FORTY-EIGHTH YEAR.

SNYDER, TEXAS, THURSDAY AFTERNOON, NOVEMBER 21, 1935

NUMBER 24

SIX SCURRY COUNTY WPA PROJECTS HAVE BEEN APPROVED

EAST STREETS OFFER PLENTY OF CAR HELPS

Three New Service Stations Being Erected, Three Already Open On New Highway.

The eastern section of Twenty-fifth Street and its projection that shoots toward Sweetwater as Highway No. 7, is blossoming forth with a full array of service stations.

Three new stations are being constructed within a block of Bell's Flower Shop, and three others are already in action along the newly completed thoroughfare.

Snyder courts, combined tourist camp, service station and cafe, moved from its location on the old highway almost three months ago. It now has 11 cabins, most of them modern. Work continues, under direction of T. M. Coleman, manager of Snyder Courts for several months, toward making the place entirely modern. Texas Company products are handled.

Alfred's Station Moved.

Alfred's Station, in charge of Alfred Roggenstein for more than a year, was moved early this month a half block south from its location on the old highway, and now stands almost north of the new hospital. It was formerly known as Woody's Service Station. Conoco products are handled.

The C. P. Chandler store and station, one block west of the flower shop, has been in operation for several years. It has the distinction of being one of the oldest stations continuously operated in the east end of town. Texaco products are featured.

Modern Station Going Up.

The first new station going southeast out of town is being erected a half block west of the flower shop by R. M. Herod, who recently moved from Abilene, with his family, to the house occupied until a few days ago by the Coy Watkins family. The house has been moved to the rear of the double lot.

Directly across the street from Bell's Flower Shop a second new station is going up. A. F. Honea of Abilene is the contractor. The station will be strictly modern, with native rock facing, it is reported.

A half block from the gentle curve going southeast is the third new station. It is directly west of the Travis Rhodes home. O. L. Williamson Lumber Company has the contract. It is to be finished in stone, according to Texas-Pacific Coal & Oil Company specifications, and will be leased by that concern, for which Frank and Max Brownfield are local agents.

Local Teachers Attend Saturday Meeting in Mass

Snyder teachers attended the eight-county curriculum development conference at Abilene last Saturday almost 100 per cent. Superintendent C. Wedgeworth reports. Only two teachers failed to attend—one who was with the football team at Coahoma and one who was ill.

The local school system not only had the largest percentage of attending teachers, but was honored by being asked to give the curriculum demonstrations at the next district conference.

W. A. Stigler, state curriculum director, was principal speaker at the largely attended gathering. He pointed out two main purposes of the movement: To acquaint all teachers with the best that is being done in their particular fields, and to give opportunity of exchanging ideas and thinking the program through.

Other speakers were Dr. G. C. Merlan of Abilene Christian College; Byron England, Abilene elementary principal; Miss Madge Stanford, deputy state superintendent, and Dr. R. A. Collins of Hardin-Simmons University.

Citizens Urged to Heed Traffic Signs

Snyder citizens are given a good-natured warning by City Marshal J. A. Woodfin concerning carelessness in heeding traffic signs.

"I want every citizen to help officers enforce traffic laws, especially those relating to stop and slow signs on the main streets and highways," the marshal said yesterday. He also points out that parking in the center of state highways is absolutely prohibited.

Thanksgiving Will Be Snyder Holiday

Thanksgiving will be a real holiday in Snyder, for only the regular "Sunday stores"—filling stations, cafes, hotels and drug stores—will be open for business.

There will be no window or delivery service at the post office. Snyder National Bank will be closed.

Schools will be dismissed Wednesday afternoon and no more classes will be held until Monday morning.

The Times will be published Wednesday night in order that the force may have a full holiday. The publishers will appreciate advertisers having all copy ready before Wednesday. Correspondents are requested to mail their letters a day early if possible.

ANNUAL SCOUT DRIVE PUSHED

The annual Boy Scout drive for sustaining memberships was off to a good start here yesterday, according to J. E. Shipp, finance chairman of the Snyder district.

Plans are being made to give every business house and every individual interested in boy training an opportunity to pay a small amount regularly for keeping the local and area work going the year round. Shipp explains that sustaining members who subscribed last year and have kept up their pledges will not be contacted.

The Lions Club committee, composed of M. E. Savage, J. R. Reeves and W. R. Lane, has been giving valuable assistance, according to the finance chairman. Other workers who were unable to get on the job yesterday are planning to make calls late this week or early next week.

A. C. Williamson of Sweetwater, executive of the Buffalo Trail Council, was here yesterday to assist with the drive. He was highly pleased with early results.

Four Red & White Men Go to Meeting at Santone Monday

Four Scurry County Red & White men were in San Antonio Monday for a meeting of more than 800 grocers, wholesalers and salesmen from a four-state Red & White district.

The annual affair was featured by the presence of four Red & White directors from Buffalo, New York, national headquarters of the independent grocers' organization. Herbert Smith, local E. O. Woodson Grocer Company salesman, and H. P. Brown, Snyder grocer, were also in the Alamo City for a field meeting Sunday afternoon.

Floyd Merket of China Grove and L. A. Scott of Dunn, both Red & White grocers, attended all the Monday sessions. A giant banquet climaxed the gathering Monday evening.

The Scurry County visitors took enough time out to visit San Antonio scenes of historical interest, including the Alamo and Spanish missions.

Second Snyder Bus Now Operated Daily

Snyder school district's second bus is now operating north and northwest out of Snyder every school day. Paul Claybrook is the driver. It covers a new territory several miles north on the Clairemont road and also picks up some of the students formerly hauled by bus No. 1, which has been used on a route through the Crowder, Turner and Bethel districts all year.

German School Opens.

German, last county school to open for the 1935-36 term, began work Monday morning of this week. Rufus Mize is principal for the fifteenth consecutive year, and Miss Helen Nachlinger is the second teacher again.

Thanksgiving Will Be Snyder Holiday

Return of Rev. H. C. Gordon to pastorate of the First Methodist Church is being hailed with pleasure by members of his congregation and other county citizens. He was assigned to Snyder for a second year at the annual Northwest Texas Conference which ended at Plainview Sunday night.

Only one new Methodist pastor comes to Scurry County this year. He is Rev. Ira T. Huckabee, who succeeds Rev. O. D. McDonald in the Fluvanna charge. Rev. McDonald was transferred to the Newlin-Bethel charge in Hall County, Vernon district.

Rev. Anderson Returns.

Rev. W. G. Anderson returns to Dunn for his fourth year, and Rev. Frank Story will serve at Hermitage a second year.

Another district change of keen interest is transfer of Rev. Sam H. Young, former local pastor, from the presiding elder's place in the Stanzard district to the same position in the Sweetwater district. Another former local pastor, Rev. Cal C. Wright, returns as Colorado pastor, and was again elected as conference secretary.

Presiding Elder C. A. Long of the Sweetwater district was transferred to the same position in the Abilene district.

Several Locals Attend.

The conference was attended by the Gordon family, by D. P. Yoder of Snyder, district lay leader, and by Clarence Walton, treasurer of the young people's division of the conference.

The conference Saturday adopted a resolution to be presented to the college of bishops requesting the reassignment of Bishop H. A. Boaz to the Northwest Texas Conference. Bishop Boaz has served six years as bishop of the body. He conducted a revival meeting here two years ago.

More than 1,000 ministers, lay delegates and visitors attended the conference daily. The 1935 session was pronounced by members among the best to be held in the history of the conference.

Some Do, Some Do Not; That Is Times' Deer Tale

Some do and some don't. Them that do, talk. Them that don't, no talk. Deer hunters, we mean.

Deer hunters being what they are and deer being like they are, don't blame a poor newspaperman if these facts and figures are haywire.

Maurice Brownfield must have killed the biggest 'un. The beauty had 15 points. Some of the old-timers say he's the biggest fellow that's been brought to town in many a year. The local grocerman baddied with Leon Johnson pulled down a buck. They were in the Maria county.

A party composed of Frank Farmer, W. M. Scott, Elmer Spears and Roy Stewart returned from the Camp Wood country, north of Uvalde, with one buck between them.

P. M. Helm, Dr. H. G. Towle and A. C. Preault, with O. B. Clark of Dallas and J. T. Anderson of Cisco, are expected back today from the famous Johnson Ranch in the Big Bend country.

R. H. Odom returned early in the week from the mountain country with a party of Clyde and Abilene friends, but he says he brought back only experience and memories of tall, deer-hiding grass.

For more do's and don'ts of deer hunters, take a peek at next week's paper; or, better still, do some personal interviewing and find out what a heck of a job it is for a newspaperman to be full of truth and veracity.

Pastor Plans Feed For Men of Church; Visiting Speakers

A turkey supper, with all the trimmings, will be served in the basement of the First Baptist Church Tuesday night by the pastor, Rev. Lawrence Hays, with the assistance of women of the church. "It will be free to all our men, all men who attend our church and all who ought to attend," the pastor declares.

Advance reports indicate that at least 100 men will be present.

R. E. Key of Lubbock, a leading West Tex insurance man, will be the principal speaker. His subject is "The Layman and the Pastor." He is a gifted after-dinner speaker, who knows how to entertain as well as speak with "sense."

Virgil Reynolds of Abilene will furnish piano music. He is an outstanding interpreter of gospel music and many other types of tunes. A local quartet will give negro spiritual numbers.

Plan Rabbit-Proof Fence at Cemetery Say Pyron Leaders

Plans are under way for placing a rabbit-proof fence around the two sides and rear of Pyron cemetery, according to T. J. Weaver, president of the Pyron Cemetery Association.

Following recent acquisition of three acres of land, present and future needs of the burial plot are care for, officials believe. The land adjoining the east side of the present plot was deeded to the association last week by the Boardman's Bank of St. Louis, owners of the Pyron Ranch. Mr. Weaver, manager of the ranch, said last week. Donations for the fencing project will be accepted by Mr. Weaver or by any other officers of the cemetery association.

THANKSGIVING FOOTBALL TILT OFFERED FANS

Snyder and Colorado Will Tangle Here Next Thursday in Second Meeting of Season.

All the glamour that surrounds Class B football in Texas will be ready for fans when Snyder Tigers and Colorado Wolves meet in their final game of the 1935 season. There is no championship involved, for Roscoe Plowboys have that honor in the bag, but Snyder and Colorado squads need no championship in the offing to assure fans more than their money's worth.

The climax game comes Thanksgiving afternoon at 2:30 o'clock—Thursday, November 23. Both pep squads and both bands, plus several hundred fans from both ends of the line, are planning to crowd into the grandstand and around the sidelines to watch the melee.

Tigers on Their Toes.

The Tigers, who have improved several hundred per cent since Colorado shellacked them, 6 to 0, in an early-season game that opened the Wolves' newly-lighted field, are working hard through this week and next week. They believe Colorado will be hard to crack, all right, but they are pointing toward a win.

By taking this game, the Tigers will have won three and lost two conference mix-ups, which will probably give them a tie for second place in the district. The Wolves have won one and lost two.

All the late-season dope says the locals will take next week's affair. Colorado lost to Roscoe, 40 to 0; Snyder lost to Roscoe, 12 to 0; Snyder whipped Roby, 15 to 0. Colorado beat Loraine one touchdown. Snyder beat the same squad by three touchdowns.

There's Something Else.

But word comes from the Mitchell County camp that one of the Wolves' stellar backs, Walter Rankin, ineligible throughout the season until next week because he enrolled in school late last year, will be in the line-up to deal the Tigers plenty of misery.

Coach Red Hill was far from satisfied with the Loraine game. He had a hunch that the boys were not snappy enough, that they played poor football most of the way, and that they are capable of much more brainy offensive work.

No matter how you look at next week's embroilment, it will be worth anybody's money. No wonder the school officials, coaches and players are preparing for the biggest game of the year.

RED CROSS MEMBERS SOUGHT IN EVERY SECTION OF COUNTY

"We must have more members before the county's comparative small quota of 500 is reached in the 1935 drive," Red Cross Roll Call Chairman Herman Darby said yesterday. "I believe," he said, "that this quota given us by the American Red Cross will be reached before November 23, the last day of the drive."

"Many districts and communities have done their parts, but on the other hand there are others in our county from which there are no members of record."

"Our workers have tried to reach everyone and give them an opportunity to join us in this worthy cause. Although we may have failed to extend this personal invitation, do not let that keep you from joining. Bring or mail your dollar direct to me or any of our workers and your membership card and button will be sent to you at once."

"Remember, my friends, that 50 cents of your dollar remains in the county to take care of local charity and will be spent only where it will do the most good."

"To those who have joined, we express our deepest appreciation, and to those who are yet to obtain membership, we urge you to do so by Thanksgiving Day, November 23."

Thanksgiving

ENTER into His gates with thanksgiving, and into His courts with praise; and be thankful unto Him and bless His name. For the Lord is good; His mercy is everlasting; and His truth endureth to all generations.

JOINT CHURCH SERVICE TO BE HELD NOV. 27

Snyder Pastors Plan Thanksgiving Program at First Christian Church Wednesday.

A joint Thanksgiving program in which all churches of the town are invited to participate was planned yesterday by local pastors. It will be held at the First Christian Church Wednesday evening, November 27, at 7:30 o'clock.

The pastors and their congregations insist that the gathering be made a community-wide affair for considering the things for which we have to be thankful, and for paying tribute to the pioneers who made Thanksgiving possible in America.

TURKEYS BRING HIGHER PRICES

The Snyder turkey market closed last Friday after a 10-day period of gradually rising prices. Sweet music drifted to the ears of sellers Friday, when the 21-cent mark was reached.

Thousands of birds have gone out of Scurry County already, many of them ready for eastern and northern markets, thanks to the local dressing plant. Produce men estimate that slightly less than half the season's crop has moved. The Christmas market is expected to open in about 15 days.

Practically all birds were in excellent condition, and few growers had to spend much money for feed. The market jumped to 20 cents early last week, dropped back to 18 cents for a brief period, stood at 20 cents again and then rose to 21 cents the final day of Thanksgiving buying.

Help! Yells Water Collector; Murder?

"Help! Help!" Mary Jane was yelling at the top of her young voice as she ran from the Snyder water office, where she collects water bills and keeps books. It must have been yesterday or Friday.

There must have been a reason. There was. Two chivalrous citizens, always anxious to help a lady in distress, quickly quieted the distressed Miss Beall by chasing the mouse from the building.

Watchmen Nab Car And Suspects Here After Short Notice

A few minutes after City Marshal J. A. Woodfin received word from Colorado by phone early last Thursday night that a car had just been stolen from a downtown street, Night Watchmen John Lynch and Ray Hardin had spotted the wanted machine.

Less than 30 minutes later, two young men and the car were nabbed at a West Snyder residence. The alleged driver said his name was Bryant and that he lived at Loraine. The other, Miles, resides at Colorado, he said. They were accompanied by two young women who said they lived at Colorado.

The suspects were held here until the Mitchell County sheriff and Colorado night watchman came for them. The two men were lodged in the Mitchell County jail less than three hours after the car was reported stolen.

The car, a 1935 Ford, belonged to J. W. Bennett, salesman for Morton Salt Company, whose territory includes Snyder.

Funeral rites were held at the Snyder cemetery graveside Wednesday afternoon at 5:00 o'clock for the infant son of Mr. and Mrs. A. L. Floyd, with Rev. H. C. Gordon officiating and Odum Funeral Home in charge. The infant died early Wednesday morning.

CITY PROJECT IS TO INCLUDE TOPPING, CURB

Work Was Started Last Week on Precinct No. 4 Road; Ira Gym to Be Completed.

Six WPA projects have been definitely approved for Scurry County, according to county, school and city officials. They represent a total expenditure of almost \$120,000 from federal and local sources.

Plans are being made this week for opening of the city street repair and construction project, which will total about \$45,000 for labor and materials. City officials point out that the work will begin on a small scale, and will probably not reach the peak until the bulk of county cotton is out of the fields.

Work was started last week on lateral roads running south and southeast out of Hermleigh, in Precinct No. 4. About 12 miles of road are being repaired at a total cost of \$18,000.

Must Register Here.

All present and former relief clients who desire to work on any of the WPA projects must register at the local NRS office, a half block east of the square on 26th Street. They will be assigned by J. T. Jenkins, county NRS chief.

Work on the Ira gymnasium and auditorium will be resumed, probably late this week, with \$5,053 in WPA funds to match local funds. The project calls for completion of the building's floor and roof, plus some work on the grounds. The gym was started several months ago, but was delayed because of lack of funds.

A project west and northwest of town calls for repairing of about eight miles of Precinct No. 2 road, running from Union to Highway No. 7 about one mile east of Dermott. Work on this project has not yet been started.

Two Projects Underway.

The two projects underway prior to last week are moving along rapidly, after delays due to shortage of material and coming of bad weather.

The Precinct No. 3 road job, running from Southwest Snyder to Canyon, Ira and Union, is giving several men, teams and trucks employment.

Snyder schools' physical education buildings, held up last week after a good start, is taking shape this week, with foundation work being completed.

All officials point out that employment of very many men cannot be expected until the bulk of cotton has been moved.

Firemen Re-elect N. W. Autry for His Eighth Year

Meeting Friday night in business session, the Snyder Volunteer Fire Department named N. W. Autry as chief for the eighth consecutive year. M. M. Gideon was elected as assistant chief for the third year.

All other officers were also re-elected, as follows: W. W. Smith, president; A. P. Biggs, secretary; G. M. Boren, police No. 1; A. A. Bailey, police No. 2.

Plans were made for the department's annual Thanksgiving feast, which will be held Thursday night, November 23. Committees for the affair were named as follows: Arrangements—Mack Gideon, Clyde Boren, Marcel Josephson, W. W. Smith; program—Smith, Emmett Butts, Alfred McLaughlin.

Tentative plans were outlined for the department's annual Christmas Cheer project, which has been the central agency for Yuletide giving to the unfortunate here for several years. The Christmas committee is composed of Autry, Gideon and Butts.

Charley Kelly Has Opened Grocery in Rotan, Pay-N-Takit

Charley Kelly, co-owner of the local Piggly-Wiggly for several years, and more recently operator of one of West Texas' largest service stations, at Odessa, opened a new grocery store at Rotan last Saturday. "Pay-N-Takit" is the name.

Charley reported to local friends this week that his opening was a huge success.

Commenting on the new store a few days prior to the opening, the Rotan Advance said: "Mr. Kelly and his crew are arranging stock now and hope to be open by Saturday, with a brand new stock of goods."

"He is experienced in this business and says he expects to offer a full line of high grade goods at reasonable prices that are in line with the lowest prices to be found."

Mr. and Mrs. Jack Moore of Clairemont visited friends in Snyder Tuesday.

LOVE FEAST IS ANNUAL EVENT OF AUXILIARY

The Ruth Anderson Auxiliary of the First Methodist Church enjoyed its annual "love feast" at the home of Mrs. J. O. Hicks Wednesday at 1:00 o'clock.

Guests for the day included Mrs. Cal C. Wright and R. E. Gregory, both of Colorado, and Mmes. Gracy Ehlies, Frank Farmer and W. F. Cox.

Table decorations for the love feast were indeed lovely, say attendants. Tall pink candles in the center of each foursome table were surrounded by autumn leaves to form the attractive centerpiece. Place cards were white and were tied to plate favors of mints wrapped in varied colors of cellophane.

The menu consisted of turkey, dressing, giblet gravy, green beans, candied sweet potatoes, celery, rolls, cranberry sauce, mince pie and coffee. The luncheon was served in two courses.

Mrs. R. H. Odum, auxiliary president, issued the welcome to guests and spoke words on Thanksgiving that were in keeping with the season. "Dark Eyes" and "Two Guitars" were piano accordion numbers by Mrs. Earl Louder, and Mrs. Homer Snyder spoke on "Windows of Gold" or "Gratitude and Its Blessings." A musical number, "The End of a Perfect Day," was the contribution of Mrs. R. L. Gray, piano, and Mrs. H. C. Gordon, violin.

As a concluding number on the program each person present expressed what she had to be thankful for. Guests also entered into the closing talks.

The following Ruth Anderson members attended the group's annual luncheon: Mmes. T. W. Pollard, Wayne Boren, J. O. Littlepage, A. E. Wiese, Harry S. Lee, R. J. Randolph, Earl Louder, J. W. White, R. H. Odum, H. C. Gordon, Homer Snyder, Charles Burk, Albert Smith, Lex Wilmeth, H. L. Vann, Ed W. Thompson, R. L. Gray, J. G. Hicks, Fred Joiner, T. J. DeShazo, B. L. Kent and O. D. McClam and Miss Ruby Curry.

Mary Ann Evans Has Birthday Party.

Little Mary Ann Evans was honored on her fourth birthday Sunday afternoon at the home of her parents, Mr. and Mrs. Bruce Evans, with a delightful birthday party.

After games were played, refreshments of cake and hot chocolate were served to the following guests: Laura Dean Jenkins, Billy Wilson,

Champion Cowgirl to Perform

W on the Double Heart Ranch stage, the world championship rodeo near Sweetwater Friday, Saturday and Sunday, this attractive young woman, national winner of cowgirl events, and first place winner at New York during the past big rodeo, will perform. Many Scurry County cowhands and others are planning to see Ollie Cox's stellar Double Heart show.

ART GUILD OF SNYDER WINS HIGH HONORS

A hand-painted picture was presented to the Art Guild, as first prize for last year's art report, which was read at the recent Texas Federation of Women's Clubs in Austin. The picture was presented by Mrs. Joe Caton, district junior chairman, at a meeting of the group Tuesday evening.

Members of the Art Guild were entertained with a lovely covered dish dinner Tuesday evening in the home of Mrs. Billie Lee Jr. Mrs. Herman Doak and Mrs. J. D. Mitchell were assistant hostesses, and Miss Edith Grantham directed the Thanksgiving program, which followed the delicious two-course meal.

Autumn flowers and leaves decorated the house for the dinner party. Bowls of lovely flowers centered each table during the dinner.

The program consisted of an interesting discussion of "The First Thanksgiving," by Miss Bonnie Gary, a Thanksgiving story by Miss Effie McLeod, and the federation report by Mrs. Caton. The picture, presented to the Art Guild by Mrs. Greenleaf Fisk of Abilene, state art chairman, is a beautiful autumn woodland scene in oils.

Guests for the dinner party were: Mmes. Joe Caton and B. M. West and Miss Janice Erwin. The following members were present: Violet Bradbury, Overa Jones, Mary Ruth Spens, Mary Doak, Saxton West Lee, Ila Bee Mitchell, Velma Sharp, Omah Ryan, Edith Grantham, Katherine Northcutt, Raylene Smith, Alta Bowers, Effie McLeod, Grace King and Bonnie Gary.

Jenell, Nona Beth, Frank Jr. and George Darby, Raymond and Donald Bynum, Adelle Han Grove, Billy Don Green, Dorthene Graham and Kenneth Smith.

Mmes. Zack Evans, Jim Baze, Frank Darby, Earl Jenkins, Joe Graham, Irene Jenkins and Bruce Evans were special guests.

Snap Dragons Are Decorations Tuesday.

The home of Mrs. R. H. Curnutte was decked with lovely snap dragons for the meeting of the Sine Cura Club at her home Tuesday afternoon. She served sandwiches, pie and coffee after the bridge games.

Mrs. Robert Masters was high score winner and Mrs. T. L. Lollar second high. Mrs. A. D. Erwin took the traveling prize.

Those present were: Mmes. W. R. Johnson, A. D. Erwin, Robert Masters, H. G. Towle, G. A. Hagan, T. L. Lollar, W. B. Lee, Vern McMullen, O. P. Thrane, Ernest Taylor, Wayne Boren and J. M. Harris. Next meeting will be at the home of Mrs. G. A. Hagan Tuesday afternoon, December 3.

Musical Coterie Sponsors Violin-Piano Concert Sunday Afternoon

Miss Beverly Vaughn of post, violinist, and Mrs. Novis Rodgers of Snyder, pianist, will be presented by the local Musical Coterie in a concert at the First Presbyterian Church Sunday afternoon at 4:00 o'clock. The public is invited by the sponsoring club.

Miss Vaughn, a teacher of violin and piano in Post, studied under the internationally known and noted violin teacher, Francis MacMillan, in Chicago. She is a graduate of T. C. U., Fort Worth, and is a well-known musician in West Texas.

Mrs. Rodgers, the daughter of Mr. and Mrs. Hugh Boren, has a bachelor of music degree from T. C. U., Fort Worth. She studied piano under Joseph Levinne in Chicago and other well-known teachers there in conservatories. She received two scholarships while in Chicago—the Edwin Hughes and

William Beller. Before coming to Snyder to become a music teacher, Mrs. Rodgers taught in the Fort Worth Conservatory of Music. The program for the concert is given as follows: "Dances Tziganes" (Gypsy Dances) by Tivadar Nachez—Beverly Vaughn, violin, accompanied by Mrs. Novis Rodgers. "Nocturne Op. 48 No. 1" and "Etude Op. 25 No. 9" by Chopin—Mrs. Novis Rodgers, piano. "The Rosary" by Nevin and arranged by Kreisler, Two Russian Folk Songs arranged by Kreisler, "Rondino" by Beethoven-Kreisler—Beverly Vaughn, violin. "Reflections in the Water" by

Mrs. Vernon Young is Presented a Gift.

Members of the Duce Bridge Club presented Mrs. Vernon Young, a recent bride and a charter member of the club, with a lovely silver bread tray at the meeting last Thursday at the home of Miss Frances Chenault.

Red gemalums were used to decorate the living room of the Chenault home for the club meeting, and a salad with spiced tea was passed at the close of bridge games. Frances Boren received a linen handkerchief case and handkerchiefs as high score prize for the evening. Mmes. Vernon Young and Billie Lee Jr. and Misses Alta Bowers, Janice Erwin, Johnnie Mathison, Gwen Gray, Frances Boren and Rube Lee and the hostess were the club members present. Guests were: Mrs. Herman Doak and Misses Almaren Heard and Vivian Chenault. Miss Jan Thompson will be next hostess to the club.

YES MA'AM Gold Chain FLOUR

Has Come to Town!

It is with a great deal of pride that we announce the arrival of our first carload of GOLD CHAIN Flour, and extend an invitation to all of our customers to try it in their home baking. No ordinary flour is this! Only the very cream of the nation's wheat crop is good enough for GOLD CHAIN. And this superfine wheat is milled with scrupulous care in the world's most modern flour and feed mill.

Finally, every batch of GOLD CHAIN Flour is tested in the Universal Mills' great chemical laboratory, so that the quality and uniformity of every sack is a matter of scientific knowledge—not guesswork. No wonder housewives everywhere acclaim GOLD CHAIN as the ideal, all-purpose family flour! No wonder it always yields better results in all home baking—whether breads, biscuits, pastries or cakes!

A. R. Norreds Have Thursday Bridge.

Mr. and Mrs. A. R. Norred were hosts to the Thursday Night Bridge Club and guests last week. The house was attractively decorated with fall flowers for the party.

Mrs. Forest Sears and J. P. Nelson took the high club prizes at the close of the evening's contract bridge games, guest prize went to Miss Gertrude Kern, and Miss Hattie Kern took the traveling prize. Daily refreshments were passed to Misses Hattie and Gertrude Kern and Dr. and Mrs. R. C. L. Robertson, guests, and to the following club members: Messrs. and Mrs. Melvin Blackard, Wayne Boren, G. B. Clark Jr., J. G. Hicks, J. P. Nelson, Forest Sears, Wraymond Sims and Wayne Williams.

Mr. and Mrs. Forest Sears will have the club Thursday, December 5, for the next meeting.

Junior Century Club In Meeting Thursday.

Twentieth Century Daughters, Junior study club organized recently by the local Twentieth Century Club, met last Thursday afternoon at the home of Mrs. R. W. Cunningham. Mrs. Cunningham and Mrs. W. J. Ely, club sponsor, are members of the extension committee of the sponsoring club.

A Thanksgiving note was emphasized in decorations and in the refreshment plate passed at the close of the program. On the program Dorothy Pinkerton gave a piano solo, "Minuet in G" by Beethoven; Mrs. Cunningham gave an interesting reading, "The Battle of San Jacinto," and a vocal trio composed of club girls—Wilma Terry, Erol Howell and Johnnie Greene—sang "Beautiful Texas," with Louise LeMond as accompanist.

Club members who attended the meeting were: Ernestine Morton, Irene Taylor, Louise Bowers, Dorothy Pinkerton, Johnnie Greene, Johanna Strayhorn, Carolyn Line, Erol Howell, Mary Curran, Mary Helen Bolin, Louise LeMond and Wilma Terry.

Mrs. W. J. Ely, sponsor, will be hostess to the group at its next meeting, Monday afternoon, November 25.

Thanksgiving Desserts.

Perhaps you'd like to change from the traditional mince or pumpkin pies and serve something different but equally appropriate to climax your Thanksgiving feast. If so, try one of the recipes suggested here.

Pumpkin Chiffon Pie

One package of plain gelatin, one-fourth cup cold water, one-half cup milk, one-half tsp. nutmeg, one-half tsp. salt, one and one-fourth cups canned pumpkin, one-half tsp. ginger, one-half tsp. cinnamon, one cup sugar, three eggs.

To slightly beaten egg yolks add one-half cup sugar, pumpkin, milk, salt and spices. Cook until thick in a double boiler. Pour cold water in bowl and sprinkle gelatin on top of water. Add to hot pumpkin mixture, mix thoroughly and cool. When it begins to thicken add remaining sugar and fold in stiffly beaten egg whites. Pour into previously baked pie shell. Chill in the refrigerator. Pie may be garnished with whipped cream just before serving.

Ice Cream Pie

One-half cup sugar, two tbsp. flour, one pt. vanilla ice cream, one baked pie shell, one No. 2 can sour pitted cherries and juice, four tsp. sugar, two egg whites.

Mix sugar and flour together and add to the cherries. Cook until thick, stirring constantly. Chill. Pack the vanilla ice cream into the baked pie shell and spread on the cherry mixture. Beat egg whites until stiff and fold in four tsp. sugar. Cover the top of the pie with the meringue. Place under the broiler to brown the top. The meringue must be browned quickly so that the ice cream will not melt.

The three-year-old had taken his mother's powder puff and was in the act of powdering himself, when his small sister, aged five, snatched it from him.

"Here, you mustn't do that!" she exclaimed. "Only ladies use powder. Gentlemen wash themselves."

Roasting the Thanksgiving Turkey

First, select a plump, well-fattened turkey. Either a young or an old turkey can be made excellent eating, but you must know which you have, for it makes a difference in the way you cook it. Allow from one-half to three-quarters of a pound in the weight of a turkey as you buy it for each person to be served—remembering that in the larger kinds you will get more meat in that proportion to bone. With a 15-pound turkey, for instance, you can get 20 very generous servings.

The dealer will usually draw the turkey for you, but certain things have to be looked out for at home. Cut off the oil sac, take out the windpipe and lungs, pull out any pin feathers and singe off hairs. Do this quickly so as not to darken or scorch the skin. Wipe the body cavity with a soft cloth wrung out of cold water. Scrub the outside with a wet cloth and soda or corn meal. Rinse off quickly and wipe the bird dry inside and outside. Never let a turkey or any other poultry soak in water. You lose flavor and food value.

Rub the inside with salt before putting in the stuffing. Slip a crusty end slice of a loaf of bread into the opening near the tail to hold in the stuffing, tuck the legs under the band of skin left for that purpose, and sew up the slit with soft white twine. After stuffing and trussing the turkey, rub the outside all over with butter, salt and pepper and pat on flour. Lay a piece of turkey fat over the breast. Place on a rack in an open roasting pan. Water in a roasting pan makes steam, and steam around a roasting turkey or any tender meat draws out the juices.

Testing the Doneness of the Bird For the Great Feast

One Hour Study Club In Meeting at Studio.

The One Hour Study Club met in the studio of Mrs. Mary E. Banks last Wednesday afternoon for an interesting program on the lives of composers.

The program consisted of the following: Piano duet, Margie Arnett and Ola Margaret Leath; piano solos by Genevieve Yoder, Ola Margaret Leath, Margie Arnett; duet, Lottie Bell Tate and Mrs. Banks; and reading by Mary Yoder.

A review of the life of Handel and a study of Gluck were made by those present. Ola Margaret Leath was winner in the game of "Great Composers," played during the social hour.

Have the oven hot (about 450 degrees F.) when you put the turkey in. Brown it lightly for half an hour in this hot oven and after the first 15 minutes turn the bird with the breast down so it will brown all over. Then reduce the oven heat to very moderate (325 degrees F.). If the turkey is young, continue the roasting at this moderate temperature with no lid on the pan until the bird is done. Baste with pan drippings every half hour.

For a turkey a year or more old, after browning in the hot oven, put the cover on the roaster, and continue the cooking in the moderate oven (about 325 degrees F.). You will probably need to allow 4 1/2 hours for a 15-pound bird a year or more old.

To test the "doneness" run a steel skewer or a cooking fork into the thigh next to the breast. If the juice does not show a red tinge, the turkey is done. Make gravy with the giblets and drippings.

The bureau of home economics, United States Department of Agriculture, which gives the foregoing suggestions, also supplies this recipe for a savory stuffing, and one for giblet gravy. For stuffing:

Two quarts dry bread crumbs, three-fourths cup fat, butter and turkey fat, one small chopped onion, one-half cup chopped parsley, one pint chopped celery, two tsp. salt, one to two tsp. savory seasoning, pepper to taste.

In the melted fat cook the onion, parsley and celery for a few minutes. Add the bread crumbs and seasonings and stir all together until the mixture is thoroughly heated. Pile the hot stuffing lightly into the turkey, but do not pack.

Giblet gravy: Simmer the giblets (liver, gizzard and heart) and the neck in one quart of water for about an hour. Drain the giblets and chop them fine, saving the broth. If there is too much fat on the drippings in the roaster, skim off some of the excess fat and leave about one-half cup. Into these pan drippings stir six level tablespoons of flour. Then gradually add the cool broth from the giblets and enough more cold water to make a thin smooth gravy. Cook for five minutes, add the chopped giblets and season to taste with salt and pepper.

Wilsford Marries Hebronville Girl.

Marriage of Miss Gladys Wood, daughter of Mr. and Mrs. Henry Wood of Hebronville, and Glenn (Pee Wee) Wilsford, son of Mr. and Mrs. J. C. Wilsford of Snyder, took place at the home of the bride's parents Sunday evening, November 10, at Hebronville.

A number of friends and relatives attended the wedding, for which D. C. Williams, Church of Christ minister, officiated.

Mr. Wilsford is a graduate of the local high school, having been an outstanding athlete during his high school days. He is an employee at the National Supply House in Hebronville, where he has been for over a year. Mrs. Wilsford was born and reared at Hebronville, attending the high school there.

The couple were honored with a reception immediately following the wedding, and other parties have been given in their honor.

LET'S TALK ABOUT CLOTHES

By a "Young Modern"

Every wardrobe and especially limited ones should have the ability to change face on an instant's notice. With a little ingenuity any one costume can be made to look like four different ones. For instance, a three-piece suit of monotone wool can appropriately be worn to the office, to luncheons, football games, and for dining out. Blouses for this suit range from sweaters to silks in satin and lame.

The smart girl never says that she hasn't enough money to dress well. A coat, two hats, two pairs of shoes, two simple dresses and a number of inexpensive accessories selected with care and forethought can see you well dressed through the exciting and fashionable season. The more study, thought and planning you devote to it the more success you will have.

One of the girls at Texas State College for Women (CIA) purchased an exquisite gold lame, emerald studded collar and cuff set, and with this small expenditure changed an old black dress to an exciting dinner frock. The attractive set embodies the true feeling of the Renaissance. The trimming idea which was so predominant in fashions of this period is beautifully expressed in the open work design of the gold cloth cords and threads which form both the collar and cuffs. The feeling of richness and elegance is further carried out by the gleaming stones which are worked into the design at intervals.

Collar and cuff sets change any simple dress into a charming new frock. White taggoted braid, made Peter Pan style, will lend a win-

Members of the Friendly Fellows Forty-two Club and guests were graciously entertained last Thursday evening by Mr. and Mrs. Hugh Taylor at the home of Mr. and Mrs. J. Monroe.

House decorations were fall flowers and fruits. The dining table was centered with fresh fruits, and a yellow pumpkin was at each end of the table.

A salad course was passed to the following guests: Messrs. and Mrs. Sidney Johnson, A. J. Cody, W. M. Scott, Whit Thompson and J. S. Bradbury; Mrs. O. S. Williamson, Mrs. Bess Baze and Dwight Monroe.

Members present were Messrs. and Mrs. W. R. Bell, C. E. Fish, R. H. Okon, A. W. Morton and J. Monroe.

Try CARDUI For Functional Monthly Pains

Women from the teen age to the change of life have found Cardui genuinely helpful for the relief of functional monthly pains due to lack of just the right strength from the food they eat. Mrs. Crit Haynes, of Essex, Mo., writes: "I used Cardui when a girl for cramps and found it very beneficial. I have recently taken Cardui during the change of life. I was very nervous, had head and back pains and was in a generally run-down condition. Cardui has helped me greatly."

Tuxis and Pioneer Clubs Spread Cheer.

The Tuxis and Pioneer Clubs, the week-day religious activities clubs of the First Presbyterian Church are spending their meeting hours for the next few weeks in an attempt to make someone else happy. The Tuxis girls' club, is dressing dolls and when they are finished they will be sent to the Reynolds Presbyterian Orphans Home in Dallas.

The Pioneer boys' club, is making many useful things out of wood, which will also be given to those less fortunate.

Under leadership of Miss Doris Wilson, president of the Tuxis

group, and Junior Green, president of the Pioneers, the groups are planning a hike within the next few days.

Beware The Cough From a common cold That Hangs On

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Creomulsion not only contains the soothing elements common to many remedies; such as, Syrup of White Pine Compound with Tar, fluid extract of Licorice Root, fluid extract of Wild Cherry and Menthol, but also has fluid extract of Ipecac for its powerful phlegm loosening effect, fluid extract of Cascara for its mild laxative effect and, most important of all, Beechwood Creosote is perfectly blended with all of these to reach the source of the trouble from the inside. Creomulsion can be taken frequently and continuously by adults and children with remarkable results.

Thousands of doctors use Creomulsion in their own families as well as in their practice knowing how Creomulsion aids nature to soothe the inflamed membranes and

Mother, I can't Study - My head hurts!

As a usual thing, he is "such a regular guy." He comes home from school full of pep and energy. Of course you want him that way always. But are you protecting his health and safety during the few short months of winter when he must spend his evenings indoors?

That uncomfortable "stuffy" feeling... dullness... lowered vitality... headache—these are some of nature's ways of complaining against improper heating and insufficient ventilation. These are the warning signals that America's Public Health Enemy Number One, the common cold germ, has found another fertile field in which to attack. For your health's sake and that of your loved ones do not wait for these definite signs of warning that the air indoors has become stale. Keep the air you breathe constantly purified with fresh oxygen through adequate ventilation in every room in the house.

Without oxygen man cannot live. Without oxygen, fuel cannot burn. Therefore, if your family "huddles" in one or two rooms around an open flame heater during cold weather with the doors and windows tightly closed, you are violating all the rules of nature, good health and good heating. Sooner or later the occupants of the room and the burning fuel reduce the oxygen content to the point where the room air becomes stale. Without adequate ventilation and circulation the air indoors may become as foul and unhealthy as that of the tenement slums of large cities, even though your home may be the most beautiful in the neighborhood.

A simple and easy method of providing a constant circulation of fresh air is found by opening a window in each room a few inches from the top and bottom. Connecting doors left open between adjoining rooms when the entire house is adequately heated provide a natural circulation of pure warm air from one room to another. Incidentally, fresh, pure air is easier and more economical to heat than "stale" air.

Guard the health of your loved ones with adequate heat and proper ventilation of pure air in every room in the house.

THE WEEKLY DOZEN

Weekly Rooseveltism.

President Roosevelt: "Our flag for a century and a half has been the symbol of the principles of liberty and equality before the law; and these concepts are deeply ingrained in our national character."

Turkey, Turkey, Turkey!

Pessimism Pete says if turkey growers aren't satisfied with prices that they have been paid this season, they ought to be shot every morning at sunrise. Truly, says he, the producer is getting a break this year, whether he produces turkeys, livestock, cotton or what-have-you.

In the Early Morning.

If you happen to come up town early some morning, pass within a quarter block of either bakery, and enjoy some whiffs that will remind you of long-ago days when your mother made butter-melting hot rolls. P. S.—You'll go many a mile before you find a town the size of Snyder that has two bakeries that are so complete and efficient.

Rodeo Performance de Luxe.

Olle Cox, down at the Double Heart Ranch near Sweetwater, is due the congratulations of West Texas for the world's championship rodeo he is planning Friday, Saturday and Sunday. Scurry County will have several folks on hand down there to see the job well done. It is not every day that you can see Bob Crosby and other such performers in action.

They're Coming to Texas.

Says The World, Tulsa, Oklahoma: "The Texas Centennial Exposition preparations were started when the state was in the trough of the depression. The state is put in an admirable light by its pride and courage. Apparently, the people are united in the project, and they expect visitors to go pretty much all over Texas. They have a lot of thrilling history down that way."

Congratulations, Charley.

The Times wants to be the first to congratulate Charley Kelly, former Snyder groceryman, on the successful opening of his new grocery at Rotan. Charley is a natural-born groceryman. If there ever was one. With his personality, deep-dyed knowledge of the business, and his knack of being friends with everybody, he should show Fisher County a few things about selling groceries.

Weather in West Texas.

Pessimism Pete says if the weather's clear and sunny, street corner prophets will be afraid of a freeze tonight; if it's murky, it's just too doggone bad for everybody; if it's just plain ordinary, it can't stay that way long or it wouldn't be West Texas. Pete, summing it up, wants to know why the heck folks don't move out of this country if they want to gripe about its weather all the time.

What Ten per Cent Means.

Because approximately 60 per cent of the average man's income goes for food and clothing, an exchange points out, a 10 per cent reduction in food costs actually means a much greater percentage saving than 10 per cent. So it is that all of us should hail with delight the nation-wide effort to reduce food costs. This simply means that the spread between the consumer and the producer must be decreased.

A Letter From Iowa.

A. H. Quin Jr., D. V. M., editor of the Fort Dodge Bio-Chemic Review, published at Fort Dodge, Iowa, implies congratulations for The Times, thusly: "Have just returned from a trip to South Dakota. It's looking pretty good up there, but still badly hurt from the terrific drought last year. Congratulations on your advertising showing. It seems to me this is a goodly number of inches for a weekly newspaper."

Employment Picking Up.

H. P. Drought, state WPA administrator, says employment is becoming a reality for thousands of Texans. More than 35,000 former relief roll employables were working this week as WPA took a long stride toward realizing its goal in Texas, he said. "With more than one-third of the available employables at work, I feel that this organization is just about ready to shift into high gear." Scurry County has two of the 700 projects on which work has already begun.

Profits and Losses.

Approximately 19,000 Texas farmers are putting down their profits and losses on record books, according to a recent survey conducted by the Extension Service. In other words, approximately 19,000 farmers are becoming more business-like in their methods than ever before. And there are many more who are altogether business-like that the Extension Service does not know about. Farming, the biggest business in Texas, should be the most business-like business in Texas.

Is the World Round?

Some say the old world's square. Most of us have been taught from infancy that it is round. But it's neither flat nor round, according to Pennsylvania scientists, who claim the jolly old fellow's sometimes egg-shaped, sometimes elliptical, as he rolls around through space. These scientists further claim that Snyder is rising and falling from 13 to 23 inches twice each day. Hold your seats, boys, for the world's-changin' things! But don't get too excited, for it's been happening ever since Adam was created.

Thanksgiving in Scurry County.

Thanksgiving is only a week away. What will it mean to Scurry County? Not just a succession of turkey dinners, let us hope.

Let us pause this week and consider a few things that we could well be thankful for this year.

For one typically Thanksgiving item—the highest turkey prices that have been paid in several years; which means the highest profits that turkey raisers have made in several years.

For plenty of rain. When rain comes at the height of the cotton marketing season, we don't like it too much; but in the long run it means finer pastures, finer winter grains, finer crops next year.

For a better cotton market. Cotton growing costs have been low this year. Now that the price is taking some boosts, most farmers are realizing more profit per pound than they have known in several seasons.

For a better spirit of cooperation between farmer and merchant, between man and man. Maybe it's just a newspaperman's imagination... it seems to us that folks are sharing one another's problems more this year than ever before. Of such is progress and prosperity born.

For spiritual values. Few of us observe them or remember them often enough... but we recognize them, all of us, and realize that life would be nought without them.

May the spirit of Thanksgiving pervade this late-November; and may none of us forget that the Pilgrim fathers and mothers who first observed Thanksgiving had the valor that builds nations and the faith that preserves through the ages.

EDITORIAL OF THE WEEK

95 OUT OF 100 ARE DEPENDENT.

If you were to ask the financial status of the next hundred men aged 65 or more, you meet, you would find, if they represent the average, that only five have independent incomes large enough to live on decently without working; that 28 continue to work for a living; that 67 are dependent for their livelihood upon relatives, friends or public charity. Every one of these men started out in life with high hopes. Every one envisioned a self-sustaining and self-respecting old age, in which he could retire on the savings he had made during his productive years, and enjoy himself, without worry and without dependence on any person or institution.

Five of the hundred men achieved that goal. Ninety-five failed to reach it. These are facts—unpleasant as they are, they will be faced by every person of foresight and courage who is not yet too old to make the most of the lesson they teach. There is no royal road to old age independence for most of us—it can be reached only by a plan which uses some of the dollars we earn with comparative ease now to care for our needs and ambitions when dollars come hard.—Manufacturers Record.

CURRENT COMMENT

By Leon Gulnn.

According to the Travelers' Insurance Co., 21,175 people have been killed in America this year in automobile accidents, for the first six months 15,200 people killed, 300,000 injured in street and highway accidents. Unless this alarming number of deaths decreases, this company declares insurance rates for motorists will reach new high levels. It is tragic to note the automobile of today is a purveyor of death, as well as pleasure. The state is now considering drivers licenses, and L. G. Phares, chief of the Department of Safety, advises patrolmen to arrest speedsters, yet the toll of death by cars and trucks continues to mount. For one thing parked trucks on state highways create a danger, another factor being nearly every car driver has a different idea of time involved to stop a car going, say 40 miles an hour (65 with good brakes). Another factor concerns the tipsy driver, going places in a hurry, without a thought of the other people on the road.

Even the careful driver is penalized by the speed demon, who must do 65 or get across country (lots get a cross all right). Consider the road hog for instance. He goeth forth like a whirlwind, with the idea 60 per cent of the highway is his personally. Or the miss driver, who thinketh touching fenders passing a car isn't bad. Then the nut with super bright lights goeth forth in the night, without using the common courtesy of dimmers, roaring past like a bullet out of a machine gun. Behind him cometh the real slow driver, who causeth other cars to pass him, meeting other cars coming toward him; 'n a hurry also. And so the procession goes on, with death sitting in the car with the reckless driver. Bolled down, many an accident is the result of carelessness. Drivers that drink should not be permitted to drive within six hours after indulging (drinking should not be condoned at all) and when one gets on the open road now one realizes now little the rights of each are respected.

In a small hotel in Kingston, Ontario, so a returning traveler reports, there is a yellowing sign tacked to the dingy wall behind the desk on which the proprietor proclaims his fixed inbred skepticism of all humanity. It reads, "No Checks Cashed. Not Even Good Ones."

LETTERS FROM THE PEOPLE

OUR READERS' VIEWS

Looking Backward.

Gazing back over the trail of 25 years and more to the time when I went to school and forked a pony and rode the trails around town, I can't keep back the feeling of homesickness, and yearning for the same old scenes and companions and experiences that made up life in those days.

And although a lot of water has run under the bridge since then, I still find myself half Texan and half horse, if you get what I mean.

Oh, I remember how I cussed the county, the rain and the sun that sometimes scorched my nostrils. In fact I cussed about everything 'n general at one time or another or all the time. I knew I loved the life I was living and now that I am so many miles and years away from it I know how well I loved it.

New friends and happenings can not altogether erase from memory the old ones and old Texas. But for all the trials and tribulations that a boy suffers, they can't blot out the pleasant times that were his lot, too.

Riding lazy when there wasn't much to do—just sort of keeping an eye on things. Sitting in the shade of your horse when that was all the shade there was and looking off and wondering—just wondering what was over there, some where. The days in town when you were always late getting back and the days in between when you planned when you were going to do when you got there again, and then never did them. And nights with the heavens studded with stars that seemed to hang so low you could almost reach up and pluck them out of the sky.

Dreaming? Sure, folks, I know it. Just wishing I could go back and do all those things over again, yet knowing I can't, knowing that things wouldn't be the same without all those old faces; knowing that I have changed; knowing that things have changed; but still wishing, wishing.

Oh, give me back the good old days, When I was a lad in Texas; The ridin', ropin', brandin', too, When I was a lad in Texas.

Oh, give to the black of the night, When I was a lad in Texas, And let me see the stars shine bright, As when a lad in Texas.

Oh, give me the sun-scorched plains, When I was a lad in Texas, And let me feel the freshen' rains As when a lad in Texas;

Oh, give me back the good old days, When I was a lad in Texas.

And give me back the sinful ways, As when a lad in Texas.

E. E. Jones, Pletown, New Mexico.

Presbyterian Church

Next Sunday is Thanksgiving church activity. This year we have more to be thankful for than we have had for many years, and surely it is a time when we turn our thoughts to God, the source of our blessings. The theme for the morning worship service at 11:00 a. m. will be "Thanksgiving at My House." At the Sunday school hour at 9:45 a. m., there will be special Thanksgiving programs given by members of the various departments.

Sermon for the evening worship hour at 7:30 p. m. will be the final sermon in the series on "The Proclamation of the King." The theme for next Sunday's evening service will be "Storm Proof Foundations." Both young people's and intermediate Christian Endeavor Societies will meet at 6:30 p. m. to discuss Thanksgiving topics. The junior church will meet at 11:00 a. m. under leadership of Mrs. Mary B. Shell.—Alfred M. Dorsett, pastor.

KNEE-ACTION STEPS OVER BUMPS

On city pavement or rough country roads the 1936 Oldsmobile rides smoothly and comfortably. Oldsmobile's knee-action wheels absorb all road shocks. The front wheels operate independently of each other, and step over bumps and holes. Pictured above is the new Oldsmobile Six. Below is shown the roomy rear compartment.

PEACE TALKED BY VISITOR AT CLUB MEETING

Harley Sadler Performers Provide Entertainment for Lions and Guests Tuesday.

A roomful of Lions and guests heard Mrs. Wayne Boren, local club woman, in a dramatized discussion at noon Tuesday of the methods that must be followed if America and the world are to keep the peace. Mrs. Boren's talk was heightened in interest by the use of posters depicting the amazing costs of war and the price that must be paid for peace. She showed the fallacy of the motto, "a war to end war," and used the World War as a case in point. The tremendous monetary cost of the war that ended in 1918 was outlined.

Taking the profit out of war, controlling munitions, and a long-range plan of public education on the horrors of war were given as the most effective measures for preventing future wars.

Three Harley Sadler entertainers provided entertainment for the day. The Jeffris sisters, juvenile artists, with their father, presented several violin and comedy numbers. The West Texas showman and Harry Phelps, one of his topknots, were also guests of the day.

Local guests were Bud Miller, J. D. Scott and Maples. Jack Harris was greeted as a prodigal member.

Senator Collie New Interim President

In its closing hours last Thursday night, the Texas Senate briefly honored one of the younger members, Senator Wilbourne B. Collie of Eastland, electing him interim president.

Collie represents this, the 24th district, and makes his home in Eastland. Collie represents this, the 24th district, and makes his home in Eastland. Collie represents this, the 24th district, and makes his home in Eastland.

Church of Christ

Bro. James O. Wilburn of Lamesa will preach Sunday morning and night at the local Church of Christ. All members are urged to be present. Visitors are always welcome.

First Baptist Church

Sunday school meets at 9:45 in departmental worship programs. The morning worship hour is 10:50 o'clock. The pastor will preach on "The Greatest Task Now Facing Our People and How to Do It." The women's quartet will sing "Holy Spirit, Faithful Guide."

212 Counties of Texas Remain in Legal Dry Zone

Residents of 212 of Texas' 254 counties continue to reside in legal dry territory. Scurry County is included in the list.

In the other 42 counties liquor became legal by repeal August 24, for they were wet when statewide prohibition became effective in 1919. Drinkers in wet and dry areas alike, however, may not legally buy liquor immediately. All liquor traffic in wet areas is prohibited until license is issued for the act specified as an offense sale of liquor without a permit.

Attorney General William McCraw ruled Monday that drug stores could not legally sell prescription liquor before receiving a permit from the state liquor control board.

The board, appointed late last week, following signing of a liquor control bill by Governor Allred Friday, comprises Chairman D. B. Benson of Bowie, D. J. Decherd of Phelan and J. W. Williams of Port Arthur. C. R. Miller, formerly of Electric and second secretary to the governor, was elected administrator, key position in the new department.

The law that went into effect with the governor's signature restricts liquor sales to unbroken packages. Liquor dealers must "toe the mark" or face cancellation of permits and prosecutions, it is said by the law's framers.

Ten per cent of the qualified voters may require a local option vote in any "dry" county if they wish to wipe out local prohibition. The county-wide election may call for legalizing of: (1) Four per cent beer and wine; (2) Fourteen per cent beer and wine, or (3) All types of liquor of any alcoholic content.

Altrurian Club Studies Indians

White and yellow were combined in an attractive color scheme for the meeting of the Altrurian Club Friday at the home of Mrs. H. P. Brown. White and yellow flowers were in entertaining rooms and the colors were carried out in the refreshment plate also.

"The Indian" made an interesting study under the direction of Mrs. O. P. Thrane, who was assisted with the discussion by Meses. Hugh Boren, R. L. Gray, Fred A. Grayum and W. R. Bell. "Begging the Bear's Pardon," short story by Charles Fletcher Lummis, was given by Mrs. Grayum; a poem, "A Dance for Rain," by Walter Bynner, was Mrs. Boren's contribution; Mrs. Bell gave the poem, "The Death of Crazy Horse," by John G. Neihardt; and Mrs. Gray told of the Indians who have made money in the Osage, Oklahoma, oil fields.

Mrs. Lee T. Stinson told of Spanish attempts to civilize the Indians in the early American days. Mrs. Hugh Boren was accompanied by Mrs. A. C. Preuit as she sang a soprano solo, "Indian Love Call." Fifteen members and the following guests attended the club meeting: Meses. Ada M. Wolsey, Grady Shytles, D. J. Byars of Lubbock, C. E. Ferguson, E. E. Wallace, C. W. Harless and W. H. Ware.

Udell, 10-months-old daughter of Mr. and Mrs. Cordell Campbell, colored, died early Wednesday, and final services were held at 3:00 o'clock in the afternoon. The local Holiness colored preacher officiated. Odum Funeral Home was in charge.

DENTON TEACHERS COLLEGE STAGE BAND

Plans have been announced whereby the North Texas State Teachers College Stage Band, directed by Floy Graham, will make a vital contribution to the Texas Centennial program. The band will present Centennial music programs in some dozen central cities in the state, including Lubbock, Abilene and Wichita Falls. Among the band's extensive activities is its annual playing for the auditorium show for the West Texas Chamber of Commerce convention.

Lack of Materials Slows School Job

Lack of material is temporarily slowing down construction of Snyder's new physical education building or gymnasium on the south end of the school grounds, school officials report.

All footings have been run, outside foundations have been dug, and small concrete forms are being run. J. A. Farmer, superintendent of the \$20,000 joint WPA-school project, says work will be in full swing, with a number of men employed, when additional material arrives.

Brady Transient Is Interred in Snyder

William Rayford Phillips of Brady, transient cotton picker, died in a local tourist camp Sunday, and was buried in Snyder cemetery Monday. He was 39 years of age. He had been ill with pneumonia for two days.

Funeral rites were conducted at the Church of Christ Monday afternoon at 2:00 o'clock, with Rev. J. K. Westbrook officiating and Maples Funeral Home in charge. Mrs. Phillips and six children survive.

Methodist Church

After a very spiritual and inspiring session of the annual conference, we are indeed happy to begin another year's work in Snyder. The kind welcome extended us deepens our desire to serve. Wherever and when ever we can do good in any way, we shall be eager to help.

Let us all be in services of the church next Sunday and make the first Sunday of the new conference year the very best possible.—H. C. Gordon, pastor.

Ethyle Little Moves Shop to East Side

Ethyle Little, operator of the Polly Ann Beauty Shop, moved several days ago to the east side of the square from Lockhart's Barber Shop, where she has been located for some time. She is in the building with the Singer sewing machine agency.

A street entrance to the new location and addition of new equipment are features offered to patrons, according to the operator.

Mrs. A. B. Terrell returned to her home in Lorenzo Sunday, after spending the week visiting with her sisters, Meses. J. C. Maxwell and Mary E. Banks.

Stratford Hotel Is Operated by Rigsby

The Stratford Hotel, operated for several years by Mrs. P. T. Jarratt, is now in charge of Roswell Rigsby, who is giving the lodging place a complete overhauling.

Paint and plaster, new floor coverings and new furniture, new bed linens and newly furnished lobby are included in the improvements that are being made.

Mrs. Jarratt has moved to Lubbock, where she is operating a boarding and rooming house. A son, Curtis, is a student in Texas Tech.

Snyder General Hospital

A baby was born Tuesday to Mr. and Mrs. D. R. Ryan of the Hermleigh community. He weighed seven pounds and one ounce.

Sunny Fox, featured player with the Harley Sadler show, was in the hospital early this week for medical treatment.

Mrs. D. P. Yoder and Mrs. R. W. West of Snyder and C. A. Williams of Dunn returned to their homes Monday, after several days in the hospital. Miss Nana Bess Egerton of Austin, was moved Tuesday to the home of her mother, Mrs. T. S. Egerton, who resides here.

Annie Laurie, daughter of Rev. and Mrs. Grady Anderson of Dunn, was a medical patient Tuesday.

A. D. Higginbotham of Hermleigh entered the hospital this morning for treatment.

They Hear Ollie Webb. Ollie B. Webb, New Orleans assistant to the president of the T. & P. railroad and a noted Baptist layman, was heard at the First Baptist Church, Sweetwater, Monday evening by a number of men, including these 10 from Snyder: Rev. Lawrence Hays, H. H. Elland, C. Wedgeworth, Harrie Winston, J. W. W. Patterson, W. W. Gross, A. C. Kincaid, Will Williams, R. S. Sullivan and A. P. Morris.

Mr. and Mrs. Herbert Bannister and sons and Mr. and Mrs. Allan Moses, all of Lubbock, were guests during the week-end of Mr. and Mrs. R. C. Grantham here. Mr. Bannister and Mr. Moses returned to Lubbock Sunday afternoon, and their wives plan to return there today.

Mr. and Mrs. P. W. Cloud were in Dallas on business this week.

TIGERS SCORE THrice TO LICK LORaine LADS

Scrappy Mitchell County Team Fails To Threaten, But Locals Are Pushed to Win, 18-0.

Scoring touchdowns in the first, third and fourth quarters, Snyder Tigers scored their second conference win on the home field Friday afternoon. Loraine's green but snappy youngsters were the victims.

Loraine failed to threaten the Tiger goal line except early in the melee, when Mitchell brought on a penalty for half the distance to the goal line. Prior to this event, Mitchell had taken a pass for a 30-yard gain, and Bo Moffett had plunged over for the first tally.

Moffett continued as the team's sparkplug, plunging with pled effectiveness when Snyder most needed gains. He was ably assisted in the line by Captain Otha Lee Clark, who played a ham-up game despite his heavily bandaged hand in which a bore was broken during the Roscoe affair. J. P. Tate, the other tackle, played his usual consistent game.

Second Tiger Team Loses to Coahoma Saturday, 13 to 8

Using reverse English on the second string Tigers from Snyder, Coahoma's one and only football team took a tight game on their home field Saturday afternoon. The score was 13 to 8. The locals won from Coahoma on the local field three weeks ago.

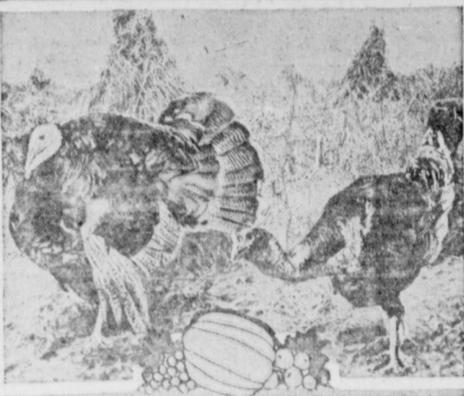

Coahoma took the initiative by tallying in the second quarter. Almost downed for a loss on an end run, a host back reversed the field and made a long run for the marker. Snyder scored two points in the same quarter when they backed Coahoma deep into their own territory with a long punt, then tackled a fumbling Coahoma back behind his own goal line.

Fullback Jay Rogers tallied the local touchdown with a five-yard plunge, after a Tiger march. The final tally of the game was made when a Coahoma pass was completed for a lengthy gain. The Snyder boys heard the umpire's whistle while the play was in motion, and stopped, but the referee ruled the pass complete.

The local line-up: Carl Hargroves, left end; Jackie Scarborough, left tackle; Virgil Jones, left guard; Leon Autry, center; Clyde Boren, right guard; Pickas Bell, right tackle; Balum Grant, right end; Wallace Smith, left half; Tommy Winters, D. J. Hall, right half; Jay Rogers, fullback; J. R. Watkins (captain), quarterback.

New Dunn Teacher. Harry Sanders, recent A. B. graduate of the East Texas State Teachers College, Commerce, is the new teacher of English and science at Dunn High School. The entire Dunn school went back to work Monday, after a cotton-picking vacation. Cleo Tarter is superintendent; E. E. Mullins, principal.

Old Man Turkey's Hangin' High!

Although the Scurry County turkey crop is below par in size this season, it is boasting such fat birds and such fat prices that growers are realizing more actual profit than they have known in several seasons. So Old Man Turkey's hangin' high, not only because he will grace many Thanksgiving tables, but because he's filling out many pocketbooks, as well.

World Champion Rodeo-ers Going To Double Heart

A more colorful and capable array of cowboys and cowgirls has never been assembled in one West Texas arena than those to participate in the world's championship rodeo to be held at the Double Heart Ranch near Sweetwater November 22-24—Friday, Saturday and Sunday. So writes Harry Holt in the Sweetwater Reporter.

From coast to coast and border to border come the top hands of America to compete in this first fall roundup, being staged by Ollie Cox at his ranch south of Sweetwater. The cowboys and cowgirls have been selected by the rodeo manager to compete in this event.

May Set Records.
 In all probability such ropers as Bob Crosby, Jake McClure and Roy Matthews will set some records here as they are in far better condition than in the spring when they competed at Fort Worth in the First Stock Show Exposition. It has been announced that the 400-pound salty Brahma yearlings at the Double Heart will be roped and tied. They were roped in the bull roping contest in the summer.

Bucking horses to be ridden by two of the finest cowgirls in the world, have been secured at Anson, Clara Thompson, winner of the bronc riding at London, and Vaughan Kreis, winner at New York, will appear in the contest. They will also trick ride.

To Try Pumprey Bull.
 Word has been received that the Pumprey bull will have a rider in Dick Griffin, leading trick rider and a steer rider of great fame. The bull has not been contested eight seconds by any rider.

In order to furnish more entertainment and competition, Mr. Cox has selected seven more calf ropers to go with the original eight to round out the total of 15 in that event. The new ones selected are: Jack and Earl Sellers of Del Rio; Jess and Buck Goodspeed of Oklahoma; Allen Holden of Midland; Breezy Cox of Pine Ridge, Arizona, a bulldogger of great fame; Amby Gambin and Clyde Burk of Oklahoma. Jack Sellers was a winner at Pendleton, Oregon, in the annual round-up. Clyde Burk was a winner at St. Louis.

Several matched ropings have already been scheduled. One of the highlights will probably be the return match between Roy Matthews and Buck Goodspeed. The first match was won by Matthews last summer.

Annual Senior Day Is Spent at S'water Lake by 20 Seniors

Annual senior day proved a happy time for 20 seniors and two chaperones—Mrs. J. O. Temple and F. H. Reeve, a teacher in the local high school.

The group left the school building here early Tuesday morning for Sweetwater Lake, 7 miles east of Sweetwater, for an all-day picnic. A picnic lunch was served at noon, and the remainder of the day spent in various manners. Exploration, boat riding, baseball, kooking and hunting for mistletoe were diversions for the afternoon at the lake.

Tuesday night after supper the senior class and chaperones enjoyed a picture show in Sweetwater, "Hooray for Love," starring Ann Southern and Gene Raymond.

Students enjoying the outing included: Royal Connell, Forest Beavers, Charles Lewis, Travis Green, F. W. Huckabee, Dossie Mae Caton, Geneva Glasscock, LaRuth Johnson, Frances Belk, Pat Johnson, W. D. Sanders, Leslie Cole, Genevieve Jarratt, Otha Lee Clark, Virgil Jones, Rosanna Reynolds, Thelma Lee Burditt, Delbert Johnston, Mayme Lee Gibson and Irene Wolcott.

VOLUME VI SNYDER PUBLIC SCHOOLS, FRIDAY, NOVEMBER 15, 1935 NUMBER 7

WORK ON NEW STRUCTURE IS BEING RUSHED
 Physical Education Building to Be Located on South Side of S. H. S. Campus.

The dream that has long infatuated the minds of Snyder residents is about to be realized; the construction of the Snyder physical education building is under way and is expected to be completed four months from date of first work.

The dedicatory service was held Friday, November 1, for the commencement of the construction of this project. The high school band, centered on the ground where the future physical education building is being constructed, played several numbers.

Superintendent C. Wedgeworth, master of ceremonies, gave the introductory speech. Mayor H. G. Towle and H. L. Davis, president of the school board, made speeches expressing gratification of the achievement of the appropriation for this project.

Hon. J. E. Sentell, president of the Lions Club and chief speaker of the hour, delivered an interesting address regarding the achievements of our modern schools. At 9:00 o'clock, immediately after Mr. Sentell's speech, H. L. Davis turned the first dirt of this project. The high school band played a final number ending the service.

At present, 40 men are at work on this project, which is to consist of a structure, 92 feet wide and 110 feet in length, built of native stone. It will be located west of the tennis courts and directly south of the school building. It will have two large lecture rooms, dressing rooms, and showers; the lecture rooms will be used by the high school band and physical education classes.

The following interesting and informing program was given: "Causes of the World War," Mary Helen Bolin; "Countries That Fought in the World War," Frances Sears; "Where and When the Treaty of Versailles Was Signed," Marjorie Reynolds; "Who Helped Draw up the Treaty?" Dorothy Pickerton.

The critic gave her report and the club adjourned, to meet again November 20.

National Education Week Observed in Local High School

The theme of National Education Week, November 11 to 17, is "The School and Democracy."

The program is as follows: Monday, "The School and the Citizen;" Tuesday, "The School and the State;" Wednesday, "The School and the Nation;" Thursday, "The School and Social Change;" Friday, "The School and the Country Life;" Saturday, "The School and Recreation;" Sunday, "Education and the Good Life."

"The free common school is America's greatest gift to humanity. It emphasizes responsibility to the common good and the general welfare. The free school is the expression of a mighty faith. Because we believe in ourselves, in democracy, and in the future, we seek through the schools to improve the quality of our lives."

Let this spirit prevail and typify American Education Week as observed in our own school system.

School Honors Will Rogers on Birthday

November 4, which was the birthday of the great humorist and philosopher, was the official date set for a Will Rogers Memorial Fund drive.

Snyder High School, as well as other schools in other counties of Texas, observed this day and manifested an interest in the campaign.

Councilmen Have Found a Thought

The high school councilmen, at work under the leadership of Mayor W. D. Sanders, have thought out a plan which they think will help make the passing from class to class more orderly in the building.

They plan to station students at various points in the building during the short passing period between each class. These guards, with the loyal cooperation of the whole student body, will prevent loud talking, shuffling of feet, and going up the wrong steps.

El Circulo Espanol Has Two Meetings

El Circulo Espanol had a party at the home of Sterlene Taylor October 24. Various Spanish games were played and a Spanish supper was passed to: Florene Lewis, Louise Hardin, Joanna Strayhorn, Wilma Terry, Ruth Line, Ruby Madding, Blossom Lee Green, Mary Curtnite, Louise LeMond, Ewarda Allen, Dorothy Jones, Joe Weldon Hart and the sponsor, Miss Slaton.

Guests were Louise Wilsford, Irene and Carroll Taylor.

El Circulo Espanol met Wednesday, October 30. The house was called to order and a Spanish play, "The Tragedy of Love," was given.

Those who took part in the play were: Joanna Strayhorn, Billie Head, Orden Benbenek, Sterlene Taylor, Ruth Line, H. C. Shuler, Louise Hardin, Carl Slaughter, Joe Weldon Hart, Raymond Moore and Welton Bentley.

Sophomore A Class Gives War Program

The Sophomore A Class met November 6. Dr. Moffett, sophomore councilman, was present at the first of the program and made a talk on the new things the student council had outlined.

The following interesting and informing program was given: "Causes of the World War," Mary Helen Bolin; "Countries That Fought in the World War," Frances Sears; "Where and When the Treaty of Versailles Was Signed," Marjorie Reynolds; "Who Helped Draw up the Treaty?" Dorothy Pickerton.

The critic gave her report and the club adjourned, to meet again November 20.

Armistice Program Given by Freshmen

The Freshman B Class of Snyder High School, under the leadership of Mrs. Nelson, had a very interesting program on Armistice November 6.

The following program was given: "Roses in Picardy," class; "Cause of the World War," Glenna Martin; "Losses of the War," Annie Mae Dixon; "Countries Involved on the Allies' Side and Ones Involved on the Other Side," Blossom Lee Green; "Our Price of Peace Today," Rosa Lou Prather; "Value of Peace," W. F. Reed. Shelton Holmes gave a short talk on the new plan recently made up by the student council.

Many a Friend Recommends BLACK-DRAUGHT

People who have taken Black-Draught naturally are enthusiastic about it because of the refreshing relief it has brought them. No wonder they urge others to try it. . . . Mrs. Joe G. Roberts, of Forterville, Ala. writes: "A friend recommended Black-Draught to me a long time ago, and it has proved its worth to me. Black-Draught is good for constipation. I find that taking Black-Draught prevents the bilious headaches which I used to have. . . . A purely vegetable medicine for relief of CONSTIPATION, BILIOUSNESS

Visitor: "Is your son who has graduated from college a help to you on the farm?"
 Farmer: "Yes, if it wasn't for him the livestock would be terrible on-grammatic."

Mrs. Wedgeworth Improved.
 Snyder High School is glad to hear that Mrs. Wedgeworth is gradually gaining strength. She is with her mother in Tenaha. It was hoped that she might return on Thanksgiving, but her condition will not permit her to make the trip until later.

"Look, that's the school where I learned to drive."
 "You mean that's your alma motor?"

HAIL! HAIL! TO OUR PEPSTERS

Pep squad activities are holding the attention of more SHS students than ever before. Large attendance at the Thursday night and Friday morning pep rallies shows much enthusiasm on the part of the student body.

Led by Miss Ruth Irby, faculty sponsor, Irene Wolcott, Sadie Toll Jenkins and Virginia Egerton, student leaders, 45 girls meet twice a week for rehearsal of formations and cheers. In cooperation with the band at the halves of the Snyder-Rotan and Snyder-Roby games, a colorful black and gold SHS was formed. The military effect was enhanced by the gold military jackets and black shirts. The leaders were snappy in black uniforms, while little two-year-old Sandra Jean Bowden represented the club in miniature.

The pep squad has shown loyalty to the team by accompanying them to the Colorado and Rotan games.

Senior B Class Will Sponsor Pay Parties

The Senior B Class has decided to give pay-parties to raise money for the customary senior dedication.

The subject for the home room program of the class was "Armistice." For the roll call, everyone answered with a suggestion that will promote world peace. "Flanders Field" was read by Elizabeth Gordon; "Causes of the World War," Lloyds McGealand; "Destructive Results of World War," Florentz Winston; "Treaty of Peace Which Closed the War," Dorothy Terry; "The League of Nations," Lillian Logan; "Wilson's Plea of Peace," Tessie Merritt.

Now It's Station EAW Says School

The radio system that was established in school about two months ago has now received a name. At the beginning of school Mr. Wedgeworth asked for suggestions for the stations both in his office and in the auditorium.

Many clever names were suggested, such as S. H. S., S. T. S., and others, but the one offered by Dossie Mae Caton was accepted by the student body—E. A. W., in honor of little 21-month-old Elizabeth Ann Wedgeworth. Hereafter we may refer to our office radio station as EAW.

Rings Chosen for Seniors of 1936-37

Tuesday, October 29, the Senior B's and Junior A's met with their sponsors, Miss Slaton and Mr. Cox, to choose the senior rings for 1936 and 1937. The two classes chose a gold mounted ring set with mother-of-pearl. On the set is a crest of gold and black.

Tuesday, November 4, the two classes met for the measurements and type of rings wanted. The order for the rings, with the deposits, were sent that afternoon, and will be here in four or five weeks.

BAND BOASTS NEW MEMBERS
 The Tiger Band started the semester with good work. It began with 30 regular members and has increased to 42. There is also a junior band which consists of 10 members, and a 10-piece orchestra which is eager to play for all occasions.

The band's first trip was to Slaton, where it played for the Tigers while they fought Tigers. Since then it has played for the Lamess, Colorado, Rotan and Roby games, and for several chapel programs. It took an active part in the dedication service for the new gymnasium.

League Officials for Snyder Are Named

The following Snyder teachers have been named to sponsor listed interscholastic League events for this year:
 Debate—Girls, Slaton; boys, Nelson; delivery, boys and girls, Irby; declamation, Lee; extemporaneous speech, Cox; Journalism, McLeod; one-act play, Irby; playground ball, Cox; ready writers, McLeod; spelling and plain writing, Cunningham; tennis, Hill; track and field, Hill; typewriting, Birdwell; volley ball, Reeve.

Harmony Boys Reorganized.
 The Boys' Glee Club, under the sponsorship of Miss Barnett, was reorganized yesterday. His group hopes to produce interesting entertainment.

plant. It has taken the lead in all this pep rallies of the season. The band is on hand for every occasion. It shows marked progress, and it is an organization that Snyder citizens and Snyder High School has a right to be proud of.

How Calotabs Help Nature To Throw Off a Bad Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fifth night if needed.

How do Calotabs help Nature throw off a cold? First, Calotabs is one of the most thorough and dependable of all intestinal eliminators, thus cleansing the intestinal tract of the germ-laden mucus and toxins.

Second, Calotabs are diuretic to the kidneys, promoting the elimination of cold poisons from the system. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds.

Calotabs are quite economical; only twenty-five cents for the family package, ten cents for the trial package. (Adv.)

NEW IRA-DUNN BRIDGE COMING

The Commissioners Court contracted Tuesday with the Austin Bridge Company for a new bridge across Deep Creek between Ira and Dunn. Work is expected to begin about December 1.

Spring rains washed the high bridge, which had stood watch at the crossing for many years, from its pillars, and also destroyed a portion of the foundation. The old frame was placed on new pillars several weeks ago, but it was declared unsafe for use last week.

The foundation, built under direction of Commissioners H. E. Brock and Forest Jones, will be used without alteration.

Birdwell Gets First Lieutenant Position

Notice was received from Stephenville this week that Ernest Birdwell of Snyder, graduate of the local high school, has been promoted to first lieutenant at John Tarleton College. Birdwell is second in command of Company B of the cadet corps. He was one of 39 commissioned officers assigned.

At the same time York Murphy, also a local graduate, was made a sergeant in Company E, one of 68 new Tarleton sergeants.

FAIR WEATHER HELPS COTTON

With fair weather prevailing all this week, after two weeks of mixed temperatures and moistures, cotton is beginning to move with a steady stride that was hoped for a month ago.

Most gins of the county are running day and night. Several bales were on all local yards and others were in gin houses as The Times was getting ready to go to press Wednesday night.

Snyder had turned out more than 5,700 bales this morning, and the county's remaining nine gins will probably bring the total to almost 11,000 bales. At this time last week the Snyder total was 4,500 bales; the county, about 8,200 bales.

"How many coats of paint do you put on the fence?"

Painter: "Two, Sonny, why?"

"Well, if you put on a third coat, it would be an overcoat, wouldn't it?"

Painter: "Yes, and a waste coat, too."

A couple of tottering tipplers in a beer emporium got to telling each other their life histories. One of them declared he had been an incubator baby, weighed only two pounds, and was 11 inches long. "That's wonderful," exclaimed the other fellow. "Did you live?" "Sure I lived," declared the first. "Grew like anything. Why, you ought to see me now."

The father was reading the school report which had just been handed to him by his hopeful son. His brow was wrathful as he read: "English poor; French weak; mathematics fair;" and he gave a glance of disgust at the quaking lad.

"Well, dad," said the son, "it is not so good as it might be, but have you seen that?" And he pointed to the next line, which read: "Health excellent."

"I want a shave," said the disgruntled sergeant as he climbed into the barber's chair. "No haircut, no shampoo, no rum, witch hazel, hair tonic, hot towels or face massage. I don't want the manicurist to hold my hand, nor the bootblack to handle my feet. I don't want to be brushed off, and I'll put on my coat myself. Just want a plain shave with no trimmings. Understand that?"

"Yes, sir," said the barber quietly. "Lather, sir?"

THE STATE OF TEXAS

To the sheriff or any constable of Scurry County, greeting:

You are hereby commanded to summon C. L. Becker by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county to appear at the next regular term of the district court of Scurry County, to be held at the court house thereof, in Snyder, on the fourth Monday in November, A. D. 1935, the same being the 25th day of November, A. D. 1935, then and there to answer a petition filed in said court on the 26th day of October, A. D. 1935, in a suit numbered 2919 on the docket of said court, wherein Etta Becker is plaintiff and C. L. Becker is defendant, alleging that plaintiff has been an actual bona fide inhabitant of the state of Texas for twelve months and has resided in Scurry County six months next preceding the filing of the suit; that plaintiff and defendant were married December 29, 1930, and finally separated July 22, 1933, on account of the cruel treatment of the defendant toward plaintiff and that their further living together is insupportable, praying for divorce, costs, general and special relief, in law and equity, etc.

Herein fail not, and have you before said court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal of said court, at office in Snyder, Texas, this 26th day of October, A. D. 1935.—MAUDE M. AKERS, clerk, district court, Scurry County, Texas. 21-4tc

BARGAIN DAYS GETTING GOOD START IN AREA

Despite Slow Crops, Annual Times Subscription Offer Already Attracting Dozens.

Crops have been slow in the trade territory this season, but Times Bargain Days, less than a month old, are already moving strong toward a record subscription list.

Dozens of folks are taking advantage of the special rate of \$1.00 (in Scurry and adjoining counties). They are surprised to learn that the price has not been raised this year, for most other West Texas weeklies are advertising higher rates.

Drastic reductions are also offered on your favorite dailies in combination with The Times—provided you get your daily by mail. Reductions also apply to the Semi-Weekly and the Pathfinder. For these prices, see full page ad in this issue.

Following are a few of the readers who have renewed or taken new subscriptions since Bargain Days began:

New England Thanksgiving Busy Time

Thanksgiving day! How these words spelled days and days of work and worry for the colonial housewife! A festive holiday it was called by a writer in the Boston Herald, but actually it represented a day which demanded more preparation than almost any other day in the year. Our old New England traditions required it—the Puritans did, so must we—it was the common understanding of the day.

In days of yore grandmother would start her Thanksgiving preparation weeks in advance. The pies must be made. Of course she would not serve mince pies that hadn't been "ripened." They were made in quantity and put down cellar where they frequently froze to a solidly overcome only by a hot oven just before the feast.

In passing, it might be well to remind you of the custom in one New England family to have three pieces of pie for breakfast on each Thanksgiving morn. Mince, apple and squash were the three dictated by tradition.

Well in advance of the traditional day, one would see grandmother take down the seasoning used but a few times a year, the crackers would be ground up and gradually the stuffing for the turkey was prepared—this also went down cellar to ripen. We mustn't forget the plum pudding which was made well in advance and hung in a bag up in the attic suspended from a nail so interested mice could not approach.

Then came the days just before Thanksgiving. Sons were drafted

Thanksgiving Preparations Started Long in Advance

to collect and crack the butternuts, walnuts, beechnuts, etc. (and more than one finger was smashed in the process). Daughters were drafted to peel squash, turnips, carrots, potatoes, sweet and white, and of course the proverbial tear-producing onions.

The turkey must be caught, killed, plucked, singed and hung up for a day before he was brought to the kitchen. Grandmother must make her famous nut bread for William (he does like it so when he comes home). "Sadie, you make the fudge—Alice, you make the molasses candy—Sue, you make—" and so it goes. Everyone hustles, all wanting the same dishes, the same stove cover, the mixing spoon, etc.

"Johnnie. Oh, Johnnie! Go down to the village and get me some more crackers—Glorie! I've run out of seasoning"—and the errands are started.

These were typical New England days of preparation for the Thanksgiving feast, all of which must be executed in addition to the regular chores of making butter for market twice a week, churning the cottage cheese, collecting the eggs, etc., etc.

Then came the day—the house must be spic and span. Dozens of pictures must be dusted, the parlor must be opened up, wood brought in for the extra stove, chestnuts gathered to put on the fireplace hearth—and on went the great process of preparation.

The folks came, hugs and kisses went the rounds, the new baby was chucked under the chin and an immediate retreat to the kitchen by the feminine members took place. By 1:30 or 2:00 o'clock the feast took place—and then the dishes, pots and pans (usually the turkey

Latest Facts and Figures Indicate Cotton Advances

Cotton prices advanced sharply to the highest point reached so far this season, and the 10-market average of 12.15 cents for middling 7-8 inch cotton on Friday, November 15, was 67 points higher than a week earlier, according to a U. S. Department of Agriculture report out of Dallas.

"Continued improvement of demand conditions, with an advance in the general level of prices of other commodities and securities, and a further decrease in the offerings particularly of the medium and higher white grades as a result of continued rains in the cotton belt, were important factors contributing to the advance in cotton prices," says the report.

"Smaller adjustment payments to farmers as ten-market average price of middling 7-8 inch cotton approached the 12-cent level, is believed to have contributed also to the decrease in offerings by farmers. The volume of sales reported decreased seasonably and forwardings to world mills decreased substantially from the large volume of the past few weeks.

"At the close on Friday, November 15, the average price of middling 7-8 inch cotton in the ten spot markets was 12.15 cents compared with 11.48 cents on November 8, and 12.48 cents on the corresponding day a year ago."

A fisherman got such a reputation for stretching the truth that he bought a pair of scales and insisted on weighing every fish he caught, in the presence of a witness.

One day a doctor borrowed the fisherman's scales to weigh a newborn baby. The baby weighed 47 pounds.

"My papa's a mounted policeman," said little Pat to his mother's visitor. "Is that better than being a foot policeman?" she asked. "Course it is," replied Pat. "If there's any trouble he can get away quicker."

pan went under the sink for scouring the following day). Games, gossip, etc. occupied a brief period until time for supper, when again the kitchen staff swung

The Wonderful Feast Is Served to the Happy Guests

into action and made turkey sandwiches, poured the cider and cut up the pies.

As the lights were blown out, it was usual to hear the women folk say, "Didn't we have a good time, but isn't Thanksgiving a tiresome day?"

This was the Thanksgiving of yore contrasted to the modern Thanksgiving of a restful morning, a motor ride through the country or a ride "in town," a sumptuous dinner prepared by chefs who have vied with grandmother and her recipes until even she is forced to admit that she has been surpassed—a delightful matinee at the theatre and an evening in the game cellar at home. What a contrast—and what a pity that grandmothers of old couldn't be here now to reap the benefits of the advance of New England family traditions!

Our Thanksgiving Prayer

By Maria Leonard, Dean of Women, University of Illinois

There probably has been no subject since man's beginning more discussed than prayer. Religionists have claimed it belonged to the spiritual world as a form of worship. Scientists not being able to classify it into formula or fact have dismissed the subject as not belonging to the scientific world. What is prayer, and where does it belong, and to whom?

According to the present status of the human race there are three kinds of prayer. The first type is the prayer of petition. Begging for something which one has not, whether it be for something to have or to be, it is asking God to give. This type of prayer is pseudo-prayer, and should bear the name of petition. The second type of prayer is the kind that brings our nation, at the president's proclamation, to its knees on Thanksgiving Day in gratitude, for Thanksgiving means gratitude. It is an attribute of the heart. Even though grateful, one can also be selfish. Gratitude is sometimes lacking in human beings and found in dogs. Today, we the American people are not as grateful for our splendid country as were the Pilgrim Fathers.

"Give us this day our daily bread," is more often "said" than prayed, and in how many American homes today do little children never hear a word of grace or gratitude at the beginning of a meal. This is short measure of his rightful heritage. Gratitude is one of the courtesies of character, an amenity of the heart. It can be cultivated by always comparing your lot in life with that of someone who has less rather than more than you have. This always brings gratitude plus contentment. However, this second type of prayer goes only half way to the heart of God, and should only bear the name of gratitude, not prayer.

The third kind of prayer must include others if we wish it to ascend higher than our heads. A great and fine woman, internationally known, said to me once, that she prays God to help her answer the prayers of others. "You would be surprised," she said to me, "how many opportunities daily come to me to answer the prayers of other folks. Somehow, when I am thinking in terms of the needs of others

Frank Merrill Dies At Home in Slaton

Frank Merrill, 65, resident of Snyder 1919 to 1921, died Wednesday night of last week at his home in Slaton, after a brief illness from flu and pneumonia. Funeral rites were held at the Slaton Methodist Church Saturday afternoon, with the pastor in charge. Masons officiated at burial services at Slaton cemetery.

Survivors are one son, James Franklin Merrill Jr., Flagstaff, Arizona; two sisters, Mrs. M. O. Warren, Dallas, and Mrs. W. R. Shepard, Klondike; one brother, W. R. Merrill, Dallas.

Local funeral attendants were Mrs. Fred Williams and Mrs. Wesley Evans. Mr. and Mrs. W. R. Merrill, and their son, Fred, former Snyder residents, were also there. They visited here several days before their return to Dallas.

NEW TRIAL IS DENIED GREEN

Motion of the defense for a new trial in the C. W. (Chicken) Green murder case was denied in district court at Colorado Thursday.

Green was convicted last week of the dance hall slaying of Erwin Woellert in Snyder last May 30, and was sentenced to three years' imprisonment.

Immediately after the new trial motion was overruled the defense counsel announced the case will be

Cook: "How did you find the beef, sir?" Captain: "Oh, I just moved a bean, and there it was."

appealed. Green, who had been held in the Scurry County jail at Snyder since the trial ended, made bond of \$2,500, and was released Thursday.
