is a task that demands long training, long hours and long sacrifice.

Have you paid your doctor this month?

EDITORIAL OF THE WEEK

"DE DEDUCTS" GOT IT.

There's an old story about a Southern dandy who apparently had one of those old-fashioned landlords who insisted on taking just a little cotton for as many things as he could think of and leaving the tenant just as little as possible.

Mose grew about three bales of cotton. One-half was deducted for the rent; a little more was taken for "funtuh" some more for fertilizer, and Mose wound up with practically no cotton.

Talking to a neighbor about his crop, he stated he had grown three bales of cotton. "But where's the cotton," the neighbor asked. "De deducts got it," Mose said.

Another dandy was discussing his new cotton shirt, and a busybody was telling him how important that shirt was.

He told the dandy how a farmer had produced the cotton, a spinner had spun the goods, a manufacturer had made up the garment and a wholesaler had bought the shirt and turned it over to a retailer and the retailer had just sold the shirt to the dandy.

"All these people," said the man, "have received work, and have been assisted in making a living out of that one little seventy-nine cent shirt."

"Yas, sah," the dandy said, "but what worries me is how all those folks could make a living out of my shirt when I ain't even paid you for it."

Somebody rises to ask, "What's that all to do with an article dealing with the storage and warehousing of cotton?" Well, perhaps very little, except in the parallel suggested.

When a farmer considers all of the people who make a living out of his cotton after he produces it, all of the charges placed against it, all of the things that can happen to a good bale of cotton after it has been properly produced and even ginned, one wonders like the dandy, "how the farmer gets anything out of it." Too often the "deducts" almost get it.—The American Cotton Grower.

CURRENT COMMENT

By Leon Guinn.

Popeye, pumacious "say-a-lors" man, and the comic character credited with making spinach the dish of American youngsters, is getting soft... Up until now Popeye was given over to pulling a can of the magic spinach out of his shirt when in a street brawl, socking enemies to a tweet-tweet "finion," and getting sweet about his anemic girl friend, Olive Oil...

The blooming of the Ethiopian maskal flowers proved indeed the "blooms of doom," and war in its hellish blood spilling is on, Italians completely armed advancing on frenzied Ethiopian warriors inadequately equipped with ancient rifles... This may be Africa's bloodiest war, since Mussolini contends that Addis Ababa must be wiped out, as Carthage was of old... World sympathy is with the black nation, as Haile Selassie, Lion of Judah, calls 10,000,000 loyal subjects to dig and die, a free people unconquered, even in death!... Hollywood film companies are spending \$500,000 to bring the world a bullet by bullet account of the slaughter... And this is one war with almost a correspondent for every fight... For instance, when Hearstling Floyd Gibbons cables dispatches beginning "hello everybody!" INS cable editors grit their teeth, the words costing 68 cents each... And all Europe may be involved.

Those who fool themselves into believing that we can keep our skirts entirely clear of European-African war entanglements should read this statement by a leading Texas economist: "The foreign political situation is just now casting an ominous shadow over the business horizon. Although for the moment attention is focused upon the Italo-Ethiopian situation, equally menacing are latest in the aspirations of Germany and Japan."

The Times Creed:

For the cause that needs assistance; For the wrongs that need resistance; For the future in the distance, And the good that we can do.

Noted Christian Jew Will Preach At Local Church

Rev. Joseph Cohen, noted Christian Jew among Southern Baptists and the South, will preach at the First Baptist Church Sunday.

He will talk on "The Jew and Christianity." In the evening he will portray "The Last Supper" as it actually occurred on the night of the betrayal.

Following the evening message and portrayal, the church will observe the Lord's Supper. Preceding the service it will baptize several candidates.

Rev. Cohen was won to the Christian faith 18 years ago. "He is doing a far-reaching work in bringing about a better understanding between the Jew and Gentiles," according to the local pastor, Rev. Lawrence Hays.

The Christian Jew recently completed a week's meeting at the First Baptist Church, Cleburne.

"We express the hope that our people will give him a good hearing," the pastor said yesterday.

Mrs. Marcel Josephson, who has been at the bedside of her mother, Mrs. Sam Berman of Colorado, at the Medical and Surgical Clinic in Dallas for several days, returned home Tuesday. Her mother is at her home in Colorado, being attended by a special nurse, and her condition is some improved.

Noted Christian Jew Will Preach At Local Church

Rev. Joseph Cohen, noted Christian Jew among Southern Baptists and the South, will preach at the First Baptist Church Sunday.

He will talk on "The Jew and Christianity." In the evening he will portray "The Last Supper" as it actually occurred on the night of the betrayal.

Following the evening message and portrayal, the church will observe the Lord's Supper. Preceding the service it will baptize several candidates.

Rev. Cohen was won to the Christian faith 18 years ago. "He is doing a far-reaching work in bringing about a better understanding between the Jew and Gentiles," according to the local pastor, Rev. Lawrence Hays.

The Christian Jew recently completed a week's meeting at the First Baptist Church, Cleburne.

"We express the hope that our people will give him a good hearing," the pastor said yesterday.

Mrs. Marcel Josephson, who has been at the bedside of her mother, Mrs. Sam Berman of Colorado, at the Medical and Surgical Clinic in Dallas for several days, returned home Tuesday. Her mother is at her home in Colorado, being attended by a special nurse, and her condition is some improved.

Sports Club Holds Initiation and Picnic.

New members of the Lucky 13 Sports Club of the local high school, composed of high school girls, wore stick horses to their initiation at the home of Juanita Burt last Tuesday evening.

Besides various initiation stunts, club pledges were asked to bring refreshments and serve old members of the club.

Old members of the Sports Club are Florentz Winston, Martha Jo Jenkins, Irene Wolcott and Sadie Tell Jenkins. The following new members were initiated: Paynell Spears, Mavis Jenkins, Juanita Burt, Virginia Yoder, Oleka Ware, Doris Davis, Virginia Egerton, Milton Joyce and Elizabeth McCarty. Miss Mattie Ross Cunningham, sponsor, also attended the affair.

Mrs. Dewey Stacy and children, who were visitors in Snyder several weeks ago, returned from a visit with relatives in Alabama last week, spent several days here with Mr. and Mrs. M. Stacy, and left Friday morning, returning to their home in Mason City, Washington.

Moving Pictures At Presbyterian Church Oct. 11

On Friday evening of this week at 7:45 o'clock the Board of National Missions will present a three-reel moving picture show, entitled "Skylines," showing the work of the board in New York City, at the First Presbyterian Church here.

Rev. J. L. Cleveland, representative of the board, will accompany the showing of the picture and will explain the work. There will be no admission charge. All people of the community are invited to come and bring their friends. There will be a free will offering.

The first reel gives flashes of the world's great cities; views of New York from the air, from the Empire State Building; historic landmarks; the George Washington Bridge; where New York's millions live, study, work and play.

Reel two shows a city on parade, streets lined with mounds of confetti and waste paper; an army of men endeavoring to conquer a blizzard with snow shovels; park and seashore, the world-famed Great White Way; evidences on the one hand of great wealth, on the other hand of dire poverty; this is the background against which the church is at work in the great city of New York.

The third reel shows missions at work in the city's Chinatown, in colorful little Bohemia, in an Italian colony; in Negro Harlem, in little Hungary.

Picnic for Sports Club.

Twin Caves, near Camp Springs, was the destination of Sports Club members and guests who enjoyed a picnic Sunday afternoon. Miss Roberta Ely, former member of the club who is a student in McMurtry College, Abilene, this year, was honored guest on the occasion.

Presbyterian Church

The worship service next Sunday morning at the 11:00 o'clock worship hour will be in charge of the junior boys and girls of the church school, with Mrs. Mary B. Shell and Miss Almaren Heard, teachers in the junior department, in charge.

The theme for the service is particularly appropriate for this time, "In Praise of Peace." There will be no evening worship service, in the absence of the minister.

Last Sunday there was a very definite increase in the attendance at Sunday school; we had a real rally day. Let the spirit of that rally day carry on throughout the whole year, that our Sunday school may continue to grow every Sunday. Sunday school meets in all departments at 9:45 a. m. The young people's society of the Christian Endeavor will meet at 6:45 p. m., to discuss "Force or Love," a topic relating to world peace and what we can do about it.—Alfred M. Dorsett, pastor.

Fluvanna Presbyterian Church.

Themes for the worship services at the Presbyterian Church at Fluvanna next Sunday will be "The Ideal Church" at the 11:00 o'clock worship service and "Salt That Satisfies" for the evening service at 7:30 p. m. The pressing need to draw ourselves closer to the ideal church is everywhere evident, it is fitting that we should think about this theme at this time. Sunday school will meet in all departments at 10:00 a. m.

John Stavelly, elder and clerk of the session of our church, is attending the meeting of Texas Presbyterian Synod, which is meeting in Austin this week, as one of the delegates from Abilene Presbytery.

A most cordial welcome awaits all at our regular monthly worship services Sunday.—Alfred M. Dorsett, pastor.

Snyder Delegates to Midland Rally for M. E. Young People

The Snyder delegation attending the district rally of Methodist young people at Midland this week-end will be headed by Richard Davis, president of the local chapter. Several others plan to attend.

Registration will begin at the First Methodist Church in Midland at 5:00 o'clock Saturday afternoon. A recreational program and supper will follow. "Christ, Our Source of Salvation" will be the subject for vesper services at 10:00 o'clock Saturday evening, with Raymond Brazell of Roscoe in charge. The service will closely follow the rally theme, "The Vision Splendid."

Morning watch at 6:30 Sunday will be conducted by Miss Edith Murphy of Dunn on "Christ, Our Source of Abundant Life." Ralph Nance will conduct the afternoon consecration service. His thoughts will center on "Christ, Our Source of Strength for Service."

Group meetings will be held throughout the day, according to Miss Fredrick Adkins of Big Spring, district director, who will be in charge of the entire meeting. All Methodist young people are urged by the Midland group to attend.

Mrs. E. J. Anderson and her mother, Mrs. R. L. McCormick, left during the week-end for a month's visit with relatives and friends in California. Mrs. Anderson will be the guest of her daughter, Miss Brent Anderson, who is connected with the Seaboard National Bank in Hollywood.

Methodist Church

Sunday at the 11:00 o'clock service the first of a series of sermons dealing with home life will be delivered. The subject will be "Marriage." The text will be "For this cause shall a man leave father and mother and shall cleave to his wife and they twain shall be one flesh."—Matthew 19:5.

A cordial welcome awaits all who attend.—H. C. Gordon, pastor.

CORRESPONDENCE FROM RURAL COMMUNITIES OF COUNTY

Pleasant Ridge

Rogers W. Wells, Correspondent
Pleasant Ridge Baptist Church was represented at the associational meeting at the Palava church October 4 by Rogers W. Wells, Earl Prescott and Claud Hale. The New Hope Association and the North Colorado Association were combined, and the one association plans to have an associational missionary the coming year.

Mrs. Alex Hale entertained her Sunday school class and their parents with a Sunday dinner and a song service in the afternoon.

Chilled to the marrow?

YOUR CAR'S COLD TOO . . . SO MAKE SURE YOUR ENGINE

stays oiled

And please don't think you are going to read this same sort of thing about a "whole raft" of winter oils.

The clean-cut difference in favor of Conoco Germ Processed Oil is this: when the thermometer goes down there is a *Hidden Quart* of Conoco that doesn't. It can't. It stays and stays—becomes a lasting part of every surface in your engine.

The Germ Process . . . fully patented . . . makes this alloyed oil blend with metal remarkably, forming your *Hidden Quart*. Then no matter how long your car is parked or garaged in the coldest cold, you come out to a well-oiled start . . . not merely because fine paraffin-base Conoco Germ Processed Oil is free-flowing, but because the *Hidden Quart* is up on guard before any oil could even begin to flow.

Gone are the warm-ups that chew up your engine. Nor need you fear highest speeds, or hardest winter pulls. That's when Germ Processed Oil puts its high-durability film between you and repair men. It's not only light-bodied enough for winter, but tougher, too.

AND . . . road tests of cars with conventional babbitt bearings, and with the new copper-lead, high-lead, and cadmium-alloy bearings, prove Germ Processed Oil far better than plain mineral oils for all bearings!

Whether you're driving a '35 model or a "veteran," drive it in today for your Conoco man's winter help. Continental Oil Company, Established 1875.

LUBBOCK TO BE NEXT GRID FOE

Lubbock Westerners, one of West Texas' strongest Class A football squads, will be opponents of the Snyder Tigers in Friday night's scheduled game at Lubbock.

A full squad, with most of its recent injuries cured, will make the trip, and several local fans are also planning to trek along to watch their favorites perform.

Scoreless so far this season, Coach Hill's youngsters are majoring this week on an aerial attack that is expected to net them a few points at Lubbock.

Fifty Enrolled in Commercial Class Study for Adults

With 50 adults enrolled in free commercial classes that began at the local high school Monday morning, the instructor, J. C. Dennis, is finding it difficult to conduct all the work. C. Wedgeworth, superintendent, said yesterday that if enrollment continues, efforts will be made to secure another part-time teacher.

Classes are being taught in book-keeping, shorthand, typing, commercial arithmetic, commercial law, business English and penmanship. A portion of the books are furnished, but students must buy outright or pay rental fees on some of the materials used. The work will be offered until the close of the school year late in May.

The work is being taken by unemployed men and women; by recent high school graduates; by housewives; and by others who wish to improve their fund of knowledge.

Any Grapes Today?

Jim Adams of the Rainbow Market Places reports that he sold almost 900 pounds of Tokay grapes at his two stands last Friday and Saturday. He has sold several tons of apples in recent days, and has still more coming in this week.

CIRCUS COMES TO CITY FRIDAY

Snyder will be visited Friday of this week by probably the largest circus that has been here since "the good old days." It is Schell Bros. four-ring circus, which will play here afternoon and evening under auspices of the Snyder volunteer fire department. Performances will be at 2:00 and 8:00 p. m., with doors opening an hour earlier.

The show features Captain Kolbar's herd of performing elephants; Vates Lola, Hollywood's sweetheart;

John Hoffman's trained lions, and a mammoth menagerie. Acrobats, the riding Hogan family, the Aerial Henrys, and the Conner Troupe are other outstanding performers.

Mr. and Mrs. Earl Hicks and little daughter, Barbara Earl, and Misses Ethel Irvin and M. C. Millhollan returned Friday from a six-days visit with Claude M. Hicks and family in Roswell, New Mexico. While there they attended the annual Eastern New Mexico State Fair.

MORE TRENCH SILOS IN AREA

Keen interest in digging trench silos continues to be displayed by Scurry County farmers, according to reports reaching the county agent's office.

Two 65-ton silos have been completed within the past few days. Cornelius Davis of the Ennis Creek

community has his trench ready for filling. J. L. Bowen, who resides at Colorado but farms three miles northwest of Hermleigh, has dug and filled one of the earthen storage bins.

Other reports indicate that several dozen trench silos will be in use before the year is out.

Miss Margaret Deakins, daughter of Mr. and Mrs. E. M. Deakins, is combining study with pleasure. While she is a guest of her uncle, Bert King, Mrs. King and their daughter, Patsy. Miss Deakins is

taking courses in English and chemistry at the Ursuline Academy in Dallas.

Curtis Jarrett, a student in Texas Technological College, Lubbock, was a guest of his mother, Mrs. P. T. Jarratt, over the week-end. He was accompanied back to Lubbock Sunday afternoon by his sisters, Frances and Genevieve, and his brothers, David and Felix, who were guests for several hours in the home of Director D. O. Wiley of the Tech band, and Mrs. Wiley.
