"YOUR HOME COUNTY PAPER"

FORTY-EIGHTH YEAR.

SNYDER, TEXAS, THURSDAY AFTERNOON, NOVEMBER 7, 1935

NUMBER 22

## LOCAL STORES PLAN TO CLOSE FOR ARMISTICE

Legion and Auxiliary Plan Poppy Sales Saturday to Aid the Disabled Veterans.

Practically all Snyder stores will be closed all day Monday—Armistice Day—it was definitely decided yesterday.

The bank will be closed all day. The post office will be open until 11:00 a. m., and there will be morning delivery in the business district only.

Customers of grocery stores, dry goods stores and other major business houses are urged to remember this closing date, and to buy their supplies Friday and Saturday.

The Will Layne Post of the American Legion Auxiliary, headed by Mrs. J. E. Shipp, president, will sell poppies on local streets all day Saturday. These artificial flowers, made by disabled veterans in hospitals, will probably be sold by the hundreds to assure more benefits for these men who lost when America won the World War.

Most local churches will have special Armistice Day observances Sunday.

The holiday marks closing of the war on November 11, 1918.

A fitting prelude to the Armistice Day observance will be a joint meeting of the American Legion buddies and Auxiliary members to night (Thursday) at the National Guard armory. Out-of-town Legion visitors and speakers will be featured. The biggest turnout of the year is expected by J. E. Shipp, commander, and Hal A. Lattimore, adjutant. There will be plenty of eats, and plenty of music and other entertainment, say the officers.

## Donations Being Made to Rogers Memorial Fund

Scurry County is doing her bit in the nation wide campaign for collection of funds with which to create a continuing, permanent memorial to Will Rogers, who would have been 56 years of age had he lived until last Monday.

Small donations are being made by students and faculty members in a box in the local high school, following a lecture Monday on Will Rogers by Superintendent C. Wedgeworth, and home-room programs on the beloved American.

Snyder National Bank is the county depository. Contributors may leave their checks there.

The Will Rogers Memorial Commission is composed of about 50 distinguished Americans, headed by John Nance Garner, vice president of the United States. Jesse H. Jones, another Texan, is national treasurer. Amos G. Carrier of Fort Worth is Texas chairman.

The memorial period, which extends from November 4 to November 27, inclusive, was heralded by coast-to-coast newspaper publicity and a Saturday night radio program that included a number of famous singers, movie stars, and other persons.

## NO MARKET ON TURKEYS YET

Local produce dealers are expecting to begin buying for the Thanksgiving market within the next day or two.

The county's turkey crop is not quite as large as usual, but the birds are much larger, fatter and saleable. A price at least 50 per cent higher than last year's is expected by most dealers.

Six local concerns will buy turkeys, and the Snyder Produce Company announces that its dressing plant will again be in operation.

## Gin Total Nearing 7,000 Bales Today

Despite several varieties of weather since the Times cotton report last week, turnouts of the 14 county gins brought the season's total to almost 7,000 bales this morning.

This morning the total for the Snyder gins was almost 4,000 bales—which was just about the county total Wednesday evening of last week. Cotton observers believe—and reports from a few out-of-town gins indicate—that other ginnings of the county are at least 3,000 bales.

The average guess has it that about one-third of the county crop has been ginned.

## Here Are Bargain Days Prices That Will Appeal to All

Here are answers to practically all the questions you will be asking about Times annual Bargain Days:

Have many folks been taking advantage of the special rates? You bet!

Have Times prices been raised? Nope; same old prices—\$1 in Scurry and adjoining counties, \$1.50 elsewhere.

What about combination rates? Low, money-saving prices, as usual. Times with Abilene Morning News, \$5.15; with Star-Telegram, daily and Sunday, \$7.25; with Star-Telegram, no Sunday, \$6.25; with Semi-Weekly or Pathfinder, \$1.75.

Will these low prices continue indefinitely? Wrong again. The present rates will be in effect only a short time.

When should I subscribe? Now; new readers need the news; old ones need to keep their subscription paid in advance so that they won't miss a single copy.

## M. E. PASTORS LEAVE SUNDAY

Sunday marks the final week of the year for pastors of Methodist churches in the Northwest Texas conference. Some Scurry County pastors will preach for the last time in the county this coming Sunday. Others may return to their charges after conference.

The Scurry County delegation to annual conference, which convenes in Plainview from Wednesday until Sunday of next week, will be headed by D. P. Yoder, lay leader for Sweetwater district, and Rev. H. C. Gordon, pastor of the local church. Several others from the county are expected to attend the conference. Bishop H. A. Boaz of Fort Worth will be the presiding officer for the five-day meeting in Plainview.

## Exemptions Are Being Issued by County Collector

If the county assessor-collector records continue in the same proportion that they have done since October 1, 1935, elections will be almost a parade of citizens over 60 years of age.

Out of exactly 50 voting credentials issued since tax paying began, 23 were in the form of exemption certificates to persons beyond the age limit for poll tax paying, and only 27 were in the form of poll taxes. No 21-year-olds had asked for exemption certificates.

A state law effective October 1 says that every person exempt from payment of a poll tax on account of age shall "obtain from the assessor and collector of taxes for the county of his or her residence a certificate of exemption from the payment of a poll tax, and no such person who has failed or refused to obtain such certificate of exemption from the payment of a poll tax shall be allowed to vote."

Persons exempt from poll tax payment because of age are in two classes, as follows:

"A person who is not 60 years of age on January 1 of the year for which the poll tax is levied, is subject to poll tax, unless otherwise exempt." For example a person who was not 60 years of age on January 1, 1935, cannot vote in July, 1935, without having paid his poll tax for 1935. In other words, in order for such person to vote in July, 1935, without having paid his poll tax, he must have been sixty on January 1, 1935.

"A person becoming of age after January 1 of the year for which the poll tax is levied may vote without a poll tax." For example a person becoming 21 after January 1, 1935, may vote in an election in July, 1935, without having paid a poll tax.

## Hospital Admits 57 Patients Since Its September Opening

Fifty-seven patients have been admitted to Snyder General Hospital since the opening date, office records revealed late Wednesday. The hospital has been open only 43 days.

Among patients entering the hospital recently is Ethyl Little, Snyder, for medical treatment; Mrs. D. P. Yoder, Snyder, was admitted for surgery, and her condition is pronounced satisfactory.

Patients discharged since last week include: Mrs. R. B. Pierce, Snyder, surgical patient, and the following medical patients: H. J. Jones, Gall; Fay Etheredge, Rotan; and J. A. Wilson, Snyder.

Mrs. J. H. Rodgers and her infant son were taken to their home near Dunn in an Odum funeral home ambulance yesterday afternoon.

## GYMNASIUM AT LOCAL SCHOOL BEGUN FRIDAY

Forty Men, Working in Two Shifts, Completing Foundation for 92x110 Structure.

Damp weather failed to chill the spirits of students, faculty members and townspeople who gathered on the south side of the school grounds Friday morning to witness formal beginning of Scurry County's first WPA project—a \$20,000 physical education building for the local school system.

After a brief dedication ceremony, 25 men began moving dirt, digging ditches and hauling materials. Now, five days after the work started, 40 men, working in two shifts, have been employed. J. A. Farmer is superintendent of the job.

Short Program Given. John E. Sentell made the principal address Friday morning. Mayor H. G. Towle and President H. L. Davis of the school board also spoke briefly. Superintendent C. Wedgeworth presided. The Tiger Band played several numbers.

Observers consider beginning of the project one of the brightest features in the caps of the superintendent, members of the school board and others who assisted in carrying the project through local, district, state and federal agencies. The federal fund of \$17,000 is one of the largest proportionate amounts that has been paid on a West Texas WPA project.

The building will be erected just west of the tennis courts, and will top off the side of the west court. It will be 92 by 110 feet. Outwardly, it will present a native rock wall. A six-foot sidewalk will lead to the main building.

Will Have Varied Uses. The project will be far more than a gymnasium. The three-way basket ball court may also be used for social gatherings and for other sports. Built-in bleachers to accommodate several hundred people will be afforded. Two dressing rooms will be provided for the convenience of players.

An outstanding feature will be the band room, where the musicians may practice without disturbing classes. This room and another large room in the building will be used for physical education work, now provided for all students.

School officials expect the building to be completed and ready for use early in 1936.

## National Education Week Observance Is Planned for S. H. S.

Education week will be observed in the Snyder schools and in other schools throughout the United States from November 11 to November 15, according to C. Wedgeworth, local superintendent of schools.

The theme for the week will be "Schools for Democracy." In accordance with plans being used by schools all over the nation, a different aspect of this theme will be emphasized each day. Among daily subjects to be brought out in chapel programs are: "The Citizen and the School," "The Nation and the School," and "The State and the School."

School patrons are particularly urged to attend the chapel program to be given next Thursday at 10:30 a. m. in celebration of Education Week. Thursday is "Visitation Day" for the school.

## Bob Miller Curnutte Arrives This Week

Bob Miller, who weighs eight and one-fourth pounds, arrived at the home of Mr. and Mrs. Robert Curnutte in Southwest Snyder early Tuesday morning. The elder Bob, who sells Sinclair products on a wholesale basis, says the newcomer is already chief salesman, book-keeper and collector, and will probably hold his position from here on out.

The little fellow was enjoying increasingly fine health this morning, thank you.

## New Maytag Dealer Unloading Washers

Re-establishment in Snyder of a Maytag washing machine dealership was announced this week by Frank Spaulding, Big Spring, who says J. G. Sumpson will be local representative. The concern is known as the Maytag Snyder Company, and is located in the building with Roche and Gilmore, just south of the Palace Theatre.

Spaulding said he will unload a half carload of Maytags at Snyder and Big Spring within a few days.

## 1935 Red Cross Poster Invites Your Membership

## ROLL CALL TO BEGIN IN AREA NOVEMBER 13

Chairman Says Practically All the Workers Lined Up for Hurdled Red Cross Drive.

Wednesday of next week, November 13, has been set as opening date for the Red Cross Roll Call in Scurry County. Roll Call Chairman Herman Darby said yesterday.

Practically all workers are lined up for a whirlwind campaign that is expected to be completed in most territories before the week is out, Darby said.

Mrs. C. W. Harless is organizing the residential area into 12 zones, with a women's study club assigned to work each zone.

Chairmen in towns outside of Snyder as well as rural communities are urged by the general chairman to complete their house-to-house canvass Wednesday or Thursday if possible.

Darby is confident that the county's goal of 500 will be reached within a few days.

Marcel Josephson, who is directing the Roll Call in the Snyder business area, announces the following workers and districts:

North side of square—Lee Stinson, Dr. J. G. Hicks.

Avenue S and Avenue R, north from square—N. W. Autry, Clyde Boren.

East side of square—J. E. Shipp, Henry Wilhelm.

Twenty-fifth and 26th Streets, east from square—H. H. Eliand, Jesse Jones.

South side of square—Melvin Blackard, Warren Dodson.

Avenue S and Avenue R, south from square—Earl Fisher, West side of square—A. E. Wiese, E. E. Weathersbee.

Twenty-fifth and 26th Streets, west from square—J. P. Strayhorn, Willard Jones.

## WORK ON PAIR OF ROAD JOBS STARTS TODAY

Crew of Men Reconstructing Farm To Market Stretches Southwest Toward Ira, Canyon.

Work on a pair of Scurry County road jobs, designed to give employment to at least 100 men soon, was begun this morning.

On a county-sponsored WPA project southwest from Snyder into the Canyon and Ira communities, a few men turned first dirt early today, with Ross Bishop as the county man in charge.

Fence is being moved and caliche pits are being surveyed for a strip of the Glenmont road running six miles north from the Santa Fe passenger station. This project, which is also made possible largely by way of federal funds, is under supervision of the state highway department. It involves no county expense except for moving of fences to allow an 80-foot instead of the present 60-foot right-of-way.

Government grant for the work southwest from Snyder is \$15,422, and the county's part is \$5,438, a total of \$20,860. The county's part includes machinery rental and supplies involving no immediate cash outlay.

This job calls for reconstruction of the road that leads toward Ira, by way of the Ed Darby home. A feeder into Highway No. 15 will begin at the filling station five miles southwest of Snyder and go to the Union churches. The reconstructed road will lead to Ira, with a short feeder leading to the Canyon school.

## Odoms Go to Clinic At Abilene Tuesday

Mr. and Mrs. R. H. Odum were in Abilene Tuesday for opening sessions of a two-day merchandising clinic at the Wooten Hotel.

The district meeting was attended by a number of funeral directors from all parts of West Texas. The program featured a lecture by Joe Parks Jr. on "The Progress of Casket Designing," and another by Ernest E. H. Nelson, principal speaker for the two days, on "Merchandising as It Applies to the Funeral Industry."

Mrs. Woodie Scarborough of Every Woman's Beauty Shop will be in Abilene this evening for a West Texas mass meeting of accredited beauty culturists. The combined social and business gathering will be held at the Hilton Hotel.

## Plowboys and Tigers To Meet Friday at 2

### Snyder Rises to New Heights as Roby Is Whipped

Rising to its highest peak of the season, Snyder's football team plastered Roby's 1934 district champions with a 15-0 whitewash on Tiger Field last Friday afternoon. The decisive win gave the locals a 500 batting average in conference play, and marked the second game in which they have scored.

Bo Moffett, fullback, led his mates with startling plunges through center and guard. He ripped through the line for six yards early in the first quarter after he had been the principal cog in a 40-yard drive, beginning when Roby fumbled on the first play after opening kickoff.

Snyder added two more points when she swarmed over a Lion back who fumbled as he attempted to punt behind his own goal line. Moffett made a second touchdown in the third period when he found a hole that had been sliced by a surging forward wall, and lunged through that hole for a 62-yard sprint.

A fourth quarter drive by Snyder advanced the ball inside the Roby one-yard line, but a fumble saved the Lions deep in their own territory.

The entire local squad looked its best in the Roby win. It did not allow Roby past the 30-yard strip, and outpointed the visitors in first downs, 11 to 5.

Little Sandra Jean Bowden led the local band and pep squad in a flashy between-halves promenade. Roby's pep squad was active on the sidelines.

The Snyder line-up: Mitchell, left end; Clark, left tackle; Watkins and Jones, left guard; Gibson and Autry, center; Webb and Fowler, right guard; Tate, right tackle; Morrow, right end; Strayhorn and Smith, quarterback; Head and Morgan, left halfback; Winters, right halfback; Moffett, fullback.

## Transient Auto Dealers to Pay Occupation Tax

An ordinance passed several days ago by the City Council in called session states that any itinerant automobile dealer must pay an occupation tax of \$300 for the first six months and a tax of \$100 for the second six months he operates in Snyder. If he remains in business continuously for one year, the tax is refunded.

The ordinance is aimed at second-hand car dealers who visit Snyder for only a few weeks, during the harvest season, and then leave town without paying a tax of any kind.

In regular session Monday of this week, the council made it a \$5 fine for anyone to turn on a city fire-plug, and declared that a \$1 fee must be paid if a city employee is secured to turn on a plug for any special use.

It was decided that all light standards will be put back in all-night service for a three-month period. Only about one-half the standards had been used for several months.

City license was remitted to the Snyder volunteer fire department and the American Legion for the Harley Sadler tent show, which is to be held beginning November 15, to be held beginning November 15.

October reports revealed that one building permit was issued—for \$400 to Sleep-Easy Mattress Factory for a new business house. Fines were \$40.10; water and sewer collections, \$1,527.28; tax collections, \$559.01.

## Lee Francis Operated.

Lee Francis York, graduate of Snyder High School and Texas Tech, was carried from the West Texas Sanitarium at Lubbock to his Borden County ranch home by the Maples Funeral Home ambulance late last Wednesday. He is reported to be fast recovering from an operation for appendicitis.

## ELECTED

Meeting in called session Monday night, the Dunn school board named Cleo Tarter as superintendent to succeed the late Guy Stark Jr. Tarter was serving his fourth year as principal of the Scurry County high school.

## MANY ATTEND CHICKEN GREEN MURDER TRIAL

Daughter Says Deceased Knocked Her Down Several Times Before He Was Shot.

Dozens of Snyder and Scurry County people are in Colorado this week for the murder trial of C. W. (Chicken) Green, charged with the fatal shooting of Erwin Woellert at Green's dance hall in Southeast Snyder on the night of May 30. The trial is being held in Colorado on a change of venue.

Mrs. John Etheredge, daughter of Green, testified for the defense late Wednesday that her father shot Woellert immediately after Woellert had knocked her down two or three times.

Mrs. Etheredge was one of 22 defense witnesses heard before court recessed Wednesday. The state had rested its direct testimony earlier in the day.

Continuance Denied. Motion by the defense for continuance on account of the absence of two witnesses was overruled on Monday by District Judge A. S. Mauzey of Sweetwater. The two witnesses were Albert Smith, local constable, who was claimed to be in Arizona, and Bill Pitts, who was claimed to be in California.

State witnesses presented Wednesday included Mary Arnett, Rob Robertson, Leonard Langford, Ruth Davis, Donnie Deavers, Coy Deavers, Dr. R. C. L. Robertson, Ed Rich, Nathan Weaver, Tom Spense, and others.

## Alford Brothers Badly Burned as Stove Explodes

E. P. and W. H. Alford, brothers, were badly burned Friday morning about 8:00 o'clock, when a gasoline stove exploded at the Midway service station, 15 miles east of Snyder.

The blazing stove ignited the small room, and fire quickly reached the station and the two attached rooms that served as living quarters for Mr. and Mrs. E. P. Alford and their two children.

The brothers received first aid treatment in Snyder, where they were carried by neighbors. E. P. Alford, who has operated the service station for several months, was more severely burned, his right arm and the right side of his face having deep wounds. His brother, who had been assisting him at the station for several days, lost practically all his hair, and was painfully burned about the face and arms.

The explosion occurred when one of the brothers pumped too much air into the gasoline tank, forcing a hole through it and sending the fuel toward the stove, where it was ignited.

Only a few bits of furniture were saved from the three rooms. The station will probably be rebuilt, according to E. P. Alford, who owned the building.

## Roscoe Expects Easy Pickings in Football Classic

Plowboys they're called, and plowboys they are. This season they have been plowing heartily every week, and they expect to just about finish harvesting their football crop Friday afternoon at 2:00 o'clock, when they meet the local Tigers on the Plowboy field.

Figures, which mean much or little in football, as you prefer to figure, reveal that the Plowboys are 47 points stronger than the Tigers. Here are the figures: Roscoe 42, Rotan 0; Snyder 0, Rotan 6; Roscoe 40, Colorado 0; Snyder 0, Colorado 6. Add 42 and 6; add 40 and 6. The difference is delightful to Roscoe fans.

Tigers Are Priming. Coach Red Hill and his Tigers are accepting none of these figures; at least not until Friday's game is over. They remember quite well that they crossed up the Plowboys last year, winning 13-7 from a highly favored Roscoe eleven. They remember the six-year record of the clubs, which gives Snyder four victories, Roscoe one, and a tie. They have a hunch that the 47-point dose margin cannot be completely overcome, but they are saying with vehemence that the score will not mount so high.

To make the game more colorful, Snyder will carry her entire band and pep squad, plus many of her fans and semi-fans. The Roscoe-Snyder affair is always the most important of the year, no matter the standings or strength of the two clubs.

Four Roscoe Horsemen. Roscoe features four backfield horsemen—Emerson, Gray, Jones and Pitts. Emerson and Jones were started last season. The Plowboys also have a rugged line—a line that was good enough to hold the Class A Sweetwater club earlier in the season while the snappy backfield was scoring enough points to win.

The local tribe will feature a backfield ace who came into his own last week for some hefty gains, set fullback who tore through Roby last week for some hefty gains, and who played a clean, heady defensive game.

The local coach reports that his boys are in good shape for the Friday battle. He will probably start the same line-up that saw service during most of the Roby mix-up. It looks like this:

Left End	Bobby Mitchell
Left Tackle	Otha Lee Clark
Left Guard	Marshall Gibson
Center	Chalmers Watkins
Right Guard	Finis Webb
Right Tackle	J. P. Tate
Right End	Charley Morrow
Quarterback	Weldon Strayhorn
Left Halfback	J. C. Morgan
Right Halfback	Tommy Winters
Fullback	Bo Moffett

## DUNN CHOOSES SCHOOL CHIEF

Promotion of Cleo Tarter from principalship to superintendency was announced by the Dunn school board after a called session Monday night. The new school leader succeeds the late Guy Stark Jr., who succumbed last week to a 12-day illness.

Tarter was principal of the two-teacher Hackberry school, now consolidated with Fluvanna, for two years, and was grade school principal at Fluvanna for two years. In 1932 he halted his teaching to complete work on his B. S. degree at Sul Ross State Teachers College. He was serving his fourth year as high school principal at Dunn.

## County Underpass Construction Near

The state highway department announced Friday that bids will be asked soon on the Santa Fe railroad underpass and approaches five miles northwest of Snyder.

Local citizens who have worked toward the project for a number of months indicated yesterday that actual construction should begin during November.

Building of the underpass will mean completion of an all-weather modern highway from Sweetwater to Lubbock. The Snyder-Hermleigh portion of the route was completed late in October, and the strip from Snyder to the underpass approach was finished early last month.

## "Sky High" Will Be Staged by Business Women

"Sky High," a musical comedy-drama in three acts, will be presented in the high school auditorium Thursday and Friday evenings, November 14 and 15. The production is being sponsored by the Business Women's Club of Snyder.

Fine choruses and good music blend with the intriguing plot to make "Sky High" a delightful entertainment. Into the building and the promotion of "Sky High," a new type of airplane, are combined

money, love and daring adventure. The play promises to be one of the high lights of the season's entertainment in Snyder.

Included in the excellent cast of characters, all of whom are local talent, will be Felix Jarratt, who plays the male lead as Walter Stephens, who is very much in love with Shirley Shields, played by Charlyne Kincaid. Follow their romance through this thrilling adventure drama, which centers

around "Sky High," the airplane designed by Walter Stephens.

Comedy is furnished by nearly all the characters—W. F. Cox, as Sam the colored porter; Wesley Norred as Mockshaw, the "Ned Sparks" type of detective; Mrs. R. E. Gray as Walter Stephens' mother, a strong Irish character, all furnished excellent comedy. Mrs. J. D. Scott, Mrs. Herman Doak, Fred Yoder, Clyde Young and others will be seen in the cast.

Choruses will be composed of school girls. The play will be entertaining for the children as well as older people.

Ticket sales for the play are in charge of Mrs. William A. DeBoil, and other members of the Business Women's Club are working with her. Admission prices are 25 cents for adults and 10 cents for children under 12 years of age.

The sponsors believe that a good crowd will see the play each night.

## Young-Stokes Nuptials Said at High Noon Friday in Pretty Home Setting

Miss Mildred Stokes, daughter of Mrs. R. M. Stokes, became the bride of Vernon G. Young in a pretty autumn service at high noon Friday in the home of the bride's sister, Mrs. Wade Winston.

Dr. B. W. Dodson of Abilene, teacher of Bible in McMurry College and a long time friend of the Stokes family, read an impressive ring ceremony for the couple before an improvised altar of ferns, ivy and autumn leaves.

Miss Florence Winston, niece of the bride, played a wedding march and also gave soft piano music during the ceremony. Her sister, Miss Dorothy Winston, was the bride's only attendant for the wedding. She wore a frock of red moire and carried a bouquet of large white chrysanthemums.

Mrs. Young wore a smart traveling suit of rust colored wool trimmed with brown squirrel and accessories to match. She carried an arm bouquet of lovely yellow chrysanthemums. With the exception of less than two years spent in Port Worth and several months in Hamilton, the bride has lived in Snyder all her life, and she has hosts of friends here. She received her education in Snyder and Port Worth schools and has been stenographer in the county agent's office for several months.

Mrs. Young attended the bridegroom as best man for the wedding. Mr. Young, the son of Mr. and Mrs. W. R. Young of Henderson, is a graduate of A. & M. College. He is assistant to the county agent and head of the AAA work in Scurry County.

The couple will be at home here on their return from a visit with Young's parents in Henderson and visits in other East Texas cities. They left immediately after the wedding, and are expected to return here today.

## Hallowe'en Party Makes Gala Affair.

The Hallowe'en party given for Mary Elizabeth and Jackie Jenkins last Wednesday evening proved very enjoyable for those who attended. Mr. and Mrs. Henry Wilhelm and Miss Frances Sears were hosts for the group at the Wilhelm home.

House decorations carried out the Hallowe'en motif and caps and whistles were given to guests as they entered. Games and contests furnished amusement for the group from 6:30 until 8:30 o'clock, when the group of children gathered around the dining table. The table centerpiece was a large black witch with party favors concealed in her skirts.

Sandwiches, cookies with orange icing and orange punch were passed from the dining table to the following: Doris Pay Early, Frances Arnett, Maxine Milner, Thelma Joye Anz, Gretchen Anz, Adna Laverne Saylor, Laverne Middleton, Joy and Jack McGlaun, Nelson Reed, Gene Boyd Louder, Charley Wayne Boren, John Jay Boren, Charles Blakey and the honorees.

Contest prizes went to Maxine Milner, Adna Laverne Saylor, Jack McGlaun and Gene Boyd Louder.

## Plans Are Made for Ticket Sales Drive.

Mrs. William A. DeBolt will be in charge of ticket sales for the three-act comedy-drama to be sponsored by the Business Women's Club at the high school auditorium soon. Plans were made for the sales at a meeting Tuesday evening.

Mmes. H. P. Rogers and E. M. Deakins were hostesses at the Tuesday evening meeting of the club at the Rogers home. Bridge and forty-two games were enjoyed during the course of the meeting, with Hattie Wade receiving high score prize in forty-two, and Allene Curry taking the bridge prize. Bonnie Moore retained the traveling prize.

Guests at the meeting were: Mrs. E. E. Wallace, Miss Dema Leach and Miss Virginia Griggs of Kansas City, Missouri, who is directing the play, "Sky High," for the club.

the bride, were hostesses to wedding guests following the service at a luncheon in the Winston home. Lunch was served to nearly 50.

Autumn shades of red, yellow and brown were emphasized in dining room decorations. The lace-covered table was centered with red dahlias in a large crystal bowl. Crystal candelabra holding tall lighted yellow tapers were at each end of the table.

Out-of-town people present at the wedding included the following: Dr. and Mrs. B. W. Dodson, Abilene; Miss Charline Ely of McMurry College, Abilene; Miss Jeanette Lollar, C. I. A., Denton; Miss Margaret Deakins, Ursuline Academy, Dallas; Mr. and Mrs. E. B. McLeRoy and Mr. and Mrs. Cline Morris, Gall.

## Duce Club Has Hallowe'en Party.

Misses Gwen Gray, Bonnie Miller, Johnnie Mathison and Vesta Green were hostesses to the Duce Bridge Club, their escorts and a few guests at a delightful Hallowe'en bridge party at the home of Miss Green last Thursday evening.

Bouquets of marigolds and other yellow flowers made attractive decorations for the entertaining rooms. A Hallowe'en theme was used in the table appointments, table covers and clever whistles, which were given as party favors.

Bridge prizes went to Miss Frances Chenault and Buster Stacy at the close of a series of bridge games.

Guests were: Mrs. Ruby Champion, Miss Frances Stinson, and Messrs. Woodie Hairston, Dock Kelley, Grover Scott, Jack Darby, Buster Stacy, M. M. Clark, Loy Logan, Hadley Reeve, L. A. Greenhaw, Billie Lee Jr., Brud Boren, Vernon Young and Elmo Crowder. The following club members attended the party: Jan Thompson, Mary Jane Beall, Mavis Webb, Allene Curry, Frances Boren, Mrs. Billie Lee Jr., Alta Bowers, Frances Chenault, Mildred Stokes and Rute Lee.

## Intermediates in Hallowe'en Party.

Misses Daurice Worley and Pauline Rogers were hostesses to the Intermediate B. T. U. of the First Baptist Church last week with a Hallowe'en party at the home of Mr. and Mrs. T. S. Worley.

The group entered into playing enjoyable games, and refreshments were passed to the following: Ruby Worley, Shelton Holmes, Wanda Davenport, Elsie Murphree, J. T. Perlick, W. T. Murphree, Fay and Ray Niedecken, Lennie Bell Tate, J. P. Tate, Louise LeMond, Melvis Willis, Dorothy Murphree, Jack Tate and the hostesses. Miss Yetta Mae Slaton, newly selected sponsor, was also present at the party.

Buster Curtis spent the week-end in Abilene.

## J. P. Nelsons Are Hosts at Bridge.

Mr. and Mrs. J. P. Nelson were host and hostess to the Thursday Night Bridge Club at their home last week. The Hallowe'en theme was closely followed in house decorations, appointments, and in the refreshments passed at the close of the evening's contract bridge games.

Prizes were awarded to Mrs. G. B. Clark Jr. and Melvin Blackard, members, and to Herman Darby, a guest.

Pumpkin pie topped with whipped cream and hot coffee were passed by the hostess to the following: Mr. and Mrs. Herman Darby and Miss Yetta Mae Slaton, guests, and Messrs. and Mmes. G. B. Clark Jr., Melvin Blackard, J. B. Hicks, Wayne Boren, A. R. Norred, Forest Sears, Waymond Sims and Wayne Williams, club members.

## Advertising Studied At Society Meeting.

Superintendent C. Wedgeworth was a special guest at a recent meeting of the Snyder chapter of the National Honor Society, at which time the high school group made a special study of advertising.

A spirited debate followed roll call. The question was, "Resolved: That advertising is harmful and that it should be prohibited or censored." Affirmative speakers were Virginia Yoder and Elizabeth Gordon, and Florentz Winston and Royal Connell took the negative. At the conclusion of the debate, Superintendent Wedgeworth was asked by Miss Mattie Ross Cunningham, honor society sponsor, to speak to the group. He offered criticism and suggestions for improvement in debating, as well as commendation for the work being done by the honor society.

Oscar Mullins and family of Stanton are guests of the H. Y. Mullins family, Canyon community.

## Matrix Circle Meets In McGlaun's Home.

The Matrix Circle met Friday afternoon in the home of Mrs. Alfred McGlaun. The program on child culture and labor was led by Mrs. Lyman Wade.

Those taking part on program were: Mmes. Wade, A. A. Bailey and J. V. Jones. Others present were Mmes. Herman Dook, L. D. Wade, J. E. Sentell, J. D. Scott and the hostess.

## Twentieth Century Organize Juniors.

A new junior study club was organized by the extension committee of the Twentieth Century Club recently. Mmes. R. W. Cunningham and W. J. Ely compose the committee, and Mrs. Ely was selected to sponsor the group.

Temporary officers of the club are as follows: Ernestine Morton, president; Johnnie Greene, secretary-treasurer; and Wilma Terry, reporter. Committees to work on constitution and by-laws and year-books were selected at the last meeting. Organization will be completed at an early date, according to the sponsor.

Members of the new club are as follows: Mary Helen Bolin, Louise LeMond, Ruth Line, Mary Curnette, Irene Taylor, Ernestine Morton, Joanna Strayhorn, Johnnie Greene, Wilma Terry and Dorothy Pinkerton.

## Party for William Leftwich.

William Leftwich was host to 20 boys Hallowe'en night with a party at the home of his parents, Mr. and Mrs. J. W. Leftwich. At the close of the evening's entertainment, refreshments of candy, cake, popcorn, poppy pop and fruit were served.

Mr. and Mrs. J. O. Littlepage and children and Mr. and Mrs. W. J. Turner were week-end guests of Mr. and Mrs. Talmadge Turner in Wink. They returned home Sunday.

## Presbyterian Young People Enjoy Party.

Thursday evening the young people's Christian Endeavor Society of the First Presbyterian Church had a Hallowe'en party in the basement of the church. The social room was beautifully decorated in Hallowe'en colors and ornaments.

After games and contests refreshments of pumpkin pie topped with cream, coffee and apples were served to the following members and guests: Misses Vivian Chenault, Mary Bess Abercrombie, Valdean Keller, Edith Grantham, Almarena Heard, Lucille Greene, Irene Wolcott, Frances Boren and Frances Chenault and Pat Johnson, Delbert Johnson, Mr. and Mrs. L. R. Bailey and Mr. and Mrs. Alfred M. Dorsett.

Mr. and Mrs. A. J. Herrington of Dilly spent Sunday with her sister, Mrs. W. R. Roe, and family.

Mrs. J. G. Hicks spent last week visiting friends and relatives in Port Worth.

Miss Doris Warren of Borden County is in Lubbock this week as a guest of Mr. and Mrs. Earl Cary.

### Music Lovers of Snyder to Musicales.

More than 150 music lovers from Colorado, Snyder and Sweetwater gathered on the roof of the Blue Bonnet Hotel, Sweetwater, Sunday for an afternoon musicale sponsored by the Music Study Club of Sweetwater.

A group of artists from the fine arts department of Hardin-Simmons University, Abilene, were presented at 3:00 o'clock.

The concert program was presented by: E. Edwin Young, pianist; Herbert M. Preston, violinist, accompanied by Thurman Morrison; Lola Gibson Deaton, soprano, accompanied by Ruth Scheibe.

In commemoration of the fiftieth anniversary of the death of Liszt, the composer, the artists played two of his compositions. Snyder music lovers who attended the musicale were the following: Mmes. E. E. Spears, A. C. Preuit, W. W. Hamilton, John E. Sentell, Melvin Blackard, Alfred McGlaun and Homer Snyder, Miss Virginia Preuit, Glynn Curry and Kenneth Snyder.

Mmes. P. C. Chenault and D. P. Strayhorn took part on the program, following roll call, which was "A Historical Building."

Pineapple salad and tea were served to the following: Mrs. J. W. Templeton, a guest, and Mmes. A. C. Alexander, J. P. Avary, F. M. Brownfield, R. W. Cunningham, P. C. Chenault, H. L. Davis, Mabel Y. German, T. Egerton, E. J. Huckle, W. A. Morton, E. J. Richardson, D. P. Strayhorn and H. L. Wren.

### E.M. Sisterhood Has Hallowe'en Program.

Members of the E.M. Sisterhood, high school girls' club, enjoyed a Hallowe'en program at its regular meeting last Wednesday. Mrs. Effie McLeod sponsors the group.

An essay entitled "What Makes You Think So" was read by Geneva Allen; "A Mirror for Witches," a Hallowe'en story, was told by Dollie Clements; La Ruth Johnson told of a group of common superstitions; a round table discussion on superstitions followed; and to conclude the enjoyable period, the group solved a Hallowe'en crossword puzzle.

### "Fiction" Studied By Ingleside Club.

Members of the Ingleside Study Club met at the home of Mrs. R. J. Randals Tuesday afternoon for a study of "Fiction," directed by Mrs. Clyde Boren.

Mrs. R. S. Sullivan reviewed Josephine Johnson's "Now in November"; Mrs. Randals discussed "Pulitzer Prize Winners"; and Mrs. C. W. Harless gave a paper on "Prizes for Literary Achievement."

A salad plate was passed to Mrs. Albert Smith, a guest, and to the following members: Mmes. Clyde Boren, Tom Boren, W. F. Cox, J. C. Gay, C. W. Harless, Earl Louder, W. W. McCarty, Noe B. Sisk, W. W. Smith, R. S. Sullivan, H. L. Vann, A. E. Wiese, Leonard West, J. M. Newton, King Sides and Fred P. Rattan.

### Party Celebrates Eleventh Birthday.

Julia Mae McDonnell entertained a few of her friends at her home, 1201 Twenty-sixth Street, last Wednesday afternoon, celebrating her eleventh birthday. The house was decorated with orange and black in keeping with the Hallowe'en season.

Music was enjoyed during the afternoon, and games furnished diversion for the guests. Pumpkin pie and cake were passed by the hostess and her mother, Mrs. T. J. McDonnell, at the tea hour.

Julia Mae received many lovely gifts, and each guest present received a basket of candy and a Hallowe'en whistles as party favors.

### Crusaders S. S. Class Hast Party.

Mrs. W. D. Fowler and her young son were dismissed from the Emergency Hospital last Thursday. They are at their home here.

Mrs. Joe York, who has been in the Emergency Hospital for medical treatment for several weeks, is doing nicely.

### Edith Grantham Is Art Guild Hostess.

Miss Edith Grantham was hostess to the Art Guild at her home Tuesday evening.

Mrs. O'Dell Ryan had charge of the program for the evening, which included reports on Texas artists by Velma Sharp and Mrs. J. D. Mitchell. Mrs. Ryan gave a Texas poem.

Following the program, a salad course was passed to Misses Alta Bowers, Effie McLeod, Velma Sharp, Bonnie Gary, Violet Bradbury, Rayoline Smith, Katherine Northcutt and Mmes. Billie Lee Jr., O'Dell Ryan, Herman Doak, Porter King and J. D. Mitchell.

The next meeting will consist of the annual Thanksgiving covered dish luncheon at the home of Mrs. Billie Lee Jr. November 19.

### Recent Bride Honored.

A bridal shower was given recently honoring Mrs. L. C. Langford, who was formerly Miss Billie Morris, at the home of her mother. Hostesses were Misses Ola Thompson and Lorene Dever. An array of lovely gifts was presented to the honoree, and refreshments were passed to 14 guests.

Mrs. F. T. Jarratt, her daughter, Frances, and her son, David, moved to Lubbock Saturday. Curtis Jarratt, another son, who is attending Texas Tech in Lubbock, spent the week-end here. Felix and Genevieve Jarratt will remain in Snyder.

### Former Snyder Girl Is Married.

Marriage of Miss Fern Wright, daughter of Rev. and Mrs. Cal C. Wright of Colorado, formerly of Snyder, to Lowell Schmidt of Colorado took place at high noon in the First Methodist Church there immediately following morning church services Sunday.

Rev. Wright, pastor of the church, read the ceremony before a large crowd of friends.

Miss Wright is a graduate of Abilene High School and has attended McMurry College, Abilene. She was in training at St. Anthony's Hospital in Amarillo for several months.

Mr. and Mrs. Schmidt will be at home, following a short wedding trip, at Barcroft Hotel in Colorado. Mr. Schmidt is employed by the Col-Tex refinery there.

### Experiments Are Program for Club.

Various experiments furnished the program at the meeting last week for the high school Science Club. W. F. Cox, science teacher in the local high school, is sponsor of the group, and was present at the club meeting.

Science students, who appeared on the program, were Jim Barrett, Lyle Alexander, Hoyt Smith and George Moore.

### Nervous, Weak Woman Soon All Right

"I had regular shaking spells from nervousness," writes Mrs. Cora Sanders of Paragould, Ark. "I was all run-down and cramped at my time until I would have to go to bed. After my first bottle of Cardui, I was better. I kept taking Cardui and soon I was all right. The shaking quit and I did not cramp. I felt worlds better. I gave Cardui to my daughter who was in about the same condition and she was soon all right." Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

THE WEEKLY DOZEN

Weekly Rooseveltism. President Roosevelt: "We are coming back more solidly than ever before because we have planned it that way. And don't let anyone tell you differently."

Thanksgiving Dinner Price Rising. While turkeys are commonly considered a luxury, the prevailing shortage and high prices of meats generally should be effective in strengthening the demand for turkeys and those farmers who have turkeys should realize a better price this coming holiday season.—Floyd County Hesperian.

The Three H's of Life. Ralph Handel of Panhandle, district governor of Lions International, paused at the local Lions Club last week to consider the three major quests of life—health, happiness and heaven. Judging from the activities of Halloween pranksters, he might have included hulla-balloo as far as the younger generation is concerned.

American Cotton Grower: "Last year dust storms were sweeping West Texas. Wise men were predicting that the drought and the subsequent dust storms were the beginning of a great American Sahara. But Texans believed differently, and this year their faith has been justified. West Texas is harvesting bountiful crops."

Speaking of Circuses. Speaking of circuses, and the frequency with which they have been visiting Snyder... we submit the week's most apt bit of jokery: Nanny Goat—"Father seems to be sick. I thought he had a cast-iron stomach." Billy—"So he had, originally. But a short time ago he ate a lot of triple-jointed adjectives off a circus poster and they were too much for him."

Answering Our Suggestion. Answering our suggestion in last week's paper that readers help the publishers improve The Times by revealing what they like and what they do not like, one subscriber says a public forum column would be of much benefit. We agree. No letter of non-religious trend has been or will be turned down unless it passes the bounds of propriety. Every reader is invited to express his opinion about anything he happens to have on his chest.

The Literary Digest Poll. A number of ballots are being received this week by Scurry County folks from the Literary Digest, which is conducting a nation-wide poll on New Deal policies. The ballot asks a yes or no answer to the question: "Do you NOW approve the acts and policies of the Roosevelt 'New Deal' to date?" The Times gives its answer as an overwhelming "yes," although a few of the President's acts and policies have not been acceptable to this newspaper.

Practically All Phases. Practically all phases of business activity have registered further progress toward recovery during the past month and there are good grounds for expecting that the present trend will continue, at least during the remainder of the year and the early months of the new year. It is pointed out by Dr. A. E. Beuchel, assistant director of the University of Texas Bureau of Business Research. More Republican campaign fodder burned before campaign time!

College Stars From Scurry County. Have you ever noticed that most college students who leave Scurry County break into the headlines of their schools? Call a mental roll call of the students you know, and you will probably find them standing a few notches above the average students. Which reminds The Times... if you know of a college student from any part of the county who has starred in any field of college or university endeavor this year, why not drop a line to the Home County Paper?

Tax Discounts. The Dallas News, in commenting on the decision of the Supreme Court which held invalid discounts for early payment of taxes, says: The simple law is the best, especially in the matter of taxes, which touch the lives of so many people. We should have one tax rate and one valuation and one date for all alike, with one schedule of penalties. There should be no bargain counters in the tax collector's office for either those who pay early or those who pay late.—Coleman Democrat-Voice.

Making Your Mouth Water. It's not quite fair to our readers, this far ahead of Thanksgiving, to make their mouths water so freely, but this suggested Thanksgiving dinner menu, gleaned from an exchange, is too good to keep: Celery and green onions, cucumber and chow-chow pickles, roast turkey stuffed with dressing, giblet gravy, creamed Irish potatoes, candied sweet potatoes, grape jelly, English peas and carrots, creamed cauliflower, asparagus loaf, corn on the cob, tomato and lettuce salad with cottage cheese, corn sticks, buttered hot rolls, fig preserves, apple sauce cake, and canned peaches, individual pumpkin pies and whipped cream, salted peanuts and pecans, coffee.

Is It Safe to Stay at Home?

Home is generally thought to be a place of safety and security. But figures gathered by the Red Cross prove that almost as many fatal accidents occurred in the home during 1934 as on the highways and streets from motor vehicle accidents.

Such startling figures add emphasis to the Red Cross home and farm accident prevention program that is being waged in Scurry County and throughout the country. It is a program made up of the little careful things that save life and limb and happiness.

"During the World War," says a Red Cross bulletin on accident prevention, "50,510 American soldiers were either killed outright or fatally wounded. . . . During 1934, there were 101,000 persons in the United States who met death through accident. Think of it: Twice the number killed during this country's participation in the War! Apparently hazards in the home are more dangerous than high explosive shells, carelessness on the highway more deadly than machine-gun fire.

"Here is more food for thought. In 1934 accidents permanently crippled 370,000 and temporarily disabled 9,821,000 in the United States. To phrase the price of carelessness for the practical mind—accidents in that year cost \$3,500,000,000. Not so much less than the \$4,800,000,000 appropriation for the work relief fund."

EDITORIAL OF THE WEEK

SIMPLIFICATION.

Fifty members of the Texas House are reported to have signed a bill to abolish the State Department of Agriculture and vest its functions in the extension services of Texas A. & M. College. The transfer would be made January 1, 1937.

Governor Allred is reported to have indicated he would submit the subject if enough persons signed. The extension service has become increasingly important, is contacting the public in devious ways but principally through the county and home demonstration agents.

Doubtless no change will be made, because the agriculture department is performing a service, too, that many farmers like. But the move at Austin may reveal some symptoms of sanity in the conduct of government. Whereas the people are to blame for centralizing governmental services and loading down the public payroll, there is now indication that somebody may be interested in unloading, in doing without some of the services we have come to expect of the government.

Ultimately the only way to reduce taxation is simplify the central government and that will mean the junking of some things that many benefiting therefrom have been led to believe were essential.—San Angelo Standard.

CURRENT COMMENT

By Leon Guinn.

November is noted as the month of the year when autumn is so painfully sweet and beautiful in Texas. . . . Youth is praised as the most joyful time of life, yet autumn beauty is often the most touching, Texans sprinkled with silver going down time's trellised lane with gold in their hearts! . . . It is when philosophers mistake life's twilight and evening bell for its end that we appreciate the dads and mothers who have made Texas great, the pioneers etching a vast agrarian domain out of unfenced plains and hills. . . . Beloved people in most professions are those valiant souls touched with autumn beauty, kindly in advice, seasoned with wisdom, mellowed by the light of many moons. . . . Youth, lacking a stable philosophy of its own, turns to the autumn beauty of the older generation. . . . West Texas, now effused with November loveliness of nature and humanity, knows the next generation, inspired by its pioneers, will realize the vision of a greater West Texas.

With the announcement, the federal government will get out of relief business by December 1, by transferring 3,500,000 employables to WPA projects, business finds cause for glee. . . . To states already facing tax deficits, this announcement creates an acute problem, yet properly defined relief is not federally designated as a government function. . . . Recalled is President Roosevelt's statement of last May, "the federal government must, and will quit this business of relief." . . . "The rich, sedate State-post delights in criticism of Roosevelt policies, yet in feature articles by Gareth Garret and others, it takes 8,000 words to present arguments, figures, that might be good elsewhere for 200 words of terse reading. . . . But with WPA and private employment the sting of adversity will be lightened.

"Your son is a college graduate, isn't he," the stranger asked. "Yes," confessed the honest farmer. "But in justice to the college I'll have to admit that he didn't have no sense beforehand."

Special Agitator: "Isn't it a shame the way they work their help in this store? Fifteen hours a day and wages almost nothing, since the codes were de-ciated off."

Companion: "Why do you trade here?" Agitator: "Oh, they sell things so much cheaper."

Red Cross Wars on Carelessness In Home or While at Work on Farm

Left—Farm implements, carelessly placed, cripple thousands each year. Upper Right—Pressing irons left on cloth or paper are a dangerous fire hazard. Lower—Incorrect handling of a knife may mean serious injury.

THE American Red Cross is throwing the weight of its entire organization behind a continuing campaign to combat the negligence and lack of knowledge in the home and on the farm which last year claimed nearly 40,000 lives and injured millions.

According to safety experts most accidents can be prevented. Every Red Cross Chapter and Branch will play a part in this large-scale humanitarian operation, and have mobilized to meet the challenge flung by negligence, according to Admiral Cary T. Grayson, Red Cross chairman.

Through an intensive educational program, the Red Cross will seek to explode the fallacy that the home is safe. Common and uncommon hazards will be pointed out; individual families will be shown how these hazards may be eliminated and instruction will be given in the avoidance of unsafe habits and practices apt to cause accidents.

Preparations have been made to inspect more than 30,000,000 homes, the inspection to be conducted by home dwellers themselves. Through the cooperation of educational groups, the school child will take a specially prepared inspection form

into the home and survey it for hazards with the help of parent or relative.

Accidents in the homes of America kill more than 80 persons an hour each day, and run up a medical, nursing and insurance bill exceeding \$1,000 per minute. Farm work accidents last year took more than 4,000 lives and maimed many permanently.

Accident prevention is a natural outgrowth of Red Cross instruction in first aid, a service initiated 25 years ago and responsible annually for saving many lives and preventing minor accidents from having major consequences.

Presbyterian Church

"The Sin of War" will be the theme for morning worship Sunday at 11:00 a. m. The worship service will be in charge of the Christian Endeavor with Miss Frances Chenault, president of the society, as leader.

Sunday school will meet in all departments at 9:45 a. m. The junior church, under direction of Mrs. Mary B. Shell, will meet at the same time as the morning worship service. All boys and girls of junior age are welcome to attend this service.

Christian Endeavor will meet at 6:30 p. m. to discuss the theme, "Does Following Jesus Make Any Difference?" The intermediates will meet at the same hour. There will be no evening service in the absence of the pastor.—Alfred M. Dorsett, pastor.

Fluvanna Presbyterian.

Theme for morning worship service Sunday will be "An Unknown Soldier Speaks." The service will be at 11:00 a. m.

Theme for evening worship service at 7:30 o'clock will be "The Wisest Investment of All." Sunday school will meet in all departments at 9:45 o'clock, under leadership of John Stavely, superintendent.—Alfred M. Dorsett, pastor.

Church of the Nazarene

Sunday school, 3:00 p. m.; preaching, 3:45 and 7:30 p. m.

We had some new faces last Sunday and surely were glad to have them. We want to urge that all who want to study God's word to meet us at the tabernacle next Sunday afternoon and hear a message brought from the Bible. If you know of some boy or girl who does not go to church, you come and bring them.

This is my week-end at Pleasant Hill tabernacle. We will preach there Saturday night, and invite all who can be present. We will also preach there at 11:00 a. m. Sunday.—J. Ollie Hux, pastor.

For Bad Feeling Due to Constipation

Get rid of constipation by taking Black-Draught as soon as you notice that bowel activity has slowed up or you begin to feel sluggish. Thousands prefer Black-Draught for the refreshing relief it has brought them. . . . Mrs. Ray Mullins, of Late, Ark., writes: "My husband and I both take Fleetford's Black-Draught and find it splendid for constipation, biliousness, and the disagreeable,aching, tired feeling that comes from this condition." With reference to Syrup of Black-Draught, which this mother gives her children, she says: "They like the taste and it gave such good results."

BLACK-DRAUGHT

Methodist Church

We are about to close the conference year. Next Sunday is our last Sunday. As we look back over the year our hearts are filled with gratitude. The Scurry County Times has been most generous to carry our announcements and news items. We are grateful indeed for this valuable help.

There have been many courtesies shown us by the public. We are most thankful for every kindness. Our love for Snyder and Scurry County has become very pronounced.

Above all we are under obligation to the Methodist congregation. Their loyalty and devotion to the cause of Christ has been such that it has indeed been a pleasure and a blessing to work with and for them. In remaining services we shall attempt to express more fully our appreciation. May we not have our entire church family in services next Sunday, together with friends who may be able to visit with us?—H. C. Gordon, pastor.

Ira and Dunn Baptist Churches

Last Sunday was a good day at Ira. We had 86 in Sunday school and 88 in B. T. U., and good crowds attending both preaching services.

At Dunn next Saturday night and Sunday we will have our regular services and in the afternoon at 3:00 o'clock we will have our Mexican missionary with us for preaching service for the Mexicans who are in this and adjoining communities.—R. R. Cumble, pastor.

First Christian Church

Bible school, 9:45 a. m.; morning worship, 10:45 a. m.; Christian Endeavor, 6:30 p. m.; evening worship, 7:30 o'clock. Subject of morning sermon, "The Prince of Peace." Subject of evening sermon, "A Group of Sinners." Everyone welcome.—G. E. MePherson, minister.

Preaching at Fluvanna.

Evangelist Frank Traylor of Abilene will preach at the Fluvanna Church of Christ next Sunday morning at 11:00 a. m. and 7:00 p. m. All are cordially invited, says an announcement reaching The Times. The evangelist will be remembered by many people of Scurry and Borden Counties as the preacher who conducted the meeting at Fluvanna last July.

Beware Coughs from common colds That Hang On

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with anything less than Creomulsion, which goes right to the seat of the trouble to aid nature to soothe and heal the inflamed membranes as the germ-laden phlegm is loosened and expelled.

Even if other remedies have failed, don't be discouraged, your druggist is authorized to guarantee Creomulsion and to refund your money if you are not satisfied with results from the very first bottle. Get Creomulsion right now. (Adv.)

How Calotabs Help Nature To Throw Off a Bad Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fifth night if needed.

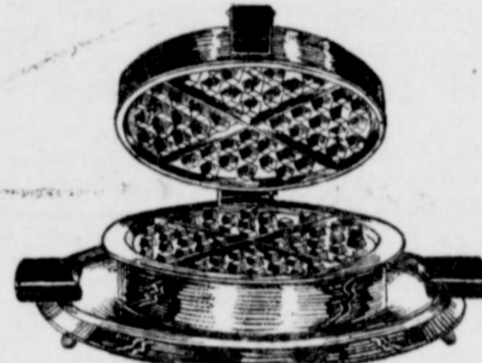

Second, Calotabs are diuretic to the kidneys, promoting the elimination of cold poisons from the system. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds.

Calotabs are quite economical; only twenty-five cents for the family package, ten cents for the trial package. (Adv.)

**Bankhead Cotton Tax May Not Be Paid by Texans**

Deals by growers in shifting Bankhead cotton act tax exemption certificates from light to heavy producing areas, figures available Saturday indicated, may bring tax free sale of most of Texas' 1935 cotton crop, said a dispatch in Sunday dailies.

On the basis of estimated production plus carryover from 1934, there would be about enough exemption tags to care for this year's crop, said A. L. Smith, chairman of the Texas cotton review board at College Station.

The United States department of agriculture estimate of the 1935 yield in Texas was 2,755,000 bales, as of October 8, and the Bankhead act exemption for the state was fixed at 2,256,248 bales, an excess over tag allotment of 18,732 bales.

Smith expressed belief, however, the excess would be cared for by a re-issue of tags made against the 1934 carryover, and it was not expected the growers of Texas would have to deal in exemptions with other states.

The re-issue of tags, Smith indicated, would care for the carryover in West Texas, where the demand was described as greater than in other sections of the state.

"That's why I came to see you," said the woman. "He's a chronic kicker."

**DEATH CLAIMS YOUNG COUNTY SCHOOL CHIEF**

**Guy Stark Jr. Dies Friday in a Lubbock Hospital After 12-Day Pneumonia Attack.**

Guy Stark Jr., superintendent of the Dunn school, died in a Lubbock hospital early Friday afternoon. Death resulted from pneumonia and complications, from which he had been ill 12 days.

Funeral rites for the 28-year-old school leader were held at the Seminole Methodist Church Saturday afternoon, and burial was in the Seminole cemetery. Rev. L. N. Lipscomb, pastor of the First Methodist Church, Lubbock, officiated. He was assisted by Rev. Grady Anderson, Mr. Stark's pastor at Dunn, and the Methodist minister at Seminole. Rix Funeral Home of Lubbock was in charge.

**Ill at Parents' Home.**

The school man became ill at the home of his parents, Mr. and Mrs. Guy Stark, at Seminole. He was carried to Lubbock after four days, and died during his eighth day in the hospital.

A number of Scurry County people visited Mr. Stark during his illness at Lubbock, and many more attended funeral rites Saturday. The deceased was a native of Seminole. Hundreds of men, women and children who had known him in his home community paid last tribute at the small church and at the graveside.

Mr. Stark was a graduate of Texas Tech, Lubbock. He attended McMurry College, Abilene, one year, then entered the plains college when it was opened for students. He had completed the thesis for his master's degree, and lacked only six weeks of completing class work for this second degree. His thesis on "The Educational History of Scurry County" was termed by a Texas Tech professor of education "the best organized thesis I have ever read."

**Manages Tech Dairy.**

The quiet, capable young man was manager of the student dairy at Tech for some time, and did several other odd jobs to work his way through college.

He was a leader in the Dunn community, where he was serving his eighth year in the school. He was elected high school principal during his second year there, and was serving as superintendent for the fourth year. During this eight-year period the school became an accredited high school with 16 credits. He was recently elected a steward in the Dunn Methodist Church.

Surviving are Mrs. Stark and her three-year-old daughter, Dannie Gene; the parents, Mr. and Mrs. Guy Stark, Seminole; 13 brothers and sisters, as follows: Floyd, Gaylon, Frank, Glenn and Terry Stark, Seminole; Homer Stark, Wichita Falls; Calvin Stark, Wink; Mrs. R. L. Jones, Mrs. Lamar Payne and Miss Edna Stark, Seminole; Mrs. Herbert Teal, Sudan; Mrs. Gladys Elam, Los Angeles California; and Miss Betty Fay Stark, a student in Texas Tech.

Palbearers were Cleo Tarter, W. C. Hooks, Gilbert Mize and T. A. Echols, Dunn; Morris Stark and T. A. Revell, Seminole. No flower girls were used because there were too many flowers to handle at the small Seminole church.

**AFTER SEVENTEEN YEARS**

Time moves—although hearts feel it is not so. Years go by, and cruel wounds e'en heal I know; But there are scars that never cease to burn and ache I also know, though I have tried to make Out of my cross a monument of love and trust. There still are bitter tears, for grief I must.

I loved him so! A mother's love so wide and deep No sun could shine, no stars could fall asleep Without a thought of him; his sunny smile and hair, The dear boy ways that manhood tried to snare! Each little trick I learned to know and loved them all; And then war came—our country's youth to call.

I did not want a slacker for my son, And he agreed—with me—the deed was done. We could not know, our lives were clean and true, What war and hate to all mankind would do. That in a selfish world 'twould only strife renew, How futile was the sacrifice I know today, When motherhood is intrigued again to pay!

Oh, be not misled, let me save your hearts the pain Of giving up your sons—they'll ne'er return again Though bullets miss them, bodies be left whole. War and its aftermath will warp their boyhood's soul And I, whose lad in France his young life gave for naught, Ask all mothers to fight war as monsters must be fought; No mercy show, no quarters ask nor give, That youth and peace in harmony may live.

—Cora Lee Chapman, November 11, 1935.

**R. C. STRESSES HOME SAFETY**

The Scurry County chapter of the Red Cross launches a campaign this week to eliminate accident-causing hazards in the home, it was announced yesterday by J. S. Bradbury, county chairman. "It is the chapter's purpose," he said, "to make the homes of this community safe. Home accidents are due to carelessness, negligence and lack of knowledge, and most of them are preventable."

C. Wedgworth, local superintendent, is county chairman of the safety campaign. He announces that a county-wide educational campaign is being started with distribution of literature, school programs and other advertising media.

On the committee with the school leader are Frank Farmer, Mrs. Lee T. Stinson, Mrs. P. C. Chenault, O. P. Thrane, Rev. H. C. Gordon and J. C. Smyth.

Judge: "Your wife says you struck her, Uncle Josh. Have you any excuse to offer?"

Uncle Josh: "Ah suttinly has, Judge. While Ah was prayin' fo' rain fo' mah crops, she was prayin' fo' fair wedder 'cause she was gwine to wash."

Mr. Dubb: "Often when I look up at the stars in the firmament I cannot help thinking how small, how insignificant, how miserably low I am."

Mrs. Dubb: "And is that the only time that thought occurs to you, Mr. Dubb?"

Inski: "What's Blowfish bragging about now?"

Gideonse: "Something somebody else has just done which he could have done so much better."

### Says Red Cross Has Performed Myriad Services

A continued increase in membership and in health and safety activities is reported by the American Red Cross for the last fiscal year, according to J. S. Bradbury, general chairman of the Scurry County chapter.

"Because the Red Cross is neither altogether a governmental agency nor wholly a private one," he said, "it has a unique place in American life in this era when economic and physical relief must be given to many people, in all communities.

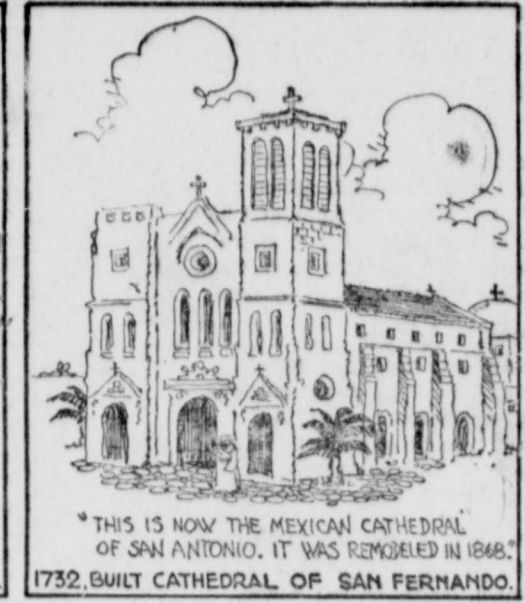

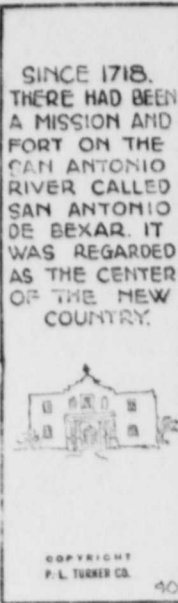

"Under our charter obligation we must be prepared to act in times of emergency, and we have to carry on in the name of the American people the service to war veterans and service men pledged in our charter.

"Organized as we are, in 3,700 chapters and 9,000 branches all over the United States, and having a trained staff and thousands of volunteer workers ready to handle disasters, the Red Cross is in a position to give instant and effective work in every day life of our communities. Services to handle all present emergency needs, and the training for leaders for the future, are included in the departments of Red Cross service.

"Disaster relief stands guard 24 hours of every day and night, year after year. Last year Red Cross relief was given in 128 disaster areas in the continental United States.

"Red Cross membership dollars buy these and many other services for any chapter, and community. The Scurry County chapter will shortly begin a canvass to urge that the whole community unite in giving a larger membership, and thus a larger opportunity, for the Red Cross in this community."

### HERE IS MORE CONCERNING Murder Trial CONCLUDED FROM PAGE 1

City Marshall J. A. Woodfin and Euna Paulk, all of Snyder or near Snyder.

This morning's Abilene News said of the trial:

Mary Arnett Testifies.

Mary Arnett, Snyder girl who was dancing with Woellert early in the evening, testified that John Ethredge, son-in-law of Green, came to Woellert on the floor and told him to leave the place, and when he did not Green came over and grabbed him by the neck and knocked him down with knuckles. She said Woellert had been orderly throughout the night.

Roy Roberson, who also was at the dance, told the jury he saw an alteration in the hall, and that later in the night he saw Green outside with a pistol and that Green knocked Woellert down. This testimony was corroborated by Leonard Lankford, who added on cross-examination that Woellert struck Green first, in the dance hall. Lankford said he left the place when he saw a group of women holding the door trying to keep Green in the hall, and that as he crossed the lot he heard four or five shots.

What Ruth Davis Said. "He has enough now," Ruth Davis testified Green said following altercations. She said she was in the hall and a short time before had seen Green with a pistol in his hand and his wife and another woman holding him by the arms.

Euna Paulk, state's witness, testified to seeing Green hit Woellert when they were outside the hall. She said she saw Green go into the house, come back with a gun and shoot Woellert as Woellert stood with his hands by his sides. She said Green reached into some vines at a window and got the pistol with which the shooting was done.

Defense counsel said Green would take the witness stand in his own defense Thursday morning.

Woellert died in the Stamford hospital from two bullet wounds in the body, Dr. E. P. Bunkley of Stamford testified.

### The 1935 Pilgrimage to West Texas Cotton Fields Is Vividly Described

By Leon Guinn.

The autumn trek of cotton "bollers" to the Plains is on, a motorized caravan of 2,500 people seeking the snowy manna of the Plains' cotton lands, intense in their earnestness to glean a few shekels before the chilly breath of frost drives this half-clad mass of humanity from the "baldies" to warmer regions of the state.

From the piney woods of East Texas, Dallas, Fort Worth and Central Texas these people come, forming a long caravan across Scurry County, a conglomerate stratum of white folks, negroes, and Mexicans. To the casual observer this pilgrimage is the riff raff of humanity; that low strata of society responsible for our acute relief load, seeking a few days' work before the sunshine of winter streets chill the bones of society's derelicts huddled in patched up shantle houses.

But sit around their camp fires at night, if one isn't afraid of being contaminated, with "baccer" for the password, and one will see the human heart stripped of all pretense; in its most abject sorrow, in its meanest pain, and in its most touching simplicity. People of many sorrows talking about Jesus of Galilee, when only a kindly Providence knows where these people will find succor from mental worries, and sharply etched facial wrinkles.

It is at once a pilgrimage Victor Hugo would find delight in, a stark parent of poverty Eddie Guest could soften in verse, or a charming mural Rockwell Kent might turn out. Babies covered with road dust milking mothers in public places, ragged urchins "smitching" divers articles from back yards, and cynical men with no scruples where food and clothes are concerned.

Few people that tingle with the thrill of Indian Summer in West Texas ever recover from its magic tonic, and the Plains goes are no exception. A tonic so stimulating visually even cotton "bollers" are melted by its honeysuckle breath.

### Immunization Is Urged in Fight Vs. Diphtheria

The state health officer, Dr. John W. Brown, urges all parents of children from six months to ten years of age who have not been immunized against diphtheria, to take them to the family physician and have this done at once. Last month there were 265 cases of diphtheria in Texas reported to the state department of health. This is an increase over the previous month, and shows the need of stressing immunization of the children in this age group.

It was not so long ago that parents dreaded diphtheria because of the inability to prevent or cure this scourge. Now that we not only know the cause but also the remedy there is no reason why this disease cannot be completely eliminated.

As diphtheria is most dangerous to the very young children, it is of the highest importance that immunization be given early. What is more, in young children there is practically no reaction to the injection. Immunization has been proven to give absolute protection. It is in the power of the parents of this state, cooperating with their physicians and the health department, to eliminate the disease.

Most children can be protected against diphtheria by single treatment—with what is known as toxoid. However, in about six months the child should be given a Schick

### DID YOU EVER STOP TO THINK?

By Edson E. Waite

That in order to make a pleasing impression on visitors, a city should be kept clean not once in a while but all the while.

It should be kept so attractive that the more visitors see of it the more they will want to come again. When visitors like a city, the more they will talk about it and wish they lived there—and many will arrange to do so.

Every city needs more good citizens added to the number they already have.

Good citizens stimulate a city's growth by doing things worth while. A clean city builds a good reputation that is soon known far and wide.

Well kept lawns and streets make a city better looking and more outstanding.

### Uncle Sam Says Farmers Awake To Soil Problems

Farmers of the United States are becoming conservation-conscious—as regards the soil from which they make their living. Requests to the department of agriculture for solutions to soil-erosion problems are showing their interest. The Soil Conservation Service usually can refer them to regional directors and to specific local erosion-control projects, of which about 50 are now in operation with 91 others getting under way in 41 states. The average size of these demonstration areas is 25,000 acres.

In these acres farmers see the soil-saving problems caused by gully-ing, sheet erosion, flood and wind destruction—and the solution—check dams, terraces, strip cropping, contour cultivation and forestation. Plant introductions and native vegetation are being used.

Farmers who have watched the "washing" of their land with slight concern in years past, go into action when actual measurements show that a single flood may wash away 20 tons an acre of valuable topsoil, as in Ohio this summer, or even 65 tons an acre, as in New York. Many who by careful cultivation and cropping methods have kept their fields free of visible gullies are amazed to learn of unseen soil losses by sheet erosion.

Srb: "I never argue with my wife."  
Urdla: "Same here. I always plead guilty and take a light sentence."

Dismal Dawson: "Kin you help me? I'm tryin' to git back to me poor old mother. She ain't seen me face fer 10 years."  
Citizen: "I guess that's the truth. Why don't you wash it?"

A rural school teacher was cashing her monthly check at the bank. The teller apologized for the filthy condition of some of the bills he ed her, saying: "I hope you're not afraid of microbes."  
"Not a bit," the school teacher replied. "I'm sure no microbe could live on my salary."

No nation-wide move for farm betterment could meet a more whole-hearted response, say soil conservation workers.

## Time Lost is Money Lost

It costs money to be sick. You see it directly if your pay envelope is short. You lose out on some important work if you live on a farm or if you are one of the few who are not docked for lost time. You can't afford to show up on the job unless you are feeling fit. The boss wants results—not excuses.

How many times do you Gas on Stomach, Headache, Sour Stomach, "That Tired Feeling," That "Morning After" Feeling, Neuralgia, Rheumatic, Sciatic, Muscular or Periodic Pains keep you at home or interfere with your doing a full day's work?

All these troubles are caused or made worse by too much acid in your body. To correct this condition take

## ALKA-SELTZER

The New Pain Relieving, Alkalinizing, Effervescent Tablet.

It is called Alka-Seltzer because it makes a sparkling alkaline drink, and as it contains an analgesic (Acetyl-Salicylate) it first relieves the pain of everyday ailments and then by restoring the alkaline balance corrects the cause when due to excess acid. Alka-Seltzer is pleasant to take, effective, non-laxative. Why don't you try it? Get a drink at your drug store soda fountain for a nickel. Buy a package for home use.

8 1/2 chilly hours since he parked BUT NO CHANCE OF DAMAGE... HIS ENGINE stays oiled

Today you can use a winter oil which builds itself right into the "innards" of your engine. That is, a certain portion of Conoco Germ Processed Oil really forms a BOND with metals, and stays on continuous duty where all the worst friction used to come.  
 This uncanny action, created by the patented Conoco Germ Process, automatically wipes out the costliest winter wear...  
 "Dry," unlubricated, wracking starts? ... Not with the oil that's Germ Processed to stay up on the job every minute, every hour, every day that you park—"whatever the weather"... Not when Germ Processed Oil has become a part of all metal surfaces... Not with the Hidden Quart, which has enabled many an engine to run with the crankcase absolutely empty—in verified show-down tests.  
 And this same patented Germ Process means extra protection not only for the conventional babbitt bearings, but for the newest bearings—whether copper-lead, high-lead or cadmium-alloy. Germ Processing also creates the high-durability oil film... hence a light, free-flowing winter oil that's tougher too, for the toughest going of all the year. You and your Conoco man can make this whole Winter "act gentle" to your motor, beginning today. Drive in.

**New Dodge Presents Claims To Title Of 1936 "Beauty Winner"**

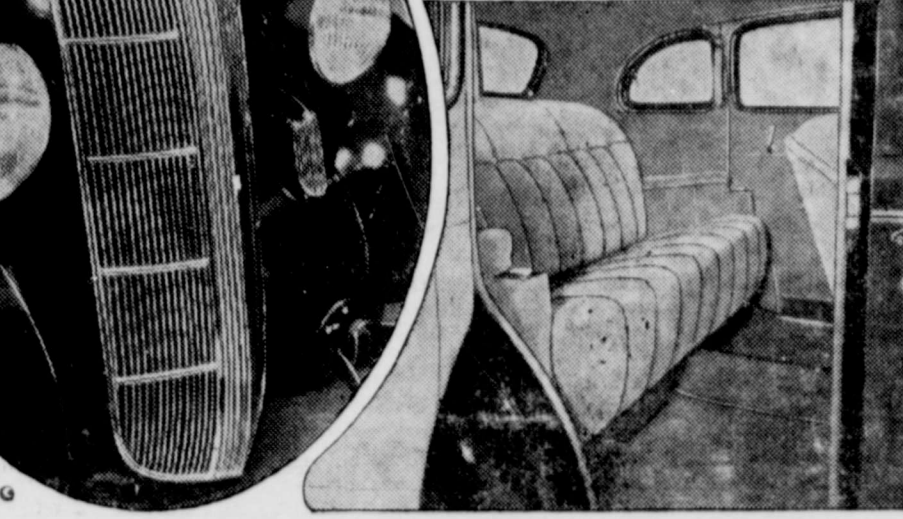

The new Dodge 2-door Touring Sedan is distinguished by an interior made uncommonly accessible by wide doors and by front seats that may be adjusted for easy access to rear compartment.

Smart and graceful in appearance, this new Dodge 4-door Touring Sedan is certain to win the approval of many motorists. The spacious trunk is an integral part of the safety steel body.

In the new Dodge 2-door Touring Sedan, the full-width front seat is adjustable forward and back. The back cushion of the front seat is divided and each or either of the two sections may be tilted forward; this arrangement makes it unusually easy for passengers to reach the rear compartment from either side.

This front view of the 1936 Dodge radiator shows the gracefully tapering lines of the radiator grille to which a raised center gives a Gothic effect of classic beauty.

Luxury of an unusual order is the keynote of this new Dodge 4-door Touring Sedan interior. The completeness of the comfort provisions is indicated by sumptuous upholstery, restful cushion and seat back angles, arm rests with sunken ash receivers, rear quarter window pivoted for variable ventilation—and other features.

Guy Stark Jr., superintendent of Dunn school for the past three years, who had been ill for two weeks in a Lubbock hospital with pneumonia, passed away Friday

## Attention, Correspondents!

The large and faithful group of Times community correspondents will be interested to know that \$10 in prizes will be given the writers who turn in the most subscriptions prior to Christmas week.

The correspondent who turns in the most subscriptions will receive \$5 in cash, second prize will be \$3 in cash and third prize will be \$2 in cash. These prizes will be awarded Monday, December 23—in plenty of time to be used as Christmas shopping money.

No subscriptions will be counted unless they are in the Times office prior to 5:00 o'clock Saturday afternoon, December 21. Commissions will be paid on all subscriptions as they are turned in; the \$10 in cash prizes will be in addition to commissions. No correspondent will be eligible to receive a cash prize unless he or she sends news letters at least 75 per cent of the time prior to Christmas week. All subscriptions turned in Thursday, October 31, to 5:00 p. m. Saturday, December 21, will be counted.

If you wish to get a receipt book, a list of present subscribers in your community, or sample copies of The Times, visit the office when you are in town, or add your request to your next news letter.

Correspondents will be given "free run" of subscription getting until December 1. After that date, in order to cover the trade territory house by house, it is probable that special solicitors will be placed in the field. Now is the time for correspondents to get busy! If a subscriber's time is not out yet, you can get his subscription anyway, and assure him that his time will be moved up a full year from the expiration date.

The publishers suggest that this article you are now reading be clipped for future reference. For prices on The Times alone and in combination with other papers, see a news article or ad in practically any issue of The Times. We suggest that you clip one of these subscription price lists, too.

Commissions will be paid correspondents as follows:  
Times alone, mailed anywhere, each year's subscription 25c  
Star-Telegram or Abilene Morning News, alone 25c  
Times in combination with either daily 50c  
Times in combination with Semi-Weekly Farm News 35c

THE STATE OF TEXAS  
To the sheriff or any constable of Scurry County, greeting:

You are hereby commanded to summon C. L. Becker by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county to appear at the next regular term of the district court of Scurry County, to be held at the court house thereof, in Snyder, on the fourth Monday in November, A. D. 1935, the same being the 25th day of November, A. D. 1935, then and there to answer a petition filed in said court on the 26th day of October, A. D. 1935, in a suit numbered 2919 on the docket of said court, wherein Etta Becker is plaintiff and C. L. Becker is defendant, alleging that plaintiff has been an actual bona fide inhabitant of the state of Texas for twelve months and has resided in Scurry County six months next preceding the filing of the suit; that plaintiff and defendant were married December 29, 1930, and finally separated July 22, 1933, on account of the cruel treatment of the defendant toward plaintiff and that their further living together is insupportable, praying for divorce, costs, general and special relief, in law and equity, etc.

Herein fail not, and have you before said court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal of said court, at office in Snyder, Texas, this 26th day of October, A. D. 1935.—MAUDE M. AKERS, clerk, district court, Scurry County, Texas. 21-41c

**CARD OF THANKS**  
In the loss of our loved one, Guy Stark Jr., we were comforted by the presence and the helpfulness of many, many friends. Since we cannot see each of these friends personally, we take this method of thanking them from the deepest feelings of our hearts for their every act and word that made our sorrow more bearable. Many of our Scurry County friends were in Seminole for the services; many who could not come sent beautiful floral offerings. May God bless all of you, no matter what your part might have been in making our burdens lighter.—Mrs. Guy Stark Jr. and daughter, Mr. and Mrs. Guy Stark and children. 11p

**CARD OF THANKS**  
We cannot find words to express our appreciation to the dozens of friends and neighbors who were so helpful in the loss of J. A. Roberts' home, which was destroyed by fire Friday morning. May God send such friends and neighbors to you in such an hour of need.—Mr. and Mrs. J. A. Roberts. 11p

**FRIENDS THANKED.**  
To all of you who have aided us in any way since our misfortune, we wish to say that we are indeed deeply grateful and offer our sincere thanks. It was to us a great loss but it has made us realize that there is still much love and kindness in the world for those in trouble. We hope that none of you will ever have a similar experience, but if you should we hope to be able to lend a helping hand as you have to us.—E. P. Alford and Family, W. H. Alford. 11p

**WHO WANTS** a beautiful piano at a bargain? We may have in your vicinity in a few days a splendid upright piano with dust bench to match. Also a lovely baby grand in two tone mahogany. Terms if desired. Might take live stock, feed or poultry as part payment. Address at once to Brook Mays & Co., the reliable piano house, Dallas, Texas. 20-21c

### PYRON SCHOOL BALLOT NOV. 14

Voters of the Pyron school district will have an opportunity to use a federal PWA grant of \$15,135 to build a new school plant—provided they say "yes" at a bond election to be held in the community next Thursday, November 14.

No raise in taxes will be necessary if the bonds are voted, according to school leaders in the community. If the bonds are voted, a new and modern school plant will take the place of the old one, which has been patched and repatched several times as the enrollment increased in recent years.

The J. A. Roberts home in the Strayhorn community was burned to the ground in a Friday morning fire. None of the family was injured. Practically nothing was saved. No insurance was carried on the five-room structure or any of the furniture.

### 'Chevon' Sandwich May Get Your Goat

Texas is inviting the wide world to get her goat in 1935, says the latest edition of the Texas Centennial Exposition News.

Chevon (a fancy name for goat meat) sandwiches will be distributed free of charge to Texas Centennial Exposition visitors, with the Texas Angora Goat Raisers Association as host.

A goat milk bar will also be maintained.

Goat ranchers have been striving for years to popularize the product with indifferent success. Little luck was theirs even though they changed the name of goat meat to chevon in an effort to make it more attractive.

Now they are determined to prove to Exposition visitors that a chevon sandwich is something to chew over.

### Three Blood Transfusions.

Three blood transfusions have been given the infant son of Mr. and Mrs. W. D. Fowler at a Lubbock sanitarium in many trips. The final trip was made Tuesday by a Maples ambulance. The baby was reported to be doing nicely yesterday at his home in South Snyder.

### Two Meetings of Lions Club Held Within One Week

Two outstanding meetings have been held by the local Lions Club within the past seven days—one last Thursday and one this Tuesday.

The first featured Ralph Randel of Panhandle, district governor of Lions International, District 2-T. The guest of honor inspired his listeners with an address on the principles and objectives of Lionism. He referred to "Health, Happiness and Heaven" as the three major quests of humanity, and said the Lions Club aided any man in reaching these quests more easily. Service was reiterated as the guiding motive of any successful Lions Club.

Mrs. Helen Boren Rodgers rendered a piano solo as the day's special entertainment.

This week's meeting, held Tuesday, featured piano accordion numbers by Miss Beatrice Walker, the featured player in the Sweetwater Lions Club minstrel that was held Tuesday and Wednesday nights. She was accompanied by Lion Marshall, who invited local Lions to attend the outstanding show. Several locals saw the benefit performance.

Tell Twister W. E. Holcomb and Jack Martin conducted a hat auction that buried club members in a deluge of laughs.

Wayne Boren was unanimously reinstated after his withdrawal from the club for several weeks.

Two plans for increasing the club's attendance were suggested by the board of directors, in session Monday night. They were adopted by the club, and were put into effect at once.

### Baptist Convention At Houston Attracts Several From Area

Snyder and Scurry County are represented at the annual Texas Baptist general convention at Houston by five local delegates and several persons from smaller communities.

The local group includes Rev. and Mrs. Lawrence Hays, Mrs. W. W. Gross, Mrs. H. L. Wren and Mrs. J. E. LeMond. The Hays girls, Bobby and Peggy, accompanied the party to Goldthwaite, where they are visiting with Mrs. Hays' parents.

The convention will continue through Friday. At early sessions, Dr. J. M. Hardy, president of Mary Hardin-Baylor College at Belton, was succeeded to the convention presidency by Dr. J. B. Tidwell, veter-

### Auto Plants Invest Millions in 1936 Market

The automobile industry is investing millions of dollars this fall in new plants, machinery and tools for the 1936 models, many of which will be introduced before the New York Automobile Show opens November 2. Plymouth alone has made an advance investment of \$11,500,000, according to D. S. Eddins (lower inset). Charles C. Williams (left) and Joseph R. Eggert are shown completing a paper layout of Plymouth's new Evansville, Ind., plant to be opened October 23. A lift of frames for 1936 cars is shown (center) against a background of new plant construction and the busy loading docks of the Detroit plant. The first motors for the Los Angeles assembly plant are being loaded (lower right), as workmen go back on the job after a brief change-over period.

### Resolutions

Whereas, The Heavenly Father, in His infinite wisdom, has taken Guy Stark Jr. from our community, and Whereas, the school board and other citizens of the community reflect with deep sorrow on the loss of this outstanding school leader, understanding friend and consecrated Christian gentleman,

And, Whereas, in the death of Guy Stark Jr. we realize that the entire educational life of Scurry County sustains a deep wound,

Be It Therefore Resolved, That this board express its most heartfelt sympathy to Mrs. Guy Stark Jr. and other bereaved relatives of our friend and neighbor,

And, Be It Further Resolved, That a copy of these resolutions be given Mrs. Guy Stark Jr., that a copy be spread on the permanent records of this school board, and that a copy be furnished The Scurry County Times for publication.

### Mustard, tendergrass, tomatoes, potatoes and collards are now ready for use in the fall garden of Mrs. B. F. Newsom of the Rosedale Home Demonstration Club in Jefferson County.

North, South, East and West Texas demonstration club garden demonstrators are proving every day that home gardens can be successfully managed in every part of the state. Their families are profiting from their labors, but not their families alone. The whole state is learning from these demonstrations.

### Roscoe Swamps Colorado, 40-0, To Lead Parade

Roscoe Plowboys continued to maintain a 40-point handicap over other entries in district 6-B last Friday by shellacking Colorado's Wolves, 40 to 0. They had previously won from Rotan and Loraine by even more topheavy scores.

Snyder won from Roby, last season's champs, 15 to 0, to pull herself from the cellar into third place. Rotan is in the second position, with two wins—including a 6-0 victory over Snyder—and one loss. Colorado ranks next, with two losses and a win, Roby has lost one and tied one, and Loraine has lost two and tied one, to drop into the cellar.

Snyder goes to Roscoe Friday for the most important game in the area. Rotan plays at Roby Armistice Day, and Sweetwater, Class A entry, travels to Colorado the same day.

In the eastern half of the district, Haskell won by a score of 29 to 0 from Anson. Stamford romped over Monday, 20 to 0. Merkel and Hamlin played to a scoreless tie, the

### Grace Avary Goes To Bryan Gas Office

Miss Grace Avary, daughter of Dr. and Mrs. J. F. Avary, left last Wednesday night for Bryan, to become chief cashier of the Community Natural Gas Company in that city.

An honor graduate of the local high school with the class of 1931, Miss Avary has been an employee of the Community Natural Gas Company here for more than three years. She has been active in junior club work in Snyder for several years.
