IMPROVEMENT OF 101 SOUGHT BY COMMITTEE

Snyder, Dunn and Colorado Group Plans to Be in Austin Friday For Highway Confab.

Immediate improvement of Highway 101 from the outskirts of Snyder to the Mitchell County line, by way of Dunn, will be the chief objective of a group of Snyder, Dunn and Colorado citizens who will leave today (Thursday) for Austin.

Sponsored by the local Chamber of Commerce, the three-way committee will appear before the State Highway Commission Friday morning to ask that the strip of about 13 miles be straightened, widened, improved and joined with the already-improved stretch from Colorado to the Scurry County line.

Dunn leaders and the Colorado Chamber of Commerce are cooperating in the highway plans, according to Forest Sears, president of the Snyder Chamber of Commerce.

The committees are: Dunn, W. C.

Giant Crowd Here At Election Party Until Almost 1:00

With interest running high in several county races, thousands of people from a wide area gathered in Snyder Saturday night to hear state, district county and precinct election returns.

Instead of the usual screen and slides, returns were broadcast over a loud speaker manned by W. E. Holcomb, and totals were posted, by boxes and counties, on a double board in front of Bryant-Link's store.

All county boxes, with the exception of one Snyder box, were turned in before 10:30 p. m. The last box came in after 12:30 o'clock. The bulk of the crowd remained until that late hour, for the sheriff's race hung in the balance of the East Snyder box.

The Times wishes to thank everyone who in any way contributed to the success of the election party, and also those who helped make the election extra, distributed free Sunday morning, so successful.
