"YOUR HOME COUNTY PAPER"

FORTY-EIGHTH YEAR.

SNYDER, TEXAS, THURSDAY AFTERNOON, MARCH 12, 1936

NUMBER 40

PRESBYTERIAN MEETING WILL START SUNDAY

Prominent Fort Worth Pastor and Experienced Gospel Singer to Lead in Services.

For several weeks the members and friends of the First Presbyterian Church have been preparing for the revival services starting next Sunday, under the leadership of Rev. Everett B. King as evangelist and Rev. L. R. Hogan as singer, both of Fort Worth, according to the pastor, Rev. Alfred M. Dorsett.

Services will be held daily at 10:00 a. m. and 7:45 p. m., starting next Sunday and concluding with the evening service Sunday, March 24.

"Rev. King is one of the outstanding evangelistic pastors of the Southwest, and in the past few years has been a much sought after leader for evangelistic services," according to Rev. Dorsett. He is pastor of the Hemphill Presbyterian Church in Fort Worth. Under his leadership many churches have experienced great revivals, for this man of God comes with strong messages and a Christ-like love for men that lifts to higher things.

Leader of Youth. "He has also been in great demand for youth conferences all over the Southwest, and his influence in these conferences has been sufficient evidence of his sympathetic understanding of youth, and ability to help them to solve their problems. On each evening at 7:30 o'clock, this leader of youth will hold a conference for young people, at which time he will discuss the problems of modern youth.

"Rev. Hogan comes as an experienced gospel singer, having been associated with Rev. King in many previous meetings and having a reputation as a strong leader in such services. He also comes with a great deal of experience as a leader of children's choirs, and each evening just preceding the service he will lead the children in their meeting and organize a children's choir for the services. This has always been a feature of the meetings in which he has participated, and a real treat is in store for the boys and girls of Snyder and surrounding territory."

Rev. Hogan Begins. Due to the fact that Rev. King will be unable to reach Snyder until time for the Monday morning service.

Cowtown Sends Roundup Club to Advertise Show

The Fort Worth Fat Stock Show special train was delayed 30 minutes yesterday afternoon, but when it finally pulled into town it was greeted by 200 or 300 local folks, headed by Fred Rattan and his high-kicking Texas Band.

Members of Cowtown's Roundup Club piled out of the train in a hurry. North Texas Agricultural College band hoisted some tunes, and an eight-year-old trick roped showed his wares. There was Homer Holcomb, advertised as the world's funniest rodeo clown, but his famous trick mule, "Mae West," was not unloaded because of lack of time.

C. Wedgeworth, superintendent of schools, greeted the visitors in the name of Mayor H. G. Towle. A Fort Worth loud-speaker speller narrated the wonders of the big show that begins Saturday of this week, and invited Scurry County folks to bring their lassies and come a-runnin'.

The visitors, most of them Fort Worth business and professional men, were special Centennial hats and typical western regalia. They spread whiskies and other souvenirs among the willing hands that grabbed and grasped.

Evangelist From Fort Worth

When the First Presbyterian Church revival services open Sunday morning, Rev. Everett B. King of Fort Worth will be in the pulpit. He is said by local church leaders to be one of the denomination's most powerful Texas preachers. Rev. L. R. Hogan, field representative for the Board of National Missions, will have charge of song services for the two-week revival.

CENTENNIAL PAGEANT PLANNED FOR APRIL 21

A county-wide Centennial celebration that will include hundreds of pioneers, school children and community leaders is being planned for Tuesday, April 21, San Jacinto Day, it was definitely announced this week.

Featuring the most elaborate and colorful display in Snyder history will be a giant musical program and pageant at Tiger stadium in the evening, and an afternoon parade through the business section.

Local schools are taking the lead in planning the celebration. Under the general direction of Superintendent C. Wedgeworth and a faculty committee, they will stage the pageant, "The Land of the Texas," with students of all ages taking part.

All Schools Invited. Bands from a wide West Texas area will be invited to participate, and singing groups from all schools of the county will be asked to sing in a massed chorus of hundreds of children's voices on a huge raised platform at the stadium.

Plans are being made in cooperation with city, county and general Centennial officials, as well as Chamber of Commerce and Lions Club committees, to stage a parade that will feature not only school children from all parts of the county but floats and other entries that will headline pioneer days in West Texas and Scurry County.

Leaders in the celebration are planning to meet in a few days to make complete plans for the gala day.

Plans are being made by County Superintendent Frank Farmer, and by independent district officials for holding trustee elections Saturday, April 4.

Members of boards of trustees in the county's 23 common school districts and four independent districts may be voted on by as many as 2,500 persons, the number estimated to be qualified for 1936 elections.

In addition to this group, voters will cast their ballots for three of the five members of the county board. Holders of places that expire are A. C. Pruitt, member at large; M. B. Hamilton, Precinct 1; L. A. Hayes, Precinct 2; W. B. Lemons in Precinct 3 and S. L. Johnson in Precinct 4 are holdover members.

In Snyder, the trustee places now held by Dr. J. G. Hicks and R. J. Randaals must be filled this year. Local voting will be in the basement of the courthouse, with S. T. Eise as election judge and Mmes. J. P. Morgan and J. P. Avary as assistants.

The county superintendent says names of trustee or board member candidates must be filed with him not later than Wednesday, March 25.

Monday Accident. Ben Farmer and Curtis Knight were painfully injured Monday morning when the car in which they were riding in East Snyder was overturned on the highway by a county truck driven by Joe Drennan Jr. O. B. Emsel, who was also in the car, was slightly injured. Drennan was uninjured. Farmer and Knight were given emergency treatment in a local hospital.

FIRST RAIN OF SPRING BRINGS LOCAL SMILES

Half Inch Covers Most of County; Heavy Hail in Large Area North and Northwest.

The first rain of the spring season renewed Scurry County Saturday and Saturday night just as a young spring rain is supposed to do. It rained not only old Mother Earth, whose face was beginning to get crusty under the weight of continuous sunny days, but the faces of the men and women whose future depends on rain.

Saturday's rain was gentle in most of the county. It fell to a depth of 44 of an inch in Snyder, and averaged between a half inch and three-quarters of an inch over the county as a whole.

Up in Dermott and surrounding country the moisture turned from light showers to a hail of marble size that whitened the fields and pastures. Some folks who saw the early-spring marvel said it was the most beautiful hail they had ever seen.

The rain was not enough to satisfy spring needs, of course, but it helped many a farmer finish up his plowing, and gave cattlemen still brighter prospects for an excellent year. Gardens and grain were given an early lease on life.

It was the heaviest rain of the year, although earlier showers, snow and sleet had given the county bits of moisture from time to time.

The fall extended from the north plains to Coleman County and from Howard County to Palo Pinto County.

Fruit growers and early gardeners are shivering in their boots in anticipation of the spring freeze that almost invariably hits this section. Many trees are blooming, as the fourth consecutive week of balmy weather begins in the county.

Plans Made for Business Men to Sponsor League

Plans were begun this week for business and professional men of Snyder to sponsor the annual interscholastic League meet, which will be staged here March 27-28.

The Lions Club voted in its Tuesday meeting to take the lead in soliciting local support. An entirely different plan from any used in the past will be followed, announces W. E. Holcomb, who was made chairman of the club committee.

Each merchant will be asked to purchase a given number of entry tickets at 10 cents each. Each student who enters League contests must secure a ticket in person from the merchant to whom he is assigned by League officials.

Until last year, entry fees were paid by the students or by their teachers. The fees help bear expenses of the meet.

General Director Cleo Tarter of Dunn expects almost 700 students to be entered in the various events.

Tarter says all League entry blanks must be returned by teachers not later than Saturday of this week.

Winstons Sell Two Animals at Auction

Winston Brothers of Snyder sold two of their registered Herefords at Sweetwater's nineteenth auction late last week. Rex Domino 6th went to Smith-Nowinkle of San Antonio for \$250. Domino Return 205th was sold for \$110.

The sale created much interest among cattlemen, most of whom brought cheering reports of range and cattle conditions.

Sold by Winstons for \$1,200.00

This picture shows Dire Dunne returning from the Southwest and out of Sibyl by Domingo Return, for which Joe Winstons of Aledo paid \$1,200 to Winston Brothers of Snyder. The bull is accompanying the Winstons herd to Fort Worth for the Southwest Exposition and Fat Stock Show, March 13-22, and will be delivered to the new owner at that time.

Old-Timers Asked To Tell of Early West Texas Days

In connection with Snyder's and Scurry County's Centennial celebration April 21, The Times is attempting to secure facts concerning old-timers who came to this county in the early days and helped build the civilization of today.

Accounts of early experiences will be accepted from anyone, but The Times is making a special effort to secure the names and brief histories of men and women who have been in the county at least 50 years.

These old-timers and their friends are asked to gather facts and dates from all sources possible, and turn the material over to The Times as soon as possible.

The articles will be published throughout the Centennial year. The newspaper is especially anxious to secure at least one write-up each week before April 21, San Jacinto Day, when the county celebration will be held in Snyder.

PLAN HIGHWAY BEAUTY WORK

Mrs. Lee T. Stinson, Scurry County chairman of highway beautification, attended an open meeting of county and district chairmen at the Wooten Hotel, Abilene, last Thursday afternoon.

Jac L. Gubbels, landscape architect of the Texas highway department, was the principal speaker on the occasion. Among statements made by Mr. Gubbels was this: "A garden is the real expression of the personality of an individual."

He suggested using originality in planning rather than a great deal of spending.

Beautification slogan of Texas is "Clear Away All Unshapeliness in Texas," and the Scurry County chairman urges that each person follow the slogan around their own property. Her organization will take the lead in beautifying the highways for the Centennial.

Council Opposed to Mattress Peddling By "Outside" Firms

The City Council went on record last week as being opposed to peddling of mattresses and any other merchandise inside the Snyder city limits. Opposition was expressed to merchandise "except that which has been manufactured or produced in Scurry County."

Burney Dunning represented local mattress interests in requesting that action against peddlers be taken by the City Council.

The council set April 1 as the final date on which names can be filed for a place on the April 7 ticket, and named election judges.

No building permits were issued during February, but the January total was \$3,500. Fines were \$10.70 during February; water and sewer collections, \$1,132.22; taxes, \$523.45; bills granted, \$628.03.

Ed J. Thompson was made assessor of city taxes for 1936 at a salary of \$75.

Zone Lions Meeting Planned This Week

Several local Lions are planning to be in Big Spring Friday night of this week for a zone meeting of Lions Club representatives. A special program centering around Friday the thirtieth will feature brief reports from each club and several talks on which an eight-minute limit has been placed.

Clubs in the zone are Snyder, Big Spring, Midland, Colorado, Anson and Hamlin. The banquet that will be a feature of the meeting will begin at 7:30 o'clock, Crawford Hotel.

CITY ELECTION WARMS UP AS BALLOT NEARS

April 1 Set as Final Date for Filing Names on Ticket; Voting To Be April 7.

With the annual city election less than four weeks away, campaigning is beginning to warm up, especially around the square. Interest centers in the city marshal and tax collector race, in which the names of Sid Bruton, Albert Smith, A. P. (Archie) Biggs and J. T. (John) Lynch are entered.

At its March meeting the City Council agreed that Wednesday, April 1, will be the final date for candidates to file their names with the city secretary for a place on the ticket. The election is scheduled for Tuesday, April 7.

Little interest has developed so far in the alderman's places. Vacancies will occur as follows: James A. Clark, north ward; R. H. Odum, west ward; J. E. Shipp, east ward. Two candidates have announced in The Times for the city secretary's place: J. S. Bradbury, incumbent, and Mrs. Kate Cotten.

Mayor H. G. Towle so far has no opposition for re-election.

Voters will also cast their ballots for the offices of city recorder, now held by H. V. Williams, and city attorney, now held by W. W. Hamilton.

City election boxes, with presiding officers and locations, are as follows: North ward, E. R. Butts, sheriff's office; east ward, M. Stacy, Commissioners Court room; west ward, J. C. Maxwell, justice of the peace office.

NEW FOOTBALL AREA PLANNED

With Snyder recently placed in a new Class B football district, No. 6, the Tigers of 1936 will face a full district schedule instead of last year's semi-district schedule, says Coach Red Hill.

Teams in the new district are Snyder, Rofan, Roby, Roscoso, Merkel, Lomax and Colorado. All these teams except Merkel were played by the Tigers last year. The teams in the eastern end of last year's district are in a new region. District 6 winner will play the winner from District 5, which includes Lamesa.

Only one of the Tigers' three proposed non-conference games has been arranged—an early-season non-conference affair with Colorado.

State Stallion and Jack Will Come to County This Spring

J. R. McDonald, commissioner of agriculture, informed the county agent's office Tuesday that the state-owned jack, "General Linden," and a Perchevon stallion, "Lagoo," will be placed in Scurry County during the month of May.

"General Linden" it will be remembered, was kept at Snyder last fall for a 30-day period, and it is hoped that many who wished to make use of him then but were unable to do so, will avail themselves of this opportunity.

"General Linden" is one of the finest jacks in the South, and Scurry County is fortunate in getting him, even late in the season. In the opinion of those who know his record.

Base Complete for Portion of No. 101

Six and a half miles of the first caliche base already is in place on Highway 101 extending north from Colorado to the Mitchell-Scurry County line, according to The Colorado Record last week.

The road is being paved as a PWA project. It has been under construction for several months. Time limit on completion of the project has been extended from March 15 to June 30.

LATERAL ROAD CONTRACT LET

Contract was let Tuesday for grading and construction of 4.1 miles on the Claiborne road, according to announcement by the State Highway Department, Austin.

The work will be done by Thomas and Ratliff of Rogers for \$19,531. Grading, drainage structures and caliche base are called for in the contract.

The road is considered a feeder for No. 7 and No. 15. It will extend north from the Santa Fe passenger station.

This is the first lateral road project of this nature to be let in the Abilene district.

BACK TO DUNN

Cleo Tarter, superintendent of Dunn schools, was recently re-elected to the place to which he was appointed several months ago at the death of Guy Stark Jr. Prior to his election to the superintendency, Tarter was principal of Dunn schools for three years. He previously taught at Fluvanna, Interscholastic League events in Scurry County are under his direction this year.

Snyder Plans to Join State-Wide 'Clean-Up Week'

Extensive plans are being made by the City of Snyder to cooperate in the state-wide Clean-Up and Fire Prevention Week from March 29 to April 4, inclusive, according to Mayor H. G. Towle.

Following its usual custom, the city will pick up trash, cans and other rubbish at the residences during and immediately after the clean-up week.

The state department of health is sponsoring and cooperating in the state-wide campaign for healthy and beauty.

"This is Centennial year," reminds Dr. John W. Brown, state health officer, "and thousands of persons will visit Texas. Our state will be on parade for the approval of these visitors. If all property owners will repair and paint their buildings, and replace all weeds and rubbish with flowers and shrubs, a more favorable impression will be made on our visitors. Every effort should be made to have the best sanitation possible under local conditions."

"Centennial visitors will be in all parts of the state. City officials can help in this sanitation program by having a pure milk and water supply, and by applying all known methods of preventing the spread of communicable diseases.

"All should join together and make Texas the healthiest and most beautiful and the cleanest state in the Union."

Max Brownfield Is Local Agent for TP

Max Brownfield has become Scurry County commission agent for the Texas & Pacific Coal & Oil Company to succeed his father, Frank Brownfield, it was announced this week.

Max, who has been associated with his father since the latter succeeded E. C. Neeley as agent one and a half years ago, will retain his offices at the Highway Garage, just east of the square on the highway.

Jim Nunn has charge of the station. Frank Brownfield says he is going back to the farm, where he plans to raise cows, sows and hens—"and plenty of calf if I take a notion."

Basket Ball Banquet Staged at Fluvanna

Sixty Fluvanna folks staged a banquet in their school building last Thursday evening as a climax of the basket ball season.

Sweeteners that carried out the school's new colors, scarlet and black, were given the following members of boys' and girls' teams: Betty Mae Tatum, Frances Maples, Hazel Evans, Velma Lee Edmondson, Pauline Campbell, Laverne Edmondson, Adnan Dye, Maurice Ainsworth, Marionette Patterson, Dorra Patterson, Elmo Faver, Alred Beavers, Lester Hanback, Lucien Thomas, Jack Roddy, Jack Turner, Homer Cook Jr. and Ross Belew.

Three From County Attend Angelo Show

Three Scurry County citizens—Joe Eaton, W. R. Lacey and Frank Farmer—were in San Angelo Tuesday for the annual rodeo and stock show, one of West Texas' first major livestock and Centennial events of the year.

The trio visited the ranch soil conservation camp near San Angelo, County Agent W. R. Lacey reports keen interest in the project, and thinks it may be introduced in Scurry County soon.

FARMER FINDS HUMAN BONES LATE TUESDAY

Officers Think Skeleton Is That of Mexican Killed by Sheepman 47 Years Ago.

A complete skeleton of a full-grown man, discovered in a Lloyd Mountain pasture late Tuesday afternoon by L. M. Fambro, farmer, is believed by officers of the sheriff's department to be remains of a Mexican killed 47 years ago by an enraged sheepman.

The only bit of possible evidence as to the skeleton's identity was a highly polished sea shell enclosed in a half-moon copper case, which rested beneath the left jaw bone. Sid Bruton, deputy, believing the shell and case composed a charm worn around the neck of a Mexican, began an investigation Wednesday afternoon, when the skeleton was brought to Snyder, that resulted in the murder theory.

One of Four Killed? A county old-timer told Bruton a 47-year-old tale, which has since been corroborated by several others. A sheepman, said to be a resident of Lubbock, had trouble with four Mexican workers who were helping him run sheep in what was then open range. He had trouble with them, killed three of them outright, and shot the fourth, who disappeared.

The officer's theory is that the fourth Mexican, wounded, crawled into a rock crevice of the small canyon that is now a part of the W. D. Sims pasture. It was in this crevice that Fambro saw portions of the human skeleton Tuesday afternoon. Fambro called Jewell Burns, with whom he was hunting, and the two found all the skeleton by removing a large rock and some dirt.

Near Grave of Trio. "The theory is strengthened by the fact that the grave of the other three Mexicans is only a few hundred yards from the crevice in which the skeleton was found this week. Several old-timers have come forward to give the deputy details of the old story.

The small canyon is about one and a half miles from the Lloyd Mountain road. Fambro said he discovered the bones by chance, since the location was hidden from the average passerby.

The two farmers sacked the bones and brought them to Snyder Wednesday, where they were viewed by several hundred persons. Fambro says every bone was in its place except a few small bones of one foot. A few teeth were missing. All signs of clothing had completely disappeared.

STOCK EXPERT COMES FRIDAY

R. R. Reppert of the Extension Service will speak Friday morning of this week, in the district court room, on screw worm fly control for farmers and stockmen. The discussion will begin at 10:30 o'clock.

In view of the fact that new worm damage is growing steadily worse in this county and other parts of Texas, a large crowd of farmers and stockmen is expected for the gathering. The discussion is entirely without charge.

Modern Front Built For Piggly Wiggly

Snyder's Piggly Wiggly is all decked out in new spring duds this week, result of a two-week siege of repairing and remodeling the front of the north side food store.

Both front windows have been completely remodeled. The new windows, with extra transparent glass, checkerboard panels and modern display spaces, give passersby a much more vivid picture of the store's interior than heretofore. Black and silver paint is being used.

All walls and ceiling of the store are also being repainted.

Anniversary to Be Observed by Miller

R. C. (Bud) Miller, remembering that he became operator of Olds Service Station exactly a year ago, is offering his friends and customers an opportunity to help him celebrate the anniversary.

Motorists who visit his station on the northeast corner of the square from Saturday of this week until Saturday of next week may get not only the famous Olds front-end service, but an opportunity to get a regular jam-up \$1.75 washing and greasing job for \$1.

Hugh Taylor to Marlin

Hugh Taylor, local groceryman, left Saturday for Marlin to take treatment for rheumatism, with which he has been troubled for more than a week. He was accompanied there by his wife, and the two plan to stay several weeks.

The WOMAN'S Page

Music Contests of Sixth District to Be Held in Snyder Friday

MUSIC COTERIE TO BE SPONSOR

Registration for both junior and senior Sixth District music contests will begin at 9:00 o'clock Saturday morning at the First Baptist Church, according to Mrs. E. E. Spears, district junior contest chairman, who is in charge.

Well known out-of-town district judges have been selected to judge the various contests. They are: Piano—E. Edwin Young, head of the fine arts department, Hardin-Simmons University, Abilene; voice—Mrs. Carl Scoggins, voice teacher, Lubbock; violin, D. O. Wiley, director Matador Band, Texas Tech, Lubbock.

Mrs. Spears announces that the three junior groups will compete at the same time in the following places: Piano and piano ensemble, First Baptist Church; voice and choral groups, First Methodist Church; and violin solos and ensembles, First Presbyterian Church. Members of the local Musical Coterie, sponsoring organization, will direct the various contests.

Winners in the district preliminaries will contend at the state convention of the Federation of Music Clubs, to be held in Fort Worth in April. A grade of 85 or above must be made in district contests to be eligible for the state.

Senior contests will be under the direction of Mrs. Wanda Drago Beall of San Angelo, senior contest chairman. They will follow junior contests, and the same judges will name winners in both groups.

Contestants from Sweetwater, Brownwood, Eastland, San Angelo, Abilene, Colorado, Ozona, Sanora, Coleman and perhaps other towns in Sixth District, are expected. Local music students, who have entered contests are: Louise LeMond and Dorothy Pinkerton, 11-15 years, piano ensemble; Nell Verna LeMond, 12-13 years, piano solo.

Charlie Byrd Weds Pampa Girl Recently.

Charles H. Byrd, eldest son of Mr. and Mrs. J. H. Byrd, was married to Miss Alta Lagow of Pampa Sunday, March 1, it has been announced. The wedding took place at the home of Miss Lagow's sister in Plainview.

Formerly a teacher in Scurry County and Fort Worth schools, Mr. Byrd is now in the grocery business at LeFors. He taught at Sulphur, Ennis Creek and Fluvanna before going to Fort Worth. His wife has held a bookkeeping position in Pampa for several years.

Mr. and Mrs. Byrd are at home to their friends in LeFors.

St. Patrick's Theme Emphasized at Party.

Emphasizing a pretty St. Patrick's Day theme, Miss Gwen Gray entertained Duce Bridge Club members and guests with a lovely party last Thursday evening. High score prize went to Miss Dorothy Strayhorn, a guest.

Green and white were combined in appointments, table decorations and the refreshment table. White tapers placed in a nest of ferns burned in the center of each table at the refreshment hour as a dainty salad plate was passed. Plate favors were corsages of sweet peas.

Members present at the meeting were: Jan Thompson, Mavis Webb, Margaret Deakins, Johnnie Mathison, Janice Erwin, Bonnie Miller, Vesta Green, Rube Lee, Mary Jane Beall, Frances Boren, Frances Chennault, Allene Curry and Mrs. Billie Lee Jr. Guests were Misses Dorothy Strayhorn and Peggy Martin and Mrs. P. W. Cloud.

New officers elected at a business meeting preceding the party are: Mavis Webb, president, and Frances Boren, secretary-treasurer. Next meeting of the club will be with Mrs. Billie Lee Jr., retiring club president, and club members' escorts will be guests. Time of meeting has been changed to 8:00 o'clock alternate Thursday evenings.

Melba Ann Odom Is Hostess to Club.

Melba Ann Odom, daughter of Mr. and Mrs. R. H. Odom, was hostess to Twentieth Century Daughters, junior study club, last Wednesday afternoon. Facts about Texas made up an interesting roll call at the meeting.

A book review of "Mill on the Floss" was given by Frances Sears; "Austin, the Capital" was a discussion by the hostess; and "Six Flags on the Texas Breeze" was the title of Louise Bowers' paper.

Lovely refreshments were passed to two guests, Mrs. Odom and Miss Elizabeth Gordon; to Mrs. W. J. Ely, sponsor; and these club members: Mary Curritute, Louise LeMond, Erol Howell, Ernestine Morton, Mary Helen Bolin, Joanna Strayhorn, Wilma Terry, Louise Bowers, Frances Sears, Irene Taylor, Johnnie Greene and Dorothy Pinkerton.

Centennial Given Emphasis at Club.

The Texas Centennial of 1936 was given special stress on annual Texas Day for the Altruistic Club Friday. Mrs. W. W. Hamilton was hostess to the club, and Mrs. E. J. Anderson directed the program.

Members answered roll call with "Interesting Facts About Texas," and a fine arts program followed.

A club quartet composed of Mmes. A. C. Preuit, Hugh Boren, R. L. Gray and W. W. Hamilton sang the official state song, "Texas, Our Texas," to open the program, and also gave two other vocal numbers—"Home on the Range" and "Texas Ain't Got No Style."

Mrs. R. D. English talked interestingly on "The Why of the Centennial From a Patriotic and Historical Viewpoint," and Mrs. J. W. Leftwich gave a group of poems about Texas—"Song of the Fore-runners," "I'm Going Down in Texas" and "Bluebonnets."

At the close of the program the hostess invited the club into the dining room, where she was assisted in serving dainty refreshments by Mmes. Lee T. Stinson and H. P. Brown. Decorations for the tea table and refreshment plate carried out the Centennial motif.

Mmes. E. J. Anderson, Hugh Boren, H. P. Brown, R. H. Curritute, J. C. Dorward, R. D. English, R. L. Gray, J. W. Leftwich, A. C. Preuit, Lee T. Stinson, O. P. Thrane and H. G. Towle were the club members present at the Friday meeting.

Ruth Anderson Auxiliary Meets.

Ruth Anderson Auxiliary of the First Methodist Church met in the Sunday school parlors of the church Monday afternoon at 3:00 o'clock. "Toward a Christian America," the new study, was directed by Mrs. Wayne Boren. Mrs. J. O. Littlepage gave a devotional on "Love Thy Neighbor as Thyself."

Those present at the meeting were: Mmes. Homer Snyder, Albert Smith, T. J. DeShazo, Harry S. Lee, B. L. Kent, O. D. McGlaun, W. P. Cox, Ed W. Thompson, R. H. Odom, R. J. Randals, J. W. White, J. G. Hicks and T. W. Pollard, and Miss Rubye Curry.

Baptist W. M. U. to Meet at Mrs. West's.

The Baptist Woman's Missionary Union will meet in the home of Mrs. B. M. West Monday afternoon at 3:00 o'clock in monthly social meeting. Mrs. R. W. Cunningham will direct the program on "A Woman's Contribution to the Kingdom."

Hostesses at the meeting will be Mmes. W. H. Ware, Forest Wade, W. R. Bell, G. L. Burt, H. L. Davis, J. A. Woodfin and Alice Northcutt.

Mrs. Dale Morrison To Be Guest Speaker.

Mrs. Dale Morrison of Roscoe will be guest speaker on the Parent-Teacher Association program next Thursday evening. Meeting will be in the high school auditorium at 7:30 o'clock, under direction of Mrs. J. Nelson Dunn, president. The meeting will take the form of open house, with a reception following the program.

"The Parents Part in the New Activity Program" will be the subject of Mrs. Morrison's address. The visiting speaker has been on program at association meetings several times during the past several years. Mrs. Earl Louder will present an accordion solo before the address.

High school students, composing the cast for the one-act play, "White Glory," which will be an Interscholastic League competition, will present their play before the group of school patrons present at the P-T-A. Meeting next Thursday evening.

Directed by Mrs. Bob Gray and Miss Annie Frances Sewell, "White Glory," promises to place high in the contest. Setting for the play is laid in Old Mexico, and a military theme is followed. Roles are taken by Dawson Morland, Geraldine Shuler, Fickas Bell and Vite Brown.

The president hopes for good attendance at the meeting. All school patrons are urged to attend.

Bonita McGahey in Play.

Miss Bonita McGahey of Hardin-Simmons University, Abilene, who is well-known here, was a member of the cast for "The Whole Town's Talking," play given at the school Tuesday. The university student is a daughter of Rev. and Mrs. Cal McGahey of Harlingen, formerly of Scurry County.

CENTENNIAL PAGEANT WILL BE FEATURE OF FEDERATION MEET

Centennial Convention for Seventh District, Texas Federation of Women's Clubs, to be held in Lubbock March 30-31 and April 1, promises to be the important event of spring for district club women.

With prominent women and men of the state as speakers and Seventh District's best musical talent, the program cannot possibly fall short of the high expectation of district leaders.

The patriotic feature of the entire convention will come Tuesday night, March 31—a pageant, which traces the history of West Texas from early days. Mrs. M. O. Blatt of Lubbock will direct the colorful pageant, and it will be staged at the senior high school auditorium. A luncheon Monday at 1:00, with Lubbock city federation as hostess, will honor pioneer women of Lubbock and other towns of the district. Each town in the district has been asked to select one pioneer woman to be its representative for the affair. Other pioneer women, those who have lived in their home town since 1900, may attend, according to the Lubbock Avalanche-Journal, but not as guests of the federation.

Seventh District is the "tops" in Club Meets With Mrs. H. L. Miller.

Progressive Study Club members met in the home of Mrs. H. L. Miller at their last regular meeting. The subject for discussion was "Industry, Trade and Transportation."

Mrs. A. P. Morris discussed "The Promise of Rapid Industrial Development in Texas." Mrs. A. C. Martin told of "Foreign Trade Today and in the Future." Mrs. Leon Wren's subject was "A System of Adequate Highways and Air Transportation That Will Be Adequate."

Refreshments were passed to 10 club members and two guests—Mrs. Roy Patterson of Sweetwater and Mrs. W. H. Ware.

Alathean Class Meets.

Mmes. D. T. Pierce, C. E. Ross and White were hostesses to the Alathean Class of the First Baptist Church recently in the home of Mrs. Pierce. Mmes. I. A. Griffin and W. M. Scott presented the program, and a social hour followed. Refreshments were passed to 16 members of the class.

Long Distance Rates REDUCED Sixth Time

- AFTER 7 EVERY NIGHT** person-to-person long distance charges are now lower, except on some shorter calls.
- ALL DAY SUNDAY** long distance rates are reduced on both person-to-person and station-to-station calls.

These reductions apply on calls to points more than 100 miles distant, and to many shorter calls. In the past the only reductions were those after 7 at night on station-to-station calls. Ask Long Distance for the new rates to any point.

"Etiquette" Chosen Topic for Discussion.

"Etiquette" was the main topic of discussion for members of the Crest Junior Club at the home of Mrs. Willard E. Lewis Tuesday night. Frances Boren was program leader. Discussions of "Etiquette Begins at Home," "Charm" and "Good Manners" were given by Frances Chenuit, Jan Thompson and Mary Jane Beall. Mrs. Max Brownfield, sponsor, conducted an interesting parliamentary drill.

A sandwich plate with olives and potato chips and hot tea was passed to members present and to one guest, Reva Lewis Hicks. The next meeting will be at the home of Frances Chenuit.

St. Patrick's Motif Emphasized at Club.

A pretty St. Patrick's motif was emphasized in decorations, appointments and refreshments at the Sine Cura Club party Tuesday afternoon, for which Mrs. Pearl Shannon was hostess at the home of Dr. and Mrs. H. G. Towle.

High score prizes were presented to Mrs. Wayne Boren, guest, and the traveling prize was retained by Mrs. T. L. Lollar at the close of contract games.

Party favors were St. Patrick's hats filled with green mints. Spring violets made attractive centerpieces for foursome tables as a dainty fruit plate was passed.

Guests were Mmes. Wayne Boren, E. J. Anderson, O. H. Smith and Ivan Dodson, and the following club members attended the party: Mmes. T. L. Lollar, W. B. Lee, A. D. Erwin, R. H. Curritute, Joe Stinson, H. G. Towle, O. P. Thrane and Hugh Boren.

Mrs. Joe Stinson will be next hostess to the club.

Mrs. Munger Lewis Hostess to San Souci.

Miss Gertrude Horn, member, and Mrs. Melvin Blackard, guest, took high score prizes at the San Souci Club meeting Tuesday evening. Mrs. Munger Y. Lewis was hostess in the home of her mother, Mrs. W. Norred.

Refreshments were passed to Mrs. Blackard, Bonnie Gary and Ora Norred, guests, and the following members: Mmes. Herman Darby, Charles B. Shell, P. W. Cloud, Forest Sears, E. J. Anderson, Billy Boren and James Ralph Hicks, and Misses Hattie and Gertrude Horn, Neoma Strayhorn and Edith Grantham.

Next meeting will be with Miss Yetta Mae Slaton at the home of Mr. and Mrs. W. W. Hamilton.

Twentieth Century Has Tea.

Clubs of the town were complimented with a seated tea from 2:30 until 5:30 o'clock Wednesday afternoon by members of the Twentieth Century Club at the home of their president, Mrs. Joe Strayhorn. A Centennial theme was carried out in all details, and an excellent program was given by out-of-town artists. An article on the affair will appear in next week's Times.

Melvin Blackards Have Bridge Club.

Mr. and Mrs. Melvin Blackard were host and hostess to the Thursday Night Bridge Club and guests at their home on Avenue U last week. Guests were Mrs. H. W. Hartman and Mr. and Mrs. Alfred McGlaun.

Prizes for members went to Mrs. J. P. Strayhorn and J. P. Nelson, and guest prize to Mrs. McGlaun at the close of contract games.

A salad course was served to the guests and the following members: Messrs. and Mmes. Wayne Boren, G. B. Clark Jr., J. G. Hicks, Raymond Sims, Forest Sears, J. P. Nelson, J. P. Strayhorn and Wayne Williams.

The club will meet next time with Mr. and Mrs. Robert H. Curritute Jr., Thursday, March 19.

A. C. Kincaid Hurt In Fall From Truck

A. C. Kincaid of the local Bryant-Link store sustained painful injuries last Thursday when he fell from the truck on which he was riding. He was moving his household goods when the accident occurred.

One of his legs was broken or fractured in three places. He was rushed to a local hospital, where the leg was set and placed in a cast. He was moved to his home Sunday, and has been resting easily this week.

Mrs. Hattie O'Neal and daughter of Lamesa were guests of their aunt, Mrs. G. A. Glen, in the home of C. T. Glen here Friday and Saturday.

Miss Estelle Hancock of Rochester and Theo Rigby, both students in Hardin-Simmons University, Abilene, were guests of Mr. Rigby's mother, Mrs. A. H. Rigby, here during the week-end.

HERE IS MORE CONCERNING REVIVAL

CONCLUDED FROM PAGE 1

Rev. Hogan will deliver the message at both morning and evening services next Sunday. His themes for the Sunday services will be "A Progressive Life and Church" at 11:00 a. m. and "Christ's Plan for His Church" at the evening service at 7:45 o'clock.

"It has been the earnest prayer of the entire Presbyterian congregation that the entire community might avail themselves of this opportunity for great spiritual blessings, regardless of church affiliation," says the pastor. "Our invitation is that great Christian messages and old-time gospel singing will bring you to a deep abiding spiritual blessing, and this includes all who will share this spiritual feast with us."

Old-Timers Celebrate.

Mr. and Mrs. T. J. Fuller of Jayton celebrated their golden wedding anniversary at the home of Mr. and Mrs. J. W. Barfoot at Jayton several days ago. They have lived in Kent County for 28 years, and are known to a number of Scurry County people.

Mr. and Mrs. Sidney Johnson and Paul left Monday for Amarillo to attend the Southwestern Cattleman's Association there this week. Mr. Johnson has three Hereford calves entered in the show. The Scurry County ranch people plan to return home Thursday.

Locals Will Have Leading Part in Oil Belt Meeting

State Superintendent of Education L. A. Woods and Dr. George W. Frazier, president of the teachers College at Greeley, Colorado, will be principal speakers at the annual convention of the Oil Belt Teachers Association to be held in Abilene Friday and Saturday.

Snyder and Scurry County teachers, headed by Frank Farmer, county superintendent, plan to attend.

A program to be given by students of this area will begin at 2:00 o'clock Friday afternoon in the Abilene High School auditorium to inaugurate the convention. J. C. Landrum, Fluvanna, will give the invocation, and Snyder's one-act play, "White Glory," will be the feature. The play, directed by Mrs. Bob Gray and Miss Annie Frances Sewell, will be introduced by Royal Connell, local public speaking student.

Sectional conferences will be held Saturday afternoon by outstanding teachers from over the district. R. S. Sullivan, principal of grammar and junior high schools, Snyder, will be in charge of the history, geography and civics groups of elementary teachers. He plans to take a group of his students to Abilene to aid him in the demonstration work.

Superintendent C. Wedgeworth and High School Principal King Sides plan to attend the two-day educational meeting, as do a number of other local teachers.

Endeavor Group to District Meeting at Abilene Last Week

Building around a central theme, "The Call of the Master," and the motto, "To Build a Better World—We Choose Christ," members of the Christian Endeavor Societies for the Mid-West District were in a profitable three-day meeting at Abilene last week-end.

The local delegation was headed by Rev. Alfred M. Dorsett, pastor, and Mrs. Dorsett of the First Presbyterian Church, and Mrs. J. O. Temple, young people's leader at the First Christian Church. Others attending were: Geneva Glasscock, Thana Benbenek and Georgia Mault from the First Christian Church; and Valdean Keller, Blossom Lee Greene, Vivian and Frances Chenuit, Irene Wolcott, Almarne Heard, Frances Boren and Dixon Poe, from the First Presbyterian Church.

Rev. Dorsett gave the principal address, "Jesus Calls Us: Christian, Follow Me," at the opening meeting Friday night. Dixon Poe of Snyder was named on the nominations committee at a business meeting Friday evening, and made an address on "Life Work Recruits" Saturday.

Blossom Lee Greene of Snyder gave a talk in the intermediate section of the meeting Sunday morning.

Mr. and Mrs. W. B. Lee, who have been in Hot Springs, Arkansas, for the past month for Mr. Lee's health, returned home last Thursday. Mr. Lee is improving, he states.

Nervous, Weak Woman Soon All Right

"I had regular shaking spells from nervousness," writes Mrs. Cora Sanders, of Paragould, Ark. "I was all run-down and cramped at my time until I would have to go to bed. After my first bottle of Cardui, I was better. I kept taking Cardui and soon I was all right. The shaking quit and I did not cramp. I felt wonderful. I gave Cardui to my daughter who was in about the same condition and she was soon all right."

Thousands of women testify Cardui benefited them. If it does not benefit you, consult a physician.

February 29 Quints Reported in Snyder

The Leap Year quintuplets that were born at the Tate Lockhart place in West Snyder on Saturday, February 29, are faring hale and hearty, say Jimmie and Bobby Lockhart, who are tremendously proud of their new playmates.

The five-point puppies were born to the trier that has been a Lockhart household word for several years.

NYA Man to Austin.

Arthur Bullock, National Youth Administration supervisor for Districts 13 and 18, including Scurry County, was in Austin Monday for a conference of state NYA officials. He said Saturday that about 500 youths were employed on NYA projects in District 13, of which about 50 were in Scurry County.

Esting Dorward of Snyder, daughter of Mr. and Mrs. J. C. Dorward, was one of 32 Southwestern University students whose name was placed on the distinction list for the fall semester, according to Registrar Pearl A. Neal. An average of at least 90 per cent on a minimum of 15 semester hours is required.

THE WEEKLY DOZEN

Weekly Rooseveltism.

President Roosevelt: "It is this belief in the freedom of the mind, written into our fundamental law and observed in our every-day dealings with the problems of life, that distinguishes us as a nation."

And This Applies to Politics.

"Cookin' lak religion is—
Some's 'lected and some ain't;
An' rules don' no mo' make a cook
Den sermons make a saint."
—Old Negro Proverb.

Not a Word About Dallas!

Pessimism Pete noticed that the Fort Worth boosters who came through town Wednesday were advertising fat prizes, bucking broncos, Cowtown hospitality... but not a word about Dallas' June Centennial Exposition!

Not So Mr. American Husband.

Talkative Tillie has no desire to recall shadows of the dead. But she just wonders if that famous Parisian dressmaker who died last week doesn't smile in his grave occasionally when he recalls that he sold about a million dollars worth of dresses yearly to American women.

Freedom of Radio Speech.

Owen D. Young, radio czar: "Freedom of speech for the man whose voice can be heard a few hundred feet is one thing. Freedom of speech for the man whose voice may be heard around the world is another." Young has warned politicians of all parties that they must be careful concerning their radio language.

Credit to the Farmer.

Industrial News Review: "It is to the everlasting credit of the farmers of the nation that the agricultural cooperative to improve farm production and marketing methods, stuck tenaciously to its original purpose—the control and sale of the products raised by farmer members... This is sound farm progress, and such co-ops have deserved the success they have gained."

They're Finding It Hard.

Professional grippers who are accustomed to berate everything from dry weather to the government cotton program are finding mighty hard sledding these days. The weather hasn't been exactly wet, but it has at least given enough season for most of the spring plowing. And the government cotton program, 1936 model, may turn out exceedingly profitable for the farmer, despite the perpetual Clayton-Anderson knock.

Travel at Your Own Risk.

Brady Standard, after a hit-and-run incident in its town: "Not so long ago highway cops arrested a motorist on one of our highways for a flagrant violation of traffic laws. They presented their evidence before a jury; the defendant did not so much as call a single witness in his own behalf. And the jury acquitted him of any wrong-doing. The highway cops washed their hands of Brady—you travel our highways at your own risk."

Centennial and Spring.

Snyder is making extensive plans to clean-up and paint-up during the week of March 29 to April 4. It's almost springtime, and, besides, it's Centennial year. Here, in the very heart of West Texas, our streets, our yards, our homes, our business houses will be eyed by many visitors. Let us start this very month on a widespread campaign for health, for beauty and for a favorable impression on the coming horde of visitors and passersby.

Saved for Denunciation.

Johnstown (Pa.) Democrat: "The Roosevelt Administration has endeavored to erect safeguards to prevent recurrence of the essentially unsound prosperity of the 1920's. And it is significant—highly significant—that these safeguards, designed to protect the bankers, the industrialists, the leaders of business, large and small, are being bitterly denounced by the recognized leaders of the interests they have so successfully served—and saved."

Free, If You Want 'Em.

The Times has on its strictly miscellaneous desk, for those who want them, three bulletins from the Texas Agricultural Station, Brazos County. They are titled: "Base Exchange Properties of Some Typical Texas Soils"; "Progress in the Study of Mechanical Harvesting of Cotton"; "Seasonal Variations of Growth in Weight and Height of Texas School Children." Six thousand copies of each publication were printed, so if you fall to get in on the Times supply, you can probably re-order from College Station.

Snyder and Her Churches.

The Times has said many times that Snyder should be proud of her churches and of her pastors. They stand for something. Like many other churches and many other pastors, they sometimes appear to the man outside their folds to be missing one of the main points of religion: Helping those who most need spiritual and material help. But they are this community's most remarkable institutions, lone sentinels of comfort and guidance where comfort and guidance often seem to be missing. Whether you go to church or not, whether you are more than faintly conscious of the fact that religious revivals are progressing in the community practically all this late-winter, you are unquestionably touched by the church's uplifting influence. Why not go to church next Sunday?

Snyder Hospitality.

Snyder hospitality has seldom been more generously expressed than it was last week when more than 200 highway delegates from 25 towns and cities were guests for a day.

Not many of us are willing to admit that the more civilized we become—as the twentieth century knows civilization—the less hospitable we become. It is seldom that we really exert ourselves to be excellent hosts unless we have a hunch that being good hosts will eventually mean money or influence.

Snyder evidently forgot most of her dollar hospitality last Wednesday, reverted to that grand old hospitality that was just a custom a generation ago, and made her visitors feel that it was really good to have been in such a town for a day.

After all, it is not so important that we have no tall office buildings, no heavily tiled hotel lobbies, no mammoth public buildings. Most of the towns that built beyond their ordinary reach during the prosperous years reaped a harvest of receiverships and bankruptcies during the depression.

Human values are the most precious of West Texas values. Western hospitality is more famous than Western buildings, Western manufacturing, or even Western cotton and cattle.

Let us continue to display such hospitality, no matter whether a special occasion arises or not. Of such hospitality will a higher appraisal of Snyder and Scurry County be born abroad.

Highway No. 15 Important.

From Anson Western-Enterprise.

One look at the route of Highway 15 through Anson will show its importance. It is the most direct route through Texas, coming from Shreveport, Louisiana, and going to the Carlsbad Caverns. This highway runs in an almost straight line and serves Fort Worth, Dallas, Albany, Anson, Snyder, Lamesa and numerous other towns, and saves many miles for the motorist crossing the state.

This highway should be completed through Texas at the earliest possible date.

EDITORIAL OF THE WEEK

SCALING DOWN FARMER INDEBTEDNESS.

The Farm Debt Adjustment division of the Re-settlement Administration is doing a fine piece of work. Many loans were made on farms during a period of abnormally high prices, and with the decline in values, accompanied by low prices for farm products, farmers found it impossible to keep up their annual payments, and in many cases allowed interest and taxes to become delinquent. To assist in the saving of these homes, the Farm Debt Adjustment organization has contributed very materially.

In nearly every county the governor of the state has appointed an adjustment committee of farmers and business men. There is also a state committee, also appointed by the governor. These men work without pay. When a farmer becomes hard pressed and fears disclosure, he may appeal to the county committee, which in turn makes an investigation of his every available resource, and then makes an effort to get debtor and creditor together to talk it over. Frequently, if not always, some way is found either to extend the notes, or to make a compromise. Oftentimes the creditor, considering the depreciation in values, accepts a portion of that loss and reduces the amount of the note. Sometimes this reduction is sufficient to enable the farmer to qualify for a loan with the Federal Farm Bank and thus pay the creditor in full.

In the last three and one-half months of 1935, farm debts in the United States of more than \$20,000,000 were cut down by compromise by \$6,000,000, almost one-third. In Texas and Oklahoma, the scale down has not been as great as the national average, amounting only to about nine per cent on 268 cases during the month of January. This has enabled farmers to pay \$2,500 in back taxes, thus adding both the counties and the state. These farmers are now refinanced and ready to go ahead to pay their obligations and improve their farms. Cost to the government was less than 7-10 of 1 per cent of total indebtedness.—Farm and Ranch.

CURRENT COMMENT

BY LEON GUINN

It's a trifle disheartening just when we are dusting off Texas history and sprucing the state up for the Centennial to observe the pitiful condition of the unpaved sections of our state highways in West Texas. . . . For in West Texas 5,000 miles of dirt roadbeds have become so "wash boarded" and pitted tourists acidly remark "the beaten paths to our cities with a soul" are so well beaten out indeed, one's soul doesn't matter much when old faithful rolls to a stop. . . . Yet by Centennial time the dirt roadbeds in West Texas will be the fastest and smoothest of any in the Southwest, thanks to our able State Highway Commission. . . . One covers a lot of territory in conceding the tourist element always right, but in this case out-of-state visitors are right. . . . Suggestion to maintenance engineers: Why not try dragging roadbeds right after spring rains even if night work is required, until all bumps are ironed out, instead of delays until the grader merely scrapes up big cemented clods? . . . Tourists, after all, respond to such considerations with cash.

Actual Demonstrations Prove Trench Silos Practical for Scurry County

More than 175 stockmen and their families who gathered at two farms west of Snyder last Monday afternoon decided that trench silos offer Scurry County a golden opportunity to save her feed crops year after year.

At Charlie Eastman's they examined the silage from four trenches as well as the cattle and sheep that had been fed on this silage. The farmer had filled each of the trenches with a different feed—sudan in one, maize stalks in another, a mixture of kaffir and hegar in the third, and cane in the fourth.

The sudan and maize stalk trenches were opened for the first time that afternoon. It was clearly brought out that the better the feed put in, the better the silage.

To George Brunley's.

From the Eastman place the group went to George Brunley's farm. He had one of his three trenches opened, and for two and one-half months had been feeding from 24 to 30 head of cattle on maize silage (head and stalk), about a wagon-bed load per day.

The cattle certainly looked good, and as Jim Allen put it, there was less waste of feed around the troughs after two and a half months' feeding than he had after one month's feeding of bundles. The cattle had cleaned up stalk and all, and the grain of the heads was soft enough that it was readily broken up and digested.

Brunley has some 180 tons still buried that he intends to keep until a dry year comes along.

If He'd Had It in '34!

George says if he had had this much feed back in 1934 with cattle cheap like they were, he would have had a chauffeur now and would be spending his winters in Florida or California!

One of the most interested groups was Roy O. Irvin of the Plainview school with 19 boys and girls. They had been studying feeds and feedings, and they came to see the actual practice of storing reserve feeds away.

In this section there are years of surplus feed when it becomes very cheap, then comes a year when the feed is very scarce and high. With a trench silo the surplus may be

UPON SERIOUS REFLECTION

- We've decided that there must be a dearth of mirrors in this town—else how could so many men fail to have their suits and coats cleaned and pressed regularly?
- We even dye for our customers, when they have apparel that warrants such service.
- And we charge nothing for advice—wisdom gleaned from the textbook of many long years of experience in cleaning, dyeing, pressing and repairing for the best dressed in this here ball-wick. If you should feel the urge to dress up—

"Please Send Me Ten Cents Worth of Electricity"

Save Eyesight With Good Light

Glaring light, inadequate light and poorly arranged light take their toll in strained eyes, headaches, fatigue and general discomfort. But relief from these conditions is simple.

Get one of the new Better Sight Lamps with the no-glare diffusing bowl and wide shade, and find for yourself the real meaning of "Better Seeing."

Reading-Study Lamps \$5.95

Floor Reading Lamps \$6.45

Floor Lamps \$8.45

Penny Wise Says:

"A penny is a lot of money when spent for cheap electricity. Your electric percolator will make five cups of coffee for one cent."

. . . If you ordered electricity like you do potatoes . . . if you figured each day how little 24 hours of electric service cost, you'd have a greater appreciation of what electricity does around the house.

But you don't have to order electricity every day, or even give it a thought. Your electric service is always ready at the snap of a switch to do the innumerable tasks around the home at which it excels. From early morning until late at night, electricity is the powerful servant that makes housework easier and a home more comfortable.

By the end of a month, you may forget the many jobs that electricity performed, but a little reflection will recall to mind the many occasions and ways in which electric service added to the comfort, convenience and health of you and your family.

And when you add up the cost you find that electricity is one of the cheapest of household expenses . . . only a few cents a day.

Ed Clarkson, long-time citizen of Scurry County, announces this week as a candidate for commissioner from Precinct No. 2. His full statement to the voters will be published in The Times at a later date.

Mrs. Velma Bruton was a weekend guest of her sister, Mrs. Byrd Rallsback, in Slaton.

Joe A. Merritt Has Announcement for Representative Job

To the voters and citizens of this Representative district, No. 118:

In announcing to you as a candidate for this place, I do so under the pressure and influence of friends from all over the district. I want to say to you that I believe, with the acquaintance that I have in both branches of the Legislature, coupled with the experience I obtained as a member of four regular sessions in the past 14 years, I am in a position to render a service commendable to the district as well as myself.

In coming before you for your suffrage, I shall not make you a lot of rash promises that no one could carry out. But these I do make: I will do my dead level best to make good. There will be some very important matters to come before the Forty-fifth Legislature to be worked out. The good people wrote into our constitution at the last election an amendment calling for an aged pension or assistance, and the last session of the Legislature failed to provide any funds to pay same, except by licensing the liquor business in the state. If I should be successful in this race I shall use my best efforts to place the payments of this pension on a sane and permanent basis.

This is an agricultural and livestock district. If I have a hobby, naturally this is it, as I have always farmed and raised livestock as a means of support.

There are many problems I would like to mention, but space forbids at this time. These, I shall discuss during the campaign. I shall make an effort to meet as many of the voters in the district as possible before the election. Notwithstanding, as you know, the fact that I will have to devote a lot of my time to my farming interests.

I will appreciate every vote I receive and every courtesy shown me during this contest.

JOE A. MERRITT,
Snyder, Texas.

Buck Chandler Out For Constable Job In Precinct No. 1

W. H. (Buck) Chandler announces this week that he is a candidate for constable in Justice Precinct No. 1, which includes a large number of the voting boxes in and surrounding Snyder. The place is now held by Albert Smith, who is a candidate for city marshal.

Chandler is making his first political race. He has been a Snyder business man and employee practically all the time during the last nine years.

He promises, if elected, to "stay on the job all the time," and to "do my duty as an officer." He requests consideration by every voter of his candidacy.

Miss Lollar Teaches.
Jeanette Lollar of Snyder, a senior student at Texas State College for Women (CIA), Denton, is teaching in the Denton public school system the second semester of this year. Miss Lollar, who is the daughter of Mrs. T. L. Lollar, is taking her major work in vocational home economics.

One of the most surprising discoveries I've made is the way my new 1936 Dodge saves money!

It gives me 19 to 20 miles to the gallon of gas consistently in city driving and as high as 22 miles out in the country.

At the same time, this Dodge certainly saves on oil. Excepting for regular changes, I've had to add no oil at all.

J. Wright Moorar Given Cane by Club; Students Give Texas History Program

J. Wright Moorar, described in a brief tribute by President John E. Sentell as one of West Texas' first settlers and most honored "old-timers," was given a white Lions Club cane with red tip at the luncheon club Tuesday.

Canes had previously been given by the club to several Scurry County pioneers and to blind and near-blind persons of the county.

The club voted to lend its assistance to entertaining the Interscholastic League meet late this month, and a committee headed by W. E. Holcomb was named to present the matter to local business men.

A Centennial program under direction of Miss Mattie Ross Cunningham, Texas history teacher in Snyder High School, was presented. The teacher outlined the work of the class and showed Texas brands, burned on wood, as well as a map of Texas carved in wood, as samples of the work.

We Can't Recall Our Loved Ones

No, no act of the living can call back those who have passed to the Great Beyond. But by a reverent care of their mortal remains we can show our respect for their memory, and alleviate the grief of those who remain.

Such is the aim of this organization.
