Dr. A. W. Evans of Tech to Address Seniors Friday Night

Second Semester Begins Monday Morning; Rev. Alfred M. Dorsett Preaches for Seniors and Friends Sunday

Dr. A. W. Evans, head of the education department at Texas Technological College, Lubbock, will deliver the commencement address for graduating classes of the junior and senior high school in the local school auditorium at 7:30 o'clock Friday evening.

Twenty-one high school seniors will receive their diplomas, and 29 junior high school students will go into high school. Mrs. Sue M. Lee is sponsor of the senior class, and Mrs. H. A. Lattimore sponsors the seventh graders.

Commencement Program.

The evening's program will be as follows: Processional—Mrs. A. C. Preullf. Invocation—Rev. H. C. Gordon. Vocal solo—Miss Zoulena Barnett. Address—Dr. A. W. Evans. Announcement of honors—Principal Park Sides.

Presentation of diplomas—Superintendent C. Wedgeworth.

Rev. Alfred M. Dorsett, pastor of the First Presbyterian Church, presented the baccalaureate sermon for the class Sunday evening. His subject was "The Scaffold or the Throne."

New Term Monday.

With mid-term examinations ending this week, the new term will begin Monday. According to the school heads, classes will begin at 9:00 o'clock each morning instead of 8:45, opening time the past four and one-half months.

Grammar school reports will be handed out Friday at 1:00 o'clock, and students are asked by Principal R. S. Sullivan to report to their old checking groups Monday morning at 9:00 o'clock for further instructions. Mrs. Madge Pounce will resume her work in junior high school Monday after having been out the first semester. Mrs. G. H. Leath has been substituting for her.

High school seniors will report for registration Saturday morning at 9:00 o'clock, according to King Sides, principal. Juniors and sophomores will begin registering at 9:00 o'clock Monday morning, and freshmen will register Monday afternoon, beginning at 1:00 o'clock.

Seniors Triumph Friday Night in "Lookin' Lovely"

With 350 people attending, the senior class of Snyder High School cleared more than \$40 on their play, "Lookin' Lovely," presented in the high school auditorium Friday evening. The play was one of the best performances ever seen in the local auditorium, according to attendants.

Successful presentation of the play brought amateur acting to a satisfactory close for members of the mid-term graduating class. Miss Ruth Irby, head of the high school speech arts department, directed the play. She was assisted by Mrs. Sue M. Lee, class sponsor, and by Dossie Mae Cason, a member of the class.

Seniors, who took part in the play, were: Rosanna Reynolds, Geneva Glasscock, Leslie Cole, Irene Wolcott, Mayme Lee Gibson, Otha Lee Clark, Royal Connell, Genevieve Jarratt, W. D. Sanders, LeRuth Johnston, Travis Green and Charles Lewis Jr.

A. C. Alexander Is Now Vice President Of Snyder National

A. C. Alexander, cashier for several years, was made vice president of Snyder National Bank, it was reported at the close of the annual directors' meeting Tuesday.

A. J. Oody, assistant cashier for some time, was named as cashier, and Wayne Williams was renamed as an assistant cashier.

M. A. Fuller, fourth member of the bank's official family, continues as president.

The board of directors remains unchanged. It is composed of M. A. Fuller, A. D. Erwin, J. F. Koonsman, Harrie Winston and A. C. Alexander.

Citizen of Scurry, But "Foreign Born"

Mr. and Mrs. Erton Tate of Lubbock announce arrival of Erton Frank, who has been christened a native of Scurry County, although he is "foreign born."

The Scurry County teachers have been attending Texas Tech. Mrs. Tate is the former Lorene Smith of the Plainview community, long a Times correspondent.

The young man arrived January 10, weighs six and one-half pounds, "and both he and his mother are doing fine," writes Erton at the last report.

Ranch Manager Thirty Years Is Taken By Death

Death called T. J. (Tom) Weaver last Friday morning from the position he had held for 30 years as manager of the Pyron Ranch, 20 miles southeast of Snyder.

Protracted illness that brought death was borne in the house into which Mr. Weaver moved when he became manager of the well known Fisher and Scurry County ranch. The property belongs to Boatman's Bank, St. Louis. He had been in this county several years before he became ranch manager.

Last rites were held at the Central Baptist Church, Hermleigh, Saturday afternoon at 3:00 o'clock. Mr. Weaver was a long-time active member of the church. He was buried with Odum Funeral Home in charge, in the Pyron cemetery, of which he was a guiding spirit. He was a trustee of the Pyron Cemetery Association. He was formerly a long-time member of the Pyron school board.

The services were conducted by Rev. J. Pat Horton of Plainview, former pastor of the Hermleigh church; Rev. P. D. O'Brien, pastor of the First Baptist Church, Colorado, and Rev. Frank Story, pastor of the Hermleigh Methodist Church.

Surviving are the widow; two daughters, Mrs. Roger McMillon of Sweetwater and Miss Commlino May Weaver, who resided with her parents; three half-brothers, A. E. Holmes of Phoenix, Arizona, C. P. Holmes of Crystal City, and James Holmes of Sweetwater; one sister, Mrs. Ruth Baker of Abilene; two grandchildren, Tommy and Bobby Curtis McMillon, Sweetwater.

Active pallbearers were John Bowen, B. Simmons, J. W. Hess, Loren McMillan, James Ammons and D. Ammon.

Flower girls were Hazel Lewis, Nora Bowen, Naomi Culp, La Vohn Roberts, Clarice Harkins and Miss Brown.

Honorary pallbearers were Will Williams, Oliver Curtis, Dr. H. O. Towle, H. H. Eiland, John L. Webb, Maurice Brownfield, Jack Johnson and Tom Dobbins.

Stand for Truth Pastor Urges in Talk to Seniors

"Stand for truth and you will succeed as you tread life's pathway," Rev. Alfred M. Dorsett told the 21 mid-winter graduates of Snyder High School Sunday evening in the school auditorium, when he delivered the baccalaureate sermon. Several hundred friends were in the congregation.

"As far as the remarks I shall make are concerned," he told the graduates in the beginning, "there is nobody here but just you and me." Rev. H. C. Gordon read Rev. Dorsett's text concerning the exhortation that followers of Jesus Christ should seek after the truth.

Life will be different for the seniors as they pass the threshold of commencement," the Presbyterian pastor said. "If you are to contribute to the forward march of the world you must be true to the right principles of living. Seek the truth (Elijah 1:17)—even at great cost. Christianity cost life-blood of those who sought the truth and the freedom that comes with the truth. Christ went to His death on a scaffold rather than forsake the truth. Scaffolds of false gods of today which are conquered by you may be used as stepping stones to a happy life."

Mrs. F. W. Wolcott played a professional as the graduates, speakers and the choir marched to their places, followed by an invocation by Rev. G. E. McPherson, First Christian Church pastor. The choir sang "Come, Thou Almighty King," directed by Miss Zoulena Barnett, Superintendent C. Wedgeworth made announcements following a vocal solo, "My Task," by Mrs. J. E. Sentell. Rev. Gordon pronounced the benediction.

Hobbs FFA Making Terracing Headway

By Marvin Scott, Reporter.

The Hobbs FFA boys made good headway last week on their terracing objective. They have run the lines and done part of the terracing work of 400 acres for Charley Horton. They are terracing some for Andy Jones this week.

If anybody wishes to have his land terraced by the Hobbs FFA, get in touch with Mr. Norton, the vocational agricultural teacher, or any of the students.

SURRENDERS

Truman Cannon, Big Spring liquor salesman, was not slain, as was feared by many when his blood-stained car was found five miles northwest of Snyder Dec. 19. He was surrendered by his bondsmen on two old charges Saturday at Sweetwater. He said he had only a vague memory of incidents since his disappearance.

CREDIT GROUP PLANS ANNUAL MEETING SOON

Production Credit Association of Sweetwater to Discuss Its Purposes and Services.

The Sweetwater Production Credit Association is endeavoring to approach 100 per cent attendance at its annual meeting, which will be held in Sweetwater January 22, according to O. H. Berry, secretary-treasurer.

Quite a little rivalry has developed among the 38 associations over the state, each trying to beat the others in the percentage of members in attendance at the meetings. Every member has been asked to bring at least one guest.

In addition to the election of directors for the coming year, an interesting program will be given, including an address by an officer of the Production Credit Corporation of Houston. The manager and directors of the association will report to the members on the 1935 operations of the association, telling them how many farmers and stockmen have been served, how much income the association has received, the amount of expenses for the year, and the net earnings available for reserves.

The address and the reports of the men in active charge of the association's affairs provide a good opportunity for members and other farmers and stockmen to learn more about the purposes of the association and the service which it is prepared to render to agriculture.

COUNTY PLANS TO HAVE PART IN CENTENNIAL

Snyder Delegates in Eastland to Learn of All-West Texas Display at Dallas.

Snyder and Scurry County will have a definite and active part in the Texas Centennial celebration, which begins in June of this year. Director W. J. Ely of the West Texas Chamber of Commerce reported yesterday when he returned, with three other locals, from a District 5 WTCC conference at Eastland.

Other local delegates were W. R. Lacey, Frank Farmer and J. C. Smyth.

The gathering of WTCC directors, civic and agricultural leaders was held at Hotel Connelley, with Milburn McCarty, District 5 chairman, in the chair.

Area Exhibit Outlined. D. A. Bandeen, WTCC manager, outlined in detail the plan, sponsored by the regional organization, whereby about \$35,000 worth of space was allocated in the giant agriculture building in the central exposition city, for an all-West Texas exhibit.

Snyder, along with each other membership town in the WTCC, will be given free use of a panel, about two by five feet, on which may be related or pictured its trade territory's major products and other features. Snyder's panel will be grouped along with panels of other towns in District 5, comprising 10 counties.

Cotton Is Featured. Each of the 10 WTCC districts will be allotted a space in which a miniature reproduction of a major West Texas crop or other feature will be constructed. Cotton will be the product emphasized in the Snyder exhibit.

The 10 district exhibits will center in a giant relief map of West Texas, financed by the WTCC. Director Ely recently appointed the following men to serve on the committee to prepare the Snyder panel: Maurice Brownfield, Forest Sears and Frank Farmer. J. C. Smyth was named as Snyder's representative on a district committee that will prepare the district's general cotton display.

Markers for County. The county's Centennial advisory board, appointed in 1934 by the governor, announces that historical data has been forwarded to Austin for two markers that will soon be placed in the county.

One of the markers will be on the Snyder square, and will briefly outline major points in the town's history. The other will be a highway marker, and will probably be placed just east of town. It will outline leading events in the county's history. O. P. Thrane, a member of the board, prepared this material.

Highway Park to Be Built by NYA Group of County

Mr. and Mrs. G. R. Austin attended a meeting of State Highway Department foremen of this district in Abilene Friday, where plans were made to start a number of National Youth Administration projects.

These projects will consist of the development and beautification of roadside parks. One of the parks will be located on Highway 7, 135 miles northwest of Snyder.

George Kempen of the State Highway Department explained that the parks were being sponsored by the department, and that they would be under the supervision of highway foremen. All labor will be furnished by the National Youth Administration, he said. A. V. Bullock, NYA representative for the 13th and 18th WPA district, outlined the work being done by the NYA. Allocation of \$98,732 of federal funds for the employment of 3,943 youths on park projects along the highways of Texas have been made, he said.

Improvement of the roadside parks will consist of clearing and grubbing the site, laying out flower beds, sodding with bermuda grass, building rock walls, rock benches and tables, open grates for cooking purposes. Caliche and gravel drives and walks will also be built.

Work on the park near Snyder is slated to start Friday, January 17. Only youths from relief families who are registered with the National Re-employment Service, are eligible to work on these projects, Bullock said. All youths interested in working are urged to get in line at the nearest NRS office and register.

Lyndon B. Johnson, state director of the NYA in Texas, in announcing the parks program this week declared that these projects will provide Texas with one of the finest highway park systems in the country.

County Vets May Be Given \$180,114

If the compromise bonus bill becomes law, Scurry County veterans will be entitled to \$180,114.27. So says Representative Wright Patman of Texarkana, perennial fighter for cash payment of the bonus.

The new bill which was passed overwhelmingly by the House last week, and which is apparently heading for Senate and presidential approval, offers 3,000,000 ex-soldiers immediate and full payment on adjusted service certificates, minus loans against them; provides that the veterans may hold certificates until 1945, drawing three per cent interest; cancels interest due on loans against certificates, but does not refund interest already paid.

Mrs. W. P. Avriett Addresses Local Club Women Wednesday Afternoon

Completing her second year as president of Seventh District, Texas Federation of Women's Clubs, Mrs. W. P. Avriett of Lamesa appeared before a large group of Snyder club women Wednesday, asking their continued support during her third year.

Mrs. Avriett spoke informally for more than an hour in the basement of the First Methodist Church. She was introduced by Mrs. O. P. Thrane, president of the local Altrurian Club and a district chairman, who praised the speaker highly for her untiring work during the past two years.

A house guest of Mrs. H. G. Towle here, Mrs. Avriett will be kept busy in committee meetings and social gatherings until her departure. Mrs. Joe Caton, district chairman of junior work, honored the district president with a dinner Wednesday night, for which she had all the local women who are district chairmen as guests.

During the course of her talk Wednesday afternoon, Mrs. Avriett reviewed the State Federation meeting held in Austin during the late fall of last year. She told of a number of speakers who took part on the program, several of whom will appear on the Seventh District program at Lubbock in the spring.

Commending Snyder clubs in their "Buy Texas-Made Products" campaign during the past year, Mrs. Avriett expressed a desire for all women in the state to especially observe the slogan during the Centennial.

Bringing out the fact that Texas is the only state which has a women's clubhouse, she urged that other clubs become patrons to the permanent headquarters building in Austin. She stated that an amendment to the state federation constitution to raise annual dues from 50 cents to one dollar, with the extra 50 cents going to permanent headquarters, will be voted upon at the next state meeting.

Woman's Day, a day instituted to honor the state president, Mrs. Volney W. Taylor of Brownsville, will be observed March 2 this year. Mrs. Avriett is asking every club to present as a Centennial gift to permanent headquarters 50 cents per member. She brought out the fact that Woman's Day was purposely set on Texas Independence Day, that club women may honor Texas heroes and the state president on the same day.

In conclusion, the speaker expressed her appreciation to Snyder club women for their good work during the past year, and the hope that the enthusiastic work would continue during her last year as district president.

Godetias Make Pretty Favors.

Lovely godetias were used to center tables at the refreshment hour last Thursday evening, when Mr. and Mrs. W. R. Bell were hosts to the Friendly Fellows Forty-two Club and guests. The flowers were presented to women present as party favors.

Games of forty-two were enjoyed by the jolly crowd, and a salad course was served to the following: Messrs. and Mmes. H. J. Brice, C. P. Sentell, W. M. Scott and Joe Monroe, Mrs. Lora Miller and Gay McGlaun, guests; and Messrs. and Mmes. R. H. Odum, R. D. English, F. W. Wolcott, R. L. Gray and C. E. Fish, club members.

Mr. and Mrs. A. W. Arnold will be next hosts to the club Thursday, January 15.

Wynona Keller Is Hostess to Friends.

Miss Wynona Keller was hostess to the younger set recently with a delightfully planned buffet supper and dance, given at the home of her parents, Mr. and Mrs. John Keller, Friday night of last week. "Teddy Vinson, a student in Terrell Military College, and Martin Harris, who is spending his second year in Texas Military Institute, San Antonio, were named honorees. Both have returned to school after spending several weeks with their parents here.

A "bon voyage" motif was used in party details, with black and gold, high school colors, combined in a pretty color scheme. Favors were miniature ships with the words, "Bon Voyage" on one side of the sails and "Best Wishes to Teddy and Martin" on the other.

The centerpiece for the dining table was a larger ship with silver sails. A delicious buffet dinner was served to 20 guests.

Auxiliary Begins New Study Book.

Missionary Society of the First Methodist Church met at the church in regular session Monday afternoon to complete plans for the mission study, which will begin January 27.

Under the leadership of Mrs. W. J. Ely, new study superintendent, the society looks forward to cooperation from all its members in making the study, "Methodist Missions," a real experience.

Other plans for next week's meeting with the Young Women's Circle were made following the study discussion, and the meeting was closed by a devotional by Mrs. A. M. Curry, auxiliary president.

Junior Club Has Study of Pioneers.

Twentieth Century Daughters enjoyed an interesting study of the pioneers of America at their meeting last Wednesday afternoon at the home of Wilma Terry. Louise Bowers was leader for the program.

Frances Sears and Ruth Line told stories from the book, "They Went West!" and Louise LeMond gave an Indian myth.

Dainty refreshments were passed to Mmes. R. L. Terry and A. L. Jones and Doris Moffett, guests; Mrs. W. J. Ely, sponsor; and Melba Ann Odum, Louise LeMond, Louise Bowers, Mary Curmutte, Irene Taylor, Erol Howell, Joanna Strayhorn, Mary Helen Bolin, Jeanne Greene, Ruth Line, Frances Sears, Ernestine Morton and Dorothy Pinkerton.

Mary Jane Beall Directs Program.

Mary Jane Beall was director for the program at a meeting of the Cresset Junior Club in the home of Allene Curry Tuesday evening. Guests at the meeting were Ruby Curry and Demah Leach.

Study of "Time Found Again," short story by Mildred Cram, was found quite interesting. Her life taken from an autobiography, "How I Cultivated a Sense of Humor," was told by Frances Chenault, who also gave a sketch of the life of Liszt, world famous composer, a character in the story. Almaren Heard gave the story, and Frances Boren conducted the discussion of it.

Refreshments were passed to the guests, to Mrs. Max Brownfield, sponsor, and the following club members: Frances Boren, Frances Chenault, Jan Thompson, Mary Jane Beall and Almaren Heard.

Week-end guests of Dr. and Mrs. R. D. English were Miss Nora Walters of Rule and Dr. Harrietta Walters of Seymour.

How much easier it is to study when there is plenty of glareless light! How much better it is for young eyes to have the good lighting that comes from properly designed lamps! How much happier are parents who know they are helping to conserve the priceless eyesight of their children! Young eyes deserve good lighting... old eyes demand it.

She will model for Schaeffer Garment Company of Dallas and New York during the two weeks show.

How Cardui Helps Women To Build Up

Cardui stimulates the appetite and improves digestion, helping women to get more strength from the food they eat. As nourishment is improved, strength is built up, certain functional pains go away and women praise Cardui for helping them back to good health. . . Mrs. C. E. Halliford of Hinson, W. Va., writes: "After the birth of my last baby, I did not seem to get my strength back. I took Cardui again and was soon sound and well. I have given it to my daughters and recommend it to other ladies. . . Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician."

Miss Elector Lewis Weds Roscoe Man.

Miss Elector Lewis, daughter of Mr. and Mrs. J. H. Lewis of near Hermleigh, and Clarence E. Rayburn, son of Mr. and Mrs. W. D. Rayburn of Roscoe, were married Saturday afternoon at 1:30 o'clock at the home of Rev. and Mrs. Lawrence Hays here. The couple will make their home in Roscoe.

Rev. Hays read the ceremony in

the presence of three of the bride's sisters: Mrs. Bill Bryan of Brownfield and Miss Laura Lewis and Mrs. Marion Dabbs of Plainview. Mrs. Rayburn wore a brown crepe frock with harmonizing accessories for the wedding.

Mrs. J. G. Hicks and children, Patty Joyce and Bobby, left Wednesday morning for Frederick, Oklahoma, for a several days visit with their mother and grandmother, Mrs. R. L. Bailey.

ELY RENAMED SCOUT LEADER FOR NEW YEAR

Buffalo Trail Executive Reports Progress of Old Year and Outlines 1936 Plans.

W. J. Ely of Snyder will head the Snyder District Scouters again for 1936.

A. C. Williamson of Sweetwater, Buffalo Trail executive, was present, and outlined general plans and goals for the ensuing year.

Reports from the executive about work done in the area during 1935. Of special interest was the progress that has been made on the 10-year program of achievements and objectives, a plan outlined by the national Boy Scout organization.

The council as a whole had almost attained its goal of 455 new scouts, Williamson reported, having registered 413 boys.

There is still much work to be done in the area in the matter of enlisting boys in this citizen-building opportunity, the executive told the 15 men gathered at the meeting.

Special stress is to be laid this year on the rural scouting program, it was stated.

Attending the meeting, besides Mr. Williamson and Mr. Ely were: M. U. Vernon, W. C. Haynes and John Pigman, councilmen for the Hermleigh troop; Scoutmaster V. D. Armstrong and Assistant Ernest Griffith of Hermleigh; J. E. Shipp, Snyder district finance chairman; W. R. Luce, commissioner; J. H. Weathersbee, Clyde Boren, J. R. Reeves, local troop councilmen; Scoutmaster W. F. Cox and Assistant Hadley Reeve of Troop No. 36; Willard Jones, scoutmaster of Troop No. 35; Frank Farmer, rural scouting chairman.

CHURCH ANNOUNCEMENTS

First Methodist Church

The text for the 11:00 o'clock service next Sunday will be "The Sabbath was made for man and not man for the Sabbath." The truth contained in this text may be given a wide application.

At 7:00 p. m. Clarence Walton will bring a message to the congregation from the Memphis young people's conference, which he attended. We were fortunate in having a representative in the church-wide conference.

You are invited to this and all our services.—H. C. Gordon, pastor.

Church of the Nazarene

In the early part of the new year let us begin right by studying God's word. Every Sunday we have a Bible school at the gospel tabernacle at 3:00 p. m. At 3:45 there will be a message from God's word, with the subject "Was Jesus Christ Actually God?"

Sunday morning at 11:00 o'clock is the time for our service at Ennis Creek. The subject will be "What Will Survive the Present World Conflict?" We invite all the people in that community to come and let's see from the word what will be next.—J. Ollie Hux, pastor.

First Presbyterian Church

The morning worship service at 11:00 o'clock next Sunday will be in charge of the Ladies Auxiliary and will be a service of dedication for the new "Year Book of Prayer for Missions." This service will be directed by Mrs. Mary B. Shell, president of the Missionary Society, and Mrs. Tom Elza, president of the local auxiliary.

Sunday school will meet in all departments at 9:45 a. m. There has been a consistently fine attendance at Sunday school for the last several Sundays and we hope that it may continue to grow. Both intermediate and the young people's Christian Endeavor will meet at 6:00 p. m. There will be no evening worship service in the absence of the pastor.—Alfred M. Dorsett, pastor.

Fluvanna Presbyterian Church. Next Sunday will be time for services at the Presbyterian Church, due to a change for this month from the regular second Sunday services. Communion service will be held. Theme for the morning service will be "He Took the Cup." All new members will be received into the fellowship of the church and all candidates for baptism will be baptized. Theme for the evening service will be "Comrades of the Cross." A very cordial invitation is extended to everyone in the community to be present and worship with us next Sunday.—Alfred M. Dorsett, pastor.

First Christian Church

Our Bible school begins promptly at 9:45 a. m. The theme for the morning worship service, which begins at 10:45 o'clock, is "What Shall I Do With Jesus." Christian Endeavor, 6:00 p. m. Evening worship, 7:00 o'clock. A slight increase in our Bible school attendance last Sunday added greatly to our joy. We have a very bright outlook ahead for the next few months.

Bridge Club Meets With Mrs. Stokes.

Members of the Wednesday Afternoon Bridge Club and guests met at the home of Mrs. Aubrey Stokes this week for a lovely party. High score prize went to Mrs. Weldon Johnson and Mrs. J. D. Scott took the traveling prize.

Mrs. Max Brownfield was elected new president of the club, and Mrs. Weldon Johnson is the new reporter. Both were elected at a short business session following the games Wednesday.

Lovely refreshments were passed to Mmes. Fred A. Yoder, J. P. Strayhorn and Fla Joyce, and Miss Dorothy Strayhorn, guests, and to the following club members: Mmes. Amos Joyce, W. W. Hill, J. D. Scott, Galtner Bell, P. W. Cloud, Weldon Johnson and Max Brownfield.

Johnnie Mathison Hostess at Bridge.

Johnnie Mathison was charming hostess to members of the Duce Bridge Club at her home last Thursday evening. Bridge prizes went to Bonnie Miller and Rubie Lee.

A dainty salad course with cream puffs and coffee was passed to the following: Jan Thompson, Mavis Webb, Bonnie Miller, Vesta Green, Gwen Gray, Mary Jane Beall, Frances Boren, Frances Chenault, Alta Bowers, Mrs. Billie Lee Jr., Janice Erwin, Rubie Lee and Allene Curry. The club will meet Thursday, January 23, at the home of Allene Curry.

Lattimore Attends Laundrymen's Meet

H. A. Lattimore, manager of Snyder Steam Laundry, returned last Thursday from Amarillo, where he attended the twenty-seventh annual convention of the Texas Laundrymen's Association. The session was held jointly with the New Mexico association.

Mrs. Morris Will Head Study Group.

Mrs. A. P. Morris will serve as president of the Progressive Study Club for the next year beginning in September. She was elected at a meeting of the club at the home of Mrs. J. M. Selsler last Thursday.

Other officers elected are as follows: Mrs. A. C. Martin, first vice president; Mrs. Oscar Gregg, second vice president; Mrs. H. L. Wren, secretary; Mrs. John Spens, treasurer; Mrs. Jim Patterson, reporter.

A program on "The People of Texas" was given by Mmes. J. White, H. L. Wren and W. R. McFarland, directed by Mrs. Lora Miller. Refreshments were served to Mmes. Charley Miller and Autry, guests, and to 12 members of the club.

Mrs. Johnson Is Hostess at Bridge.

The living room of the Sidney Johnson Ranch home, which was recently redecorated, was beautifully decorated with cut flowers last Tuesday afternoon when Mrs. Johnson was hostess to the Tuesday Afternoon Bridge Club.

As guests enjoyed contract bridge games, Mrs. Johnson sat before the large open fire popping corn, which was served buttered to the guests during the games.

At tea time, she passed a delightful luncheon plate to Mmes. Charles J. Lewis and Roy Strayhorn, guests; and Mmes. W. J. Ely, J. C. Dorward, Joe Strayhorn, W. M. Scott, E. M. Deakins and H. J. Brice, club members.

Colored Church Is Beginning Revival

White citizens have a cordial invitation to attend revival services that are beginning at the new colored church here tonight, according to members of the congregation. The church was built by the colored Church of God in Christ in the oil mill section.

Preaching by Elder H. Norris, pastor, special colored singing and piano playing by a trained musician from Spur will be featured.

ed greatly to our joy. We have a very bright outlook ahead for the next few months. We are happy to announce that we will have a great revival beginning three weeks before and climaxing on Easter Sunday. We are working hard in preparation for this revival and urge all members to be present at our services to help us.

Santa Fe Thinks Good Crops and Ranges in Store

Following is the regular monthly Santa Fe Railway agricultural report for January 1: Heavy rains falling in Texas recently have made unfavorable crop conditions. In the Harris County area the damage is estimated at \$200,000 to crops and livestock ranges.

The 1935 cotton crop for Texas is set at 3,950,000 bales, compared to 2,400,000 in 1934, with an average lint production per acre of 138 pounds as against 112 in 1934.

The base area for Texas rice has been set at 161,452 acres with a production of 2,256,155 barrels of 62 pounds to the barrel.

Texas farmers this fall planted 4,648,000 acres of wheat, compared with 4,469,000 acres last year and a five-year average of 4,377,000. Drilling is in progress as late as December 15. Conditions range from fair to good. Wheat pasturage is increasing in the North Plains section.

With one of the largest pecan crops in history on hand, many thousands of pounds of these nuts are being stored in the grower's hope of securing a government loan of 8 cents per pound. A pecan export plan is being worked for shipments abroad to strengthen the domestic market. Efforts are being made for developing new uses for pecan oil and pecan meal.

The peak of turkey shipments passed at Christmas time. This season's shipments were better than the average in condition, with total weights and tonnage about on a par with those of 1934.

Texas cattle ranges, generally, are in excellent condition, being about 85 per cent of normal as compared to 52 per cent of normal a year ago. Pasturage conditions are better than they have been since 1928. It is apparent that there will be ample feed to carry stock through the winter.

Bible Study Class Work at Church of Christ Three Days

The Church of Christ, corner of Avenue O and 25th Street, will hear sermons Sunday by Bro. Roy J. Clark. The subject at 11:00 a. m. will be "What I'd Do if I were the Devil;" at 7:15 p. m., "Lifting Up the Brazen Serpent."

Bible study is conducted in classes at 10:00 a. m., with a class for everyone. Bible study is conducted Wednesday evening at 7:15 o'clock. Ladies will meet for study Thursday afternoon at 3:30 o'clock, and men will meet Thursday evening in a special training class.

Church leaders announce that there is a place for everyone, and they invite folks of all ages to all services.

Elmer W. Watkins, who is an employee in the capitol building at Washington, D. C., left here Friday after a several weeks visit with his parents. He plans to be back at work by next week.

Chalk Brown of Plainview, formerly a Snyder resident, visited friends here this week.

Conditions are almost ideal in the sheep and goat regions, as well as in cattle regions. The peak of cattle, sheep and lamb shipments has passed.

How Calotabs Help Nature To Throw Off a Bad Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fifth night if needed. How do Calotabs help Nature throw off a cold? First, Calotabs is one of the most thorough and dependable of all intestinal eliminants, thus cleansing the intestinal tract of the germ-laden mucus and toxins.

Second, Calotabs are diuretic to the kidneys, promoting the elimination of cold poisons from the system. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds.

Calotabs are quite economical; only twenty-five cents for the family package, ten cents for the trial package. (Adv.)

Sales Meet and Supper Is Given For Tractor Men

Seventeen men attended a zone supper and sales meeting here Friday evening, with Snyder Hardware & Implement Company and the Sweetwater branch of the International Harvester Company as hosts-in-chief.

Out-of-town dealers for Farmall tractors and other INC implements attended. After a supper in Wilsford's Coffee Shop, the group went to the local hardware office, where dealers and their sales forces were presented with facts and suggestions concerning tractor sales in this area.

Demand for tractors is exceeding production capacity this year, it was pointed out by branch office officials.

The Sweetwater office has one of the largest stocks of tractor and implement supplies in the Southwest, according to the local hardware company force. Practically any part used on any tractor or implement INC makes is available here on overnight service.

The Friday evening supper table presented this line-up: J. T. Coggin, D. A. Jones, G. W. Kiker, F. D. O'Leary and W. E. Greene of the branch office; G. W. Basinger of Southland; T. H. Greenfield, H. A. McCrory, L. S. McCrory and Joe B. Taylor of Post; W. W. McCarty, E. Earl Brown, Marion Newton and Tom DeShazo of the local store; Frank Farmer, W. R. Luce and J. C. Smyth, local guests.

MOTHER DEMANDS A SAFE CAR FOR SHIRLEY TEMPLE

Shirley Temple, starring in "Captain January"—Darryl F. Zanuck in charge of production, Twentieth Century-Fox Film Corporation—soon to be shown at your favorite theatre.

So Shirley has a big, new, Money-Saving Dodge Beauty-Winner. "IN SELECTING a car to take Shirley to and from the studio we were primarily interested in safety," says Mrs. George Temple, mother of the famous child cinema star. "The new 1936 Dodge with its rugged steel body and amazing brake action proved a happy solution to this problem."

The big, new 1936 Dodge gives you an amazing combination of safety features... the safety-steel body... genuine hydraulic brakes... finger-tip steering and shifting—immediately responsive in heavy traffic.

My goodness! what a grand car—Shirley Temple.

Dodge, however, gives you more than safety. Roomier, more luxuriously appointed than ever, the big, new, Money-Saving Dodge is smashing all economy records—owners report 18 to 24 miles to the gallon of gas and saving up to 20% on oil.

See this big, new Dodge today. Drive it! Enjoy the amazing comfort of its Airglide-Ride. And remember, Dodge is now offered at new low prices—only \$640 and up, list prices at factory, Detroit—only a few dollars more than the lowest-priced cars!

CITY TAXES

City taxes for 1935 that are unpaid will become delinquent on February 1st. Now is the time for all property owners and in some instances real estate owners, to pay their taxes for the City of Snyder. Failure to pay City taxes before February 1 will subject the payee to interest and penalty charges.

Delinquent taxes must be paid, and may be paid in partial payments. The expenditures of the City are based on the collection of these taxes. When they are not paid it places an extra burden on those who do pay. Pay this month and save the difference!

Shaking the Experts. Should the president hurdle the campaign this summer, what is recognized as his biggest job will be shaking loose the thousands of "experts" and high-salaried men of one kind and another who have mounted the band wagon as emergency men.

Cotton in West Texas. With the AAA knocked for a loop and the Bankhead Act scheduled for the axe, next we wish to renew our plea to the farmers of this section for the abandonment of cotton in this section as a major money crop.

One Million More Cows.

The preliminary farm census report for Texas, released today, reveals that the state has approximately 1,000,000 more cows and heifers than she had in 1930.

Further facts submitted by the report indicate that farmers have cut the Texas cotton acreage 6,800,000 acres since 1929, and that there has been an increase of crops for human consumption, sweet potatoes and Irish potatoes leading in the increase.

As the street-corner commentator would say, Scurry County folks should put these facts in their pipes and smoke 'em. Indeed, Scurry County has learned many lessons concerning marginal land, home-grown food and excess cotton acreage.

EDITORIAL OF THE WEEK ONE WHO BEFRIENDED ME. Somewhere in the turbulent sea of human existence which reaches ports I do not know, dwells one who befriended me, then drifted away.

It was at sunset on the second day since I had eaten, and my thin worn shoes had paced unfriendly streets in a vain search for employment.

I think he may have watched me rush to the nearest place where victuals were sold. It was a cheap place and full of rancid odors, but it was a banquet hall to me, and I left half of the two dollar loan in payment for what I had eaten.

With the government setting aside \$1,000,000,000 for the rehabilitation of American families the lump sum is divided into several different agencies; the American citizen has the best chance of a lifetime to become a home owner.

Monday, January 6, will no doubt be remembered as one of the most historic decisions handed down by the Supreme Court, for by its 6-3 vote all AAA contracts were declared unconstitutional, impounding \$200,000,000 of AAA taxes, at a time when the AAA was under obligation to pay farmers \$550,000,000.

Friday Thirteenth Is Lucky Day for Ziegler in Hawaii

From the Honolulu Star-Bulletin, article of December 13, comes this article concerning the lucky day of Jacob Charles Ziegler, former Scurry County resident, a son of Mr. and Mrs. J. C. Ziegler of the Democrat community.

In case you may not have noticed it, this is Friday the thirteenth. It is peculiarly a day of celebration to Jacob Charles Ziegler, proprietor of the Army and Navy YMCA barber shop.

Deposits show a decided increase over the report of November 1, but are slightly less than the report of December 31, 1934.

Following are comparative figures for deposits, loans and discounts and total assets for three periods in 1935 and the last period in 1934:

Table comparing Assets of Snyder National Bank for Dec 31 1935, Nov 1 1935, Dec 31 1934, and June 30 1934.

As though that were not enough, Ziegler sailed on the old transport Buford April 13, 1921, for discharge from the service at Fort McDowell, California.

By this time perhaps he had got into the habit of doing things on the lucky day, so he boarded a train for Brest on black Friday, May 13, 1921.

Returning to Honolulu several years later, he was installed to the position of Great North Moose in the Moose Lodge here on January 13, 1933.

"Red" claims that the day has brought him good luck or something. He is not sure, but thinks that it was on the 13th of some month in France that a high explosive shell burst near him, denting his trench helmet and cutting his belt in two with fragments. He was not wounded.

A missionary in India was having an earnest talk with a Hindu whom he hoped to convert to Christianity. "Come, now," said the missionary, "wouldn't you like to go to Heaven when you die?"

"I do not think," he said, "that Heaven can be very good, or the British would have grabbed it years ago."

Dickie Has Eyes On Western Films And Newspapers

Little Dickie Jones, the eight-year-old child Western star, wants to be a Western star when he grows up. If he is not a Western star he wants to be a newspaper man.

His father works for the Courier-Gazette of McKinney, and formerly worked for The Scurry County Times. Before bringing Dickie to Hollywood, his mother, Mrs. LaVerne Jones, did some photographic work for newspapers, and in fact Dickie delivered papers from time to time.

Bringing Dickie to Hollywood was a "hunch" of Mrs. Jones's. Dickie had been featured on the radio, and his mother thought he ought to go to Hollywood. It was Hoot Gibson who met Dickie in Texas and arranged for him to come to the film capital. Even grown-ups can't out-ropo or out-ride little Dickie Jones, who is past-master at cowboy tricks.

A sudden change of role came recently when he was cast to play Little Lord Fauntleroy at the age of eight in the R. K. O. picture, "Little Lord Fauntleroy." Despite being honored at playing in this production, Dickie says he will be glad to get back into Western pictures so he can wear old clothes.

Dickie at present earns \$100 a week. "It all goes in the bank," he says, "except for overhead." Overhead was a term that confused even Dickie, but he did know that make-up, transportation, fan photographs, and riding equipment are taken out of his salary. "Oh, yes," he added, "I pay for my horse, Buckles, board and room." Mrs. Jones says Dickie

From the state highway department at Austin Bernard Longbotham, county assessor-collector, has obtained the following information about registering cars:

Vehicles registered for 1935 may be re-registered for 1936 as early as February 1, but the plates cannot legally be used before March 1. Any new or unregistered vehicle in service in January, February or March is required to be registered for 1935—that is, for the remainder of the fiscal year, up to April 1. On or after February 1, however, both sets of plates may be bought.

Beware The Cough From a common cold That Hangs On

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Creomulsion not only contains the soothing elements common to many remedies; such as, Syrup of White Pine Compound with Tar, fluid extract of Wild Cherry and Menthol, but also has fluid extract of Ipecac for its powerful phlegm loosening effect, fluid extract of Cascara for its mild laxative effect and, most important of all, Beechwood Creosote is perfectly blended with all of these to reach the source of the trouble from the inside. Creomulsion can be taken frequently and continuously by adults and children with remarkable results.

Friends Announce Mayor H. G. Towle For Another Term

Friends of Mayor H. G. Towle ask The Times to announce him as a candidate for re-election to the office in which he has served almost 10 years.

These friends say the mayor's record of economy and progress, made with the support and cooperation of the City Council and the citizenship as a whole, make it imperative that he be retained in the responsible position. They point out that he serves without pay, and that he has an unblemished record of service.

"Under Mayor Towle's leadership," say his associates, "Snyder has been steered through perilous times, and has not only remained on a cash basis, but has made a number of major improvements.

"Among accomplishments of the Towle administration are these: Drastic reduction of water rates, and conduct of this utility on a profit basis; building and operation of one of the most efficient disposal plants to be found in any city; keeping the city clear of warrants for maintenance purposes and other credit channels; securing of a major share of federal projects with a minimum of expense for the city.

"We sincerely believe that Mayor Towle is the type of man we should keep in the mayor's office, and we respectfully urge his support by the citizenship."

Qualifications for Office Outlined by Sheriff Candidate

To the voters of Scurry County: I want to say this in regard to my race for the sheriff's office.

Born and reared in Panola County, Carthage the county seat, I lived there until I came to Scurry County in 1923, except three years I lived in Dallas, where I was employed as motorman with the Dallas Street Railway Company; also with the Dallas police department, in connection with my police service.

I have had seven years experience as constable in Panola County.

I realize that I do not know so many people in Scurry County, but it does not matter so much what I know about you—it is what you can find out about me.

I am appealing to the people who are really interested in trying to select the proper man for the office, that you give me serious consideration and investigation. And after you have done so I will be willing to abide by your better judgment. I will make two promises: First, if elected, I shall not sacrifice my oath; second, I shall be fair with the defendant.

I am asking only for the sheriff's office. I shall not try to be sheriff, judge, attorney and jury. I shall try to keep down crime, as well as bring lawbreakers before a court of justice. I want to help make Scurry County a better place to live and rear our children.

It will be impossible to make a house-to-house canvass, as I am a farmer and will be busy with my crop most of the time. I am hoping to be

Yours in service,
CLYDE THOMAS.

DEATH CLAIMS H. W. STIMSON HERE MONDAY

One of First Automobile Dealers in West Texas Succumbs to Lingering Illness.

H. W. (Woodson) Stimson, one of West Texas' first automobile dealers, died at his home in North Snyder at 1:00 o'clock Monday morning. He had been ill for several weeks, and in poor health for several months.

Thirty-five of the business man's 54 years had been spent in Scurry County, where he moved with his family from Collin County. The Stimsons resided on a farm east of Snyder, before they moved to town. Funeral rites were conducted at the First Methodist Church Tuesday afternoon, 3:00 o'clock, with Rev. H. C. Gordon, pastor, and Rev. Cal C. Wright, former local pastor, now of Colorado, officiating. Odom Funeral Home was in charge of burial in Snyder cemetery.

In Business Since 1909.

Mr. Stimson had been in business here since 1909, when he and his brother, C. W. Stimson, operated a drug store. In 1913 he went into the dry goods and grocery business. Three years later, when cars were scarce in this part of the world, he went into the automobile business. In recent years he had been associated with his other brother, J. O. Stimson, in operating Stimson Brothers Pontiac and Buick sales, a service station, camp ground and garage.

Tuesday afternoon rites were attended by several hundred friends, many of them out-of-town business associates.

Survivors are: His father, John W. Stimson, with whom he resided; one daughter, Miss Johnnie Lee Stimson, teacher at Wortham; six sisters, Mrs. W. A. Rodgers and Mrs. H. P. Brown of Snyder, Mrs. J. W. Tarwater of Rockwall, Miss Eula Stimson of Dallas, Miss Jessie Stimson of San Marcos and Miss Vernelle Stimson of Coleman. The nieces and nephews include Mrs. Ed Grimes of Abilene, the former Miss Lucille Brown of Snyder, and her small daughter, to whom Mr. Stimson was strongly attached; Harold Brown of Snyder, Billy and Bobby Tarwater of Rockwall, and Mrs. Harry Ward of Cross Plains, the former Miss Maurine Stimson of Snyder.

Pallbearers at Services.

Active pallbearers at final services were the following employees and former employees: W. E. Perry, Howard Holmes, Averil Head, Lawrence Green, Bruce Woodson and A. P. Biggs.

Flower girls were Horence Leath, Patty Joyce Hicks, Nell Verna LeMond, Margaret Gray, Jo Ann McGlaun, Helen Jo Grayum, Mary Ellen Williams, Tippy Burns.

Honorary pallbearers were as follows: P. L. Fuller, O. P. Thrane, Gay McGlaun, A. C. Alexander, H. L. Davis, Maurice Brownfield, Com Ezell, Dr. A. O. Scarborough, Dr. R. D. English, Dr. Grady Shyles, Joe Stinson, J. C. Dorward, Will Williams, Fred Grayum, Tom Boren, Hugh Boren, Ward Gross, Fred Wilhelm, Horace Leath, Lee Byrd, E. E. Wallace, M. M. Albert Smith Will Seek City Marshal Position in Snyder

Albert Smith, who is beginning his second year of service as constable in justice Precinct No. 1, announces this week as a candidate for city marshal of Snyder, subject to action of the city election, April 7.

"I am convinced," he stated in making a formal announcement, "that the great majority of Snyder citizens desire a clean, upright town in which to live and rear their children. This means, of course, that they must have officers who will enforce the law without fear or prejudice—men who will make a genuine effort to curb petty and major crime.

"If the voters of Snyder see fit to elect me to the office of marshal, I pledge them that I will seek to enforce the law, just as I am doing as constable. I believe the experience I have had as constable and the record I have made entitle me to every voter's serious consideration.

"Yours for law enforcement."
ALBERT SMITH.

R. R. Giles Comes Out This Week for Weigher in No. 13

R. R. Giles is the first man to throw his hat into the ring as a candidate for weigher in weigher's Precinct No. 13.

The candidate has lived around Inadale for 10 years, and is well known to the people of that trade territory. He has been a farmer most of the 10-year period.

If elected, Mr. Giles promises competent service, backed by experience and a desire to treat everybody alike. He asks all folks in his precinct, voters and non-voters alike, to investigate his record as a citizen, and act solely on this investigation.

"The vote and influence of every person in the precinct will be sincerely appreciated, and I will do my best to merit every confidence placed in me," the candidate told The Times yesterday.

Henderson for Re-election

Dick Henderson tells The Times this week that he will be a candidate for re-election in Precinct No. 1, a position he is holding for his first term. His formal statement will be made at a later date.

LET'S TALK ABOUT CLOTHES
By a "Young Modern"

With the coming of the new year, women everywhere are anxious to supplement their dull winter wardrobe with something bright and new. To meet this need prints have come to the foreground, and are shown in brilliant hues on dark background.

After years of conservative prints, there has arisen this season an assortment of amusing and exceptionally interesting designs. The amusing quality of these new patterns is centered in the "trick" motif, which is the subject of the design. In the past, prints have been used extensively as subjects for prints, and they still are, but vegetables are the newest inspirations for designs. Radishes, strawberries and any root vegetables are seen in tiny outlines in light colors against dark backgrounds.

Floral prints are exceptionally lovely, according to girls at Texas State College for Women (CIA). There is one based on bluebells and another on large calla lilies. The latter rather stiff flower really is graceful and slender when printed on a dark jacquered crepe for evening wear. Daisies with colored centers, shasta daisies, African daisies, asters and cosmos are shown in profile, full view and angle designs. Their variations are innumerable, and they make exciting patterns for afternoon frocks.

The new prints are designed for every type of dress. You see them about the house in the morning, at luncheon engagements uptown, at afternoon bridge parties and in the evening at formal affairs. They are very little and young, and call for simple trimming. What trimming is used consists of solid materials in blending hues, patent leather cloth, metals buttons and suede bindings.

Attend Stimson Rites.

Among out-of-town attendants at H. W. Stimson's funeral rites Tuesday afternoon were the following: Mr. and Mrs. Harmon Williams, J. L. Stimson Jr., Lubbock; Mr. and Mrs. W. Brown, Mrs. Mildred Loke, Slaton; Mr. and Mrs. Melvin Seay, Ray Smith Veasey, Abernathy; Mr. and Mrs. Roy Patterson and daughter, Sweetwater; Dale Warren, Colorado; Mr. Lacy, Abilene; Mr. and Mrs. Ben Taylor, Mr. and Mrs. Floyd Stobaugh, Coleman.

Paralysis Fund To Be Collected Here Says May

Mayor H. G. Towle announced yesterday the appointment of committee of eight women for collection of funds for the national infantile paralysis fight sponsored by President Roosevelt. Mayor Towle is county chairman of the movement.

In most communities there will be balls and parties during the latter part of January, which has been set aside for the nation-wide drive. The mayor reports that this plan, carried out here two years ago, has been found impractical, and he calls upon citizens of the town and county to make nominal contributions directly to committee members.

The following group will make a canvass of the business district: Misses H. G. Towle, O. P. Thrane, J. C. Stinson, Joe Strayhorn, Wayne Boren, J. C. Dorward, J. A. Woodfin and C. W. Harless.

All funds derived from the drive are used for the benefit of patients, mostly children, in the infantile paralysis hospital set up by the president, at Warm Springs, Georgia, and for other paralysis prevention and cure purposes.

Your Schools

Help Keep Your School in Good Financial Shape

PAY YOUR School Taxes

Taxes for Snyder Independent School District for 1936 that are unpaid by February 1st, will become delinquent, and will be subject to interest and penalty charges thereafter. Arrange to pay your taxes before that date, and save these additional expenses.

Your School Board can make your school no better than the tax-payers will let them. We are trying to run your school affairs as economically and systematically as possible. We need all the tax money available to finish the year's work in first-class shape. An honest endeavor to pay on the part of those who owe school taxes will facilitate continued operation of the schools on a cash basis.

School taxes are payable to J. S. Bradbury, in the basement of First State Bank Building.

Jessie, Buttercup And Bossie Killed

The telegraph-editor of a Denver newspaper complained to a country correspondent who omitted names in his stories. He wrote the man that if he neglected this essential detail in his next yarn he would be discharged.

A few days later the editor got this dispatch: "Como, Colorado, September 3—A severe storm passed over this section this afternoon and lightning struck a barbed-wire fence on the ranch of Henry Wilson, killing three cows—their names being Jessie, Buttercup and Bossie."—Kansas City Star.

HERE IS MORE CONCERNING CANNON CONCLUDED FROM PAGE 1

disappeared several weeks ago, but decided he did not quite fit the description and turned him loose.

Heard His Name. "At the word 'Cannon,' the salesman said, 'I realized that was my name. It alarmed me and I became nervous but I did not tell them I was the man. I wanted to get home, for I realized my people must be concerned about me. The first thing I did after leaving the sheriff's office was to catch a freight train home.'

"I arrived in Sweetwater about 8:00 o'clock Friday night and went directly to my wife and children. I wanted to call my bondsmen and surrender, but we decided to wait until morning. The first thing this morning I got in touch with bondsmen and came to the sheriff's office."

Asked if he knew where he had been since events of the night December 19, Cannon said he did not, "except I have wandered over much country. I remember having passed through Sweetwater and believe I was in New Orleans." He said he thought he was in those places because of a "faint recollection of seeing things I recognized."

Not in Amarillo. To a question as to whether he thought he was in Amarillo recently, as reported, he said he did not believe he ever had been there.

He could not remember anything being said about money the night he was held up near Snyder. He said:

"I had between \$500 and \$600 in my wallet. Many of my customers paid me in checks. The company held salesmen responsible for any worthless checks accepted. I made it a practice to cash them before leaving the town in which they were given. If they were no good I would take them back and try to get the money. I had done that for at least a month before that time."

"Unintentionally I flushed this money every time I cashed a check and put money in my wallet. Someone may have seen the amount of bills and decided to rob me."

Picked Up in Brownwood. Cannon said he did not know what he was doing in Brownwood, but remembered just before he was picked up of having been on a creek picking up pecans. He stated he was wearing the same clothes he had on the morning he left Big Spring, and remembers he kept them clean. They were neat and clean. He appeared to be physically well Saturday. He exhibited a scar on the left arm where he said the object thrown from the other car struck him, knocking several jaw teeth loose.

Asked what his sensation was when he was aroused "from his amnesia," he said: "It was as if someone had taken a dishpan, put it beside my head and hit it with a hammer."

He said he was glad it was over and he was "ready to face these two little indictments here" (Sweetwater).

Cannon's cases were set for trial at the last September term of district court, but were passed on account of illness of his attorney, Judge A. S. Mauzey of 32nd court has not called the criminal docket for the January term. It is expected the two cases will be set early for hearing.

New School Paper Printed for Pyron

Initial issue of The Eagle's Voice, Pyron school paper, is being issued from the Times plant this week. Pyron published a combination school and community paper in the fall, but this is the first issue of the new paper, prepared by students, under direction of Mrs. Marvin Hanback, teacher.

The Eagle's Voice contains hearty advertising support from Snyder, Roscoe, Pyron and Hermleigh merchants, as well as a variety of news and features.

Staff members are: Editor-in-chief, Avon Chitsey; business manager, Kimzey Womack; assistant business manager, Barnett Pieper; assistant editor, Mary Lois Miller; news editor, Ethel Young; society editor, Gladys Ruth Mahoney; feature editors, William Vernon and Madeline Burklow; sports editors, Denver Hale and Joe Winburne; reporters, Ruth Garrett, Artes White, Mable Glass, Thelma Kinney, Mabel Light.

Grid Coaches to Locate New Test In Wildcat Area

The Abilene Reporter-News said Sunday that a wildcat oil test is due to be spudded 14 miles northwest of Snyder within the next few days, with two well-known West Texas grid coaches doing the scouting.

Neither of the operators has been located by The Times this week for a definite statement as to the spudding in date.

The oil fraternity is interested because the operations will test a large structure, worked out by seismicographic surveys which shows perfect closures on the north, west and east.

Football fans of this section of the state are interested because of the men who will drill the test. They are R. H. (Big Jim) Cantrill of Colorado and J. Gordon (Obbie) Bristow of Big Spring.

Cantrill has coached the Co-orado High School teams for a number of years, and their playing field is named for him. He was a star player at Texas Christian University. He resigned the coach's place here a year ago. He is popular as a grid official.

Bristow, former University of Oklahoma star, has coached the Big Spring High Steers for the past four years. Drilling for oil is not new to him. He has worked in almost every department of the business from roughnecking to head office man in business with his father, the late Dr. J. E. Bristow.

Bristow & Cantrill's No. 1 Shannon estate will be located in the center of the northwest quarter, section 33, block 97, H. & T. C. survey, 14 miles northwest of Snyder.

Four major oil companies, Magnolia, California, Shell and Humble, will watch developments with particular interest because they hold leases over a territory extending 25 miles northwest and southeast of the test.

Bristow and Cantrill plan to drill 3,500 feet unless commercial production is encountered at a lesser depth. Drilling contract has been awarded to I. E. Silkwood of Wichita Falls.

included in 1934 total), \$106,340.87; community and county committees and county agent's office payroll, \$6,774.12. In addition, \$6,357.21 has been approved but not paid in the special 1935 pool. This amount may be received later without any further government action. As previously stated, about \$5,000 in rentals and parties are also outstanding.

Hog contracts netted \$1,181.45 out of a total of \$2,362.90 due. Cattle sales netted about \$1,800.

If the bulk of the outstanding payments, halted by the Supreme Court decree, are received later, as anticipated, the 1935 AAA total for Scurry County will pass \$300,000.

White Swan Parade Dedicated to Snyder

The White Swan 'ood Parade, a regular daily radio program over station WFAA, Dallas, was dedicated Tuesday morning of this week to Snyder. The program was at 7:45 o'clock.

Local grocers were notified of the program, and a number of their customers heard the quartet and orchestra music and the sales talks on White Swan products.

Mr. and Mrs. Vernon G. Young of Lamesa were week-end guests of Mrs. Young's mother, Mrs. R. M. Sikes, and other relatives here.

John King left early this week for a government hospital at Fort Bayard, New Mexico, for an examination.
